EAST JORDAN, MICHIGAN, FRIDAY, MARCH 3, 1950

NUMBER 9

Meets An Untimely Death

GEORGE M. MOORE VICTIM OF CAR ACCIDENT ENROUTE HOME

George Melvin Moore, son of Mr. and Mrs. Fred Moore, was born May 4, 1929, at East Jordan, and was fatally injured in a car accident in the southeast part of Boyne City at an early hour Saturday morning, Feb. 25, 1950. Howard and Norman Crosier, two passing motorists, found the body. It was removed to the Boyne City Police Station. Dr. Litzbenburger pronounced him dead and coroner S. B. Stackus was notified. It was believed that George had fallen asleep and the car left the road and hit a tree.

He was raised on a farm near East Jordan and attended the elementary grades and graduated from East Jordan High School on May 23, 1947. After graduation he was employed at the Jordan Valley Co-operative Creamery. From there he went to Flint, working as inspector of auto parts at Chevrolet Motors until the time of his death.

George was a well liked youth and had many friends everywhere he went. He was a constant believer in everyone's happiness and well being.

Surviving are the parents, Fred and Lillian Moore; three brothers and five sisters: Mrs. Muriel Hatley, Concord, N. C.; Mrs. Ellen Merritt, East Jordan; Mae, Mildred and Arvilla, at home; Earl, Flint; Arnold, St. Louis, Mo.; and Harry, Ellsworth. Eight nephews, four nieces, and grandmother, Mrs. Bessie Moore, Bellaire.

Funeral services were held on Monday, Feb. 27, at Watson Funeral Home, conducted by Rev. F. S. Rouse, pastor of the United Missionary Church. Bearers were Niles Hill, Herbert Griffin, Robert Shepard, Jerry McKinney, William Reich and Wayne Flora, members of the Class of '47'. Relatives from away here to attend the service were: Mr. and Mrs. Earl E. Moore and family, Flint; Mr. and Mrs. Arnold F. Moore and family, St. Louis, Mo.; Mr. and Mrs. Wm. Matley, Concord, N. C.; Mr. and Mrs. Harry Moore, Ellsworth; Mrs. Bessie Moore, Bellaire; Mr. and Mrs. Ralph Ranney, Petoskey.

G. I. Financing Now Available

Ever since G. I. 4%-25 year loans were made a competent part of Veterans' benefits, there has been the widespread complaint that too many localities in Michigan had no outlets for this type of financing. Now facilities have been established for providing this service to World War II Veterans who desire to purchase a new or existing dwelling.

Important features of this plan include the following considerations:

1. Applies to QUALIFIED Veterans of World War II.
 2. Qualification depends on Veterans Administration approval and guarantee.
 3. Service available anywhere in Michigan's Lower Peninsula.
 4. G. I. Bill provides availability of these 501 loans for approximately seven years more.

Legion Auxiliary Plan to Co-operate With Boyne City Unit

Three members of the American Legion Auxiliary Unit 227, East Jordan attended a meeting of the Boyne City Auxiliary to talk over plans for a combined project for the Grandview Hospital. Boyne City voted to give their full support as well as Wallon Lake and both Units have made donations of money to purchase material for draperies for the Hospital porch. The plans are to be presented to the East Jordan Unit at their meeting, Tuesday, Feb. 28. The members representing Unit 227 were President Edna Wilkins, Martha Kamradt, and Bernadine Brown. It is hoped that the East Jordan Unit will co-operate in the fullest extent in this worthwhile project and definite plans will be made public when fully completed.

Don't forget the Baked Goods Bingo given in the Legion home Friday, March 3, by the Auxiliary. Also all new applications for membership must be in before April 1st. The Unit is hopeful that its quota of 136 members will be met.

Notice To Candidates

Candidates for the office of Mayor, Aldermen and a Justice of Peace of the City of East Jordan, Michigan, must have their nominating petitions in the hands of the City Clerk not later than 5:00 p. m., Friday, March 10th, 1950.

Thelma M. Hegerberg, City Clerk.

Rebekahs—Oddfellows Meet

The Rebekahs and Oddfellows celebrated National Brotherhood Week with a pot luck supper on Feb. 22nd. The tables were decorated with flags and hatchets. Cherry pie was the featured dessert. The program committee outdid themselves.

The rest of the evening was spent dancing to music by the "Alma Trio".

Past Noble Grands Club met with Jane Foote on Monday, Feb. 27th. Our project was making napkins for the home in Jackson. Our hostess served us pineapple sherbet and angel food cake.

Program was in charge of Mary Hitchcock.

Business As Usual At Ferris Institute Despite Bad Fire

Students from this section taking their college courses at Ferris Institute in Big Rapids returned to that city Monday for registration for the spring term, after being home several days because fire destroyed both the College of Commerce and College of Pharmacy buildings. And in addition this was the end-of-the-term week, the winter term having closed.

Word has come that classes start on Wednesday in all of the departments of the Institute, various other buildings on the campus and about the city having been pressed into use and emergency equipment is being rushed here from other colleges of Michigan and will be set up and ready for the start of classes.

There will be no break in the college program but some inconvenience in having classes spread farther out through the city, a few being away from the campus.

The fire destroyed the two old college buildings but damaged the Alumni building only slightly and caused no damage to the College Preparatory school nor the Trades and Industry School. Administration offices and records are all OK. The barracks for men students and apartment buildings for married students are undamaged. The gym was damaged only slightly.

Plans are already afoot for rebuilding the lost buildings and the Institute authorities hope to have them far enough along for use by next fall.

Christ Lutheran Church Rev. F. J. Sattelmier, pastor Boyne City — Wilson Twp.

