Northern Michigan Band Festival

TO BE HELD IN EAST JORDAN, MAY 9th. AT CHARLEVOIX, MAY 10th

The Northern Michigan Band Festival, sponsored by District II, M. S. B. O. Z., will be held at the East Jordan High School, May 9, and at the Charlevoix High School, May 10.

Bands taking part in East Jordan include Harbor Springs, Gaylord, Boyne City, Kalkaska, Cheboygan, Traverse City, Petoskey Juniors, Grayling, Bellaire, Central Lake and East Jordan.

Those participating in Charlevoix consist of Rogers City, Elk Rapids, Alanson, Kalkaska, Mancelona, Petoskey, Boyne Falls, Pellston, Charlevoix Seniors and Juniors.

Each band will play a march and a selection of its own choice during the afternoon. Criticism, but no rating will be given.

There will be a parade sometime in the afternoon if the weather permits.

A massed band concert will be held at 7:30 p. m.

Eugene Collins, local director, will have charge of arrangements in East Jordan and C. A. Odmark in Charlevoix.

Contributes Liberally To Hospital Fund

MRS. WM. E. MALPASS, SR., DONATES \$1000.00 TO THE CHARLEVOIX COMMUNITY HOSPITAL

On Saturday, April 15th, Alice Ann Malpass, pioneer resident of East Jordan, Michigan, gave her check for \$1,000.00 toward the building of a new community hospital in Charlevoix. She will be 86 years old on the 15th of May.

Many, many years ago, Alice and Wm. E. Malpass came to East Jordan. Establishing a business in those days was not easy. It all of the fortune that these two young people possessed to carry on. For sixty-two years William Malpass worked diligently at the Foundry, the business that he organized. Since his death, two sons and a grandson carry on the work that he began.

Alice Malpass has 13 children, 9 of whom are living. Thirteen children made a busy household. It called for careful planning on the part of these pioneer homemakers. One pair of shoes each week had to be a part of the family budget expense. The table in the dining room was extended to capacity. Yet this long table, stretched to accommodate the family, always had room for the stranger at the gate, or the friend who chanced to be near at mealtime.

Grandma Malpass, as she is affectionately called by everyone, has lived each day to the brim. Take time for all things, was her policy. She was never to busy to go to activities in which her children or grandchildren participated. Sunday always found Grandma Malpass in her pew at church. To her Study Club she brought wit, humor and originality. Friends remember an evening when each Club member was to respond to roll call by answering the question, "What would you like most to do?" Presently Grandma Malpass' turn came. With mischief dancing in her eyes, she said, "Something I shouldn't."

Knapp Family This Friday

Don't forget the Knapp Family, stars of radio station WKAR, East Lansing, will appear Friday, April 28, at 8:15 p. m., in the High School.

This brilliant show is sponsored by the Senior Class to help defray expenses for the class trip.

Outstanding Speaker Coming To Mancelona Auspices Rotary Club

On Thursday evening of May 4, at 8:00, in a program held at the Mancelona High School Gym, the Mancelona Rotary club will present Rev. Robert D. Richards, pastor of the New Bethany Methodist Church, Detroit.

Rev. Richards of Welsh birth, experienced as a coal miner, serving with the British Army in World War I, coming to the United States in his early thirties, thence employed in the automotive field and later graduated from Albion College, tells why he remained in America to become an American. It is a true talk on Americanism, coupled with humor and sincerity. IT IS A TALK EVERY AMERICAN SHOULD HEAR.

His address has been presented to over 200 thrilled audiences in the last three years. To fulfill his engagement here, he is flying from New York where he is currently addressing 2,000 members of the Cambrian Society.

All high schools of Antrim County have been invited for special morning and afternoon sessions on Thursday, May 4, to hear Rev. Richards.

All service club members, their families, in fact, everyone should hear this outstanding speaker. Renew your faith in America! Plan attendance May 4th.

Christian Spiritualist Memorial Temple

216 Antrim St., Charlevoix

Sunday services April 30, 10:30 a. m. Potluck dinner at 12:00 noon. Healing service at 1:30 p. m. Afternoon service, 2:30, and a Plain Message Circle at 7:30 p. m. Rev. Myrtle DeBoe of Grand Rapids will be in charge of all meetings and will be here to give private readings from April 29 to May 8. Phone 989 for appointments.

For years she was the "Club Poetess."

Long after her husband enjoyed the home hearth at close of day, Alice Malpass went to evening activities. She recalls returning late one evening, and chuckling as she heard her aged husband remark, "The Ladies Aid can be up to no good, keeping you out until eleven o'clock."

Staffordshire born, Alice Malpass now has 52 living grandchildren and 68 living great grandchildren. She is awaiting the news of five new arrivals. The years have rounded the shoulders of Alice Malpass and taken a bit from her physical height. But in her thinking she has remained as tall as a lofty pine. It is her sincere wish that her gift of \$1,000.00 to the hospital fund will merge with the gifts of other tall thinking citizens and provide the finest facilities possible for all of the children of our communities.

Wedding Shower For Miss Fern Staudenmeyer

Miss Fern Staudenmeyer, who is to be married Saturday to Bernard Best, was honored at a miscellaneous shower given at the home of Mrs. Don Hott, where about thirty guests were gathered to surprise her.

The hostesses, Mrs. Don Hott, Mrs. A. Larsen and Mrs. L. Larsen, served lunch of fruit salad, homemade rolls, gaily decorated cupcakes and coffee.

Miss Staudenmeyer received many gifts.

Charlevoix Co. Fair Dates Set

WILL BE HELD AT EAST JORDAN SEPT. 12-16

The Charlevoix county fair board at a meeting held last Wednesday, drew up tentative plans and program for the 1950 annual fair according to Ed Rebman, secretary. The fair will be held in September from 12 through 16. Exhibits and entries will be made on Tuesday, Sept. 12th.

The program on Wednesday afternoon and evening will be a thrill show put on by Joe Chitwood and his group. On Thursday there will be horse racing in the afternoon and WLS show in the evening. On Friday there will also be horse racing in the afternoon and Earl Johnson's group will perform on Friday and Saturday evening. Saturday afternoon will be devoted to horse pulling.

