VOLUME 56

EAST JORDAN, MICHIGAN, FRIDAY, AUGUST 29, 1952

NUMBER 35

## FAIR DAYS START NEXT TUESDAY at EAST JORDAN

### Exhibitors Please Take Notice

Exhibitor will flock to the Charlevoix County Fair grounds next Tuesday afternoon September 2 to enter their animals and other exhibits for the 63rd annual county fair. Ed Rebmam, county agricultural agent and secretary said today. The office will open at 8:30 a.m. and all exhibits must be entered by 5:00 p.m.

Many times a person has to stand in line for some time in order to get their exhibits entered. To save the exhibitor's time and also the workers in the office, exhibitors should obtain an entry blank from one of the fair books or from the extension office in Boyne City and mail it to the extension office so that the cards, tickets and stickers can be made out ahead of time. This will save a lot of confusion on Tuesday, the entry day.

The exhibits that are to be entered this year will be better and more complete than last year. The Charlevoix county fair has increased its quality of exhibits considerably in the last few years. The fair board would like to urge everyone who can to enter something in the Charlevoix County Fair.

## Fat Stock Sale Next Thursday

The second annual fat stock sale at the Charlevoix County Fair will be held next week Thursday afternoon, September 4 at 8:00 p.m. Ed Rebmam, county agricultural agent and secretary of the fair board announced today. There will be about 30 animals in this sale, most of them will be Herefords with one Angus and possibly one or two Shorthorn steers.

Ten of these animals are Herefords that were in the calf scramble last year. The others were obtained late in the year for the members to feed out of this fat stock sale. The animals weighed between 300 and 500 pounds when they were obtained, last year and they will go between 900 and 1200 pounds at sale time.

This fat stock sale will give everyone in the county an opportunity to obtain some good beef for their food locker or home freezer. If you can't use an entire animal, make arrangements with a neighbor or two and buy one of these outstanding meat animals together. The fair board will help you make arrangements to have the animal dressed, cut up and frozen for you. These animals are all being sold at public auction and everyone will have a chance to bid on them.

## Chrochet Contest

The opening day of the Charlevoix County Fair at East Jordan, is rapidly approaching which means that crocheters who are planning to enter articles in the Nationwide Crochet Contest had best look to their crochet hooks. There's still enough time to finish your entry so that you won't lose out on this wonderful opportunity for crochet fame and fortune.

Who couldn't make use of a share of the \$2500 prize money? Who wouldn't enjoy an all-expense trip to Chicago? These are

the national prizes awaiting the winners in this biggest of all needlework competitions. In addition, the Charlevoix County Fair has special blue ribbons and a Best of Fair loving cup to award to those whose entries are judged best.

Everyone—including men and teen-agers—is welcome to submit an entry in the Contest. The rules are simple to follow. Your entry must be crocheted of mercherized crocheted cotton and must have been completed since January 1, 1952. Then if it wins a special ribbon at the Fair, it will become eligible for the national judging and can compete for national prizes. The sixteen contest classifications include almost anything you might want to make.

## Fine Program Arranged

The program for the Charlevoix County Fair which will be held September 2 to 6 has been set up so that everyone can not only enjoy themselves but can also see some very educational exhibits. Ed Rebmam, secretary, reported today. Tuesday, September 2, the first day of the fair, will be entry day. All exhibits will be placed by 5:00 p.m.

Wednesday, September 3 is Boyne City Day. Most of the judging of agricultural exhibits will take place during the morning. This will include livestock, crops, 1-II, and home economics. The afternoon and evening shows will feature Ward Beam's World Champion Auto Daredevils with 28 great events. The Boyne City High School band will also give a performance.

East Jordan Day is Thursday, September 4. This day has been planned as livestock day. The judging that is not completed on Wednesday will be completed on Thursday morning. There will be a livestock parade at 1:00 p.m., the calf scramble will be held at 2:00 p.m. followed by the sale of the fat stock at 3:00 p.m. Following this fat stock sale will be the sale of the feeder pigs from last year's pig scramble and also another pig scramble.

There will be a grandstand circus and barn yard frolics for the evening show. The East Jordan High School band will also perform.

## Prowler On The Loose In The City

Police are seeking an unidentified prowler who struck Miss Lela Clink, city librarian, on the head outside her home Saturday evening. Miss Clink had gone from the library at 9:00 o'clock and after putting her car in the garage and while walking to the house was struck on the head by the man from the rear. She was unable to give a description.

Police were notified and a doctor called to dress the wound. State and local police have since been working on the case.

Junior: "Pop, when did women start getting the upper hand over men?"

Pop: "Oh, that would be way back when the cavemen started making their clubs out of soft wood."

Most people have some sort of religion; at east they know what church they are staying away from.

## Charlevoix County Men Up For Pre-Induction Physical

The following named men have been ordered to report to the Draft Board Office, in the City Hall, Charlevoix, Michigan on the 16th day of September, at 8:00 a.m. 1952, for transportation, by chartered bus to the Induction Station, for Preinduction Physical Examination.

**Charlevoix**  
Louise E. Gillespie  
Enos M. Bacon  
Richard J. Hull  
Thomas E. Donaldson  
Jack W. Mort

**Boyne Falls**  
Dalton D. Duff  
Mike E. Jenkins

**Boyne City**  
Laurence D. Etcher

**East Jordan**  
Leo J. Warner

**Cornelia Barber, Clerk**

## Mich. Waterfowl Season Is Longest

CONSERVATION COMMISSION SAYS SEASON STARTS OCT. 1, ENDS NOV. 24.

The longest Michigan waterfowl season—since 1945 has been confirmed by the U. S. Fish and Wildlife Service, the conservation department reports.

A 55-day season running October 1-November 24, recently approved by the conservation commission and now confirmed by the federal agency which final authority, is based on a "moderate increase" anticipated in the fall flight of Mississippi fly birds.

State hunters had a 46-day season last year, 33 days in 1950 and 80 days in 1945.

A more liberal woodcock season is scheduled too. Dates are October 1-31 in the upper peninsula and the northern lower peninsula and October 20-November 7 south of highway M-20 or the southern lower peninsula. For the first time in recent years, an open season on jacksnipe was considered, although finally disapproved.

Waterfowl bag limits will be unchanged at four ducks daily and eight in possession. One may be a wood duck. Geese maximum take is five daily or in possession but not more than two Canada or two whitefronted geese. Any combination of 25 American and red-breasted mergansers may be bagged daily, with no possession limit after the opening day. Daily bag and possession limits for coots continue at 10 birds. Four woodcock can be shot daily, eight held in possession.

Ducks, geese and coot can be hunted from one-half hour before sunrise to one hour before sunset except on opening day when legal shooting begins at 12 o'clock noon. Woodcock can be taken from one-half hour before sunrise to sunset. Shooting timetable maps will be available at department regional and district offices and will be printed in newspapers.

## Check on Deer Kill

Placement of about 25 checking stations at strategic points along roadways in the northern lower peninsula is planned during the coming deer season to provide conservation department analysts with hunting information.

The station will be set up on a voluntary basis. Personnel will urge hunters to help the department by offering information on the age, sex, and place where they killed deer.

Most of the stations will be operated only during the first four and the final three days of the season. A few however, will be operated during the entire season, as at the Straits, and on M-27 near Houghton Lake.

Roving checks also will be made during the entire season.

## Camping Getting Complicated

Indian River, Aug. 25 — Camping is getting more complicated every day.

Paul Wigg, manager of Burt Lake state park near here says he was registering a camper the other day when the mans daughter ran up and asked: "How is TV reception here?"

When told that as of that date, there were no sets in the park, she exclaimed, "Daddy, we don't want to stay here!"

Inalienable rights depend upon many things, but chiefly on sleeping with one eye open.

## Getting Set For Football Season

E.J.H.S. FOOTBALL SQUAD STARTS SEPT. 1st.

All candidates for the 1952 East Jordan High School football squad are requested to be on hand at 9:00 a.m. this Friday at the Nurse's office in the Grade Building to take their physical examinations.

Coach Gayle Saxton will issue equipment immediately following the physical examinations. Two practice sessions will be held daily commencing Monday morning September 1st. Morning workouts will commence at 9:00 o'clock with afternoon sessions slated for 2:00 o'clock.

Coach Saxton will have some big gaps to fill in the starting lineup this fall, having lost five regulars from last fall's undefeated eleven gone through graduation are; Don Whiteford, high scoring back in the conference the past two years, Norm McGeorge, another back, and line men Dan Thomas, Earl Bowers, Bob Thomas, and Don Maxwell.

Returning letterman are; backs, Ray Gee, Keith Evans, Robert Romback, and Sam Milestein, and linemen, James Shepard, Steve Hayden, James Weisler, J. M. Ingalls, Richard Freeman, James Sherman and Leon Bartlett.

The Red Devils will open their eight game 1952 schedule with St. Francis of Traverse City at Traverse under the lights Friday night September 19th.

## Parked Cars Special Hazard

CHIEF SIMMONS SAYS THEY ARE DANGEROUS

Chief Harry Simmons called attention today to the fact that passing cars on city streets when parked cars are frequent intersections can be exceedingly dangerous.

He said, "There are not many conditions which justify passing on a city street where parked cars only allow one moving lane of traffic in each direction. The speed limit on most city streets is 25 miles per hour. If the car ahead is going 20 miles per hour the difference in speed is only 5 miles per hour faster for a short trip will not save enough time to make it worth while to pass."

"Parked cars add a special hazard to passing, and hide pedestrians, especially children, who may thoughtlessly run out into the street. In many areas the block length are not long enough to permit passing before reaching the intersection," he added.

All motorists are urged to cooperate with the August traffic safety campaign under the leadership of State Highway Commissioner Charles M. Ziegler, and sponsored by the Michigan State Safety Commission.

The Chief suggested the following safety tips to help motorists who wish to pass with safety:

(1) Be sure that there is no car close behind you which may try to pass you as you pull out.

(2) Make sure that there is no car right ahead of the car you are going to pass which might block you.

(3) Be certain that there is no oncoming car or, if there is one, that it is far enough away so that you have plenty of time to complete your pass before it arrives.

(4) Assure yourself that there is no intersection, driveway or filling station entrance from which a car could come and interfere with your passing maneuver.

(5) When you are certain of cars behind you and in front of you and of all entrances to the roadway then pass rather quickly so that you do not have to stay off the wrong side of the roadway very long. It is recommended that when highway conditions and the speed limit permit safe passing that you travel about 20 miles per hour faster than the car you are passing. Less than this will take you too long. More than this will make it harder for you to stop in time if an emergency develops.

Obey the official safety slogan "Keep in Line—Don't Cunn-In."

When a man is broke it may mean that he has gone into the hands of a deceiver.

Inalienable rights depend upon many things, but chiefly on sleeping with one eye open.

When a man is broke it may mean that he has gone into the hands of a deceiver.

Inalienable rights depend upon many things, but chiefly on sleeping with one eye open.

When a man is broke it may mean that he has gone into the hands of a deceiver.

## Drivers Urged To Use Caution Over Labor Day

With two holiday week ends having already accounted for 56 Michigan traffic deaths this summer, State Police Commissioner Joseph A. Childs is urging motorists to prevent a deadly conclusion to the season by exercising extra care on crowded highways over the Labor Day period.

"In 1941," Childs said, "the combined traffic death toll for the three summer holiday week ends, Memorial Day, Fourth of July and Labor Day, was 118, the highest on record. The lowest 24 in 1944.

"Last year 14 persons were killed over the Labor Day period, Friday through Monday. It was the safest Labor Day week end, from the standpoint of fatalities, since 1944, when only seven were killed. The highest toll was 46 in 1940.

"The Labor Day period is always regarded as potentially dangerous. The holiday comes on a Monday, offering an extended week end trips and other activities. It is also the time when many persons return home from summer cottages so children can enter school.