Wilson Twp. — Sunday: 9:30 a. m. Church Service. 10:30 a. m. Sunday School. Boyne City — Friday: 7:30 p. m. Adult Instruction. Saturday: 9:30 a. m. Confirmation Class. Sunday: 10:00 a. m. Sunday School. 11:00 a. m. Church Service. Wednesday: 8:00 p. m. Lenten Service.

Holy Communion will be celebrated in both churches of Christ Lutheran Parish next Sunday.

The Young People's Society will meet next Sunday evening in the Boyne City Church.

The time of Lenten service was changed from 7:30 to 8:00 p. m. for those who have to come longer distances to church and for those who have late chores to perform. The Lenten theme for Mar. 1st will be: "Behold the Suffering Savior by Lamplight and Firelight".

The Wilson Twp. Ladies Society will meet March 9th at 2:30 p. m. in the home of Mrs. F. J. Sattelmier, 519 S. Lake St., Boyne City.

Dog Tax Notice

Dog taxes will be returned to Charlevoix March 1st. After this date all taxes will be doubled.

Grace E. Freiberg, City Treasurer.

E. J. H. S. Band Wins First Division Rating

The East Jordan High School Band, composed of forty-two members, went to Traverse City Saturday for the annual District Qualifying Festival. At the Festival, seven Class "C" bands were entered. The bands were from East Jordan, Charlevoix, Boyne City, Gaylord, Grayling, Elk Rapids and Reed City. The East Jordan, Charlevoix and Boyne City bands each received a I Division rating. This rating entitles these bands to enter the State Qualifying Festival at Lansing on April 29. Also entered in the District Festival were two clarinet quartets from the East Jordan High School Band. One quartet composed of Shaleen Brock, Sharon Brock, Bethany Whiteford and Gloria Rogers was entered in the High School Division and received a two-plus rating. The other quartet composed of Nanette Drapeau, Pat Barnette, Francis Trojanek and Carol McPherson was entered in the Jr. High Division and also received a two-plus rating. The quartets compete in an open division regardless of the size of the school.

South Arm Grange

South Arm Grange met last Saturday evening, Feb. 25, for a special meeting. There were sixteen members and two visitors present.

The Grange received an invitation from Peninsula Grange to be their guest this Saturday, March 4th, at 8:30 for a special program and luncheon. They voted to accept the invitation and agreed to all meet at the home of Charles Murphy at 511 N. Main St. at 8:00 p. m. and load the cars that are going. Here's hoping we can have a good turn out.

Mr. and Mrs. Keibel Murphy from Spokane, Wash., were the visitors. They both gave a few remarks. Mr. Murphy was a member of this Grange about 50 years ago and gave us a history of the Grange at that time which was most interesting to us all.

Mr. and Mrs. Harry Pearsall were obligated in the 3rd and 4th degree which now makes them a full pledged member of our order. Pot luck lunch was served at the close of meeting. Next meeting will be March 18th at the usual time.

March 15 Is Deadline Date For Bean Allotment Application

March 15 has been set by the Charlevoix County PMA Committee as the final date for filing applications for a 1950 dry edible bean acreage allotment for any farm on which no beans were produced in the past three years—1947, 1948, 1949.

LeRoy Hardy, chairman of the County PMA Committee, said that bean acreage allotments for 1950 will be established on the basis of the acreage planted to beans during 1947, 1948 or 1949 on each individual farm.

Provisions have been made, however, for the establishment of bean allotments for farms which have not grown beans in any of the past three years—1947, 1948 or 1949. Allotments in such cases will be established only if the owner or operator applies for an allotment to the County PMA Committee and if such application is filed prior to March 15th.

Only those growers who have been assigned acreage allotments and who who plant within their assigned allotments will be eligible for price supporting loans and purchase agreements on beans next fall when the 1950 crop is harvested.

ATTEND NATIONAL SOILS MEET AT ATLANTA, GA.

Bryce Vance of East Jordan, and Robert Arnold of Central Lake, left Saturday morning for Atlanta, Ga., where they will attend the National Convention of Soil Conservation Districts.

Vance is Secretary-Treasurer of the Antrim District, and Arnold is farmer cooperator. They were accompanied by three directors of the Leelanau and one Director from the Grand Traverse Districts.

The National Convention begins Tuesday, and lasts through March 2nd.

AN APPRECIATION

I wish to express my thanks to many friends who remembered me with lovely cards, letters and flowers during my recent illness.

Library Notes

Books for Adults:

Dr. Will — Stiles: In the 1880's Dr. Will Phelps and his bride arrive in a California pioneer town where Dr. Will has bought a practice. His work as a physician and surgeon leads him into many adventures.

Smugglers Trail — Evans: This western is full of suspense and excitement.

Mary — Sholen Asch: Religious fiction. Final volume of trilogy began in 1939, with the Nazarene, followed by the Apostle, 1943. This is the story of Mary and her son to the time of the Crucifixion and Resurrection. Each volume is complete in itself.

For the Younger Readers: Two Years Before the Mast — Dana: A new copy but not a new book. Many have been wanting to read or re-read the story which tells of the author's own voyage as a seaman on the brig Pilgrim from Boston, round Cape Horn and up the Pacific coast to San Francisco. A story of hardship and adventure. One of the most famous and popular books of the sea.

Wings of Adventure — Stories for sixth graders and older. Illustrations add much to the stories.

Little Appaloosa — Hader: Little Ben loved horses. He was a born rider and had ridden since he was a baby. Now he has Little Appaloosa for his very own. They have many interesting times together, one of which was winning a prize at a rodeo.

