Has New Automobile To Facilitate His Ministerial Work

It is a rare circumstance indeed to experience the love of a happy mother to her son expressed so thoughtfully as the mother of East Jordan's Rev. Howard Moore has extended to him.

When Rev. Moore's father died a few months ago, his widow felt that Rev. Moore should receive the benefit of his father's beautiful ring. But the very practical mother has realized for many years how difficult and exacting the demands upon a minister's time and energy are. She knew that without a good automobile, even though it is small, it is almost impossible for her son to get to the three churches which he serves in the East Jordan area, on time and be physically fit.

So the loyal mother insisted that her late husband's ring be used by Rev. Moore as part payment for the new car so much needed. Rev. Moore has done as his mother wished and his new automobile relieves him of worry and embarrassment in his considerable necessary travel.

The many ardent friends of Rev. and Mrs. Moore are rejoicing with them because now the many kind words and deeds which the greatly loved couple have so often expressed can be multiplied and enriched in renewed helpful service. — Contributed

Mrs. Adelia Dean Passes Away At 82 Years

Funeral services for Mrs. Adelia Dean, who passed away Dec. 6, 1949, at her home in East Jordan after an illness of the past two years, were held Thursday, Dec. 8, from Watson Funeral Home, conducted by Rev. Howard G. Moore. Bearers were: Roland Maddock, Hollie Bayliss, Frank Woodcock and Kiley Bader. Interment at Sunset Hill.

Mrs. Dean was born Dec. 18th, 1867, at Sheridan, Mich., where she spent her early years.

In 1885 she was united in marriage at Sheridan to Sandy Dean, who preceded her in death May 5th, 1937. They lived at Central Lake for a while before coming to East Jordan in 1904. Since then had made this her home. She became a member of Jassamine Rebekah Lodge, transferring from the Central Lake Lodge. She was an active member as long as her health permitted. She was always generous.

She is survived by two daughters, Mrs. Nora Allender of Petoskey, and Mrs. Merle Mero of Detroit; and a niece, Mrs. Ethel Woodard of Jackson.

Clerk: "Are you a guest of the hotel?"
John Barr: "No, I pay to stay here."

Council Proceedings

A Special Meeting of the Common Council was held Tuesday afternoon, Dec. 6th, at 4:00 p. m. Present: Mayor Benson, Aldermen Griffin, Rebec, Malpass and Clark. Absent: Aldermen Gee and Strehl. Motion was made by Malpass and supported by Griffin that Marvin Benson and Earl Clark be authorized to sign the post office lease. Carried all ayes. Marvin R. Benson, Mayor
Thelma Hegerberg, City Clerk

All For Christ Youth Rally at Finkton Schoolhouse

The December Youth Rally will be held at the Finkton Community Building (schoolhouse), Dec. 17th, at 8 p. m.

If you want to receive a real Christmas spirit early, this is the place you want to attend. The Ranney Sunday School is giving a Christmas Program based upon the Christmas Story found in Luke 2. There will also be special Christmas music.

To close our program we are going to have a grab box of gifts. It has been requested that all who attend bring a gift suitable for what sex you are.

So come out and join in the Christmas Spirit with us this Saturday night.

Mrs. Jasper Warden Passes Away in Her 81st Year, Following A Stroke

Funeral services for Mrs. Josephine Warden were held, Sunday, Dec. 11th, from Watson Funeral Home, conducted by Rev. Edward O. DeHaven. Bearers were: Martin Decker, Ed Weldy, Luther Brintnall, Basil Holland, Arthur Brintnall and Albert Lenoskey. Interment at Sunset Hill.

Mrs. Warden was born Josephine Deets, July 28, 1868, in New York State and passed away at the home of Martin Decker, Dec. 9th, following a stroke which occurred a few days previous.

She was united in marriage to Jasper Warden in Wilson Twp. in 1889 where they made their home for many years on the farm now occupied by Harry Hayes and family. They lived at Adrian 10 years when her husband's health forced him to quit work. They returned to East Jordan in 1939 to their home on Maple St. Her husband passed away in June, 1942.

Surviving are two daughters, Mrs. Fay Lawson of Detroit and Mrs. Otie Scheffels of Detroit. Seven grandchildren and seven great grandchildren.

Those from away here to attend the funeral were: Mr. and Mrs. A. W. Lawson and son, Donald, Donald Turner, Detroit; Mr. and Mrs. Mio Scheffels, Mr. and Mrs. Alford Schaffer, Muskegon; Mrs. Otie Scheffels, Detroit; Mrs. Earl Johnson, Mr. and Mrs. Tom Irwin, Petoskey; Mrs. Floyd Irwin and daughter, Virginia, Gould City; Mr. and Mrs. Bruce Deets with son and daughter, Pellston.

Post Challenges Auxiliary In Membership Contest

The Rebec-Sweet American Legion Post has challenged the Auxiliary Unit 277 to a membership contest to end Dec. 31st. The loser to entertain the winners with a sleigh ride followed by refreshments. The Post quota for this year is 159 members and the Unit is 136, so the boys have agreed to spot the girls 11 members. At the last joint meeting on Nov. 29 the Auxiliary already had more paid members than the Post. Reva Walton, Aux. Membership Chairman, and her committee are working hard to get as many members as possible, as the girls are determined to be the victors. So if you know of any lady who is eligible to become an Auxiliary member be sure and call Reva, phone East Jordan 58-W and give her the name and she will see that someone contacts her.

It is about time the boys entertained us, so come on and let's show them what we can do. At the same time maybe we will win the President's Membership Citation.

SOUTH ARM TOWNSHIP TAX NOTICE

I will be at Sinclair Sales on Saturday afternoons, Dec. 17-24-31 for the collection of taxes.

Township Treasurer.

Get "A Bill of Sale"

Michigan forests and other state lands are poor locations to try to pick up a free Christmas tree—it takes a fine to convince a few illegal cutters each holiday season.

Persons who cut these trees are conservation law violators just as much as those who hunt game out of season, the conservation department's law enforcement division warns.

Conservation and other enforcement officers are checking "bill of sale" and "consent" papers required of cutters working private lands. The legitimate individual purchaser, transporting his yule tree over the highway, can protect himself by demanding a bill of sale from the seller.

Dairy Ass'n Annual Meeting

CHARLEVOIX and ANTRIM COUNTIES MET LAST TUESDAY and WEDNESDAY

The various dairy associations in Charlevoix and Antrim counties held their annual meeting last Tuesday and Wednesday. Don Murray, Dairy Specialist, and Geo. Amundson, Farm Building Specialist, from Michigan State College, were on the program. Mr. Murray covered quality of milk production and good feeding practices. "Anyone interested in a sheet showing a simple method of feeding cows during the winter season should drop a card to Ed Rebmam, County Agr'l Agent of Boyne City. George Amundson spoke on dairy barns.

At the Boyne City Artificial Breeders Association annual meeting, Carl Stevens was re-elected as director and Curtis Nicloy was elected to replace Clayton Healey as director. The annual report showed a total of 818 services for the year, with 364 firsts, 233 seconds, 142 thirds and 79 extras. Nine members joined the association during the year bringing a total of 58 cows. The first board meeting will be held early in January.

The Charlevoix-Antrim Dairy Herd Improvement Association elected the following directors for 1950. Archie Murphy, Peter Winnick, Harold Goebel, John Wieland, and Elias Sommerville—this board elected the following officers: President, Elias Sommerville; Vice-President, Harold Goebel; and Secretary-Treasurer, Archie Murphy.

The annual report showed an average production per cow of 336 pounds of butter fat and 9517 pounds of milk. Bill Kiessel owned the Jersey cow that was highest for the year with 520 pounds of butter fat. Elias Sommerville owned the Holstein cow that was second with 488 pounds of butter fat. Archie Murphy's registered Guernsey herd was the highest with an average of 417 pounds of butter fat. Eight of the herds averaged more than 300 pounds of butter fat for the year.

The Antrim-Charlevoix Red Dane Breeders Association under the direction of Bur Blanchard, president, elected 1 director to their board of directors. Their annual report showed a total of 26 members in their association. This association is receiving services from the Antrim-Charlevoix Artificial Breeders Association and testing services from the Charlevoix-Antrim Dairy Herd Improvement Association.

