## "Independence" Day at East Jordan Next Monday

REPLICA OF THE LIBERTY BELL TO BE SHOWN AT 11:40 MONDAY, JUNE 19th

"Independence Day" will be coming a little early in Charlevoix County this year!

The big day for citizens of this area to celebrate Independence—their personal financial independence—will arrive next Monday, June 19, 11:40 a. m. to 1:30 p. m., according to Ralph Price, chairman of the Charlevoix County Volunteer Savings Bonds Committee.

That's the day when Michigan's "duplicate original" Liberty Bell will arrive in East Jordan from Charlevoix, spearheading the campaign to sell a quota of \$39,000 in U. S. Savings Bonds in this county during the Independence Drive, ending July 4.

The replica, an exact duplicate of America's hallowed freedom symbol, even to tone is touring the State on a red, white and blue Ford truck to emphasize the timeliness of the Drive's slogan: "Save for YOUR Independence—Buy U. S. Savings Bonds".

The ringing of the Bell is said to be audible for 10 miles and guaranteed by bellmasters to reproduce the long silent voice of the original.

"The Liberty Bell is a great deal more than a symbol of the Independence Drive. It is the symbol of our freedom and personifies the American spirit. Everyone is invited to see this breath-takingly beautiful Bell and hear it ring".

### Activities at Finkton Community Building This Coming Week

Friday night at 8:00 p. m. at the Finkton Community Building a week end Bible Conference will open. Rev. and Mrs. C. J. Rediger of Morton, Ill., will be the speakers. Rev. Rediger is Director of the Rural Home Missionary Association. Mrs. Rediger will also help with the music. Friday night Mr. and Mrs. Marvin Shooks and Walter Shooks will have charge of the special music.

Saturday night will be the regular monthly All For Christ Rally. Miss Vivian Loper and Bud Titus of Central Lake will have charge of the special music. Rev. Rediger will bring the message.

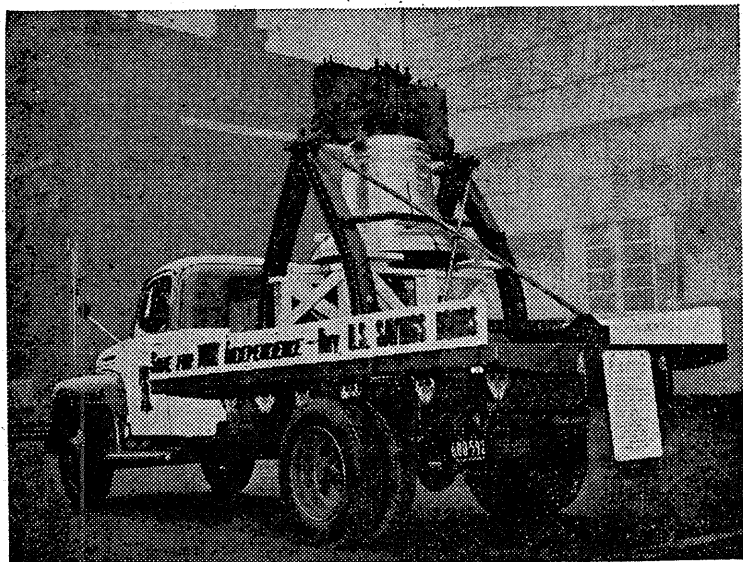

Sunday we have a full day of services. Mrs. Rediger will speak to the Sunday School. Rev. Rediger will bring the morning message. This will be followed by a pot luck dinner. There will be a short afternoon service. All are invited back for the evening service. The Finkton young people will be giving a program in honor of Father's Day. Rev. Rediger will close with a message from God's word.

We invite the public to attend all or part of these services. Bring your dinner and come join in fellowship with us Sunday.

The Finkton Community Building is the white schoolhouse on County Road 624.

## LIBERTY BELL REPLICA TO VISIT HERE

Pictured above is the full-size exact duplicate of the Liberty Bell which will be displayed locally and will tour the state as the symbol of the Independence Savings Bonds Drive from May 15 to July 4, which urges the people to "Save for your Independence."

Fifty-two of these bells, touring the nation during the drive, were completely donated by America's copper producers. Companies donating the Liberty Bells are the Anaconda Copper Corp.; Phelps-Dodge Corp.; American Smelting and Refining Co.; The American Metal Co. Ltd.; Miami Copper Co. The U. S. Steel Corp.'s American Bridge Company supplied the stays and hardware used in mounting the bells. The Ford Motor Company is providing the transportation of these bells across the nation.

### Mrs. Josephine Blaha, Chestonia, Age 88, Passes Away

Funeral services for Mrs. Josephine Blaha, who passed away at her home at Chestonia, Saturday, June 10th, after an illness of five years from myo-carditis, were held Monday, June 12, from St. John's Church, Bohemian Settlement, conducted by Fr. Szydlowski. Bearers were Charles Kotalik, E. M. Kratochvil, Steve Belzek, Adam Skroeski. Interment at Pesek Cemetery at Bohemian Settlement, Jordan Twp., Antrim Co.

Mrs. Blaha was born September 6, 1862, at Bunn, Movaria. She had spent fifty years in Jordan Twp., Antrim County, prior to her death. She was a member of St. John's Catholic Church.