South Arm Community Farm Bureau

The February meeting of the South Arm Community Farm Bureau was held Feb. 21st, at the home of Mr. and Mrs. George Klooster.

Mr. Klooster, who is chairman of the Charlevoix County Soil Conservation District, as well as the chairman of our community F. B. group, gave a report on grass and grass silage.

The scheduled Feb. group discussion, "Marketing and Buying Problems", was led by Delbert Ingalls and carried on over the pot luck lunch and coffee.

The next meeting on Mar. 24th will be held at the home of Mr. and Mrs. Delbert Ingalls. The Miles District 4-H Calf Club and K. C. Festerling will be our guests. Mr. Festerling will show pictures of the Calf Club at Camp and at the Charlevoix County Fair. Also a movie on cherry processing.

Leon Kowalske Dies at Detroit, Burial at East Jordan.

Leon Kowalske, Wayburn Ave, Grosse Pointe, was born on July 27, 1896, at East Jordan, son of Rudolph Kowalske. He grew to manhood in the vicinity of East Jordan and attended the East Jordan School. He served in the United States armed forces overseas sixteen months.

On March 5, 1921, he was united in marriage to Miss Mae Brown at Bellaire, and for the past twenty-five years has been in business at Grosse Pointe.

He passed away at the Dearborn Veterans Hospital Feb. 20, 1950, after an illness of 2 years.

Surviving are his wife, Mae, Grosse Pointe; his father, Rudolph Kowalske, East Jordan; two sisters, Mrs. Carmon Crawford, East Jordan; and Mrs. Pay Hitchcock, Detroit; three brothers, Harry, East Jordan; Robert, Flint; and Lyle, Boyne City.

First Presbyterian Church Edward O. DeHaven, Pastor

Our Sunday Church School meets at 9:45 with classes for all ages. Last Sunday morning we reached an all time high of 135 in our Sunday Church School. We had our Bible Exhibit last Sunday morning and there are some very fine and unusual bibles in the exhibit. We have one Bible printed in 1793, several over 100 years old as well as some unusual versions.

The Church worship service begins at 11:00 a. m. The Sermon subject for this coming Sunday morning will be "The Refreshment of Forgiveness". The Lenten theme for this year is "Learning from Jesus". We are urging that each one make Church attendance an unbreakable reality in your life during this Lenten season.

We also call to your mind "The One Great Hour of Sharing" which will culminate March 12th. This is a co-operative venture in which most of the Protestant Churches are united in raising funds for overseas relief. Last year the Presbyterian Churches in the United States of America raised over \$760,000 dollars at this service. We believe that more will be raised this year. Let us do our part and come to the Church service on March 12th with joy in being able to share our many blessings with those who have so few.

The W. Y. F. meets at 6:30 p. m. The Bible Study Class meets at 8:00 p. m. The Trustees meet Tuesday evening in the Church at 8:00 p. m. for their regular monthly meeting.

The Wednesday evening Circle meets Wednesday evening, March 8th, in the home of Mrs. Mildred Bridgewater. Co-hostesses, Mrs. Elaine Savory and Mrs. Esther Porter.

The Friday Afternoon Circle meets Friday, March 10th, in the home of Mrs. Maud Porter.

Red Devils Now Conference Champs

EAST JORDAN TAKES CHARLEVOIX 33-25

(by Jim Nachazel)

Last Friday, when the Red Devils met our Red Devils they were defeated 33-25. This game meant the conference championship for the Red Devils and they played a good, hard game and deserved the victory.

In the first quarter, Charlevoix got the crowd excited by taking the lead by the score of 9-6. East Jordan was able to flip in only one bucket, made by Karr, and 4 free shots. Charlevoix scored 3 buckets by breaking through our well formed defense. It seems our boys always start out a little slow to get the feel of the game in the first quarter, but they always open up in the second. Whiteford and Boring stole the ball several times and the Red Devils broke through Charlevoix's defense and scored 10 points to Charlevoix's 3. This gave the boys a 4 point lead over Charlevoix at the half.

The third quarter was a very close fought game all the way through and East Jordan was only able to sink three buckets for 6 points while Charlevoix made 5 points.

During the last quarter the ball was moving very fast as well as the players and both teams displayed keen footwork and sharp ball handling. The ball was being stolen from both teams and they both had a good defense which made the offense work harder.

The Red Devils scored 11 points in the last quarter and the Red Devils 8. Don Karr was high point man for East Jordan, scoring 4 baskets and 4 free throws.

All of the players did a swell job and all were so outstanding that full credit must be given to all of them.

Charlevoix's second team beat ours by a score of 41-29. Although our boys lead in the first quarter and worked hard through the whole game, they couldn't score enough points. Roman Klimkiewicz was high point man for East Jordan with 12 points to his credit.

The tournaments are being played at Boyne City this year, and East Jordan's first opponent will be Kalkaska, Thursday.

Mr. and Mrs. Percy Penfold announce the engagement of their daughter, Miss Elizabeth Ann Penfold, 14183 Rossini Drive, Detroit, to Mr. Charles M. Scales, 2600 West Long Lake Rd., Pontiac.

Mrs. Cora B. Leitch Passes Away at Traverse City

Mrs. Cora B. Leitch was born Oct. 20, 1859, at Schneckady, N. Y.

On March 26th, 1880 she was united in marriage to Judson E. Houghton, who passed away Mar. 26, 1928, in East Jordan. To this union a son, Harry, and a daughter, Doris, were born.

On Sept. 8th, 1929, she was married to Rev. James Leitch, at that time pastor of the local Methodist Church. They left East Jordan nine years ago, going to Muskegon where Rev. Leitch passed away Jan. 22nd, 1942.