John Wieland, president of the Antrim-Charlevoix County Artificial Breeders Association, was general chairman for the meeting. At their election, Robert Arnold, Bur Blanchard and Nathan Carpenter, were elected directors. The annual report showed a total of 1428 services with 784 firsts, 405 seconds, 171 thirds and 68 extra services. A total of 45 members joined the association during the past year, bringing in a total of 346 cows.

The American Legion of Ellsworth prepared a very nice meal for the large crowd that attended. Unless correctly administered by a qualified physician, sex hormones may cause women to develop male traits and result in feminine qualities in men. One woman, injected with male hormone, testosterone, developed downy hair on her upper lip, on her chin, and on the sides of her face. However, hormone treatments are being used successfully for patients suffering from Addison's Disease, cancer, deafness and menopause symptoms. Don't miss "Beware of Sex Hormones" in The American Weekly, the great magazine with Sunday's Chicago Herald-American.

Special Invitation to Christmas Assembly

AT HIGH SCHOOL FRIDAY AT 11:00 A. M.

Parents! for the first time you are invited to be guests at the High School Assembly. This event will take place at the East Jordan High School, Friday, at 11:00 a. m.

Along with Santa's many antics you will enjoy many musical selections by our band and vocal groups.

This is an opportunity for many parents to enjoy Christmas music, old and new, which they would not otherwise hear.

The following musical organizations will take part:—The newly organized "Mixed Chorus", The Boy's Glee Club, Senior High Girls' Glee Club, Junior High Girls' Glee Club.

Following is the program: Mixed Chorus — Today There is Ringing, Gather Around The Christmas Tree, Silent Night.

Senior High Girls' Glee Club — Jesus is Born, Each Christmas Night, Shepherds Awake, Santa Claus is Coming to Town, Jingle Bells.

American Legion Plans Community Christmas

The American Legion Community Christmas program is well under way. A meeting of Committee Chairmen was held in the Legion club room Friday evening, Dec. 9, to draft final plans for packing and distributing baskets.

All Fraternal and Civic Organizations, Churches and individuals in East Jordan are invited to participate if you wish. Any donations in the line of food, money or clothes will be greatly appreciated.

The new Legion home on Main St. will be open every day so that contributions of food and clothes may be left there. Comic books or children's books in good condition will also be accepted as well as games and toys. All cash donations should be turned in to Thora Kotowich, - Community - Service Chairman, or Edna Wilkins, Auxiliary President. It will be appreciated if all donations are in by Monday, Dec. 19th, as that is the date set to start packing baskets.

It has been estimated that there will be a lot more aid this year than were helped last year so the need will be much greater. We want this project to be a credit to the organizations in East Jordan as well as the town as a whole.

Rebec-Sweet Post and Auxiliary Unit 227 are combining their efforts in this program and it is their goal that no family in need shall be without a Christmas this year. The project does not only take in Veteran's families but includes any family in the community who is in need.

So come on and let's prove that our town has the real Christmas Spirit and make this a truly Merry Christmas in our Community.

Methodist Church

Howard G. Moore, Pastor

Family night supper will be on Thursday, Dec. 22. Following the pot luck a Christmas program will be given upstairs by the church school. Everyone welcome. If you can not go to the supper come to the program.

The Mary-Martha group will hold their Dec. meeting this Friday with Mrs. Grace Bartlett. Bring a gift for exchange.

The Dec. meeting of the WSCS was held at the home of Mrs. Ruth Moore with Mrs. Tillie Conway and Mrs. Ora Batterbee assisting. The theme of the worship service and the program was "Christ in Christmas."

The afternoon and evening circles of the WSCS which met at the home of Mrs. Mattie Palmiter last Friday night greatly enjoyed and appreciated the talk given by Mrs. Sadie Liskum on "Stained Glass Windows."

Sherman's Hardware Announces Winner of Shelvador Refrigerator

Mrs. Clifford R. Hosler, East Jordan, on Saturday, Dec. 10, was announced the winner of a new 1950 custom model Shelvador refrigerator given away by Sherman's Hardware, as part of a giant national "giveaway" conducted by the Crosley Division, Avco Manufacturing Corporation, and its distributors and dealers throughout the country.

Mrs. Hosler was adjudged to have submitted to Sherman's Hardware the best statement as to "Why I Should Be Given a New 1950 Shelvador Refrigerator." Announcement was made at special ceremonies held in Sherman's Hardware, Saturday evening.

The winning statement:—"I think you should give me a new 1950 Shelvador because in our 14 x 18 home every inch of space is valuable. Your Shelvador is ideal. It's small outside yet gives oodles of food space which we need so badly with a new baby to share our "window sill" ice box."

All entries in the Sherman's Hdwe. contest are still eligible for the 125 grand national prizes to be awarded by Crosley. Announcement of the winners of these prizes will be made on Dec. 20.

East Jordan Wins Third and Fourth Tilts From Grayling and Gaylord

LOCAL BOYS WIN BOTH GAMES IN HARD FOUGHT BATTLES

Last Friday on Grayling's floor our Red Devils won both games after a hard fought battle. Our second squad went into action as soon as they got on the floor and started popping the baskets in. Both teams were well matched but East Jordan had a little more speed than their opponents. East Jordan's starting team was: Milstein, Cutler, Huckie, McGeorge and Anderson. Anderson was high point man with 9 points to his credit, while Warden of Grayling scored 5 for high point man on his team.

The second game started out with a bang by the Grayling "Vikings". They started the score board moving by making a free throw. They made several other points before our Red Devils popped their first basket in with Boring shooting. Although Grayling's height exceeded that of our players, our speed made up for it. At the end of the first period Grayling led by a score of 9-3. At the second quarter our Red Devils cut loose. They started cutting circles around the Grayling boys and didn't stop until the game was over. At the half, East Jordan led by 18-16. During the third quarter it seemed as if Grayling was trying to get ahead of us, but they only scored 5 points to our 12.

The last period was almost as exciting as the third and the fans were on their feet most of the time. Grayling stole the ball from the Red Devils several times but couldn't score. Then the Red Devils began fighting all the harder and their excellent coaching and long practice began showing above the Viking's in their superior ball handling and swift thinking. The game ended like it started with the ball going through the basket. We won by the score 42-35. Boring was high point man for E. J. with 13 points. Trudeau for Grayling made 17 points and was high point man for them. All of our boys got to play and they all were in there fighting and showing excellent spirit.

Tuesday night our Red Devils added another victory to their belt, when they won over Gaylord in their closest battle of the year. Gaylord made the first point in the game on a free throw. After another basket by Gaylord the Red Devils began to show a little life by dropping in two baskets. The score at the first quarter gave us the lead of 7-4. In the second period the ball was moving quite fast, and both teams scored more this period than any other. The score was 19-15 at the half in our favor. The third quarter was mostly defensive playing and although the ball exchanged hands many times the score at the third period was 20-19 in favor of Gaylord. The fourth period was the most exciting and everyone was on their feet most of the time. Gaylord scored 5 points in the first four minutes and East Jordan also scored five. This made the score 25-24. After the longest two minutes in any basketball game, East Jordan tied up 25-25 by a free throw. The score remained tied with only 30 seconds to play. A double foul was called on Scheur of Gaylord and Boring of East Jordan. Scheur made his but Boring missed. The officials found that Scheur already had five fouls so his basket did not count. Then East Jordan got possession of the ball and with only seconds to play Hammond took the ball, flipped it to Boring, who popped it in the basket. It was the winning bucket. The gun went off, after some confusion, and our boys left the floor still undefeated. This game was an excellent example of our boys' good teamwork. Meredith was high point man, holding seven points. Sommerville and Whiteford displayed their speed and

ability along with Hammond and Evans. Saxton and Karr showed smooth handling along with Don Bowers and the rest of the team. The boys expect a good home game Friday, too, when they meet Harbor Springs.

Our second team won their game, too, by a very close margin, 17-16. This game was almost as exciting as that of our first team, and the boys are making a very good showing of sharp basketball.

South Arm Grange To Have Community Christmas

South Arm Grange is to have Community Christmas entertainment Friday evening, Dec. 23rd, at 9:00 p. m.

The Grange met last Saturday evening with 13 present. New committees were appointed for the year by the Master and Overseer. It was voted to buy a furnace for the Hall. Also to make our Christmas party a community program. Santa has promised to come and see the children and bring candy for everyone. There will be an exchange of gifts for both adults and children. Gifts are not to exceed 25¢ for adults and 15¢ for children. There will be a potluck lunch at the close of the meeting. The Lecturer, Mrs. Lord, would like everyone who is taking part in the program to come to the hall Thursday afternoon at 2:00 p. m. for rehearsal and to help decorate the Hall.

