"Red Devils" Defeat Mancelona, There, 45-10

SECOND TEAM ALSO WINS CONTEST

Friday night our "Red Devils" met Mancelona on our own floor for the first home game of the season. Both the first and second teams won by an easy margin, but the "Ironmen" were in there fighting all the time.

The second team won by a score of 38-20. Larry Huckle was high point man with 14 to his credit. The whole team showed much more spirit since their defeat at Boyne City. Fast footwork and smooth ball handling are beginning to show and that means a good team next year too.

Coch Patterson's Ironmen started the ball rolling during the second game by making the first point. It was a "free throw" made by LaRowe. Then the Red Devils burst into action. The spark was started by Boring on a "free throw". Then the team's swift footwork and ball handling, together with their excellent teamwork, ran the score up to 9-1 the first quarter. The second quarter was much the same as the first with the Ironmen fighting back and "tying up" Mancelona whenever they got the ball. At the end of the third quarter East Jordan scored 36 points, while Mancelona still had only 1 point. The last quarter was quite different. Both teams were using a man to man defense, and East Jordan had been able to keep Mancelona away from their basket. Although the Ironmen kept shooting long shots they were not of much use. In the last quarter the Ironmen began to break into our defense at the end of the period and scored 10 points. The final score was 45-10. On the East Jordan team, Bryon Boring was high-point man, scoring 5 baskets and 2 free throws. Jim Meredith followed up with 10 points, and Bob Saxton had 8. All of our players showed excellent teamwork and good sportsmanship.

The East Jordan team played at Mancelona and between games the senior class also raffled off two cakes.

Friday our team travels to Grayling.

Last Rites For Rhoda Hickox Held at Bellaire

Rhoda Henning Hickox, daughter of the late Mr. and Mrs. John Henning, pioneer Echo Twp. farmers, was born June 19, 1880, and passed away at the home of her daughter, Mrs. Louise Jancke, 624 Charlotte Ave., Detroit, on Nov. 24, 1949.

In December, 1903, she was married to William Hickox who passed away in 1928. She was a member of Central Methodist church in Detroit. She spent several years at her home at Alden, Mich., until ill health overtook her.

She is survived by a daughter, Louisa Jencke, Detroit; a son, Rex Hickox, East Jordan; four grandchildren, three great-grandchildren; a brother, William Henning, East Jordan; five sisters, Mrs. Cleve Isaman and Mrs. Elmer Murray of East Jordan, Mrs. John Benser of Gaylord, Mrs. Wretta LaLonde and Miss Mabel Henning of Grand Rapids.

Funeral services were conducted by the Rev. Louis Ellinger of the Bellaire Methodist church at Bellaire, Saturday, Nov. 26, 1949. Interment at Lakeview Cemetery.

IN MEMORIAM

In loving memory of our mother, **Jemima See**, who passed away Dec. 5, 1943.

God saw that you were suffering And the hills were hard to climb, So He closed your weary eyes, And whispered "Peace be thine". God in his wisdom has recalled The boon His love has given, And though the body molders here The soul is safe in Heaven. 49-1 Children and Grandchildren

40th Anniversary

The family and relatives of Mr. and Mrs. Earl Rubling celebrated their 40th wedding anniversary, Wednesday evening, Nov. 30th, at their home on Estersly St.

Mr. and Mrs. Rubling were married Nov. 30th, 1909. They have a daughter, Mrs. Anita Peebles of Ellsworth; and a son, Martin Rubling, East Jordan; and seven grandchildren. The evening was spent visiting and playing cards. The refreshments included a cake beautifully decorated for the occasion which was served with jelly, sandwiches and coffee.

They received several nice gifts.

Reception Honors Rev. and Mrs. Phillip Fretheim

A reception was held at the home of Mr. and Mrs. Ludwig Larsen, Wednesday evening, Nov. 23, in honor of Rev. and Mrs. Phillip Fretheim, who were recently married at Northport, Mich.

A three-tiered decorated wedding cake with a miniature bride and groom forming the center piece of the table with ice cream and cake were served to about forty guests.

After the reception the bride and groom returned to their home in Suttons Bay with lovely gifts they received, and the best wishes from everyone for a happy future.

Rev. Fretheim serves as pastor of the Lutheran Churches at Suttons Bay, Northport, and East Jordan.

Combined Choirs of The Methodist Church To Sing During December

Each Sunday during the month of December, at the morning worship hour of 10 o'clock, the Junior choir is joining the adult choir in the singing of special Christmas music. And on Christmas Sunday, Dec. 25th, the Cherubim Choir will join the others. Besides this there will be each Sunday, special solos and duets.

Miss Margaret Blossie is directing the Cheribums, Mrs. Howard Moore, the Juniors, and Mrs. Adolph Drapeau, the Adults.

But on Sunday, with Miss Blossie and Mrs. Moore at the two pianos, Mrs. Drapeau directs the entire group. You are invited to come and hear these fine groups and worship with us.

More Toys Still Needed For Christmas

The American Legion Auxiliary Unit 227 Community Service Committee wishes to remind every one that time is growing short for the repairing of toys so if you have anything in the line of toys or games that can be mended, now is the time to turn them in. Some toys that you may have discarded will bring joy to some child this Christmas.

New dolls and toys have been purchased but there is still a great need for more toys, old or new. Dolls are being dressed by several ladies in town and will be on display before Christmas, but if you have a doll that isn't too badly damaged and can be dressed and repaired please turn it in. Any dolls or toys can be left at Teddy Kotowich Boat and Guide Service on Main St. or at the Community Service room in the basement of the City Building Wednesday afternoons or call Edna Wilkins, phone 82, and she will instruct you where to take them.