Mrs. Leitch was a member of the Methodist Church and active in the different departments of the church, especially in the Sunday School where she taught the Mary Martha Class eighteen years.

She passed away at Traverse City, Feb. 23, 1950, from pneumonia.

Surviving is a son, Rev. Harry W. Houghton, D. D., Lihue, Kan., Philippine Islands; a daughter, Mrs. Doris Kowalske, 642 Hinman, Muskegon Heights; a granddaughter, Mrs. Blanche Castle, and a great grandson, Archie L. J. Castle, all of Muskegon.

Committal services were conducted at Sunset Hill Chapel, Sunday, Feb. 26th, by Rev. Edward O. DeHaven.

Those here to attend the service were Mr. and Mrs. Archie Kowalske, Mr. and Mrs. Ivan Castle and son, Archie, of Muskegon.

East Jordan, with a record of 12 wins and 2 losses in conference play and 14 wins and 2 losses for the season, is undisputed Conference Champion. This is the third Conference Championship won by the Red Devils in two years and completely fooled the so-called experts who predicted Boyne City and Charlevoix would walk away with the race. All of the teams in the conference were exceptionally matched and that extra bit of determination shown by the Red Devils meant victory instead of defeat in many of their games.

Homemakers' Corner
by
Home Economics Specialists
Michigan State College

NEW IDEAS FOR BED LINENS ARE FOUND PRACTICAL

New developments in bed linens, after years of using the traditional kinds, attract homemakers as do new kitchen gadgets and improvements. Questions asked about some of these new ideas, which were included in the home economics exhibit during Farmers' Week at Michigan State College, indicated the interest.

In answer to questions about the new mitered-corner sheets, Stephanie Bayor, Michigan State College home economist, mentions both advantages and disadvantages of these new sheets.

These sheets are designed to fit the mattress perfectly and eliminate the problem of sheet ends pulling out. This, of course, will save homemakers time in making the beds every morning. The fabric in these sheets is pre-shrunk so that it will not shrink more than one percent after washing and will still fit. They are made for both twin and double-sized beds.

Some homemakers have found it a little more difficult to iron and fold the mitered-corner sheets but the advantages of having a neat bed seem to outweigh this disadvantage. Since these sheets are made to fit the mattress, a regular sheet is still needed as a top sheet for the bed.

Another innovation increasing popular with homemakers is colored sheets for everyday use. Some take full advantage of these colorful sheets to develop color schemes in sleeping quarters. These are manufactured in both percale and muslin. A word of warning from Miss Bayor is to check fastness of color for washing and also for crocking, or rubbing off on sleeping garments.

dened with packages, can be very frustrating and embarrassing for the lady shopper.
Designed to solve the situation is a new, efficient, and smart looking garment called the Handi-Coat which you can make yourself. It was designed by Clarice Scott, clothing specialist for the Bureau of Human Nutrition and Home Economics of the United States Department of Agriculture. The pattern is available now, reports Marjorie Eastman, Michigan State College extension specialist.

The Handi-Coat has hidden accessories and special pockets designed to provide more shopping comfort for its wearer. The grocery list fits in a slot in the left sleeve. A second slot is made to hold a handkerchief. Pencil and fountain pen stand upright in slots in a lower right-hand pocket, leaving room for a wallet beside them.
Those who ride a bus will appreciate the token dispenser attached to a pull chain inside the right upper pocket. The house key, too, is on this chain which flips back into place when released. Equally handy are the roomier pockets for gloves, check book or other items.
This rain-or-shine coat is attractive as well as practical. It has a shirt-type collar, long zipper closing, and a front kick pleat to provide walking room. T detachable visor hood with shoulder cape gives added protection against rain.
The coat would be especially smart made up in one of the new checked or plaid fabrics which should be shrewdly repellent and wrinkle resistant for best service. The design is available to pattern and ready-to-wear companies and the pattern is now offered by one woman's magazine.

CARD OF THANKS

We wish to express our deep gratitude for the kindness and sympathy extended to us during our recent bereavement.
Mrs. Leon Kowalske and 9x1 The Kowalske Family

Junior: "Daddy, what's a sweater girl?"
Dad: "Why, er-ur, a girl who works in a sweater factory." And after a moment's pause, "Say, whee did you get that question?"
Junior: "Never mind that, Daddy—where did you get that answer?"

Farm Facts

CERTIFIED SEED:
Farmers should place orders for certified seed with elevators, seedmen and producers now, to be sure of getting what they want. Lists of producers of certified seed are available at the county extension office located in Boyne City.

OATS — Seed supply fair, about 100,000 bushels with 90 percent being Eaton and Kent varieties. Remaining seed is Bonham, well adapted in the upper peninsula. All have been developed by the Michigan Agricultural Experiment Station. Quality generally good, germination excellent and color and test weights fair.

BARLEY — Limited supply of both Bay and Wisconsin 38 varieties. Test weight low to fair but color and germination good. Low test weights of 1949 crop caused small supply.

FIELD BEANS — Supplies good and certification indicates good quality with high germination. Michelite and Robust available, with Robust variety in limited supply. Seed well sized for planting.

NEW CORN HYBRIDS:
A new hybrid mentioned is experimental Michigan 381 which appears to be adapted to the northern and northcentral areas where Michigan 11A and 51B are widely grown. During the two-year tests it has given 22 percent more corn than Michigan 11A and nine percent more corn than Michigan 51B. It tassels and silks 3 to 4 days later than Michigan 11B and at about the same time as 51B. It has desirable characteristic of quick drying in the fall and by harvest its ears are lower in

moisture content than Michigan 11A.
The new hybrid, Michigan 381 will be tested again on a large scale this year and if everything goes well they could be released for certified seed production in 1951. For the complete story on hybrid corn tests in Michigan get a copy of Extension Folder F-67, "Corn Hybrids Compared for 1950," from your county agent.