"Drivers exercised a great deal of care and common sense last year and the week-end toll was comparatively low. The volume of traffic will probably set a new record this Labor Day if weather conditions are favorable, but nevertheless the toll can be further reduced if drivers are cautious. If they are it will help bring the summer to a more happy ending."

## Farmers Urged To Mail PMA Election Ballots

Sept. 8, 1952, is the deadline for mailing Production and Marketing Administration farmer-committee election ballots to the county PMA office, located at Boyne City, Michigan.

Le Roy Hardy, Chairman of the county PMA committee, advises that ballots have been mailed to all Charlevoix County farmers who are known to be eligible to vote in these elections. To be counted, ballots must bear a postmark not later than Sept. 8, 1952.

Farmers who think they may be eligible and have not received a ballot should notify the county PMA committee.

Ballots have been prepared and the voting will be for three farmers to serve as members of a community PMA committee, a delegate from each community to the county convention where the delegates will elect the county committee, and alternates.

Mr. Hardy urges every eligible voter to get his ballot in the mail before the deadline and to vote for farmers he thinks are most able and willing to take on the responsibilities of program administration in 1953. In the coming year, he points out, community committeemen will visit all farms in their areas to help farmers develop their conservation program.

This procedure was followed in one county in each state this year and increased participation, more acres protected by conservation, and greater concentration on practices of a more permanent nature have resulted in these counties.

## South Arm 4-H News

The members of the South Arm 4-H Club are busy finishing their summer projects that are to be exhibited at the county fair.

One of the big jobs at the fair is to help run the food booth. The 4-H Club will again have this, as they have had for the last three years. The money that is earned during the fair will be used to send members to county camp, 4-H club week, Camp Gaylord and used for various other club activities.

The next meeting will be September 10.

## 4-H Club News

Our monthly 4-H Meeting was held on Wednesday the 13th; plans were made to have a 4-H flag made.

We received our new tee shirts, records and a base ball and bat. We had a canning meeting on August 14 at which we canned blackberries.

On Sunday 17th we had our last outdoor meal meeting with a picnic at Whiting Park. Chill was our main dish.

Reporter, Ruth Cozier

## E. J. AGRICULTURAL SCHOOL OPENS MONDAY, SEPT. 8th

TEACHERS FOR COMING YEAR. LIST OF GRADE PUPILS

The East Jordan Rural Agricultural School will open the 1952-53 School year Monday, Sept. 8th. School will be dismissed at noon the first day in order to give the high school students a chance to secure books in the afternoon and rearrange schedules.

Following is a list of teachers for the coming year:

**Elementary School**  
Isabel Sidebotham, Kindergarten  
Helen Witte, Kindergarten  
Marguerite Stokes, First Grade  
Marian Brooks, First Grade  
Cora Seiler, Second Grade  
Agnes Johnston, Second Grade  
Adeline Bowerman, Third Grade  
Marie Hughes, Third Grade  
Jean Strehl, Fourth Grade  
Grace Galmore, Fourth Grade  
Elizabeth Mosher, Fifth Grade  
Sadie Liskum, Fifth Grade  
Alma Larsen, Sixth Grade  
Frank Malone, Sixth Grade and Elementary Principal.

**Junior & Senior High School**  
Alto Drapeau, Music  
Max Damoth, Social Science  
Mildred Karr, English—History  
Harry Jankovick, Shop  
Gayle Saxton, Coach—Math.  
John Richardson, Bookkeeping—Driver Training

Clara Brown, Home Making  
Leatha Larsen, Geography—Arithmetic  
Richard Schroeder, Agriculture  
Albert Nesman, Science—Math.  
Emil Actelli, Band—English  
Willard C. Nelson, Commerce  
Vaun Ogden, English  
John Downing, English  
Keith Annear, Math—Principal of the Junior and Senior High School.

Louise Scott, Librarian  
JoAnn Nachazel, Clerk in the principal's office  
Sally Saunders, Office clerk

## The Grade Pupils

Following is a list of pupils in the elementary school by grades:

**FIRST GRADE**  
Mrs. Brooks  
Benson, Frankie  
Bundy, Linda  
Cihak, Winona  
Clark, Patricia  
Coolman, Noman  
Cosier, Nina  
Crawford, Shirley  
Drenth, Emily  
Eaton, MaryAnn  
Eichlor, Dickie  
Flora, Margaret  
Fowler, Shirley  
Galmore, Tommy  
Gee, Bonnie  
Gobel, Catherine  
Hitchcock, Catherine  
Hosler, David  
Kenny, Robert  
Kortan, Joseph  
Lilac, Douglas  
Lord Terry  
Moore, Raymond  
Nemec, Paul  
Prebble, Susan  
Reich, Donald  
Richard, Carole  
Thompson, Luella  
Vrondran, John  
Williamson, Eddie  
Wilson, Francis

**Mrs. Stokes**  
Barber, Bonnie  
Bulman, Keith  
Carey, Donna  
Clark, Karen  
Clark, Sharon  
Compo, Marie  
Combest, Ruth  
Damoth, Michael  
Darbee, Billy  
Dunson, Louis  
Dunson, Robert  
Gibbard, James  
Gilkerson, Judy  
Gobel, James  
Grael, Laura  
Hart, Robert  
Hitchcock, Leslie  
Hughes, Otto  
Ingalls, Rickey  
Kent Daniel  
Kramer, Jeanne  
McKinnon, Donald  
McWaters, Marie  
Merritt, Marlene  
Nachazel, Connie  
Nachazel, Danny  
Nelson, Peggy  
Nessman, Janet  
Nyland, Carol  
Schroeder, Roxana  
Slough, Jane  
Sweet, Velma  
Whaling, Jean

**SECOND GRADE**  
Mrs. Stielor  
Arnott, Charlene  
Bennett, Lyle  
Bennett, Nancy  
Chanda, Richard  
(Continued on last page.)

## Marriages

Cook — Seaman

The parsonage of Rev. Leland Sharrard, Grand Rapids, Mich., was the scene, Aug 16th of the marriage of Miss Rheta Cook daughter of Mr. and Mrs. Harvey S. Cook of East Jordan to Robert Seaman FN of U S Navy, son of Mr. and Mrs. Edwin Seaman.

The bride chose a navy blue suit with white accessories and she wore a large corsage of white roses.

The bridesmaids was Mrs. June Griffore of Grand Rapids also she chose a checked suit and wore pink carnations.

Best man was the grooms brother, Mr. Jerry Seaman. Following the ceremony a quick reception was held at a well-to-do restaurant.

The couple left immediately by plane for Norfolk, Va., where they will spend a short honeymoon.

Streeter — Wells

Lawrence E. Streeter, son of Mr. and Mrs. Ed Streeter was united in marriage to Miss Marilyn Wells, daughter of Mr. and Mrs. Wilbur Wells of Charlevoix. The marriage took place July 1, at St. Louis, Missouri. They are now living in Belleville, Illinois, where Lawrence is stationed at Scott Air Force Base.

## Funeral of Mrs. Rose Justice This Saturday Afternoon

Funeral services for Mrs. Rose Justice, who passed away at Grandvue Hospital, will be held at Watson's Funeral Home Saturday, Aug. 30, at 2:00 p.m.

## Mrs. Clara Kitsman Laid To Rest Last Week Thursday

Funeral services for Mrs. Clara Kitsman were held from the Howard Chapel, Standish, at 9:00 a.m., Thursday, August 21. Conducted by Rev. Nelson Kenny, and at the First Presbyterian Church, East Jordan, Thursday, at 2:00, conducted by Rev. O. DeHaven. Burial in Sunset Hill. Bearers were Howard Porter, Harry Watson, Wm. Porter, Walter Davis, John Seiler and Wm. Malpas.

Clara Hamilton was born in Canada, Feb. 16, 1884, and in 1906 was united in marriage to Gus Kitsman at Standish. In 1908 Mr. and Mrs. Kitsman came to East Jordan and operated a restaurant in the John LaLonde building two years, then bought the Dan Kale restaurant on State St., near the Lake which they operated until 1942 when Mr. Kitsman passed away.

Mrs. Kitsman moved to Standish where she has made her home since the death of her husband, and where she taught school until four years ago when poor health made it necessary for her to give up teaching.

She was a faithful member of the local Presbyterian Church, taught Sunday School many years, was a member of the East Jordan Study Club, and a member of Mark Chapter No 275 O.E.S. of which she was a life member and a Past Matron.

She passed away at her home in Standish, Tuesday, Aug 18, 1952, following a heart attack.

Surviving are two daughters, Mrs. Isabelle Wagner of Wyandotte, and Mrs. Kathryn Saxton of Lansing; one son, William, of Kansas City, Mo.; seven grandchildren and two brothers, Frank Hamilton of St. Petersburg, Florida and Charles Hamilton of Standish, a daughter Mrs. Dorothy Snyder passed away in 1944.

Attending the funeral were: Mr. and Mrs. Ralph Wagner, Wyandotte; Mr. and Mrs. Richard Saxton, Lansing; William Kitsman, Kansas City, Mo.; Mr. and Mrs. Otto Kitsman, Mr. and Mrs. Charles Hamilton, Standish; Miss Margh Kitsman, Cincinnati, Ohio; and Miss Doris Shepard, Saginaw.

Chronic complainers are convinced that every season comes at the wrong time of the year.

Some people who travel the straight and narrow path have minds that are just as narrow.

Ward Beam's World Champion Auto Daredevils who execute this precision stunt must be descendants of the stalwarts who devised the historic Roman-standing races on horseback in the days of ancient glory.

They used only the holding rope as protection and stand in their stocking feet. Sometimes the drivers slip off the narrow ramps as they speed over the "obstacle"

course and sometimes the boxes slip off. It may not look quite as spectacular as the head-on collision of two stock cars, the jump of the autos over a full-length bus, the crashing of a car into a wall of flame and other thrillers on the menu which Beam's courageous lads will serve at the Charlevoix County Fair, East Jordan, Wednesday afternoon and night, Sept. 3rd.

**Deer Hunting Season By Far the Most Liberal Says Cons. Commission**

When the conservation commission approved the taking of any deer during the last three days of the regular buck season, it took the biggest step ever made in Michigan on liberalization of deer hunting regulations.  
Up to that time, nearly all regulations had been of a restrictive nature. Dating from 1869, when the season was limited to the last five months of the year, a long series of restrictive moves have been made against the taking of deer.

These include the restriction of market hunting in 1881; the closing of some counties in 1891; the first license and bag limitation in 1895; and the closing of many counties for three to five year periods between 1893 and 1903.

Since 1903, many more restrictions have been enforced, with the only liberalizations being minor and temporary. Liberalizations included lengthening of the season in 1911 for a period of two years, a slight reduction of the license fee in 1933, and a change in the camp deer law for one year in 1941 to permit the taking of one doe for camp use only.

But the new season regulations are by far the most liberal even established. The taking of does and fawns during the final three days of the season is expected to bring the herd more in balance with fastdiminishing food supplies.

First bridesmaid: "Good heavens— isn't the bridegroom ugly?"  
Second bridesmaid: "Yeah. This is one time I'd rather catch the bouquet than the man."

Drive as though you liked being alive.

Professor: "What is the law of diminishing return?"  
Freshman: "That's where the more money you have the less you have to spend to impress a girl, or to state it inversely, the less money you have the more you must spend on a girl to impress her."

Student to girl friend in front seat of a car: "Honey: you've got to put on some weight — I've shifted your leg three times."

## Independent Indian Nation Within U.S. Is Still on the Job

WARREN, Pa. — Strange as it may seem, there is an independent nation within the United States. Every year the congress appropriates \$4,000 for treaty goods for the Seneca Indian nation. This item in the annual budget is required forever, under the terms of a treaty signed by the Senecas and the United States shortly after the Revolutionary war. The same treaty settled other relationships between the two countries, including the independence of the Seneca nation.

