EAST JORDAN, MICHIGAN, FRIDAY, NOVEMBER 24, 1950

NUMBER 47

## Blaze at Jordan Valley Creamery

CAUSES SOME DAMAGE AND DELAYS WORK 24 HOURS

The fire department was called out Friday evening for a fire at the Jordan Valley Co-operative Creamery. The large truck had been driven into the boiler room where some welding was being done on it, when some gasoline accidentally caught fire.

The fire was confined to the boiler room and operations were resumed inside of twenty-four hours.

### CARD OF THANKS

We would like to thank our friends and neighbors for their kindness and sympathy during the illness and at the time of the death of our beloved husband and father, Eugene Raymond. Also wish to thank Rev. and Mrs. Finley Holborn for their kind words and message, the singers and bearers, and Mr. Watson for his kindness and understanding.

Mrs. Eugene Raymond and Family.

### Homemakers' Corner

Home Economics Specialists Michigan State College

KNITTED DRESSES NEED SPECIAL CARE FOR GOOD LOOKS

Your fashionable knitted dress will continue to look well and give you good service throughout the holiday season and the winter if you follow a few simple rules in caring for it.

Suggestions from Florence Hann, extension clothing specialist at Michigan State College, remind us that knitted wool fabrics lose their shape more quickly than do woven fabrics. They are knitted of one continuous thread and do not have a filling thread that goes over and under warp threads as woven fabrics do.

Knitted fabrics cannot be brushed satisfactorily. It is a good plan to shake the garment gently after each wearing and reshape it as well as possible. Frequent airings are important.

Knitted dresses should be hung up between wearings—but more carefully than other dresses, so that they won't sag. If the dress is closely knitted and there is no excessive bulk in the skirt, the dress can be hung, with the shoulders straight, on a wide-shouldered hanger. However, the skirt should be drawn over the rod of a second hanger.

Another method is to hang the dress over the hanger's crossbar with the waistline placed carefully on the rod. If the dress is too wide for the hanger, fold it once lengthwise. If a budge develops at any point, dampen the wool slightly, re-shape it and dry it flat.

### OLD RUGS CAN BE REVIVED WITH DYE

Increasing prices of rugs and carpeting are causing many homemakers to take a second look at their old rugs and question whether they might be brightened and used a little longer.

You can revive an old rug and add several years of wear to it by giving it a dye bath, advises Dorothy Washburn, Michigan State College home economist. She believes the results are well worth the effort, that the cost is very little, and that it is not a difficult project.

It takes about six packages of the kind of dye that is boiled to dye a 9x12 rug. It is possible to combine colors of dyes to obtain a desired color as you would combine water colors or oil paints. Follow the directions on the package of dye for preparing it, but don't dilute it. Keep it full strength.

Put some of the dye in a pan, leaving the rest on the stove so that it can stay hot. Then take a scrub brush about 10 inches long and dip it into the dye bath. Scrub it into the nap of the rug, beginning at one end and continuing to the other end. It is preferable to dye it twice.

Let the rug dry thoroughly and then raise the nap with a carpet sweeper or a vacuum cleaner.

In a figured rug it is generally the background color that shows the wear. You can revive the background color by making a dye bath to match it and using a small brush. An old tooth brush will get into the smaller places successfully.

The time of the Union Thanksgiving service in the Presbyterian Church has been changed to 10:00 a. m. Thursday morning.

### Council Proceedings

The Regular Meeting of the Common Council was held Monday evening, Nov. 20, 1950, at 7:30 p. m. Present: Aldermen Rebec, Strehl, Burull and Clark. Absent: Mayor Malpass, Aldermen Bussler and Griffin.

Minutes of the last meeting were read and approved.

Bills were presented for payment:

Harry Hammond	\$116.00
George Kaake	72.00
Harry Simmons, sal. exp.	137.50
Ray Russell	126.90
Del Hale	54.00
Clarence Morehouse	10.00
Healey Hdwe.	10.56
Andy's Duck Inn	3.23
W. A. Porter Hdwe.	1,043.00
W. S. Darley & Co.	7.50
Badger Meter Mfg Co.	67.53
E. J. Public Schools	116.00
Strehl's Garage	22.90
Augusta Hayes	31.00
Mary Hayes	31.00
Hodgkiss and Douma	36.30
Consumer's Power Co.	173.04

Motion was made by Burull and supported by Rebec that the bills be allowed and paid. Carried all ayes.

Thelma M. Hegerberg, City Clerk

## Bowling News

Bowling in the Merchants league resumed after a two week layoff with Dip's Tavern team winning 4 points to move into a first place tie with the Canning Co. Dip's took the Recreation, winning the first game by 7 pins and the last by 21 pins, but their middle game of 874 topped the losers by 132 pins. Ed Nemecek sandwiched a 234 game between 187 and 177 to top the Tavern bowlers, while Barney Adair wined games of 204, 190 and 233 together for 617, tops for the Recreation.

The league leading Cannors lost the first and last games to the American Legion but won the middle game by sufficient to take total pins for their two points. Burl Braman's 520 with a 207 middle game was high for the Canning Co. and Al Dougherty's 498 with a 206 finisher was high for the Legionnaires.

After dropping the first game to St. Joseph when they rolled a 915 game, the State Bank came back to win the 2nd and 3rd games by a wide margin to take three points from the last place St. Joseph team. Rev. J. J. Malinowski was high for the Saints with 538, while Greg Boswell rolled 220-169 and 194 for 583, tops for the Bankers.

Monarch Finer Foods, aided by a 119 pin handicap, made things tough for Somerville's and scored a 3 point win, losing the last game by 39 pins as Somerville's came out of their extended slump with an 879 game. Spin Cihak had high for the grocers with 531 and Tony Shooks led the Ellsworth Cannors with 487.

The Anchorage and Thorsen's Lumber Co. split two points each as Thorsen's took the first game and total pins while the Anchorage, sporting new bowling shirts, won the last two games. Both Dick Hamerski and Gene Tiechman had 550 for the Anchorage, while Andy Anderson topped Thorsen's with 577, after getting away to a flying start with 203 and 224. State Farm Insurance dropped 3 points to Ellsworth Electric as they took the last game when Burn 'em up Don Clark found the range and after a six bagger came up with a 234 game to tie Ed Nemecek for high single game honors for the night. Herb Peebles led the Electric's with 538.

Team Standings	W	L

## Beware of the Careless Walker

A grim warning was given East Jordan's drivers today in a special statement by Chief of Police Harry Simmons.

"Winter—and all the dangers that it brings to drivers—is with us again. Indications of what we have in store for us this winter have already been felt. We can't ignore the obvious much longer!"

Chief of Police Harry Simmons cited two major dangers winter consistently pulls from its bag of deadly tricks to confound the unwary motorist—reduced visibility and slippery roads.

"During an average year, the National Safety Council tells us, the driver's vision was found to have been obstructed in one out of five fatal accidents. Of these, obstructions about two-fifths were rain, snow or sleet on the windshield." Chief of Police Simmons also quoted National Safety Council findings in talking about the dangers of slippery road surfaces and bad weather conditions. "An unfavorable road condition—wet, muddy, snowy or icy—was reported for one out of five fatal accidents. In one out of seven fatal accidents the weather was rainy, foggy or snowy."

