## New Deer Creek Bridge on Highway M-32

Recently completed. Contractors D. T. Frank Co., East Lansing, Mich. Contractor for 1 1/4 miles of road, to be built, is the McClean Co., Lansing, Mich. Total cost of the bridge and 1 1/4 miles of road was \$100,000.00. Photo was taken before the guard rails, now completed, were constructed.

### AN APPRECIATION

We wish to thank the citizens of East Jordan and surrounding area for their liberal patronage during our ownership of the West Side AG Store, and bespeak the same liberal patronage for our successor, Gabriel Thomas.

## Community Chest Drive Ends Nov 11

EAST JORDAN ABOUT A THOUSAND DOLLARS SHORT OF GOAL

Our United Community Chest drive ends Nov. 11th, and East Jordan is about \$1000 short of our goal of 78 percent. An editorial in Monday's Grand Rapids Press well expresses our thought and hope. They also did not make their quota. We quote from that editorial:

"We imagine that next year will tell a different story. The long procession of successful Chest campaigns (Kent County) undoubtedly encouraged the belief in many persons' minds that success was inevitable, that no one had to worry about putting the Chest drive over the top. All of us know better now. We know that only the wholehearted support of the entire county can be expected to guarantee success of a chest campaign."

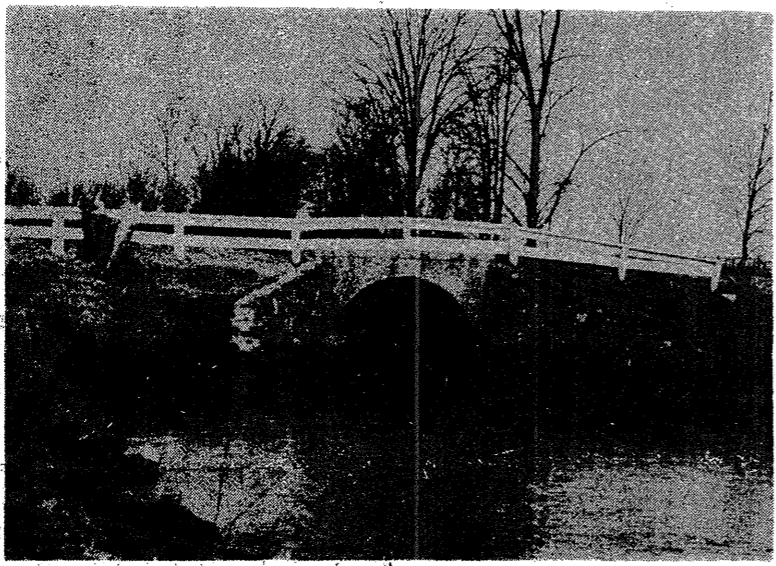

(Note—Almost all Red Feather Campaigns are county wide as was ours, with each town's local budget included.)

"The volunteer workers who spent weeks calling on 'prospects' carried out their responsibilities in a manner that should prompt nothing but praise. That leaves only the people to blame. But let's look at what they did rather than what they didn't do. They contributed this fairly large sum in spite of the fact that business conditions were none too good last summer."

A list of our volunteer workers follows and they did a splendid job and deserve the thanks of everyone in this community:

Hattie Murphy, Augusta Trojanek, Pearl Stanek, Ann Kamradt, Mary Kenny, Pearl McHale, Florence Srobona, Mrs. Charles Strehl, Jr., Mrs. Ed Maxwell, Mrs. Percy Penfold, Mrs. Victor Heinzelman, Mrs. Ellen Sagonek, Mrs. M. Palmer, Mrs. Albert Blossie, Mrs. Harry Slate, Mrs. Marie Woodcock, Mrs. Ed Strehl, Mrs. Darnoth, Mrs. Helen Hayes, Mrs. Lois Barnard, Mrs. Archie Murphy, Mrs. Harry Sloop, Mrs. William Shepard, Mrs. Sam Rogers, Mrs. Ted LaCroix, Mrs. Len Swafford, Mrs. Ernest Kopkau, Agnes Darbee, Mary Swoboda, Mrs. Sherman Conway, Mabel Winstone, Mrs. Wm. Bennett, Mrs. Delbert Miller, Mrs. Marion Jackson, Mrs. W. H. Malpass, Mrs. O. B. Burull and Grace Frieberg.

## Old Bridge Built in 1907

Constructed by South Arm Twp. about 1907 under supervision of Charles B. Crowell, County Highway Commissioner at that time.

## Mrs. Bert Hite Passes Away Friday, Nov. 4th

Minnie Mae Meyers was born in Illinois, July 23, 1871. When a young girl she moved with her parents to Potosky where she attended school; later she was employed in East Jordan where she met Bert Hite, and in March, 1891, they were married. To this union two sons were born. One passed away when a few years old.

Mr. and Mrs. Hite owned and operated a farm north of East Jordan for many years until failing health forced them to leave the farm. Since then they have lived in their cozy home northeast of the city on R. 1. Mrs. Hite was a great lover of flowers and house plants. She was a loving wife and mother.

She passed away Nov. 4, 1949, at Grandview hospital where she was taken but a few hours before suffering from a heart ailment.

Surviving, besides the husband, are one son, Leonard, of Antrim County, R. 3, East Jordan. Seven

grandchildren and twelve great grandchildren. Also one sister, Bertha Fredrickson, of Potosky. Services were held, Monday, Nov. 7, 1949, at Watson's Funeral Home, conducted by Rev. Chas. J. Stoppels, pastor of the Presbyterian church, Boyne City. Bearers were: Arthur Brimnall, Albert Lenosky, William Shepard, Edward Kamradt, Max Kamradt and Clayton Pinney. Interment at Sunset Hill.

Relatives and friends from away who were here to attend the funeral were: Pfc. Clyde Hite, Selfridge Field; Mr. and Mrs. Ed Hite, Breckenridge; Mr. and Mrs. Al Rondo, Mr. and Mrs. Harvey Pangborn, Midland; Mr. and Mrs. Frank Mathers, Boyne City.

Smart Alex Tourist: What's your speed limit?  
Local Native: Ain't got none!  
You fellers can't go through here too fast to suit us.

Nature gives everybody five senses—touch, taste, sight, smell and hearing. Everybody needs two more—horse and common.

## Blood Bank Goes Over Well

THIRTY-THREE PINTS OF BLOOD COLLECTED TO BE CONVERTED TO PLASMA

The Michigan Department of Health, sponsored by the American Red Cross set up a Blood Bank Unit in the East Jordan High School Gym, Thursday, Nov. 3, 1949.

Dr. Emilie Clarke was well pleased with the number of donors registered. Thirty-three pints of blood were collected. This blood was immediately sent to Lansing where it is changed to plasma and other useful derivatives. All blood collected in Charlevoix County (104 pints in all) will be returned to this county to be administered free to anyone needing it as long as the supply lasts. Plasma had advantages over blood transfusions in that it has better keeping qualities (up to 18 months), and it is not necessary to type either the donor or the recipient before administering plasma, thereby saving precious minutes in case of emergency.

The Michigan Department of Health and American Red Cross wishes to thank the following donors

who helped make the drive a success:

Forest Muma, Thelma Beal, Harriet Malpass, Robert Anderson, Theodore Malpass, Foster Johnson, Orrin Parks, Robert Scott, Rose Bussler, Marie Woodcock, Leta Bennett, Theresa Walden, Carol Howe, Bernard Sturgell, Glenn Neumann, Bruce Malpass, Susie Barrick, Obert Burull, George Walton, Wm. Grauel, Inez Slate, Evelyn Murphy, Mildred Karr, William Neumann, Basil Holland, Chris Taylor, Gwendolyn Crowell, Jerome Sulak, Cyril Dolézel, Phyllis Malpass, Lois Barnard, Melvin Sweet, Frank Strehl, Agnes Darbee, Velma Sweet, Wilford Howe; also Irving Sudman, Gustie Penfold, and Margaret Stanley, all of Boyne City.

And also the following workers: Dr. J. VanDellen, Elizabeth Robertson, Phyllis Malpass, Cyril Dolézel, Polly Sinclair, Theodore Malpass, Harriet Malone, Irene Wright, Wm. Walden, Earl Clark, Lois Barnard, Jean Bugai, Rene Sue Pray, Phoebe Watson, Harriet Malpass, Carol Howe, Helen Severance, Betty Jo Strehl, Bill Grauel, Hugh Gidley.

## Mother's Club Meeting

The first meeting of the Mother's Club will be held in the Library basement at 2 o'clock on Monday, Nov. 14. If you have any suggestions for programs or if you have problems you wish discussed please drop them in our question box at this meeting.

Miss Harriet Kilborn, our guest speaker, who has a book store in Petosky, will give a talk on children's books. Miss Kilborn will bring a display of books and will conduct a question and answer period following her talk.

## Legion Auxiliary Planning A Membership Drive

The American Legion Auxiliary is planning a membership drive to increase its service strength. We would like to have at least one half of our quota in by Nov. 11. At a special meeting to plan the campaign, Membership-Chairman Reva Walton and her Co-Chairmen Lillian Bennett, Jenny Davis, Mary Hayes, Helen King, Floy Taylor, Mary Lou Breakey and Vesta Chahak decided to make personal contact with all the eligible women and invite them to join the Auxiliary now.

