## Jordan Spills Harbor 72-27 Now First In Conference

ALSO TAKE KALKASKA IN  
NON CONFERENCE TILT  
(By Jim Nachazel)

**HARBOR, 72-27**  
Last Friday when our Red Devils clashed with Harbor Springs, on our own floor, they defeated the Rams 72-27. In the first quarter the Rams started out with a bang, by popping the first basket. They were ahead at the end of the first quarter 13-9. During the second quarter our team piled up 17 points and left only one bucket for Harbor. The score at the half was 26-15, and 45-21 at the end of the third quarter. Harbor played a very good game all the way through but couldn't match our speedy and skillful boys.

Don Whiteford was our high point man, scoring 8 field goals and 2 free throws. Jim Meredith had 13 points and Red Evans had 11. Haven had 7 points as high point man for Harbor Springs.

The reserve team won too, as they played a hard fought game and defeated Harbor 41-30. The Red Devils started out with a bang as McGeorge scored 2 field goals in the first 30 second of the game. East Jordan led all the way through with 10-8 at the first quarter, 26-14 at the half, and 38-21 at the end of the 3rd quarter. Larry Huckle scored 9 points as high point man.

East Jordan now leads in the Northern Class C Conference and have only 2 more conference games to play. They have won 10 tilts and were defeated twice.

This Friday our team travels to Pellston.

### KALKASKA, 53-42

Last Tuesday when the East Jordan Red Devils met Kalkaska for a non-conference tilt, our team defeated them 53-42. Our Red Devils started the score board rolling in the first quarter when they scored 10 baskets and 5 free throws for 25 points, and held Kaskie off for only 7 points. The second quarter was a little tougher and the Kalkaska boys set up quite a defense for our boys. Coach Devine has taught our boys the best plays for almost every defense and it wasn't long before our team broke through and changed the scoreboard for another 8 points. Kalkaska made ten points during the second quarter but only 2 baskets were credited to them, the other 6 were free throws. In the third quarter we scored 9 points and only 2 free throws were made by Kaskie. During the last quarter, the boys from Kalkaska broke lose and scored 23 points while we made 11. Kalkaska scored 9 of their 12 baskets during the final quarter against our reserves.

Bryan Boring had 16 points as high point man for E. J., and Don Whiteford had 15. Don Karr really got on the ball and played a fine game at guard again after the "pink eye" epidemic. High point man for Kalkaska was Johnson who scored 13. Johnson is regularly the "hot" man for Kaskie in most conference games, but wasn't hitting too well against our boys. The next non-conference game will be played Tuesday with Boyne Falls. Boyne Falls is considered the best Class D team in Northern Michigan so a tough battle is anticipated.

Sam: "It's the only way they can keep their mouths shut."

### Alec Templeton at Petoskey Wednesday, Feb. 22

Alec Templeton, British-born pianist, composer and improviser extraordinary, will be heard in recital at the Petoskey High School Auditorium, Wednesday, Feb. 22, at 8:30 p. m.

The Templeton recital is the last program to be presented in the 1949-50 season of the Northern Michigan Community Concert Association.

In 1935 Mr. Templeton first came to the attention of American audiences when he arrived from England to make radio appearances with Jack Hylton's orchestra. The next year he began his concert career with a debut in Chicago.

In his appearance at Petoskey the blind pianist will open his program with "Prelude and Fugue in G. Minor," by Bach. The first group will also include a Beethoven sonata.

The second section of the program will bring presentations by Chopin, Strauss, Villa-Lobos, Milhaud, Poulenc, Ravel and Debussy.

In the final group Mr. Templeton will present several of his own compositions and then will demonstrate his exceptional improvising ability, building a number from five notes suggested by the audience and improvising at length from four themes suggested by his listeners.

### Valentine Tea at Home of Rev. Moore A Delightful Affair

The home of Rev. Moore on the afternoon of Feb. 13th was a scene of a delightful Valentine C. tea. Decorative floral bouquets accentuated the happy occasion. The tea table was especially festive with a small doll attired in a beautiful choir robe, keeping with the purpose of the tea. Frills of red and white plastic lace daintily encircled her skirt. The red and white tapers enlightened the table with its fancy colorful tea cakes, cookies, dainty sandwiches, nuts and candies. Soft music could be heard while the guests were enjoying their tea and an opportunity to meet and visit together. At intervals during the afternoon special music was provided. Solos included "Love is Where You Found It," sung by Gloria Rogers, and "Morning," sung by Margaret Blossie. Duets were "Italian Street Song" and "One Alone" sung by Gloria and Margaret. Margaret Blossie played two piano selections, "Scarf Dance" and "Impromptu". Some selections were rendered by the Junior Choir. This choir is the one that will be benefited by the new robes, the purchase of which was helped by the wonderful response from those who attended. Another musical selection followed, including two piano solos "Marcus" and "Lullaby" played by Carol Gilpin.

Each guest was asked to sign the silver heart-shaped book and received a favor of an attractive hand painted heart sachet.

### Methodist Church Howard G. Moore, Pastor

The congregation enjoyed a distinct treat and privilege last Sunday when Rev. Russell King, District Supt., spoke. Rev. King is new to the district and congregation and his inspired message was well received.

The MYF met at the home of Martha Lord. Donald Karr was program leader. The next meeting is with Marjorie Keller at her home.

The topic for next Monday's lesson in the Added Sessions group is "Learning About Jesus in Japan". Be sure and bring your drawings and poems.

I have been asked to remind parents of the age limit for the children attending the Nursery Church, beginning at the age of two and through the first grade. Mrs. Helen Klooster has charge during the month of February.

One of the outstanding Christian educators of the U. S., who has given more than thirty years to missionary-educational service in Japan, will be with us at the Barnard Church for a service this Thursday night, Feb'y 16th, starting at 8:00 p. m. His name is Dr. Edwin T. Inglehart, D. D. A lunch will be served after the service by the Barnard Church. This invitation is extended to the Norwood Church also.

### Albert Tousch Former Citizen Here Dies at Flint

Albert Tousch, 1533 Wright St., Flint, died suddenly from coronary thrombosis at his home Saturday, Feb. 11, 1950. Funeral services were held, Tuesday, Feb. 14, at the Colonial Chapel, Reigie Funeral Home, 2417 S. Saginaw St., Rev. Wm. O. Moulton officiating. Burial at Gracelawn Cemetery, Flint. He was born in Czechoslovakia, March 27, 1872, and lived in Flint the last 12 years.