For the first time the fair board is sponsoring a calf scramble. There will be approximately 12 calves turned loose in a pen with 15 or more boys. These boys will be given a piece of rope and will have to make a rope halter and tie one of these calves to the fence. The boys then will have the opportunity to raise the calf for a year and at the next fair the calf will be auctioned off.

Shall We Have A Festival or No?

P.-T. A. TO DECIDE NEXT TUESDAY, MAY 2nd.

What is your opinion? Should the East Jordan P.-T. A. continue with the plans for the Fiesta? Would you rather have an old fashion Pot Luck Supper, a dress up affair. Ma in her old Mother Hubbard, all the kids in their jeans, and Pa in his overalls, an old fashion Hoe-down or a good movie? What do you want?

After the P.-T. A. meeting last Tuesday night the idea was dropped that for all the work put into the Fiesta, so little was gained. All mother and dad had was an aching head, sore feet and a pocketbook much on the leaner side.

On Tuesday night, May 2, the P.-T. A. will meet in the Study Hall of the East Jordan High School.

This meeting will have a two fold purpose. First, to elect the officers for the coming year. Second, to decide, should the plans for the Fiesta go on or would some other affair be more logical?

If you believe plans for the Fiesta should continue come and voice your opinion. If you believe we should discontinue with the Fiesta, come and voice your opinion also.

Tuesday, May 2nd, 8:00 p. m. in East Jordan High School.

Junior Play "Boarding House Reach" To Be Presented May 3

What happens when Mr. and Mrs. Maxwell go away for a week? The following ad appears in the paper:

"Maxwell's Boarding House, where people in the best circles get three squares. — W. Maxwell, Proprietor."

Soon all sorts of characters are running around, such as Nora and Limpy McQuire, "Ninety Volt" Jones and his wife, "Roughhouse Ruby", Lucy Burns, Mr. Potter and Mrs. Mott (who never says a word)!

To find out exactly what happens, come to that hilarious Jr. play "Boarding House Reach", another hit by the author of "Just Ducky", May 3rd, in the gym. You won't be sorry.

The boys glee club will sing between acts, and also our favorite soloist, Bill Walker. adv

Trout Season Opens Tomorrow

IS A MORALE BOOSTER SAYS STATE HEALTH COMMISSIONER

If the streams stay cold, high and roiley, the wily trout may be hard to intrigue on the opening day of the season, but there's more to trout fishing than just the catch, Dr. Albert E. Heustis, State Health Commissioner said today.

If, in order to be well-balanced in this increasingly complex world, a man needs not only his work, his health, his family and social life, but a hobby as well, then the importance of a day spent in the open air trying to ensnare the rainbow, brown or speckled beauties is obvious.

The benefits of such things as the hand tying of minute lures, the winding and polishing of a rod, the quiet outdoors, the sound of birds and crickets, the sunshine all around you, exercise, anticipation, relaxation and good companionship cannot be measured in grams or international units. But if a man is to work well, maintain his mental equilibrium and live happily he needs these things.

And then the trout—if he catches any—are good for him, too, with their protein, calcium, potassium, iron, and vitamins including A, thiamine, riboflavin and niacin, to say nothing of their flavor.

Just looking forward to trout fishing, talking about it and planning for it is a morale booster, Dr. Heustis said.

Trout fishing is for fun, he added. Wear boots or waders and clothes which will keep you dry and warm. Take it easy, don't overdo, watch your footing and watch your hooks.

Red Cross Fund Drive For E. J. Over Quota, Subscribing \$1,011.70

The drive for Red Cross funds was completed last week end, and the City went over their quota, subscribing \$1,011.70 to date. The solicitors and the City Directors wish to express appreciation for the generous response to this worthy drive. The solicitors in various districts were the Mesdames Ray Collins, Albert Trojanek, Wirt Bates, Theo. Malpass, George Walton, A. L. Darbee, Jesse Hiatt, Lyle Persons, Armond Winstone, Albert Blossie, Frank Woodcock, Bill Barnett, Roy Whitlow, Burl Braman, Wm. Montroy, Herbert Sweet, Max Kamradt, Morris Vance, Phillip Fisher.

Bill Porter very ably handled the business district. The Directors for the City were Mrs. R. G. Watson, Miss Ethel Crowell and Mrs. Earl Clark. This committee greatly appreciates the work accomplished by the solicitors.

Membership Campaign N. M. Community Concert Ass'n Now Under Way

Membership campaign of the Northern Michigan Community Concert Association for the 1950-51 season will be conducted during the week of May 1, according to Mrs. John Porter, head of the effort in East Jordan.

Assisting Mrs. Porter are Mrs. Ted Malpass, Mrs. Wilbur Robertson, Mrs. C. W. Sidebotham, Mrs. Morgan Lewis, Miss Ethel Crowell, Mrs. R. G. Watson and Mrs. Helen Sevenance.

During the campaign the workers will call on all members, seeking renewal of their association with the concert series. Although the association has sold out its memberships each year in the past, there will be a limited number of new members accepted this year.

The campaign will close, Saturday, May 6th. No memberships will be sold after that date and no single admissions will be available for the concerts, Mrs. Porter said. The association has presented three series of concerts, bringing such artists as Alec Templeton, Dorothy Kirsten, Tossy Spivakovsky and the DePaul Infantry Chorus to Northern Michigan music lovers.

Following the close of the campaign the artists selection committee will meet on May 6th to arrange the program for the 1950-51 season. The committee has already conditionally engaged the Philharmonic Piano Quartet for the season.

There's one product where the supply is always bigger than the demand—and that's TROUBLE.

Her Ninetieth Anniversary

Mrs. Minnie Frieberg, a long time resident of this city, celebrated her ninetieth birthday anniversary, Wednesday, April 26, at her home on Second St. with a family dinner. Her daughter, Mrs. Minnie Richardson, made a beautiful birthday cake for the occasion.

Mrs. Frieberg has two daughters: Mrs. Lizzie Mehl and Mrs. Martha Overholt in Detroit, and a daughter, Mrs. Minnie Richardson, and a son, Albert, at East Jordan.