There will not be any roller skating the evening of the 23rd, but will be every Friday evening after that. Do not forget Friday, Dec. 23rd, at 9:00 p. m. Come one! Come all! And join in the fun and sing Christmas carols with us. Everyone is invited.

Extensive Program Set For MSC Farmers' Week

For many years, Michigan farmers and their families have looked to Michigan State College's Farmers' Week program to bring them new developments in farm living. The 1950 program, set for Jan. 30 to Feb. 3 has been planned with this tradition in mind.

According to Dean E. L. Anthony of the school of agriculture, each department has arranged a worthwhile and educational series of meetings. Special days to feature Michigan crops and farm enterprises are planned as has been customary in past years.

Monday, Jan. 30, opening day of the week, will be designated as dairy day. Breed association members will meet for a general session and then hold individual meetings.

Farm crops and soils have designated feature days for sugar beets, beans and grain, potatoes and forage crops. Animal husbandry will devote sessions to horses, beef cattle, swine and sheep.

Special programs on forestry, horticulture, agricultural engineering, conservation and game management, poultry, and home economics will draw farmers and their families interested in these activities.

On the business side of farming, agricultural economics programs will emphasize the outlook for profits in 1950. Rural sociologists will discuss aspects of country life relating to schools, churches, and better health.

Afternoons at Farmers' Week are scheduled for general programs held in the MSC auditorium. Nationally-known speakers are booked for talks.

As is past years, many state farm organizations will hold annual meetings during Farmers' Week when their numbers come to the East Lansing campus. Ed Rebmam

FARM FACTS from your County Agricultural Agent

MSC SPECIALISTS TO ATTEND DAIRY MEETINGS

Two Specialists from Michigan State College will attend the Dairy Meetings that have been set for early in December. The first meeting will be held on Tuesday afternoon, Dec. 6, in the Boyne City Library, starting promptly at 1:30 p. m. The second meeting will be held on Wednesday, Dec. 7, at the Ellsworth Community Hall, and will start promptly at 10:30 a. m. with a dinner served at noon and will close at 3 o'clock.

Don Murray, Extension Specialist in Dairying will be one of the speakers at this meeting. Mr. Murray has had several years experience in the operation of creameries before coming to the college. He will discuss the quality milk production program and how farmers can improve and maintain their quality of milk and cream. Mr. Murray will also discuss feed problems and will answer any questions in regard to Dairy Husbandry.

George Amundson, Extension Specialist in Agr'l Engineering for Michigan State College will also appear on that program. Mr. Amundson has had many years experience working with farm buildings throughout the State of Michigan. Such items as ventilation, insulation and so forth will be among the topics that he will cover.

The Boyne City Artificial Breeders Association will hold their annual meeting which will consist of reports and the election of two directors at the same time on Tuesday afternoon, Dec. 6, at 1:30 p. m., in the basement of the Boyne City Library. The annual meetings of the Antrim-Charlevoix Artificial Breeders Association, The Charlevoix-Antrim Dairy Herd Improvement Association and the Antrim-Charlevoix Red Dane Breeders Association will be held at the same time at Ellsworth on Wednesday, Dec. 7, at 10:30 a. m. A very wonderful film will be shown promptly at starting time for both meetings. All members of these associations and all farmers in the locality are urged to be present.

INCOME TAX

Income tax time is on its way, reminds Ed Reberman, County Agricultural Agent, who believes farmers should begin getting their records together for the annual figuring job.

To give help to farmers in preparing income tax returns, the Michigan State College cooperative extension service is distributing a new bulletin, "Farmers 1949 Income Tax." It is issued annually and revised to bring it up to date on tax changes.

Tax savings are sometimes possible by knowing just which items may be deducted as legitimate expense. A handy check list is provided in the bulletin, showing items that may be deducted.

A series of questions most recently asked by farmers preparing tax returns is also included. It deals with such topics as reporting patronage refunds from cooperatives, handling trade-in allowances, reporting agr'l program payments, liming costs, and hired labor.

Agent Reberman now has a supply of the new bulletins and will sup-

That Trip to Florida Will Find Less of "Detour" Signs

"Throw away your Florida road maps." That's the advice Automobile Club of Michigan's travel manager Harry N. Rogan is giving Michigan motorists now planning a Florida winter.

For this year's Florida-goer will find new roads and new route numbers galore. Detour signs will be few and far between—good news indeed. For dodging road construction gangs has been a regular feature of the southland trek for the past decade. This year most bottlenecks will be cleared out by Christmas holidays.

"Starting in January at the height of the season, and continuing throughout the winter," says Rogan, "our two main links to Florida will be easier to drive than at any time in the past ten years."

Postwar hotel, motel and restaurant construction in Florida has been moving ahead fast. The 1950 AAA Accommodations Directory lists 786 approved places to stay this year, against 662 last year. Within the five states along the Michigan-to-Florida route, (Kentucky, Tennessee, Georgia, Alabama and Florida) approved places to stay have risen from 1,165 to 1,331.

"Because AAA has dropped a number of previously approved places since last year, these figures show only part of the increase in available hotels, motels, tourist courts and resorts," says Rogan.

Don't look for much of a dip in prices this season. The "shopping" 1950 Florida-goer might force operators to cut prices a little to meet competition. The lucrative 1949 summer season in Florida was a result of reduced rates, and that factor could also be an important one in easing the cost of a 1950 Florida winter a little. But don't plan on it.

Hotel rates enroute will run about \$6 to \$10 per night, with first class motor courts costing from \$3.50 to \$8. Meals will average from \$3 to \$5 per day per person, depending on the appetite. That's a noticeable drop from last year's bill of fare.

This year there are two "best" routes to Florida. The direct route, which includes some mountainous roads, can be covered in three days of "through" driving. The easier-to-cover western route, from 20 to 100 miles longer depending on Michigan departure point, is free of mountain driving and major construction activity.

The direct Florida connection runs through Cincinnati, Ohio; Lexington, Ky.; Chattanooga, Tenn.; Atlanta, Ga.; and Lake City, Fla. A network of good roads radiates from Lake City to all points in the sunshine state.

The western route is becoming more popular each winter, says Rogan. It requires only a few miles of extra driving per day, allowing more comfortable travel all the way. Leaving Michigan, the route goes to Louisville, Kentucky; then through Nashville, Tenn.; Lewisburg, Tenn.; Fayetteville, Tenn.; Huntsville, Ala.; through Gadsden, Anniston and Opelika, Ala.; to Columbus, Ga.; and Lake City, Fla.

Michigan vacationers should watch their speedometers carefully while driving through both Georgia and Florida, particularly within the limits of cities,

E. Jordan Lodge No. 379 F. & A. M. Elect and Install Officers, Dec. 13

At the annual meeting of East Jordan Lodge No. 379, F. & A. M., held Tuesday evening, Dec. 13th, the following officers were elected and installed for the ensuing year:—

W. M., Clyde Goodman; S. W., Orrin Parks; J. W., Wm. Taylor; Treas., Wm. Sloan; Sec'y, Jason Snyder; S. D., Willard Howe; J. D., James Bridgewater; Tyler, R. G. Proctor; Marshall, Sam Colter; Chaplain, W. Davis; Stewards, A. Witte and F. Neumann.

Following the installation, a delicious supper was served.

Christmas Tree Time

Inspectors checking the movement of Christmas trees throughout Michigan report a normal season so far, states C. A. Boyer, Chief of the Bureau of Plant Industry, Michigan Department of Agriculture.

Mr. Boyer did however make certain comparisons with the Christmas tree movement of a year ago. To date it has been necessary to confiscate only 103 trees whereas 548 were confiscated for the same period last year, indicating better compliance with the Christmas Tree Law by the public.

Less trees were transported by hunters in 1949 than in previous years, possibly due to the inclement weather. More trucks were transporting trees the last half of November than in the previous year and less trees are being shipped into the state than formerly, indicated that more Michigan trees are being used.

Possibly the heavy snowfalls have handicapped the cutting of trees in some areas and it may be that less trees will be cut this year than last, but it appears that a sufficient number will be available for the demand. The price of the trees is comparable with past years, approximating the same retail price as last year except a slight increase in some areas depending on the supply.

