Her 97th Birthday

Mrs. Ingeborg Martinson, who makes her home with her daughter, Mrs. Mike Gunderson, celebrated her ninety seventh birthday anniversary last Thursday, Dec. 10. During the afternoon a number of the neighbors called, each remembering her with a small gift. She also received many lovely cards.
 Looking for an inspiration for 1943? You'll find it in the appealing painting by the well-known artist, Henry Clive. It's called: "May we have this kind of a Happy New Year! Buy War Bonds and help make it so." See the front color page of The American Weekly, the magazine distributed with next week's Sunday

Red Cross Wants Gifts For Soldiers At Ft. Brady

Mrs. Paul Clark, Chairman of the camp and Hospital Council division of the Charlevoix County Red Cross has been requested by the Fort Brady authorities to ask that Charlevoix County contribute small gifts for soldiers at that post, also a tree and tree trimmings. The Military authorities hope that sufficient gifts will be donated so that every one of the some 15,000 odd soldiers stationed at Ft. Brady will have a remembrance Xmas morning. Naturally Charlevoix County is expected to donate only a small portion of the amount needed, other chapters in this council pledging their share also. Any gift you might choose for your own service man is acceptable and it need not be an expensive present, a pack of cigarettes, playing cards, books or a game being greatly appreciated. Gifts may be turned in to Mrs. Paul Clark, 402 S. Lake street, Boyne City or, in East Jordan and Charlevoix, to your local chairman, Mrs. Agnes Hegerberg, East Jordan and Mrs. Isabel Sloan, Charlevoix, for sending. Please wrap these as Xmas gifts. This is being done for camps all over the U. S.
 Please Note — Packages may be left with the Michigan Public Service Co. or with Mrs. Ed. Strebl on or before Dec. 19th.

Holiday Shows

Christmas week at the Temple is one of extra fine entertainment and brimful of the extra delights that help make Christmas holidays something to look forward to with pleasure. Specially suitable is the presentation booked for the 24th and 25th, a brand new edition of "Mrs. Wiggs Of The Cabbage Patch," retelling anew this grand old story. Fay Bainter, Hugh Herbert, Vera Vague and a host of others are prominently cast. You and your family will, we think, enjoy your Christmas at the Temple.
 Temple presentations for the week include:
 Saturday: Richard Dix and Frances Gifford in, "Tombstone, The Town Too Tough To Die."
 Sun-Mon, Humphrey Bogart and Mary Astor in, "Across The Pacific."
 Tues-Wed; Family Nites; Lloyd Nolan and Marjorie Weaver in, "Just Off Broadway."
 Thurs-Fri (Xmas Program): Fay Bainter, Hugh Herbert and Vera Vague in, "Mrs. Wiggs Of The Cabbage Patch."

 2nd vice Pres. — Mrs. John Porter
 Secretary — Mrs. C. Brabant

XMAS CANDLES IN WINDOWS

A Christmas candle in the window of every home is the slogan of the East Jordan Garden Club.
 In many sections of the country there is a curtailment of electrical power, and in compliance with these conditions the East Jordan Garden Club suggests there be no lighting in our door decorations in our city. Although, no shortage of power exists in our immediate locality.
 By decorating porches, doorways etc as heretofore—which have been very beautiful in day time and placing the home Christmas Tree in a front window. The City can put on a festive air and express the Christmas spirit which means so much to childhood.

Sidewalks Snowplowed First Time In A Number of Years

For the first time in a number of years we are having some of our sidewalks snowplowed. As yet the City has not undertaken the project on a City-wide basis but a group of our citizens have constructed a plow and hired Ed Kaley and his faithful horse to pull it.

The reason for the interest displayed by some of our citizens in this project is the protection of our school children. So far only sidewalks on the main approaches to the school are being plowed. The route of the plow now includes State, Fourth, Main, Garfield and Williams Sts. Students, and others, now walking on these streets are urged to use the sidewalks and stay out of the road. It not only is much safer for pedestrians to do so—but also saves drivers considerable worry and concern over pedestrians traffic in the road.
 If the plowing continues to be as practical as it seems to be those sponsoring it are hopeful that the City will take over the work and increase the territory covered by at least including the sidewalk across the bridge and the heavier travelled streets on the west side.

