NUMBER 27

RECREATIONAL PROGRAM

July 4th Schedule

10:00 Soap Box Derby at Pray's Hill.
11:30 Kids and Pets Parade from Playground to Memorial Park.
3:00 Girls Softball
8:30 Square Dancing at Tourist Park. Mrs. Wilbur Robertson hosts, Mr. William Grauel and Mr. Howard Darbee collection pop sellers, and Mrs. Glen Malpass and Parker Seiler chaperones.

Penny Hike High-light of Next Week

On Wednesday, July 9, the playground will sponsor a penny hike for the children of the community. They will leave from the playground at 1:00 to allow the children attending Bible School to go, and follow the coin from there to the destination of "only the coin knows". At each cross road the penny is tossed to determine which path is to be taken. After reaching the destination, marshmallows will be roasted and swimming if the coin takes us to water. Come on out Wednesday, kids, and see where that penny takes us!!!

Peanut League to Play

Each afternoon next week except Wednesday, the Peanut League will play. It is for boys 14 and under, and each afternoon there will be a game with the climax on Tuesday, when they will play Boyne City. Be sure and get into the game, boys. If you are not already on a team, contact Parker Seiler and he will find a place for you.

Softball League Play Gets Under Way

In a game that featured 17 bases on balls but only 9 hits, the Iron Works downed the Canning Co. by the score of 12 to 10. The Tuesday evening free-for-all was the first of the current season and a thriller in the later stages. The Iron Works led by the score of 12 to 3 as the Canning Co. came to bat in the last of the sixth, but with the help of some walks and Turk Bennett's mighty triple with the bases loaded the score became 12 to 10. In the last of the seventh the Canning Co. brought the tying run to bat but were unable to score.

Iron Works 12 Runs, 5 Hits, 4 Errors.
Canning Co. 10 Runs, 4 Hits, 5 Errors.

Annear and Damoth formed the battery for the losers, while H. Sommerville, L. Chihak (6) and Hitchcock, Valencourt (4) worked for the winners.
Thursday's game between Thorsen's and Dip's turned out to be a low scoring game and ended in favor of Thorsen's 4 to 2. Thorsen's mustered a run in the second, third, fourth and fifth inning to attain their total while Dip's picked up a run in the fourth and added another in a rally which fell two runs short in the seventh inning. Karr turned in a fine pitching performance by allowing only two hits to the losers. By winning, Thorsen's gained a tie for the top rung with the Iron Works.
Thorsen's 4 Runs, 7 Hits, 1 Error.
Dip's 2 Runs, 2 Hits, 2 Errors.
Hammond and Rebec formed the battery for the losers while Karr and Chanda worked for the winners.

Handicraft-Swimming Day-Camp Park of Weeks Fun

The swimming classes at the tourist park under the direction of Mrs. Glen Malpass, have reached an enrollment of fifty-two children. The advanced classes on Monday and Wednesday are working on the improvement of their strokes in readiness for the Water Show to be held in July. The Beginners on Tuesday and Thursday are learning how to float and how to overcome the initial fear of water. Billy Darbee, Betsy Bell, Judy Gooke, Sally Gidley, Agnes Zoulek, and Mary Carol Hasty of the Beginners have already learned how to float and are now on their way to actually swimming. On Friday afternoon the children at the playground had their first handicraft lesson. They made letter pins out of pipe cleaners and then covered them with yarn, hot dish holders out of coffee

can covers covered with twine; and pot holder containers out of paper plates decorated with crayolas and held together with yarn. Nicky Meyers and Chris Schroeder made especially good designs and all the children seem to enjoy themselves.

Monday the children went by bus to Whitting Park for a days outing. At noon they roasted hot dogs and marshmallows and drank gallons of cool-ade. Before going swimming after lunch they explored the area, and some of the children got to ride on the work horse over there. They also discovered a huge Labrador called Spade and he followed them everywhere. After swimming they played baseball and the game resulted in a tie for the teams of Eddy Campau and Jimmy Neumann. What marshmallow that were left from lunch were roasted and then the children piled back into the bus for the trip home. This is the last of the bus trips for the season, and the playground extends its thanks to Mr. Walton, the bus driver, all the mothers who have served as chaperones, and all others who have made these trips possible.

Playground Schedule July 7-11

Monday — 9:30-11:30, Tennis and general playground activities.
2:00 Boys baseball 14 yrs. and under. Advanced swimming class 3:00-4:00 play.

Wednesday — 1:00 "Penny Hike" and marshmallow roast. Leave school ground at 1:00 and follow the coin from there.
Thursday — 9:30-11:30 Tennis and general playground. 2:00 Boys Baseball 14 and under. Beginners swimming. 3:00-4:30 play. 6:45 Dip's versus Canning Co.
Friday — 9:30-11:30 Tennis and Boys Baseball game 14 and under. Handicraft children to bring box to cover and crepe paper, and scissors, and paste. They are to decorate the box to be used on the next Monday in a Box Lunch.

June Weather

TEMPERATURE AND RAIN ABOVE AVERAGE

Charlevoix County was fortunate in having plenty of rain and warm weather during June to make for excellent growth of most agricultural items. Central and southern Michigan, even as close as Kalkaska Co. is short of average rainfall, and hay and grain particularly will be a short crop.
East Jordan had a total rainfall of 3.52 inches, which is .50 inch over a 20 year average. And the temperature averaged 65.3 degrees, which is 1.8 degrees over the average. The average maximum was 77.5 degrees, and average minimum was 53.1 degrees. The highest temperature was 95, and lowest 39. The most rainfall in 24 hours occurred on the 29th. Scattered showers, totaling about 1/4 inch, are predicted for the week end, warm thru Friday, a little cooler Saturday and Sunday.

Local Girl Swims Intermediate Lake

Sandina Liskum, 14, daughter of Mr. and Mrs. Rv Liskum of South Arm, swam across Intermediate Lake Sunday afternoon. Miss Patricia Ireland, 17, daughter of Mr. and Mrs. Thomas Ireland of Cleveland, Ohio, swam with her.
The two girls were visiting relatives at Deep Water Point, about four miles North of Bellaire. Mr. Liskum and Paul accompanied the girls with a row boat. They swam the lake at the widest point, a distance of about a mile. Miss Ireland, a well-trained swimmer slowed down to keep with Sandina who has been entirely self-taught. The swim lasted 66 minutes. The only comments the girls made were "My I'm hungry" and "I think I could swim back."
Student: "You know, idiots are the people who make life interesting. I wouldn't want to be around when the idiots are all gone."
Roommate: "Don't worry, you won't be."

Legion Lower 11th. District Meeting Held In Boyne City

Several members of the American Legion Auxiliary Unit 227 of East Jordan attended the Legion Lower 11th. District meeting held Sunday, June 29, at Boyne City. A nice parade proceeded the meeting which was called to order and opened by the Ernest Peterson Post 228, Boyne City then turned over to the District officers.

A very impressive memorial service was held in memory of all Auxiliary members in the district who have passed away during the year, flowers were deposited and candles lit for Ada Samter, Clara Barlow, and Elizabeth Turri, of Cheboygan, Lena Elkins, of Mackinac City, and Roslie Cummings, East Jordan.

Following reports read by all District Chairmen the election of officers was held, those being elected were Mary Phelps, South Borden; President, Marguerite Rowe, Harbor Springs; Vice-Pres. Bertha Leis, Cheboygan; Executive Board, Marie LaMar, Alpena, and Ann Gilman, Petoskey, was chosen to represent the Lower 11th. District delegate to the National Convention to be held in New York this year.

A nice lunch was served by the hostess unit, followed by a dance held in the new Legion Hall. A fine time was had by all.

Red Cross Gets 109 Pints of Blood In Clinic

Charlevoix county's blood procurement clinic held in East Jordan and Charlevoix last week netted a total of 109 pints of blood. Mrs. R. G. Bennett, county blood chairman for the Charlevoix county chapter of the American Red Cross, has announced.

The county Red Cross chapter cooperated with the Michigan Department of Health in arranging the clinic.
Forty pints of blood were donated in East Jordan on Tuesday and 69 pints in Charlevoix on Wednesday. The goal for the two-day clinic had been set at 200 pints. Ten prospective donors were rejected in East Jordan and 15 in Charlevoix.

Twenty-five percent of the blood or 27 pints will go to the military as whole blood for the armed forces and the remainder will be processed as plasma and fractions for use by county residents.

However, 68 pints of the remaining 82 will be used to pay a deficit owed the department of health for plasma already used by county residents. This will leave only a 14-pint reserve in the county.

Because the goal was not reached at this time, the department of health is planning to return to the county for a one-day clinic this fall. It will be set up in the eastern end of the county where donors will be drawn from the Wallon Lake, Boyne Falls-Boyne City area which had no donors at the recent clinic.

Dr. Florence Price was in charge of the Michigan Department of Health Mobile unit was set up in the East Jordan high school building. She was assisted by Kay Arndt, Ann Tromble and Evelyn Waldron, nurses, and Erwin Kirkbride, manager.

Phyllis Malpass was local chairman for East Jordan. She was assisted by Mary Glenna Malpass, Cora Seiler, Barbara Pearce, Helen Witte and Phoebe Watson in the canteen and Elizabeth Robertson, Alice Sherman, Frances Benson, Alice DeForest, Mrs. Patrick, Mrs. Shiotelis and Mrs. Grimm of Boyne City, assisted in the clinic.

The Charlevoix county chapter of the American Red Cross would like to express its gratitude to the donors who made the clinic possible, to those who assisted with the Charlevoix County Herald, the clinic in other capacities and Station WMBN in Petoskey for their cooperation in publicizing the clinic.

Marriages

Campbell — McNamara

The First Presbyterian Church was the scene Saturday afternoon of the marriage of Miss Sally Campbell, daughter of Mr. and Mrs. Robert A. Campbell, to Edward McNamara, son of Mrs. Joseph McNamara, of Brethren and the late Mr. McNamara.

The Reverend E. O. DeHaven performed the ceremony before an altar decorated with bluish pink peonies and white delphinium.

Miss Nancy Keller of Big Rapids played traditional wedding music at the organ.

Given in marriage by her father, the bride chose a gown of broad-cloth taffeta fashioned with a fitted bodice, sweetheart neckline and long tapering sleeves ending in points over the wrists. Her bouffant skirt terminated in a circular chapel length train. Lilies of the Valley held her finger tip veil in place. She carried a bouquet of white roses centered with a white orchid.

Preceding the bride was Jean Louise Jackson, flower girl, daughter of Mr. and Mrs. Albert Jackson of Port Huron. She was dressed in a floor length gown of lavender taffeta trimmed in nylon tulle. Bobby McNamara, nephew of the bride in a white tuxedo suit carried the ring on a white satin heart shaped pillow.

Mrs. Joseph McNamara attended her sister as matron of honor. She was dressed in pale green taffeta, with fitted bodice and bouffant skirt. Her bouquet was white carnations. The maid of honor was Miss Janice Griffith of Pontiac. Her gown was gold and of similar design to that of Mrs. McNamara's. She carried a lily bouquet. Mr. Joseph McNamara of Jackson served his brother as best man and seating the guests were Mr. Harold Gunder of Monroe, Mr. Edwin Nelson of Brethren and Mr. George Stanley of Wellston. Completing the wedding party as Master and Mistress of ceremonies were Mr. and Mrs. Albert Jackson of Port Huron. Mrs. Jackson was dressed in gray and blue taffeta.

