EAST JORDAN, MICHIGAN, FRIDAY, MAY 15, 1931.

NUMBER 20

School Meeting As Usual

NEW METHOD OF ELECTION DOES NOT CHANGE ANNUAL MEETING.

The following article is to correct some misunderstandings and to spike any rumors that may have been circulated that the annual school meeting has been done away. The following are the facts according to law and which were printed in an article in the Herald two weeks ago.

All persons expecting to vote at the annual election for members of the school board, etc., to be held on Monday, June 8th must be registered by Saturday, May 30. Any elector might have registered since May 9 at the City Clerk's office—which is at Otis J. Smith's barber shop, under East Jordan Postoffice. Certain dates have been especially designated by the Board of Education when the bulk of the registration may be done more conveniently. The special dates are: Saturdays, May 9, 16, 23, and Friday, May 29th. School electors may register on any day between May 9 and May 30 inclusive, but must be registered by the second Saturday (which is May 30) preceding the election which is June 8.

The annual meeting takes place as usual at 8:30 o'clock p. m., fast time, June 8th. A Candidate to have his name placed on the ballot for the Board of Education must have a petition filed with the Secretary of the Board, signed by not less than 50 qualified school electors. These petitions must be filed by the 25th of May. There will be three candidates, one for a two year term to succeed Dr. C. H. Pray, one for a three year term to succeed F. H. Wangeman, and one for a three year term to succeed H. P. Porter. Each school elector may sign three petitions. No elector shall sign the petitions for more candidates than are to be elected. In other words you can sign as many petitions and cast as many votes as there are offices to be filled.

The election is an all-day election, making it easily possible for all farmers to vote without great inconvenience. The new method was put into effect because it is the fairer way—the one suggested by the State Department and one that prevents a long, drawn out two or three hour evening meeting. It was found, with the former method, many people voted at the school meeting who had no right to do so. It also gives everyone a chance to find the facts in all cases and prevents snap judgments and last minute politics.

The law passed a few years ago, puts the making of the budget and many other matters in the hands of the Board of Education so that by the new method the annual meeting will be much shorter with facts presented in a clearer, more precise manner and will take a good deal of the responsibility off the shoulders of the chairman and other officials responsible for the meeting.

MARTIN J. STALEY EVELINE PIONEER PASSES AWAY

Martin J. Staley, for many years a resident of the Peninsula, Eveline Township, passed away, Friday, May 8th, 1931, at Charlevoix, after a very short illness, although he had been in poor health for several years.

Mr. Staley was born at Fort Perry, Ontario, December 23, 1842, coming to Southern Michigan when a young man. He was united in marriage to Miss Elizabeth Sanders in the early sixties, coming to Charlevoix County about 1877 and has made his home on the Peninsula most of the time since. Mrs. Staley passed away at the home now occupied by Mr. and Mrs. Albert Staley of Charlevoix as a summer home, on May 9th, 1909. There were eleven children born to this union, six of whom survive: Mrs. Edith Bennett and George Staley of the Peninsula; Arthur, Albert and Ernest Staley of Charlevoix; and Wesley Staley of Traverse City.

Mr. Staley cleared up several farms and did some lumbering, was Highway Commissioner several terms, was for many years active in the Mountain school work, being Director for years. He was very active in farming and fruit growing and in the Charlevoix County Fair, for many years was a very large exhibitor. Did a great deal for the Fair in work and managing. He was ever a kind neighbor and a worthy citizen. The community has been greatly benefited by his life.

Funeral services were held at the Albert Staley farm home, Monday afternoon, May 11th, in charge of the pastor. Interment at Sunset Hill, East Jordan, where his wife, son, Frank, and daughter, Caroline are buried.

TWILIGHT BASEBALL SEASON TO START SOON

All persons interested in playing ball this summer are invited to attend an organization meeting at 8:00 o'clock Tuesday evening, May 19th, at the Tourist Park.

The purpose of this gathering is to organize for the summer, lay out a diamond, decide on the size of ball to use, to list the players interested and to appoint Umpires.

The Masons and the Foundry have begun organizing their teams for the summer. It is also rumored that the Farmers led by Calvin Bennett are planning to enter a team in the race. "Don's Ice-men" are another new aggregation, while we have yet to hear from Davis' K. P. team and the Legionnaires.

Walter Corneli who has been asked to preside over this meeting would like all these groups present promptly at 8 o'clock next Tuesday evening so necessary arrangements for the summer schedule can be planned.

East Jordan To Have A Homecoming

CELEBRATION TO BE HELD FRIDAY, SATURDAY, SUNDAY, JULY 3-4-5.

This year is again East Jordan's turn to celebrate the Fourth of July for Charlevoix County under an agreement made some years ago between the three cities of this county, Boyne City, Charlevoix and East Jordan.

So successful was the combined "Fourth" and "Home-coming" celebration staged here three years ago that it has been decided to hold a similar event this year.

As a preliminary step East Jordan's "Home-coming" Committee on invitation needs the assistance of every citizen who has the name and address of a former resident. Please hand in your list at once to W. A. Stroebel, Earl Clark or W. A. Loveday (the committee) so mailing can be started next week.

THOMAS THORSEN TAKEN BY DEATH AT TRAVERSE CITY

Thomas Martin Thorsen, aged 34 years, passed away in a hospital at Traverse City, Thursday night, May 7th, 1931, following an illness of two months' duration.

Mr. Thorsen was born in East Jordan, Michigan, April 23rd, 1897, his parents being Matthew and Christina Thorsen. He resided in East Jordan until ten years ago when he came to Traverse City. Since that time he had been employed at the State Hospital.

A member of the Elks, Eagles and Knights of Pythias, Mr. Thorsen was well known in the city and will be missed by a large circle of friends.

He is survived by his wife, two sisters, Mrs. Lawrence P. LaLonde of East Jordan and Mrs. Charles Heise of Charlevoix; a brother, Emil, of Wells, Michigan.

The body will lie in state at the Hibbard funeral chapel until Monday at eleven o'clock when the funeral party will leave for East Jordan, where services will be held at the Norwegian Lutheran Church at two o'clock. The Rev. Johnson of Frankfort will officiate and burial will be made in the family lot at Sunset Hill, East Jordan.—Traverse City Record-Eagle, May 9th.

BOARD OF REVIEW

Notice is hereby given that the Board of Equalization and Review for the City of East Jordan will be in session at the Council Rooms in the Library Building on Monday, May 18th, 1931, at 9:30 o'clock a. m., central standard time, and will be in session each day thereafter for at least four days.

Dated May 4, 1931.

OTIS J. SMITH, City Clerk.

It is never a good idea to question your wife's judgment. Just think what she married.

A man never finds out just how much is the matter with his old car until he goes to trade it in for a new one.

A preacher of Elgin, Ill., trying to increase attendance at his services hung out this sign: "A hearse is a poor vehicle to come to church in. Why wait?"

HOME MANAGEMENT ACHIEVEMENT DAY

The Achievement Day held at Charlevoix last Wednesday as a fitting climax to the Home Management Project was a huge success from all angles. This Achievement Day represented the largest number of organized groups carrying on the work that we have thus far had. Over 200 women were enrolled in this project and with one or two exceptions all the groups in the County finished up the series of four lessons.

Mrs. Lydia Ann Lynde, the main speaker, held her audience spell-bound. She was the type of speaker that a person can listen to for hours. Her subject was "The Playing Family," a subject that certainly touched upon all the problems that parents are very conscious of. A program was held both forenoon and afternoon, and attracted a turn-out of 125 very interested ladies.

This Achievement Day was one of the most interesting and inspiring, if not the best, occasions that we have as yet held. Miss Oona Stautz, Specialist of Michigan State College, who was the instructor last winter, was present and outlined to some length the project "Home Furnishing" which will be started this fall.

The Congregational Church ladies certainly proved themselves to be wonderful hostesses for this gathering, and surely can be complimented upon the splendid luncheon served at noon.

Ten Farmers Keeping Cost Account Records on Potatoes.

In order to find out what the exact cost of producing potatoes on a bushel basis, a group of ten farmers are busily engaged in keeping an accurate account of all time spent, as well as all expenses in connection with potatoes.

It is a well known fact that the cost per bushel varies in different localities and of course varies according to weather and many other conditions. In a Potato Club Project some two years ago the cost varied from 35c to 90c per bushel. It is felt that by having this work carried on this year that it will give us some very accurate information as to what the actual cost is for Charlevoix Co. The following farmers are keeping records this year: Harry Behling, Boyne City; Howard Stephens, Boyne City; W. K. Straw, Charlevoix; A. B. Todd, Boyne City; Edd. Jensen, Wal-

loon Lake; LeRoy Hardy, Boyne City; Ed. Kowalske, East Jordan; Clinton Blanchard, Charlevoix; W. D. Henley, Charlevoix; and Lester Hardy, Boyne City.

FLOWERS

The two recent flower meetings held last week at Charlevoix and East Jordan were well attended and proved to be very valuable to the folks interested in making their surroundings more beautiful. Mr. Paul Krone, Specialist in Horticulture, was the speaker and spent considerable of his time in discussing annuals and perennials. By means of slides he gave the audience a very clear conception of how the various varieties of flowers differ in color, shape, and where they can be grown to the best advantage. Many questions pertaining to lawns and how to eliminate diseases, pests, and weeds, were discussed with the audience.

SHRUBS

Last Thursday evening at Boyne City an audience of over 90 heard the illustrated lecture given by O. I. Gregg on the subject of Home Beautification. Mr. Gregg proved very clearly that by the use of our native shrubs and trees that homes could be beautified very inexpensively. Here in Charlevoix County we are blessed with an abundance of native shrubs which are ideal to use and can be easily gotten, take for instance Ninebark, Dogwood, and Elders. Then in regard to trees we have the cedars, pines and spruces, all of which fit in nicely with a landscape project.

It is only a matter of getting at it, to become interested in beautifying your home. Usually a very few hours expenditure of time and effort will make you marvel at the change which takes place.

We've Often Wondered

The Doctor: Will you please hold out your tongue?
(Co-ed opens mouth and sticks out tongue a little.)

The Doctor: Put out your tongue a little farther, please.

Co-ed: Well, don't you think there is any end to a woman's tongue?

"Your office is as hot as an oven," said a client to his lawyer.

"So it ought to be. I make my bread here."

"Remember that cherry tree you sold me last fall?"

