Red Devils Run Wild Over Mancelona, 66-0

EAST JORDAN HIGH SHOWS THE MANCELONA TEAM A ONE-SIDED GAME

The East Jordan Red Devils ran wild last Friday to chalk up a 66-0 win over Mancelona.

With blocking harder and sharper than ever E. J. drove for a T. D. the first time they had the ball. Quarterback Boring pulled the Mancelona defense in and then had Cutler pass 30 yards to Whiteford in the end zone for the first score. From then the score kept mounting as everyone on the bench saw service.

Cutler, Sommerville, Hammond, and Boring also joined in the scoring as the line time after time would spring the backs through for long gains. Many times Boring's "deception" at quarterback would have the Ironmen line tackling the wrong man, as the ball carrier would be through for a long gain.

Probably the two outstanding plays of the afternoon were pass interceptions. Sommerville intercepted a pass on the goal line and cut for the right sidelines behind beautiful blocking and ran 95 yds. for a T. D. Bryon Boring laid the final block at midfield. Many people claimed this block by Boring was the best they had ever seen. Shortly after Cutler intercepted a Mancelona pass and went 65 yds. to score. Again the blocking was hard and sharp as Cutler ran over and around the entire Mancelona team.

In the line all the boys showed up well with possibly Al Chanda and Jim Nachazel the most powerful defense.

The E. J. boys seemed to be in top physical shape as they kept going at top speed throughout the game.

A big Gaylord team comes here Friday for the last game of the season. From all reports it seems to have been pointing for East Jordan, and last week took Boyne City 13-0.

Should the E. J. boys come through again Friday it will be their 15th game without a loss. The boys have worked hard for this record, much harder than the football fans realize.

Cross Crossings Carefully

MICH. RAILROADS ASS'N POINT OUT NOV-FEB'Y WORST PERIOD FOR SMASHES

Lansing — Michigan railroads today asked the state's motorists to increase the practice of "Cross Crossings Cautiously" now that winter, the season of most numerous crossing crashes, is approaching.

The request was voiced by the Michigan Railroads Ass'n which points out that mid-November to mid-February, especially December, is the worst period for rail crossing smash-ups, due to less favorable driving conditions and longer periods of darkness, adding that such accidents are more frequent on Saturday, Sunday and Monday than on mid-week days.

"The sharp increase in auto-rail accidents in the winter months need not be an everlasting phenomenon," the association states. "The rule of the greater danger the greater the need for common sense" could eliminate the greater frequency in winter of these accidents. And that sensible rule would sharply cut such smash-ups through the year."

Showing how much motorist carelessness plays in grade crossing collisions the railroad association quotes ICC reports that 96 percent of motorists involved in these accidents in the first half of 1949 were thoroughly familiar with the crossings at which accidents occurred; only 4 percent were "through" drivers; 39 percent were from the communities in which the accidents happened, and 57 percent were from nearby communities; in most accidents the drivers failed to observe or heed warning signs and signals, some even driving around gates watchmen or through warning signals that had halted other traffic; one-fourth of the motorists actually ran into the sides of trains or locomotives already on the crossings; in two-thirds of the cases the trains were standing still or going less than 25 miles an hour. Most of the crashes happened in daylight hours, though 21 percent occurred between midnight and 6 a. m. when traffic is lightest and fastest.

American Legion Sadie Hawkins Day Dance

The American Legion and Auxiliary had a Sadie Hawkins Day Dance in the Legion Club Room, Saturday night, Oct. 29. Everyone came dressed Dog Patch style. Decorations were made by Joe Webb, consisting of silhouettes of Dog Patch characters and creatures. Eldeva Gokee made a cake which was raffled off and proceeds were turned in by her as her contribution to the Auxiliary Kitchen Fund. The cake was won by Meredith Huckle who in turn auctioned it off and the money was turned in to the Legion Building Fund. Everyone enjoyed old time square dancing. In all it was a very successful and entertaining evening. Lunch was furnished by members of the Auxiliary.

Son of Max Kamrad Laid to Rest, Oct. 30th

Funeral services were held from Watson Funeral Home, Sunday, Oct. 30, conducted by Rev. Arthur Garrison, for Lewis Fay, seven-week-old son of Mr. and Mrs. Kamrad, who passed away, Friday, Oct. 28th, from pneumonia. Interment was at Sunset Hill.

Surviving, besides the parents, are two sisters, Kay and Cathryn, and one brother, Fred. Grandparents, Mr. and Mrs. Leonard Hite and Mr. and Mrs. Lewis Kamrad; great grandparents, Mr. and Mrs. Bert Hite and Mrs. Bert Danforth. Relatives from away here for the funeral were: Mr. and Mrs. Elmer Rondo, Mr. and Mrs. Harvey Paugborn, Mr. and Mrs. Mortimer Hite, from Midland; Pfc. Clyde Hite, Selfridge Field; Mr. and Mrs. Frank Mathers, Boyne City.

Homecoming Queen

This Friday, Nov. 4, the Red Devils play their last game of the season. It is the Homecoming game with Gaylord. Last week each High School class elected a candidate for the "Homecoming Queen". The candidates were Patsy Parks, Linda Petrie, Barbara Boring and Shirley Rebec. The student body chose Barbara Boring as queen. The other three girls will be her court. Barbara, a sophomore, is a pretty 15-year-old burnette. Barbara is an enthusiastic football fan and hasn't missed a game this year. Her brother, Bryan, is the star quarterback for the Red Devils.

The queen will be crowned at the game Friday and will reign over the "Homecoming Dance" sponsored by the seniors at the High School Auditorium, Friday, Nov. 4, at 8:00 p. m.

Gaylord Production Credit Association Meets Monday, Nov. 7th.

The fifteenth annual meeting of the annual stockholders of the Gaylord Production Credit Ass'n will be held on Monday, Nov. 7th, in Gaylord at the V. F. W. Hall. The meeting will start at 11:00 a. m. and adjourn on or before 4:00 p. m.

One of the important business transactions of the day will be the election of two directors for a term of three years each to succeed Arnold W. Ostrander of Afton and Charles Shepard of Boyne City whose terms expire at this meeting.

The nominating committee, composed of Melvin Maxwell of Cheboygan, Fred Barber of Cheboygan and Harry Bearinger of Boyne City, have nominated the following as candidates for directors: Arnold W. Ostrander of Afton for the office now being held by him; Joseph Martineck, Jr., of Charlevoix and Clevo Penfold of Boyne Falls for the term now being held by Charles Shepard. Mr. Shepard does not wish to be a candidate for re-election. In addition to these candidates, nominations may be made from the floor at the meeting.

Guest speaker at the meeting will be D. B. Varner, Extension Specialist from the Agricultural Economics Dept. of Michigan State College.

A free lunch will be served at noon and there will be drawings for door prizes and other prizes during the day.

All stockholders and their wives are urged to attend.

Harry A. Lintz To Address Chamber of Commerce, Nov. 10th.

The East Jordan Chamber of Commerce is sponsoring an important Governmental Affairs meeting in cooperation with the United States Chamber of Commerce. Important issues before the Congress seriously affecting the economy will be discussed. The meeting will be held at the Temple Grill on Nov. 10 at 12:30 noon.

The United States Chamber of Commerce will be represented at this meeting by Harry A. Lintz, National Affairs Advisor. Mr. Lintz has had wide experience in Public Administration for the past twenty-five years. Before joining the staff of the United States Chamber of Commerce, Mr. Lintz taught Political and Social Science at the University of Denver. He holds two degrees from the University of Southern California where his training was largely in the field of governmental affairs. Under Mr. Lintz's leadership this meeting should contribute largely to local interest in legislation stemming from the national level that seriously affects business conditions today.