For her daughter's wedding, Mrs. Campbell chose a dress of aqua lace with white accessories. She wore a shoulder corsage of purple and white orchids.

Mrs. McNamara wore a beige suit with matching accessories. She also wore a shoulder corsage of orchids.

Decorations in the church were arranged by Mrs. G. W. Bectold and Mrs. R. G. Watson.

A reception immediately followed the ceremony was held at the Jordan Inn. Decorations about the room and the brides table were arranged of bluish pink peonies, double syringia, and snap dragons. Mrs. Alex Sinclair, Mrs. G. DeForest and Miss Marjorie McNamara presided at the brides table.

For traveling, the bride donned a dark blue linen frock, trimmed with white and white hat. The couple will reside in Monroe.

A Pre-Nuptial showers were given for the bride by Mrs. H. P. Poter and Mrs. W. A. Porter.

The name of no person but an actual Resident of the precinct at the time of said registration, and entitled under the Constitution, and remaining such resident, to vote at the next election, shall be entered in the registration book.

Thelma M. Hegerberg City Clerk

Accidents Occur On One In Four Michigan Farms

"One of every four farms in Michigan will be the scene of a disabling accident during the next 12 months," according to David Steinicke, farm safety specialist at Michigan State College. He made the prediction today in announcing Farm Safety Week, July 20 to 26. "Although farmers throughout the nation will be eliminating hazards on their farms during that week, safety must be a 365-day-a-year job if we are to cut the toll of farm accidents in the state," he added.

Many people do not realize how big and serious the toll is Steinicke said. The average cost of a farm accident involving a fall is nearly \$50, for instance. And the average fall costs the farmer 24 days lost from farm work. Average farm machine accidents cost \$60 in medical expenses and 20 days lost from farm work.

"Merely being aware that accidents do occur will help cut down their toll," Steinicke believes. "However, eliminating hazards and developing safety habits will cut the toll even more," he added.

Assistant Sanitarian Appointed For This District

The district health office is now in a better position to offer the citizens of Emmet, Charlevoix, Antrim and Osego counties a more complete health protection service, Dr. A. F. Litzgenburger, Director of District Health Department No. 3 stated today.

Murray Coulter has accepted the position as Assistant Sanitarian for the summer months and will work exclusively on resorts and summer camps in this area. Mr. Coulter is a senior at Emory University and is majoring in the Biological Sciences. He started work on July 1, 1952.

Ed Rebman Goes To School

Ed Rebman, your county agricultural agent, will go back to school in early July to brush up on latest developments and research in agriculture. Members of the Michigan State College Co-operative Extension staff will conduct the meeting from July 7 through 11 on the East Lansing campus.

Along with about 80 other county agricultural agents, Ed Rebman will have an intensive week of catching-up. Field trips and talks from Michigan Agricultural Experiment Station researchers will take up most of the time. Also on the program will be discussion of administrative principles and instruction in the use of visual aids and television as teaching methods.

The agricultural agents will live and meet in Shaw Hall on the campus, Rebman said.

Baseball Tryouts by Chicago Cub Scout

Baseball players from throughout Northern Michigan are expected to be on hand here July 10 for the Chicago-Cub tryout camp to be conducted by Tony Lucadello.

The camp, for major league aspirants 16 to 21 years of age, will get underway at the fairgrounds here at 9:30 a.m.

Dr. Thomas Tureott, local director of the camp, said cards have been sent to all team managers and coaches inviting them to have their prospects here for the tryouts.

Players are instructed to bring their own glove, shoes and uniform. Any player signed to a contract will have his trip expenses reimbursed.

The veteran Cub scout stated in a letter that Chicago is looking for players at all positions.

Lucadello said the outfield and infield players will be graded on running, throwing and fielding. Pitchers are to be graded on the sideline and during a game.

All players will get plenty of action during the tryout, Lucadello emphasized.

Meets With Peninsula Grange, July 8th.
Charlevoix County Pomona Grange No 40, will meet with Peninsula Grange on July 8. Pot luck supper after the meeting.

Rotary Club Picnic

Sixty four Rotarians, with their Rotary Anns, and visitors, enjoyed a picnic at the Tourist Park Tuesday evening, the event being the closing of the old year, and installation of new officers for 52-53.

Retiring Pres. Alex Sinclair presented the new officers, as follows—Pres. Vern Whiteford, Vice-Pres. Ole Hegerberg; Sec. Treas., Dave Pray; and Sargent at Arms, Edward Streeter. Community singing was ably led by a double male quartet, conducted by Ted Malpass.

Past Pres. Alex demonstrated his ability as Chef. The picnic dinner was pot-luck, the menu being chosen by Alex, and the excellent coffee being brewed by him.

Past Noble Grands Club

Jessamine Rebekah Lodge No. 365 elect a new slate of officers:

Select Farms For 1953 Grass Days

With another successful series of Grass Day demonstration programs completed, Michigan State College extension specialists are looking forward to 1953.

Richard Bell, farm crops extension specialist and chairman of the State Grass Days Committee, has announced locations for seven field days to be held in June, 1953. They are:

Arenac county—Louis Brazon farm near Standish
Kalkaska county—Jenkins Brothers farm near Kalkaska
Alpena county—Ferdinand Doan farm near Alpena
Garretot county—Bessie Cary farm near Alma

Jackson county—Hall and Southworth farms near Thompsons

Ottawa county—Garrit Butch farm near Coopersville
Monroe county—Marshall Knapp farm near Ida

Attendance at the 1952 Grass Day events brought the total attendance over the five years the demonstrations have been held to near the 100,000 mark.

Grass Days are sponsored by the Michigan State College extension service and local committees headed by county agricultural agents, to stress the production, harvesting and utilization of high quality

Killed Instantly In Car Accident

FRANK W. KITSMAN DIES NEAR PETOSKEY SATURDAY NIGHT

Funeral services for Frank W. Kitsman were held at 2:30 p.m., Tuesday, at Watsons funeral home, conducted by Rev. Edward DeHaven. Bearers were Charles Saxton, Harold Bader, Walter Shepard and Gayle Saxton. Interment was made at Sunset Hill.

Mr. Kitsman was born at Alabaster, Mich., June 3, 1876. He has resided in East Jordan since 1912, coming here from Standish.

Surviving are three sisters; Mrs. Mary Saxton and Mrs. Ella Shepard of East Jordan and Martha Kitsman of Cincinnati, Ohio. Two brothers, Theodore at Standish and Ernest of Seattle, Wash.

Mr. Kitsman died instantly, Saturday evening, when he was struck down by a car two miles north of Petoskey.

He was hit about 9:15 p.m. while attempting to cross the highway. Ernest Ward, 32, of Route 3, Petoskey, driver of the car was not held. The sheriff stated that the accident was unavoidable.

Kitsman and the driver of the car in which he was riding, Claude Myers, about 65, of East Jordan were attempting to find the route to Harbor Springs when the accident occurred.

The pair had missed the turn off at M-181 and had passed the Pickeral Lake road when they decided to inquire at a farmhouse. Kitsman started to cross the road from behind the Myers car and walked in front of the on-coming car.

Dr. Joseph B. Conti, coroner, said Kitsman was killed instantly. Death resulted from a skull fracture, also fractures of both legs.

Auxiliary Enjoys Semi-Social Meeting

The American Legion Auxiliary Unit 227 held a semi-social meeting at the Legion Home Tuesday, June 24, there was a fine attendance of members present. Committee Chairmen were called on to give reports on their work, Edna Wilkins, Civil Defence, said all spotter stations were supposed to go on 24 hour duty starting July 14, but as the station here is not ready we may not be able to start on schedule. Florence Stueker, Rehab, reported we had helped the Hart family and she is still doing what she can to help provide what they still need.

Glenda Maxwell, asked that all money and tickets still out on the Afghan be turned in at once. Bernadine Brown, Community Service, ask permission to close the Room in the City Building during July and August. The room will only be opened on request, so anyone needing this service may contact her at her home, 109 Esterly.

Volunteers were called on to make a survey of all the voters of East Jordan in accordance with the All Out Vote program sponsored by the Legion and Auxiliary, this is a nation wide program and we are not concerned how one votes but just that everyone of voting age is registered and votes.

Reva Walton, is Unit Chairman and will have charge of the survey.

Following the meeting a brush demonstration was given by Mrs. Hunt, from Boyne City. Several games were played which everyone enjoyed. The hostesses of the evening, Martha Kamrad and Marietta Walden, served a nice lunch of ice cream, strawberries, cookies and a nice cake baked by Marietta.

Next meeting will be Tuesday, July 8, everyone be sure and attend.

Notice

A Public Hearing will be held Wednesday, July 9, 1952, at 8:00 p.m. to determine whether Kenneth Diller's Box and Crata Factory property shall be changed from R. 3 Residential, as now zoned, to M. 1 Light Manufacturing.

All adjacent property owners, who have any objections to this change in zoning, should be present at this hearing.

Thelma M. Hegerberg, City Clerk

Powers furnishing certain engineering services, preparing plans, working drawings and specifications for the construction of a sewerage collection system and sewerage treatment plant for said City, and for supervising of the construction thereof, and,

Whereas, said contract has been partially performed by said Daniel S. Powers, in that he completed the preparation of plans, specifications and working drawings for the construction of the sewerage collection system and sewerage treatment plant, and,

Whereas, said Daniel S. Powers has since died, and it is necessary for said City to obtain the services of another engineer to complete the said contract, and,

made by Rebec, and supported by Malpass, that \$2400.00 be paid as a two per cent fee for sewage plans." Carried all ayes.

It was moved by Alderman Malpass, supported by Alderman Taylor, that the following resolution be adopted.

Whereas, the City of East Jordan entered into a certain contract on the 4th day of June, 1951, with Daniel S. Powers, DBA, Powers Engineering Company, of Traverse City, Michigan, providing for said Daniel S. Powers furnishing certain engineering services, preparing plans, working drawings and specifications for the construction of a sewerage collection system and sewerage treatment plant for said City, and for supervising of the construction thereof, and,

Whereas, said contract has been partially performed by said Daniel S. Powers, in that he completed the preparation of plans, specifications and working drawings for the construction of the sewerage collection system and sewerage treatment plant, and,

Whereas, said Daniel S. Powers has since died, and it is necessary for said City to obtain the services of another engineer to complete the said contract, and,

Whereas, said Daniel S. Powers and conveyed his business, known as the Powers Engineering Company, to John C. Norton, a civil engineer, of Traverse City, Michigan, and,

Whereas, it is provided in said contract between said Daniel S. Powers and John C. Norton, which bears date the 17th day of December, 1951, that said John C. Norton shall be assigned all outstanding contracts of said Daniel S. Powers, of which the aforementioned contract with the City of East Jordan is one, providing that it is acceptable to the said City of East Jordan, and,

Whereas, there is due from the City of East Jordan to said Daniel S. Powers, or his estate, on said contract, for preparation of plans, working drawings and specifications for the construction of a sewerage collection system and sewerage treatment plant, the sum of Twenty Four Hundred (\$2400.00) Dollars, which has been assigned by said Daniel S. Powers and by the estate of Daniel S. Powers, deceased, to said John C. Norton.