"Yeah, how is it?"

"A peach."

EIGHT GRANGES WERE PRESENT AT POMONA GRANGE

Pomona Grange met with Wilson Grange, Saturday, May 9th, 1931. Meeting was called to order by the Master, Archie Murphy.

The lecturer took charge of the program.

Community Singing.

Roll Call—For the ladies, name your favorite flower; for the men, name the weed you dislike most.

Reading—"A Mixup," Chas. Shepard.

Song, by the DeMaio sisters.

Recitation by Audrey Sheffield.

Duet—"Among My Souvenirs," by Mrs. Petts and Mrs. Newkirk.

Reading—"The House by the Side of the Road," by Clara Leu.

Music by the "Spare Tire" Orchestra, Mrs. Batterbee, Mr. Tate and Mr. Hamond.

"I Should Worry," by Al Warda.

Song—"The Little Boy From a Lonesome Town," by Christobel Sutton.

Receipt for a good Grange, by Frances Looze.

Legislative Bills, Chas. Murphy.

Song—"Mother," by Perry and Charles Looze.

Short talks were given by Mr. and Mrs. Killner, Mr. and Mrs. Otto and Mr. and Mrs. Ludlow from Emmet County.

Pianoforte Selection by Mrs. Timmer.

There were eight Granges represented with an attendance of 126. Four new members.

Next meeting will be on Saturday, June 27th, afternoon and evening sessions at Barnard Grange with pot luck supper at 7:00 o'clock fast time. Further announcements later.

In remembrance of Mother's Day, a potted plant was presented to Mrs. Joe Sutton, she being the oldest mother present.

Alice M. Smatts, Sec'y

Start Operations About June 1st

JORDAN VALLEY CO-OPERATIVE CREAMERY INSTALLING MACHINERY.

All Dairymen in the County will be deeply interested in the announcement that the New Co-operative Creamery located at East Jordan, will start operations about June 1st. At a meeting last Thursday night at East Jordan, a fine representation of co-operative and independent agencies were present to discuss the best way, or ways, of gathering in the cream.

The directors of the new Creamery are very anxious to work in close harmony with all existing co-operative agencies in the area, and would be glad to receive any suggestions that you may have. They have been spending considerable time and effort in working out the details of organization and in the purchasing of creamery equipment, as well as the remodeling of the building.

At the present time the new Manager, Mr. Penfold, is already on the job. Most of the equipment has arrived, the building has been completely remodeled, and everything points to a successful as well as profitable creamery, which will add materially to the dairy prosperity of the County.

B. C. MELLENCAMP, County Agr'l Agent.

MARY DUFORDE BURIED FRIDAY

Mrs. Mary Rose DuForde, wife of Lewis DuForde, died at her home in South Arm Township, Tuesday afternoon, May 5th, 1931, at the age of 69 years, 2 months and 27 days. Before her marriage Mrs. DuForde was Mary Rose Hosler, daughter of Mr. and Mrs. Wm. Hcaler. She has spent nearly all of her life in this vicinity, having come to this country at the age of six years and has lived a number of years near Ellsworth, she was well and favorably liked by all those who knew her, having made a great number of friends during these years.

Mrs. DuForde for a number of years was in ill health, having suffered with asthma and death was due to heart failure.

Surviving besides the husband are five sons and one daughter—Arthur Barnes of Charlevoix; Alex Holmes, Charlevoix; Harrison Holmes, Melvin, Mich.; Earl Holmes, Bear Lake and Irving DuForde of Ellsworth, and Mrs. Laura Bachelor of Detroit, also Margaret Holmes, a granddaughter, who since infancy has made her home with her grandparents.

Funeral services were held Friday

Achievem't Day Well Attended

MANY GATHER AT CHARLEVOIX DESPITE THE RAIN.

The Home Economics Extension Achievement Day which was held at Charlevoix, Wednesday, May 6th was very well attended in spite of the rainy day. Ladies were present from a distance of 45 miles.

The program of the day began by everyone meeting old friends, and making new ones. Also examining the exhibits furnished by the different groups, such as Bulletin Boards, household efficiency note books, furniture polish, wall paper cleaner, treated dust cloths, moth preventatives, closet and storage space, and a beautiful display of crocheted rugs, and many other things which were a help to any home-maker.

Next our business meeting was called to order by our County Chairman, Mrs. A. G. Knightlenger. All joined in community singing led by Mrs. Robert Russell.

Roll call followed, showing all but one or two groups represented, which later in the day were also represented.

Miss Oona Stautz, Specialist in Home Management reported on the year's work just completed, and also outlined the new project work which will be Home Furnishing and Decorating.

Mrs. Robert Russell sang a beautiful solo, "Songs My Mother Used to Sing."

Our County Agr'l Agent, B. C. Mellenkamp gave a few remarks and presented certificates to about fifty Leaders and group members.

We then found our way to the dining room where 96 ladies and several gentlemen sat down to a lovely dinner served by the ladies of the Congregational Church. We were

pleasantly surprised to hear two Evangelists of the Church of God sing, "I Will Sing of My Redeemer," which everyone certainly enjoyed.

With dinner over we returned to our meeting in the church where we elected our County officers. Mrs. A. G. Knightlenger was re-elected Chairman, and Mrs. W. C. Palmer, Secretary, after which all joined again in community singing, led by Mrs. A. Livingston.

An address of welcome was given by the Rev. G. R. Parker of the Congregational Church. He gladly welcomed us to their city, and urged us on in our good work. Also spoke briefly on some of the problems of the churches of today. Everyone enjoyed his remarks.

Two vocal solos were rendered by Mrs. A. Livingston, "Mother o' Mine" and "Open Road."

Mrs. Lydia Ann Lynde very easily held our attention while she told us of "The Playing Family." Urging every mother and father to play with their boys and girls. We need play and recreation no matter how old we may be. Children need from 1 1/2 to 2 hours of hard play each day. Play with your children at home where they are under your care. Provide them with good clean games, both in and out of doors, it need not be expensive games, there are many we can make ourselves, such as: Midget Golf, Net Ring Tennis, hand ball, horse shoe and many others. Then both young and old enter wholeheartedly into the games. I can not begin to tell you all the good things Mrs. Lynde told us, but I am sure all who heard her will put forth the effort to make their family "The Playing Family."

Last but certainly not least was an instrumental duet by Mr. and Mrs. Wm. Sanderson. We all enjoyed hearing them and hope we may hear them again.

Mrs. Wm. Murphy, Pub. Com.

afternoon, May 6th at the M. E. Church in Ellsworth. Rev. Geo. F. Stanford of Levering and Rev. C. J. Kendall of Central Lake officiated. Interment at the Ellsworth cemetery.

CARD OF THANKS

We wish to thank the many friends for their sympathy and kindness shown to us in our recent bereavement. Also for the beautiful floral offerings, and wish to thank the American Legion.

Mrs. Aldrich Townsend
Mrs. Mary E. Cole
Mr. and Mrs. James Meredith

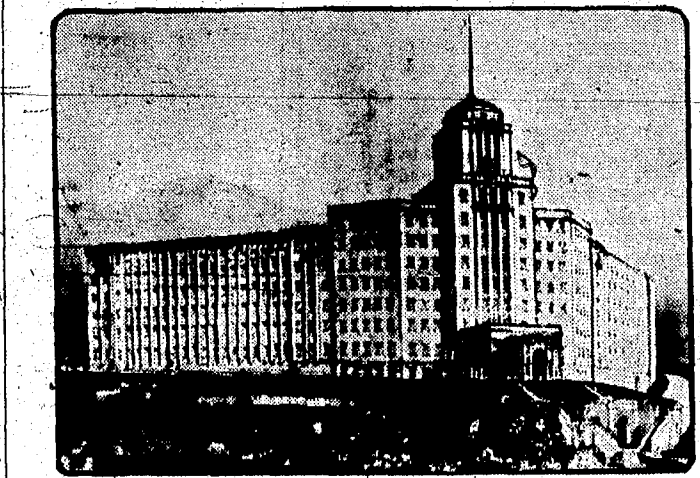

"That's a good looking suit you have on, Joe, old boy. Mind giving me the address of your tailor?"

"Not at all. But only on the condition that you do not tell him mine."

"I say, isn't that a beetle on your trouser cuff?"

"Can't say. I'm a stranger here myself."

Fine Health Haven for U. S. Warriors

Architect's drawing for the new \$1,500,000 hospital which is to be erected on War department property at Hot Springs National park, Arkansas, for the accommodation of regular army and navy men as well as ex-service veterans from all parts of the United States. There will be 412 beds, as compared with 160 beds in the fifty-year-old hospital which will be replaced. Construction work is expected to start about July 1.

AFTON

Edited by Mrs. Henry Timmer.

Mr. and Mrs. Frank Behling Sr. have returned home from the Soo, where they visited a few days.

Mr. and Mrs. Ed. Weldy and sister were at Petoskey, Monday.

Armand Meyrand spent the week end with his family at Birmingham, Mich.

The Weldy family celebrated Mother's Day with a family dinner, there being 14 present.

Walter Cornell was a business caller in Afton, Friday.

Wilson Township committee of the Child Health Unit met with Mrs. Henry Timmer on Wednesday evening.

Miss Condon, County Nurse, delivered a detailed account of the purpose of the Unit, and the service to be rendered by the committee.

Wilson is one of the first to form its township committee. The first project to help with is the Clinic for crippled children, to be held at Charlevoix on May 21st.

Dr. Badgley, formerly Orthopedic Professor at Ann Arbor is to act as consultant.

About eighty children from four counties, 25 of whom are residents in Charlevoix County, will receive attention at that time.

Mr. and Mrs. Maurice Pierce of Petoskey spent the week end with her parents, Mr. and Mrs. Matt Hardy.

Mrs. Bert Lumley entertained the entire Hardy family Sunday in honor of her mother.

Mrs. Henry Timmer visited Mrs. Ralph Ranney Tuesday evening.

Roy Hardy, Ed. Weldy and Harry Behling attended the dairy conference at Boyne City Tuesday.

Mr. and Mrs. Wm. Vrondran were callers Sunday at the home of Mr. and Mrs. Albert St. John.

A very enjoyable evening was spent at the home of Mr. and Mrs. Wm. Vrondran, it being her birthday.

About 30 friends and neighbors were present. Cards were enjoyed, prizes were won by Mr. Hudkins and his daughter, Thelma. A bountiful lunch was served at midnight.