Surviving is a daughter, Anna, at Lapeer; and three sons:—Frank L. Ypsilanti; William, Muskegon; and Charles, at home. Five grandchildren.

Mr. and Mrs. Wm. Blaha, Muskegon; Frank Blaha, Ypsilanti; Maurice Kraemer and Bob Woods of Detroit came to attend the funeral.

### Your Charlevoix Soil Conservation District

An application to your Charlevoix Soil Conservation District is all that is necessary to obtain assistance. The district now has 134 applications covering 19,135 acres. It will be necessary for some of these applicants to wait until the fall of 1951 for assistance.

In order to speed up the work, the directors ask that applications come in as a group, that is, three or more of your neighbors that your trade work with, that are interested in obtaining assistance. Individual applications will be accepted where a group cannot be formed. One reason for groups is that it takes less time to discuss the principles of conservation farming with a group than with each one individually.

A series of three or four group meetings are held to discuss the following: land use, land capabilities, rotations, seeding and fertilization, pasture, orchard management, conservation practices, forestry and wildlife and vation plan.

Information and recommendations used come from field experiments, agricultural experiment stations, and from the State Agricultural College through your county agricultural agent.

There will be demonstrations you may attend to see some of the recommended practices being established. You may also visit farms with practices established to see how they work into a program, and what kind of control they give for soil and water conservation.

Your application does not obligate you in any way, but after the group meetings, you should decide whether or not you want to develop a farm conservation plan. Others will be waiting that do want to develop one. An application may be obtained from the directors, your county agr'l agent or the farm planner.

### Pre-Nuptial Shower

Miss Elizabeth Penfold, who will become the bride of Charles Scale of Detroit on Saturday, June 17, at the Methodist Church, was honored at a pre-nuptial shower held in the church parlors, Tuesday evening, sponsored by the Methodist ladies.

The room was decorated with baskets of spirea and snow balls. The honoree found her many lovely gifts after the ringing of the alarm clock gave her a clue to their whereabouts. Refreshments of sherbert and cake were served.

Mrs. Meta Robinson gave a reading and Mrs. Francis Grauel sang two numbers, accompanied by Mrs. Ruth Moore at the piano.

### Wilson Farmers Union

Farmers Union Wilson Local 364 held their regular meeting Wednesday, June 7th at the Deer Lake Grange Hall, with a good attendance. The meeting was opened with singing and the Union Creed was read. After a very interesting business meeting, a pot luck lunch was served. The rest of the evening was spent visiting.

### Warm Weather Danger Signal For Dairymen

Most good dairymen are constantly on guard against unsanitary conditions, which may contaminate milk. No matter how many precautions are taken to keep milk free of bacteria, there will always be a certain amount present.

With warmer weather at hand, dairymen must give special attention to cooling the milk to prevent growth of bacteria, according to Michigan State College dairy specialists.

Perhaps the best means yet devised to check the growth of bacteria in milk is to cool it as soon as it is milked from the cow. Under Michigan laws, dairymen can not deliver or transport milk at a temperature above 60 degrees Fahrenheit. Even at a temperature of 60 degrees, bacteria multiplies at a rate of 15 times in 24 hours. Bacteria in milk at 40 degrees will not reproduce itself. However, at 80 degrees bacteria will multiply itself 3,000 times within a 24-hour period.

Because of the constant threat of bacteria in milk multiplying itself at this time of year, it is of paramount importance that dairymen give special emphasis to the handling of milk and the management of the dairy herd. Milk may be cooled by any one of several different methods. Milk must be kept at a temperature below 60 degrees and preferably below a temperature of 50 degrees, the dairy specialists advocate.

Mechanical coolers will give the most consistent and best results to the dairymen everyday throughout the year. To speed cooling action it is recommended that an agitator be used to circulate the cold water around the cans, after they have been immersed.

### 4-H DAIRY JUDGING SCHOOL, FRIDAY, JUNE 16

Charlevoix and Emmet 4-H dairy members will meet on Friday, June 16 at 10:00 a. m. to learn dairy judging. Members, their leaders and parents will meet at 10:00 a. m. on the steps of the Court House at Petoskey. From here the group will travel to the Art Fetting farm where they will work with a very fine herd of Holsteins. At 12:00 the group will eat a picnic dinner at Magnus Park. At 1:15, the group will travel to the Ray Eppler farm to judge a class of Guernseys.

Vern Freeman, state 4-H dairy leader, will conduct the judging school.

Dairy judging is an important phase of 4-H Club work. Every member who enrolls in this project is required to do some dairy judging. The dairy score card might be of general interest to farmers. General appearance counts 30 percent, dairy character 20 percent, body capacity 20 percent and mammary system 30 percent. Club members will also be acquainted with the proper names of the parts of a cow so that they can talk intelligently about a dairy animal.

In addition to members and leaders, Ed Rebman, Charlevoix county agent, and K. C. Festerling, 4-H Club agent, plan to attend.

## Marriages

### Penfold — Umlor

Esther Penfold of Boyne City, daughter of Mr. and Mrs. George Penfold of Boyne Falls, became the bride of Harold Umlor, son of Peter Umlor, R. 2, East Jordan, Saturday evening, June 10, 1950, at 8:00 p. m., at the Christ Lutheran Church, Boyne City, Rev. F. J. Sattlemeier officiating.

