EAST JORDAN, MICHIGAN, FRIDAY, JULY 25, 1952

NUMBER 30

## SUMMER PLAYGROUND ACTIVITIES

### Train Trip and Picnic End Season

With a train trip on the E.J.&S. and a picnic, the 1952 Playground Season came to a close. The swimming classes, square dancing and softball will continue till August, but the actual playground activities are over.

On Wednesday 65 children boarded the E.J.&S. for the trip to Bellaire, after eating their lunch there, the children got onto the C&O for the trip to Ellsworth. At Ellsworth the children were met by Mr. John Seiler, Mrs. Harry Watson, Mrs. Roy Gokee, Mrs. William Malpass, Mrs. Keith Annear, and Mr. Glen Malpass for the trip back to East Jordan, as the school buses were not available for the trip. On the C&O the Personnel Manager for the train was aboard and he showed the children all over the train. Parents will be glad to know that some of the passengers on the train told the directors, Mrs. Glen Malpass and Parker Seiler, that they had never seen such well-mannered and cute children. They even gave the children an invitation to one of the ladies summer home in Petoskey. The talk all the way home was "Gee, I can hardly wait until next year's trip."

Friday in spite of cold rainy weather, 37 children showed up for the "last day" picnic. The children were taken by car to the lovely summer home of Mr. and Mrs. Ted Malpass, who completely turned over their home and docks to the children for the day. At noon to the ringing of a huge dinner bell, the children ate sack lunches and pop supplied by the directors. The afternoon was spent in swimming and playing games, and building sand houses. Just before going home the children were treated to cookies and orange juice by Mrs. Malpass. The picnic officially closed the 1952 season, and among the children the general talk was, "What will be doing next year on the playground?"

### Review of Summer Playground Season

With a trip across the straits the 1952 Playground season got off to a good start. Next followed an overnight day camp for girls and a trip to the Traverse City Zoo for the younger children. While this was going on, Camp Okequoec was the scene of much fun for the boys of the community. July 4 found the children entered in a Soap Box Derby, a "Kids" parade, and street games. Next came a penny hike and another day camp for both girls and boys at Whiting Park. Two bike trips were taken, one to Dutchman's Bay, and the other to Webster Bridge and back. A canoe trip for the Advanced swimming classes was planned, and there were swimming classes for all beginners in the Community. The season closed with a train ride and a picnic. On the days when there were no trips, the children played ball croquet, Bandinton, tennis, volley ball, shuffleboard, and soft ball, and had handicraft lessons, and swimming. There was also a Peanut, Adult Night Softball, and Swimming. Except for two days, the children were never kept from their fun by rain, so it was a full season.

### Square Dances Continue

Although the Recreation Program is over, the Square Dances will continue to run up to the middle of August. There will be another Thursday, July 24 at the Tourist Park, and Mrs. Wilbur Roberson, the hostess, is looking forward to another enthusiastic crowd, like the crowd at the last one. Remember these dancers are not limited to just the "teen-agers", but every one.

### SOFTBALL LEAGUE

The first week's play of the second round of softball saw two thrilling games which were not decided until the very last minute. Thorsen's 5 Dip's 3 Behind the fine performance of D. Shultz, who allowed but three hits and collected a double and a triple for himself, Dip's gave Thorsen's a real battle. In the fifth inning Dip's led 1-0 and it began to look as though they were going to snap their losing streak. It was not to be, however, for Thorsen's added a single run in the 6th and 6th to tie the game, and then brought the winning run across the plate in the final frame. Thorsen's 4 Runs 3 Hits

### Infant Daughter Passes Away

Mary Catherine Brennan, infant daughter of Mr. and Mrs. James Brennan, passed away during an operation at the Elm St. Hospital in Battle Creek, July 16. She had been ill only three days with intestinal trouble. She was born Feb. 25, 1952 at Battle Creek.

Surviving her passing are her parents, Mr. and Mrs. James Brennan, her grandparents, Mr. and Mrs. Bernard Brennan and Mrs. Ann Richards besides several aunts, uncles and cousins and her great grandmother, Mrs. Stella Farmer.

Funeral services were held at the St. Joseph Catholic Church in East Jordan, July 19, at 9:30 a.m. with the Very Rev. J. J. Malinowski officiating. Burial in Calvary Cemetery in East Jordan.

### Organ Recital By Fred Stecker Wednesday, July 30th

On Wednesday July 30th, at 8:00 o'clock in the evening, the East Jordan Methodist Church will feature an organ recital. Mr. Fred Stecker, organist, will render a number of selections.

Mr. Stecker was born and grew up in Detroit. As a child he began to study music under highly capable teachers. He was one of eleven children. His father died before Stecker had reached early boyhood, and it became necessary for him to work hard at various tasks in order to assist his widowed mother. One of his teachers, who had a great deal to train him in piano and pipe organ—mastery later became his pupil, that was before Mr. Stecker had reached the age of fourteen.

He soon became highly proficient in his profession, and he has since served as organist in several large churches and mortuaries. Most of these were in the vicinity of Detroit. In order to attain his goal it was necessary for him to work in several capacities. This experience provided him with a wide range of understanding which has made him a truly rich interpreter of musical composition.

Mr. Stecker is now a permanent resident of East Jordan. He is the Methodist church organist, and he is doing a great deal of good in training young people to become organists and pianists.

In addition to the organ solo selections by Mr. Stecker, the church choir will present several numbers. The public is invited to hear the beautiful music which the new Minstrel electric organ can render, and a free-will offering will help the growing organ fund.

Remember, the public is invited to a fine organ and vocal recital, Wednesday, July 30th at 8:00 o'clock p.m. at East Jordan's Methodist Church.

The Program for the evening, follows: Overture (to the opera "Alicia.") — G. Handel

Lovely Appear over the Mountains — Chas. Gounod

Cradle Song — Alex. Gretchaintoff. The three selections above are organ solos by Mr. Stecker.

Vocal Trio, Three Little Maids — Elliot, Margaret and Martha Lord, and Nanette Drapeau.

God Is a Spirit — Bennett Oh! For a Closer Walk With God — Foster, The Church Choir, and Mrs. Fowler.

Piano Solo — Selected. Thurian Meredith. Allegretto Grazioso — Mozart. Ave Maria — Adolf Henselt.

Both of the above are organ solos by Mr. Stecker.

Vocal Solo — Selected, by Margaret Blossie. Offering — Piano Solos, by Carol Gilpin.

Vocal Solo — Selected, by Bonnie Hosler. Grant Me True Courage Lord — Bach. The Methodist Choir. Largo (From New World) — Antonin Dvorak. Swallow — N. Serradell. Both of the above selections by Mr. Stecker.

**CHERRY PIE SOCIAL SATURDAY** Come to the G.A.R. Park, across from the library, on Saturday, July 26th for a piece of fresh cherry pie, a scoop of home made ice cream, and a cup of coffee. The Lutheran ladies will be serving from 3:00 on. There will be soda pop for the children. 30-1

Parsley contains chlorophyll and hence, serves as a deodorizer in your refrigerator.

### Storm's Fury Wrecks Dock

OTHER LOCATIONS HIT BY THE ELEMENTS

The storms of the past week caused considerable damage to crops and fruit, and wreaked havoc with things in general.

In East Jordan, the City Dock at the foot of Esterly St. is a complete wreck, caused by Tuesday morning's storm.

### Arthur Farmer Laid to Rest

ENGINEER ON THE E.J.&S. 45 YEARS.

Arthur William Farmer, 73 years old, passed away at his home at 6:55 a.m. Sunday, July 20, 1952, after a lingering illness with a heart condition. He had also suffered several paralytic strokes in the past few years.

He was born in Hillsdale County, March 3, 1879. His parents were Charles and Harriet Farmer. He was married to Stella DeFord, May 31, 1904, at East Jordan. He was a member of the St. Joseph Catholic Church in East Jordan.

Left to mourn his passing are his widow, Stella. Three daughters, Ellen Brennan, and Joan Dennis of East Jordan, and Marah Leigh Clark of Marion, Indiana; a son, Richard Farmer of East Jordan. A brother, Earle Farmer, of Eugene, Oregon; and thirteen grandchildren. Several children passed away in infancy.

Mr. Farmer was employed as engineer on the East Jordan and Southern Railway for 45 years, he retired in 1946.

Funeral services were held Tuesday, July 22, at the St. Joseph's Catholic Church with the Very Rev. J. J. Malinowski officiating. Interment in Calvary Cemetery. Bearers, were: William Porter, Delbert Dennis, Mason Clark Jr., Wm. Malpass, and John and James Brennan.

Out of town relatives who attended the funeral were: Mr. and Mrs. Mason Clark of Marion, Ind.; Mr. and Mrs. Walter DeFord of Sturgis; Mr. and Mrs. John Brennan of Lansing; and Mr. and Mrs. James Brennan of Battle Creek.

### Born in Jordan Twp. in 1877

GEORGE JAQUAYS WAS AMONG OUR PIONEER CITIZENS

George V. Jaquays, age 75 years, passed away at his home at 1:00 a.m. Sunday, July 20th, after an illness of ten months with Malignant Tumor. He was born in Jordan Twp. May 7, 1877, and had made his home around, and in East Jordan all his life.

He was married to Irene Dunson, Sept. 28, 1922, at Boyne City.

He was formerly a member of the K. P. and I.O.O.F. Lodges. He had served as Secretary of the East Jordan Co-Operative and was Director for 17 years. He was a Bee-keeper for 50 years and State Farm and Mutual Insurance Agent for sixteen years.

He leaves to mourn his untimely passing his widow; three daughters: Mrs. Marian Wertz and Miss Georgia Jacquays of East Jordan and Mrs. Inez Zinck of Boyne City. Two stepsons, Wm. and Leon Dunson of East Jordan. Two brothers Walter Jacquays of Paliston, and Wm. Jacquays of Detroit. Fifteen grandchildren.

Funeral services were held at the Watson Funeral Home Thursday, July 24, with Rev. DeHaven pastor of the Presbyterian Church officiating. Interment at Sunset Hill. Bearers were, Forrest Thacker, Jason Snyder, Obie Burri, and Basil Cummings.

Relatives and friends from a distance who attended the services were Carl Boggs, Bay City; Mrs. Taylor Edgell and Mr. and Mrs. James Boggs, Traverse City; Mr. and Mrs. Clarence Boggs and family, Lake City; Mr. and Mrs. Leonard Hillman, Gaylord; Mr. and Mrs. Roy Zinck, Mr. and Mrs. Ace Kramer, Boyne City; and Mr. and Mrs. David Wertz, Arizona.

### Primary Election

To the Qualified Electors of the City of East Jordan, County of Charlevoix, Michigan. Notice is hereby given, that a General Primary Election will be held on

Tuesday, August 5th, 1952 at the respective polling places hereinafter designated: City Hall.

For the purpose of placing in Nomination by all Political parties participating therein, Candidates for the following Offices, viz:

**STATE AND DISTRICT** Governor, Lieutenant Governor, United States Senator (full term), United States Senator (to fill vacancy), Representative in Congress, State Senator, Representative in State Legislature.

**COUNTY** Judge of Probate, Prosecuting Attorney, Sheriff, County Clerk, County Treasurer, Register of Deeds, Circuit Court Commissioner, Drain Commissioner, Coroner, Surveyor.

There shall also be elected as many Delegates to the County Convention of the several political parties as said ward, precinct or district is entitled to under the call of the county committees of said political parties, which number will be indicated by the number of blank lines printed on the primary ballots used at said election under the heading "Delegates to County Conventions".

Notice Relative To Opening and Closing of the Polls:— Section 1. On the day of any election the polls shall be open at 7 o'clock in the forenoon and shall be continued open until 3 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Thelma M. Hegerberg City Clerk

### Style Show Being Sponsored By Women of Presbyterian Church

The Women of the Presbyterian Church are sponsoring a style show which is scheduled for August 2nd in the East Jordan High School Auditorium. The Theme for this fall fashion and Antiquity show is, "Fashions Then and Now. The show will feature fashions of five periods in female attire.

Mrs. Wm. Malpass is chairman of the event; assisting are Mrs. Richard Malpass, Mrs. Jane Jackson, Mrs. Greg DeForest and Mrs. Minnie DesJardines. Mrs. Harry Watson and Mrs. Wm. Porter will supervise the Antiquity Show. Mrs. Ted Malpass is chairman of the music, Mrs. Hugh Gidley will take care of the publicity, and Mrs. Wm. Grauel, tickets, Mrs. Marvin Benson will be commentator, Mrs. Emery Cole and Mrs. Greg Boswell will plan refreshments, Mrs. George Bechtold will handle flower arrangement, and Mrs. M. B. Huckle will be stage manager.

### Peninsula 4-H News

The regular business meeting of the Peninsula Community 4-H Club was held July 12, at the Von Soosten home. Only nine members were present.

Our summer projects are coming along fine. Mrs. Crowell's food prep. members gathered at Rachel Webster's home, July 15. Those in first and second year discussed foods, while those in first year baking made pies. Their next meeting is at Looze's, July 29.

Mrs. Prebble's photography club met at Peter's, the evening of July 15. Their next meeting is at Klooster's July 29.

The outdoor meal members, under the leadership of Mrs. Prebble, met at Sheridan's, Thursday evening. Those in charge were Kay Klooster, Marilyn Looze, and Tom Sheridan. They planned and served Kabob, Marshmallows, and Kool Aid. A wonderful time was reported by all who attended. Those in charge next time are Margie Chanda, Rachel Webster, and Don Peters.

Mrs. Chanda and her garden club members were guests of the Star Garden Club at Mrs. Hayden's, July 7. Mr. Esterling was there and he explained the different insects and weeds involved gardening.

Nine of our members are working on a Model Business Meeting. The next business meeting will be held at Chanda's, August 2.

Louise Olstrom, reporter

No building is safer from lightning than one which is protected by well-grounded lightning rods.

### VENETIAN NIGHT PARADE AT CHARLEVOIX

HIGHLIGHTS OF CHARLEVOIX'S SUMMER SEASON

The highlight of Charlevoix's summer season, the Venetian Boat parade will be staged on Round Lake here Sunday evening as a climax to the Venetian Night week-end.

Other events which will be a part of the gala week-end celebration will be the Queen's ball at the Charlevoix Beach Hotel Saturday evening, Gold Cup speed boat exhibitions on Lake Charlevoix Sunday afternoon, a variety program in East Park at 7:30 Sunday evening followed by a fireworks display and the Venetian Boat parade as darkness falls.

The Venetian Night Boat parade, featuring more than 30 boats decorated in various themes carried out in colored lights, lanterns and torches, will enter from the east and parade about Round Lake under a canopy of fireworks. Spectators will view the colorful affair from the surrounding shoreline which forms a natural amphitheatre about the lake.

This year's parade and fireworks display promises to be the best yet, according to Lyle Miles, commodore of the Charlevoix Marine Club, sponsors of the parade, said this week.

Michigan entries in the Gold Cup speed boat races at Seattle, Wash. Aug 9 will present an exhibition on Lake Charlevoix Sunday afternoon preceded by a water skiing exhibition.

Venetian Queen Donna Ball will receive her crown from Ivan LaBlance of Alpena, past district governor of the Lions Club at the coronation ceremony during the Queen's Ball Saturday evening. Attending Queen Donna will be her ladies in waiting and members of her court.

The Venetian week-end activities are arranged by the city of Charlevoix and the Board of Commerce. S. E. Coleman is secretary of the board.

### Vandalism In State Parks

Vandalism is stalking Michigan's park system again this year, as rangers continue to find smashed tables, broken windows, upturned trash containers and valuable property stolen.

Vandalism has been so bad, the conservation department's parks division reports, that reduced facilities are available to the public in certain sections of southeastern Michigan parks. Generally, repeated damage occurs in outlying spots of the bigger recreation areas which do not have the manpower for extensive patrolling.

One favorite practice of park vandals is to chuck picnic tables into rivers and lakes. Park personnel pull the tables from the water, only to have the same chore the following week.

Another problem is the waist-high picnic stoves. Expensive and hard to get, the stoves often are stolen.

If vandals can get into buildings, tables and chairs are broken, cupboards are ripped from walls, windows are smashed, and doors are ripped from hinges.

Much park damage is known to be done by minors, and acting on this, New York City is considering an ordinance that makes parents liable for damage done by their children to city parks. In Michigan, police action is used against violators, but apprehension is difficult.