If toys and dolls are in good repair it will be appreciated but if not the Junior Auxiliary will take care of them.

Time is limited and our supply is short so do NOW.

Dies In Fire At His Home

ALBERT SWATOSH, 60, WAS FOUND IN SMOULDERING RUINS

The body of Albert Swatosh, 60, was found in the smoldering ruins of his farm home shortly after 6 a. m. Saturday. Farm is located on route 66, five miles south of East Jordan.

A passing mail truck driver discovered the still smoking ruins at 6 a. m. He notified the Antrim county sheriff and officers found the body.

A sister of Swatosh, Mrs. Theresa Wilcox, made her home with her brother. She works on the night shift at the canning factory in Ellsworth and was not at home at the time of the blaze.

A shed and automobile also were destroyed in the blaze.

The home apparently burned unnoticed by neighbors. The closest residence is a half mile away from the Swatosh place.

Mr. Swatosh, a bachelor, had lived on the farm all his life. It was the family homestead and the house was built more than 60 years ago by Mr. Swatosh's father.

ALBERT JOSEPH SWATOSH

The body of Albert Joseph Swatosh, a 54-year-old Antrim County farmer, living on M-66, five miles from East Jordan, was discovered in his fire ravaged home early Saturday morning by officers who were searching the ruins of the small house after the fire had destroyed it. An overheated chimney was blamed according to officers.

Clifford Ingalls, a neighbor, saw the remains of the house about 6:30 while on his way to work and notified officers. Antrim Coroner, Ira Matthew, reported Swatosh died accidentally of suffocation. His body was found in bed, Mrs. Theresa K. Wilcox, a sister who lives at the home, told Sheriff Howard Tanner she left for work at the Ellsworth Canning factory about 11 Friday night.

Besides the sister, Swatosh is survived by a brother, Frank, of Fremont.

The body was taken to the Matthew Mortuary, Bellaire.

School Christmas Program Features Disney's "Song of the South"

Our School Board is making a Walt Disney Technicolor picture, "Song of the South", available to the students of our Grade and High Schools. Although the schools are allowed to charge enough to cover rental and operating costs in the presentation of a movie, the School Board is going to give this picture as a Christmas present to the student body at no charge to the students.

The picture, "Song of the South," includes the cream of the Uncle Remus Stories, such as "Brer Rabbit" and "The Tar Baby." This picture is going to be presented to the students in the East Jordan High School Gymnasium at 1:00 p. m. on Friday, Dec. 16th.

The RKO Studios of Hollywood have been making 16 mm. copies of some of their better 35 mm. theater pictures for non-theatrical presentations. These non-theatrical presentations are usually given at schools, hospitals, camps, etc. For a fee ranging from \$25.00 to \$37.50, it is possible to have a one-time showing of almost any of RKO's better pictures.

To assure the subscribing agency as to the merit of the particular picture involved, all pictures listed for non-theatrical presentation are rated by several different agencies. Among these agencies are Parents' Magazine, National Motion Picture Committee of the National Board of Review of Motion Pictures, and the Legion of Decency.

"Song of the South" was judged to be an A-1 picture suitable for general patronage by the Legion of Decency, and has been recommended for children from 8 to 14 years of age by the School Motion Picture Committee of the National Board of Review of Motion Pictures, and has received a medal awarded by Parents' Magazine.

Dog Tax Notice

Dog license taxes are now due and payable to the office of the City Treasurer. Fees, Male 75c; female, \$1.50. If not paid by March 1st, taxes will be returned to the County Treasurer and the fee doubled.

Staff-Sgt. Gee Ambassador to England

Staff-Sgt. Dale Gee of East Jordan is stationed in England at the Burton Air Base with the 59th Air Depot Wing. Not only does he carry out his military duties, he has Anglo-American good relations at heart also. Here he is seen with his wife, Marie, and the Mayor of the town of Leyland in Lancashire, Councillor James Tomlinson. Leyland is famous for its heavy duty trucks and motor buses, which are used all over Europe and the British Empire.

The picture was taken after a softball game put on to help Britain's Savings Bond Drive, when two American teams from Burtonwood put on a display of the game. Staff/Sgt. Gee was pitcher for the Burtonwood Red Sox.

Picture shows top row left to right:— Staff/Sgt. Gee, Miss Alma Walker of Leyland, Master/Sgt. Henry H. Day of USAF, Mrs. Margaret Oldham, famous Scottish poster model for nursing and savings propoganda (she is herself a

hospital "Sister"—what we would call a "Charge Nurse R. N."—and Staff/Sgt. Hewing.

Bottom row left to right:—Mrs. Marie Gee, the Mayor of Leyland Councillor James Tomlinson and Mrs. Hewing.

Mrs. Gee and Mrs. Hewing are two American wives who have just joined their husbands in the U. K. Said Councillor Tomlinson after the softball game, "Staff/Sgt. Gee is one of America's best Ambassadors for goodwill."

The Friendly Circle

Miss Emma Ferro, Home Demonstration Leader, organized a new extension group at the home of Mrs. Albert Trojanek, Friday afternoon, which will be known as The Friendly Circle. Miss Ferro demonstrated the making of Christmas gifts.

Following are the names of the officers elected:— Chairman, Mrs. Albert Trojanek; Vice-Chairman, Mrs. Wm. J. Swoboda; Secretary-Treasurer, Mrs. Wm. Stanek; Recreation Leader, Mrs. A. G. Rogers; Leaders, Mrs. Charles Hart and Mrs. W. R. Jenkins.

