Memorial Park Taking Form

ADDITIONAL FUNDS NEEDED. MEANS A UNITED EFFORT

With the united efforts of the Veterans committee, the Chamber of Commerce and the Community Service Club, most of the preliminary work at the lakeside Memorial Park has been completed. Grading, clearing, leveling and a partial planting of trees, climaxed by the Chamber of Commerce sponsored bee of several weeks ago, has readied the project for the advanced work of seeding, memorial erection, landscaping and bandshell construction, all of which are an integral part of the completed Memorial Park.

As announced last fall at the time this particular form of a memorial was selected by our returned veterans the final cost of this project will be approximately \$6500 and a joint financial committee of Veterans and Community Service Club members have undertaken the job of contacting every single resident in this area to the end that all of us may share in honoring, with a beautiful and permanent memorial, the memory of those who so gallantly paid the supreme price that we may continue to live democratically in freedom.

Complete collection information will be announced in your next weeks Herald. It is not felt by any of us that a so-called "drive" would be proper or even necessary but we ask the help of each and every one of you in carrying the word-of-mouth message to any who may not be informed about the project so that the entire community, both urban and rural, will have the privilege of participating and sharing in this all too small a tribute to our own boys who gave their all in our country's hour of need.

Young Peoples Rally

There will be a Young Peoples Rally, Saturday, June 7, at the Light-house Mission, "basement church", corner 4th and Division Streets. Services will be 2:30 afternoon and 7:30 evening with pot luck lunch between meetings. The Gospel Girls from Battle Creek will be in charge of both services. Everyone cordially invited.

NOTICE BOARD OF REVIEW OF JORDAN TOWNSHIP

The Board of Review for Township of Jordan, County of Antrim, will meet at the Township Hall, Monday and Tuesday, June 9th and 10th, 1947, from 9:00 a. m. to 4:00 p. m. each day, for the purpose of reviewing the assessment roll.

PIE SOCIAL, BENNETT SCHOOL

There will be a pie social at the Bennett school house Friday evening June 6. There will be movies and other entertainment. 23x1

To the People of East Jordan

Dr. John H. Savory, who has purchased the home of J. E. Cooley on Nichols Street, will take up his residence here in a few days with his family.

He comes from a family of doctors. His grandfather and great grandfather and several uncles having followed the same profession in England where Dr. Savory's father (who is connected with a wholesale drug firm) was born. Dr. Savory is well qualified to succeed here in East Jordan.

He attended Ridley College in St. Catherine, Ontario, and had his pre-medical and medical education at Washington University in St. Louis. He interned at Hurley Hospital in Flint and later held a residency at Barnes Hospital in St. Louis.

During the war he served as medical officer with the First Cavalry and saw active service with them in the Pacific theatre participating in the invasion of the Admiralty Islands, then to Leyte, Luzon, Manila and Tokio. For conspicuous service on Leyte he was awarded the Bronze Star by General Chase.

He also worked with Dr. Gamble in Bay City in laboratory work and has recently completed a special course of training in the Chicago Maternity Center.

He will occupy the new building at the head of Main Street which Mr. Herman Drenth is erecting for me, but until that is completed he will make so-called office calls at the individual homes of patients without additional charge. Engagements for O. B. and prenatal care will also be promptly attended. His phone number will be announced in this paper as soon as known.

Being anxious to retire from active practice, I hope that my bringing this capable and modest young man to this community will prove a blessing to both.

Bernard J. Beuker, M. D.

Special Legion Meeting

There will be a special meeting of the American Legion at the Legion Home, Tuesday, June 10, at 7:30 p. m. Election of officers. All members are requested to be present.

Williard Howe, V. C.

Blood Files Wanted

The Charlevoix Co. Chapt. of the American Red Cross is making an appeal to all ex-service men to return their blood type cards. The response has been very gratifying, but Rev. Gale Hetrick, in charge of the blood file believes that many of the men have just neglected returning their cards.

This will be an invaluable service to our Country and every man is urged to return the card at his convenience.

MARRIAGE

Kraemer — Simmons

Lenard Kraemer and Mrs. Vera Simmons of Boyne City were united in marriage May 22 at the Methodist Parsonage in Boyne City. The ceremony was read by the Rev. J. Marion DeVinney.

The couple were accompanied by Mr. and Mrs. Cecil Murry of East Jordan. They plan to live in the Simmons home on Pleasant Valley Road.

Kenney — Reed

Mrs. Daisy M. Ford of East Jordan announces the marriage of her daughter Marjorie E. Kenney to Robert E. Reed, son of Mr. and Mrs. Elmer Reed, also of East Jordan. The marriage was performed by justice of the peace, John Cuff on May 28th in Napoleon, Ohio. They were attended by Mr. and Mrs. Steven Vargo of Fremont, Ohio. Mr. Vargo served in the U. S. army with Mr. Reed. The couple are spending a two weeks honeymoon by traveling through upper and lower Michigan, Ohio, Kentucky, Indiana and Wisconsin. Upon returning they will make their home with the brides mother on the west side.

McFalda — St. Charles

Blanche McFalda and Thomas J. St. Charles repeated their marriage vows to Rev. Fr. Thomas G. Schmitt Friday morning May 30 at St. Alphonsus church, Dearborn. Blanche is the daughter of Mrs. Peter Pural, Posen, Mich., and Thomas is the son of Mr. and Mrs. Thomas St. Charles, East Jordan, Mich.