Chief of Police Harry Simmons pointed out that the adverse weather conditions cited in these figures match perfectly with East Jordan's run-of-the-mill winter weather forecasts.

Chief Simmons warned motorists to check the safety equipment on their cars NOW—before winter settles down with a real vengeance. Particular emphasis was laid on the following mechanical features and equipment necessary for safe driving:

1. Equalized brakes.
2. Good tires.
3. Tire chains.
4. Bright, well aimed lights.
5. Defrosters.
6. Heater.

Although the hazards of winter driving should not be minimized, Chief of Police Harry Simmons said, a dead-pan fatalism on the part of drivers does not help the situation.

"It pays to be a little scared of winter driving," he said, "but the only real solution to keeping safe these months lies in foresighted, shrewd preparation for the conditions to be encountered, and in driving slowly—and being sure to follow the safe driving slogan for November—'Beware of the Careless Walker'."

## City Extension Club No. 1 Christmas Party and Election of Officers

The City Extension Club No. 1 will have a Christmas party and a lesson on Cooking Frozen Foods on Friday, Dec. 1st, at the home of Rose Adair. Mrs. Ole Hegerberg will assist as hostess with the noon lunch. Members are urged to be prompt in arriving at 10:00 a. m. so the leaders can begin the lesson and complete it before lunch. Each member is to bring a gift of her own choosing to reveal the name of her Secret Pal, also bring a 25c gift for the grab-bag. It is hoped some of the business meeting can be conducted in the morning to give most of the afternoon to the Christmas party. So members, please come early.

Rainbow Bar	35
Eagles	10

### Schedule for Dec. 4

Argonne vs. Eagles; Rainbow Bar vs. Town House; Don's Bar vs. Nite Hawk; Airport Inn vs. Spot.

## Advice On Town's Tree Care Given By MSC Foresters

The word "forestry" usually brings to mind large tracts of timber. However, Bill Love, Michigan State College forester, says towns and cities should think of "municipal forestry" as an aid to beautifying their communities.

In recent years many larger cities have established forestry departments to handle the work of planting and caring for city trees.

The forestry extension department of Michigan State College, realizing that only the larger towns can afford to hire trained foresters, offers assistance to communities wishing to develop sound programs of tree planting and care. Contracts for this service can be made through county agricultural agents.

Love, who heads the municipal forestry for the extension service, says: "We should not make the mistakes of city planners in the past; too many selected soft-wooded, fast growing trees such as soft maples, cottonwoods, box elders and Chinese elms. Such trees are too easily damaged by wind and sleet. Over-aged inferior species, quite often planted too close together, create a big maintenance and removal problem, and considerable training is required to accomplish the job safely."

Love suggests for replacement plantings—and on newly developed areas—the planting of hardwood long lived trees such as sugar maple, black maple, Norway maple, American sycamore, and hackberry.

Other good species are available, including special pyramidal forms of maples and small growing species for narrow crowded streets. He believes it would be well to limit spacing of street trees to a minimum of 50 feet or more to permit adequate room for root and crown development.

Municipal officials should address questions concerning their forestry problems to the Cooperative Extension Service, Michigan State College, East Lansing, Michigan.

At the South Arm Community 4-H Club meeting held at the South Arm Grange Hall, Wednesday, Nov. 8, Mrs. Clarence Lord was re-elected as Community Chairman. Other leaders elected were: Sewing, Mrs. Glen Campau and Mrs. Clarence Lord; Knitting, Mrs. Archie Murphy; Handicraft, Harry Pearsall; Recreation, Barbara Lehrbass and Audrey Ellsworth.

Mrs. Bill Zoulek was elected to the advisory board replacing Mrs. Liskum.

Games were played before the meeting and refreshments were served afterwards.

Smart Alec Tourist: "What's your speed limit?"  
Local Native: "Ain't got none! You fellers can't go through here too fast to suit us."

## Their Sixteenth Annual Meeting

GAYLORD PRODUCTION CREDIT ASS'N MET NOV. 10th

At its sixteenth annual meeting Nov. 10, 1950, the Gaylord Production Credit Association of Gaylord celebrated the fact that it has become entirely member owned.

The Gaylord PCA has the distinction of being one of 22 associations in the 7th Farm Credit District (Michigan, Wisconsin, Minnesota and North Dakota) that have repaid all their government capital and are completely owned by the farmer members.

President Arnold W. Ostrander of Afton reported to the association for the board of directors and A. J. Townsend, Secretary-Treasurer, gave the report of the Secretary. They brought out that from its modest beginning in 1934 when it began lending money to farmers for production and operating purposes with a member-owned capital of \$35.00 subscribed by the 7 original members; the Gaylord PCA has grown until today its members own capital and reserves amounting to \$127,290. On September 30, 1950 there were outstanding 398 loans totaling \$48,676. In the 16 1/2 years in between, the association has made 7749 loans for \$3,711,769 to assist members to operate their farm units soundly and economically.

One of the important events of the meeting was the election of one director. The nominating committee had previously nominated Raymond Shaffer of Hillman and Sheridan Rhoads of Comins to succeed Sheridan Rhoads whose term expired at this meeting. Mr. Shaffer declined the nomination and Mr. Rhoads was elected by unanimous ballot.

In addition to the business reports and election, President George Susens of the Production Credit Corporation of St. Paul took part in the ceremony celebrating complete member-ownership. A chart representing an orange graphically showed how the gradual repayment of Government capital by the association during the past 16 years had been accomplished. The peel of the orange was cut in segments, and as each segment was removed by President Ostrander the various repayments and the date when the capital was returned was shown. An over-sized check for the final payment of \$5,000 was presented Mr. Susens by Mr. Ostrander and Mr. Susens then presented the association with a certificate of complete ownership.

Mrs. Lyene Lenartowicz and Noreen Dreffs sang two duets accompanied by Mrs. Steve Glidden, all of Gaylord, and the Barbershop Quartet, the "Can't Hardly's", members of the Oscoda County Chapter of the SPEBSQSA entertained with several numbers. A delicious lunch was served at noon and prizes were awarded during the meeting.

### ODE TO THE FAULTLESS

They are safe, who never err;  
They've no regret at all;  
They never know remorse & pain  
Nor have a tear to fall.  
They never need be humble, for  
They never do a wrong;  
They nev'r feel the tempter's hand  
Nor hear the siren's song.  
They never pay the piper's price;  
They never dance and sing;  
They don't do this or that—in fact  
They don't do ANYTHING!

### HOW DOES YOUR DOG FIND HIS WAY HOME?

Lost in Indiana, a collie traveled six months to return to his master. A Belgian shepard, lost just before his owner moved away, arrived at the new home two months later. READ "How Does Your Dog Find His Way Home?" in The American Weekly with November 26 issue Detroit Sunday Times.

This is the season to apply the old saying about eating an apple a day. They are plentiful and offer economical and nutritious additions to your menus.

Out-of-season cottons and linens should be stored without starch and unironed. Starch may deteriorate the fabric and attract silverfish.

For a death-to-moths prescription for storing woollens, wash or clean them before storing. Brush them well—pockets inside out, cuffs down, collars up—and hang in the bright sun. Store them in an air-tight place.