Early Contributors Toward TB Seals

Among first buyers of the "dove of hope" tuberculosis Christmas Seals in East Jordan were: Robert A. Campbell, G. A. Lisk, Ralph Shepard, William A. Shepard, Merle R. Crowell, Roman A. Dubas, East Jordan Auto Parts. Expressing "profound thanks in behalf of the people of Michigan" for the growing number of individuals lending support to the sale of seals, the Michigan Tuberculosis Association directed attention to the compelling purpose of the tireless struggle against TB.

"Me Sister's Got It"
 Christmas 1907 was nine days ahead. The very air breathed the goodness of giving, and the streets swarmed with shoppers. In and out among them a shabby newsboy hawked morning papers. His last one gone, he scurried to where a front page story had said penny stamps were being sold to fight TB. Reaching up to a marble counter higher than his head, he planked down a copper.

"G' me one, me sister's got it."
 Our Michigan experience with TB during the last half-century offers a firm foundation for the hope that within the next generation this preventable blight can be virtually wiped from this land. Fulfillment of this hope rests on the determination to hasten the day when there will be no chance for any child to say, "Me sister's got it."

Buy TB Christmas Seals—Help Stamp Out TB!

Does your child hate you? Read "10 Ways to Spoil a Child" by the eminent psychologist Dr. Harrison Harley. Read why he says that one child in three has a hidden dislike for his parents, and why children hate their parents for lavishing too much kindness, affection and money on them. Look for "10 Ways to Spoil a Child" in The American Weekly, the great magazine with Sunday's Chicago Herald American.

Advise Caution In Buying Farm Land With High Mortgage

Michigan farmers who now buy a farm mortgaged at much more than half its value may be in for financial trouble in future years, according to agricultural economists at Michigan State College.

The economists' appraisal of the farm real estate situation is contained in the current outlook issue of "Michigan Farm Economics," published monthly as part of the MSC extension service program.

Three changes in the farm real estate picture were considered significant. Land prices have passed their peak with a 5 percent drop since the November 1948 high. The number of farms changing hands in the last year has dropped sharply from the war-time peak. Farm mortgage debt is increasing again.

According to the economists, farm land is a riskier buy now because it will take more products to pay off \$1,000 of debt than it did in the past several years. Farm product prices are falling faster than farm costs, which means less profit. And it's the profits which pay off indebtedness.

Farmers in general are in very sound financial condition, however. This is indicated by records showing that in recent years half of more of the farms changing hands in this state have been sold on an all-cash basis.

It is important, the economists said, that a farm or additional acreage be "bought right" and that it is productive land. Farmers who can pay one-half or more of the purchase price in cash will not be taking more than the usual risk in buying a farm now.

"Deerbergers" or Some Other Tasty Venison Dish

Whether the wives of successful deer hunters choose to make "deerbergers" or some other tasty venison dish, they can get recipe help from the conservation department or Michigan State College.

Tested methods of preserving, cooking and serving venison are described in the booklet "Venison from Forest to Table" which is available without charge from the department's education division at Lansing or the college bulletin office at East Lansing.

Also available is the booklet "Good Eating from Woods and Fields" which encourages more complete utilization of meat from game and fur animals.

Efficient Breeding In The Dairy Herd

If you are having trouble getting cows in your dairy herd with calf, make sure the herd sire is fertile if you are breeding naturally. If you are breeding artificially and other members of the ABA are getting good results, the inseminating material and technique must be all right. The trouble comes down to the cows and your herd management. In that case, use this check list provided by George Parsons, Michigan State College extension dairyman:

Keep some simple records of freshening dates, calving dates, heat dates, and service dates. If anything irregular happens write it down. Then in case veterinary service is needed you will have some helpful information.

Turn the cows out twice daily and watch for heat symptoms. Watch especially for heat symptoms when you go into the barn in the morning. The idea is to provide service at the best time for conception, which is late in the heat period. If you notice a cow in heat in the morning at milking time, she should be bred late in the afternoon. If noticed in the evening, breed her the forenoon of the next day.

Do not breed cows until they have been fresh at least 60 days. If a cow does not conceive in the first three services, skip one or two heat periods. A sexual rest will often aid conception.

Be sure that heifers are well-grown, healthy, and strong before breeding, and remember that they are usually more difficult to settle than a mature cow.

Rely on your veterinarian's help in times of difficulty and call him right away in the event Bangs disease, vaginitis, cervicitis or any other disease strikes your herd.

Harvesting of Muskrats Now Under Way

Harvesting of the state's million-dollar muskrat crop starts Dec. 1st at noon in southern lower peninsula, the conservation department reports. Season already is in progress upstate.

Bulk of Michigan's muskrat crop is produced in farm areas in the southern part of the state. Last year trappers took about 586,000 of the estimated total bag of muskrats, 718,000. In the southern third of the state or roughly below Townline 16.

Closing dates for trapping muskrats is Nov. 30th in the upper peninsula, Dec. 15th in the north-

Library Notes

Gifts:
 An Upton Sinclair book from Mrs. Eloise Crowell. Also several volumes of books in excellent condition, but we do not have the name of the donor. We would be glad to know to whom we are indebted for the gift. Many of these books have already started to circulate.

New Books for Adults:
 The Egyptian — Waltari: Story of Egypt a thousand years before the time of Christ. The chief character is a physician who lived among the lowly and highborn. He traveled to what was at that time, "far lands", was a friend of the Pharaohs but ended his days in exile.

I Married A Redhead — Musselman: The author writes of the first ten years of marriage to an actress. Since his profession was writing, he was able to move about as her engagements demanded. Easy reading and entertaining.

Rest And Be Thankful — MacInnes: Two women who have spent many years in France get caught in a severe storm and find refuge in a ranch house in Wyoming. They like the ranch so well that they buy it and make it their home. The point of the story is the effect of the life there on their many Eastern visitors.