Department inspectors are checking all trees in transit to see that they are accompanied by the Bill of Sale and land description as required by law. Many checking stations are located at State Police Posts. All those needing the necessary blanks for Christmas tree inspection, will find them available at County Agricultural Agents' office, sheriffs' and State Police offices or posts, or by writing the Michigan Department of Agriculture, Lansing.

State Wide Traffic Accident Prevention Scheduled for December

The city of East Jordan has joined forces with the Michigan State Safety Commission in conducting a state-wide traffic accident prevention program during the month of December according to Chief Harry Simmons. "It is called 'Holiday Hazards' and will concentrate on the greatest single holiday hazard, that of driving after drinking," he said.

The official slogan of the program will be "Drunk Drivers Lose Their Licenses". This is appropriate because over 50,000 have lost their licenses under the mandatory provisions of the State law, this now at the rate of over 5,000 per year.

Chief Simmons stated that the month of December is the most fatal month in the year—195 people were killed last December. He emphasized the fact that drunk drivers are involved in far too many accidents. A study made by the Michigan State Police showed that during the critical hours between midnight and 3:00 a. m., 1 out of 7 drivers involved in fatal accidents were reported as "under the influence"; 4 out of 10 were reported as "had been drinking"; and 1 out of 2 of these accidents involved one or more "had been drinking" drivers. It showed that last year in Michigan, 20 percent of the drivers involved in fatal accidents were reported as "had been drinking". Another study showed that the drivers, who are definitely "under the influence" of alcohol, those with as little as .15 percent or more blood-alcohol-concentration, are 55 times more likely to become involved in injury accidents than non-drinking drivers.

"One thing I have learned in this life," the drunk said to his companion, "is that you can't trust a woman with brown eyes." "Heavens," cried the other. "I've been married for two years and it occurs to me that I don't know what color my wife's eyes are."

He bolted from the bar and rushed home where he discovered his wife asleep. He lifted her eyelid.

"Brown, by gad," he screamed. Brown crawled out from under the bed and said, "How in thunder did you know I was here?"

Of Benefit To Farmers

BEING VACCINATED WITH HUDDLESON'S NEW BANG'S DISEASE VACCINE

More than 75,000 Michigan dairy cattle have been vaccinated with Dr. I. F. Huddleson's new Bang's disease vaccine in the two years it has been available.

Surveys of its value, recently conducted by Michigan State College through its agricultural experiment station, show spread of the disease is being controlled by Brucella M in many Michigan dairy herds.

The vaccine, Brucella M, was developed by Dr. Huddleson, Michigan State College authority on the disease which causes losses amounting to millions of dollars annually by Michigan dairymen alone. Brucellosis in animals is also the cause of undulant fever in man, since little or no indication has ever been found that this disease can be transmitted from man to man.

Extensive study was made in several counties in which veterinarians have used the vaccine. Records of more than 400 herds with more than 5,000 cattle were checked. A total of nearly 50 farms were personally visited. The survey was made by Drs. B. J. Killham and G. W. Reed, extension veterinarians at MSC, and Dr. C. F. Clark, who recently resigned as Michigan state veterinarian to return to the staff of the school of veterinary medicine at East Lansing.

Here is what the study showed:

1. Spread of the disease was reduced in herds using Brucella M, when compared with herds not vaccinated.

2. Abortion in cattle practically ceased after Brucella M was used.

3. Enthusiastic support of the new vaccine came from dairymen and veterinarians using it. Records were checked on 2,927 animals in 311 herds that were blood tested and not vaccinated and 2,402 animals in 117 herds blood tested and vaccinated with Brucella M. From 7 to 10 months later, animals were rechecked.

Dr. Huddleson, who since 1915 has devoted most of his efforts at Michigan State College to perfecting treatments for brucellosis and undulant fever, developed the vaccine for the prevention of spread of brucellosis.

Dr. Killham, in commenting on the survey, said that in visiting more than 50 herd owners that had used the vaccine, only one dairyman evidenced any doubt concerning its control of the spread of brucellosis. A careful check of the herd records with veterinarians erased doubt in this farmer's mind and he since has vaccinated his new herd replacements with Brucella M.

Brucella M Vaccine cannot be shipped out of the state of Michigan except for experimental purposes. Then it can go out only by special permit from the U. S. Bureau of Animal Industry.

Dr. E. E. Ertner, Iowa veterinarian, has vaccinated nearly 3,000 cattle with the vaccine in two years in his area. He says it has been so successful that many dairymen who were ready to sell valuable animals, have cleaned up their herds by using the vaccine and have remained in the dairy business.

Michigan Cherries Are Cheery For Christmas

Michigan frozen pack cherries prepared at harvest time are available for both Christmas Season dinners, reports Lawrence O'Neill, Secretary of the Michigan Cherry Commission.

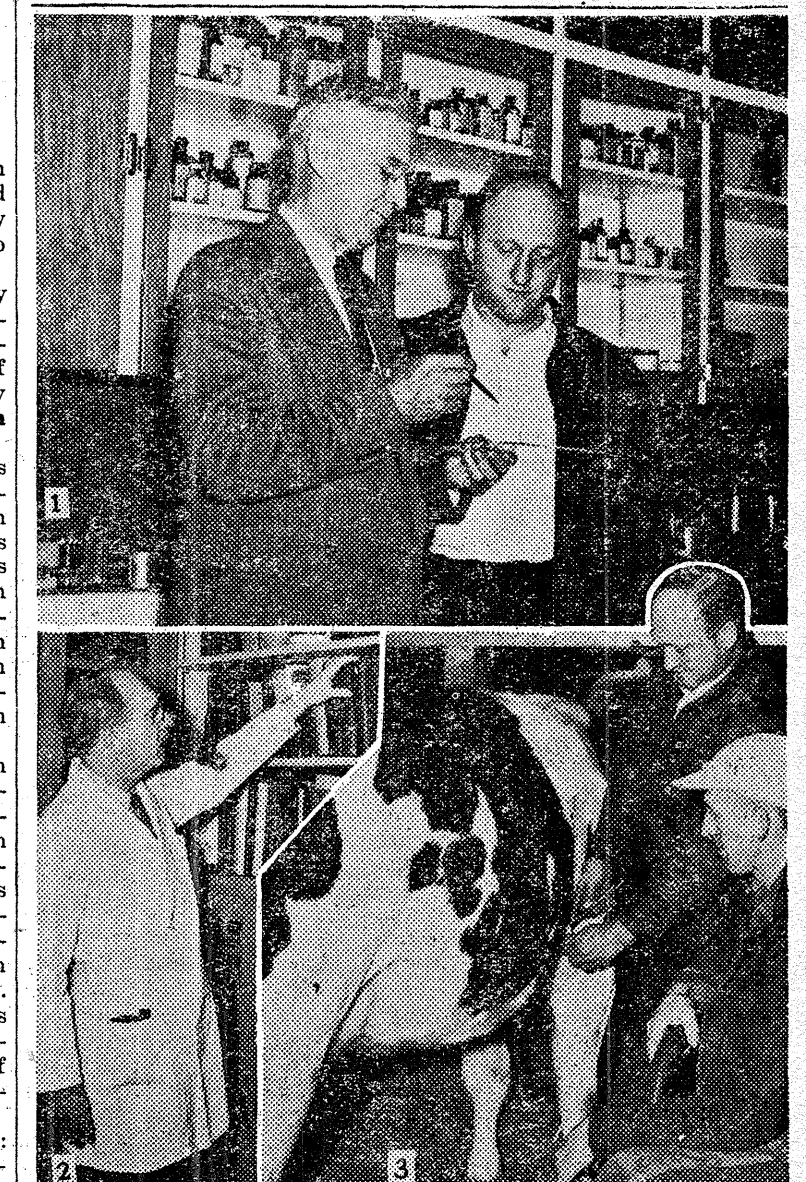

Much of the 1949 cherry crop totalling 52,300 tons sour cherries and 5,000 tons sweet cherries was put into frozen packs and the Michigan Cherry Commission is planning a promotional advertising program to move these cherries to market. The Commission is using the 1/10 cent per pound growers' tax which totalled \$103,238.40 to finance this program.

The modern freezing method of packing cherries makes it possible to pack cherries in their nearly natural condition and has helped materially in preserving the delicious fresh cherry flavors.