The sponsors ask that citizens cooperate by keeping the walks in front of their properties clear. Once cleared the plow as it comes along can do the job much more effectively. They point out that, if all cooperate we can have really safe walking this winter. A little effort on the part of each of us might avoid a serious accident. It would take just one serious injury to one of our children who in the past have had to travel in the streets to cause us to regret our neglect to provide a safe place for them to walk. We certainly don't want an accident. Clean off your sidewalk. Walk on the sidewalks—and see that others do so.

HELP --- PLEASE

PARENTS --- WIVES and RELATIVES OF BOYS IN SERVICE YOU TOO CAN HELP

The Herald (Mr. Lisk and Paul), the Community Service Club, and, yours truly, are doing their very best to see that every boy and girls in the service that calls East Jordan home get this paper each week. This week there are 231 on the mailing list and we have names of another 30 whose addresses we have not as yet been able to obtain. We think there may be others who are being unintentionally overlooked. We know we have addresses on some that are not up to date. In addition we would like to get complete information on each boy. We want to know:

1. Name, and present mailing address.
2. Rank and army serial number.
3. Branch of service (army, navy, marines, coast guard, air corps, merchant marine.)
4. Date of entry into service.
5. Day, month and year of birth.
6. Where boy went to school and year he graduated — or if not graduated how far he went in school.
7. Boys' church and lodge affiliations here at East Jordan.
8. Boys' connection with East Jordan — i. e. — do his parents or relatives live here now — or did he formerly live here. If formerly lived here when did he leave.
9. Name of parent or nearest relative of boy who still live here.
10. Name and relationship of person sending in the information.

To every reader of this paper who has a son, daughter, husband or relative from this area in the service we say — PLEASE — sit down today and jot down the information we ask for above — in the order we have asked for it, and mail it to Ed Reuling, East Jordan. Don't leave it up to someone else to do. If several write in on the same boy the duplication won't do any harm. We would like to say — stop in the office and tell us what we want to know. We hope, however, that you will understand that it will save time for us if you write it down and mail it. We don't have complete information on a single boy — so — we are asking everyone to help. Do it now — today — before you forget. To you boys in the service who read this. It wouldn't do any harm if you too would send along the information I ask for. In that way you too can make sure that your record in our file is complete.

If everyone, without exception, will cooperate we can make an accurate check, and, make sure that our mailing list — is 100% complete — and our files 100% correct. To carry on our work we need this information. Won't you please help — now — today?

EAST JORDAN TAKES GAYLORD

Resplendent in new black satin suit the Crimson Wave, took the floor, here Friday evening, against a very inexperienced Gaylord five trouncing them 32 — 15.
 At the end of one and a half quarter of play the score was tied at 2 all. The game up to this time gave the appearance of a hotly contested tournament playoff with many fouls being committed on both sides. Then, with less than a minute to go before half time, something broke loose, East Jordan reached up 10 points to their opponents 3 to bring the half time score to 12 — 5.
 In the second half the game ran pretty well to form except for a few instances of roughness with East Jordan dominating play. Russ Weaver coming out high point man, while the team was captained by Leo Nemecek.

SEVENTH GRADE NEWS

LOOKING BACKWARD

From the Herald Files of Forty, Thirty and Twenty Years Ago
Compiled by Mrs. Mabel Secord

Across the street from where I live, above Carr's Food Shop, stands the oldest store building in the block; a two-story frame structure, built in the early days for a restaurant by Reason Renard who came here from Wisconsin. The family lived on the second floor.

It has always been used for the purpose for which it was built, passing under many names and managers. The last was Chris Taylor's "Coffee Cup Cafe," that closed last September.

This was the common meeting place for East Jordan young people, who called it the "Owls' Club."

The boys in service, should they read this, will go back in retrospect to nights when, after much consultation, they would pour out of the Club and into their cars, headed for "Par 4," "Hub's," "The Aragon," "Outside Inn," "Tops" (which, incidentally, burned down December 9), or the "Stockade."

I am missing the sound of young feet on the stairs, the happy laughter of their voices as they ran in and out at all hours of the day or night, phoning some tardy member of the gang, arranging a date, playing records or the piano, or just sitting and talking.

Across the street from Reason Renard's restaurant was another two-story frame building, where the post-office is now located, in which his son, Henry Renard, had a saloon on the ground floor and a gambling den upstairs.

