

"Well By Heck"

BY UNKEL JOSH

Quote, Keep my commandments and live! Proverbs 7:2.
Mich. State 27, Michigan 13.
New York Americans, Brooklyn Nationals.
Rocky Marciano, Joe Walcott.
Nixon \$18,100, Stevenson \$18,150

The above were headlines in a daily paper. Sports report sez Michigan wuz on fire but Mich. State put 'em out, I wonder what pollutid water they yused, wuz it from Grand Rapids ur Lake Huron? ur ject lake Sharlevoix.

Well "Jersey Joe" traveled a rough and "Rocky" road and he isn't the first to find himself on the floor after traveling it.

It was pretty near a draw between Nixon and Stevenson when the purses were counted.

I wuz tellin' old Bill that I thot it wuz tew bad that Stevenson an Isehower wouldn't tell the peepul what they intend tew dew when wun ov 'em iz lected President insted ov tryin' tew see how much dirt tha kin dig up abowt eech other. We awl wuz what tha hav dun, now we'd like tew no what tha intend tew do if lected. It seems tew be eezy enuf fur most eny wun tew see what tha hunc dun, but what they intend tew do iz anuther baby thet aint kwite borned yet.

I heerd afeller tellin' fokes over the radio thet they koodent help this dere infashun, thet awl tha kood dew wuz jest grin an' barrett. Iwunce new a feller by the naim ov Barret but I've never met Mr. Grin. Thaires wun feller I've met kwite often tho, an hiz naim is Mr. U Growler, but grin and bearit ur growl, Mr. Hi Prices iz up tew the top uv the pole an' he don't dast kum down seems like, but wunce he duz start tew fall, yew better watch out fur thaires a awful lot uv mitey good peepul goin' tew git hurt bad.

I noticed some of the highlights in Truman's "give 'em hell" tour of the west. Quote: "It's just a damn lie", "Snollygosters are running Ike's campaign." "The idea of limiting spending for defense is the craziest thing I ever heard of." Then again he tries to ape Abe Lincoln by saying, "We are nowat the moment in history, when under God," and so on. He also says the republicans are going to try to tear down what the democrats have built up! Now that would be something wouldn't it if they should tear down that National debt of over 268 billion dollars that the democrats have built up the major part of in the last 20 years. It's the first time the President of the United States ever placed himself on the level of a corrupt word politician and went around the country using the "elevating" language of a bar-room tough in order to try to help keep his political party in power. It all goes to show the real character of the "nose punching" "give 'em hell" and other such expressions man that is now whistestopping the U. S. in the interest of his party.

I noticed that "Miss Eleanor Holm" is going to sue "Billy Rose" for a divorce. If she is Miss Holm how can she be Mrs. Rose, I told Old Bill that I Allus supposed that when a woman wuz married it ended her "Miss". Mebbly that's whair I mist it. Gess I must be dum. Yew don't hav tew gess it sez Bill.

I wuz a tellin' Old Bill thet of the things Walter Trohan, The Chicago Tribune's Washington correspondent, sez air true then Truman iz no moar fit tew be pres-in a old maids lym-in home, an ident than I am tew be a wet nurse if tha air not tew then why iz he aloud tew broadcast 'em? I gess tew be on the saif side Ile vote the prohibishun ticket, I mene vote tew prohibit the kandidats from tellin' the truth abowt eech other—maybe Ile hav anuther bad spel next weak, until then so long.

Hint Irregularity in Boyne Valley School Tax Election

Red Cross Re-elects Mrs. Don Haig

Mrs. Don Haig of Boyne City was re-elected chairman of the Charlevoix county chapter of the American Red Cross at the annual meeting of the organization at the Haig home Wednesday evening.

Mrs. A. L. Livingston of Charlevoix who has served as treasurer since February was re-named to the office and Mrs. Hazel Fritz of Boyne City was elected secretary to succeed Mrs. Keith Waggoner of Boyne City.

Two new members, Mrs. Frank Burns of Walloon Lake and Mrs. Leo Jablonsky of Boyne Falls, were named to the Board of directors from all townships in the county.

At the business session reports were given by the treasurer and the executive secretary, Mrs. H. W. Patrick. The chapter also decided to conduct an independent fund drive in March as in the past.

The meeting concluded with a lunch served by Mrs. Haig. Present for the meeting were Mrs. R. G. Bennett of Charlevoix who was reappointed chapter blood chairman and Mr. Bennett, Mr. and Mrs. Livingston and Fran Martin also of Charlevoix, Mrs. Burns of Walloon Lake, Mrs. Hair, Mr. and Mrs. Patrick, Mrs. Fritz, Mrs. Waggoner of Boyne City.

Check Now To Avoid Winter Blazes

In order to reduce fire hazards and save homes and property, the Boyne City fire department is asking residents to check all their heating equipment and storage areas before the winter season sets in.

Faulty flues, clogged chimneys, and litter can be the cause of a disastrous blaze. By checking now, a few minutes of precautionary work may save thousands of dollars in property damage.

BIBLE DISPLAY—This Bible display attracted the attention of hundreds of business callers at the Boyne City branch of the State Bank of East Jordan during Christian Education Week. It featured the New Revised Version of the King James Bible. The display was sponsored by the Boyne City Ministerial Association.

Mrs. Elizabeth Miller, 93, Still Earns Own Living Helping Others

Although Mrs. Elizabeth Miller is 93 years of age, she's still earning her own living.

She's proud of the fact, and with the "help of the Lord," hopes to continue being independent until after she passes the century mark. "The amazing vitality that characterizes all of Mrs. Miller's activities is a never ending source of wonder to her neighbors, many of whom she still helps when babies come, or there's a funeral, or some other family emergency.

