## Dial Telephones To Be In Use In 1952

### MICHIGAN BELL ANNOUNCES THE CHANGE OVER

Dial telephone service in the near future for East Jordan became certain this week with action taken by the Michigan Bell Telephone Company.

C. L. Johnson, Manager here for the company, announced that a construction contract for a new dial equipment building was awarded Friday and work would get underway immediately.

The building will be located on the corner of Second and Easterly Streets.

Johnson said the building is scheduled to be completed by November 1, and, allowing for the time necessary to complete the intricate equipment installation, estimated that East Jordan would have dial service sometime in the first half of 1952.

The installation of dial instruments alongside present manual telephones as an advance preparation for the conversion will begin next month, Johnson said.

Dial service for East Jordan had been planned for several years, Johnson said, but the company was forced into repeated postponements of the project.

"First there was World War II when virtually all of the company's construction was limited to projects that were vital to the military and war-production effort.

After the war, the company was faced with unprecedented new demand for telephone service. On VJ-Day, there were 127,000 families on the waiting list. Construction was limited to those locations where it was necessary in order to provide service for those who could not otherwise get it.

Many construction projects, among them the one at East Jordan, had to be postponed as a result of this unprecedented demand for telephone service in other parts of the company's territory.

When the waiting list was reduced to about 20,000 the company again made plans for going ahead with dial projects in exchanges like East Jordan. Company earnings, however, fell to such a low level that its construction program had to undergo drastic adjustment. Telephone rates failed to keep pace with the rising cost of doing business. It is only now that the company has been able to get around to the East Jordan and similar projects on the construction program," Johnson said.

The new telephone building for East Jordan will be erected at a cost of \$2400. The contract for its construction has been awarded to Young and Berson Company of Petoskey, Johnson said.

## South Arm Farmers Union Met Monday Eve.

South Arm Farmers Union No. 380 met at the Grange Hall last Monday eve, with 18 members present. Clyde Goodman announced a county wide P.M.A. meeting will be held in Charlevoix in the near future. Notices will be mailed to every farmer in regards to the date.

It was voted to have a benefit dance for Walter Goebel, who lost his barn and contents by fire recently, on Sat. eve, Sept. 29th. Ken Isaman was to get the tickets made and Harry Pearsall and Archie Murphy to see about music. Betty Pearsall, Irene Crawford, and Georgia Murphy were appointed to act on kitchen committee for the dance.

The Farmers Union displayed an exhibit at the fair; it was put up by Mrs. Henry Dougherty, Georgia Murphy, Mrs. Clyde Goodman, Alma Hart, assisted by a few others. Harry Pearsall and Fred Biecher hauled the articles down to the fair grounds. Georgia Murphy (reporter)

## To Entertain State Legion Officials

### REBEC-SWEET POST TO BE HOSTS THIS THURSDAY NIGHT

Four of the top Legion Officers of the Department of Michigan will be feted at a stag banquet at the Legion Hall tonight, Thursday.

On hand for the supper will be the State Commander, Tom Roumell of Dearborn; State Adjutant, Lyle Alexander; State Service Officer, Carlton Seaman; and Publicity Director, David Hallack.

Cdr. Thomas Roumell

The officials are making a "grass roots" tour through this part of Michigan. The East Jordan Post is inviting all Legionnaires from this area to attend the banquet and meet these men. Commander Roumell will have a timely message for all Legion members and Post Commander Bill Bennett urges all to attend.

Tom St. Charles and Oscar Light are in charge of the supper and Ray Dubas will handle the dining room.

If your electric light blinks when you plug in your iron or other electrical equipment the wiring circuit is overloaded. When this happens it's a good idea to see what can be done to relieve the load if you want to prevent a fire.

Special meeting of the board of education held on Tuesday, September 4, 1951 for the purpose of canvassing the vote of the electors at the special election held on August 29, 1951 on the following proposition presented to the electors at said election:

Shall the total tax limitation on the total amount of taxes which may be assessed against all property in the East Jordan Consolidated Rural Agricultural School District No. 2 in the counties of Charlevoix and Antrim, State of Michigan, for all purposes except taxes levied for the payment of principal and interest on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of the State of Michigan, by 1/10 per cent (1/10%) of the assessed valuation (1 mill) for all property in the East Jordan Consolidated Rural Agricultural School District No. 2 for one year 1951 only (for the purpose of raising additional funds for the general operational expense of the school district).

The meeting was called to order by George Klooster, President of the Board.

President: Klooster, Shepard, Porter, Darbee and Boswell, Absent None.

Lawrence Addis, Ida Kinsey and Blanche Thompson, all qualified electors in said school district, having been appointed by the board to be inspectors of election at the August 29, 1951 election, the said school district being a registration district, reported that at 7:00 a.m. they took their oaths as inspectors of election and declared the polls open at 7:00 a.m. and that the polls were kept continuously open until 8:00 p.m. on said 29th day of August, 1951; that the election was regularly and properly conducted in all respects; and that, upon counting the ballots the count was as follows:

Millage raise — 435 Yes — 46 No — 9 blank and spoiled (total ballots 490)

Upon canvass of the votes cast it was found that there were in favor of said proposition 435 votes; and that there were against said proposition 46 votes; that further there were 9 spoiled or blank ballots. The board of education thereupon declared the result of said election to increase the tax limitation as above stated to have passed by a majority vote of the electors.

Meeting adjourned. Signed W. G. Boswell Secretary

## Pre-School Clinic

There will be an Infant and Pre-school clinic held Tuesday Sept. 18th in the Community Nurses office in the Grade School building. Dr. Litzenger, Director of District Health Dept. No. 3 will be in attendance. All mothers are invited to bring their children to this clinic for immunizations. Clinic will be held 10:00 a.m. to 11:30 a.m. and 1:30 p.m. to 3:00 p.m. Nursing office in Grade School Building.

## Harvest Supper Friday, Sept. 21st

### ALL PARENTS URGED TO ATTEND THIS MEETING

The Parents and Teachers of the East Jordan Public School will meet to gether Friday, Sept. 21st, at 6:45 p.m. for the Harvest Pot-Luck Supper. All parents are urged to attend this first meeting of the school year. Plans for the coming year will be the topic of the evening.

Children are invited and after the supper the picture "My Pal Wolf" with Sharyn Moffitt, Una O'Connor and Jill Esmond will be shown to the children.

Plan to attend, bring the family. Oh! yes we need food and tools to eat it with so-o-o bring a dish to pass, sandwiches for the family and table service.