### AN APPRECIATION

I wish to thank everyone for the cards, flowers, gifts, and fruit sent me during my recent stay at Little Traverse Hospital. Thanks also to the blood donors, 30x1 Mrs. William Zoulek

"So God has sent you two more little brothers, Sally," said the minister to the small daughter of Chanda, Rachel Webster, and Don Peters.

"Yes," said Sally, "and He knows where the money is coming from, too. I heard Daddy say so."

Egg quality drops rapidly if the eggs are not cooled soon after they are laid.

Careless handling of milking machines and utensils is responsible for a lot more of the bacteria count in milk than most farmers realize.

Contouring saves soil and increases yields.

### South Arm Farm Bureau

The July meeting of the South Arm Farm Bureau community group was held the evening of the fifteenth at the home of Mr. and Mrs. Harold Goebel.

Twelve members attended and joined in the discussion of the topic, "How Can We Improve Markets for Farm Commodities?"

A picnic was planned for the families of members, to take place of the August meeting. It will be held at 8:00 p.m. on the evening of August 19th, at the East Jordan Tourist Park. Each family is requested to bring its own sandwiches and a dish to pass. Arrangements have been made for the coffee. Tentative plans, for a film shown by Ed Rebman, have been made.

Helen Klooster announced to the group that the Charlevoix County Farm Bureau ladies are holding a bake sale in Charlevoix on August 2nd. Members are urged to have contributions at Edw. Kamradt's service station at 10:00 a.m., on the morning of the sale. Funds raised will be used to finance transportation of ladies, to the state convention in Lansing, in November.

After adjournment of the business meeting, the hostess, Mrs. Goebel, served the pot-luck lunch and coffee, which pleasantly ended the evening.

Mrs. Geo. D. Nelson, Sec'y

### Helps Fawn Free Itself of Entanglement

A spotted fawn, too young to understand the problem it faced in wire fences, was trapped by one and might have died had it not been for a conservation-minded railroad crew.

The story starts north of Grayling, where a New York Central freight train was chugging north on a run to Mackinaw.

Along the rail right-of-way at that point is a wire fence and as the train rolled through the countryside, the engineer saw a fawn struggling to free itself from a mesh of the fence wires.

Blowing a signal to conductor John L. Martin, the engineer began to slow and finally got the train stopped nearly a mile beyond where he'd seen the fawn.

Back went the train and crew to where the woodland youngster was trapped, and after working carefully, the fawn was freed. It had not been injured and was apparently all right, though quite weak from the ordeal.

Then the northern Michigan division of the New York Central was able to get back to work.

### Let Material Dry Before Harvesting Small Legume Seed

"In harvesting small grass and legume seed, the material should be as dry as possible before combining or threshing," says C. M. Harrison, Michigan State College farm crops authority.

Harrison suggests mowing and windrowing in early morning, while the material is still damp. This will aid in preventing seed from shattering. Once dry, the seed may be threshed, but care should be taken to set the threshing equipment to do the best job.

Among other harvesting suggestions, Harrison said that settings for speed and air are particularly important as the material is easily blown through without proper threshing. One way to check is to hold a hat under the tail gate of the combine to see if a lot of seed is being blown over.

"Since the seed is small, it cannot be seen lying on the ground. As a consequence, many fields are poorly threshed. Care in handling the field and in setting the equipment will result in a much higher percentage recovery than is generally the case," Harrison reminded farmers.

With the investment in time and money being what it is, it is important to get all the seed possible for greatest profit from the job.

### BAKE BINGO

A Bake Bingo, sponsored by the American Legion, will be held Friday, August 1st, at 8:00, at the DeForest Store on Main St. There will be 20 games with 20 beautiful cakes with cupcakes on double bingos. Every winner gets a prize.

Price is 50c for the 20 games additional cards extra. 30-2

## NEW GAME LAWS CAN 'BACKFIRE'

Our Michigan Conservation Department has definitely established the courage of its convictions in the setting of longer seasons on some of our more prominent Michigan game, BUT they'd better pray that nature cooperates!

Most bird and animal populations are subject to fluctuations over which man has no control. High and low peaks seem to run in more or less definite cycles which have sometimes been predicted well in advance. If our upland game bird population holds at its current high level, IF our Michigan rabbits continue to multiply and sustain their present numbers, the new, longer seasons will be heralded as a wonderful move on the part of the Conservation Department. Hunters will be lavish in their praise of the decision.

However, let nature put the skids on partridge or bunnies in one of her cycles and the hounds will be loose! They'll be baying at the door of those game biologists who said that longer seasons wouldn't put a dent in populations. They'll be howling that too much hunting pressure did it! The birds and bunnies have been chivvied and harried relentlessly in the elongated season! The very seed stock has been all but destroyed! It's murder! And it's all the fault of the Conservation Department.

## Gun Pressure Won't Count

Personally, I hold with game men who don't think guns can seriously effect the numbers of upland game birds, squirrels, rabbits or raccoons from year to year. They're spread over a very wide area in hundreds of thousands of acres that are never even hunted. The so-called "seed-stock" is invulnerable in this wilderness. They'll prosper as nature will let them in her cyclic moods, despite the booming of a half-million guns in hunters' hands. However, in my own mind, it's a different story with pheasants.

## Pheasants Can't Take It

We're probably giving pheasants as much of a going over as they'll stand, and the reason is twofold. Their range is limited, and right now there are probably several million of these popular birds fairly well concentrated in southern Michigan. They're easy for the hunter to reach. Their cover is limited, and worst of all too many careless "sportsmen" kill off an alarming number of hens every fall. From all current reports nature will take the heat off the Conservation Department this fall. She's supplying a bumper crop of birds despite the fact that our game farm—which once raised upwards of 50,000 pheasants—has just about gone out of business. So the lads in Lansing can concentrate their worries on deer herd control—a headache we'll discuss another day in Michigan Outdoors!

DO YOU PAY SALES COSTS WITH EVERY PREMIUM?

Nearly two million members of State Farm understand this economical advantage pioneered by State Farm. Why? Because they pay the cost of a local agent's sales commission only once—after that they pay for insurance protection only!

If you are a careful driver you can qualify for membership. Get the money-saving details from

From where I sit... by Joe Marsh

Mc—Advising a Banker!

The Missus and I were invited to dinner over at Balesville the other night. I sat next to a banker from the state capital. "Mighty nice country you've got down there," he says. "Don't be surprised if I come to live there myself. In a few years I plan to get away from everybody, buy a farm and just take it easy." "Well," I told him, "we'd like to have you. But when someone plans to buy a farm and 'take it easy' he often winds up working harder than ever. It takes work to run a farm right no matter how many hands you can afford to hire. "And from where I sit," I continued, "you won't get away from people either. Neighbors are plenty important in a farming community—whether it's helping one another out or just friendly visiting over a sociable glass of beer." "Hard work and neighbors dropping in all the time?" he asks, looking at me over his glasses. Then he smiles and says, "Sounds wonderful. You've just sold me on a farm."

# At Our Tourist Park

Our park is sure a soggy place these days, the water being so high, and so much rain, seems the rain can't soak into the ground as there is too much water underneath. We have to wade or hop boards most of the time, but we are not the only ones who have high water.  
At present writing we have twenty-one trailers and one tent, most all the hook-ups are in use, that is, all the ones on dry ground are, there are several more trailer sites, but they cannot be used.  
Mr. and Mrs. Leo Adams of Davison returned to their trailer Wednesday after a few days at home. Mr. Adams had been to the dentist while there, and returned minus several teeth.  
Another couple returning to the park from their home in Sparta is Mr. and Mrs. Alfred Pierson.  
Mr. and Mrs. Glenn Whieler and two children returned to Mt. Morris after spending several days in the park and visiting the latter's brother Mr. and Mrs. Jess Robinson.  
Harvey Pangborn came up from Midland, Saturday Evening and left his wife and two daughters who have spent a month in the park; also returning to her home in Flint was Mrs. Arthur Sytek and daughter who have been visiting her mother and sister for a week.  
A larger crowd was out for the dance Thursday Evening but seems so many come just to be spectators and not to take advantage of such a grand opportunity to dance; so far it has all been free, the music is fine, and everything is supervised, so come on folks, don't let the Community Chest have to discontinue these dances as Mrs. Robertson said they might, it's a great chance to learn if you don't already know to dance, and this is indeed a privilege to have such a nice place.  
We had another group of girls in Thursday and it turned out to be a pretty soaked bunch too, as they set up their pup tents on the 'damp' side of the park, and it rained hard during the night, they had to dry out around the fire in the dining room. This group of girls were from the 4-way Lodge on Torch Lake and, consisted of the riding group, they stabled their horses at the Landers' farm south of East Jordan and came in to town by truck. There were nine girls and their counselors, Miss Ann Henderson and Miss Suzanne Wilson. It is interesting to know that at this lodge there are girls from Venezuela, Russia, Mexico, Indiana, Ohio, California, Tenn., Ill., Ark., Texas, Kentucky, Michigan, Penn. and other places.  
Mr. and Mrs. Emil Hegerberg and son, Bob of Bath, Mich. are in the park for their vacation.  
Mr. and Mrs. Howard Darbee had a picnic on Wednesday evening for the latter's Sunday School Class of the Methodist Church, crouget and shuffle board were enjoyed.  
Mr. and Mrs. Wilson Edwards of Muskegon were guests of the Jess Robinsons this week end.  
We were sorry to hear of the death of one of our farmers tenants, Mrs. Nehart of Edon, Ohio.  
Thursday Evening we held our first park pot-luck on the out door picnic tables, it was in the form of a celebration honoring the golden wedding anniversary of Mr. and Mrs. Austin Lemon; after a very bountiful meal including a wedding cake decorated in white and gold baked by Mrs. Robinson, the couple were presented with a card shower by those attending, and some who were unable to come, their son took several pictures, and Ruby Lemon played three numbers on her accordion, one piece 'May the Good Lord Bless and Keep You' was dedicated to her grandparents. Many more happy years together is the wish of all their friends.  
Mr. and Mrs. Willard King and children of Sparta have completed their vacation and left for their home.  
A group of young folks, five boys and four girls from Edmore accompanied by Mr. and Mrs. A. Buskirk and Mr. and Mrs. Walter Lavender and daughter LaVonne, came out of their way to have a picnic dinner in the park. They were on their way to Lake Louise to attend the Baptist young people's camp there.  
Miss Betty McRoberts celebrated her 13th birthday with a party on the picnic grounds, given by her mother, Mrs. Basil Sweet Saturday afternoon. A hilarious time was had and much excitement during the cart-wheel, hopping, three legged and swimming races, and also the treasure hunt. A lunch of birthday cakes, ice cream and pop was enjoyed. Those present to help Betty celebrate were Judy Snyder of Royal Oak, Ann Giacomelli of Detroit both visiting here, Marjory Wright, Lavina Bowen, Judy Taylor Sanjia Olson, Judy Shedina, Sharon Rollin, Alice Sumner, Nickey Myers, Judy Evans, Darlene McRoberts, Jackie Bowen,

and Terry Myers. Betty received many lovely gifts from her chums.  
A family gathering was held Saturday evening in the dining room when Mrs. Hattie Bergama of Ellsworth, her son, Mr. and Mrs. Ted Berghma and family of Zeeland, Miss Arlene Klooster of Ellsworth and her fiancé Mr. Adrian Postma of Dover, Delaware, Mr. and Mrs. Elmer Klooster and family, and Mr. and Mrs. Peter Drenth of Ellsworth gathered together. Mr. Postma and Miss Klooster are planning to be married this week Wednesday, July 28th in the Christian Reformed Church at Ellsworth. We extend them congratulations and much happiness.  
The Liskum-Crawford reunion again met in our park for their annual picnic, those attending were Mrs. Hildred Gaubatz and granddaughter of Detroit, Miss Eunice Liskum of Pontiac, Mr. and Mrs. Floyd Liskum and family, and Mr. and Mrs. Reuben Liskum of Bellaire, Mr. and Mrs. Versal Crawford and daughter, Mr. and Mrs. Boyd Crawford family, Mr. and Mrs. Russell Crawford and son, Mr. and Mrs. Basil Crawford and family, Mr. and Mrs. Ry Liskum and family, Mr. James-Nice and son Gardell, Mr. and Mrs. Chas. Murphy, and Mr. and Mrs. Clifford Spence and daughter Audrey Crawford all of East Jordan.  
Another family gathering took place when a picnic dinner was enjoyed in the dining room. Those attending were Mr. and Mrs. Bert Parsons and daughter Marlene of Muskegon, Mr. and Mrs. Earl Snyder, and Mr. and Mrs. Darwin Williams all of Coopersville, Mrs. Mable Griffes of Muskegon, Mr. and Mrs. Glen Snyder and granddaughter Gay of Comstock Park, Mrs. Eva Snyder, Mr. and Mrs. Jason Snyder and children Billy and Mary Louise, Mr. John Rude and Mr. and Mrs. Otto Reinhart all of East Jordan.  
Mr. and Mrs. Marshall Koontz and four children of Detroit returned to their trailer home early Sunday morning, their plans are to stay until this week Friday then go to Traverse City to attend the T.C.T. Convention, where he demonstrates his weight distributing trailer hitch that he invented and manufactures. Mr. Koontz and son returned to Detroit Sunday.  
We have two new trailer families this week, they are Mr. and Mrs. C. Champayne of Muskegon, and Mr. and Mrs. Wm. Andrews and son Billy, and Mrs. Andrews' sister Glenda Lee Horton, all of Grand Rapids.  
Mr. and Mrs. Lloyd Stewart and son Danny visited their parents near Ludington, returning Saturday. Her parents Mr. and Mrs. Clarence Cole and son Clinton, and Clarence Cole's father Daniel all of Branch, Mich. spent Sunday with the Stewarts.  
Mr. and Mrs. Grover Diehl of Flint who are vacationing at Otsego Lake called at the Leo Adams trailer home Sunday.  
The Rebekah Lodge have been holding bingos in the recreation bldg every Tuesday Eve. home made baked goods etc. are the prizes.  
Mr. and Mrs. Robert Tonn and son Bobby spent the week end at Milwaukee and Monteclo, Wis., little Bobby remained with his grandparents for a week.  
Seems like every week, especially on Sunday, we have something unusual happen around here, this Sunday it was our pleasure to see a house-boat glide northward on the lake, later in the day Versal Crawford took his motor-boat and surf board riders out.  
Mr. and Mrs. Jess Robinson are entertaining the latter's father, Mr. and Mrs. Elmer Porter of West Branch for a few days.  
The Oriole girls met at the Tourist park Monday Evening for a picnic dinner, Mrs. Beryl Scott is Monitor of the group.  
It seems there has been quite a bit of rivalry in the park lately as to who rises the earliest, and catches the largest fish, it is an old saying that 'The early bird catches the worm', but now it is 'The early bird catches the fish,' anyway some very nice ones have been hooked lately.

**Farm Jottings**  
After spraying pastures for poisonous weeds, it's best to keep the cattle out until after the weeds have decomposed, say Michigan State College extension specialists.  
Don't neglect to treat those noxious weed patches. They spread like the plague from farm to farm. Good weed control—like good fences—make good neighbors.  
Today's farmers has to be a shrewd businessman and operate his farm on a sound financial basis, MSC agricultural economists say.

# Looking Backward...

**JULY 20, 1912**  
Mrs. W. A. Loveday is chaperoning a party of young ladies at the Whittington Cottages near Monroe Creek, this week. The party consists of the Misses Catherine Haire, Mildred Sweet, Esther Porter, Lucile Boosinger, June Hoyt, Constance Loveday and Ellagene French.  
Mrs. B. A. Dole and children of Cleveland, Ohio, arrived in this city Monday to visit at the home of her parents, Mr. and Mrs. M. H. Robertson.  
Rev. E. J. Warren of Plymouth, Mich., formerly Supt. of schools in this city, spent a few days here as guest at the home of Mr. and Mrs. W. E. Palmer.  
Meeting of School Board held in High School Building July 15 Mr. Murphy called to the chair. On motion W. P. Squier was elected President; E. J. Crossman, Secy; L. A. Hoyt, Treasurer moved by Hoyt that the Secretary furnish each paper with a copy of the regular meetings of the board and request that they publish same. On motion by Squier bill of J. W. Rogers was read. Moved by Squier to pay a Basil Crawford and family, Mr. James-Nice and son Gardell, Mr. and Mrs. Chas. Murphy, and Mr. and Mrs. Clifford Spence and daughter Audrey Crawford all of East Jordan.