Miss Melina Somerville, wearing an aqua gown and corsage of pink carnations, sang, "O Perfect Love". Miss Mary Jane Tompkins, gowned in yellow and wearing a pink carnation corsage, played the organ.

Escorted to the altar by her father, the bride wore a white satin gown, fashioned with long sleeves ending with a long point, net covering the shoulders, fitted bodice, full skirt ending with a long train. She wore a finger tip veil edged with lace and carried a bouquet of red roses.

The bride's sister, Mrs. Gustave Matz of Boyne City, was matron of honor. Her gown was of pink organza and she carried an arm bouquet of blue carnations. Mrs. Lester Umlor of Charlevoix, wearing a light green gown and bouquet of pink carnations, and Mrs. Cleo Penfold of Boyne Falls wearing a yellow formal and bouquet of pink carnations, were the bridesmaids. The flower girl, Beverly Matz, niece of the bride, wore a white satin gown and carried a bouquet of pink and blue carnations.

The groom was attended by his brother, Lester Umlor of Charlevoix.

The ushers were Cleo Penfold and Gustave Matz, both of Boyne Falls.

Mrs. Penfold, mother of the bride, chose an aqua blue crepe afternoon dress with a corsage of red and white carnations.

Immediately following the ceremony a reception was held at the Deer Lake Grange Hall for 150 guests. Hostesses were Mrs. Penfold, mother of the bride, and Mrs. Julius Swan.

For her going away dress the bride wore an aqua blue nylon dress and a corsage of pink and white carnations.

After a short wedding trip, Mr. and Mrs. Umlor will make their home at 523 S. Magnolia Street, Lansing.

The bride is a graduate of the Boyne City High School, Class of 1949, a former employee of the Department of Conservation. The groom attended the East Jordan High School, served with the U. S. Navy during World War 1, and is employed at Reo Motors, Inc., at Lansing.

Out of town guests were: Mr. and Mrs. Don Ager, Detroit; Miss Verna Leu and Mrs. Ralph Hotz, Grand Rapids; and Mr. and Mrs. Roy Umlor, Cadillac.

### FARM FACTS from your County Agricultural Agent

(Ed Rebman, Co. Agr'l Agent)

### GRASS DAY TO FEATURE GRASS

The use of legumes and grasses in farming will be demonstrated and the latest information on hay and grass management will be given out at the 1950 Grass Day programs, according to Ed Rebman, county agr'l agent.

In this area the program is scheduled for June 23 on the Tom Bilbocker farm, located 2 miles south of Johannesburg in Otsego county. The event is being arranged by the Michigan State College extension service and local planning committees.

Michigan State College extension specialists in co-operation with Mr. Milbocker prepared demonstration plots of various seedings there last fall for inspection this June by Grass Day visitors. The plot will reveal fertilizer results and erosion control, and will also be used in harvest-demonstrations.

Grass Days, which were well received by farmers throughout the state the past two years, are conducted to bring farmers up-to-date on the establishment, management, harvesting, and utilization of higher yielding forage of better quality.

With the emphasis on high crop production, grassland farming

### Rebekahs & Oddfellows

Past Noble Grand of Charlevoix, Antrim and Kalkaska counties will meet in the I. O. O. F. Hall on Thursday, June 22, at 1:00 o'clock. Luncheon served by the local club. The purpose is to form a Tri-County Association of P. N. G. Clubs. All local members requested to be present.

Oddfellows and Rebekahs will hold joint memorial services at the Methodist Church, Sunday, June 18th. All members come.

Jessamine Rebekah Lodge will have initiatory degree on June 21. Pot luck Birthday lunch after the meeting. This is our last initiatory until fall. Please be there.

One June 7th two representatives to Rebekah Assembly were elected: Irene Kiser, now the one year representative, and Eleanor Scott, elected two year representative. They will represent our lodge in Grand Rapids Oct. 17-18 and 19.

### Get Fine and Jail Sentence For Illegal Possession of Venison

Charles Smith, 47, and Lewis Barnard, 63, both of East Jordan paid fines of \$50 each, costs of \$7.80 each, and received 15-day jail sentences when they pleaded guilty to a charge of having venison in their possession when arraigned before Justice August Banowski, of Bellaire, week ago Thursday.

Conservation officer, Ed Starback, said the men had a dead doe in their possession. Examination of the doe indicated that it was nursing two fawns, but conservation officers were unable to locate the infant deer and believe they had perished.

### Dr. Lee Wilson To Preach In The Presbyterian Church

In the absence of Rev. DeHaven, who is on a vacation, Dr. Lee Wilson, Past Vice Moderator of the General Assembly, will preach Sunday morning, June 18th. Dr. Wilson, whose past pastorate was in Chicago, is now retired and spends his summers at Pickerel Lake.

has been neglected, authorities point out. They contend that well-balanced rotation, including both soil-building sod crops and grain and row crops, will provide the most satisfactory results through a period of years.

Weed control, gully control, and efficient use of forage, will be other highlights of the Grass Day. New harvesting machinery and other farm equipment will be brought in for visitors' inspection.

On hand will be MSC extension specialists to explain the various demonstrations and to discuss individual management problems with county farmers.

### TOMATO FOLDER NOW AVAILABLE

The tomato is a crop which can be grown successfully in all parts of Michigan if suitable varieties are selected and proper measures are taken to protect the young plants.