All wives, sisters and daughters of an American Legion member, those of men who died in war service or since discharge and women who themselves served in the armed forces are eligible to join.

Our program for the coming year promises to give us one of the most interesting years in the history of Rebet-Sweet Post 227 Auxiliary. Now at the beginning of the organization year, is the best time for new members to join. They will be in at the start of our activities for 1950 and will be able to take full part.

## East Jordan Residents Sentenced to State Prison, 2 to 15 Years

Three East Jordan youths were sentenced Monday by Judge Charles L. Brown in Charlevoix Circuit Court on a charge of breaking and entering a tool shed owned by Clyde Goodman of South Arm Township.

Emil Prevo, 18, and Eugene Prevo, 16, were sentenced from two to 15 years in Southern Michigan Prison at Jackson.

William Schlicka, 17, was placed on two years' probation and ordered to pay court costs of \$25 and to make \$10 restitution.

According to Chief of Police Simmons these lads were known to have stolen gas from cars and letting air out of tires.

It is hoped this will have a salutary effect on other youths so inclined.

## Legion Held Fall Conference Meeting At Petosky, Nov. 6th

The American Legion Auxiliary held one of their Fall Conference meetings at Petosky, Sunday, Nov. 6, in the Odd Fellow Hall which was well attended. The meeting was mainly a school of instruction. Petosky Unit acted as hostesses. Department officers present were Violet Barnes, Dept. President; Bertha Prestol, Sec'y-Treas.; Ann Wagner, Dept. Americanism Chairman. The afternoon session began at 2:00 o'clock. A delicious supper was served by the Petosky Unit. The evening session was then called. Several members of the East Jordan Rebet-Sweet Post 227 Auxiliary attended the meeting. A lot of valuable information was gathered which should aid our Unit in becoming more efficient in Legion Auxiliary work.

## Winter Concert Season Opens Nov. 11th

On Friday evening, November 11, the DePaur Infantry Chorus will return to Petosky to present another of their popular concerts to open the Northern Michigan Community Concert, Association season.

The group is now making its third concert tour and will be heard from the Virginia tidewater country to the wheatfields of Manitoba. Last season's tour broke all existing records in the concert business and residents of this area are quite fortunate in being able to hear them again so soon.

The chorus was heard here two years ago and is being brought back by popular demand. An indication of their reception in this area is the report of local record dealers that the recordings of this group have had a larger sale than the recordings of any other concert attraction heard here.

The DePaur repertory includes the music of many lands, songs of all faiths, the songs of World War II, spirituals and modern arrangements of art songs.

Since the announcement was made that the DePaur would be heard here again this season there has been a great demand for tickets. However, as is the custom, there will be no extra seats sold and admission will be made only on the season ticket of the local association.

## Mrs. Violet Ruckle Laid To Rest Thursday, Nov. 3rd

Funeral services for Mrs. Violet Ruckle, who passed away at Meadowbrook Hospital at Bellaire, Tuesday, Nov. 1, were held, Thursday, Nov. 3rd, from the United Missionary church, conducted by the pastor, Rev. F. I. Rouse. Interment at Sunset Hill. Bearers were her three sons and three brothers.

She was born in Echo Twp., Antrim County, June 17, 1897. Her parents were Mr. and Mrs. Arnon Hayward. Nov. 7, 1918, she was united in marriage to Joseph Ruckle. Mrs. Ruckle and family have made East Jordan their home for several years. She was a member of the United Missionary church.

Surviving are the husband, a patient of the Veteran's Hospital at Battle Creek; three sons—Henry of Perry; Howard and Harold at home; also a daughter, Lolo Mae, at home. Two grandchildren; one sister, Mrs. Newton Cross of Owen, and three brothers—Harlem Hayward, Groveland; Munes Hayward, Eaton Rapids; and Buster Hayward, Grand Ledge.

Besides the relatives who were here to attend the funeral, Mr. and Mrs. Edward VanderVenter of Traverse City were here.

## Community Self-Help Conference

AT EAST JORDAN HIGH SCHOOL, NOV. 2, WELL ATTENDED

On Nov. 2, 1949, the P.-T. A. of East Jordan and the Extension Service of the University of Michigan sponsored a Community Self-Help Conference at East Jordan High School. It was attended by communities from this end of the 104 persons from 14 different lower peninsula.

Registration was at 3:00 in the E. J. H. S. Band Room. At 4:30 a meeting of all people attending the conference was conducted by Cameron W. Meredith of the University of Michigan. He explained why the people were there. The main point made was that they were there to talk over what could be done to make life in the smaller communities more satisfying.

From 4:00 to 5:30 the group broke up into three sections and discussed such topics as: Money Raising for Community Projects, Rural-Urban Relationships, and Planning Together for Youth.

A dinner meeting of all assembled presided over by Mr. H. Porter featured a ham dinner prepared by Mrs. Clare Brown and her Home Economics girls, and vocal music by Bonnie Hosler, Margaret Blossie and Kay Sinclair, under the direction of Mrs. Alta Drapeau.

Three evening meetings discussed coordination of Community Adult Needs, and Interests and Activities, Education to Meet Recreation for the Community. At a final meeting, conducted by Mr. Wm. G. Robinson, of the University of Michigan for a summary, it was concluded that most small communities should have a community calendar so that activities of interest to all people in a community would not be scheduled for the same night.

Carl E. Wagner, Principal East Jordan High School.

Scarne tells you how shipboard gamblers operate; how they line up suckers, arrange a friendly game, and fleece their victims with a "cold" deck. Meet The Professor, Steamboat Bill, The Hiker and other international crooks. Don't miss "Secrets of the Sea-Going Card Sharps" in The American Weekly, the great magazine of true-life stories with Sunday's Chicago Herald-American.

At 8 o'clock the evening of Dec. 1, another meeting will be held at the home of Mr. and Mrs. Chas. Stanek. Everyone is invited. Come and find out just what Farm Bureau has done, is doing, and will do for farmers.

The following officers were elected:—Chas. Stanek, Chairman; Mrs. Francis Nemecek, Vice-Chairman; and Mrs. Chas. Stanek, Sec.-Treas.

As in the past, the concert will begin promptly at 8:30 p. m. at Petosky high school auditorium. There are sixty-five patrons of this concert series in East Jordan. Mrs. John Porter is chairman and will be glad to answer any questions about the concert.

## Record of 1949-50 Football Squad Outstanding

Vance Community Farm Bureau

The Vance Community Farm Bureau met at the home of Mr. and Mrs. Percy Bennett, Tuesday, Oct. 25, with ten members present.

The meeting was opened with a game, conducted by the Recreation Leader, Mrs. Hartung. The meeting was called to order by Chairman, Maurice Hartung. A report on the Board of Directors meeting was given by Vernon Vance.

Mrs. Vernon Vance reported on the Road Signs and Health Project, also the Roll Call.

Maurice Hartung was elected Roll Call Captain for the group.

A good discussion on the Brannon Plan was conducted by Discussion leader, Mrs. Fred Zoulek. The group unanimously decided against the Brannon Plan and that each member should write to the senators and representatives if the bill comes before Congress in the future.

The meeting was adjourned to meet with Mr. and Mrs. Maurice Hartung on Tuesday, Nov. 22.

SCORE AGAINST MANCE-LONA ESTABLISHES AN ALL TIME CONFERENCE RECORD

Records that the football squad of 1949-50 will remember are many. Among them is the 66-0 score made against Mancelona which sets an all time conference record topping even the great Charlevoix squads of '49-'50. Another is the 47-0 trouncing handed Boyne City. One can check back in the records to 1912 and still find no greater score run up against Boyne City by any team. By scoring 281 points in a season the Devils of '49 go down as one of the highest scoring H. S. teams in the state. In the last three games the boys have run up 153 points while holding the opposition scoreless. Although the team looked sharp last year, this year's version by their hard work completely mastered the split "T" formation and single wing formations. The boys ran well from both formations. In eight games their running attack was never halted. The forward pass wasn't discarded either as the percentage of completions was quite high. All four backs were good passers and everyone threw at least one pass the past season, although Cutler and Boring did the most throwing. The blocking of the line downfield was outstanding and many of the long successful plays can be traced back to a hard block at the line of scrimmage that allowed the ball carrier to break away. A tough fighting spirit always prevailed throughout the whole which enabled it to overcome injuries, lack of good practice conditions, and any bad breaks that come up.

East Jordan High School ended their second straight year without a defeat by tramping over a big hard hitting Gaylord team 40-0.

Gaylord took the field decked in new blue and old uniforms and played inspired ball against the Red Devils until the versatile running and passing attack of the Crimson Tide started to click.

Playing a tight six and seven-man line the Blue Devils held Jordan for down after the kickoff and Hammond punted. After an exchange the Jordanites started to roll. Picking up two first downs by running the Red Devils does the Gaylord defense in and Cutler shot a 30 yard pass to Whiteford to set up the first score. Seniors Hammond and Cutler shared in most of the scoring although Boring dashed 60 yards on a delayed sneak to provide the large crowd with a thrill. Boring simply outran the Gaylord defense on his way to the goal. Max Sommerville turned in a very fine defensive game at right half.