**JULY 21, 1922**  
The special election held last Monday to present to East Jordan's electorate, a proposition to bond the City of East Jordan in the sum of Seventy Thousand Dollars for an electric light plant was carried by what is probably the largest majority ever cast in our municipality. The total vote of the three wards was 343 for and 42 against.  
Mr. and Mrs. Charles Buckman and children of Chicago are visiting at the home of her sister, Mrs. George Kaake.  
Mrs. Thos Locke left Thursday for Muskegon to join her husband, who has employment.  
Mr. and Mrs. Roy Gregory and children of Turner are here visiting relatives.  
Born to Mr. and Mrs. Walter Woodcock, a daughter, Eldeva Louise, July 14th.  
Mr. and Mrs. B. S. Schwab with daughter, Maxine, of Stewartville Minn., drove through by auto and are visiting at the home of their daughter, Mrs. E. L. Lorraine.  
Mr. and Mrs. Charles Lovett with daughter, Margaret, are here from Rhinelander, Wis., for a visit with old time friends. Mr. Lovett was an East Jordan resident some 25 years ago, at that time being a lumber inspector.  
Mrs. John Davis (nee Bernice Piggott) went to Raycraft hospital at Petoskey Monday where she underwent an operation.  
Will Donaldson and Merle Jones went to Muskegon, Monday, where they have employment.

**JULY 22, 1932**  
Charlevoix Co. Fair dates set for Sept. 14-15-16. The Fair will be held both day and night. Harry

promotion and graduation. Motion carried and that we recommend further in the discretion of the board, the addition of manual Training and Domestic Science and that the work in the departments shall be elective and not compulsory and full credit shall be given for work done in these departments toward promotion and graduation. Motion Lost.

The Tourist Park Committee wishes to extend a vote of thanks to the Charlevoix County Nursery, Boyne City Greenhouse, Al Friberg, Mesdames Jessie Hiatt, Eva Votruba, Chas Brabant, Sarah Rogers, Geo Carr, G. W. Bechtold, Glen Bulow and M. J. Williams for contributing bulbs, shrubbery and plants for the flower garden at our Tourist Park, which has added much toward beautifying the grounds. The ball ground has attracted many people from surrounding cities, and is the best ball diamond in this locality. The new log cabin for the caretaker, Jos Cummins, the new rose arbor, a new ventilated roof on the bath house, and the overnight cabins built by Carl Shedina have all added to making our park for the tourist and also the home people. The home folks, those in the country and neighboring cities are invited to enjoy their picnic dinners and bathing at the East Jordan Tourist Park.

Fred Bennett passed away Thursday July 21st following an illness of several years duration. Mr. Bennett was identified with our City's business interests for many years. Funeral services will be held from his late home this Saturday afternoon at 2 o'clock. Burial at Sunset Hill.

Coming Sunday! In The New American Weekly, with your Herald-American, Nanette Kutner, noted journalist and friend of Dr. Kinsey, tells you the inside story of his life, family and work, including his new book on "Sexual Behavior in the Human Female." Don't miss this intimate report, in The New American Weekly with your Chicago Herald American!

**AN APPRECIATION**  
I wish to thank my relatives, neighbors and Ellsworth Canning Factory friends for the beautiful cards, letters, candy, etc. sent to me, during my stay in General Hospital, Bay City.

"Slow! Men Working!"  
"Danger! Road Under Construction!"  
"Detour! New Bridge Being Built!"

Signs like that are familiar sights throughout the state of Michigan these days.

To the tourist, anxious to rack up 600 miles that day so he can brag to Cousin Lemuel back home, such signs may be irritating. But to State Highway Commissioner Charles M. Ziegler, they're as gratifying as a bunch of big numbers on a scoreboard are to a baseball player.

Those signs are the scoreboard for a victory of Brother Ziegler and his fellow-Republicans in the Legislature.

They represent over \$42 million of state trunkline projects that the Highway Department has awarded since last September for 1952 construction. That's a record never matched in the 47 years the department has existed. In 1950 the total was \$25 million, in '51 it was \$23 million.

"This program of badly-needed construction was made possible because of the new highway legislation enacted in June, 1951, over the vigorous protest and veto of the Governor," says Ziegler. (And he may be forgiven if a note of gloating creeps into his voice.)

"This legislation provides for an increase in gasoline tax from 3c to 4 1/2c per gallon and increase and further absorption is expected."

Bolstered with these figures, Ziegler will fight vigorously against a reported plan of the CIO to push a referendum which would cut gas tax to 3c by Constitution amendment.

"The increased highway construction program would cease for lack of funds should the CIO be successful," Ziegler warns. He recalls that the labor group failed to stymie the original increase when the Supreme Court held that petitions for that referendum were invalid.

"Michigan's gasoline tax of 4 1/2c per gallon, as at present, is still approximate 35% below the national average," the commissioner points out emphatically.

Why is the road to my Summer cottage so bumpy while the one to Sunburn Beach is being repaired?"

That's a common question and the commissioner has a ready answer for it.

"Projects are determined on an emergency basis," he says. "We've got to catch up on the tremendous backlog of work which accumulated because of inadequate revenue in the past."

Heavy wartime traffic increased normal depreciation. There were material shortages. Revenues were cut because of gas and tire rationing during the war. Costs more than doubled.

Michigan, the auto state, was a pioneer in building roads for auto traffic. Many trunklines were built 20 to 30 years ago and,

though they were brilliant examples to the rest of America then, they were not designed for today's transportation and require high, uneconomical maintenance expense. Many are being rebuilt to 1952 standards.

The steel strike may cause delay in some current projects.

But the big threat as Ziegler sees it, is cutting gas tax revenues. "Construction programs in the counties, cities and incorporated villages have also been expanded because of these increased revenues," he emphasizes, "and they'll be cut if gasoline taxes should be lowered."

The legislature can override a Governor's veto; they can't override a Constitutional amendment.

So Ziegler is hoping that all future signs saying "Men Working" will refer only to highway construction crews and not to circulators of petitions that he fears will take such sign off Michigan trunklines.

Charles Meeking, editor of The Canberra Times of Australis, is sitting in on the Democratic national convention this week.

During a stopover at Lansing, he said a visiting-fireman call on your reporter. Because an impartial observer can see many things that we Americans may overlook in the heat of our own political convictions, it was natural that he be asked for his views on the coming campaign.

"I am surprised at the complacency of so many people I've talked to so many many people who just shrug and say, 'Oh, well. We know the boys in Washington all get their share. What can you expect?'"

That makes him wonder just how effective the Republican campaign will be if General Ike pitches it on an anti-corruption level.

Meeking is a veteran political observer. Of the GOP convention which he viewed on TV and the current Democratic one he's seen from the pressbox at the amphitheater, he says, "They make me feel right at home."

He was press secretary to Premier Menzies during the latter's successful fight to get into power. American and Australian politics, he opines, are basically alike. The outward form may differ but that's all.

Two things impressed him in America where he's travelling under State Department auspices. "I was surprised at how hard you work here. People don't work as hard or as efficiently in Australia. Hence production is low and prices high."

"I was also surprised at all the 'free labor' here. Back home everything is unionized almost 100%."

Australia needs Americans for a shot in the arm. Meeking invites you to come to his country to live and work. Just say "Charley sent me."

**JOURNEY INTO DANGER**

Being one of Uncle Sam's diplomatic couriers is a dangerous job. Lowell Thomas, noted commentator and traveler, describes thrilling experiences of a courier who had hair-raising scrapes with Nazis and Communists. Read "Journey Into Danger" in July 27 issue of New Color Gravure American Weekly, exclusively with Detroit Sunday Times.

Grass is a crop—a good or a poor crop, depending on the attention given to it. If managed properly, it is cheap feed, Michigan State College livestock specialists point out.

**LEGAL**

**NOTICE OF ELECTION TO VOTE ON FRANCHISE**

NOTICE IS HEREBY GIVEN to the qualified electors of South Arm Township, Charlevoix County, Michigan, that at a special election to be held at the Township Hall in said Township, on the 5th day of August, 1952, said electors will vote on the question of the confirmation of the granting of a franchise to Northern Michigan Electric Cooperative, Inc., its successors and assigns, for the purpose of constructing, maintaining and using electric lines on, along and across the public highways, streets, alleys, bridges and other public places, and to transact a local business in the Township of South Arm, Charlevoix County, Michigan. The polls will be open from seven o'clock in the forenoon to eight o'clock in the afternoon of said day.

This Notice is given pursuant to law, by order of the Township Board.

Dated: June 20th, 1952.

Lawrence Addis Township Clerk

TOWNSHIP OF SOUTH ARM, CHARLEVOIX COUNTY, MICH. Granted to NORTHERN MICHIGAN ELECTRIC COOPERATIVE, INC. June 20th, 1952

The Township of South Arm Ordains:

Section 1. Permission is hereby granted to Northern Michigan Electric Cooperative, Inc., a Michigan Corporation, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the Township of South Arm, Charlevoix County, Michigan, all needful and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission and distribution of electricity, and to transact a local business within said Township, subject, however, to all conditions and restrictions hereinafter contained.

Section 2. The conditions of the foregoing grant are as follows:

A.—The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.

B.—The Board of County Road Commissioners of Charlevoix County, or other proper authority, may in their discretion grant permission for the trimming of trees when necessary to make the lines safe and accessible, such trimming to be done under their supervision.

C.—The said grantee, before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any poles, mains, wires, pipes, conduits or other apparatus, shall in writing notify the Board of County Road Commissioners of Charlevoix County, or the Superintendent of said Board, or other proper authority, of the proposed construction, and obtain approval thereof, and shall, if the said Board so requires, file with it a sufficient plan and specification showing the nature and extent of the proposed erection and construction.

D.—No street, highway, alley or public place shall be allowed to remain encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the Board of County Road Commissioners of Charlevoix County shall determine the question of such necessity, and the grantee shall at all times conform to all ordinances to the Township now or here after in force relative to the fencing and lighting of obstructions and excavations.

E.—The grantee shall save the Township harmless from any judgment that may be recovered against the Township by reason of the wrong-doing or negligence of said grantee in the erection and maintenance of said poles, mains, and other apparatus or construction.

F.—Said grantee shall make due provision upon forty-eight hours notice in writing by raising its wires or otherwise, for the passage of any barn, building or other structure on or over any street, highway or public place occupied by the mains, wires, poles and apparatus of said grantee.

Section 3 This grant shall take effect, if said grantee shall within thirty days from the date of the passage of this ordinance, file with the Township Clerk its written acceptance of the terms of same, and upon the confirmation of this grant by the affirmative vote of a majority, of electors of said Township, voting thereon at the special election to be held on the 5th day of August, 1952, as provided for by the Statutes and state Constitution.

If not confirmed by the electors voting at said election, this ordinance shall be null and void.

Section 4. This Franchise and Ordinance shall be and remain in force for thirty (30) years from and after the date of its confirmation by the electors of South Arm Township, Charlevoix County, Michigan.

Section 5. Nothing in this grant shall be construed to alienate the title of the public in and to any street, highway, alley or public place or any portion thereof, neither shall anything herein be construed in any manner as a surrender by the Township of South Arm of its legislative power with respect to the subject matter hereof, or with respect to any other matter whatsoever; now as in any manner limiting the right of the said Township of South Arm to regulate the use of any street, avenue, highway, alley or public place within its jurisdiction.

Dated this 20th day of June, 1952.

Lawrence Addis Clerk

**Bids Wanted**

The East Jordan Board of Education will receive sealed bids for the Ranney School property, former South Arm Primary District No. 3. This property consists of a plot of ground 13x13 rods and school building. Bids must be in the hands of W. G. Boswell, Sec'y by 7:00 p.m. Monday, August 29-30.

W. G. Boswell, Sec'y.

**PROBATE ORDER**

Notice of Hearing Claims State of Michigan, Probate Court for the County of Charlevoix.

In the Matter of the Estate of Nettie Chalmers, Deceased. At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, July 21st, 1952.

Present: Hon. Floyd A. Supp, Judge of Probate.

The above estate having been admitted to probate and Rex E. Davis, of Charlevoix, Michigan, appointed Administrator thereof;

It is Ordered, That two months from this date be allowed for filing claims against said estate; and that all creditors of said deceased are required to prove their claims to said Court at the hearing on claims to be held at the Probate Office in the said City of Charlevoix, on October 6th, 1952, at ten o'clock in the forenoon; and that claims for expenses of burial will be heard at said Probate Office on September 8th, 1952, at ten o'clock in the forenoon.

It is Further Ordered, That public notice be given by publication of this order for three successive weeks previous to said day of hearing in the Charlevoix County Herald, a newspaper printed and circulated in said County.

Floyd A. Supp Judge of Probate

Never underestimate the curiosity of a child—it will lead him into all sorts of "trouble" and places. With that in mind, Shirley Newsom of the Michigan State College child development department, recommends a little keep-them-occupied strategy.

Well selected toys for the toddlers is Miss Newsom's recommendation for long periods in a doctor's waiting room. When she says "well-selected" she means this: a pre-school child on the loose with rolling beads or pull toys in a crowded office can be a terror to everyone. But a youngster who has simple construction materials that fit together or a doll to dress and undress is happily occupied and blessedly quiet.

Miss Newsom points out that it is possible to keep a child occupied without benefit of toys if he is old enough to play simple guessing games. That holds true on an automobile trip when games can be devised using the country side as a basis.

You are wasting the riches of minerals and vitamins in vegetables if you overcook them, use a large amount of cooking water or fold them too long before serving, say Michigan State College home economists. Cook vegetables until that are just tender—and NOT mushy. Use as little cooking water as possible, serve them up just as soon as they are cooked. Those are the words of advice from MSC nutritionists who also warn against using baking soda in vegetables cooking water. The soda destroys vitamins, they say.

To keep apples from spoiling, place them in a cool room in a house occupied by eight children.

Mulching helps keep the ground cool and saves moisture.

**WEST PENINSULA . . .**

(Edited by Mrs. Wm. Gaunt)

Mr. and Mrs. Earl Gill of Lansing who have been vacationing the past week at their cabin on South Arm were fishing just north of their creek near the Sherman Cabins when Mr. Gill thought he had caught his hook on something on the bottom of the lake. When he began to reel in his line, he noticed there was some kind of a fish. On landing it he found out he had caught a 33 1/2 inch great Northern Pike. Everyone was so excited that all the near neighbors got a good look at it. After dressing it out it weighed 7lb. 14oz. Mrs. Pearl Phillips of the Rustan had the Gills freeze the fish in her locker until they left to go home Sunday evening.

The Orchard meeting at the Bert Lumley farm home Friday evening was well attended, most of the cherry growers from this district was there.

Mr. and Mrs. Willet Simmerman accompanied with their son Allen and their daughter and husband, Mr. and Mrs. Robt. Silver, all of Muskegon drove up to their cousins, Mr. and Mrs. Wm. Gaunt Sr. Saturday with a big trailer to get their launch they bought from Mr. T. J. Graham of the lake shore drive near Boyne City. They returned home again Sunday morning. While here they picked some cherries to take home with them.

Mr. and Mrs. Kenneth Hurl and two children of Saginaw returned home Saturday after spending two days visiting with their parents, Mr. and Mrs. Earl Gill.

Mr. and Mrs. Carl Bloomfield of Clio spent from Tuesday to Thursday with their relatives, Mr. and Mrs. Henry Howard.

Mr. and Mrs. Lyle Tuttle of Fenton and their daughter with her two children spent last week vacationing at their cabin.

Several farmers of this neighborhood sprayed their fields last week for the Army Worms, as the grain and hay fields were really infested with them.

Mr. and Mrs. Archer of East Jordan spent Sunday evening with the L. Elzinga family.

Mr. and Mrs. Lawrence Elzinga and family with Mr. and Mrs. Harry Elzinga and son Charles and his girl friend, Bonny Drost, drove up across the Straits Sunday a sight seeing.

Mr. and Mrs. Howard Peters and son spent Sunday evening at the Rustan Resort visiting.

Mr. and Mrs. Staneck and three boys also her mother and father, of Lansing are spending a week at the Rustan Resort vacationing.

Mr. and Mrs. Jack Boughner of Mount Morris are also vacationing at the Rustan.

Mr. and Mrs. R. W. Mosgrove and son of Detroit are occupying one of the cabins at the Rustan.

Mr. and Mrs. R. G. Williamson accompanied with their daughter and three children, Mr. and Mrs. Marlin Neil all of Akron, Ohio, are staying at the Rounds cabin for a week. Mr. and Mrs. R. G. Williamson at the Rustan.

The big rain and wind storm of Sunday night put our telephone line out.

Most every farmer who has a cherry orchard starts picking this week.