Norm's Tavern Is Champion

OF LAKE CHARLEVOIX TABLETOP SHUFFLEBOARD LEAGUE

Norm's Tavern of East Jordan came from behind Tuesday night to defeat Darcy's Bar of Vanderbilt, 7 to 5, and win the Lake Charlevoix Table Top Shuffleboard league championship. The match was played on a neutral board at the Argonne, near Charlevoix, before a large crowd.

Each team won a match in the series by 5-7 scores, Norm's losing at Vanderbilt and winning last week, Thursday, at home.

Darcy's got away to an early lead when they won the second and third games after Norm's took the opener. It was 3-1 for Vanderbilt after the first series. Norm's captured the first two games of the second series to gain a 4-4 tie going into the last three.

Norm Root and Al Dougherty scored a 2-7 win in the first game of the last series, and then Don Bolser and Vail Shepard came through with a 2-12 decision which clinched the extra point for high total and the title.

Everett Spidle and Spin Cihak registered a thrilling 21-20 victory at a time Norm's were trailing and this was an important factor in tying the score.

Mike Darcy and Charles Culbertson of Vanderbilt won all three of their games.

Norm's will be presented with the championship trophy at a league dinner to be held Thursday night at Cal's Tavern.

Vocal Music Groups Receive Awards at State Vocal Festival

Three vocal music groups of East Jordan High School attended the State Vocal Festival at Mt. Pleasant, Saturday.

These groups, under the direction of Mrs. Adolphe Drapeau, and Mrs. Howard Moore, accompanist, received the following ratings: Girls' Glee Club, "Excellent"; Boy's Glee Club, "Superior"; and Mixed Chorus, "Excellent".

Mr. and Mrs. Carl Wagner, Mrs. Willard Howe, Mrs. Wilbur Robertson and the Rev. Howard Moore attended the festival from East Jordan.

Over 1800 boys and girls from 25 Northern Michigan High Schools took part in the Festival. In the morning, each organization was judged individually, and the afternoon program was devoted to massed chorus rehearsal and broadcast.

Jasmine Rebekah Lodge

Met April 19th with 46 members and one visitor, Sister Gladys Burnett of Central Lake. We had a very interesting meeting. Sister Burnett gave a few remarks and told us about our District Meeting.

The lunch committee served us dainty refreshments from a beautifully decorated table. For entertainment we had two readings and colored pictures of Viva Sutton's trip to California.

On Thursday night, April 25, about fifteen Rebekah's from our local lodge journeyed to Charlevoix to see Boyne City put on the degree work. There were 82 members at the meeting.

Charlevoix was very nice to us and we enjoyed their well conducted meeting.

MAKE A HOUSE-KEEPING TIME BUDGET

Homemakers, learn how you can efficiently budget your house keeping time to allow yourself free afternoon for odd jobs or social activities. You'll find the secret in a special article, one of many fascinating features, in The American Weekly, famous magazine with this Sunday's (April 30) issue of The Detroit Sunday Times.

Clean-up Proclamation

The week of May 1 to May 6 has been designated as Annual Clean-Up Week in East Jordan. All residents are urged to clean up their premises of all rubbish.

Trucks will be furnished by the City for the removal of rubbish placed in containers and at the curb or near-by alley. All rubbish for removal should be placed by Monday a. m. so that no "repeat" trips will be necessary. The City absolutely will not haul ashes. These must be taken care of by the residents.

WM. E. MALPASS, Mayor.

Mrs. Charles Johnson Dies at Mancelona

Mrs. Charles Johnson, 62, of Mancelona passed away, Tuesday, April 18, after an illness of several years. Evah C. Wilson was born November 23rd 1887, in Echo Township, Antrim County, and lived in East Jordan several years. Funeral services were held Thursday, April 20th, from Miller Funeral Home with Rev. LeRoy J. Hoover officiating. Interment was at Fairview Cemetery at Mancelona.

The following from East Jordan attended the funeral:— Mr. and Mrs. Frank Cook, Mrs. Mary Larson, Mr. and Mrs. Ernest Evans, Mrs. Gladys McKinnon, Mrs. Clifford Bradshaw and Mrs. Elsie Taylor.

The Ironton Ferry Is Now In Operation

The Ironton Ferry started operation for the 1950 season, Wednesday, April 19th, making the first trips through a channel broken through the ice in the South Arm of Lake Charlevoix, which was approximately two weeks later than last season. The toll rates will remain the same as last year. Bud Gill and Walter Jarvis are the operators.

The Soo An Engineering Marvel

There is a stretch of water in northern Michigan that provides one of the greatest nautical shows on earth. Nature designed it as a spectacular set of violent rapids in the St. Marys River, which connects Lakes Superior and Huron. Human ingenuity turned it into an engineering marvel—"Michigan's Miracle Mile."

An article by Norman and Madelyn Carlisle appearing in the May issue of Coronet magazine tells a story of Sault Sainte Marie—better known to most of us as The Soo. This area has well been called "the most important mile in America" as without The Soo, our economy would be disrupted, factories would be forced to move, great industrial centers like Pittsburgh would shrivel, the price of hundreds of products we buy would soar.

V. F. W. District Rally at Charlevoix This Sunday, April 30th

Coordination of plans for the annual sale of V. F. W. Buddy Poppies and participation in the annual state encampment will be major items of business at a rally of the 13th District of the Michigan Veterans of Foreign Wars, to be held Sunday, April 30, at Charlevoix.

More than 150 members of the V. F. W. and its Ladies Auxiliary from 17 local V. F. W. Posts in 12 Northern Michigan counties are expected to attend, according to Irvin D. Waldron, Burt Lake, district commander.

State V. F. W. Commander Herbert W. Devine, of Flint, will be a guest at the rally.

Special honor will be paid to Ira Hart, of Oden, at the gathering. Hart, a legless veteran and former V. F. W. field service representative, will be presented with an electric wheel chair, gift of the Posts in the District.

The 13th District includes all V. F. W. Posts in the following counties: Presque Isle, Alpena, Montmorency, Otsego, Cheboygan, Emmet, Charlevoix, Antrim, Kalkaska, Leelanau, Benzie and Grand Traverse.