Surviving is the wife, Anna; three daughters, Mrs. F. J. Irwin of Willow Run Village, Mrs. Blake Collins of Detroit, Mrs. Richard Collins of Flint; a son, Charles A. of Flint; eight grandchildren, four great grandchildren.

Mr. Tousch was formerly of East Jordan. For many years he owned and operated a shoe repair shop on State St. They still own their home at 102 S. Maple St., where Mr. and Mrs. Tousch spent their summers.

### C. O. Whitten, D. D. S., of Children's Fund Here in Near Future

C. O. Whitten, D. D. S. with the District Health Dept. No. 3, will set up his equipment in the East Jordan school in the near future. Dr. Whitten's schedule as yet is not set up but he will be in East Jordan sometime the last of March or early April.

It has been nearly ten years since the Children's Fund has found it convenient to place a dentist in East Jordan. The children receiving care under this program have been transported to Charlevoix or Boyne City where the Dentist had his equipment set up.

It is welcome news that East Jordan will not have to transport these children this year. Many more children will benefit by having the dentist here. It will be possible for Dr. Whitten to see several more patients each day.

We are indeed happy to know that children who need dental care are eligible for it under this program will receive it.

## Looking Backward...

**FEBRUARY 5, 1910**

Wednesday evening about forty ladies wended their way to the home of Mrs. J. H. Graff. The lady herself not being home, the guests took possession and were having an informal social time when Mrs. Graff came home to find her house full of neighbors. A program of music was enjoyed. Refreshments were served and a gift presented the honored lady by Mrs. C. L. Lorraine.

Thirty-seven of Eddie Barrie's

little friends came to surprise him Jan. 29th, and helped him celebrate his eighth birthday. Games were played and refreshments were served.

**FEBRUARY 8, 1920**  
Bert L. Lorraine, publisher of the East Jordan Enterprise, this week turned over to the Charlevoix County Herald the subscription list of his publication which will be consolidated with the present subscription list of the Herald. With the passing of the Enterprise, East Jordan loses one of its oldest institutions. Founded nearly forty years ago, it gained friends, and these have been staunch subscribers throughout the years.

Mrs. George Hobler of Pellston, a former East Jordan resident, passed away last Saturday at Detroit while visiting in that city. Funeral services were held Monday at Whitehall.

Mrs. Ira Springstead and children returned Wednesday from a visit at Central Lake.

### Mrs. Harry R. Mason Passed Away Feb. 11th, Aged 66 yrs.

Lena Moore was born Sept. 13, 1885, in Wilson Twp., Charlevoix County, daughter of Joseph and Maria Moore. In 1901 she went with her parents to Antrim City, Antrim County, where they lived a short time, then going to Torch Lake. On Feb. 16, 1902, she was united in marriage to Harry R. Mason. They spent the greater part of their lives at Torch Lake and Eastport where her husband passed away April 4, 1945.

Mrs. Mason came to East Jordan in Sept., 1947. She passed away Feb. 9th, 1950, at the home of Mr. and Mrs. Harry Slate, after an illness of two years. Surviving is a sister, Mrs. Lillian Danforth, East Jordan, and a brother, Floyd Moore, Boyne City; several nieces and nephews and a host of friends.

Funeral services were held at the Watson Funeral Home, Saturday, Feb. 11, conducted by Rev. Harry Batterbee of Green River. Interment will be in Antrim City later. Bearers were her nephews, Versal Mason, Atwood; Harry Mason, South Haven; Grant and Jack Moore, Boyne City.

Friends and relatives here to attend the service were from Bellaire, Charlevoix, Eastport, Central Lake, Mancelona, Boyne City and Atwood.

### MSC Asks Data On Tree Locations

Forest trees to plant in southern Michigan should be grown from seed produced in this latitude. For this reason, the Michigan State College forestry department is anxious to locate plantations and natural stands of pine and spruce trees in southern Michigan that are old enough to produce seed.

W. Ira Bull, college nursery manager, states that the age at which trees will produce seed varies with the species. Jack pine and white spruce may produce cones when the trees are less than ten years of age but white and red pine might not produce and seed until the trees are 20 to 25 years old. The average age for seed production would be 15 years and older.

Bull would like to have all people interested in reforestation report the location of trees that are old enough to produce good seed. He is interested in trees of the following species: white pine, red pine, jack pine, Austrian pine, Scots pine, white spruce and Norway spruce.

The information desired is the species and approximate age of the trees, size of plantation or approximate number of trees, location, county, township, section, and quarter section and name of the land owner where the trees are located.

If the quarter section cannot be determined accurately, the location in relation to the junction of two named roads in a specified township will be satisfactory.

received a sound thrashing, among much merriment, but recovered sufficiently to cut his cake which was made by his hostess. (Afton News)

Theodore Malpass, son of Mr. and Mrs. W. E. Malpass of this city, was united in marriage to Miss Phyllis Graves, daughter of Mr. and Mrs. Leonard Graves of Byron, Mich., Feb. 1st. The ceremony took place at the home of the bride's parents and was performed by Rev. Miller of the Baptist Church. Those attending from East Jordan were, Mr. and Mrs. W. E. Malpass, Mr. and Mrs. Richard Malpass and Mrs. Kate Bretz.

Mrs. Darius Shaw and daughter left Saturday for Lansing to join her husband who has work there.

Ralph L. Clark has been signally honored by the faculty at MSC by being placed on the Honor Roll for 1928-1929. Senior students whose names appear in the Honor Roll will also receive special recognition in the Commencement Day program. Mr. Clark is a member of the Class of 1930 and is enrolled in the engineering division.

Lena, three-year-old daughter of Mr. and Mrs. Wm. Spencer was quite badly burned on her side and arm while playing with a match Tuesday. Mrs. Spencer was outside hanging up a washing. The child got hold of a match and ignited her clothing.

Born to Mr. and Mrs. Mason Clark, a son, Carrol Robert, Feb. 3rd.

### Final Date For New Potato Acreage Allotment For 1950

The Charlevoix County PMA Committee announced this week that Feb. 24th is the final date for potato producers to apply for a new farm potato acreage allotment for 1950.