Two professional gamblers from Traverse City used to make the rounds of the lumber towns and, working together, fleece unwary victims who were foolish enough to play with them.

However, the old adage, "When thieves fall out, then just men get their due," held true. One evening, while playing at Renard's, the two men quarreled and Harper shot and killed Turner. You can find his grave in Sunset Hill cemetery. Harper was tried and convicted of murder and sentenced to Jackson prison but later Henry Renard secured a pardon for him from Governor Hazen S. Pingree.

Note: When quoting the above adage I checked with Rev. C. W. Sidbotham regarding exact wording and discovered it to be a very old one. In a book of Proverbs, published in 1546, it reads "When thieves fall out, true men come to their good." Another form of the same thought, "When rouses fall out, honest men come by their own," is ascribed to Sir M. Hale, (1609-1676.)

September 5, 1902

A preliminary meeting was held in Alpena the last of August in connection with the proposed organization of the Alpena and West Michigan railroad.

A. H. Frost represented East Jordan interests and was named on the Board of Directors, that also included Harry Nicholls, J. Milo Eaton, and J. M. Felts of Charlevoix. Five Alpena men, one from Detroit, and R. R. Metheny of Grand Rapids completed the board, with Mr. Metheny being elected president.

Capital stock was to be one million dollars with the possibility of increasing it to a million and a half. The route from Alpena was to go via Flanders, Hillman, Atlanta, Big Rock, Heatherton, Gaylord, Elmira, East Jordan, and Charlevoix, a distance of 120 miles, 25 of which was to be graded from each terminus before winter set in.

School opened Tuesday morning with an enrollment of 285, which will probably be increased in the next two weeks.

Miss Mabel Malpass is the teacher in the Bills district. Miss Florence Barrett is teaching the Three Bells school.

August Leu, living north of town, was seriously injured by being kicked in the face by a vicious horse Friday afternoon.

The first accident at the new shingle mill occurred Thursday when John Pangborn, knot sawyer, lost the first joint of his left thumb.

Archie Couturier, because of failing health, has sold his interest in their meat market to his partner, Louis Gass.

"Side Tracked" was being played at the Loveday Opera House under the management of Jule Walters. The play had just been rewritten by his wife, the actress and singer, Louise Llewellyn. Mr. and Mrs. Walters, in later years, bought them a summer home on the west shore of the lake on the peninsula.

(From Chestonia correspondence)
There is talk of a pulp mill or a bank going up at this place.

C. S. King of Frederic talks of buying land here and raising beets for the Charlevoix sugar factory.

W. H. Thompson of Barkerville will move the old boarding house and fit it up for a dance hall.

The walls of the Masonic Hall in the Votruba block are being frescoed this week. C. L. Sage is doing the work.

The dock at Dwights has been burning for several days, having been set on fire by sparks from a passing steamer Saturday afternoon. Sparks from the steamer Jos. Gor-

don set fire to the warehouse at the public dock Saturday afternoon. A few pails of water extinguished the blaze.

The South Arm schools opened Tuesday. Prof. J. H. Milford is again principal this year, with the Misses Ella Barnett and Cassie Winters in charge of the primary and intermediate departments.

Dr. C. A. Sweet and Atty H. P. George moved their offices Wednesday and are now located in the handsome suite of rooms on the second floor of the new Sherman building.

The men employed in the camps of the David Ward Estate are being treated somewhat different from the old time methods in the matter of food. Each of the Estate's camps is supplied daily with fresh peaches direct from Mr. Willis Ward's immense orchard of 3,000 acres at Orchard Lake. Fresh fruit of the finest kind is quite a change from red horse and prunes.

Miss Bessie Weikel and Garfield Myers of Charlevoix were married at the home of the groom's mother September 8th, Rev. A. F. Nagler officiating.

December 21, 1912

This issue records the usual Christmas returns and departures. Morgan Lewis was home from near Chicago; Ella Barnett, from her school work at the Soo; Harry Simmons, who had been sailing on the great lakes, was visiting his mother, Mrs. Wm. Richardson; Bert Wilhelm was home from Logansport, Ind.; H. A. Tape was spending the holidays at the Wm. Richardson home; and Mr. and Mrs. Martin Rhuling and Mr. and Mrs. Earl H. Clark had returned from the annual meeting of the State Grange at the Soo.