The Senecas are pure Indians, for the most part speaking their own language instead of English. They have their own laws and are not subject to the white man's except for seven major crimes. If they have disagreements with their white neighbors, they take the matter to Washington, as any other nation would.

Some U.S. cities built in Seneca territory pay taxes to their nation. One is Salamanca, N.Y., a thriving railroad center with about 12,000 population.

The Seneca — United States treaty receives more than taken attention. About 15 years ago United States engineers proposed to build a flood dam across the main stem of the Allegheny as part of a project to protect Pittsburgh.

However, it would have flooded a segment of the Seneca nation, so it was never built.

About half the Senecas continue to worship in the manner of their ancestors. And at a long house near the Allegheny river, Indians in costume take part in ceremonial dances seldom seen by white persons. The dances are so old that no one today remembers what the various motions mean.

## Gen. Eisenhower Is Rated Nation's Best Dressed Man

NEW YORK, N. Y. — Gen. Dwight D. Eisenhower, rated one of the top military men of modern history, has been rated the nation's best dressed man—in or out of uniform.

The general, now in Paris, topped the National Association of Retail Clothiers and Furnishers' poll at their annual convention. He received more first place votes than all the other candidates for honors combined.

Eisenhower was chosen for his "typical American look—always neat, never flashy." The rest of the top 10: Comedian Bob Hope; Thomas F. Murphy, New York police commissioner; Ed Herlihy, radio and television master of ceremonies; Phil Rizzuto, New York Yankees shortstop; Alfred Gwynn Vanderbilt; Dan Seymour, TV producer; Gregory Peck of the movies; Edward Fields, carpet manufacturer, and Jan Murray, comedian.

## Two Chemicals Developed That Slow Cancer Growth

BERKELEY, Calif. — Dr. David M. Greenberg and Dr. E. M. Gal, University of California scientists, announced recently a new group of chemicals which slow the growth of cancer have been discovered.

The new compounds soon will be tested on humans in the university's medical center. They are called malononitriles.

The researchers have produced about 30 kinds of malononitriles, six of which showed some effect against animal cancer. One of the six was particularly potent.

There are scores of chemicals effective against cancer in one way or another, but none has been accepted by medical science generally as the answer to the problem of malignancy.

The malononitriles are made by putting together malonic acid, a common chemical used in making synthetics, and hydrogen cyanide, the poison used in gas chambers for putting criminals to death.

Greenberg and his associates do not know why some malononitriles are effective against cancer. That is one of the things they are attempting to find out.

## Soldier's Joke on Parking Ticket Has a Sad Ending

BATTLE CREEK, Mich. — Last fall Cpl. Francis Dalley was issued a parking ticket. At the time he was stationed at Fort Custer, but before Dalley had time to do anything about it he was shipped to Korea. The ticket was forwarded to him there.

In December back came a letter from the good natured soldier to the traffic violations bureau. "I believe this is the first time that a man received a ticket for night parking in a foxhole," he wrote. "The summons states that an officer will be sent for me if I don't answer. Tell him to please hurry so we will make it home for the holiday."

He sent Chinese money to pay the fine, and wished everyone a merry Christmas.

City hall workers signed a big Christmas card and mailed it to Dalley. The card came back recently, creased and soiled. Across the envelope where Dalley's address had been printed, someone had scrawled "Deceased."

EVENINGS: 7:00 to 8:30  
Wednesdays and Saturdays only

Gifts: — Mr. Lisk: A book celebrating the 150th anniversary of the founding of the Duport enterprise, which started from a single powder mill. While the book is called "The autobiography of an American Enterprise", it is much more than that. The old costumes and advertisements make it an antique guide and a history of the past 150 years. The original Duport mill made powder which was used in the war of 1812.

Dr. Sweeney from Grosse Pointe gave the library a check for \$5.00 in appreciation of the service given the family while they were at one of the neighboring resorts.

The final check in payment of the General Library Fund grant covering the 1951-52, was for \$72.47. This with the first payment, makes a total of \$186.91.

New Books — Two Nancy Drew mysteries for the younger readers, a Bobsey Twins book, three Little Golden Books.

South Fly Hawk — Rand: A good baseball story.  
Red a trailing blood hound — Meek: Story of an amazing bloodhound with the New York State police.

The Nine Brides and Granny

Hite — Wilson: Awaiting the circuit minister, the women of Cpt. Track Hollow have a quilting bee at Granny Hite's and each bride-to-be reveals the manner of her courtship. Humorous episodes in native speech.

The Hidden Flower — Buck: Novel of a mixed marriage. The heroine a beautiful Japanese girl of the higher class, her husband a member of a prominent Virginia family.

The Catherine Wheel — Stafford: Story of Katherine Congreve, an unraveling of perplexities, very well written.

Triple Jeopardy — Stout: Three Nero Wolfe mysteries.

The Enchanted Barn — Grace L. Hill.

East Jordan

# ...WINTER WARM-UP

enjoy modern automatic gas or oil heat this winter!

with a beautiful new...  
**Magic Chef**  
HOME HEATER

- Compact or Hi-Boy cabinet
- Extra-large heating surface
- Fast, efficient burner
- Automatic controls
- Exclusive 3-Way Heat Flow... for more heat at floor level

Here's today's best value in low-cost heating comfort—plus real beauty. Looks like a "TV" set... complements any living room. Floods the home with regulated warm air to keep family cozy on coldest days. No other heater like it!

price from \$134.75

## Al Thorsen Lumber Co.

Also some good buys on new and used oil heaters.

East Jordan, Mich. Phone LE 6-2271

ASK ABOUT Magic Chef COLOR HARMONY

"Hello! This is the Sooper Hooper Manufacturing Co. We've got a defense contract for hydro-gobinators for the Air Force. But we need a subcontractor to turn out the framings on the globbis for us. Do you know of any firm that can make 'em?"

Such a request is duck soup for the Michigan Department of Economic Development.

From its files of over 22,000 Michigan plants, it quickly comes up with the right answer.

So the hydrogobinators go into production, the Air Force maintains its defense schedule and a new contract—and more payroll—comes to Michigan.

This is just one of the services the DED performs to build Michigan prosperity.

"Our Industrial Development service takes credit for assisting in bringing two large plants to Michigan recently and has helped persuade several plants not to move or expand out of the state," says Don C. Weeks, director.

"Up at Iron Mountain, the former Ford body plant stood idle since last December. One of our agents was hired by the owners of the building to spend full-time filling the plant with new industry—and already has 20% of the space occupied.

"Meanwhile" the division is working with five other hard-hit areas to help stimulate all-out community programs to attract industry."

That phrase "community programs" is the key to Michigan's economic future.

Michigan business itself has subscribed \$20,000 for a survey of the economic potential of the Upper Peninsula. In progress is a program to raise an annual \$100,000 by subscription by business for a Michigan-wide promotion program.

Business realizes, in the words of Weeks, that "nothing is more important to the whole community of Michigan than that it be recognized as a place which has an economic climate favorable to industry. That climate can't be improved until Michigan residents know what has to be done and action is then predicated on careful planning to unite Michigan in attracting industry."

A survey made last year by the University of Michigan, with business footing the \$20,000 bill shows what industry thinks of the state, why it stays, why it moves out. Answers eventually will determine the number of dollars and cents in every Michigander's pocket.

Always working with the community, itself, the department has an average list of 150 industrial buildings available for rent, lease or purchase.

The Industry Service Division has played a prime part in getting

defense contracts and sub-contracts for Michigan plants since the start of the Korea police action.

The Research Division provides technical services to the other divisions and communities which want to survey their own assets (and liabilities) and prepare brochures to attract industry.

"Economics" is an awfully dry-sounding term.

But reduced from all those syllables, it means, basically, how much money does John Q. Citizen have in his pocket and what can he buy with it?

In those terms, economics is something that concerns everybody all the time.

That's why Michigan citizens are lucky that the Department of Economic Development is directed by a Commission made up of 19 prominent business and professional men from all parts of the state.

Their names are too many to enumerate here, but Dan Gerber, president of the nationally-known Gerber's Baby Food company, is chairman of the Commission and is typical of the stature of the men who guide this program since the Commission was created five years ago by the Legislature.

How's business in Michigan?

The report of the Michigan Department of Revenue just released for the month of June indicated it's improving steadily since March.

Total sales and use tax collections for June were \$21.96 million, an increase of \$618,031 over June of '51.

Michiganders spent at least \$706 million in retail stores in June. At least 3% of that figure is \$21.1 million, the amount reported as retail sales tax that month.

Autos, apparel, building material and food—in that order—produced the greatest sales tax revenue during that month.

The perennial private industry-government control argument can churn up a couple degrees of temperature by comparing a pair of figures from Arenac County.

More trout, Inc., a sportsman's organization, is building a fish control and rainbow trout impoundment dam on the Au Gres River near Melvor. Their cost will be under \$10,000; the Michigan Conservation Department estimated it at \$22,000.

Sea lampreys, those eel-like destroyers of fine Great Lakes fish, get their come-uppance from More-Trout, Inc. As spawning fish and pursuing lampreys move upstream, they pass through a fish sorter. There the lampreys, which have lived off other fish all their lives, are removed permanently. And, in perfect irony, they're ground up and used as fish food.

Republican visitors to the State Fair are apt to give vent to a few pyrotechnics of their own when they see the big fireworks display. One of the pieces will be a glowing portrait of Gov. G. Mennen Williams.

The GOP-ers will probably find it hard to accept that this is just a deserved tribute to the chief executive of the state and that it's just a happy coincidence that the jovial governor is a candidate for reelection.

If you live in the average small town of Michigan, you'll probably see more candidates this year than you ever have in any one campaign.

Both parties will be "ringing doorbells", calling on smaller communities as well as working the bigger cities in the state.

Several Republican newcomers scored upset victories in the primaries by this very method. And Gov. Williams's past-master at the art.

So, if you want a gubernatorial candidate or the next U.S. Senator at your Ladies Aid meeting or Volunteer Fireman's Picnic, all you have to do is extend the invitation. Political hands are outstretched to receive it.

Homemakers' Corner

Home Economics Specialist Michigan State College

FRESH PEACHES OFFER MANY MENU CHANGES

Michigan's peach crop is a good one and homemakers should take advantage of the situation according to Roberta Hershey, Michigan State College foods and nutrition extension specialist. Miss Hershey gives some tips on peach uses.

For easy peeling she suggests dipping well-washed peaches in boiling water for just one minute—no more—and then immediately into cold water. If you are canning peaches you will be interested in knowing that it is important to wash them before dipping into the hot water to wash off some of the spoilage bacteria.

Miss Hershey says that after the boiling water dip it is easy to slip off the skins. If you drop the peeled halves in a solution of two tablespoons of salt and two of vinegar to a gallon of water, you can keep the fruit from darkening.

How about serving broiled peaches around the edge of the platter with your next roast whether it's beef, pork, or canned luncheon loaf? asks Miss Hershey. Places peaches in a shallow pan, pour just a little honey or brown sugar and a wee bit of fat over them and slide the pan under the broiler until they are delicately browned.

Or here is another idea suggested by the home economist. Put a generous spoonful of cottage cheese between two halves of peach and drizzle a honey dressing over it. The honey dressing is made by mixing equal parts of strained honey and lemon juice. The lemon juice keeps the peach from discoloring and lends a piquant flavor at the same time. Or set sliced peaches and blueberries in lemon gelatin made with part ginger ale. That will add zip to the peach flavor, says Miss Hershey.

WEST PENINSULA. . . (Edited by Mrs. Wm. Gaunt)

The Bricker and Dare Wedding of August 23rd was well attended. The reception at the Peninsula Grange Hall, Saturday night, was well attended. Everyone wished the young couple all the joy and happiness. They received a lot of lovely gifts.