Ed Rebman, county agr'l agent, calls attention to a new folder, "Tomato Growing in Michigan", recently prepared by staff members of the Michigan State College horticulture department. A copy can be obtained from the county extension office.

Of special interest at this time of year is the section on cultivation, irrigation and mulching. The horticulturists point out that plants should be cultivated soon after they are set and at frequent intervals thereafter to control weeds. Later cultivations should be shallow and the cultivated strip between the rows narrowed gradually to prevent possible injury to the roots.

Irrigation is beneficial for tomatoes. It increases yield, prevents blossom-end rot and dropping of blossoms sometimes caused by hot, dry winds. The agent also points out that mulching saves cultivation, keeps fruit off the ground, helps to conserve moisture and lessens the amount of blossom end rot.

A number of helpful hints are given in the folder, says agent Ed Rebman. Included is a section on the control of tomatoe insects and several sections on harvesting and marketing.

## Cavalcade Coming Here This Friday Afternoon

NORTHERN MICHIGAN GOOD WILL TOUR HERE TODAY

The second annual Northern Michigan Cavalcade will be in East Jordan this Friday afternoon, June 16th, about 5:00 p. m.

The Cavalcade starts at Charlevoix that morning with some 200 entries, and, escorted by State Police, will travel to Petoskey, then to Harbor Springs for a noon luncheon. Then will travel to Gaylord, Mackinaw City, East Jordan. From here they go to Boyne City for the evening dinner.

Each community the Cavalcade is to tour through will have a city official accompanying it as official greeter in his respective city. At 8:00 a. m. breakfast is being planned for the entourage at Charlevoix and trucks and cars will form at the athletic field on the south side of Charlevoix.

The Cavalcade developed as a means of getting all of northern Michigan businesses acquainted with each other and to develop a mutual understanding of civic problems, is open to every business desiring to enter to truck, car or float. There is no limit to the number of entries.

### Methodist Church

Church 10:00. Sunday School 11:15.

As no minister has been appointed to the East Jordan charge, Rev. Russell King, district superintendent, and pastor of the Central Methodist Church of Traverse City, will be in the pulpit this Sunday, June 18th.

### DANCING

Every Saturday night at South Arm Grange Hall. Music is by Brook's Musicians. Hot dogs and coffee at 12:00 intermission. 24x2

### State Highway Maps For Free Distribution

The Herald has received another consignment of "Michigan Official Highway Maps", April 15, 1950. Anyone desiring a copy can obtain same by calling at this office.

### Homemakers' Corner

Home Economics Specialists Michigan State College

### ELBOW GREASE IS FINAL ANSWER TO CONTROL OF BUGS

Old-fashioned elbow grease cannot be replaced entirely by the new preparations for controlling household insects. Because of the many places where insects can hide in homes, it is difficult to get insecticides in all of the areas affected.

Control of insects in the home begins and ends with good housekeeping, advises Ray Janes, extension specialist in entomology at Michigan State College. Breeding areas should be eliminated as far as possible.

For instance, carpet beetles can breed in many areas and do get started in cold air ducts where lint has collected. Beetles that feed on prepared cereals may be continually breeding in such materials that have been spilled behind cupboards. Unless such breeding areas are cleared up the use of insecticides will not give complete control.

We should not expect complete eradication from one treatment, Janes believes, because, although it is possible, it is not feasible in most cases. Continually working at the job is the only way to get complete eradication.

It is very important to read carefully the instructions for the use of insecticides and to follow them to the letter after first doing a thorough job of housecleaning.

Concerning the control of moths, Janes reports that the most reliable procedure for protecting clothes in storage in the home is the use of either paradichlorobenzene or naphthalene (mothballs). The use of moth proofing materials may or may not prove successful.

WITH THE ANTRIM COUNTY AGR'L AGENT W. G. Kirkpatrick Extension Agent

### COUNTY WIDE BANG'S TEST

A county-wide retest of cattle for brucellosis (Bang's disease) in all herds of Antrim county is to be made soon, says Walter G. Kirkpatrick, County Agr'l Agent. Dr. Earl Fairbanks will be in charge of the county testing program. The Department of Agricultural Mobile Laboratory has been set up at Gaylord where work for retesting other Northern Michigan counties will also be carried on. Previous county-wide tests have been conducted in this county, but to maintain the status of accreditation a county-wide retest must be made at this time. The county was officially established a testing area by action of the Board of Supervisors as provided for by state laws. The plan of procedure has been test with immediate slaughter of reactors with indemnity paid on such affected cattle. All reactor cattle are required to be identified by ear tag and jaw brand and to be sold to slaughter within 15 days from date of branding.

### ARRANGEMENT FOR TESTING

The testing will proceed in an orderly manner and will be directed to whatever advantage that the entire county may be covered. Each cattle owner will be expected to assist in handling the animals of his herd. Notice in advance of the date and time the test can be applied will be given each owner. Cattle should be kept in the barn, yard or enclosure the day the test is to be applied to facilitate prompt handling. Tied or stanchioned animals prove an advantage.

A herd in which reactor or suspect cattle are found is classed "infected", or "exposed" if only suspects are found. Reactor cattle are branded "B" on the left jaw and tagger in left ear with special tag. The infected and exposed herd is quarantined against removal of cattle except under permit from the State Department of Agriculture. Instructions on the printed form should be carefully studied that proper removal and handling of reactor cattle will be attended.