This means that farmers who plan to grow potatoes this year for the first time or regular potato producers who are farming land on which there has not been an established potato acreage allotment in the past, may have the opportunity to apply for a "new farm" potato allotment on or before the deadline date of Feb. 24.

In order to be eligible for government price support protection on the 1950 potato crop, growers must plant within their assigned acreage allotments and must fulfill certain other eligibility requirements.

### Norm's Tavern Is Tops In Shuffleboard League

Norm's Tavern of East Jordan won the first half championship in the Lake Charlevoix shuffleboard league with a margin of 14 points over Darcy's bar of Vanderbilt, it was announced this week. Darcy's, while undefeated, had three ties, while Norm's lost only to Darcy's last week by a 7-5 margin, and were tied once by Rainbow Bar of East Jordan. In all other matches Norm's scored 10 or 11 points to compile a high of 84 for nine matches.

Darcy's placed second with 70 points, while Spot, of Boyne City, took third with 56. The second half race opened this week and at the close of the season there will be a championship playoff.

First half Standings:

Games of Feb. 23rd: Cal's at the Spot, Don's at the Argonne, Rainbow Bar at Norm's, Rainbow Gardens at Darcy's, Town House at The Eagles.

### Family Traced Through Letter Written in 1874

With the aid of a letter written 75 years ago Michigan State Police have located members of a family sought by a relative in Canada.

Early this year Mrs. Urvan Perry, of Trenton, Ontario, wrote to the State Police requesting aid in locating anyone by the name of Durham who may have lived in the vicinity of Crystal Valley or Pentwater at some time or other.

Mrs. Perry explained that the only information she had on the family was contained in a letter dated Dec. 12, 1874. According to the letter the Durhams had six children, the oldest 12, and there was a possibility some were still living.

Corporal Clarence Beuerle, of the Grand Haven State Police post, began inquiring in Crystal Valley and the nearby towns of Pentwater, Hart and Walkerville. He located an elderly gentleman in Hart who said he had known two brothers of the family. Both were now dead, but he was certain one had a son who resided in Ludington.

In Ludington officers located George Durham who told them only one of the six children mentioned in the letter was still alive. This was his uncle, Albert, who lived at his daughter's home in Charlevoix.

Trooper Nick Reeckho, of the Traverse City post, found Albert at the daughter's home. The officer learned that he was the youngest of the children. His mother died in 1918.

Albert, 75, was amused when told of the date of the old letter. It was Dec. 12, 1874—he was born May 12th of the same year.

After receiving word that two members of the Durham family had been found, Mrs. Perry wrote: "It is really wonderful to locate relatives after not hearing from them for 75 years."

It's tremendous! It stupendous! It's packed with humor, thrills and fast-moving action! It's the new western comic, "Roy Rogers, King of the Cowboys", printed in the splendor of color, now in PUCK, The Comic Weekly, the big two-section color comic magazine that comes every week with The Detroit Sunday Times.

### Jordan Valley Farm Bureau

A group of their neighbors met with Mr. and Mrs. Morris Hartung, on Monday evening, Feb. 6, to organize a new Farm Bureau group. With the help of Vernon Vance, the Jordan Valley Farm Bureau group was organized. The following officers were elected: Morris Hartung, Chairman; Marguerite Stokes, Secretary; Harold Goebel, Director; Eva Hartung, Recreation Chairman.

The next meeting will be held at the home of Mr. and Mrs. Donald Stokes, Thursday, March 16, at 7:30. All who are interested in a Farm Bureau group in this locality are cordially invited. The evening begins with a pot luck supper at 7:30.

### Adult Classes

We now have two adult evening classes operating nicely at the school; one in Dairy and one in Sewing.

There have been requests for evening classes in typing and elementary psychology. We will be glad to organize classes in these subjects if 10 or more people are interested in each. If interested in either of the above courses, meet in the Commerce Room of the High School on Monday evening, Feb. 20th, at 8:00 p. m. Adult classes meet one evening each week. A time will be arranged most convenient to all.

### World Day of Prayer To Be Observed At Methodist Church

How great is your faith in prayer? On Feb. 24th millions of women in 90 countries will join in prayer in 60 languages. The occasion will be the World Day of Prayer service, which is observed annually on the first Friday in Lent, sponsored by the United Council of Church Women. This service is interdenominational, interracial and international. Following the sun, it will be started in the Fiji Islands at dawn and continue westward to the Arctic wilderness. In keeping with the theme "Faith For Our Time" let us prepare ourselves for this spiritual union by praying for ourselves, our family, our community, our nation, a cooperative world, the Kingdom of God on earth. The offering received at this service will do great good, just as last year it helped reduce America's illiteracy, helped our migratory population, our foreign students and furnished Christian literature for far away places.

In East Jordan all protestant churches are invited to participate in the service which will be conducted at the Methodist church, Feb. 24th, at 2:00 p. m.

### First Presbyterian Church Edward O. DeHaven, Pastor East Jordan, Mich.

Our Sunday Church School begins at 9:45 a. m. Several were absent last Sunday and consequently our attendance slipped a little. Let's all make a special effort to be out this coming Sunday morning.

The Church Worship Service begins at 11:00 a. m. Come and worship with us.

The Youth Fellowship meets at 6:30 p. m. This coming Sunday evening a team from the W. Y. F. of Petoskey will be with us and conduct the meeting. Also a team from our group will go to Petoskey and conduct their meeting.

The Bible Study Class will meet Sunday evening at 8:00 p. m. We will study Prophecy of Hosea this week.

The Junior Choir will rehearse Tuesday evening at 3:45 in the church.

The February Family Night will be observed Thursday evening in the church with a pot luck supper. We hope to have Robert Wood of Alma with us to speak on National Missions and show some pictures of the caravan which he led this past summer through the Southwest.

The World Day of Prayer will be observed Friday afternoon, Feb. 24th, in the Methodist Church at 2:00 p. m. This is a cooperative meeting of all people and each is urged to attend.

### BIDS WANTED

The Board of Education, East Jordan Public Schools, will receive sealed bids on the former school bus garage in rear of Gidley's Drug Store at its regular meeting, Monday, March 13. The Board reserves the right to reject all bids.