Mr. and Mrs. Harry Taylor and daughter and their mother, Mrs. Caroline Taylor and Mr. and Mrs. Ted Westerman and family all of Fremont spent over the week end with Mr. and Mrs. Bill Gaunt Jr., returning home Sunday afternoon.

Mr. and Mrs. Tuttle and Mr. and Mrs. Virgil LeRoy and two children took supper Thursday evening with Mr. and Mrs. Wm. Gaunt Sr.

The Pastry Walk sponsored by the Advance Board of Commerce was well attended last Friday evening at Whiting's Park. Mr. and Mrs. Virgil LeRoy and two children returned to their home at Grand Rapids Sunday morning. Their parents Mr. and Mrs. Lyle Tuttle will leave Monday p.m. for Fenton after spending a week at their cabin on South Arm.

The Farm Bureau held their picnic at the Whiting Park Sunday which was well attended. The Star 4-H Club also held their picnic at the park. The day was spent by the two picnic's a playing softball.

Edward Phillips was working in Detroit called his home Sunday, telling them to come after him at Clare as he was having a man drive him up that far, as he was taken sick and had to come home. The family got him home and took him to the Little Traverse Hospital Sunday evening. At this writing he is feeling some better.

Mr. and Mrs. Audrie Goes and two children of South Bend, Ind., are spending a week at the Rustan vacationing.

Looking Backward . . .

AUGUST 24, 1912

Seven carloads of crushed stone were received by our city first of the week, a large portion of which will be used on the road leading to the Fair Grounds.

Lee Howland and his crew of workmen have commenced active operation on our new pavement. The tug Taylor brought in a scow load of machinery from Charlevoix Tuesday.

H. I. Mc Millan figured in a near serious accident Thursday. He was standing on the crossing near Spring's Drug Store when an automobile approached. He started to step out of the way, when he tripped and fell in front of the machine, the front wheels striking him in the chest before the auto could be stopped.

Wm. T. Lord died at his home on Second St. Tuesday following a three-day illness from appendicitis. He came to East Jordan nine years ago and has been in the employ of the East Jordan Lumber Co. Interment was made in the East Jordan Cemetery.

The Holy Island Excursion, Picnic and Lot Sale given by I. B. McLean and his corps of assistants last Tuesday was a success in every term. Over 1200 people visited the Island that day going carriages. The Str. Hum carried by steamers, launches, autos and 341 passengers to the Island that day. Nearly half the lots were sold and all could have been had if the management been willing to sell in blocks. The barbecue was freely patronized, several hundred pounds of beef, two barrels of coffee, 144 loaves of bread and a big quantity of sugar and cream were consumed.

Mrs. Odella Prat and old East Jordan resident left Monday for Grand Rapids to enter the Home of the Aged conducted by the sisters.

AUGUST 25, 1922

The largest single business deal in East Jordan for several years was completed last week when the East Jordan Co-operative Association purchased the Argo Milling Company's interests in this city, taking over the holdings, Friday. The purchase comprises the Argo Milling Co's 125 barrel Flour Mill the Argo Warehouses and Coal Sheds. R. C. Supernaw, manager for the Co-operative Ass'n will have charge of the new addition to their holdings.

Miss Goldie A. Schneider, daughter of Mr. and Mrs. Conrad Schneider of near Horton Bay, was united in marriage to Vern J. Whiteford of East Jordan at the home of the brides parents at 8:30 p.m. Thursday, Aug. 17. The ceremony was performed by Elder Arthur E. Starks of Boyne City.

At the annual meeting of the Michigan Potato Growers Association held at Cadillac last week S. E. Rogers of East Jordan was elected a director and at a later meeting of the directors was elected secretary of the board.

Mrs. Adiel Kenny passed away at the home of her son, Joseph, near this city Thursday, Aug. 17, from heart trouble following an illness of several years duration. Adiel Burney was born at Ogdensburg, N.Y., Feb. 24 1840. On Dec. 4, 1858 she was married to John Martin Kenny. They were among the first settlers of this region coming here in the late fall of 1866, fifty-six years ago.

They "homesteaded" just north of what is now East Jordan and continued to make this their home until death. Mr. Kenny passed away Dec. 20, 1920. Surviving are the following sons and daughters. John F., Anthony, William Kenny and Joseph Kenny. Mrs. Jane Riggs, Grand Rapids; Mrs. F. H. Garrett, Council Bluffs, Iowa; and Mrs. John Kelly, Peoria, Ill. Funeral was held at the St. Joseph Catholic Church, Aug 21 at 10.00 a.m. conducted by Fr. D. M. Drinan. Burial in the Catholic Cemetery.

AUGUST 26, 1932

School opens Tuesday, Sept. 6, with the following faculty 1932-33:— Supt. of Schools E. E. Wade of Alpha; Principal and Mathematics, Merton Roberts, Sand Creek; English, Leitha Perkins, East Jordan; Home Economics, Helen Topliff, Eaton Rapids; Manual Arts, E. J. Maynard, Harbor Springs; Commercial, Edmund Dickerson, Grand Rapids; Latin and English, Dorothy Stroop, Holland; Agriculture and Science, Russell Eggert, East Jordan; Coach and Junior High, Abe Cohen, So. Hibbing, Minn.; Band and Orchestra, John Ter Wee, East Jordan; Junior High, Gerald DeForest, East Jordan; Kindergarten, Eleanor Carson, Jordan; First Grade, Edith Bartlett, East Jordan; Second Grade, Mildred Brown, Mackinaw City;

Worden family drove back with them. They are spending some time near Petoskey remodeling their home they purchased some time ago. Also getting the ground ready for a Drive In Theatre.

**MICHIGAN OUTDOORS**

WITH MORT NEFF

**HOW MANY DEER WILL WE TAKE?**

Everybody else is talking about the new deer-hunting regulations, so we'd better register our opinion while the subject is "hot!" With the northern part of the lower peninsula wide-open for killing any deer, buck, doe or fawn on the last three days of the season, mortal damage might be done to our deer herd if three or four hundred thousand hunters took to the woods with a determined gleam in their eye. However, fortunately for the deer, a few psychological factors are working against this possibility.

**Record Army Will Start**

Let's begin with opening day, November 15th. Probably a record number of hunters will open the season. Opening day falls on a Saturday. There'll be more noise in the Michigan woods that day than any battle in history ever produced! Lots of deer will be killed and they won't all be bucks. The hornless variety shot by "trigger-happies" will be left to rot in the woods, and the cut-throats who escape will tell their conscience: "Oh well, they'd be shot the last 3 days anyway, so why should I worry?" Many of these hunters will still consider themselves sportsmen. That's debatable!

As the season moves along and those fatal 3 days approach, more

and more bucks will have been killed, and at least one-fourth, or about 100,000 hunters will have gone home with their trophy. Another 200,000 will have "had it." The rugged spirit of the chase doesn't feel so rugged any more. Pocketbooks will have grown slimmer, and mamma will be saying, "No more hunting, Pop! Baby needs new shoes." That leaves 100,000 more or less strong.

**Deer Get Smart**

The last 3 days fall on a weekend. That's bad—for the deer. But deer get smart. All that noise has made them college-educated. Even the fawns get the idea and head for tall timber that's hard to find. So what happens? The success ratio will stay about the same in my opinion.

Another 30,000 deer, with and without horns will be killed in 3 days—and that many only if the weather is good. A customary late November snow storm will cut that figure to 10,000. So, after the ball is over the "disaster" that some people anticipate may not even produce a kill great enough to begin to level off the herd as much as our game experts call for. We'll wait and see. However, if those last 3 days are bright and sunny lots of people who ordinarily love Michigan Outdoors will take the advice of their insurance agents and choose Michigan Indoors for a safe and sane week-end!

**PROBATE ORDER**  
Appointment of Administrator State of Michigan, The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, on the 18th day of August, 1952. Present: Honorable Floyd A. Supp, Judge of Probate.

In the Matter of the Estate of Mac Ward, deceased.  
Virginia Ward, a daughter and heir at law of said deceased, having filed in said Court her petition praying that the administration of said estate be granted to Barney Milstein, or to some other suitable person.

It is Ordered, That the 22nd day of September, A.D. 1952, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, once each week for three successive weeks previous to said day of hearing, in the Charlevoix County Herald, a newspaper printed and circulated in said County.

**PROBATE ORDER**  
Sale or Mortgage of Real Estate State of Michigan, The Probate Court for the County of Charlevoix.  
In the Matter of the Estate of Charles Freese, Mentally Incompetent.  
At a session of said Court, held on August 25, 1952. Present, Honorable Floyd A. Supp, Judge of Probate.

Notice is Hereby Given, That all persons interested in said estate are directed to appear before said Probate Court on the 23rd day of September, 1952, at 2:00 p.m., to show cause why a license should not be granted to William G. Boswell, Guardian, of said estate, to sell or mortgage the interest of said estate in certain real estate described in his petition, for the purpose of paying the charges and expenses of maintenance and support of said ward, at private sale.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Charlevoix County Herald, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at

**FARM FACTS**  
from your County  
**Agricultural Agent**  
Ed. Rebman, Co. Agr'l Agent  
**Calf Scramble**

There will be 12 hereford beef calves in the calf scramble which will be held Thursday afternoon at 2:00 p.m., September 4 at the Charlevoix County Fair. It is expected that 16 or 18 boys will enter the calf scramble and compete for one of these calves. The boys must be 15, 16 or 17 years of age and physically fit.

These boys will have these calves to raise during the next year and they will be brought back to the 1953 Charlevoix County Fair to be sold. There will be no other calves in the beef feeding project other than these 12 scramble calves.

Anyone interested in entering the calf scramble should contact Ed Rebman, County Agricultural Agent, of Boyne City for application forms which must be signed by the boy and his parents. There will also be a pig scramble and younger boys and girls may enter this pig scramble. If you are interested in this send your name to the County Extension Office at Boyne City.

**SOUTH ARM . . .**  
(Edited by Mrs. Arnold Smith)  
Mr. and Mrs. Clair Brooks of Boyne City and daughter, Mrs. Geraldine Welch and children of Kalamazoo were Sunday afternoon and supper guests of Mr. and Mrs. Arnold Smith and family.

Gerry and Barbara Joe Welch of Kalamazoo spent Sunday night and Monday at the Arnold Smith home.  
The 4-H Club members turned out fairly well Sunday night, to fill out their blanks for the fair.  
Mr. and Mrs. Ed Lehrbass called on Frank Reed Saturday evening at Pleasant Valley.  
South Arm Extension Club met with Mrs. Clyde Goodman Thursday, a lovely pot luck dinner was served out side on the lawn after which we held a business meeting and social afternoon inside. Mrs. Lionel Goodman was a visitor, she and her husband have been spending their vacation from Chicago.  
Everyone is so busy harvesting, canning and getting in fall grain there just doesn't seem to be any time for making news, maybe next week will be a better time for news.  
Mr. and Mrs. Edward Lehrbass called at the Arnold Smith home Monday evening also Margaret and Martha Lord and Nan and Armond Drapan to work on their food prep. note book.  
Joel Evans spent Sunday and Monday night with David Smith. Mrs. Rv. Liskum and Mrs. Versal Crawford have been having good luck blackberrying.  
Miss Eunice Liskum was dinner guests of Mr. and Mrs. Versal Crawford Wednesday.

**MSC Dairyman Explains New Dairy Rulings**  
Two items in the amendments to the milk law recently passed by the legislature are of particular interest to dairymen who sell milk and cream for direct consumption or bottling purposes.

The amendments which become effective September 17, 1952, have to do with milk house and equipment for handling the product, and minimum quality standards.

D. L. Murray, extension dairyman at Michigan State College, said today that the law now states that milk houses are required to contain facilities for cooling, handling and storing milk. They must have facilities for cleaning and storing equipment, a two-compartment wash tank, metal rack for storing utensils and water heater.