In the line Seniors Al Chanda, Jim Nachazel, Bob Saxton, Keith Vance, Jim Meredith, Don Kowalske, Don Bowers and Irving Whitney all turned in good games.

## Charlevoix County Unit Organize a Medical Board of Directors

The Charlevoix County Unit of the American Cancer Society has organized a Medical Board of Directors, Dr. J. VanDellen of East Jordan, Chairman. Other members of the Board are Dr. A. F. Litzberger of Boyne City, Dr. R. S. Mc Clintock of Charlevoix and County Commander Mrs. Ernest Garrison. Mrs. Garrison will be out of town on an extended visit and anyone in need of information or cancer services during her absence may call Mrs. Joseph Clark, East Jordan City Chairman, phone 217. Mrs. Clark will do all she can to be of assistance.

## Legion To Celebrate Armistice Day This Friday Night

Armistice Day will be celebrated by the American Legion Rebet-Sweet Post 227 and Auxiliary in their clubroom Nov. 11 with a family Pot Luck Supper at 6:30. Following the supper the Auxiliary will raffle off the nine piece set of Chrome Cook Wear, they have been selling tickets for. It will not be necessary to be present to win the set.

Come on, you Legion families let's make this a real Legion get-together. Everyone is sure to have a good time.

## Farm Bureau Being Organized In East Jordan

Wednesday evening, Nov. 2, a group of neighbors gathered at the home of Mr. and Mrs. Francis Nemecek to talk about organizing a Community Farm Bureau group. Mr. and Mrs. Vernon Vance presented the Farm Bureau program, telling of the advantages of belonging to the organization. Also the fact that it is a family membership and the whole family can benefit by belonging to Farm Bureau.

At 8 o'clock the evening of Dec. 1, another meeting will be held at the home of Mr. and Mrs. Chas. Stanek. Everyone is invited. Come and find out just what Farm Bureau has done, is doing, and will do for farmers.

The following officers were elected:—Chas. Stanek, Chairman; Mrs. Francis Nemecek, Vice-Chairman; and Mrs. Chas. Stanek, Sec.-Treas.

## Fair Board Elects Two Resign

TWO VALUABLE OFFICERS ELECTED OVER THEIR RESIGNATION

The new Board of Directors of Charlevoix County Agr-I Association met last Monday evening at East Jordan to elect officers and discuss whether there will be a Fair during 1950. The following officers were elected: President, Claude Pearsall; First Vice-President, Jess Smith; Second Vice-President, Dan Bennett; Treasurer, C. W. Bowman; Secretary, Ed Rebmam.

Immediately upon being elected both Mr. Pearsall and Mr. Rebmam resigned. Mr. Pearsall's reason was because the job took too much time from his regular work and therefore he could not afford it. Mr. Rebmam's reason for resigning was that it interfered with his regular work and that many people did not think the County Agent should spend so much time working for the Fair. However, both officers were elected over their resignations.

Plans here are under way to make the 1950 and succeeding Fairs self-supporting. One item of business that will interest most people was that a motion was made and passed that there will be no beer at the 1950 Fair. It is now up to the people of Charlevoix and especially those near East Jordan to show their interest in a local Fair.

Ed Rebmam.

**PENINSULA....**  
(Edited by Mrs. Emma Hayden)  
Mr. and Mrs. Harry Howard of West Peninsula and parents, Mr. and Mrs. Wm. Hennings, of East Jordan, R. 3, were called to Kalamazoo, Thursday to attend the funeral of a relative. Friday they motored to Detroit and spent the week end with relatives. Mrs. Howard's brother stayed at the farm with their son, "Butch", and did the chores.  
A small crowd attended the party at the Star School Saturday. There will be another in two weeks with pot luck lunch.  
There were 17 present at Star Sunday School.  
A few old timers of Peninsula attended the funeral of John Stanford last Monday. He was buried beside Mrs. Stanford at the Advance Cemetery. They resided, some 20 years ago, on the farm now owned by Fred Sherman.  
Harry Sanford, Mrs. Leora Perry and Mrs. Glen Sanford, all of near Detroit, visited a number of homes Tuesday. They came to attend the funeral of their father, John Sanford.  
Mr. and Mrs. Clayton Healey attended the wedding of Mr. Healey's niece last week end.  
Mrs. Agnes Healey was around the past week for the East Jordan division of the Community Chest.  
Mr. and Mrs. Kenneth Staley of Charlevoix were Sunday dinner guests of their parents, Mr. and Mrs. F. K. Hayden.  
A couple days of stormy weather last week but as a whole a wonderful week for the first of November. Most farmers have their fall work done. Some young cattle are still out in pastures.

**JORDAN....**  
(Edited by Mrs. Tom Kiser)  
Miss Mary Justice was injured very seriously in a car accident which occurred in Midland. She will be in the hospital for at least 5 weeks. Mr. and Mrs. Leland Rogers and two sons of Midland spent the week end with Mr. and Mrs. Allison Pinney.  
The Tuesday evening meeting of the Jordan River Sunday School was well attended and a very good message was given by Mr. Buck of Petoskey.  
Arnold Hart is in Charlevoix hospital for treatment. We hope he will be home soon.  
Miss Fern Morris of Memphis, Tenn., Naval Station was in the hospital most of Oct. with a back injury. She is better at this writing.  
Mrs. Ray Williams and daughter, Mrs. Bob Price, of Boyne City, were Wednesday callers at the home of Mrs. Albert Omland and family.  
Mr. and Mrs. F. Williams, Lou Morris, and Mr. and Mrs. E. Williams had dinner at the Art Morris home Sunday in honor of Mrs. E. Williams' birthday.  
Ernest Lundy and family and Mrs. John Lundy spent Sunday at the Floyd Lundy home.  
Teddy Kiser and Johnnie Bussing were lost several hours Sunday evening along the Jordan River. They found their way out of the swamp none the worse for their adventure.  
All the neighborhood men are anxious for deer season to open. Guns are being cleaned, camp equipment overhauled and work caught up on before the big adventure and then tall tales.

**PENINSULA....**  
(Edited by Mrs. Emma Hayden)  
Mr. and Mrs. Harry Howard of West Peninsula and parents, Mr. and Mrs. Wm. Hennings, of East Jordan, R. 3, were called to Kalamazoo, Thursday to attend the funeral of a relative. Friday they motored to Detroit and spent the week end with relatives. Mrs. Howard's brother stayed at the farm with their son, "Butch", and did the chores.  
A small crowd attended the party at the Star School Saturday. There will be another in two weeks with pot luck lunch.  
There were 17 present at Star Sunday School.  
A few old timers of Peninsula attended the funeral of John Stanford last Monday. He was buried beside Mrs. Stanford at the Advance Cemetery. They resided, some 20 years ago, on the farm now owned by Fred Sherman.  
Harry Sanford, Mrs. Leora Perry and Mrs. Glen Sanford, all of near Detroit, visited a number of homes Tuesday. They came to attend the funeral of their father, John Sanford.  
Mr. and Mrs. Clayton Healey attended the wedding of Mr. Healey's niece last week end.  
Mrs. Agnes Healey was around the past week for the East Jordan division of the Community Chest.  
Mr. and Mrs. Kenneth Staley of Charlevoix were Sunday dinner guests of their parents, Mr. and Mrs. F. K. Hayden.  
A couple days of stormy weather last week but as a whole a wonderful week for the first of November. Most farmers have their fall work done. Some young cattle are still out in pastures.

**JORDAN....**

**MICHIGAN MIRROR**  
The present day craze of economic security for the individual, as typified by the \$100 month pension plan granted by the Ford Motor Company of Dearborn, appears to be bringing further economic insecurity to employers of small business firms.  
"Little business" is watching the outcome of the United States Steel Corporation-CIO tug-of-war over who is to pay for pensions and insurance.  
Already the Bethlehem Steel Corporation has signed a contract whereby its 80,000 employees will be eligible for noncontributory pensions of a minimum of \$100 a month after 25 years of service. This will cost the company 12 1/2 cents an hour per employee. As to social insurance, the company and employees will pay 2 1/2 cents an hour each in sharing the cost.

What will other Michigan automobile firms do? A reporter of the New York Times, writing a story from Flint states: "It is generally agreed that the pension plan accepted by Ford will have to be adopted by other companies." The cost of such retirement income, if paid largely by the employer, will put new costs upon the automobile. All costs must be paid by the consumer—if at all.  
It is interesting to note that the Ford-Bethlehem contracts for pensions includes federal social security benefits. These are financed equally by the employer and employee. If the Ford-Bethlehem idea becomes a general pattern for "big business", it is easy to see that the inevitable effect will be to encourage action by Congress to have more retirement benefits financed by social security and thus, in part, by the worker.

Whereas many industrial leaders have been traditionally cool to the principle of federal social security, as contrasted to privately-financed social security with or without employee contributions, there is now a good chance that many of these persons will favor increased federal benefits. Such action would reduce the gap between security benefits and \$100 a month. It would have the indirect effect of saving money for the employer.  
If "big business" lines up for pensions and social insurance benefits, what will "little business" do about it?  
The Detroit Free Press commented editorially the other day: "With new demands, added to high wage scales and tremendous tax obligations, it will not be surprising if many small firms either are forced out of business, or into mergers—a tendency toward bigness against which the Truman administration screams."