# The Servicemen's Letter

Hi Fellas:

There were two men home on pass this last week. Wayne Pearce and Don Trojaneck. Wayne was in happy possession of a 10 day furlough from the 14th to the 24th of July. He left for back to camp on the 24th. Wayne says that it has been pretty hot down there in Louisiana. I'll bet it does get hot in those kitchens when the thermometer stands at 106 in the shade. Wayne went out on bivouac — and that is no fun in sticky heat.

Don Trojaneck finished his basic at Fort Knox last Wednesday and took off for home for a 10 day leave (11 days including Grace — dear old Grace). When his leave is over he will return to Camp Breckinridge, Kentucky to join the Airborne. We don't have his unit address as yet but will probably have it for you next week. Don likes his army training all right but complains a little about the present freeze on promotions. I guess you all feel the same about that.

Claude Crandall wrote this past week from Fort Riley. He said that he was up to see Roger Benson recently but missed Bob Cutler. Claude also was wondering if Russell Fyan and his brother Gerald were mad at him. He thought perhaps that his comments on Russells bus driver suit and the 1st Cavalry had made them a little sore. Claude has a different job now. He is working in the medical supply warehouse. He says that is considerably better than working in the mental ward. Claude is looking forward to getting out of the Army next month. Tom Leu left Edwards AFB on July 18th to start his trip home. He has two weeks furlough and is making the trip home via the northern route to see some of the sights along that route.

Bob Farmer is still home. He had 9 more days from July 15th — lets see — that would mean that he will be leaving here around the 24th — that's this week. Jim Meredith is back in Newport now. Jims mother told me that he saw Glen-Persons several times while they were in Cuba. I don't know whether Glen is back in the States yet or not.

Dick Sommerville is down in Camp Chaffee with Bob Graham. His address is: Pfc. Richard E. Sommerville, RA 16 417 449, Co D, 80th Hwy Tk Bn, 5th Armored Div, Camp Chaffee, Arkansas. Dick and Bob are in the same company but in different barracks. They are in Chaffee for 8 weeks basic and 8 weeks special training. The only thing they are complaining of at present is the big snakes. It seems there are plenty of them there.

Stanley Antoine and Earl Muma are in the same squad and same flight down in Lackland AFB Texas. They are taking training in Squad 3703, Flight 816. If you men have a little time off don't forget to run and say "Hello" to Bill Streeter over in Squad 3732, Flight 806.

Ed Drapeau is now in jet mechanics school down in Amarillo AFB, Texas. His full address is: A/3C Jean E. Drapeau, 3338 Stu Sqd, Box F57, Amarillo AFB, Texas.

Don Danforth checked back in from Fort Riley, Kansas. His new address there is: Pvt. Donald Danforth, RA 16 405 481, Svc Bty, 35 F.A. Bn, 10th Inf Div, Fort Riley, Kansas. He writes, "I guess I should have written to you before but I just didn't get around to it. I'm all through basic training and am now going to field wireman school at Fort Riley. We start in school 21 — at least that's what they say. I don't know much about field wireman school as yet. It has something to do with telephone line and things like that. There's not much to tell about down here

but I think I will get home in about 8 weeks. It was pretty hot until last week when we got our first rain in 5 weeks. It is a lot cooler now. The temperature ran around 100 degrees most of the time. It's been raining off and on for about two days now but if anybody tells you Kansas has a lot of rain they're crazy. We're just laying around now until school starts." Thanks for the letter Don.

George Rogers has changed location and occupation so it seems. A card change of address gives his new address as: SFC Alfred Rogers, Jr., R.A. 16 084 387, Det 25, 3340 ASU, ROTC Instructor Group, Georgia Military College, Milldefeville, Georgia. What gives, George?

Louis Addis has moved from Florida to Colorado. They made this move some time ago. Louis wife suffers from a chronic asthma condition and Florida definitely did not agree with her health. Therefore Louis applied for a transfer — and got it. We all hope they are getting along better now.

Two men have left this country for overseas duty this week. Herbert Chew is now in Germany and Clifford Schultz is Japan on his way to Korean duty.

Herbert Chews address is now: Pvt Herbert Chew, RA 16 401 788, Co L, 12th Inf Regt, APO 39, c/o PM, New York, N.Y. How about dropping me a letter when you get this paper, Herb, and tell me what part of Germany you are in. Perhaps we can locate someone else in your section.

Clifford Schultz left on July 10th for his Pacific jaunt. His address is: Clifford F. Schultz, EN-3, 420 80 14, LCU Ro One, Navy 3923, C/o FPO, San Francisco, California. How long did it take you to cross the Pacific, Cliff?

Until next week—So Long. "Jake" Snyder

## SOUTH ARM.....

(Edited by Mrs. Arnold Smith)

Missionary Heydenburk with his wife and four daughters who have been in Iran, for the past few years are back now and are holding a meeting at the South Arm Grange Hall, Monday evening, July 28th. They will dress in the clothes of Iranian people and show pictures of the people, building etc. I'm sure everyone will enjoy it very much. A free will offering will be taken for the Heydenburks. A pot luck of cookies, cake and sandwiches and coffee will be served.

Mr. and Mrs. Joseph Pullin and family of Dearborn spent a week with her sister, Mr. and Mrs. Mike Eaton and family. A farm Bureau meeting was held at the home of Mr. and Mrs. Harold Goebel Tuesday evening. Mrs. Lew Erno and Mrs. Fred Rasch of Boyne City spent Monday with Mrs. Harold Goebel and family. Miss Kathy Smith and friend Christine Holewinski spent the week end at the home of Mr. and Mrs. Arnold Smith and sons.

Miss Geraldine Walton spent Saturday and Sunday with her parents, Mr. and Mrs. Allen Walton, from Grand Rapids where she has employment for the summer. Mrs. Betty Pearsall was one of the judges at the 4-H talent show held at Boyne City Monday night. Nancy Erber of Boyne City won first place playing the piano, while the girls trio from South Arm won second place. The girls are Nan Drapeau, Margaret and Martha Lord. Mrs. R. V. Liskum and son Paul had a little accident last week at Petoskey, Mrs. Liskum was hospitalized for a couple days with shock, cuts and bruises, but is better now.

## WILSON.....

(Edited by Mrs. Shelma Eggersdorf)

The heavy rains of the week has done considerable damage to crops and new mown hay. Mr. and Mrs. Roy Taylor who spent a week with the Horace Warns left for their home in Chicago last Monday.

Edward Hennipp of Chicago who has been busy on his farm for the last two weeks left Sunday. The Wilson ladies aid of Christ Lutheran Church here held a ice cream social at Whiting Park Sunday which was well attended and enjoyed by everyone.

Mr. and Mrs. Pete Boyer and son Bernard and Mr. and Mrs. Greg Craig of Saginaw motored through the upper Peninsula of Michigan and spent one night in Newberry with relatives.

Rev Ott of Bridgeman, Mich., preached the regular Sunday Service, July 13th at Christ Lutheran Church here, and Edward Behling son of Harry Behling who has finished three years of College preached his first Sermon here Sunday.

Mrs. Carl Falker and children of Muskegon spent three weeks on their farm here. They picked their sweet cherries and returned to Muskegon Monday.

Mr. and Mrs. Walter Rippen and two children of Chicago spent a week at the Henry Eggersdorf home also Mrs. James Humphrey and son Claude of Lansing. Rev. Suterlemer will preach his farewell sermon here Sunday. He has a call to Three Rivers, Mich. where he plans to make his future home and take up his new duties as pastor of the Lutheran Church. We all wish him the best of luck.

Mr. and Mrs. Rudy Stolfa and two children of Brookfield Ill., are spending a week with her sister, Mrs. Chas Reidel and family. The Reidels also entertained their daughter, Mrs. Jordan Cuythra and daughter, Carol of Detroit.

Mr. Harry Behling Jr., who had his leg cut very badly by a power saw while working with the R.E.A. is getting along nicely.

## Sanitation, Spray Aid In Fly Fight

Fly control around the farm is no easy job but sanitation and use of recommended spray materials will make it easier, according to Ray James, Michigan State College entomologist. Sanitation means getting rid of all places where flies may breed. James said that unless breeding places are removed, it is doubtful that spray materials will do the control job. Manure piles, damp areas, calf pens and similar areas are breeding places for flies.

Present regulations forbid use of DDT in dairy barns. Lindane or methoxychlor will control flies in barns, James said. Ten pounds of 5 percent wettable lindane powder, or 40 pounds of 50 percent wettable methoxychlor powder, in 100 gallons of water is the correct strength. It should be applied in a coarse spray, but not in quantities that will run off the walls. Do not spray feeds, watering cups or mangers, James warned.

Outside walls of pig pens may be sprayed with DDT at the rate of 40 pounds of 50 percent wettable DDT powder to 100-gallons of water. Chlordane, at the rate of 16 pounds of 50 percent wettable powder for 100 gallons of water, also may be used. Lindane mixed the same as for inside use also is effective. A combination of pyrethrum and piperonyl butoxide is now available for spraying for horseflies and will-aid—in control of deer flies. However, treatment will last only about five days even under the best circumstances and concentrated dosages. Follow instructions of manufacturers, James recommended.

## MILES DISTRICT.....

(Edited by Mrs. Claud Gilke, '08)

Mr. and Mrs. Amos Jackson and son, Don, called at the home of Elmer Hott Sunday. Suzie Petrie spent the week end with Judy Kay Gikerson. George A. Mockerman has the measles.

Mr. and Mrs. Huson Ruggles of Central Lake, Mrs. R. M. Ayers of Tampa, Fla., and Ben Stoddard of Central Lake called on Mr. and Mrs. Fred Bancroft Tuesday.

Mr. and Mrs. Russell Brown and three sons of Roseville are spending their vacation with her parents, Mr. and Mrs. Claud Gikerson. Donna Gikerson who has spent the past six weeks in Roseville, returned home with them. Mrs. William Boggs, Lois and Gordon, Mrs. Ted Mockerman and son, Teddy, and Mrs. Howard Donaldson were Petoskey shoppers Friday.

Mrs. Ted Mockerman, Teddy, and Elaine went to "The Park of Pines" for church Sunday evening.

Dale Petrie and Karen Petrie were supper guests of Mr. and Mrs. Douglas Gikerson Thursday. Claud Rex Gikerson thinks he

is getting big, he has his first tooth.

Mr. and Mrs. Roy Huston of Detroit are spending some time with her sister and brother-in-law, Mr. and Mrs. Fred Bancroft.

**Proper Milk Care Is More Difficult During Hot Months**

"Proper care of milk is always important but needs particular attention during hot summer months," D. L. Murray, Michigan State College extension dairyman, reminded dairy farmers this week.

Getting milk cooled quickly is one thing, but it's not the only consideration in producing quality milk, he pointed out. Cooling only preserves good milk—if it hasn't been clean, cooling doesn't help much.

To keep milk clean, rinse all the utensils and milkers with a dairy sanitizing solution just before milking. Bacteria spread rapidly in hot weather, so don't

give them a chance to live on the pails.

Wipe the cow's udder with a clean cloth that has been dipped in a dairy cleaning solution. Dip the teat cups of the milker in a different pail of solution before each cow is milked. As soon as the milk is taken from each cow, get the milk out of the barn and into the milkhouse.

Murray advised putting the milk into the cooler as soon as possible. The quicker milk is cooled the lower the temperature, and the less bacteria will grow in it. When milk is only stored overnight, 55 degrees usually is cool enough, although temperatures as low as 40 degrees are better.

After milking, wash all the utensils and milker pails. If the milker has long tubes, hang the tubes and teat cup assembly in a solution rack until the next milking. If the milker has no milk tubes, disconnect the teat cups, wash them and store in a solution.

## Wild Strawberry

The big red strawberries that taste so good with shortcake and cream come from plants growing in home gardens and on truck farms. They are carefully tended to make them produce berries that are just right for eating fresh or for making into preserves.

There was a time, though, when the only strawberries to be had were wild ones growing in fields. To get the tasty fruit in those days, you had to take a basket and search for a berry patch.

If you were living in the eastern half of the United States, the chances are that you would have found good picking. That is the region where the Wild Strawberry has been abundant for years. It is still plentiful from New England to Florida and west to Oklahoma and South Dakota.

The place to look for the plant, says the National Wildlife Federation, is in fields, pastures, and grassy slopes. It grows out in the open where there is sunshine to keep the ground and to ripen the fruit in the late spring.

Like cultivated strawberries, the Wild Strawberry is a low plant — from three to nine inches high — that spreads over the ground. It grows from runners, or shoots, which reach out and take at many places.

Fastened to the runners are leaves, growing in clusters of three

leaflets apiece. Each leaflets has coarse teeth along its edges and a rough, hairy surface. It is about two inches long.

Here and there among the leaves are small white flowers. Each flower is from a half to three fourths of an inch in diameter and has five round, white petals.

Attached to the same stalks that bear the flowers are the sweet red berries. Though not as large and attractive in shape as cultivated strawberries, the wild ones look and taste very much like the kind that come from gardens.

As you might guess, the reason for the resemblance is that Wild Strawberries are the ancestors of the garden variety. By working with the wild plants, experts have produced the strawberries which we cultivate.

Wild Strawberries now rank second to their tame cousins, but they still furnish fruit for eating. And wherever they grow, they perform a useful service by cling-

## England's Forces Now Have 23,000 Women in Service

LONDON, Eng.—There are 23,000 women serving in the women's sections of the British armed forces, it was reported recently.

They have the same rank system as the men and are serving in most of the nineteen countries and territories in which Britain is now standing guard. These countries are Germany, Gibraltar, Eritrea, Cyprus, Ceylon, the Caribbean, Hong Kong, Aden, Austria, Iraq, Jordan, Kenya, Korea, Libya, Malaya, Malje, Sudan, Suva and Trieste.

Though the women, all volunteers, are not trained for combat duty, many of them serving in the women's royal army corps stand ready to take over anti-aircraft batteries, as they did during World War II. Some of the women's royal air force members take up planes to test their equipment in the air, and many of the women of the women's royal naval service are trained in seamanship.

## WEEKLY EATING CLUB By Jim Barstow

**PREPARE YOUTH TO MEET GOD**

**TEACH YOUTH TO READ THE BIBLE**

There is a way out of the deep darkness that engulfs the world; it is the way of the bible, the way of light.

The bible has been God's pillar of fire to lead men and nations out of the darkness into light. The Chaotic blackness of the augustan age was shattered by the light which came out of Israel in fulfillment of the scriptures. In this light new faith and hope were born.

The darkness of the middle ages disappeared in the brightness of the renaissance and the reformation when the leaders of men searched the scriptures and found the light of God. Every great revival of spiritual religion has cleared the mists from human eyes and lighted man's way of peace.

The darkness that envelopes the world today will roll away on the wings of the morning when men and nations turn back to the bible and back to God. Teach children to read the bible.

## SUMMER PLAYGROUND ACTIVITIES

### Train Trip and Picnic End Season

With a train trip on the E.J.&S. and a picnic, the 1952 Playground Season came to a close. The swimming classes, square dancing and softball will continue till August, but the actual playground activities are over.

On Wednesday 65 children boarded the E.J.&S. for the trip to Bellaire, after eating their lunch there, the children got onto the C&O for the trip to Ellsworth. At Ellsworth the children were met by Mr. John Seiler, Mrs. Harry Watson, Mrs. Roy Gokee, Mrs. William Malpass, Mrs. Keith Anner, and Mr. Glen Malpass for the trip back to East Jordan, as the school buses were not available for the trip. On the C&O the Personnel Manager for the train was aboard and he showed the children all over the train. Parents will be glad to know that some of the passengers on the train told the directors, Mrs. Glen Malpass and Parker Seiler, that they had never seen such well-mannered and cute children. They even gave the children an invitation to one of the ladies' summer home in Petoskey. The talk all the way home was "Gee, I can hardly wait until next year's trip."

Friday in spite of cold rainy weather, 37 children showed up for the "last day" picnic. The children were taken by car to the lovely summer home of Mr. and Mrs. Ted Malpass, who completely turned over their home and docks to the children for the day. At noon to the ringing of a huge dinner bell, the children ate sack lunches and pop supplied by the directors. The afternoon was spent in swimming and playing games, and building sand houses. Just before going home the children were treated to cookies and orange juice by Mrs. Malpass. The picnic officially closed the 1952 season, and among the children the general talk was, "What will be doing next year on the playground?"