At her home, which she bought and paid for out of her own earnings following the death of her husband, she points proudly to 115 quarts of blackberries which she picked and canned this summer. She walked two miles daily to the berry patch under a beating sun to get the berries.

"It was hard work," she said, "but that's what's wrong with

Supervisors Cited in Court Action Say They Won't Spread Five Mill Tax Levy

Joe Topolinski, supervisor of Boyne Valley township, and Sharon Crego, supervisor of Hudson township, have been named in a request for a writ of mandamus for their refusal to spread a special tax of 5 mills voted July 14 by electors of Boyne Valley School District, No. 1.

The request is scheduled to be heard before Judge Chas. L. Brown in Circuit Court, Oct. 27th, at 10 a.m.

Topolinski said Wednesday that election "discrepancies" made it impossible for him to spread the tax because he and a group of witnesses were present the evening of July 14 when election ballots were counted and the proposal to vote a 5 mill levy for operational expenses of the school district had been stymied by a vote of 80 to 80.

Topolinski said, "the law says that after the polls are closed, however, the election board is not adjourned but must remain in session until the ballots are counted and the returns are completed and signed."

Topolinski said his brother, Ed Topolinski, Wm. Hunt, Wm. Giem, Floyd Hausler, and Adam Prawd-zik were present about 10:30 p.m.

on July 14 when the vote was counted on the 80 to 80 tie.

Bert DeNise, a member of the election board, said Wednesday that the board had checked the ballots; he confirmed the fact that the original counting had resulted in a tie. He said that there were four ballots the board was in doubt about and that the board had adjourned and the day following had called in Attorney Guy C. Conkle, jr., to give his opinion as to whether the ballots were properly marked.

On the basis of a survey of the ballots the result was published as 79 votes in favor of the proposal and 76 votes against the proposal. Members of the election board who had counted the ballots were: Bert DeNise, Ervin Lick, Violet Carson, Gladys Jpton and Viva DeNise.

Penton R. B., county clerk, disclosed that the writ requesting the writ of mandamus had been filed by Guy C. Conkle, jr., attorney for the school district, on Sept. 26th, and the return had been received on Sept. 30th.

Bulow stated that regardless of the court action on Oct. 27, as far as his office was concerned, it would be necessary for him to file

only what the supervisors spread on the tax role at their meeting starting the week of Oct. 13. He said that his tax reports must be filed within ten days following the supervisor's session.

Topolinski, who said he was aware of the fact that the school district would need the money to operate, said: "In view of the facts I don't see where I could legally spread the tax. We take an oath to uphold the Constitution of the United States and state and county laws . . . and if the election isn't right, I'm not going to violate my trust by doing something that is illegal."

Bert DeNise said there was no intention on the part of the board to change the election results and the board had acted with the best of intentions in seeking legal opinion as to the proper tabulation of the ballots that were in dispute. The results of the court test October 27th will spread into Antrim county since a portion of the school district lies in Antrim's Warner township.

Guy C. Conkle, jr., said Wednesday, "We may ask a writ of mandamus in Antrim county too depending upon the outcome of the court's decision."

Read Final Rites For Alex Heller

Funeral services for Alex Heller, 70, who died of a heart attack Monday morning at Little Traverse hospital, were held Wednesday afternoon at the Peters funeral home, Petoskey, with members of the Boyne City Masonic Lodge officiating.

Interment was at Greenwood cemetery.

Heller, for many years operated a salvage business here, prior to moving to Petoskey where he owned and operated the West Side Salvage Co. He was also one of the owners of the Boyne City Railroad Co. He was born in Russia, March 30, 1882, and came to this country when he was 12. He had lived here for 35 years. He was a member of the Elks, a life member of the Masonic Lodge, and a life member of the Boyne City Rotary Club.

He is survived by two sons, Godfrey and Seymour, a daughter, Mrs. Phyllis Kollin, of Pontiac, one sister Mrs. Dora Krukowska, New York City and four grandchildren.

Add Catholic Bible To Library List

The Boyne City public library has received a copy of the Rheims-Duoy bible as a gift from St. Matthew parish, Mrs. Lena Cook, librarian, has announced.

The addition of the Catholic Bible to the list now available at the library was made last week in connection with National Catholic Bible Week commemorating the 500th anniversary of the printing of the Latin Vulgate Bible by Johannes Gutenberg.

City Hall Bare for Sewage Bond Talk

The biggest civic issue to face the community in several decades was mullied over by five members of the city council and a couple of casual spectators, Monday night.

In anticipation of another record crowd such as that which jammed the council chambers when the building code was aired, the council room had been filled with collapsible chairs.

They stood empty—all night. The \$327,000.00 sewage disposal plant bond issue which will mean an annual cost of \$40 to \$50 for every family in the community for the next 40 years was the subject of dull, placid discussion, quite in contrast to the heated verbal battles that marked the airing of a "penny ante" building code which had no fixed price tag.

The meeting was nearly cancelled when a quorum failed to show at 8 p.m. A telephone canvas of the town by the Mayor netted another councillor and the meeting was called with McFall, Benser, Pierce, Capelin and Schneider present — Gould, Heaton, and Blackwell absent.

Robert Norris, of the engineering firm of Ayres, Lewis, Norris, and May, of Ann Arbor, was called upon to tell the council the program his firm had set up. He re-

Building Code Up Again - But Briefly

The building code came up for discussion again Monday night at the regular session of the council when the city planning commission presented a letter requesting that the mayor appoint a council committee to assist in revising certain sections of the code.

