

## Red Feather Drive Begins Oct. 9th.

### BOARD OF DIRECTORS MET MONDAY TO PLAN BUDGET

The Board of Directors of the East Jordan Community Chest met Monday evening to discuss the budget for the Red Feather drive beginning Oct. 9th. One new item is that for Associated Services for the Armed Forces. This is a national organization to take the place of U. S. O.

A million and a half young Americans are learning the lessons of life in a strange kind of school, with classrooms stretching from Alaska to the Mediterranean, from Tokyo to Texas.

In terms of national security, these students are the Armed Forces of the United States—the largest peacetime military force in our history—our measure of power in the "cold war".

In the terms of human beings, they are mostly youngsters from down the street in East Jordan, from Ironton or Advance—impressionable young men and women from every neighborhood in America, spending formative years in Air Force or Navy blue, or Army drab.

Most are civilians in uniform. One out of three is too young to vote. More "graduates" entered civil life from this school last year than from all the colleges and universities in the country.

Are they good soldiers and sailors and airmen? Do they make good citizens on their return?

Answers are of vital concern to America's future.

In peace and in war, the spiritual and moral well-being of our men and women in uniform has been the concern of three organizations representative of three great faiths—the Young Men's Christian Association, the National Catholic Community Service and the National Jewish Welfare Board.

During World War II they coordinated their efforts through United Service Organizations.

The reduced activity of USO's services in January, 1950, faced them with many unprecedented problems.

By drawing heavily on local resources and cutting personnel and programs drastically, they are keeping alive a total of 99 clubs and area operations reaching from the Mediterranean to Guam and Okinawa and from the Panama Canal to Alaska. During a typical month servicemen make more than 1,600,000 visits to these units.

Drawing on experience gained in World War II, WMCA, NCCS and NJWB decided to meet these problems by coordinating their services and uniting their financial appeals so as to achieve the broadest possible program at the lowest possible cost to the general public. The result is a new voluntary agency, Associated Services for the Armed Forces, Inc.

## Two From East Jordan At Ferris Institute

The seven students from East Jordan and the rest of Charlevoix county at Ferris Institute are reported today well located and all away to some nice work for the year in the now state owned and operated college. All seven are taking degree courses, six in the College of Pharmacy and one in the College of Commerce.

Representing East Jordan are Richard Saxton, a junior, and Donald "Philip" Malpass, freshman, both in Pharmacy. From Charlevoix there are Anthony Novotny and William Poole, freshmen, and Miss Phyllis Trimble, junior, in the College of Pharmacy. Boyne City has sent two to Ferris, Katherine Gerrie, in Pharmacy, and Donna Lorraine Bewkey, in Commerce, both sophomores.

All seven will have a part in the Homecoming on Oct. 7, taking part in the school dance the evening of Oct. 6, be in the annual parade the afternoon of Saturday and take in the football game between Ferris and Michigan Tech. of Houghton. The big annual ball will be that night at the Big Rapids armory.

## Notice To Teenagers

We have started having square dances again at the Rock Elm Grange Hall. Come and bring your friends, Friday, Sept. 22. advx1

## School Enrollment Drops Off Slightly Especially Kindergarten

The enrollment for the East Jordan Public Schools has dropped 37 as compared to Sept. 1949, according to Supt. E. E. Wade. The greatest drop being in the Kindergarten. Total enrollment is 871, the high school having 365, the grades 506.

Enrollment by grades is as follows:—Kindergarten, 55; First Grade, 83; Second Grade, 64; Third Grade, 79; Fourth Grade, 83; Fifth Grade, 64; Sixth Grade, 78; Seventh Grade, 68; Eighth Grade, 79; Ninth Grade, 72; Tenth Grade, 54; Eleventh Grade, 48; Twelfth Grade, 44.

## B. C. Livestock Sales Purchased By Charlevoix Co. Farmers

The Boyne City Livestock Sales has been purchased by a group of Charlevoix County farmers from Mrs. Herman DeYoung of Ellsworth, it was announced today, Sept. 21).

Ray Lyons of Alba will auctioneer the sales for the new organization which has announced that the regular Tuesday sales will be devoted solely to the sale of livestock and poultry.

Miscellaneous farm articles will be sold only on the first Saturday of each month. Officers of the new organization will be elected as soon as incorporation proceedings are completed.

## Aux. Food Concession at Fair Grand Success

In spite of the bad weather during Fair week, the American Legion Rebec-Sweet Post Auxiliary Unit 277 Food Concession was a grand success. Fine meals were served piping hot along with cheerful smiles and gay chatter. It has been proven what can be accomplished in a project of this kind by the full cooperation of every member of the unit, good planning and plenty of hard work.

The chairman of the Fair concession committee, Mary Hayes, and President Edna Wilkins both wish to thank the merchants of East Jordan who provided cooking and refrigeration facilities, etc. Also special thanks to the girls who worked so diligently preparing the food and all members who gave donations. The girls who worked at the stand serving meals did a fine job and much credit is due them. The Auxiliary is very appreciative of the help given by the Legionnaires who also did their share. To sum it all up, everyone had a job to do and gave their full cooperation making it the grand success it was.

The East Jordan Legion Auxiliary has built up a fine reputation for good home cooked food at a reasonable price and it is hoped that when Fair time comes around again next year the Auxiliary will be there to serve the people who attend the Fair and the people of the community.

## East Jordan Girl Honored in Death

The Women's College Club of the City of Detroit voted last week to name this year's scholarship in honor of the late Aurora V. Stewart, formerly of East Jordan. The money has been raised and has already been given to the college freshman who was selected by the committee, but the public award will be made next spring.

Aurora had served for several years on the Executive Board of this Club and was this year on the program committee, having helped with the 1950-51 plans before leaving for Mexico on the auto trip in which she was killed last June.

This special work of the club in which an annual scholarship is awarded to worthy and needy young women entering college was one of Aurora's very vital interests, so it is especially fitting that the Club should name this year's establishment in her honor as the Aurora V. Stewart Scholarship of the College Club of Detroit.

Also in her honor will be the special memorial services being planned by the Spanish Club of International House in Detroit for the regular meeting in Oct. Carrying the study of Spanish along as an intellectual hobby, Aurora had belonged to the Spanish Club for many years, participating in and helping to plan a variety of activities in the Spanish language. The members of the Club wish to express in this way their appreciation of her help and friendship.

## Dr. Litzenburger X-rays 734 at Char. Co. Fair

A final total of 734 chest x-rays were given in the county fair X-ray program, Dr. A. F. Litzenburger, district health director reported today.

Recalling the decades of work it has taken to make such mass X-ray programs a reality, Dr. Litzenburger said, "The diagnosis of pulmonary tuberculosis was a much more difficult problem before the X-ray technique was perfected. In the beginning, physicians relied entirely on stethoscopic examination and apparent symptoms to spot the disease. Unfortunately, early tuberculosis rarely causes any symptoms. Even advanced TB often does not make itself known to its victims. Physicians today realize that if we want to find tuberculosis in the beginning stages, we cannot wait for the patient to come to the doctor. Instead, we must take chest X-rays of all apparently healthy people."

Proof of the value of small size chest X-ray films makes it possible for mobile units to work on a wide scale basis, Dr. Litzenburger explained. He said reports on the fair X-rays will be mailed in the near future.

Thanking everyone who assisted with the survey, Dr. Litzenburger outlined seven basic facts everyone should know and understand about tuberculosis.

1. Tuberculosis is caused by a germ.
2. Tuberculosis is "catching".
3. You cannot inherit tuberculosis from your parents.
4. You can have tuberculosis without feeling sick.
5. Simple tests, such as a chest X-ray, can spot tuberculosis.
6. Tuberculosis can be cured, if found early and treated promptly.
7. The tuberculosis sanatorium is the best place to go for treatment and to protect others from your germs.

We wish to thank Dr. Litzenburger and staff and the voluntary workers who helped him by filling out the information cards. Also the Consumer's Power Co. for their cooperation in wiring for the use of the X-ray equipment. We particularly wish to thank the Fair Board for their generous cooperation and the persons who submitted to the X-rays which will help control TB.

## Potato Growers To Vote On Marketing Order and Price Support

Potato growers in Charlevoix County will be asked to vote in a referendum that will determine whether Federal price support and an amended Federal marketing order for potatoes should be continued, LeRoy Hardy, chairman of the Charlevoix County PMA Committee, has announced.

The referendum, to be conducted by mail, will be held during the week of September 25-30 inclusive, and any grower who produced 1949-crop potatoes for market will be eligible to vote.

A ballot, a copy of the amended marketing order, instructions for voting, and a postage-free addressed envelope for returning the ballot to referendum headquarters will be mailed to all known eligible potato growers in the county sometime prior to Sept. 25. Growers will then have until Sept. 30 in which to mark their ballots and place them in the mail for return to R. E. Keller, an official of the U. S. Department of Agriculture in Chicago who has been appointed by the Secretary of Agriculture as his agent in conducting the referendum.