If you know of anyone who would like to be President of the group, or if you know of someone who would make a good President but just needs a little persuading, get to persuading and present his or her name at this meeting.

## Hospital at Charlevoix Building Fund Progressing Nicely

With completion nearing of the successful drive among summer residents to raise funds for the proposed new area Hospital in Charlevoix, organization of leadership for the second phase of the campaign was announced today at campaign headquarters. The total amount pledged to date is about \$185,000, leaving a minimum of \$40,000 yet to be raised.

Members of the recent organized Campaign Executive Committee are Mrs. E. D. Hawley, Harold Withers, Robert Bridge, William Parson of Norwood; Elmer Rood of Ellsworth; Theodore Malpass of East Jordan; Mrs. Kit Carson, Dr. Gerald Gibbons, and Mrs. W. E. Stevens and Ernest H. Loeb, summer residents.

Mrs. Kit Carson and Theodore Malpass are Co-Chairmen of the new campaign organization which will seek three-year pledges from residents of Antrim and Charlevoix Counties. In accepting their appointments, Mrs. Carson and Mr. Malpass said, "In setting up an entirely new campaign organization for solicitation of three-year pledges on a fair-share basis from the population of the hospital's service area, the Executive Committee has adopted the principle of selecting two co-chairmen for each group, so that the entire area is fully represented and all interests recognized."

Solicitation of Memorial and Sponsor contributions is now in progress. Memorial donors are those who pledges \$2100 and up. Those gifts provide for the building and furnishing of a room, and each room will have a plaque with the name of the donor. Sponsor gifts are those of \$1000 and up, all Sponsors will have their names on a plaque at the main entrance of the hospital.

Since the urgency of the situation requires a selective and personal approach to all prospective donors, and because it will be necessary to seek gifts from everyone, it was stated by the Campaign Executive Committee that no special events will be undertaken during the drive. Another reason for this policy is that duplication of appeal must be prevented, for larger than average, "once in a lifetime" pledges are needed in order to have a successful campaign.

The advance solicitation will continue through the week of October 14 and be followed by the public phase, with the entire campaign to be completed by or before November 8. The plan calls for an enrollment of at least 400 leaders and committee workers.

## CARD OF THANKS

We wish to express our sincere thanks and appreciation to our relatives, friends and neighbors for the kindness and sympathy shown at the death of our dear brother, Frank P. Akins. We especially wish to thank Rev. Charles Thompson for his comforting words, and all who sent beautiful floral offerings. Also the American Legion for all their kindness.

Mr. and Mrs. Roscoe Smith

It isn't dying, as an old maid that worries the girls—it's living that way.

## Frank P. Akins, 63, Passes Away at Grandvue Hospital Sept. 4th.

Funeral services, for Sgt. Frank P. Akins, 63, who passed away at Grandvue Hospital, Sept. 4th, 1951, after a two weeks stay following a paralytic stroke, were held Friday, Sept. 7th, from Watsons Funeral Home, under the auspices of Rebec-Sweet Post No. 227, American Legion; Conducted by Rev. Charles Thompson. Bearers were: Ray Barricks, Walter Chellis, Ed Kamradt, Otto Reinhardt, Clarence LaLonde and Oscar Light. Interment at Sunset Hill.

Mr. Akins was born in New York State, 63 years ago. He attended the East Jordan School. He enlisted in the U.S. Army June 20, 1916, in Co. I, Hdqts. Company 125th Inf., 32 Division, at East Jordan and was discharged from the Army May 11, 1919 at Fort Custer.

Surviving is a sister, Mrs. Roscoe Smith, East Jordan; and a brother, Robert Akins of Calif. Relatives and friends from away who attended the funeral were: Mr. and Mrs. Ira Bradshaw of Bellaire, and Mr. and Mrs. Jett Smith of Alba.

## Nettie Hipp-Hutchinson Dies in Illinois Burial at Boyne City

Nettie Hipp-Hutchinson, a former resident of this city, passed away Sept. 6th at Midlothian, Illinois. She was brought here for burial by her sisters, Mrs. Lucius Hollister of Chicago and Mrs. Orson Thrall of Hartford, Michigan.

Funeral services were held Sept. 10 at the Stackus Funeral Home, Rev. Roy Green officiating. Interment was in Maple Lawn Cemetery, Boyne City, beside her husband James Hutchinson who died in 1907.

Other relatives present were her brother-in-law, Amy Bruby of Boerse; and her nieces and nephews. Mr. and Mrs. Leonard Bruby, Mr. and Mrs. Archie Lesotte and Mr. and Mrs. Delbert Brown, all of Detroit; and Mr. and Mrs. Clyde Hipp and Mr. and Mrs. Boyde Hipp of East Jordan.

Another sister, Mrs. Rolland Armantrout of Sunnyside, Washington, was unable to attend.

## LIBRARY HOURS Telephone No. 333

AFTERNOONS — 2:00 to 5:00  
Except Sundays and Holidays  
EVENINGS — 7:00 to 8:30  
Except Tuesday and Friday.  
On those days open hours are from 12:00 to 5:00 p. m.

New books listed are for juvenile and primary grades. Three of the books are interesting enough that it will be a pleasure to read them to the younger children.

Leif Ericson, explorer — Weir: A thrilling story of Leif the Lucky. His boyhood was spent in Iceland and Greenland. As a young man he lived in Norway. He explored to the new lands of the west — America.

Rusty at Ram's Horn Ranch — Garst: This is a sheep ranch. Rusty and his sheep dog have both pleasant and unpleasant adventures. The author has written many western stories for younger readers.

Saucepain Journey — Unnerstad: A family of seven children and their parents receiving a legacy of two horses and a dray. The father decided it would be a good idea to travel across the country and sell articles as they went. The children were not so sure that they liked the arrangement but they did see a lot of country and learned about people in their native country, Sweden. This book won the 10,000 Kroner prize last year as the best book for children written in Sweden. The story has been translated so children in other lands might enjoy it too.

Lost and found — Hitt: Delightful illustrations. A small cat was lost, a small dog, and a small boy, but they all found their way back home to their mothers.

Dr.: "Madam, your husband has a split personality. He thinks he is two different persons."  
Wife: "Wonderful! Now he can get two different jobs and bring home two pay checks."

Cooperation would solve most of our problems. Even freckles would be a nice coat of tan if they would ever get together.

## E. J. Football Season Opens Tonight at Rogers City

### PLAY NIGHT GAME UNDER THE LIGHTS AT 8:00 P.M.

East Jordan High School will open its 1951 football season tonight (Friday) under the lights at Rogers City in a contest slated to go under way at 8:00 p.m.