West Of The Hill—Carroll: A story of the 1880's, beginning with a runaway marriage and ending with a forest fire.

The Long Love — Sedgwick: Whether a man's first concern should be his job or his marriage is the theme of this unusual novel.

The Rock Cried Out — Stanley: Historical novel telling of a man and his wife who lived in splendor in the Ohio valley through their part in Aaron Burr's treason, which started their downfall. Story ends many years later.

Gay, Wild and Free — Wadell: Author of "My Father Was A Quiet Man" and "My Mother Was A Violent Woman". From Captain's wife to Colonel's lady. Army life in which the author managed to have quite a bit of fun.

The Running Thread — Mayrant: Romance of a pretty young Irish girl who landed in Charleston in 1858. Story of her love for a young Southerner and of her faithfulness during the hard years of the Civil War.

The Way West — Guthrie: Stories of more than fifty people who formed a wagon train and headed West to Oregon.

Nineteen Eighty-Four — A satirical novel about a future time when people living in a collective, society are persuaded by Thought Police into thinking that ignorance is strength and war is peace. One will not read this book just for pleasure but it should be read. It has suspense and melodrama and shows what could happen if we refuse to think and allow ourselves to just drift.

Popular Mechanics Christmas Book: Things to make for all ages.

For the Younger Readers: Practically Seventeen — DuJardin: Light romance.

Linda Takes Over — Choate: Circumstances make it necessary for Linda to take charge of the younger children.

Tommy Carries the Ball; Steady; A Baseball Story; A Touchdown For Doc; David Cheers for the Team — are four good stories for our younger sports fans.

Squanto and the Pilgrims — Will be interesting to both the girls and boys.

Sphinx — McClung: Life of a caterpillar from earliest stage of growth to death. Instructive reading. Illustrations add much to the book.

Cowboy Small — Lenski: Ranch life.

Bonnie Bess — Tressalt: How a little weathervane helped the farmer with his work.

ern lower and Dec. 31st in the southern lower peninsula. Trappers can get detailed information on all trapping seasons and most regulations in the game law digest which they receive when they purchase their trapping license.

MARRIAGES

Cihak — Trojanek

Mrs. Rose Cihak was united in marriage to Clarence Trojanek at home of Justice of the Peace Chas. Murphy, who performed the ceremony, Thursday evening, Dec. 1st. They were attended by Mr. and Mrs. Irwin Mayhew, uncle and aunt of the groom. Mrs. Cihak is the daughter of Mr. and Mrs. John Saganeck of this city.

Paliwoda — Nemecek

In a very beautiful ceremony, wedding vows were exchanged Saturday, Nov. 12, at a solemn high mass at St. Florian's Church in Hamtramck, by Miss Irene Paliwoda, daughter of Mrs. John Oscilowicz of 276 W. Nevada St., and Leo Nemecek, son of Mr. and Mrs. Ed. Nemecek, Sr., of East Jordan.

The bride was given away by her step-father, John Oscilowicz. Rev. Alexander Oscilowicz, the bride's uncle, was assisted at Mass by Rev. Joseph Perkowski and Rev. Francis Koylowski while the marriage vows were read by Rev. Peter Watkowiak, pastor of St. Florian's.

The bride selected an ivory satin gown trimmed with lace outlined with tiny pearls, and styled with a fitted bodice, long sleeves and a hoop skirt ending in a long train. Her full length veil was held in place by a tiara of pearls. Each scallop of her veil was accented with a pearl drop. She carried orchids, white roses and lilies of the valley.

The bridesmaids, Bernice Zeremba, Dalores Glowinkowski, Irene Patajczyk and Virginia Glowinkowski wore identical gowns of royal blue velvet with taffeta bottoms. They were fashioned with a sweetheart neckline and had a bustle. They wore little matching capes and their headpieces were of heart shaped velvet. They carried muffs of yellow roses.

Carl Sulak served his cousin as best man and the ushers were Marion Paliwoda and Leo Paliwoda, brothers of the bride, and Robert Nemecek, brother of the groom.

The bride's mother wore a two-piece floor length pink dress. The

Getting Acquainted With Livestock Disease Regulations

Following the ceremony a wedding breakfast was served to 110 guests, and a reception in the evening for 500 was held at the Falcon Hall, Hamtramck.

Out of town guests were:— Mr. and Mrs. Ed Nemecek, Sr., and Mr. and Mrs. Ed Nemecek, Jr., and daughter, Ruth, Mr. and Mrs. Archie Nemecek and daughter, Janet, Ruth Ann Kratochvil, Joe Lilak, Mr. and Mrs. Carl Skop, Adam Skrocki, Mrs. Stella Sulak, East Jordan; Mr. and Mrs. Joseph Masinski, Mr. and Mrs. Joe Berka, Mrs. Joseph Klimont, and daughters Violet and Gladys, and granddaughter, of Cleveland, Ohio.

According to Dr. Lee Davison, State Veterinarian, Michigan Department of Agriculture, stockyard inspectors are contracting dealers and livestock brokers as well as farmers, regarding livestock regulations, particularly those pertaining to cattle. The information being disseminated pertains to P. A. 290 of 1919 and amended by Act 157 Public Acts of 1949, now commonly known as the Bonine Law.

Dr. Davison reports that many folks dealing with cattle apparently are not familiar with the requirements of the law which states that removal of cattle over 12 months of age from any premises, stockyards or railroad yards, must be accompanied by proper health certificates for return to the farm for feeding or breeding purposes.

This is an effort on the part of the department to control Bang's disease, tuberculosis, hog cholera, and any other contagious or infectious disease. If all persons, whether dealers or farmers, comply with the laws, it will greatly assist in the control of animal diseases.