What affects small firms affect many Americans.  
Last year (1948) about 35 per cent of all workers were employed by companies having five or less employees. Almost two-thirds worked for firms of less than 300 employees.  
The "compulsory contribution" (the government's phrase for payroll tax) would go from 1 to 1 1/2 percent on Jan. 1, 1950; 2 percent by 1951; 2 1/2 percent by 1960, and finally up to 3 1/2 percent by 1970. Washington observers agree that the Senate is "certain" to act favorably in 1950 (an election year) on upward revision of social security benefits, now admittedly out of balance with today's inflated dollar.

The coming squeeze on "little business" illustrates why many thoughtful business men are genuinely concerned over the present steady drift toward the welfare state. If farmers are guaranteed fair prices for their crops, if workers are guaranteed economic security from cradle to grave, what will be the final outcome?  
And if to oppose such new Utopian protection for the masses is to qualify a critic for the odious label of a "reactionary", then the business man may arrive at the philosophical fatalism recently expressed in "Trends", a journal of the National Association of Manufacturers:  
"There has never in past history been any large state that controlled its citizens as completely as they are controlled in the Soviet Republic or even in modern England."  
"It may be that the present tendencies toward centralization are too strong to be resisted until they have led to disaster, and that, as happened in the fifth century, the whole system must break down with all the inevitable results as anarchy and poverty before human beings can again acquire that degree of personal freedom without which life loses its savor."

State socialism and inflation go hand in hand. It is high time that every American re-appraise the ultimate price of the inevitable outcome: Disaster for the nation and loss of freedom for the individual.

**Local Merchant To Participate in Million Dollar Giveaway**  
Sherman's Firestone, of East Jordan, will be one of thousands of appliance dealers participating in a \$2,000,000 "Giveaway to top all Giveaways," George Sherman has announced.  
The "Giveaway" is to be conducted by the Crosley Division, Avco Manufacturing Corporation, and its distributors and dealers throughout the country.  
George described the "Giveaway" as "the simplest to enter and easiest to win—and by far the biggest—in history."  
Prizes will include nearly \$2,000,000 worth of New 1950 Custom Model Crosley Shelvador refrigerators to be given away by dealers, and 125 awards to grand prize winners nationally.  
To enter, it will be necessary only to write, in a few words, "Why I Should Be Given a New 1950 Shelvador Refrigerator." Entry blanks on which to write may be obtained without obligation at Sherman's Firestone Store.  
The best local entry, as judged by a committee of prominent citizens of the community, will be awarded a new 1950 custom model Shelvador refrigerator, having a capacity of 9 cubic feet.  
National entries will be forwarded to Crosley headquarters for the additional selection of national prize winners.  
First national prize will be \$10,000 in cash and a complete Crosley kitchen, having a retail value of \$1,520; second prize, \$5,000 in cash plus a complete electric kitchen; third prize \$2,500 in cash and a complete electric kitchen; fourth prize, \$1,500 in cash plus the kitchen; fifth prize, \$1,000 in cash plus the kitchen; next 20 prizes, complete electric kitchens; next 100 prizes, new 1950 custom model 9-cubic-foot Shelvador refrigerators.  
Both national and local entry blanks are now available and the final deadline will be November 30, Sherman said.

**Yield of 1,000 Bushels an Acre Is Potato Record**  
Don't claim the election until all the precincts are in. Politicians have found that to be good advice. Potato championships, too, shouldn't be claimed until all parts of the state are heard from in this state of Michigan. A Kent county yield of 853 bushels recently reported topped all previous Michigan records. But now reports from Marquette county in the upper peninsula show a yield of more than 1,000 bushels an acre.  
Paul VanDamme in south Marquette county produced a yield of 1,038 bushels an acre on a six-acre plot. The yield was checked by R. H. Kaven, Marquette county agricultural agent, and William Cargo, crops specialist for the Michigan Extension Service.  
Van Damme got his early potato growing training from his father, Jules VanDamme, who once won the state premier potato growers honors. But here's how he got more than 1,000 bushels to the acre:  
He cleared some new loam land in the spring of 1948 and last fall planted rye, using 600 pounds of 3-12-12 fertilizer at planting time. In May he plowed under the rye for green manure and planted 40 bushels of certified Russet Rural seed potatoes to the acre, using 1,000 pounds of 3-12-12 fertilizer for each acre. Rows were 32 inches apart in rows.  
During the season he cultivated when necessary and sprayed against disease and insects a total of 17 times. No irrigation was done.

**Love So Amazing**

Lesson for November 13, 1949

LONG AGO riding in his slow chariot through the southern sands, a puzzled reader with Isaiah 53 in his hands asked the question other readers have asked ever since: Does the prophet speak of himself or of some other? The answer given by Phillip (see Acts 8) has been the answer of the church ever since: This prophecy can be understood only in the light from Calvary's Cross. Phillip did not say, and we need not insist, that the prophet had Jesus, and Jesus only, in mind when he wrote.

Dr. Foreman

What we do say is that while these words might have described some one the prophet knew, might have described the whole nation of Israel, might even have described himself, still the words make but a poor picture of any one else, compared with the picture they make of Jesus.

**The Scarlet Thread**

ISAIAH 53 has been in the center of the church's thinking about Christ from the beginning. It may be said to run like a scarlet thread through the New Testament. It was in the back of the minds of Paul and John and Peter alike. This great prophecy sheds a light on what otherwise had been a black opaque blot—the death of Christ.

What would otherwise be simply a horrible tragedy, perhaps the greatest tragedy of history, the perfect case of complete injustice, the final evidence that there is no God, in the light of Isaiah 53 becomes a center of glory.

Instead of being ashamed of the cross on which Jesus died, the church sings, "In the cross of Christ I glory." "Love so amazing, so divine, demands my soul, my life, my all."

We believe that Christ suffered not for his own but for others' sake. Suffering, not forced but willingly undergone, suffering not as mere pain but that others might be saved, suffering on behalf of others and for love of them—this is the key to the riddle of existence, this is the key to the heart of God.

**Not Christ Alone**

IF CHRIST'S MEN had refused to follow where he led, if all Christians had been willing to let him carry, alone, the burden of the world's sin and grief, there never would have been any Christianity—for there would never have been any Christians. Peter and James and the rest of the apostles would have refused to die for Jesus' sake. The noble army of martyrs would have been an ignoble army of cowards.

No missionary ever would have left home and comforts and country; no mother would have laid down her life for her children; the unselfish service of those who have cared for the sick and the orphaned would never have been done; indeed, had no one ever been willing to suffer for the benefit of others, one wonders whether the world could have even held together this long.

Christ died that the world might live, yes; but others also had to die to make his death avail. He died for Africa, that Africans might live; but Africans died till men like Livingstone and Schweitzer and many a less famous man and woman also went out and lived there in loneliness and died in pain.

Christ died for the little children of the poor, but until the Salvation Army and others like them went down into the slums and suffered there with and for them, those poor little people died without so much as dreaming that God might love them.

Christ died for all the lepers in the world; but until a Father Damien, and others no less Christ-like, went among the outcast lepers and became outcasts themselves for the love of Christ, those lepers died in the dark.

**"Let Him Take His Own Cross Daily"**

YES, Isaiah 53 pictures the self-sacrifice of our Lord, above all. But any one who has any intention of being a true servant of God must be willing to find his own life-direction right here. The world does not need more pain; it does need those who will suffer pain to serve others in Christ's name.

# Isn't America A Wonderful Country!

All over the world today there are people teaching bitterness and hate.

Here in America we have learned to live together in friendship.

For us here at A&P, it has been a wonderful and thrilling experience to get from those with whom we compete day after day such astounding evidence of friendship and respect.

The things that have happened since the anti-trust lawyers from Washington brought suit to destroy A&P have amazed us.

While we sincerely believed that we had earned the friendship of millions of consumers for whom we have provided better food at lower prices, and the friendship of millions of farm families for whom we have provided a better market for their produce, we were not prepared for the avalanche of offers of support.

But most of all, we have to confess that we had underestimated

the fine sportsmanship of many of our competitors all over the country.

Can anyone believe that these competitors would rush to our defense if, as the anti-trust lawyers allege, we had been trying to put them out of business?

We and they have fought hard for business.

There are nearly 350,000 individual grocers competing with us. They have a larger share of the nation's grocery business today than they had ten years ago or twenty years ago.

Many of them do as good a job as we do, and they make it plenty tough for us.

Now, day after day, these same competitors are letting us know that they are in our corner.

All we can say is, thank you from the bottom of our hearts.

*Isn't America A Wonderful Country!*

## Who hollered for Uncle?

Who wants him to break up A&P?

### COULD IT BE INDEPENDENT GROCERS?

Doesn't seem likely. In ten years America's independent storekeepers almost tripled their business. In 1938 they did just under \$½ billion dollars worth of food business. Last year the independent storekeepers handled over 15 billion dollars worth of food.

**WHOLESALE GROCERS?** Hardly. For many of them are directly or indirectly engaged in or supporting some form of voluntary or cooperative chain to match chain economies.

