EAST JORDAN, MICHIGAN, FRIDAY, OCTOBER 14, 1949

NUMBER 41

E. J. and Charlevoix Play To 13-13 Tie

CONSIDERED BEST GAME EVER PLAYED IN NORTHERN MICHIGAN

In a clean hard fought game, considered by many as the best football game ever played in northern Michigan, East Jordan and Charlevoix ended in a 13-13 tie.

It was a game in which the East Jordan line, outweighed close to twenty pounds per man, continually rocked the Rayders back on their heels and opened gaping holes for the backs to dart through. Charlevoix, with a devastating passing attack, clicked many times with Charles Fairbanks, 6 foot 3 inch end, making several sensational catches high above the E. J. defenders.

Charlevoix scored first when a lateral from Don Whiteford to Don Cutler barely missed and in the scramble for the ball, Charlevoix recovered. Hardy turned in a nice run to the 12 yard line where the E. J. line held beautifully until Charlevoix power punched Hardy over for the T. D. Barber kicked the point to make it 7-0.

The Red Devils took the following kick-off and marched through the Red Rayders 82 yards for a touchdown. The last play covering 20 yards was called back as Max Sommerville, E. J. right half, was detected in motion. The half ended 7-0.

E. J. received at the beginning of the second half and drove 88 yards to score again as Hammond, Cutler and Sommerville, ground slipped over from the one on a out big pieces of yardage. Boring quarterback sneak. On a fake kick with a pass, Boring's pass to Whiteford in the end zone was short by inches. The score 7-6.

E. J. later on in the quarter drove to the Charlevoix 11 yard line where the E. J. offense stalled. At the beginning of the 4th quarter, the Devils drove again. Sommerville cut off left tackle and on a beautiful piece of open field running went 30 yards to the Charlevoix 10 yard line. In the next play Don Cutler exploded through the right side of the line and ran over and around the Charlevoix secondary for a T. D. Cutler swept around right end for the extra point, as Hammond and Boring laid key blocks.

Charlevoix received and with their passing attack really working moved to the E. J. 12 yard line. On four line plays the Red Rayders picked up a first down on the 1 yard line. The first play failed to gain, the second lost a yard as the battered E. J. forwards gave everything they had. On the third play Barber went over and then missed the kick. Score 13-13.

Although the breaks of the game always seemed to go against them, the Red Devils were fighting in the last minute of the game. The entire line played the best game they have ever played. The backs ran and blocked beautifully. It was a battered and physically spent group of boys who returned from the hardest hitting game many people had ever seen.

East Jordan meets a strong, fast, Grayling team Friday at 3:00 p. m. here.

Loren A. Walton, 69, Dies Suddenly While Working in Woods

Funeral services for Loren A. Walton, who passed away at Central Lake, Oct. 3rd, 1949, at the age of 69 years, while working in the woods with his brother, Alfred Walton, from coronary thrombosis, were held at Diton Funeral Home, Thursday, Oct. 6, with Elder Ole Olson of East Jordan officiating. Bonnie Hosler sang, accompanied at the piano by Theo Scott. Bearers were Doyle Willson, Edmund Willson, Clifton Willson, Harold Skinkle, Arthur Thompson, Bryce Petrie. He was laid to rest in the family lot at the Eldred Cemetery in Bellaire.

Loren was born July 26, 1880, in Banks Twp., Antrim County, and has lived most of his life in the vicinity of Bellaire, Central Lake, and East Jordan. He was a lumberman and woods worker.

Mr. Walton was a member of the Reorganized Church of Jesus Christ of Latter Day Saints of East Jordan.

His father, mother, two brothers and a sister preceded him in death. Surviving are three sisters: Mrs. Minnie Vallean, Lansing; Mrs. Eva Pelham, Bellaire; Mrs. Stella Barnes, Trenary; and one brother, Alfred, of Central Lake.

Stanley M. Powell To Speak To Charlevoix Co. Farmers

Rowley Williams, Program Chairman for Charlevoix Co. Farm Bureau, annual meeting, announces he has secured Stanley M. Powell, Legislative Council for Michigan Farm Bureau, as featured speaker, to be held at the Charlevoix High School, Oct. 20, at 8:00 p. m.

Joe Leu, Charlevoix County F. B. president, says his committees are busy and promise a bang up meeting. They ask all Farm Bureau members and farmers who are interested in their own welfare on the farm to come out.

Stanley M. Powell is Michigan Farm Bureau's most sought for speaker as he is an authority on Legislative matters of interest to Agriculture. Following the business meeting and program, the Women's Action Committee of Charlevoix Farm Bureau will serve refreshments.

Methodist Church Family Dinner This Sunday, Oct. 16th.

For the past several years a co-operative dinner has been given on some Sunday during the month of October honoring the elderly members and friends of the Methodist church. The committee has decided next Sunday, Oct. 16, at 12:30 sharp for this year's family dinner. You are asked to bring your own table service, a dish to pass, and some sandwiches. Last year there were over sixty in attendance. Mrs. Mabel Winstone and Mrs. Edith Swafford will have charge of the tables. A short program under the direction of Mrs. Mattie Palmer will follow the dinner.

Scholarships Available For Charlevoix County Boys and Girls

All boys and girls in Charlevoix County who are interested in taking one of the Agricultural or Home Economics short courses at Michigan State College and who want to apply for one of the three Bank Scholarships should apply at the county extension office at Boyne City as soon as possible. The agricultural scholarship is available for either the fall or winter term while the home economics scholarship is available only for the winter term.

Sweet potatoes are light yellow and rather dry and mealy while yams are deeper yellow, more moist and sweeter. It's important to use the same kind at once so that they will all cook alike, advise foods specialists at Michigan State College.

You're More Apt to Die From Fire In Home Than Any Other Place

With the Noronic tragedy still fresh in the memory of Michigan people, a statement which the Michigan Department of Health made today should be special food for thought during National Fire Prevention Week, October 9 to 15. "You are 25 times as apt to die from fire in your own home as from fire in all other places combined," the Department said. "A total of 289 Michigan people died from burns, fire or explosions in Michigan last year, 278 of them in their own homes."

"First cause of fatal dwelling fires is the misuse of petroleum products, such as kerosene or gasoline, for kindling. Overheated or faulty cooking or heating equipment, overloaded circuits or poor wiring, forgotten electric irons, carelessly put out cigarettes, smoking in bed, rusted out stove pipes, cleaning fluid, kindling wood near the ash can, cardboard or wooden containers for ashes, and matches left where children can reach them, are other important causes.

Consider these items a check list for Fire Prevention Week, the Department suggested.

Then consider another thing: nearly half of the people who died from fires in Michigan homes last year were children under 14 years of age.

Do not leave your young children alone at home, even for a few minutes, the Department counselled.

Pre-school and Infants Clinic October 18th

Dr. Litzenger, Charlevoix County Health Officer will hold a clinic for all preschool children and infants, Tuesday, Oct. 18th. The morning clinic will be in Mrs. Robertson's office in the grade building from 10:30 to 11:30 a. m. The afternoon clinic will be held at the Latter Day Saints church from 1:30 to 3:30 p. m.

Parents are urged to bring their children in for immunization against whooping cough, diphtheria and tetanus if they have not had their immunization shots. Dr. Litzenger will vaccinate for small-pox at this clinic. Children who are in school and have not received the immunization and wish to have it done if they will contact Mrs. Robertson or come to school Dr. Litzenger will see them at this clinic.

CARD OF THANKS

We are very grateful and wish to thank Elder Ole Olson for his message and kindness. Also Theo. Scott for the music and Bonnie Hosler for the singing. To Mr. and Mrs. Bryan Diton for their kindness. To the pallbearers and all who sent flowers and cards. Mr. and Mrs. Alfred Walton Mrs. Minnie Vallean Mr. and Mrs. Martin Pelham Mr. and Mrs. Solon Barnes.

When planning closets for your home remember that each person needs a minimum of 24 inches of rod space for hanging garments. Rods should be at least 12 inches from the walls. A shelf above the rods should be at least two inches above.

Stenographers are getting so independent that one asked her employer that other day to stop using words that caused him to complain about her spelling.

Annual Meeting Held Last Week

THIRTY-SECOND MEET OF WEST MICHIGAN TOURIST AND RESORT ASSOCIATION

An earlier opening of the annual lake fishing season and routing of US 31 traffic directly to the loading area at the straits ferry dock at Machinaw City during the fall deer hunting season were advocated by members of the West Michigan Tourist and Resort Association at the thirty-second annual meeting of the organization here Thursday and Friday, (Oct. 6, & 7).

A resolution urging the state conservation department to declare an earlier fishing season was adopted as a means of creating more vacation business and providing a longer resort season, it was pointed out by supporters of the movement.