The "Red Devils", extremely short on experienced personnel and lacking in depth, will be up against a Class B Huron eleven coached by James Quinn, one time mentor at Harbor Springs. The outcome for the Jordanites will depend largely upon the performances of untried youngsters, who will be breaking into the starting lineup for the first time.

Coaches Gayle Saxton and John Downing still are pondering over who will make up the starting lineup. Possible starters include the following: James Weisler and Steve Hayden at the ends; tackles, Bob Thomas and Donald Maxwell; guards, Dan Thomas and James Shepard, and Earl Bowers at center. Starting backfields assignments most likely will go to Keith Evans at quarterback, Donald Whiteford at fullback, Ray Gee or Sam Milstein at right half, with either Norman McGeorge or Martin Rebec at left half.

Rogers City, whose football fortunes have been on the up-grade in recent years, will be out to average last year's 22 to 0 defeat administered by the "Red Devils" and with plenty of experienced men on hand the Hurons will be exceptionally tough.

## Restaurant Owners and Employees Meeting This Friday

You are cordially invited to attend a special meeting of the Food Industry of Antrim, Charlevoix, Emmet and Otsego Counties to be held at 2:00 p.m., Friday, Sept. 14, in the Petoskey High School Auditorium.

A demonstration on food handling technique will be given by Dr. Wm. H. Haskell, formerly of the U.S. public health service, and a nationally known authority in this field.

"Did your garden do well last Summer?"  
"No, every time my husband started digging in it he found a worm and went fishing."

THE SENATE CRIME COMMITTEE (left to right): Senators Lester C. Hunt, Herbert E. O'Connor, Estes Kefauver, Alexander Wiley, and Charles W. Tobey.

## CRIME IN AMERICA

## Kefauver's Story to Appear Serially Starting Soon

The most startling and eye-opening facts about organized crime in the United States will be revealed to citizens of East Jordan and vicinity beginning soon when Senator Estes Kefauver's sensational book, Crime in America, starts its serialization in The Charlevoix County Herald.

This is the complete story, written by the man who pioneered the investigation of the beginning. The committee hearings disclosed such amazing information on crime throughout the country that the American people scarcely could believe what they had heard.

Here are the testimonies of men, relating sordid stories of the Mafia, Murder, Inc. and the Crime Syndicate. The amazing evidence presented is irrefutable. That this evidence and the whole story of the investigation need be brought to the people of America's small towns, as well as its large cities, is beyond any doubt.

Senator Kefauver's investigation has been called the greatest crime hunt in history. This series names and digs into the corruption in government with no respect or concession to political parties. Charlevoix County Herald readers will be astonished at the sensational findings.

Crime in America is a call to the American people to smash the vicious crime element which is sapping the morale, vitality, health, and wealth of our nation. The first installment of Crime in America will appear in The Charlevoix County Herald soon. Look for this amazing story and continue it weekly through the 18 revealing installments.

## At Our Tourist Park

Our park looks awfully bare these days: No swimmers, school, and cool weather being the reason, and our vacationers are leaving. Most every day we have to say so-long to one or more. We still have seven trailers left, and looking back I find that three more than last year at this time. We have had a peak of twenty-three trailers and seven tents at one time this year compared to a high of nineteen trailers, and nine tents last year, and also according to statistics we have had more trailers staying longer periods of time, and more people coming into the park for the first time, so according to the figures we can feel it has been a very nice summer.

On Tuesday the joint meeting of the Methodist W.S.C.S. and Suzanna Wesleyan circles met for a co-operative dinner in the dining room, a wonderful array of food was greatly enjoyed including a birthday cake, baked by Mrs. Maxine Griffin for her son David's sixth birthday. A "Happy Birthday" was sung in his honor, following the dinner and business meeting conducted by the president Mrs. Lillian Shroder, very inspiring devotionals were given by Mrs. Adeline Bowerman, and an instructive program of the rise of Methodism dating back to the time of John and Charles Wesley was given by Mrs. Marguerite Stokes.

During the past week those leaving the park and returning to their homes are Mr. and Mrs. O. L. Adams to Davison, Mich. they have spent two months in the park. On Tuesday the Alfred Piersons and Orlo Balyeats left for their respective homes in Sparta. They have had their trailers in the park the greater part of the summer and have frequent visits here.

The wind blew hard in the park on Thursday night the same as other places. Waves rolled high, and beat the boats and dock quite badly some of the awnings on the trailers got quite a shaking up. Mr. and Mrs. M. D. Culver returned to the park from Sparta for a few days, they had as their guests Sunday the former's nephews and family, Mr. and Mrs. Al Kroupa, Jr. and children of Bowers Harbor.

Rev. F. J. Sattelmeyer attended a North and Western Michigan pastor's retreat at Arcadia on Tuesday, Wednesday, and Thursday, Sept. 11th, 12th, and 13th.

## Incomplete Application Cards for Deer Season Will Not Be Considered

Incomplete application cards, for hunting in the special western Michigan deer season, will not be considered, the conservation department cautions.

A number of persons wanting to hunt in the December extra season are sending in applications with the individual hunting license number and the license dealer's name missing. Applica-

tion deadline is October 1. To be issued are 16,000 permits for hunting either sex deer in six Traverse Bay areas counties, December 1-5. Another 800 permits be allowed to crop antlerless deer only, December 1-10.

## Winner of The Norge Contest Given By Al Thorsen Lumber Co.

Justice of Peace at East Jordan, Charles P. Murphy, announces the Grand Prize Winner of Al Thorsen's Lumber Co. "Count The Dots" Contest is Mrs. Drew Young, 106 Ainalie St., Charlevoix, Mich.

Her choice of the four Grand prizes was the beautiful Norge Handy-door Refrigerator. Mrs. Young has agreed to leave it on display at the Al Thorsen Lumber Co. until other contestants have had an opportunity to see it.

Other prize winners are being notified by mail. Al Thorsen wishes to thank all who took part in making this contest a huge success.

From where I sit... by Joe Marsh

### Easy Makes His "Cat" Tread Lightly

Driving home on Three Ponds Road yesterday, I was flagged down by Easy Roberts' boy Skeeter. "Take it slow," he advised. "Dad's crossing this road with our tractor, just beyond the bend." Around the curve I saw why Skeeter stopped me. Easy had laid two rows of old truck tires across the road, and was driving his new "Cat" tractor over them! "More trouble this way," Easy explains, "but it does keep those tank tracks from tearing up the asphalt when I have to cross over to our other fields. After all, the roads belong to all of us—and I guess I'd get mad if someone else chewed them up." From where I sit, Easy is my kind of citizen. He doesn't just give democracy lip service. He honestly believes it's his duty to consider the other fellow's interests. Whether it's the right to use the public highways or the right to enjoy an occasional glass of beer, Easy's out to protect his neighbor's "right of way."