**THE EMPLOYEES?** That would be funny—except that some folks probably believe it. Actually, less than 25 years ago many food chain stores could have paid all expenses—rent, heat, light, wages, etc.—out of the money a store manager alone gets paid now. And the store manager of 25 years ago would have been happy to get what a clerk gets today.

**PRODUCERS?** Well, take farmers. Certainly part of their prosperity must be attributed to the markets that big chains create for them. The big chains buy the entire pack of many a canner. Those canneries pack the farmers' crops. What would the farmer do with his highly perishable crop if the food chains were eliminated as big volume buyers?

**COMPETING CHAINS, MAYBE?** No. Practically every chain in the grocery business had more sales last year than the year before. One chain that we know a lot about increased its food business 21% last year and is up 19% in the first eight months of this year.

**THEN IT CERTAINLY MUST BE THE PEOPLE!** Like fun. If the people hated food chain stores, would they have spent 9½ billion dollars in them last year? Folks like the low prices and high standards of chains—and the better the chains are run, the better folks like them.

### Does This Sound as Though We Need Help?

Therefore Super Markets came into existence 10 years ago. The food chains therefore replaced were doing about three million dollars worth of business a year. Housewives liked our policies well enough to boost their purchases in our 90 stores to about 30 million dollars a year.

We call that a vote of confidence. And we're going to keep right on proving that as long as we stick to good brands and better-than-average selections at rock-bottom prices, we can compete with anybody in the business. And keep right on growing, too!

We don't believe any chain will be punished for being efficient, or for pleasing housewives so well that it is forced to grow.

We, too, believe that it is a storekeeper's duty to bring the public the best food at the lowest possible prices, and hope to see the chain store way of doing business vindicated.

And as long as the producers, the employees, the customers, the wholesale grocers, the independents and the competing chains thrive so well, we will continue to think it's a good way to do business.

## We Don't Want the A&P Put Out of Business

The owner of the undersigned store is an independent merchant in this community. We run our own store, set our own prices, maintain our own policy. We consider the Great Atlantic & Pacific Tea Co. as a chain store. Because they are a chain they give us stiff competition. The competition offered by the A&P keeps us on our toes.

The Department of Justice has brought a suit against the A&P claiming that the A&P is a monopoly.

Whether it is or not we are in no position to judge.

What we do know is that the A&P doesn't do all of the grocery business in this area. We are here, and ready to serve local customers.

**WE DON'T WANT TO SEE THE A&P PUT OUT OF BUSINESS.**

The A&P is keeping food prices down. We in turn keep our prices down; and that helps us to sell more goods.

**KUGLER'S SUPER-FOOD MARKET**  
PHILADELPHIA, PA.

## We Agree With A&P

Yes, we want our A&P competitors to stay in business on their present scale because we know what it would mean to the American people without them.

We are only one store and are striving to serve our community with good food at low prices, but the A&P is a nationwide organization serving the American people everywhere with good food at low prices.

Destroying the A&P would mean eliminating competition nationally in the food field which every poor man knows consumes the major portion of his salary.

We congratulate the A&P for a job well done. Keep up the fight.

We welcome any fair competition which helps us bring lower food prices to the consumer.

## I Welcome A&P Competition BECAUSE

• • • • • Like myself, many hundreds of independent grocers got their start with the TEA COMPANY.

• • • • • The great A&P is not detrimental to the progress of the grocery business. On the contrary, A&P has always been beneficial to any open-minded businessman who believes in FREE ENTERPRISE. Founded on the principle of FAIR PLAY and FAIR PRICES, A&P developed from a humble start to its present commanding position in the field of retail merchandising.

• • • • • My experience as a former employee of the TEA COMPANY has served me well. I attribute my success to the ideas and methods tried, tested and proven by the A&P stores—at a great cost.

• • • • • A&P upholds the rights and privileges of a good worker. I know this from personal experience. A&P is ever on the lookout to promote sincere and ambitious employees to trustworthy and important positions and has never crossed the efforts of any employee to enter into business for himself. A&P helped me to start in business... IS THAT AN ACT OF A COMPANY MONOPOLIZING THE GROCERY BUSINESS? NO!

A&P taught me to serve the public BETTER—MORE ECONOMICAL and MORE EFFICIENT, thanks to the start given me by B. F. VINSON.

• • • • • During the depression of the thirties, A&P paid high wages than any other chain. A&P has striven to keep up the standard of living in this country. I shudder to think what would happen to its 110,000 employees if it was forced out of business.

• • • • • I am not afraid of A&P competition—I welcome it. It's democratic—it's the American Way.

## A COMPETITOR'S OPINION of The Great Atlantic & Pacific Tea Co.

The self-styled "trust busters" of the government recently made head-destroy the A&P.

Frankly, we don't like it. A&P is charged with having control of SOME of the production and processing ends of the food business. As a result, they can offer foods at low prices.

So What... And if monopoly of the food business is charged, that sure hands us a laff. We... at P.P.M. are growing like wildfire. Seems like we're able to sell better foods at better prices.

Your increasing patronage of our stores is positive proof that A&P has no monopoly on the food business. Let's get down to good old American horse sense. A&P is doing a good job of serving the people of this country. They're no bogey men. We are for them 100% in this controversy.

## The Anti-Trust Suit Against The Atlantic & Pacific Tea Co.

This suit is another threat against our great American system of free enterprise. The A&P Co. has always been clean, above board competition and any successful independent merchant, if he is honest, will admit that they have taught him a great many things regarding merchandising, reducing overhead, better buying, etc., thus lowering food costs for the great American Public.

**MAKES BID FOR STEEL PEACE . . .** Cyrus Ching (facing camera) director of the U. S. mediation service, is surrounded by newsmen as he arrived from Washington to make another effort for settlement of the paralyzing steel strike. These conferences were described as "exploratory," although Ching later reported that the situation was "not hopeless."

**TRUMAN:**  
**Supports A-Curbs**

"To assure that atomic energy will be devoted to man's welfare and not to his destruction is a continuing challenge to all nations and all peoples."

In those words, President Truman pledged his support to any safe and effective plans that would outlaw the atomic bomb.

THE PRESIDENT spoke at a ceremony in which the United Nations laid the cornerstone for its permanent headquarters in New York City.

Mr. Truman called the cornerstone rites "an act of faith—our unshakable faith that the United Nations will succeed."

The President declared that control of weapons is essential to a peaceful world and said "Ever since the first atomic bomb was developed, a major objective of U. S. policy has been a system of international control of atomic energy that would assure effective prohibition of atomic weapons . . . and at the same time would promote the peaceful use of atomic energy by all nations."

HE ENDORSED anew the Bernard Baruch control plan which was rejected by Russia.

The chief point of disagreement between western powers and Russia on atomic energy control has been insistence by the West on an effective means of inspection to see that nations would keep their pledges to outlaw the bombs. Russia wouldn't hold still for that proposal.

**WORLD FRONT:**  
**Spotty Picture**

The world picture was spotty as international developments became increasingly confused. A Washington development intensified the tension between the U. S. and Russia in the cold war, British and U. S. leaders were beginning to split on the issue of recognizing the Chinese. Red conquering government, France was hard-pressed to organize its government, a Greco-Tito pact appeared possible and the U. S. closed its consulate at Darien. A look at the overall situation showed that in:

**WASHINGTON**—The United States in a new crackdown on Russia had obtained an indictment against Amtorg, Russian purchasing agency in the U. S. and six of its officers on charges of failing to register as agents of a foreign power. The maximum penalty for violation of that law would be \$10,000 fine and five years imprisonment. The firm itself was liable to a \$10,000 fine. Shortly after U. S. attorney general McGrath announced return of the indictment, five of the Russians were arrested by FBI agents in New York. As was expected, Soviet officials vigorously protested the arrests. There had been repeated allegations in congress that Amtorg acts as an espionage agent. Said assistant U. S. attorney Edward R. Rigney: "Diplomatic passports don't constitute a defense for the crime charged here." The indictments did not charge Amtorg with serving as an espionage agency for the Soviets.

**LONDON**—There was a developing split between Great Britain and the United States on the issue of recognition of the Communist regime in China. Indications were that London would establish full diplomatic relations soon. However, this appeared contingent on whether the Communists would

**GOLD RUSH**

**Pea-Size Nuggets Cast New Yukon Spell**  
The spell of the Yukon was reaching out again to heat the blood of men who seek quick fortunes in gold. Reports of nuggets "the size of peas" being found near Fishwheel in Alaska had been flashed throughout the territory and a new gold rush was on. Grizzled sourdoughs, untried tenderfeet vied with each other to stake claims for the precious metal.

**Norway Reports Progress**  
**In Atomic-Energy Study**

Norway was getting along rather well with atomic research, according to a report by the council for scientific research.

The report said drilling for uranium in Setesdal valley had been successful, and underground operations had started with a crew of 30.

The country's first atomic pile is being built near Oslo, and three universities have received equipment for atomic research.

**ENGLAND:**  
**More Austerity**

In a drastic effort to rescue Great Britain from its financial morass, Prime Minister Clement Attlee charted an economic course designed to save 784 million dollars annually. He also ordered a cut of 400 million dollars in dollar imports.

THUS did the prime minister plot a course of more austerity for the British people.