Had A Trip To Canada

EAST JORDAN BUS PATROL HAS FINE OUTING

On Saturday, Oct. 29, Mr. and Mrs. Cary Wagner, Mrs. Liskum, Maurice Vance, and William Hurlbert took the East Jordan bus patrol on an excursion to the northern part of our state and to the Canadian Sault.

The group left school at 7:00 a. m. and by noon had taken a ferry over the straits, seen the Indian Village, Castle Rock, and Fort Algonquin at St. Ignace, had seen a boat go through the locks at the American Sault, and the unusual experience of seeing one of the locks absolutely dry. The one lock was dry for maintenance reasons.

After a picnic lunch in the park adjacent to the locks, the group went into Canada. It was quite a thrill for everyone to become a foreigner just by taking a short ferry ride. Equally thrilling was the exchange of money. Several of the children got \$1.10 in Canadian currency for their American dollars.

In Canada most of the students sent their parents, their friends, their sisters or brothers, or just themselves a postcard. One of the greatest thrills of the trip for the sponsors was seeing how many of the patrol boys and girls spent their pocket money on souvenirs for sisters or brothers who did not make the trip.

A stay of 2 1/2 hours in Canada saw a very tired group of youngsters head for home. At this time the supply of sandwiches and apples taken on the trip for snacks was completely devoured. It was Mr. Wade's thoughtfulness that not only made the trip possible but also saw that extra food was prepared.

The arrival at St. Ignace again found a hungry crew so the students were treated to a dinner in the dining room of the Northern Hotel. Here the conduct of the students was so outstanding that the proprietor asked the name of the community that produced such mannerly youngsters. For this indeed the parents of our patrol boys and girls are to be commended.

The return trip on the ferry treated the group to an unusually strong wind. The stunt most tried became trying to support ones self at an angle by leaning against the wind.

This trip was organized by the boys and girls who have helped the school to show appreciation to the bus drivers' enforce safety regulations.

Those who have been serving school and who subsequently took the trip are: Neil Misner, Harry Misner, H. Pinney, R. Pinney, Mary Bricker, Steve Hayden, Ruth Sloop, Pat VanSoosten, Rachel Webster, Arthur Prevo, Bill Addis, Leo Danforth, Paul Liskum, Joe Smith, Catherine Smith, Ruth Gee, Janet Bennett, Alva Noroit, Ardith Bundy, Robert Roberts, Frances Roberts, Gene McPherson, Jack Lundy, David Whitney, Gene LaLonde, Marie Nielson, Glen Bennett, Lee Spence, Sam Prons, Jerry Evans, Richard Streeter and Barbara Fisher.

Carl E. Wagner, Principal E. J. High School.

You'll be rid of the borrowing habit quickly enough if you don't pay back.

Friday Is Dad's Day

Dad's Day and Homecoming activities will furnish an added attraction to the football game, Friday, between East Jordan and Gaylord. Fathers of the boys on the team will sit on a bench next to the players as guests of the High School Athletic Association. On their backs will be the number their son is wearing on the field.

Coach Devine is hoping that East Jordan can make Dad's Day an annual affair.

After a social hour, refreshments of cake, ice cream, tea and coffee were served to 90 members and friends and several members of the Rural Letter Carriers Association from Boyne City, Petoskey, Charlevoix, Mancelona and Muskegon.

Rebekah Lodge Held Annual Hallowe'en Party

Jessamine Rebekah Lodge held their annual Hallowe'en Party Oct. 31 at the Lodge Hall. There were about 150 present. Members and their visitors were arrayed in very beautiful or very funny costumes.

The Hall was gaily decorated, including a fortune teller with all the trimmings. The Grand March took place at 9:30. The judges were in a serious predicament as there were so many beautiful costumes they had to take some time out to decide the winners.

The entertainment consisted of games, after which we all danced to the Virginia Reel, Rye Waltz and square dancing and polkas. Cold cider was served throughout the evening. Also hot coffee and doughnuts.

Each and everyone had a most enjoyable evening. Thanks to the committees who made the party a success.

South Arm Farm Bureau

The South Arm Community Farm Bureau group held their October meeting on Tuesday, the eighteenth, at the home of Mr. and Mrs. Ivan Coolman. The fourteen members who were present took part in a discussion on National Farm programs, led by Delbert Ingalls. A unanimous decision against the Brannan bill was voiced again. Chairman George Klooster announced the annual Farm Bureau meeting which was held Oct. 20th in Charlevoix, featuring Stanley Powell as guest speaker.

The next meeting will be held at the home of Mr. and Mrs. J. M. Ingalls on Nov. 15th. Will everyone who belongs please attend. The secretary's membership list is incomplete and because of that some of you have not been notified by cards. — Joyce Nelson, Publicity.

Eveline—Thursday, Nov. 10—Eveline Twp. Hall. Hayes & Charlevoix—Nov. 10—Hayes Twp. Hall.

Halloween Party at High School

STUDENTS ENTERTAINED GHOSTS, GOBLINS, HOBOS, CLOWNS AND PIRATES

Monday night saw an unusual assortment of ghosts, goblins, hobos, clowns and pirates descend upon East Jordan. They met at East Jordan High School and enjoyed games and contests organized by Mr. Downing, and partook of prizes, candy, cider and doughnuts supplied by our Rotary Club.

The games that aroused the most interest were the Tug-of-War (on a slick gym floor), the Sack Race, and the Pie Eating Contest. In the Pie Eating Contest, Don Cutler was the star. He was the first to finish his third of a chocolate pie with his hands behind his back. Rena Knudsen, who was such a convincing hobo that she had time gaining admittance, managed to wash off her charcoal beard while buried in her piece of pie.

In each contest, such as the basket shooting contest, there were boys and girls on each team. The members of the winning team were awarded a candy bar. The teams were organized on a class basis, as there were cash prizes given to the treasury of the winning team. Each of the six classes competing received a cash prize. The winner got \$6.00. The class with the lowest score got \$1.00. The 7th grade took first place. The 8th and 11th grades tied for second place. The fourth place went to the ninth grade, fifth place to the seniors, and sixth place to the sophomores.

A promenade of all those in costume was won for the 7th grade by David Clark. Coming as a young lady, he wore high button shoes, long gloves, a mop wig, a veiled hat, and blue panties with lace.

This Hallowe'en Party has become a regular activity of the Rotary Club. Fine cooperation between the members of the Rotary Club, the school faculty, and the janitors of our high school resulted in a "Bang-up" party. The Rotarians furnished the prizes, refreshments, and served the refreshments. The faculty organized and supervised the games. The janitors have the real job of cleaning up.

History of Rebec-Sweet Post, American Legion

A History of American Legion Rebec-Sweet Post 227 Auxiliary is being compiled. It will be greatly appreciated if anyone having any information or data regarding outstanding events in the History of the Auxiliary since its organization in East Jordan in 1924 would please turn it over to the Unit. Pictures of parades, memorial services or pictures of past officers are especially desired. Pictures will be returned to their owners after reprints have been made. Any material may be turned in to Edna Wilkins, Aux. President, or Floy Taylor, Historian. This is the first time a complete History of our Auxiliary has been written and the Historian is doing all she can to make this an authentic composition which will be a credit to our Unit and our town.

AN APPRECIATION

I wish to take this way to thank relatives, neighbors and other friends for their many acts of kindness to me and my family during my illness.

John W. LaLonde, Long With Conservation Dept., Dies Suddenly in Caseville

John W. LaLonde was born on March 31, 1890, in South Arm Twp., son of Joe and Alice LaLonde, and passed away at Caseville, Friday afternoon, Oct. 28, 1949, from an accident.

He lived with his parents and attended the East Jordan school. On June 14, 1911 he was married to Miss Minnie Kamrad of East Jordan, R. 2, who preceded him in death Sept. 1, 1942.