**MICHIGAN MIRROR**

When President Truman and Gov. Williams ask for increased government spending at Washington and Lansing, their actions fit logically—as we see it—into an interesting cycle of contemporary history.

It's plain arithmetic in part. And yet it is as illusive as a magician's rabbit or Alice in Wonderland.

We refer to that little understood thing called inflation. Every dollar you saved in 1939 and put in the bank, or into defense bonds, or an insurance annuity or anything else in fact, is not worth a 1939 dollar today. It is worth only 59 cents.

"What happened to the other 41 cents?" you ask.

Well, part of that might be considered to be a tax we paid to preserve our freedom. The government—and that means all of us—spent money freely to win the recent war. And war is utterly destructive. It destroys material wealth as well as human lives. It led us inevitably to a staggering national debt, now at 257 billions.

Part of the 41 cents may be said to be due also to postwar treasury deficits caused, in part at least, by social reforms—public housing, for example, whereby we, the government, agree to subsidize rents of low income workers.

"Will we get more inflation in the future?"

Roger Babson, the noted economist, thinks we will.

This would mean that our 1939 dollar, instead of being worth 59 cents, might go down to 50 or 25 and even a lower sum. At 25 cents, your 1939 savings will be worth one-half. You would need \$2 to buy the same goods that a 1939 dollar would have purchased. At 25 cents your income would have to be four times that of 1939 to come out even!

In a recent statement for the United Press Mr. Babson says that more inflation depends on two things: whether we will have a World War III and whether our free enterprise system is preserved with its attendant high living standards for American workers.

It is significant that about three-quarters of the proposed national budget for 1951 is earmarked "to pay the cost of past wars" and to provide insurance in form of military preparations, against the danger of wars to come.

"What is the annual cost today of our wars?"

Approximately \$31 billion dollars, as follow. National defense, \$13.5 to \$14 billions (depending on expenditures or appropriations); foreign and assistance, \$4 billions; and veteran programs and interest on the war debt, \$12 billions. The remainder consists of more than \$88 millions for atomic bombs, merchant marine subsidy and other indirect national defense benefits.

There is little doubt that a third world war, with its frightful waste of human resources as well as material wealth, would push the 59 cent dollar down still more. Continual treasury deficits at Washington, regardless of the cause, would have the same economic effect.

Hence the prediction that the average American family may have an annual income of \$12,000 by the year 2000—another 50 years in fact—is not fantastic. This is, if we get mixed up again in another global conflict or if we continue down the road to socialism.

As we see it, either of these causes would have the same ultimate effect.

The plight of all governments—federal, state and local—today is due primarily to postwar currency inflation (the 59 cent dollar) and secondarily to an emotional belief that we are entitled to a "better world" as compensation for our wartime sacrifices. It is this latter urge, when coupled with a desire for individual and national security, that produces the so-called "swing to the left" right into the hands of the bureaucrats. The state becomes the false hope of salvation.

Inflation is another hidden tax. It takes money away from everyone.

And yet, like the magician's rabbit, it is extremely illusive—hard to believe, hard to grasp.

If more cents are taken from the dollar, due to socialist spending or due to another war, Huey Long's "every man a king" will not be far fetched. We will have a king-size income and king-size prices as well as a king-size debt.

(Edited by Mrs. Wm. Gaunt)  
Wednesday, Feb. 8th, the C. of C. of Advance met at the Archie Karlskin home with 16 present. An interesting meeting was held, and on Monday, Feb. 13th, nine men got together and cleaned up a lot of old lumber to use towards a garage. A pot luck lunch was served at both meetings. At the Karlskin home some went home for their dinners, but there were 12 for dinner on Monday.

Thursday evening there was a meeting at the E. J. H. S. on gardening, with quite a few from this district. Arthur Isbet, Horticultural specialist from MSC was the main speaker. There were over 100 present. The canning factory presented the crowd with coffee and doughnuts.

Saturday there were two cars of boy scouts from Alba fishing on the South Arm.

Mr. and Mrs. Loyal Barber and Mrs. Addie Barber have had colds the past week.

Mr. and Mrs. Pete Sutton spent Sunday with Mr. and Mrs. Harry Howard.

Mr. and Mrs. Wm. Sanderson spent Friday at Charlevoix on business regarding the Supervisors.

Mr. and Mrs. Wm. Archer, Sr., of East Jordan spent Sunday evening with Mr. and Mrs. Lawrence Elzinga and family.

James Palmiter entered the Charlevoix hospital Monday, Feb. 6th, for an operation. He came home the following Saturday but is sticking pretty close to his bed.

Mrs. Henry Howard is spending Wednesday with the Roy Howard children in Boyne City, while Mr. and Mrs. Howard spend the day at Petoskey on business.

Mr. and Mrs. Henry Howard spent Monday evening visiting with Mr. and Mrs. Wm. Gaunt, Sr. Also with Mr. and Mrs. Walter Ross who are staying at the Gaunt's.

**NUTRITION NEEDS CAN BE MET CHEAPLY**

In planning your family's meals around the basic seven food groups you will find some fairly abundant and relatively inexpensive selections in each group.

Some suggestions for the leafy green and yellow vegetable group are made by Winston Osborn, Michigan State College home economist. You need at least one serving daily from this group.

Carrots will give more than enough for one day's vitamin A needs for adults and children. Green beans give about one-fifth of one day's needs. Winter squash gives about four-fifths of a day's needs. These recommendations are based on one serving. Second servings from this group will add to the vitamin A requirements.

(Edited by Mrs. Arnold Smith)

Mr. and Mrs. Wally Goebel, Mr. and Mrs. Edward Lehrbass and Jim Obershea spent Saturday evening at the Arnold Smith home.

Jim Obershea of Detroit returned home Sunday night after spending a few days at the Edward Lehrbass home.

Mr. and Mrs. Harold Goebel and sons were Sunday dinner guests of Mr. and Mrs. Krause near Mancelona.

May Atkins spent Sunday night with her sister, Mrs. Harry Pearsall.

Mr. and Mrs. Harry Pearsall spent Sunday evening with his parents, Mr. and Mrs. Claud Pearsall, celebrating the birthdays in the family.

Mike Eaton has been helping Mr. Kopkau put up ice the past week.