A self-closing door is required between milk house and stable in place of the vestibule which was or still may be required by some local markets. Minimum size standards of the milk house have not been specified by law, but ten by 12 feet should be the minimum for convenience of the operator, Murray advised.

Quality standards are that milk must test not less than three percent butterfat. The bacteria count must be not more than 100,000 per cubic centimeter, as determined by plate or direct microscopic count, or a reduction time of not less than four hours as measured by the methylene blue test.

**Steers On Feed Early In Fall Gain For Market**  
Farmers who depend on dry, feeding pasture alone too long, instead of starting cattle on some feed in late summer and fall, may find valuable market weight actually lost.

Weight lost through poor pasturing, without feed, or after a hard freeze can be put back on only the hard way, by expensive feeding, cautions George A. Branaman, of the Michigan State College animal husbandry department.  
Feed can be saved in spring by sending animals to lush new pasture, he points out, but in the fall it's a question of feed only. Farmers can save time and labor in the feeding program in the fall, Branaman suggests. Steers weighing 700 pounds or more may be fed up to ten pounds of grain in one feed instead of being fed twice daily, without disadvantage.

Most Michigan steers now weighing more than 700 pounds will be finished for market without any pasture next spring, Branaman notes.  
Another good reason for putting choice grade cattle on grain early is the usual trend of a peak market before February, Branaman remarked, adding that well-finished beef may drop after the holidays. Corn, barley, oats or some wheat may be fed to advantage. Corn silage furnishes grain and roughage, and grass silage may replace pasture and hay. Protein supplement is desirable for higher grade steers when good legume hay is limited.

**Home Economics Jottings**  
More people are injured in the home than any other place, so check home safety measures. Now.  
Even in cold weather cotton has a place in the wardrobe, say Michigan State College home economists. Dark cotton dresses or cotton blouses with suits are wise buys for business girls who work in overheated offices.  
Performance of your automatic washer will depend upon proper loading, sufficient hot water supply and suitable detergents. Check those factors if your automatic washer is not operating efficiently, suggest Michigan State College home management specialists.

Field and tree-ripened fruit have the richest color and flavor for frozen storage. Make sure the fruit is firm, ripe and freshly picked suggest Michigan State College food and nutrition specialists.  
Little Jimmie's fourth birthday was drawing near. When his parents asked him what he would like for a present, he said he wanted a dog.  
"Why Jimmy," said his mother, "You don't need a dog. You already have a nice blue plush one."  
Frowning, the little fellow replied: "That's not the kind. I want one with fleas."

**At Our Tourist Park**  
The week before, the weather was really warm, but this past week was cool, in fact so cold there was very little activity all week long.

The park is thinning out, and after Labor Day we'll see only a spattering of trailers here.  
The Alfred Piersons of Sparta left Friday for their home. They planned to stay longer, but due to their daughters illness they cut their vacation shorter.  
A large crowd consisting of the Atwood Farm Bureau, gathered for a co-operative dinner in the recreation building on Wednesday Eve.

Mark Strobel of Dearborn returned Saturday to spend the remainder of his vacation with his family in the park.  
Mr. and Mrs. Carl Stephen and son David left for Onaway, Saturday after spending a week with her parents the Jess Robinsons, from there they will visit relatives in West Branch before returning to their home in Flint.  
Mr. and Mrs. Glenn E. Davidson of Traverse City enjoyed their Sunday picnic dinner in the park on Sunday.

The dining room accommodated another picnic group when the following people gathered there, Mrs. Elsie Spenser of Flint; Mr. and Mrs. Elmer Hott, Mrs. Henry Grutsch and two daughters, Mrs. Alice Shepard and son Bob, and Mr. and Mrs. Don Shepard and three children of East Jordan.

And still another picnic was held on the outdoor tables, those attending this one were — Mr. and Mrs. Earl Pillman of Alden; Mr. and Mrs. Wm. Roberts and daughter, Pam of Central Lake; Duncan Crawford of Ellsworth; Mr. and Mrs. Riley Stewart and sons Dick and Bill and daughter, Karen of Kalamazoo; Miss May Stewart of Oshkosh, Wis.; and Mr. and Mrs. Arthur Brintnall and son Bruce of East Jordan.

Mr. and Mrs. Ward Robinson and son Ronnie of Mt. Morris are visiting their parents, Mr. and Mrs. Ralph Walker and family and Mr. and Mrs. Jess Robinson. Guests over the week-end of Mr. Calvin Sholten and son Gail were Mr. Sholten of Sparta, and Mrs. Clifford Roberts of Ravenna.  
Mr. and Mrs. Fred Blaising and daughter Sharon Sarrazin, of Rome City, Ind., and the formers two sisters, Mrs. Mayme Cms and Mrs. Loretta Pollit of Fort Wayne, Ind., were in the park Sunday calling on acquaintances. The Blaisings were former tenants here, but this year are parked near Petoskey.

Mr. and Mrs. Maynard, former E. J. teachers were in the park one day inquiring about old friends.  
Mr. and Mrs. Norton Gowell and two sons of Shelby visited the Jason Snyders, Mrs. Eva Snyder and Mr. and Mrs. Otto Reinhart. A family dinner was held in the park on Sunday.

Mr. and Mrs. Carl Koch and son Donnie visited her parents at Hart over the week-end. Mr. Koch returned to the park, but Donnie remained there, while they were absent Carl's parents and brother of Walkerville came for a visit, but found no one home.  
Mr. and Mrs. J. G. Heppenstall

returned to their home in Lansing Monday after spending a two weeks vacation here.  
Sunday Evening callers at the Otto Reinharts were the former's brother, Mr. and Mrs. Ernest Reinhart of Boyne City.  
A Mr. and Mrs. Richards of McRae stopped to eat in one of the kitchens as they were traveling through our City Sunday.

Mr. and Mrs. Nick Vanderpoort of St. Clair Shores spent a few days of their vacation again this year with us.  
Mrs. Donald Reader and daughter returned to her home here after spending two weeks with relatives in Rhinelander, Wis., her two sons, Donnie and Jimmy remained with their grandparents. Mrs. Reader's brother, Arthur Bolte, stationed in New Jersey, accompanied them here for a short visit before leaving for Korea.

Mr. and Mrs. Norman Richard St. returned to their home at Detroit for a few days.  
Mr. and Mrs. Donald Reader and daughter spent the week-end at Seestville.  
Due to this reporter leaving the park for this year this will be the last Tourist Park News. Thank you, and so-long for this year.

Anyone who does nothing but wait for his ship to come in has already missed the boat.

Michigan's number one citizen, Governor G. Mennen Williams, was the first to have his hearing tested in the new mobile testing unit of the Michigan Association for Better Hearing.  
Governor Williams is shown here inspecting the unit, and being tested by the Association's audiologist, William K. Ickes.

The new mobile hearing testing unit of the Michigan Association for Better Hearing, shown here being inspected by Governor G. Mennen Williams, is now ready to go on tour of the state.  
The unit, made possible by contributions of Michigan citizens to their local Unit Health and Welfare Fund campaigns, is designed to provide a quick, cheap method for discovering hearing problems among large citizen groups who do not suspect they have hearing troubles.  
The general public may receive a two-minute hearing test, made by audiologist William K. Ickes.

If the quick test indicates a problem, an appointment is made for a longer, more comprehensive test so that serious hearing trouble may be averted. This enables the unit to serve a large number of people in a short time and still provide more complete service to those who need it.  
Facilities of the unit are provided without charge. Persons who know they have a hearing problem can also make arrangements for securing counseling and guidance services of the Association through the mobile unit.  
The Unit will be in Charlevoix County the week of October 27-November 7; January 4-16.

Miss Peggy Schroder was hurt quite badly in a car accident one day last week.

Farmer's are busy with their second cutting of hay which seems to be almost as good as the first this year.

## Fall Planting of Seedlings & Transplants Available This Fall

Some 16,300,000 seedlings and transplants will be available from state conservation nurseries for fall planting and the department now is prepared to accept applications.

Farmers and other landowners should sent requests for application blanks only to the department's forestry division office, Lansing.

For the first time a substantial amount of stock will come from the old federal Wyman nursery near Manistiquet, which the department is operating along with the regular Higgins Lake and Hardwood nurseries.

Five classes of pine available are two-year-old red, white and jack pine. Prices are \$7 a thousand except \$5 a thousand for jack pine seedlings and \$14 a thousand for red pine transplants. Orders for Scotch pine are limited to 5,000 per person.

Stock, distributed at cost for reforestation purposes only, will be shipped starting about September 15 through November 1.

Father: "Well, son, did you kiss your bride?"  
Jerk: "No, dad, but I believe she'd let me."

"Mama! Mama! Little lost his little toe in the lawn mower."  
"Oh, dear, now how will he do his arithmetic lessons?"

**NOTICE**

Shaw's Super Market located on Main Street in East Jordan is now open 7 days a week and evenings.

## CHARLEVOIX COUNTY FAIR

East Jordan, Michigan

### WEEKLY EATING CLUB By Jim Barstow

Mr. and Mrs. Richard Tillinghaff with children Joan and Blair were week end guests of their mother, Mrs. Edna Blair and grandmother, Mrs. Elva Barrie.

Mr. and Mrs. Thomas Damm with children and Marilyn Chaney of Muskegon are vacationing at Cedar Rest also visiting their grandmother Mrs. Anthony Kenney.

Miss Martha Kitaman returned to Cincinnati, Ohio Sunday after spending her vacation visiting at the homes of her sisters, Mrs. Harry Saxton and Mrs. Frank Shepard.

Ida-Rose Thompson, 3 1/2 years old daughter of Mr. and Mrs. Melvin Thompson, was returned to her home Wednesday from Munson Hospital, Traverse City, where she was a polio patient.

Mr. and Mrs. Harry Goodman of Detroit were week end guests of her parents, Mr. and Mrs. Harry Saxton. Their daughter, Nancy who has spent the summer with her grandparents returned to her home with them Sunday.

# The Servicemen's Letter

Hi Fellas:

A letter from Bill Schlikska informs us that he has been out of this country for some time and has returned again without my knowing it. If you men will let us know when you are leaving these shores you can just as well be receiving your papers without interruption. Here's a letter, "Just thought I'd drop you a few lines and let you know the Navy has still got a good grip on me. I saw Glen Persons about a week ago. The day before his ship left for Bremerhaven. We pulled in here on the 4th of August. I looked him up on the 5th and he left on the 6th.

We left here on the 19th of June for the "Med" with stops at the Rock of Gibraltar, Gulf of Juan, France, Naples, Italy, and Casa Blanca, Franch Morocco and as I said before arrived back here in Norfolk the 4th of August. I saw Bud Cummins ship the USS Minos pulling out just as we were pulling in. Could you tell me whether or not he is still in Little Creek?

I've been looking for the (DD-776) to pull in here. How about telling Bruce Bolser to look me up when he gets here? Maybe we could swap sea stories over a cool brew or two.

Joe Hammonds ship was at Gulf Juan at the same time we were but I didn't know it until yesterday.

Well, Jake, only one year and one week and one day and this boy will be a civilian again. I'll sure be glad to see the day even if it does mean I'll have to go to work for a living again. Thanks for the letter, Bill. So far as I know Bud Cummins is in and out of Little Creek at irregular times. His ship is a repair ship, you know.

Ronald Reno has had a change of address while at the same station at Cherry Point, North Carolina. His address is now: Sgt. Ronald D. Reno, 121 31 40, SOS-2, GCA/MCAS, Cherry Point, North Carolina. Take note of that rating. He sure jumped while I was sleeping. I had him a Pfc on my file.

Jesse Ranney has moved from Norman, Oklahoma to Memphis, Tennessee. His new address is: AA Jesse Ranney, 462 86 62, Barracks S-46, NATTC, Memphis, Tennessee. Dave Wade is over in the Marine Air Detachment of the Naval Air Station. Are you men anywhere near each other?