For the wedding the bride chose a white gabardine suit with a flowered hat and carried a spray of gardenias centered with an orchid.

Mrs. Joseph Sucharski of Dearborn attended her sister wearing a aqua suit with brown accessories. Her flowers were yellow rose buds. Joseph Sucharski was best man.

Following the ceremony a breakfast was served at the home of the brides sister for thirty guests.

The young couple left for a trip through Northern Michigan, spending a few days in East Jordan. On their return they will be at home in Dearborn, Mich.

Danforth — Bunker

Miss Ila Danforth, daughter of Mr. and Mrs. Lester Danforth of East Jordan, became the bride of L. Deane Bunker, son of Mr. and Mrs. L. G. Bunker, Monday evening, June 2, 1947, at the Presbyterian church.

The ceremony was performed by the Rev. Sheldon Hastings. The bride wore a blue velvet dress with a corsage of white carnations and yellow rose buds. Mrs. Harold Lewis, sister of the groom, was the brides attendant and wore a blue crepe dress with a corsage of white carnations and yellow rose buds. The groom was attended by his brother Berton Bunker.

A reception following the ceremony was given for the families at the home of the bride's parents. The bride lived near East Jordan and attended the East Jordan High School. The groom served three years in the armed forces of World War II in the European theater.

After a wedding trip they will make their home in Big Rapids, where the groom is employed.

Those from away here to attend the reception were Mr. and Mrs. Harold Lewis of Big Rapids.

Strehl — Turcott

Mr. and Mrs. Edward J. Strehl of East Jordan announces the marriage of their daughter Margaret Louise, to Thomas L. Turcott, son of Mr. and Mrs. George Turcott, Boyne City, at Solemn High Mass, St. Joseph Parish East Jordan, Rev. Fr. Joseph Malin-

Civic Chorus Elect Officers

DISBANDS FOR THE SUMMER. TWO KINDS OF MEMBERSHIP

The East Jordan Civic Chorus met for a business meeting on May 29 at the Presbyterian church before disbanding for the summer.

Officers for the ensuing year were elected:— President, Adolphe Drapeau; Vice President, George Kloster; Secretary, Lois Snyder; Treasurer, Theodore Malpass; Director, Alta Drapeau; Press. Rep., Sadie Liskum.

It was decided to have two kinds of membership; Active, for those who wish to sing, and associate for those who do not sing and wish to help sponsor the organization. The dues for either membership are one dollar per year.

The East Jordan Civic Chorus has sung publicly on two occasions. On "alm Sunday "Olivet to Calvary" by H. Maunder was presented at the School auditorium. On May 20, three numbers were sung at the May Festival of the Concerners Club in Ironton.

At this time the Civic Chorus wishes to thank the people of East Jordan and the surrounding area for their splendid cooperation in making possible the organization of this type of society, and for their support in all its activities. The members also wish to express their appreciation for the use of the Methodist and Presbyterian churches as places for practice.

The next meeting of the East Jordan Civic Chorus will be about the middle of September, when preparation will begin for some very fine Christmas music.

owski officiating at a double ring ceremony, Thursday, May 29.

The floral arrangements and Candelabra and palms decorating the altar, music was furnished by the St. Joseph choir, Organ music by Mrs. Bernard Brennan.

Given in marriage by her father the bride chose a white embroidered taffeta, fashioned with a sweetheart neckline, fitted bodice with long tapering sleeves and a full skirt, which ended in a long train. Her full length veil was held in place by a pearl beaded tiara and she carried a bouquet of white carnations, lilies of valley and snap dragons with white streamers. The bride's only ornament was a string of pearls, gift of the bridegroom.

Miss Marion Strehl was her sister's only attendant. Her blue taffeta gown was fashioned with a sweetheart neckline and a full skirt, with matching gloves and headress. She carried a bouquet of white and red carnations with white streamers.

Patrick Turcott served his brother as best man. Miss Jo Ann Conti, niece of the groom, was flower girl. Her gown was yellow organza with ruffles and a matching headress. She carried a bouquet of white and pink carnations and lilies of the valley. Billy Conti, nephew of the groom was ring bearer. He wore a white linen suit, white carnation boutonniere, carrying a white satin pillow, for the double ring ceremony. Williard Turcott, brother of the groom and Charles Strehl Jr. seated the guests.

For her daughters wedding, Mrs. Strehl wore a navy blue two-piece dress with pink carnation corsage. Mrs. Turcott, mother of the groom, wore a white dress and corsage of yellow carnations.

Breakfast was served immediately following the wedding at the Jordan Inn. Rev. Fr. Kupinski, Boyne City, said the blessing, after which 50 guests were seated. The bride and groom cut the three tiered wedding cake. Mrs. Frank Strehl and Mrs. Williard Turcott served the cake.

Among the guests were Max Turcott, Tacoma, Wash.; Mr. and Mrs. Geo. Turcott, Patrick Turcott, Mr. and Mrs. Williard Turcott, Mr. and Mrs. Holger Anderson, Mr. and Mrs. J. E. Brotherton, Boyne City; Dr. and Mrs. Joe Conti, Mr. and Mrs. E. Giles, Mrs. G. Krause, Helen Strehl, Petoskey; Mr. and Mrs. Frank Strehl, Plainwell; Mr. and Mrs. Mid Brown, Mr. and Mrs. H. Pontz, Mancelona; Otto Brown, Mrs. Burt Schulz, Saginaw; Mrs. P. L. Brown (Grandmother of the bride), Grayling; Mr. and Mrs. Chas. Strehl Sr., Mr. and Mrs. Charles Strehl and son, Boyne City; Mr. and Mrs. Joe Foster, Charlevoix; Mrs. Loyal Cameron, Grand Rapids; Miss Lila Behmer, Suttons Bay; Miss Margaret Poole, Mt. Morris.