The resolution to be forwarded to Michigan state police authorities seeking movement of the west state traffic onto the ferries during the busy periods at Machinaw City was intended as a measure to provide greater travel northward to the straits on this side of the state. In other years motorists were compelled to enter the ferry loading area from US 27.

Other resolutions adopted at the annual meeting included two that advocated elimination of the 15 percent travel tax on transportation within the United States and for designation of appropriate historic names for highways of the region. It was pointed out by supporters of the movement to eliminate the tax that it had been abolished for travel to foreign nations which are now competing for the vacation business of the United States.

Historic names for highways also was intended to stimulate travel in west Michigan by tourists interested in the historic background of the territory.

Orvis R. Connolly, manager of the Rowe Hotel, was elected ninth president of the association to succeed Joseph J. Bachunas, resort operator from Sodus, who has served for two years.

Among members of the executive committee, besides the officers, is Harry Jennings, Boyne City Chamber of Commerce secretary. Among those elected to the board of directors were: Herbert Bechtold, Bellaire; Stewart E. Coleman, Charlevoix; Harry Jennings, Boyne City; George Secord, East Jordan.

Antrim Farm Bureau Sets Goal For Membership

Bruce McElroy of Ellsworth, president of the Antrim County Farm Bureau has announced that the organization will conduct its annual campaign for members the week of December 5.

Mr. McElroy said that the County Farm Bureau hopes to increase its membership to 320 families. All County Farm Bureaus in Michigan hope to increase the membership of the Michigan Farm Bureau to 44,100 or more families. The County Farm Bureau board of directors has engaged Mrs. Vernon Vance of East Jordan, as Manager for the membership roll call. A captain will lead the work in each community group assisted by two or more workers. The names of these members will be published at an early date.

The week of December 5, said Mr. McElroy, will be Farm Bureau membership roll call week for 60 County Farm Bureaus. More than 6,000 farmers will take to the highways in an effort to invite every farmer in over 900 townships to join the Farm Bureau. State and county leaders are now setting up the campaign organization. Antrim Farm Bureau, a Farmer's Force, to Face the Fifties.

All For Christ Youth Rally at Green River Schoolhouse

Saturday, Oct. 15, at 8:00 p. m. we will hold our monthly Youth Rally.

Mr. William Cox o Gaylord will be speaker of the evening. There will also be special music.

Again let us remind you that it is important for us to give the Gospel to our young people. So these rallies are planned with your interest at heart. So won't you come and bring your young people and help us make these rallies all that they should be. We need your presence and your prayers.

Trust that we will see you Saturday night at Green River Schoolhouse.

Barn Fire South-east of Ellsworth Causes \$12,000.00 Loss

A large barn on the Versile Klooster farm six miles southwest of Ellsworth burned with its contents after being struck by lightning at 2:30 a. m. Sunday. Loss was estimated at \$12,000.

Destroyed were 10 cows and a registered bull, 10 pigs, a large quantity of hay, 650 bushels of grain, a silo full of corn, grain binder, grain drill, field cultivator, feed grinder, plow, hay loader and small tools. Klooster was able to save a tractor.

Fire departments of Ellsworth, Central Lake and Eastport prevented spread of flames to the house and garage.

Mother of Att'y E. K. Reuling Dies at East Lansing

Att'y and Mrs. E. K. Reuling were called to East Lansing, Monday, by the sudden death of his mother, Mrs. Walter Reuling. Funeral services were held at East Lansing on Wednesday, with burial at Omaha, Nebraska.

Willard F. Morehouse, Life-long Resident Here, Laid to Rest, Oct. 8th.

Funeral services for Willard F. Morehouse, 77, who passed away at East Jordan, Thursday, Oct. 6, after an illness of several months, were held at Watson Funeral Home, Saturday, Oct. 8th, with Rev. Scott Bartholomew officiating. Members of Jordan River Lodge I. O. O. F., No. 360, provided bearers and conducted graveside services at Sunset Hill.

Mr. Morehouse was born Sept. 13, 1872, in Echo Twp., Antrim Co.

He has been a life long resident of Echo and East Jordan.

He was married to Miss Eliza Minor at Bellaire in 1877, who preceded him in death May 3rd, 1943. After they were married they settled on a farm at Pleasant Valley, later moving to East Jordan where Mr. Morehouse was employed by the East Jordan Chemical Company. Soon after the death of Mrs. Moorehouse, he and his son, Clarence, moved to their present home at 304 State Street. He has been a member of South Lake Lodge, I. O. O. F., No. 360, since 1927.

Surviving is his son, Clarence, and a host of friends.

Dwarf Fruit Trees Bulletin Issued

Gardners with limited space are giving increasing approval to dwarf fruit trees. To present some of the facts about these trees, a new folder, "Dwarf Fruit Trees" P-136, has been issued by the MSC Cooperative Extension Service.

While not recommended for commercial orchard production, the trees have many advantages for gardens. Tests have shown them to bear early, yield good quality fruits, and permit easy spraying and pruning. A copy of this folder can be had by sending a card to the county extension office at Boyne City.

Charlevoix Chapter For Infantile Paralysis Gets Substantial Check

Charlevoix County Chapter of the National Foundation for Infantile Paralysis received from national headquarters of the March of Dimes organization a check for \$4,850.00 to assist in payment of local polio patients' medical care, it was announced today by Chapter Chairman Mrs. Walter Davis.

The money was requested from the emergency epidemic aid fund because the local Chapter, which retains 50 percent of March of Dimes proceeds each year for financial assistance to polio patients, whose families can not pay full costs unaided, has run out of funds.

So far this year national headquarters has advanced \$6,430,027.01 to Chapters as a result of increased incidence of infantile paralysis plus a heavy carry over of cases from 1948, year of highest incidence since 1916, Mrs. Davis said.

Charlevoix County Chapter is presently providing funds for the care, in whole or in part, of 8 patients stricken this year and also is continuing to pay costs of care of 1 patient stricken in former years.

Community Chest Drive Starts Next Wednesday

KICK OFF DINNER FOR WORKERS AT INN. LET'S GO OVER THE TOP THE FIRST WEEK

East Jordan's Community Chest Drive starts next Wednesday with a kickoff dinner for the workers at the Jordan Inn at 6:30. This dinner will be given by the State Bank of East Jordan and the East Jordan Canning Co. Burl Braman is chairman of the campaign committee. Team captains are: Robert Campbell, Jason Snyder, Thos. Galmore, Mrs. Charles Strehl, Mrs. Milton Meredith, Mrs. Ed Strehl, Mrs. Wm. Swoboda, Mrs. Ted Malpass, Mrs. Lewis Barnard and Mrs. Al Freiberg.

This year there is to be but one drive and we need more money than was raised last year in order to continue our recreation and health programs. Since you will be asked to give only once, you will have your year's budget to draw on. We prefer to have you make a pledge and divide your payment into four parts, one fourth of it now, one fourth on Feb. 1, May 1, and August 1. You can help by having your pledge or donation ready when your neighbor calls. Please remember these workers give their time, as well as their money and everyone is busy this time of year.

The team worker soliciting you will have a complete list of agencies taking part in this drive and will be glad to answer any questions. Do not confuse our budget with Petoskey's Community Chest budget, they are including the American Cancer Society and we are not.

Come on, East Jordan. Let's go over the top the first week.

Library Notes

The total number of books checked out through the local Library for the fiscal year ending June 30th 14,135

Checked through our Library Stations 1,942

Total number of books circulated 16,077

Number of visitors, not including Stations 11,751

Number of books added to shelves, including gifts 753

New Books:

The Doctor Wears Three Faces — Bard: An autobiography of a Doctor's wife. Story told with humor but also contains some good advice. Author is a sister of Betty MacDonald, perhaps best known as the author of The Egg and I.

The Common Ventures of Life—Trueblood: The author believes that religion should deal with the whole life and not just a part of it.

The Saracens Head — Lancaster: A book for all ages from 6 years up. Stories of the Middle Ages and deeds of courage. An excellent book for family reading.

The Trembling Years — Barber: A good story for the handicapped of any age, as well as a story that anyone may want to read.

Key to Happiness — Dean. (Y) Romance.

A Summer's Tale — Brace: Romance, comedy and adventure make this a pleasant book to read.

Family Skeleton — Disney: Mystery.

Case of the Cautious Coquette — Gardner: Mystery.

Books for Juveniles:

Daniel Boone, Boy Hunter — Stevenson: Western.

Cotton in my Sack — Lenski: A story of an Arkansas family who picks cotton.

Dark Island Mystery — Barnett: Many colorful characters add interest to this book.

For our Youngest Readers:

Timothy Turtle — Graham: Timothy went on a journey and had a queer accident which caused him to be met as a hero when he arrived home.