Earl Rhuling left for a visit with Jackson relatives, accompanied by his little cousin, Harold Price. Hazel Cummins, who had just graduated from Ypsilanti State Normal, was home until after the holidays when she was to go to Highland Park to teach.

B. E. Waterman had gone to Chicago where he was to join Frank Severance and from there they were to go to Kansas on a combined business and pleasure trip.

Rev. A. D. Grigsby, Mrs. James Gidley, and Fern spent Christmas with Dr. and Mrs. Suleeba in Grand Rapids.

Mr. and Mrs. Henry C. Swafford celebrated their Golden Wedding December 9th and there is a fine writeup and picture of them and their four children in this issue.

Frederick Walter Turk, six year old son of Mr. and Mrs. Delbert Turk died at his home on West Side Dec. 8th.

Edward M. Moble, one of East Jordan's earliest photographers, died at Traverse City Dec. 8th.

A four-team indoor baseball league has been organized and play their first games Dec. 20th.

The East Jordan schools observed, for the first time, Educational Week. Good programs were presented and more than 450 parents visited school during the week.

During a blinding snowstorm Tuesday morning two E. J. & S. engines collided in the mill yard. Both were switching and No. 6 returning from the Chemical plant. William Havens suffered a broken leg, Earl Farmer's foot was split open, and Leo LaLonde and Rolland Maddock suffered internal injuries. No. 5 was badly damaged but, after minor repairs, No. 6 took the passenger train out to Bellaire and back.

Philip Decker, 23, son of Mr. and Mrs. Charles Decker, was killed at the Petoskey Portland Cement plant Dec. 7th.

William E. Palmer, 58, died suddenly at his home here Dec. 8th. He had been a resident of East Jordan since 1878.

AAA PROGRAM IN CHARLEVOIX CO.

The number and variety of new farm machinery for Charlevoix County to be sold in 1943 will, according to the county allocation, be very small. New machinery for the State is only a small percentage of what is normally purchased so on the basis of number of farms our supply will be extremely limited.

It is entirely possible that repair parts will also be hard to obtain. Taking these facts into consideration every farmer should go over his machinery for needed repairs and order them as soon as possible. Every farmer is going to be called on to produce to the limit and you can't do it with broken machinery.

In the near future, every farm family will be contacted to determine what crops he expects to produce. How much meat, poultry and dairy products he will market. Along with this, he will be questioned as to the amount of machinery he has, whether in use or not, the available barn room for additional stock, labor required to operate his farm and the labor now available, also other items. This survey will be the basis upon which our Government will allocate food to various countries.

BOWLING

A new face appeared at the Recreation last week affixed to the amiable person of Mr. Milton Ward. Milton is right at home in East Jordan because this is his home town and he returns after an absence of 26 years to assume the duties of managing the Recreation. For several years he has operated alleys in southern Michigan and brings a wealth of experience to his new post. Welcome home Milton and we congratulate ourselves — good luck to you and your family.

Timber sure was crashing last Sunday evening when the Petoskey Recreation team battled the local Recreation five to a stand still ending the series a bare 47 pins in the lead. The final game was E. J. undoing when Petoskey found the groove their two highs in this game being 233 and 224. A hard one to lose indeed.

Mrs. Basil Cummings and Mrs. Ken Isaman tied up for last weeks high score both with a 166... how about a play-off Ladies? The old maestro, Joe Wilkins, lead the mens division with one of his inspired sessions but we have been unable to find him to get the exact total.

The Bank and Ed's are slugging it out in first place in the Merchants League with the Pros, Carrs and Cal's in close pursuit. League standings as of last Monday are:

MERCHANTS LEAGUE	
	won lost
Ed's Tavern	24 9
Bank	24 9
Pros	23 10
Carrs Foods	21 12
Cal's Tavern	18 15
Quality Shop	15 18
Temple Theatre	14 19
Post Office	14 19
Iron Works	13 20
Recreation	13 20
Golden Rule	6 27

The Fochtman Fighters (Petoskey) are the challengers in a match at the Recreation next Sunday at 5 o'clock. If you like your kegling fast and furious you had better be on hand for some real sport!

And talk about hot streaks how do you like Leo Nemecek's nice little 263 now posted on the board?

We tried to hold this column for the latest Ladies League returns but the pins are still falling as we go to press — so the best we can do is publish the standing as they appeared on the board from last Wednesday.