## Substantial Check Received to Help Care For Polio Patients

A check for \$2,000.00 to help pay for medical care of local polio patients has been received by the Charlevoix County Chapter of the National Foundation for Infantile Paralysis, it was announced by Mrs. Walter Davis, Chapter Chairman. The funds were provided by national headquarters of the March of Dimes organization.

Heavy polio incidence this year, following the worst epidemic in the nation's history in 1949, has exhausted the local treasuries of many National Foundation Chapters, the chairman declared. A late September rise in cases indicates there will be more than 30,000 cases before the year is ended, Mrs. Davis said, making 1950 the second highest polio year on record.

Up to Oct. 31, 1950, the National Foundation had advanced \$7,070,619.00 this year to Chapters whose funds were depleted by both new and carry-over cases, Mrs. Davis stated. Chapters able to do so have been asked to contribute what they can for epidemic aid to Chapters in hard hit areas.

At present the Charlevoix Co. Chapter is providing for the care, in whole or in part, of 10 patients afflicted this year, and is continuing to pay costs for the care of 7 stricken in 1949.

## Harmony Extension Club Elect Officers

The Harmony Extension Club met Wednesday afternoon, Nov. 15, at the home of Mary Donaldson. Eight members were present. The following officers were elected for the coming year: Chairman, Reva Addis; Vice-Chairman, Mrs. Bertha Gilkerson; Sec'y-Treas., Mrs. Mabel Addis; Recreation Chairman, Mrs. Doras Bulmann; Project leaders, Mrs. Mary Donaldson and Mary Jane Addis.

The lesson, "The Cooking of Frozen Foods", was given. Much information on how to handle frozen foods before cooking and the best ways of cooking them was given. After the lesson a delicious lunch was served by the hostess. The next meeting will be Nov. 29th at the home of Mrs. Mabel Addis.

## Methodist Church

Rev. R. H. Moore, Pastor Telephone 20

Church 10:00. Church School 11:15.

Topic for last Sunday's sermon, "Public Spirit of God." The Cherubim Choir under the direction of Mrs. Schroeder sang, "Our God is the God of Love." There were ten in the choir. Receiving persons into the church is one of our most sacred services. It has been likened unto a marriage and certainly the vows are more binding. These vows cover the realm of mankind's existence as follows:

1. We confess salvation from sin by power of Jesus Christ.
2. Acknowledge Him as our spiritual ruler.
3. Promise to learn, believe, and be guided by the New Testament and its Theology.
4. Promise to be regular in worship and prayer, both in the church and our home.
5. Promise to accept Him as our Savior and regularly receive the spiritual blessing that He gives us through His church and sacraments.
6. Promise to be loyal to the Methodist Church by our presence, gifts and personal service.
7. Promise to renew the solemn promise and vow that was made at our baptism. (Open our heart or complete being unto God). Mrs. Esther Ellen Persons and Mrs. Grace Gwendolyn Bartlett were baptized and taken into the church membership. Mrs. Agnes Darbee and Mrs. Mildred Karr were sponsors. Mrs. Mable Lulu Winstone also became a member at this service. Rev. Moore was assisted by Paul Bowen and Chris Schroeder.

The District Supt. will be with us Dec. 20th to discuss with the congregation the advanced work of the church.

The Christmas party will be Dec. 21st.

The Mary-Martha group met with Mrs. Sue Penfold last Friday night. A bountiful Thanksgiving-style supper was served. There were about twenty ladies present. Mrs. Palmer gave a talk on the true meaning of Thanksgiving. Beautiful birthday cakes honoring Mrs. Palmer and Mrs. Elsie Gotro were served with delicious ice cream. The December meeting will be with Mrs. Mabel Winstone.

One man in a thousand is a leader of men; the others follow women.

Coming Sunday! In The American Weekly, the great color magazine distributed with Sunday's Chicago Herald-American, read how a dog traveled 1,000 miles over unfamiliar roads to return to his master. How did he do it? What extra sense guided him? Don't miss "How Does Your Dog Find His Way Home?" Sunday in The Chicago Herald-American's great color magazine!

When a man is thirty, the girls all ask, "Who is he?"  
When he is forty, they ask, "What is he?"  
When he is fifty, they ask, "What has he?"

"Say," remarked the boss to his secretary, "who told you that you could neglect your office work just because I hug and kiss you now and then?"

"An expert on such matters," cooed the pretty stenographer, "my lawyer."

The traveling salesman was telling his cronies of an experience he had had a few days before. "I was driving through the hilly country, when I saw targets painted on every tree and post in sight, and each sported one bullet hole in the dead center of the bull's eye. Curious to learn how any man could be such an accurate shot, I inquired at the village and was amazed to learn the marksman was the village dimwit. I went over to him and asked, 'How do you happen to be such a dead shot?' 'Easy as pie, he answered. 'I just shoot first and paint the target afterwards.'"

## United Fund Campaign

MORE MONEY FROM MORE PEOPLE SHOWN IN UNITED CAMPAIGNS

More money was raised from more people than ever before in this fall's United campaigns, Wilbur H. Norton, chairman of the United Health and Welfare Fund of Michigan drive, told his vice-campaign chairman in a special report sent out November 17th.

"Some idea of the growth of acceptance of the United campaign plan is found in the fact that counties representing 80 per cent of the giving potential of the state campaigned this fall, a greater percent than last fall, which indicates a drift toward October campaigns," Norton said. "The willingness of campaign leadership to assume responsibility and the people to pay out dollars for the efficiency and economy of United campaigning is shown in some startling figures," he said.

"Detroit, when its Torch Drive raised almost ten and a half million dollars for 101 per cent of goal raised 178 percent of the amount raised in its last Chest drive prior to United campaigning. Pontiac raised 153 per cent, Flint, 152 per cent, Saginaw, 137 percent, Ypsilanti, 135 per cent, Monroe 130 percent and Lansing 128 per cent to name a few outstanding examples of increase over the last 'Chest only' appeal."

Norton, a General Motors vice-president, paid tribute to the part played by organized labor in the success of the drives. "Without the wholehearted support of labor, with the cooperation of management, the story of this fall's campaigns would be far different. In Saginaw the industrial employee division raised 230 percent of last year and signed up 35 percent more givers and in Ypsilanti the labor division was up 353 percent of last year's performance. "Farm people, too, have been generous contributors, but a rural solicitation calls for much more manpower for a completely covering campaign," Norton said.

The chairman pointed out that the United Fund is accomplishing its purpose of reducing campaigns, calling attention to the fact that the Red Cross was a part of industrial solicitation in Detroit, Pontiac, Ypsilanti, Monroe and Ottawa County.

The March of Dimes also raised money in industry in Detroit and Ottawa County. Cancer was a part of United campaigns in Saginaw, Barry, Calhoun, Ottawa, Newaygo, Gratiot, St. Clair, Huron and Emmet counties, and in the industrial portion of the Detroit Torch Fund.

The group devoted much of its attention to campaign plans for February drives. "Despite the successes of our fall campaigns," Norton said, "we still have twenty per cent of our goal to shoot for in February."

The United Health and Welfare Fund of Michigan has a goal of \$1,818,083 for its 29 member agencies.