In addition to Michigan growers, Wisconsin, Minnesota and North Dakota growers will also be asked to vote in the same referendum, as well as growers in several counties of Indiana and Iowa.

All known eligible growers in Charlevoix County should receive a ballot through the mail prior to September 25. Any potato grower who produced potatoes for market in 1949 and who does not receive a ballot prior to Sept. 25 should request a ballot from the County PMA office.

LeRoy Hardy,  
Co. Chairman of Char. PMA

## Seth Whitmore Resigns As Director of Mich Table Top Licensees' Congress

The northern regional office of the Michigan Table Top Licensees' Congress at East Jordan was being closed this week following the resignation of Seth Whitmore, East Jordan, as regional director, it was announced by Ralph Froh, The Heights, regional president.

Whitmore's resignation was submitted to Froh after the state executive board ended all financial support for the regional office at last week's state convention in Grand Rapids. The regional office had been operating since last January to serve the liquor licensees of 17 counties of northwestern Michigan.

All records of the region have been turned over to Robert Sanders, Mancelona, regional secretary-treasurer. Froh said a meeting of all members in the region is being planned. A regional board meeting was held Wednesday night at Mancelona to arrange for a general meeting at which future plans of the organization will be determined.

Whitmore, who has been with the Table Top organization for the past seven years, said he will devote his time to other interests.

## Chanda - Valencourt

Jennie Mae Chanda, daughter of Mr. and Mrs. Albert Chanda, became the bride of John Valencourt, son of Mr. and Mrs. Clarence Valencourt, Sept. 16, at the East Jordan Methodist Church.

Rev. Robert Moore officiated before an altar decorated with candelabra and bouquets of mixed gladioli.

Mrs. Alta Drapeau accompanied Miss Gloria Rogers, who sang "Always" and "Through The Years".

The bride chose a dress of heavy white satin with a beaded round collar and pointed sleeves. The skirt ended in a train. Her bouquet was of white gladioli.

Joyce Green, niece of the groom, and Marjorie Chanda, sister of the bride, were bridesmaids. Mrs. Green wore a blue formal and carried yellow carnations. Miss Chanda wore a pink formal and carried white carnations.

Richard Valencourt was his brother's best man and the ushers were Albert Chanda, Jr., brother of the bride, and Claude Hitchcock, nephew of the groom.

Mrs. Chanda chose a black dress for the wedding. Mrs. Valencourt wore a navy dress. Both had corsages of red roses.

A wedding dinner was held at 1 p. m. at the Peninsula Grange for the members of the families. A reception was held in the evening.

Out of town guests were:— Mr. and Mrs. Vernon Shive and daughter, Karen, Wooster, Ohio; Mr. Richard Valencourt, Painesville, Ohio; Mrs. Fred Bishaw and daughter, Susie, Mr. and Mrs. James Dooley, Mr. and Mrs. Robert Halzang, Mr. and Mrs. James Baker, Grayling; Mr. and Mrs. Leslie Bland, Keith Bland, Mr. and Mrs. LeRoy Bland and son, Steve, Traverse City.

Mr. and Mrs. Fred Talfree, Drayton Plains; Mr. and Mrs. Fred Valencourt, Mrs. Joe Valencourt, Copenish, Mich; Mr. and Mrs. H. F. Reid, Kathryn Reid, Mrs. Frances Graff and Mrs. Claude Reynolds, Muskegon Hts.

Mr. and Mrs. Wm. Chanda and daughter, Donna, Detroit; Glen Persons, Lansing; Mr. and Mrs. Gerald Ager, Detroit; Mr. and Mrs. Donald Ager, Mr. and Mrs. Floyd Peck, Flint.

Mr. and Mrs. Ward Robinson and son, Mt. Morris; Mr. and Mrs. Elmer Barber, Charlevoix; Mr. and Mrs. Alvin Bates, William Blekken and Norman Crozier, Boyne City.

## Rotary Met Last Tuesday

At Rotary Tuesday there were two visitors, one from Piqua, Ohio, and one from Boyne City. Vern Whiteford was presented with a 5 year perfect attendance pin.

The program was in charge of Howard Porter, who gave a very instructive talk on the value of the various articles in the official Rotary magazine, The Rotarian. The very successful Calf Scramble Club helped sponsor makes the project a must for next year's program and plans are being formulated for a bigger and better scramble for next year's Fair.

## E. J. H. S. Takes Opening Game From Rogers City

### First Presbyterian Church Edward O. DeHaven, Pastor

This coming Sunday is Rally Day in our Church School and Church.

Our Church School will be at the usual time, 9:45. In special services in the different departments, promotions will be made. After the promotions are made, the new material in the program of Christian Faith and Life for Church and Home will be distributed. This material will include a new book for each pupil in the school to add to your library; and a Parent-Teachers magazine for each parent. Our study this year will be the Church. It will be quite necessary for each pupil enrolled in the school to be present this coming Sunday for classes will be changed and also these new materials will be given.

This is Rally Day also in the Church. The theme for the service this coming Sunday will be, "The Church—A Fellowship". During the service there will be a recognition and consecration service for the teachers. We are urging parents and pupils to be present for this service. These teachers are quite important people in the life of your children and this is a way of showing your appreciation to them for the service they do for these children. The Junior Choir will also sing at this service.

The W. Y. F. groups will meet Sunday evening at 6:30 p. m. Part of the program will be the election of officers for the coming year.

The Choir rehearses Wednesday evening in the church at 7:00. The Junior Choir rehearses Thursday afternoon at 3:45.

Thursday evening, Sept. 28, we will have our first Family Night in the church for this new season. Potuck supper will be served at 6:45.

Sunday, Oct. 1st, is World-Wide Communion Sunday. This day the Communion of the Lord's Supper is observed throughout the world and is a means of identifying ourselves with Christians of all nations and races.

The Sacrament of Baptism will be administered to infants that day and new members will be received into the church. Those who are contemplating such service of the church should consult with the pastor at once.

Last Thursday evening, Sept. 14, a good group of the men of the church met and plans were discussed for the organization of a Men's Fellowship in the church. The next meeting will be held on Oct. 11th.

### CARD OF THANKS

May we take this method of thanking friends and relatives for their kind expression of sympathy in the sadness which came to our home. These expressions are deeply appreciated.

## Native of East Jordan Victim of a Cave In

Robert Schroeder, 34, of Midland, a former resident of Wilson Twp., East Jordan, R. 1, and Boyne City, died early Tuesday, Sept. 12, at Midland Hospital in Midland, from injuries received in a sewer cave-in Monday while working for Fisher Sand and Gravel Co.

He was born Feb. 20, 1916, at East Jordan.

In 1937 he moved to Midland. Surviving are the widow, the former Ida Jane Mayrand of East Jordan; three daughters, Grace, 13, Wanda, 8, and Ruth, 6, all at home; his mother, Mrs. William Thompson of Boyne City; a brother, John Schroeder, and sister, Helen Larson of Boyne City; two half-sisters, Mrs. Myrtle Parker and Mrs. Alice Green of Battle Creek.

Funeral services were held from the Bradley Funeral Parlor, Thursday, Sept. 14, conducted by Rev. George Huber, pastor of the Church of God, Mt. Haley. Bearers were co-workers. Burial was in Midland Cemetery.

### WE PLAY HARBOR SPRINGS HERE THIS FRIDAY

East Jordan High School opened its 1950 football season successfully here last Saturday afternoon by winning over Class B Rogers City, 22-0, at the West Side Athletic Field.

The Jordanites completely dominated play picking up 156 yards on the ground and 63 yards through the air for a total of 219 yards as compared to the visitors 33 yards, all on the ground. The Red Devils racked up 8 first downs to 2 for the visiting Orange and Black.

E. Evans scored first for the locals, skirting left end on a hand off from Boring from the 16 yd. stripe late in the second quarter. Whiteford's kick from placement was good and East Jordan led at the half 7-0.

Rogers City threatened early in the second period and after two successive first downs advanced the ball to the local 20, where they lost the ball as the local forward wall held. East Jordan's second tally came midway in the third period as Whiteford plunged over from the two. Whiteford's kick again was good on the try from placement and East Jordan held a 14-0 lead going into the final stanza.

Whiteford's long punt rolled dead on the ½ yd. line midway in the fourth period and Rogers was unable to get it out and after two plays fumbled in the end zone as the locals added a safety to run the total to 16. With but 15 seconds to go Whiteford again smashed over the 1 yd. stripe following a pass that set up the scoring opportunity. This time Whiteford's try for the extra point failed as the game came to a close. The final score was East Jordan 22; Rogers City 0.