Mr. O'Neill reports that over one half of this year's promotional funds will be used this winter starting with the Christmas Season and carrying through National Cherry Week February 15-22, 1950.

Culinary specialists recognize that for the holiday season the red of the cherries is not only the popular color, but the tartness and flavor is an appetizing complement, especially for pies, and can add color as well, to every feast table.

Survey Value of New Brucellosis Vaccine

For two years Michigan dairymen have been using a new vaccine developed to control the spread of brucellosis in dairy cattle. Michigan State College veterinarians have completed a survey to determine its value. (1) Dr. E. J. Killham, extension veterinarian, (left) confers with Dr. Ed. Sterner, Iowa practitioner, on blood samples taken from herds the Iowa veterinarian had vaccinated. Dr. Sterner has vaccinated more than 3,000 animals and reports excellent results. (2) Dr. I. F. Huddleson, MSC veterinarian and nationally known authority on Bang's disease and undulant fever, developed the vaccine, Brucella M, in his laboratory. More than 75,000 Michigan cattle have been vaccinated with it. (3) Dr. Sterner injects the vaccine into an animal in the registered herd of G. E. Peterson, Orleans, as the dairyman watches. Peterson reports the vaccine cleared up a "break of Bang's disease" in his herd and stopped the loss of valuable animals.

Sterner reports: He cited herds where new replacement disease-free animals were purchased and vaccinated with Brucella M before being brought to the farms. They were turned loose with Bang's infected animals and have never shown any reaction in tests after the customary 60 to 90 days after vaccination.

The veterinarian says he gets 25 requests for Brucella M to one for another vaccine, although it is necessary for him to make a higher charge for vaccinating animals with the new treatment. This higher charge for Brucella M, he explains is due to additional blood tests of vaccinated animals required in the program being used to prove the value of the new vaccine.

Farmers learn of the success with Brucella M in controlling the disease and consult with him about using it in their herds, Dr. Sterner explained. Bang's disease has always been regarded as the dairyman's great-

Is God Available?
Lesson for December 18, 1949

DOES GOD EXIST? Yes. There is every good reason to believe that he does. But when we have answered that question in the affirmative, we have not settled the most important questions of religion. There are the other two questions of equal importance: What kind of God is he? and, Is he available? Let us give some thought to this last question. One of our Christmas carols begins, Dr. Foreman

"Draw nigh, draw nigh, Immanuel!" Immanuel is one of the names by which Jesus is called, for the Christian church has always read Isaiah 7:14 as a prophecy of Jesus Christ. The name means "God with us" and is the answer to the deepest cry of the heart.

God in heaven far away, God the Creator who set in motion this mighty universe, God the All-powerful ruling beyond the stars, God the Eternal who knows neither youth nor age.

Such a God has sometimes been believed in by men who nevertheless walked in a dark cloud of loneliness, doubting that so great a God could possibly have any interest in their own affairs.

Is God WITH us? Is God WITH US? Is GOD with us? That is the question that torments the troubled mind. With one voice, the whole church of God answers Yes; the name of the one in whose face we see the glory of God is named "God-with-us."

In the first chapter of the Bible we hear of a God who walked with his children in a garden. In the first chapters of the Gospels we hear songs to the God who has "visited his people;" and in almost the last chapter of the Bible we hear the promise, "God himself shall be with them and be their God."

"When ye shall search for him with all your hearts"

MOST TRUTHS are two-sided. You have to keep both sides in mind or you will not fully understand. God is with us yes; God is with all men, yes—that is, there are no favorites with him, he refuses his presence to no one. God is always available, available to all. That is one side of the truth.

The other side is this: God is not equally with all men. Some men are alienated from God. Some men are godless. Even among those with whom God lives, we may fairly say that God is with some in a higher degree, in fuller measure, than he is with others. Jeremiah gives the clue to this truth: "Ye shall seek me and find me, when ye shall search for me with all your heart." (Jer. 29:13.) Those who do not search for God will not find him.

Those whose search is half-hearted only half-find him. He does not enter uninvited. He is available, but he will not force his way in. We can see how this is when we think about Christians we know. It does not make sense to say that they are all equally godly.

We have known some great Christians of whom we might almost dare to say that Paul's prayer had been answered, that they have been "filled with the fullness of God." (Eph. 3:19.) But in other Christians, who certainly have some small seed of faith in them, it may be hard even for a kindly observer to see many signs of God's presence.

"Thou canst, a little baby thing..."

GOD IS in all things, "he shines in all that's fair," as we sing the familiar hymn. But the center of the Christian faith is that God comes to man especially and most closely in Jesus Christ.

No matter how strongly men believed in God in olden times, always they looked forward, as the prophets show, to a time when God would come nearer than he had been before. True, it was a surprise when finally he came to Bethlehem, "a little baby thing that made a woman cry."

A world accustomed to kings in purple robes, in well-guarded castles, was surprised that the King of the Universe would be found as a child among the poor. But after all, which better represents the All-Available God—a king behind his palace walls, or a child in a home that loves him?

Rural Tele-news

AROUND THE CLOCK—The telephone is one farm helper that never sleeps. All day it's ready to carry your voice wherever you want it to go—to your customers, suppliers, and all you deal with in the business of farming. Evenings, it takes you to friends and neighbors for personal voice visits. All night, it's there in case of sickness or other emergencies. Your telephone does so much for so little money that it's one of today's greatest values.

INVISIBLE BRIDGE—Once in a great while a severe storm, flood or other catastrophe may damage telephone plant and threaten a community with isolation. Time was when no calls could go through pending repairs. Today, thanks to an "invisible bridge" formed by mobile emergency radiotelephone units, there's less chance of this happening. These units, which Michigan Bell can have operating in short order, enable emergency telephone calls to bridge the gap by radio until regular facilities can be restored.

SEASON'S GREETINGS—More and more, Long Distance service has come into use for holiday greetings. But so many people like to make their Long Distance calls on Christmas Eve or Christmas Day that there are bound to be delays, particularly on calls to more distant points. To avoid possible disappointment, why not plan now to call a few days before or after Christmas instead?

A very Merry Christmas to all of you from all of us

Bowling News

Norm's Tavern five scored a 3-point win over Cadillac Merchants and blanked Spike's from Grayling in the Traveling League Sunday, enabling them to move into a tie for 1st place with the Cadillac team. Scores for the two matches were: Norm's 924-994,866; 2784; Cadillac 878-881-925-2684; Norm's 890-887-923-2700 to Spike's 772-757-770-2299. Greg Boswell led the scoring for the local team against Cadillac with a 601 series, while Harold Wilcox of Cadillac collected a 622 series with a 234 starter. Against Grayling Barney Adair was tops with 582, while the top man for Grayling was Rola Failing with 470. The Recreation travelers did not fare so well as the breaks held them to only two points for the day. Spike's winning the first game by three pins and total by four pins, to score a three point win. Cadillac Merchants also scored 3 points against the Recreation bowlers. Herman Groeneveld topped the Recreation five with 569 in the afternoon match, while Herb Bechtold had tops for the evening on 561.

Thorsen's Lumber Jack's won three points from Sommerville's Grocery to continue their lead in Merchants League as they mixed words and pins in a hotly contested battle. Spin Cihak led the Grocers with 594 on games of 157-226-211, giving him high series for the night in the entire League. Ed Nemecek was high for the Lumber men with 503.

Cal's Tavern took the Legionaires 3 points to 1 as all three games were decided in the tenth frame, with Cal's winning total by a slim 21 pins. Ed Reuling had high for the Legion with 555, while Joe Wilkins finished with a 223 for 576 tops for the Tavern team.

Hillman's Insurance stumbled into a 4-point win over the Recreation as the Recreation five set a new low with games of 655-734-680. Hillman's 2310 being plenty good to down the hapless Recreation team.

In the other matches for the night St. Joseph's and Brock's Turkey Farm took three points each from Monarch Finer Foods and Ellsworth Electric respectively. Brock Peacock was again high for the Turkey growers with 533, while Pat Bartsch had 521 for the Electric's. Jim Lilak led the Saints on 512 and Ike Rood sandwiched 223 between 170 and 161 for 554 for the Monarch's.