There was a Farmers' Union meeting at the South Arm Grange Hall Thursday, with about 40 people present. A very interesting meeting was held after a lovely pot luck lunch was served.

Mr. and Mrs. Rebel Murphy from Fernwood, Idaho, will spend a few days at the Charles Murphy home this week visiting relatives.

The South Arm 4-H Club met with the Edward Lehrbass family Saturday night with 32 members, fifteen parents and leaders and 10 small children present. We think that shows a very good interest in 4-H Club work.

We had a good business meeting with many discussions. We voted by ballot on a Community Club leader. Mary Lord received 17 votes while Sadie Liskum received 15.

We would like to thank Mrs. Liskum for the very nice job she has done in the past year and welcome Mrs. Lord as the new leader for the coming year.

After a lovely lunch furnished by the committee we adjourned to our homes.

Mrs. Vern McGhan won a 26 lb. cake at the Atwood Store which she served at supper. Everyone had a lovely time as the Marion Center Grange finished the evening with a cake walk.

Mr. and Mrs. Wm. Vrondran moved into their new home, the former Weldy farm, which they purchased last week.

Mr. and Mrs. Harry Hayes was called to Detroit by the illness of her sister, Mrs. Frank Collum. They are returning home next week.

Mrs. Harry Dougherty of East Jordan is spending a few weeks with her daughter, Mrs. August Behling.

Mr. and Mrs. Leo Lick and family were Sunday callers at the home of Mr. Lick's father, C. Lick, of Boyne Falls.

Fred and Chas. Schroeder are cutting logs for Chas. E. Reidel near Deer Lake.

Mr. and Mrs. Bert Lumley and daughters attended the Pomona

Grange at Marion Center Monday evening.

C. Machowski called at the Leo Lick home one day last week. Mr. and Mrs. Henry Eggersdorf have installed a new furnace in their home. Al Chipman of Boyne City is doing the work.

Mrs. Leonard Crosier is some better at this writing.

The Wilson Ladies Aid met with Mrs. Frank H. Behling last Thursday with 14 members and 1 visitor present. The next meeting will be with Mrs. Sattlemeir at Boyne City.

Hope to have the ceiling all finished in the Wilson Grange Hall this week and will have a dance Saturday night. Plenty of refreshments and coffee. Come and enjoy the evening.

**Bowling News**

Although Charley Filiatroult is not an East Jordan resident, we can claim him as a home town bowler as he is a regular member of Joe Wilkins' Recreation Travelers team. Charley comes over from Charlevoix to bowl here and he is the boy who now leads the State Tournament scores in the Singles with 704, on games of 166-237-211 plus 90 pins handicap. This score we know will not stand up throughout the tournament, but his all events total of 1984 will be plenty hard to beat, as he added 628 in the team event and 652 in the doubles to his 704 singles count for the top spot in the all events. He and his partner, Joe Wilkins, had 1255 for high doubles combination from East Jordan. Burl Braman and Leo Sommerville topped the 1200 mark by 12 pins and Jim Lilak and Greg Boswell had 6 pins over the coveted 1200. Brock Peacock and Barney Adair were only 4 pins down as they came back with two top scores of 441 and 429 after a 326 start, giving them 1196. Jay Hite and Greg Boswell had small 600 counts in the singles.

In the Merchant's League 26 bowlers hit 500 or better, while Chris Taylor's 222 was top single and Spin Cihak had 574 for top series for the night. Both Spin and Chris bowl for Sommerville's and in spite of their scores they were unable to take a single point from Hillman's who, with the aid of a 58 pin per game handicap, rolled a 2615 series on games of 864-843-905. Hank Ruis was tops for the Insurance men with 525.

Thorsen's Lumber kept pace with the second place Hillman's as they too won 4 points from the State Bank team. Ed Nemecek topped the lumber jacks with 543 while Lou Kamradt had 527 for the Bankers. Brock's Turkey Farm took all four points from Monarch Finer Foods to drop Monarch into a last place tie with their neighbors from Ellsworth, the Electric Sales, who came from behind to win the last two games and total pins from the Legionnaires. Brock Peacock had high series for the Turkey growers with 549, while Ike Rood had 504 for Monarch's. Cy Dolezel collected 499 for the Legion and Herb Peebles had 540 for Electric Sales. In the other two matches for the night St. Joseph continued to climb in the standings as they won three points from Cal's Tavern to move to the fourth place with Sommerville's Grocery, while the Recreation bettered their position in the standings by taking the local Cannors 3-1. Rev. J. J. Malinowski topped the Saints with 551 while Gene Teichman rattled off a 555 series for Cal's. Burl Braman topped the Canning Co. with 505 and Barney Adair led the Recreation with 572.

**Merchant League Standings:**

As a result of Metal Products losing 3 points to the Dress and Gift Shop their lead was pared to a scant 3 points over State Bank and Bachmann's, while Dress and Gift Shop and Quality Food stand close by with a 5 point shortage off the leaders.

Judy DesJardins topped the league for scoring with a 187 high single and a 488 total for three games. Her top scores helped the Dress and Gift Shop to their 380 point win over the League leaders. Quality Food and Bachmann's won 4 points from Art Cleaners and Home Modernizing, while State Bank and Cal's took 3 points each from Norm's and Rainbow. St. Joseph and Central Lake Torch split two points each in the other match for the evening.

**Ladies League Standings:**

In the Inter-City League old "burn'em up Don Clark" came through with the top series for the week with a 602 as he sand-wiched 237 between 179 and 186. This was enough to give Ray's Barber's a 4 point win over Chris's Men's Wear, while the Recreation was able to eke out a win from Wolf's Refrigerator's as they took 3 points with the aid of a couple East Jordan subs. In the other match Faas Foods and Howard's Service, both of Central Lake, split 2 points.

Bowling in the Traveling League will resume this Sunday when Big Rapids Recreation and Hotel Osceola from Reed City will visit East Jordan to bowl against Norm's Tavern and Recreation Travelers at 1:00 and 5:00 p. m.

An adult instruction class was formed last Friday evening. This class will be held every Friday evening until the course is completed. The time of meeting is 7:30 p. m.