Now Therefore, be it resolved as follows, that the said City of East Jordan does hereby approve of the assignment of the interest of Daniel S. Powers in the contract dated June 4, 1951 to John C. Norton, and the said City of East Jordan does hereby approve of the substituting of John C. Norton for and in the place of said Daniel S. Powers in said contract, to undertake the performance of said contract in the place of Daniel S. Powers and to do and perform all the duties, obligations and work therein specified to be performed by said Daniel S. Powers under the same terms and subject to the same conditions as in said contract contained.

Be it further resolved, that said City of East Jordan at this time pay the sum of Twenty Four Hundred (\$2400.00) Dollars due to said Daniel S. Powers upon the aforesaid contract for services performed to this date, and the City Treasurer be and is hereby instructed to draw a check of the City of East Jordan, in the aforesaid sum of Twenty Four Hundred (\$2400.00) Dollars, made payable to John C. Norton and Florence Powers as Executrix of the estate of Daniel S. Powers, deceased and deliver it to said persons.

Be it further resolved, that said John C. Norton shall, from and after date hereof, be responsible for performing all obligations, duties and work therein provided to be performed by said Daniel S. Powers and he shall collect for and receive all the benefits and future payments for engineering services provided in said contract and arising out of his performance of said contract hereafter.

Be it further resolved that said John C. Norton is to make the following changes in the proposed plans and specifications which have been prepared for sewerage treatment plant and sewerage collection system, and obtain the approval of the Michigan Water Resources Commission thereto as follows:

1. The site of the proposed treatment plant shall be changed to the location of the City Garage, adjacent to the East side of the South Arm of Lake Charlevoix.

2. The sewerage disposal plant building shall be constructed of cinder or cement blocks.

3. The intercepting sewer shall be located along the railroad tracks.

4. The landscaping of the sewerage treatment plant grounds shall be eliminated from said plans and specifications.

The resolution was adopted by an aye and nay vote as follows: Carried all ayes.

Motion was made by Nemecek and supported by Rebec that the meeting be adjourned.

At Our Tourist Park

(By Mrs. Jess Robinson)

Another season has rolled around, and time to get busy, and let folks know just what is doing at the East Jordan Tourist Park. Seems like this year it has taken longer to get under way, not much to report until this past week.

First of all present we have fifteen trailers, and two tents.

Six of our trailer families are connected with the Superior Electric Company, the men working near Eastport.

We miss the Merediths as the caretakers, after serving the park faithfully for eight years. Clyde Hipp is the Caretaker now.

Those who are in the park are Mr. and Mrs. Millard Wagner of Flat Rock, Michigan, this is their second visit here. Dr. and Mrs. R. E. Pierce of Columbus Ohio and Miami, Florida. Mr. and Mrs. Lloyd C. Stewart and son Denny of Ludington. Mr. and Mrs. Cassimer Richards of Flint. Mr. and Mrs. John Carter of Ferndale. Mr. and Mrs. Ed Wilson and children Shirley and Dennis of East Jordan. Mr. and Mrs. Robert Tunn and son Bobby of Montello, Wis. Mr. and Mrs. Kenneth O'Connor and sons Billy and Dickey of Montello, Wis. Mrs. Harvey Pangborn and daughters, Shirley and Janet, are back again for the summer from their home in Midland. Mr. and Mrs. Donald Reader and children Donald, Jimmy, and Judy of Rhineland, Wis. Mr. and Mrs. Norbert Jack and sons, Gene and Tommy of Montello, Wis. Mr. Carl Koch and Mr. Clifford Walker, both of Hart, Mich. Mrs. Donald Raymond and four children, Dawn, Gay, Reta and Raymond, of Midland. Mr. and Mrs. Jack Stauffer of Middleville are tenting in the park for a week. Also tenting here are Mr. and Mrs. Frank Robinson and three children, Donna, Gene and Jack, and the former brother Herb Robinson, all of Orleans, Michigan. Oh yes and Mr. and Mrs. Jess Robinson have their trailer parked here for the fourth year. Mr. and Mrs. Marshall Koontz and four children of Detroit bought their trailer up early in the season, and have been up for week-ends twice, but plan to be here most of the summer later on.

Recent guests of Mr. and Mrs. Richards were their nephew, Gordon Stephens, his wife and two sons, also Mrs. Richard's sister, Mrs. Nora Thompson, and her daughter and husband, Mr. and Mrs. Hugh Jack all of Flint.

Mr. and Mrs. M. Wagner spent Wednesday with their daughter at Long Lake near Atlanta.

Miss Shirley Pangborn is celebrating her sixteenth birthday this Thursday, July 3rd. We all wish her a happy one and many more of them.

The Raymond family have been quite busy these days seeing the sights of our beautiful northern country, they have made several trips around sight seeing.

The Pangborns entertained Mrs. Georgia Moths and her daughters Sally and Joan Middleton and their guests, all of Boyne City.

The Ellsworth Sunday School enjoyed a picnic in the recreation building last Friday Eve.

The first group of Hy-went-a-boys from Torch Lake landed in the park on Tuesday this week after paddling their canoes down the Jordan river, camped in deep tents, then left Wednesday morning for Ironton to be met by truck and taken back to Torch Lake.

Work is progressing on the laundry room, a 'bee' has been called a couple of times, Don Clark and his crew got the cement floor poured and now Rodney Petrie and Clinton Clark are doing a fine job of block laying.

We have a new park commissioner this year too, none other than Tom St. Charles, and he seems to be doing a very fine job too, this week a new water pipe line was laid down the center of the park, full length, so now all trailers can hook onto the water without having to have yards of criss-cross hose like a spider web stretched around the ground.

Wednesday a grader worked most all afternoon leveling the beach and getting it in good shape again. The water has been so high, new fill dirt has had to be hauled in to build up the beach.

Mr. and Mrs. Joseph Trudell and three daughters of Detroit, former park tenants, are occupying the Len Swafford cabin for two weeks and one of Ed's boat's cabins for one week.

Mr. George Mathews of Grand Rapids called at the Robinson home Tuesday, and to look over the park prior to bringing his family up for another year in the park.

Mrs. Ward Robinson and son Ronnie of Mt. Morris, and Mrs. Carl Stephen and son David of Flint returned to their homes Friday after spending a week visiting their parents the Ralph Walkers, and Jess Robinsons.

On Tuesday Evening a large crowd of Rotarians and their families enjoyed a picnic in the recreation building.

We are all looking forward to

the 4th of July dance to be held in the park next Friday.

We regret to report that five of our last years tenants have passed away since last summer. Our beloved caretaker, James Meredith, Mrs. James Kieler of Alma, Mr. Lewis Hearn of Midland (father of Mrs. Pangborn), Mr. Baber of Sparta and a son-in-law of the Al Piersons who

spent a week and several visits here also of Sparta.

Funeral Service This Saturday For John Whiteford

John Whiteford passes away at his home Wednesday evening. Funeral services will be held this Saturday afternoon, at 2:00 p.m., at Watson's Funeral Home.

Charlevoix County 4-H Camp

Charlevoix county completed its seventh annual county 4-H camp at the Church of God camp grounds last week, Ed Reberman, county agricultural agent, reported today. There were 52 girls and 39 boys registered and 4 counselors who assisted in the camp program. These counselors were Margaret Zoulek, Rose Mary Lehbass, Sharon Brock and Arveta Liskum all from East Jordan.

Anna Warner from Charlevoix was the camp cook. In addition to the extension staff in Charlevoix county others who assisted in the camp program were Earl Johnson, Charlevoix; Dallas Alsop, Traverse City and Bill Grimm, Boyne City.

The camp started Tuesday, June 24. Fortunately the weather was good during the day but there was plenty of rain and electrical storms during the night.

Ball games, archery, treasure hunts, picnics and swimming. The members are very much indebted to Howard Stephens who furnished the tractor and trailer in order that the youngsters could get to the beach to go swimming.

Two craft classes were conducted during the camp. One was under the direction of Mrs. Earl Johnson and was in making artificial flowers. All the girls and some of the boys made these flowers and they really were very attractive. The other class was under the direction of K. C. Festerling and Margaret Zoulek and was in making stereoscopes. This scope was made out of a paper tube, two pieces of glass and a cardboard to form a prism and various objects were placed in the end so the youngsters could look and see different forms and shapes. All of them enjoyed these craft classes.

The 4-H clubs are very much indebted to the Church of God for the use of their camp grounds. Other people who helped to make this camp a success by donations were Jordan Valley Creamery, Boyne City Gas Co., and Howard Stephens.

Antrim County Farm Bureau News

We have a real challenge. Now that Farm Bureau has grown up to good stature, it should be working toward the continuing of what we know to be American. No nation on earth, regardless of its form of government ever gave human beings so much liberty and material prosperity as our own constitutional form of freedom. We enjoy the utmost in individual freedom and individual prosperity. Compare this with that of other lands on earth. Let us all think American. Let us all talk American. Let us all do business the American way. Let us all be American. This is a real challenge. 1952 is an election year. Farm Bureau members and Farmers, if you please, will play key role in the future of America; not only as farmers, but especially as citizens. We have the challenge and we have the duty of assuming full citizenship responsibility in 1952. Last day for registering before the August 5th primary is July 7th.

COMING EVENTS July 8, Tuesday - F. B. Womens meeting with the White Valley group, at the home of Mrs. Darius Buell, 2:00 p.m. Elmira, R.I.

July 24, Thursday - Antrim County Farm Bureau Picnic. Starts with a basket dinner at 12 o'clock noon. Full afternoon program is scheduled with music, speakers, prizes, games, and fun. Ball game between Eastport and Bentley Hill. Victor A. Knox, Republican Candidate for Congress 11th district will be the speaker. Everyone is welcome to come.

Eva Peron is getting ready to play her greatest role... and her last! In The New American Weekly distributed with Sunday's Herald-American, read how the wife of Argentina's dictator is dying of cancer and how she is determined the world will always remember her. Don't miss "Eva Peron's Palace of Death", in The New American Weekly with Sunday's Herald-American.

WILSON..... (Edited by Mrs. Thelma Eggersdorf)

The recent thunder and lightning storms did considerable damage to trees and crops in this area lately.

Mr. and Mrs. Carl Kolker and family of Muskegon are spending a week on their farm here.

Mr. and Mrs. Pete Boyer spent one day this week in Traverse City. Miss Gloria Brair came up from Chicago to spend the summer with her grandparents, Mr. and Mrs. H. Eggersdorf.

IN MEMORIAM

In loving memory of our daughter, sister and granddaughter, Marcia Pinney, who met with an accidental death, July 4, 1951, one year ago.

What would I give to hear her voice, Her happy face to see, To clasp her hand, to see her smile.

Would mean so much to me, That she would never return, She little thought when leaving home.

That she so soon in death would sleep And leave us here to mourn. Sadly missed by Her mother - Beatrice Boyer Her brother - A. C. Ernest Pinney Mrs. Wm. Van Deventer. 27x1

The Servicemen's Letter

Hi Fellas:
This week we start off with a letter from our old faithful, Hershel Young away out in North Africa. Hersh writes, "Hello from French Morocco. How is the weather there in E. J. It is swell here. There isn't much news here. I just thought I would drop you a line and let you know I am still around."