Licorice — Briggs: A little leopard felt very unhappy because she was so black but her animal friends found a way to make her happy.

Deborah's White Winter — Latimore: A very happy winter it was for Deborah who learned to ski and enjoy the things that are a part of the winter's fun.

Bristles down is the rule to remember when drying household brushes. If water stands where the bristles are fastened it will loosen them. This is especially harmful for brushes with wooden backs.

Infant Barbara Quinn

Barbara Ann Quinn, daughter of Mr. and Mrs. Francis Quinn, 739 Minor Ave., Kalamazoo, died October 1st, shortly after birth in Burgess hospital. Survivors are the parents, Francis and Irene Scheidt Quinn; two brothers, John and Matthew; a sister, Lorraine; and grandparents, Mrs. Mary Quinn and Mrs. John Scheidt.

Annual Conference of County Extension Staff at MSC Oct. 22

The county extension staff, which includes Emma Fero, Home Demonstration Agent, Karl Festerling, 4-H Club Agent, and Ed Rebmam, County Agr'l Agent, will attend the 1949 annual extension conference at Michigan State College from, Monday, Oct. 17, to Saturday, Oct. 22. All extension workers from all the Counties of Michigan will be on the campus of MSC during the full week.

N. C. C. W. Meets

The National Council of Catholic Women of St. Joseph Parish held their regular monthly meeting, Thursday, Oct. 6th, in the Parish Hall with 24 members and 3 guests present. The meeting was called to order by the president of the local group, Elizabeth Dhaseleer. The Constitution was discussed and voted on. Mrs. John LaLonde read the diocese president's message. Mary Lenosky gave a general outline of the diocese meeting to be held here Nov. 6th.

After the closing, games were played and a delicious lunch was served by the hostesses: Helen Lord, Helena Murray, June Murray, Emma J. Nemecek, and Ann Nachazel.

Evangelistic Meetings To Be Held At Finkton Schoolhouse

Oct. 18 at 8:00 p. m. the fall meetings will open at Finkton. These meetings will run through the 30th.

Rev. and Mrs. C. J. Rediger of Morton, Ill., will be with us for these meetings. Rev. Rediger will be bringing us the message each evening. Mrs. Rediger will lead the song service. There will also be special music each evening.

The Rediger's are the Founders and Directors of the Rural Home Missionary Ass'n. The work at Finkton is under this association.

The public is invited to attend all of these services. We are expecting great blessings from Above during these meetings. So I am sure you will be present.

Charlevoix County Pomona Grange Elects New Officers

At the October 7 session of Charlevoix Co. Pomona Grange held at the Peninsula Grange Hall, officers for the 1950-51 term were elected.

Lyle Peters was elected Master; Lester Hardy, Overseer; Estella Looze, Lecturer; Clyde Warner, Steward; Bert Lumley, Ass't Steward; Zola Hardy, Chaplain; Fred Willis, Treasurer; Anna Warner, Secretary; Orville Hilton, Gatekeeper; Edith Hardy, Ceres; Marie Hilton, Pomona; Sadie Lick, Flora; and Helen Lumley, Lady Steward. George Smith was the new member elected to the Executive Committee.

The following resolution was adopted and will be forwarded to Michigan State Grange:

"Be it resolved that Charlevoix County Pomona Grange No. 40 go on record favoring the repeal of Federal tax on admissions and grand stand seats of County Fairs, and on public school activities."

Charlevoix County Pomona Grange also added their support to a resolution originating in Hillsdale County requesting the organization of Junior Granges for the benefit of the youth of the land.

It also supported the name of Arthur L. Berg of Cadillac as a candidate to the Executive Committee of Michigan State Grange. The Ohio Grange Merchandising System was approved.

These resolutions will all receive consideration in the State Grange session to be held at Jackson on October 25 to 27. Delegates from Charlevoix County are Mr. and Mrs. George Smith and Mr. and Mrs. Wm. Shepard.

Potato Loan Program Announced

A potato loan program to supplement the price support program by providing needed harvest time financing has been announced by the U. S. Department of Agriculture, according to LeRoy Hardy, chairman of the Charlevoix County AAA County, who said that the loan would be available to both eligible growers and eligible dealers.

The loan rate, which is approximately 75 percent of the September bulk-at-farm support price level, will be 70 cents per cwt., and will be available on U. S. No. 2 (1-7/8 inches diameter), or better quality potatoes.

Loans will be granted only on potatoes suitable for storage and properly stored in approved permanent storage facilities.

Participation in the loan program is wholly voluntary and will not affect eligibility for the regular price support protection. To obtain a loan, a grower must be certified by the County AAA Committee as eligible to participate in 1949 potato support operations and his certificate of eligibility must be in full force and effect. The eligibility certificate includes a provision that the producer must have remained within his acreage goal and a requirement that only the better grades of potatoes be offered for sale in commercial markets.

Mr. Hardy said that borrowers must agree to repay loans fully either in cash or from the applicable sales of loan potatoes, and also the net proceeds from sales of any potatoes to CCC, until the indebtedness is satisfied.

All loans on 1949 late-crop potatoes will be made through the County AAA Committee where the potatoes are stored. Loans will be available from Sept. 15 to Dec. 15, the last date on which applications can be accepted. The loans will mature on demand but not later than April 30, 1950, and will bear interest at the rate of 3 percent per annum.

LeRoy Hardy, Chairman.

Cancer Experts Call on Family Doctors For Early Detection To Save Lives

The ABC's of cancer point to one great way that can be used now to save thousands of lives each year.

It is for every doctor to become a cancer detection unit himself, looking for cancer in patients in his own office.

This is one of the most practical cruent means of cutting cancer deaths. Much could be done by 100,000 doctors spending 3 1/2 hours a week checking older patients, says Dr. Charles S. Cameron, scientific and medical director of the American Cancer Society.

Here are the ABC's, as brought out at the society's recent conference on cancer detection:

Most cancers can be cured if they are caught early. Surgery, X-rays and radium are the treatments.

The main problem is to detect them early. Cancer detection centers are doing a good job. Most of them check only upon apparently healthy persons. One in every hundred, on the average, is found to have unsuspected cancer.

Not Enough Doctors

There now are 250 such clinics. But there could never be enough to serve everyone. For real safety, adults should have examinations once a year. People over 45 should have them twice a year, for 85 percent of all cancers occur after this age.

There are not even enough doctors to give everyone a checkup each year. It would take the full time of 195,000 doctors just to give one-hour checks twice a year to everyone.

So what can be done? "We should concentrate first on people over 45," Dr. Cameron replies. "If 100,000 family physicians would spend 3 1/2 hours a week, giving half-hour examinations, they could check each year on everyone over 45."

That would cover 85 percent of the people who do get cancer and most of these cancers could be caught fairly early.

Cut Death Rate

"Three-fourths of all cancers can be found by looking, touching and feeling. They are in accessible places. Personal histories of patients would indicate symptoms suggesting cancers hidden in the body, and these people could have more elaborate tests."

"Such a program would send the death rate from cancer down significantly, and do it within five years."

Health examinations spot all kinds of troubles besides cancers. At cancer detection centers, 57 percent of the visitors are found to have other diseases or troubles than cancers, and are referred to their own physicians.

Some day drug cures may be found for cancer. There's renewed hope now for a simple blood test that would tell quickly whether a person has cancer.

Meanwhile the main lifesaving task is to spot cancer early. The individual's own physician is the one who can help the most, Dr. Cameron said. — From Detroit News.

Carrots Gain Food Value In Storage

Carrot marketing with a new look and offering higher food value is gaining favor in Michigan. Increasing quantities are being marketed with tops off and packed in cellophane bags. Packaging begins with freshly harvested carrots and continues throughout the winter with roots from storage.

R. L. Carolus, research horticulturist at Michigan College, says that carrots stored properly will actually be better in quality and higher in food value. Carrots stored for winter use at temperatures of 32 to 35 degrees Fahrenheit and at a relatively high humidity increased in sugar content and depth of orange color.

Flavor was found superior to that of the freshly harvested crop. Carrots of an inch and a half and a half in diameter of the Danvers or Nantes variety have given the best packaged product.

U. S. Department of Agriculture scientists have found that carrots in storage increased in vitamin content. Carrots tested after 30 weeks of storage under cool, moist conditions showed a higher content of carotene, the basic material of vitamin A, than was present in those carrots before the storage period started.

In addition to the improved quality and food value due to storage, the removal of tops immediately after harvest further preserves the food value in the root.

Carolus cites that contrary to general opinion, topped, packaged carrots, fresh from the field or from storage, are frequently a better food product than the bunched carrots with tops on.

A & P Competitor Supports Chain In Trust Suit

An independent grocer's paid advertisement condemning the anti-trust suit to dissolve The Great Atlantic & Pacific Tea Co., was reprinted last week in A & P ads in more than 2,000 newspapers throughout the country.