Mr. LaLonde was employed by the East Jordan Lumber Co. in the saw mills, and later had the Studenbaker Sales in East Jordan for several years. In 1932 the family moved to Boyne City and was there employed by the State Conservation Department. In 1942 he was moved to Roscommon and later to Inlay City. He was Conservation Fireman Inspector of Equipment.

On July 31, 1943 he was married to Mrs. Nancy Leatham of Roscommon.

Mr. LaLonde had been a life long member of the Catholic Church. Besides the widow he is survived by two daughters, Mrs. Eva Ecker and Joan LaLonde, and one son, William, all of Detroit; one brother, Fabian, of Pontiac; and four grand children.

The remains were met by R. G. Watson at Gaylord Sunday morning. Friends met for the Rosary at Inlay City, Saturday, at 7:00 p. m. Funeral services were held Monday, Oct. 31, from St. Mathews Catholic Church at Boyne City, conducted by Rev. M. Ostrowski with Requiem High Mass. Bearers were members of the State Conservation Department. Interment at Maple Lawn Cemetery, Boyne City.

Relatives and friends from away here to attend the funeral were: Mrs. John LaLonde and daughter, Miss Phyllis Leathan, Roscommon; Mr. and Mrs. Ecker; Mr. and Mrs. Wm. LaLonde, Joan LaLonde, Mr. and Mrs. Robert Fulton, Detroit; Mr. and Mrs. Fabian LaLonde, Pontiac; Mr. and Mrs. Leo LaLonde, Mr. and Mrs. Fred LaLonde, Mr. and Mrs. Percy LaLonde and Mrs. Harry Poulsen, Lansing; Mrs. Pete LaLonde and Miss Mabel Henning, Grand Rapids; Mr. and Mrs. Tack, Inlay City; Mr. and Mrs. Sam Kamradt and family, Traverse City; Mrs. Clara Hamilton, Charlevoix; Miss Mary Green, Central Lake.

Sweet potatoes make a good pie filling that some people prefer to pumpkin. This is a good way to use left-over sweet potatoes advise Mabelle Ehlers, home economist at Michigan State College. Substitute the potato for pumpkin in any good pie recipe. The addition of a little butter improves it and the sweet potato works up better if the sugar is mixed with it.

Our campaign for the United Community chest budget is progressing slowly. At the end of last week \$3,200 had been raised. The credit for this is due to the splendid workers who have often called many times to get a subscription. Some people did not feel they could pledge anything for next year, not knowing what their income would be, but have said they would be glad to give in the spring if they had the money. If you haven't been solicited it will be greatly appreciated if you will turn your money in to the bank. The drive closes this week. The names of the workers will be published next week.

When the East Jordan Community Chest was organized last year our merchants were assured we would have enough money in reserve to take care of the various tag days and money collections made during the year because this was to be a United Drive. It was thought necessary to carry enough for any emergency, such as fire. Now in 1949 our chest is very fortunate in having a large reserve. Besides the \$3,039.93 raised in the 1948 campaign (from which we have a balance of \$283.64) the fund had turned over to it from three different sources a sum of money amounting to \$700.00. This makes a balance on hand of \$983.83.

The board of directors at the request of the president of the F. T. A. and the East Jordan band voted unanimously to buy them a bell lyre. Those contributing to the chest last year should feel well repaid for your share when you read the following letter mailed Oct. 11th.

To the East Jordan Community Chest:

We, the members of the High School Band, wish to express our sincere appreciation for the Bell Lyra which you have so kindly purchased for us.

It will truly prove an inspiration to us and we hope that our endeavors in music, through the years, may justify the generosity of the East Jordan Community Chest.

Sincerely yours,

Signed: Marjorie Keller, Phil Malpass, Sue Shepard, Roger Benson, Mike Brennan, Eugene Pearce, Carla Shepard, Bethany Whiteford, Coral McPherson, Jim Milstein, Bernard Pearce, Barbara Braman, Marilyn Klooster, James Nachazel, Jim Shepard, Margaret Blossie, Shirley Murphy, John Malpass, Francis Trojanek, Marianne DeForest, Kay Sinclair, Linda Petrie, Peggy Nemecek, Sharon Brock, Pat Barnett, Donna Reuling, Sharon Brock, Kazleen Larson, Barbara Bussing, Glenda Maxwell, Gloria Rogers, Pat Bowens, Marcella Olstrom, Audrey Ellsworth, Arvita Liskum, Nanette Drapeau, Marjorie Chanda, Don Karr, Ed Drapeau, Eugene Collins, Jack Lundy, Douglas Adair, John Bussing.

Appreciates Gift of Nightgowns

Last Thursday evening, Oct. 27, President Edna Wilkins and Rehabilitation Chairman Lillian Bennett visited Josephine Justice at Grandview hospital and presented her with a gift of two nightgowns from the Auxiliary. Josephine was very pleased with them, especially the yellow gown, as she said that is her favorite color. It is a privilege and an honor to add a little happiness to this girl's life and it is the first obligation of the Auxiliary to care for our soldiers and surely Josephine is a good soldier and has fought a long and brave fight. We want to do all we can to help her win. Now that she is so close to East Jordan all our members should visit her as much as possible.

Takes "Scare" Out of Budgets

"Since most of us don't have all the money we'd like for our family spending, a lot of talk goes on about stretching the family dollar and making family budgets," states Lucile Ketchum, extension specialist at Michigan State College.

The home management authority suggests that if the word "budget" scares you—just forget the word. Think instead about planning to take that trip you have been wanting for three years, or the new refrigerator you are saving for, or the music lessons you hope that Sally can have next year.

There are so many claims against every dollar that it pays to take plenty of time to discuss family goals and to decide which ones head the list. If your family is like most of them, you will have to make some choices. You can't have everything. But everyone in the family will feel better about it if you have talked the problem over and considered what is most important.

You can't ignore necessities, of course, whether you call it "planning a budget" or "finding a way to get money for a trip." You will have to consider rent and fuel and groceries, a new overcoat for father, and a snowsuit for Jimmy. Before you start this part of your planning, however, think together about the goals you want to work for over the year—the things that will add zest to life.

Although there is much more to a good plan for family spending than setting goals, it is an important part and probably the most important part of all, adds Miss Ketchum.

First Presbyterian Church

Edward O. DeHaven, Pastor
East Jordan, Mich.

The Sunday School begins at 9:45 a. m. We are getting a good start in our new course in Sunday School and the children are showing a considerable interest in it. The Church Worship Service begins at 11:00 a. m. The sermon subject for this coming Sunday will be "Stewards of Importance."

The Westminster Youth Fellowship meets at 6:30 p. m. The meeting this coming Sunday will be in charge of the Fellowship Commission with Judy Malpass the leader. Tuesday evening, Nov. 8th, the Presbytery of Petoskey will meet in our church at 8:00 p. m. This meeting is in the interest of the New Life Movement. The speakers of the evening will be the Rev. Hamilton Grant Mason, pastor of the First Presbyterian church of Grand Haven, Mich., and the Rev. Ralph Lindsay of Flint, Mich.

The Wednesday Evening Circle of the Ladies Organization will meet Wednesday evening, Nov. 9, in the home of Mrs. John Downing.

The Friday Afternoon Circle will meet Friday at 2:30 in the home of Mrs. John Porter. Mrs. Liskum will discuss with both of these groups the topic "Stained Glass Windows."

The Junior Choir will rehearse Thursday afternoon immediately following school in the church. The Adult Choir will rehearse Thursday evening in the home of Mrs. Wm. Grauel at 7:00 p. m. The Session will hold its regular monthly meeting in the Mansie, Thursday, Nov. 10th, at 8:00 p. m.