Charlevoix Post 1153 will be host to the meeting, which will start with a noon dinner.

Soil District To Plant Trees

The cooperators of Charlevoix Soil Conservation District will plant a total of 34,400 trees this spring according to announcement by Ed Rebman, secretary of the district. These trees include 19,700 white pine, 12,800 red pine, 1,500 jack pine, 300 scotch pine and 100 white spruce.

The planting season for this spring is later than normal. Higgins Lake will not be lifting trees until about May 1st. This program of planting trees along with the program of constructing small seed beds is two of the programs sponsored by the Charlevoix Soil Conservation District.

Ed Rebman, Co. Agr'l Agent.

Home Demonstration Exhibit

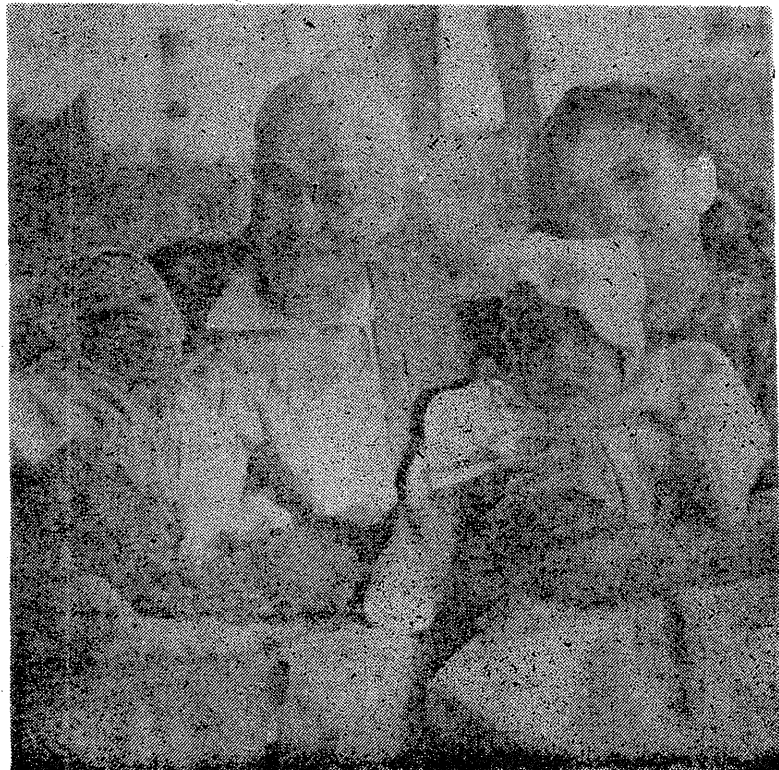

LOCAL DISPLAYS CAN BE SEEN APRIL 30th-MAY 7th

National Home Demonstration Week, which is being held the first week in May all over the United States, is being celebrated by the Extension Clubs of Charlevoix County with window displays in Bradshaw's Dry Goods Store and the Michigan Public Service building.

There are twelve Extension Clubs in this county, seven of which are in East Jordan. These are under the leadership of Mrs. Lulu Clark, who is District chairman as well as county chairman. Each club has its own group of officers including two leaders who meet once a month with Home Demonstration agents to learn various lessons to take back to their clubs. These lessons have included different phases of sewing, cooking, re-modeling farmhouses, glass etching, making over hats, making home attractive inside and outside, home management and simple legal phases, and many other interesting things which make for better living in the home.

Extension clubs have been in existence for over 30 years and at the present time there are three million women in the United States who attend these clubs. Each year in July a Homemaker's Conference is conducted at Michigan State College at East Lansing and women from all over Michigan meet there for five days to renew old acquaintances and to listen to noted speakers tell of home management in the other countries of the world and what the Extension Service means to these women in war torn countries who are trying to rebuild their homes and towns. Also to learn about new merchandise that is on the markets and what to buy, lessons in Bible study, flower arrangement and many other things too numerous to mention. All lessons center around one theme—a better home in a better community.

The chairmen of our two window displays are Mrs. Albert Lenosky, Mrs. Harry Sloop and Mrs. Ole Hegerberg. The articles in the windows are all made by the Extension clubs in this county and should be of interest to everyone.

Grass Fire Season Is Here

Southern Michigan forest and grass fires burned over the first sizeable chunk of acreage in the state last week.

Conservation department fire fighters went into action on 31 fires which blackened 612 acres. Over 500 acres were burned in southern lower peninsula. Four fires alone consumed 350 acres.

No fires have been reported in the upper peninsula so far this spring.

Department's forest fire service has put out a total of 49 fires which have damaged 701 acres.

From where I sit... by Joe Marsh

His Punch is His Signature

Was on the train up to Central City the other day and when the conductor came around, I asked him why their ticket punches make such odd-shaped holes in the ticket.

"Every conductor in the country has a different design for his punch," he tells me. "Some even show up a fellow's preferences. Now take mine. The hole it makes looks like a beer goblet."

Sure enough! Then he went on to say that the punch is just like the conductor's signature. Makes it easy to trace tickets . . . to check up if something happens.

From where I sit, even though your ticket is punched differently from mine, it still gets you where you're going. Just like people with their opinions. You might like coffee, another person, tea—and I'll settle for a temperate glass of beer. But what does it matter, so long as we respect the right of the other to have tastes and opinions? We're all trying to go in the same direction — towards a friendlier, more pleasant world for all of us.

OFFERS TIPS ON
USE OF GREAT
LAKES FISH

Lake trout, whitefish, yellow pikeperch (walleye) and yellow perch are popular eating fish in the Great Lakes region. Whether the fish is to be broiled, fried or

baked it is important to remember not to overcook it.
Recipes for all methods of cooking fish are available from Michigan State College, announces Wilma Brewer, home economist. The departments of foods and nutrition and of zoology cooperated with the Conservation Institute in preparing an exceptionally attractive booklet with many illustrations in full color.
Step by step the homemaker is guided through the buying of fish, quantity to buy, preparation for cooking, methods of cooking and finally suggestions for serving the fish and other foods to include in the menus.
Many recipes for sauces and stuffings are included for various kinds of fish. Some of the sauces used in cooking will prevent dryness in the lean types of fish. Sauces and stuffings make fish a real party-going delicacy. Accompanying menus are suggested.
You may obtain your copy of this recent publication by writing to the Bulletin Office, Department of Public Relations, Michigan State College, East Lansing, Michigan. Twenty-five cents will bring your copy in the next mail.