**PENINSULA...**  
(Edited by Mrs. Emma Hayden)

Mr. and Mrs. Leslie Arnott and family of Grind Stone City spent last week visiting his brother and family, Mr. and Mrs. Chas. Arnott. Les did not get his deer.  
Mr. and Mrs. Wilfred Arnott and son, Jody, of Wayne spent last week with Mrs. Mercy Perry of Boyne City, and his brother, Chas. Arnott and family. Mr. Arnott was also one of the deer hunter army.

Mrs. Wilfred Arnott and son and Mrs. Mercy Perry spent Saturday visiting their cousins, the Reich and Hayden families.  
Clarence Mullet of Fremont and two other car loads of deer hunters are staying at the Mullet farm.

Michigan Bell Telephone sent out a man to survey and set stakes for our new line with a promise of new phones in 30 days. We have been without service since the middle of Sept.

Mr. and Mrs. K. C. Festerling and family of Potoskey attended the 4-H Club party Nov. 11th at Star. I think they were very brave to come so far considering we had 24 inches of snow and many of our club members didn't attend and they only live a mile or so away.

Ora Holley was on the Peninsula making calls Friday.  
Eleven present at Sunday School. For the next three Sundays they will meet at the Hayden home because it is so hard to heat the schoolhouse for the 10 o'clock class.

Mr. and Mrs. Alfred Reich were called to Muskegon because of the serious illness of his brother, Emmanuel Reich. They expect to be gone about a week.  
Mrs. George Newson made her third call on her house survey on Friday.

Mr. and Mrs. Malcomb McDonald announce the arrival of a son, Nelson James, Nov. 12 at Lockwood Hospital, Potoskey. Mrs. McDonald and son are staying with her parents, Mr. and Mrs. Orvel Bennett, until she is able to care for her home and son.

Mr. and Mrs. Alfred Dietz of Spring Lake spent a couple days with her parents, Mr. and Mrs. N. D. McDonald, and other relatives.  
Mr. and Mrs. Dietz were deer hunting at Kalkaska, Mr. Dietz being one of the lucky hunters.

Mr. and Mrs. Robert Hayden and daughter, Esther, spent Thursday evening at the F. K. Hayden home.

Mr. and Mrs. Geo. Fine and family of Grand Ledge spent last week with her mother, Mrs. Jessie Papineau, and sisters, Mrs. Orvel Bennett and Mrs. Geo. Hardy. The menfolks went out east deer hunting.

Mr. and Mrs. Thos. Hayden and daughter of Elk Rapids and Mr. and Mrs. F. K. Hayden and family were Sunday guests of their sister and daughter, Mr. and Mrs. Ken Staley of Charlevoix. Mr. and Mrs. Thos. Hayden will spend the week here. He has a week's vacation for deer hunting.

Newlyweds getting off train at resort. "John, dear," said the bride, "let's try to make people think we've been married a long time."  
"O. K. honey, you carry the bags."

Definition of a chaperone: An old maid who never got on the first team but still wants to intercept a few passes.

**FARM FACTS**

**County**  
**Agricultural Agent**

**CLUB NOTES BY K. C. FESTERLING**  
While the county agent is out in the woods learning about deer and deer hunters, the job of writing this column falls to yours truly, the 4-H Club Agent. As of this writing, Ed Rebmam, County Agent Deer Hunter, has not bagged his buck. Will some of his friends please save him a piece of venison?

The Eveline community is bound for success in 4-H Club work this winter. Those offering to lead clubs in that community are William Schneider, Mrs. John Brock, Mrs. Harold Thomas, Mrs. Homer Nasson and Mrs. Douglas Knudson. This group met with the 4-H club agent at the home of Mrs. Harold Thomas last week to complete plans for getting the club program running in that community.

Interest in club work has sprung up in the Loeb Community and it looks like the program will get under way this winter with a handicraft and clothing club. Leadership is not definite but it has been hinted that Mrs. Addison Chew will lead the girls and Mr. Donald Mort will take care of the boys. The knitting clubs of East Jordan are going great guns, so the youngsters here have been telling me, who attend the East Jordan school. Their leaders are Mrs. Leatha Larsen and Mrs. L. B. Karr.

The Horton Bay school is planning to have a handicraft club for boys and a clothing and knitting club for girls. Leadership for the projects has not been selected.

The South Arm Community Club who are the state champions in model business meeting demonstration work are still waiting for their check for \$50.00. The group has demonstrated their ability before the Rotary club in East Jordan and the annual meeting of the Farm Bureau at Charlevoix but the presentation of the award will be made at our winter 4-H leader's meeting.

4-H Club members were made happy this past week by the delivery of the premium checks won at the Charlevoix County Fair. Often a club member is so happy about his premium that he fails to cash his check within 30 days of its dating. Club members should take note of this date and cash their check immediately. Total premiums paid to 4-H club exhibiting at the 1950 fair was \$442.20. This was for 471 entries.

The Charlevoix 31 club are aspiring to build for themselves a meeting place. This older youth group which is purely a recreational organization has membership from Maple Grove, Burgess, Murray, North Bay, Bay Shore and Carpenter communities. Until now they have been privileged to use the Murray school for their meetings. The people of Murray community feel that the responsibility of providing a meeting place for these folks should be shared by all communities. This group of young people are planning to build a community building. The area needs a hall for community and recreation. Perhaps everyone in the area can put their shoulders to the wheel and help these young people build a meeting place.

The Charlevoix - Emmet 4-H Club agent plans to be in Chicago Nov. 25 to Dec. 1 attending the National Club Agents Association meeting at the Hotel Stevens and to take in some of the functions of the National 4-H Club Congress. Delegates attending this Congress from the northern area and riding with Mr. Festerling will be Eleanor Harmon of Cheboygan, Greta Goerke of Top-in-a-Bee, Jack Hummel of Frederic, and Glen Ernest of Potoskey. This group is riding with Mr. Festerling on Saturday morning. Betty Warner of Route 1, Charlevoix, and Walter Hufford of Route 3, Potoskey, will attend the International Livestock show at Chicago Nov. 27, 28 and 29. These two people will be sponsored by the Grand Rapids Press and will travel by bus from Grand Rapids. Last year Emmet county did not have a trip winner but from Charlevoix, Dick Jolliffe of Route 1, Charlevoix, attended. Both, the trip to the International and to the Club Congress will provide thrills never to be forgotten by those who attend.

Medals for outstanding work in the county have just been received by the 4-H Club office and will be awarded in the spring to the following:  
Girls Record — Betty Warner.  
Meat Animal — Wayne Murphy.

Garden — Frank Russell, Rose Marie Lehrbass, Ernest Hayden, Sandina Liskum.  
Canning — Connie Russell.  
Home Ground Beautification — Fayth Redmer.  
Food Prep. — Audrey Elsworth

# The School Bell...

**ATHLETICS**  
The East Jordan school noon program has gotten under way under the supervision of Gayle Saxton, East Jordan Coach. Three days a week have been allotted for the ten Junior high basketball teams, one day a week is for girls basketball, and one day for dancing.

**HISTORICAL EXHIBIT**  
The 6th annual tour of the American Historical Foundation brings to the East Jordan an exhibit, the only one of its kind in the world, of Historical newspapers and Americana dating from the American Revolution to the World War.