NOVEMBER 27, 1909

The second number of the East Jordan course of entertainment will be given next Monday evening when Thoa. Brooks Fletcher will deliver one of his celebrated lectures.

Presence of mind is the only thing that saved Jack Cuson his life Wednesday while working at his laundry. In filling a gasoline stove he over-ran the tank and the liquid ran down the pipe and ignited on the red-hot burner which he had just turned off. His body was a mass of flames and he ran to the water tap where fortunately a wash dish was filled with water and threw the contents over his head extinguishing the flame.

Customers' Corner

The anti-trust lawyers, who want to put A&P out of business, don't like our low price policy. They say we use it to drive competitors out of business.

Actually, as every customer knows, our low price policy is designed to do just one thing: Give you more good food for your money.

Here are the facts about our low price policy:

1. We keep our profits at a minimum. They averaged less than 1 1/2 cents on each dollar of sales during the past five years.
2. We have for years had a strict policy against below-cost selling.
3. We do not have any "Weekend Specials", but feature low prices the whole week long.
4. We charge the lowest practical prices everywhere we operate.

That is why we say, "Regardless of where you live, you will save money week in and week out by doing all your shopping at A&P."

What is the Michigan farmer thinking about these days?

The Michigan Farm Bureau and the Michigan State Grange held annual conventions in recent weeks. These state-wide organizations wield a powerful influence among farm people. When the leaders speak and resolutions are finally adopted, the result is somewhat of a Gallup poll taken at the Grass Roots on a representative basis. While approving present federal support program for agricultural commodity prices, the Farm Bureau delegates were highly critical of federal subsidies. Generally speaking, the farmer would like to see these abandoned. He fears the ultimate result of a regimented farm economy under the Brannan Plan.

On state issues Farm Bureau delegates urged a two-cent a gallon increase in the present three-cent gasoline tax to finance better roads. They urged Governor Williams to include a road plan program in the forthcoming special session early in 1950.

Construction of toll superhighways, state financing of pre-strike votes by unions, socialized medicine, colored oleomargarine, billboard construction on highways, and dual control over state fairgrounds all were opposed by Bureau delegates. President of the Michigan Farm Bureau is Carl E. Buskirk of PawPaw, re-elected to serve his fifth consecutive term.

W. G. Armstrong, master of the Michigan State Grange, sounded the keynote before the Grange annual convention recently when he declared that constitutional diversion of Sales Tax revenue back to home governments left the state of Michigan with one of three choices: To shift some of the cost of public services back to home governments, to cut sharply into state Michigan services such as for colleges and hospitals, and to levy new taxes to avert an evitable deficit.

The levying of a new state tax would be a further step towards inflation by adding further to cost commodities and surpluses. Economists are already pointing out that the grant of company-paid pensions by the U. S. Steel Corporation, Ford Motor Company and other big industrial concerns will have the equivalent effect of another round of wage increases as far as production costs are concerned.

City consumers may be complaining about food prices. They know that farm prices have dropped 13 percent for the first nine months of 1949 compared with the same period last year.

While non-farm income was up approximately one billion dollars in September, farm income was down one billion six hundred million.

The Michigan farmer knows that farmers generally have shouldered nearly all the price decline so far, while wages to store help and other middleman agencies have continued to go up. Farmers get only 45 cents of the consumer food dollar today as compared with a high of 55 cents 18 months ago.

Before the war the farm share of the food dollar was around 40 cents. In the low depression years farmers received only 32 cents.

The economic squeeze facing the farmer is apt to remain steady and possible increase during the next few years, while prices for farm commodities steadily decline. Lower profits thus appear to be inevitable.

You can't blame the Michigan farmer for wondering what is ahead and perhaps favoring some kind of government planning and controls whereby the postwar slump in farm economy, following

World War I, may still be averted. The Michigan farmer also is concerned over our steady path to inflation through constant deficit financing. This apprehension may be summed up by the following illustration:

If the 3,900,000 farmers who own and operate their own farms were to convert their land, livestock and equipment into cash, the net result would be 25 billion dollars cash, only enough to operate the United States government for seven months!

That doesn't make sense to a man close to the ground as a dirt farmer.

Tuition fees and other charges paid by students at the University of Michigan and Michigan State College have doubled in recent years. Whereas students paid 20 percent of the U of M operating cost in 1929, students today pay double that amount—40 percent, said Dr. Alexander G. Ruthven, president of the University of Michigan, in a conference with Governor G. Mennen Williams at Lansing. Dr. John A. Hannah, head of MSC, pointed out that Michigan colleges are now competing with other agencies for state aid in a way which did not exist a few years ago. The result is that state legislatures have been increasingly reluctant to appropriate funds for colleges in amounts to finance higher education adequately. If college fees are increased further, only privileged groups will have advantages of higher education, the two college presidents warned.

One of the best things to hit the Michigan conservation movement in many years is the state park work program performed by inmates from Michigan prisons. A ski run and winter sports improvements are being completed at the Poreupine Mountain State Park near Ontonagon. Construction work is being pushed also at the Tahquamenon State Park in the Upper Peninsula. Two state recreation areas are being benefited by work programs: Pontiac Lake area and Waterloo recreational area, both in southern Michigan.

Kim Sigler, still carefree and an aviation enthusiast, is not a possible candidate for republican nomination for governor in 1950. Interviewed recently by reporters, Sigler replied: "Why should I run for public office? I'm 55, having a good time and free to take any law case I want or fly my plane where I want, when I want." Sigler recommended that republicans make an issue of the C. I. O. "control" of the state democratic party.

Michigan farmers have completed in recent weeks the largest harvest of corn, oats and barley—all feed grains—on record in the state. The farm crop was 26 percent above 1948 and 21 percent higher than the previous record crop in 1942. October harvesting weather was nearly perfect.