### RETEST OF INFECTED AND SUSPECT HERDS

The herd in which reactor cattle are found will be retested at intervals of 30 to 60 days until two negative tests of the herd are taken and then followed by a negative test at 6 months from the last negative test. The herd is retested when suspect cattle only are found and additional tests as may be found necessary. When a herd has been found negative or suspects but later is found infected, such herd will be placed under test and given attention as an infected herd. If the results of the complete county-wide test to be made shows not more than one percent (1%) of the cattle tested are classed reactors and not more than five percent (5%) of the herds are found infected and reactor cattle are slaughtered the county will be officially certified a modified Bang's disease-free area.

### VACCINATION AS AN AID TO BRUCellosis CONTROL

The treatment of calves with brucella vaccine will not be extended as a part of the service to cattle owners under the plan of test and immediate slaughter of reactors adopted in Antrim Co. Where an owner is desirous of using brucella vaccine in his herd this is privileged under permit from the State Veterinarian but at the owner's expense by a practicing veterinarian.

### REGARDING SPECIAL ATTENTION

The veterinarian engaged in testing will discuss recommended sanitation and other procedures with cattle owners, particularly where the herd is found to be infected. Cleaning and disinfection of the premises occupied by an infected herd is important. The owner is accountable for the work required and this must be completed before payment of indemnity on reactor cattle can be made. These matters will be further explained by the veterinarian attending the test.

### PENINSULA....

(Edited by Mrs. Emma Hayden)

Twenty-one present at Star Sunday School June 2nd. We will have a special program as we will be with the American Sunday School one year.

There will be a Bingo party at Star Saturday evening at 9 p. m.

Mrs. Alida Hutton, who is spending a vacation with her brother, A. G. Rogers of East Jordan, called on Mrs. F. K. Hayden. Mrs. Hayden had her as a teacher for three years when she taught Chaddock School. She also taught Star School when she first started teaching. Mrs. M. Benson and son and Mrs. A. G. Rogers accompanied her.

Mrs. Lydia Beyer Hawkins who was at Little Traverse Hospital six weeks, went to her home at Dafter, Sunday.

Mr. and Mrs. Clarence Foltz and two children of Petoskey and Nina and Glen Hawkins of Dafter called on the Haydens Saturday.

Little Albert Peters and brother, Mark, are very ill with the after effects of the measles.

Mr. and Mrs. Sam Bennett and son, Percy, of Vance District were business callers at Pleasant View Farm.

Mr. and Mrs. Pete Sutton spent Sunday afternoon with the Harry Howard family.

Mrs. Wm. Gaunt, Jr., and Mrs. Harry Howard entertained the Pinochle Club at the Howard home Saturday evening.

Mr. and Mrs. Elmer Faust are spending a week in Detroit visiting relatives. Mrs. Ida Faust is quite ill again.

The 4-H Dairy Club met at the Star School Friday evening with 15 members present. Most of the Club have their halters made and are leading their calves. Next meeting is at the Ken Russell home June 22 at 8 p. m.

Our 4-H Club is carrying five projects with 18 enrolled. Leaders are Frank and Emma Hayden and June Russell. President, Beth Reich; Vice-Pres., Steve Hayden; Sec'y, Genevieve Palmier; Treas., Robert Russell; Reporter, Kay Hayden; Recreation, James Arnot and Orveline Bennett. Next meeting June 23, at 8:00 p. m., at Star. Parents are welcome.

### LOCALS

Men wanted to peel cordwood. — C. J. Malpass. adv

Mr. and Mrs. John B. Smith and children of Charlotte are spending the week at their cabin near Eveline Orchards.

The Mary Martha Class will meet with Mrs. Rebecca Smith, Friday, June 16, at 6:30. Pot luck supper. Bring your own table service.

Mrs. John Savory, Mrs. Jason Snyder, Mrs. Wm. E. Malpass, Mrs. Wm. Porter and Mrs. Harry Watson were Grand Rapids shoppers Tuesday.