Merchant's League standings:

	W	L
Thorsen's Lumber	96	16
Cal's Tavern	30	16
Hillman's Insurance	29	23
Am. Legion	28	24

Sommerville's Grocery	25	27
State Bank	23	25
E. J. Canning Co.	22	26
St. Joseph	18	34
Ellsworth Electric	16	36

Metal Products still hold a three point lead in the Ladies League as they continued their winning ways taking the Home Modernizing for four points, while the State Bank, Quality Food and Bachmanns all added four points to their win total. The Bankers dropped the Dress and Gift Shop, Quality Food downed Central Lake Torch, and Bachmann's took Norm's Tavern. St. Joseph ladies downed Cal's Tavern taking 3 points to 1, while the Rainbow Bar bowled scores only as the Art Cleaners team from Charlevoix turned back in the blinding snow storm and will post their scores later. Betty Boswell's 196 starter gave her high single game for the night as well as high series as she added 157 and 146 for 499, two pins better than Mary Swoboda who wired 184-133-180 together for 497.

Ladies League Standings:

	W	L
Metal Products, Mancel'a	33	15
Quality Food, E. J.	30	18
State Bank, E. J.	30	15
Cal's Tavern, E. J.	27	21

Alta Taft of Metal Products rolled triplicate scores of 131 and Don Campbell of Ellsworth Electric proved he could make the difficult 7-10 split—but Don used two shots and scored only 2 pins for the frame.

First Presbyterian Church
Edward O. DeHaven, Pastor
East Jordan, Mich.

The Sunday School meets each Sunday at 9:45. We had our record attendance last Sunday morning. It went well over the 100 mark. You are urged to attend and see that the children attend regularly.

Sunday afternoon the Youth Fellowship will meet at 3:00 p. m. in the Church for rehearsal and at 4:00 p. m. they will go to the County Farm and give a Christmas Worship Service there for those people.

Sunday evening in the church at 7:30 p. m. the Choir and Youth Fellowship will give a Vesper Candlelight Service. This is a Worship Service of song and story of the Christmas season. We are sure that this will be an inspiration to all and you are urged to attend.

The Junior and Primary Departments of the Sunday School will present a Christmas Service in the church Friday evening at 8:00 p. m., Dec. 23rd. The Junior Department will present a pageant of the Nativity. This too will be a service of inspiration and parents and friends in the church are urged to attend.

HERE SUNDAY
Vice-President Joseph R. Harris of Alma, Mich., will be at the morning service, Sunday, Dec. 18, at 11:00 o'clock. It is a pleasure to welcome him into our fellowship.
Dr. Harris has ministered to churches in college communities

since hid graduation from seminary and has served as Director and leader in a number of youth conferences and training schools. He is well known both as a preacher and as a public speaker and has been widely received before men's clubs, teachers and other groups.

Reorganized Church of Latter Day Saints

The East Jordan Branch of the Reorganized Church of Jesus Christ of Latter Day Saints, which worships on West Division Street is awaiting with interest and expectation a yule-tide broadcast of Handel's oratorio, "The Messiah" from Independence, Missouri, world headquarters of the church, which will be heard over the Columbia Broadcasting System, Sunday night, Dec. 18, 1949, from 11:30 p. m.

The 280 voice choir of Independence, sponsored by the Reorganized Church of Jesus Christ of Latter Day Saints, and composed largely of its membership, will sing the favorite oratorio, accompanied by 43 select musicians from Kansas City Philharmonic Orchestra. Mr. Franklin Weddle, director of music and radio for the church, will conduct. Soloists will be Josephine Mader, Kansas City, Missouri, Soprano; Harriet Moore, Des Moines,

The Messiah Chior has been singing "The Messiah" during the Christmas season each year since 1916. This will be the 33rd annual rendition and the eleventh CBS broadcast.

Local interest is heightened in this broadcast because Mr. Weddle, the director of the chorus spent 10 days last summer at the Park of the Pines Reunion Grounds on Lake Charlevoix as Supervisor of Music. While there he made a large acquaintance in this northern Michigan area.

STATE OF MICHIGAN—ORDER OF THE CONSERVATION COMMISSION REDUCING DAILY CREEP LIMIT OF RAINBOW TROUT FROM LAKE CHARLEVOIX, CHARLEVOIX COUNTY

The Director of Conservation, having made a thorough investigation of fishing conditions on Lake Charlevoix, Charlevoix County, recommends certain regulations.

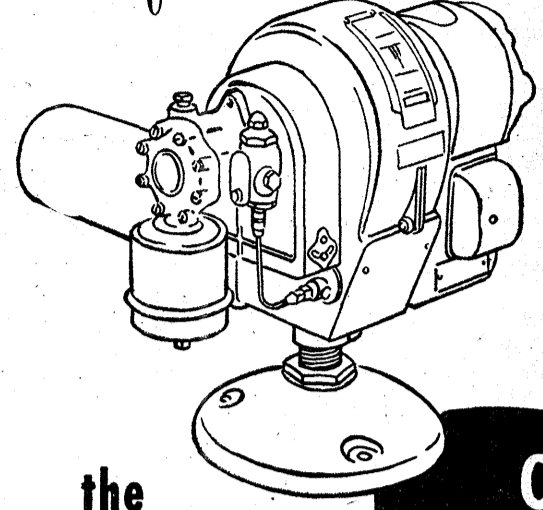

THEREFORE, the Conservation Commission, by authority of Act 230, P. MORE PEOPLE HAVE BOUGHT CHEVROLETS
than any other make
—just as they have done during the total 19-year period, 1931 to date!

THE men and women of America know value when they see it! Consequently, they are purchasing more Chevrolet passenger cars than any other make... and more Chevrolet trucks than the next two makes combined... thereby placing Chevrolet first in sales this year, just as they have done for the total 19-year period, 1931 to date.

Naturally, we and all Chevrolet dealers are deeply appreciative of this overwhelming tribute of preference; and we join with Chevrolet in pledging to do everything possible to give you greater and greater value in the months and years to come.

Library Notes

Books for Adults:
Pride's Castle — Yerby: A robber baron who arrived in New York penniless, became a big success, but ended in failure.

Little Squire Jim — The life of the son of Big Bill Boydin as told in this story resembles the old ballads of Kentucky and Virginia.

Hunter's Horn — Mrs. Arnow: Family and community life in the South.

Aunt Bel — McCrone. Aunt Bel is sure she knows best and does not want anyone to question her right to say who shall marry whom. But she does not always get her own way, particularly with her own son. Humorous and lively story.

Twilight on the Floods — Steen: Sequel to "The Sun is my Undoing". Tibe, 1880's; place, Bristol, Eng., and Gold Coast of Africa.

Especially Father — Taber: Father thought he could do anything and was more often right than wrong. An amusing family story.

Zane Grey, Man of the Forest — Biography by Karr.

For Juvenile and Younger: Little Boy Brown — He lived in a city and had a wonderful day when he was invited to visit the country, in a real house which had both an upstairs and down.

At the Palace Gates — A small Peruvian boy is left alone in the streets of Lima when his "boss-man" is injured and taken to a hospital. A lively story.

Movie Shoes — Jane was the only one in her family who had no special accomplishment, but was chosen to play "Mary" in the "Secret Garden".

Snipp, Snapp, Snurr and the Yellow Sled — One of a series of books very popular with the younger children.

The Christmas Horse — The horse was a Christmas present but the story is mostly about ranch life.

Magnificent Mr. Toad — A Walt Disney Book.
Child's Book of Christmas Carols.

For the Young People:
Senior Year — Emery.
And Both Were Young — L'engle.

WEST PENINSULA . . .

Rain most of the day Sunday with terrible wind Sunday evening, continuing through. Snow was gone.

Mr. and Mrs. Bertie Hawkins, Jr., and son and Mr. and Mrs. F. K. Hayden spent Monday at the R. M. Beyer home at Petoskey.

F. K. Hayden received a telegram from Percy Jones hospital Wednesday, stating that his brother, Cash, would not be home. He was to have arrived Wednesday for a few days.

Looking Backward . . .

DECEMBER 11, 1909

An important business change took place in our city the past week. A. M. Haight, Manager of the East Jordan Coöperage since its location here a number of years ago, resigned his position to take effect Jan. 1st. O. D. Cleveland of Harrison has been appointed to fill the vacancy. Mr. Cleveland was here this week and has rented the Frank Crowell residence on Main St. (the present Abe Carson home) and, with his family, will occupy same in the near future. Mr. and Mrs. Haight have decided to make East Jordan their home.