A family night for both churches will be held in the Boyne City Lutheran Church parlors, Feb. 19, at 7:30 p. m. The program will open with the showing of the new motion picture just released by the General Motors Corporation. It is called "Our American Crossroads." It is particularly timely as it presents concrete evidence of what this country has achieved in genuine progress during the past half century under our free enterprise system. In sound and full color, and free from commercialism, this picture concentrates the achievements of a lifetime into a highly entertaining 27 minutes. The playing of bunco with prizes for the winners and a variety lunch will complete the evening's program. A free will offering will be taken by the young people's society who are sponsoring this program.

**DID YOU KNOW?**—About 50% of the farms of America now have telephones—a higher proportion than in any other country in the world. In Michigan Bell territory about 7 out of 10 rural establishments have telephones. That's pretty close to Michigan Bell's city telephone development.

**SO MUCH FOR SO LITTLE**—Someone described telephone service as a big package filled with the good things of life. Convenience—the telephone saves time and steps. Security—the telephone stands guard 24 hours a day. Comfort—the telephone keeps you in touch with friends and relatives. When you consider all that the telephone does, its small cost makes it one of the best buys on today's market.

**BLOWING BUBBLES**—To help keep telephone service reliable, thousands of miles of Long Distance cables are filled with harmless nitrogen gas. If a cable is damaged, the gas pressure drops and sets off an alarm indicating the approximate location of the damage. To find the actual break in the cable sheath, if it's so small it can't be seen, the repairman may paint the cable with soapuds—the exact point of damage being indicated by bubbles blown by the escaping gas.

Annual Tax Sale

STATE OF MICHIGAN
In the Circuit Court for the County of Charlevoix In Chancery. No. 167-4

In the Matter of the Petition of Murl K. Aten, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 6th day of March A. D. 1950, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Charlevoix, State of Michigan; and that the sale then and there made will be public sale and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 3rd day of January A. D., 1950.

Charles L. Brown, Circuit Judge.
Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN
In the Circuit Court for the County of Charlevoix In Chancery.

In the Matter of the Petition of Murl K. Aten, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Charlevoix, in Chancery:

Murl K. Aten, Auditor General of the State of Michigan, respectfully shows unto the Court:
1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act. No. 126 of the Public Acts of 1933, as amended;
2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four percent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays:
a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;
b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;
c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;
d. That your petitioner may have such other and further relief in the premises as to this court seem just and equitable.

And your petitioner will ever pray, etc.
Dated: December 29, 1949.
MURL K. ATEN
Auditor General of the State of Michigan, for and in behalf of said State.

### Truman Announces U.S. Will Add Hydrogen Bomb to Arms Program; Major Housing Plan Is Envisioned

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

#### H-BOMBS:

##### Time of Decision

One of the most important decisions in world history had been put up to Harry S. Truman. Should he order construction of the hydrogen bomb?

When, after a respectable period of deliberation, he did make up his mind, the President expressed his decision in the most matter-of-fact manner possible!

The U.S. would continue its development and production of all types of military weapons, including atomic armaments and the so-called hydrogen bomb. That statement, probably intentionally cryptic, may or may not have meant that the U. S. already has begun work on the H-bomb.

Only one thing was sure—it was a terribly important decision, not only to Mr. Truman but to every person in the world.

IT WASN'T the cost of the bomb that was a poser, even though that was expected to be in the neighborhood of four billion dollars. It wasn't a doubt as to whether it could be made, for science declared it could. It wasn't a hesitancy about its effect, for if an enemy decided to, and could, construct the bomb, any experiments on the part of the U.S. to make and test it would be justified.

No, it was none of these that aggravated the responsibility and the solemnity of the decision. Instead, it was the question of life and death involved and even more terrible, if purely speculative, question; Might not man be unleashing a force which would destroy all mankind?

THE PREPONDERANCE of persuasion was by those advocating the bomb. Sen. Millard Tydings (D., Md.) chairman of the armed services committee gave voice to what the majority of presidential advisers was thinking.

He urged that the U.S. proceed with manufacture of the bomb, declaring that failure to do so could invite attack. But President Truman was probably thinking of the horrible and utter devastation, the incalculable deaths, the vast destruction which would be hurled upon enemy and innocent alike.

#### BROTHERHOOD:

##### Renewed Effort

Brotherhood Week, sponsored by the National Conference of Christians and Jews, will be observed from February 19-26, marking the annual observance of an event that has grown into national significance.

In accepting the honorary chairmanship of Brotherhood Week, President Truman urged "all Americans to ponder well the true meaning."

So, it is easily apparent that the \$8,000 house, the \$69 monthly payment and cost-of-living items would run the \$2,800-a-year man close to the edge, that he'd hardly have anything left for a pack of butts each week.

#### Steel Defender

Benjamin Fairless, president of U.S. steel, testified before a joint congressional economic committee in defense of the recent increases in the price of steel. He called the rise "modest," laid the blame largely on union pensions.

#### HOUSING:

##### \$8,000 Units

Could the American individual in search of a new home afford to pay \$8,000 for it? Federal housing officials believe that to be a fair figure and Raymond M. Foley, housing administrator, explained to the house banking committee a bill for federal housing aid based on that premise.

FOLEY STATED that the administration is considering construction, through cooperatives and other non-profit organizations, of some 250,000 housing units on an average cost of \$8,000 each.

The homes envisioned in the program would be for families with annual cash incomes of \$2,800 and \$4,000. One third of the urban families of the nation had incomes within that "middle-income" range in 1948.

The endeavor, even in the eyes of the severest critics, appeared laudable, but with the cost of living as it is and high income taxes for families without above-average exemptions, would still put the \$8,000 home out of reach of many.

AS AN INSTANCE of that supposition, Foley said average monthly payments would be about \$69. That's \$828 a year. Add a \$1,000 food, meat and milk bill, and the total outlay for the new home owner is \$1,828. This would leave the \$2,800 a year man \$972. Taking average figures, utilities, health costs, insurance, clothing, transportation (there would be nothing with which to pay for a car) recreation and incidentals would amount to about \$516. This would leave some \$400, or less than \$40 a month with which to meet emergencies or other needs.

So, it is easily apparent that the \$8,000 house, the \$69 monthly payment and cost-of-living items would run the \$2,800-a-year man close to the edge, that he'd hardly have anything left for a pack of butts each week.