It will cost you 12 1/2 percent more to travel on eastern railways as result of a rate increase granted at Washington. This increase has been necessary because of higher wages and other operating costs, it is explained.

The Michigan 1949 apple crop is 72 percent above average with an estimated production of 11,785,000 bushels. All fruit production was 46 percent above a 10 year average.

Louis M. Nims, Commissioner of the State Department of Revenue, announces that state revenue collection for October 1949, brought an increase of \$1,982,015.07 over October, 1948. The retail sales tax increase was over \$300,000. The utilities tax brought an increase of \$1,500,000. The total tax collected by the department for the current fiscal year shows an increase of \$302,220.19 over the same period in 1948.

"Forced saving plan"—such is the verdict of C. E. Wilson, President of General Motors Corporation, with reference to company-paid pensions won by C. I. O. from Ford Motor Company, U. S. Steel Corporation, and other big business concerns. Wilson calls for an end to "shotgun bargaining methods" and favored "adequate federal pensions operated on a sound basis."

State department heads have requested legislative appropriations in 1950 of nearly \$100,000,000 above amounts appropriated for the current fiscal year ending June 30, 1950. Comment by Governor G. Mennen Williams: "We will unquestionably need new revenues to operate at present levels." Robert F. Steadman, State Controller, has been asked to wield a sharp axe on budget requests for more money.

More self-reliance by farm people to solve their own health problems on a local community basis was recommended by panel speakers at the Third Michigan Rural Health Conference sponsored by the Michigan State Medical Society. Authorities agreed that "there is too much reliance placed on the federal government" to remedy rural health conditions.

Reflecting the jittery thinking of many citizens about atomic warfare was a recent news report that salt mines beneath Detroit offered an ideal refuge for munition plants; a recent article in Colliers that Detroit was the number one target for atomic bomb attack if and when war developed with Russia. What next?

"Governor G. Mennen Williams is running for re-election; I am not." Such was the reply from Charles M. Ziegler, State Highway Commissioner, to recent criticisms voiced by Governor Williams of the commissioner's administration of the State Highway Department. In a talk before southern Michigan road commissioners, Ziegler declared: "Williams wants to regain control of the department and has used every maneuver possible to again make it political." The commissioner, who was re-elected in

1949, said the proposal to build a bridge at the Straits of Mackinaw should be re-studied by experts and hence taken out of the "realm of politics".

A bridge across the Straits of Mackinaw? "No!" declare three geology experts of the University of Michigan. Professor Kenneth A. Landes and two associates made a study of the geology of the straits region for the State Department of Conservation. Soft shale rock in the straits would not be adequate for foundations to hold bridge piers, concludes Landes.

The Michigan Department of Economic Development announces that Michigan ranks second in population increase for the period April, 1940, to July, 1948. California was first. Michigan's present population: 6,209,000.

Wholesale prices have declined about 7 1/2 percent during the past 12 months and now are around 10 percent under the postwar peak reached in September, 1948. The Bureau of Labor Statistics reports a 12.7 percent decline in farm prices; 8.9 percent drop in food prices during the past 12 month period.

Among the present problems which promise to result in requests for more state spending is that of the postwar rise of sex crimes in Michigan. Governor Williams has asked the State Mental Commissioner to make a search for an immediate solution. A Detroit daily newspaper sponsored an independent study of eight sex murderers in Detroit and other cities in recent years, and the survey came to the conclusion that additional state facilities were urgently needed. Prospect is new demands for state aid.

Auditor General Muriel K. Aten reports that the state collected and returned to local governments three dollars for every dollar retained by the state for state services during the past fiscal year. Total of state aid payments was \$309,863,726 as compared to state cost of institutions, departments and maintenance of highways and

building amounting to \$102,925,073.

Aten points out that expenditures for the past year were over 18 million dollars higher than revenues. He makes this prediction: "Under the present financial structure, if and when sales tax revenues take a nose-dive, the inevitable result will be financial chaos in the general fund."

Governor Williams is said to still hold the firm conviction that new taxes will be needed in 1950 because of postwar inflation and constitutional diversion of sales tax revenues back to local governments.

If further inflation in 1950 results in higher prices and continued high consumer spending, it is entirely possible that the threatened treasury deficit may be delayed or at least kept to a low amount. Republican legislative leaders appear to be gambling that no deficit will develop or, if at all, the deficit will be nominal. To impose new taxes in an election year is not popular with many legislators.

Building facilities at the Michigan State Fair are wholly inadequate for present needs, declares James D. Friel, general manager, in a report to Governor Williams. Since the coliseum was constructed in 1921, "no major building" has been erected at the fair grounds. Friel concludes that Michigan lags far behind Indiana, Wisconsin, Ohio and Minnesota in the State Fair facilities. While it is unlikely that anyone will dispute the judgment of Mr. Friel, it is equally unlikely that the legislature will grant new funds for needed State Fair improvements, especially in view of the financial situation confronting the state and local governments.

Former Governor Harry F. Kelly is said to be cool to urgent appeals that he announce his candidacy for governor in competition with State Treasurer D. Hale Brake and Secretary of State Fred M. Alger, Jr.

CHRISTMAS PAGEANT IS PROGRESSING

The Grade School pageant "The Christmas Story" is progressing very well and will be ready for presentation on Wednesday afternoon, Dec. 14th, at 2:00. Everyone is invited to attend the children's rendition of the true meaning of Christmas.

Every child in the grade school is participating in the program with approximately 500 children marching in a processional and singing in a massed choir.