Creamed celery served in an onion cup made by scooping out the center portion of large, milk boiled onions is tasty and good. It lacks color, however, so should be sprinkled with paprika, chopped parsley or seived hardcooked egg yolk. Save the scooped-out centers of the onions for adding to soup or for creaming, suggests Mabelle Ehlers, home economist at Michigan State College.

Deer Hunters Can Register For Messages

This year as in the past the Michigan State Police and the State Department of Conservation will cooperate in making available free registration service for deer hunters who desire to be reached at camp in the event of an emergency at home.

Hunters desiring to use this service should register at the State Police post or Conservation headquarters nearest their camp. They should also leave word at home of the station at which they will register.

If an emergency occurs those at home need only call their nearest State Police post or Conservation headquarters. The message will be sent by radio to the proper registration station and will be delivered from there by an officer of either department.

The registration also makes it easier to inform persons at home if a hunter meets with an accident or is reported lost.

Only urgent messages will be handled and the service will not be offered where regular communication facilities can be used without delay.

Registration cards have been distributed to all State Police posts and Conservation headquarters. They will also be available on State ferries and may be handed to State Police officers stationed on the docks.

In the past thousands of hunters have used the service and many messages have been delivered.

An accompanying map shows the location of the registration stations.

God Our Comfort

Lesson for November 6, 1949

AS THE ENGLISH language keeps on changing, words do not always keep on meaning what they once did. "Comfort" is one of these. When our Bible was translated into English in 1611, the translation most English-speaking people use, the word "comfort" had a bigger meaning than most people put into it nowadays. We think of it as meaning soothing; but it is a bigger idea than that. God is not merely a soothing God. We think of "comfort" as meaning to make comfortable; but it is a stouter word than that. God does not always make his people comfortable. The word means to strengthen, to steel against fear and despair, to put backbone into people.

Dr. Foreman

"Fear Not, O Worm!"

AT THE TIME of the prophecies we study this week, the Israelites had been kicked around a good deal. They had felt the conqueror's boots, they were discouraged, as all good people are when somehow God seems to be letting evil forces triumph. Their little world had split wide apart, their little nation had been blown to the winds.

To those people, torn by terrors and bowed down by wretchedness, people who were in serious danger of developing a once-for-all "inferiority complex," people who were about to lose all their backbone, the great prophet brings his messages: "Comfort ye my people, saith your God."

The whole idea is in this one sentence (Is. 41:14): "Fear not, O worm Jacob! . . . I am your helper, saith the Lord."

God does not indulge his people in foolish pride. Beside the Almighty they are worms, insects. Nevertheless, worm though he may be, the man who trusts in God will not be afraid. He will not trust in his own powers, he will trust in luck, he will trust in God.

A worm by itself is nothing; but with God on his side, the weakest of men can say with Paul, "If God be for us, who can be against us?" God's men do not get their courage up by flexing their muscles or admiring themselves. They grow in courage as they grow in the knowledge of God.

Goodness And Power

ANY ONE who saw "Edward, My Son" will remember the tragedy of that family. A boy's character went slowly to pieces, because his father was determined that nothing should be too good for him. To gain his purpose the father ran rough-shod over everyone who stood in his way, and eventually ruined the lives of all around him, including his son's and his own. The mother, on the other hand, could see, as the father could not, what his indulgence was doing to the boy, making him a weakling and a rat. But she was too weak to stand up against her husband, and her life too was ruined. That story is a kind of parable.

The prophet reveals a God who is both powerful and good; but suppose God were only good but not powerful, or only powerful but not good? Then the world would be in a mess, as that boy Edward was in a mess.

But these three are all in the same God. A God who is power only, might do as Edward's father did, destroy his children without even intending to do so. A God who is goodness only, might want to do right by his world yet not be able to do so, like Edward's mother. A God who knew what was right but neither wanted nor was able to do much about it, would not be a God at all.

God Is Not Weak

SUPPOSE GOD were indeed powerful, good and wise, and yet grew tired from time to time? Suppose all God's good qualities came and went, unpredictably, like the wind on a spring day?

No; God is the Maker and Keeper of Promises, the Covenant God. He does not grow faint or weary; that is our anchor of comfort. The earth changes, and men with it; but the Word of the Lord abides forever. His "covenant of peace" does not waver. We do not need to lean gingerly on the Almighty. He will bear all our weight.

City Building Ready To Serve The Needy

The American Legion Auxiliary met in the Legion Club room Tuesday, Oct. 25, Edna Wilkins presiding. Lillian Bennett reported that the Rehabilitation Committee were making nightgowns for Josephine Justice, who is a member of our Unit and is now at Grandview Hospital. Genevieve Davis, sewing chairman is making the gowns which must be a special style for Josephine. Thora Kotowich announced work was in progress making the Community Service Room in the City Building ready to serve the needy in the Community and will be open every Wednesday. Thora made an appeal for children's clothes, ages 3 to 10 years. Also for toys that can be repaired for Christmas. Reva Walton has her plans for a Membership Drive well under way. Agnes Woodcock gave a splendid talk on Americanism, stressing the importance of the true patriotic feeling when singing our National Anthem and saying the pledge to the flag. Hilda Bathke said the Juniors and Tiny Tots will soon be busy on their Christmas project of repairing toys for needy children. Genevieve Davis announced Sewing Bees would be started again to repair and mend clothes for the Community Service room. The first Bee is to be held at the home of Mary Hayes, Wednesday, Nov. 2. Chairmen of other committees also gave fine reports of their activities.

Hilda Bathke was appointed chairman for an Armistice Day Supper. Details will be announced at a later date.

It was decided to discontinue the joint meetings with the Legion for awhile. First meeting of the month is to be a business meeting and the last to be a short business meeting followed by social activities. Be sure and attend your Auxiliary meetings as every member is needed to make the fine plans for the year a success.

Achieves 853-Bushel Potato Yield Through Good Cultural Methods

Potato production records in Michigan are tumbling again this year. Frank Falkies of Delta county in the upper peninsula produced 794 bushels an acre in 1947 and 847 bushels an acre last year to become the Michigan potato king. But he may have to dig deep in his potato fields this year to better an early harvest reported in Kent county.

Michigan State College farm crops authorities assemble the entries for the premier potato growers award and have certified a yield of 853.8 bushels an acre for Edwin Parmeter, Rockford. This yield of certified Katahdin variety was made on a ten acre field.

Following these recommendations of the MSC crops authorities, Parmeter got this high yield: He plowed under a mammoth clover crop in the fall of 1948 and planted rye with 300 pounds of nitrogen fertilizer to the acre. Before plowing under the rye on May 10 in the spring of 1949 he broadcast 1,000 pounds to the acre of 3-12-12 fertilizer on the good Isabella sandy loam soil.

Parmeter planted 45 bushels to the acre of whole seed on May 15,

planting on the furrow, spacing the rows 34 inches apart and the seed potatoes 9 inches apart in the rows. During the growing season he irrigated the field six times in critical periods, giving the plants total of about six inches of moisture. He sprayed consistently to prevent disease and insect damage. Parmeter started his potato production in 4-H Club work farming with his father more than 20 years ago.

We like the philosophy of a local concern which hands out a small card that reads: "We have no quarrel with those who sell for less; they should know what their stuff is worth."

A little nutmeg added to mashed squash or to boiled summer squash gives a good flavor.

WEEKLY NEWS ANALYSIS

Nourse Raps Deficit Spending; Decontrol Fails to Boost Rent; Military Budget Tops 15 Billion

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

U.S. SPENDING: Deficit System Hit

It seemed an obvious conclusion that the President's council of economic advisers was having little effect in influencing government officials to insist upon a real effort by the administration to put its financial house in order.