The savings effected, or hoped to be effected, would result from lopping off spending for national defense, capital investments, public relations and food subsidies.

Attlee presented a quick, graphic interpretation of what was proposed. "We must reduce expenditure and increase production," he told the house of commons. But it wasn't as simple as the formula would seem to make it.

To the already austerity-weary Britons it meant that many of the goods for which they now have to stand in line for hours would be even more scarce. Gasoline and some food items would cost more. They would have to pay a 14-cent fee for medicines they were getting free under the national health program.

leave the British alone at Hong Kong and promise to respect their rights there. The difference on opinion between the U. S. and Britain on the subject of recognition was not considered as a particularly serious one. It was regarded here as an inevitable reflection of their differing national interests. While the U. S. has been withdrawing from China, the British are still "in" and hope to remain so for obvious economic and financial reasons.

**DARIEN**—Harassment by Chinese Communists had forced closing of the U. S. consulate there. The American consul and vice-consul from this Russian-controlled city moved to Seoul. The U. S. attaches who had spent 15 months here said Communist policies prevented their relief at the end of a scheduled eight-month tour of duty. At a news conference, the reported Communist obstacles had limited their movements severely. Vice-consul Culver. Gleysteen said he was once held four hours by Chinese Communist police and Soviet soldiers who accused him of "signaling out to sea" with the lights of his jeep.

**HAWAII**—The prolonged strike of dock workers at five of Hawaii's six ports was over at last. The CIO international longshoremen's and warehousemen's union ordered its 2,000 striking stevedores to go back to their jobs. The men struck May 1, demanding a raise of 32 cents in their \$1.40 hourly wage. The strike technically ended October 6, but continued, pending settlement of side issues involving working conditions, pay and other issues in outer-island ports.

**FARM FAIR:**  
**World's Biggest**

Something of interest to every agriculturist, from the man who wants to grow bigger potatoes to the high-booted cowboy with the prize-winning Hereford, is on the agenda of the Canadian Royal Winter Fair slated for Toronto's coliseum November 15 to November 23, omitting Sunday.

IN ADDITION there will be a complete display of the latest wrinkles in farm machinery and aids to more profitable operation. The Royal Winter Fair has long been recognized as the world's largest agricultural exhibition staged under one roof. Sponsored by Canadian federal, grain and agricultural associations, the competitions carry with them many world championship awards.

FOR THE FIRST TIME in 20 years, competition in the seed and grain divisions will be thrown open to any grower in the world and thus will award the winner world championship honors. Some 10,000 prize ribbons together with thousands of dollars in monetary awards will be handed out.

Farm home displays, washing machines and a host of things interesting to women are always features of Canada's top winter fair.

**GEN. VAUGHAN:**  
**'Shock Absorber'**

It was interesting to note the multiple interpretations Maj. Gen. Harry Vaughan, White House aide, was applying to his position of entertainer, aide and personal confidant of President Harry Truman.

AT A DINNER given by fellow Democrats in Washington, Gen. Vaughan, linked with the capital's "5 per centers" and mysterious John Maragon, one-time White House hanger-on, portrayed himself in a new light.

He is, he said, a "shock absorber," as it were, as well as a "part of the scenery" at the White House.

"IT IS NOT pleasant furnishing the throat," he went on, "but I might as well earn my pay by being a shock absorber . . . at the White House."

"I am an authority on investigations," he said. "We've had so many investigations in the last year or so that have laid an egg."

He pointed out that when administration critics complain about "trivial things," it's a healthy sign that "there is not a great deal that can complain about."

THE "TRIVIAL THINGS" to which the general referred were charges that certain Washington figures with "influence" could swing government contracts and favors where they "wished" for a "5 per cent" fee, gifts of deep freezers to members of Washington's official family.

The general's personal popularity continued unimpaired. He and Mrs. Vaughan were elected honorary vice-presidents of the District of Columbia Democratic club.

**LEOPOLD:**  
**No Poll, Please!**

Former Belgian premier Paul-Henri Spaak wanted none of a proposed poll to determine if King Leopold should return to the throne.

SUCH AN ACTION might "destroy Belgium" Spaak declared in a radio address in Brussels.

Premier Gaston Eyskens, a pro-Leopold Social Christian, has proposed a country-wide poll on whether Belgians want Leopold back from his exile in Switzerland.

"I approve the prime minister's desire to solve the royal question," Spaak said, "but I do blame him, condemn him for trying to solve the royal question this way."

**Gets Navy Post**

Edward E. Wilcox, former Philadelphia newspaperman, has been named special assistant to the undersecretary of the navy. He succeeds Cedric Worth, self-styled author of the "anonymous" document which touched off the B-36 probe.

**ISOLATION:**  
**A 'Big Peril'**

In Chicago, Sen. Scott Lucas (D., Ill.) was sharply critical of a number of colleagues whom he called "an isolationist group of senators far more dangerous to the security of our democracy than the Communists and fellow travelers under orders of Stalin." Lucas, majority leader in the U. S. senate did not name the senators at whom he hurled the criticism, but he identified them as opponents.

## Bowling News

Thorsen's Lumber five held first place in the Merchant's League by eking out a 3 point win over the Recreation taking total pins by 7 while winning the last two games. Ed Nemecek was the only bowler on both teams to get over 500 as he sandwiched 211 between games of 148 and 153. Scoring honors for teams went to the Bankers and Sommerville's, as they linked strikes together for games that would have won any match of the evening. The Bankers had 930-887-933 for 2750 while Sommerville's rolled 888-879-934 for 2701 and were able to get one point as Greg Boswell missed a tenth frame spare to give Sommerville's the last game by one point. Both Greg Boswell and Spin Cihak had over 600. Greg wired games of 212-214-202 together for 628, tops. for the night, and Spin rolled 118-194-223 for 605. Chris Taylor also had 578 for the grocers and Bill Swoboda had 572 for the Bankers.

Ellsworth Electric went on a scoring spree as they wired games of 866-864-874 together for a 2601 series with Pat Bartsch getting 563 and Herb Peebles 661. St. Joseph, their opponents, were beaten all four points. Rev. J. J. Malinowski topped the Saint's with 552. Monarch Finer Foods moved up in the standings as they dropped Cal's Tavern all four. Bob Smalley topped the Cannors with 517 while Gene Tichman was tops for the Tavern team.

The American Legion five and Hillman's Insurance team won 3 points from Brock's Turkey Farm and E. J. Canning Co. respectively. Emory Cole leading the Legion with 563, Wally Peacock was tops for the Turkey Growers on 506, while Hank Ruis had 502 and Burl Braman 502 for Hillman's and the Canning Co.

The Standings:

Team	W	L	Ave.
Thorsen's Lumber	24	12	787
American Legion	22	14	811
Recreation	21	15	745
Monarch Foods	20	16	762
Sommerville's	19	17	847
E. J. Canning Co.	19	17	784
Cal's Tavern	18	18	820
Hillman's Ins.	18	18	775
State Bank	17	19	821
Brock's Turkey's	16	20	757
St. Joseph	12	24	806
Ellsworth Elec.	10	26	793

In the Traveling League Norm's Tavern shut out the E. J. Recreation in their first match but found Evert Merchants too tough in the night cap and were able to win only one point as Evert bowled games of 951-981-915. The Recreation was able to get but one point from Big Rapids Elk's in their evening match. Spike's from Grayling was the only traveling team to win all eight points, taking Hotel Osceola, Reed City and Big Rapids Recreation.

In other matches for the day Ferris Beverage of Ludington took Big Rapids 4 points and split with Cadillac Merchants who had taken 3 points from Evert in the afternoon.

Home Oilers from Scottville bowled Timber Products of Beulah in both matches and were able to win 6 of the 8 points. High scoring honors for the day went to Greg. Boswell with a single game of 246 and Barney Adair who had two series over 600, getting 626 in the afternoon and 613 in the evening.

In the Ladies League Cal's Tavern ladies had their lead pared as the State Bank girls won 4 points, Mary Swoboda getting 470 for the Banker's and Betty Jo Strehl 468 for Cal's.

Quality Food Market dropped the Home Modernizing 4 points to tie the Bankers for 2nd place in the standings. Bertha Webster topped the Food Merchants with 471 on games of 120-200-151, while Franny Sommerville was tops for the losers with 405.

Other teams to win four points were the Dress and Gift Shop who took Art Cleaners of Charlevoix, while Metal Products of Manistiquette upset Central Lake Torch. Datha Peacock wired games of 203-146-172 together, high for the Dress Shop, while Fran Sutherland was tops for Metal Products. St. Joseph ladies took three points from Bashman's of Central Lake, Helen Weisler getting 416 for the Saints and Fay Marks 419 for Bachman's. Norm's Tavern and the Rainbow Bar split points as Rainbow won the first two games and Norm's won the third game and total pins.

This week's winners for high single game in open bowling were Eva Starck for the ladies with 179, and Chas. Supernaw for the men with 225. Eva gets a two pound box of candy and Chuck a carton of cigarettes.