**BEER**  
AMERICA'S BEVERAGE OF MODERATION

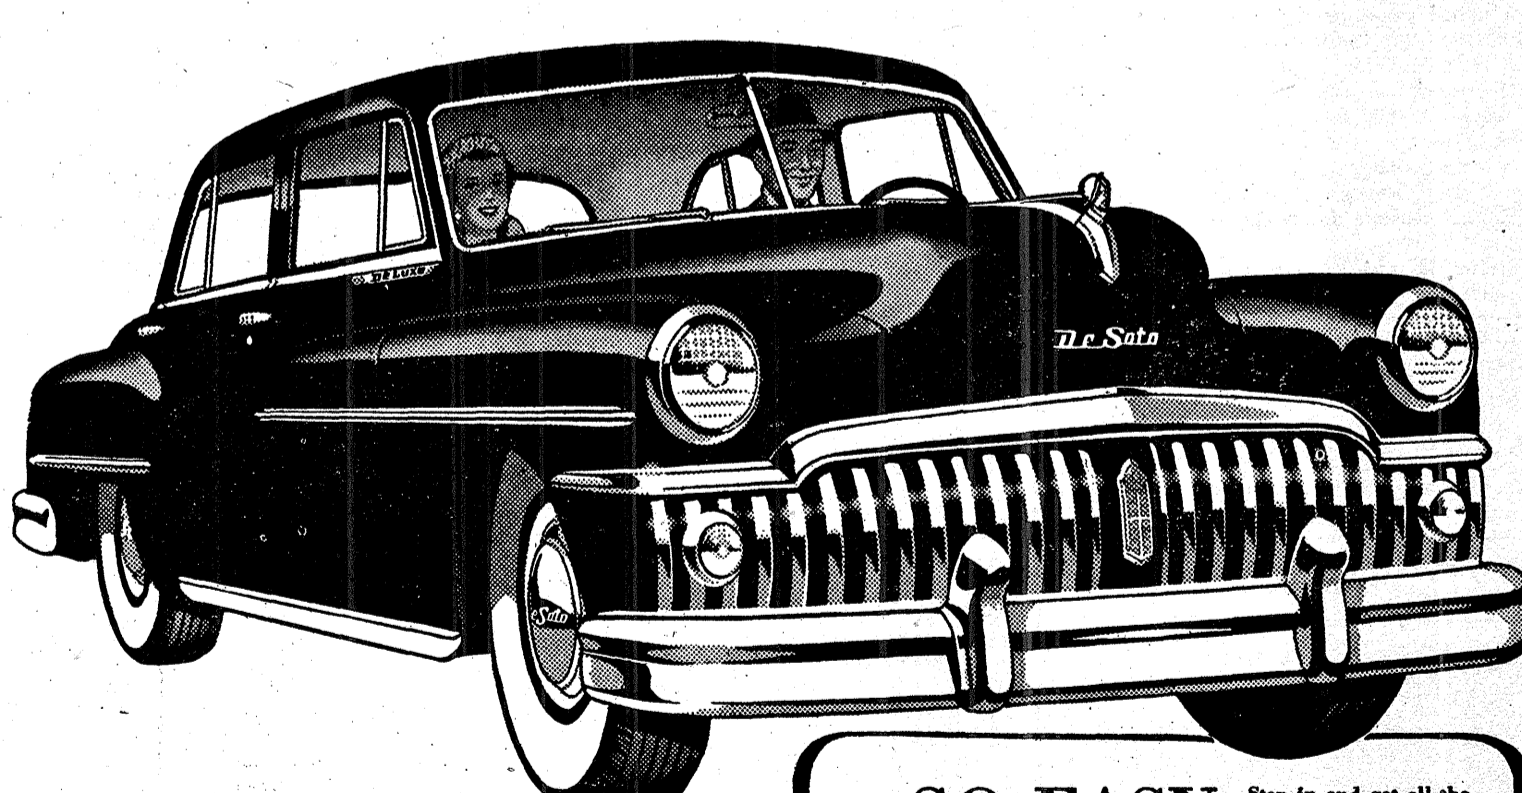

*The American Way*

In Michigan the game of golf is gaining in popularity every year. It's a healthful, companionable game. And it's "The American Way," after reaching the 19th Hole to relax and enjoy a cool, sparkling glass of Michigan brewed beer.

For beer is the kind of beverage Americans like. It belongs... to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs... to our own American heritage of personal freedom. *Beer Belongs... Enjoy It*

**WEST PENINSULA. . .**  
(Edited by Mrs. Wm. Gaunt)

There were 25 present at the Stork Shower given in honor of Mrs. Wm. Gaunt, Jr., at the Alfred Crowell home June 9th. The afternoon was spent playing Flea. She received many useful presents. A lunch was served just before departing.

Mr. and Mrs. Harry Taylor and daughter, and Mr. Taylor's mother, Mrs. Caroline Taylor, all of Fremont, left home early Sunday morning and arrived at the Wm. Gaunt, Jr., home in time for dinner. They brought a basket dinner with them and spread it out under the big beech tree in the

Gaunt yard. The tree is an old land mark. The branches are so thick that rain hardly gets through them. The Taylor's returned to Fremont Sunday afternoon.

Mr. and Mrs. Robt. Myers and daughter, Eleanor, spent Sunday afternoon with Mr. and Mrs. Gaunt, Jr.

Mike Norvak of Elmira is doing some carpenter work at the Rustan.

Mr. and Mrs. Stewart Myers and four children of Petoskey were Friday evening callers at the Rustan. Mr. Myers and Mr. Williamson work together at the Schieder garage in Petoskey.

Mr. and Mrs. Jim Palmiter and children and Bobbie Crowell spent Sunday at Mrs. Palmiter's parents, Mr. and Mrs. Charles Bauman, who live near Boyne Falls.

Miss Genevieve Palmiter spent Sunday with Miss Ruth Ann Crowell. In the afternoon the two ladies went to the show.

Ruth Ann and Bobbie Crowell spent Saturday night with their grandparents, Mr. and Mrs. Fred Crowell.

Mr. and Mrs. Loyal Barber spent Sunday calling on Mrs. Ramona McGeorge and George Crow and family in Boyne City. Also calling on his sister and family, Mr. and Mrs. Lester Hardy of Dear Lake. Grandma Barber accompanied them.

Mr. Wingborn of Birmingham, Mich., is spending a few days at their cottage.

Our telephone line has been down for several days so news is hard to get. Anyone having any news just call Boyne City 239-F5.