That's as far as the request went—for the time being. Following a discussion of the communication from the planning commission the appointment of a council committee was postponed pending a future meeting when more members of the council could be present to accept or reject appointments to the committee.

Those present Monday night were: Aldermen Pierce, Capelin, Schneider, McFall, and Benser, With Mayor Arbuckle asking for

disposition of the request, a motion was finally introduced to table the appointment of the city committee until more members were present.

The committee appointed by the mayor will work with Bernard Breidenstein, Mrs. Ethel Noel, and Sam Tokoly, who were appointed by John Kujawski, chairman of the city planning commission, last week, to a code "revision committee."

The city planning commission also forwarded a letter of recommendation to the council that hereafter carnivals appearing in Boyne City should be excluded from Memorial Park. This recommendation was likewise tabled for future discussion.

Ramblers Lose Non Loop Clash, 32 - 0

Boyne City traveled to Cheboygan last Friday and was beaten 32-0 by the class "B" squad.

The first quarter opened with Boyne receiving the kick off. In three plays they could not advance the ball forcing Ron West to punt. Cheboygan got the ball and in turn had to punt on fourth down. After two plays Boyne fumbled to give Cheboygan possession of the ball on Boyne's thirty yard line. In two plays Tom McGinn, Cheboygan fullback, took it over for the first score. Don Woiderske made the conversion. Score 7-0.

In the second quarter the Ramblers controlled the ball running it down the field for 52 yards and ending up just six yards from pay dirt. The drive was stopped when they finally lost the ball on downs. The Ramblers threatened again when Shorty Smith intercepted a Cheboygan pass, but the half ended before they could put the break into use.

The second half was all Cheboygan with four TD's being scored. Taking advantage of a fumble by Boyne on their own 2 yard line Lynn Jenne went around end for the second tally of the game. Again in the third stanza Vern Carter went over from the three for

touchdown number three. Both tries for the extra marker were not good making the score 19-0.

The Chiefs scored twice more in the fourth frame with Jenne and Miller scoring from the two and four respectively. Woiderske converted once making the final score 32-0.

The Rambler team played their hearts out but could not overcome the handicap of playing a class B team. Den Pratt played outstanding ball both on defense and offense as well as the rest of the team.

Boyne will play their first home game of the year when they meet Manelona this Friday under the lights at 8 o'clock.

Farm Leader To Talk at Gaylord

State Senator Paul Rogan (R) of Dairyfield, Wisconsin, nationally known farm speaker, will deliver an address Tuesday, Oct. 14, 8 p.m. at the Gaylord civic auditorium under the sponsorship of Otsego county farm organizations. The meeting is open to everyone.

Vote YES on No. 3
Vote NO on No. 2

detailed the story of the decision of the Water resources commission.

Boyne City has been cited to have its bids let and construction of a sewage disposal plant started by June 1, 1953; it must have its plant in operation and stop pollution by July 1, 1954.

Norris emphasized the fact that action must be taken in financing and floating a municipal bond issue on a "tight schedule" in order to comply with the dictates of the water resources commission.

The question of what happens to a community which fails to comply with commission orders or fails to vote a bond issue was raised. Norris cited New Buffalo, Mich., as an example.

New Buffalo fought the commission through the courts, lost, and was forced to issue judgement bonds in order to comply with the commission's edict.

Wm. Moore, of the investment firm of McDonald & Moore, Detroit, told the council that a judgement bond issue couldn't possibly command a very favorable interest rate or selling market because it lacked evidence of good faith.

The question of water-main replacement as an addition to the project for building the sewage

disposal plant, extending sewers, and overhauling the city water system was discussed. The council gave Engineer Norris its approval to drawing up a financial prospectus on the total cost of completing the project.

Discussion then centered around the employment of the McDonald & Moore firm as financial consultants at a commission rate and one half per cent.

Action was deferred in the matter by motion of Councilman Schneider with the council concurring by roll call that they wished to defer the employment of a financial counselor until the entire council was present to sign the contract which the firm of McDonald & Moore has tendered.

The role of financial consultants, as explained by Wm. Moore would consist of the following services—making survey of costs, set rates for revenue, arrange bond maturities, test prospective rate structure of water utility, clear bonding issue through state finance commission, sell the bond issue, and guarantee the bid.

Following the comprehensive but bleak prospectus—of the city's next major civic project the council adjourned at 12:20 a.m., Tuesday.

Presbyterian Church Activities
 Sunday a very fine Rally Day service was given during the Sunday school hour. The entire program was in charge of the members of the various classes. Two special talks were given by Peg Willson and Pat Shaler. In Peg Willson's talk, entitled "Service We Promise the Church" was a challenge of our faith and Pat Shaler's "Service We Promise the Community" was a challenge to give of ourselves for our community. The scripture and prayer were given by Murray Northup. The prelude was very well rendered by Kay Hocquard.

The monthly Sunday School teachers meeting was held at the home of Georgia Hall Monday evening, October 6th, and the lesson study was taken from the book "Why Am I Teaching?"

The United Societies met at the home of Mrs. Brintnall Wednesday afternoon with 28 members present. Several projects were discussed and the first one underway is providing for a lounge and reception room.

Jewell Bryan will be hostess at the regular monthly meeting of the Vesper Guild Wednesday evening. Plans will be discussed for the "Glamour Party" which is to be given the latter part of this month.

We urge everyone to attend the meeting for both men and women at Rogers City, October 20th, which will begin with a supper at 6:30. Mr. Miller, the State President of Men's Work, will be the speaker of the evening. How many will volunteer? Contact Wm. Casper for transportation.