PRODUCING MAPLE SYRUP
If you are interested in the latest information regarding sugar bush operation in Michigan, you can get a free bulletin on the subject. It's entitled, "Maple Syrup Production in Michigan." Your county agent has it on hand. This bulletin recommends hanging one bucket on trees 10 to 16 inches in diameter, two on trees running 16 to 20 inches, and three on trees as big as 20 to 26 inches.

If you wish to produce high quality syrup follow these recommendations: Cover your buckets so that you will waste no time boiling rain water. Covers also keep out leaves, twigs and bark and they last a lifetime. If all the buckets can be emptied in half a day, collect the sap in the afternoon as this will leave very little sap in the buckets to freeze at night. On warm days late in the season, collect the sap twice a day and leave none in the buckets to sour. Strain the sap into the gathering tank and also as it enters the storage tank. Evaporate all the sap to syrup as rapidly as possible. Clean the evaporator, storage, and gathering tanks after every run because a little sap left in the tanks may sour and spoil the next good sap collected.

Bowling News

Bowling in the Merchants League was featured by the 652 series of the league individual average leader, Spin Cihak, as he linked games of 213-206-233 together for the top series of the night. He was closely followed by Barney Adair who started with games of 225 and 248 only to drop to 173 in his last effort, to give him 646. The 248 game was top single for the night.

Thorsen's Lumber came back with a vengeance when they met Hillman's Insurance, the team that has been crowding them for the top spot, and won 3-1, with Andy Anderson taking top honors for the Lumber Jacks on 575 which included a 233 game. John DeYoung was tops for Hillmans with 495.

Sommerville's Grocery continued to win with a three point victory over the E. J. Canning Co. as they powered a big 2697 series which included games of 871-910-916. In addition to Spin's 652, Chris Taylor had 577 for the winners, while Burl Braman had 561

for the Canners.
Last place Monarch took 3 points from the 3rd place Legion. Ike Rood topped the Monarch's on 488 and Ole Hegerberg subbing on the Legion team, scored 539, tops for the losers.

In the other matches for the night Cal's Tavern, Ellsworth Electric, State Bank, Recreation, Brock's Turkey Farm and St. Joseph took two points each, bowling against each other. Tops for Cal's was Dick "Ringer" Hamerski with 552, Herb Peebles led the electric with 513, Greg Boswell's 586 and Jake Snyder's 552 were tops for the Bankers, while Cliff Bradshaw had 586 for the Recreation. Jim Lilak ended with 211 for 564 for the Saints and Brock Peacock wired games of 180-176-173 together for the Turkey Growers.

After the first Sunday of firing in the annual mixed doubles tournament, Greg and Betty Boswell led with 1262. Firing in the big tournament will resume on March 12th when several couples will come from out of town to bowl.

The Dress and Gift Shop continued their winning ways and moved into 3rd just 4 points away from the leaders, as they toppled Bachmann's who followed them in the standings in a fourth place tie with Quality Food. Quality had a hard time with Rainbow Bar and were only able to win two points. Central Lake Torch won 3 points from Cal's Tavern when Billie Burnett topped the league for high single for the night on 209. Mickey Hamerski had high series for the losers when she wired games of 154-191-148 together for 491.

In the other matches for the night Art Cleaners took all four from St. Joseph, while Norm's Tavern and Home Modernizing split two points each.

Annual Tax Sale

STATE OF MICHIGAN In the Circuit Court for the County of Charlevoix In Chancery. No. 167-4

In the Matter of the Petition of Murl K. Aten, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 6th day of March A. D. 1950, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Charlevoix, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 3rd day of January A. D. 1950.

Charles L. Brown, Circuit Judge.

Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN

In the Circuit Court for the County of Charlevoix In Chancery.

In the Matter of the Petition of Murl K. Aten, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Charlevoix, in Chancery:

Murl K. Aten, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned, and the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four percent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays: a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court seem just and equitable.

And your petitioner will ever pray, etc.

Dated: December 29, 1949.

MURL K. ATEN Auditor General of the State of Michigan, for and in behalf of said State.

A state corporation profits tax of 4 percent, proposed by Governor Williams to raise \$60,000,000 annually in additional revenues would cost corporations only \$36,000,000 more per year in taxes than they pay now.

This interesting point is made by Robert Steadman, controller, State Department of Administration.

As payment of taxes to the State of Michigan is allowed as a deduction in paying federal income taxes, corporations would pay 24 million a year to the state instead of to the federal government, Steadman contends. Uncle Sam's loss would be Michigan's gain.

One year ago Governor Williams proposed a 4 percent tax on state corporation profits. This tax was designated to raise approximately \$60,000,000 in new revenue.

The Governor recommended to the legislature appropriations totaling 290 million and he estimated 229 million in revenues, general fund and general purpose. Against an estimated shortage of 61 million dollars, Williams proposed a tax on corporation profits to raise 60 million.

The legislature appropriated 278 million dollars, cutting 12 million dollars off the total of appropriations as recommended by Governor Williams.

Controller Steadman observes that revenues for the present fiscal year, ending July 1, 1950, will be 2 or 3 percent in excess of the estimates made in January, 1949. This will amount to another 5 or 6 million dollars but will still leave Michigan short by more than \$40,000,000 in the general fund alone to meet expenditures of state government including state aid to local governments.