**Churches Unite**

Lesson for September 16, 1951

MORE THAN 200 different denominations of the Christian church exist in the United States alone. Several of these claim to be the one and only "true" church, but even those that do not make

this claim are sufficiently pleased with themselves to stay on as separate denominations. Some Christians find this division of Christendom a scandal and a sin. Others find it the glory of Protestant Christianity that it has freedom and many varieties of Christian faith. Has the Bible anything to say about this?

**The Mother of All Churches**  
You will not find such words as "denomination" in the New Testament. Such words as Episcopalian, Lutheran, Baptist (referring to a church), Presbyterian, Methodist, Roman Catholic, or other modern tags, are not to be found in the Scriptures.

All the same, our lesson passages give us some important suggestions. Luke tells how horrified the disciples were at discovering some one not of their own organization, doing good work in Jesus' name. They would have stopped him; but Jesus said, "He that is not against us is for us."

That is a good way to think about other Christian churches. The story in Acts 11 tells how churches in the earliest times helped one another in various ways. II Cor. 9 shows how the good example of one church can be a challenge to others to do still better.

As that Jerusalem meeting handed down a decision affecting many congregations and persons, so now the findings and decisions of great bodies of churches have a weight and an importance far beyond what might be said by single congregations. That council was the mother of all councils as the New Testament church was the mother of all churches.

**All Christians Are Brothers**  
IN HIS first letter to that problem church of Corinth, their first pastor Paul urges the different parties in the church to remember above all that they are Christ's people rather than any one's else. The name of Christ is far more important than any of our denominational labels.

In his letter to the Philippians Paul says an even more striking thing. "I know that some are preaching Christ out of jealousy, to annoy me... but what does it matter? The fact remains that Christ is being preached, whether sincerely or not, and that fact makes me very happy."

In America today we are beginning to catch the New Testament spirit. Taking the situation as a whole, there is more get-togetherness than fly-apartness among the churches. Cooperation is taking many forms. Locally in communities, or in state-wide interdenominational associations, or on a national scale, churches are doing together what separate churches or denominations would find difficult or impossible.

Besides recent large mergers of denominations such as the union of Methodists north and south, the Evangelical United Brethren, the Evangelical and Reformed, and Congregational-Christian, there are many other groupings of like-minded churches, pooling their resources for evangelism, education, missionary work and many other purposes.

**Message to the People**  
THE largest and most impressive get-togethers are the National Council of Churches of Christ in America which includes every large American denomination but two; and the great World Council of Churches with member-churches in every Christian land.

These words from the first message of the National Council to the people of America ring out the spirit of unity growing today: "This council has been constituted by 29 churches for the glory of God and the well-being of humanity. It manifests our oneness in Jesus Christ as divine Lord and Savior; his is the mandate we obey and his the power on which we rely. Our hope is in him. In him we see the solution of the world's ills. The council itself is a demonstration of his power to unite his followers in joyous co-operation."

**State Police**

**Aid Many Small Towns**  
FRANKFORT, Ky. — Kentucky state police now have arresting powers in 134 of Kentucky's 155 cities of the first five classes.

The department, which was activated July 1, 1948, cannot exercise police powers in cities with 1,000 or more population unless the towns permit it by ordinance or resolution.

The 21 cities in which the state troopers have no authority are large and have well organized police forces.

The law creating the department gives it authority in all areas outside cities. But the home towns of Kentucky, unable to maintain adequate police departments, welcomed the services of state troops in maintaining order.

**Small Town Has Test Vote on Impeachment; President Is Upheld**

WAKEFIELD, N.H. — A number of small towns in recent months have taken surveys and voted on national issues in an effort to determine what the home towners think about certain questions. The latest test was a vote on impeaching President Truman by the citizens of Wakefield.

When the votes were counted in the small rural community, the residents didn't want to take his job away from him—although most of them are diehard Republicans. They voted in a special town meeting on the question: "Should Harry Truman be impeached?"

The vote: 48 said no; 17 said yes. Thirty-five of those present did not vote.

The whole matter was brought to a head for the first time anywhere by William N. Sparhawk, Jr., a chicken farmer who served as an army captain in World War II.

He circulated a petition for a special town meeting to vote on the question. He needed 10 signatures, but he said 50 residents signed the petition. Exactly 100 of the town's 795 voters showed up for the unusual meeting. Selectman Albert W. Wiggin said about 400 persons attended the regular town meeting in March. He could not account for the small attendance at the special meeting.

The vote was taken after speeches by Sparhawk and Edwin F. Geauque, a merchandising consultant, who opposed impeachment. Sparhawk argued that the President is pursuing "a policy of appeasement" that "the ship of state is being scuttled," and that the administration is "rampant with corruption."

"The world has its eyes on our town," Geauque said. "The answer to this question depends on whether we will be called 'screwball' or 'thoughtful people.'"

The secret ballot contained only the words "yes" and "no." The choice was circled by the voter.

**California Farmers Have 'Wetback' Labor Trouble**

EL CENTRO, Calif.—Farmers in the Imperial valley and a number of other California communities are harvesting a new crop this year. California, however, has no monopoly on the crop. Farmers in Texas are also having the same problem.

The new crop consists of Mexican border jumpers. Their presence on this side of the line has become a national political issue.

Hungry and jobless in Mexico, they swim across canals and streams at unguarded border points. They arrive here with nothing but the wet clothes on their back. Union leaders say some work for \$3 a week and frijoles (beans).

The native worker, organized by the AFL National Farm Labor union, wants more than that. Strikers are asking \$1 an hour.

Two weeks ago the union called the strike. Its members began arresting wetbacks and turning them over to immigration authorities—about 300 a day.

The carload shipments of vegetables from the valley this season are only about a third of what they were last year.

"Why pick on us?" the growers cried. "Texas has about 150,000 wetbacks and nobody does anything about it. We have 4,000 or 5,000 wetbacks—just peanuts. The Texas politicians are trying to make California the scapegoat."

Now pending in congress is a bill to make it a felony to employ illegal aliens such as wetbacks.