The A & P competitor, C. Whit Blount of the Waynesboro (Ga.) Groceria, upholds the food chain, and voices opposition to the anti-trust charges in a message published by the Waynesboro True Citizen.

Meanwhile, other competitors expressed support of A & P in newspaper advertisements in New York, Massachusetts and Louisiana.

Blount's three-column ad admits that "The A & P Co." is definitely our strongest competitor; that its operations "hold the cost price down on foods," but in so doing "makes our suppliers hold their costs down to the same competitive level."

"Well, what's wrong with this?" Blount asks.

He adds, "we don't believe the government, or any individual should try to break up a firm that is doing a good, clean, efficient job of serving the people of this country."

An editorial in the Atlanta Journal in praise of Blount's stand, also is being reprinted in A & P ads so was reprinted in last week's A & P advertisement.

The Journal remarks that "Blount states the economic and governmental aspects of the case against A & P with a clarity and forcefulness that most of the editorial comment has lacked. Also it strikes us as a fine example of sportsmanship in business."

In reprinting both the advertisement and editorial under the heading, "A & P, Too, Takes Off Its Hat to Mr. C. Whit Blount," the chain also bows "to other competitors who have taken a similar stand."

Now Comes The "Cold Time" And How To Avoid It

With a little care you may be able to avoid Michigan's first "cold" wave, the Michigan Department of Health advised today.

Colds usually become widespread in Michigan about the time people start heating homes, office buildings and factories in the fall, and they remain prevalent until spring.

Colds are responsible for more illness and absenteeism from work and school in Michigan during fall and winter months than all other communicable diseases put together.

You catch a cold from a person who has a cold—when you take in more of his cold germs than your body defenses can destroy. This is apt to happen when somebody is coughing or sneezing around you, the Health Department said.

Avoid taking in large masses of germs by staying away from the person who has a cold; by staying out of crowded places during a cold epidemic; by washing your hands before you eat and after contact with a cold-infected person or articles he has handled.

Keep your general health high by getting plenty of sleep, by eating regular well-balanced meals and drinking plenty of water; by getting some outdoor exercise every day; and by letting sunshine and fresh air into your home, office and factory.

Don't lower your resistance by getting too tired, over-heated or chilled. Avoid sitting in dried out, smoke, dust, or chemical-laden air. Dress according to the weather and the temperature in which you must work.

Go to bed if you possibly can at the first sign of a cold. If you can't stay in bed get as much rest as possible. Protect others by covering your mouth and nose when you cough or sneeze, and by washing your hands frequently, especially before handling food, cooking utensils or dishes.

Don't try to treat yourself. If your cold symptoms persist, call your doctor and follow his advice.

He: "And didn't you tell me that several men proposed to you?"

She: "Yes, dearie."

He: "I wish you had married the first fool who proposed."

She: "I did."

Customer: "If you're a tailor, why do you have an apple on your stationery letterhead?"

Tailor: "Well, if it hadn't been for an apple, where would the clothing business be today?"

Homemakers Can Save Time Doing Household Tasks

Latest advice to homemakers who are interested in applying the streamlined techniques of industry to their chores is to take advantage of the warming up period.

In industry saving time means saving money and studies show that in doing one specific job there is usually an increase in speed from the beginning of the task to the greatest output.

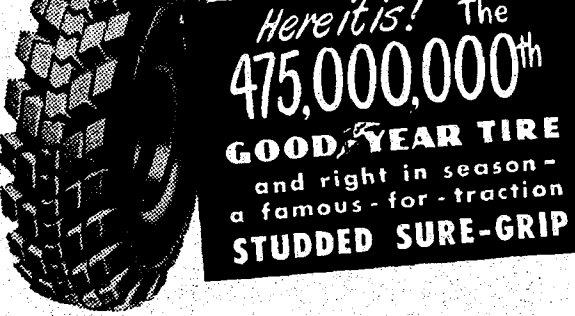

Irma H. Gross, head of the department of home management and child development at Michigan State College, applies this principle to household tasks. For

example, if you have four beds to make, it probably will save time if you make them in succession rather than stopping to dust in between bed making.

In homemaking, there are many different jobs during the day—washing dishes, making beds, cooking, dusting and others. If homemakers realized that every time they changed from one job to another they went through this "warming up period," they would stay at one job longer.

This same idea applies to cleaning a group of rooms. If all dusting is done in the group of rooms at one time, then the vacuum cleaner used in all, there is less loss of speed than in using a warming up period in each room.

WEEKLY NEWS ANALYSIS

U.S. Revamps Planning, Policy For Defense on Red A-Bomb Tip; Truman Says Critics Antedated

EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.

THESE ADD UP TO HOUSING HEADACHE . . . Across the nation, if there was any relief from the housing shortage, it was spotty, inadequate. The twins (above) born to her in Brooklyn's women's hospital made the shortage doubly acute for Mrs. William Buckley. She and her husband, together with another child, add up to five people who must share one-room apartment. Mrs. Buckley wondered where she'd park the twins when she left the hospital.

THE BOMB:

Do Reds Have It?

Does Russia really have the atomic bomb?

President Harry Truman said they did; and for once, there was no presidential contradiction when Columnist Drew Pearson said they did.

But whether they have it or not, the Truman announcement stirred up a nest of jitters everywhere.

DEFENSE CHIEFS backed up for a new look at the world situation. Congress reacted as might have been expected. The arms-to-Europe program hailed the announcement as added proof of the correctness of their stand. Other congressmen blamed laxity over the past few years in our state department and defense setup for Russia's having the bomb now—if she does have it.

A noted atomic scientist declared that for Russia to contend it had the bomb in 1947 was fantastic, that the date was "one pulled out of a hat." But he said the Soviets might well have the weapon.

Most tangible result in congress of the President's statement that there had been an "atomic explosion" inside Soviet Russia was agreement by house and senate conferees on the 1.33 billion-dollar appropriation for arms to Europe. The legislators got together very quickly on the view that to cut the appropriation, as had been first planned, would be an unwise move.

IN THE UNITED NATIONS, Britain's foreign secretary, Ernest Bevin, lashed out with a furious tirade against the Russians, charging them with stalling efforts to control atomic energy. Like Russia, Bevin said, England wants the atomic bomb banned, but the British want effective control first.

Skeptics of the idea that the Reds have the bomb were asking why Russia wanted to outlaw such a potent weapon, if she really had it—or did she think the western world suckers enough to outlaw and forego use of the bomb and thus give the edge to any ethics-lacking nation who might have the bomb and would drop it without warning?

TITO:

Get Out!

Yugoslavia's Marshal Tito ordered nine Hungarian diplomats expelled and accused Russia and her Cominform satellites of "rattling their arms" along the Yugoslav border.

HE STATED that his Cominform enemies were "digging trenches in Hungary and Romania." Apparently, the fiery dictator of Yugoslavia was not frightened, still ready to wage war with Moscow, verbally or otherwise. "We will permit no one to impose their will upon us," he thundered.

Despite the dramatic atmosphere surrounding expulsion of the Hungarians, Tito's action was a retaliatory one, since it followed within 24 hours a similar action against 10 members of the Yugoslav legation in Budapest.

TITO CLAIMED the Russians were plotting to stage a revolution in Yugoslavia in order to supplant his government with a regime servile to Moscow.

Whether or not the Russians had the atomic bomb, as has been reported, Tito didn't seem to be any less disposed to quarrel with the Kremlin.

EFFECTIVE KILLER

Navy Discovers Potent Remedy for Colds

The United States navy was manifesting its efficiency again—but in an entirely different field. Veering away from its military side for the moment, the navy found a "cold-killer" pill that was reported .90 per cent effective.

The fight to control the common cold has been one of the longest, most difficult in all medical history. A great majority of physi-

TRUMAN:

Way Ahead

President Harry Truman was still battling vigorously for his domestic program in congress. With his usual expansive attack on critics, he charged present detractors with being "160 years behind the times."

NEVERTHELESS, the President was making a strategic approach to the congressional races next year in a drive for women recruits to the Democratic party.

In a White House radio address, beamed at the women of the nation, Mr. Truman pointed to "certain people" who denounce his "fair deal" policies as alien or dangerous.

THEY'RE NOTHING of the kind, declared the President. In fact he asserted, "Our program consists of measures which have come up from the grassroots. Our program is as American as the soil we walk on. It is a program unshakably founded on the principle that the power of the government should be used to promote the general welfare."

Dissidents might go along with such items of the program as public housing and expanded social security benefits—but on the subjects of farm price supports, as advocated by the administration, and socialized medicine, there would be some arguments about these being of "grassroots" origin.