For traveling the bride wore a navy blue suit, hat with pink feathers, navy accessories and white gloves. She wore a corsage from her wedding bouquet.

The bride is a graduate of Michigan State College, and has taught the past two years at the Charlevoix High School. The groom is attending Optometry School in Chicago.

Upon their return from a wedding trip to Milwaukee Wis., the couple will reside in Chicago.

PLAY INDIAN RIVER HERE THIS SUNDAY AT WEST SIDE BALL PARK

The local Independent baseball team opened the 1947 sason last Sunday at Pellston

Playing shorthanded the locals outlasted Pellston, winning 9-5. Chuck Saxton was on the mound for East Jordan with "Hud" Sommerville catching.

The locals will open at home against Indian River this Sunday in a league contest.

Bad weather has held up practice and games so the season is late in starting.

Weather permitting, remember — West Side Ball Park, 2:30 p. m., Sunday.

Sunday School Lessons

The Herald takes pleasure in once more resuming the weekly International Sunday School Lesson. This feature has been omitted for some time through unavoidable circumstances. Since then, many have phoned our office asking for its return.

Vacation Bible School

Daily vocation Bible School will open at the Finkton School House, June 9th. All are welcome. Classes, handwork, games from 1 to 4 o'clock each day, Monday through Friday for two weeks.

Announces Engagement

Mrs. Gustav Sobol announces the coming marriage of her daughter, Evelyn Dorothea, to Robert Schroeder, son of Mr. and Mrs. Wm. Schroeder, on Saturday, June 21st, at Trinity Evangelical Lutheran Church, Detroit. The Schroeders are living in Detroit, but have a home here where Robert is well known.

Can't Pay Teachers and Buy Booze, Too

(By William Brady, M. D.)
In one year those of us within the continental United States spend:—
(1) \$5,200,000,000—for alcoholic beverages
(2) \$2,400,000,000 for tobacco
(3) \$2,300,000,000—for public elementary and secondary schools where teachers serve at low pay.

There is something rotten about a way of life that makes it not possible but even "respectable" for the defectives, the degenerates, the criminals and the morons to squander more than twice as much for the narcotic as we pay for education. 23x1

Clyde Clay Converse Age 65 Years, Passes Away Last Thursday

Clyde Clay Converse, 65, was born Nov. 29, 1881 at Vevay, Mich., and passed away at Lockwood hospital, Petoskey, Thursday, May 29, 1947 after a short illness of four days duration.

He spent most of his life in Battle Creek. He was a machinist at Clark Equipment Co. in Battle Creek more than twenty years.

September 12, 1940, he was united in marriage to Ida Brewer at Lima, Ohio, who survives him.

They spent their married life in Battle Creek and came to East Jordan three years ago after his retirement.

Besides the widow, he is survived by two step daughters:— Mrs. Meril Davis, Battle Creek; Essie Keivan, Kalamazoo. Three step sons:— Melvin Thompson, Berrien Springs; Floyd Thompson, Petoskey; and Ralph Thompson, East Jordan; and eight grand children. Funeral services were held at the Watson Funeral Home, June 2, 1947 at 2:00 P. M., Rev. Sheldon Hastings officiating. Bearers were Melvin, Ralph and Floyd Thompson, Kenneth Davis, Roy Chance and Ernest Bowen. Interment at Sunset Hill.

Relatives and friends here to attend the service were Mr. and Mrs. Ernest Bowen and son Billy of Battle Creek; Mrs. Mary Otis, Shepard, Mr. and Mrs. Melvin Thompson, and daughter Louella, Berrien Springs; Mr. and Mrs. Floyd Thompson, Petoskey; Mr. and Mrs. Roy Chace and family and Mr. and Mrs., Charles McManus, Traverse City.

Summer Art Class

The summer Art class will begin on June 11 at two o'clock in room 5 of the grade school. This class was opened first to girls who have been in the 4th, 5th, or 6th grades. There is still room for several more students, and if girls who have been in the 7th or 8th grades wish to join, they should report at the class the first day.

The only charge for the class is one dollar to cover cost of materials used. The work will include drawing, lettering, poster making, design, and stencil making, spatter work, and a number of other activities. Each girl should bring a pencil and crayons.

Sportsman Club Is Active

PLAN TO SEND BOYS TO CONSERVATION SCHOOL

The Sportsman Club with an eye to the future, voted Tuesday night to send four boys from the community to the Michigan Conservation School at Allegan. The four will be taught all the latest methods in conservation and upon their return will be well qualified to care for the wildlife which the Club intends to place in Sportsman Park.

Robert Campbell and Howard Porter along with the Club donated the money to enroll the boys in the school. This is the type of unselfish spirit which is needed in East Jordan to make it flourish as a city of sportsmen.

At the regular meeting next Wednesday night in the City Building, the membership will be divided into work crews to begin construction of the new club house. Because of its importance to all, it is earnestly desired that the attendance at this meeting be large. If you are not a member, you are invited to come anyhow and find out what the club is doing and what it intends to do in the future.