**LOOKING FOR A WIFE?**

Bob Perry, Boston radio executive, has chosen for his hobby the finding of wives for men over 30. How did he start this unique activity? How does he decide whether a man and woman are suited for each other? Read "Wife Hunter" in The American Weekly, magazine with this Sunday's (June 18) issue of The Detroit Sunday Times.

**Customers' Corner**

This is Father's Day in Customers' Corner.

More and more men are helping with the family shopping, and we want the quality and price and service at A&P to be just as satisfying to them as it is to their women-folk.

What can we do to make your A&P a better place for the men of the family to shop?

You can haul more loads . . . more miles . . . for less . . . with Chevrolet Trucks

Take time out to talk to some Chevrolet truck users. You'll find it revealing. You'll discover that Chevrolet trucks pay their way by hauling more loads—more miles—for less! And you'll find that this extra measure of value is even more apparent in the new Chevrolet models. Definitely, they're America's first-choice trucks. Heavy-duty units feature a brand-new 105-h.p. Valve-in-Head engine with the power to pull heavy loads and conquer steep grades. They offer new Power-Jet carburetion for smoother, quicker operation. They bring you the fast, safe shifting of Chevrolet's 4-speed Synchro-Mesh transmission. But whatever your hauling requirements, Chevrolet trucks are your best bet. See them in our showroom. You'll agree.

**East Jordan Tourist Park**

Wednesday, the pupils of the 5th and 6th grades, with their teachers, Alma Larsen, Elizabeth Dhaseler and Frank Malone, held their closing picnic in the park. Everyone seemed to have a rollicking good time.

The Miles District 4-H Dairy Club held a co-operative lunch in the recreation building on Friday evening.

Mr. and Mrs. Grant Robinson of Mt. Morris spent the week end at the trailer home of his brother, Mr. and Mrs. Jess Robinson. On Sunday the two couples drove to Mackinaw City by way of Harbor Springs and the beautiful scenic drive.

Mr. and Mrs. Carl DeMerritt and son, Bruce, of Gaylord, spent the week end at their trailer.

Frank Kaake, who has enjoyed our park for the past month, left Monday morning for Kalamazoo.

Mrs. Jess Robinson accompanied her brother-in-law and wife home Monday and plans to spend the week visiting relatives in Mt. Morris and Flint. While there she will attend the graduation of her twin nephews.

Mr. and Mrs. Charles C. Wilson of Saginaw are spending their vacation in our park. They have a very unique trailer home. Mr. Wilson says he is the only one who can collapse it or set it up as he is the one who made it.

The Lutheran League were

guests of the park again when they held their bi-monthly co-operative dinner in the recreation building on Sunday.

Mr. Devine has started his swimming classes again this summer, Monday being the first day. He seems to have quite a large class too. Some said the water was chilly even if the day was a hot one.

W. J. McKay has left for Flint where he has employment.

Mr. and Mrs. Ward Robinson and son, Ronnie, spent the week end visiting their parents, Mr. and Mrs. Ralph Walker and Mr. and Mrs. Jess Robinson. On Sunday a picnic dinner for both families was held in the park. Those attending, besides the parents were:— Mr. and Mrs. Ward Robinson and son, Mt. Morris; Mr. and Mrs. Fred Murray, Ludington; Mr. and Mrs. Robert Bayliss, Alma and Mr. and Mrs. Robert Walker and Sharon Walker.

We are happy to see the city is making improvements in the park. The shuffleboard equipment has been re-painted and re-decorated and we hear there is to be a new tennis net too. The tenants are hoping there will be a laundry room and showers before too long.

The East Jordan Church of God was host to the Holiness Churches of Antrim and Charlevoix Counties on Friday. The meeting was held in the church with a very large crowd. After the meeting a co-operative dinner was held in the Tourist Park

to run a barb from some barbed wire into his eye and had infecting in it. It is some better now.

Mr. and Mrs. G. A. Kerchiner spent a week at the home of his brother, Mr. and Mrs. Walter Kerchiner, going back to Dayton, Ohio, last Wednesday.

Betty Simmons left for Detroit Sunday where she expects to spend the next four weeks.

Mr. and Mrs. Ed Shepard called at the Carl Bergman home Tuesday evening.

Carl Knop called at the Leo Lick home Thursday.

Mrs. Walter Kerchiner entered Little Traverse Hospital Monday for an operation on her eyes. We

wish her the very best of luck.

Little Marie Knudsen is visiting her grandparents, Mr. and Mrs. Marion Hudkins for a couple of weeks.

Albert Hayes went to Detroit

Sunday for a two weeks visit with his uncle and family.

Mrs. Bob Dunson and children called on Mrs. Louise Vrondran Thursday afternoon.

Mr. and Mrs. John TerAvest of

Indian River spent the week end with Mr. and Mrs. Wm. Vrondran, Sr.

Mr. and Mrs. Wm. Healey, Sr., were business callers at Charlevoix, Monday.

(Edited by Mrs. Ralph Kitson)

Mr. and Mrs. Don Ager were up from Detroit over the week end to attend the marriage of her brother, Harold Umlor, to Miss Esther Penfold of Boyne City. There was a reception at the Deer Lake Grange Hall Saturday evening.

Mickey Yick spent Sunday with Herman Bergman.

Elmer Hayner from Bay City visited his mother, Mrs. R. H. Davis, Friday.

Mrs. Wm. Guznuezak of Petoskey visited her son, Bill Guznuezak, one day last week.