TOSSING A BOUQUET to woman's intelligence, the President declared that women are not misled by political slogans, added: "They look beneath the labels to see the facts."

ROCKETS: Far Targets Just before the end of World War II, the Germans reported experimenting with rockets that could span oceans. Now, according to information emanating from the Soviet zone of Berlin, German scientists are producing such rockets for the Russians.

The informants, who were said to have access to the offices of the Soviet-packed east German police, said the mammoth under-ground munitions plant at Peenemuende on the Baltic coast was turning out rockets at full speed.

Allied intelligence officers conceded they knew of "certain activity" at Peenemuende, but declined to elaborate. One of them explained:

"If Russia is making munitions in Germany, it's a high level matter and not for discussion here."

AMERICA:

The Big Story

The Advertising Council, Inc., has just issued its revised booklet, "The Miracle of America," which tells why Americans live better, how machines make jobs, and why freedom and security go together.

THE BOOKLET should be prescribed reading for that fast growing element among the people's officials which seems to think every one should apologize for America rather than be proud of it.

Approved by representatives of both labor and management, "The Miracle of America" tells in interesting, readable prose why America is great and why every American should be proud of his country.

In the booklet the mythical Uncle Sam asks questions about America which might be posed by any typical American family.

EXCERPT: "Freedom and security go together," Uncle Sam asserted. "Men follow two great impulses—to be politically free and to be economically secure. In America we have won freedom and we are winning economic security. Dictators promise security if the people will give up their freedom. But experience shows that freedom and economic security must grow together. The history of the United States proves it."

Americans may have a copy of "The Miracle of America" free of charge. Just write to: Dept. N, The Advertising Council, Inc., 25 W. 45th St., New York 19, N. Y.

BEST SELLER:

Bible Perennial

The Bible has always had a significant place in the lives of Americans. Acknowledgement of and homage to a Supreme Being is inherent in the American government setup, with American trust in God declared on the nation's coins.

Therefore, National Bible Week, October 17-23, will be observed throughout the nation, with mayors and governors in the 48 states joining in proclamations urging the people to support the observance.

OUTLINING the purpose of National Bible Week, Rear Admiral Reginald R. Belknap (USN, Retired), who is chairman, declared: "National Bible Week is used to stimulate people in all walks of life to be Bible conscious and to turn to the Bible in these times of national and personal moral confusion."

"WE NOW SEE a proud, powerful nation, whose people the world over were looked up to and respected for their sense of righteousness, fair play, charity and resourcefulness, decayed to the point where they are not shocked at . . . glaring examples of moral decay."

While Chairman Belknap didn't say it in words, his examples of "moral decay" pointed at none other than Soviet Russia.

INCOME TAX:

Up & Up & Up

Total income taxes collected in the United States show an increase of over 1,100 per cent in 10 years, from two and one-quarter billion dollars in 1939 to just under 31 billion dollars in the fiscal year of 1949, with individuals paying .60 per cent of this total, says an analysis by the family economics bureau of Northwestern National Life Insurance company.

NUMBER of persons hit by income taxes has increased proportionately, the bureau finds. There were 3.9 million individual income taxpayers in 1939; in 1948 there were 41.8 million. Although that number will be reduced for 1949 by the elimination of several million small taxpayers from the rolls due to increased exemptions and other changes made by congress in 1948, the list should still run somewhere around 36 million individual income taxpayers in 1949, the bureau estimates.

'Sweet Sorrow'

Parting was such sweet sorrow for John M. Crawford and his five monkey charges, one of whom he is shown caressing. He kept the five monkeys in his New York home. Neighbors objected. The court ordered Crawford to get rid of the monkeys, declaring he was violating the city's sanitary code.

PAYOFF:

'Unto Caesar'

"Render unto Caesar the things that are Caesar's" was a Biblical line that stuck in the mind of Pastor Eugene M. Austin of the Baptist Temple in Charleston, W. Va. Confronted with "Caesar" meant the government, the pastor set an amazing precedent: He voluntarily went to the courthouse and had his personal property assessment increased sixfold. He announced the action to his congregation.

LEGAL

PROBATE ORDER

State of Michigan, The Probate Court for the County of Charlevoix.

At a session of said Court held in the Probate Office in the City of Charlevoix, in said County, on the 6th day of October, A. D., 1949.

Present: Hon. Floyd A. Supp, Judge of Probate.

In the Matter of the Estate of Robert W. Allen, Deceased.

John M. Perry and The Central Hanover Bank and Trust Company having filed their petition praying that an instrument filed in said Court be admitted to probate as the Last Will and Testament of said deceased and that administration of said estate with the Will annexed be granted to Augustine F. Allen or to some other suitable person; and further that said Augustine F. Allen as sole legatee and sole residuary legatee named in said Last Will and Testament only be required to give bond as administratrix with the will annexed and conditioned only to pay all the debt and legacies of the deceased testator, Robert W. Allen, according to the terms and provisions of Section 704.4 Compiled Laws of 1948 of the State of Michigan, being M. S. A. 27.3178 (254).

It is ordered that the 8th day of November, A. D., 1949, at 2:00 in the afternoon, EST at said Probate Office is hereby appointed for hearing said petition.

Notice is hereby given that the deposition of Arthur W. Siegrist, one of the subscribing witnesses to the instrument, filed in said court, for which the petition of said John M. Perry and the Central Hanover Bank and Trust Company prays that the same be allowed and admitted to probate as the Last Will and Testament of said deceased, will be taken before Dana E. Pearson, a Notary Public in and for the County of New York, State of New York, at the following place: 12th Floor, 60 Broadway, New York, 4, New York, at 10:00 a. m. EST on October 31, A. D., 1949.

It is further ordered that public notice thereof be given by publication of a copy of this order once in each week for three consecutive weeks previous to said date of hearing in the Charlevoix County Herald, a newspaper printed and circulated in said County.

FLOYD A. SUPP, Judge of Probate.

41x3

Forty Dwelling Fires Each Day Take Heavy Toll

Protect your home against fire! This is the urgent advice of State Police Commissioner Donald S. Leonard, who points out that last year an average of more than 40 dwelling fires occurred in Michigan each day.

Leonard, who is also state fire marshal, made his comment in connection with the observance of fire prevention week this week. "Last year 164 persons lost their lives in fires in Michigan, and most of the victims were children," Leonard said.

"The total fire loss of \$29,000,000 in the state in 1948 represented money sufficient to build a

100-room hospital each month for an entire year. The loss in dwelling fires alone amounted to \$7,000,000.

"An average of three persons are burned to death each week in Michigan. Most of these fatal fires occur in homes and are the result of carelessness and oversight.

"Now is the time to check all heating equipment and make necessary repairs, clean up rubbish, put combustible materials in a safe place, and check all possible fire hazards.

Most fires can be avoided by precautionary measures. Protect your home by proper care."

Final Administration Account

State of Michigan, The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, on the 7th day of October, 1949.

Present, Honorable Floyd A. Supp, Judge of Probate. In the Matter of the Estate of Josephine Stewart, Deceased.

Aurora Stewart, having filed in said Court her final administration account, and her petition praying for the allowance thereof and for the assignment and distribution of the residue of said estate.

It is Ordered, That the 9th day of November, 1949, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for examining and allowing said account and hearing said petition:

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, once in each week for three weeks consecutively, previous to said day of hearing, in the Charlevoix County Herald, a newspaper printed and circulated in said County.

FLOYD A. SUPP, Judge of Probate.

From where I sit... by Joe Marsh

But Curly "Knows" What The Score Is!"

Was over at Doc Sherman's drug store listening to the World Series on the radio. Curly Lawson wanders in and says: "How about a chocolate malted, Doc?"

"Sorry, Curly," says Doc, "can't make you a malted for a while yet." "What's the idea?" Curly asks. "Well," says Doc, "most of the folks want to hear the game and the mixer makes too much noise." Curly thinks a moment and says, "Okay with me, Doc—I'll take a chocolate soda!"

This shows how tolerant folks can be. Doc showed his respect for

how the majority felt; Curly was big enough not to insist on his malted even though he doesn't happen to be fond of baseball.

From where I sit, willingness to respect the other people's feelings is important in a Democracy. If we're tolerant of a person's like for baseball or a glass of temperate beer, we've come a long way on the right road . . . the road to a better America, that is!

Joe Marsh

SCRIPTURE: Isaiah 1:21-23; 10: 12; 19: 22-23; 31: 1-11.
DEVOTIONAL READING: Psalm 9:

God and Nations
Lesson for October 16, 1949

WHEN the Spanish fleet was about to invade England, back in Queen Elizabeth's time, nothing the English had could stop them. But when the Armada arrived, that vast fleet had been blown to bits by a storm, and the English neatly mopped up what was left. How do you account for that? The English always said God was with them. When the Nazis had over-run France in 1940, it would have been simple for them to invade England. There was next to nothing to stop them. But Hitler delayed from summer till fall . . . and by that time the British were able to mount an invincible defence. How do you account for that? Over and over again in history the unexpected, the unexpected, the "miraculous," has happened. Some call it chance; but others call it God.