Last week, in thanking those who donated their trucks, we neglected to mention Norman Bartlett who gave the club a special rate for the use of his loader and trucks. Thomas O. Breakey drove one of these trucks for which he was paid at the rate of seventy five cents an hour. This money was turned over to the club by Tom which we think was a very commendable act on his part.

THE WEATHER WETTEST MAY IN MANY YEARS

Two rains after last week's report gave May a total of 7.92 inches of rain for a plus 4.68 inches over a 20 year average.

This makes for very high water levels for Northern Michigan inland lakes, and the Conservation Dept. reports that the ground water level for the state rose 2.40 in. in two months; against a 2.41 in. rise in 9 months during the high water period from September, 1942, to June, 1943.

Veterans Meeting Monday Night

WILL START WORK ON MEMORIAL IMMEDIATELY.

There will be a special meeting of all World War II veterans at the Legion Hall Monday evening June 9th, at 8:00 P.M. to make final plans on the War Memorial. All veterans are especially urged to be present, and any Legionaires interested are also invited to attend.

Gordon Wright of Grand Rapids, who owns the land on which lies the large rock, which the veterans hope to use as a memorial, was in East Jordan last week-end and formally presented the rock to the veterans, as his donation toward the Park. His donation is a large one, weighing some forty odd tons, and is pure Northern Michigan granite. People who are interested in the rock, which some veterans have named the "Canadian Nugget", due to its location, may see it on the Ellsworth road near the City Limits.

The veterans voted at a former meeting to spend two thousand dollars for a memorial to the local boys who gave their lives in the recent war. This rock, when erected, will be far larger and more impressive than any monument which could be bought for the above sum. Not only that, it means that East Jordan will have a native memorial for its native sons who were lost.

At the meeting Monday evening, a committee will be elected to go ahead and act for the veterans in having the memorial erected. The boys hope to get things under way as soon as possible, as a large foundation must be installed and get well set, before the tremendous weight can be put on it. There will probably be other matters pertaining to the memorial taken care of at this meeting.

So all veterans! Remember Monday evening at the Legion Hall.

Moved by Malpass and supported by Sommerville that the bills be allowed and paid. Carried all ayes.

Moved by Malpass and supported by Bussler that we pay each of the Board of Review \$5.00 per day.

Moved by Nowland and supported by Griffin that we give Albert Sinclair permission to put up a gas sign on the corner of Mill and Main St. Carried all ayes.

Moved by Sommerville and supported by Clark that we give Harry Saxton special permission to load and unload at the express office. Carried all ayes.

Moved by Bussler and supported by Malpass that we adopt the following Resolution.

Whereas The City of East Jordan has been requested by the Michigan Dept. of Health to furnish a formal resolution stating whether or not the City will treat and dispose of substantial industrial and trade wastes occurring within the City particularly in the proposed Sewerage Treatment Plant.

Whereas No arrangement exists or is contemplated between any trade industry or canning factory, for such treatment or disposal and

Whereas it is understood that the largest present producer of waste products has elected to treat and dispose of wastes by private means and at his own expense, and

Whereas This resolution is required in order to secure approval of sewerage treatment plans being completed under the Michigan State Planning Commission.

Therefore, be it Resolved by the City Council that all future industrial trade and similar wastes be excluded from contemplated municipal treatment, unless reserve plant capacity permits and if mutually agreeable arrangements can be made to defray the costs of handling such wastes. Carried all ayes.

Moved by Malpass and supported by Bussler that we pay Mr. Herbert Bucholz, Registered Engineer the sum of \$1188.00, which total paid to date amounts to 50 per cent of the contract for which the plans for the sewer disposal plant are over 50 per cent complete and that we adopt the following Resolution.

Whereas The City of East Jordan, Charlevoix County, Michigan expended the sum of \$1188.00 for the preparation of Planning Document for Project Reference No. 15-C-48-2R and,

Whereas, The plans, specifications and estimates for the project are 50 per cent complete, and,

Whereas, The State Administrative Board has authorized the payment of partial payments on grants made in accordance with Act 57, Public Acts (extra session) 1944,

Now Therefore be it Resolved, That the Council of the City of East Jordan makes application for reimbursement from the State in the amount of \$594.00 which is 30 per cent of the total grants approved by the State Administrative Board for this project. Carried all ayes.

Meat Prospects Reported Best Since 1911 for Civilians
COLUMBUS, OHIO.—An adequate supply of juicy steaks and savory beef roasts appears in sight for the remainder of 1947, an Ohio State university farm marketing specialist said.
The specialist, C. W. Hammans, declared also that ample supplies of veal were on hand.
This points to a backlog of 150 pounds of meat per person for United States civilians during the year, the highest since 1911, despite smaller amounts of mutton and pork.
Two postwar factors contributed to the encouraging meat picture, Hammans said.
First, meat exports are expected to drop considerably below the 1946 figure of 1,400,000,000 pounds.
Second, government purchases of meat for the armed forces will slump off to 500,000,000 pounds against the high mark of 4,200,000,000 pounds in 1944.
Housewives cannot expect to find well-stocked coolers of pork at the markets, Hammans explained, until September 1, when the pig born in the spring of 1947 starts to market.
The 1947 pig crop already has been marketed and the fall crop was slimmer than usual.
Farmers anxious to get best prices for their livestock were advised to watch the barometer of pay rolls in industry.
"Working men, receiving good wages, are the best customers for meat," Hammans explained. "The strong demand for all kinds of meat will continue as long as city workers get fat pay envelopes."