**Ice Cream Prices Melt In Tennessee Price War**

McMINNVILLE, Tenn.—Much to the joy of young and old, three drugstores in McMinnville got into a price war on ice cream.

One store's newspaper ad reducing ice cream prices up to 50 per cent was matched within hours by circulars distributed throughout the town by two other stores.

Sample prices were 28 cents for a regular 55 cent quart of ice cream, 15 cent sodas for 9 cents and "extra rich" 25 cent milk shakes for 14 cents.

The stores hedged a bit in their battle for business. They said the special prices would not continue indefinitely.

**Looking Backward ...**

SEPTEMBER 9, 1911

City Commission Proceedings. Motion by Kenny supported by Hudson, to grant a permit to Roscoe Mackey for an addition to his livery barn to be 32x46 ft and two stories in height, foundation to be of concrete, walls to be of sheeted iron, and roof to be of fire proof material. Carried.

Moved by Kenny supported by Hudson to grant a permit to the Presbyterian church to build a cement walk 120 ft. by 6 ft. on lots 1 and 2, block 10.

The fire department was called out Wednesday morning to quench a fire that had started on the roof of the Price Bros. Brick Ct. kills. A similar fire occurred several months ago.

The many friends of W. J. Palmer a former resident of this city will be surprised perhaps to learn of his marriage on Monday this week to Miss Katherine Pearl Ramsay of Cheboygan daughter of Mr. and Mrs. C. S. Ramsay.

A Farewell Reception Party was given by the Ladies of the Presbyterian Aid Society last Monday in the home of Mrs. Hilliard the president in honor of Mrs. Clark Haire who is leaving the city to reside in Ann Arbor. Mesdames Haire and Bush sang a duet. Refreshments were served, a pleasant hour spent. Mrs. Grigsby, in behalf of the members, in graceful words expressed their good wishes and regrets and desire the acceptance by Mrs. Haire of a beautiful souvenir spoon as a token of esteem.

SEPTEMBER 11, 1931

In the presence of hundreds of people seated on the bleachers and grandstand, Miss Arlene Lisicum and Marshall Sheppard of East Jordan, and Miss Emma Hoffman and Arthur Williams of Grayling, the wedding couples of the Emmet County Free Fair at Petoskey, spoke their vows in a most impressive and beautiful ceremony, Friday night, Sept. 4. Rev. C. J. Krause read the ceremony.

The city council of East Jordan in reward for the concerts they gave all through the summer, treated the band members with trip through the northern part of the State, Saturday, accompanied by director John Ter Wee and four mothers of the band members, Mrs. Henry Clark, Mrs. Gus Muma, Mrs. Fred Vogel and Mrs. Lewis Ellis. They ate their pot luck dinner at Burt Lake State Park. They went to Cheboygan, Levering, Cross Village, and came back to Harbor Springs.

At the Tourist Park there again the eats were brought out and all enjoyed a fine supper, including sweet corn and weenies following by a marshmallow roast. About 10 o'clock the two buses driven by Mr. Sweet and Mr. LaLonde arrived back home. The day will long be remembered.

Mr. and Mrs. Elton Witte of Muskegon were guests over the week end of Mr. and Mrs. M. J. Williams.

Mr. and Mrs. Eli Monttry who have been visiting their daughter, Mrs. Wm Looze and family, returned to Detroit, Thursday.

Mrs. Nelson Muma and son, Amber and wife with two children, Dale and Betty, are here from Redford for a few days' visit with relatives and friends.

Blanch Davis daughter of Mr. and Mrs. Walter Davis, is at Lockwood Hospital, taking treatment for her throat. Mrs. Davis is remaining with her daughter.

SCANNING THE WEEK'S NEWS  
of Main Street and the World

**Threat of Inflation Increases  
As Price Index Hits a New High**

**INFLATION THREAT**—With the government's report that the consumers' price index rose to a record level last month, the dangers of inflation took first place in the week's news.

The bureau of labor statistics reported the index figure went from 185.2 to 185.5. This means the retail prices of goods and services bought by moderate-income families averaged 85.5 per cent higher than the average between 1935 and 1939. This is 9 per cent above the level before the Korean war.

It also means that more than 3,000,000 workers who have cost-of-living escalator clauses in their contracts will receive automatic raises of approximately 1 cent per hour.

**A Beautiful Shoot**  
Gen. James A. Van Fleet reports U.S. forces will be able to withstand any new Communist attack. He said a new Red offensive would "play into our firepower. If we can get them out into the open, we would have a beautiful shoot."

Industry member of the wage stabilization board, who recently approved escalator clauses in union contracts, warned when the new index figures were announced that the arrangement is not based on sound economic principles. "Putting all workers, manufacturers, farmers and merchants on escalation may easily prove the first step to national bankruptcy," the group warned.

The average home townner seems to have the feeling that runaway inflation is dangerously near. If each group in the nation's economy continues trying to get ahead of every other, then the economic situation may explode into a mad race that can lead to ruin.

Food and rent prices are credited with pushing the index figures to the new high. Food prices averaged 12.1 per cent higher than in June, 1950, just before the Korean war. There are indications of further increases. Large dealers are reported demanding boosts of 1 to 6 cents an item for well known brands of flour, breakfast cereals, canned fruit and vegetables, vinegar, mayonnaise and spaghetti.

**PRICE CONTROLS**—While the average home townner views the price picture with increasing fear, President Truman asked congress for three major changes in the new price controls law.

The President asked repeal of: (1) The provision requiring that price ceilings reflect rises in business costs that have occurred since Korea. ("An economic booby trap," Truman called it.); (2) The amendment giving wholesalers and retailers their customary percentage markups; (3) The amendment banning the OPS livestock-slaughter quotas, under which each slaughterer was told how many animals he could handle.

No one can predict how congress will react to the President's requests, but the average small town American, whatever his political views and his beliefs concerning the cause of higher prices, wants something done about it. He realizes the nation is in as much danger today from its internal economic picture as from external enemies; he feels it is time for personal interests and politics to take a back seat to the nation's welfare.

**WESTERN POLITICS**—Democratic party representatives from 15 midwest states, as far east as Ohio and as far west as Wyoming, the great farm belt that came to President Truman's rescue in 1948, met at French Lick, Ind., to discuss possibilities for 1952. Their conclusions were startling to the average home townner.

Briefly, they concluded that President Truman will be a candidate for reelection and that he can defeat Sen. Robert Taft. Should Gen. Eisenhower seek the office he could have had in 1948, then Mr. Truman's chances would not be so good.