NOVEMBER 8, 1929

The Top O' Michigan Potato and Apple Show at Gaylord last Friday in many ways this year was the greatest ever staged. Many farmers as well as city folks attended the show from this county and were amazed at the fine display. One of the features of the show was the Choir Singing Contest, which was possible through the effort of R. E. Olds, Lansing automobile manufacturer. For the first time Charlevoix County was represented by a contestant. The Presbyterian Choir of East Jordan walked away with the first prize of \$60.00 with their Choir of 14

members. In the Apple division D. D. Tibbits proved to be the outstanding exhibitor of Northern Michigan when he won \$97.00 in premium money. In the potato division Harry Behling had the best potatoes of the entire show.

The Library Drive went fine. There is approximately \$290.00 received so far.

A good crowd gathered at the Methodist church Friday evening, Nov. 1st, to hear Miss Marjorie Lucille Hoyt perform on violin and piano. It was a treat for all present to hear this fifteen-year-old girl play the violin with the splendid piano accompaniments played by Mrs. M. E. Hoyt, the girl's mother.

In the council proceedings, it was moved by Alderman Williams and supported by Alderman Clark that Ordinance No. 51, prohibiting the shooting of wild game within the boundary limits of the city of East Jordan be passed and published. Carried all ayes.

East Jordan last year contributed \$93.00 to the Annual Red Cross Roll Call. "Let's go" and put it over the hundred mark this year.

Mrs. Joseph Mayville and daughter, Marjorie, spent the week end here from St. Ignace.

Cort Hayes, who has been working at Lansing, has returned home. Born to Mr. and Mrs. John Saganek, a daughter, Katherine Lillian, Oct. 30th.

Mrs. Frank LaLonde and family now occupy the residence across from the Hose House.

Mrs. John Severance and Mrs. F. M. Severance have gone to South Haven where they expect to spend the winter with their daughters.

**FARM FACTS**  
from your  
**County**  
Agricultural Agent

**FARM LEASES:**

This is the time of year when many folks are thinking of farm leases, getting ready for next spring's operation. In brief there are two types of leases. First type is called "tenant two-thirds, landlord one-third." In this farm lease the landlord furnishes only the land and the tenant furnishes everything else. The one exception is that the landlord is expected to provide a third of the crop expenses, such as seed and fertilizer.

The second type is called the "fifty-fifty." In the fifty-fifty arrangement the landlord furnishes the farm and one-half of all the livestock. He also shares equally with the tenant all expenses except labor and machinery expense and repairs. Cost of tractor fuel and oil, however, is split half and half. Printed forms on farm leases are available from the office of your county agricultural agent.

**FEW CHANGES IN INCOME TAX REGULATIONS**

There's that old saying you know—death and taxes. It's taxes we're talking about briefly. Farmers will find the job of figuring their federal income tax easier this year. There has been no change in tax rates, forms, or information needed to file the 1949 returns.

However, a bill passed by this year's Congress extends the farmer's deadline date for filing final returns without estimate from January 15 to 31. Farmers will not need to estimate the tax if a final return is filed by January 31. The deadline used to be January 15 for that.

**PLANNING EGG PRODUCTION**

Planning pays off in farming. Right now is the time to do your planning for profit from the pullets that go into your laying house next year. To get eggs in June or July next year the chicks must be hatched in January and come into sexual maturity at 160 to 180 days. They will be laying standard size eggs, 24 ounces per dozen, by September if they have been selected and bred for egg weight or size. They will make money for you then as the short supply of eggs, usually comes during September and October. However, if you wait until April to start the chicks, their peak production of medium and large eggs will not come until late October or November.

**Coconut Pumpkin Chiffon Pie**  
Broadcast: November 12, 1949

1 1/2 cups Baker's Coconut	1/2 teaspoon ginger
1 1/2 tablespoons undrained gelatin	1/2 teaspoon salt
6 tablespoons cold water	2 eggs, separated
1/2 cup brown sugar, lightly packed	2 cups Pet Milk
1 teaspoon cinnamon	1 cup cooked or canned pumpkin
1/2 teaspoon nutmeg	3 tablespoons dark molasses

Spread coconut thinly on baking sheet. Place in moderately slow oven (350° F.) and toast about 10 min., or until light brown. Stir now and then to toast evenly. Soften gelatin in cold water. Mix brown sugar, cinnamon, nutmeg, ginger, cloves and salt. Stir in mixture of slightly beaten egg yolks, milk, pumpkin and molasses. Place over boiling water; cook and stir 7 min., or until slightly thickened. Stir in softened gelatin until dissolved. Remove from heat; cover; chill until slightly thicker than unbeaten egg whites. Fold in stiffly beaten egg whites and 3/4 cup toasted coconut. Put into a cold 9-in. baked pastry shell. Sprinkle with remaining toasted coconut. Chill until firm.

## Class Officers of High School

At the first class meetings this year the students chose their class officers, and class advisors. The class advisors for the grades are: 12th — Mr. Devine; 11th — Mrs. Larsen; 10th — Mr. Damoth; 9th — Miss Dorr; 8th — Mrs. Drapeau; 7th — Mrs. Karr.

The class officers for this school year are:

Seniors: President, Don Karr; Vice-President, (Open for election — formerly Shirley Babel); Sec'y, Ardith Brock; Treas., Delwin Morris.

Juniors: President, Elwin Evans; Vice-President, Ray Hughes; Sec'y, Linda Petrie; Treas., Bryan Boring.

Sophomores: President, Alex Klooster; Vice-President, Don Maxwell; Sec'y-Treas., Barbara Boring.

Freshmen: President, Gordon Danforth; Vice-President, Dale Bolser; Sec'y, Warren Frank; Treas., Ted Kiser.

Eighth Grade: President, Clinton Clark; Vice-President, Helen Adkins; Sec'y, Coral McPherson; Treas., Luella Lundy.

Seventh Grade: President, Marian Danforth; Vice-President, David Clark; Sec'y-Treas.—Pat Gilpin.

Several class meetings have been held this year and the classes have been quite busy. It seems there is never enough time to do what we want to. Now the classes are all busy planning events for the Penny Fair. They expect to have a great time and we hope they will.

Patient, Doc, I snore so loud that I wake myself up.

Doctor: In that case I would advise sleeping in another room.

## Eighth Grade Activity

(by Student Council Representative Rose Marie Lehrbass)

The football season ended and we had our last pep meeting on Friday morning, Nov. 4. The grades of the high school were brought together to see which one would win the yelling cup. With their supreme lung power the eighth grade won. Barbara Lehrbass led the cheer.

This Friday we are having a Penny Fair, sponsored by the Junior Class. Each class chose a King and Queen and we are represented by Ray Gee and Marie Schlika. We will appreciate the support of all our friends.

This year we are selling school supplies as a school service as well as to make money for our class. We buy our supplies from a merchant and the profit increases our class treasury.

This year Mr. Wade and Mr. Wagner have made it possible that Mrs. Drapeau have a special Glee Club for 7th and 8th grade girls. We are harmonizing better and hope to be of greater help when we join the senior high group.

## Homecoming Dance A Success

The "Homecoming Dance" planned by the Seniors, was quite a success last Friday night. The crowd was bigger than expected and perhaps the gayest so far this year. Although there was very much round dancing, everyone wanted more square dances, and believe me, it was really fun. The Seniors are planning many more dances and we hope they are all a success.

Jim Nachazel, News Committee of Student Council.

## Unusual Program For Next P.-T. A. Meeting

An idea developed by Mr. John Downing of East Jordan High School is being put into practice. A parent's night is being held Nov. 29th.

Mr. Wade is going to send out the buses and pick up the parents, bring them to school, let them go through part of a school day following a typical student's program, and then take them home on buses.

The parents will be given a chance to attend four fifteen-minute classes. This will represent the classes normally attended by the student in the morning. This will give the parents a chance both to see the facilities of the school and to meet some of the teachers.

Mrs. Betty Robertson, President of the P.-T. A., is assisting in planning this program. There will be an opportunity to visit the grade school, meet the grade teachers, and see our new kindergarten room.

## Blood Bank at East Jordan

One of the most unusual and challenging situations developed at our High School in East Jordan when the mobile blood donor's unit of the Red Cross came without giving our community a list of instructions or requirements.

Although the Red Cross sought and obtained the gymnasium, their arrival made it clear that a class room was also needed. To give them this was quite a problem because all our classrooms are used every hour.

Although the Red Cross people of our community had prepared a lunch for those giving blood, it was not known that orange juice was a required part of the lunch. Only by running to the Methodist church and borrowing curtains were we able to meet an unexpected demand for privacy for those eating the lunch.

In the evening when all the blood had been bottled and sent by messenger to Lansing, it was discovered that there was no one to put the Red Cross equipment back in the truck.

Although all problems were solved as they were met, one thing is sure. The Red Cross Blood Donor's Mobile Unit will long remember East Jordan.

Carl E. Wagner, Principal East Jordan High School.

## KINDERGARTEN — Helen Severance

Gertrude Martinek had a birthday. She brought a sucker and a balloon for each of us. We had a lovely time.

We have a new boy in our morning Kindergarten. His name is Robin Clark. We hope Robin will like our School. His twin brother, Ronald, is in Mrs. Sidebotham's room.

We wrote two letters this week. We wrote one to Pat Looze thanking her for washing and ironing our doll clothes. The other one was to Mr. Conway, thank him for fixing our Jungle Gym.