Young Lady Thanks Police For Tagging Her Aged Father
CLEVELAND. — Capt. Augustus Foley, assistant traffic chief, is still glowing from the letter that was not a gripe.
Doris Noble wrote the police, enclosing the one dollar fine her 74-year-old father, Fred, had received for jaywalking, and thanking them for their alertness in tagging him.
"I trust that should he ever do it again," Miss Noble wrote, "there will be another alert officer on the job. He worries me sick taking such chances."
"I believe people who do not themselves operate a car are most reckless in creating hazards for those who do."
Nothing gives a greater variety to the appearance of a house than a few undraped windows. (windows).

Chicago Doctors Find Clue To an Atomic Bomb Mystery

WASHINGTON. — Two Chicago doctors may have found a clue to one of medicine's mysteries: How to stop excessive bleeding of atomic bomb victims.

Drs. J. Garrott Allen and L. O. Jacobson of University of Chicago reported their findings in Science magazine.
Their work was done as a part of the Manhattan project, which developed the atom bomb.
This is the problem: Anyone exposed to too great radiation may hemorrhage. His blood vessels may break down and his blood may refuse to clot.
At death, he may show extensive hemorrhages in all organs of his body.

Drs. Allen and Jacobson, in experiments performed on a dog, found that a heparin-like substance similar to that released in the body following exposure to radiation kept the animal's blood from clotting properly.
To offset this they introduced into the dog's blood a dye called Toluidine Blue.

At one point the dog's blood had not coagulated for more than 48 hours. When Toluidine Blue was injected, the clotting time was reduced to normal within 20 minutes.
The doctors pointed out that their studies were only preliminary. But Capt. George Lyon, a navy doctor who was at the Bikini bomb tests, told a reporter:
"If this can be proved true, it may be the first step in working out an approach to this problem. So far, we've been grasping at straws."

HOME EXTENSION ACHIEVEMENT DAY, TUESDAY, JUNE 10

The Home Extension groups in Antrim County will hold their annual Achievement Day Tuesday, June 10, at the Bellaire Community Hall.
The groups will meet at 11:30 a. m. Dinner will be served at 12:30 and the afternoon program will begin at 1:30 p. m.
Mr. H. A. Gardinell of the Horticultural Department, Michigan State College, has been secured as speaker of the day. Mr. Gardinell will tell of his experience in South America. He has some very interesting movies to accompany his talk.

CONTRACTS FOR INTERSEASONAL LABOR BEING TAKEN

Contracts for Interseasonal Labor are now being accepted by the Antrim-Charlevoix Growers Association, through their Executive Secretary, Ray Olney.
It is expected that most of the extra labor needed for the harvesting of cherries, cucumbers and string beans will be furnished through Texas Mexicans. Already there are approximately one hundred and thirty Texas Mexicans in the area for the sugar beet work. Only a very limited number of Mexican Nationals will be available this summer. All growers anticipating the use of labor other than local help are urged to place their orders at once.

**Garden Planting Time
With Dogs on the Loose**

Every year at this time complaints come pouring into our office relative to dogs running over and digging into planted gardens.

Please keep your dog on his own premises. Your neighbors don't like your dog tramping out seed beds and young plants, nor do they want to complain against a neighbor.

If owners of dogs want to be fair to their neighbors they will keep their dogs confined to their own premises. If they THINK their dog is different they have another guess coming.

Should anyone wish, they may file a written and signed complaint with the Justice of Peace and the matter will be taken care of.

It would be much pleasanter if dog owners would keep their dogs at home instead of allowing them to run at large, causing damage and irritating their neighbors.

MAKING REFORMS SUCCEED

LESSON TEXT—II Kings 22:10, 11; 23:1-5, 21.
MEMORY SELECTION—Give me understanding, and I shall keep thy law.—Psalm 119:34.

God can bring blessing out of the most unpromising of circumstances. Yes, and men can make chaos out of God's greatest gifts.

The good Josiah became king at eight years of age, and was surrounded by godly counselors who helped him become an outstanding ruler for God. When he was sixteen he had a real religious experience (II Chron. 34:3), and at twenty he began to purge Judah and Jerusalem of idols and wickedness.

I. A Book Found and Read (22:10, 11; 23:1, 2).

The Word of God had been neglected for about sixty years. How sad! Yes and how sad that in our homes the Bible is so often neglected—on a book shelf, or in a trunk, or gathering dust on a living room table. A lost Bible, and a people living in sin! How much we need to push aside the rubbish in our lives and bring out our "lost" Bibles.

Observe that they not only found the book, but they read it. That was true of the ones who found it as well as of those to whom they passed it on. What a good thought we have there: read the Bible, yes, but be sure to get someone else reading it too.

In Josiah's day it was thus first received

1. By the King.

The ruler or rulers of the people need to return to God's Word in our day. It is all too often neglected in the council chambers of the nations.

Josiah was moved by what he read to real repentance. He realized that the judgment of God must come. Inquiry at Jerusalem brought word from Huldah the prophetess that it would come, but not in Josiah's day.

The king was not content to keep this word to himself, and insisted that it be read

2. By the religious leaders.

The priests and the prophets who were doubly guilty in neglecting it were now brought face to face with God's revelation.