WEEKLY NEWS ANALYSIS

Need Claimed to Keep GI's Abroad If Continent to be Fully Guarded; Berlin Stocks Up for Emergencies

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

EUROPE: Just in Case

The demands of the cold war are becoming steadily more vast and insistent. First and continuing is money—American dollars to stem the tide of communism and protect itself—so the theory goes—by protecting Europe.

NOW IT IS MEN Europe wants. American GI's to garrison the continent. A permanent garrison of American troops in western Europe—even after German occupation ends—is vital to the Atlantic pact defense, several European experts believe.

THE EXPERTS quoted argue that American troops would provide on-the-spot leadership for Europe's defense forces, and would serve as a reassurance to France if German troops eventually are too powerful in the western European defense.

At present, as the pact alliance rounds out its first year, its 12 member powers have about 22 divisions of varying strength and effectiveness among them.

The normal complement of a division is 15,000 men. That means a total of 330,000 potential fighting men ready to meet any attack upon the pact signatories. It also means that each pact signatory is putting less than two divisions into the overall plan to protect themselves.

Under such a setup it is conceivable that America might have to bolster the defensive line; but the setup poses anew the question: How sincere is Europe in efforts to rehabilitate and protect itself?

BERLIN: Fear Crisis

In the event of a crisis such as that precipitated by the Russian blockade in 1948, Berlin was ready. The west has stocked the city's bins with enough food and coal to make a mockery of any new blockade.

In the 11 months since the Reds lifted the blockade of the city, a steady stream of train, truck and barge traffic has piled up what is felt to be adequate supplies to meet any emergency.

When Russia clamped down the blockade, in an effort to impose its own political convictions on Berlin, the city had only an average of six weeks supplies on hand. Now the basic staples are in about six months supply and in all probability will continue to increase as further stocks are added.

It was felt that the Russians, aware of this process, would be less foolhardy than to attempt another blockade effort, but even so, no one was taking any chances because of the unpredictability of Soviet action and of the old truism that "what has happened once, can happen again."

HIGH COURT: Accused Must Talk

A ruling of the U.S. supreme court is likely to serve as a powerful stimulant for those accused of Communist sympathies and refuse to talk.

The court refused to grant a hearing to two Hollywood writers convicted of contempt of congress. The action let stand a decision that congressional committees may compel witnesses to say whether they are Communists. The vote was 6 to 2.

By its action, the high court refused to interfere with a lower court decision holding that congress may abridge either the freedom of speech or the freedom to remain silent "when legislating to avert what it believes to be a threat of substantive evil to national welfare."

The high court handed down the opinion but did not explain its reason. It took the action in a brief order saying it would not hear the appeals of screen writers John Howard Lawson and Dalton Trumbo. They had been pending since last August 11. Lawson and Trumbo are each under sentence to serve a year in jail and to pay a fine of \$1,000. They had been free under bond.

The court's order noted that Justices Black and Douglas favored a review of the case, and that Justice Clark took no part.

Lawson and Trumbo were two of 10 prominent screen figures who refused to tell a congressional committee whether they had been members of the Communist party.

CLAIM & COUNTER-CLAIM

Could Anti-Red Bill Win Congress' Okay?

Could a bill to control Communist activities in the United States win approval of congress? There was some squabbling about the question with claim and counter-claim being hurled.

Senator Ferguson (R., Mich.) claimed he could line up top-heavy support for such a measure, but said he expected the administration's leaders would try to block

Chills Charges

Brig. Gen. Conrad E. Snow, head of the U.S. state department's loyalty board, testifies before the senate subcommittee investigating charges of communism in the state department. He chilled charges by Sen. Joseph McCarthy (R., Wis.) when he told probers that he knows of no Communists in the department.

VACATIONS: Why Not England?

For the American tourist planning a trip abroad, England can't be beat, according to Farnham F. Dudgeon, editor-in-chief of Western Newspaper Union, a newspaper syndicate.

DUDGEON visited England some weeks ago along with 14 other representatives of newspaper syndicates, press associations and periodicals. The host on the flight over the Atlantic and the trip through England and Scotland was the British Travel association which is engaged in a campaign to attract tourist trade to the British Isles.

The syndicate chief reported that "England definitely is the place to go" for the American who wants a memorable trip abroad at a modicum of cost. This is true, he said, because of the many places and things in England that are so closely tied in with our own history.

"Right now, England is a tourist paradise," Dudgeon said. "Especially is this true because the pound devaluation has added so much more purchasability to the American tourist dollar. For example, one may stay at almost any of the picturesque inns or hotels for as little as \$21 to \$23 a week."

"TRANSPORTATION facilities in both England and Scotland are excellent, even if the equipment is somewhat battered from the war. The British are eager to make Americans feel at home, and one gets the impression that this is a sincere hospitality, not motivated exclusively by the desire for American dollars."

There is little need to remind Americans of the particular charm and beauty of the British and Scottish countrysides, with their lakes, moors, heather, famed resort spots and historic buildings and landmarks, because they are known, even if vicariously, to most Americans.

"But seeing them at first hand is an altogether thrilling and memorable experience," Dudgeon said.

RADAR: Day & Night

The country was informed during the week that there is at least some insurance against another "Pearl Harbor" in the event an enemy should attack. That insurance is a radar and civilian-airplane-spotting network that is now far enough along to provide protection.

The announcement also reported that alarm systems have been installed that can flash an alert to air force interceptor squadrons and civilian warning centers within a matter of seconds. All these moves simply are preparedness, officials stressed, and do not indicate any need of these defenses is imminent.

Air force officials said more than 200 warning centers now are hooked up and many more will soon be in operation. The centers are selected by officials such as governors, mayors and chiefs of police. Headquarters will be in key cities and someone will always be available to man the warning apparatus.