Mrs. Vrondran received many beautiful gifts.

PENINSULA
(Edited by Mrs. E. Hayden)

[An article relative to the death of Martin J. Staley—a part of these notes—will be found on the first page of this issue.]

The school bus came out last week Monday evening and took a large crowd to East Jordan for the School Band Concert.

Miss Zepha Faust had the misfortune to step on a nail Sunday evening and was unable to go to school Monday.

Miss Ellen Reich of Lone Ash farm, who has been attending Business College in Lansing since October, has secured a position in the Olds office.

Mr. and Mrs. A. Reich and Mrs. Alfreda Arnott of Lone Ash farm made a business trip to Charlevoix, Wednesday.

Mrs. Tracy LaCroix of Wilson Township came this way last Wednesday and picked up Mrs. Orval Bennett, Mrs. F. D. Russell, Mrs. Geo. Staley and Mrs. Loren Duffey and took them to Charlevoix to attend Achievement Day. They report the grandest time ever.

Well we are not crying for rain now, the most rain that has fallen in the same length of time for a long time fell Wednesday, Thursday, Friday and Saturday. We have plenty of moisture for some time.

Mrs. F. D. Russell of Ridgeway farm spent Friday with her parents, Mr. and Mrs. Mose LaLonde in Chad-dock Dist.

Cash A. Hayden of Orchard Hill made a business trip to Charlevoix Friday afternoon.

John Collins and Joe Whitfield of Rock Elm were on the Peninsula, Friday, purchasing spring pigs. They got some at Orchard Hill.

Mr. and Mrs. Zigler of Boyne City were on the Peninsula Friday, looking for little pigs.

Ed. Douglas of Cheboygan was on the Peninsula several times last week delivering raspberry plants.

Highway Comm'r. Elmer Faust of Mountain Ash farm was taken very ill Wednesday night with flu and is still confined to the house, but unable to lie down.

L. E. Phillips of Boyne City has been at his farm here some the past week.

Old acquaintances will be concerned to hear of the death of Martin J. Staley at Charlevoix, May 8th. He has been almost a continuous resident of Peninsula since 1877.

Mr. and Mrs. Wesley Staley and Mrs. Nellie Evans of Traverse City were on the Peninsula Sunday afternoon, called by the death of Martin J. Staley.

Mr. and Mrs. A. B. Nicloy and sons, Curtis and LeRoy of Sunny Slope farm were dinner guests of Mr. and Mrs. Ray Boyington and family in Boyne City, Sunday.

Mr. and Mrs. A. C. Hurd who spent last week in and near Hortons Bay, returned to Sunny Slope farm, Sunday.

Francis Boyington who is employed at the Charlevoix County Nurseries and has been boarding at Sunny Slope farm, is now boarding with his parents, Mr. and Mrs. Ray Boyington in Boyne City and driving to and from his work.

Mr. and Mrs. Charles Healey of Willow Brook farm visited Mr. and Mrs. Joel Sutton near Afton Sunday afternoon.

Mr. and Mrs. Elwood Cyr and two sons, and Mr. and Mrs. Walter Wurn of Boyne City were guests of Mr. and Mrs. Fred Wurn and son, W. F., Sunday, May 10th, which was Master W. F.'s 15th birthday.

Robert C. Hayden of Orchard Hill spent Sunday with Clayton Healey at Willow Brook farm, helping him celebrate his 15th birthday.

Fred Wurn has set out a large patch of raspberries the past week.

Miss Opal MacDonald of Cadillac spent Sunday with her parents, Mr. and Mrs. D. N. MacDonald.

Friends of F. H. Wangeman will be interested to hear he is able to get around on crutches and can drive his car now.

Gerald Dunlop of Boyne City brought out 24 hives of his father's bees to the D. D. Tibbit's cherry orchard last Thursday. They will do their share to help make a bumper crop of cherries and apples there this year.

Harley LaCroix of Advance is working for D. Tibbits at Cherry Hill this spring.

Miss Phyllis Close of Boyne City visited Miss Alberta Tibbits at Cherry Hill farm one night last week.

The Boyne City Co-op. truck has been busy hauling spray material and fertilizer for D. D. Tibbits the past week.

Mr. and Mrs. Charles Fett and daughter, Miss Martha and Miss Ruth Matchett, the Advance school teacher spent Wednesday evening with the D. D. Tibbits family at Cherry Hill farm. The young people had a taffy pull.

D. D. Tibbits lost a fine Guernsey heifer recently.

D. D. Tibbit recently planted two thousand pine and spruce trees on one of the many hillsides of Cherry Hill farm.

Mr. and Mrs. T. J. Hitchcock of East Jordan spent Sunday afternoon with Mr. and Mrs. Elmer Faust and family at Mountain Ash farm.

Mr. and Mrs. Wm. Bogart and son, Clare, and J. F. Evans of Boyne City spent the week end with Mr. and Mrs. Joel Bennett at Honey Slope farm.

WILSON TOWNSHIP
(Edited by Mrs. C. M. Nowland)

George LaValley, who has been employed in Southern Michigan, was laid off recently and he returned to his farm home on Todd Hill last week.

James Dean, the Boyne City Postmaster made the rounds with Ted Ecker, Carrier on R. 1, Monday.

Clyde Strong has purchased Mrs. Will Howard's farm and is moving on this week.

A fine baby colt arrived Saturday on the farm of Louis Fuller.

Fred Kurtz has been having a seige of asthma for two weeks past.

Ray Nowland was a Petoskey business visitor last Wednesday.

Mr. and Mrs. Guy Stanhope and Mrs. Archie Sutton attended the funeral services of Tom Thorsen at Norwegian Lutheran Church in East Jordan Monday afternoon.

Wm. Webb and Otto Syler of Boyne City finished a screen porch on Will Behling's farm residence last week.

Mr. and Mrs. Frank Behling Sr. returned Sunday from a week's visit at Sault Ste Marie. In the evening, their two sons, Harry and Will and families of Wilson, and daughter, Mrs. Fred Benzer and family of Boyne City visited with them, as it was Mother's Day.

Mr. and Mrs. Ralph Collins of Muskegon moved on Mrs. Signa Liscum's farm last Friday.

James Lewis and family of Boyne City moved on his farm in Pleasant Valley, north side of Nowland Hill.

Tom Shepard made a number of visits on his brother, Stephen Shepard near East Jordan, who is seriously ill from a stroke last week.

Mrs. Anton Josefek and daughter, Mrs. Howard Little called on Mrs. John Kabourik last Wednesday.

Mr. and Mrs. Victor Peck with son Eldon, and uncle, Peter Kesler drove to Conway, Sunday afternoon. Mr. Kesler stopped off there to a nephews home, going on to Indian River, Monday.

Eldon stopped in Petoskey, where he has employment with the Cook Electric Co., for the season.

Mr. and Mrs. Burton Brooks and children, his sister, Miss Beatrice, and Marie Hollender of Boyne City were Sunday visitors of Mrs. Brook's parents, Mr. and Mrs. Leonard Dow.

Mrs. Frank Stanek Sr., was in East Jordan last week keeping house while her daughter and family were visiting relatives in Pontiac.

Frank Schultz and a crew of men finished a 3 or 4 days job of work on the road near Burd's corners, Tuesday.

George Anderson and son Arlie of Detroit drove up two weeks ago. Arlie visited relatives a week then returned May 2. The former is visiting his brother, Will Anderson of North Wilson at present.

Mrs. A. R. Nowland and grandson, George, visited her daughter, Mrs. Darius Shaw and family of Rock Elm Sunday.

Sunday evening Mr. and Mrs. Roy Nowland and daughter, Shirley of East Jordan were supper guests of his parents, Mr. and Mrs. A. R. Nowland.

Eugene Kurchinski is finishing up the cement curbing to his well and preparing for a water system for his house and barn.

Frank Stanek and son George, and Frank Kotalik were Saturday evening visitors at the Peter Stanek home.

Mr. and Mrs. Henry Burd and children, and Fritz Burd of Muskegon drove up to spend the summer at the home of their parents, Mr. and Mrs. Fred Burd.

Mr. and Mrs. Milo Clute and family spent Sunday evening at the home of his mother, Mrs. Louella Clute of Tainter District.

Mr. and Mrs. Charles Healey of Peninsula were Sunday visitors of his uncle, Joel Sutton and wife.

Mr. and Mrs. Henry Korthase were Sunday dinner guests of Mr. and Mrs. Earl Bricker of Peninsula.

Robert Conway of Flint, a former East Jordan resident, drove up Saturday, bringing Mrs. James Simmons and daughter, Eleanor home from a three months' visit with her daughter there. They were accompanied by Mr. and Mrs. Russell Bailey and Mrs. Clyde Lewis, Mrs. Simmon's daughters, who returned Sunday afternoon.

Mrs. Alma Nowland visited last week at the homes of her son, Chas. and wife, granddaughter, Mrs. Roland Bowen, and Earl Batterbee of East Jordan.

Mr. and Mrs. Charles Shepard were Mother's Day guests of Mr. and Mrs. Robert Davis of East Jordan.

Mr. and Mrs. Omer Scott and several cars of friends from Boyne City came out to Mrs. Scott's parents, Mr. and Mrs. Albert Nowlands and spent the evening in playing cribbage and other games. A delicious lunch was served at an early hour. All hoping for another good time soon.

A very much needed rain came last week, soaking the ground good, to prepare for crops.

One day last week Roy Zinck and family of Boyne City were out to their farm. Carl, 15 months old son drank some kerosene, making him very sick. They rushed him to a doctor and he recovered.

"Depression" is a time when people stop to ask "How much is it?" before saying "Wrap it up."

The modern idea of poverty is not being able to keep up as many payments as the neighbors.

EVELINE
(Edited by Mrs. Walter Clark)

Mrs. Lew Harnden has been on the sick list the past week, but is better at this writing.

Frank Kiser and family, and little granddaughter, also Mr. and Mrs. Wilber Spidle were Sunday dinner guests of Lew Harndens.

Last Tuesday evening, Geo. Green and Mr. and Mrs. Ben Clark attended Prayer meeting at Russell Thomas home.

Ben Clark was out to the farm a few days last week, helping build fence.

Walter Clark and sons and George Whaling went fishing Sunday, only got a small mess between them. Mrs. Clark and daughters picked mushrooms and got a ten quart pail nearly full.