Who will say that the great need in America is not just this, that its preachers and denominational leaders get back to the reading and teaching of God's Word. Book reviews, lectures in economics and politics, discussions of one world—almost anything but the Bible. Such is the fare of many of our preachers. No wonder that they and their people are spiritually starved.

Josiah knew what was needed and the Word was now read

3. By the people.

Applying that to our day, it is true that the Bible is our best seller, that it is available to every home, and that most decent households have not one but many Bibles. But are they being read? The answer is obviously no. Let's correct that dreadful situation. Read your Bible!

II. A Book Believed and Practiced (23:3-5, 21).

Josiah saw that it was not enough to read and rejoice over the Word of God. Something must be done about it, and he did it.

1. The king made a covenant with God.

Standing in a prominent place before his people, he humbly and solemnly renewed his consecration to the Lord; and promised to abide by his Word with all his heart and soul (v. 3). Such a leader could not but inspire his people to do the same.

What a blessing it is to us when we hear of some man prominent in the affairs of the nation or state who loves the Lord, and keeps his commandments. He is not only an inspiring example, but a real witness for God.

2. The priests cast out the idols (vv. 4, 5).

The king required this of them, and they proceeded thus to cleanse the places of worship and prepare the way for a true devotion to God.

Here again we say that when religious leaders get back to their first devotion to God and put away the empty philosophies of this world, we shall see a revival.

What did the people do? Josiah saw that they needed some positive expression of their faith. It was not enough to tear down the idols; they must re-establish the true worship of God. So we find that

3. The people kept the Passover.

This was the great feast of the Jews which spoke of redemption from bondage. It pointed forward to Christ the Redeemer from sin. He is our Passover (I Cor. 5:7).

In these dark and bewildering days people are looking to Christian leaders to prepare a feast of remembrance of the death of Christ and of his glorious redemption. Let the people gather round him and, cleansed by his precious blood, keep the feast with joy and purity of heart (I Cor. 5:8).

Attention!
DEAR READER

The Lord willing there will be meetings at the Mission Ass'n for two weeks every night except Saturday **STARTING JUNE 8 at 7:45 IN EAST JORDAN** just south of what is known as the Log Cabin Church.

WHY?

Are you without sin?
He that committeth sin is of the devil, for the devil sinneth from the beginning, for this purpose the Son of God was manifested that might destroy the works of the devil. 1 John 3-8.

Are you ready to go to your own funeral? You can't miss it. Come, let us help you get prepared.

And as it is appointed unto men once to die, but after this the judgment. Hebrews 9-27.

So come and heary Holy Ghost preaching that will help you to get prepared to meet God.

WEEKLY NEWS ANALYSIS

Telephone Strike Fully Settled; House Slashes Navy's Budget; World Relief Needs Surveyed

Released by Western Newspaper Union
(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

Secretary of State George C. Marshall, holding one of his last press conferences in the old state department building, told reporters that he could see no further need for appropriations such as the 400 million dollar outlay authorized in connection with President Truman's Greek-Turkish aid program. Secretary Marshall has moved his office to a newly constructed state department building.

LABOR PEACE: Strikes Vanish

Peace descended on the national labor scene, at least temporarily, when the six-week strike of telephone workers ground to a complete stop as Western Electric company employees in 42 states returned to their jobs.

End of the phone strike marked the beginning of a honeymoon between labor and management. For the time being, not a single major industrial strike was troubling the national economic waters. On the horizon, however, loomed the figure of John L. Lewis, pondering whether or not to call a strike of his United Mine Workers in June.

Tapering off gradually in recent weeks as various union groups reached agreements with their employers, the telephone strike was fully settled when 20,000 members of the Association of Communication Equipment Workers, the last holdouts, accepted an 11½ cent-an-hour average pay increase from Western Electric.

Telephone workers across the country walked away from their jobs at 6 a. m., April 7, demanding general pay boosts of \$12 a week. Average increase, when agreements finally were reached, was about \$3.50 or \$4.

NAVY FUND: Big Cut Made

An economy-minded house of representatives forcibly passed a \$3,489,761,100 navy appropriations bill which represented an 11 per cent cut in President Truman's original request for navy department funds.

Shouting down cries that the reduced appropriation would shrink navy and marine corps manpower by 82,000, house Republicans, in a voice vote, approved the naval budget for the coming fiscal year at a figure about 377 million dollars below the administration's estimate of the amount necessary to maintain required strength.

Defending the budget cut, house members criticized the navy policy of maintaining a disproportionate number of high-ranking officers during peacetime.

"There are far too many men of high rank today," said Representative Ploeser (Rep., Mo.). "The navy can effect its own savings by a considerable reversion to prewar ranks among officers."

GRUMBLES OUT: Germans Warned

Restless, protesting Germans have been warned by governors of both the American and British zones to stop striking and grumbling against the Allies and buckle down to face the present food crisis with "hard work and courage."

Sumner Sewall, American military government director in Wuerttemberg-Baden, said that protest strikes against the food shortage might cost the Germans relief supplies from the United States. He pointed out that the demonstrations are causing "increased resistance" among taxpayers in this country.

Sewall also demanded that Germans stamp out the black market which is dissipating a great amount of their food rations. He said that farmers who divert their produce into the black market are largely responsible for the crisis.

NET PROFITS: Industries Gain

Top money maker in the United States in 1946 was the textile industry which, according to a Wall Street Journal survey, rode the seller's market harder than any other group to register a 219.9 per cent increase in net profits over 1945.