"I've got a change of address for you though. It is CM I, now. I made it 2 months ago."
"The fishing over here is swell, Jake. I went last weekend and got a couple swell sea bass about a foot long. Just eating size. I never was one to break any records with long ones. They always get away. This area sure has some funny creatures. They aren't like the fish we have at home. The fish in the Caribbean Area were different from these here, too. The Commercial fishermen are really making their haul on Tuna now. We see them unloading them every night and they have some 5 and 6 foot long."

"Ruth and Peg are here with me now. They arrived one month ago. We have a place on the beach 8 miles from the base. Well, Jake, this is all for now. Will write again when there is more news."

Thanks a lot for that letter, Hersh. You know, I really appreciate your taking time for a letter to us here even though you have your family and certainly a million other things to take care of. Lots of luck to you and your family."

John Vallance, who has been over in Germany for some time now, has changed units again. His address is now: Sgt John E. Vallance, RA 16 297, 006, Co A, 1279 Engr (C) Bn, APO 46, c/o PM, New York, N.Y. John is now located in Hoechst (guess you have to cough that one) which is 12 KM Southwest of Frankfurt."

Do any of you men remember Duane Thomason from down by Ironton. Duane is really an Ironton man but he went to school here in E.J. and we are going to add him to our newspaper list. He went into the Army early last winter and I just heard about it this last week, through Max Damoth. Boy, am I up to date. Anyway, they shipped Duane overseas without even giving him his basic here in the States and he found himself in Hawaii. There he took his basic and is still there. His address is: Pvt. Duane C. Thomason, US 55 269 881, 44th Co, 40th Bn, H.I.T.C., APO 957, C/o PM, San Francisco, California. That is a little different than the ordinary run of the mill Army address here in the States. What is it and what are you doing, Duane?"

We can resume sending the paper this week to Bernard Pearce. He seems to have settled for a time at least. Bernard was only 19 when he finished Artillery Basic and he must be 20 before entering OCS so they sent him to the Reception Center at Fort Sill and he's there helping work the other men into the Army. His address is: Pvt Bernard D. Pearce RA 15 465 771, Co C, Rec Center, 4050 A.S.U., Fort Sill, Oklahoma. Guess I'd better let him tell you the rest of it. He writes: Guess it is about time for me to sign in again. Now I am situated for awhile here in Fort Sill. This is the fourth Company I have been with since I have been here, and I think this is the best. I started training the First of February in A Battery of the Third Field Artillery Training Battalion. Then because of the emergency leave I took, I was set back three weeks into B Battery of the same Battalion. After I completed my basic three weeks ago I was sent to Company D of the Recreation Center, 4050th ASU. From there

I was transferred to the present company. I am now in C Company of the Reception Center.

"I liked the Field Artillery training that I got and I got a pretty high score all along. Altogether, I shot-up myself, better than two thousand dollars of Ammunition of the 105 Howitzer. That is the smallest Field Artillery piece that they use for training purposes. They told me I did real good in Field Artillery and had a place all picked out for me. Well, I am now Company Cs Company Clerk, working on a typewriter and file cabinet. I'm not complaining, but it seems rather useless to train a person in something like they did me, and then give me the job they did. It is an awful waste of money, and all of us have to share the expenses."

"The weather here has been away over a hundred for so many days straight that I have quit counting them. It hasn't rained here in over six weeks, except once that it hardly got the ground wet."

"In a way it is a good thing for me that I got transferred out of the original Battery that I started training with, as when the cycle ended everyone of them went to Korea. I wish all the fellows could get the break I got. I have a job in a company where they receive and process new recruits. Then they send them to their camp for their basic training. When I look at some recruits coming in here I wonder if I possibly could have had that dumb old life in the Army if you like it, and I have liked it so far."

Here's another man for the Airborne. Bob Pearsall was hooked a couple of weeks ago and preferred the airborne to the regular infantry. His present address is: Pvt Robert Pearsall, US 55 273 068, Co S, 53rd Inf. Div, 101st Abn Inf Div, Camp Breckinridge, Kentucky. Bob isn't that supposed to be 53rd A.I.R. instead of A.I.D.?"

Bob Farmer arrived here last Thursday night, June 26th. He'll be with us for the better part of July and when he will proceed to Saint Louis to join his buddies for the trip west to California enroute to the Pacific. Of nine buddies that Bob took training with seven of them are going to the Pacific, one is going to Alaska, and one to Pennsylvania. Bob says he is really glad that the main bunch of them are sticking together as they are a swell bunch of fellows. They all like radio and enjoyed their training and their work. Bob felt that training at Scott AFB was as near to college life as the Air Force could make it."

There's been a man hanging around the PO just about every mail time for a long time now. He has had a half expectant, half fearful expression on his face whenever he came to the window. Well the other day his dreams (good or bad?) came true and he got that long white envelope with the greetings enclosed. PeeWee Peck is going into the Army on July 8th."

Tom Leu is scheduled to leave for home from California on July 22nd. He and his sister were driving by way of Wyoming. Tom has a two week furlough."

Here's an article about the reserves that was passed on to me by G. A. It originated in the 310th Ordnance Wepot Co, Charlevoix, Michigan on June 23rd. "The 310th Ord Dep't Co, USAR, with Headquarters at Charlevoix, leaves this Sunday at 3 p.m. from the Charlevoix Armory for two weeks summer training at Pueblo, Colorado Ordnance Depot. The 310th is the largest and one of the best trained Reserve Units in the combined states of Michigan, Illinois and Indiana, with a membership of 60 men, four of whom are now on active duty with the Army and one of whom is now enroute to Korea."

The following men from the East Jordan area will be leaving with the Unit Sunday: M/Sgt Adam Sinclair; SFC Francis Lilak; Pfc George Gibbard. Pvt Gerald Evans leaves July 7, 1952 for eight weeks basic training at Fort Leonard Wood, Missouri."

Public Information Office of the Headquarters, The Armored Center at Fort Knox, Kentucky sends this article about Bill Kamradt whom we reported last week as having gone there for ROTC training. Fort Knox, KY, June 23 — Cadet William Edward Kamradt arrived here yesterday to begin six weeks of Armor ROTC summer training. Cadet Kamradt is a senior ROTC student at Michigan State College at East Lansing, Michigan. Here at the Armored Center the cadets will receive technical training in the Armored School in use and maintenance of small arms, tank guns, radio and fire communications. Much training will involve company level field problems, facilities for which are not available on college campuses. The cadets will spend the six weeks of their training in the field on bivouac. This training will prepare each cadet to assume the responsibilities of a commissioned officer."

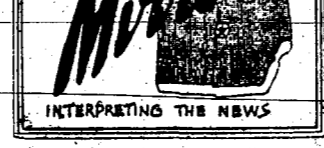

We'll finish up tonight with a letter from Dale Lavanway. Dale's new address is: Pvt Dale Lavanway, ASA Tr Rec Det, 8622nd A.A.U., Fort Devens, Mass. He writes, "Well I finally got settled down in one place long enough to send you an address. I went to Vint Hill and after processing was up here. I saw the Morris boys within half an hour after I got here. Their barracks is right near mine. I was at Vint Hill one week and I went into Washington, D.C. on a week end. There are some nice sights there."

"We don't know just when school starts. It could be anywhere from 2 to 6 weeks."

"I saw Jack Wilson several times while we were at Fort Riley, also saw the other E. J. boys. There were quite a few E.J. men down there."

"Well, now that basic training is over, Army life seems to be going better. There are passes for nearly all off duty hours. Fort Devens is well located. It is 1 1/2 miles to Ayer, Mass. If 3 or 4 of us get together we can go in for 25c each. From here there are buses so we can go to larger towns."

So Long,
"Jake" Snyder

INTERPRETING THE NEWS

"Is this a private fight," asked the proverbial Irishman, "or can anybody get in it?"

That might have been the question asked by Michigan businessmen and manufacturers as they waded into the Governor Williams-State Legislature-Donnebrook in the closing days of the legislative session.

Faced with the prospects of going \$11 million farther in the red, the House general taxation committee considered a 2% processsing tax as a last-minute attempt to make up the losses in revenue which had been brought about by the governor's vetoes of several tax measures.

The tax would have levied a 2% tax on everything that goes into industrial processing or manufacturing.

All the tools an auto maker buys to change models, all the tin cans a packer uses to package the seasons crop of fruits and vegetables, all the machinery a print shop buys to replace worn-out equipment or to expand would be taxed.

The bill would have wiped out the industrial processing exemptions in the sales tax law, but, not being a "sales tax", the take wouldn't be subject to the split-up with local governmental units and schools.

spokesmen for Michigan business groups used incisive phrases to convey their complete disapproval of the proposed law.

Joseph Creighton, representing the Michigan Manufacturers Association, charged flatly: "Michigan's problem is a political one more than a financial one. Business is willing to go along on a long-range taxation program: it made no objection to the increase in corporate franchise taxes. But we refuse to be the sacrificial goat on the political altar of a governor who refuses to admit that a tax on industry is a tax on the consumer."

But the witnesses had more than verbal stiletos to throw at the governor. They had pludgions of facts to swing at the committee.

Detroit industrialists protested that they must compete with firms outside Michigan who wouldn't have to add such tax to production costs. "With this extra handicap, we won't be competitive. And if we're not competitive, our workers won't get the paycheck they get now."

They warned of the danger of industry having to price itself out of the market. There is an erroneous belief that "profits effect prices. Actually, prices determine profits and prices are set by competition."

Steel spokesmen pointed out that these products were selling well below ceiling prices. "Competition brings prices down, not the OPS," they said.

The pyramiding effect of the tax came in for strong criticism. Two per cent levy at each step of production would mean a sizable tax on the finished product. For, no matter what any politician says, the only person paying any tax is the ultimate consumer.

A Grand Rapids spokesman pointed out another danger. An out-of-state firm, planning a \$10 million plant in this area, had halted all planning until the fate of out-of-state firm, planned a \$10 million plant in his area, had halted all planning until the fate of the bill was settled. The 2% levy would have raised the price of that plant beyond reason.

"It is foolish for the State to finance the Department of Economic Development attract new industry here if the Legislature is going to scare it away by an unfriendly attitude toward business," they said.

Other industrialists pointed out that the increased franchise tax, reassessed property valuation and extra real estate taxes to pay off local bond issues was already raising taxes by dangerous amounts.

"Why, this tax would cost more than the proposed State income tax," protested Creighton. It took little deliberation by the committee later that evening to kill the proposal.

Committeemen's private opinion was that it's better to forego the golden egg rather than to kill the goose that lays it.

Michigan may make a President this year. At least it's in a key position to make a Republican nominee.

When the GOP band wagon starts rolling in Chicago Monday, Michigan delegates may well be in the driver's seat. They're going to the convention determined not to lose out on the strategic position the state delegation holds along with California and Pennsylvania.

They go ostensibly unpledged and — also ostensibly — in perfect harmony. The results is that Michigan can make a swift jump when its leaders detect that the moment has come to start the parade for Taft or Eisenhower.

Looking Backward...