Edna May Clark has the pink-eye at this writing.

The Michigan Farmer agent was in our neighborhood, Tuesday.

Just one week more of school at the Walker School. The children are looking forward to a picnic the last day.

Pontiac—Mrs. Clara Carpin, Flint, hitch-hiked from Flint to Pontiac to save bus fare. When she left the automobile of the accommodating stranger she neglected to take her pocketbook containing \$200 in cash. She didn't discover the loss until the stranger had driven away. She hurried to police headquarters to report her loss but could not describe the car nor its driver.

Detroit—Planes of the Ford Motor Co. carried 84 per cent of the total express poundage carried by all operators during the last six months of 1930, according to a Department of Commerce report. The company reported carrying 1,283,120 pounds of express on its three lines between Detroit, Chicago, Cleveland and Buffalo. The total express carried by all operators was 1,517,749 pounds.

Owosso—After having been separated for 18 years, John Reisner, an Owosso barber, and his wife, were reunited here when Mrs. Reisner arrived from Austria. The World War broke out a year after Reisner left Austria for America. He expected to send for his family in a year or two but it was not until 1922 that he could get his first son out of the country. Since then two other children have joined him.

Lansing—Eastern Standard Time now is the legal time in Michigan by virtue of an act passed by the Legislature and signed by Gov. Brucker, but to the rank and file of Michigan's citizenry, it is just another case of "what of it?" Until this year, the State did not meddle with the time problem. The Federal Government had put Michigan in the Central Standard Time zone, and there the Legislature was content to let it remain. Detroit, Flint, Pontiac and numerous other municipalities went to Eastern Standard Time some years ago.

Ionia—Peggy Green Tyrrell, daughter of former Governor and Mrs. Fred W. Green, was granted a divorce from Norval E. Tyrrell by Judge Royal A. Hawley in circuit court. She charged cruelty in her bill of complaint. The suit was uncontested although Tyrrell was represented by an attorney who requested that Tyrrell be permitted to see their daughter, two and one-half years old, at reasonable intervals. The court granted this request. Mrs. Tyrrell's request that she be permitted to resume her maiden name was denied by Judge Hawley.

ECHO
(Edited by Mrs. Denzil Wilson)

Several from this vicinity are attending Court at Bellaire this week.

Miss Hazel Walker visited her sister, Mrs. Wm. Murray of South Arm, Sunday.

Mr. and Mrs. John Carney and son visited her parents, Mr. and Mrs. James Murray of South Arm, Sunday.

Mr. and Mrs. Wm. Hennings and sons, Roland and Kenneth visited at the home of his sister, Mrs. Elmer Murray, Sunday.

Mr. and Mrs. Geo. Spence with sons, Bobby and Carl, and nephew, Jack Parker, left Monday for Northwestern Canada, where they plan to make their future home.

Clifford Spence and two sons, and two boy friends of California are visiting at the home of his sister, Mrs. Wm. Derenzny and family.

Mr. and Mrs. Wm. VanDeventer and children were Sunday guests of Sam Lewis and family.

Community Meeting at the Bennett schoolhouse Saturday night, May 16. Everyone is invited.

About sixty friends and relatives attended the farewell party at the home of Mr. and Mrs. Wm. Derenzny for George Spence and family and Jack Parker. The evening was spent in dancing and everyone enjoyed a

good time.
Mr. and Mrs. Denzil Wilson and family, and Edgar Wilson visited at the home of her brother, Merle Thompson of East Jordan, Sunday.

PLEASANT HILL
(Edited by Anson Hayward)

Pleasant Hill Sunday school as usual. Henry Vandeventer preached. Also revival meetings all week. Come!

Mrs. Anson Hayward called on Mrs. Seth Jubb one day last week.

Violet Ruckie called on Mrs. John Hawley one day last week.

Anson Hayward called on Mrs. John Hawley, and also Fisher boys, Sunday.

Henry Vandeventer and Mr. Richardson called on Anson Haywards folks Sunday and took dinner with them.

Frank Colburns folks are here from Detroit visiting friends and relatives.

Herbert Sweet had the misfortune to lose some sheep by dogs.

Sam Lewis is working for Wm. Vandeventer, plowing on the John Schroeder farm.

Ruth Jubb called on Mrs. Hayward Tuesday.

Mrs. Vernon Vance called on Mrs. Jubb Tuesday.

Speedway Tests Reveal

FACTS to guide the careful buyer of Motor Oil

The Contest Board of the American Automobile Association certifies to these statements:

- 1 Iso-Vis Motor Oil did not thin out from dilution.
- 2 During the entire test of 9,000 miles, the engines and chassis of all cars were lubricated effectively.
- 3 Oil Added: only 69/100 of a quart—average for all cars—in 1,000 mile test at 30 miles per hour, using Iso-Vis 50 (Heavy).
- 4 Effect of speed on oil consumption: Speed is the chief factor affecting oil consumption. All oils tested at 55 miles per hour showed a consumption nearly 7 times that at 30 miles per hour. Iso-Vis gave excellent oil economy at all speeds.
- 5 Carbon: only 6.23 grams per cylinder at 30 m. p. h. using Iso-Vis 50 (Heavy), average for all cars.
- 6 Cylinder Wear: scarcely measurable—less than one one-thousandth (1/1000) of an inch in any cylinder in any car for the entire 9,000 miles.

HERE is proof that New Iso-Vis does an outstanding job of lubrication.

Try this tested and certified oil in your car. Then at draining time, make the Ball and Bottle Test at any Standard Oil Service Station or dealer with New Iso-Vis you have used. See for yourself that besides many other advantages, New Iso-Vis will not thin out from dilution.

Latest stock models of the 13 makes of cars used in the Lubrication Study conducted by the Contest Board of the A. A. A., on the Indianapolis Speedway from March 17 to April 9.

New ISO-VIS MOTOR OIL

New Polarine also is refined by our new process—giving it an efficiency which is exceeded only by New Iso-Vis. The price is 25c a quart

STANDARD OIL COMPANY (Indiana)

LIGHTS & SHADOWS OF NEW YORK

Isaac Brown, managing editor of the American Golfer, once captain of the Vanderbilt football eleven and later captain of artillery in France, tells me something which interests me greatly. He says that Ann Harding, the lovely blond actress, is a daughter of the late Gen. G. G. Gately, who was our brigadier general and as colorful a commander as any outfit ever had. Owing to his forcible methods of expression and his initials, General Gately was privately known to the soldiers under his command as "Good God Gus," but that nickname carried both admiration and affection. His men would have followed him anywhere, as men will follow any real soldier.

General Gately, first with the Thirtieth and later with the Forty-Second division in the World war, made his reputation long before, in the Philippines, as the commander of a mountain battery. He would take his guns apart, pack them on mules, and transport them to heights seemingly impossible for field guns to go into action. One day a supply mule, attracted by something in the valley, stretched its neck too far over the edge of a mountain trail, lost its footing and plunged many hundred feet to the rocks below. The then Captain Gately strode to the edge, looked down at the dark spot that was the defunct mule, and said, "Serves you right, you inquisitive son of a jackass!"

His men tell countless stories concerning him. After he went to the Rainbow division, an artillery officer who had been up observing fire, told me that one night, in the dark of a front line trench, he stepped on a sleeping figure rolled in a blanket. From the language which ensued, he knew it was the general, although he couldn't figure out exactly how an artillery brigadier happened to get there. But General Gately was likely to be anywhere, except at the rear.

One of General Gately's slogans was that a military encampment was no place for dogs, yet he once had a dog to which he was devoted. It was a brindle bulldog, named Wop by the soldiers, given to the general by Col. John S. Hammond, now vice president of Madison Square garden, who served with Gately all over the world. Knowing how the general felt about dogs, Hammond tried to keep Wop out of sight, but, as preparations were being made for a practice march, Gately caught sight of him. Colonel Hammond supposed he had lost his dog and so he had, but not as he thought. The general said to him, "If that dog should happen to ride in the rear of the mess wagon, I won't see him. Understand!" Colonel Hammond understood, but later had a fight with his tentmate over the dog, which was addicted to eating toothbrushes and pajamas. By way of settling the matter, General Gately promptly had Wop removed to his own tent, and finally Colonel Hammond officially relinquished all claim to him.

Once General Gately told me that he was about to advance me in rank, but, knowing well that my amateur standing as a soldier would never be open to question, he added, "Just because I am doing this, don't get the idea that you are any god darn Napoleon." Only the general never said "god darn." Finally he sent me with an advance detachment to France, for purposes of study and observation. We were on a practice range at the time and the general was quartered in a little wooden shack. It was night when we left and he had put in a hard day. Going to say good-by to him, I found him in bed, with only that warlike red head of his showing above the covers. I thanked him and told him I would do my best. Rearing up on his elbow, he bellowed at me: "What the hell do you think I am sending you over there for?"

But, as I left him, he called after me, "God bless you, boy. Take care of yourself." That was why men would follow General Gately. When he died recently, they blew taps over a soldier with a brave and kindly heart.

I talked recently with a girl, blind from birth, who had been abroad. She told me some things concerning Europe I had never seen, and many I had never heard. Her impressions were extraordinarily accurate and colorful; a strange thing to say of one who does not know color, but true. Except for what she sees through another's eyes, places to her are things of sound, scent and touch, and each is clearly differentiated in her mind. (© 1931, Bell Syndicate, Inc.—WNU Service.)

Man Settles Debt Made 37 Years Ago

Malone, N. Y.—Thirty-seven years ago Walter W. Jarvis, sixty-six, Malone forist, and David Knight, sixty-five, were stranded on the western plains of Canada. Jarvis loaned his companion \$50 in order that the two could go to Montreal. They separated and recently, Knight surprised Jarvis by walking into his forist shop and settling the debt.

Fifi Dorsay

Winsome Fifi Dorsay of the films was born in Montreal where she was educated. Her first stage experience was in a chorus which later was followed by a Greenwich Village Follies tour. Vaudeville came next, and then the talking pictures, her first appearance being with Will Rogers. She is 5 feet 7 inches tall, weighs 125 pounds, has black hair and hazel eyes.

For Meditation

By LEONARD A. BARRETT

CONTAGIOUS INFLUENCE

A SPECIALIST in the field of vocational training recently visited a number of American colleges in search of two young persons to fill teaching positions in a foreign country. The qualifications desired for these positions were thorough knowledge of the subject, good academic training, and last, but by no means least, the ability to teach. It was not difficult to find those who possessed the first and second requisite, but those who had the ability to impart the knowledge they possessed were found to be very few in number.