As a basis for these startling conclusions, the democratic leaders believe the President would get a large farm vote as he did in 1948 because farm prices have been high during his administration. A continued high level of domestic prosperity without inflation would also add to his chances, they concluded.

They also pointed out that Truman was denied New York's 47 electoral votes by the candidacy of Henry A. Wallace and those of four southern states by the Dixiecrats. This is unlikely in the 1952 campaign.

The big question, of course, is Gen. Eisenhower. The general is a midwesterner, and it would not be difficult to sell a national hero to the people in the home towns.

**THE NEW FEAR**—The latest news from Korea would indicate the Chinese Communists are beset with a new fear, that of world condemnation for breaking off the Kaesong peace talks. It is the only reasonable conclusion since the Reds announced the talks can continue if the Allies will admit a plane tried to murder the Communist delegates by dropping explosive bombs and jettied gasoline near their quarters.

Gen. Matthew B. Ridgway, who previously rejected their charge as a fake and a fraud, is unlikely to accede to their demand. Ridgway has informed the Reds that their neutrality-violation charges are nothing more than malicious lies, deliberately manufactured for propaganda effect and unworthy of reply.

As long as both parties maintain this attitude there is little hope for a resumption of talks. And even if they should be resumed, other incidents will be manufactured by the Reds to further their propaganda aims. Peace in Korea will not be restored until one side or the other is thoroughly and completely defeated.

**JAPANESE TREATY**—On Tuesday 34 nations gathered at San Francisco to sign the proposed peace treaty with Japan. Russia is represented, but no one expects her to sign the document which is sponsored by the United States. To the contrary, she will do everything in her power to wreck the treaty negotiations and eventually will present her own versions of a pact.

The big news as the conference opened was India's boycott of the meeting. That country's denunciation of the treaty was in direct line with Moscow propaganda and will have many repercussions in this nation's foreign aid program. It may lead to a tougher U.S. policy toward India and a reduction in aid given her in recent months. It may also mean that a number of other countries will suffer as a direct result of India's stand.

From now until the conference closes, the people in the home towns of the country can expect a flood of Soviet propaganda against the treaty. In fact, one of the greatest propaganda slanders the world has ever seen is about to begin.

**Eva Peron, wife of President Juan Peron of Argentina, often called the most powerful woman in the world, has been nominated to be her husband's running mate as Vice-President in the November 11 elections. The election is only a formality under Argentina's dictatorship. She would be the first woman in history to hold such a high office in the Americas.**

**THIS IS CHINA**

**Peiping Demands Life Data on Everyone**

The Communists in China have demanded a combination confession and autobiography for millions of persons in the country, whom the Reds find necessary to re-educate in the new attitudes of Chinese communism. It is a complete record and repudiation of the past life of the individuals concerned.

The document serves as a domestic passport that must be produced whenever the possessor seeks a new job, wants to move from one part of the country to another, or from some other reason, comes under official scrutiny.

The person under examination may have made money on the stock market or gone to a U.S. university. Whatever it is, these must be confessed and branded as bad and wrong.

**Youth Rally**

I HAVE just spent an evening behind the Iron Curtain. It's not hard to do here in Berlin where no guards patrol the line between the Russian and American sectors and where, if you flash a White House press card and look reasonably important, you can attend even the most exclusive of the Communist youth shows.

Berlin tonight is a city of vivid dramatic contrast—miles of bunting and flags everywhere, flags of every nation but particularly and ironically the flags of peace. Sandwiched in between almost every national flag is the blue and white emblem of peace. Standing out against the gaunt bomb-gutted ruins of Berlin, they made a genuine appeal to the tired population which never wants to see war again.

Across from the Kaiser's once-ornate palace which the Russians tore down and removed piece by piece, a great platform stood in front of the bomb-battered museum. The inside was an empty shell but outside a Russian ballet, a girl in Georgian costume, and Finnish folk dancers all performed. It was Russia's youth exhibition and you had to admit it was good. Lighting, acoustics and staging were all perfect; the music excellent and the dancing superb. I couldn't tell what the girl in the Georgian costume said when she sang a ballad dedicated to Stalin and I don't think many of the German Communists could, either. But they liked her voice and applauded just the same.

**Rally No Pop**

To read the headlines in American newspapers you got the impression that the Berlin youth rally was a flop. It wasn't. No rally which brings 2,000,000 youngsters together from all parts of the world is a flop, and it's no use kidding ourselves.

The state department, with a meagre budget, did a miraculous job of attracting a quarter of a million German youths into the western sector, giving them food, literature and a sight of the vastly better living standards on our side of the Iron Curtain. But when the rally was over, orders came to close up certain youth depots. The food was costing \$12 per day at one center and the State Department's budget was exhausted. Congressman Taber of New York, Clevelander of Ohio and other economists had pinched too many pennies and a great opportunity was thus snuffed out.

However, three-quarters of a million other youngsters never entered West Berlin. They braved the straw spread out in schoolrooms for them at night, put up with the poor Communist food and attended hallyhoo programs, all for the sake of Communism.

**Ami, Go Home!**

If you arrived early enough and flashed a White House press card, a U. S. military pass or even a District of Columbia police pass, an American could get into the most popular and packed performance of all—the North Korean. Seeing the Korean show gave some idea of the propaganda barrage this youth congress was subjected to. The highlight of their performance was a dance operetta in which a Korean mother, her child killed by Americans, is the heroine. The scene which really brought down the house was that in which she throws three grenades into an American camp. Three Americans then tear her clothes half off and take turns beating her while she takes from her blouse the flag of the Peoples Republic. Then, just as the Americans tie her to a tree preparing to shoot her, a shot rings out and Korean guerrillas come to her rescue. The heroine then shoots an American officer at point-blank range.

At this point, the audience goes wild; there is 20 minutes of applause; the Korean actors get curtain call after curtain call and Russian ladies rush up to embrace the embarrassed but happy Korean orchestra leader. The audience then leaves, chanting "Ami, Go Home!"—the slogan of denunciation for Americans thrown at us from the Adriatic to the Baltic.

This is a sample of the propaganda drilled in on the youths at the rally and there's no use in kidding ourselves about its effect.

**West Point Firings**

The cheating of the 90 cadets at West Point was played up in the European press.

The man in the street didn't pay much attention to it. But among top-level Europeans and the many Americans over here, there was considerable reaction.

As one American, now able to get a long-range view of his own country, it seems to me that we have experienced a dangerous moral lapse in recent years.