East Jordan's inexperienced forward wall held up surprisingly well in its first test of the campaign against Rogers. Four fumbles cost the locals other opportunities of scoring.

Harbor Springs comes here tomorrow afternoon (Friday) to take on the locals in their first conference tilt at the West Side Athletic Field at 3:00 p. m.

Power Dam Discontinued

Switches at the Power Dam were pulled at 1:45 Wednesday afternoon and the dam will be discontinued for power purposes at least. An effort is being made by local interests to keep the dam for recreation purposes. However, the physical condition of the dam is such it is questionable if this will be advisable. The Consumers Power Company will have their engineers examine the dam and advise what disposition should be made of the disposition. If the dam is declared safe at the present level of 21 feet, which is 7 feet below the original depth, an effort will be made to have the Conservation Department take over the property for a public fishing site. The Power Company will sell the Property to the Department for a nominal price. There is of course a property damage liability if the dam should go out.

Older residents in this area remember when this dam did go out in 1905. The water washed out the highway on what is now M-32, washed out the railroad bridge, and moved the Rogers Bridge across the Jordan River some rods up stream. Thus it is very evident that if the dam is unsafe, the Conservation Department cannot be censured in any way if they do not care to assume this responsibility.

The dam does furnish excellent fishing and it is hoped that the dam can be maintained at the present level.

## Calf Scramble at Charlevoix Co. Fair

One of the most attractive  
events at the Fair last week was  
the Calf Scramble. This event  
was supervised by the 4-H Clubs  
and the Fair Association. The  
calves were sponsored by the Ro-  
tary Clubs of East Jordan and  
Boyer City, the Kiwanas Club of  
Charlevoix, the Ellsworth Farm  
Store, the Ellsworth Hardware  
and the Ellsworth Co-ops. Twelve  
white-faced Hereford calves  
weighing up to 410 lbs. were se-  
cured. Fifteen boys were chosen  
from the surrounding 4-H Clubs.  
The calves and boys were turned  
loose in an enclosure, and it was  
a case of every boy for himself.  
The calf had to be caught and  
tied to the fence. The winners will  
feed, care for and polish up these  
calves until next year's Fair, when  
they will be sold at auction. The  
selling price of the calf, less the  
original cost, will be the boy's pay  
for his work and feed.

Such projects have been very  
successful in other counties, and  
it is hoped this program in Char-  
levoix County can be continued  
and made bigger and better. At  
the Allegan Co. Fair this year one  
such calf sold for 71c per pound  
for a total of \$731.30. Eighteen  
other calves sold for an average  
of 40c per pound.

The boys who won calves here  
last week were: Larry LaCroix,  
Jimmie Shepard, East Jordan;  
Bill Allison, Bob Jolliff, D. Smith,  
Charlevoix; Harvey Crozier, H.  
Behling, Edwood Hunt and Lester  
Howard, Boyne City; Fred Spoel-  
man, J. DeVries, B. Farrell, Ells-  
worth.

The political furor has died out  
temporarily while newly-nomina-  
ted candidates bolster bulwarks  
and local ammunition for the No-  
vember election. And so Michigan  
eyes again turn toward Korea,  
Europe and spiraling prices and  
wages here at home.

Bringing the war closer home is  
the fact that young Michigan men  
now are entering the army at a  
rate of more than 1,200 per week.  
Machinery creaked to a start, but  
now appears to be operating  
smoothly. Inductions are expect-  
ed to increase.

And although 290,000 men have  
been classified in the state, there  
have been but 300 appeals from  
the draft. Answer? Proper classi-  
fication by draft boards has left  
no ground for appeal.

Economists still agree that the  
current postwar binge just can-  
not last—that as Shakespeare  
said, "the times are out of joint".  
News columns verify that prices  
of industrial raw materials and  
finished products continue to push  
higher.

Among those prices most affect-  
ing Michigan is that of rubber  
which is at a 25-year high.

The expected labor shortage in  
Michigan is well on its way. Some  
plants are refusing to hire draft-  
age men and turning to women  
workers. But the babushka parade  
is not expected to reach World  
War II proportions.

Another influx of workers from  
the South is reported under way  
in the industrial regions. With  
housing still strained these per-  
sons may be forced to take only  
what is available. Result? New  
and larger slums.

Max C. Henderson, executive  
secretary of Michigan Field Corps,  
Inc., has asked government offi-  
cials to keep enforcement of  
housing and wage standards out  
of the farm labor picture. Says it  
would mean "regulation on paper  
only". He adds that such restric-  
tions usually mean a nice group  
"of people drawing government  
salaries".

The migrant question is not  
new to Michigan. These migratory  
workers helped harvest the cher-  
ries which will furnish cherry pies  
for the army. Growers and pack-  
ers around Fenville and PawPaw  
are furnishing 36,625 cans of  
sour pitted cherries to the army.

Also on the farm side: Michi-  
gan farmers who opposed raising  
Danish Red cattle in the state  
will be interested to know these  
bovines now have been crossed  
to make American Red Danish cat-  
tle, many of which produce more  
than 600 pounds of butterfat. The  
experiment was tried in Sanilac.

On the home defense front,  
Michigan's new security squad is  
in operation. An additional 60  
men will be in training by Oct. 1.

A refreshing note in these times  
of inflation: The national con-  
vention of Amvets has voted unani-  
mously to oppose any federal  
bonuses "until the national econ-  
omy justifies such action".

## AUTUMN IN THE SMOKIES

The Great Smoky Mountains are aglow with breathtaking color  
and beauty now, inviting late vacationers and other travelers to enjoy  
travel at its best, during these fine Fall days. The scene above shows  
the imposing, twin "Chimney Tops" from Tennessee State Highway  
No. 71, near Gatlinburg. "Chimney Tops" is a featured sightseeing  
spot.

follow. Those present were Mr.  
and Mrs. Edwin Phillips, Mr. Dale  
Harmon, Miss Betty Phillips, Mr.  
and Mrs. Robt. Williamson and  
son, Eddie, and Mr. and Mrs. Wm.  
Gaunt, Jr. They received some  
lovely gifts.

## LOCALS

Mr. and Mrs. "Bud" Cihak have  
recently purchased the Ralph  
Shepard residence at 402 Main St.

Mr. and Mrs. Ed Barrie and  
Mr. and Mrs. Wm. Daniell of  
Thompsonville, Ga., are spending  
the week at Barrie's Cabin on  
Lake Charlevoix. The Daniells are  
cousins of Mrs. Elva Barrie, Jim  
Miles and Wm. Aldrich.

Mrs. Mae Swafford returned to  
Detroit this Thursday where she  
will spend the winter at the home  
of her daughter, Mrs. Pat Sulli-  
van and family. She has spent the  
past three months in the city at  
the home of her son, Raymond  
Swafford and family.

Recent guests who signed the  
register at the Anchorage Restau-  
rant were: Henry Workman of  
The Netherlands, Jan Rodolfo of  
Goulose, France; William Gardi-  
val, Gerard Gardival of Belgium;  
Henry Straton of Gdynia, Poland.  
These men work with the League  
of Nations.

With the reports by the census  
bureau that large city areas have  
grown as much as 20 percent fas-  
ter than rural communities the  
old cry of reapportionment is  
sure to be raised in state legisla-  
ture again next year. As ap-  
pointed by the League of Women Voters  
in 1949, apportionment would re-  
district the state, giving more re-  
presentation to the cities.

Will recent wage boosts raise  
auto prices? Ernest R. Breech,  
executive vice-president of the  
Ford Motor Co., says: "The im-  
pact of this action on product  
prices can not be clearly estab-  
lished now. In the long run wage  
increases can be financed only out  
of increased production."

Interesting sidelight: General  
Motors production this year is  
running 25 percent ahead of last  
year's output. First eight months  
of this year saw 2,575,752 units  
manufactured.

Religion and schools—a touchy  
subject. Dean J. B. Edmonson of  
the University of Michigan recom-  
mends a compromise. The num-  
ber of sectarian groups prevents  
promulgation of any religious  
course, he says. And so schools  
should emphasize on moral training  
instead.

## WEST PENINSULA. . .

(Edited by Mrs. Wm. Gaunt)

Mr. and Mrs. Stanley Bracy and  
family left last week for their  
home at Lakeland, Florida.

Mr. and Mrs. Red Sheridan and  
son, Tommie, spent Sunday even-

and Mrs. Wm. Gaunt, Sr.

Edwin Phillips leaves Tuesday  
for Fort Wayne, Ind. to resume  
his work as auditor for the Jew-  
ell Tea Co. after spending two  
weeks at his home, the Rustan.  
While home he had two gas heat-  
er stoves installed in his house so  
the rest of the family can live at  
their home all winter.