L. A. Barrett.

To give to another something that we have ourselves requires not only the possession of the thing itself, but that strange and almost divine gift of making the other person see what we see, feel what we feel, and more important still, believe what we believe. It is one thing to possess knowledge, but the enthusiasm created by it so that you cannot help but desire that others share it with you is quite another thing. The possession of this last qualification is the very essence of success in all of life's endeavors.

The actor cannot gain applause by mere sham or imitation. He must actually live the part in the play if he would impart his enthusiasm to his audience. The same is true of the musician, artist and student.

The man of business is no exception to this law. The psychology of salesmanship, so much exploited these days, is nothing more than the art of convincing the buyer that he needs what the salesman has to offer. If the salesman actually believes what he says he will more likely succeed in making the deal. If he only thinks so, or pretends, or merely acts a part, he will likely fail to make the desired transaction.

The influence of one's faith, in whatever realm of experience it may be, will be contagious the moment it is real. Friendship is built upon the same principle. The old saying is very true that a man to have friends must show himself friendly. As nature responds with abundant generosity to our best efforts, so what we give to the people somehow does come back to us. If we sincerely and enthusiastically give our best in service and loyalty, we receive the same a hundred fold; especially when that faith and sincerity is so real that it becomes contagious.

GAME RAISING TO HELP U. S. FARMER

Various Sources of Revenue Open to Landowners.

New York.—"Farm Relief" may come from an entirely unexpected source as the central idea of the American game policy is put into effect, according to officials of the American Game association. The idea is adequate compensation in some form to farmers and landowners who practice environmental control to increase game on their lands. And in widely scattered sections where it is being tried out, farmers are reaping returns in varying ways and amounts.

In Pennsylvania, according to the state game conservation commission, some farmers are making more money from selling hunting rights and by-products, such as board, eggs, butter, fresh meat and other farm products, than they do from their crops. Many farmers in Texas, who are actually producing game, are getting as high as \$4 a day for hunting privileges.

There are four classes of game and game land, according to the classification of the policy, which advocates that the landowner who practices game management be "compensated directly or indirectly for producing a game crop" and for the privilege of harvesting it. These classes are farm game, forest and range game, wilderness game and migratory game, which inhabits all classes of land.

"Compensation to landowners for the privilege of hunting may take the following forms," the policy points out: "Cash rental per acre, lease; cash payment per head of game killed, toll system; cash payment per man-day hunted, toll system; payment of part or all taxes on the land; service payment by hiring patrol to protect landowner's property; service payment by installing food, coverts and refuges; and service payment by restocking game."

Sportsmen are to make the payments according to the policy adopted recently by them at the seventeenth American game conference here.

Cleveland Tries New Grade Plan in Schools

Cleveland, Ohio.—A system of accrediting grammar school pupils with units of work instead of the present system of grade-is-being-developed in the Cleveland elementary schools.

Designed to permit students to advance as rapidly as their qualifications merit and to abolish failures, the system divides the 19 elementary subjects taught into work sheets which, when solved, entitle the student to a unit. Thus a normally fifth grade student would have to his credit 1,673 units of work. Subtractions would not be made for failures but would group the student into one of three classifications.

"Work sheets are prepared for three classes of students in each grade," explained H. M. Buckley, assistant superintendent in charge of elementary schools.

"The X pupil is the highly inquisitive child who learns rapidly and wants more detailed information about the subject.

"Then there is the Y pupil who learns less rapidly and who does not require quite so much detail.

"The third group is the Z classification who grasp quite slowly and whose inquisitiveness is satisfied with a minimum of detail."

Students would be given work sheets and ten days or two weeks in which to complete them, whereupon they would be granted a credit and a new work sheet furnished them.

The system has been installed in the city's nine curriculum centers and is gradually being extended to other elementary schools.

Capital Directory Reads Like Roster of History

Washington.—The new Washington city directory is out, reading like a roster of American history.

There are six Thomas Jeffersons, eleven James Madisons, nine James Monroes, fifteen Andrew Jacksons, eight William Henry Harrisons, eleven John Tylers, three James K. Polks, one Zachary Taylor, six James Buchanans, fifteen Andrew Johnsons, four William McKinleys, four Benjamin Harrisons, two Woodrow Wilsons and one each of James A. Garfield and Herbert Hoover.

But the most startling bit came in the W's where a George Washington and his wife Martha were listed.

Distributes Relics

Paris.—The French council of national museums has distributed its year's purchases of relics to different museums.

The Louvre's share includes a number of ancient Chinese vases, Mesopotamian pottery and a collection of small Japanese statuary and enamels.

Backward Students to Receive Warning

Berkeley, Calif.—Students falling behind in scholastic attainments at the University of California will receive a decided "break in the near future," according to Thomas B. Steel, recorder of faculties, who announced a new rule which adds a six months period of "academic warning" to backward students.

The Passing of Time

By THOMAS ARKLE CLARK
Dean of Men, University of Illinois.

"In all the actions that a man performs," an ancient writer says, "some part of his life passes. We die with doing that for which only our aiding life was granted. Nay, though we do nothing, Time keeps his constant pace, and flies as fast in idleness as in employment. Whether we play, or labor, or sleep, or dream, or study, the Sunne posteth and the sand runnes."

It was a custom mother had when we were really as children to say our prayers before going to bed at night to ask us what we had done during the day that was worth doing. It was a searching question and one which often taxed our minds to find a satisfactory answer.

"The years are passing just as the days did in childhood, and so quickly are they going that they seem little more than brief days, and I ask myself as they pass, as you may ask yourself, "What am I doing with them?"

What have I done during the year just passed that was really worth doing, and what have you done? And what are we going to do with the present year and those which come after it, however many there may be given to us? Shall we work harder, live more intelligently, make better use of the opportunities which come to us? The more we enjoy life, the more ominous it seems that it is passing so quickly, so inevitably.

The saddest thing about it all is that I see so many young people unmoved by this passing of time. I called Harold yesterday at noon. He was still in bed asleep and the day half gone. William stands on the street corner whittling a little stick and smoking, ogling the girls as they go by, and there are lessons unlearned and books unread and tasks unperformed, and all the time the "Sunne posteth and the sand runnes."

(© 1931, Western Newspaper Union.)

Wit is a happy and striking way of expressing a thought.

MICHIGAN BELL TELEPHONE CO.

Long Distance Rates are Surprisingly Low

FOR INSTANCE:

for **50^c** or less, between 4:30 a. m. and 7:00 p. m.

You can call the following points and talk for THREE MINUTES for the rates shown. Rates to other points are proportionately low.

Day Station-to-Station Rate	
From EAST JORDAN To:	
CHEBOYGAN	40
KINGSLEY	40
MACKINAC ISLAND	45
ONAWAY	40
ST. IGNACE	45
MAPLE CITY	40
N. MANITOU ISLAND	45

The rates quoted are Station-to-Station Day rates, effective 4:30 a. m. to 7:00 p. m.; Evening Station-to-Station rates are effective 7:00 p. m. to 8:30 p. m., and Night Station-to-Station rates, 8:30 p. m. to 4:30 a. m.

For fastest service, give the operator the telephone number of the person you are calling, which can be obtained from "Information"

He: Dearest, I love you and want you for my wife.
She: Goodness! What would she do with me?

Another court has decided that a husband has the right to open his wife's letters. Most of us, however, will continue to ask permission first.

The modern idea of poverty is not being able to keep up as many payments as the neighbors.

"Depression" is a time when people stop to ask "How much is it?" before saying "Wrap it up."

Semper idem

"ALWAYS THE SAME" . . . a good slogan for any one of a thousand advertised articles whose superior qualities are maintained year in and year out.

Have you ever stopped to consider the time, patience, skill, money and experience invested in every one of the articles you see advertised in this paper? No matter what it may be—a lead pencil or an expensive automobile—the problems of maintaining and-improving quality are constantly in the minds of those responsible for their manufacture. Quality must be maintained at all hazards. Quality must be bettered wherever and whenever possible. Price must be kept at a level that will insure the utmost in value.

Advertised goods must, and do, live up to their advertising. "Semper idem"—always the same. They cannot afford to vary in the least.

Trust advertised goods. Buy them Regularly. Read the advertising columns every day to learn what is new. Read them to know what others are buying. Read them to ascertain how you can save money and yet get better merchandise.

Read the Advertisements . . . they stand for quality merchandise . . . semper idem.

State News in Brief

Highland Park—Mary Lee Watt, 3 years old, died in Highland Park General hospital after she had swallowed several medicine pills she picked up in her home.

Ionia—Crescent bridges probably will replace concrete on many future road spans in Ionia County as the result of competitive bids taken by the Ionia Road Commission. The cost will be cut in half.

Gaylord—Trout fishermen are finding the streams of Otsego County, the Sturgeon, Pigeon, north and south branches of the AuSable and Black, as well as DeWard Lake, yielding more trout than at any time in the last 10 or 15 years, according to local fishermen.

Saginaw—More than a year ago robbers entered the Peter Medore garage at Lincoln, Alcona County, and carried off a safe containing \$400 in currency. Recently a fisherman found the safe in the Cass river six miles southwest of Saginaw. The money was gone, but canceled checks served to identify it.

Bay City—Dancing pigeons are being used in the Ogamaw game refuge near Bay City in the trapping of predatory owls and hawks. The "dancers," stuffed pigeons with traps concealed on their backs, are set upon coils of wire so that they sway weirdly to entice their prey. They are the invention of Blaine Brannon, keeper of the reserve.

Jackson—The State Prison Commission will act at its next meeting on a proposal to complete construction of the new Michigan State Prison this year, it is announced by John W. Miner, chairman of the commission. Mr. Miner said that Gov. Brucker, who attended a commission meeting recently, indicated the proposed two-year appropriation of \$800,000 might be available for 1931.

Grand Rapids—Thomas K. Lamb, 71 years old, was burned to death in a wheeled chair in his private room at a sanatorium here. He was the father of five World War veterans, two of which won Distinguished Service Crosses. It is believed Lamb was smoking a cigar and that he either fell asleep or dropped the cigar and it set fire to his clothing. No damage was done to the building by the flames.