ANY such conclusion would have been bolstered by the fact that Dr. Edward G. Nourse, chairman of the council, was quitting that body. In an address before the national retail farm equipment association, Dr. Nourse hit hard at federal deficit spending and charged that the government is "slipping back into deficits as a way of life."

Instead of deficit financing, he said, the government should be "putting its fiscal house in order and husbanding reserves to support the economy if less prosperous times overtake us."

According to reports, Dr. Nourse had informed President Truman that he was going to leave the government, although there was no word as to whether the President had accepted or would accept the resignation.

WELL-PLACED official circles were said to believe that Nourse's decision to leave the advisers' council was because of his belief that he had failed in what he regarded as a fight to keep the council on a strict professional plane of fact-finding and advice-giving, divorced from political issues.

In his address, Nourse was critical of elements among labor, agriculture and management, chiding farmers for "demanding stimulative prices," labor for demanding shorter hours in the face of the need for increased production.

RENTS:

Keep Level

A rather surprising thing had happened. A survey showed that lifting of rent control in more than 500 areas had not resulted in wholesale rent increases. Lifting of controls, put into effect in wartime, began last April 1.

TAKEN as a whole, however, rents in key decontrolled areas did go up a little, but the hike was not as severe as most observers had predicted.

The survey disclosed that landlord reaction to decontrol was spotty. One major factor in the over-all rent picture was said to be the number of vacancies available—a factor which might, after all, have considerable restraining effect on any appreciable over-all rent increase. Some landlords raised rents, but had to cut them again when tenants moved out. Also some landlords were still bound by leases issued in the period of decontrol.

According to the survey, increases were scattered, rather than general, in most places.

THUS THE PICTURE of the rent situation generally is clouded by the factors enumerated, factors which may of themselves have enough restraint value to hold down rent hike, as well as a disinclination of landlords to raise rentals to levels most Americans expected.

Continuing strikes, loss of income, more accessibility of housing sites may all combine to keep any general and extensive rent increases from being made in the near future.

MILITARY:

15.5 Billions

If war comes, America intends to be ready. Demonstrating that fact, congress finally got together on a record peace-time military appropriations bill totalling approximately 15.5 billion dollars, including funds to build the air force up to 58 groups.

BREAKING a month-long deadlock and spurred, no doubt, by reports that Russia has the atomic bomb, house and senate hurried through the details of the final measure which went to President Truman for approval.

In this action, the senate finally bowed to house insistence on giving the air force some 10 groups and 740 million dollars more than President Truman had requested for it.

CONCERN over the possibility of enemy atomic attack, was indicated when congress also appropriated 50 million dollars to start construction of a vast radar screen designed to warn the United States of any enemy air attack.

MIDDLE COURSE

India Would Fight if Liberty Threatened

India will steer a middle course, clear of entanglements in the cold war, but when "man's liberty or peace" is endangered, then India will fight.

That was the declaration of India's prime minister Jawaharlal Nehru in a foreign policy speech in New York a few days after his arrival in the United States.

He called upon the world to talk

Record's In

President Harry S. Truman, with congress finally in adjournment, would have to go to the people with the record of that congress in the fight for Democratic seats in the 1950 elections. Little of his program was enacted, but there was little doubt he would defend the congress to the end.

BIG DAY:

Break for Kids

Underprivileged children in more than 3,000 U.S. and Canadian communities will receive assistance from a far-reaching program of youth welfare announced by Kiwanis International and The National Kids' Day Foundation, Inc. J. Hugh Jackson, Stanford, Calif., president of Kiwanis International, in announcing the cooperative effort, said "the problems of underprivileged children are the problems of the entire nation but their solution depends upon local action. There are more than 3,000 Kiwanis clubs which are geared for participation in the program."

FOCAL POINT of the campaign will be the observance of an annual "National Kids Day," the first to be held on Saturday, November 19, when each community will be asked to enlist the support of its citizens in meeting the problems of local youth.

The Kiwanis president emphasized that National Kids' Day will not be celebrated as a holiday or used as a gift-giving occasion. "It is our intention to use the observance of this day as a means of rallying the forces of each community toward solving local juvenile problems," he continued. "By this means, we hope to raise additional funds to carry on a year-round program of youth activity in cities and towns in the U.S. and Canada. Money raised in each community will be spent in the same community for the benefit of children."

CHARLES PETTINOHN, executive secretary of The National Kids' Day Foundation, Hollywood, Calif., said his organization was formed last year to call national attention to the plight of underprivileged youth to enjoy some of the benefits normally accruing to boys and girls in more fortunate circumstances. The Foundation also seeks to attract attention to the accomplishments of youth and to stimulate additional interest in the problems of youth.

DEFENSE:

A Speedup

The United States was moving swiftly to meet the threat of Soviet possession of the atomic bomb. President Truman and the atomic energy commission had ordered a 30 million dollar expansion of atom bomb facilities at Oak Ridge, Tenn., and Hanford, Wash.

THUS THE RACE to see whether the U.S. or Soviet Russia could produce the most bombs seemed to be on, and with it went any immediate hope, at least, for any international control of atomic energy. The extent of the U.S. effort in the race was seen when authoritative quarters announced that the new atomic-plant-construction program ultimately would cost 300 million dollars.

Chairman McMahon (D., Conn.) of the congressional atomic energy committee, called the project a "major expansion effort." McMahon would not say that the action stemmed from Russian progress with atomic fission, but there was a certain evidence of haste inasmuch as White House clearance for the project came just six days after President Truman announced the atomic explosion in Russia.

INDUSTRY:

British Threat

How will the British devaluation of the pound and the resultant decrease in factory wage rates affect U.S. industry?

Potentially, the threat of very real and devastating competition from that source is seen by James F. Lincoln, nationally-known U.S. industrialist and president of the Lincoln Electric company, Cleveland.

"IF WE were to send 10,000 American production experts to England and the European continent for one year, those countries could shut down every industrial plant in the United States," said Lincoln in an interview in Cleveland. He had just returned from a two-week tour of industrial concerns in England, Holland, Belgium and France.

His judgment, he said, was based on the fact of the factory wage rate decreases in England, following devaluation, and a similar effect on nations affected to an average of pressures thus established. Lincoln declared that the devaluation action had cut wage rates in the nations effected to an average of only one-seventh of the wage level in this country.

If these nations can continue to throw goods produced at those wage levels into this country, Lincoln observed, there is a strong threat to American industry as a result.

UP TO NOW, he pointed out, that hasn't been done because European manufacturers are still enjoying a seller's market, and European production methods have not yet reached a stage of development which will allow them to compete with American-made products.

"The menace to United States industry will come," Lincoln said, "when the home markets of these countries are satiated and when U.S. production methods are more widely applied abroad."

RED A-BOMB:

Not Bluffing

Russia has had the atomic bomb as a "real weapon" since 1947.

That was the statement of Russia's Andrei Vishinsky as he put the blast on a campaign in the United Nations to put Yugoslavia on the security council.

SO, whether or not the Russians really have the bomb developed to the actual threatening stage, the Soviets were playing right along with President Truman's announcement that the bomb was really theirs. Possessors of the bomb or not, the Russians were now in an advantageous strategic position diplomatically as if they had it.

Vishinsky went on to predict "painful consequences" for the United Nations if Yugoslavia, with U.S. support, wins a security council seat over Czechoslovakia.

AT A news conference the Soviet representative reminded reporters of a Tass communique last September which disclosed that Russia has had an atomic weapon.

And that was the farthest Vishinsky had gone in the current U.N. session concerning Russia's possession of the bomb. On September 23 he had declared that the U.S. had no monopoly on the bomb, but had not amplified that statement.

WAGES:

75c Minimum

More than a million and a half workers in interstate commerce were due for a pay hike as a result of congressional approval of a bill raising the minimum wage rate from 40 to 75 cents an hour. The estimated annual cost was 800 million dollars.