Mr. and Mrs. Wm. Gaunt, Sr.,  
spent a week in southern Michigan  
visiting with Mr. and Mrs. Tom  
Walsh and son of Elkton. Then  
they drove to Flint and visited  
with Mr. Gaunt's brother and  
wife, Mr. and Mrs. Arthur Gaunt,  
also calling on Mr. and Mrs. Chas.  
McClintoc. From there they drove  
to Bridgeport and visited another  
brother, Ralph Gaunt and family,  
and stopped at Saginaw and called  
on their niece, Anna Belle  
Gaunt.

A triple birthday party was  
held at the Rustan Sept. 13, in  
honor of Miss Betty Phillips and  
her sister, Mrs. Marion William-  
son, also Wm. Gaunt, Jr., their  
birthdays being the 10-11-12 of  
September. A chicken dinner was  
served with a lovely birthday  
cake and homemade ice cream to

**ONE UP ON NATURE**—During the war Bell  
Laboratories scientists found a way to grow  
synthetic crystals better in some ways than  
natural quartz. A "seed" crystal is produced  
by evaporating chemical salts, then rotated  
in a chemical solution which causes deposits  
to build it up to many times its original size.  
Crystals vibrate at exact frequencies, separate  
the many telephone messages traveling over  
a long distance line.

**BETTER AND BETTER**—In the 74 years since  
the telephone was invented, there have been  
more than 18,000 additional inventions—an  
average of more than 240 a year—that have  
contributed to its development. Many recent  
ones are playing a part in Michigan Bell's big  
service improvement program in rural areas.

**TIME DOES TELL**—Here's an easy way to  
figure what your telephone is worth to you.  
On a typical working day, count up the tele-  
phone calls you make . . . to the farm imple-  
ment dealer, lumber mill, veterinary, feed  
store, repair shop, friends. Think of the hours  
it would take to visit all of these people—hours  
of lost work around the farm. And when you  
consider that one call may save a life, what  
you pay for telephone service is mighty small  
compared to the value you receive.

WEEKLY NEWS ANALYSIS

**Truman Gives 8 Points for Peace; Reds Snap Defense Wall in North; New Wage Increases Are Reported**

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

**TRUMAN:**

**Statement of Policy**

In an obvious attempt to erase some of the confusion that has developed around the American foreign policy since General MacArthur's statement on Formosa, President Truman made a report to the nation in which he stated eight aims of this country.

At the same time he announced plans for doubling American armed strength to nearly 3,000,000 men and asserted our productive capacity would be pushed to any degree necessary to attain a victory for freedom and the rule of law.

In his speech which was broadcast over a world-wide hookup, the President made it plain that a world war would not develop unless the Communists drove new puppets against the United Nations forces in Korea.

By this he meant, of course, Chinese Communists who have been reported as massing troops near the Korean border.

However, he made it plain that we would stay in the conflict if such a decision was made. He then attacked Russia for violating its pledges of international co-operation and preaching peace, but practicing aggression.

The eight points expounded in his speech:

1. We believe in the United Nations.
2. We believe Koreans have a right to be free.
3. We don't want the Korean fighting to expand into general war.
4. We particularly hope the Chinese people won't be misled into fighting the U.N. and the American people who still are their friends.
5. We want none of Asia, Formosa included, for ourselves.
6. We believe in freedom for all far eastern nations.
7. We do not believe in aggressive or preventive war.
8. We want peace and "we shall achieve it."

**KOREA:**

**Stab at Taegu**

North Korean forces, in the greatest advance in several weeks, broke through the northern U.N. defense wall and sent two columns of tanks and troops within a few miles of Kyangju, 12 miles south of Pohang.

From there the columns could swing west and stab at Taegu from the rear, or continue to push for Pusan some 50 miles to the south. It was the most serious threat to U.N. forces in a number of weeks. Military men were wondering if the Communists had the strength to exploit their penetration.

On all other fronts U.N. forces were holding or counter-attacking. In the northwest U.S. troops continued to root out Reds dug in on a 3,000-foot ridge 12 miles north of Taegu and smashed several Red attempts to cross the Naktong river.

On the south-central front U.N. forces further compressed the Red bridgehead across the Naktong near where it joins the Nam river.

In the southwest U.N. forces were back in old positions west of Maman and Mason after breaking up new red attacks. On this front the Communists reportedly lost 13,000 troops in four days.

In the air navy and air force planes continued to give close support to ground forces on all fronts, striking savagely with heavy explosives, rockets, napalm fire bombs and machine guns.

B-29's and B-26's continued to strike deep into Red territory.

**LEWIS:**

**The Bear Grows**

John L. Lewis, president of the United Mine Workers, and known in some quarters as the unhappy bear in labor's ranks, has growled again. This time the victim was A.F.L. President William Green.

Lewis told Green in no uncertain terms that his union would not be bound by a no-strike pledge during the war emergency.

He charged Green of bartering the rights of labor to appease his "innate craving for orthodox respectability" and added: "Restrict your pledges to your own outfit. We can do our own no-striking."

Some believed Lewis used this means of getting back at Green for not including the miners in tunity talks between the AFL and the C.I.O.

**EMPLOYMENT:**

**All-Time High**

Employment in the United States was the greatest in the nation's history, the department of commerce reported with more than 62 million persons at work.

The only decrease noted in the entire employment picture was that of farm workers. A drop of 280,000 during the month, to 8,180,000, was reported.

The August total was 752,000 above the record set in July, 1948.

**Conference**

Chairman Millard Tydings (left), senate armed services committee, and house armed services Committee Chairman Carl Vinson, (right), are shown at the White House after conferring with President Truman on a new tank program which will cost an additional \$500,000,000.

**LABOR:**

**What's in the Future?**

The Ford motor company tore up an unexpired contract with the United Automobile Workers and granted an immediate 8-cent-hourly cost-of-living wage increase. Previously, the Chrysler corporation had made a "voluntary" wage adjustment of 10 cents an hour. On top of this the White House announced the long dispute between the A.F.L. switchman's union and 10 western railroads had been settled with an agreement that gives the union a 23-cent-hourly wage boost.

With these facts in mind, economists are asking what's in the future for the American people? They came up with the immediate answer that it will force the nation into direct wage and price controls much sooner than would otherwise have occurred.

The Ford company's labor relations is always a pattern for the automobile industry. Other companies will follow this trend, most observers agreed.

Current hourly pay of the average automobile worker is estimated at \$1.75. Rates for skilled craftsmen, such as tool and die makers, run about \$2.50.

Most economists believed the new wage increases would be reflected in the price of automobiles within the near future.

Observers reported the over-all picture indicated a round of wage increases throughout the labor ranks. These increases in the past have been reflected in the cost of living in all fields.

Some economists, however, believe that as soon as the wage structure is equalized to make up for loss of purchasing power since Korea, the economy will go along on a plateau.

**JOHNSON:**

**Refuses to Resign**

Defense Secretary Louis Johnson, under fire from many quarters to resign but still backed by President Truman, flatly rejected a demand for his resignation and said he had "no apology" for his record as chief of the nation's military chief of the nation's military forces.

In his unusual statement Johnson said many of the attacks on both him and Acheson were "primarily political" and were leveled "with an eye to the November election."

He likened himself to the late Defense Secretary Forrestal who broke down after repeated attacks by critics and later jumped to his death.

He said he was sure he still enjoyed the confidence of the President and the public and that "in the long run the solid facts of what the department of defense is accomplishing will stand out above the misinformation that various individuals and various groups, for reasons of their own, see fit to spread."

Among other things, Johnson has been accused of promoting a defensive war and working against the policies of the state department. Criticism of Johnson has been forthcoming from both Democrats and Republicans.

**Casualties**

A total of 6,886 Korean war casualties were reported by the defense department as the conflict got well into its third month. The total, however, did not include those suffered during the latest big Communist push.

The total included 443 killed in action, 3889 wounded, and 2,436 missing in action. The summary said 60 wounded have been returned to duty.

**MANPOWER:**

**Doctors and Fathers**

Thousands of men who had looked upon the draft as something remote, a mere possibility in the dim future, suddenly found themselves face to face with the probability of being in the armed forces.

The house armed services committee announced the draft would be extended to draft-age married men with dependents. Officials estimated there are 1,000,000 married non-veterans of draft age—19 through 25—and that up to 400,000 would qualify for induction.

Meanwhile, a senate house group reached a compromise on a bill to draft doctors and dentists through age 50. The bill upon which the conferees agreed is designed to put into uniform 5,600 doctors and 3,000 dentists who were trained at government expense during World War II.

Few doctors or dentists actually are expected to be drafted. Military officials are confident the threat of a draft will swell the ranks of volunteers. An added inducement is the fact that volunteers will get \$100-a-month bonus while draftees will not. Doctors could be drafted with the rank of private; volunteers, would get at least a lieutenant's commission.

Maj. Gen. Lewis B. Hershey, director of national selective service, reported that nearly three out of five candidates for military service are being rejected.