Clare Loomis has a small change in his address. He is still with the MCB No 8 C/o FPO New York, N.Y. but they have added Co. "A" to his address. I wonder if he is overseas yet.

Leo Danforth, down in Camp Gordon, Georgia has evidently been assigned to a training course and is now getting settled into his routine. Here's his latest address: Pvt-2 Leo G. Danforth, RA 16 405 487, Student Co 3, TSESS, Det TSU 9600, Camp Gordon, Georgia. What are you doing, Leo?

Who should walk into the office the other day but Maurice Murphy. I noticed he was smiling happily and then I found out why. Maurice is a civilian again. He has just been discharged and arrived home on August 20. He says he is taking it easy for a while and does not know just yet what he will do in civilian life.

We have orders to cancel the papers for Bill Streeter and Earl Muma as they have finished their

training at Lackland and are on their way to another camp. This new camp is not known to me as yet but you'll get it as soon as I do. Does anyone know if Stanley Antelino is finished at Lackland too? If so, where did he head for?

Joe Belzek has finished his basic at Camp Pickett, Virginia and is home on a 13 day leave. He leaves next Sunday for San Antonio, Texas where he will go into medical training at Fort Sam Houston. He has qualified as a dental aid. We'll probably have his new address for you next week.

Jim Lewis has arrived in Fort Leonard Wood, Missouri to start his basic training in the Armored. His address is: Pvt James P. Lewis, US 55 287 184, Co B, 5th Recon Bn, COE, 6th Armored Div, Fort Leonard Wood, Missouri. Jim McLaughlin and Lyle Peck have preceded you there. You can find Jim McLaughlin in the 5012 ASU, Food Service School and Lyle is in Btry B, 93rd FA Bn.

After a long silence Marvin Frank has checked in from Bossier City, Louisiana which from the postmark on the letter I take to be not far from Shreveport. He writes, "Greetings from the sunny south. This Air Force seems to think the south is the place for us Yankees. I'm in the state of Louisiana now. Guess I should have written sooner to let you know where I am at. My address is 1300 Chaney Drive, Bossier City, Louisiana. We enjoy it here very much."

I am still flying in these B-29's. Not a bad job either. I'm one of the gunners on the crew. I hope to get the paper soon so as to keep up on the home news. It brings back many pleasant memories. Bye for now and I will try to write sooner next time."

Here's a letter from away over in Korea bearing some good news that a certain young lady in this town has been waiting for for some time. Cliff Cutler is at last on his way home. "I guess it's time to tell you that you can stop sending me the paper. I got about two weeks left here. And that's the day I have been waiting for."

The weather over here is pretty warm. One guy said it was 108 in the sun today about 1 o'clock in the afternoon. At the present time it is trying to rain. I just hope it does for maybe it will cool off a bit.

Well I suppose everyone is getting ready for school which starts in about a month. I hope East Jordan has a good football team this year like last years team. I might be home in time to see them play their first game. I hear that the cherry crop is not so good this year. Well, I guess we can't have a good crop every year. We've got to take the bad along with the good.

I haven't read much about the fishing in the paper so I take it's not been so very good. I would like to get some fresh trout about now. The fish we have over here tastes like it's about ten years old.

Well, Jake I guess this is about all for now. If everything goes all right I will see you next month.

Some are coming home and others are going away. Bob Anderson, after being home on furlough this summer and then returning to his ship in San

Diego has set out again for Pacific waters. His ship, the USS Boxer left for Pear Harbor on the 15th of August. Bob expects to be gone for about three months. If anyone sights the Boxer you will find Bob in "A" Division.

For the information of you me who are being discharged you can get your Mustering Out Pay Application Blanks either at the Post Office from Tom St. Charles or also the recruiting officer has a few to out. The applications for Combat Pay have not arrived as yet but we expect them in any days now.

Alfred Hoeler didn't stay long in Fort Custer. They sent him on down to Camp Atterbury, Indiana where he can be found in the 31st Infantry Division. Al, you can find Everett Vermillion over in the Co C, 467 Chem Mortar if you should start looking around for someone from home. Al is now Pfc.

The two Jims — Pollitt and Rusnell left for Fort Lewton, Washington last Sunday. We'll have their addresses for you soon.

Does anyone have the right word on what has happened to Duanne Thomson. His paper of August 9th was forwarded to Clayton, Ohio and then returned here as unclaimed. If anyone has information as to where he is and what he is doing we all would appreciate knowing it. That's all for tonight. So Long. "Jake" Snyder

Mr. Annear will be in his office the first week in September for conference with pupils and parents.

Children who are five years of age on or before December 1st will be admitted to Kindergarten. This is a state law.

Children in grades one through six who have not attended the East Jordan School before, report to Mr. Malone, elementary principal, for assignment. Pupils in grades seven through twelve report to Mr. Annear, high school principal, for assignment.

### Will Attend School of Banking

Mr. Howard Darbee and W. G. Boswell, vice-president and cashier respectively of the State Bank of East Jordan, left August 24th for two weeks attendance at the School of Banking at the University of Wisconsin, Madison. This will be their 2nd year at the School which requires two weeks resident attendance each year for three years to earn the certificate of graduation. Throughout the year between resident sessions students are required to do extensive work involving problems in all phases of banking.

The School is sponsored by the Central States Conference, composed of bankers associations in 16 mid-western states. Attendance this year will approximate 600 bankers, ranging from junior officers and department managers to presidents, vice presidents and board chairmen of banks from more than 80 states.

The faculty of over 100 instructors consists of bankers who are specialists in their respective fields, practicing attorneys, business executives and members of a number of university and college faculties. The instructors comprise one of the most competent groups of men in their respective professions ever assembled for adult educational purposes.

The present high standards of banking service in committees throughout the country will be enhanced by attendance of local bank officials at this specialized

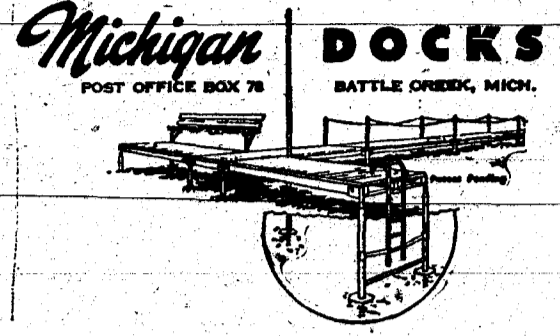

banking school.

# Charlevoix County Herald

VOLUME 56

EAST JORDAN, MICHIGAN, FRIDAY, AUGUST 29, 1952

NUMBER 35

## FAIR DAYS START NEXT TUESDAY at EAST JORDAN

### Exhibitors Please Take Notice

Exhibitor will flock to the Charlevoix County Fair grounds next Tuesday afternoon September 2 to enter their animals and other exhibits for the 63rd annual county fair. Ed Rebmam, county agricultural agent and secretary said today. The office will open at 8:30 a.m. and all exhibits must be entered by 5:00 p.m.

Many times a person has to stand in line for some time in order to get their exhibits entered. To save the exhibitor's time and also the workers in the office, exhibitors should obtain an entry blank from one of the fair books or from the extension office in Boyne City and mail it to the extension office so that the cards, tickets and stickers can be made out ahead of time. This will save a lot of confusion on Tuesday, the entry day.

The exhibits that are to be entered this year will be better and more complete than last year. The Charlevoix county fair has increased its quality of exhibits considerably in the last few years. The fair board would like to urge everyone who can to enter something in the Charlevoix County Fair.

### Fat Stock Sale Next Thursday

The second annual fat stock sale at the Charlevoix County Fair will be held next week Thursday afternoon, September 4 at 8:00 p.m. Ed Rebmam, county agricultural agent and secretary of the fair board announced today. There will be about 30 animals in this sale, most of them will be Herefords with one Angus and possibly one or two Shorthorn steers.

Ten of these animals are Herefords that were in the calf scramble last year. The others were obtained late in the year for the members to feed out of this fat stock sale. The animals weighed between 300 and 500 pounds when they were obtained last year and they will go between 900 and 1200 pounds at sale time.

This fat stock sale will give everyone in the county an opportunity to obtain some good beef for their food locker or home freezer. If you can't use an entire animal, make arrangements with a neighbor or two and buy one of these outstanding meat animals together. The fair board will help you make arrangements to have the animal dressed, cut up and frozen for you. These animals are all being sold at public auction and everyone will have a chance to bid on them.

### Chrochet Contest

The opening day of the Charlevoix County Fair at East Jordan, is rapidly approaching which means that crocheters who are planning to enter articles in the National Crochet Contest had best look to their crochet hooks. There's still enough time to finish your entry so that you won't lose out on this wonderful opportunity for crochet fame and fortune.

Who couldn't made use of a share of the \$2500 prize money? Who wouldn't enjoy an all-expense trip to Chicago? These are

the national prizes awaiting the winners in this biggest of all needlework competitions. In addition, the Charlevoix County Fair has special blue ribbons and a Best of Fair loving cup to award to those whose entries are judged best.

Everyone—including men and teen-agers—is welcome to submit an entry in the Contest. The rules are simple to follow. Your entry must be crocheted of merchized crocheted cotton and must have been completed since January 1, 1952. Then if it wins a special ribbon at the Fair, it will become eligible for the national judging and can compete for national prizes. The sixteen contest classifications include almost anything you might want to make.

### Fine Program Arranged

The program for the Charlevoix County Fair which will be held September 2 to 6 has been set up so that everyone can not only enjoy themselves but can also see some very educational exhibits. Ed Rebmam, secretary, reported today. Tuesday, September 2, the first day of the fair, will be entry day. All exhibits will be placed by 5:00 p.m.

Wednesday, September 3 is Boyne City Day. Most of the judging of agricultural exhibits will take place during the morning. This will include livestock, crops, 1-H, and home economics. The afternoon and evening shows will feature Ward Beam's World Champion Auto Daredevils with 28 great events. The Boyne City High School band will also give a performance.

East Jordan Day is Thursday, September 4. This day has been planned as livestock day. The judging that is not completed on Wednesday will be completed on Thursday morning. There will be a livestock parade at 1:00 p.m., the calf scramble will be held at 2:00 p.m. followed by the sale of the fat stock at 3:00 p.m. Following the fat stock sale will be the sale of the feeder pigs from last year's pig scramble and also another pig scramble.

There will be a grandstand circus and barnyard frolics for the evening show. The East Jordan High School band will also perform.

### Prowler On The Loose In The City

Police are seeking an unidentified prowler who struck Miss Lela Clink, city librarian, on the head outside her home Saturday evening. Miss Clink had gone from the library at 9:00 o'clock and after putting her car in the garage and while walking to the house was struck on the head by the man from the rear. She was unable to give a description.

Police were notified and a doctor called to dress the wound. State and local police have since been working on the case.

Junior: "Pop, when did women start getting the upper hand over men?"

Pop: "Oh, that would be way back when the cavemen started making their clubs out of soft wood."

Most people have some sort of religion; at east they know what church they are staying away from.

## Charlevoix County Men Up For Pre-Induction Physical

The following named men have been ordered to report to the Draft Board Office, in the City Hall, Charlevoix, Michigan on the 16th day of September, at 8:00 a.m. 1952, for transportation, by chartered bus to the Induction Station, for Preinduction Physical Examination.

## Mich. Waterfowl Season Is Longest

CONSERVATION COMMISSION SAYS SEASON STARTS OCT. 1, ENDS NOV. 24.

The longest Michigan waterfowl season since 1945 has been confirmed by the U. S. Fish and Wildlife Service, the conservation department reports.

A 55-day season running October 1-November 24, recently approved by the conservation commission and now confirmed by the federal agency which final authority, is based on a "moderate increase" anticipated in the fall flight of Mississippi fly birds.

State hunters had a 45-day season last year, 33 days in 1950 and 80 days in 1945.