#### HOMELESS:

##### Break for DP's

An easement of the present law which limits entry of displaced persons into the United States to 205,000 in the two-year period ending June 30, this year, has been approved by the Senate judiciary committee.

THAT GROUP voted to permit 320,000 homeless foreigners to enter this country by June 30, 1951. This includes the approximately 124,000 who already have entered. The committee voted by 10 to 3 to approve a bill which would make other changes in the present DP law which President Truman has urged.

For example, it would shift the date by which displaced persons must have entered European DP camps to be eligible for entry into this country. The present law fixed the date for December, 1945. The bill which the committee approved would change that to January 1, 1949.

THE ACTION came on the eve of the date which the senate had ordered the committee to report out a DP bill.

The house bill has been approved by the committee over the protests of Chairman McCarran (D., Nev.), who was in Europe at the time. After a heated floor fight, the senate sent the measure back to committee.

#### DRAFT LAW:

##### Bickering Starts

Atomic stockpiles . . . hydrogen bombs . . . billions for defense . . . incredible speed in the air . . . all these added up to a readily apparent conception that U.S. policy is committed to a course which believed that he is "best defended who is best armed."

The question was: Would the compulsory military service system be retained? The question of manpower remained an intangible factor.

#### List Points In Farm Transfer

Keeping the farm in the family is the goal of every farmer nearing retirement age. But if you are planning such a transfer, do it right, advises E. B. Hill, Michigan State College agricultural economist.

Hill lists these steps as required procedure for avoiding mistakes when making family farm transfers:

1. Give early consideration to your farm transfer arrangement.  
2. Develop your ideas on how to best do the job. Consult Michigan Special Bulletin 357, "How to Keep Your Farm in the Family." It is now available from county agricultural agents' offices, or by writing to the Bulletin Office, Department of Public Relations, Michigan State College, East Lansing.

3. Consult with the son who is to operate the home farm.

4. Consult with the other heirs. No one wants to inherit a family feud.

5. Consult with your attorney. Hill advises that all legal, personal, and economic angles be carefully considered.

Ability of the families to get along with each other, opportunities for the son, income for the parents, farm valuations and housing facilities are all factors which should help determine the right move.

#### Traffic Deaths Decline Sharply During Holidays

Michigan traffic deaths during the final month of 1949 showed a reduction of 29 percent, or 57 lives.

According to the monthly statistical report of the State Police, 138 persons were killed in December as compared with 195 during the same month of the previous year. It was also the second consecutive month that deaths were fewer than in the same period of

1948. There was likewise a reduction of five percent, or 205, in the number of persons injured, the figures being 3,756 for December of 1949 and 3,961 for the same month of 1948. Reported accidents, however, increased two percent, or 297, totalling 14,154 as compared with 13,857.

Pedestrian deaths in both urban and rural areas decreased sharply, and there were also fewer fatalities resulting from collisions between motor vehicles in rural areas.

The downward trend in the traffic death toll during the holi-

day months of November and December was attributed largely to greater caution on the part of motorists and pedestrians, cooperation of press and radio in carrying safety messages to the public and intensified accident prevention efforts by local, state and national agencies.

Mileage for the month of November, the latest month available, was up eight percent over the same month of 1948. Mileage for the first eleven months of 1949 showed a six percent increase, but the death rate per 100 million miles of travel was down seven percent.

RECIPE OF THE WEEK  
HUSBAND-TESTED RECIPE  
By Mary Lee Taylor

Cherry Cream Pie  
Broadcast: February 18, 1950

1 package vanilla pudding powder  
1/2 cup sugar  
2 large eggs, separated

1/2 cup Pet Milk  
1/4 cup water  
1 1/2 teaspoons vanilla  
No. 2 can sour pitted cherries

Put pudding powder and 1/4 cup sugar into saucepan. Stir in mixture of slightly beaten egg yolks, milk and water. Bring to a boil over low heat, stirring constantly. Cook and stir 30 seconds. Stir in vanilla. Cover and cool thoroughly. Drain cherries well. Spread half of cooled custard in bottom of cold baked 9-in. pastry shell. Cover with drained cherries. Top with rest of custard. Beat egg whites stiff. Beat in slowly remaining 1/4 cup sugar. Arrange on custard, spreading to the edge of crust to seal in filling. Bake in slow oven (325° F.) 15 min., or until light brown. Cool thoroughly before cutting with a wet knife.

\*Sweet or tart cherries also can be used.

# The School Bell...

**KINDERGARTEN** — Helen Severance Sharon Garrison had a birthday this past week. She was six years old. She brought suckers and balloons for everyone.

Mrs. Darbee and Billy visited Kindergarten last Friday. Billy will be coming to school next year. Everyone is interested in our new books. They are called "Before We Read". The book is about

Dick, Jane, Billy and their pets. The dog's name is Spot. The kitten's name is Puff. We are sure we will all like them. We are sorry to lose Sharon Garrison. Her family has moved to Flint. We hope she will like school there. We were invited to Mrs. Stokes' room to see Little Red Riding Hood. We liked it a lot. We have been busy making Valentines this week. We made big ones for our mothers. We have some nice calendars with large numbers. They help us to learn numbers.

**FIRST Grade — Mrs. Brooks**  
The main attraction this week is the big, beautiful valentine box which occupies a prominent place in our room. David's mother visited our room Friday afternoon. February will never be a hard word for us to learn to spell for we learned it in our "February Song". We are sorry that Dennis is sick and will not be at our Valentine party.

**SECOND Grade — Agnes Johnston**  
We finished our covers for our new spelling booklets. Many of us had three perfect papers to put in our booklets. We are enjoying our gym period every Thursday afternoon for one-half hour. Our last period we learned the singing game "John Brown Had A Little Indian". It was fun playing the game together.

We finished our valentine for mother and father Monday. The valentine that each of us made was a basket made from a paper doily. They were very pretty. We had a lovely valentine party in our room Tuesday afternoon. The children who furnished special treats of fancy cookies and suckers were Yvonne Elzinga, Billy Malpass, Jeanette Fisher, Ann Whitmore, Walter Goebel, George Savory and Louis Raymond. Lorna Kent treated each of us

to a bar of candy Monday because it was her birthday. This was a very pleasant surprise. We were pleased to see so many of our mothers out to our last assembly. We like to take part in the programs. Mrs. Johnston finished reading the story of "Peter and the Wolf". We heard the story from a record and also from a story book. Thank you Billy Malpass and Duane Heinzelman for this story. Duwayne Dougherty treated us to a piece of his birthday cake. We found out that Duwayne's birthday comes on St. Valentine's Day. We thank Duwayne's mother for preparing such a nice surprise for us.