The grade school faculty was divided into committees and each one has been working diligently to see that every detail is carried out satisfactorily. On Tuesday afternoon the group met and made capes and bows for the entire choir, then enjoyed a delicious supper together.

FIRST Grade — Mrs. Stokes
We are very busy working on the Christmas program and on gifts for our parents.

The year is one third over. Donald Craig, Rose Donaldson, Kenneth Pettifore, Ruane Raymond, Janet Dougherty, Dick Hayes, Judith Jankoviak, Mary Porter, Clyde Schlicka, Larry Stanton, Jerry Vrondran and Sharon Washburn had perfect attendance one of the two marking periods so far.

Norma Gee, Connie Kolker, Louis Kraemer, Linda Murphy, John Neumann, Gerald Peters, Annette Reed and Wilma Schwandt have perfect attendance so far this year.

FIRST Grade — Mrs. Brooks
We wrote letters to Mr. Skop thanking him for the beautiful Christmas tree which he brought to our room. It was fun decorating it.

To show our appreciation to those who registered in our room

on Parent's Night we copy the list: Mrs. Douglas Knudsen, Mrs. Maude Bartholomew, Mr. and Mrs. Roland Hayes, Mrs. Ila Spink, Gladys Sineway, Mrs. Lucille Kraemer, Mrs. Jane Russell, Mr. and Mrs. Laurence Schumacher, Mary Donaldson, Marjorie Omland, Geraldine Healey, Helen Murray, and Mrs. Max Kamradt.

We are sorry that Frances Hayes has to chicken pox and hope that she will be back in time for the Christmas party.

SECOND Grade — Cora Seiler
We are busy getting ready for Christmas. It is fun learning all the Christmas Carols. We have been making Christmas gifts from materials we have at home.

Georgia Cloutier moved to Pontiac. We will miss her. Sally Graham, Theora Evans, Sherry Cihak, Lyndell Ingalls, Julie Hubble, Rudolph Bulman and Judy Nemeck have perfect attendance for the past six weeks.

There were several parents who visited our room on Parent's Night. They were very interested in their children's daily program and their writing and number work.

SECOND Grade — Agnes Johnston
Getting ready for Christmas is fun, we think. We have been making mother's gift and making decorations for our tree. We enjoy practicing the Christmas Carols which we will help sing Dec. 14.

We learned from Jolly Jingo how to save paper when we make our Christmas tree trimmings. We talked about the ways we might save school materials. Many of the children have brought Christmas stories to share with the class.

Betty Fisher, Floyd Holly and Joanne Clark have birthdays this

week. We drew the usual pictures for them and sang the birthday song. Joanne treated the class to beautifully decorated cup cakes. This was a lovely surprise.

The children who were neither absent nor tardy for the second marking period were: Glen Arnott, Dale Coster, Duwayne Dougherty, Yvonne Elsinga, Floyd Holley, Michael Kowalske, Douglas Lick, Shirley McClanathan, Gerald Misner, Alfred Nelson and Louis Raymond.

SECOND & THIRD Grades — Adeline Bowerman
Nickey Poole visited our room on Thursday with his friend, Dickie Clark.

Our room is taking on a very festive look with a lighted fireplace, a border of Santa Clauses with their packs, a sugar plum tree on the fireplace, and tall red candles at our windows. In our sandtable we have tried to show "They're going to build a toyland town all around the Christmas tree" with "Santa Claus Coming To Town". The part of our decorations we like the best is our frieze depicting the Christmas story as told in the Bible and expressed in various songs. We have a shepherd with his sheep for "While Shepherds Watched Their Flocks", the three Wise men on camels for "We Three Kings of Orient", two angels for "Angels We Have Heard on High", a brightly beaming star over Bethlehem for "There's A Song in the Air", and "Oh, Little Town of Bethlehem" and the Christ child in a manger for "Away In A Manger". We have learned most of these carols to sing in the Christmas Pageant.

It seems that many of our birthdays are falling on Sunday this year. On Dec. 4th Sandra Gibbard celebrated her eighth birthday and was surprised when several of her friends to help her have a happy time. Since Sandra had been studying about Indians at school, her party was arranged around an Indian theme.

On Tuesday, Dec. 6th, Dickie Clark had his seventh birthday and in the afternoon he treated his classmates with suckers and cupcakes which his mother had prepared. After school he entertained several friends at his home. Dickie is the youngest one in our room.

We are all glad to have Carolyn Richardson back after a week's absence because of a tonsillectomy. Second graders who were not absent the last marking period are: Jerry Bennett, Sandra Gibbard, Harold Hart, Kay Kamradt, Richard Kraemer, Bruce Ogden, Billy Taylor, Christine Thorsen, Agnes Zoulek, and Richard Clark. In the Third Grade: Lauren Donaldson, Donna Neumann and Sanford Sweet were not absent.

We were very happy to have so many parents visit our room on Parent's Night. Nineteen of the 27 families or 70 percent signed our register.

THIRD Grade — Mrs. Hughes
Some of our children wrote stories on "I am an American" after we had finished our History Books.

I am glad I am glad I am an American. I love my country. I love my flag. Our country is a good place to live. We have the best school houses in the world. We have more automobiles and telephones than any other people in the world. We have more and better houses than most countries.—By Carolyn Malpass.

I am glad I live in America because I have a good home. I like my town. I have good neighbors.—By Perry Bennett.

I am glad I live in America because I have a good home. I have plenty of food. I can have all the ice cream I want. I have so many good friends and such a good school.—By Jack Kraemer.

Many of us are working hard on a history book which describes America. We have to have it done in five weeks to get a mark in history next period.

We are decorating our Christmas tree which was given us by Linda's father, Mr. Skop. Thank you, Mr. Skop.

We are planning gifts for our parents.