Fourteen textile corporations were reported to have net profits of \$109,435,582 in 1946, compared with \$34,206,787 the previous year.

WORLD AID: Survey Needs

Postwar needs of the world will be studied thoroughly in a global survey before the administration decides on further foreign aid programs such as the 400 million dollar Greek-Turkish measure, Secretary of State George C. Marshall has revealed.

First of its kind, the survey is being conducted by a newly organized policy group. Marshall said that with the exception of 78 million dollars scheduled to go to Korea he foresaw no further appropriations for foreign aid at present.

He added, however, that he was not prepared to say what may be required to help other nations in the future. The state department, he reported, currently is seeking some way to help China which could be fully justified to the American people and to congress.

The 78 million dollar fund for Korea will be used to rebuild roads, rails and industries in the United States zone, Marshall said.

SUB PROGRAM: Navy Is Worried

In an effort to resolve its biggest worry—that of underwater warfare—the navy has proposed a five-year, 210 million dollar construction and conversion program which ultimately would produce a fleet of 100 super-fast submarines.

Included in the plans is a new type of submarine-hunting "killer ship," a high-speed vessel which would be able to track down and destroy enemy subs in any kind of weather.

High-ranking naval officers are reported to be concerned over the swift submarines developed by the Germans toward the close of the war and the fact that the Soviet navy is believed to be rushing to completion a fleet of undersea boats copied after the best German designs.

If the navy's proposal is adopted, the fast new submarines should be ready by 1951, according to Vice Admiral Robert B. Carney, logistics chief.

PORK SUPPLY: Seek More Pigs

Seeking to boost the nation's pork supply during the spring and summer of 1948, the department of agriculture has recommended a general 15 per cent increase in pig production this fall.

The increase, achievement of which would bring an additional five million pigs to market next spring and summer, is being sought because present prospects indicate that supplies of beef and veal will be shorter in 1948.

Fire Losses Zoom

Losses from fire in the United States followed the general trend of the times during the past year. They went way up.

Summing up for the past year, the national board of fire underwriters reported the greatest fire loss for any 12-month period in history of the nation.

Total amount was \$616,408,000, making an increase of 22 per cent over the \$497,133,000, in fire losses for the preceding year. Losses during the first four months of this year were greater than those recorded in either 1935, 1937 or 1938.

To Export More Grain

Allocations of grain and grain products for export to shortage areas during the month of July have been increased about 9 million bushels over the June amount by the department of agriculture.

An estimated 1,407,000 long tons, or about 54,500,000 bushels will be exported in July as compared with the June total of 1,179,000 long tons. The increase will be largely wheat, supplies of which will be augmented by the harvest of the new crop.

SEAWAY:

Soon a Reality?

Despite powerful opposition, the long-sought St. Lawrence - Great Lakes seaway which would make ocean ports of at least three large inland cities may become a reality in the near future.

The combined seaway and electric power project, designed to bring vessels from the Atlantic ocean along a 2,300-mile waterway to Chicago, Detroit, Duluth and other cities, has been advocated by every president since Taft.

Sen. Arthur Vandenberg (Rep., Mich.) has introduced a bill which would make the vast project self-liquidating within 10 years by means of exacting toll charges from vessels passing through the route. Previous proposals entailed the spending of hundreds of millions of dollars as a public works project.

If the bill is passed by both houses of congress and if American cooperation with Canada is authorized, real work on the seaway may be expected to begin within a year.

Total cost of the project to the United States and Canada is estimated at about 500 million dollars.

BLACK DEATH: Germ Warfare

"Bacterial warfare is one of the most important hazards to humanity which could result from misuse of science."

That is the opinion of Dr. Maurice Visscher, president of American Association of Scientific Workers, who visualizes a future war with planes spreading countless billions of deadly bacteria.

Listed as possible weapons are 33 diseases, among them forms of the great plague, "black death," anthrax, yellow fever, undulant fever and parrot fever.

The United States would be particularly vulnerable to such an attack because of its geographical isolation, Dr. Visscher said.

At Her Age!

Miss Florence E. Dolph of Seranton, Pa., celebrated her 100th birthday anniversary by sliding down the banister in her home. She says she has ignored her years to perform this birthday stunt ever since 1866.

SURPLUS SUGAR: Many Protests

Unless surplus sugar stocks are released to needy housewives, a congressional group will demand immediate repeal of sugar control, according to Senator McCarthy (Rep., Wis.) who is at the head of the movement.

Protests against the department of agriculture's sugar control program have been sent to congressmen from all parts of the country, McCarthy revealed.

"The department of agriculture is trying to make people believe there is a scarcity when there is a large surplus," he said, and added, "They are permitting industrial users to stock up, but are denying housewives the same privilege at the beginning of the canning season when it is needed most."

POSTAL RATES: May Go Up

A measure embodying the first general revision of postal rates since 1879 which would add about 110 million dollars a year to post office revenues has been introduced in the house of representatives.

The bill provides for a 30 per cent increase in parcel post rates and would revise the air mail rate from five to six cents an ounce. In addition, the new plan would add about 30 per cent a year to present scales for second-class mailing of newspapers and periodicals sent outside the county in which they are published.

Another provision would maintain the current three-cent local and non-local rate for first class mail beyond the July 1 deadline when those rates were slated to revert to the former two-cent level.

The new rates would go into effect 60 days after the bill is passed and signed by the President.