Dr. Foreman

God In History
BUT GOD does not always or usually operate in spectacular ways. God works in history as he works in nature, out of sight, visible to the eye of faith but seldom if ever otherwise. History, from the Christian point of view, is the working-out of the purposes of God.

The pattern is not entirely clear to us, because we cannot see enough of it at once. But looking back through history, we can see signs that God has been there. This is the message of the prophets of Israel, especially of the great Isaiah.

In a troubled era, when everything seemed to be in most complete confusion, Isaiah gave out some clear and plain truths from God, and helped men then and now read the pattern of God's design.

The Life Of A Nation
ONE TRUTH is that justice is a nation's life and sin is a nation's death. God being the God of justice, his purpose is to set justice in the earth. God plays no favorites among nations. Any nation that lives by God's laws, lives; the nation that defies God has signed its own death warrant. There are no peoples who can "get by" with what they please, if what they please is not the will of God. There are people now who do not believe that. They would say, Look at Russia! In Isaiah's time there were those who would say to Isaiah: You must be wrong—look at Assyria! There is a nation that does not know God, and yet grows every year stronger and stronger.

God's Ax
ISAIAH has a startling answer to that objection. (Chap. 10.) Assyria is a tool in God's hand, no more. He admits that Assyria has no standard but force, she worships only sheer Power. But there are other nations, wicked ones, which God intends to punish; one of these is the nation of Israel.

Assyria was destined to destroy Israel once and for all, and to damage Judah so severely she never would recover. All this, Isaiah says, is in God's plan.

God does not punish an evil nation with legions of angels; he punishes it with invasions and defeats in war. Assyria was an ax in the hand of God, cutting down the rotting trees of selfish and unjust nations.

Return To God!
PEOPLE in Isaiah's time were putting their trust, just as we do nowadays, in alliances, pacts, international combinations of all kinds. Isaiah warns ominously that this will not do, by itself. Not that all alliances are bad; in chapter 19 he actually pictures Assyria, Egypt and Israel as brothers-in-arms.

But he does not hold out any political scheme or combination as the best hope of a nation. Return to God! is the prophet's call. So in our time, whether it be a general MacArthur or a theologian Brunser.

Many of our ablest men are warning us even now, that humanity is facing an alternative; Either go on the way of selfishness and war down to destruction, or else go back to the Source of justice, truth and love, the God in whom alone is salvation.

Looking Backward . . .

OCTOBER 9, 1909
Tuesday, October 5th, was a day of great jubilation for the members of St. Joseph congregation, the occasion being the dedication of the new school. Two and one-half columns on the front page of this issue gave a detailed account of the ceremonies, also a picture of the school building.

On the list of marriages licenses issued for the week ending Oct. 2, included Harrison Ranney and Lucy Reed, both of East Jordan. The lecture course first number is billed for Oct. 11th at the opera house. The Dunbar Musical Company, male quartet and Bell Ringers. The Young People's Society of Christian Endeavor are responsible for the Course of five numbers.

Mrs. Lon Sheldon entertained Mesdames G. McDonald, D. McDonald and George Jardine of Ironton this week.

Students from Charlevoix and Antrim Counties at the State Normal College Ypsilanti, met last Friday and organized a club with Miss Edith Smatts of East Jordan as president.

Cuson Bros. now have their Laundry in first class running order and solicit the patronage of the citizens of East Jordan.

The East Jordan Cemetery Ass'n meets at the home of Mrs. Perry Bowman, Thursday, Oct. 14th. Gannett's Pharmacy is doing the public a nice little service these days by reporting the world's championship baseball games between Detroit and Pittsburgh. The display window is used as a sign-board and the games reported by innings.

Roy Sherman was over to Boyne City Wednesday and returned with a 22 h. p., 5-seat, Reo automobile. Owing to the increased business at Sherman's Market he intends to convert the machine into a delivery. They have now two delivery wagons on the go and are unable to meet demands.

Mrs. A. M. Cash, a well known resident of this city, died Sunday at St. Louis, Mich., where she had gone for treatment. Mrs. Cash came to this country with her husband about twenty-five years ago. The remains were taken to Flint for burial.

OCTOBER 10, 1919
Miss Blanche Elaine Bockes, daughter of Mrs. Orrin T. Stone, of this city, was united in marriage to Peter Stephen at Lansing, Oct. 4th. Mrs. Stephen has been a resident of East Jordan for years and for some time past has been a valuable employee of The Herald. Mr. and Mrs. Stephen are at home at 1033 1/2 Lee Street, Lansing. Born to Mr. and Mrs. Kenneth Hathaway, a daughter, Oct. 5th. Grace M., infant daughter of Mr. and Mrs. Chas. Carney, passed away Monday aged five months, 16 days. Interment at Jones Cemetery.

John Hosler, Sr., passed away at his home on the West Side, Wednesday, following a long illness. Funeral services will be held from the Methodist Church this Saturday at 2:00 p. m. Interment will be at Moorehouse Cemetery. Basil Cummins and Conrad Hughes, who have been employed at Pontiac, returned home last Saturday.

Miss Louise Loveday left Monday for Thompsonville and other points to fill engagements as Reader and Interpreter.

Mr. and Mrs. Claude Reynolds and children came Wednesday from Koroelock for a visit with her parents, Mr. and Mrs. J. H. Graff. Samuel Zimmerman and Miss Elizabeth McCarry, both of this city, were united in marriage, Oct. 2nd, at the Methodist parsonage at Charlevoix.

Mrs. Anna Riley with son, Wm., of Calumet, are guests at the home of her brother, H. A. Goodman, and other relatives.

Postmaster Hudkins sold his residence on Main St. this week to Chris Halstad.

Mr. and Mrs. Kiley Bader have rented and now occupy the M. A. LeMieux residence on Main St.

Mrs. Frank Utter and children of Melvin, Mich., are visiting her parents, Mr. and Mrs. A. H. Shepard.

George Bulow, who has been here visiting friends and relatives, left Tuesday for Livingston, Montana.

Mrs. G. W. Kitsman was at Grand Rapids this week to attend a meeting of the Grand Chapter of Eastern Stars.

George Vance returned Tuesday from a visit to Grand Rapids.

OCTOBER 11, 1929
The sale of the East Jordan Electric Light and Power Company to the Michigan Public Service Company was made last week and the new company took actual possession last Saturday. W. A. Wadsworth, Vice-president and General Manager of the Company announced that L. G. Balch, for many years Superintendent of the company, will remain as manager. Another announcement made has to do with the new offices and salesroom. A suitable ground floor location will be operated in

Sunday. Mr. Nicloy is confined to his home by a light stroke. Mrs. Bader and son took dinner with her sister and family, Mr. and Mrs. N. D. MacDonald.

Orville Bennett and Bill Gaunt helped Mac MacDonald Friday and Saturday to move a building from the Mullet farm, which he intends to use towards a house in the near future.

Mr. and Mrs. Frank Cook of East Jordan took dinner Sunday with their daughter and family. Mr. and Mrs. Godfrey MacDonald. The Cooks leave Thursday for Battle Creek to visit their other daughter, Frances, and Mrs. Hollis Fruin.

Mr. and Mrs. Loyal Barber accompanied by Grandma Barber were callers Sunday afternoon at the Wilbert MacGeorge home at Deer Lake. Also called on Mr. and Mrs. Ernie Slaughter and Mr. and Mrs. Lester Hardy.

Mr. and Mrs. Roy Slagel and daughter and her two children of Youngstown, Ohio, arrived at the Rustan Resort Saturday to spend a week visiting and fishing with the Edwin Phillips family. Mr. Slagel is a cousin of Mr. Phillips.

Quite a few fishermen are fishing for smelt evenings and most of the night. Some good catches have been reported.

Norman Howard was home from Detroit over the week end visiting his parents, Mr. and Mrs. Henry Howard. Bob Howard expects to go to Flint seeking work.

Mr. and Mrs. Arthur Gaunt and daughter, Iola, drove up from Flint Sunday to attend Herb Hewitt's funeral at Petoskey Monday. He leaves to mourn his death 3 children, 2 brothers and 2 sisters.

Guy Griffin and Walter Johnson of Detroit are here for a visit with the former's parents, Mr. and Mrs. Marshall Griffin, Sr.

Mrs. Wm. Shepard returned home Friday from a visit with relatives in Ohio, and was a delegate from the local O. E. S. to Grand Chapter at Detroit.