Traverse City—Traverse City High School band won the district class B championship here. East Jordan was second and Petoskey third. The brass ensemble contest was won by Cadillac, with Petoskey second and Traverse City third. Traverse City girls' glee club won first place, with Petoskey second and Cadillac third. First place also went to the Traverse City boys' glee club, with Cadillac second and Petoskey third.

Traverse City—Although a month may pass before the thousands of acres of orchards in the Grand Traverse Region are in blossom, plans are being laid here for the 1931 Michigan Cherry Festival, which is to surpass last year's celebration in scope and outlay, according to the newly appointed committee. July 15, 16 and 17, when cherries are ripe, have been chosen as the dates, it is announced by Don C. Weeks, chairman of the executive committee.

Detroit—Her choice resting between a collision with another automobile or a tree, Miss Eunice Spicer, 27 years old, chose the latter and was instantly killed. The accident occurred on United States highway 16, five miles east of Brighton. Her mother, Mrs. Julia McCabe, 54 years old, was seriously injured. Miss Spicer was headed toward Detroit, other motorists said, when she attempted to pass another machine, and met the car coming from the opposite direction.

East Lansing—Production of a new strain of corn at the Michigan State College corn borer sub-station, at Monroe, is being hailed by agriculturists as a possible solution of the problem which has been facing corn growers since the appearance in Michigan of the European corn borer. After testing all common varieties of corn and making a number of crosses of common strains, the specialists have succeeded in obtaining a cross with Maize Amargo, a South American corn which shows a very low rate of infestation.

Sheridan—Death has separated Michigan's oldest married couple, Joseph Hanchett, who would have been 97 years old May 16, died at his farm home in Bushnell Township, Mohtcaim County, near here. On March 5, Hanchett, who had been blind for many years, celebrated with his wife, Angeline, 91, his seventy-fifth wedding anniversary. The wife suffered a fall just before her husband's death and is in a critical condition. Hanchett was a Civil War veteran and marched with Sherman to the sea. The couple had lived on the farm for more than half a century.

Saginaw—Saginaw has been awarded the State-junior baseball tournament of the American Legion, to be played July 30 and 31 and Aug. 1 and 2. Final negotiations were closed by the local Legion post, represented by Leland S. Jennings, commander, and C. F. Vanduzen, athletic officer, and the State department, represented by Hubert G. Johnson, of Detroit, State junior baseball commissioner. Eleven teams, champions of as many districts, will be here to compete for the State championship of 16-year-old teams.

Edmore—Alta Kretschmer, 11, daughter of Mr. and Mrs. William Kretschmer of Owendale, died here of injuries suffered when she was struck by a trailer which broke loose from an automobile. The girl was walking home from school.

Edmore—Determination to save his leg of colts from injury when they ran away cost Fred Jensen his life. He died in Edmore Hospital of injuries suffered when he was dragged more than 50 yards. Jensen, a farmer, refused to let go the reins when the team bolted as he was operating a drill.

Morenci—A fire which has been burning in a bed of muck or peat on a farm north of Morenci for more than six months has lowered the level of a three-acre tract about a foot and reduced the peat to ashes to a depth of two feet. Efforts of farmers to extinguish the fire have failed. It started when a hunter built a fire in a hollow tree to drive out a rabbit.

Lansing—Authority to borrow \$700,000 against delinquent taxes and special assessments was granted to Macomb County by the State Loan Board created by the newly-enacted Woodruff Act. The board consists of State Treasurer Howard C. Lawrence, Aud.-Gen. O. B. Fuller and Atty-Gen. Paul W. Voorhies. The Macomb County request was the first to be acted on.

Mt. Clemens—A second attempt in two days to end her life was successful for Mrs. Elsie Schmidt, 43 years old, of near Center Line. She was found in the basement of her home lying beside a gas stove, the jets of which had been turned on. Near the body was a picture of her son who died a year ago. Grief over his death is said to have caused her to take her life.

Cadillac—Scoring two points less than perfection, Miss Alice Paddock, 15 years old, of Manton, and Cecil Gaylord, 14, of Mesick, have been selected as the merriest girl and boy in Wexford County. Alice and Cecil were given places of honor in a parade and field day here when county child health day was observed. They will enter the state contest in the fall.

Jackson—Five Jackson County men are held here, charged with defrauding the state through the manufacturing and selling of automobile license plates. Officials of the secretary of state's office accuse Robert Williams, Orville Delong, A. D. Musser, Henry Warner and John Schoonover, all residing southwest of here, of manufacturing 1931 license plates, using old discarded plates in the process.

Jackson—John Sadowski, 20 years old, and Frank Soltz, 48 years old, both from Detroit, died in a hospital from burns they suffered when an automobile in which they were riding with three other Detroiters, crashed into the rear of a body truck in the village of Moscow, Hillsdale county, and then broke into flames. Frank Levara, 19 years old, Detroit, was cremated after, it is believed, he was knocked unconscious by the impact.

Detroit—One of Detroit's tiniest babies is being cared for in an electrically-heated incubator and fed with an eye-dropper in Highland Park General Hospital. The mite when born weighed two pounds 11 ounces. Mr. and Mrs. Clarence Maher are the parents. The child will be christened "Barbara Ann." Dr. E. L. Chapman, who attends the baby, said it is normal in every respect except size and probably will grow into a healthy child.

Lansing—Appropriations totaling \$820,000 for artillery and cavalry armories in Detroit have been approved by the senate. The house had passed the measure some time ago, and it is now before the governor. Although the money will not be available until 1934, an arrangement has been worked out by service men to permit issuance of bonds by a private corporation in anticipation of the revenue. Thus, construction of the buildings will be started this summer if the measure becomes law.

Lansing—Oscar G. Olander, State commissioner of public safety, announces the State Police force will be built to 200 men as a result of enactment of the new motor vehicle registration law. The additions will be made after July 1. The present force consists of 125 men. Road patrol work will be extended, some new equipment will be purchased and new posts established. Funds for the expansion will come from fees paid under the new law, which requires registration of drivers every three years.

Mio—A woods fire which threatened Mio was halted half a mile from the town by 200 men, after several hundred acres, including the Mio Cemetery, had been swept. John W. Winton, of Fairview, chief fire warden for the tenth district, who directed the fire fighters, sent word to residents of Mio to prepare to flee when the fire approached within half a mile of the town, but the flames were checked before anyone left. The fire started at the city dump a mile from Mio, presumably from burning rubbish.

Lansing—The act prohibiting the sale of oleomargarine or compounds similar to butter in color has been signed by Governor Wilbur M. Brucker. The act also provides a license fee of \$100 for manufacturers and wholesalers of oleo or similar products. It was introduced by Senator Peter B. Lennen, of Genesee county. The governor also signed the new Hartman institutional building bill, which spreads over four years the state building program that had been contemplated for the next two years.

Charlotte—Raymond Grant, son of Devere Grant, Chester Township farmer, is in a Lansing hospital recovering from injuries received when a wind-mill fell on him, breaking both legs.

Port Huron—Melvin Donaldson is in the Port Huron city hospital as the result of injuries suffered when he was run over by a runaway horse and wagon, driven by James Lewis, Negro. Mr. Donaldson is expected to recover.

Owosso—The assessed valuation on all farm property in Shiawassee County will be cut 10 per cent this year, it was decided by the board of supervisors. The board also agreed to furnish free garden seed for the unemployed.

Benton Harbor—Mr. and Mrs. Mark Sherill, Three Oaks, Mich., have a 10-day-old daughter, Bonnie Jean, who boasts two teeth. She weighs four and one-half pounds and is healthy. Her father is an automobile salesman. She has two sisters.

Ann Arbor—Ann Arbor golf courses had their first hole-in-one of the year. Maj. Don Duncanson made the ace on the touch three-shot sixteenth of the Barton Hills Country Club. The shot is 206 yards, all carry across a deep valley. It was Maj. Duncanson's second ace and the first one on the hole.

Berkley—Schools in the Berkley-Huntington Woods district will be closed by June 5 because of a lack of funds, Robert B. French, superintendent of schools, announced. Of \$170,000 assessed in school taxes, \$111,000 is delinquent. The closing date set is two weeks earlier than the one originally determined on.

Hazel Park—Roland Wilbur was sentenced by Robert C. Baldwin, Justice of the peace, to serve 60 days in the Oakland County Jail for fraudulently obtaining food from the poor commission. Frances Stringer, investigator for the commission, testified Wilbur represented himself as married and supporting two children. He is single.

Battle Creek—The city commission decided to draft an ordinance limiting speed of Grand Trunk and Michigan Central trains to 15 miles an hour. The action was an aftermath of the collision between an automobile and train, when four persons were injured fatally. Mayor William P. Penty said the speed limit would be enforced strictly.

Detroit—Abandonment of the last electric interurban lines operated by the Eastern Michigan System was announced by A. L. Drum, president of the organization. Existing motor bus and truck lines will continue in operation, Mr. Drum said. The electric lines to be discontinued link Detroit with Monroe and Toledo, and with Pontiac and Flint.

Lansing—Wheat stocks on Michigan farms April 1 were estimated at 3,867,000 bushels, compared with 3,194,000 bushels the same date last year, according to the Michigan Crop Reporting service. The figure, however, is well above the five-year average of 2,623,000 bushels. Stocks on April 1 declined more than 23 per cent under the March 1 holdings.

Highland Park—James F. Hopkins, owner of station WJBK, Highland Park, appeared before the federal radio commission in Washington and asked its former full time schedule. It must now divide time with WIBM, Jackson, which shares with it the 1370-kilocycle channel. Andrew Ring, commission engineer, said WJBK and WIBM should be 200 miles apart to avoid interference. They are only 68 miles apart, Ring said.

Lansing—The state may buy the famous Lakewood Farms, property of George F. Getz near Holland. It includes the largest private zoo in the country. The zoo includes one of the three two-horned rhinoceros in the United States; the largest number of varieties of monkeys in the country, a hippopotamus and several scores of other specimens of wild life. The property comprises 250 acres. As many as 90,000 persons have visited the estate in a day.

Pontiac—Dr. William Sharpe, Addison township, was sued for damages of \$30,000 by Jay Lambertson, Rochester, on behalf of his 3-year-old son Lee. Lambertson charges that on September 8, 1930, his son suffered a broken arm and was taken to Dr. Sharpe for treatment. Dr. Sharpe improperly treated the member and bound it too tightly, causing a condition to develop which will permanently deprive the child of use of the arm, Lambertson charges.