JUNE 29, 1912
On Wednesday evening at the home of the bride's parents, Mr. and Mrs. W. P. Porter, the marriage of his daughter, Mary to Rollin O. Bisbee was solemnized. Wedding music was rendered by Mrs. Holbeck. The bridal party passed down the stairs pausing in front of a beautifully constructed bank of smilax and daisies. QUALITIES OF NEW FABRICS DISCUSSED BY MSC AUTHORITY
Acrilan! Dacron! Orion!
Magic words to add to your vocabulary. They are the newer man-made fabrics coming into stores now, and follow-ups to nylon that has been so quickly and completely utilized by Americans women.

Carolyn Middleton, of the Michigan State College textiles and clothing department, outlines some of the special qualities of these new fabrics.

Acrilan is the newest-born of the chemical fiber family. Early uses have been in women's and men's suits, blouses and dresses. It is prominent for its great bulk-ing properties, that is, it has a pile and depth. Warm to the touch, acrilan is non-shrinking and has low moisture absorption making it easily and quickly washed and dried. It is especially suitable for blankets and heavy-coat linings, Miss Middleton said.

Dacron came on the market last summer as Fiber V. It is a strong, durable fabric that is not-able for crease and wrinkle resistance. It is now being used widely in men's socks, and trousers, women's blouses and underclothes. Dacron is a resilient fiber that holds a crease very well, the MSC specialist said.

Orlon has good shape-retaining qualities. It is dry and warm to the touch, Miss Middleton said, in commenting that frequent criticism of nylon had been its cold feeling. Strong and light weight, orlon has proved especially suitable for curtains since it does not shrink, holds shape and resists smoke and other atmospheric gases. Heat, sunlight and perspiration do not affect orlon, either.

In a parking lot, most arguments start from scratch.

WEEKLY EATING CLUB — By Jim Barstow

Charlevoix County Herald

VOLUME 56

EAST JORDAN, MICHIGAN, FRIDAY, JULY 4, 1952

NUMBER 27

RECREATIONAL PROGRAM

July 4th Schedule

10:00 Soap Box Derby at Pray's Hill.
11:30 Kids and Pets Parade from Playground to Memorial Park.
3:00 Girls Softball
8:30 Square Dancing at Tourist Park. Mrs. Wilbur Robertson hostess, Mr. William Grauel and Mr. Howard Darbee collection and pop sellers, and Mrs. Glen Malpass and Parker Seiler chaperones.
There are to be prizes for the soap box derby and the kids and pets parade donated by the merchants.

Penny Hike High-light of Next Week

On Wednesday, July 9, the playground will sponsor a penny hike for the children of the community. They will leave from the playground at 1:00 to allow the children attending Bible School to go, and follow the coin from there to the destination of "only the coin knows". At each cross road the penny is tossed to determine which path is to be taken. After reaching the destination, marshmallows will be roasted and swimming if the coin takes us to water. Come on out Wednesday, kids, and see where that penny takes us!!!

Peanut League to Play

Each afternoon next week except Wednesday, the Peanut League will play. It is for boys 14 and under, and each afternoon there will be a game with the climax on Tuesday, when they will play Boyne City. Be sure and get into the game, boys. If you are not already on a team, contact Parker Seiler and he will find a place for you.

Softball League Play Gets Under Way

In a game that featured 17 bases on balls but only 9 hits, the Iron Works downed the Canning Co. by the score of 12 to 10. The Tuesday evening free-for-all was the first of the current season and a thriller in the later stages. The Iron Works led by the score of 12 to 3 as the Canning Co. came to bat in the last of the sixth, but with the help of some walks and Turk Bennett's mighty triple with the bases loaded the score became 12 to 10. In the last of the seventh the Canning Co. brought the tying run to bat but were unable to score.

Iron Works 12 Runs, 5 Hits, 4 Errors.
Canning Co. 10 Runs, 4 Hits, 5 Errors.

Annear and Damoth formed the battery for the losers, while H. Somerville, L. Cihak (6) and Hitchcock, Valencourt (4) worked for the winners.

Thursday's game between Thorsen's and Dip's turned out to be a low scoring game and ended in favor of Thorsen's 4 to 2. Thorsen's mustered a run in the second, third, fourth and fifth inning to attain their total while Dip's picked up a run in the fourth and added another in a rally which fell two runs short in the seventh inning. Karr turned in a fine pitching performance by allowing only two hits to the losers. By winning, Thorsen's gained a tie for the top rung with the Iron Works.

Thorsen's 4 Runs, 7 Hits, 1 Error.
Dip's 2 Runs, 2 Hits, 2 Errors.

Hammond and Rebec formed the battery for the losers while Karr and Chanda worked for the winners.

Handicraft-Swimming Day Camp Park of Weeks Fun

The swimming classes at the tourist park under the direction of Mrs. Glen Malpass, have reached an enrollment of fifty-two children. The advanced classes on Monday and Wednesday are working on the improvement of their strokes in readiness for the Water Show to be held in July. The Beginners on Tuesday and Thursday are learning how to float and how to overcome the initial fear of water. Billy Darbee, Betsy Bell, Judy Gooke, Sally Gidley, Agnes Zoulek, and Mary Carol Hasty of the Beginners have already learned how to float and are now on their way to actually swimming.

On Friday afternoon the children at the playground had their first handicraft lesson. They made letter pins out of pipe cleaners and then covered them with yarn; hot dish holders out of coffee

can covers covered with twine; and pot holder containers out of paper plates decorated with crayolas and held together with yarn. Nicky Meyers and Chris Schroeder made especially good designs and all the children seem to enjoy themselves.

Monday the children went by bus to Whiting Park for a days outing. At noon they roasted hot dogs and marshmallows and drank gallons of cool-ade. Before going swimming after lunch they explored the area, and some of the children got to ride on the work horse over there. They also discovered a huge Labrador called Spade and he followed them everywhere. After swimming they played baseball and the game resulted in a tie for the teams of Eddy Campau and Jimmy Neumann. What marshmallow that were left from lunch were roasted and then the children piled back into the bus for the trip home. This is the last of the bus trips for the season, and the playground extends its thanks to Mr. Walton, the bus driver, all the mothers who have served as chaperones, and all others who have made these trips possible.

Playground Schedule July 7-11

Thursday — 9:30-11:30 Tennis and general playground. 2:00 Boys Baseball 14 and under. Beginners swimming. 3:00-4:30 play. 6:45 Dip's versus Canning Co.

Friday — 9:30-11:30 Tennis and Boys Baseball game 14 and under. Handicraft children to bring box to cover and crepe paper, and scissors and paste. They are to decorate the box to be used on the next Monday in a Box Lunch.

June Weather

TEMPERATURE AND RAIN ABOVE AVERAGE

Charlevoix County was fortunate in having plenty of rain and warm weather during June to make for excellent growth of most agricultural items. Central and southern Michigan, even as close as Kalkaska Co. is short of average rainfall, and hay and grain particularly will be a short crop.

East Jordan had a total rainfall of 3.52 inches, which is .50 inch over a 20 year average. And the temperature averaged 65.3 degrees, which is 1.8 degrees over the average. The average maximum was 77.5 degrees, and average minimum was 53.1 degrees. The highest temperature was 95, and lowest 39. The most rainfall in 24 hours occurred on the 29th.

Scattered showers, totaling about 1/4 inch, are predicted for the week end, warm thru Friday, a little cooler Saturday and Sunday.

Local Girl Swims Intermediate Lake

Sandina Liskum, 14, daughter of Mr. and Mrs. Rv Liskum of South Arm, swam across Intermediate Lake Sunday afternoon. Miss Patricia Ireland, 17, daughter of Mr. and Mrs. Thomas Ireland of Cleveland, Ohio, swam with her.

The two girls were visiting relatives at Deep Water Point, about four miles North of Bellaire. Mr. Liskum and Paul accompanied the girls with a row boat. They swam the lake at the widest point, a distance of about a mile. Miss Ireland, a well-trained swimmer slowed down to keep with Sandina who has been entirely self taught. The swim lasted 55 minutes. The only comments the girls made were "My I'm hungry," and "I think I could swim back."

Student: "You know, idiots are the people who make life interesting. I wouldn't want to be around when the idiots are all gone."

Roommate: "Don't worry, you won't be."

Legion Lower 11th. District Meeting Held In Boyne City

Several members of the American Legion Auxiliary Unit 227 of East Jordan attended the Legion Lower 11th. District meeting held Sunday, June 29, at Boyne City. A nice parade proceeded the meeting which was called to order and opened by the Ernest Peterson Post 228, Boyne City then turned over to the District officers.

A very impressive memorial service was held in memory of all Auxiliary members in the district who have passed away during the year. Flowers were deposited and candles lit for Ada Samter, Clara Barlow, and Elizabeth Turri, of Cheboygan, Lena Elkins, of Mackinaw City, and Rosie Cummings, East Jordan.

Following reports read by all District Chairman the election of officers was held, those being elected were Mary Phelps, South Boardman; President, Marguerite Rowe, Harbor Springs; Vice-Pres. Bertha Leis, Cheboygan; Executive Board, Marie LaMar, Alpena, was elected 4th Zone Vice-Pres.; and Ann Gilman, Petoskey, was chosen to represent the Lower 11th. District delegate to the National Convention to be held in New York this year.

A nice lunch was served by the hostess unit, followed by a dance held in the new Legion Hall. A fine time was had by all.

Red Cross Gets 109 Pints of Blood in Clinic

Charlevoix county's blood procurement clinic held in East Jordan and Charlevoix last week netted a total of 109 pints of blood, Mrs. R. G. Bennett, county blood chairman for the Charlevoix county chapter of the American Red Cross, has announced.

The county Red Cross chapter cooperated with the Michigan Department of Health in arranging the clinic.

Forty pints of blood were donated in East Jordan on Tuesday and 69 pints in Charlevoix on Wednesday. The goal for the two-day clinic had been set at 200 pints. Ten prospective donors were rejected in East Jordan and 15 in Charlevoix.

Twenty-five percent of the blood or 27 pints will go to the military as whole blood for the armed forces and the remainder will be processed as plasma and fractions for use by county residents.

However, 68 pints of the remaining 82 will be used to pay a deficit owed the department of health for plasma already used by county residents. This will leave only a 14-pint reserve in the county.

Because the goal was not reached at this time, the department of health is planning to return to the county for a one-day clinic this fall. It will be set up in the eastern end of the county where donors will be drawn from the Wallon Lake, Boyne Falls-Boyne City area which had no donors at the recent clinic.

Dr. Florence Price was in charge of the Michigan Department of Health Mobile unit was set up in the East Jordan high school building. She was assisted by Kay Arndt, Ann Tromble and Evelyn Waldron, nurses, and Erwin Kirkbride, manager.

Phyllis Malpass was local chairman for East Jordan. She was assisted by Mary Glenna Malpass, Cora Seiler, Barbara Pearce, Helen Witte and Phoebe Watson in the canteen and Elizabeth Robertson, Alice Sherman, Frances Benson, Alice DeForest, Mrs. Patrick, Mrs. Shtotelis and Mrs. Grimm of Boyne City, assisted in the clinic.

Marriages

Campbell — McNamara

The First Presbyterian Church was the scene Saturday afternoon of the marriage of Miss Sally Campbell, daughter of Mr. and Mrs. Robert A. Campbell, to Edward McNamara, son of Mrs. Joseph McNamara, of Brethren and the late Mr. McNamara.

The Reverend E. O. DeHaven performed the ceremony before an altar decorated with blush pink peonies and white delphinium.