The P. L. A. S. will hold their annual bazaar on Tuesday afternoon and evening, Dec. 14, in the Miles Hall.

Born to Mr. and Mrs. Wm. F. Bashaw, a daughter, Sunday.

Mrs. Doris Fuller went to Charlevoix, Thursday, where she has a position in the office of the Argo Milling Co.

Mr. and Mrs. E. J. Crossman left Monday for Grand Rapids where they will make their home.

DECEMBER 13, 1929

A light vote was cast at the special election held Monday to vote on the proposal to grant the East Jordan Electric Light and Power Company, operated by the Michigan Public Service Co., a franchise to operate in the city of East Jordan. The proposed was carried by a vote of 119 to 13.

Mr. and Mrs. C. A. Brabant are occupying rooms over the Gothro Barber Shop for the winter.

Mrs. John Krolikowski, aged 30 disappeared from her home in Chicago last Friday morning and she had not been found by this week Wednesday. Her maiden name was Jessie Bolser, daughter of Mr. and Mrs. Allen Bolser of East Jordan. Her parents left here Saturday for Chicago to assist in the search. She has a husband and three children.

One of the most surprised hunters in this year's deer season was Edward Homier of L'Anse.

According to conservation department fire officer Nels Crebassa, the L'Anse native was hunting along a ridge south of here when his leg suddenly went through the soft ground. Homier's foot touched a soft object and immediately there was a growl. He quickly pulled his foot out, but the growling continued so he shot into the opening.

With the noise ended, Homier again crept up to the hole and lit a match to look inside. Discovering a bear, he shot again. Getting help, he dug the animal out, dragged it home, and found that the animal weighed 250 pounds.

supreme sacrifice on the battlefields of France, and is a fitting tribute. Every ex-serviceman in the East Jordan territory is invited to affiliate himself with the post.

C. A. Brabant has leased the Loveday store building on Main St. and expects to open next Wednesday with a complete general line of merchandise. The interior of the store has been thoroughly remodelled, and an excellent stock is being placed on display. The West Side store will be continued as usual and with such capable management the new store is bound to be a success.

Mrs. R. A. Risk with children went to Bellaire, Friday, for a visit with her parents before leaving for her new home at Muskegon. Dr. Risk expects to leave in a few days.

Miss Doris Fuller went to Charlevoix, Thursday, where she has a position in the office of the Argo Milling Co.

Mr. and Mrs. E. J. Crossman left Monday for Grand Rapids where they will make their home.

For a Merry Christmas and a Safe One

Do you know that Michigan's traffic death toll climbed to 170 persons during September—that many of these tragedies occurred over the Labor Day week-end? That fact should ring a warning bell in the mind of every driver—every pedestrian, for the Christmas season will bring out as many—or more extra autos on Michigan's highways . . . and will mean ten times as many persons in the shopping areas of every city in Michigan.

Watch out for the driver who may be returning from a Holiday party—the man who's been drinking. Watch out for the Mother who's been downtown Christmas shopping all day and is hurrying home to get dinner for her family. Watch out for the youngsters who've been downtown seeing Santa Claus . . . and are so filled with the excitement of Christmas that they fail to remember the rules of Safety which have been told them again and again.

Beware of these Holiday Hazards! And make sure that every member of your family is "alerted" to the added dangers of the holiday season. Take time to have a family discussion of the extra need for safety during December. Remember . . . a little extra precaution may help to keep your family from becoming a figure in the traffic death records for December, 1949!

The School Bell...

CHRISTMAS DANCE

At the first meeting of the Parent-Teacher Organization this last Fall it was voted to have a meeting each month with every other meeting being one of a social nature when the whole family can come and have fun together. A Christmas Dance, to be held in the Gymnasium on Tuesday evening, Dec. 20th, at 8:00 p. m., has been arranged. An orchestra from Boyne City has been engaged for the evening and a good time is in store for everyone. Refreshments will be served free of charge.

KINDERGARTEN

Helen Severance
Sandra Gibbard had her sixth

birthday last week, but was ill and unable to be in school.

Tunie Brown visited our Kindergarten one day. We had a lot of fun playing with her.

Bobby Goebel brought us a beautiful Christmas tree. We are busy making decorations for it. Edward Campau, Ruth Greenier and Charles Partee brought decorations too.

The children who go home at noon are staying all day this week to practice for the Christmas Program. Some of them think it is a long day but others enjoy it, and all of them are anxious to have their mothers and fathers come to hear them sing.

SECOND Grade — Agnes Johnston

Our second grade pupils are very proud of a beautiful Christmas tree donated by Walter Goebel. We are all decorating the tree with suitable ornaments.

We expect a very nice party Friday. We will exchange gifts. Ann Whitmore decorated the box to hold the girls' gifts. James Gidley and Billy Malpass decorated a box to hold the boys' gifts. The boxes are very attractive.

Our weekly readers this week presented a very interesting play entitled, "Jolly Jingo's Christmas Tree." It told how Jolly Jingo played a Christmas joke on the other clowns by dressing as a Christmas tree.

We are learning to tell time.

SECOND and THIRD Grades — Adeline Bowerman

Mary Carol Hastie is spending this week in Detroit with her Grandmother.

Lauren Donaldson furnished the lovely Christmas tree we have in our room. We are grateful to his parents who helped him.

Christine Thorsen will have her eighth birthday the day before Christmas and Herald Hart will celebrate his birthday the day after Christmas. We think it is nice that they have names pertaining to Christmas.

The children who live in town are going to be hosts and hostesses for our Christmas party. The third graders are organizing and will announce our program.

FOURTH Grade—Grace Galmore

Even with all the hustle and bustle of the Christmas Season, making palm trees for the program, practicing songs and trimming the tree, several boys and girls have made a marked improvement in spelling and arithmetic. We are just beginning long division and it seemed hard to some.

We are studying also about rubber, how it is gathered in Brazil and how it is manufactured in this

country. Friday the nurse came in to weigh and measure us.

We are looking forward to our Christmas party and show, "Song of the South."

FIFTH Grade — E. Dhaseleer

We are very busy this week trying to get our school work done, practicing for the Christmas program, making gifts, and decorating the room.

We have finished our study of the new England states and have begun the Middle Atlantic states. The teacher has been reading to us about the history of these states and about New York City. We found that New York City covers about the same area as our school district.

The teacher has finished reading "Wampum and Sixpence" to us and has started a Christmas story called "Kersti and Saint Nicholas" by Hilda VonStockum. It has a lot of laughs in it.

We have had nearly perfect attendance this week.

SIXTH Grade — Alma Larsen

Some of the sixth grade boys played Alba Saturday and lost 7-49. A few of the players were Dick Johnson, Jon Jankoviak, Phillip Raymond, Eddie Reuling, Denny Wilson and others.

Our Christmas tree was brought by Walter Murphy.

Our room had 400 TB Christmas seals to sell this year and we have about 350 left.—Martha Galmore.

Monday morning we had our Club Meeting. We elected new officers. They are: President, Gary Bartlett; Vice-President, Jon Jankoviak; Secretary, John Brock.

We have been decorating our room for Christmas. We have many different kinds of pictures up.—Thurlan Meredith.

Wednesday, the Grade School is going to have a play "The Christmas Story", at 2:00 p. m., Dec. 14. The chorus is going to march in at the beginning and march out when the play is over. We hope all our mothers and fathers come.—Kay Klooster.

EAST JORDAN SENIORS PRESENT "AUNTIE'S BIG JOKE"

The Senior class of East Jordan High School will present their class play next Thursday, in the High School Auditorium. It is a three-act comedy and is expected to be a very good production. The play cast is made up of "veteran" actors from the Senior Class. Their play last year, directed by John Downing, was a big success, and Mr. Downing is directing their play this year, too. Many of the teachers and "old timers" in East Jordan say that "The Angell Brats", the class play last year, was one of the best productions ever presented in East Jordan. The cast in "Auntie's Big Joke" is made up almost entirely of last year's cast, so we can expect a good play from them this year. The curtain rises at 8:00 p. m., Thursday, Dec. 15. The cast includes: Anna Brock, Jim Nachazel, Glenda Maxwell, Connie Crowell, Glen Persons, Joyce Petrie, Don Karr, Pat Wright, Luanne Fales, Don Bowers and Don Kowalski.