**SPY-WEARY HOUSE:**

**Votes Red Curbs**

The house had approved by a roll-call vote of 354 to 20 a bill which subjects American Communists to heavy curbs, and the senate was expected to approve a similar bill.

The measure is unusual on the American scene in that it would force a political party to register its many fronts (organizations). It goes even further and would compel them to label their propaganda and deny them defense jobs, bar them from government employment, and deny them the right to travel abroad.

President Truman is reported to disapprove of the legislation on the grounds that it might impair traditional American liberties. From a technical viewpoint such legislation if applied to one party could be applied to another and thus restricts the individual's political and civil liberties.

According to the F.B.I., the legislation will hit about 550,000 Communists and fellow travelers. J. Edgar Hoover, director of the F.B.I., in a recent report estimated there are about 50,000 Communists and 10 times that many sympathizers in the United States.

**DEWEY:**

**All-Out Attack**

Gov. Thomas E. Dewey of New York, who was as dead as a fried mackerel — politically speaking — after his recent announcement that he was retiring, is back in the limelight. Dewey announced he would seek a third term as governor of New York.

His return to the ring would indicate the Republicans have found an issue. In his own words: "We will not survive this crisis (the Korean conflict) unless we have a strong and constructive opposition party to force correction of the errors and incompetence of the national administration and to compel it to take a larger view of our dangers and more effective action to meet them."

Political observers reported there can be no doubt now as to what campaign issues the Republicans will expound this fall. On all fronts it will be a sharp attack on President Truman's conduct of the Korean war.

**Mistaken**

Ex-New Dealer Lee Pressman, (above) admitted one-time Communist, in testimony before a house committee named three other government employees who were Communists in 1934 and 1935. Now Pressman says he feels he made a "mistake" by joining the Communist party and that he has cut all connections with them.

**FORMOSA:**

**Confusion Increases**

New confusion has been added to the Formosa question with President Truman's statement that it would no longer be necessary to keep the U.S. seventh fleet off Formosa once peace has been settled in the Korean war.

No one seems sure just what President Truman means. On the surface the statement would seem premature and adds to existing confusion.

**Looking Backward . . .**

**SEPTEMBER 17, 1910**

Bumper crowds and classy horse races were features of our County Fair this week. Horace B. Hipp was elected president to succeed Robert Price who did not care to continue the work. A. B. Nicholas was re-elected secretary as was Martin Rhuling treasurer. Directors: Wm. Meyers, Boyne Falls; Richard Leyis, East Jordan; Henry Nowland, Ironton, and H. B. Hipp, East Jordan. The East Jordan Military Band in their new uniforms furnished a delightful afternoon of music.

Born to Mr. and Mrs. Anehyony Kenney a ten pound girl, Wednesday.

Contractor Bert Wilhelm is sporting a new Reo two seat automobile.

Frank Martinek, a well known former resident here, is about to move his Jewelry Store from Central Lake to Elk Rapids.

Those from here attending the Soldier's Reunion at Traverse City this week were George Pringle, Curtiss Pinney, Mr. Jones, Wm. Harrington, Frank Smith and Jaboc Rogers.

Mr. Wood of Boyne City has recently purchased the store building occupied by Fred Minor's restaurant, and expects to make East Jordan his home.

E. C. Plank broke ground first of this week for a fine new residence on Fourth St., near Dr. Dickens. Contractor Arthur Vance has charge of the work.

Miss Myrtle Severance, daughter of Frank Severance of Jordan Twp., and Floyd Barden of South Haven were married, Thursday, Rev. A. D. Grigsby officiated.

On Wednesday morning Frank Shepard kissed each of his Hosstein Friesens and went to the Fair.

W. A. Rowley and family were among the Boyne City people taking in our Fair and, while here were guests at the home of J. F. Kenny.

**SEPTEMBER 17, 1920**

Charlevoix Co. Fair the greatest ever in its history. Bumper exhibits in every department. Excellent attractions and huge crowds. The following officers were elected for the ensuing year: President, S. E. Rogers, East Jordan; Treasurer, Kit Carson, East Jordan; Directors, Nat Burns, Charlevoix, Terry Barber, Boyne City, Robert White, Boyne City, S. E. Rogers, East Jordan.

Grover Blain of this city was instantly killed Wednesday noon when a Michigan Central way car, on which he was working overturned, burying him beneath the car. The accident occurred three miles west of Alba. The Michigan Central work train was in charge of conductor, Seymour Burbank; engineer, Wm. Bondrie; and the brakemen, Kenneth Parks and Grover Blain. He leaves a wife and five small children. Funeral

services will be held this Saturday afternoon at Alba.

Mr. and Mrs. Herbert Holland returned to Traverse City Monday, after a week's visit here with his parents, Mr. and Mrs. Fred Holland.

Miss Florence Sinclair returned to Madison, Wis., Tuesday, after a three weeks visit with Mr. and Mrs. James Hart.

Mr. and Mrs. Emil Budnick and children left Monday for Muskegon where they will make their home.

Mr. and Mrs. Harry Raino of Smith Falls, Ont., are visiting friends and relatives here.

**SEPTEMBER 10, 1930**

The last meeting of the Businessmen's Club was an especially interesting one. The speaker was Frank Hemmingway of Oak Park, Ill., who is the proprietor of the Charlevoix County Nursery. He spoke on "Beautifying Our City".

Mrs. John Hott passed away at her home in this city Saturday. She is survived by her husband and nine children. Funeral services were held from the Methodist Church Monday afternoon, conducted by Rev. A. T. Harris of Ellsworth. Interment at Sunset Hill.

The Annual Michigan Conference of the Methodist Church closed at Muskegon Monday. Rev. James Leitch has returned to East Jordan.

Mrs. Eliza Swafford is reported seriously ill.

Mr. and Mrs. Roy Nowland and daughter are visiting friends at Lansing this week.

Mr. and Mrs. E. P. Dunlap, who have spent the last eight months in Florida, have returned and have taken the home of Mrs. John Hertel and Miss Boosinger for the fall months.

Mrs. Ida Ward of Toledo is visiting at the home of her nephews and niece, Peter, Clyde and Boyd Hipp and Mrs. Joe Kenny.

A duck hunting party consisting of L. G. Balch, Dr. J. Leahy, Dr. W. H. Parks, Roscoe Mackey, A. J. Cameron and Harry Price left first of the week for a few days at a camp on Soo River.

Miss Muriel Sonnabend, who is taking a nurses training course at Petoskey hospital, was home the past two weeks for a visit.

Mr. and Mrs. John Vanderplow and children of Muskegon were here last week visiting Mr. and Mrs. Herman Schultz.

Mrs. James Martin returned to her home at South Haven Saturday after a month's visit at the home of her brother, Charles Crowell.

**LEGION BINGO**

Every Friday night, 8:00 p. m., at our new home. 20 games. 1st card 50c, each additional card 10c. 5 special games 10c each. Pot and five small children. Funeral

The hard-up sportsman bought a horse but neglected to pay for him. A few weeks later, he met the man who sold him the horse.

"I'm not at all satisfied with that animal," the sportsman said.

"Why, what's the trouble?" asked the dealer.

"Well, he won't hold his head up."

"That's just his pride," said the dealer. "Wait until he's paid for."

**Unfair Treatment**

Prisoner: "The judge sent me here for the rest of my life."

Guard: "Why are you complaining?"

Prisoner: "Swingin' this sledge hammer isn't my idea of a rest."

**One Came True**

Jack: "Have any of your childhood dreams been realized?"

Tim: "One of them. When my mother combed my hair I used to wish I didn't have any."

**That's All**

Boxer: "Have I done him any damage?"

Disgusted Second: "No, but keep swinging, the draft might give him a cold."

**Watch It, Chief!**

DEVOTIONAL READING: 1 Corinthians 2:1-13.

**World Evangelist**  
Lesson for September 24, 1950.

IT IS not only the ignorant and the prejudiced who claim that Protestant Christianity did not start till the 17th Century. Even Protestants can make this mistake. The real founder of Protestantism is Saint Paul. What the Reformers of the 17th Century did was to re-discover Paul. The doctrines of Protestantism are not some peculiar invention of Luther, not a vagary nor a quirk, still less a heresy; they are simply Christianity according to Saint Paul. If for no other reason, Paul is one of the most important figures in Christian history, perhaps in all history.

Dr. Foreman

**The World is My Parish**  
THERE is another reason why Paul is important. It is not too much to say that if it had not been for him, there never would have been any Christianity, as a world-religion. It would have died as a Jewish sect.

What the history of the world would have been in that case, God only knows. But although our so-called Christian era is still not exactly Christian, it is vastly different from what it would have been if Christianity had been no more (say) than Essenism, a word you would have to look up in the encyclopedia, an antique and forgotten sect.

To many un-named Christians, but to Paul more than any other person, we owe the fact that ours is a religion with a world-outlook.