EGGSACTLY!

A Fowl Effort

Who was surprised? If you feed a radiative dose to hens, why wouldn't you get radioactive eggs?

But Dr. Clyde Driggers, of the University of Florida agricultural experiment station, cooled their uncommon hens—and uncommon hens they were, inasmuch as they had been given doses of radioactive calcium and they laid radioactive eggs.

THE poultry-department scientist set out to learn what happens to calcium from the atomic energy commission at Oak Ridge and fed minute single doses to two hens and daily doses to another two. He kept them under close observation.

The hens suffered no ill effects and got along apparently as well as other hens until they were killed at the end of the project.

With the aid of a Geiger counter, the experimenters found:

THE SHELL of an egg laid by one of the hens 15 minutes after the first dose contained enough labeled calcium to make the counter tick, but none of the material was in the yolk or white of the egg.

Radioactive calcium showed up on the shell, yolk and white of an egg laid 24 hours later and the white contained 70 times more of it than the yolk.

PAKISTAN: Peace Move

The Indian parliament ratified the new India-Pakistan pact and with that approval there appeared hope that bloody communal strife on the subcontinent might be ended.

Prime Minister Nehru, in submitting the pact, said he was satisfied it would halt a drift toward catastrophe. "We have stopped ourselves at the edge of a precipice and turned our back to it," Nehru said.

THE AGREEMENT guarantees the security of the Moslem minority in Hindu India, and the Hindu minority in Moslem Pakistan. It also permits the unhindered migration of both minorities across the borders of the two dominions.

The move was an idealistic one and had the blessings of the civilized world. But whether it would still trouble hemisphere diplomats.

OUT OF INDIA were coming reports that the announced—and probably sincere—effort to abolish caste in order to bring about unity, was encountering more difficulty than was expected. Religious convictions, customs, traditions and practices of centuries are not sloughed off so easily.

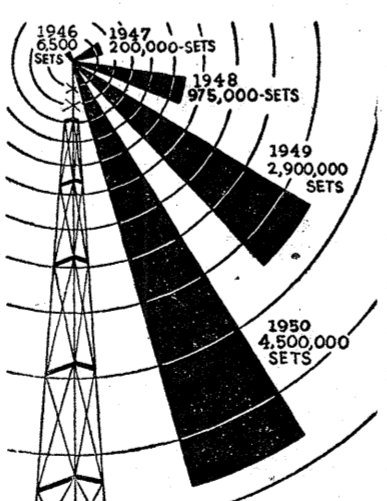

CHILDREN: A New Hope

A new hope for stunted children—a promise of speeding the growth of undernourished boys and girls—is held out in the drug aureomycin. The "golden drug," it was said, may prove a powerful growth stimulator.

THE ANNOUNCEMENT was made at the national convention of the American Chemical society in Philadelphia, where delegates learned that already the drug has increased the rate of growth of hogs, chickens and turkeys by as much as 50 per cent. Its effects, delegates were told, "far exceed" those obtainable with any known vitamin. It is being tested now on undersized children.

Scientists said the growth-accelerating action of the drug "may hold enormous long-range significance for the survival of the human race in a world of dwindling resources," because it may prove of tremendous importance in extending the world's meat supply and reducing the cost of production.

Television Booms

Television production last year according to findings of the Conference Board, totaled nearly 2.9 million sets as compared with 6,500 in 1946. The above graph illustrates the sensational growth of this new entertainment medium. The video industry estimates sets in use this year will range around 4.5 million.

BUSINESS: Too Many Idle

According to U.S. Commerce Secretary Charles Sawyer, business is good—but there is too much unemployment.

HE ADDED, however, that it is dangerous to set a specific figure as the danger point in unemployment because "people will get panicky" when it is reached.

He also said that his department was not drawing up any plan to combat unemployment.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is
Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good..."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding." The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good..."

PRESIDENTIAL FACT FINDING BOARD REPORT

Read these excerpts from official reports of Presidential Fact Finding Boards:

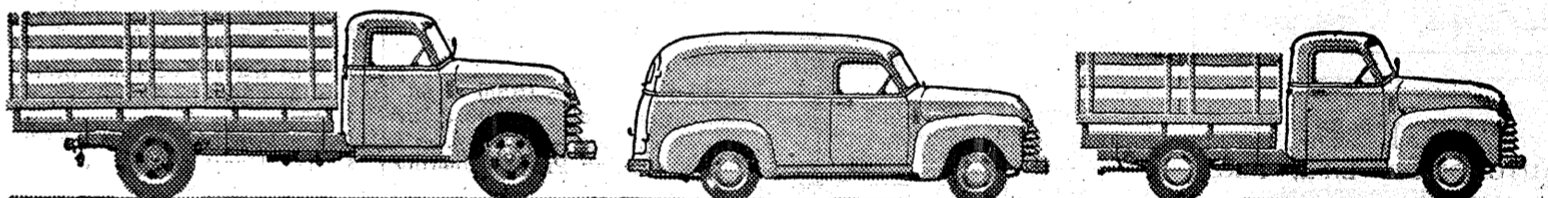

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation..."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

The unusual story of the VanderBasches, who use loudspeakers, a fireman's pole, bulletin boards and even their own bus to keep their large family functioning smoothly and happily. In The American Weekly, the great color magazine with Sunday's Chicago Herald-American, read "Running a Family of 12." When dinner is served the family speeds downstairs via a fireman's pole. An intercommunication system has outlets throughout the inside and outside of the house so the family can be assembled at a moment's notice. Bulletin boards are provided which lists merits and demerits for the conduct of each child. Don't miss this amusing story "Running a Family of 12" Sunday in The Chicago Herald-American's great color magazine!

Plants In The Home

(By Vaun Ogden)

If you want a plant that has long lasting blooms, try the hydrangea. It demands lots of water, but it will stand up fairly well in the house. I haven't had much experience with them, but Mrs. Brennan has kept one over from last year. It is now a bushy plant and quite well budded. She just kept it growing all summer and brought it in to heat and light this winter.