Miss Nancy Keller of Big Rapids played traditional wedding music at the organ.

Given in marriage by her father, the bride chose a gown of brocaded taffeta fashioned with a fitted bodice, sweetheart neckline and long tapering sleeves ending in points over the wrists. Her bouffant skirt terminated in a circular chapel length train. Lilies of the Valley held her finger tip veil in place. She carried a bouquet of white roses centered with a white orchid.

Preceding the bride was Jean Louise Jackson, flower girl, daughter of Mr. and Mrs. Albert Jackson of Port Huron. She was dressed in a floor length gown of lavender taffeta trimmed in nylon tulle. Bobby McNamara, nephew of the bride in a white nylon suit carried the ring on a white satin heart shaped pillow.

Mrs. Joseph McNamara attended her sister as matron of honor. She was dressed in pale green taffeta, with fitted bodice and bouffant skirt. Her bouquet was white carnations. The maid of honor was Miss Janice Griffith of Pontiac. Her gown was gold and of similar design to that of Mrs. McNamara's. She carried a lily bouquet. Mr. Joseph McNamara of Jackson served his brother as best man and seating the guests were Mr. Harold Gunder of Monroe, Mr. Edwin Nelson of Brethren and Mr. George Stanley of Wellston. Completing the wedding party as Master and Mistress of ceremonies were Mr. and Mrs. Albert Jackson of Port Huron. Mrs. Jackson was dressed in gray and blue taffeta.

For her daughter's wedding, Mrs. Campbell chose a dress of aqua lace with white accessories. She wore a shoulder corsage of purple and white orchids.

Mrs. McNamara wore a beige suit with matching accessories. She also wore a shoulder corsage of orchids.

Decorations in the church were arranged by Mrs. G. W. Bectold and Mrs. R. G. Watson.

A reception immediately followed the ceremony was held at the Jordan Inn. Decorations about the room and the brides table were arranged of blush pink peonies, double syringia and snap dragons. Mrs. Alex Sinclair, Mrs. G. DeForest and Miss Marjorie McNamara presided at the brides' table.

For traveling, the bride donned a dark blue linen frock, trimmed with white and white hat. The couple will reside in Monroe.

A Pre-Nuptial showers were given for the bride by Mrs. H. P. Potter and Mrs. W. A. Porter.

Accidents Occur On One In Four Michigan Farms

"One of every four farms in Michigan will be the scene of a disabling accident during the next 12 months," according to David Steinicke, farm safety specialist at Michigan State College.

He made the prediction today in announcing Farm Safety Week, July 20 to 26. "Although farmers throughout the nation will be eliminating hazards on their farms during that week, safety must be a 365-day-a-year job if we are to cut the toll of farm accidents in the state," he added.

Many people do not realize how big and serious the toll is Steinicke said. The average cost of a farm accident involving a fall is nearly \$50, for instance. And the average fall costs the farmer 24 days lost from farm work. Average farm machine accidents cost \$60 in medical expenses and 20 days lost from farm work.

"Merely being aware that accidents do occur will help cut down their toll," Steinicke believes. "However, eliminating hazards and developing safety habits will cut the toll even more," he added.

Assistant Sanitarian Appointed For This District

"The district health office is now in a better position to offer the citizens of Emmet, Charlevoix, Antrim and Otsego counties a more complete health protection service, Dr. A. F. Litzbenburger, Director of District Health Department No. 3 stated today.

Murray Coulter has accepted the position as Assistant Sanitarian for the summer months and will work exclusively on resorts and summer camps in this area. Mr. Coulter is a senior at Emory University and is majoring in the Biological Sciences. He started work on July 1, 1952."

Ed Rebman Goes To School

Ed Rebman, your county agricultural agent, will go back to school in early July to brush up on latest developments and research in agriculture. Members of the Michigan State College Co-operative Extension staff will conduct the meeting from July 7 through 11 on the East Lansing campus.

Along with about 80 other county agricultural agents, Ed Rebman will have an intensive week of catching-up. Field trips and talks from Michigan Agricultural Experiment Station researchers will take up most of the time. Also on the program will be discussion of administrative principles and instruction in the use of visual aids and television as teaching methods.

Baseball Tryouts by Chicago Cub Scout

Baseball-players from throughout Northern Michigan are expected to be on hand here July 10 for the Chicago Cub tryout camp to be conducted by Tony Lucadello.

The camp, for major league aspirants 16 to 21 years of age, will get underway at the fairgrounds here at 9:30 a.m.

Dr. Thomas Turcott, local director of the camp, said cards have been sent to all team managers and coaches inviting them to have their prospects here for the tryouts.

Players are instructed to bring their own glove, shoes and uniform. Any player signed to a contract will have his trip expenses reimbursed.

The veteran Cub scout stated in a letter that Chicago is "looking for players at all positions."

Lucadello said the outfield and infield players will be graded on running, "throwing and fielding. Pitchers are to be graded on the sideline and during a game.

All players will get plenty of action during the tryout. Lucadello emphasized.

Attendance at the 1952 Grass Day events brought the total attendance over the five years the demonstrations have been held to near the 100,000 mark. Grass Days are sponsored by the Michigan State College extension service and local committees headed by county agricultural agents, to stress the production, harvesting and utilization of high quality

Killed Instantly In Car Accident

FRANK W. KITSMAN DIES NEAR PETOSKEY SATURDAY NIGHT

Funeral services for Frank W. Kitsman were held at 2:30 p.m. Tuesday, at Watsons funeral home, conducted by Rev. Edward DeHaven. Bearers were Charles Saxton, Harold Bader, Walter Shepard and Gayle Saxton. Interment was made at Sunset Hill.

Mr. Kitsman was born at Alabaster, Mich., June 3, 1876. He has resided in East Jordan since 1912, coming here from Standish.

Surviving are three sisters; Mrs. Mary Saxton and Mrs. Ella Shepard of East Jordan and Martha Kitsman of Cincinnati, Ohio. Two brothers, Theodore at Standish and Ernest of Seattle, Wash.

Mr. Kitsman died instantly, Saturday evening, when he was struck down by a car two miles north of Petoskey.

He was hit about 9:15 p.m. while attempting to cross the highway. Ernest Ward, 32, of Route 3, Petoskey, driver of the car was not held. The sheriff stated that the accident was unavoidable.

Kitsman and the driver of the car in which he was riding, Claude Myers, about 65, of East Jordan were attempting to find the route to Harbor Springs when the accident occurred.

The pair had missed the turn off at M-131 and had passed the Pickering Lake road when they decided to inquire at a farmhouse. Kitsman started to cross the road from behind the Myers car and walked in front of the on-coming car.

Dr. Joseph B. Conti, coroner, said Kitsman was killed instantly. Death resulted from a skull fracture, also fractures of both legs.

Auxiliary Enjoys Semi-Social Meeting

The American Legion Auxiliary Unit 227 held a semi-social meeting at the Legion Home Tuesday, June 24, there was a fine attendance of members present. Committee Chairmen were called on to give reports on their work, Edna Wilkins, Civil Defense, said all spotter stations were supposed to go on 24 hour duty starting July 14, but as the station here is not ready we may not be able to start on schedule. Florence Stucker, Rehab, reported we had helped the Hart family and she is still doing what she can to help provide what they still need. Glenda Maxwell, asked that all money and tickets still out on the Afghan be turned in at once. Bernadine Brown, Community Service, ask permission to close the Room in the City Building during July and August. The room will only be opened on request, so anyone needing this service may contact her at her home, 109 Estery.

Volunteers were called on to make a survey of all the voters of East Jordan in accordance with the All Out Vote program sponsored by the Legion and Auxiliary, this is a nation wide program and we are not concerned how one votes but just that everyone of voting age is registered and votes. Reva Walton, is Unit Chairman and will have charge of the survey.

Following the meeting a brush demonstration was given by Mrs. Hunt, from Boyne City. Several games were played which everyone enjoyed. The hostesses of the evening, Martha Kamradt and Marietta Walden, served a nice lunch of ice cream, strawberries, cookies and a nice cake baked by Marietta.

Next meeting will be Tuesday, July 8, everyone be sure and attend.

DON'T HANDICAP YOUR CHILD WITH FEAR

Psychologist Marynia Farnham warns that separation of a child from his mother may cause long-lasting fears. In this coming Sunday's (July 6) issue of The NEW Color Gravure American Weekly, exclusively with The Detroit Sunday Times, she outlines rules mothers should follow when leaving their children for a prolonged time. It was moved by Alderman Malpass, supported by Alderman Taylor, that the following resolution be adopted.

Whereas, the City of East Jordan entered into a certain contract on the 4th day of June, 1951, with Daniel S. Powers, DBA, Powers Engineering Company, of Traverse City, Michigan, providing for said Daniel S. Powers furnishing certain engineering services, preparing plans, working drawings and specifications for the construction of a sewerage collection system and sewerage treatment plant, and,

Whereas, said contract has been partially performed by said Daniel S. Powers, in that he completed the preparation of plans, specifications and working drawings for the construction of the sewerage collection system and sewerage treatment plant, and,

Whereas, said Daniel S. Powers has since died, and it is necessary for said City to obtain the services of another engineer to complete the said contract, and,

Whereas, said Daniel S. Powers owned and conveyed his business, known as the Powers Engineering Company, to John C. Norton, a civil engineer, of Traverse City, Michigan, and,

Whereas, it is provided in said contract between said Daniel S. Powers and John C. Norton, which bears date the 17th day of December, 1951, that said John C. Norton shall be assigned all outstanding contracts of said Daniel S. Powers, of which the aforementioned contract with the City of East Jordan is one, providing that it is acceptable to the said City of East Jordan, and,

Whereas, there is due from the City of East Jordan to said Daniel S. Powers, or his estate, on said contract, for preparation of plans, working drawings and specifications for the construction of a sewerage collection system and sewerage treatment plant, the sum of Twenty Four Hundred (\$2400.00) Dollars, which has been assigned by said Daniel S. Powers and by the estate of Daniel S. Powers, deceased, to said John C. Norton.

Now Therefore, be it resolved as follows, that the said City of East Jordan does hereby approve of the assignment of the interest of Daniel S. Powers, in the contract dated June 4, 1951 to John C. Norton, and the said City of East Jordan does hereby approve of the substituting of John C. Norton for and in the place of said Daniel S. Powers in said contract, to undertake the performance of said contract in the place of Daniel S. Powers and to do and perform all the duties, obligations and work therein specified to be performed by said Daniel S. Powers upon the same terms and subject to the same conditions as in said contract contained,

Be it further resolved, that said City of East Jordan at this time pay the sum of Twenty Four Hundred (\$2400.00) Dollars due to said Daniel S. Powers upon the aforesaid contract for services performed to this date, and the City Treasurer be and is hereby instructed to draw a check of the City of East Jordan, in the aforesaid sum of Twenty Four Hundred (\$2400.00) Dollars, made payable to John C. Norton and Florence Powers as Executrix of the estate of Daniel S. Powers, deceased and deliver it to said persons,

Be it further resolved, that said John C. Norton shall, from and after date hereof, be responsible for performing all obligations, duties and work therein provided to be performed by said Daniel S. Powers and he shall collect for and receive all the benefits and future payments for engineering services provided in said contract and arising out of his performance of said contract hereafter.