Traverse City—In a hearing in which they protested to the State Department of Agriculture against the manner in which cherry inspection was carried on at the canning plants last summer, cherry growers apparently gained their point. Herbert E. Powell, State commissioner of agriculture, assured the farmers that independent growers will be asked to take part in forming regulations for inspection this year. The regulations last year gave an advantage to the canners, a number of witnesses said.

Monroe—Mays Woods, a lonely spot near here, where Detroit and Toledo gangsters planned many of their transactions and where at least one victim of Detroit killers was buried, was swept by fire recently. The woods and the fire accomplished a cleanup attempted periodically by officers for many years. Paul Spica, of Detroit, believed to have been a victim of gangsters who were afraid of what he might tell the Wayne County grand jury, was found buried in a shallow grave in this woods last fall.

VIRGINIA WILL GET LOST MONROE STATUE

Unveiling Planned to Take Place in April.

Charlottesville, Va. — The "lost statue" of President James Monroe, a titanic figure 11 feet high, carved from a solid block of Carrara marble 83 years ago for the republic of Venezuela, is on its way to Virginia where it will be permanently placed and unveiled at Ash Lawn, near this city, where Monroe spent 20 years of his life. When it is erected it will be the first statue of Monroe, the original isolationist, author of the Monroe Doctrine and thrice ambassador of the United States to foreign lands, to be erected in his native state. It will also be the largest figure of any statue now in Virginia.

The gigantic figure of Monroe weighs three tons and was made by Attilio Plocitelli, New York sculptor, on the order of President Crespo, president of Venezuela, following a tiff between England and the Latin-American republic in which President Grover Cleveland intervened under the Monroe Doctrine.

Revolution Intervenes. President Crespo planned to place the statue before the capitol at Caracas, but before the completed monument could be shipped a revolution resulted in the overthrow of the government and Senor Crespo died in jail. The sculptor has held the monument in his studio for 33 years and it was only by accident that Jay W. Johns, a member of Gov. John Garland Pollard's Virginia Monroe centennial commission discovered it there recently.

Mr. Johns is intensely interested in Monroe and is one of the instigators of a movement to have his native state honor Monroe, something that has never been done. Mr. Johns recently gave a bust of Monroe to the commonwealth of Virginia for its hall of fame and when he discovered the statue he immediately acquired it and is now moving it to the home of Thomas Jefferson, close to Charlottesville. Mr. Johns is one of a group of influential men who, in recent years, have acquired ancient colonial homes and shrines and restored them. John D. Rockefeller Jr., Richard Crane, Robert W. Daniel, Archibald McCrae, and many others are in this group. Mr. Johns purchased Ash Lawn and began its restoration about a year ago.

Unveiling in April. The Monroe statue is to stand with in sight of Thomas Jefferson's home, and its background will be the finest boxwood "garden" in America, which was set out by James Monroe in person. Above it will tower the great Norway pine which Monroe brought with him from France and planted in the center of his garden. Unveiling of the monument is being planned for April 28, the birthday of Monroe, and probably will be under the auspices of the Monroe centennial commission.

Wives Bring \$75 Each in Portuguese E. Africa

St. Louis, Mo.—An Inhambanian native, in order to become a Christian, must give up his beer, stop smoking and send all his wives but the first one back to their parents, according to Miss Ruth Thomas, missionary, who recently returned here from Portuguese East Africa. Deform worship and drunkenness are the greatest enemies of the black race, she says, and are the most difficult to combat.

Native beer, made from fruits, is of a highly intoxicating nature, and when inebriated the Inhambanians sometimes slash each other with their knives. The women, lacking such implements content themselves by using their teeth. "Boys who wish to get married usually go to Johannesburg in the gold mines, in order to earn money enough to buy their wives," said Miss Thomas. "A native African wife costs \$75, which must be paid to her father."

Sahara Sand Falls as Rain in Paris

Paris.—When it rained mud in Paris recently, scientists rushed into the streets to get test tubes full of the murky water. After laboratory tests it was found that the mud rain contained 20 per cent oxidized iron, 32 per cent sand, and 4 per cent sodium chloride. It was declared the muddy material came from the sands of the Sahara desert, carried across the Mediterranean by strong winds and mixing with rain clouds over Paris.

Falls 12 Floors to His "Final Destination"

New York.—A young man plunged to his death from the fourteenth floor fire escape of the Hotel Baltimore to the dining room roof, twelve stories below. He was identified as Jerome Noonan, son of Mrs. Muriel Noonan, well known in California. In the clothing of Noonan was found a telegram to his mother: "Have arrived at final destination. Shan't return. Example Jerry."

They Found a Way. Westbury, R. I.—While government authorities considered how to dispose of the rum boat, Helena, beached off Napatree point when chased by coast guards, townsfolk plundered the craft and took it home for firewood.

To Start in 1932 Olympics

Ann V. O'Brien, twenty-year-old athlete, competed in the 1928 Olympics in the 50, 100 and 200-yard events and holds the world's record for the 50-yard dash for women. She is pictured here taking a high jump as she seriously goes about the business of conditioning herself for the 1932 Olympics. Miss O'Brien will carry the colors of the Pasadena A. C.

Boys might be kept on the farm if manufacturers would turn out sport-model tractors.

PROBATE ORDER

STATE OF MICHIGAN, The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix, in said County, on the 23rd day of April, A. D. 1931.

Present: Hon. Ervan A. Ruegsegger, Judge of Probate.

In the Matter of the Estate of William J. Saunders, Deceased.

Walter Saunders, a son, having filed in said court his petition praying that said court adjudicate and determine who were at the time of his death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized.

It is ordered, that the 22nd day of May, A. D. 1931, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Charlevoix County Herald a newspaper printed and circulated in said County.

ERVAN A. RUEGSEGER, Judge of Probate.

PROBATE ORDER

State of Michigan, The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, on the 1st day of May, A. D. 1931.

Present: Hon. Ervan A. Ruegsegger, Judge of Probate.

In the Matter of the Estate of Almeda Frances Lorraine, Deceased.

Bert L. Lorraine, having filed in said court his final administration account, and his petition praying for the allowance thereof and for the assignment and distribution of the residue of said estate, as per the Will of Deceased.

It is Ordered, That the 8th day of June, A. D. 1931, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for examining and allowing said account and hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Charlevoix County Herald a newspaper printed and circulated in said county.

Ervan A. Ruegsegger, Judge of Probate.

STATE OF MICHIGAN

The Probate Court for the County of Charlevoix.

At a session of said court, held at the probate office, in the City of Charlevoix, in said county, on the 8th day of May, A. D. 1931.

Present: Hon. Ervan A. Ruegsegger, Judge of Probate.

In the Matter of the Estate of Aldrich Townsend, Deceased.

Arthur J. Clark, grandson, having filed in said court his petition praying that the administration of said estate be granted to Robert A. Campbell, or to some other suitable person.

It is Ordered, That the fifth day of June, A. D. 1931, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition.

It is further ordered, that public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Charlevoix County Herald a newspaper printed and circulated in said county.

Ervan A. Ruegsegger, Judge of Probate.

This includes Classified Ads, Cards of Thanks, In Memoriams, and local ads—unless the advertiser has an open account with us and to whom we can charge the account.

The Herald does not wish to appear arbitrary in this matter, but the payment of so many small accounts are either neglected or ignored that we are forced to adopt this policy.

May we have your co-operation to eliminate this loss to us. G. A. LISK, Publisher.

POTPOURRI

The Goat-Sucker

The bird known as the "goat-sucker" doesn't suck goats at all. In early times people thought they did because they were always seen at twilight near goat herds. Observation, however, established that this bird lived on moths and insects and found them near the ground in the vicinity of herds. They are about fifteen inches tall. (© 1931, Western Newspaper Union.)

The newspaper's uses are many. One of them is to hide behind when you don't want to look your wife in the eye.

Only 1 Man in 10 Spends Less Than He Earns

According to statistics, only one man in ten spends less than he earns. In other words, nine out of every ten men make no NET profit on their labor. One reason, of course, is that these people have no definite savings plan.

The first step toward spending less than you earn, is to **PAY YOURSELF FIRST** by making a deposit in a savings account **BEFORE** you pay any other bill or make any purchase.

Adopt this plan today by opening a Savings Account in this Bank.

Beginner's Band of East Jordan school students will be organized this coming week. Parents who have boys and girls and wish them to join either the Band or Orchestra, are requested to let them register at the office of the school, or be at the band room next Monday night between the hours of 7:00 to 9:00.

Charles E. Hagle was called to East Jordan, Monday, May 4th to take pictures of the Senior class of the High School there, as well as individual pictures of each graduate. H. C. McKinley accompanied him on the trip and came back much enthused over the school, which is a consolidated district with 754 students, and goes on to say: There are thirty-five in the June graduating class this year. One of the outstanding features of this excellent high school is its High School Band and Girls' Glee Club, numbering 54 pieces. This fine musical organization competed in the Northern District Music Contest at Traverse City last week and won second place, Traverse City taking first, and Petoskey high school band third place. Our artist, Mr. Hagle, took a beautiful group picture of the assembled band and orchestra in full uniform and instruments in front of the city educational temple right after supper, just before marching in parade through the chief avenue of the city and giving a fine musical program.—Osego County Herald Times, (Gaylord) May 7th.

Mrs. Mae Ward is here from Lansing for a visit.

John W. LaLonde underwent an operation at Lockwood Hospital last Saturday.

A regular \$2.50 fancy silk stripe Broadcloth Shirt for \$1.49 at Hawkins. adv.

"BAD DIME" PASSED ON BUS WORTH \$30

Conductor, Getting So Many, Studies Numismatics.

Detroit.—The little man with the big derby seemed to be a foxy sort of gent. Almost all of the other passengers on the bus could sense that.

From the moment he got on at Oak street, stabbed a dime into the gadget that rings them up and swaggered over to sit on the edge of one of those seats that are built for three people and hold two and a half, you could tell that he was not ordinary.

Maybe it was that cocky but nervous air about him. Or maybe the uneasy glances he cast about as he sat down. Anyway, the bus driver-conductor especially seemed to take a sudden dislike to the little man with the big derby. Every time he stopped the coach for a traffic light he turned in his seat and scowled at the foxy gent.