Boys City 8 East Jordan 5

In a boys baseball game here last Thursday the East Jordan boys were good hosts to their Boys City visitors. Control was the deciding factor in the outcome of the game for East Jordan's two pitchers allowed a total of 10 walks. Four of those walks were especially costly for those men scored. East Jordan collected 7 hits to only 4 safe blows by Boys City. East Jordan's starting lineup was Darbee CF, Brennan LF, Streeter 2b, Danforth-3b, Janovick 1b, Richards p, Johnson ss, Wilson c, Cihak RF. Substitutions: Woodcock, Carney, Gee.

Trailing 6 to 1, East Jordan came up with a 3 run rally to close the gap but were unable to tie the game in the fifth inning. Danforth relieved Richards on the mound and pitched the last two innings. The final score Boys City 8 East Jordan 5.

### Review of Summer Playground Season

With a trip across the straits the 1952 Playground season got off to a good start. Next followed an overnight day camp for girls and a trip to the Traverse City zoo for the younger children. While this was going on, Camp Oqueoc was the scene of much fun for the boys of the community. July 4 found the children entered in a Soap Box Derby, a "Kids" parade, and street games. Next came a penny hike and another day camp for both girls and boys at Whiting Park. Two bike trips were taken, one to Dutchman's Bay, and the other to Webster Bridge and back. A canoe trip for the Advanced swimming classes was planned, and there were swimming classes for all Beginners in the Community. The season closed with a train ride and a picnic. On the days when there were no trips, the children played ball croquet, Bandminton, tennis, volley ball, shuffleboard, and soft ball, and had handicraft lessons, and swimming. There was also a Peanut, Adult Night Softball, and Swimming. Except for two days, the children were never kept from their fun by rain, so it was a full season.

### Square Dances Continue

Although the Recreation Program is over, the Square Dances will continue to run up to the middle of August. There will be another Thursday, July 24 at the Tourist Park, and Mrs. Wilbur Roberson, the hostess, is looking forward to another enthusiastic crowd, like the crowd at the last one. Remember these dancers are not limited to just the "teen-agers", but every one.

### SOFTBALL LEAGUE

The first week's play of the second round of softball saw two thrilling games which were not decided until the very last minute.

Thosen's 5 Dip's 3

Behind the fine performance of D. Shultz, who allowed but three hits and collected a double and a triple for himself, Dip's gave Thosen's a real battle. In the fifth inning Dip's led 3 to 1 and it began to look as though they were going to snap their losing streak. It was not to be, however, for Thosen's added a single run in the 5th and 6th to tie the game, and then brought the winning run across the plate in the final frame.

Thosen's ----- 4 Runs 8 Hits

### Infant Daughter Passes Away

Mary Catherine Brennan, infant daughter of Mr. and Mrs. James Brennan, passed away during an operation at the Elm St. Hospital in Battle Creek, July 16. She had been ill only three days with intestinal trouble.

She was born Feb. 25, 1952 at Battle Creek.

Surviving her passing are her parents, Mr. and Mrs. James Brennan, her grandparents, Mr. and Mrs. Bernard Brennan and Mrs. Ann Richards besides several aunts, uncles and cousins and her great grandmother, Mrs. Stella Farnor.

Funeral services were held at the St. Joseph Catholic Church in East Jordan, July 19, at 9:30 a.m. with the Very Rev. J. J. Malinowski officiating. Burial in Calvary Cemetery in East Jordan.

### Organ Recital By Fred Stecker Wednesday, July 30th

On Wednesday July 30th, at 8:00 o'clock in the evening, the East Jordan Methodist Church will feature an organ recital. Mr. Fred Stecker, organist, will render a number of selections.

Mr. Stecker was born and grew up in Detroit. As a child he began to study music under highly capable teachers. He was one of eleven children. His father died before Stecker had reached early boyhood, and it became necessary for him to work hard at various tasks in order to assist his widowed mother. One of his teachers, who did a great deal to train him in piano and pipe organ mastery later became his pupil, that was before Mr. Stecker had reached the age of fourteen.

He soon became highly proficient in his profession, and he has since served as organist in several large churches and mortuaries. Most of these were in the vicinity of Detroit. In order to attain his goal it was necessary for him to work in several capacities. This experience provided him with a wide range of understanding which has made him a truly rich interpreter of musical composition.

Mr. Stecker is now a permanent resident of East Jordan. He is the Methodist church organist, and he is doing a great deal of good in training young people to become organists and pianists.

In addition to the organ solo selections by Mr. Stecker, the church choir will present several numbers. The public is invited to hear the beautiful music which the new Minstrel electric organ can render, and a free-will offering will help the growing organ fund.

Remember, the public is invited to a fine organ and vocal recital, Wednesday, July 30th at 8:00 o'clock p.m. at East Jordan's Methodist Church.

The Program for the evening, follows:

Overture (to the opera "Alicia.") — G. Handel

Lovely Appear over the Mountains — Chas. Gounod

Cradle Song — Alex. Gretchainoff.

The three selections above are organ solos by Mr. Stecker.

Vocal Trio, Three Little Maids — Elliot, Margaret and Martha Lord, and Nanette Drapeau.

God Is a Spirit — Bennett

Oh! For a Closer Walk With God — Foster, The Church Choir, and Mrs. Fowler.

Piano Solo — Selected. Thurian Meredith.

Allegretto Grazioso — Mozart.

Ave Maria — Adolf Henselt

Both of the above are organ solos by Mr. Stecker.

Vocal Solo — Selected, by Margaret Blossie.

Offering — Piano Solos, by Carol Gilpin.

Vocal Solo — Selected, by Bonnie Hosler.

Grant Me True Courage Lord — Bach. The Methodist Choir.

Largo (From New World) — Antonin Dvorak.

Swallow — N. Serradell, Both of the above selections by Mr. Stecker.

### Notice of Public Hearing

A Public Hearing will be held on Wednesday evening, July 30, 1952, at 8:00 p.m. E.S.T. to determine whether Kenneth Diller's Box and Crate factory property should be changed from R 3 Residential as now zoned, to M1 Light Manufacturing, and whether Frank Paine's property should be changed from A1 as now zoned, to M2 Heavy Manufacturing.

All adjacent property owners who have any objection to these changes in zoning should be present at this hearing.

Thelma M. Hegerberg  
City Clerk

### City Tax Notice

City Taxes for the City of East Jordan for the year 1952 are due and payable at my office in the Municipal Building during the month of July-Aug. without penalty.

G. E. Freiberg,  
City Treasurer

P.N.G. — Barney Milstein

### Application for Absent Voters Ballots

Applications for absent Voters ballots will be received at my office no later than 2:00 p.m. E.S.T., Saturday, August 2, 1952.

Thelma M. Hegerberg  
City Clerk

### Storm's Fury Wrecks Dock

OTHER LOCATIONS HIT BY THE ELEMENTS

The storms of the past week caused considerable damage to crops and fruit, and wreaked havoc with things in general.

In East Jordan, the City Dock at the foot of Estery St. is a complete wreck, caused by Tuesday mornings storm.

The dock, erected a few years ago at considerable expense, leaves our City without the fine mooring place it has enjoyed, to say nothing of its fishing facilities.

High water as a result of the storms has considerably increased much to the discomfort and annoyance of our lakeside residents.

### Arthur Farmer Laid to Rest

ENGINEER ON THE E.J.&S, 45 YEARS.

Arthur William Farmer, 73 years old, passed away at his home at 6:55 a.m. Sunday, July 20, 1952, after a lingering illness with a heart condition. He had also suffered several paralytic strokes in the past few years.

He was born in Hillsdale County, March 3, 1879. His parents were Charles and Harriet Farmer.

He was married to Stella DeFord, May 31, 1904, at East Jordan. He was a member of the St. Joseph Catholic Church in East Jordan.

Left to mourn his passing are his widow, Stella. Three daughters, Eileen Brennan, and Joan Dennis of East Jordan, and Marah Leigh Clark of Marion, Indiana; a son, Richard Farmer of East Jordan. A brother, Earle Farmer, of Eugene, Oregon; and thirteen grandchildren. Several children passed away in infancy.

Mr. Farmer was employed as engineer on the East Jordan and Southern Railway for 45 years, he retired in 1946.

Funeral services were held Tuesday, July 22, at the St. Joseph Catholic Church with the Very Rev. J. J. Malinowski officiating. Interment in Calvary Cemetery. Bearers, were: William Porter, Delbert Dennis, Mason Clark Jr., Wm. Malpass, and John and James Brennan.

Out of town relatives who attended the funeral were: Mr. and Mrs. Mason Clark of Marion, Ind.; Mr. and Mrs. Walter DeFord of Sturgis; Mr. and Mrs. John Brennan of Lansing; and Mr. and Mrs. James Brennan of Battle Creek.

### Born in Jordan Twp. in 1877

GEORGE JAQUAYS WAS AMONG OUR PIONEER CITIZENS

George V. Jaquays, age 75 years, passed away at his home at 1:00 a.m. Sunday, July 20th, after an illness of ten months with Malignant Tumor. He was born in Jordan Twp. May 7, 1877, and had made his home around, and in East Jordan all his life.

He was married to Irene Dunson, Sept. 28, 1922, at Boyne City.

He was formerly a member of the K. P. and I.O.O.F. Lodges. He had served as Secretary of the East Jordan Co-Operative and was director for 17 years. He was a Bee-Keeper for 50 years and State Farm and Mutual Insurance Agent for sixteen years.

He leaves to mourn his untimely passing his widow; three daughters, Mrs. Marian Wertz and Miss Georgia Jaquays of East Jordan and Mrs. Inez Zink of Boyne City. Two stepsons, Wm. and Leon Dunson of East Jordan. Two brothers, Walter Jaquays of Pellston, and Wm. Jaquays of Detroit. Fifteen grandchildren.

Funeral services were held at the Watson Funeral Home Thursday, July 24, with Rev. DeHaven pastor of the Presbyterian Church officiating. Interment at Sunset Hill. Bearers were, Forrest Thacker, Jason Snyder, Obie Burri, and Basil Cummings.

Relatives and friends from a distance who attended the services were Carl Boggs, Bay City; Mrs. Taylor Edgell and Mr. and Mrs. James Boggs, Traverse City; Mr. and Mrs. Clarence Boggs and family, Lake City; Mr. and Mrs. Leonard Hillman, Gaylord; Mr. and Mrs. Roy Zinck, Mr. and Mrs. Ace Kramer, Boyne City; and Mr. and Mrs. David Wertz, Arizona.

### Primary Election

To the Qualified Electors of the City of East Jordan, County of Charlevoix, Michigan. Notice is hereby given, that a General Primary Election will be held on Tuesday, August 5th, 1952 at the respective polling places hereinafter designated: City Hall.

For the purpose of placing in Nomination by all Political parties participating therein, Candidates for the following Offices, viz:

STATE AND DISTRICT  
Governor, Lieutenant Governor, United States Senator (full term), United States Senator (to fill vacancy), Representative In Congress, State Senator, Representative In State Legislature.

COUNTY  
Judge of Probate, Prosecuting Attorney, Sheriff, County Clerk, County Treasurer, Register of Deeds, Circuit Court Commissioner, Drain Commissioner, Coroner, Surveyor.

There shall also be elected as many Delegates to the County Convention of the several political parties as said ward, precinct or district is entitled to under the call of the county committees of said political parties, which number will be indicated by the number of blank lines printed on the primary ballots used at said election under the heading "Delegates to County Conventions".

Notice Relative To Opening and Closing of the Polls.— Section 1. On the day of any election the polls shall be open at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

Thelma M. Hegerberg  
City Clerk

### Style Show Being Sponsored By Women of Presbyterian Church

The Women of the Presbyterian Church are sponsoring a style show which is scheduled for Aug. 2nd in the East Jordan High School Auditorium. The Theme for this fall fashion and Antique show is, Fashions Then and Now. The show will feature fashions of five periods in female attire.

Mrs. Wm. Malpass is chairman of the event, assisting are Mrs. Richard Malpass, Mrs. Jane Jackson, Mrs. Grey DeForest and Mrs. Minnie DesJardines. Mrs. Harry Watson and Mrs. Wm. Porter will supervise the Antique Show. Mrs. Ted Malpass is chairman of the music, Mrs. Hugh Gidley will take care of the publicity, and Mrs. Wm. Grauel, tickets, Mrs. Marvin Benson will be commentator, Mrs. Emery Cole and Mrs. Greg Boswell will plan refreshments, Mrs. George Bechtold will handle flower arrangement, and Mrs. M. B. Huckle will be stage manager.

### Peninsula 4-H News

The regular business meeting of the Peninsula Community 4-H Club was held July 12, at the Von Soosten home. Only nine members were present.

Our summer projects are coming along fine. Mrs. Crowell's food prep. members gathered at Rachel Webster's home, July 15. Those in first and second year discussed foods, while those in first year baking made pies. Their next meeting is at Looze's, July 29.

Mrs. Prebble's photography club met at Peter's, the evening of July 15. Their next meeting is at Klooster's July 29.

The outdoor meal members, under the leadership of Mrs. Prebble, met at Sheridan's, Thursday evening. Those in charge were Kay Klooster, Marilyn Looze, and Tom Sheridan. They planned and served Kabob, Marshmallows, and Kool Aid. A wonderful time was reported by all who attended. Those in charge next time are Margie Chanda, Rachel Webster, and Don Peters.

Mrs. Chanda and her garden club members were guests of the Star Garden Club at Mrs. Hayden's, July 7. Mr. Festerling was there and he explained the different insects and weeds involved gardening.

Nine of our members are working on a Model Business Meeting. The next business meeting will be held at Chanda's, August 2.

Louise Olstrom, reporter

No building is safer from lightning than one which is protected by well-grounded lightning rods.

### VENETIAN NIGHT PARADE AT CHARLEVOIX

HIGHLIGHTS OF CHARLEVOIX'S SUMMER SEASON

The highlight of Charlevoix's summer season, the Venetian Boat parade will be staged on Round Lake here Sunday evening as a climax to the Venetian Night week-end.

Other events which will be a part of the gala week-end celebration will be the Queen's ball at the Charlevoix Beach Hotel Saturday evening, Gold Cup speed boat exhibitions on Lake Charlevoix Sunday afternoon, a variety program in East Park at 7:30 Sunday evening followed by a fireworks display and the Venetian Boat parade as darkness falls.

The Venetian Night Boat parade, featuring more than 30 boats decorated in various themes carried out in colored lights, lanterns and torches, will enter from the east and parade about Round Lake under a canopy of fireworks. Spectators will view the colorful affair from the surrounding shoreline which forms a natural amphitheatre about the lake.

This year's parade and fireworks display promises to be the best yet, according to Lyle Miles, commodore of the Charlevoix Marine Club, sponsors of the parade, said this week.

Michigan entries in the Gold Cup speed boat races at Seattle, Wash. Aug 9 will present an exhibition on Lake Charlevoix Sunday afternoon preceded by a water skiing exhibition.

Venetian Queen Donna Ball will receive her crown from Ivan LaBlance of Alpena, past district governor of the Lions Club at the coronation ceremony during the Queen's Ball Saturday evening. Attending Queen Donna will be her ladies in waiting and members of her court.

The Venetian week-end activities are arranged by the city of Charlevoix and the Board of Commerce. S. E. Coleman is secretary of the board.

### South Arm Farm Bureau

The July meeting of the South Arm Farm Bureau, community group was held the evening of the fifteenth at the home of Mr. and Mrs. Harold Goebel.

Twelve members attended and joined in the discussion of the topic, "How Can We Improve Markets for Farm Commodities?"

A picnic was planned for the families of members, to take place of the August meeting. It will be held at 8:00 p.m. on the evening of August 19th, at the East Jordan Tourist Park. Each family is requested to bring its own sandwiches and a dish to pass. Arrangements have been made for the coffee. Tentative plans, for a film shown by Ed Reisman, have been made.

Helen Klooster announced to the group that the Charlevoix County Farm Bureau ladies are holding a bake sale in Charlevoix on August 2nd. Members are urged to have contributions at Edw. Kamradt's service station at 10:00 a.m., on the morning of the sale. Funds raised will be used to finance transportation of ladies, to the state convention in Lansing, in November.

After adjournment of the business meeting, the hostess, Mrs. Goebel, served the pot-luck lunch and coffee, which pleasantly ended the evening.

Mrs. Geo. D. Nelson, Sec'y

### Helps Fawn Free Itself of Entanglement

A spotted fawn, too young to understand the problem it faced in wire fences, was trapped by one and might have died had it not been for a conservation-minded railroad crew.

The story starts north of Grayling, where a New York Central freight train was chugging north on a run to Mackinaw.