My flower books say to cut the plant back after blooming, plunge it in the garden until fall, and then bring it into a dark, cool cellar and withdraw water. The leaves will fall off, but in January bring it into 50 degrees temperature for a few weeks, and then to a 65 degree temperature. It should blossom in 6 or 8 weeks. Did you know you can change the color of hydrangeas? If you have a pink variety, you can make it a deeper pink by scratching in a little lime before it blossoms. If, however, you want a blue one, scratch in a little alum (which will make the soil acid).

Hydrangeas are heavy feeders, and need doses of fertilizer, mixed according to recommendations. They are not quite hardy in this area so should not be planted out permanently unless they could be well protected. They can stand temperatures of about 20 degrees.

So if you really do have a green thumb, you might try keeping your hydrangea from year to year.

Methodist Church

Howard G. Moore, Pastor Church at 10:00 a. m. Sunday School at 11:15 a. m.

The hymn-sing preceded the sermon last Sunday morning. Was your favorite sung? Miss Margaret Blossie sang, "How Lovely Are Thy Dwellings."

The Youth Fellowship will meet in the side room of the church at 6:30 next Sunday evening. Mrs. Mildred Karr is secretary of Youth Work, which is sponsored by the W.S.C.S. Rev. Moore will give the second lesson from the Youth Membership Manual. Three chapters have been assigned to be read by the group before the next meeting. Last Sunday Miss Marjorie Keller led the meeting which followed the study.

At 8 o'clock the adult group will meet for study of the membership manual. Everyone is welcome to these meetings whether you are a new member or as a refresher course.

A large representative group of church members and friends from Norwood, Barnard and the local church was in attendance at the Fourth Quarterly Conference held last Wednesday evening. Rev. Russell King, D. S., presided.

Last minute plans for the May 3rd Breakfast are under way.

Rev. Leona Winegarden from Elk Rapids will give the address. Mrs. Howard Moore will sing two selections and the Misses Gloria Rogers and Margaret Blossie will sing a duet. This week closed the Mission Giving Card for the W.S.C.S. Missionaries for the month of April were Gladys Hargor, China (on furlough); Bernice Elliott, Pun-tamba, India; Joyce Joan Carpenter, one of the F3; and Elizabeth Tennent, Japan J3. Mrs. Ida Price and Mrs. Edith Swafford were in charge of the project.

SPRING MUSIC FESTIVAL

The Annual Spring Music Festival with the theme, "Spring Around the World", will be presented by the entire grade school in the afternoon on Friday, May 5th.

The Kindergartens are working on a colorful Maypole dance and each of the grades will be represented in songs and dances. The massed chorus singing from the bleachers will be fine to see and hear.

This program is for the public, and parents and friends of the children are cordially invited to attend.

KINDERGARTEN — Helen Severance

Mary Jane LaPeer had a birthday Monday. Her mother sent balloons and suckers for all of us. We had fun.

We go to the Gym each day to practice for our Spring Program. We like to very much.

We have learned to count to 10. Most of us know the numbers when we see them.

We have learned all about robins. We went for a walk and saw lots of them.

SECOND Grade — Cora Seiler

We have been reading in our first and second science readers about toads and frogs. We read how they develop from eggs which are laid in the creek or pond.

Raymond Prebble brought us some tadpoles he caught in a pond near his home. Soon we hope to see the tadpoles' hind legs starting to show. Then we know the tadpole will change into a toad or a frog.

Gilbert Redmer, who has been going to school in Detroit, has moved back to East Jordan. He is glad to be back with us.

We have some crocuses in our room, purple ones and yellow ones. Mrs. Seiler brought them from her yard.

We saw three movies down in Mrs. Sidebotham's room. They were "The Fox and The Grapes", "The Fox and The Crow", and "The Fox and The Stork". We think they were the nicest movies we've seen.

Miss Scott found the book of Aesop's fables for us so we could read the stories about the fox for ourselves.

Our wall has many pictures of the fox and grapes that the children drew.

THIRD Grade — Marie Hughes

We are studying simple division in Arithmetic. Many children are having difficulty.

Every day some one brings in a well organized book on materials for our social science class.

We seldom have an absence any more.

THIRD Grade — Jessie Hager

Rex Bennett brought us our first May flowers of the season. A pot full in bloom April 10th and a nice bunch this week.

Paul Bowen brought such a nice bouquet for our room, Monday morning, gladiolus, snapdragons, anamaryllis and iris.

The following people had 100 in spelling last week. Bonnie Barnett, Dannie Bennett, Gary Cihak, Keith Danforth, Jackie Gee, Barbara Jeffery, Bobby Johnston, Eleanor Myers, Earl Parks, Beverly Pearsall, Anita Petrie, Alice Sumner, Loren Wycoff and Paul Hibbard.

FOURTH Grade — Mrs. Galmore

This week two of our boys and girls are celebrating their birthdays. Mary Detlaff's birthday was Monday and David Smith's is on Wednesday.

Jean Kaley was the only one from our room to take part in the 4-H Achievement Day at Charlevoix. She belongs to her mother's sewing club that was started in the summer.

Suzann Seaman is in Detroit

now and may finish school there. Stanley Scott has the measles and will be out all this week. Mrs. Cihak came to visit our room Thursday, April 20th. We enjoyed having her. We wish all the mothers that could would come to visit us. — Rhea Jean Zitka.

Sunday I went up to my grandmother's house. As I was playing out of doors I saw a dead robin lying on the steps. We buried it and later we saw another robin flying around that place and we thought probably it was the mate. — Glendara Cihak.

My brother and I went into the woods Sunday and found that the wintergreen berries are ripe and the May flowers are coming up. We got some moss, some little shoots for trees, made a house and arranged a little scene in a shoe box. — Neil Misner.

My father was in a pit. There was a garter snake with him. He picked up the snake and threw it on the ground where the dog was. The snake curled up like a rattle-snake then jumped up and the dog jumped up too. Then I took a stick and killed the snake. — Armand Drapeau.