A more liberal woodcock season is scheduled too. Dates are October 1-31 in the upper peninsula and the northern lower peninsula and October 20-November 7 south of highway M-20 or the southern lower peninsula. For the first time in recent years, an open season on jacksnipe was considered, although finally disapproved.

Waterfowl bag limits will be unchanged at four ducks daily and eight in possession. One may be a wood duck. Geese maximum take is five daily or in possession but not more than two Canada or two whitefronted geese. Any combination of 25 American and red-breasted mergansers may be bagged daily, with no possession limit after the opening day. Daily bag and possession limits for coots continues at 10 birds. Four woodcock can be shot daily, eight held in possession.

Ducks, geese and coot can be hunted from one-half hour before sunrise to one hour before sunset except on opening day when legal shooting begins at 12 o'clock noon. Woodcock can be taken from one-half hour before sunrise to sunset. Shooting timetable maps will be available at department regional and district offices and will be printed in newspapers.

### Check on Deer Kill

Placement of about 25 checking stations at strategic points along roadways in the northern lower peninsula is planned during the coming deer season to provide conservation department analysts with hunting information.

The station will be set up on a voluntary basis. Personnel will urge hunters to help the department by offering information on the age, sex, and place where they killed deer.

Most of the stations will be operated only during the first four and the final three days of the season. A few however, will be operated during the entire season, as at the Straits, and on M-27 near Houghton Lake.

Roaming checks also will be made during the entire season.

### Camping Getting Complicated

Indian River, Aug. 25 — Camping is getting more complicated every day.

Paul Wigg, manager of Burt Lake state park near here says he was registering a camper the other day when the mans daughter ran up and asked: "How is TV reception here?"

When told that as of that date, there were no sets in the park, she exclaimed, "Daddy, we don't want to stay here!"

## Getting Set For Football Season

E.J.H.S. FOOTBALL SQUAD STARTS SEPT. 1st.

All candidates for the 1952 East Jordan High School football squad are requested to be on hand at 9:00 a.m. this Friday at the Nurse's office in the Grade Building to take their physical examinations.

Coach Gayle Saxton will issue equipment immediately following the physical examinations.

Two practice sessions will be held daily commencing Monday morning September 1st. Morning workouts will commence at 9:00 o'clock with afternoon sessions slated for 2:00-3:00 o'clock.

Coach Saxton will have some big gaps to fill in the starting lineup this fall, having lost five regulars from last fall's undefeated eleven gone through graduation are; Don Whiteford, high scoring back in the conference the past two years, Norm McGeorge, another back, and linemen Dan Thomas, Earl Bowers, Bob Thomas, and Don Maxwell.

Returning letterman are; backs, Ray Gee, Keith Evans, Robert Romback, and Sam Milestein, and linemen, James Shepard, Steve Hayden, James Weisler, J. M. Ingalls, Richard Freeman, James Sherman and Leon Bartlett.

The Red Devils will open their eight game 1952 schedule with St. Francis of Traverse City at Traverse under the lights Friday night September 19th.

## Parked Cars Special Hazard

CHIEF SIMMONS SAYS THEY ARE DANGEROUS

Chief Harry Simmons called attention today to the fact that passing cars on city streets when parked cars are frequent inter-sections can be exceedingly dangerous.

He said, "There are not many conditions which justify passing on a city street where parked cars only allow one moving lane of traffic in each direction. The speed limit on most city streets is 25 miles per hour. If the car ahead is going 20 miles per hour the difference in speed is only 5 miles per hour. To be able to go 5 miles per hour faster for a short trip will not save enough time to make it worth while to pass.

"Parked cars add a special hazard to passing, and hide pedestrians, especially children, who may thoughtlessly run out into the street. In many areas the block length are not long enough to permit passing before reaching the intersection," he added.

All motorists are urged to cooperate with the August traffic safety campaign under the leadership of State Highway Commissioner Charles M. Ziegler, and sponsored by the Michigan State Safety Commission.

The Chief suggested the following safety tips to help motorists who wish to pass with safety:

- (1) Be sure that there is no car close behind you which may try to pass you as you pull out.
- (2) Make sure that there is no car right ahead of the car you are going to pass which might block you.
- (3) Be certain that there is no oncoming car or, if there is one, that it is far enough away so that you have plenty of time to complete your pass before it arrives.
- (4) Assure yourself that there is no intersection, driveway or filling station entrance from which a car could come and interfere with your passing maneuver.
- (5) When you are certain of cars behind you and in front of you and of all entrances to the roadway then pass rather quickly so that you do not have to stay of the wrong side of the roadway very long. It is recommended that when highway conditions and the speed limit permit safe passing that you travel about 20 miles per hour faster than the car you are passing. Less than this will take you too long. More than this will make it harder for you to stop in time if an emergency develops.

Obey the official safety slogan "Keep in Line—Don't Cut In."

When a man is broke it may mean that he has gone into the hands of a deceiver.

Inalienable rights depend upon many things, but chiefly on sleeping with one eye open.

## Drivers Urged To Use Caution Over Labor Day

With two holiday week ends having already accounted for 56 Michigan traffic deaths this summer, State Police Commissioner Joseph A. Childs is urging motorists to prevent a deadly conclusion to the season by exercising extra care on crowded highways over the Labor Day period.

"In 1941," Childs said, "the combined traffic death toll for the three summer holiday week ends, Memorial Day, Fourth of July and Labor Day, was 118, the highest on record. The lowest 24 in 1944.

"Last year 14 persons were killed over the Labor Day period, Friday through Monday. It was the safest Labor Day week end, from the standpoint of fatalities, since 1944, when only seven were killed. The highest toll was 46 in 1940.

"The Labor Day period is always regarded as potentially dangerous. The holiday comes on a Monday, offering an extended week end trips and other activities. It is also the time when many persons return home from summer cottages so children can enter school.

"Drivers exercised a great deal of care and common sense last year and the week-end toll was comparatively low. The volume of traffic will probably set a new record this Labor Day if weather conditions are favorable, but nevertheless the toll can be further reduced if drivers are cautious. If they are it will help bring the summer to a more happy ending."

## Farmers Urged To Mail PMA Election Ballots

Sept. 8, 1952, is the deadline for mailing Production and Marketing Administration farmer-committee election ballots to the county PMA office, located at Boyne City, Michigan.

Le Roy Hardy, Chairman of the county PMA committee, advises that ballots have been mailed to all Charlevoix County farmers who are known to be eligible to vote in these elections. To be counted, ballots must bear a postmark not later than Sept. 8, 1952.

Farmers who think they may be eligible and have not received a ballot should notify the county PMA committee.

Ballots have been prepared and the voting will be for three farmers to serve as members of a community PMA committee, a delegate from each community to the county convention where the delegates will elect the county committee, and alternates.

Mr. Hardy urges every eligible voter to get his ballot in the mail before the deadline and to vote for farmers he thinks are most able and willing to take on the responsibilities of program administration in 1953. In the coming year, he points out, community committeemen will visit all farms in their areas to help farmers develop their conservation program.

This procedure was followed in one county in each state this year and increased participation, more acres protected by conservation, and greater concentration on practices of a more permanent nature have resulted in these counties.

### South Arm 4-H News

The members of the South Arm 4-H Club are busy finishing their summer projects that are to be exhibited at the county fair.

One of the big jobs at the fair is to help run the food booth. The 4-H Club will again have this, as they have had for the last three years. The money that is earned during the fair will be used to send members to county camp, 4-H club week, Camp Gaylord and used for various other club activities.

The next meeting will be September 10.

### 4-H Club News

Our monthly 4-H Meeting was held on Wednesday the 18th; plans were made to have a 4-H flag made.

We received our new tee shirts, records and base ball and bat.

We had a canning meeting on August 14 at which we canned blackberries.

On Sunday 17th we had our last outdoor meal meeting with a picnic at Whiting Park. Chili was our main dish.

## E. J. AGRICULTURAL SCHOOL OPENS MONDAY, SEPT. 8th

TEACHERS FOR COMING YEAR. LIST OF GRADE PUPILS

The East Jordan Rural Agricultural School will open the 1952-53 School year Monday, Sept. 8th. School will be dismissed at noon the first day in order to give the high school students a chance to secure books in the afternoon and rearrange schedules.

Following is a list of teachers for the coming year:

**Elementary School**  
Isabel Sidebotham, Kindergarten  
Helen Witte, Kindergarten  
Margareite Stokes, First Grade  
Marian Brooks, First Grade  
Cora Seiler, Second Grade  
Agnes Johnston, Second Grade  
Adeline Bowerman, Third Grade  
Marie Hughes, Third Grade  
Jean Strahl, Fourth Grade  
Grace Galmore, Fourth Grade  
Elizabeth Mosher, Fifth Grade  
Sadie Liskum, Fifth Grade  
Alma Larsen, Sixth Grade  
Frank Malone, Sixth Grade and Elementary Principal.

**Junior & Senior High School**  
Alto Drapeau, Music  
Max Damoth, Social Science  
Mildred Karr, English—History  
Harry Jankoviak, Shop  
Gayle Saxton, Coach—Math.  
John Richardson, Bookkeeping—Driver Training  
Clara Brown, Home Making  
Leatha Larsen, Geography—Arithmetic  
Richard Schroeder, Agriculture  
Albert Nesman, Science—Math.  
Emil Acitelli, Band—English  
Willard C. Nelson, Commerce  
Vaun Ogden, English  
John Downing, English  
Keith Annear, Math—Principal of the Junior and Senior High School.  
Louise Scott, Librarian  
JoAnn Nachazel, Clerk in the principal's office  
Sally Saunders, Office clerk

## The Grade Pupils

Following is a list of pupils in the elementary school by grades:

**FIRST GRADE**  
**Mrs. Brooks**  
Benson, Frankie  
Bundy, Linda  
Cihak, Winona  
Clark, Patricia  
Coolman, Noman  
Cosier, Nina  
Crawford, Shirley  
Drenth, Emily  
Eaton, MaryAnn  
Eichlor, Dickie  
Flora, Margaret  
Fowler, Shirley  
Galmore, Tommy  
Gee, Bonnie  
Goebel, Catherine  
Hitchcock, Catherine  
Hosler, David  
Kenny, Robert  
Kortan, Joseph  
Lilac, Douglas  
Lord Terry  
Moore, Raymond  
Nemec, Paul  
Prebble, Susan  
Reich, Donald  
Richard, Carole  
Thompson, Luella  
Vrondran, John  
Williamson, Eddie  
Wilson, Francis  
**Mrs. Stokes**  
Barber, Bonnie  
Bulman, Keith  
Carey, Donna  
Clark, Karen  
Clark, Sharon  
Compo, Marie  
Combest, Ruth  
Damoth, Michael  
Darbee, Billy  
Dunson, Louis  
Dunson, Robert  
Gibbard, James  
Gilkerson, Judy  
Gobel, James  
Grauel, Laura  
Hart, Robert  
Hitchcock, Leslie  
Hughes, Otto  
Ingalls, Rickey  
Kent Daniel  
Kramer, Jeane  
McKinnon, Donald  
McWaters, Marie  
Merritt, Marlene  
Nachazel, Corale  
Nachazel, Danny  
Nelson, Peggy  
Nessman, Janet  
Nylund, Carol  
Schroeder, Roxana  
Slough, Jane  
Sweet, Velma

**SECOND GRADE**  
**Mrs. Sialer**  
Arnott, Charlene  
Bennett, Lyle  
Bennett, Nancy  
Chanda, Richard  
(Continued on last page.)

## Marriages

### Cook — Seaman

The parsonage of Rev. Leland Sharrard, Grand Rapids, Mich., was the scene, Aug 16th of the marriage of Miss Rheta Cook daughter of Mr. and Mrs. Harvey S. Cook of East Jordan to Robert Seaman FN of U S Navy, son of Mr. and Mrs. Edwin Seaman.