Be it further resolved that said John C. Norton is to make the following changes in the proposed plans and specifications which have been prepared for sewerage treatment plant and sewerage collection system, and obtain the approval of the Michigan Water Resources Commission thereto as follows:

1. The site of the proposed treatment plant shall be changed to the location of the City Garage, adjacent to the East side of the South Arm of Lake Charlevoix.

2. The sewerage disposal plant building shall be constructed of cinder or cement blocks.

3. The intercepting sewer shall be located along the railroad tracks.

4. The landscaping of the sewerage treatment plant grounds shall be eliminated from said plans and specifications.

The resolution was adopted by an aye and nay vote as follows: Carried all ayes.

Motion was made by Nemecek and supported by Rebec that the meeting be adjourned.

At Our Tourist Park

(By Mrs. Jess Robinson)

Another season has rolled around, and time to get busy, and let folks know just what is going at the East Jordan Tourist Park.

Seems like this year it has taken longer to get under way, not much to report until this past week.

First of all present we have fifteen trailers, and two tents.

Six of our trailer families are connected with the Superior Electric Company, the men working near Eastport.

We miss the Merediths as the caretakers, after serving the park faithfully for eight years. Clyde Hipp is the Caretaker now.

Those who are in the park are Mr. and Mrs. Millard Wagner of Flat Rock, Michigan, this is their second visit here. Dr. and Mrs. R. E. Pierce of Columbus Ohio and Miami, Florida. Mr. and Mrs. Lloyd C. Stewart and son Denry of Ludington. Mr. and Mrs. Cassimer Richards of Flint. Mr. and Mrs. John Carter of Ferndale. Mr. and Mrs. Ed Wilson and children Shirley and Dennis of East Jordan. Mr. and Mrs. Robert Tunn and son Bobby of Montello, Wis. Mr. and Mrs. Kenneth O'Connor and sons Billy and Dickey of Montello, Wis. Mrs. Harvey Pangborn and daughters, Shirley and Janet, are back again for the summer from their home in Midland. Mr. and Mrs. Donald Reader and children Donald, Jimmy, and Judy of Rhinelander, Wis. Mr. and Mrs. Norbert Jack and sons, Gene and Tommy of Montello, Wis. Mr. Carl Koch and Mr. Clifford Walker, both of Hart, Mich. Mrs. Donald Raymond and four children, Dawn, Gay, Reta and Raymond, of Midland. Mr. and Mrs. Jack Stauffer of Middleville are tenting in the park for a week. Also tenting here are Mr. and Mrs. Frank Robinson and three children, Donna, Gene and Jack, and the former's brother Herb Robinson, all of Orleans, Michigan. Oh yes and Mr. and Mrs. Jess Robinson have their trailer parked here for the fourth year. Mr. and Mrs. Marshall Koontz and four children of Detroit bought their trailer up early in the season, and have been up for week-ends twice, but plan to be here most of the summer later on.

Recent guests of Mr. and Mrs. Richards were their nephew, Gordon Stephens, his wife and two sons, also Mrs. Richard's sister, Mrs. Nora Thompson, and her daughter and husband, Mr. and Mrs. Hugh Jack all of Flint.

Mr. and Mrs. M. Wagner spent Wednesday with their daughter at Long Lake near Atlanta.

Miss Shirley Pangborn is celebrating her sixteenth birthday this Thursday, July 3rd. We all wish her a happy one and many more of them.

The Raymond family have been quite busy these days seeing the sights of our beautiful northern country, they have made several trips around sight seeing.

The Pangborns entertained Mrs. Georgia Mothis and her daughters Sally and Joan Middleton and their guests, all of Boyne City.

The Ellsworth Sunday School enjoyed a picnic in the recreation building last Friday Eve.

The first group of Hy-went-a-boys from Torch Lake landed in the park on Tuesday this week after paddling their canoes down the Jordan river, camped in jeep tents, then left Wednesday morning for Ironton to be met by truck and taken back to Torch Lake.

Work is progressing on the laundry room, a 'bee' has been called a couple of times, Don Clark and his crew got the cement floor poured and now Rodney Petrie and Clinton Clark are doing a fine job of block laying.

We have a new park commissioner this year too, none other than Tom St. Charles, and he seems to be doing a very fine job too, this week a new water pipe line was laid down the center of the park, full length, so now all trailers can hook onto the water without having to have yards of criss-cross hose like a spider web streched around the ground.

Wednesday a grader worked most all afternoon leveling the beach and getting it in good shape again. The water has been so high, new fill dirt has had to be hauled in to build up the beach.

Mr. and Mrs. Joseph Trudell and three daughters of Detroit, former park tenants, are occupying the Len Swafford cabin for two weeks and one of Ed's boat's cabins for one week.

Mr. George Mathews of Grand Rapids called at the Robinson home Tuesday, and to look over the park prior to bringing his family up for another year in the park.

Mrs. Ward Robinson and son Ronnie of Mt. Morris, and Mrs. Carl Stephen and son David of Flint returned to their homes Friday after spending a week visiting their parents the Ralph Walkers, and Jess Robinsons.

On Tuesday Evening a large crowd of Rotarians and their families enjoyed a picnic in the recreation building.

We are all looking forward to

the 4th of July dance to be held in the park next Friday.

We regret to report that five of our last years tenants have passed away since last summer. Our beloved caretaker, James Meredith, Mrs. James Kieler of Alma, Mr. Lewis Hearn of Midland (father of Mrs. Pangborn), Mr. Baber of Sparta and a son-in-law of the Al Piersons who

spent a week and several visits here also of Sparta.

The park extends it's deepest sympathy to the families of these departed ones.

Charlevoix county completed its seventh annual county 4-H camp at the Church of God camp grounds last week, Ed Rebnan, county agricultural agent, reported today. There were 52 girls and 39 boys registered and 4 counselors who assisted in the camp program. These counselors were Margaret Zoulek, Rose Mary Lehrbass, Sharon Brock and Arveta Liskum all from East Jordan.

Anna Warner from Charlevoix was the camp cook. In addition to the extension staff in Charlevoix county others who assisted in the camp program were Earl Johnson, Charlevoix; Dallas Alsup, Traverse City and Bill Grimm, Boyne City.

The camp started Tuesday, June 24. Fortunately the weather was good during the day but there was plenty of rain and electrical storms during the night. ball games, archery, treasure hunts, picnics and swimming. The members are very much indebted to Howard Stephens who furnished the tractor and trailer in order that the youngsters could get to the beach to go swimming.

Two craft classes were conducted during the camp. One was under the direction of Mrs. Earl Johnson and was in making artificial flowers. All the girls and some of the boys made these flowers and they really were very attractive. The other class was under the direction of K. C. Festerling and Margaret Zoulek and was in making stereoscopes. This scope was made out of a paper tube, two pieces of glass and a cardboard to form a prism and various objects were placed in the end so the youngsters could look and see different forms and shapes. All of them enjoyed these craft classes.

The 4-H clubs are very much indebted to the Church of God for the use of their camp grounds. Other people who helped to make this camp a success by donations were Jordan Valley Creamery, Boyne City Gas Co., and Howard Stephens.

Antrim County Farm Bureau News

We have a real challenge. Now that Farm Bureau has grown up to good stature, it should be working toward the continuing of what we know to be American. No nation on earth, regardless of its form of government ever gave human beings so much liberty and material prosperity as our own constitutional form of freedom. We enjoy the utmost in individual freedom and individual prosperity. Compare this with that of other lands o' earth. Let us all think American. Let us all talk American. Let us all do business the American way. Let us all be American. This is a real challenge. 1952 is an election year. Farm Bureau members and Farmers, if you please, will play key role in the future of America; not only as farmers, but especially as citizens. We have the challenge and we have the duty of assuming full citizenship responsibility in 1952. Last day for registering before the August 5th primary is July 7th.

COMING EVENTS

July 8, Tuesday — F. B. Women's meeting with the White Valley group, at the home of Mrs. Darius Buell, 2:00 p.m. Elmira, R.I.

IN MEMORIAM

In loving memory of our daughter, sister and granddaughter, Marcia Finney, who met with an accidental death, July 4, 1951, one year ago.

What would I give to hear her voice,
Her happy face to see,
To clasp her hand, to see her smile,
Would mean so much to me.
That she would ne'er return,
She little thought when leaving home.
That she so soon in death would sleep
And leave us here to mourn.

The Servicemen's Letter

Hi Fellas:

This week we start off with a letter from our old faithful, Hershel Young away out in North Africa. Hershel writes, "Hello from French Morocco. How is the weather there in E. J. It is swell here. There isn't much news here. I just thought I would drop you a line and let you know I am still around."

"I've got a change of address for you though. It is CM 1, now. I made it 2 months ago."

"The fishing over here is swell, Jake. I went last weekend and got a couple swell sea bass about a foot long. Just eating size. I never was one to break any records with long ones. They always get away. This area sure has some funny creatures. They aren't like the fish we have at home. The fish in the Caribbean Area were different from these here, too. The Commercial fishermen are really making their haul on Tuna now. We see them unloading them every night and they have some 5 and 6 foot long."

"Ruth and Peg are here with me now. They arrived one month ago. We have a place on the beach 8 miles from the base. Well, Jake, this is all for now. Will write again when there is more news."

Thanks a lot for that letter, Hershel. You know, I really appreciate your taking time for a letter to us here even though you have your family and certainly a million other things to take care of. Lots of luck to you and your family."

John Vallance, who has been over in Germany for some time now, has changed units again. His address is now: Sgt John E. Vallance, RA 16 297, 006, Co A, 1279 Engr (C) Bn, APO 46, c/o PM, New York, N.Y. John is now located in Hoechst (guess you have to cough that one) which is 12 KM Southwest of Frankfurt."

Do any of you men remember Duane Thomson from down by Ironton. Duane is really an Ironton man but he went to school here in E.J. and we are going to add him to our newspaper list. He went into the Army early last winter and I just heard about it this last week, through Max Damoth. Boy, am I up to date. Anyway, they shipped Duane overseas without even giving him his basic here in the States and he found himself in Hawaii. There he took his basic and is still there. His address is: Pvt. Duane C. Thomson, US 55 269 881, 44th Co, 40th Bn, H.I.T.C., APO 957, C/o PM, San Francisco, California. That is a little different than the ordinary run of the mill Army address here in the States. What is it and what are you doing, Duane?"

We can resume sending the paper this week to Bernard Pearce. He seems to have settled for a time at least. Bernard was only 19 when he finished Artillery Basic and he must be 20 before entering OCS so they sent him to the Reception Center at Fort Sill and the other men helping work the men into the Army. His address is: Pvt. Bernard D. Pearce RA 15 465 771, Co C, Rec Center, 4050 A.S.U., Fort Sill, Oklahoma. Guess I'd better tell him you're the rest of it. He writes: "Guess it is about time for me to sign in again. Now I am situated for awhile here in Fort Sill. This is the fourth Company I have been with since I have been here, and I think this is the best. I started training the First of February in A Battery of the Third Field Artillery Training Battalion. Then because of the emergency leave I took, I was set back three weeks into B Battery of the same Battalion. After I completed my basic three weeks ago I was sent to Company D of the Recreation Center, 4050th ASU. From there

I was transferred to the present company. I am now in C Company of the Reception Center."