LADIES LEAGUE	
	won lost
Darbee	21 3
Boswell	16 8
Evens	11 13
Johnson	11 15
Trojanek	10 14
Drew	3 21

In the Rotary League Bob Campbell's Americans are far in the lead with Captain Bob really pacing the team. Last week he chalked up a 644 series with three games of 237, 266 and 201... WOW! Here are the league standings to date:

ROTARY LEAGUE	
	won lost
Americans	26 8
English	16 17
Canadians	12 21
Australians	10 23

Our sympathy goes to Johnny Crimmins who finished 30 pins ahead of Ned Day in the 30 game match for the Championship if the world. Although he tied in games won and lead in total pins he still lost the match by one point under the Peterson system. Yes sir... a tough one to take and keep on smiling!

Attention Ladies! The Womens

City Association of Cadillac have issued a home and home match game challenge to be played after the holiday season... better get in some practice!

The Recreation will be open Saturday and Sunday afternoons this week and every afternoon commencing next week... which is certainly welcome news.

Janey

Janey closed the bedroom door and locked it. Alone at last! She threw back her head and heaved a deep sigh. Then she peeked out of the corner of her eye at the mirror to see whether she really did look like Hedy LaMarr. Quite a lot, she decided.

And now to business. She drew forth from the bottom of her top bureau drawer the sheet of pink writing paper and the envelope that she had been saving for this day. She sat down at the table by the window and dipped the pen into the bottle of green ink that her sister Rose was such a pig about.

She wrote, with beautiful cursive, "Dear Mr. Morgenstau, and held her head back to admire the effort of the best pupil in penmanship class. "Here are my stamps for a bond \$18.75. I started last Christmas when I got \$3.00. Not counting 50 cents, I have earned all the rest, working one or more days a week at a local grocery store, and I'm quite proud to say I worked hard to get it."

Janey stared out of the window at Peterson's house and beyond at the big yard where the kids were playing football. She held her pen elegantly in air.

"Sitting here looking out the window, I see a peaceful little town, and I wonder how the world can be in such a turmoil and the people of this world can have such hate for their fellow men. So I'm proud to send these stamps because I know I'm helping to make the whole world peaceful again like our little town."

She signed her name with an important flourish, not forgetting a conspicuous "Miss" in front of the "Janey." After she had sealed the letter she went on staring out of the window. It really was awfully peaceful. Overhead she heard a plane go humming by through the sunny afternoon air.

Then the voice of her best friend, Betty, called from outside — "Janey!" In an instant Janey was on her feet and tearing downstairs and out. She was not Hedy LaMarr nor a deep philosopher any more, but exactly twelve years old.

(Letter from an actual communication in the files of the Treasury Department.)

Grown-ups and children alike should all help the "breadwinner" of the family to budget for War Bonds. Let's all join a payroll savings plan and "top that 10% by New Year's."

Andy Gump says—

"OH, MIN—We're going to buy more War Bonds. Like everyone else we're going to 'top that 10% by New Year's'."

Surely, Every Kid Has a Right to Christmas

Yes, we have practice black-outs now and then. And we're gradually getting used to ration books.

But America's Christmas will be warm with light and food and friendship—while war-worn peoples abroad face the cold night with fear and hunger.

American children may get fewer bikes and skates and trains—but the children of Europe's New Order, covering in dark doorways, will get nothing.

Surely, every kid has a right to Christmas.

It is ironic but appropriate that on the birthday of the Prince of Peace, this nation should renew its pledge to win the war—so that all the world can share our kind of Christmas.

It will take everybody. Fighters and farmers and workers. It will take War Bonds. It will take tanks and tractors and turret lathes—planes and plows and drill presses.

It will take an ever-increasing torrent of electricity to power the factories and serve the homes... That's OUR job and we're doing it!

Reveille on the Jordan

Just a little message to the boys in the service from the folks back home. Sponsored by the East Jordan Community Service Club. ED REULING — EDITOR

Dear Friends: MERRY CHRISTMAS Friends, and I mean just that. I'm not so good when it comes to setting down in written words just how we all feel towards our boys at this time of year, and, even if I could write, I doubt if what we really feel could be put into words — so — I'll just say: Just another reminder.