The Senior will also raffle off a beautiful 8-piece silverware set between acts.

TEACHERS WILL HAVE FUN ON CHRISTMAS VACATION, TOO

Christmas vacation will start Dec. 19 at the school this year. The kids are all expecting to have fun, but so are the teachers. Maybe we've always wondered what they do during vacation. Here's the "lowdown" on them obtained by one of our school reporters.

Mr. Wade says he will stay in East Jordan. He plans to do a little rabbit hunting if the weather stays permissible. When asked, he said he wasn't an especially good boy, but he hopes Santa will bring him a car. He likes the new Studebaker.

Mr. Wagner plans to go to St. Louis, Mo. He will drive down, and says it's only 687 miles away. He wants to get a wire recorder and phonograph in his stocking this year.

Miss Dorr is going to her home town, Merritt, Mich., to spend Christmas vacation with her parents. She will also spend some time visiting in Clare and Cadillac. She likes winter sports and says she wants a ski jacket for Christmas.

Mr. Michaels is spending his vacation way up north at his home town in Iron River, Mich. It's only 250 miles west of St. Ignace and he will drive his Kaiser if it will go that far. For Christmas he wants "a good, cheap shotgun".

Coach Devine will possibly go to Duluth, although he doesn't know if he can make it. If he goes he won't be able to stay long because of basketball practice. He also wants to take in a few basketball games at MSC. He wants Santa to bring him a set of woodworking tools, "So I won't have an excuse for letting things go around the house".

Mr. Damoth expects to stay home and work. He says, "East Jordan is my home town, so why leave?" He didn't get his deer this year, (Maybe his gun didn't work)

but he's still going rabbit hunting. He also wants to do a little work on the house. Besides more conscientious student, he wants Santa to bring him another good Model A or Jeep for hunting and fishing.

Mr. Collins is going to spend his entire vacation at Mt. Carmel, Ill. He will drive down since it's only 580 miles. Mr. Collins would like Santa to bring him a good clarinet for Christmas.

Mr. Jankoviak will stay in East Jordan this year. He will do a little repair work around the house and will be behind the counter at "Jan's". He wants Santa to bring him a new electric razor in his stocking.

Mr. Ogden will probably spend all of his vacation at home. Of course he'll probably spend some time in his green house, but "loafing" will be his major project. He hopes Santa will bring him a new wrist watch.

Mr. Downing will not go to Pennsylvania this year as usual. He will spend Christmas in East Jordan and plans much hunting, along with skiing and tobogganing. He may build an ice shanty. He says if Santa has any new Nashes left he wouldn't mind getting one.

Mrs. Brown will spend Christmas at home with her children. She will spend most of her time bowling. Maybe Santa Claus will bring her a new bowling ball, she hopes.

Mr. Schroeder will spend Christmas day in Detroit. He will also do some work on his new house. Since Boyne City has only one week vacation he will have to teach there during one week of his vacation. If Santa builds fish shanties then Mr. Schroeder would like one.

By Student Council Representative, Jim Nachazel.

Christ Lutheran Church

Rev. F. J. Sattelmeyer, pastor
Boyne City — Wilson Twp.

Wilson Twp. — Sunday: 9:30 a. m. Church Service. 10:30 a. m. Sunday School.

Boyne City — Saturday: 9:30 a. m. Bible School and Confirmation Class.

Sunday: 10:00 a. m. Sunday School. 11:00 a. m. Church School.

The Boyne City Lutheran Church will be the scene of a family night gathering for members of both parishes. Because of unforeseen circumstances the Zion Church pageant will not be shown. However, movies and entertainment are already on hand for this gathering. The lunch will be in pot luck style.

WILSON....

(Edited by Mrs. S. Eggersdorf)

With the deer season over we have had no successful doe hunters. Mrs. Ray Nowland has been quite seriously ill with pneumonia, but is much improved at this writing.

Mrs. Jasper Warden, an old resident of Wilson Twp., passed away at the Martin Decker home, Friday evening. Several Wilson friends and neighbors attended the funeral at Watson Funeral Home Sunday afternoon.

Mr. and Mrs. Aug. Knop and son, Carl Knop and Mrs. Walter Kirchner were Petoskey shoppers Saturday afternoon.

Orville Nelson, Mrs. S. Eggersdorf, Mrs. Julia Schroeder and two children, Donna and Nord, spent one day last week in Petoskey. Orville visited his father who is a patient at the Convalescent Home.

Clarence Morford moved his family from the James Craig farm into East Jordan last Saturday. A large number attended the movie at Christ Lutheran Church in Wilson Twp. Thursday evening, Nov. 8th, despite the bad roads and weather. It was very much enjoyed by all.

The Wilson ladies aid met at the home of Mrs. Doris Bulman near Ellsworth last Thursday afternoon with a nice attendance. After the meeting the women exchanged Christmas gifts and two special birthday cakes were made by the hostess for Mrs. Sattelmeyer and Miss Larson who celebrated their birthdays on that day. They both received many beautiful presents. A pot luck lunch was enjoyed and both the meeting and birthday party was enjoyed by all. The next meeting will take place at the Harry Behling Home.

Mr. and Mrs. Casey Machowski attended a birthday party held on Mrs. Roy Gokee of East Jordan, Saturday evening. A number of Carl Knop's friends surprised him in the form of a party at the Aug Knop home Dec. 6th, it being his birthday. Refreshments were served and all had a good time.

While chopping wood one day last week Charles Schroeder had the misfortune to cut his head quite severely with the axe.

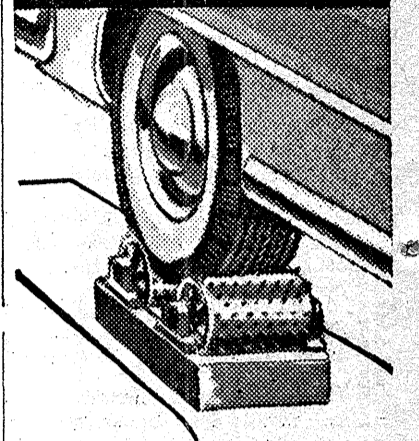

"How'd you come out in that fight with your wife the other night?"

"Aw, she came crawling to me on her hands and knees."

"What did she say?"

"Come out from under that bed, you coward!"

From where I sit... by Joe Marsh

Now Hospitals Are "Banks," Too!

Doc Simpson was saying, "Hospitals are building up 'bone banks' that work just like blood banks. When bone is needed, the surgeon takes one from a refrigerator, cuts it to the right shape and simply splices it in."

"You doctors are sure making progress," I says, "but tell me, are any of the patients fussy about whose bone they're getting?"

"No sir!" replies Doc. "No more than they worry about whose blood they get. No one yet asked for a bone from a man who went to the same school or church he did."

From where I sit, it would be a better world if we were half as willing to accept other people's ideas and tastes, as we seem to be willing to accept their bone and blood. There'll always be differences. Some like buttermilk, others would rather have a sparkling glass of temperate beer. But underneath we're pretty much the same—deserving each other's respect and tolerance!

THE STORY OF TEN LITTLE FREE WORKERS

THESE ARE THE WORKERS

REDDY DOCTOR RAILROADER MINER STEELWORKER FARMER LAWYER GROCER SALESLER REPORTER

Ten little free workers in this country fine and fair. But if you cherish your freedom—worker have a care! Ten little free workers—Reddy was doing fine Until the socialists got him—then there were nine.

Nine little free workers laughed at Reddy's fate Along came federal medicine—then there were eight.

Eight little free workers thought this country heaven But the government took over the railroads, then there were seven.

Seven little free workers—till the miners got in a fix. Uncle said coal's essential and took over leaving six.

Six little free workers 'till the day did arrive The steel mills too were federalized—then there were five.

Five little free workers—but the farmers are free no more The farms have been collectivized—that leaves only four.

Four little free workers till the government did decree All must have free legal advice—then there were three.

Three little free workers—the number is getting few. But with government groceries selling food—then there were two.

Two little free workers—our story's almost done. With clerks at work in federal stores—that leaves only one.

One little free worker—the reporter son-of-a-gun Mustn't criticize government—so now there are none.

Ten little workers—but they are no longer free They work when and where ordered, and at a fixed rate you see, And it all could have been prevented if they'd only seen fit to agree And work together instead of saying "it never can happen to me!"