Bowling News

East Jordan ladies took every event title in the annual Top of Michigan Bowling Association Tournament, which was held at Bellaire. The Central Lake Torch team was high in the team event with 2714, while Mildred Campbell and Jennie Bartlett teamed up for 1st place in the Doubles on 1090. Betty Boswell and Leva Cole were 2nd with 1053, followed by Betty Huntley and Sparta Bargar, who had 1052 and Agnes Darbee and Mary Ellen Taylor with 1040. Betty Huntley of the Central Lake Torch team annexed the singles championship with a 575 series. Mildred Campbell was 2nd on 554 and Jennie Bartlett, Leva Cole and Doris Huckle finished 4th, 5th, and 6th respectively, as Pearl Monte from Bellaire placed 3rd. Jennie Bartlett won the all events crown with a nine game total of 1637. All scores include handicaps. At the annual meeting of the Association, Minnie DesJardins was elected President and Datha Peacock, Secretary for the 1950-51 season and the annual tournament will be held in East Jordan.

Although Hillman's Insurance five dropped the tie game held over from last week to Cal's Tavern, they still increased their lead in first place as they won 3 points from the Canning Co. in the regular scheduled match. This series ended up in a tie for total pins but Hillman's won out in the extra frame roll off. John DeYoung was high for the Insurance men with 513, while Bill Taylor topped the Cannors on 523. Thorsen's came from behind to win the last game from the Recreation to collect 1 point and stay within 4 points of 1st place. Andy Anderson, Ed Nemecek and Bill Bennett all topped the 500 mark, but Andy was high with 512. Barney Adair led the Recreation with 553. Sommerville's lost all mathematical chance for 1st place when they dropped 4 points to the State Bank, who seem to have found the secret of winning after being way

down in the standings all year. The 4 point win put the Bankers within 1 point of Sommerville's. Leo Sommerville was high for his team with 553. Lou Kamradt led the Bankers and the league scoring on a 615 series with games of 244, high single for the night, 164 and 207. Norm Bartlett, Bob Campbell and Greg Boswell added 512, 558 and 550 to the Bank cause. The Bank's 924 opener and 2661 series was tops for the league.

Al Daugherty walloped the pins for a 606 series to lead the Legion to a 3-1 win over Brock's Turkey Farm with a 164 game sandwiched between two 221 games. Brock Peacock was high for the Turkey Growers with a 201 middle game for 518. Cal's Tavern won 3 from Monarch Finer Foods as Gene Tiechman had 216 in his 1st game to finish with 539. Tony Shooks topped the Ellsworth Electric and St. Joseph split points as the Electric's won the first and third game to St. Joseph's second game and total pins. Jos. Bugai topped the Saints with 518, and Pat Bartsch led his team with 546, with 222 as a starter.

In the Ladies league the Dress and Gift Shop continued their winning ways and in addition added the season high series to their

credit when they won all 4 points from Art Cleaners while rolling games of 758-764-769 for 2291 to beat the previous high three by 50 pins. With Metal Products splitting 2-2 in their match with Central Lake Torch, Dress & Gift Shop moved into a 1st place tie with Metal Products. The State Bank dropped four points to Cal's Tavern as Mickey Hamerski again pounded the pins for top series for the night, 519 on games of 162-178-179. Betty Huntley had high single game with 198. In spite of the 4 point loss the State Bank, Bachmann's and Cal's Tavern still have a chance to cop first honors. Bachmann's won all 4 points from St. Joseph. Last place Home Modernizing rolled 231 pins over their average in the 1st game against Quality Food and continued to go hot to win the second game, but Quality came back with a big finisher to give them the last game and total.

In the match between Rainbow Bar and Norm's Tavern, Norm's won 3 points.

This week Metal Products and Brock's Turkey Farm will meet in what should be a thrilling match.

Chris's Men's Wear won 3 points from the Recreation in the Inter-City League and with 2 more nights to go, Chris's must win 8 points while the Recreation lose all 8 to end up in a tie. The Recreation and Chris's will meet

again in two weeks to finish the season in the Inter-City League which brings bowlers from the neighboring towns each week for an evening of sharp bowling as all teams have good averages and top matches are frequent. Last week Barney Adair led the league with a 583 series while Greg Boswell had high single on 224. Howard's Service won 3 points from Ray's Barbers, while Wolf's Refrigeration took 4 from Faas Foods.

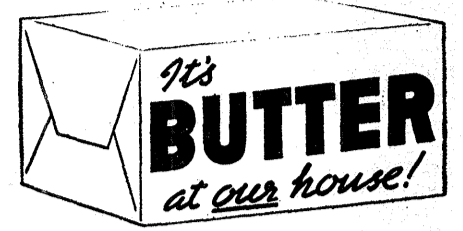

In a friendly match the Boyne City Masonic Lodge sent 2 teams to East Jordan to bowl two local teams and the local boys took a trimming, as Floyd Lucas aided the cause of the visitors with a smashing 640 series which included a 269 game. Floyd ended up his 2nd game with a nine bagger to roll the highest game in his life. Floyd is a 153 average bowler. The Eastern Star Ladies won their match with the Star's from Boyne City.

This Sunday will wind up the Traveling League with a position day at Ludington. All teams will be on hand for the final day of competition which will decide the championship between our local team, Norm's Tavern, and Evert Merchants. Evert holds a 1 point lead over Norm's and 8 points will be at stake this Sunday. The Recreation Travelers will take on Cadillac Merchants.

In the footprints on the sand of time some people leave only the marks of a heel.

A sultan at odds with his harem, Thought of a way he could scarem.
He caught him a mouse,
Set it loose in the house,
Thus starting the first harem-scarem.

ATTENTION! MICHIGAN DAIRY FARMERS!

Two Big Jobs This Year

Declining prices and surplus... plus an emergency threatening all dairying and the entire economy of the state of Michigan... call for business action more than ever before by Michigan Dairy farmers this year.

To organize for this campaign the American Dairy Association of Michigan has been given the responsibility of raising funds. Dairy

farmers support will be given in the ADA Set-Aside for May and June, with May earmarked for state activity and June for nationwide advertising, merchandising and research.

Working together through ADA — statewide and nationwide... dairy farmers are protecting their investment and building markets for a brighter future in dairying.