FOURTH Grade — Grace Galmore
We are very happy to report the following mothers and fathers visited our room during the Open House: Mrs. Seaman, Mrs. Pinney, Mrs. Kent, Mrs. Crawford, Mrs. Max Kamradt, Mrs. Keley, Claude Green, Mr. and Mrs. Roland Hayes, Mr. and Mrs. A. Drapeau, Mrs. Misner, Mr. and Mrs. Joe Leu, Mr. and Mrs. Clayton Healey, Mrs. Thelma Evans, Mrs. Smith, Mrs. Partee.

We hope the parents will come again.

WHERE IS IT LEGAL TO SPANK A WIFE?
It can't be done in Pittsburg, but a judge in British Columbia actually "sentenced" a wife to be spanked! Get the facts on wife-spanking from Abilene to Xenia, as told in one of many intriguing articles in The American Weekly, celebrated magazine of real-life stories, with this Sunday's (Dec. 11) issue of The Detroit Sunday Times.

WEST PENINSULA. . . .

(Edited by Mrs. Wm. Gaunt)
Mr. and Mrs. Loyal Barber and mother, Mrs. Addie Barber, were Sunday visitors at the Roy Hardy home. Also congratulating the newlyweds.

Mr. and Mrs. Loyal Barber and Grandma Barber spent Saturday in Petoskey shopping.

An aluminum party was held at the Alfred Crowell home Sunday afternoon. Those present were Mr. and Mrs. Lyle Peters, Mr. and Mrs. Leslie Shadian and son, Mr. and Mrs. Fred Crowell, Mr. and Mrs. Bill Gaunt, Jr., and Mr. and Mrs. Wm. Gaunt, Sr.

Ray Bloomfield and son from Clio spent most of last week visiting with Mr. and Mrs. Henry Howard and family, also trying to get a doe. Mr. Bloomfield is a brother of Mrs. Henry Howard.

Dan Hosler and family were Sunday callers at the Henry Howard home.

Mr. and Mrs. Doug. Coblenz of the Star District have a telephone installed in their home. Their number is 237-31.

Mrs. Jim Palmeter accompanied by her brother, Charlie Bowman, left Friday afternoon for Detroit to visit relatives. They returned home Sunday evening.

"Have you ever sold brushes?" she asked.

"No, he replied.

"Well, you'd better take this one and start selling it to me—here comes my husband."

PENINSULA. . . .

(Edited by Mrs. Emma Hayden)

Mr. and Mrs. Clayton Healey and daughter made a business trip to St. Ignace last Monday.

Lucky deer hunters the last day were Kenneth Russell and Earl Bennett. Both deer were very poor. Godfrey MacDonald and Harry Howard got their deer the first day. There has been a large number of deer taken from the Peninsula and seems to be plenty left.

Only one half the homes on the Peninsula represented their children at the P.T. A. meeting. Then only the mothers in some homes. Everyone enjoyed themselves and hope they have other such meetings. We certainly should show more interest in what our children are doing.

We received word from Cash Hayden, Ward 9, Percy Jones Hospital, Battle Creek, the first in 6 weeks, that he is slowly improving after serious surgery.

The East Jordan fire truck was called to the LeRoy Nicloy home Saturday evening. The insulation saved the building. They had the fire out before the truck arrived.

There were 17 at Sunday School.

Don't forget the Sunday School Christmas program Thursday evening, Dec. 22, at 8 o'clock. Rev. Buck and family will be present. They will show slides of the Christmas Story. The public is invited.

Mrs. Ed Faust and five children and Mrs. Tom Hayden and daughter spent Tuesday afternoon visiting Mrs. A. G. Reich, Mrs. Lew Kitson and Mrs. F. K. Hayden. The Faust family returned to Detroit Wednesday after spending a week here.

Mr. and Mrs. F. K. Hayden drove to the R. V. Liskum home in South Arm to join the rest for the first P.T. A. play practice. They visited Mr. and Mrs. Wilmer Olstrom in Three Bell District on their way home.

Mrs. Robert Kamradt, Muskegon, and three daughters and Miss Jeanine Olstrom spent last week end visiting the Elmer Olstrom family and other relatives.

Miss Orveline Bennett spent the week end with Marcia Pinney. Rev. Buck will hold Sunday evening services this Sunday, Dec. 11, at 8 o'clock. Everyone is invited.

JORDAN. . . .

(Edited by Mrs. Tom Kiser)

A birthday dinner in honor of Forrest Williams was held at his home Sunday. Attending guests were Mr. and Mrs. Art Morris and boys, Lou Morris, and Mr. and Mrs. Ernest Williams.

Walter Buck of Petoskey took charge of the meeting Sunday evening at Jordan River Sunday School.

Mrs. Tom Kiser and Mrs. Albert Omland were in Dearborn Thursday and Friday of last week to see their son and brother, Robert, who had an operation. He came through it successfully but is still very ill.

Twenty-five were present at Jordan River Sunday School Sunday. The Christmas program is to be held Dec. 21st at 8 p. m.

Miss Fern Morris has been moved to the hospital in Bethesda, Md. Mr. and Mrs. Gould, Pinney and family were last week end visitors at the Allison-Pinney home. Auntie Gould returned to Midland with them for a visit.

Russell Hughes came home from Detroit last week end for a visit with his family and to hunt doe. Mrs. Albert Omland and Mrs. Tom Kiser came with him from Dearborn.

Bucks seemed to have been very scarce in the Jordan River District this year. Very few doe have been killed so far.

Mrs. B. Braman, Mrs. Ida Kinsey, Mrs. Clara Brown, Mr. and Mrs. Tom Kiser were some of the

East Jordan people in Petoskey Saturday.