The collection will be exhibited from 9 a. m. to 3:45 p. m., Monday, Nov. 27, in the East Jordan High School Gym. The public is invited.

The exhibit includes the first newspaper, Colonial newspapers up to 1800, death papers of Washington and Lincoln, actual first hand accounts of the war of 1812, the Mexican war and the Civil war, armistice papers of the World War and the first American casualty list printed the day after the battle of Concord, 1775.

No American should miss seeing this exhibit which represents the struggle for Democracy of our illustrious forefathers.

**THANKSGIVING**  
"Over the river and through the woods, the teachers' home will go?"  
The high school and elementary teachers gave our inquiring reporter the following plans and comments for their Thanksgiving vacation:

Mrs. Drapeau — "eating at Karr's."  
Mrs. L. Larsen — "at home as usual."  
Miss Dorr — "going home to Merritt."  
Mrs. Brown — "home on Main St."

Mr. Michaels — "going home to Iron River if my car is fixed."  
Mr. Downing — "I'm going to hunt deer and eat turkey."  
Mrs. Karr — "entertaining the Drapeaus."

**WEST PENINSULA...**  
(Edited by Mrs. Wm. Gaunt)

Farm Bureau of the Peninsula met at the Orville Bennett home Friday evening with a very small attendance as so many men were too tired from tracking deer, or what was it?

A stork shower was held at the Harry Howard home last Friday in honor of Mrs. Mac MacDonald. She received some lovely things. The following week Mrs. MacDonald had an 8 lb. 10 oz. son, Nelson, at the hospital. Mother and son are staying for a while with her parents, Mr. and Mrs. Orville Bennett.

Edwin Phillips of the Rustan, who has spent a week with his family, leaves Monday for Detroit to audit books for the Jewell Tea Co.

Mr. and Mrs. Howard Peters and son of Boyne City spent Sunday afternoon with their cousins, Mr. and Mrs. Wm. Gaunt, Sr.  
Butch, son of Mr. and Mrs. Harry Howard was kept from school last week entertaining the chicken pox.

Ralph Gaunt, Jr., of Bridgeport and friend, Jim Holcomb of Saginaw, spent the week end with Ralph's uncle and aunt, Mr. and Mrs. Wm. Gaunt, Sr., looking for deer but with no results.

The new building at the Porter Cherry Orchard is developing fast. They have the sides all boarded up and the roof on. It makes a nice improvement on the place.

Mr. and Mrs. Lester Hardy and two children of Deer Lake spent part of Sunday with the Loyal Barbers.

Mr. and Mrs. Wayne Figg and son of Diamond Dale spent the week end with Mr. and Mrs. Roscoe Barber doing some deer hunting but with no success.

Mr. and Mrs. Cash Brooks spent Sunday with their brother and wife, Mr. and Mrs. Fred Crowell.

Ruth Ann and Bobbie Crowell spent Saturday night with their grandparents, Mr. and Mrs. Fred Crowell.

Very few deer have been shot in this district. Messers. Hawley, Sutton, Chanda and Pearce are the only lucky ones I have heard about so far.

Achievement — Howard Campbell, Betty Warner.  
Dairy Ach. — Walter Murphy, Paul Liskum, George Nelson, Margaret Lord.  
Clothing — Rheta Boss.  
Tractor — Jim Jolliffe, Dick Bailey.  
Poultry — Fayth Redmer, Dale Warren, Gary Redmer, David Smith, Rose Marie Lehrbass.  
A special award from General Foods Inc. has been received for Miss Joyce Fiedler, outstanding Food Preparation member. This award is a 14-piece baking set. This award too will be presented on spring achievement day.  
K. C. Festerling,  
Dist. 4-H Club Agent.

Mr. Ogden — "I'll be somewhere in town"  
Mr. Damoth — "stay at home as I have for the last 15 years"  
Mr. Richardson — "going to Adrain"  
Mr. Acitilli — "going home to Detroit if weather permits"  
Mr. Schroeder — "entertaining relatives from Detroit"  
Mr. Wagner — "staying here"  
Mr. Wade — "eat turkey all day"

Mr. Jankoviak — "going to Downing's"  
Mr. Saxton — "staying home and eat duck"  
Miss Dhaseleer — "don't know, might go home"  
Mrs. Snyder — "depends on hunting, might go to Traverse City"

Mrs. Johnston — "planning on going to my niece's wedding at Mt. Pleasant"  
Mrs. A. Larsen — "going to Mancelona for dinner"  
Mrs. Hughes — "dinner at mother and father's"  
Mr. Malone — "going to Kalamazoo for dinner"  
Mrs. Stokes — "eat at home"  
Mrs. Liskum — "rest on Thursday, wash on Friday"

Mrs. Brooks — "stay at home"  
Mrs. Galmore — "get dinner for 17 people"  
Mrs. Bowerman — "plan to go away but children have chicken pox"

Mrs. Seiler — "my husband, Parker and I are going to Milwaukee to visit Gayland, his wife and children"  
Mrs. Sidebotham — "stay at East Jordan"  
Mrs. Severance — "no idea as yet"

Mrs. Hager — "going to Charlevoix to see my daughter"

**SCHOOL DANCE**  
A burlap tunic with drawing bloomers—lumber jack attire—Daisy Mae dresses and other comical costumes appeared at the Sadie Hawkins dance, Nov. 10th. The scene's background was of cornstalks and baled hay. The place was the East Jordan high school gym.

The senior class greeted a large crowd, but only one person, Bill Walker, paid the 10c fine for not being appropriately dressed.

Three prizes were offered, one for the best dressed girl, one for the best dressed boy and one for the best dressed couple. Because of the amusing costumes of three couples the judges awarded the prizes to the following boys and girls: Mae Evans and James Bowman, Virgileen Thompson and Charles Fairbanks, Shirley Murphy and Elwin Evans.

**KNITTING**  
Two 4-H knitting clubs have been organized in East Jordan, under the leadership of Mrs. Alma Larsen, Mrs. Mildred Karr and Mrs. Leatha Larsen.

Mrs. Alma Larsen has 26 sixth graders in first year knitting. Co-leaders, Mrs. Leatha Larsen and Mrs. Mildred Karr, have 40 in first year, 33 in second year and 12 in third year knitting.

Members of the latter club are from the seventh through twelfth grades.

**TEACHER'S PARTY**  
About 50 attended the first teacher's party held at 6:30 Tuesday, Nov. 14, in the Home Economics room. Mr. Schroeder and Elizabeth Dhaseleer were co-chairmen. Mr. Richard Schroeder also acted as Master of Ceremonies.

A turkey dinner was followed by several games including canasta.

The committees were as follows:  
Cooking and serving — Leatha Larsen, chairman, Alma Larsen, Clara Brown, Harry Jankoviak and Lois Dorr.  
Decorations and tables — Lois Snyder, chairman, Agnes Johnston and Elizabeth Dhaseleer.

Clean-up — Charles Michaels, chairman, Helen Severance, Marie Hughes, Grace Galmore, Ernest Wade, Gayle Saxton, Emile Acitelli, Sherman Conway, Louise Scott and Frank Malone.  
Program — Richard Schroeder and Adeline Bowerman.