**First Great Missionary**  
PAUL was not a typical Christian any more than George Washington was a typical American. To this day, missionaries can hardly be called typical Christians. They are far too few, and their quality is far too high, to stand for the "average" Christian—who in fact does not even understand missionaries, as a rule. Nevertheless, the missionary now as in Paul's time is the burning-point of Christianity, the front-line patrol, the cutting edge. What made Paul a missionary makes missionaries today. One thing was his vital experience of Christ. Jesus, for Paul, was not somebody he had read about in a book, he was not a statue on an altar or a picture in a museum, he was not a definition in a catechism. Jesus was Someone he had met on the Damascus Road.

Second, Paul loved people, all kinds of people. (After his conversion, not before!) He could see in the most pitiful little moron of a slave-girl, the meanest jaller, a sister or brother for whom Christ died, as he put it. Nowadays you sometimes hear church people saying about others outside the church, "They're not our kind. They wouldn't make good Presbyterians (or Baptists or whatever the speaker's church may be)." It never occurred to Paul that anybody would not make a good Christian, if only Jesus Christ got hold of him.

Furthermore, Paul had a world-horizon. There are hole-and-corner Christians and there are world-Christians. Paul was a world-Christian. He "thought big." To this day, the wide-horizon, big-thinking Christians are either out there on the mission field, somewhere, or they are supporting missions with all their might.

**Bibles Across the Sea**  
THERE is one thing which you, reader of these lines, can do right now, if you have some of this world-vision. This week, today, you can help in a great missionary enterprise which is not confined to any denomination.

Over in Japan, General MacArthur says, Christianity and the Bible are the dykes holding up the flood of Communism. Dr. Shiro Murata, a Japanese Christian, also says: "The eyes of Japan are fixed on two books. One is Das Kapital by Karl Marx. The other is the Holy Bible. Japan is at the crossroads."

A campaign is being conducted this year to send to Japan five million Bibles and Testaments. The Japanese can read; they have the largest non-Christian population in the world reading one language. Through your local church, or even by yourself, you can contribute to this great undertaking to bring the Bible to a people sorely needing it.

**JEST JESTIN'**  
Misdirected Effort

THE INEBRIATED HUSBAND tip-toed up the stairs. He patched up the scars of the brawl with adhesive tape, then climbed into bed, smiling at the thought that he'd pulled one over on his wife. Came morning. He opened his eyes and there stood his angry wife. "You were intoxicated last night," she said. "Why, darling, I was nothing of the sort." "If you weren't, then who put all the adhesive tape on the bathroom mirror?"

**HARDLY WORTH IT**

A Kentucky rookie met a brisk second lieutenant. "Maw'nin'," drawled the rookie pleasantly. The outraged loole teed off on a lecture on military courtesies with emphasis on saluting. "Lawdmighty" replied the rookie when he was through. "If I'da knowed you was gonna carry on like that, I wouldn't of spoke to you at all!"

**Tough Luck!**  
During the making of the moving picture, "The Penguin Pool Murder," the director was showing a visitor around. As they gazed at the penguin, the director said: "The bird is hired, of course, and we pay \$150 a week for him." A little extra standing near by remarked quietly: "And I had to be born a human!"

**Same Thing**  
Two battered old wrecks of humanity were sitting together on a bench in the city park, when one informed his neighbor, "I'm a man who never took advice from anybody." "Shake, old fellow," said the other, "I'm a man who followed everybody's advice."

**"E" for Effort**  
THE OVERNIGHT GUEST of a New Orleans hotel was impressed by the smart, intelligent bellhop who had his bags at the curb and a taxi waiting for him the moment he was ready to go. He flipped the young man a 50-cent piece. "Make it a dollar," the bellhop whispered, "and I won't mention the hotel towels you packed." The guest indignantly exclaimed, "Young man, I could have you arrested for making a groundless accusation like that!" "Don't get upset, sir," the bellhop answered cheerfully. "Nine times out of ten, it works."

**SOMEWHAT RESTRICTED**

Although as big and as strong as the policeman who had arrested him, the man with the close-cropped hair and brutal face allowed himself to be marched toward the police station. There had been the usual crowd in anticipation of a scrap, but it had drifted away when they saw there was nothing doing. Even the policeman admitted it was the tamest arrest he had made for many a day. "It isn't like you to go so quietly," he remarked. "What's taken all the ginger out of you?" The prisoner sighed: "I've got my best clothes on."

**Taking No Chances**  
"I love you I love you!" he murmured for the nineteenth time. "Speak! Answer me!" The maiden coyly hung her head. "I—oh, Tom, this is so sudden!" she pleaded. He drew her close to him. "Don't be afraid, darling!" he said gently. "Would you like me to ask your mother first?" With a sudden cry of alarm she threw her arms around his neck. "No, no!" she gasped. "Mother is a widow. I want you myself!"

A million dollars slipped thru their fingers. In The American Weekly with Sunday's Chicago Herald-American read "The Gay Dodges" another heartbreak of Society story. The Dodges traveled far and fast, spent money wildly and then disaster—Don't miss "The Gay Dodges" Sunday in The Chicago Herald-American's great color magazine!

At a club in Hollywood a young author was introduced to a film critic. The writer's first picture had just been shown, and he immediately asked the critic for his opinion of it. A man was filling out an application blank for a job, and came to the question: "Have you ever been arrested?" His answer was "No." The next question, intended for those who answered the preceding question in the affirmative, was "Why?" Nevertheless, the applicant answered it with, "Never got caught."

**FARM FILLERS**  
A regular milking routine is just, say Michigan State College dairymen. Cows are largely creatures of habit—signs such as feeding grain, the rattle of milk pails, and washing the udder, set up responses to prepare the cow for horough milking.

**LET'S PREVENT FIRE:**  
More people on farms die from fire than in cities—that's the report of Ed Rebman, county ag'l agent. He announces that Fire Prevention Week will be observed October 8-14, 1950.

Fire takes the lives of 3,500 farm people each year, and rural property losses by flames add up to about 100 million dollars annually. Charlevoix county bears its part of this loss every year. Dave Steinicke, farm safety specialist at Michigan State College, reports 25 percent more lives are lost in farm dwelling fires than in similar ones in towns and cities across the nation. Records show between one-third and one-fourth of the people killed by fire are farm residents, although only about one-fifth of the people in the United States live on farms. Eighty percent more children lost their lives in rural dwelling fires than in urban areas. Negligence in handling matches and careless smoking habits are two of the major hazards. Defective chimneys and heating plants, sparks flying on wooden roofs, and lack of adequate lightning rod protection are others. Accumulation of rubbish in lofts, attics, basements, and farm buildings, and indifference to fire hazards are also big causes of farm fires and deaths. Agent Rebman is calling on all Charlevoix county farmers to eliminate these and other hazards before it is too late. Now, before "Farm Fire Prevention Week," is a good time to start a year-round program of fire prevention.

## Shuffleboard Leagues Start Next Week

Shuffleboard leagues for both men and women have been organized by the Charlevoix County Table Top Licensees' organization and play is scheduled to start next week with men's competition on Wednesday nights and the women playing on Mondays.

There are 12 teams in the men's league which opens on Wednesday, Sept. 27, and 10 teams in the women's league, which starts competition on Monday, Oct. 2.

There will be two complete rounds in each league, with playoffs scheduled between the first and second half winners.

Teams in the men's league are: The Eagles, Don's Tavern, The Spot, Night Hawk and Rainbow Gardens, all of Boyne City; Dip's Tavern, the Rainbow Bar and Cal's Tavern, of East Jordan; and the Argonne, Town House, The Birches and the Airport Inn, all of Charlevoix.

All of these sponsors have women's teams with the exception of Dip's Tavern of East Jordan and The Birches of Charlevoix.

The Schedule: Men's League, Sept. 27 —Eagles vs. Town House; Rainbow Bar vs. The Spot; Cal's vs. Dip's; Don's vs. Rainbow Gardens; Airport Inn vs. Night Hawk; The Birches vs. Argonne. (First named team is home team).

Women's League: October 2 —Cal's vs. Airport Inn; Rainbow Bar vs. Don's; Night Hawk vs. Town House; Argonne vs. Rainbow Gardens; Eagles vs. The Spot; Saxton, freshman, at Alma College, Alma.

## State Police Open Ranks To Married Men

For the first time in their history, the Michigan State Police have opened up enlistments to married as well as single men.

Candidates are now being accepted for a training school scheduled to begin about October 1 and from which will be graduated the 60 new troopers recently authorized by the state legislature as part of the state's civil defense program.

"The purpose in enlisting married men as well as single men is to obtain personnel least subject to being drafted into military services, but still meeting our physical requirements," Commissioner Donald S. Leonard said. "There are many men in this group, particularly veterans of the last war, who provide excellent material for recruitment. In addition, they now have the opportunity to join a career service which offers permanent tenure and financial security in the future."