The Williams corporation profits tax would be paid by corporations on the pro rata share of business done by each corporation in Michigan. Controller Steadman explains that this pro rata share is figured on three bases. One-third of the share is based on the percentage of wages paid in Michigan as compared with all wages paid by the corporation; one-third by property in Michigan in relation to total property owned; and one-third by the sales in Michigan in comparison to total sales.

Controller Steadman explains that such a tax "is essentially like the tax employed already in 32 other states of the Union which raise about 611 million a year." For example, New York State increased its corporation profits tax in 1949 from 4 1/2 to 5 1/2 percent. The increase of 1 percent was to produce 40 million dollars in additional revenue for state government and state aid to local governments.

"The corporation in distress that is not earning as much as 6 percent on its investment in Michigan will pay less tax under the Williams corporation profits tax plan than under the existing system of corporate franchise taxation.

"Some people say that corporations cannot afford to pay the tax. All our statistical indicators over the last 10 or 20 years indicate the opposite; that our corporations, especially during the last 2 or 3 years, are fully able to pay.

"I will give you an example of one corporation which is complaining about the 500 and some millions of dollars it pays the United States government in taxes each year. That corporation pays to the general fund of the State of Michigan a total of \$50,000 a year in taxes.

"It pays to the general fund of Michigan \$1 for every \$10,000 that it pays to the United States government. Yet, about half of its total number of wage earning employees are in Michigan.

"That corporation after paying all taxes, federal, state and local, earned in 1948 440 million dollars. The current reports are that the estimated net income after all taxes in 1949 was 640 million," said Steadman.

When the state legislature convenes at Lansing March 15 for the special session on state finances, the state corporation profits tax will again be pushed by Governor Williams as an effective solution of the financial problem.

According to Steadman, 32 other states in the Union now have

such corporation revenues tax. The Williams plan would hit large corporations, not small corporations. The tax would divert approximately 24 million a year from the federal income tax revenues to the State Treasury, based upon an anticipation of 60 million new revenue per year. Corporations are fully able to pay this tax.

These arguments, as summarized, represent the case of Governor Williams for the state corporation profits tax. They are presented to readers of this column in the spirit of factual information as vouched for by Controller Steadman.

Next week the "Michigan Mirror" will present arguments against the state corporation profits tax as presented recently to newspaper editors by John L. Lovett, general manager, Michigan Manufacturers' Association.

Governor G. Mennen Williams' program for the state corporation profits tax is strictly political," according to John L. Lovett, general manager, Michigan Manufacturers' Association.

"It is the application of the philosophy of the present leaders of the C. I. O.," states Lovett.

"I wish I might say to the business men of Michigan that its state government wants you to stay here. I wish I might say to those young men who want to go in business that Michigan is a friendly state. I wish I might say to those with capital to invest that Michigan welcomes you.

"I wish I might say that in the statehouse there is a governor whose administration wants to make Michigan a better place to work in and better to own a business in.

"I regret that I cannot make that statement truthfully. At every crossroad in the state the governor is telling the people that he wants to make the corporations of Michigan pay a four percent income tax."

It is characteristic of indirect taxes to pyramid the taxation cost to the consumer, observes Lovett. As the income tax must be added to the cost of the product, the corporation has to add its overhead if it is going to stay in business and arrive at a selling price. Thus the four percent tax may easily become six percent by the time it is added into the final selling price paid by the consumer.

As the people of Michigan on four different occasions voted by a large majority against a state income tax, Lovett believes that a corporation income tax should be promptly taken to court for test of constitutionality.

"Corporations in Michigan now pay approximately 50 percent of the property taxes paid in the state," states Lovett. "This tax cost amounts to about \$200 million a year. General Motors Corporation in the city of Pontiac pays 44 percent of the total taxes of that city. In Flint it proba-

bly pays a larger proportion, and it would pay a similar proportion in Saginaw, Bay City or Lansing."

Furthermore corporations in Michigan pay a rather high unemployment compensation tax rate, as compared with corporations in adjoining states such as Illinois, Indiana, Ohio and Wisconsin.

Our minimum is one percent, while in these other states the unemployment compensation tax rate goes down as low as four-tenths of one percent.

"We used to say that Michigan was a good place to run a factory because we had highly skilled labor which was very productive," continued Lovett. "We paid high wages and got the best workers. Now, however, with the restrictive output theory of the unions you can no longer rely upon the better man production to meet our competition in other states. Those surrounding states average 20 to 40 cents an hour lower wage rates than Michigan, so the labor advantage today has been entirely removed.

"Utilities in Michigan have spent millions of dollars in bringing natural gas and cheap fuels. That is important to the state. However, the last few years has seen a gradual reduction in the number of industries operating in Michigan. Just in mid-January, two firms which had been in Detroit for 50 years announced they were moving to adjoining states.

"The Chicago Pneumatic Fuel Company came to Detroit with the Burroughs Adding Machine Company. The Diamond Farr Specialty Company was born and developed in Michigan.

"In Muskegon as least five old reliable, substantial industries have closed their doors. There are vacant plants in Jackson and Port Huron."

Large automobile companies are carrying on a widespread decentralization program. Why? "There is general feeling among Michigan corporations that the state is unfriendly, that corporations are confronted with an unfriendly administration, and that with other advantages elsewhere, Michigan is no longer inviting," states Lovett.

It is the judgment of Lovett, as spokesman for Michigan, that we should thoroughly investigate the possibilities of economy in state and local governments. Conceding that the sales tax amendment diverts 78 percent of the sales tax revenues back to home governments, Lovett believes "it is embarrassing to some townships and local communities to have so much money they don't know what to do with it." Lovett would either do away with the sales tax and come forward with some other direct form of taxation or he would require local communities to assume many of the burdens the state is now attempting to carry with reduced revenues.