To tell you anew Our prayers and good wishes Are all — for All of You.

and hope that, as most of you will be reading this as Christmas Day approaches, you will take heart and courage in the thought that I am trying to express, and, that all of the folks back home sincerely feel what I have tried to say. Before I sat down to write this I had thought some of asking others, more able than I, to write you a Christmas message. But, as I loved with the thought, I realized that, unless I asked every man, woman and child back home here to participate, there would be some, as eager to send you a Christmas message as yours truly, who would surely feel slighted. I'm sorry I can't do it but assure you that the folks back home join with me one hundred percent, in sending you Christmas Greetings. With just that thought — and the promise — boys — that wherever you may be and whatever you may be doing — come Christmas Day — we all, WILL be wishing, for ALL of you the very Merriest Christmas Possible and the Very Best of Everything that's good.

Your faithful correspondent and friend, Ed Reuling.

HOME TOWN CHATTER

No Tall Tales Paragraph this week because there have been no entries. Come on you modest soldiers. Some of you can tip I'm sure. Here is a good chance to do a bit without getting in trouble doing it. The contest closes Feb. 1st.

The sponsors of this column who are, every man woman and child in and around East Jordan, have tried to see to it that each one of you gets a Christmas Box from the folks back home. Some of you have already received your box. Others of you will get it about the time you read this. We are sorry fellows that it couldn't have been more — but — with about 250 boxes to go out, it's quite some job just to pack the boxes and see that you each get one. A good many people have been helping get the boxes out. I hardly dare mention their names for fear I should forget to mention some who have participated. Suppose we just let it go by saying that, if any credit is due, its due Oscar Weisler as chairman of the committee, and, all of the rest of the folks back home that helped.

I'm not going to tell you about the 32 to 15 flogging the boys gave Gaylord last Friday night because I have an idea the high school reporters will be quite pleased to report the victory to you themselves.

I slipped up last week when I told you there were six Trojaneks in the service. I had Glenn in, when he has been doing defense work in Midland all the time. However, the Trojaneks still top the list with most in the service with the same family name. There are five. The Carneys are next with four (all brothers) followed by the Cihaks with four (all related) and the Clarks with four (not all related).

I was surprised and pleased to have been able to have a visit with Sgt. Bill Stokes, son of Mrs. Seth LaValley, home last week on furlough from Camp Livingston, La. Bill is the fellow who wrote sometime ago and wanted to know who read my mail. I asked him how come he wanted to know and he was a bit embarrassed in explaining that he wasn't quite sure whether he could write using army language, or whether he would have to brush it up for others to see. I read him one of Jack Isaman's letters as a good example of how he too could write, if he wished, and promised him that only such portions of letters as were suitable for publication would be shown to others. In short — write as you wish fellows. I can take it — and I assure you — will keep such things as you want kept confidential — just that. Quite awhile ago Oliver McCauby wrote wondering whatever happened to Bill. I was able to give him a full report on you, Oliver and expect that you will be hearing from him before too long. Just in case he doesn't, you might like to know that Bill has been in 20 months now and is in the mechanized cavalry doing reconnaissance work in charge of radio for his troop. He has been all over the south and west on maneuvers and is just now back at Livingston ready to correct such bugs as they found in their works while on maneuvers. It was nice seeing you. Bill. I know Gayle Saxton and the rest of the boys in your class in school will be glad to hear about you.

Merchant Marine Dar Penfold is home on leave for a short stay. I

haven't had a chance to visit with him as yet but can report that, from what others have seen of him, he has had a lot of interesting experiences already and is looking forward to a lot more. If I don't get to see you before you go, Dar, here's wishing you luck.

Because Dank Gee, Karl Kamradt, Calvin Daugherty and Harry Nichols were enlistees and enlistments have been stopped, they had to leave a week ago yesterday instead of a few days later as planned. As this is written we haven't had word as to their whereabouts but expect that all four will wind up in some school for training as ground crew and mechanics. If you read this boys lets hear from you.

Word just came through that Cy Dolezel didn't go to Grosse Pointe after all but instead was ordered to report to Pasco, Wash. Let's hear about it Cy.

Was sorry to hear that Ken Slough has been in the hospital with sciatic neuritis for some time. You fellows who are at Fort Custer can look him up in Ward 6 in the Station Hospital. Hope you get on your feet again right soon, Ken.