**FIRST Grade — Mrs. Brooks**  
We have many absent on account of sickness.  
Several children reported a successful deer hunt for their families.

Our new pupil is Emily Compo. She came from Escanaba.  
Larry Dreth from Ann Arbor spent Monday visiting our room. We liked to hear him read to us. This was his room when he was in First Grade. We hope to learn to read too.

Larry Eichler has a new baby brother. His name is Arthur. Larry has not seen him yet, but expects him to be home from the hospital before Thanksgiving Day. Billy Gardner is sick with pneumonia. He is in a hospital.

**FIRST Grade — Mrs. Bowerman**  
Now we are all at least 6 years old. Ella Mae Tousley had her sixth birthday on Sunday, the 19. We are keeping our number,

writing, reading worksheets and art papers to put into a booklet to take home with our report cards.  
We hope the boys and girls who are absent because of colds or flu will be better soon.

**SECOND Grade — Mrs. Johnston**  
Last week we finished our fireplace. We are enjoying it during our story hour. Suzie Stinchcomb brought a little blue rug and Judith Gokee and Donelda Scott brought little rocking chairs to place in front of the fireplace. Helen Addis supplied the red paper for the imitation flames for the fireplace. They look very real.

Last Thursday we found that many of us had at home many interesting books we could read. Some of the books read during American Book Week were: The Little Blue Train, Dickie and the Indians, The Three Bears, The Little Fat Policeman, The Little Red Hen and Peter Pot. A few of us picked poems to read. Jean Kraemer enjoyed reading from her Child's Craft Book.

Loretta Sineway had a birthday last Thursday. We all drew a Thanksgiving picture for her and sang the birthday song. Judith Gokee furnished candy for the occasion.

We will have our first assembly Wednesday morning. Some of the classes are preparing special songs and plays for Thanksgiving.  
Catherine Kamradt brought a cactus plant to school for our room.

**FOURTH Grade — Mrs. Galmore**  
The boys and girls in our room have shown a great deal of interest in library books. We are proud of our chart "The Land of Good Reading." It is covered with miniature bright colored book jackets. Twenty-five pupils have read and reported on books. Those reporting on five or more are:  
Earl Parks 35, Anita Petrie 7, James Corell 25, Curtis Thompson 5, Loren Wycoff 23, Robert Murray 6, Wayne Long 22, Bonnie Barnett 5, Kenneth Crawford 21, Donald Russell 17, Paul Bowen 16, Donna Neumann 11, Lois Elsworth 11, Gary Cihak 10, Gary St. Charles 9, Danny Bennett 9, Sanford Sweet 8.

We learned a new song "Books are like a magic carpet that takes me everywhere." Since we have found out that what it says is true we enjoy singing it more.

The cherries on the Jerusalem Cherry plant which Mrs. Myers gave us are beginning to turn red. We will enjoy them at Christmas time.

Last week we worked on our first maps. The movie "What is a Map?" helped us to understand more about them. When the maps were finished most of the pupils asked their mothers if they might have them on the wall of their room at home.

Mrs. Galmore is reading us the book "Treasure Island." — Anita Petrie.

**FOURTH Grade — Mrs. Snyder**  
David Damoth told us about his trip to Grand Rapids to see Roy Rogers. Robert Healey went to Saginaw on Sunday to see Roy Rogers. Both boys enjoyed the show very much. Thelma and Patsy Zoulek returned from a trip to Iron Mountain and Wisconsin. Their father was hunting and they

visited relatives.  
We are reviewing our study of the Amazon Basin this week. Our next trip in Geography will be to the land of the Eskimo.

Tom Eichler told that he has a new baby brother. His name is Arthur.  
Many boys and girls told us interesting deer stories. No one's father has one yet. We wonder who will be first.

**SIXTH Grade — Mr. Malone**  
This week we are having Thursday and Friday off because of Thanksgiving.  
Mr. Malone is reading us a book called "Barney Hits the Trail." It is very interesting.  
Judy Lilak and Carol Klooster made a calendar about the Pilgrims coming over on the Mayflower.

We are going to have chicken or turkey, mashed potatoes and gravy, cranberries, bread and butter and milk for Thanksgiving. — Karen Bradshaw, Reporter.

**SIXTH Grade — Mrs. Larsen**  
Jean Ann Patted wrote us a letter from Wall Lake. In this letter she told us what her school looked like. She is going to start to Catholic School this week. We all wrote her a letter today. — Sandra Boswell.

The boys in our room play basketball noons in the gym. We are going to give a play for Thanksgiving assembly. It will be Wednesday morning. Our whole room will be in it. — Patsy VonSoosten.

At Thanksgiving the brothers and sisters of the Graham family around East Jordan are spending the day together. It will be held at the South Arm Grange Hall — Martha Lord.

In arithmetic we are studying fractions. We are reducing fractions to lowest terms. We have already found fractional parts of a number. — Mariann Donaldson.  
My two uncles, Pep and John Bowman, each got a deer. — Freddie Palmiter.

We are planning to go to Owosso for Thanksgiving to see my sister. If the weather is bad we are not going. — Shelby McClure.

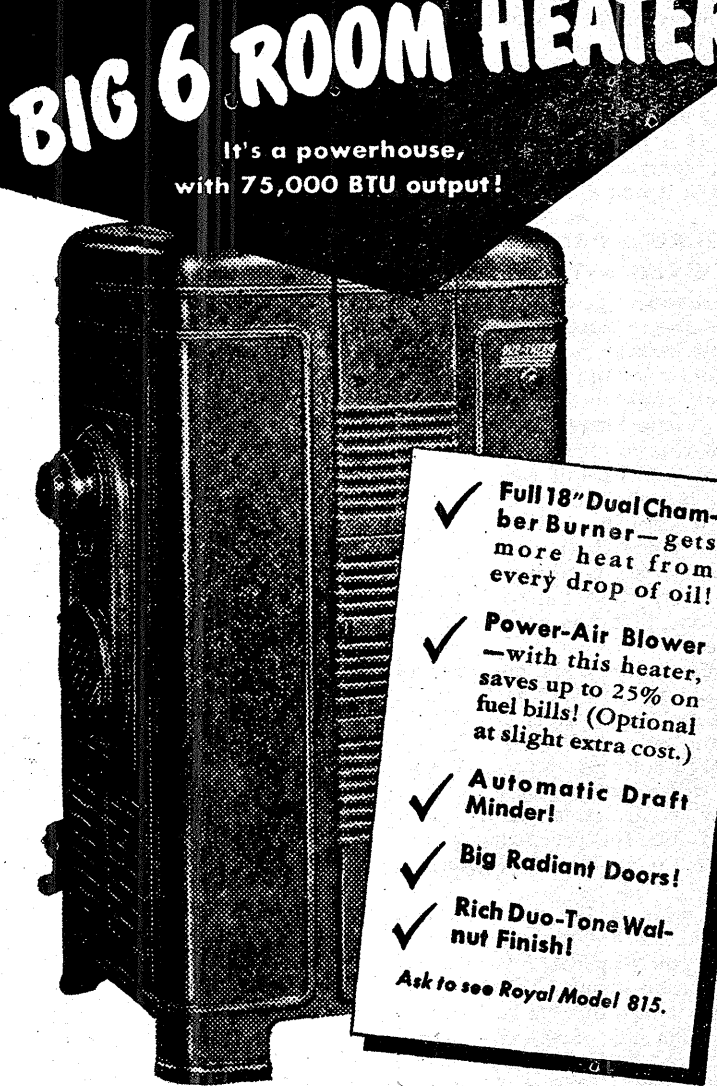

Neal Evans brought a coconut to school. He got it from his grandmother who is living in Florida. — Faye Bennett.