In conclusion let me say that "there is no need for a new tax. If the time ever comes when we need new taxes in Michigan, let's

be honest about our proposals.

"Let us not try to say to the people of the state that by an indirect tax they are not paying a tax. Direct taxation is the only honest type of taxation. Then we are not building up a pyramid of concealed charges against the consumer.

A final shot: "I believe any impartial investigation would show that the state does not need any new revenues of any kind," said Lovett.

This in brief, is the case of the state corporations against the Williams corporation profits tax program.

Low Egg Prices Not Blamed On Imports

Canadian imports are not to blame for low egg prices this winter, says Lawrence Witt, Michigan State College agricultural economist—and he has plenty of figures to back up his claim.

During the production year 1948-49, the U. S. exported more than six times as many shell eggs as were imported from all foreign sources. Although most were from Canada, Canadian imports were only .06 of one percent of our egg consumption for the year. This means that less than one out of every 1,600 shell eggs that we used came from Canada—too few to have any significant effect on your market prices. At the same time, we exported about one out of every 300 eggs we produced, primarily to Latin American countries.

Witt explains that even in the Detroit market Canadian imports are not a major factor. This market receives a large amount of Canadian eggs as compared with other egg markets. But even in the Detroit market only two to three percent of total receipts came from Canada during the fall months of 1949. No imports from Canada were received in December when prices were much lower. Yet, December receipts in Detroit were 20 percent over October.

High production in the United States was actually responsible for sharp declines in egg prices, Witt says. This was due to:

1. An unexpected high output per hen. With the mild weather in early winter months, the hens just kept on producing in a season when they ordinarily stop laying.
2. Steadily increasing output per hen in general, due to improved breeds.
3. Increasing poultry numbers.

Winner, Fifth National A.A.A. Traffic Safety Poster Contest

Because one out of every seven traffic accidents occurs in rainy, foggy or snowy weather, Automobile Club of Michigan has distributed over 9,000 of the above posters to Michigan schools for use during March. The poster, directing students to "Be Extra Alert on Rainy Days", was drawn by a 13-year-old California girl and was a prize winner in the Fifth National AAA Traffic Safety Poster Contest. Along with the posters went 26,000 safety lessons which will bring safety education into Michigan classrooms.

FARM FACTS

from your County Agricultural Agent

FARMERS USE GOOD PROVEN BULLS

Farmers in this area according to Ed Rehman, county agricultural agent, are obtaining service from the best bulls that can be found anywhere. Service is obtained in this area from the Boyne City Artificial Breeders Association through Charles King, inseminator and from Antrim-Charlevoix Artificial Breeders Association through Dick Wieland and Bud Best, inseminators. One of the good bulls is Rainbow Sir Beas Rose Segis. This bull has the USDA proof which shows in a daughter dam comparison. The dams produce 462 pounds of fat while the daughters of this bull produce 613 pounds of butterfat. The Boyne City Association, in order to give more service to its members, have purchased a set of livestock clippers. These clippers may be obtained by calling at the county agent's office at Boyne City. A small deposit must be made to get these clippers and a small daily charge is collected to pay for repairs and sharpening blades. Clipping dairy cows is a must for farmers who wish to obtain good quality production. Ed Rehman

A Most Important . . . ANNOUNCEMENT

D. S. WALLACK your Radio Pastor and Speaker on the ADVENTIST HOUR, Broadcast every Sunday afternoon at 1:45 p. m. over WMBN

The religious leaders of North America have been shocked by a most startling statement made by Philip Carrington, Episcopalian Arch-Bishop of Quebec, during a recent service commemorating the 400th anniversary of the Church of England Prayer Book. He boldly said that millions of protestants, members of his own church and many others, were wrong on one great point of Faith. Many ministers have been too shocked to answer Arch-Bishop Carrington's challenge.

In kindness and fairness Evangelist Wallack proposes to give the Bible answer to Arch-Bishop Carrington's challenge in a big public meeting to be held on Sunday afternoon at 3:30 p. m. in the Seventh-Day Adventist Church, corner Third & Williams Sts. EVERY NON-CHRISTIAN AND CHRISTIAN SHOULD HEAR THIS STIRRING LECTURE ENTITLED:—

Is Arch-Bishop Carrington Right and Millions of Protestants Wrong?

The School Bell...

KINDERGARTEN — Helen Severance
 Mary Lou Murray and Louise Bader each had a birthday last week. We had lovely birthday napkins and delicious cupcakes. We are ever so sorry that so many boys and girls are out of school. Sherry Sinclair visited our Kindergarten Friday. We were very glad to have her. We are working on the number 2 this week, also the words alike and different.

FIRST Grade — Mrs. Stokes
 When we were learning about George Washington we made American flags on paper. Each flag had thirteen stripes and most of them had thirteen stars like George Washington's flag. We had many pictures of Washington to look at. For assembly Friday we gave a playlet called "Betty Sees Washington". For assembly next time we plan to dramatize "The Three Little Pigs".

SECOND Grade — Mrs. Seiler
 Mrs. Seiler is reading a book called Heidi to us. It is about a little girl who lives with her grandpa in Norway. Heidi was written by Johanna Spyri. Audrey Chapman and Lyndell Ingalls spelled down their class on Friday. The boys made bean bags and carved animals out of soap last week. The girls did some carving on soap too. They had fun making colored beads out of salt and cornstarch. We enjoyed the assembly program so much. We liked the song "Ten Little Indians" sung by Mrs. Johnston's room, the flag drill by Mrs. Bowerman's room, the dance and drill by the fourth grades and the play about the little girl who

saw George Washington put on by Mrs. Stokes' room.