While raising the wage floor, the bill changed the language of the wage-hour law so as to remove coverage from possibly several hundred thousand of the persons now under its provisions. The bill went to President Truman where early approval was predicted.

Champ Cow

The American Guernsey club of Peterboro, N. H., proudly presents Spar-Hill Clematic, seven-year-old pure-bred golden Guernsey as choice for champion cow of the year. During the year, the cow gave 23,000 pounds of milk and 1,200 pounds of butterfat, four times the average yield.

POTATO AND APPLE SHOW
Exhibitors from thirty-one
counties of Northern Michigan will
display over 500 samples of select-
ed potatoes, apples and legume
seeds at the Northern Michigan
Potato and Apple Show to be held
in Taverse City High School, Nov.
8th and 9th, according to Ed Reb-
man, county agr'l agent.

Special feature of the show will
be a display of apple grading,
packaging and utilization. This
display is being provided as a part
of the Consumers Education Pro-
gram of Michigan State College
Extension Service.

A special display over fifty feet
long prepared by the Farm Crops
Department of Michigan State Col-
lege will feature potato production
problems including varieties, dis-
eases and cultural practices.

Other features of the show will
include judging contests for 4-H
club members, FFA and veterans
enrolled in the Veterans Institute.
Junior luncheon will be held at
noon and a growers banquet will
be held in the evening. H. J. Gram-
lich, agr'l agent for the Chicago
and Northwestern Railway System,
will be the speaker at these events.
Discussion meetings for potato
and apple growers will be held on
Nov. 9th.

An apple pie contest will be a
feature of the Show and is being
held to select the Northern Mich-
igan apple pie champion to com-
pete in the state apple pie contest
at Grand Rapids.
Commercial exhibits showing
new materials will add additional
interest.

TEST NEW CROPS FOR
MICHIGAN CONDITIONS
Crops labeled "new" and "amaz-
ing" may not always promise the
farmer as much as the ads say. Oc-
casionally one of these new crops
proves desirable for Michigan
growing conditions but sometimes
they fall short of the claims made.
One of the functions of the
Michigan Agr'l Experiment Sta-
tion is the testing of crops to de-
termine their value for use in the
state. Each year many varieties are
grown and the results tabulated.
Differences in climate, length of
day, and other factors influence
yield.

Before buying seed of so-called
"new" crops, it's wise for farmers
to check with the county agr'l
agent who can give information
derived from experiment station
tests.

Looking Backward . . .

OCTOBER 30, 1909

The infant son of Mr. and Mrs.
A. Muma died Friday last after a
short illness. Funeral services held
Monday with interment at Lake-
side cemetery.

Prof. L. R. Taft of the M. A. C.,
with a couple of friends, were
East Jordan visitors Thursday. In
the evening an informal reception
was held at the Russell House in
his honor.

Wm. Palmer of Roseland has
spent several days visiting with
James Honey and other Equity
friends here.

Miss Grigsby left last Saturday
for Cheboygan to spend her vaca-
tion with friends and relatives in
that city. Marian Malpass presided
at the pipe organ last Sunday and
will do so until Miss Grigsby re-
turns.

Mrs. E. Barrie entertained the
Methodist Ladies Aid Society on
Wednesday. The annual election
of officers resulted in the choice
of Mrs. R. Barnett for president;
first vice-president, Mrs. E. Bar-
rie; second vice-president, Mrs.
Will Howard; third, Mrs. John Mol-
lard; secretary, Mrs. B. E. Water-
man; treasurer, Mrs. J. Rogers.
The society now numbers 75 mem-
bers.

Three columns were taken to
publish a compiled list of those
who were awarded prizes at the
twenty-fifth annual meet of the
Charlevoix County Agr'l Society.
At Loveday Opera House, Fri-
day, Nov. 5th, Al W. Martin's Big
original "Uncle Tom's Cabin" will
be offered for amusement.

OCTOBER 31, 1929

East Jordan's allotment of
\$150.00 toward the Roosevelt
Memorial Fund was easily raised
first of this week when a thorough
canvass was made in order to give
everyone an opportunity to contrib-
ute. The total sum raised was
\$161.00. Next Sunday, Nov. 2nd,
the Red Cross membership drive
starts and it is hoped that East
Jordan's quota for this worthy
cause will be as easily raised as
that of the Roosevelt Memorial.

E. J. Kauffman and family now
occupy the apartment on the sec-
ond floor of the Votruba block.

Miss Mary Proctor of this city
was united in marriage to Floyd
Morgan of Boyne City, Oct. 22nd,
at the Methodist parsonage, Char-
levoix. Rev. Chandler officiated.
Lyle Jepson left Monday for
Big Rapids where he will attend

Ferris Institute.
Mrs. Mary Ellsworth and son,
Carl, of Pickerel Lake are visiting
at the farm home of Mr. and Mrs.
John M. Hawley.

Attention of the Herald has
been called to the fact that the
name of Corporal Joseph H. Wed-
derburn has been omitted from
the roster in the postoffice lobby.
The young man was the son of Mr.
and Mrs. Harry Wedderburn of
Norwood, and was a member of
Company "I" in border service.
He passed away at the EIPaso,
Texas, hospital Dec. 31, 1916 of
alkali pneumonia, and the remains
returned to Norwood for interment.

Lewis Ellis returned to this city
recently from Grand Rapids, and
with his family expects to make
his home here again.
The East Jordan Hunting Club
starts first of next week on their
annual hunting trip, their destina-
tion being about 40 miles from
Newberry on the Tahquamenon
river. Among those planning to go
are: Dr. H. W. Dicken, Dr. W. H.
Parks, Dr. G. W. Bechtold,
Roscoe Mackey, A. Cameron,
Charles McNama, Charles Coy-
kendall, Vern Whiteford.
Elder John Goodman of Boyne
City, who has been doing misson-
ary work for the Latter Day Saints
church in Indiana the past year or
more, visited friends and relatives
in the City this week.

Mrs. Mike Gunderson, Rev. J. C.
Johnson officiated. Mr. and Mrs.
Riegling will reside in Grand Rap-
ids.

Dr. Ervin J. Bremer of Detroit
has leased the office and equip-
ment of D. H. W. Dicken and tak-
es charge of the latter's practice
commencing this Friday. He ar-
rived in East Jordan last Monday
and will make his home with J. F.
Kenny.

The farm home owned and oc-
cupied by George Jaquays in Wil-
son Twp. was destroyed by fire
about 9:00 a. m. Monday. Practi-
cally all the household furniture on
the main floor was saved. Mr. Ja-
quays and family now occupy their
home in this city.

W. A. Loveday was seriously
injured in an auto accident Thurs-
day evening and is still confined
to his home in this city. He was
alone enroute home from Lansing.
A few miles south of Gaylord, in
the dark he ran into a telephone
repair truck which was parked by
the side of the road without lights.
Mr. Loveday received a severe cut
on the forehead which struck the
windshield, cuts on one of his arms,
and other injuries. He was taken

to the Gaylord hospital and the
next day was brought home. The
car was practically a complete
wreck.

Mrs. James Gidley and son Har-
old are at Grand Rapids where the
latter underwent an operation at
Blodgett hospital.

Your Credit Is Valuable
Protect It

It has been our policy in the past to extend
credit without specifying the length of time in
which we expected payment. For the most part
this policy has worked out well, because most
persons realize that as a retail outlet we are not
in a position to act as banker for everyone.

However, recent events have forced us to
place a limit on our credit policy. Henceforth, we
shall expect a settlement of all bills within 30
days from the date of purchase.

We have given this matter considerable
thought before making this decision. We have
come to the conclusion that such a 30-day policy
will maintain healthy business conditions and
stay within the realm of cordial customer rela-
tionship.