WEST PENINSULA . . .
(Edited by Mrs. Wm. Gaunt)

There was a large attendance at the meeting at Eveline Orchards Wednesday afternoon. Those from our neighborhood to attend were Clayton Healey, Clarence Staley, Harry and Henry Howard, Alfred Crowell, George Klooster and Bill and Wm. Gaunt.

Ray Dana and daughter, Irene, and Beulah Earl and Mr. Boyington of Boyne City made a business call at the Wm. Gaunt farm Tuesday afternoon.

Henry Howard and children made cider at the Wm. Gaunt, Sr., home Wednesday.

Mrs. Mary Bader of Petoskey accompanied by her son, Louis, called on the Arthur Nicloy family

He is Mrs. Arthur Gaunt's brother.

Then there was a bitter golf match between two Scots under a broiling sun, in which one of them had a stroke—and the other made him count it.

The Dean of Women at one of our large co-educational colleges startled the students with this announcement: "The president of the college and I have decided to stop necking on the campus."

Michigan public schools have gone a long way since the little red schoolhouse of grandfather's time.

State aid to school districts and teacher retirement will be approximately \$140 millions during 1949-50. Local taxes will provide an additional \$75 millions for operating purposes, giving an average of \$215 for each of the 1,050,000 children now enrolled.

The current year is witnessing the greatest school construction program in more than 20 years. That's saying a lot!

Furthermore, teachers' salaries are expected to reach an average of \$3,400 per year, an increase of \$200 over last year. This means better qualified teachers and fewer overloaded classrooms since the teacher shortage is not as serious as it was during the past few years.

As Dr. Lee M. Thurston sees the situation from the focal point of state superintendent of public instruction, "Michigan education is looking up. We have more money, more classrooms and more child-

ren. Enrollments in parochial and private schools will undoubtedly exceed 200,000, making a total of about 1,250,000 children enrolled in the various schools for elementary and secondary children.

"Enrollments are following a pattern similar to the pattern following World War I when there was an increase of from 15,000 to 35,000 a year.

"The classroom and school building situation which has been almost at a standstill since 1935 will also show substantial improvement this year. In 1945 only \$3,000,000 was spent for new school buildings and additions; in 1946, \$4,000,000; in 1947, \$6,000,000; in 1948, \$12,000,000.

"The year 1949 will probably witness the greatest construction program in more than 20 years. From Jan. 1, 1949 to June 30, 1949, the Municipal Finance Commission approved \$30,000,000 in bond issues for the new school buildings or additions.

"About 50 percent of the construction will be in additions and improvements, the other 50 percent in new buildings. The total need for school building construction to eliminate half-day sections, basement rooms and to provide safe healthful buildings for all children over the next ten years is about \$400,000,000.

"While the sum being spent in 1949-50 will not remedy all the situation, it will represent a good start and many of the almost impossible situations that exist today.

"Most of this increase in enrollment will be in the elementary grades since high school enrollment for the last five years, it is likely, however, that with fewer jobs for high school youth there will also be another increase in the secondary schools.

"There is still a teacher shortage in the elementary field but an adequate supply in the high school grades. It has also been found that teachers' salaries are encouraging teachers to improve their own educational background, since the records of the 22 teacher-training institutions in the state show that almost 10,000 regularly employed teachers are continuing their education through the summer and extension courses."

George doesn't look so well today. He says his wife told him last night that one of the ducks he had been out shooting the day before called and left her number.

ONLY THREE MORE DAYS SHURFINE SALE BRING IN YOUR COUPONS

RECIPE OF THE WEEK

by Mary Lee Taylor

Prize Peach Pie
Broadcast: October 15, 1949
1/2 cup Fat Milk
1 envelope unflavored gelatin
1/2 cup cold water
1/2 cup canned peach juice
2 tablespoons sugar
1/4 teaspoon salt
1 teaspoon grated lemon rind
16 marshmallows, halved
1 slightly beaten egg
2 tablespoons lemon juice
1 1/2 cups canned, sliced cling peaches, drained

Chill milk until ice cold. Soften gelatin in cold water. Mix peach juice, sugar, salt and lemon rind. Add marshmallows. Cook and stir over very low heat until marshmallows are just melted, about 3 min. Stir in softened gelatin. Then stir into beaten egg. Add 1 tablesp. lemon juice and 1/2 cup peaches. Chill until slightly thicker than unbeaten egg whites. Whip chilled milk with cold rotary beater, or electric beater at high speed until fluffy. Add remaining 1 tablesp. lemon juice; whip stiff. Fold into peach mixture. Put into cold 9-in. baked pastry shell. Garnish with rest of peach slices. Chill until firm.

The School Bell...

KINDERGARTEN —

Isabel Sidebopham
Nancy Queen and Gordon Drenth had their 6th birthdays last Wednesday, Oct. 6.
We were glad to have David's mother, Mrs. Pienta, visit our room one afternoon and Mary Ellen's mother and brother, Mrs. Malone and Butchie, came to see us last Tuesday morning.
Judith Walter has moved to Boyne City. We hope she will like her new school.
We like our new kindergarten room very much.

FIRST GRADE —

Marguerite Stokes
Ronald Cyr left us and moved to Detroit. There are 33 in our room now.
We do good writing. We are learning the letters. When we take walks we find many kinds of pretty leaves. We drew leaves, cut them out, and put them on the wall. We drew Halloween pictures.

SECOND GRADE —

Cora Seiler
We have been learning to read and write Roman numerals and learning to tell time.
Last week we had a map study of Michigan and the lakes surrounding it. We planned a bus trip to Mackinaw City where we planned to cross the Straits of Mackinaw. Each boy and girl told what he would bring to eat on the imaginary trip. We talked about the car ferry and the children who had taken the trip this summer told us all about it.

SECOND & THIRD GRADES —

Adeline Bowerman
Our new officers for this week are: Student teacher, Lauren Donaldson; Safety girl, Jane Campau; Safety boy, Earl Gee; Librarian, Christine Thorsen; Flowers, Sanford Sweet; Floors, Billy Johnson; Blackboards, Richard Kraemer.
Our memory poem this week is the poem "Come Little Leaves". We traced, colored and cut out leaves in our art period on Monday.
Last week we started four sweet potato plants. We have these in glass jars so we can watch for the

roots. There is keen competition to see which will have the first leaves. This week we have started two bowls of narcissus bulbs and hyacinth bulbs. We put stones around the narcissus bulbs and potted the hyacinth bulbs. We put them in a dark place to start them.

THIRD GRADE —

Marie Hughes
We saw many parents of children from our room at the Harvest supper. When parents and teachers cooperate to give children encouragement and understanding we all benefit. We hope to see you all again at such functions and perhaps many more parents can attend another time.
We have many books to read in our room. We read for fun. We read to find out about people, animals and things. Mrs. Hughes wants all of us to have library cards and visit the library on Tuesday and Friday noons. She tells us to get books that are easy enough for us to read and books that we really like.

We have seen some very fine movies at school about things that interested all of us.
Many of our children had a good time with the animal zoo we made and the stories we wrote. Lately we have been writing animal riddles which we first told orally.
We had a field trip to notice trees and their shapes. We know quite a number of trees by sight. We are making a booklet about trees. We have leaves to represent each tree. We are writing little stories about each tree. Some of us have a great many trees represented. Some have fewer trees. We all have gained in knowledge.

FOURTH GRADE —

Mrs. Galmore
We have been very busy the past week planning and giving our outdoor Pet Show. The different committees worked enthusiastically and efficiently. The idea of having a crow that could talk and a crab that could do a flip-flop over a stick was very exciting. Not only that but the fact we were to have a real baby goat besides the dogs that could do tricks and dar-

ling little kittens made it hard to wait for the day.

Our interest in Science is deepening day by day. Louella Finney brought a bat one day, another pupil a little snake. We also very interested in the pair of raccoons which Mr. Ogden had. Monday one of the boys brought several interesting rocks which brought on a discussion of how they were formed. Our study of leaves has brought us to the discovery that trees very much differ in shape.

FOURTH GRADE —

Mrs. Snyder
We have been having a good time planning our Pet Show. Mrs. Snyder read us a book called "The Pet Show" which tells us how to care for pets. We will announce the winners next week. Judges are Mrs. Larsen, Mrs. Johnston and Miss Dhaseeler. There are three prizes for each entry and the different entries are: most unusual, prettiest, homeliest, smallest, biggest, best trained, funniest, thinnest and fattest. We have pictures of pets on our bulletin board.
Monday we went for a hike to find different kinds of leaves. We are pressing them and putting them in booklets to keep.
Everyone had interesting things to tell about after the long week end.