"I liked the Field Artillery training that I got and I got a pretty high score all along. Altogether, I shot up, myself, better than two thousand dollars of Ammunition of the 105 Howitzer. That is the smallest Field Artillery piece that they use for training purposes. They told me I did real good in Field Artillery and had a place all picked out for me. Well, I am now Company C Company Clerk, working on a typewriter and file cabinet. I'm not complaining, but it seems rather useless to train a person in something like they did me, and then give me the job they did. It is an awful waste of money, and all of us have to share the expenses."

"The weather here has been away over a hundred for so many days straight that I have quit counting them. It hasn't rained here in over six weeks, except once that it hardly got the ground wet."

"In a way it is a good thing for me that I got transferred out of the original Battery that I started training with, as when the cycle ended everyone of them went to Korea. I wish all the fellows could get the break I got. I have a job in a company where they receive and process new recruits. Then they send them to their camp for their basic training. When I look at some recruits coming in here I wonder if I possibly could have been that dumb about the Army. Well it's a pretty good life in the Army if you like it, and I have liked it so far."

Here's another man for the Airborne. Bob Pearsall was hooked a couple weeks ago and preferred the Airborne to the regular infantry. His present address is: Pvt Robert Pearsall, US 55 273 068, Co S, 53rd Inf. Div, 101st Abn Inf Div, Camp Breckinridge, Kentucky. Bob — isn't that supposed to be 53rd A.I.R. instead of A.I.D.?"

Bob Farmer arrived here last Thursday night, June 26th. He'll be with us for the better part of July and when he will proceed to Saint Louis to join his buddies for the trip west to California en route to the Pacific. Of nine buddies that Bob took training with seven of them are going to the Pacific, one is going to Alaska, and one to Pennsylvania. Bob says he is really glad that the main bunch of them are sticking together as they are a swell bunch of fellows. They all like radio and enjoyed their training and their work. Bob felt that training at Scott AFB was as near to college life as the Air Force could make it."

There's been a man hanging around the PO just about every mail time for a long time now. He has had a half expectant, half fearful expression on his face whenever he came to the window. Well the other day his dreams (good or bad?) came true and he got that long white envelope with the greetings enclosed. PeeWee Peck is going into the Army on July 8th."

Tom Leu is scheduled to leave for home from California on July 22nd. He and his sister will be driving by way of Wyoming. Tom has a two week furlough."

Here's an article about the reserves that was passed on to me by G. A. It originated in the 310th Ordnance Wepot Co, Charlevoix, Michigan on June 23rd. "The 310th Ord Depot Co, USAR, with Headquarters at Charlevoix, leaves this Sunday at 3 p.m. from the Charlevoix Armory for two weeks summer training at Pueblo, Colorado Ordnance Depot. The 310th is the largest and one of the best trained Reserve Units in the combined states of Michigan, Illinois

and Indiana, with a membership of 60 men, four of whom are now on active duty with the Army and one of whom is now en route to Korea."

"The following men from the East Jordan area will be leaving with the Unit Sunday: M/Sgt Adam Sinclair; SFC Francis Lillak; Pfc George Giffard. Pvt Gerald Evans leaves July 7, 1952 for eight weeks basic training at Fort Leonard Wood, Missouri!"

Public Information Office of the Headquarters, The Armored Center at Fort Knox, Kentucky sends this article about Bill Kamradt whom we reported last week as having gone there for ROTC training. Fort Knox, Ky., June 28 — Cadet William Edward Kamradt arrived here yesterday to begin six weeks of Armor ROTC summer training. Cadet Kamradt is a senior ROTC student at Michigan State College at East Lansing, Michigan. Here at the Armored Center the cadets will receive technical training in the Armored School in use and maintenance of small arms, tank guns, radio and fire communications. Much training will involve company level field problems, facilities for which are not available on college campuses. The cadets will spend the six weeks of their training in the field on bivouac. This training will prepare each cadet to assume the responsibilities of a commissioned officer."

"We'll finish up tonight with a letter from Dale Lavanway. Dale's new address is: Pvt Dale Lavanway, ASA Tr Rec Det, 8622nd A.A.U., Fort Devens, Mass. He writes, "Well I finally got settled down in one place long enough to send you an address. I went to Vint Hill and after processing was up here. I saw the Morris boys within half an hour after I got here. Their barracks is right near mine. I was at Vint Hill one week and I went into Washington, D.C. on a week end. There are some nice sights there."

"We don't know just when school starts, it could be anywhere from 2 to 6 weeks. I saw Jack Wilson several times while we were at Fort Riley, also saw the other E. J. boys. There were quite a few E.J. men down there."

"Well, now that basic training is over, Army life seems to be going better. There are passes for nearly all off duty hours. Fort Devens is well located. It is 1 1/2 miles to Ayer, Mass. If 3 or 4 of us get together we can go in for 25c each. From here there are buses so we can go to larger towns."

Michigan Mirror INTERPRETING THE NEWS

"Is this a private fight," asked the proverbial Irishman, "or can anybody get in it?" That might have been the question asked by Michigan businessmen and manufacturers as they waded into the Governor Williams-State Legislature Donnellybrook in the closing days of the legislative session. Faced with the prospects of going \$11 million farther in the red, the House general taxation committee considered a 2% processing tax as a last-minute attempt to make up the losses in revenue which had been brought about by the governor's vetoes of several tax measures.

The tax would have levied a 2% tax on everything that goes into industrial processing or manufacture. All the tools an auto maker buys to change models, all the tin cans a packer uses to package the seasons crop of fruits and vegetables, all the machinery a print shop buys to replace worn-out equipment or to expand would be taxed. The bill would have wiped out the industrial processing exemptions in the sales tax law, but, not being a "sales tax", the take wouldn't be subject to the split-up with local governmental units and schools.

It was a sweltering afternoon when Rep. Louis Anderson of Charlevoix, chairman of the tax committee, rapped for the public hearing to come to order. But, more telling than the weatherman's efforts, was the heat generated under the collars of the scores of citizens who crowded around the speaker's rostrum in the House. Although they showed such restraint in their presentation that Rep. Anderson was moved to compliment the witnesses on it,

spokesmen for Michigan business groups used incisive phrases to convey their complete disapproval of the proposed law.

Joseph Creighton, representing the Michigan Manufacturers Association, charged flatly: "Michigan's problem is a political one more than a financial one. Business is willing to go along on a long-range taxation program: it made no objection to the increase in corporate franchise taxes. But we refuse to be the sacrificial goat on the political altar of a governor who refuses to admit that a tax on industry is a tax on the consumer."

But the witnesses had more than verbal stilettes to throw at the governor. They had bludgeons of facts to swing at the committee.

Detroit industrialists protested that they must compete with firms outside Michigan who wouldn't have to add such tax to production costs. "With this extra handicap, we won't be competitive. And if we're not competitive, our workers won't get the paycheck they get now."

They warned of the danger of industry having to price itself out of the market. There is an erroneous belief that profits effect prices. Actually, prices determine profits and prices are set by competition."

Steel spokesman pointed out that these products were selling well below ceiling prices. "Competition brings prices down, not the OPS," they said.

The pyramiding effect of the tax came in for strong criticism. Two per cent levy at each step of production would mean a sizable tax on the finished product. For, no matter what any politician says, the only person paying any tax is the ultimate consumer."

A Grand Rapids spokesman pointed out another danger. An out-of-state firm, plan a \$10 million plant in this area, had halted all planning until the fate of out-of-state firm, planned a \$10 million plant in his area, had halted all planning until the fate of the bill was settled. The 2% levy would have raised the price of that plant beyond reason.

"It is foolish for the State to finance the Department of Economic Development attract new industry here if the Legislature is going to scare it away by an unfriendly attitude toward business," they said.

Other industrialists pointed out that the increased franchise tax, reassessed property valuation and extra real estate taxes to pay off local bond issues was already raising taxes by dangerous amounts.

"Why, this tax would cost more than the proposed State income tax," protested Creighton. It took little deliberation by the committee later that evening to kill the proposal.

Committeemen's private opinion was that it's better to forego the golden egg rather than to kill the goose that lays it.

Michigan may make a President this year.

At least it's in a key position to make a Republican nominee.

When the GOP band wagon starts rolling in Chicago Monday, Michigan delegates may well be in the driver's seat. They're going to the convention determined not to lose out on the strategic position the state delegation holds along with California and Pennsylvania.

They go ostensibly unpledged and — also ostensibly — in perfect harmony. The results is that Michigan can make a swift jump when its leaders detect that the moment has come to start the parade for Taft or Eisenhower.

The state that makes the first break to developing a landslide is never forgotten when the successful candidate remembers his friends in the traditional political manner patronage and prestige.

The delegation is probably sharpening its parliamentary procedure these last few days before the convention. It was a parliamentary move that kept Michigan off the Dewey bandwagon four years ago.

Michigan went into the convention waving the banners for the late Sen. Arthur Vandenberg. The senator wasn't very interested in the Presidential nomination; he was deep in his important work on the bipartisan foreign policy. So his campaign never caught fire.

On the second ballot the tide turned for Dewey. Former Gov. Kim Sigler was chairman of the delegation and sensed the shift. He wanted to swing his pivotal votes. At the end of the second roll-call, Sigler asked Congressman Joseph Martin for two minutes to "correct" Michigan's vote. That meant to hold a hurried caucus to swing the bloc to Dewey.

Martain called Sigler out of order and Michigan missed its

JUNE 29, 1912

On Wednesday evening at the home of the bride's parents, Mr. and Mrs. W. P. Porter, the marriage of their daughter, Mary to Rollin O. Bisbee was solemnized. Wedding music was rendered by Mrs. Holbeck. The bridal party passed down the stairs pausing in front of a beautifully constructed bank of smiles and daisies. First came the ushers, John and Howard Porter brothers of the bride, followed by the little flower girls attired in white. Dorothy, Glenn, Alice Porter, Julia Supernaw and Helen Glenn. Emmalon Hoyt acting as ring bearer next came the groom attended by his brother Leland Bisbee. Immediately in front of the bride carrying a shower bouquet of roses and dressed in full white, Miss Flora Porter. Last came the bride learning on her father's arm, handsomely attired in white carrying a bouquet of bride's roses. Rev. Grigsby officiating performed the ceremony.

The Boyne City Journal says that C. C. Schaub of that city is in the race for County Treasurer. This will make a three cornered fight.

H. C. Holmes died at his home in this city early Friday morning following a brief illness. Funeral arrangements have not been made yet. Mr. Holmes had been identified with East Jordan's business interest for a long time, the past few years being with J. J. Votruba Co.

Anthony Kenny purchased the Con Mier residence near the Catholic church last week. He has rented same to a tenant.

Clyde, the young son of Mr. and Mrs. Harry Curkendall underwent an operation Thursday when his tonsils were removed. Mrs. Dicken and Armstrong performed the operation.

About two hundred friends attended the reception Monday evening tendered by Mr. and Mrs. C. H. Whittington at their home on Second St., in honor of their son Frederick G. and his bride. The house was prettily decorated. Light refreshment were served, and the numerous friends of Fred, who have known him from boyhood, extended sincere congratulations to the newly wedded couple. They leave shortly for their new home at Jackson, Mich., which is now being erected.