AFL to Fight Laws

American Federation of Labor will wage a legal battle against what it terms anti-labor legislation adopted by 30 states, William Green, AFL president, has announced.

He stated emphatically that "the AFL will fight the constitutionality of such measures with all the power of our 7,500,000 members." It is the labor organization's contention that the legislation by various states violates the 13th amendment, which prohibits involuntary servitude.

From where I sit... by Joe Marsh

How to Go to Sleep

We were sitting around Bill Webster's parlor Friday evening and the talk turned to the best way of overcoming sleeplessness...like breathing real slow and deep, imagining that you weigh a ton, or simply throwing away the pillow.

The consensus favored counting sheep. But right away was the question: what kind of sheep? There were some votes for countin' Merinos, Shropshires, Oxfords and Dorsets. Ed Mapes said he had best luck counting crossbreeds.

Finally, Bert Childers spoke up

with his formula: A light snack and a mellow glass of beer at bedtime. Sort of puts you in the mood for quiet thoughts and peace of mind. Lets you relax...and "ho hum," off to pleasant dreams!

From where I sit, there's nothing like a temperate glass of beer to smooth away the creases of the day, relax a body, and pave the way for a good night's sleep. Try it, and see if I'm not right.

Michigan cigarette smokers are already beginning to hoard packages of fags before the new state tax goes into effect. One consolation for whatever it is worth: A package of the weeds sell for 67 cents in England. British are taxing luxuries heavily. Twelve percent of their budget goes for national defense, compared to 6.5 per cent in this country.

There may be hidden blessing in the late delivery of state bonus checks. Michigan veterans of World War II total 636,000, and the current rate of processing bonus applications is less than 1,500 a day. Federal economists insist that a dollar will be worth 10 to 20 cents MORE a year from now, as prices decline and consumers get more their money's worth.

If a doctor is occasionally hard to find, remember that 55 per cent of all licensed physicians are specialists, so the University of Michigan post-graduate conference on medical education was told the other day.

Since Michigan state troopers no longer mount steeds or straddle, Leonard has ordered the following new summer uniforms: Gray slacks, light blue shirts, black Sam Brown belt, and grey summer helmet. — Did you know that Pennsylvania has four times as many troopers as Michigan? Or that the average daily working force in Michigan is 294 men, spread over 45 posts in 83 counties? With urban crime up 7.4 per cent and rural crime up 14.1 per cent, Leonard has made a good case why Michigan needs more state troopers.

Fire insurance rates are due to be increased soon. Michigan fire losses have mounted sharply since 1940. If your neighbor's hen cackles loudly and the roosters crows early and often, this may be why. The average American ate 298 eggs last year. War-time rate was 392.

This is personal, but it may tell why public opinion surveys consistently show that most Americans favor legislative restrictions against labor monopoly. We invited a roofer in Lansing to estimate the cost of putting a metal roof over a breakfast room. His oral bid was \$130. When his bill arrived, the amount was \$180. When we inquired, he said: "I didn't believe the men were going to loaf on the job." — And we are NOT going to have our six-room stucco house repainted this year. The painters estimate: \$486.

Members of the Lansing Capitol Club, comprising secretaries of 36 state organizations, are well pleased with the lobbying bill approved by the legislature. Recommendations of the club were incorporated into the final measure. Legislative agents must register with the secretary of state and must maintain financial records for six years.

Despite all the hub-dub at Lansing, the state liquor monopoly system will remain unchanged. The Tripp bill to limit state stores was defeated in the house. SDD's who sell packaged liquor are doing all right as it is. They sold 61.94 per cent of the

liquor purchased in Michigan last year; an increase of 19 per cent over the preceding year. Bar sales dropped in 1946 from 34 to 22 per cent. Package dealers total 18,443; bars, 2,768. Whiskey prices are due to skid. Distillers are now able to produce eight times as much as the public consumes. "Drink milk and save!" is the 1947 theme of June Dairy Month. Health experts insist that the following is true: One quart of milk is the equivalent of calcium in three pounds of broccoli, vitamin B2 in two and three-fourths pounds of round steak, protein of two pork chops, vitamin A in two eggs, phosphorus in two pounds of whole fish, energy value of ten slices of bread and thiamine in four ounces of liver.

Michigan's 1947 spring has been the wettest on record, Brrrr!

Mrs. Hayden gives a further description of the election celebration in her column this week:

A Foolumpan Parade
"An aftermath of the election celebration was a foolumpan parade of the victorious crowd. It is reported 40 cars, more or less, formed in procession at the Ferry with all sorts of musical instruments, such as cow bells, tin horns, circular saws, wash tubs, and goodness knows what all, supplemented with vocal accompaniments and rendered a few selection along the road and put in double time at every house, both occupied and unoccupied. They made the rounds of Peninsula, stopping at the Advance store, where the proprietor, Pat O'Brien, thought he was held up by a pack of lunatics and to pacify the bunch he passed cigars and candy. They again entertained and took the

East Jordan road, again reaching the Ferry. The result was a goodly number of the male population of Eveline Township have not spoken above whisper since and the Peninsula is an unusually quiet region."

Looking for a way to lower your food bill? Then come to A&P — where low prices are the rule — where you can get all the foods we advertise at the prices advertised. None higher. A&P is the store that keeps every price low every day in the week — not just the weekend — on every item of food — not on just a few "specials." What does that mean to you? You get more food, better food — and you spend less. Shop regularly at your friendly A&P and see how much you save.