Fellows who will be getting the paper for the first time this week are Roy Walker, Clover Scott, John Ter-Avest, Leonard Lademann, Walter Thorsen, Harlon Rose, Lt. Cecil D. Gibbard, Herman Rasch, Ronald Russell, Kenneth Slough, Raymond Dubas, Geo. Trojanek and Bob Gay. Most of them have been in for some time. Their names and addresses have just been turned in by friends and we are mighty pleased to add their names to the mailing list. To you fellows particularly, and, all of the rest of you generally, how about keeping us posted on where you are and whatever else you can write about?

If you are interested in the weather you might like to know that back home we won't be singing for a "White Christmas." We have already got it and how. Benny Benson and a few others who have lots of snow to shovel are already asking for less snow. At that its pretty nice — not too cold — and no thaws.

Bill Porter has rigged up a snow plow to be hooked on behind the old grey mare and snaked along our side walks. If it works it sure will be an improvement over this business of walking in the streets, especially for our youngsters, who, as they walk along in the road don't seem to realize that the cars they meet could very easily go into a skid and seriously injure someone.

Have just learned that on Dec. 9th a new destroyer, christened *Caro* Darlene, dropped her anchor in Port Simmons, and, with all whistle valves tied down, announced she was there for the duration. Papa Chum Simmons was on hand for the maiden voyage but, because his Uncle Sam said he must, had to weigh anchor and steam back to the USS Dahlgren on the night of the 11th. Mama June is reported to be as fit as a fiddle and mighty proud of her handiwork. Am sorry that censorship forbids the giving of full details but expect it would be alright to report the tonnage of the new ship at 6 lbs, 8 ozs. Congratulations Chum and June. If you could see the smile on Gram and Gramp Simmons' faces you would be all the prouder of the new addition to our fighting navy.

We have a new manager in the bowling alleys. Milton Ward, brother-in-law of Barney Milstein, has taken over. Am afraid the rest of us will have to take a seat way to the rear for from all appearances he is not only some manager — but — a real bowler.

NEWS FROM THE FRONT

Clyde Green takes the cake for the smart crack of the week. He says "Did you know that Lucky Stricker Green has gone to war?" We knew it Clyde and are mighty proud of you and the rest of the Green boys. Here's hoping that January furlough comes through for you as planned. . . . I missed reporting to you a couple of weeks ago that Henry Bourdo stationed at the 500, was home on a 3 day leave, and, after he went back sent me some labels off Jordan Brand Carrots that he is sure he helped pack when he was working for Alex. I hear you will be home again soon, Henry. Hope I don't miss you next time. . . . A caller showed me a letter which Claude Carney had written on Aug. 22nd from Australia. Claude reported in the letter having heard from his sister, Greata, and wound up by saying he wasn't too fond of Australian mutton. It was good to hear of you, Claude, and it would be nice to hear direct from you when you get a chance. . . I still think the Bowman boys have let me down. The grapevine tells me that Jack in pre-flight training at Nashville thinks its great to be called "Mister" instead of the rough adjectives that were handed out when he first went in — and — that Stab,

while he has his better half down in Louisiana near camp — is so busy he is letting Frong take care of all his correspondence during lulls in her work in an Army Office. . . I know very well that Stan McKinney has shipped out of Great Lakes for duty as an instructor in some cooking school but I can't seem to get track of him. Does anyone know where he is? . . . After I wrote last week's copy I learned that Joe Lilak and Bill Zitka left with Em Cihak. Sorry that I slipped up mentioning it last week boys but hope I'm not too late to wish you luck. . . Sgt. Bill Park's wife keeps me well informed on her boy friend. She reports that Bill is in the thick of things. When you read this, Bill, how about a little direct contact? We would like to hear more.

Abe Cohn and Charley Dennis report a reunion at Fort Benning with a big feed in town and a bowling match afterwards. Charley says Abe did right well with a 187 against his 171 in the first game. What were the stakes boys? . . . Charley also says to tell any of you fellows who are going to get parachute training at Fort Benning to look him up in back of your A-station which will be about the first place you go. . . Abe kind of bubbles over when he tells about his very best girl's plans to visit him on Christmas. It wasn't news at that, Abe, because Helen had already written about her plans and I, in turn, sent her the names and addresses of all of the East Jordan boys at your camp. So, if you have time, you can have sort of an East Jordan reunion down there. I sure am happy for you and Helen, Abe, and wish the both of you a Very Merry Christmas. Your both Ace high in my book. . . Bob Crowell reports in on the long waited for experiences in Gunners Mate's School at Curtis Bay, Maryland. He says they are really getting a work out on everything from .22 to 5 inch. Those 16 hour days you put in, Bob, sound like maybe when the 3 1/2 months course is over, you'll really know something about guns.