PROBATE ORDER  
Hearing of Claims

State of Michigan, The Probate Court for the County of Charlevoix.

In the Matter of the Estate of Ransom Jones, Deceased.

At a session of said Court, held in the Probate Office in the City of Charlevoix, in said County, on the 8th day of November, 1950. Present: Floyd A. Supp, Probate Judge.

The above estate having been admitted to probate and William G. Boswell having been appointed Administrator.

It is Ordered, That 2 months from this date be allowed for creditors to present their claims against said estate for examination and adjustment, and that all creditors of said deceased, are required to present their claims to said Court, at the Probate Office in the City of Charlevoix, on or before the 9th day of January, 1951, at two o'clock in the afternoon, at which time claims will be heard.

It is Further Ordered, That public notice thereof be given by publication of this order for three successive weeks previous to said day of hearing in the Charlevoix County Herald, a newspaper printed and circulated in said county.

FLOYD A. SUPP,  
Judge of Probate.  
Certified a true copy.

**NOTICE OF SPECIAL TOWNSHIP MEETING AND ELECTION AND OF REGISTRATION OF VOTERS**

WHEREAS, at a meeting of the Township Board of the Township of Eveline, Charlevoix County, Michigan, held on the 6th day of Nov., 1950, a franchise ordinance was adopted, entitled as follows:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to construct, maintain and commercially use electric lines consisting of towers, masts, poles, cross-arms, guys, braces, wires, transformers and other electrical appliances on, along and across the public highways, streets, alleys, bridges and other public places, and to do a local electric business in the TOWNSHIP OF EVELINE, CHARLEVOIX COUNTY, MICHIGAN, for a period of thirty years.

WHEREAS, said Consumers Power Company has heretofore filed its written acceptance of said franchise, and has requested that the question of confirming the grant thereof be submitted to the qualified electors of the Township, at a special election to be held for that purpose, and has also paid to the Township Board the estimated expense of holding such special election; and,

WHEREAS, there has been heretofore filed with said Board, a petition signed by at least twelve electors, requesting that a special township meeting and election be called for such purpose;

NOW, THEREFORE, pursuant to resolutions adopted by said Board, notice is hereby given that a special meeting and election will be held in said Township at Township Hall, on Monday, the 18th day of Dec., 1950, for the purpose of voting on the confirmation of the action of said Township Board in granting such franchise.

The polls of said election will be opened at 7 o'clock in the forenoon, or as soon thereafter as may be, and will be held open until 8

Michigan is one of four states where lower schools in city and country are sadly lacking. So says the National Education Association. That group says slow gains have been made but high building costs and increased enrollment complicates the financial situation.

The Michigan Unemployment Compensation Commission has a reserve balance of about \$220,000,000 an all-time high. Harry C. Markle, executive director, says that amount is "still far from sufficient to see the state through a long period of economic upset and unemployment."

Detroit now offers a unique legal service. To aid those unfamiliar with procedures for hiring a lawyer or seeking legal advice a lawyer reference service has been set up. Appointments are made by telephone.

The highly touted color television has found its niche. Some 600 doctors of Michigan recently watched a televised operation. The use of color makes this medium excellent for medical schools.

Some 1,300 of Michigan's imported Puerto Rican laborers are missing. Of the 5,700 flown here only 4,425 can be found. No one is worried, assuming they are finding their own way home or have taken employment in factories.

Flint has saved the government \$1,000,000 in the last eight years by administering its own rent control. When controls were set up in 1942, Flint devised a plan to "keep the bureaucrats out" and it has worked smoothly and efficiently under local management.

The automobile industry, Michigan's largest industry, is worried over metals. The proposed cut-back of copper and aluminum has filled the industry with doubt and uncertainty. Car production may be hit harder than was expected.

Who is governor? It's like that old "Who's on first base" story. Now more than two weeks after election when Michigan should be looking forward to Christmas the \$20,000 (per year) question: Who is governor?

The legislature was in a dither as confusing as that surrounding the average citizen. Would they

o'clock P. M., Eastern Standard Time. The Township Clerk will be in his office on the 28th day of Nov., 1950, said date being the twentieth day, as determined by statute, preceding the date of said election for the purpose of reviewing the registration and registering such of the qualified electors of the Township as shall appear and apply therefore, which registration may be made on said date between the hours of 8 o'clock A. M. and 8 o'clock P. M., Eastern Standard Time.

Said franchise as granted by said Board is on file with the undersigned Township Clerk for the purpose of inspection by the qualified electors.

BY ORDER OF THE TOWNSHIP BOARD.  
RALPH PRICE,  
Township Clerk.  
Dated, Nov. 6, 1950. 45-2

**FOR SALE TO HIGHEST BIDDER**

The Finance Committee of the Board of Supervisors of Charlevoix County, Michigan, and the County Treasurer of said County, by authorization, will receive bids in writing until THURSDAY, the 7th DAY OF DECEMBER, 1950, at 10 a. m., at which time said bids will be opened and read at the COURT ROOM in the CITY OF CHARLEVOIX, MICHIGAN, for the purchase of:

Twenty Five (25) SHARES of the capital stock of the CHARLEVOIX STATE SAVINGS BANK, a Michigan banking corporation, of Charlevoix, Michigan, of the par value of \$100.00 each; and which said stock is now owned by said County of Charlevoix.

ALL BIDDERS AND INTERESTED PERSONS ARE REQUESTED TO BE PRESENT AT SAID TIME AND PLACE IN CASE THEY MAY WISH TO RAISE THE HIGHEST BID THEN RECEIVED. SALE WILL BE FOR CASH.

The right to accept or reject any and all bids is expressly reserved to the undersigned.

Address all bids to the COUNTY TREASURER, at CHARLEVOIX, MICHIGAN.

Finance Committee of said Board of Supervisors, by Howard Stephens, Chairman.

Lillis M. Flanders,  
County Treasurer.

adjourn, now that Williams' 12 appointments were blocked? Their six-month's recess was stretched on to Dec. 30. The lawmakers just couldn't hang around Lansing with nothing to do while the gubernatorial seat was being fought over.

But Christmas will not be denied. Behind the tinsel of store decorations lurks the shadow of ever-present inflation. Merchants expect a record season—if they get out and hustle. Higher prices have raised Michigan sales resistance.

The dollar is now worth only 60 cents—lowest purchasing power it has commanded since 1914 when the federal reserve system was set up. This decrease in value is cutting the treasury's "E" bond sales. Ten years ago, if one invested \$75, he now gets \$100 in return—which will still buy only \$60 worth of food.

With the holidays comes bad weather. And already Michigan's traffic toll is pushing to higher figures. Safety officials hold their heads and ask drivers to use care on icy roads.