SIXTH GRADE —

Alma Larsen
Patty Cihak's birthday is today, Oct. 11. She is 11 years old.
We ran an experiment on filtering water. We poured muddy water through sand and gravel. The water came out clear.
Martha Galmore's kittens won first prize in the Pet Show.
We drew pictures of cat tails for our Art Class.—Deanna Lehrbass.
The Fourth Grade gave a Pet Show Thursday at 1:00 p. m. We all enjoyed it very much. We think the Fourth Grade did a very nice job.—Margaret Murray.

A love affair that made history — Prince Murat, Napoleon's nephew, found refuge in Florida where he met and married Kate Gray, George Washington's great grand-niece. Don't miss the first in a series of "Great American Love Stories" in the American Weekly, the great magazine distributed with Sunday's Herald-American.

Bowling News

Sommerville's bowling team set new season records as they beat Ellesworth Electric 4 points, wiring together games of 976-886-925 for 2783. In addition to having high team single game and high team series Spin Cihak set a new individual record for the season with games of 189-226-256 totaling 671. The 256 giving him high single and the 671 high series. Monk Cihak also rapped in a 616 series on games of 201-232-183. High for the losers was Les Arndt with 493.

Monarch Finer Foods scored a 4 point upset over the State Bank. Marv. Elings topped 520 pins for the winners and Greg Boswell rolled up 597 pins on games of 210-195-192. Bob Campbell having a 230 game in the middle of 166 and 156 for 562.

St. Joseph's and the Recreation scored 3 point wins over the Canning Co. and Brock's Turkey Farm respectively. Rev. J. J. Malinowski topped the Saints with 527 while John Atkinson led the Canners with 512. Barney Adair sandwiched a 244 game between 175 and 173 or 592 tops on the Recreation five, as Wally Peacock led the Turkey growers with 493.

Hillman's Insurance split points with the Legion, the latter taking total pins by a single pin. Al Dougherty had high for the Legion with 530 and Don Clark's 485 led the Insurance five.

Cal's Tavern and Thorsen's Lumber also battled to an even split with Thorsen's gaining a one pin victory in their third game. Joe Wilkins was tops for the Tavern five and Andy Anderson high for the Lumber Jacks on 481.

Team Standings:

	W	L	Av.
Cal's Tavern	14	6	817
Sommerville's	13	7	837
Am. Legion	13	7	801
Monarch Foods	13	7	741
Thorsen's Lumber	11	9	765
Recreation	11	9	714
St. Joseph's	10	10	813
Canning Co.	9	11	779
Brock's Turkeys	9	11	752
State Bank	6	14	814
Hillman's Ins.	6	14	758
Ellsworth Elec.	5	15	723

In the Ladies' League the Dress & Gift Shop stopped Cal's Tavern's winning streak as they split points. Betty Jo Strehl had high single game and high series for the night as she wired games of 196-173-158 together for 527. In the other matches bowled, St. Joseph dropped Home Modernizing with a four point win. While Quality Food and Norm's Tavern were winning 3 points from Metal Products and Central Lake Torch. The Rainbow Bar and State Bank ladies rolled to and even split each winning two points.

Greg Boswell recorded the highest single game of the week in the Inter City League as he started with 8 strikes in a row and collected 269 pins.

The two local traveling teams won five points each from Scottville and Ludington. Both teams got their points in the same fashion, by downing Scottville four points and losing to Ludington 3-1. Barney Adair set up a new season high in the Traveling League with a 663 series in Scottville on games of 225-245-193.

PENINSULA....

(Edited by Mrs. Emma Hayden)

Mr. and Mrs. Loren Duffy of Ironton were guests of the Loomis's at Advance Saturday of last week.

Mr. and Mrs. Gus Nicaise of Detroit left Thursday morning for the Soo and then through Wisconsin to return to Detroit. They spent five days of their vacation with Mr. and Mrs. Ray Loomis and other relatives.

Rev. Buck of Petoskey had an evening service at the Star School house Wednesday evening. He made calls at a number of homes during the afternoon.

Fifteen present at Sunday School.

Bingo party at Star School Saturday night was well attended. There will be another in two weeks.

A number of people from Peninsula attended the Charlevoix-East Jordan game.

Jr. Farm Bureau met at Peninsula Hall with 28 members present.

Earl Bennett and Don Arndt went to Lansing Saturday with the F. F. A. to see the football game. They sure enjoyed the sights of Lansing.

The storm did considerable damage Saturday. Burned out the Staley phone and struck a tree in the Arndt yard.

Herman Beyer of Petoskey was dinner guest of his sister, Mrs. F. K. Hayden and family.

Mr. and Mrs. F. K. Hayden spent Tuesday with their parents, Mr. and Mrs. R. M. Beyer. Other guests were: Mr. and Mrs. Fred Schoenfelder of Ellsworth, Mr. and Mrs. Lawrence Supernaw of Charlevoix, and Mr. and Mrs. Clarence Foltz and family of Petoskey.

First Presbyterian Church

Edward O. DeHaven, Pastor

This Sunday morning, Oct 16th, we will observe Rally Day in our Sunday Schools. We may be a bit late in this but we feel the time spent thus far in preparing our teachers and parents for the use of the New Material for this year will bring much fruit in the lives of the children in our community. The service will begin promptly at 9:45 in which there will be the promotions of pupils from one department to another, the giving out of the new books to the pupils and the Consecration service for parents, pupils and teachers. We are urging all parents to be present for this significant service to our community.

Also this coming Sunday morning we will inaugurate the Nursery Department for the two and three year olds during the Church Worship Service. Mrs. Severance will be in charge of this department. We do want all parents to avail themselves of this opportunity to start their children in the training of the Sunday Church School. It is also an opportunity to come to the Worship Service and know that your child is being well taken care of. We would like to include even the younger ones, but since we do not have the facilities to do so at this time we will have to limit the group to the ages mentioned above.

The Church Worship Service begins promptly at 11:00 a. m. The theme for the sermon this coming Sunday is the same as that incorporated in the study material for our Church school this year, "God Speaks—Listen". The most significant changes in an individual life comes in the awareness that God speaks to us. It is beyond our greatest imagination to say what could happen if we will listen.

The Westminster Youth Fellowship will meet Sunday evening at 6:30. There will be the election of officers for the coming year. Parents of the children in the Junior department of the Sunday School are urged to attend the Preview and planning Session for

that department Tuesday evening in the church at 7:30.

The Choir meets at 7:00 Thursday for rehearsal.
The parents of the Primary De-

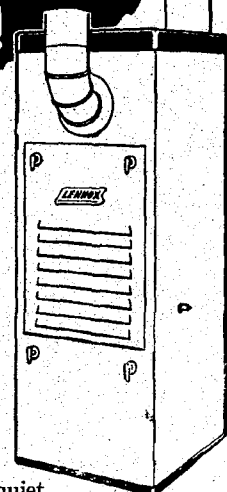

partment and Kindergarten are urged to attend the Preview and Planning conference for this department Thursday evening in the Church at 8:00 p. m.

Don't Wait for Cold Weather to Catch You Unprepared

...the ideal oil furnace for SMALL HOMES!

Cream of Michigan 4-H Exhibit at M.S.C.

More than 4,000 Michigan 4-H Club members entered 5,000 individual exhibits at the State 4-H Club Show at Michigan State College early this month. Hundreds of champions were named. Included among them were these: (1) State champions in garden judging and the right to represent Michigan at the national contest at Washington, D. C., in December are James Brinks, Plymouth; Alan Curtis, Mason and Maxine Harris, Mattawan. (2) The "queen" of the 16,000 girls who entered clothing projects is 17-year-old Donna Kalmbach, route 1, Chelsea. The style revue champion will take time from her stud-

ies at Michigan State College this December to model in the 4-H Club Congress Dress Revue in Chicago. (3) Grand champions of the dairy breeds around the clock starting at 12 o'clock (top) are: Robert Henning, Coopersville (Guernsey); James Brenay, South Lyon (Ayrshire); John Russell, Battle Creek (Red Poll); Clarence Reeves, Ithaca (Milking Shorthorn); Leo Myers, Midland (Brown Swiss) and Ann Reibsig, Ionia (Holstein). John Vredenburg, Ada (Jersey) was not available for the picture. (4) To live up to the show, Leo Myers' 7-year-old cow gave birth to a calf in memory of the location of the

event, he named him "Maek"—for Macklin Stadium. Then his cow, "Mary" showed before the judge the following morning and won the grand championship for Brown Swiss. (5) Plowing champ Fed Long, Tecumseh, (center) gets congratulations from second place winner Dan Gilchrist, Eden, (right) as Fred Feight, third place winner also from Tecumseh, seems glad that his buddy won. (6) Grand champions in fat stock competition were won by Joyce Schubatis, Coldwater, with her lamb; David Hellner, Ann Arbor route 1 with his swine, and Nancy Allen, Ithaca, with her steer.