Along the rail right-of-way at that point is a wire fence and as the train rolled through the countryside, the engineer saw a fawn struggling to free itself from a mesh of the fence wires.

Blowing a signal to conductor John L. Martin, the engineer began to slow and finally got the train stopped nearly a mile beyond where he'd seen the fawn.

Back went the train and crew to where the woodland youngster was trapped, and after working carefully, the fawn was freed. It had not been injured and was apparently all right, though quite weak from the ordeal.

Then the northern Michigan division of the New York Central was able to get back to work.

### Let Material Dry Before Harvesting Small Legume Seed

"In harvesting small grass and legume seed, the material should be as dry as possible before combining or threshing," says C. M. Harrison, Michigan State College farm crops authority.

Harrison suggests mowing and windrowing in early morning, while the material is still damp. This will aid in preventing seed from shattering. Once dry, the seed may be threshed, but care should be taken to set the threshing equipment to do the best job.

Among other harvesting suggestions, Harrison said that settings for speed and air are particularly important as the material is easily blown through without proper threshing. One way to check is to hold a hat under the tail gate of the combine to see if a lot of seed is being blown over.

"Since the seed is small, it cannot be seen lying on the ground. As a consequence, many fields are poorly threshed. Care in handling the field and in setting the equipment will result in a much higher percentage recovery than is generally the case," Harrison reminded farmers.

With the investment in time and money being what it is, it is important to get all the seed possible for greatest profit from the job.

### BAKE BINGO

A Bake Bingo, sponsored by the American Legion, will be held Friday, August 1st, at 8:00, at the DeForest Store on Main St. There will be 20 games with 20 beautiful cakes with cupcakes on double bingos. Every winner gets a prize.

Price is 50c for the 20 games additional cards extra. 30-2

### AN APPRECIATION

I wish to thank everyone for the cards, flowers, gifts, and fruit sent me during my recent stay at Little Traverse Hospital. Thanks also to the blood donors, 30x1 Mrs. William Zoulek

"So God has sent you two more little brothers, Sally," said the minister to the small daughter of a family recently blessed with twins.

"Yes," said Sally, "and He knows where the money is coming from, too. I heard Daddy say so."

Egg quality drops rapidly if the eggs are not cooled soon after they are laid.

Careless handling of milking machines and utensils is responsible for a lot more of the bacteria count in milk than most farmers realize.

Contouring saves soil and increases yields.

## NEW GAME LAWS CAN BACKFIRE

Our Michigan Conservation Department has definitely established the courage of its convictions in the setting of longer seasons on some of our more prominent Michigan game, BUT they'd better pray that nature cooperates!

Most bird and animal populations are subject to fluctuations over which man has no control. High and low peaks seem to run in more or less definite cycles which have sometimes been predicted well in advance. If our upland game bird population holds at its current high level, IF our Michigan rabbits continue to multiply and sustain their present numbers, the new, longer seasons will be heralded as a wonderful move on the part of the Conservation Department. Hunters will be lavish in their praise of the decision.

However, let nature put the skids on partridge or bunnies in one of her cycles and the hounds will be loose! They'll be baying at the door of those game biologists who said that longer seasons wouldn't put a dent in populations. They'll be howling that too much hunting pressure did it! The birds and bunnies have been chivvied and harried relentlessly in the elongated season! The very seed stock has been all but destroyed! It's murder! And it's all the fault of the Conservation Department.

## Gun Pressure Won't Count

Personally, I hold with game men who don't think guns can seriously effect the numbers of upland game birds, squirrels, rabbits or raccoons from year to year. They're spread over a very wide area in hundreds of thousands of acres that are never even hunted. The so-called "seed stock" is invulnerable in this wilderness. They'll prosper as nature will let them in her cyclic moods, despite the booming of a half-million guns in hunters' hands. However, in my own mind, it's a different story with pheasants.

## Pheasants Can't Take It

We're probably giving pheasants as much of a going over as they'll stand, and the reason is twofold. Their range is limited, and right now there are probably several million of these popular birds fairly well concentrated in southeastern Michigan. They're easy for the hunter to reach. Their cover is limited, and worst of all too many careless "sportsmen" kill off an alarming number of hens every fall. From all current reports nature will take the heat off the Conservation Department this fall. She's supplying a bumper crop of birds despite the fact that our game farm which once raised upwards of 50,000 pheasants has just about gone out of business. So the lads in Lansing can concentrate their worries on deer herd control—a headache we'll discuss another day in Michigan Outdoors!

DO YOU PAY SALES COSTS WITH EVERY PREMIUM?

Nearly two million members of State Farm understand this economical advantage pioneered by State Farm. Why? Because they pay the cost of a local agent's sales commission only once—after that they pay for insurance protection only!

If you are a careful driver you can qualify for membership. Get the money-saving details from

## From where I sit... by Joe Marsh

Mc — Advising a Banker!

The Missus and I were invited to dinner over at Balesville the other night. I sat next to a banker from the state capital.

"Mighty nice country you've got down there," he says. "Don't be surprised if I come to live there myself. In a few years I plan to get away from everybody, buy a farm and just take it easy."

"Well," I told him, "we'd like to have you. But when someone plans to buy a farm and 'take it easy' he often winds up working harder than ever. It takes work to run a farm right no matter how many

hands you can afford to hire.

"And from where I sit," I continued, "you won't 'get away' from people either. Neighbors are plenty important in a farming community—whether it's helping one another out or just friendly visiting over a sociable glass of beer." "Hard work and neighbors dropping in all the time?" he asks, looking at me over his glasses. Then he smiles and says, "Sounds wonderful. You've just sold me on a farm."

Joe Marsh

# At Our Tourist Park Looking Backward...

Our park is sure a soggy place these days, the water being so high, and so much rain, seems the rain can't soak into the ground as there is too much water underneath. We have to wade or hop boards most of the time, but we are not the only ones who have high water.

At present writing, we have twenty-one trailers and one tent, most all the hook-ups are in use, that is, all the ones on dry ground are, there are several more trailer sites, but they cannot be used.

Mr. and Mrs. Leo Adams of Davison returned to their trailer Wednesday after a few days at home. Mr. Adams had been to the dentist while there, and returned minus several teeth.

Another couple returning to the park from their home in Sparta is Mr. and Mrs. Alfred Pierson. Mr. and Mrs. Glenn Whieler and two children returned to Mt. Morris after spending several days in the park and visiting the latter's brother Mr. and Mrs. Jess Robinson.

Harvey Pangborn came up from Midland, Saturday Evening and left his wife and two daughters who have spent a month in the park; also returning to her home in Flint was Mrs. Arthur Sytek and daughter who have been visiting her mother and sister for a week.

A larger crowd was out for the dance Thursday Evening but seems so many come just to be spectators and not to take advantage of such a grand opportunity to dance; so far it has all been free, the music is fine, and everything is supervised, so come on folks, don't let the Community Chest have to discontinue these dances as Mrs. Robertson said they might, it's a great chance to learn if you don't already know to dance, and this is indeed a privilege to have such a nice place.

We had another group of girls in Thursday and it turned out to be a pretty soaked bunch too, as they set up their pup tents on the 'damp' side of the park, and it rained hard during the night, they had to dry out around the fire in the dining room. This group of girls were from the 4-way Lodge on Torch Lake and, consisted of the riding group, they stabled their horses at the Landers' farm south of East Jordan and came in to town by truck. There were nine girls and their counselors, Miss Ann Henderson and Miss Suzanne Wilson. It is interesting to know that at this lodge there are girls from Venezuela, Russia, Mexico, Indiana, Ohio, California, Tenn., Ill., Ark., Texas, Kentucky, Michigan, Penn. and other places.

Mr. and Mrs. Emil Hegerberg and son, Bob of Bath, Mich. are in the park for their vacation. Mr. and Mrs. Howard Darbee had a picnic on Wednesday evening for the latter's Sunday School Class of the Methodist Church, crouquet and shuffle board were enjoyed.

Mr. and Mrs. Wilson Edwards of Muskegon were guests of the Jess Robinsons this week end.

We were sorry to hear of the death of one of our farmers tenants, Mrs. Nehart of Edon, Ohio.

Thursday Evening we held our first park pot-luck on the out door picnic tables, it was in the form of a celebration honoring the golden wedding anniversary of Mr. and Mrs. Austin Lemon; after a very bountiful meal including a wedding cake decorated in white and gold baked by Mrs. Robinson, the couple were presented with a card shower by those attending, and some who were unable to come, their son took several pictures, and Ruby Lemon played three numbers on her accordion, one peice 'May the Good Lord Bless and Keep You' was dedicated to her grandparents. Many more happy years together is the wish of all their friends.

Mr. and Mrs. Williard King and children of Sparta have completed their vacation and left for their home.

A group of young folks, five boys and four girls from Edmore accompanied by Mr. and Mrs. A. Buskirk and Mr. and Mrs. Walter Lavender and daughter LaVonne, came out of their way to have a picnic dinner in the park. They were on their way to Lake Louise to attend the Baptist young people's camp there.

Miss Betty McRoberts celebrated her 13th birthday with a party on the picnic grounds, given by her mother, Mrs. Basil Sweet Saturday afternoon. A hilarious time was had and much excitement during the cart-wheel, hopping, three legged and swimming races, and also the treasure hunt. A lunch of birthday cakes, ice cream and pop was enjoyed. Those present to help Betty celebrate were Judy Snyder of Royal Oak, Ann Giacomelli of Detroit both visiting here, Marjory Wright, Lavina Bowen, Judy Taylor Sonjia Olson, Judy Shedina, Sharon Rollin, Alice Sumner, Nickey Myers, Judy Evans, Darlene McRoberts, Jackie Bowen,

and Terry Myers. Betty received many lovely gifts from her chums.

A family gathering was held Saturday evening in the dining room when Mrs. Hattie Bergsma of Ellsworth, her son, Mr. and Mrs. Ted Berghma and family of Zeeland, Miss Arlene Klooster of Ellsworth and her fiance Mr. Adrian Postma of Dover, Delaware, Mr. and Mrs. Elmer Klooster and family, and Mr. and Mrs. Peter Drenth of Ellsworth gathered together. Mr. Postma and Miss Klooster are planning to be married this week Wednesday, July 23rd in the Christian Reformed Church at Ellsworth. We extend them congratulations and much happiness.

The Liskum-Crawford reunion again met in our park for their annual picnic, those attending were Mrs. Hildred Gaubatz and granddaughter of Detroit Miss Eunice Liskum of Pontiac, Mr. and Mrs. Floyd Liskum and family, and Mr. and Mrs. Reuben Liskum of Bellaire, Mr. and Mrs. Versal Crawford and daughter, Mr. and Mrs. Boyd Crawford and family, Mr. and Mrs. Russell Crawford and son, Mr. and Mrs. Basil Chawford and family, Mr. and Mrs. Rv Liskum and family, Mr. James Nice and son Gardell, Mr. and Mrs. Chas. Murphy, and Mr. and Mrs. Clifford Spence and daughter Audrey Crawford all of East Jordan.

Another family gathering took place when a picnic dinner was enjoyed in the dining room. Those attending were Mr. and Mrs. Bert Parsons and daughter Marlene of Muskegon, Mr. and Mrs. Earl Snyder, and Mr. and Mrs. Darwin Williams all of Coopersville, Mrs. Mable Griffes of Muskegon, Mr. and Mrs. Glen Snyder and grand-daughter Gay of Comstock Park, Mrs. Eva Snyder, Mr. and Mrs. Jason Snyder and children Billy and Mary Louise, Mr. John Rude and Mr. and Mrs. Otto Reinhart all of East Jordan.

Mr. and Mrs. Marshall Koontz and four children of Detroit returned to their trailer home early Sunday morning, their plans are to stay until this week Friday then go to Traverse City to attend the T.C.T. Convention, where he demonstrates his weight distributing trailer hitch that he invented and manufactures. Mr. Koontz and son returned to Detroit Sunday.

We have two new trailer families this week, they are Mr. and Mrs. C. Champayne of Muskegon, and Mr. and Mrs. Wm. Andrews and son Billy, and Mrs. Andrews's sister Glenda Lee Horton, all of Grand Rapids.

Mr. and Mrs. Lloyd Stewart and son Danny visited their parents near Ludington, returning Saturday. Her parents Mr. and Mrs. Clarence Cole and son Clinton, and Clarence Cole's father Daniel all of Branch, Mich. spent Sunday with the Stewarts.

Mr. and Mrs. Grover Diehl of Flint who are vacationing at Otsego Lake called at the Leo Adams trailer home Sunday. The Rebekah Lodge have been holding bingos in the recreation building every Tuesday Eve. home made baked goods etc. are the prizes.

Mr. and Mrs. Robert Tonn and son Bobby spent the week end at Milwaukee and Monticello, Wis., little Bobby remained with his grandparents for a week.

Seems like every week, especially on Sunday, we have something unusual happen around here, this Sunday it was our pleasure to see a house-boat glide northward on the lake, later in the day Versal Crawford took his motor-boat and surf board riders out.

Mr. and Mrs. Jess Robinson are entertaining the latter's father, Mr. and Mrs. Elmer Porter of West Branch for a few days.

The Oriole girls met at the Tourist park Monday Evening for a picnic dinner, Mrs. Beryl Scott is Monitor of the group.

It seems there has been quite a bit of rivalry in the park lately as to who rises the earliest, and catches the largest fish, it is an old saying that 'The early bird catches the worm', but now it is 'The early 'bird' catches the fish,' anyway some very nice ones have been hooked lately.

## Farm Jottings

After spraying pastures for poisonous weeds, it's best to keep the cattle out until after the weeds have decomposed, say Michigan State College extension specialists.

Don't neglect to treat those noxious weed patches. They spread like the plague from farm to farm. Good weed control—like good fences—make good neighbors.

Today's farmers has to be a shrewd businessman and operate his farm on a sound financial basis, MSC agricultural economists say.

**JULY 20, 1912**  
Mrs. W. A. Loveday is chaperoning a party of young ladies at the Whittington Cottage near Monroe Creek, this week. The party consists of the Misses Catherine Haire, Mildred Sweet, Esther Porter, Lucile Boosinger, June Hoyt, Constance Loveday and Ellagene French.

Mrs. B. A. Dole and children of Cleveland, Ohio, arrived in this city Monday to visit at the home of her parents, Mr. and Mrs. M. H. Robertson.

Rev. E. J. Warren of Plymouth, Mich., formerly Supt. of schools in this city, spent a few days here as guest at the home of Mr. and Mrs. W. E. Palmer.

Meeting of School Board held in High School Building July 15 Mr. Murphy called to the chair. On motion W. P. Squier was elected President; E. J. Crossman, Secy; L. A. Hoyt, Treasurer moved by Hoyt that the Secretary furnish each paper with a copy of the regular meetings of the board and request that they publish same. On motion by Squier bill of J. W. Rogers for truant officer of \$20.70 was allowed. Moved by Squier to pay a janitor at the west side building at the rate of \$52.50 per month. Moved by Bartlett that Mrs. Haggert be paid \$10.00 per month for assisting at the High School during the months that school is held.

At the Annual meeting of the voters of School District No 4 Township of South Arm held in the assembly room of the High School Building, July 8th. The following resolutions were offered. That we approve of the encouragement of moderate athletics in our school under school management in the discretion of the board; Motion carried. That we approve the addition of the so-called commercial department, which gives instructions in shorthand, typewriting, commercial law, civil geography, accounting, business correspondence and that the work in this department be elective and not compulsory, and that full credit shall be given for work done in this department toward

promotion and graduation. Motion carried and that we recommend further in the discretion of the board, the addition of manual Training and Domestic Science and that the work in the departments shall be elective and not compulsory and full credit shall be given for work done in these departments toward promotion and graduation. Motion Lost.

**JULY 21, 1922**  
The special election held last Monday to present to East Jordan's electorate a proposition to bond the City of East Jordan in the sum of Seventy Thousand Dollars for an electric light plant was carried by what is probably the largest majority ever cast in our municipality. The total vote of the three wards was 343 for and 42 against.

Mr. and Mrs. Charles Buckman and children of Chicago are visiting at the home of her sister, Mrs. George Kaake.

Mrs. Thos Locke left Thursday for Muskegon to join her husband, who has employment.

Mr. and Mrs. Roy Gregory and children of Turner are here visiting relatives.

Born to Mr. and Mrs. Walter Woodcock, a daughter, Eldeva Louise, July 14th.

Mr. and Mrs. B. S. Schwab with daughter, Maxine, of Stewartville Minn., drove through by auto and are visiting at the home of their daughter, Mrs. B. L. Lorraine.