We always thought you had the makings — Bob — and am certainly pleased that you are proving our judgment correct. Your Mom and Pop are awfully proud of you and rightly so. . . With Phoenix being declared out of bounds I'm wondering what Jay (Bud) Hite will do with the extra six-out of every 24 hours each day he isn't getting the works at Luke Field, Arizona. Bud has 132 hours of flying to his credit now part of which is night flight and what he calls buddy rider. The latter, as near as I can figure out is blind flying with a hood over you and a buddy acting as a sort of safety catch and observer. I too will be glad, Bud, when you finish your training there, so that you can get home to Mom, Pop, Aunt Mina and the rest of us for a few days. . . Sailor Lester Umlor says "Well the navy is really a swell outfit to be in. I can't say its using me too bad. I'm hitting the old beam at 224 lbs now and that's 7 lbs. more than when I came in May 28, '42." It was good having word from you, Lester, Sure hope you make Fireman 1st Class as you plan. Try writing again. . . .

Marine Bill Dolezel sends in a new address to a new part of the same base at San Diego and reports a full day of liberty that he spent with Chris Bulow. When Fred Bechtold, Bill Sturgill and Bob Strehl get out there for boot training, which will be soon, go easy on them Bill and, give us the low down on how they take it. (Fred and Bill left for Detroit last Monday — don't know about Bob) Anytime you guys have to say Sir to me you can forget it. That goes for you too Pvt. Raymond Dubas at Fort Custer. I'm just plain Ed and no more. . . A very short note from Lt. Elizabeth (I sure am tempted to still say Lizzie) S. White inquires about the weather. Well — Lt. Elizabeth — as compared with Camp Blanding I could say it's — ho hum — cold. How about some more letters? . . . Have had advance notice to expect Tank Destroyer Pvt. Teddy Kotowich home on Dec. 21st and am ordered to take such steps as are deemed expedient to fortify the old home town against the invasion. We are all set for you Teddy. It sure will be good to see you. Awfully sorry to hear about that chest injury and bout with pneumonia but am sure pleased to know, as you put it, "The nurses say I am a lot better, because I am beginning to swear a little." You must have a lot of fun at that reminiscing with those two doctors who looked after you since they both have spent considerable time on your River Jordan. Never mind bringing that tank mine home. The situation is well in hand. . . . Through Marine Pvt Bill Trojanek's Mother we learn that Bill has gone across and arrived safely. The safe arrival is good news to all of us, Bill. The best of luck to you and your buddies. Write when you can. . . . Four Birthdays that will be celebrated by our boys this month are Albert Cihak on the 18th, Leon Peterson on the 26th and Guy Hitchcock and Lt. John Dolezel, on the 29th. To you boys the folks back home say "Happy Birthday. The best of luck to you and yours — always"

Another lad you fellows at Abe's camp might want to look up is Bob Gay. Just got his address. You can find him in Service Co. of an Armd. Reg. . . . Have also just learned that Herman Rasch is there too in the Harmony Church area. Why don't you two fellows look up Charley Dennis? Am sorry but I can't give you addresses n full — but — Charley has told you where you can find him down there.

And so again I come to the end.

HOW TO MAKE "OLD FASHIONED CHRISTMAS TREATS"

Some old recipes passed down from Civil War days, with which our great grandmothers, despite shortages and substitutes, provided delicious, mouth-melting goodies so important to Christmas cheer, will be found in the Housewife's Food Almanac in The American Weekly with this Sunday's (December 20) issue of The Detroit Sunday Times. Be sure to get The Detroit Sunday Times.

For this week I'll just close as I started and say to all of you "Merry Christmas Fellows."

Keep Long Distance lines clear for war calls

Among the things we're asked to do with-out, this War Christmas, is the pleasant custom of making Long Distance calls to greet our friends.

As on other days, the wires will be crowded with war messages, and such calls cannot be delayed.

Therefore, on Christmas Eve and Christmas Day, please do not make Long Distance greeting calls, particularly to points outside of Michigan.