Your credit is a valuable asset, and it is
good sense to protect it by using it wisely.

Funeral Services For Mrs. Violet Ruckle This Thursday

Funeral services for Mrs. Violet Ruckle, who passed away at Meadow Brook hospital at Bellaire, Tuesday morning, will be held this Thursday at 2:30 p. m. from the United Missionary Church.

Son of Mr. and Mrs. Albert Roberts Killed In Accident at Mt. Morris

Mr. and Mrs. Julius Roberts, Mrs. Myrtle Roberts, Mr. and Mrs. Carl Moble and Mr. and Mrs. Wm. Vrondran, Jr., returned home, Tuesday, from Mt. Morris where they went to attend the funeral of their 3-year-old nephew, David Roberts, son of Mr. and Mrs. Albert Roberts, who was fatally burned Friday evening. A 12-year-old brother threw a pail of liquid on a fire which started in a waste basket, and it turned out to be fuel oil. Mrs. Roberts and her 14-year-old daughter, Marilyn, received third degree burns. They were taken to Hurley Hospital where the baby died early Saturday morning. The mother and sister are still in the hospital. Mr. and Mrs. Roberts were formerly of East Jordan.

A good way to use some of this fall's abundant apple crop is to add the fruit to your favorite coffee cake batter. Peel, core and chop coarsely enough apples to make one cup. Add to any family-sized coffee cake recipe.

Bowling News

The entire Northwest Michigan Traveling League will bowl in East Jordan, Sunday, Nov. 6th. The first squad starting at 1:00 p. m. with squads at 3:00, 5:00 and 7:00 following. Matches at 1:00 p. m. will bring together Big Rapids Recreation and Ferris Beverage of Ludington, both teams being tied for first place. Cadillac merchants will take on Evert Merchants on alleys 3 and 4 while Spike's from Grayling will tangle with Hotel Oseola from Reed City on 5 and 6. The 3 p. m. squad will have Norm's Tavern bowling the Recreation Traveler's, Big Rapids' Elks meeting Gamble Stores of Frankfort and Timber Products of Beulah bowling Home Oilers of Scotville. Other matches during the day will be determined by the outcome of the first two squads.

In the Merchant's League Thorsten's Lumber Co. still holds first place by taking three points from last year's champs, St. Joseph's. Bill Bennett scoring 529 for the winners while Oscar Weisler was tops for the Saints. The remaining teams are still bunched right behind the leaders as result of their winnings. Recreation dropped the first game to Ellsworth Electric then came on to win three points, with games of 888 and 910 added to their first score of 757. Pat Burtisch topped the Electric's with games of 189-202-209 for an even 600, which was high series for the night. Barney Adair was high for the Recreation finishing with a 235 for 588.

Sommerville's Grocery and Brock's Turkey Farm scored three point wins over Monarch Finer Foods and State Bank respectively. Monk Chihak showing the way for scoring on the Grocery five with the top game of the night, 243 sandwiched between 170 and 163 for 576, while Bob Smalley had 508 for Monarch. Wally Peacock finished with 200 to take the high series for the Turkey Growers and Greg Boswell was high for the Bankers with 530.

The E. J. Canning Co. and American Legion split points as did Cal's Tavern and Hillman's Insurance team. High for the Cannery was John Atkinson, while Al Dougherty had 516 for the Legion bowlers. Gene Tiechman led the Tavern team with 559 and Hank Ruis was tops for the Insurance men with 500 even.

In the Ladies League Cal's Tavern girls continue their winning ways with a four point win over Metal Products of Manelona, giving them 22 points won to only 6 losses. State Bank and Rainbow Bar took four points each from Home Modernizing and St. Joseph, while Quality Food and Central Lake Torch won three points from Dress and Gift Shop and Bachman's respectively. Art Cleaners upset Norm's Tavern in the other match of the night taking three points after losing the first game.

Datha Peacock took the scoring honors for the League with games of 188-162-201 for 529.

A long-range legislative study of state government, patterned after the successful "Hoover commission" at Washington, is envisioned by some Republican legislative leaders. Loren Miller, research director, Detroit Bureau of Governmental Research and former aide to Governor Sigler, is favored for chairman. Governor Williams is cool to the idea, feeling that a state commission should be established, free from either legislative or executive influences.

Frank Morris, Detroit Times Lansing correspondent, got an "exclusive" on this pipe-dream political conjuncture: That Senator Arthur H. Vandenburg would like to make a deal with the Republican nominee for governor whereby Vandenburg would resign prior to expiration of his term in 1952 and his son, Arthur Vandenburg, Jr., would be appointed to succeed him.

The big "catch" is this: Michigan voters are notoriously critical of suspected political deals. Such conniving could hardly be a political asset to the Republican nominee in a race against Governor Williams. It certainly would not add any luster to the record of Vandenburg as a statesman.

The resignation - appointment idea recalls the deal among Republican aspirants for governor and lieutenant governor prior to the Republican primary in 1948. Running for governor were Sigler, Dr. Eugene C. Keyes and Judge Skillman. Candidates for lieutenant governor included Secretary of State Fred M. Alger and Keyes. On the promise that Keyes would run for governor, Judge Skillman withdrew. Then Alger pulled out, leaving Keyes without opposition.

What happened in November, 1948, is now political history. Dewey carried the state by 40,000 votes, while Sigler lost by 160,000. Evidently about 200,000 Republicans switched the ticket in pro-

test against something. They elected G. Mennen Williams governor of Michigan, for one thing.

Speaking of rumors, this one is very persistent: Dr. Keyes of Dearborn has a carefully mapped program to capture the Republican primary nomination for governor in 1950. He is definitely out to win this time, come what may. He has financial backing already pledged for a vigorous state-wide contest. We picked up this information from a reliable source in the Thumb recently, and it tallies fully with Lansing knowledge. No pun is intended, but—watch Keyes!

Lansing newspaper correspondents seem to agree that Governor Williams' star has been ascending steadily in recent months. "Don't write off Soapy Williams in 1950" is their judgment, one year before the election. This change of straws-in-the-wind opinion is based on the governor's successful tour recently with Highway Commissioner Charles M. Ziegler and State Treasurer D. Hale Brake.

Effective publicists adhere to the theory that one good news story is worth two signed editorials. Hence the perpetual quest to present the client's side in the news. Some of the best propaganda stories, however, are purely accidental—just lucky breaks. An illustration of this overnight bounty was the news story from Tucson, Arizona, about bankruptcy proceedings on the El Siglo Apartments. It seems that the state administration board invested \$671,000 of the state employees' retirement fund in this property. In order to save the mortgage, Atty General Stephen Roth now is trying to get a receiver appointed. Score another for Williams and Roth.

If you jump to the conclusion that this column has become partisan, then scan this item: Governor Williams has changed strategy in

his 1949 campaign for re-election. No longer does he try to put Republicans on the defensive for an anticipated \$50,000,000 treasury deficit. Inflation's return to 1949 economy, plus a June 30 surplus of \$24,357,180 in the state treasury, have combined to scale down the expected deficit. Treasurer D. Hale Brake has even asked the governor to "repudiate" the 4 per cent corporation tax of the improved financial outlook.

The federal government's \$5 billion deficit makes Michigan look like a piker. Even a \$25,000,000 Lansing deficit by June 30, 1950 would be peanuts by comparison. Who's worried about the big bad wolf anyway? Not us chickens!

Driving Class Under Way

This semester's class consists of Bonnie Hosler, Pat Simmons, Pat Walker, Barbara Braman, John Looze, Marion Whitney, Leatha Bussing, Al Chanda, Don Bowers, Red Evans, Joe Hammond, Delwin and Darwin Morris, Ed Drapeau, Larry Huckle, Ardith Brock, Joyce Petrie, Leo Danforth, Bill Snyder and Wanda Kopkau.