SECOND and THIRD Grades — Adeline Bowerman
 After reading in our Weekly Readers a little bit about how this paper is printed, we visited the local printing office to see how our East Jordan paper is printed. We saw our school notes being prepared on the linotype machine. Mr. Lisk showed us how the plates were made up, then explained and showed us how the press prints our paper. We all gained some interesting information and when we re-read the article in our Weekly Reader is more meaningful. In our language period we wrote "thank you letters" to Mr. Lisk. In the same article we learned that the Weekly Reader building is a three story building made of glass blocks. On our return from the printing office we went to look at the glass block front of Mr. Healey's new grocery store. He explained to us that the blocks have a 4 inch dead air space which acts as an insulator. He invited us inside and treated each one with a jaw breaker. On Monday we wrote a letter of thanks to him. Most of us have learned the correct letter form pretty well and we learned two new words, margin and indent.

This week, Friday, we have an "appointment" with the dentist, Dr. Pray, for a friendly visit on the importance of taking care of our teeth and the proper methods of brushing them. The teacher could tell the children, but it is more fun and much more impressive to hear it from an authority on the subject.

THIRD Grade — Marie Hughes
 Tommy Eichler is slowly recovering from his illness. Ellen Palmiter and Robert Lively are also absent with illness.

PENINSULA...
 (Edited by Mrs. Emma Hayden)
 Walter Buck, Missionary of American Sunday School, made calls on Peninsula Tuesday afternoon. In the evening he held services at Star School House and spoke on "Fear". Our group is gradually enlarging. Those who were not there missed a very good sermon. Only thirteen present at Sunday school. Progressive Pedro party Saturday evening was well attended. There will be another March 11th. We have had real cold snappy weather the past week. Mr. and Mrs. Ken Staley of Charlevoix and Mr. and Mrs. Tom Hayden were Sunday callers at the Haydens. Most of the older school children attended the Charlevoix-East Jordan game. We won even if the odds were against us. Good luck in the tournament boys. Mrs. Albert Peters is spending a weeks vacation with her brother and sister in Flint. None of our fishermen have had much luck the past week. Sunday School will meet at the Alfred Reich home next week March 5th. Cash Hayden who has been ill for the past year is improving.

FOURTH Grade — Mrs. Snyder
 We finished our Health books last Friday and are now anxious to get started in the Science books for fourth grade. Our first unit will be on weather and we have decided to keep a weather chart for the rest of the year. We have received our little booklets that accompany our Weekly Readers called "Weather and You". We expect to find some interesting information in them in words which we can read and understand. We are hoping that we can draw the sun on our weather calendar real often from now on. We will be changing our pictures this week as February turns to March. We think we will put up some of the March wind blowing kites and clothes, the March Hare welcoming spring, and maybe some of boys and girls playing marbles. Last week twenty people in our room had all the spelling words right. We have twelve new words each week. Fred Johnson and John Elzinga have birthdays this week.

FOURTH Grade—Grace Galmore
 Several pupils have been out on account of illness. Rhea Zitka and Linda Raymond have been out a week or more. Linda has come back two or three times but had to leave as she was not well yet. We received some splendid pictures from the California Fruit Growers Exchange showing all the steps in the production of oranges from grower to consumer. Our tables chart is showing many stars. The boys and girls are working hard. Gene Richards, Clare Crawford and Joe Leu have proven that they know all their tables. Two Science booklets were given to our room as a reward for the number of TB seals sold at Christmas. Gerald Green brought us a very good clipping about the vicious little piouha, a fish about which we learned in our study of the Amazon. We thought the Friday's assembly program a very patriotic celebration. The flags and songs were fitting to the occasion and we enjoyed the twirling red, white and blue streamers to the Blue Danube Waltz as our part. Mrs. Larsen's play was especially fine, illustrating the meaning of Americanism by being a good neighbor.

SIXTH Grade — Alma Larsen
 Our room is learning how to write business letters in English. Each row wrote to a different company for free booklets and posters in health. Out of each row we picked the best one to be sent out. The following people were chosen: Philip Raymond, Dick Johnson, Peggy Walton, Deanna Lehrbass and Shirley Matthews. —Deanna Lehrbass. In Penmanship this week we are practicing the letters D and L.—Martha Galmore. We are now writing sentences in spelling instead of just words. Mrs. Larsen dictates the sentences for us to write. We count points for capital letters, periods and spelling of all words in the sentence. —Jerry O'Brien. Friday afternoon Deanna Lehrbass' mother and grandmother visited our room.—Patty Cihak. Wednesday, Feb. 22, we saw a movie on the "Public Life of Abraham Lincoln". It showed some of his private life but mostly of his life as President. We saw how he was shot, too. —Margaret Murray. For 4-H we have sent away for some bird pictures. We are going to make a scrap book out of them. For the assembly the 2 fourth grades put on a drill, Mrs. Stokes' room put on a play about George Washington, Mrs. Bowerman's room did a march. In Mr. Malone's room Shirley Peck sang a song and Denny Wilson played his horn. Mrs. Larsen's room had a play called "Good Neighbors". —Fred Clark and Jon Jankoviak.

Our parole system is exposed in a startling article "Danger in Paroles," Sunday in The American Weekly, the great color magazine with The Chicago Herald-American. A paroled murderer kills two companions — a burglar kills a policeman — an ex-convict steals automobiles! Learn how confirmed robbers and killers are being paroled to prey once again, on our law-abiding citizens! Don't miss "Danger in Paroles," a startling and dramatic expose of our parole system, Sunday in The Chicago Herald-American's great color magazine or true-life stories.