THE TEN COMMANDMENTS**

The home is the best place of all for teaching and practicing the ten commandments. Any Father or Mother can make a point of teaching them to their children, beginning with the simplest, shortest ones and keeping at it until all ten are learned and the story of Moses on Sinai is as familiar as Jack the Giant Killer. They are the basic rules of civilization. If we had no other code, they would suffice.

**FREAK LIGHTNING**

**Lightning Is Cause of Most Fires on Farms**

CRESTON, Iowa—A farm couple in Iowa still recall vividly the night not long ago when they were frightened almost to death by a freak type of lightning.

They were sitting in the parlor of their home when suddenly a ball of yellow fire about the size of a basketball shot out of the dining room, swept around them and disappeared up the fireplace, leaving an acrid odor behind it. Actually, they shouldn't have been too alarmed. It was merely a weird type of lightning and among the least dangerous of the types that exist.

Dale K. Auck, who is in charge of fire prevention for the Federation of Mutual Fire Insurance Companies, says the only real danger from this globular or "ball" lightning is that every now and then it literally frightens people to death.

**Causes Most Fires**

"Each year lightning kills about 400 farm people, injures a thousand more, and is responsible for 37 per cent of all fires in rural areas," Auck points out. "But despite this ever-present danger, most people are unfamiliar with lightning."

Auck explains the principal, and probably most dangerous types of lightning are streak, forked and zig-zag.

"Streak lightning is the jagged flash that everybody can identify," he adds. "Forked lightning starts out in a single stroke but breaks into chunks and hits the earth in four or five places. Zig-zag lightning is well-named because it follows the line of least resistance to earth and moves back and forth."

Other less common types of lightning, Auck says, are ribbon, rocket, bead and sheet.

Farm fires annually destroy approximately \$90,000,000 worth of property, he says. This huge waste is costly to farmers not only in property loss but it reduces substantially the amount of savings returned to policyholders under the mutual insurance plan.

**Precautions Listed**

Auck says that most of these fire losses caused by lightning can be eliminated through proper lightning rod installation.

Auck lists six precautions that should be observed when lightning is in the vicinity.

1. Discontinue working in the open.
2. Don't handle inflammable liquids.
3. Don't work on the tops of tanks, barns or buildings.
4. Don't touch fences, telephone lines, power lines, structural steel work, pipelines or other metals which might conduct an electrical charge.
5. Avoid isolated trees, sheds or buildings.
6. Equip your home with lightning rods and seek shelter there or in your automobile if it is of modern construction.

**Small Town Church Pays Annual Rent—Red Rose**

MANHEIM, Pa.—The congregation of the Zion Evangelical Lutheran church in this community of 3,800 gathered on a recent Sunday to pay its annual rent—"one red rose forever."

Under a deed signed in 1772, the church must pay "in the month of June, yearly forever hereafter, the rent of one red rose" for the land on which it is built.

The rose—the most perfect from the many rose bushes on the church grounds—was presented to Mrs. Gilbert L. Dannehower, Westfield, N.J., a direct descendant of Baron Henry William Stiegel, who drew up the romantic legal document when he turned over the land to the church 179 years ago.

Stiegel, an immigrant German nobleman, built the town of Manheim around the glassworks which produced glassware unequalled to this day.

The deed of conveyance for the church property was lost for more than 100 years after Stiegel's death in 1783. It was found in 1892 and yearly thereafter, the congregation has fulfilled the terms of the deed.

**Town Sponsors Big Day For 81-Year-Old Doctor**

PLEASANTVILLE, O.—The citizens of Pleasantville recently celebrated "Doc" Lerch day.

It was not as though he was retiring. Dr. A. W. Lerch has tended the county's health for nearly 60 years with only two vacations. He's nearly 82, but nowhere near finished. He began practicing medicine in Pleasantville in March, 1892. He organized the first village council, fathered the idea that built the present high school and helped organize Fairfield County Medical Society.

In 80 years of active practice he has delivered 2,500 babies, including 14 sets of twins.

Some of those babies—now grandparents—helped distribute gifts at the High School party to the man who had been a good neighbor for more than half a century.

No Sympathy

The sprightly little railroad magazine, Tracks, tells about a green young fireman who was assigned to assist the crankiest old engineer on the line.

While the engine was backed up on a siding to take on water, the engineer watched the apprentice bring down the spout in good order, but then get his foot caught in a chain, and go sprawling into the tank of the tender with a loud splash.

The engineer reminded him, with just the hint of a chuckle, "We just want to fill up with water, Sonny. No need to tamp it down."

**THE RIGHT WORD**

After the publication of one of his books, it was rumored that Rudyard Kipling received 25 cents per word for his work. When this came to the attention of a rival author who received only a fraction of this rate, he could not resist writing Kipling a letter.

"Dear Sir," he wrote, "I understand that you are paid 25 cents a word for your literary efforts. Your words must indeed be words of wisdom to command such a fabulous rate. Enclosed you will find a money order of 25 cents. Please send me one such word by return mail." Kipling, equal to the occasion, promptly complied. The word he enclosed was "thanks."

**Being Frank**

Jane: Don't you miss your parents? Irma: I miss them most of all. Why they were just like mother and father to me.

**The Sharper Shopper**

"How much are your lemons?" asked the lady. "Three cents each," replied the grocer. "Well, I don't want any," she replied. "I can get them anywhere for eight for a quarter!"

**MORE MUSIC? MORE FOOD!**

Composer Frederic Chopin was invited to dinner at the home of a noblewoman who expected her artistic guests to perform for their meals.

Chopin was in the middle of the first course when his hostess asked him to play. Annoyed, the composer gulped his food, marched over to the piano, played a couple of notes and then returned to the table.

"Is that all you are going to play?" demanded the hostess. "Madam," replied the composer apologetically, "I have eaten so little!"

**Truth**

To be born a gentleman is a circumstance, but to die one is an achievement.

**Too Small**

The small apartments of today are ideal for young married couples. They have no room for argument.

**GETTING AN EDUCATION**

Two workmen, on their day off, decided to go to the zoo. As they were going through, one of them, who weighed 210, suddenly yelled: "I'll beat that guy Shorty to death!" "What's the matter?" asked his companion.

"The bum called me a hippopotamus!" "Gosh," replied the other. "I heard him call you that. . . it must have been six months ago. Why get all hot about it now?" "I just seen a hippopotamus for the first time!"