Starting this week we will be driving in the morning as well as in the afternoon as we previously had been doing.

So far, most of us have learned to drive forward and backward. We can turn corners quite easily now, although Red Evans still insists on cutting his corners sharp and riding along on the sidewalk.

We haven't had any accidents yet this year, except for a few narrow squeaks. We will try to get through this course without breaking Mr. Damoth's neck.

Group 5 (Chanda, Hammond, Bussing and Walker) has had an interesting experience, so they say. It seems they were out driving one day when they came upon a car full of women parked beside the road. The car had engine trouble. The boys carried water from a near-by house in quart fruit jars to fill the radiator, and then Coach Damoth sent a mechanic out to help when they got back to town.

What Our Class Likes About Junior High

(by Student Council Representative Margaret Lord)

We seventh graders are glad that we are a part of the High School. There are many things that we have enjoyed since we joined this group in September.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

home work. It is fun to pass from one class to another and have several teachers.

We especially like our class meetings where we can learn how to lead and act in a meeting. Our group is taking a great deal of interest in earning money for our class.

Pep meetings give us a chance to learn the school song and yells. This helps us take greater interest in our school.

We liked our Halloween party very much. It was our first year to participate. We had lots of fun joining with the older high school students in the games. Our "Miss Clark" was quite a hit with everyone. We especially appreciate the part the Rotary Club and Merchants took in providing the party for what party is one except for the eats.

They also were very generous in supplying cash prizes. We seventh graders were more than grateful because we won their first prize of \$6.00. Thank you, Rotarians and Merchants!

East Jordan Student Council

Bryan Boring, President

The members of the Student Council of East Jordan High School will write articles in this paper to help our parents and others who are interested, to know more about our activities and our various organizations in High School.

The Student Council was organized for the purpose of solidifying relationships between the students, faculty, and the administration and that order may be maintained by the students. We are a member of the National Association of Student Councils.

The officers of the Student Council were elected by the students for this year. They are:

Bryan Boring, President; We consider Bryan wisely chosen for presidency because of his good decisions, leadership and high academic standard.

Rena Knudsen, Vice-President and Member at Large; Rena is well known in our town and is very active in class and school activities.

Elwin Evans, Secretary; Aside from the fact that Elwin is secretary of the Student Council, he is also President of the Junior Class. "Red" is very popular among the

students and is also well known in the sports field.

Don Cutler, Athletic Representative; One readily sees why Don was chosen for this office by his outstanding athletic ability.

The Representatives of each class from the grades 7-12 are:

Twelfth — Shirley Babel, Jim Nachazel.

Eleventh — Kay Sinclair, Elwin Evans.

Tenth — Connie Swafford, Don Whiteford.

Ninth — Carol Gilpen, Lawrence Chanda.

Eighth — Margaret Lord, Robert Danforth.

Seventh — Rosemarie Lehrbass, Eric Golke.

KINDERGARTEN

Isobel Sidebotham

Our Kindergarten has new window shades. We like them so much. We pull them down in the afternoon so our room is quite dark. We can rest better then.

Tommy Graham had a birthday on Oct. 23. He is six years old now. He brought a birthday treat for the boys and girls.

We have gone over to the new bus garage twice. It is fun to watch the building going up. It is all made of cement blocks and steel.

FIRST GRADE — Marguerite Stokes

Monday was Halloween. We dressed up scary. We had a party. We had a peanut hunt. We had cider, doughnuts, candy and cookies. We played peanut toss. We had a good time.

SECOND GRADE — Mrs. Seiler

Mrs. James Lilak and Douglas visited our room on Friday. We enjoyed the movie about the farm. All of the animal babies were so interesting.

Many of the girls and boys are learning to make pretty things with yarn.

Group three made houses from large cardboard boxes. The girls made curtains.

We enjoy the new records with singing games and we like to learn the words and play the games.

SECOND & THIRD GRADES — Adeline Bowerman

Jane Campau and Carolyn Richardson spent most of Monday in Petoskey having their eyes tested.

We are glad to welcome Joan Wallin to our second grade. She has been attending school in Alhanson.

Mary Carol Hastie entertained several of her friends to a Halloween party at her home Monday night.

A very large pumpkin which Mrs. Bowerman brought us from Napoleon has been the center of attraction in our room. It measured 21 inches high and 51 inches around. We made it into a Jack-o-lantern which we had lighted for our party. We all had such fun, dressing up, parading in the gym, playing games, singing songs and best of all were the nice treats. We wish to thank the Rotary Club and the Businessmen and all the mothers who furnished such nice treats for all of us.

Two cousins in our room celebrated their birthdays last week. Agnes Zoulek was seven on Friday and brought birthday cup cakes to share with her classmates. Patsy Zoulek's birthday fell on Saturday so we sang for her on Friday.

FOURTH GRADE — Mrs. Snyder

Robert Crowell and James Ravreau had birthdays on Halloween. We sang "Happy Birthday" to them.

Everyone was excited over Halloween and many costumes were in evidence for the parade in the Gym Monday afternoon. Nickolyn Myers, Sharon DeForest, Alva McClure, and Jerome Sulak brought treats for the room.

We received answers to the letters we wrote to the fourth grade in Wallad Lake. They sent us a copy of their school paper "Echo". It has two pictures of their school in it. When we answer these letters we plan to enclose some pictures of our school.

FIFTH GRADE — Elizabeth Dhasleer

Marvel Morford was absent three days with the flu. Judy Lilak is absent with a bad cold. We hope

she will be back Monday.—Betty Fisher.

Gerald Carney has been absent because of having his tonsils out. We will be glad to have him back.—Richard Bayliss.

The children in our room drew some Halloween pictures. There were pumpkins, owls, ghosts, bats, skeletons, and witches.—Rachel Webster.

Judith Shirey is from Pickney. She started school here and will be going back to Pickney Sunday.—Karen Bradshaw.

We are using a different science book. There are eight units and there are about five studying each unit. We are going to report to the rest of the class. One group is going to have a play and another group is going to put on some demonstrations.—Gladys Stanton.

FIFTH GRADE — Sadie Liskum

We have a new word learning game. Cal and Dewayne drew fish, colored and cut them out. On the back of each fish is a different word. A pin or bobby pin is fastened to each fish and they are all put into an empty fish bowl. Lee brought a piece of magnetized iron and Glenn brought a pole. To play the game a child fishes. He writes on the blackboard the word he finds on his fish. Then he writes as many words as possible which start with the same two letters. The number of words he spells correctly is his score.

Friday, we went to the high school chemistry laboratory. Mr. Michaels told us many things about coal and coke. Three of his students made coke from coal while we watched. Thank you Mr. Michaels.

SIXTH GRADE — Alma Larsen

We played many games at our Halloween party and enjoyed it very much.—Walter Murphy.

We are learning four kinds of sentences in English. They are declarative, interrogative, imperative and exclamatory. We had our Club meeting Monday, Oct. 31. Our new president is Dick Johnson; secretary, Jane Jackson; vice-president, Jerry O'Brien; Peggy Walton.

We have a new boy in our room, Fred Wallin from Alhanson. We have a collection of 19 leaves and seeds for our room.—Robert Prebbles.

We are just finishing our study of Australia in Social Studies. We appreciate the many new books we have to read in looking for information about a country.

Robert Prebble brought many interesting things to show us that his family had received from Australia.

We are going to sing three songs for assembly Friday. The names of them are: Dixie Land, Merry Melodies and Thwarted Romance.

We saw four movies Tuesday. They were: Sardine Fishing in Norway, If the Shoe Fits, Shelter, and Our American Heritage. They were very interesting.—Margaret Murray.