Candidates must be between the ages of 21 and 30, in good physical health and of good character. Persons interested are advised to write immediately to the State Civil Service Commission or Michigan State Police Headquarters in East Lansing, or to visit their nearest Police Station for full information. Action should be prompt as it is planned to begin organizing the school Sept. 26th.

During the eight weeks spent in school candidates will receive their board and lodging and pay at the rate of \$100 a month, an increase of \$50 over the amount formerly paid. Those who graduate will immediately go on the payroll at the regular scale of pay for troopers.

"Inasmuch as the police are a key essential in home front defense, enlistment will provide a way to serve in an important capacity in the overall security effort," Leonard stated.

## SOIL DISTRICT TO ATTEND AWARDS DINNER

The directors of the Charlevoix Soil Conservation District are planning to attend the annual awards program and dinner sponsored by the Good Year Tire and Rubber Company at Frankenthum on Tuesday, Sept. 26th. Directors attending from the Charlevoix district include George Klooster, East Jordan; Clayton Healey, East Jordan; Norval Korthase, Boyne City; Peter Winnick, Charlevoix; and Carlton Smith, Charlevoix. County agent, Ed Rebman, and Farm planner, E. B. Watkins, also plan on making this trip.

The awards program is one that is participated in by nearly every district in the state of Michigan. Points are given for educational programs and the amount of work accomplished. The Mason Soil Conservation District was the winning district in the 1949-1950 contest. The directors from this district were awarded a free trip to the Good Year farms at Phoenix, Arizona.

## LATE BLIGHT WARNING

Late blight has hit potato fields in Charlevoix county this week according to Ed Rebman, County agr'l agent. Some are real bad, others have just started. D. L. Clamahan, crops specialist from Michigan State College and myself visited several fields yesterday to determine the amount of damage. Most of them can be saved.

Keep the top growth covered with copper. Continue with the strength that you have been using. If your field is real bad with blight now and you haven't been spraying too well, spray it twice right away. Go one way on the field and when you are through start all over again going the opposite way on each row.

When you are ready to dig, kill the tops either with spray or mechanical. Let these tops dry before digging. Then spray these dead tops with straight copper with no lime ahead of the digger. Don't dig your potatoes with any green tops showing without spraying them to kill these blight spores.

Let these potatoes dry thoroughly before picking them up behind the digger. Store in a cool, dry place during the winter.

Remember, good potato growing weather is also good blight weather.

## WILSON.....

(Edited by Mrs. Ralph Kitson)

Mr. and Mrs. Wm. Klotz of Chicago spent a week at the Albert Wolters home.

Mr. and Mrs. J. Brun and family have bought a farm near Charlevoix and are moving this week.

Mr. and Mrs. Horace Warn have a new well on their farm. Mr. Goldsmith of Petoskey did the job.

The electrical storm Monday evening struck the barn at the Emil Thorsen farm causing considerable damage.

Mrs. Harriet Stone of Grand Rapids, who has been visiting her brothers, Frank, Harry and Wm. Behling, here returned to her home Monday.

# The School Bell...

**FIRST GRADE — Mrs. Stokes**  
We have 29 people, 18 boys and 11 girls.  
We are having fun writing, drawing, cutting and reading.

**FIRST GRADE — Mrs. Brooks**  
Of the 26 enrolled in our room, we have two who are new to our school. They are Roy Dougherty from Durand and Charles Francis from Newberry.

We were glad to go to the Fair Friday afternoon and had fun on the Merry-go-round and other things there. We told stories about the fair.

Kathryn Petrie, Roy Dougherty and Billy Gardner are staying at home with colds because they do not want the other children to get sick too. We hope they will soon be well and back with us again.

**FIRST GRADE—Adeline Bowerman**  
We have 14 girls and 14 boys in our room this year. We think the first grade is going to be lots of fun.

We are going to have a circus this year. Circus folks work hard during the winter, training and preparing themselves for a good performance in the spring. We are going to work hard at our lessons and in our play so we can be good performers when we get in the second grade. We have a three ring circus and not all of us will be doing the same thing at the same time. Our groups are the Clowns, the Acrobats and the Elephants.

We were surprised on Monday morning to find that we had new circus curtains in our room. They help make our room look nice. We have many pretty flowers in cute vases on our tables. Larry Henderson brought us a very pretty plant. We are learning how to take care of our flowers and the plants.

**SECOND GRADE — Mrs. Seiler**  
There are 33 enrolled in our room.

We are studying animals, farm animals especially. We hope to have a unit on the farm this fall. We are building houses, barns and trucks with tinker toys.

Many of the children went to the fair. They saw the farm animals shown there. Some of them belonged to their brothers in 4-H. We are using modeling clay to make animals for our farm.

**SECOND GRADE—Agnes Johnston**  
We have 31 children in our room this year. We like our room in the new building.

During our language periods we talked about safety at school. Jolly Jingo, a character in Our Weekly Reader, suggested we cross the streets carefully while going to and from school. We are going to try and be safety smart at all times. We think Jolly Jingo's suggestion is one we should remember and follow.

School closed Friday afternoon so we could attend the Charlevoix County Fair. Most of us had a ride on the Merry-go-round.

We are having milk and graham crackers again this year. Last week Judith Gokee and Mrs. Seiler brought us flowers for our room. They made our room look bright and cheerful.

Mary Porter brought two story books to school for us to read and enjoy. We especially like "A Story That Has No End".

Donelda Scott brought to school many beautifully waxed maple leaves. We put them on one of our bulletin boards. We think they look very pretty.

We had a visitor in our room Wednesday afternoon. It was Jean Kraemer's little kitten, Fluffy.

**FIFTH GRADE—Miss Dhasleer**  
After a week of school we feel we are well started in the fifth grade. With the exception of Larry Sweet who came from Midland, we have the same class members as last year.

Last week we learned how to carry on a business meeting, organized our class and carried on our first meeting. Our first officers are Rhea Zitka, Glendara Cihak and Keith Ogden.

This week in English we are studying the parts of a friendly letter so we can write to Albert Hayes who is in Bodgett Hospital in Grand Rapids. We hope he can soon be back with us. Thursday is his birthday. Happy Birthday, Albert.

Diane Taylor and Terry Healey also have birthdays this week. Diane's is on Monday and Terry's is Thursday.

We are very much interested in the nice aquarium which Keith Ogden got for us. The boys fixed it up to look like a swamp. It has two turtles in it.

### FALL FASHIONS REFLECT "DANDY" STYLES OF PAST

Fall fashion news says that the "little boy" look we had on many of our clothes last year has grown up into the "gentleman" look. Designers have found inspiration in Beau Brummell and other dandies of the past.

Such things as waistcoats, scarfs, and wing collars have been adopted for our new styles advises Mrs. Leona MacLeod, state home demonstration leader at Michigan State College.

The new 1950 fall silhouette has been described as "narrow as an arrow". It is strait but not skimp. The narrow skirt is relieved by pleats, panels, slits, and lower waistlines.

Coat styles seem to be more varied than usual, but one of the most popular is the loose casual coat that can be worn anywhere. It varies from last year's in that it has a straight up and down line and does not flare in back. There are many more fitted and belted coats than there were last year. Among the style features of the new coats are deep sleeve facings which make it possible to wear the sleeves long for warmth or to turn them back to three-quarter length with a wide cuff for early fall wear.

Stand-up collars are also a mark of this season. Pockets are an important feature—not quite as large as last year's and placed low down on the garment so you can really get your hands in them. Suits are always important in the fall. This season they have very little shoulder padding, set-in sleeves, small and neatly curved waists, and straight narrow skirts about 13 to 14 inches from the floor. Fabrics may be the old favorite gaberdine or the new gray flannel or worsted tweed.

# Bowling News Pays Tribute To America...

The new bowling season was ushered in with high scores as the men and ladies complete their second week of competition. In the Merchants league there were twenty bowlers over the 500 mark, with twelve men getting games over 200, while two of the ladies had games over 200 with 500 series to their credit.

The only team to take 4 points in the men's league was last year's champions, State Farm Insurance, who trounced the Anchorage, with Len Hillman getting 551 and Don Clark 552, while Gene Tiechman had 550 for the losers. Dip's Tavern, St. Joseph, E. J. Canning Co. and Thorsen's Lumber Co. won 3 points from Ellsworth Electric, American Legion, Sommerville's and the Recreation respectively.