**SECOND & THIRD Grades — Adeline Bowerman**  
The second graders were glad to have Betty Sloop back in their group. Betty attended school in Boyne City during the first semester. A lot of valentine letters went through our "Outgoing mail". The letters were stamped and most third graders did accurate figuring in telling their customers how much 16 two cent stamps and 5 three cent stamps, etc., would cost. At our party, the second graders were mailmen to deliver the letters.

The boys and girls living on the West Side furnished nice refreshments for our Valentine party. Besides the jello, cake and cookies, we had chocolate milk furnished by Billy Taylor and his mother. Earl Gee had his ninth birthday on Monday the 13th. Nancy Lehrbass and Donnie Bowerman were visitors at our Valentine Party.

**FOURTH Grade — Grace Galmore**  
In Social Studies class we are studying about Australia. We are finding out by means of library books and other extra material that the plants and animals there are different from those in any other land. On our bulletin board

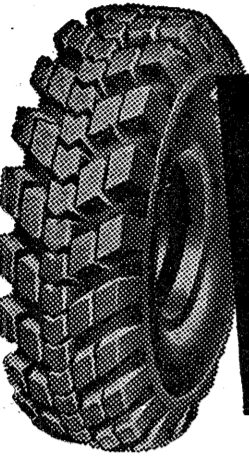

we have posters describing six large cities of Australia and many animals. We enjoyed very much the plays, music and exercises given by other grades in assembly Friday. We had much fun doing our part, the little folk dance, "The Paw Paw Patch", with Mrs. Snyder's room that we are anxious to prepare something else for the next one. Glendara Cihak and Gene Richards were chosen to plan the games for the Valentine party Tuesday. Stanley Scott made the Valentine box. We made valentines with lace paper doilies. Monday, Mrs. Liskum's boys played basketball with our boys. In the first team game, Gerald Green made two baskets and Gene Richards made one, making a score of 6 to 0 in our favor. In the second team game, Milton Bulman made one basket, making a score of 2 to 0 in their favor. The games were only fifteen minutes long.

**FIFTH Grade — Mrs. Liskum**  
Last Tuesday Sandra Boswell was 11 years old and David Nemec was 12. Sandra brought cupcakes for the entire room and David passed ice cream paddles. We certainly enjoyed our birthdays, Sandra and David. We are having an enjoyable time with words. We are trying to find words to use in place of "said". We have found over 50 words to date which are synonyms (some a trifle far-fetched) for "said". Mrs. Dick Farmer is helping Mrs. Liskum with 4-H Sewing. There are 28 girls enrolled in this club, mostly in first year work. K. C. Festerling, district 4-H Club Agent, came to our room last week. He brought two assistant leaders from the state department. Miss Vassold met with our 4-H sewing girls in the hall while Mr. Austerhout and Mr. Fester-

ling talked with the handicraft members. The first woodworking project is a puzzle cut with coping saws. Several boys have one article finished and are starting on a second one.

### Library Notes

Gifts:

New book from John Porter. Several books from Alice Gunsolus.

**For the Younger Readers:**  
Lin Lun, Lad of Courage: Because Lin Lun feared the sea he refused to go on a trip. As a punishment for disobeying the little boy was sent all alone to a distant mountain to raise rice. Here he showed that he had lots of courage.

**Grandpa's Farm:** This is just the right kind of farm. Besides a Grandpa and Grandma there were farm animals, a collie dog, good milk to drink and fields of growing grain.

**Dicky and the Indians:** A good Indian story for the youngest readers.

**Book of Children's Parties:** Fifty-three completely planned parties for children of all ages. 275 games, some old favorites and some new. 200 illustrations.

**Juvenile and Young People:**  
Joan Foster, Junior—Clover: Joan in her third year at college.

**The Lee's of Arlington—Vance:** A story of Mary and Robert E. Lee. Interesting for older readers also.

**Fighting Southpaw — Flood:** Baseball story.

**Campus Henry — Edmonds:** Exciting story of the time of the Civil War. Written for High School age, but both younger and older readers will want to read this.

**Carolina — Holliston:** A New York girl decides to visit her Uncle Ben on a Carolina estate. Light romance.

**Su Won and Her Wonderful Trees:** Story of a little Korean girl and of how she was able to get the education she wanted so much.

**Copper Country Adventure — Brill:** A Michigan story. Steve has many exciting adventures in the northern part of our State before he finally outwits his enemies.

**Ablail Adams:** A girl of Colonial days.

**Trigger John's Son — Robinson:** This book has been favorably compared to Tom Sawyer. While it is a boy's book, anyone who likes boys or adventure should enjoy reading it.

**For Adults:**

**Call of Michael Shane — Halliday:** A Red Badge mystery.

**Father Flannigan of Boys' Town — Oursler:** Father Flannigan's work with young delinquents and other unfortunate boys. Besides being instructive this is fascinating reading.

**Ranger's Luck — Raine:** Western.

**Rogue's March — Chapman:** Novel of love and war. Time 1780.

**Rogue River Feud — Grey:** Western.

**Out of my Life and Thought — Schweitzer:** Story of a man who, after becoming a famous musician, philosopher, theologian, studied medicine in order that he might serve among the African tribes where there was so much sickness and suffering.

**This I Remember — Eleanor Roosevelt:** Roosevelt biography.

**POWER**  
THOMAS ALVA EDISON, born on February 11, 1847, is considered by many to have made the greatest contributions of all time, to the science of harnessing power.  
EVERYONE is familiar with his inventions of the electric light, the phonograph, and a host of other electrical miracles. Some feel however, that his greatest achievement was in the discovery of the "Edison effect" which led to the development of radio, television and the thousands of other electronic devices which we all take for granted today... and without which, the harnessing of Atomic Energy would be virtually impossible.  
AT the Mid-Point in this Electrical Twentieth Century, let us pay homage to this great American to whom we owe so much.