When the bus stopped at the link bridge the driver-conductor slid out of his seat and made his way down the aisle to the little man with the big derby. Extending a calloused palm in which nestled a small coin, he roared at the little man with the big derby:

"Did you try to put over this dime on me?"

"I don't know," the foxy gent responded. "Maybe I put it in, maybe some one else put it in, how do I know? I don't remember."

"Hm!" snorted the driver-conductor. "With all of these jokers riding the buses nowadays I been studying coins and new-miss-mattics. I'll keep this dime myself, then. It's dated 1802 and worth thirty bucks!"

SPORTS

The annual Track Field Meet will be held at Cadillac, May 16.

East Jordan and some of the other surrounding schools will be entered as Class C teams. There are 16 schools entering.

The boys have protracted a winning spirit so far through track season. We hope they have this same spirit when they enter Cadillac and also when they return from there.

The Girls Singles (first round) is being played this week and the boys singles are playing the third round and this furnishes the last rounds. Then they will play the finals.

ALGEBRA

The Algebra students are studying ratio problems and also linear systems. In the ratio problems they found "that in any proportion the product of the extremes equals the product of the means."

GEOMETRY

Similar polygons are finding their places in the Geometry classes this week.

ECONOMICS

The Economics class has been studying the "Economics of Government," its functions, and public finance.

Tuesday they had a very unsuccessful quiz. That is what we heard. —Eloise Davis

HOME ECONOMICS DEPT.

The eighth grade girls have practically finished the study of arrangement and color schemes for kitchens.

The ninth grade girls are starting to sew on their summer wardrobe.

The tenth grade girls are starting home nursing and first aid work, and have discussed what a high school girl can do in the home where there is sickness. They are now taking up how to follow a physician's orders if he orders a patient to be given a liquid, soft or light diet.

Miss Ruth Freegard, the State Supervisor of Home Economics education visited us all day Monday. —Gwendolyn Malpass

GRADES

The first grade have been making some health posters with this reading, "Brush your teeth each morning and night, if you want them clean and white." The two that colored their posters the best received a tooth brush. The two pupils to receive the tooth brushes were Rosie Compo and Alberta Walden. We feel sure these tooth brushes will be worked by these two girls. They are now making posters entitled, "Clean yards make safe playgrounds."

The second grade have some new spring curtains in their room. The color of them is pink. They have butterflies on them.

The fourth grade are busy making nature study posters. A very attractive beauty poster was made last week. It was made up of many different flowers.

They are now busy as bees with their arithmetic posters.

A reading contest is to be held Friday afternoon. The main object of this is for speed and comprehension. The leaders in reading for last week were: Albert, Louise, Virginia and Irene.

The ones receiving "A" in arithmetic for last week were: Louise Bechtold Marie Essenberg, Anna Kraemer, John Pray, Jane Ellen Vance, Elaine Collins, Marian Hud-

kins, Beatrice Valencourt, Carl Grutsch.

Fifth Grade—Our Bird House Building Contest closed Friday. First place for the girls went to Jean B., for the boys to Wesley B., each received a book. Second place for girls went to Thelma K., and for the boys to Arthur R.

Last week for Art we made a Mother's Day gift. It was a colorful parrot on a perch. It was made from a peanut. It is used as a decoration for a plant box.

The fifth grade had their picture taken last week.

One of the pupils brought a crab to school. It is very interesting to watch.

We have finished fractions and are now starting to review.

One day last week we had an interesting hour, discussing volcanoes, and Italy.

Fifth graders receiving 100 in spelling were: Jean B., Betty C., Ruth G., Beatrice J., Frances L., Michael H., Anna Jean S., Dorothy S., Jean S., Leon D., Billy D., Alta M.

Sixth Grade—Those receiving 100 in spelling were: Stella Stallard, Catherine McDonald, Jane Davis, Norma Smith, Phyllis Inmann, Grace Higby, Marian Jackson.

The sixth grade A section have taken their final test on decimals for this year. The ones who received 100 per cent in this test were: Clifford Gibbard, Ruth Hott, Mac Richards, James Keats, Jacklyn Cook.

They are planning on taking an all day hike soon. We wish them lots of luck and hope they don't get lost. We'll leave that up to the sixth grade.

They had a cecropin, which is a moth. It measured seven inches from tip to tip. They claim it was a "beauty."

—Margaret Bayliss

For Sunny Days

Here is one of the modish new ensembles for the sunny days of spring and summer. It is of whipped twill, set off with a gay-colored scarf of plaid design. The youthful-looking jacket is ornamented with only a pair of gleaming ocean pearl buckles.

Kalamazoo—Vernon Winey, conservation officer, saved Thomas Burke's life and then arrested him on a charge of fishing out of season. Burke and an unidentified companion jumped from a boat when Winey prepared to look at their catch. Winey pursued Burke along the bank of Portage Creek until both sank in the soft mud. Winey, after freeing himself, laid out a board to the spot where Burke was sinking. It took him an hour to drag Burke to safety. Officers are looking for Burke's companion. Burke paid a \$30 fine.

He: Dearest, I love you and want you for my wife.
She: Goodness! What would she do with me?

DISTRICT REBEKAH ASSOCIATION MEETS AT CENTRAL LAKE

The sixth annual meeting of the nineteenth district of Rebekahs concluded a very interesting program Friday evening at the Central Lake High School Gymnasium with Mrs. Sadie MacNeil of Boyne City, presiding. Delegates and representatives from the district numbered over two hundred. Miss Carrie Taylor, Rebekah assembly president and Mrs. Mary Bird of Charlevoix, Rebekah assembly chaplain were present. East Jordan was represented by twenty ladies who exemplified the memorial work.

Each session was filled with reports and addresses showing the scope of the matters covered by this group. The session opened with a preliminary routine of business under the direction of the president, Mrs. MacNeil. The reports of delegates and committees and the election of officers received first consideration. Considerable time was given over to the degree work which was exemplified by the various lodges, each one giving a part. The completion of this division of the program was finished during the evening's session.

The Rebekahs separated into two groups for dinner, one going to the Congregational Church to be served by the Congregational ladies, and the other to the Odd Fellow Hall where they were served by the ladies of the Methodist Church.

One of the most charming features of the entire meeting was the concert program presented by the Central Lake High School band directly preceding the evening's session which convened at the Gym.

The main address was given by Miss Carrie Taylor. The Rebekah loving cup, which was presented by Mrs. Dudley McDonald to the district Rebekahs at their first meeting six years ago, was awarded to Elk Rapids lodge, that lodge having the highest percentage of attendance at the district meeting.

New officers serving during the annual period, 1931-1932, are as follows: President, Mrs. Maud Davy, Petoskey; V-President, Mrs. Myrtle Howe, Mancelona; Secretary, Mrs. Myrtle Mitchell, Charlevoix; and Treasurer, Mrs. Estella Gould, Boyne City.

The seventh annual meeting of the district of Rebekahs will be held at Elk Rapids next spring.—Petoskey News.

AMOS 'N' ANDY ON THE SCREEN

Here they are—almighty stars of radio—in their first feature length motion picture—"Check and Double Check."

Their popularity, unmatched in the ages, marks this as an event of public significance, and it is only fair that we tell you about it.

Here are some of the things you'll see and hear:

Amos 'n' Andy themselves in every mood—in trouble and out of trouble, bewildered, happy, lovable and laugh-provoking Amos 'n' Andy as everyone knows them.

The Kingfish and all the other familiar characters of the radio. The Fresh Air Cab in a mad chase through New York traffic.

Mystic Knights of the Sea in ritualistic hocuspocus that will raise a thousand laughs.

Amos 'n' Andy at midnight in a haunted house.

A thrilling love story— But wait—we can't tell you all of it, there's far too much! Come and see for yourself! At Temple Theatre East Jordan this Friday and Saturday, May 15 and 16.

U. S. Seeks New Sponge Fields in Nicaragua

Sarasota, Fla.—The schooner Coranto and the sponge sloop Syml are on their way to the Nicaraguan coast in search of new sponge fishing grounds. The diminishing supply of sponges in gulf fishing grounds and the increasing American demand for sponges is responsible for the expedition.

The cruise is financed by George M. Emmanuel, Florida sponge packer, who is on the Coranto, and the expedition is being watched with interest by all gulf sponge fishing interests.

The Florida gulf coast sponge grounds are showing indications of being fished out. Rumors of great beds off the Central American coast excited interest and brought about the trip of exploration. Florida sponge boats have gone as far south as the Central American coast.

The Coranto, which is now registered under the flag of Panama, and is under command of Capt. J. B. Boden, has had a romantic career. Built originally by the late Julius Fleischmann of yeast fame as a racing schooner it was later sold and appeared in the news connected with a liquor-running conspiracy in the Gulf of Mexico.

Ferris Wheel to Run in Shadow of the Pyramids

Berlin.—A famous Hamburg amusement fair is shifting to Egypt where it will spread its tents under the shadow of the pyramids for the duration of the Egyptian Agricultural and Industrial exhibition, near Cairo.

All the apparatus of the fair, including the famous miniature motor racing track, switchback railway, and a reproduction of the great wheel is to be erected for the Egyptians.

Negotiations are said to have been entered into with a number of famous fairs, including Krone's, Sarasan's, and Hagenbeck's, for the amusement park concession at the exhibition.

Sand from Sahara Desert Falls as Rain in Paris

Paris.—When it rained mud in Paris recently, scientists rushed into the streets to get test tubes full of the murky water. After laboratory tests it was found that the mud rain contained 20 per cent oxidized iron, 82 per cent sand, and 4 per cent sodium chloride. It was declared the muddy material came from the sands of the Sahara desert, carried across the Mediterranean by strong winds and mixing with rain clouds over Paris.

Eagle Builds Nest of Barbed Wire in Windmill

Dalhart, Texas.—A barbed-wire eagle nest, lined with tufts of cow hair, has been found near here. W. L. Hamilton, theater owner, discovered it in the top of a windmill tower near Exum. The wheel had been blown from the tower and the nest constructed among the gears. Hamilton said it is as large as a washtub and contained many bones. It was so firmly built that he could not remove it without tearing it apart.

Boy Steals to Buy Washing Machine

Spokane, Wash.—A fourteen-year-old boy began a criminal career to obtain money to help his mother buy a washing machine, he told police.

The boy, Robert Amell, and two companions were captured after their first robbery, which netted them \$6 when they held up a confectionery store.