**The Servicemen's Letter**

Hi Fellas:

The big news this week is concerning all the fellows who are home on leave before transferred to other posts and other duties. Two men are here now who have just recently returned from duty in Korea. The other day I looked out of the Post Office window and there was Basil (Pete) Carney staggering down the street. And I didn't even know he was on the way home. Those Carneys are a quiet bunch, aren't they? From what I can gather second hand Pete did quite a hitch over in Korea and now is home on furlough before being reassigned to some post here in the States.

Did any of you fellows remember Claude Crandall? He used to live out on M-66 south of town—moved away about the time of the last war. He is no longer an East Jordan resident but he still has friends here. He has been in Korea on active duty and is now in the states completing his furlough. I don't have his new address as yet but expect to get it soon and I will report it to you a that time.

Maurice Murphy and Guy Vallance were in to see me today. Maurice is sure looking good for having been shot up the way he was. He says they have fixed him up until he is almost as good as new now. He is here on a 10 day leave and from here he goes away down to San Antonio, Texas to take over some sort of duty in the Brooks General Hospital there. He doesn't know just what it will be as yet.

Guy Vallance is also home on what they call a 10 day leave. However he says that the 10 days include travel time so that only leaves him about a week here. However, he's thankful for that much. You see, after he leaves here he goes down to Ind. and meets another sailor there and they take off by plane from Chicago next Sunday enroute to San Francisco where they will join up with their new floating home—a Navy tanker. Where they go from there is something they will have to tell us later.

Keith Smith, who also returned from Korea not long ago, dropped into the office this last week and surprised me by telling me to send all of his mail out to Route 3 again. He went on to explain that he had just received discharge from the Army and was going to settle down on the farm for a while. Well, there's one man who has had his hitch in the Army, served a stretch in Korea, and came home to resume civilian life.

Here's a new address. Any of you men know Bill Brooks. He comes from Ellsworth but he went to school here and graduated here not too long ago. He is now Cpl William Brooks, AF 16,353, 412 3597 Tng Sqdn, Box 701, Nellis AFB, Las Vegas, Nevada. Bill has completed his basic training and his school course in aircraft maintenance and is now a Crew Chief at Nellis Air Force Base. His mother tells me he is in charge of the checking over of planes leaving the base. The planes in his charge must have his ok before cleared for flight. That sounds like a real chunk of responsibility for a fellow who just went into the Air Force last January 2nd.

I have some good news concerning Gale Murphy. Rumor has it that he is to be transferred out here to Fort Custer soon. Won't that be swell to be so near home. Perhaps Gale and Howard Evans of the 5010 ASU MP Det can get together on their trips home once in a while.

I have it on good authority that Cpl John Vallance will soon be Sgt John. Here's wishing you luck in that exam, John. Get all those stripes you can. That extra 20% doesn't hurt the pocketbook either.

Phil Gothro says Chuck will be on his way home in November or December of this year. His enlistment is up this year and he is being brought home for reassignment. He expects to reassign and where he goes then is anybody's guess.

Here's a letter from Sgt Carroll Bartholomew down in Fort McClellan, Alabama dated August 31st. He writes, "Guess I have been down here in Alabama for nearly two weeks now and have neglected to inform you of my new address. When I came back from Korea I was attached to a Chemical Corps School Composite Troop Unit, Communications Section. I was in Maryland about a month and when they moved the Chemical School down here to Alabama because the camp was too small at Edgewood. I was in a communication section two years in Japan and for two months in Korea; Radio operator and repairman. Now, plus two other Sergeants, we have to see that the other men in the section get things done on time and in the proper manner. It's mighty hot down here just now. Yesterday and today it went up to 100 degrees. Tomorrow it is supposed to go up to 102. I will be glad when it cools off a little." Glen Persons writes from the Mediterranean and reports that

he has been getting around quite some in the past three months. They loaded up 800 Marines at Morehead City, N. C. on June 14 and shoved off for Gibraltar. (14 days on the sea to there) Entering the Mediterranean they went to Cannes, France, the islands of Sardinia, Malta, Crete and "some other that arn't noted for much." He writes that he believes that Athens, Greece was most interesting of all these places he visited, due mainly to the fact that it holds such a high place in the history of the world. He went on a tour of the famous "Acropolis" which opportunity was once in a lifetime and it sure-ly was wonderful. Glen was writing from Marseille, France and was expecting to return from there to Cannes and from there on to Naples, Italy; then to Oran, North Africa; then to Gibraltar to be relieved to go back to the States on September 21st. Glen has been on the deck for the past three months "mess cooking" but expects to be transferred to the signal bridge when he gets back to the states.

Glen, here are those addresses you asked for: Joe Hammond, FA 433 10 62, USS Aucilla, c/o FPO, New York, N. Y.; Bob Anderson has just moved to the West Coast and I don't have his address as yet; Bob Nemecek, Pvt, US 55 126 281, Student Co No 8, STR - TSESS, Camp Gordon, Ga.; and Niles Hill, Pvt., US 55 097 464, 369 Engr. Co. F, 2nd Plat, Shore Reg, Fort Worden, Washington.

Fellas, there's one thing I've been wondering about. You know when you get home and are in town and happen to see me on

the street—don't be surprised if I can't call you by your first name at once. Of course there are some of you that I know quite well; some others that I know a little; but ther are some of you that I don't know at all except through this letter. So, if I should happen to see you on the street or in the Post Office and don't call you by your first name right off will you give me a break and step right up nd say, "Hello, Jake." I'm so and so how are you." That would sure save me a lot of stutters sometime.

Thanks fellas, "Jake" Snyder

**Compared to Premium-priced Gasolines You get a saving on every tankful... more miles per dollar with HIGH-TEST BLUE SUNOCO**

**2¢ SAVING PER GALLON**

High-test Blue Sunoco sells at regular gas price, which is usually 2 cents a gallon below premium-priced gasolines. In spite of its low price, Blue Sunoco gives you more value because of its outstanding balance of such qualities as anti-rust, quick-starting, anti-stalling, clean burning, long mileage and high-test action.

**MORE MILES PER DOLLAR**

Automotive Engineers know that the weight of a gallon of gasoline determines energy content . . . mileage. Official surveys show that the weight per gallon of high-test Blue Sunoco matches the average of all leading premium-priced gasolines. In short, high-test Blue Sunoco gives you equal energy, equal mileage at lower cost . . . gives you more miles per dollar.

Ultra-modern refining facilities enable Sun Oil Company to produce a top quality gasoline at substantial savings. These savings, made possible by Sun's policy of concentrating on mass production and distribution of one top grade gasoline are passed on to you. That's why you get high-test Blue Sunoco at regular gas price.