We invite you to attend the New

Life school of Christian Living, the first meeting to be held at the Presbyterian church Sunday evening, October 19th at 7:30 p.m. Plan to enroll in one of the classes.

The Westminster Youth Fellowship of this Presbytery will hold their Rally at Harbor Springs, October 26th.

A special meeting of the Flint, Saginaw Valley, and Petoskey Presbyteries will be held in Saginaw Thursday evening, October 9th. Rev. Morse, the new Moderator of General Assembly will be the speaker. Remember the Release Time Program in our church Wednesday morning, also Junior Choir Thursday at 4:00 and Senior choir at 8:00 p.m.

BOYNE FALLS HIGHLIGHTS
Mary Ann Hausler
Loretta Kullik

The Boyne Falls school is now in full swing, the new students are: Bob Harley, 10th grade, Jackie Van Tresse, Jennie Konopatski, and Donald Purl, 9th grade; and Judy Van Tresse, 7th grade.

There are two new teachers in high school, they are Mrs. V. Olds and Mr. E. Kujawski.

The election of the class officers took place September 19th. The officers for the senior class are: Douglas Hausler, president; Dave De Nise, vice president; Jennie Bauman, secretary and treasurer. Their class sponsor is Mr. Kujawski.

The officers for the junior class are: Ronald Massey, president; Delbert Giem, vice president; Irene Kosc, secretary; Shirley Gillespi, treasurer. Their class sponsor is Mrs. O. Richardson.

The officers for the sophomore class are: Cadet De Nise, president; Mary Cieslak, vice president; Alice Bauman, treasurer. Their class sponsor is Mrs. S. Lamb.

The officers for the freshmen class are: Chester Spaniak, president; Leonard Damer, vice president; Eloise Massey, secretary; and Dorcis Giem, treasurer.

Everything seems to be running on a smooth basis, the boys seem to think they got off pretty easy when Mrs. Olds came and the girls when Mr. Kujawski came. I wonder who really got the best deal, don't you?

By the way girls, Mr. Kujawski is looking for fan mail.

To Show Seed Cleaner at Show
The proper use of seed cleaning equipment for elevators and farms will be a special feature of this year's seed section of the Northern Michigan Potato, Apple and Seed Show, says Ed Rebman, county agricultural agent.

A large commercial manufacturer of seed cleaning equipment has agreed to set up elevator size equipment and farm size equipment each day at the show. Throughout each day at the show, periodic demonstrations of the use of the equipment will be made. It is a known fact that equipment now in the area is capable of doing a much better job of cleaning, if properly used. There are so many little adjustments with such equipment, that effect the job being done. A special day for elevator operators is being planned. The cooperation of elevators and farmers in securing seed samples for the show is being solicited.

This year's show will be held in the new 4-H community center on the Emmet county fair grounds in Petoskey, November 4th to 7th.

The seed section of this year's show has been expanded to include cereal grains; oats, wheat, barley, rye and corn; field beans; red kidney, yellow eye and white pea and field peas, in addition to the legume seeds such as alfalfa, the clovers; red, mammoth, alsike, ladino and sweet and also vetch. An eight pound sample of a particular exhibit is needed for an entry. The exhibits can be certified or uncertified seed.

Friends Entertain Mr. and Mrs. G. Burns On Gold Wedding
Seventy-five friends and relatives surprised Mr. and Mrs. Gus Burns Wednesday evening, Oct. 1, at the V. F. W. hall on M75 with a celebration of their golden wedding anniversary.

Mr. and Mrs. Burns were married in 1902 at Stanton, and came to Boyne City the same year. She was born in Montcalm county and he in Oakland county. They are the parents of five living children: Cecil at Cadillac, Merritt of Petoskey, Mrs. Clayton Boone, Mrs. Robert Bradley and Robert Burns of Boyne City. They lost a son, Bill, in World War II. They have 11 grandchildren and two great grandchildren.

The tables were beautifully decorated in white and gold. Gold candles and gold mums. Refreshments were sandwiches coffee and cake. A four-tiered wedding cake with a miniature bride and groom decorated the table.

Mrs. Burns wore a gold corsage tied with gold ribbon presented her by her daughter-in-law, Mrs. Merritt Burns.

Those from out-of-town who were present were: Mr. and Mrs. Merritt Burns of Petoskey, Mrs. Carl Hanson, district president; Mrs. Gertrude Hart, past district president; Mr. Martine, past district secretary; Ira Hart, state field service officer; Carl Hanson, district patriotic instructor.

The evening was spent playing games and group singing of old-time songs.

Fortunate Fiddler Deluged by Mail
Harvey Briggs, the "fortunate fiddler," of Petoskey, who accidentally came into possession of a genuine Stradivarius violin is getting a lot of fan mail but no "hard-cash" offers since his discovery was verified by a New York expert.

He, however, stands a good chance of selling his discovery at a price ranging from \$20,000 to \$65,000, the current market price for Strads.

Post Office Has Stamp Albums
The Boyne City post office now has a plentiful supply of Schools Savings Stamps and albums ready for the new school season. Postmaster Winegarden announced today, "We have received shipments of both stamps and albums during the summer recess and are fully prepared to continue serving all of our schools," he added.

Winegarden also stated, "There is every reason to anticipate a far heavier demand for Savings Stamps this year than at any time during the peacetime years. The School Savings campaign last fall, which proved such an outstanding success, created keen interest in the program on the part of teachers and students. The drive, which added 5,815 new school savings programs throughout the country, will be continued during the first semester of this school year. It is expected that nearly 5 million students will be in Stamp Day schools by the end of this calendar year."