Bill Kitson was tops for Dip's getting 540 with a 211 middle game, while Les Arndt topped Ellsworth Electric with 497 on a 203 finisher. Rev. J. J. Malinowski led the Saints and also established a new high series for the new season when he sandwiched a fashionable 220 game between 180 and 175 for 575. Abe Cole was tops for the losing Legionnaires with 535. The Cannors, aided by an 87 pin handicap and some fancy bowling by their sub bowler, Gib Sturgell, who had 506 with a 192 game in the middle, dropped Sommerville's from first place with their 3 point victory. Spin Cihak found the range and sandwiched a 215 game between 173 and 179 for 567, tops for the losers. Andy Anderson of Thorsen's toyed around with his explosive hook until he came up with a 225 single game, high for the night and season, to cinch the 3 point win over the Recreation. In the other match of the evening the State Bank came from behind to score their first victory of the season over Monarch Finer Foods and won the last game by sufficient to give them a split of 2 points each. Bob Campbell finished with 206 for 558, tops for the Bankers, while Ike Rood topped the losers with 484.

Three teams in the ladies league scored 4 point wins as Thorsen's Lumber downed Art Cleaners from Charlevoix, the E. J. Canning Co. trimmed Home Modernizing and Rainbow Bar took Recreation. The State Bank, Club 131 and Dress & Gift Shop won 3 points as the newly formed high school girls team dropped close games to Club 131, Manclona. The Bank ladies won their middle game by a single pin for their margin over Bachmann's of Central Lake, and the Dress and Gift Shop continued their winning ways by handing Dip's Tavern a beating.

Both Marge Gee and Mickey Hamerski had games of 212 and their high games enabled them to total over 500 as Mickey had 508 and Marge 504.

The Top of Michigan traveling league will get under way Sunday, Sept. 24, with the local team traveling to Petoskey where they will meet Boyne City and Petoskey at 1:00 and 5:00 p. m.

This is a new circuit which will bowl once a month with eight teams entered from Grayling, Lewiston, Onaway, Petoskey, East Jordan and two Boyne City teams. Spige McNiven from Grayling is president and Lyle Green, Boyne City, secretary of the newly formed league. The local team is headed by Andy Anderson, with Bob Campbell, Greg Boswell, Barney Miltsein and Barney Adair as his team mates. Jason Snyder being listed as the 6th man. The league will play four point matches on a 75 percent handicap basis. The winners of the league will be host to the balance of the league at the bowlers banquet in the spring.

**Donna Raymer, 16-year-old** Belding, Mich., High School girl, is the winner of the 1949-1950 High School Essay Contest sponsored by the Ladies Auxiliary of the Veterans of Foreign Wars, Marya Wester, of the same school, was the winner of the 14th annual running of the national contest last year. The Detroit News co-sponsors of the contest in this area, Donna's essay, which won her \$1,000 follows.

I am the United States of America. My people call me a great country, a leader among nations, and I am, for I am what my people make me.

Today in this atomic age when war is suicide, a gigantic problem confronts me, that of maintaining peace without surrendering any of the freedom which so long has been mine.

I believe I can solve this problem, but it will take the best efforts of all my people working together to accomplish it.

DONNA RAYMER

My citizens, who on so many issues remain indifferent until an emergency arises, must realize that a serious crisis, that of preserving peace, is now at hand. Discarding the idea that war is inevitable, they must believe in peace, calmly and persistently work for it, and sell the idea to others. So strong must be their faith in it that the citizens of other countries, admiring their policy, will join in the movement. This will help me to support to the fullest extent the United Nations, the only machine avail-

able at present to preserve world peace.

Since fear, prejudice, hatred, ignorance, suspicion, and insecurity breed wars, it is my duty as the strongest democracy to see that there are opportunities for war-weakened peoples and governments everywhere to improve their economic and social standards.

This I am doing in Western Europe and other parts of the world so that these nations will not in desperation turn to communism for aid. I must always remember that a contented people does not seek war.

My own citizens must practice tolerance and have no fear of that greatest threat to democracy, communism. They must stamp out Communist trends at home and show the world that democracy, not communism, offers liberty and peace.

Through the press, the film, the radio, I can advertise the Blessings of democracy to the world. I can promote better understandings among nations by exchanging teachers and students. I can lead a crusade of education on all levels from health and sanitation to furthering schools and libraries.

Many countries, bound by tradition, are afraid to hope for a peaceful world. As I am an infant with a brief history as nations go, I must assume leadership in the struggle for peace, since change does not so much bother me.

No group of nations can agree on every point. To live at peace each country will have to surrender some of her sovereignty. Without laws applying to all nations there can be no peace.

While I never give up my inheritance of freedom and human rights, I am willing to subordinate minor interests for the larger good, realizing that wars really settle nothing.

No one country alone can preserve peace. I shall co-operate with other democracies in every possible way knowing that a coalition of nations stands for power. If each of us works with the rest, we can avoid the difficulties leading to war, each will maintain her rights, and we shall be united through our common ideals of brotherhood and freedom. Although I am strong, I am neither populous nor rich enough to stand alone against the rest of the world.

Because I am powerful and wealthy, however, my foreign policy will be the key to world peace. I must attempt to halt Russia by peaceful means. In all ways I should promote good faith with her, taking every opportunity to reach agreement with her without yielding any of my God-given rights.

It is my belief that if all the other democratic nations and I stand together, we can, in our strength, form such an influence of democracy that we can surround and isolate the forces of communism, at last overcoming them.

If we can by example and through education prove to all nations that freedom and prosperity go hand in hand, Communist countries will gradually turn to our way of thinking. The power of communism will grow less while that of democracy will increase when peoples learn that human rights can be obtained only through the ideas of democracy.

At present power seems to be the only device with which Russia can be kept peaceful. She respects strength, nothing else will keep her from aggression. Preparedness to use weapons like the hydrogen bomb seems to me the best way to prevent their use. I know that my strength must serve as a shield while the progress of world organization continues and until the other democracies become stronger.

It is necessary that I maintain economic and military superiority over Russia, making it clear she could not win a war she might start.

I firmly believe that if Russia faces a powerful non-Soviet influence whose resources are at the service of the world she will refrain from starting a war, as she has in Greece and Turkey.

Neither my people nor I can acquire peace in a short time. Probably years will pass before we actually attain our goal. Meanwhile if my people and the peoples of the other democracies unite in selling liberty and peace to the rest of the world, their power will become so great that communism and oppression will eventually be overcome by the forces of right, and there will be peace.

Upon me rests the greatest responsibility ever born by any nation in the world's history. As the most powerful democracy, I will lend my aid and encouragement to the other democracies so their faith will never falter. Peace must be the goal of all of us.

Keeping in mind the ideals of those who framed my Constitution, I must ever shed the light of freedom over all the world.

Never will I surrender my heritage of liberty and justice. Instead I will extend these ideals over a wider area until human rights and peace become universal.

With an unwavering trust in God and confidence in myself, I must lead not only my own people, but the whole world to peace, with honor.

Every housewife who wants to get the most good food for her money should ask herself these questions about her food store:

Are prices low on all items every day in the week?

Is the price plainly marked on each item?

Is the quality high? The answer should always be "yes" at A&P. If it isn't, we want to know about it.

## Meet Your Michigan

**RECORD CATCHES:** MUCH OF THE NATION'S FINEST TROUT FISHING IS FOUND IN MICHIGAN. IN THE EASTERN RAINBOW TROUT FLY-FISHING AND OPEN DIVISIONS OF A NATIONAL FISHING CONTEST RECENTLY SPONSORED BY A LEADING SPORTS PUBLICATION, EIGHT OF THE FIRST TWENTY PRIZE-WINNING CATCHES WERE CAUGHT IN MICHIGAN STREAMS.

**ARTIST'S MECCA:** SAUSATUCK IS REPUTEDLY THE LARGEST OUTDOOR ART CENTER WEST OF NEW YORK. ARTISTS FROM EVERYWHERE ATTEND ITS NATIONALLY-FAMOUS ART SCHOOL AND PAINT VARIOUS SUBJECTS LIKE OLD BOAT WORKS, FISHING VILLAGES, BURIED CITIES, GHOST FORESTS, MARINE WRECKS, GIANT DUNES, FLOWERS AND FARM LIFE.

**SHADES OF WILLIAM TELL:** INDICATIVE OF YOUR STATE'S LEADERSHIP AS AN ARCHERY CENTER ARE ITS 12,669 LICENSES ISSUED TO BOW-AND-ARROW HUNTERS IN 1949, A 28% INCREASE OVER 1948. ARCHERS REPORTED "HILLS" OF 878 DEER AND FOUR BEAR.

**WORLD'S LARGEST TIRE PLANT:** U.S. RUBBER'S DETROIT PLANT YEARLY PRODUCES ABOUT 116 MILLION TIRES FOR AUTOS, TRUCKS, BUSES AND AIRPLANES. HERE ABOUT 6,000 MICHIGAN RUBBER SPECIALISTS, TECHNICIANS AND WORKERS DEVELOP, TEST AND PRODUCE ABOUT 10% OF ALL TIRES FOR THE AUTOMOTIVE INDUSTRY.