We had a new book, "Arabella and the Merry-Go-Round". We colored a picture of the balloon man in the story.

## FIRST GRADE — Marguerite Stokes

We liked Mrs. Bowerman's room's play for assembly so we wrote a note to tell them so. It was the first time we wrote a note. We worked hard.

Mrs. Drapeau is teaching us a safety song. We go when the light

## First Presbyterian Church Edward O. DeHaven, Pastor East Jordan, Mich.

The Sunday Church School begins at 9:45. We have classes for all age groups and fine teachers for each class. The children are given opportunity not only to listen but also to participate in the activities of the class. We should like to say that we have slipped a little in our attendance and because of this we must make every effort to be there and see that the children are there too.

The Church Worship Service begins at 11:00 a. m. The Sermon subject for Sunday, Nov. 13, will be "By Right of Gift." Come and worship with us.

The Youth Fellowship meets Sunday evening at 6:30 p. m. Joyce Nyland will be the leader.

Thursday evening, Nov. 17, we will hold our second Family Night. The success of the first one prompts us to think that you like these informal yet informative programs of how our church is at work in the world. We can assure you that we will plan to make this program as interesting and informative as the first. Pot luck supper will be served at 7:00 p. m. Bring your own table service, a dish to pass and the whole family.

Gracie: This morning I fell over fifty feet.  
Hazy: Goodness, were you hurt?  
Gracie: No, but I sure had one heck of a time getting off that crowded street car.

is green and stop when the light is red.

**FIRST GRADE — Marion Brooks**  
Barbara Korton and Georgia Russell are out of school on account of illness.

Suzy Stinchcomb visited her grandmother in St. Louis over the week end.

Lauretta Sineway, our new girl, is learning the ways of school and enjoying it too. She has never been in school before.

## SECOND GRADE — Agnes Johnston

November 13 to 19 is Children's Book Week. We are all going to make friends with at least one new book during next week. We talked about some of the ways we should handle books. One thing we're going to try and remember is not to handle a book if our hands are dirty.

Groups two and three in reading started working in their work books Monday. The first lesson showed us a picture of our new friends we are reading about. The pictures were of Sally, Dick, Jane, Peter and Ellen. We like to work in our new books.

Mrs. Johnston finished reading the book "Tyke, The Little Mutt" that Suzanne Baswell brought to school. It was an interesting story about a little dog, the sort of a dog we would like for our own. We liked the part of the story that told us what good common sense Tyke had.

The Junior Red Cross drive is on this week. Each child is trying to earn money for his contribution to the fund. We are all working to have 100 percent enrollment. We have a pin to wear as soon as we enroll.

November birthdays in our room are: Joanne Clark, Jeanette Fisher, Floyd Holley, George Savory and Ann Whitmore.

From our Weekly Readers last week we learned that television set is like a radio with moving pictures. We all thought it would be nice to see a play over television.

Jolly Jingo reminded us this week to take turns on the swings. We found it was more fun to have someone to play with than to play by ourselves.

## SECOND & THIRD GRADES — Adeline Bowerman

The second graders were happy to welcome back Dickie Clark, a last year classmate. Dickie has been attending school in Prattville.

Last Friday we brought our Indian project to a close by giving an Indian play which we made up for assembly. Patsy Zoulek was Nakomis who sent Hiawatha (Billy Taylor) with his bow and arrow to the forest to hunt for a deer. He shot the deer (Earl Gee) and after dragging it home to his mother, all the Indians had a feast and danced around the deer. All of us took part by singing the story.

We were happy to have Rev and Mrs. DeHaven visit our room on Friday morning. We are talking about different qualities of character education which help us learn to be good citizens and for our discussion on "obedience" last week, Mrs. DeHaven taught us two songs and Rev. DeHaven told us a nice story and emphasized the importance of obeying our parents and teachers.

The importance of having each boot and mitten marked clearly with the child's name has been brought to our attention. A colored string is not enough. We urge parent cooperation in seeing that these articles are marked.

## THIRD GRADE — Jessie Hager

I like to play ball. I like spelling too.—Jimmy Kenny.

I like reading and spelling. I like to play on the rings in the swings.—Dorothy Chapman.

I like to play "Did You Ever See a Lassie" and I like reading and spelling.—Anita Petrie.

I like to play football and I like arithmetic.—Garry Cihak.

I like to play with my dolls. I like to play with the girls and I like spelling.—Lois Ellsworth.

We have our room decorated with Pilgrim pictures and scenes of Pilgrim days.—Earl Parks.

## FOURTH GRADE — Grace Galmore

We are sorry that two of our boys have been sick and are still not able to be in school. Grover Bundy is in Munson Hospital in Traverse City and George Kotolik had his appendix removed at Charlevoix. We will be glad when they can be back in school.

We had an assembly program Friday. Mrs. Bowerman's room presented an Indian play. Mrs. Larsen's room sang several songs. And Mr. Malone's room gave a safety play.—Linda Raymond.

We have been studying about corn in our Food Trails Book. Corn is America's most valuable crop.—Joe Leu.

I went with the patrol boys to Canada. We saw Castle Rock and some Wigwams.—Neil Misner.

We have some airplane pictures. One picture is of the Winnie Mae which we read about in our geographies. The pictures were from the Lockheed Aircraft Corporation.—Albert Hayes.

We have been making a leaf book. We hope to finish it this

week.—Beverly Kent.

**FIFTH GRADE — Sadie Liskum**  
Are we busy at recesses and noons! At last we have our reading tables built and are painting them. They look even better than we hoped they would. Now we are going to ask Mr. Wade to get us some boards to make shelves to hold our story books.

We finished the Northeastern states in Social Studies. How hard the early pioneers worked to make their homes in the new world!

Several girls already have one towel hemmed. They are learning to do damask hemming which looks very neat.

## SIXTH GRADE — Alma Larson

**HEALTH**  
We have finished our unit in science and are now starting our health. We are studying on how to plan a good meal. We all made up a healthy breakfast luncheon and dinner. The meals I planned are: Breakfast — an egg, toast, oatmeal, tomato juice, and milk. My luncheon — cream of tomato

## STATE LAND SALE

NOTICE IS HEREBY GIVEN, That pursuant to the provisions of Section 131 of Act 206, P. A. 1893, as amended, state lands in Charlevoix County will be placed on the market by offering same for sale at public auction, Monday, December 5, 1949, at ten o'clock in the forenoon, Eastern Standard Time, in the county courthouse, Bellaire, Michigan.

Pursuant to statutes, deeds conveying lands so offered will reserve the following to the State of Michigan: all rights to minerals, coal, oil, gas, sand, gravel, marl, etc.; rights of ingress and egress over and across lands lying along any watercourse or stream; all rights to aboriginal antiquities, mounds, earthworks, etc.

Pursuant to Section 6, Act 155, P. A. 1937, as amended, any person (former owner) who at the time of the tax sale had an interest in lands so sold, shall have the right for a period of thirty days after the public auction to meet the highest bid. For this reason, successful bidders at the sale will receive a thirty-day purchase certificate. If the former owner does not redeem, deed will be issued to highest bidder at the expiration of thirty days, or in the event the former owner does redeem, the high bidder will receive a refund of the purchase price. Former owners, under the provisions of this sale, do not acquire mineral rights.

The right is reserved to reject any and all bids.

Further particulars and list of property to be offered are available at the County Treasurer's office at Charlevoix, Michigan, Conservation District Headquarters, Gaylord; or Lands Division, Department of Conservation, Lansing.

From where I sit... by Joe Marsh

**Clam Chowder Can Be Dynamite!**

If Smiley Roberts is a friend of yours, like he is mine, and if you want to keep his friendship, like I do, don't ever let him hear you say that good clam chowder can be made without cream.

In New England, where Smiley comes from, friendships have been broken over tomatoes versus cream in clam chowder. Experts say that south of Boston the tomato reigns supreme, but north of Boston it's cream—or else!

From where I sit, whether it should have cream or tomatoes is simply a matter of taste. This is plain to anyone who doesn't come from clam chowder country.

What a great world this would be if we could all see that most prejudices are matters of taste only. Some like hot coffee. Some like it iced. Some people like a temperate glass of beer. Others prefer ice-cold lemonade. My grandmother used to say, "Prejudice that sees only what it pleases, cannot see very plain."

"Funniest thing I keep thinking I see elephants!"

Dan: "You do—y' see, I'm gonna parade these elephants around town, carrying an important message to folks. This first baby, here, carries a great big 'LENNOX' sign. It's the most famous name there is in home heating! And the second elephant sign'll say, 'World's Largest.'"

Ted: "Sounds impressive!"

Dan: "Sure—there's no company more prominent in its field; they have over 5,000 experienced dealers like me all over America!"

Ted: "And what'll the other two elephants have to say?"

Dan: "Their signs'll read, 'Manufacturers and Engineers of Warm Air Heating Systems.' Those first three words show why Lennox systems are so efficient; they're built by experts!"

Ted: "And the last part tells me there're lots of Lennox systems!"

Dan: "Dozens and dozens of 'em in sizes and types for gas, oil, and coal! What'd you think of my idea?"

Ted: "Super-colossal, Dan! And here's some more advice: better sign me up for a Lennox System right now."