Mr. and Mrs. Charles Lovett with daughter, Margaret, are here from Rhinelander, Wis., for a visit with old time friends. Mr. Lovett was an East Jordan resident some 25 years ago, at that time being a lumber inspector.

Mrs. John Davis (nee Bernice Figgott) went to Raycraft hospital at Petoskey Monday where she underwent an operation.

Will Donaldson and Merle Jones went to Muskegon, Monday, where they have employment.

**JULY 22, 1932**  
Charlevoix Co. Fair dates set for Sept. 14-15-16. The Fair will be held both day and night. Harry

Behling is the new president of the Society. Admission will be 25c for adults, and 10c for children, and a charge of 10c will be made for all cars entering the grounds.

The Tourist Park Committee wishes to extend a vote of thanks to the Charlevoix County Nursery, Boyne City Greenhouse, Al Frieberg, Mesdames Jessie Hiatt, Eva Votruba, Chas Brabant, Sarah Rogers, Geo Carr, G. W. Bechtold, Glen Bulow and M. J. Williams for contributing bulbs, shrubbery and plants for the flower garden at our Tourist Park, which has added much toward beautifying the grounds. The ball ground has attracted many people from surrounding cities, and is the best ball diamond in this locality. The new log cabin for the caretaker, Jos Cummins, the new rose arbor, a new ventilated roof on the bath house, and the overnight cabins built by Carl Shedina have all added to making our's a park for the tourist and also the home people. The home folks, those in the country and neighboring cities are invited to enjoy their picnic dinners and bathing at the East Jordan Tourist Park.

Fred Bennett passed away Thursday July 21st following an illness of several years duration. Mr. Bennett was identified with our City's business interests for many years. Funeral services will be held from his late home this Saturday afternoon at 2 o'clock. Burial at Sunset Hill.

Coming Sunday! In The New American Weekly, with your Herald-American, Nanette Kutner, noted journalist and friend of Dr. Kinsey, tells you the inside story of his life, family and work, including his new book on "Sexual Behavior in the Human Female." Don't miss this intimate report, in The New American Weekly with your Chicago Herald American!

**AN APPRECIATION**  
I wish to thank my relatives, neighbors and Ellsworth Canning Factory friends for the beautiful cards, letters, candy, etc. sent to me, during my stay in General Hospital, Bay City.  
Bertha Justice

"Slow! Men Working!"  
"Danger! Road Under Construction!"  
"Detour! New Bridge Being Built!"

Signs like that are familiar sights throughout the state of Michigan these days.

To the tourist, anxious to rack up 600 miles that day so he can brag to Cousin Lemuel back home, such signs may be irritating. But to State Highway Commissioner Charles M. Ziegler, they're as gratifying as a bunch of big numbers on a scoreboard are to a baseball player.

Those signs are the scoreboard for a victory of Brother Ziegler and his fellow-Republicans in the Legislature.

They represent over \$42 million of state trunkline projects that the Highway Department has awarded since last September for 1952 construction. That's a record never matched in the 47 years the department has existed. In 1950 the total was \$25 million, in '51 it was \$22 million.

"This program of badly-needed construction was made possible because of the new highway legislation enacted in June, 1951, over the vigorous protest and veto of the Governor," says Ziegler. (And he may be forgiven if a note of gloating creeps into his voice.)

"This legislation provides for an increase in gasoline tax from 3c to 4 1/2c per gallon and increase and further absorption is expected."

Bolstered with these figures, Ziegler will fight vigorously against a reported plan of the CIO to push a referendum which would cut gas tax to 3c by Constitution amendment.

"The increased highway construction program would cease for lack of funds should the CIO be successful," Ziegler warns. He recalls that the labor group failed to stymie the original increase when the Supreme Court held that petitions for that referendum were invalid.

"Michigan's gasoline tax of 4 1/2c per gallon, as at present, is still approximately 35% below the national average," the commissioner points out emphatically.

Why is the road to my Summer cottage so bumpy while the one to Sunburn Beach is being re-paved?"

That's a common question and the commissioner has a ready answer for it.

"Projects are determined on an emergency basis," he says. "We've got to catch up on the tremendous backlog of work which accumulated because of inadequate revenue in the past."

Heavy wartime traffic increased normal depreciation. There were material shortages. Revenues were cut because of gas and tire rationing during the war. Costs more than doubled.

Michigan, the auto state, was a pioneer in building roads for auto traffic. Many trunklines were built 20 to 30 years ago and,

though they were brilliant examples to the rest of America then, they were not designed for today's transportation and require high, uneconomical maintenance expense. Many are being rebuilt to 1952 standards.

The steel strike may cause delay in some current projects.

But the big threat as Ziegler sees it, is cutting gas tax revenues. "Construction programs in the counties, cities and incorporated villages have also been expanded because of these increased revenues," he emphasizes, "and they'll be cut if gasoline taxes should be lowered."

The legislature can override a Governor's veto; they can't override a Constitutional amendment.

So Ziegler is hoping that all future signs saying "Men Working" will refer only to highway construction crews and not to circulators of petitions that he fears will take such sign off Michigan trunklines.

Charles Meeking, editor of The Canberra Times of Australia, is sitting in on the Democratic national convention this week.

During a stopover at Lansing, he said a visiting-fireman call on your reporter. Because an impartial observer can see many things that we Americans may overlook in the heat of our own political convictions, it was natural that he be asked for his views on the coming campaign.

"I am surprised at the complacency of so many people I've talked to so many many people who just shrug and say, 'Oh, well. We know the boys in Washington all get their share. What can you expect?'"

That makes him wonder just how effective the Republican campaign will be if General Ike pitches it on anti-corruption level.

Meeking is a veteran political observer. Of the GOP convention which he viewed on TV and the current Democratic one he's seeing from the pressbox at the amphitheater, he says, "They make me feel right at home."

He was press secretary to Premier Menzies during the latter's successful fight to get into power. American and Australian politics, he opines, are basically alike. The outward form may differ but that's all.

Two things impressed him in America where he's travelling under State Department auspices. "I was surprised at how hard you work here. People don't work as hard or as efficiently in Australia. Hence production is low and prices high."

"I was also surprised at all the 'free labor' here. Back home everything is unionized almost 100%."

Australia needs Americans for a shot in the arm. Meeking invites you to come to his country to live and work. Just say "Charley sent me."

**JOURNEY INTO DANGER**

Being one of Uncle Sam's diplomatic couriers is a dangerous job. Lowell Thomas, noted commentator and traveler, describes thrilling experiences of a courier who had hair-raising scrapes with Nazis and Communists. Read "Journey Into Danger" in July 27 issue of New Color Gravure American Weekly, exclusively with Detroit Sunday Times.

Glass is a crop—a good or a poor crop, depending on the attention given to it. If managed properly, it is cheap feed, Michigan State College livestock specialists point out.

**LEGAL**

**NOTICE OF ELECTION TO VOTE ON FRANCHISE NOTICE IS HEREBY GIVEN**

to the qualified electors of South Arm Township, Charlevoix County, Michigan, that at a special election to be held at the Township Hall in said Township, on the 5th day of August, 1952, said electors will vote on the question of the confirmation of the granting of a franchise to Northern Michigan Electric Cooperative, Inc., its successors and assigns, for the purpose of constructing, maintaining and using electric lines on, along and across the public highways, streets, alleys, bridges and other public places, and to transact a local business in the Township of South Arm, Charlevoix County, Michigan. The polls will be open from seven o'clock in the forenoon to eight o'clock in the afternoon of said day.

This Notice is given pursuant to law, by order of the Township Board.

Dated: June 20th, 1952.  
Lawrence Addis  
Township Clerk

**TOWNSHIP OF SOUTH ARM CHARLEVOIX COUNTY, MICH.**

**NORTHERN MICHIGAN ELECTRIC COOPERATIVE, INC.**

June 20th, 1952  
The Township of South Arm Ordains:

Section 1. Permission is hereby granted to Northern Michigan Electric Cooperative, Inc., a Michigan Corporation, its successors and assigns, to construct, maintain and operate in the public streets, highways, alleys and other public places in the Township of South Arm, Charlevoix County, Michigan, all needful and proper poles, towers, mains, wires, pipes, conduits and other apparatus requisite for the transmission and distribution of electricity, and to transact a local business within said Township, subject, however, to all conditions and restrictions hereinafter contained.

Section 2. The conditions of the foregoing grant are as follows:

A.—The grantee shall do no injury to any street, highway, alley or other public place, or to any shade trees, or in any manner disturb or interfere with any any water or gas pipes, or with any public or private sewer, now or hereafter laid or constructed by any authorized person or corporation.

B.—The Board of County Road Commissioners of Charlevoix County, or other proper authority, may in their discretion grant permission for the trimming of trees when necessary to make the lines safe and accessible, such trimming to be done under their supervision.

C.—The said grantee before entering upon any street, highway, alley or other public place for the purpose of erecting and constructing any poles, mains, wires, pipes, conduits or other apparatus, shall in writing notify the Board of County Road Commissioners of Charlevoix County, or the Superintendent of said Board, or other proper authority, of the proposed construction, and obtain approval thereof, and shall, if the said Board so requires, file with it a sufficient plan and specification showing the nature and extent of the proposed erection and construction.

D.—No street, highway, alley or public place shall be allowed to remain encumbered by the construction work of the said grantee for a longer period than shall be necessary to execute the said work, and the Board of County Road Commissioners of Charlevoix County shall determine the question of such necessity, and the grantee shall at all times conform to all ordinances to the Township now or here after in force relative to the fencing and lighting of obstructions and excavations.

E.—The grantee shall save the Township harmless from any judgment that may be recovered against the Township by reason of the wrong-doing or negligence of said grantee in the erection and maintenance of said poles, mains, and other apparatus or construction.

F.—Said grantee shall make due provision upon forty-eight hours notice in writing by raising its wires or otherwise, for the passage of any barn, building or other structure on or over any street, highway or public place occupied by the mains, wires, poles and apparatus of said grantee.

Section 3 This grant shall take effect, if said grantee shall within thirty days from the date of the passage of this ordinance, file with the Township Clerk its written acceptance of the terms of same, and upon the confirmation of this grant by the affirmative vote of a majority of electors of said Township, voting thereon at the special election to be held on the 5th day of August, 1952, as provided for by the Statutes and state Constitution.

If not confirmed by the electors voting at said election, this ordinance shall be null and void.

Section 4. This Franchise and Ordinance shall be and remain in force for thirty (30) years from and after the date of its confirmation by the electors of South Arm Township, Charlevoix County, Michigan.

Section 5. Nothing in this grant shall be construed to alienate the title of the public in and to any street, highway, alley or public place or any portion thereof, neither shall anything herein be construed in any manner as a surrender by the Township of South Arm of its legislative power with respect to the subject matter hereof, or with respect to any other matter whatsoever; now as in any manner limiting the right of the said Township of South Arm to regulate the use of any street, avenue, highway, alley or public place within its jurisdiction.

Dated this 20th day of June, 1952.  
28-3  
Lawrence Addis Clerk

**Bids Wanted**

The East Jordan Board of Education will receive sealed bids for the Ranney School property, former South Arm Primary District No 3. This property consists of a plot of ground 13x13 rods and school building. Bids must be in the hands of W. G. Boswell, Sec'y by 7:00 p.m. Monday, August 11.

29-3  
W. G. Boswell, Secy.

**PROBATE ORDER**

**Notice of Hearing Claims.**

State of Michigan, Probate Court for the County of Charlevoix.

In the Matter of the Estate of Nettie Chalmers, Deceased.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, July 21st, 1952.

Present: Hon Floyd A. Supp, Judge of Probate.

The above estate having been admitted to probate and Rex E. Davis, of Charlevoix, Michigan, appointed Administrator thereof; It is Ordered, That two months from this date be allowed for filing claims against said estate, and that all creditors of said deceased are required to prove their claims to said Court at the hearing on claims to be held at the Probate Office in the said City of Charlevoix, on October 6th, 1952, at ten o'clock in the forenoon; and that claims for expenses of burial will be heard at said Probate Office on September 8th, 1952, at ten o'clock in the forenoon.

It is Further Ordered, That public notice be given by publication of this order for three successive weeks previous to said day of hearing in the Charlevoix County Herald, a newspaper printed and circulated in said County.

Floyd A. Supp  
30-3  
Judge of Probate

Never underestimate the curiosity of a child—it will lead him into all sorts of "trouble" and places. With that in mind, Shirley Newsom of the Michigan State College child development department, recommends a little keep-them-occupied strategy.

Well selected toys for the toddlers is Miss Newsom's recommendation for long periods in a doctor's waiting room. When she says "well-selected" she means this—a pre-school child on the loose with rolling beads or pull toys in a crowded office can be a terror to everyone. But a youngster who has simple construction materials that fit together or a doll to dress and undress is happily occupied and blessedly quiet.

Miss Newsom points out that it is possible to keep a child occupied without benefit of toys if he is old enough to play simple guessing games. That holds true on an automobile trip when games can be devised using the country side as a basis.

You are wasting the riches of minerals and vitamins in vegetables if you overcook them, use a large amount of cooking water or hold them too long before serving, say Michigan State College home economists. Cook vegetables until that are just tender—and NOT mushy. Use as little cooking water as possible, serve them up just as soon as they are cooked. Those are the words of advice from MSC nutritionists who also warn against using baking soda in vegetables cooking water. The soda destroys vitamins, they say.

To keep apples from spoiling, place them in a cool room in a house occupied by eight children.

Mulching helps keep the ground cool and saves moisture.

**WEST PENINSULA . . .**

(Edited by Mrs. Wm. Gaunt)

Mr. and Mrs. Earl Gill of Lansing who have been vacationing the past week at their cabin on South Arm were fishing just north of their creek near the Sherman Cabins when Mr. Gill thought he had caught his hook on something on the bottom of the lake. When he began to reel in his line, he noticed there was some kind of a fish. On landing it he found out he had caught a 3 1/2 inch great Northern Pike. Everyone was so excited that all the near neighbors got a good look at it. After dressing it out it weighed 7lb. 14oz. Mrs. Pearl Phillips of the Rustan had the Gills freeze the fish in her locker until they left to go home Sunday evening.

The Orchard meeting at the Bert Lumley farm home Friday evening was well attended, most of the cherry growers from this district was there.

Mr. and Mrs. Willet Simmerman accompanied with their son Allen and their daughter and husband, Mr. and Mrs. Robt. Silver, all of Muskegon drove up to their cousins, Mr. and Mrs. Wm. Gaunt Sr. Saturday with a big trailer to get their launch they bought from Mr. T. J. Graham of the lake shore drive near Boyne City. They returned home again Sunday morning. While here they picked some cherries to take home with them.

Mr. and Mrs. Kenneth Hurl and two children of Saginaw returned home Saturday after spending two days visiting with their parents, Mr. and Mrs. Earl Gill.

Mr. and Mrs. Carl Bloomfield of Clio spent from Tuesday to Thursday with their relatives, Mr. and Mrs. Henry Howard.

Mr. and Mrs. Lyle Tuttle of Fenton and their daughter with her two children spent last week vacationing at their cabin.

Several farmers of this neighborhood sprayed their fields last week for the Army Worms, as the grain and hay fields were really infested with them.

Mr. and Mrs. Archer of East Jordan spent Sunday evening with the L. Elzinga family.

Mr. and Mrs. Lawrence Elzinga and family with Mr. and Mrs. Harry Elzinga and son Charles and his girl friend, Bonny Drost, drove up across the Straits Sunday a sight seeing.

Mr. and Mrs. Howard Peters and son spent Sunday evening at the Rustan Resort visiting.

Mr. and Mrs. Stanek and three boys also her mother and father, of Lansing are spending a week at the Rustan Resort vacationing.

Mr. and Mrs. Jack Boughner of Mount Morris are also vacationing at the Rustan.

Mr. and Mrs. R. W. Mosgrove and son of Detroit are occupying one of the cabins at the Rustan.

Mr. and Mrs. R. G. Williamson accompanied with their daughter and three children, Mr. and Mrs. Marlin Neil all of Akron, Ohio, are staying at the Rounds cabin for a week. Mr. and Mrs. R. G. Williamson at the Rustan.

The big rain and wind storm of Sunday night put our telephone line out.

Most every farmer who has a cherry orchard starts picking this week.

## Rural Family Gets Michigan Bell's Two Millionth Telephone!

Michigan Bell's two millionth telephone is placed in the farm home of Clifford and Sylvia Pond by installer William R. Mugford. With telephone lines reaching out to more and more farms each year, 7 out of 10 rural establishments in Michigan now have telephone service compared with 3 out of 10 in 1945.