Senator Vanderberg's fight to regain health has become top news in Washington. Internationalists believe the powerful voice of Michigan's senior senator is needed if victory-flushed isolationists are not to reverse the whole recent trend of American foreign policy.

**FARM FACTS**  
from your  
County  
**Agricultural Agent**  
Ed. Rebman, Co. Agr'l Agent

**BARN CLEAN-UP FOR SAFETY:**

Approach of winter means it's time for a thorough barn clean-up says E. Rebman, county agricultural agent, who points that the barn will soon become the principal work center for daily farm chores.

Unfortunately, there are hazards in many barns and feed lots in Charlevoix county, the agent reports.

Following are some of the clean-up recommendations advocated by David Stenicke, extension safety specialist at Michigan State College:

Clean out alleyways and work areas which have become obstructed by feed, tools, harnesses, carts or other objects. Avoid storing loose materials overhead.

Check your barn for things that may cause falls. High door sills, changes in floor levels, weak boards, protruding cleats, or other tripping hazards should be removed. All floors should be made smooth, solid and continuous.

Dust off light bulbs and replace those that have gone out to provide maximum light during dark winter mornings and evenings.

Loft doors, feed chutes, and ladders are accident hazards in most barns, Stenicke says. He strongly recommends that a hand rail be added to stairways and that the steps be kept clear at all times. Where it is necessary to use a ladder, see that it extends well above the loft floor, and check the rungs to make sure they are secure.

**BIG COW COST IS FEED:**

"Keep down the cost of feeding the dairy cow and the battle is half won," says J. G. Hays, extension dairyman, Michigan State College.

County Agents Ed Rebman has arranged to have Hays tell about feeding the dairy cow at a meeting set for 2:00 p. m. at Boyne City, Wednesday, Dec. 6. Anybody interested in milk production is invited to attend.

It doesn't do to keep the feed bill down by skimping on the amount of the cow's grub. If the cow is to roll out all the milk she is capable of making, she must be amply fed. If she produces economically, she must be fed the right rations of roughage and of grain. She must have the right pasture. Feed is an important item to watch closely because it amounts to about half the total cost of producing milk.

How to work out a feeding program in a practical way will be covered in Hays' talk. He will cover management problems such as the feeding of minerals. There will be ample time for questions.

**Cow Producing 200 Pounds Fat Not Profitable**

A dairy cow that produces only 200-pounds of butterfat a year isn't making a profit for her owner, regardless of costs and milk prices, thinks Larry Johnson, dairy extension specialist at Michigan State College.

This is shown by the production records in Dairy Herd Improvement association herds in Michigan. The 1949 association cows that verged 200-pounds of butterfat, consumed \$126 worth of feed, and returned \$106 over feed costs.

These cows did not "pay their way" by about \$20 if we go on the basis that feed costs represent half the total cost of keeping a cow. The DHIA analysis shows that in Michigan, a cow should produce close to 250-pounds of butterfat a year to make a profit for her owner.

As the average production levels increased, the relationship between total production cost and net income became more favorable. For instance, the average butterfat production for all cows enrolled in associations in 1949 was 351 pounds. These cows consumed \$157 worth of feed and returned \$247 over feed cost to their owners.

Cows that produced 500-pounds of butterfat the same year consumed \$188 worth of feed and returned \$378 over the feed cost. The 1949 average butterfat level of 351 pounds for DHIA cows is an all-time high figure and represents a substantial increase over the 247-pound average for 1920, and the 215-pound average for 1905, the year that cooperative cow-testing and record-keeping began in Michigan. Michigan had the first association in the nation.

**Advise Early Start By MSC Economists For Farm Agreement**

Foundation for a successful father and son farm operating arrangement often begins very early in the son's life, says H. S. Wilt, Michigan State College agr'l economist.

The spirit of father and son working together often starts during the son's active participation in 4-H Club and FFA work. There the father and son develop habits of planning and working together, Wilt advises.

He states that a son should devise a plan for financing his share of the business so that he can get an early start in working toward the father and son farm operating arrangement.

It's always a good idea for those considering a farm operating agreement to talk with fathers and sons who have successfully operated a farm together. He advised both father and son to study the factors which contributed to its success.

Another thing of importance when the son is mature and ready to enter this relationship is to discuss the prospective venture with a county agr'l agent, vocational agriculture teacher, or college agricultural economist, Wilt says.

He believes that an agreement should be made in writing. And if a record of the preceding year is available it should be gone over by father and son to determine whether there is sufficient income for two.

A set of books accessible to both father and son should be available at all times after the agreement has begun.

**Looking Backward...**

NOVEMBER 19, 1910

Miss Genie Thompson, the second grade teacher, has a severe attack of inflammatory rheumatism and so will not return to school for a short time. Mrs. Risk is substituting during her absence.

The funeral services of the late John Webster was conducted at the County home last Sunday by Rev. T. Porter Bennett. The deceased was 92 years old. Interment was made at East Jordan.

Ransom Jones, Sr., and Mrs. Mary Crawford were united in marriage at the home of Rev. John Hackett Wednesday afternoon, Nov. 16th.

The reception tendered Rev. and Mrs. T. Porter Bennett and family at the Methodist Church on Wednesday evening was the most successful ever held here, almost two hundred being present. The reception committee, Mrs. M. B. Palmiter, Mrs. M. H. Robertson, Mrs. G. Boswell and Mrs. George Carr received the guests. Addresses of welcome from the Presbyterian Church, Rev. A. D. Grigsby; on behalf of the city, A. E. Cross; on behalf of Public School, W. P. Squier; on behalf of the Epworth League, Mrs. Wm. Muma; on behalf of the Junior Epworth League, Maudie Miles; on behalf of the Official Board, M. H. Robertson. The following program was then given: Male Quartette, Messrs. Kennedy, Webster, Vance, Sloan. Cornet duets, Messrs. Palmiter and Webster. Solo, Tessie Reid. Select readings, Prof. J. T. Northern. Solo, Mrs. Kennedy.

NOVEMBER 21, 1930  
A fatal auto accident took place on M-66 at a curve near Mt. Bliss at an early hour Sunday morning in which Benjamin Weikel was instantly killed. George Winstone received a dislocated shoulder and other occupants of the car, Bruce Isaman, Franklin Severance and Gordon Sweet, received minor injuries.

The Men's Fellowship Club entertained the members of the high school football team in the basement of the M. E. Church with a bountiful supper. Short talks were given by Coach Abe Cohn, Supt. Duncanson and Principal Snellenberger, which were responded to by Captain Roy Gunderson.

Mr. and Mrs. Robert A. Campbell announce the birth of a daughter, Sally May, Tuesday, Nov. 18, at Petoskey.

Born to Mr. and Mrs. Peter Sommersville, a daughter, Nov. 18.

Born to Mr. and Mrs. Erick Arntson of Lansing, a son, Nov. 12th.

Born Mr. and Mrs. Peter Umlo, twin girls, Marian and Susie, Nov. 17th.

Mr. and Mrs. W. G. Gordon and family have gone to Clearwater, Fla., to make their home.

On Sunday evening, Nov. 16th, occurred the marriage of Iva Kent of East Jordan and Archie Sweet of Jordan Township.