"It is hard to visualize the great benefit this one program will have for our country with 5 million children saving nickels and dimes and building the habit of thrift. School savings have been on the uptrend the past three years," he continued. "Stamp sales in the nation's schools increased from \$10 million, 800 thousand in 1950 to \$14 million in the 1951-52 school year."

Postmaster Winegarden also announced that the new improved Series E Bonds are now available. In describing the new bond he said: "It is now better than ever. Your return on this bond is 3 per cent, compounded semi-annually, if held to maturity. It also pro-

vides higher cash values in the earlier years. Proof of its popularity is evidenced by the fact that the cash value of E Bonds now outstanding has mounted to \$34.9 billion, the highest ever attained."

To Start Bangs Retest Program
Charlevoix county dairy farmers will soon experience another retest in the program for the control and eradication of bangs disease, Ed Rebman, county agricultural agent, announced today. This program is joint between the Federal State and county. Charlevoix county, in the past has been an accredited county and only by retesting can the dairy farmers hope to control bangs disease.

Rebman states that the fourth coming county-wide retest program will be altered somewhat to include the use of the milk ring or ABR test. This ABR test is conducted only on composite herd samples of milk or cream and is used to locate probable infected herds.

Herds demonstrating any reaction to this ABR test will be blood tested as in the past. The procedure following the blood test will also be the same as in previous tests. Farmers are urged by county agent Rebman to assist the department in making the retests in order that this dreaded disease may be controlled and possibly eradicated.

Apple bruising reduces sales and profits; try apple polishing.

Three Area Farm Ladies Picture in National "Ag Mag"
Photographs of Mrs. Paul Hufford and Mrs. Alden Grenshaw; Petoskey, and Mrs. Charles Withers, Charlevoix, appear in the October CAPPER'S FARMER. The pictures accompany the feature, "Easy on the Heart," which explains the work of the Cardiac Housewife Program of the Michigan Heart Association.

Mrs. Hufford, mother of three 4-H sons, is shown demonstrating a light-weight cart that holds all accessories to clean house, including a vacuum. A pocketed apron

is also a step saver, points out the nationally-circulated farm magazine.

Mrs. Withers and Mrs. Grenshaw are shown watching Mrs. Ruth C. Kettunen, extension specialist, demonstrating how to change a pillow case with the least effort.

Lifting heavy spreads and other bedding taxes the heart, continues the article. A college survey shows women use twice the energy necessary in doing housework. Cardiac classes are voluntary, with doctors' approval.

Michigan farmers are increasing winter wheat planting far in excess of national average.

O.E.S. Elected Officers
Evangeline Chapter, No. 95, O. E.S. held their annual election Friday, Oct. 3; with over fifty members present and Lois Howie, worthy matron, presiding.

Lourell Gould, conductress, draped the charter as a tribute to Mary Zimmerman, who recently passed away, while William Howie, worthy patron, repeated the impressive ritual. Francella Dorgan reported that a new electric signet had been ordered to replace the one lost in the fire.

Election of officers for coming year took place, with Vera Tokoly, Loeta Dunsmore and Agnes Greenman as tellers. Worthy Matron, Bonnie Starback; worthy patron, Edward Starback; associate matron, Lourell Gould; associate patron, Herbert Gould; conductress, Jaunita Erber; associate conductress, Dorothy Christensen; secretary, Estella Gould; treasurer, Phyllis Lucas. The appointive officers will be announced later. Installation of officers was scheduled for Wednesday, October 15. Bonnie Starback, Lourell Gould, Jaunita Erber, and several members are planning to attend the Grand Chapter, which convenes at Grand Rapids, Oct. 8.

In the social hour, the retiring worthy matron, Lois Howie, bade farewell to her officers and complimented them in their work and co-operation during her term of office. For refreshments, ice cream was served by the committee, Wilhelmina Boutellier and Herbert Gould.

THANK YOU

We wish to thank each and everyone who gave to the Benefit Dance September 17. We appreciate your help.

11* Mr. and Mrs. Ora Peck.

Mobile Unit To Test Chests Here

A three county chest X-ray survey will be launched October 28 when a Michigan Department of Health X-ray unit begins a tour of Charlevoix, Emmet, and Otsego counties, according to an announcement made this week.

With a goal of giving free chest X-rays to all adults, including students 15 years of age and older, Dr. A. F. Litzemberger, district health department director, said the check-up campaign will last in the three county area through November 25.

In a planning meeting at Charlevoix on September 25, members of the area health unit staff met with a Michigan Tuberculosis Association representative to lay plans for making maximum use of the Michigan Department of Health X-ray bus.

Dr. Litzemberger expressed hope that a large number of older adults will take advantage of the X-ray opportunity. Pointing out that tuberculosis is spread from the sick to the healthy, the health unit director said more and more tuberculosis is now centered in older age groups, particularly men over 40.

"While everyone 15 years of age and older should have an annual chest X-ray for protection from unsuspected tuberculosis, parents and grandparents are urged to be X-rayed every year to protect children as well as themselves from the unknown spread of TB germs," Dr. Litzemberger declared. He added that the X-ray process will require no disrobing and will take only a few minutes. Reports on possible abnormal conditions will be confidential to the individual and his family physician.

School Census Will Again Reveal Amazing Figures

New national figures on school enrollment will be available from information obtained in the October Current Population Survey, according to District Supervisor Donald P. Watkins of the U. S. Census Bureau.

Supervisor Watkins pointed out that the Current Population Survey would be conducted here and in 67 other areas throughout the country during the week of October 13.