THERE were important goings-on last week at the farm home of Mr. and Mrs. Clifford Pond of Holt, a pleasant and prosperous rural community near Lansing.

A telephone was installed in their home, a telephone inscribed with these words:

TWO MILLIONTH TELEPHONE MICHIGAN BELL TELEPHONE COMPANY MR. AND MRS. CLIFFORD POND HOLT, MICH., JULY 15, 1952

This telephone is an important new member of the Pond family. It unites Clifford and Sylvia Pond with their three daughters, five grandchildren and Mr. Pond's parents, all living in nearby communities within the same local telephone calling area.

While strengthening family ties, this two millionth telephone stands as a symbol of your telephone company's strength—the kind of strength needed to furnish a service that is essential to everyday life and vital to defense.

**MICHIGAN BELL TELEPHONE COMPANY**

# The Servicemen's Letter

Hi Felas:  
There were two men home on pass this last week. Wayne Pearce and Don Trojanek. Wayne was in happy possession of a 10 day furlough from the 14th to the 24th of July. He left for back to camp on the 24th. Wayne says that it has been pretty hot down there in Louisiana. I'll bet it does get hot in those kitchens when the thermometer stands at 105 in the shade. Wayne went out on bivouac — and that is no fun in sticky heat.

Don Trojanek finished his basic at Fort Knox last Wednesday and took off for home for a 10 day leave (11 days including Grace — dear old Grace). When his leave is over he will return to Camp Breckinridge, Kentucky to join the Airborne. We don't have his unit address as yet but will probably have it for you next week. Don likes his army training all right but complains a little about the present freeze on promotions. I guess you all feel the same about that.

Claude Crandall wrote this past week from Fort Riley. He said that he was up to see Roger Benson recently but missed Bob Cutler. Claude also was wondering if Russell Fyan and his brother Gerald were mad at him. He thought perhaps that his comments on Russells bus driver suit and the 1st Cavalry had made them a little sore. Claude has a different job now. He is working in the medical supply warehouse. He says that is considerably better than working in the mental ward. Claude is looking forward to getting out of the Army next month.

Tom Leu left Edwards AFB on July 18th to start his trip home. He has two weeks furlough and is making the trip home via the northern route to see some of the sights along that route. Bob Farmer is still home. He had 9 more days from July 15th — lets see — that would mean that he will be leaving here around the 24th — that's this week.

Jim Meredith is back in Newport now. Jim's mother told me that he saw Glen Persons several times while they were in Cuba. I don't know whether Glen is back in the States yet or not.

Dick Somerville is down in Camp Chaffee with Bob Graham. His address is: Ptt Richard E. Somerville, RA 16 417 449, Co D, 80th Hwy Tk Bn, 5th Armored Div, Camp Chaffee, Arkansas. Dick and Bob are in the same company but in different barracks. They are in Chaffee for 8 weeks basic and 8 weeks special training. The only thing they are complaining of at present is the big snakes. It seems there are plenty of them there.

Stanley Antoine and Earl Muma are in the same squad and same flight down in Lackland AFB Texas. They are taking training in Squad 3703, Flight 816. If you men have a little time off don't forget to run and say "Hello" to Bill Streeter over in Squad 3732, Flight 806.

Ed Drapeau is now in jet mechanics school down in Amarillo AFB, Texas. His full address is: A/3C Jean E. Drapeau, 3338 Stu Sqd, Box F57, Amarillo AFB, Texas.

Don Danforth checked back in from Fort Riley, Kansas. His new address there is: Pvt. Donald Danforth, RA 16 405 481, Sve Btry, 35 F.A. Bn, 10th Inf Div, Fort Riley, Kansas. He writes, "I guess I should have written to you before but I just didn't get around to it. I'm all through basic training and am now going to field wiremen school at Fort Riley. We start in school 21 — at least that's what they say. I don't know much about field wiremen school as yet. It has something to do with telephone line and things like that. There's not much to tell about down here

but I think I will get home in about 8 weeks. It was pretty hot until last week when we got our first rain in 5 weeks. It is a lot cooler now. The temperature ran around 100 degrees most of the time. It's been raining off and on for about two days now but if anybody tells you Kansas has a lot of rain they're crazy. We're just laying around now until school starts." Thanks for the letter Don.

George Rogers has changed location and occupation so it seems. A card change of address give his new address as: SFC Alfred Rogers, Jr., RA. 16 084 387, Det 25, 3340 ASU, ROTC Instructor Group, Georgia Military College, Millidgeville, Georgia. What gives, George?

Louis Addis has moved from Florida to Colorado. They made this move some time ago. Louis wife suffers from a chronic asthma condition and Florida definitely did not agree with her health. Therefore Louis applied for a transfer — and got it. We all hope they are getting along better now.

Two men have left this country for overseas duty this week. Herbert Chew is now in Germany and Clifford Schultz is Japan on his way to Korean duty.

Herbert Chews address is now: Pvt Herbert Chew, RA 16 401 788, Co L, 12th Inf Regt, APO 39, c/o PM, New York, N.Y. How about dropping me a letter when you get this paper, Herb, and tell me what part of Germany you are in. Perhaps we can locate someone else in your section.

Clifford Schultz left on July 10th for his Pacific jaunt. His address is: Clifford F. Schultz, EN-3, 420 80 14, LCU Ro One, Navy 3923, C/o FPO, San Francisco, California. How long did it take you to cross the Pacific, Cliff?

Until next week—So Long. "Jake" Snyder

## SOUTH ARM.....

(Edited by Mrs. Arnold Smith)

Missionary Heydenburk with his wife and four daughters who have been in Iran, for the past few years are back now and are holding a meeting at the South Arm Grange Hall, Monday evening, July 28th. They will dress in the Clothes of Iranian people and show pictures of the people, building etc. I'm sure everyone will enjoy it very much. A free will offering will be taken for the Heydenburks. A pot luck of cookies, cake and sandwiches and coffee will be served.

Mr. and Mrs. Joseph Pullin and family of Dearborn spent a week with her sister, Mr. and Mrs. Mike Eaton and family. A farm Bureau meeting was held at the home of Mr. and Mrs. Harold Goebel Tuesday evening. Mrs. Lew Erno and Mrs. Fred Rasch of Boyne City spent Monday with Mrs. Harold Goebel and family.

Miss Kathie Smith and friend Christine Holewinski spent the week end at the home of Mr. and Mrs. Arnold Smith and sons. Miss Geraldine Walton spent Saturday and Sunday with her parents, Mr. and Mrs. Allen Walton, from Grand Rapids where she has employment for the summer.

Mrs. Betty Pearsall was one of the judges at the 4-H talent show held at Boyne City Monday night. Nancy Erber of Boyne City won first place playing the piano, while the girls trio from South Arm won second place. The girls are Nan Drapeau, Margaret and Martha Lord.

Mrs. R. V. Liskum and son Paul had a little accident last week at Petoskey. Mrs. Liskum was hospitalized for a couple days with shock, cuts and bruises, but is better now.

## WILSON.....

(Edited by Mrs. Shelma Eggersdorf)

The heavy rains of the week has done considerable damage to crops and new mown hay. Mr. and Mrs. Roy Taylor who spent a week with their home in Chicago last Monday.

Edward Henning of Chicago who has been busy on his farm for the last two weeks left Sunday. The Wilson ladies aid of Christ Lutheran Church here held a ice cream social at Whiting Park Sunday which was well attended and enjoyed by everyone.

Mr. and Mrs. Pete Boyer and son Bernard and Mr. and Mrs. Greg Craig of Saginaw motored through the upper Peninsula of Michigan and spent one night in Newberry with relatives.

Rev Ott of Bridgeman, Mich., preached the regular Sunday Service, July 13th at Christ Lutheran Church here, and Edward Behling son of Harry Behling who has finished three years of College preached his first Sermon here Sunday.

Mrs. Carl Kolker and children of Muskegon spent three weeks on their farm here. They picked their sweet cherries and returned to Muskegon Monday.

Mr. and Mrs. Walter Rippen and two children of Chicago spent a week at the Henry Eggersdorf home also Mrs. James Humphrey and son Claude of Lansing.

Rev. Suttler will preach his farewell sermon here Sunday. He has a call to Three Rivers, Mich., where he plans to make his future home and take up his new duties as pastor of the Lutheran Church. We all wish him the best of luck.

Mr. and Mrs. Rudy Stolfa and two children of Brookfield Ill., are spending a week with her sister, Mrs. Chas Reidel and family. The Reidels also entertained their daughter, Mrs. Jordan Cuthra and daughter, Carol of Detroit.

Mr. Harry Behling Jr., who had his leg cut very badly by a power saw while working with the R.E.A. is getting along nicely.

## Sanitation, Spray Aid in Fly Fight

Fly control around the farm is no easy job but sanitation and use of recommended spray materials will make it easier, according to Ray Janes, Michigan State College entomologist.

Sanitation means getting rid of all places where flies may breed. Janes said that unless breeding places are removed, it is doubtful that spray materials will do the control job. Manure piles, damp areas, calf pens and similar areas are breeding places for flies.

Present regulations forbid use of DDT in dairy barns. But lindane or methoxychlor will control flies in barns, Janes said. Ten pounds of 5 percent wettable lindane powder, or 40 pounds of 50 percent wettable methoxychlor powder, in 100 gallons of water is the correct strength. It should be applied in a coarse spray, but not in quantities that will run off the walls. Do not spray feeds, watering cups or mangers, Janes warned.

Outside walls of pig pens may be sprayed with DDT at the rate of 40 pounds of 50 percent wettable DDT powder to 100 gallons of water. Chlordane, at the rate of 16 pounds of 50 percent wettable powder for 100 gallons of water, also may be used. Lindane mixed the same as for inside use also is effective.

A combination of pyrethrum and piperonyl butoxide is now available for spraying for horseflies and will aid in control of deer flies. However, treatment will last only about five days even under the best circumstances and concentrated dosages. Follow instructions of manufacturers, Janes recommended.

## MILES DISTRICT.....

(Edited by Mrs. Claud Gilkerson)

Mr. and Mrs. Amos Jackson and son, Don, called at the home of Elmer Hott Sunday.

Suzie Petrie spent the week end with Judy Kay Gilkerson. George A. Mockerman has the measles.

Mr. and Mrs. Huson Ruggles of Central Lake, Mrs. R. M. Ayers of Tampa, Fla., and Ben Stoddard of Central Lake called on Mr. and Mrs. Fred Bancroft Tuesday.

Mr. and Mrs. Russell Brown and three sons of Roseville are spending their vacation with her parents, Mr. and Mrs. Claud Gilkerson. Donna Gilkerson who has spent the past six weeks in Roseville, returned home with them.

Mrs. William Boss, Lois and Gordon, Mrs. Ted Mockerman and son, Teddy, and Mrs. Howard Donaldson were Petoskey shoppers Friday.

Mrs. Tod Mockerman, Teddy, and Elaine went to "The Park of Pines" for church Sunday evening.

Dale Petrie and Karen Petrie were supper guests of Mr. and Mrs. Douglas Gilkerson Thursday. Claud Rex Gilkerson thinks he

is getting big, he has his first tooth.

Mr. and Mrs. Roy Huston of Detroit are spending some time with her sister and brother-in-law, Mr. and Mrs. Fred Bancroft.

C. W. Thompson, Pastor

Sunday School 10:00 a.m.  
Worship 11:00 a.m.  
Evening Services 7:30 p.m.

Rev. H. L. Matteson, District Supt. and former pastor here, will be preaching this Sunday morning. All are invited.

**Proper Milk Care Is More Difficult During Hot Months**

"Proper care of milk is always important but needs particular attention during hot summer months," D. L. Murray, Michigan State College extension dairyman, reminded dairy farmers this week. Getting milk cooled quickly is one thing, but it's not the only consideration in producing quality milk, he pointed out. Cooling only preserves good milk—if it hasn't been clean, cooling doesn't help much.

Too keep milk clean, rinse all the utensils and milkers with a dairy sanitizing solution just before milking. Bacteria spread rapidly in hot weather, so don't

give them a chance to live on the pails.

Wipe the cow's udder with a clean cloth that has been dipped in a dairy cleaning solution. Dip the teat cups of the milker in a different pail of solution before each cow is milked. As soon as the milk is taken from each cow, get the milk out of the barn and into the milkhouse.

Murray advised putting the milk into the cooler as soon as possible. The quicker milk is cooled the lower the temperature, and the less bacteria will grow in it. When milk is only stored overnight, 55-degrees usually is cool enough, although temperatures as low as 40 degrees are better.

After milking, wash all the utensils and milker pails. If the milker has long tubes, hang the tubes and teat cup assembly in a solution rack until the next milking. If the milker has no milk tubes, disconnect the teat cups, wash them and store in a solution.

## Wild Strawberry

The big red strawberries that taste so good with shortcake and cream come from plants growing in home gardens and on truck farms. They are carefully tended to make them produce berries that are just right for eating fresh or for making into preserves.

There was a time, though, when the only strawberries to be had were wild ones growing in fields. To get the tasty fruit in those days, you had to take a basket and search for a berry patch.

If you were living in the eastern half of the United States, the chances are that you would have found good picking. That is the region where the Wild Strawberry has been abundant for years. It is still plentiful from New England to Florida and west to Oklahoma and South Dakota.

The place to look for the plant, says the National Wildlife Federation, is in fields, pastures, and grassy slopes. It grows out in the open where there is sunshine to keep the ground and to ripen the fruit in the late spring.

Like cultivated strawberries, the Wild Strawberry is a low plant — from three to nine inches high — that spreads over the ground. It grows from runners, or shoots, which reach out and take at many places.

Fastened to the runners are leaves, growing in clusters of three

leaflets apiece. Each leaflets has coarse teeth along its edges and a rough, hairy surface. It is about two inches long.

Here and there among the leaves are small white flowers. Each flower is from a half to three fourths of an inch in diameter and has five round, white petals.

Attached to the same stalks that bear the flowers are the sweet red berries. Though not as large and attractive in shape as cultivated strawberries, the wild ones look and taste very much like the kind that come from gardens.

As you might guess, the reason for the resemblance is that Wild Strawberries are the ancestors of the garden variety. By working with the wild plants, experts have produced the strawberries which we cultivate.

Wild Strawberries now rank second to their tame cousins, but they still furnish fruit for eating. And wherever they grow, they perform a useful service by cling-

ing to the ground and protecting the soil against erosion.

## England's Forces Now Have 23,000 Women in Service

LONDON, Eng.—There are 23,000 women serving in the women's sections of the British armed forces, it was reported recently.

They have the same rank system as the men and are serving in most of the nineteen countries and territories in which Britain is now standing guard. These countries are Germany, Gibraltar, Eritrea, Cyprus, Ceylon, the Caribbean, Hong Kong, Aden, Austria, Iraq, Jordan, Kenya, Korea, Libya, Malaya, Malta, Sudan, Suez and Trieste.

Though the women, all volunteers, are not trained for combat duty, many of them serving in the women's royal army corps stand ready to take over antiaircraft batteries, as they did during World War II.

Some of the women's royal air force members take up planes to test their equipment in the air, and many of the women of the women's royal naval service are trained in seamanship.

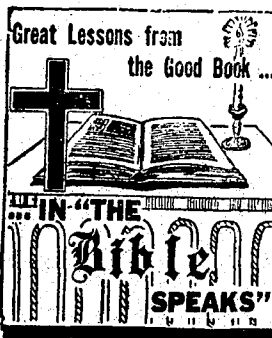

**Your STATE Representative**

**Louis E. Anderson**

**Candidate for Renomination, Primary Election AUG. 5, 1952**

**The continuance of your confidence in my ability will be genuinely appreciated.**

## PREPARE YOUTH TO MEET GOD

**TEACH YOUTH TO READ THE BIBLE**

There is a way out of the deep darkness that engulfs the world; it is the way of the bible, the way of light.

The bible has been God's pillar of fire to lead men and nations out of the darkness into light. The chaotic blackness of the augustan age was shattered by the light which came out of Israel in fulfillment of the scriptures. In this light new faith and hope were born.

The darkness of the middle ages disappeared in the brightness of the renaissance and the reformation when the leaders of men searched the scriptures and found the light of God. Every great revival of spiritual religion has cleared the mists from human eyes and lighted man's way of peace.

The darkness that envelops the world today will roll away on the wings of the morning when men and nations turn back to the bible and back to God. Teach children to read the bible.