Mrs. Warn called at the Kerchiner home last Thursday.

Little Nine Cosier has the measles again. Seems like a lot of the youngsters are trying to have all the kinds at once.

Mr. and Mrs. Claude Pearsall, Jr., and family spent Sunday at the home of her parents, Mr. and Mrs. Carl Bergman.

Mr. Warn had the misfortune

Do you want to make a deal?  
How much will you give for the promise of three meals a day as long as you live, a roof over your head, clothing for your back, free medical service, and the assurance that your neighbor will never have more than you have?  
According to some men in the nation's capital and other sections of the country, it won't cost you one thin dime. They are demanding that you be "given" government rent houses . . . government electricity . . . government education . . . government transportation . . . government medical service . . . and government say-so over how much you can earn, regardless of whether your employer can stay in business on those terms, or how much more the nation plunges into DEBT.  
The only thing it will cost you is YOUR FREEDOM.  
The "lifer" in Sing Sing has that kind of "security" — free room, board and laundry, with a haircut thrown in twice a month. Not a thing to worry about — except his freedom. Drop in some time and ask him how happy he is.  
WHAT IS THIS "WELFARE STATE" business . . . THIS PLANNED ECONOMY? It's a sugar-coated name for SOCIALISM, sweetened up by men who don't dare give it the proper title. Men with everything to gain at your expense, and who say, "We'll take over everything, and take care of you from the cradle to the grave."

Ask them what they mean by "taking care." Ask them what you can do about it if you don't like the way they run things. Ask them if you'll still have the right of collective bargaining against their government! Ask them whether your six-year-old son will have the right in ten years to select the career he wants. Ask them if you can go to the church of your choice . . . read the books and newspapers you want. Ask them what you can do about it if you don't like the job they give you. ASK THEM WHAT YOU CAN DO IF THEIR SOCIALISM FAILS THE PEOPLE.  
Socialism HAS failed miserably in every country where it has been tried . . . in England . . . in Australia . . . in New Zealand . . . and many other nations. Why bet on a horse that has never crossed a finish line?  
When government takes over first this business and then that one, we're racing blindly into Socialism — a hopeless government control over our very lives, which destroys us.  
The "Welfare Staters" call it "security". But before you invest your life, investigate their "proposition."  
There's one thing certain: AFTER THE SWAP IS MADE, THERE'LL BE NO REFUNDING OF YOUR FREEDOM IN CASE YOU AREN'T SATISFIED WITH WHAT YOU'VE BOUGHT.

(This ad was published by the Norfolk and Western Railway.)

## RECIPE OF THE WEEK

By Mary Lee Taylor

**Mexican Cole Slaw**

3 tablespoons vinegar  
1 teaspoon salt  
2 teaspoons sugar  
1/2 teaspoon chili powder  
few grains pepper  
1 teaspoon grated onion

1/2 cup Pet Milk  
2 1/2 cups finely shredded cabbage  
1/2 cup diced celery  
1/4 cup finely cut green pepper  
1/2 cup drained kidney beans, cooked or canned

Put into a jar the vinegar, salt, sugar, chili powder, pepper, onion and milk. Cover jar and shake well. Keep chilled. At serving time, shake salad dressing well and mix with remaining ingredients. Makes 4 servings.

You will need:  
Pet Milk, Kidney Beans, Chili Powder, Cabbage, Celery, Green Pepper and Onions.

## PROBATE ORDER

### Final Administration Account

State of Michigan, The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix, in said County, on the 12th day of June, 1950.

Present Honorable Floyd A. Supp, Judge of Probate. In the Matter of the Estate of Gusta Miller, Deceased.

Leatha V. Larsen, Administratrix of said estate, having filed in said Court her final administration account, and petition praying for the allowance thereof and for the assignment and distribution of the residue of said estate.

It is Ordered, That the 3rd day of July, 1950, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for examining and allowing said account and hearing said petition: It is Further Ordered That pub-

lic notice thereof be given by publication of a copy of this order, once each week for three weeks consecutively, previous to said day of hearing, in the Charlevoix County Herald, a newspaper printed and circulated in said County.

FLOYD A. SUPP,  
Judge of Probate.

Certified a true copy.  
Anna Eccleston,  
Register of Probate. 24x3

## Plants In The Home

(By Vaun Ogden)

A window box on the north side of the house presents a different problem. Geraniums and petunias will set very few buds in the shade, so they are not satisfactory.

I find that fuchsias do about the best. They like it cool and shady, but can't stand too much wind. Also they drape over the edge of the box and continue to blossom all summer.

Tuberous rooted begonias are perfect also, but are considered expensive. For them, I mix peat in good black dirt. It holds moisture and keeps the soil loose.

Primroses do well, and I imagine such house plants as cinerarias, calceolarias would also do very well.

Of course foliage plants would do equally as well here as in the sun.

Ferns would do well with coleus in front. Sultana will blossom all summer but would probably look best by itself. Lobelia could be used in front of fuchsias.

So a box on the north side can give as much, if not more, show as a box on the east, west or the south.

## MILES DISTRICT . . . . .

(Edited by Mrs. Claud Gilkerson)

The reports for a fine fruit crop here are very promising at this writing.

Dayliss Yettaw, who recently returned from the hospital, where he was being treated for heart trouble is slowly improving.