Last year's survey showed that 30,500,000 persons 5 to 29 years old were enrolled in school or

college at the beginning of the 1951-1952 school year, Supervisor Watkins said. The corresponding number enrolled in October 1950 was 30,100,000.

The high enrollment was due primarily to the presence in the elementary grades of a large number of children born shortly before and during World War II. In October, 1951, the number of children 7 to 13 years old attending school was nearly 18 million, an increase of about 725,000 over the previous year, and 3,200,000 more than the comparable number in October, 1945.

Supervisor Watkins stated that the questions on school enrollment will be asked in addition to the usual monthly questions on employment and unemployment.

From where I sit... by Joe Marsh

Wonder How Miss Gilbert Is in "History"?

By now I guess you've heard about the spelling errors in the kids' report cards this week.

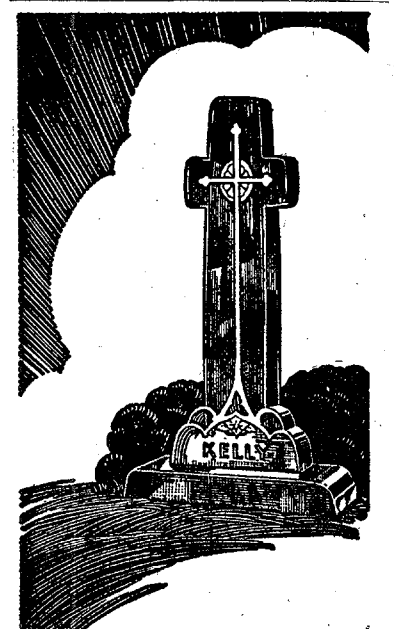

A typical card looked like this:
Arithmetic..... B
Geography..... B
Spelling..... C
Grammar..... B

I don't know if Miss Gilbert, the principal, actually wrote those cards, but she took full responsibility. This morning I hear she got up in the Assembly Hall—before all the students—and started writing GRAMMAR with two "a's" on the blackboard 100 times!

From where I sit, I'll bet this makes her even more popular with the students. It's nice to see an expert admit she occasionally makes a mistake. Too many so-called "experts" claim they're never wrong on such subjects as what you or I ought to eat... what we should wear... whether we should enjoy beer or butter-milk. A really wise person never claims to "know all the answers" all the time.

Joe Marsh

A Changeless Symbol in a Storm-tossed World

THERE is comfort for Christians in the symbol of the Cross. A family monument of this design is testament of faith that will be understood and appreciated by people of many generations. It is a splendid way to help perpetuate the Christian faith.

Let's Go Ramblers

In Your First Home Game!

MANCELONA HERE TOMORROW--8:00 P.M.

Meet Your Ramblers

Gary Neville, son of Mr. and Mrs. Floyd Neville, is one of the brightest freshmen prospects to come along in many years. He broke into the game as a regular in the Rambler backfield and plays at right half. Only 14, he weighs 155 pounds, is 5 foot seven, and got his pre-game conditioning by mowing greens at Ye Nyne Olde Holles gold course.

Ron West, son of Mr. and Mrs. Elmer West, is playing his senior year at the right end spot. He's one of the four lettermen Weede had left to build the 1952 squad around at the start of the season. He's a big lad, weighing 185 pounds and is 6 foot three. During the summer months, he has worked on Great Lakes freighters. Also plays first base.

Denny Pratt, galloping 170 pound senior, is the son of Mr. and Mrs. Leon Pratt. Last year, an injury sidelined him for most of the season. He likes to heave his passes long; is a hard blocker, and a good running back, and is the backfield utility man. When he isn't playing half-back he's at the quarterback's post calling the signals for the Ramblers.

Roger Mayhew, is the son of Mr. and Mrs. O. D. Mayhew, who live on M-75 near the VFW home. He played junior high basketball before joining the large crowd of freshmen hopefuls who are trying for regular berths. Roger weighs 132 pounds and is 14 years old. His favorite subject in school is shop. Favorite past time—eating.

PROBATE JUDGES ORDER

State of Michigan, the Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix, in said County, on the 23rd day of September, A. D. 1952.

Present, Hon. Floyd A. Supp, Judge of Probate.

In the matter of the estate of Buddie Davison and Donnie Davison, minors.

Aaron Davison the guardian of said minors having filed in said Court his petitions praying that he be authorized and empowered to take from the funds of said minors the amount of \$30.00 per month for each minor, and use it for the care, maintenance, and support of each said minor while they are attending the Boyne City Rural Agricultural School District No. 3, or until the further order of this court.

It is ordered that the 14th day of October, 1952, at two o'clock in the afternoon, at said probate office, be and is hereby appointed for hearing said petition;

It is further ordered, That public notice thereof be given by publication of a copy of this order, once each week, for three successive weeks previous to said day of hearing in the Boyne Citizen a newspaper printed and circulated in said county.

Floyd A. Supp, Judge of Probate

35-3t

ORDER FOR PUBLICATION Final Account

State of Michigan, the Probate Court for the County of Charlevoix.

In the Matter of the estate of Louisa Korhase, deceased.

At a session of said Court, held on September 24, 1952.

Present, Honorable Floyd A. Supp, Judge of Probate.

Notice is hereby given, That the petition of Carrie Korhase, the executrix of said estate, praying that her final account be allowed and the residue of said estate assigned to the persons entitled thereto, will be heard at the Probate Court on October 29, 1952, at 10:00 a.m.;

It is Ordered, that notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Boyne Citizen, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

Floyd A. Supp, Judge of Probate

36-3t

NOTICE OF HEARING CLAIMS

State of Michigan, Probate Court for the County of Charlevoix.

In the Matter of the Estate of Duane Bardwell, deceased.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, September 24, 1952.

Present: Hon. Floyd A. Supp, Judge of Probate.

The above estate having been admitted to probate and E. D. Rueggesser appointed administrator.

It is Ordered, That two months from this date be allowed for filing claims against said estate; and that all creditors of said deceased are required to prove their claims to said Court at the hearing on claims to be held at the Probate Office in the said City of Charlevoix, on December 10th, 1952, at ten o'clock in the forenoon.

It is Further Ordered, That public notice thereof be given by publication of this order for three successive weeks previous to said day of hearing in the Boyne Citizen, a newspaper printed and circulated in said County.

Floyd A. Supp, Judge of Probate

Consumer's Power Co., lights and power	245.93
Mich. Bell Telephone Co., phones	60.67
Charlevoix Co. Road Commission, custom work and betterment	1,395.05
Mrs. John Waffle, sign rental	10.00
Lyle Wangeman, street commissioner, mileage	12.78
Mrs. John Parker, Warm Morning heater	10.00
Wm. Korhase, piles for breakwater	225.60
Rouse Oil Co., gasoline	63.88
Standard Oil Co., gasoline	57.25
Boyne City Fire Dept., one fire	16.00
Boyne City Co-Operative Co., supplies and coal	601.20
	\$3,437.13

Moved by McFall, seconded by Heaton that the bills be allowed as read and O.K.'d by the Finance committee. Roll call all yeas. Motion carried.

Moved by Benser, seconded by Capelin that a building permit be granted to Mrs. Delbert Towne to build a greenhouse of cinder blocks on lot 23, McIntires' Addition. Motion carried.

Moved by Schneider, seconded by Benser to accept the Revised Plans on the building of the Breakwater. Roll call all yeas. Motion carried.

Moved by McFall, seconded by Pierce that Lyle Wangeman be the contact man between the City and Contractor and be authorized to have sufficient spiles driven North and East of the Breakwater. Roll call all yeas. Motion carried.

Moved by McFall, seconded by Heaton that the Council approve the application to the state from Arthur K. and Christena A. Rouse for transfer of 1951 SDD & SDLM Licenses from L. C. Rouse Estate, Milo M. Rouse Adm., Park and Water streets. Motion carried.

Moved by Heaton, seconded by Benser to grant the request of the Michigan Association for Better Hearing to Park the Hearing Testing Mobile Unit by the City Hall on Wednesday, November 5th, 1952. Also to connect the extension cord with an outlet in the City Hall. Motion carried.

Mayor Arbuckle appointed Talmon Brudy to fill in the unexpired term of W. G. Lindsay, as City Assessor, in surveying at \$1.20 an hour.

Moved by McFall, seconded by Heaton that the appointment be confirmed. Roll call all yeas. Motion carried.

Moved by Heaton, seconded by Capelin that Lyle Wangeman act in the capacity of Contact Man with the Water Ways Commission in regard to erosion. Motion carried.

Moved by Heaton, seconded by McFall that the City buy a Grader from the Miller Equipment Co. for \$500.00, the terms being \$100.00 down payment and the balance of \$400.00 within the year. Roll call all yeas. Motion carried.

Moved by Gould, seconded by McFall that the request of Sam Tokoly to rent the stand-by fire pumper to the Northern Michigan Electric Co. to pump a sump at the Advance Plant, be granted. Motion carried.

Moved by Heaton, seconded by Pierce to take the Parking Meters down for the season. Roll call: Yeas, Pierce, Heaton, McFall; Nays, Capelin, Gould, Schneider, Benser. Motion not carried.

Moved by McFall, seconded by Pierce, that the three weeks trial for the Parking Meters, south of the Railroad tracks on S. Lake street be extended for the rest of the year. Roll call: Yeas, McFall, Heaton, Pierce, Schneider, Gould; Nays, Capelin, Benser. Motion carried.

Moved by McFall, seconded by Gould that the meeting adjourn. Motion carried.

S. G. Arbuckle, Mayor
Emma Sundquist, Clerk

Record of the proceedings of a special meeting of the Common Council of the City of Boyne City duly called and held in the Council Room, September 22, 1952, at 8:00 p.m.

Present: Mayor Sam Arbuckle, Aldermen Emmitt Pierce, Boyd Heaton, Robert Capelin, Leonard Blackwell, Herbert Schneider, Wm. Benser, Fred McFall and Clerk Emma Sundquist.

The meeting was called for the following purposes:

1. To hold a public hearing and a possible decision on the Building Code.

2. To decide about the improvement of that portion of Water street (now known as Bay street) within the plat of Wm. T. Addis' Addition to Spring Harbor, within the City of Boyne City, extending from the West line of Lot 12

to the West line of Lot 9 of Block 3, of said Plat.

Moved by Heaton, seconded by Capelin that the City proceed to improve that part of Water street (now known as Bay street) within the Plat of Wm. T. Addis' Addition to Spring Harbor, within the City of Boyne City, extending from the West line of Lot 12 to the West line of Lot 9 of Block 3, of said Plat. Roll call all yeas. Motion carried.

The Building Code was read and discussed by the Citizens and after the discussion, the motion was made by Benser, seconded by Capelin that the Building Code be tabled until another Public Hearing is held on the same. Roll call all yeas. Motion carried.

Moved by Schneider, seconded by Benser that the meeting adjourn. Motion carried.

S. G. Arbuckle, Mayor
Emma Sundquist, clerk.

Piccadilly Circus
Pat Shaler
Billie Jo Howie

The seniors are going all out for taking over the concession Friday night at the Mancelona game. They have decided to sell barbecues and hot dogs both. We hope it goes over, but we think it will.

Quite a few traveled to the football game Friday to see Boyne play Chebogan. It was a swell game boys, keep it up.

Betty Cadwell stepped up to a group of football players in the hall Monday, and said, "Say boys did you notice that the Cheboyan cheerleaders had skirts on instead of slacks?"

After listening to Betty's remark, Merle said, "What do you think we were talking about in that last huddle?"

Why isn't there a teacher's institute every week? We could spend Monday sitting around, Tuesday really studying (ha, ha) and Wednesday dreaming about the four-day vacation. Oh, well, we can wish can't we?

Were our eyes deceiving us or weren't the freshmen girls fully dressed Wednesday? I hear it was an initiation of the new members of FHA.

Walking down the hall, Leota Erickson accidentally stepped on the heels of Mr. Nelson. He turned with a sarcastic smile on his face and said, "are you going to walk around or climb over?"

Gene Lawrence has been beg-

ging us to put his name in the paper so here it is.

The Boyne City High School Forensic club held its first meeting, Monday, September 29, in Mrs. Malone's room. The group expressed interest in extempore speaking, declamations, oratory, interpretative reading including humorous readings. Because of lack of participation of neighboring schools, plans for inter-scholastic debate were shelved for this year.

Senior Celebrities

Say kids, have you noticed that tall, dark, and handsome football player charging down the halls? His name is Donald Leo Arner, born September 5, 1935. Mrs. Nola Graves claims him but we can't figure out why. He's a Canadian at heart, since he was born in Kingsville, Ontario.

We got him second-handed as he went through his elementary grades, excepting the sixth grade, at Volney Smith in Detroit. As soon as he hit the seventh grade, we knew we had a great basketball, track and football player. He has participated in four years of each of these, but football is his favorite. He is also a Jr. Rotarian this year and likes it very well.

He is taking an academic course. Don's favorite saying is "Don't you ever work?" His hobby is collecting pictures of old cars (like his own). And he hangs around any where there's a job.

His main ambition is to become a cop and own a motorcycle.

MICHIGAN OUTDOORS
with MORT NEFF

ARCHERS' HOLIDAY

An estimated 25,000 bow and arrow hunters will be roaming the Michigan woods this fall. Their quarry: a white-tailed deer—buck, doe or fawn, it doesn't matter except in Menominee or Chippewa county where only an antlered deer is legal.

The Robin Hoods enjoy a long season—October 1st to November 5th, yet their kill of deer is not likely to exceed the 2000 mark. Simple arithmetic proves that their chance of filling their license is pretty slim. Nevertheless it's hard to find an unhappy archer! The joy of the sport for them is the chase. Virtually all of them will see plenty of deer because Michigan's herd is large and well scattered. At least half of them will have one or more shots at deer, BUT there's many a slip!

The beginner—and many a veteran—is almost sure to suffer the shakes as he, or she, draws on the first deer. Getting buck fever, or in this case deer fever, is even worse with a bow and arrow than it is with a gun. Accuracy is impossible. Your muscles refuse to obey. Most of the time under such circumstances one just eases back the bow string and watches the deer wander off into the woods!

Best Approach

The best approach to the problem of getting your deer with bow and arrow is to let the deer approach you! Undeniably, stalking thru the forest Indian style is lots of fun. You may be able to sneak up on a deer, but these animals do not have big ears for nothing! Furthermore their sense of smell is astoundingly keen. So the best technique is to study the terrain carefully, find yourself a well-used deer run, get down wind from it and in a position from which you can get a commanding view for some distance. Then arrange a few branches on the ground, built up about waist high. This will be your blind. Get a box or camp stool, sit down, and wait. It's always a good idea to get into a spot like this before daylight, sit there until about 9 o'clock, and if you haven't had a

shot by then go back to camp for some shuteye. Deer won't move much except in early morning and late afternoon. Get back in the blind by 4 o'clock and wait it out until dark. You'll see the deer you can bet on that—and if they don't see you, hear you, or scent you chances are you'll get a shot or get the shakes. Either way it's another chapter in your book of adventure in Michigan Outdoors!

Yardville Program Plans Formulated

Chamber of Commerce board members appointed George Ferris chairman of the Yardville program which is being organized by the Chamber of Commerce for the purpose of beautifying Boyne City. Mr. Ferris, a member of the local Garden Club will make arrangements with the club to start the program.

Mrs. Ethel Noel was re-appointed to the post of housing director for the Winter Ski program and was given permission to employ the services of two persons to assist with the work on week ends.

Plans are also being organized for the December 1st annual Chamber of Commerce banquet.

Chamber of Commerce membership dues, which to date have not been paid, may be paid to Don Fox, James Porter or Mrs. Ethel Noel.

Students Pick Council Officers

Students of Boyne City High school have elected the officers who will be in charge of the student council for this school year.

The council has been playing a greater part in the operation of student activities. Last year the council took over the task of publishing a yearbook for the first time since 1947. The yearbook project will be continued this year with Betty Cadwell as editor-in-chief and Jack Lucas, assistant editor.

Officers elected on the council include Dennis Pratt, president; Donna Camburn, vice president; Norma Plank, secretary; and Gloria Callesen, treasurer.

Guam Driving Unsafe

Guam—This U. S. territory in the western Pacific with an area of less than one-fifth of Rhode Island and with fewer than 100 miles of improved roads has an accident rate 20 times greater than the United States average, the Navy reported.