The bride chose a navy blue suit with white accessories and she wore a large corsage of white roses.

The bridesmaids was Mrs. June Griffore of Grand Rapids also she chose a checked suit and wore pink carnations.

Best man was the grooms brother, Mr. Jerry Seaman. Following the ceremony a quick reception was held at a well-to-do restaurant.

The couple left immediately by plane for Norfolk, Va., where they will spend a short honeymoon.

### Streeter — Wells

Lawrence E. Streeter, son of Mr. and Mrs. Ed Streeter was united in marriage to Miss Marilyn Wells, daughter of Mr. and Mrs. Wilbur Wells of Charlevoix. The marriage took place July 1, at St. Louis, Missouri. They are now living in Belleville, Illinois, where Lawrence is stationed at Scott Air Force Base.

### Funeral of Mrs. Rose Justice This Saturday Afternoon

Funeral services for Mrs. Rose Justice, who passed away at Grandvue Hospital, will be held at Watson's Funeral Home Saturday, Aug. 30, at 2:00 p.m.

### Mrs. Clara Kitsman Laid To Rest Last Week Thursday

Funeral services for Mrs. Clara Kitsman were held from the Howard Chapel, Standish, at 9:00 a.m., Thursday, August 21. Conducted by Rev. Nelson, Kenny, and at the First Presbyterian Church, East Jordan, Thursday, at 2:00, conducted by Rev. O. DeHaven. Burial in Sunset Hill. Bearers were Howard Porter, Harry Watson, Wm. Porter, Waled Davis, John Seiler and Wm. Malpass.

Clara Hamilton was born in Canada, Feb. 16, 1884, and in 1906 was united in marriage to Gus Kitsman at Standish. In 1908 Mr. and Mrs. Kitsman came to East Jordan and operated a restaurant in the John LaLonde building two years, then bought the Dan Kale restaurant on State St., near the Lake which they operated until 1942 when Mr. Kitsman passed away.

Mrs. Kitsman moved to Standish where she has made her home since the death of her husband, and where she taught school until four years ago when poor health made it necessary for her to give up teaching.

She was a faithful member of the local Presbyterian Church, taught Sunday School many years, was a member of the East Jordan Study Club, and a member of Mark Chapter No 275 O.E.S. of which she was a life member and a Past Matron.

She passed away at her home in Standish, Tuesday, Aug 18, 1952, following a heart attack.

Surviving are two daughters, Mrs. Isabelle Wagner of Wyandotte, and Mrs. Kathryn Saxton of Lansing; one son, William, of Kansas City, Mo.; seven grandchildren and two brothers, Frank Hamilton of St. Petersburg, Florida and Charles Hamilton of Standish, a daughter Mrs. Dorothy Snyder passed away in 1944.

Attending the funeral were—Mr. and Mrs. Ralph Wagner, Wyandotte; Mr. and Mrs. Richard Saxton, Lansing; William Kitsman, Kansas City, Mo.; Mr. and Mrs. Otto Kitsman, Mr. and Mrs. Charles Hamilton, Standish; Miss Martha Kitsman, Cincinnati, Ohio; and Miss Doris Shepard, Saginaw.

Chronic complainers are convinced that every season comes at the wrong time of the year.

Some people who travel the straight and narrow path have minds that are just as narrow.

Ward Beam's World Champion Auto Daredevils who execute this precision stunt must be descendants of the stalwarts who devised the historic Roman-standing races on horseback in the days of ancient glory.

They used only the holding rope as protection and stand in their stocking feet. Sometimes the drivers slip off the narrow ramps as they speed over the "obstacle"

course and sometimes the boxes slip off. It may not look quite as spectacular as the head-on collision of two stock cars, the jump of the autos over a full-length wall, the crashing of a car into a ball of flame and other thrillers on the menu which Beam's courageous lads will serve at the Charlevoix County Fair, East Jordan, Wednesday afternoon and night, Sept. 8rd.

# Charlevoix County Herald

VOLUME 56

EAST JORDAN, MICHIGAN, FRIDAY, AUGUST 29, 1952

NUMBER 35

## FAIR DAYS START NEXT TUESDAY at EAST JORDAN

### Exhibitors Please Take Notice

Exhibitor will flock to the Charlevoix County Fair grounds next Tuesday afternoon September 2 to enter their animals and other exhibits for the 63rd annual county fair. Ed Reberman, county agricultural agent and secretary said today. The office will open at 8:30 a.m. and all exhibits must be entered by 5:00 p.m.

Many times a person has to stand in line for some time in order to get their exhibits entered. To save the exhibitor's time and also the workers in the office, exhibitors should obtain an entry blank from one of the fair books or from the extension office in Boyne City and mail it to the extension office so that the cards, tickets and stickers can be made out ahead of time. This will save a lot of confusion on Tuesday, the entry day.

The exhibits that are to be entered this year will be better and more complete than last year. The Charlevoix county fair has increased its quality of exhibits considerably in the last few years. The fair board would like to urge everyone who can to enter something in the Charlevoix County Fair.

## Fat Stock Sale Next Thursday

The second annual fat stock sale at the Charlevoix County Fair will be held next week Thursday afternoon, September 4 at 8:00 p.m. Ed Reberman, county agricultural agent and secretary of the fair board announced today. There will be about 30 animals in this sale, most of them will be Herefords with one Angus and possibly one or two Shorthorn steers.

Ten of these animals are Herefords that were in the calf scramble last year. The others were obtained late in the year for the members to feed out of this fat stock sale. The animals weighed between 300 and 600 pounds when they were obtained last year and they will go between 900 and 1200 pounds at sale time.

This fat stock sale will give everyone in the county an opportunity to obtain some good beef for their food locker or home freezer. If you can't use an entire animal, make arrangements with a neighbor or two and buy one of these outstanding meat animals together. The fair board will help you make arrangements to have the animal dressed, cut up and frozen for you. These animals are all being sold at public auction and everyone will have a chance to bid on them.

## Chrochet Contest

The opening day of the Charlevoix County Fair at East Jordan, is rapidly approaching which means that crocheters who are planning to enter articles in the Nationwide Crochet Contest had best look to their crochet hooks. There's still enough time to finish your entry so that you won't lose out on this wonderful opportunity for crochet fame and fortune.

Who couldn't made use of a share of the \$2500 prize money? Who wouldn't enjoy an all-expense trip to Chicago? These are

the national prizes awaiting the winners in this biggest of all needlework competitions. In addition, the Charlevoix County Fair has special blue ribbons and a Best of Fair loving cup to award to those whose entries are judged best.

Everyone—including men and teen-agers—is welcome to submit an entry in the Contest. The rules are simple to follow. Your entry must be crocheted of mercerized crochet cotton and must have been completed since January 1, 1952. Then if it wins a special ribbon at the Fair, it will become eligible for the national judging and can compete for national prizes. The sixteen contest classifications include almost anything you might want to make.

## Fine Program Arranged

The program for the Charlevoix County Fair which will be held September 2 to 6 has been set up so that everyone can not only enjoy themselves but can also see some very educational exhibits. Ed Reberman, secretary, reported today. Tuesday, September 2, the first day of the fair, will be entry day. All exhibits will be placed by 5:00 p.m.

Wednesday, September 3 is Boyne City Day. Most of the judging of agricultural exhibits will take place during the morning. This will include livestock, crops, 4-H, and home economics. The afternoon and evening shows will feature Ward Beam's World Champion Auto Daredevils with 28 great events. The Boyne City High School band will also give a performance.

East Jordan Day is Thursday, September 4. This day has been planned as livestock day. The judging that is not completed on Wednesday will be completed on Thursday morning. There will be a livestock parade at 1:00 p.m., the calf scramble will be held at 2:00 p.m. followed by the sale of the fat stock at 3:00 p.m. Following this fat stock sale will be the sale of the feeder pigs from last year's pig scramble and also another pig scramble.

There will be a grandstand circus and barn yard frolics for the evening show. The East Jordan High School band will also perform.

## Prowler On The Loose In The City

Police are seeking an unidentified prowler who struck Miss Lela Clink, city librarian, on the head outside her home Saturday evening. Miss Clink had gone from the library at 9:00 o'clock and after putting her car in the garage and while walking to the house was struck on the head by the man from the rear. She was unable to give a description.

Police were notified and a doctor called to dress the wound. State and local police have since been working on the case.

Junior: "Pop, when did women start getting the upper hand over men?"

Pop: "Oh, that would be way back when the cavemen started making their clubs out of soft wood."

Most people have some sort of religion; at east they know what church they are staying away from.

## Charlevoix County Men Up For Pre-Induction Physical

The following named men have been ordered to report to the Draft Board Office, in the City Hall, Charlevoix, Michigan on the 16th day of September, at 8:00 a.m. 1952, for transportation, by chartered bus to the Induction Station, for Preinduction Physical Examination.

- Charlevoix**  
 Louise E. Gillespie  
 Enos M. Bacon  
 Richard J. Hull  
 Thomas E. Donaldson  
 Jack W. Mort
- Boyer Falls**  
 Dalton D. Duff  
 Mike E. Jenkins
- Boyer City**  
 Laurence D. Etcher
- East Jordan**  
 Leo J. Warner
- Cornelia Barber, Clerk**

## Mich. Waterfowl Season Is Longest

### CONSERVATION COMMISSION SAYS SEASON STARTS OCT. 1, ENDS NOV. 24.

The longest Michigan waterfowl season since 1945 has been confirmed by the U. S. Fish and Wildlife Service, the conservation department reports.

A 55-day season running October 1-November 24, recently approved by the conservation commission and now confirmed by the federal agency which final authority, is based on a "moderate increase" anticipated in the fall flight of Mississippi fly birds.

State hunters had a 45-day season last year, 33 days in 1950 and 80 days in 1945.

A more liberal woodcock season is scheduled too. Dates are October 1-31 in the upper peninsula and the northern lower peninsula and October 20-November 7 south of highway M-20 or the southern lower peninsula. For the first time in recent years, an open season on jacksnipe was considered, although finally disapproved.

Waterfowl bag limits will be unchanged at four ducks daily and eight in possession. One may be a wood duck. Geese maximum take is five daily or in possession but not more than two Canada or two whitefronted geese. Any combination of 25 American and red-breasted mergansers may be bagged daily, with no possession limit after the opening day. Daily bag and possession limits for coots continues at 10 birds. Four woodcock can be shot daily, eight held in possession.

Ducks, geese and coot can be hunted from one-half hour before sunrise to one hour before sunset except on opening day when legal shooting begins at 12 o'clock noon. Woodcock can be taken from one-half hour before sunrise to sunset. Shooting timetable maps will be available at department regional and district offices and will be printed in newspapers.

## Check on Deer Kill

Placement of about 25 checking stations at strategic points along roadways in the northern lower peninsula is planned during the coming deer season to provide conservation department analysts with hunting information.

The station will be set up on a voluntary basis. Personell will urge hunters to help the department by offering information on the age, sex, and place where they killed deer.

Most of the stations will be operated only during the first four and the final three days of the season. A few however, will be operated during the entire season, as at the Straits, and on M-27 near Houghton Lake.

Roving checks also will be made during the entire season.

**Camping Getting Complicated**  
 Indian River, Aug. 25 — Camping is getting more complicated every day.

Paul Wigg, manager of Burt Lake state park near here says he was registering a camper the other day when the mans daughter ran up and asked: "How is TV reception here?"

When told that as of that date, there were no sets in the park, she exclaimed, "Daddy, we don't want to stay here!"

## Getting Set For Football Season

### E.J.H.S. FOOTBALL SQUAD STARTS SEPT. 1st.

All candidates for the 1952 East Jordan High School football squad are requested to be on hand at 9:00 a.m. this Friday at the Nurse's office in the Grade Building to take their physical examinations.

Coach Gayle Saxton will issue equipment immediately following the physical examinations. Two practice sessions will be held daily commencing Monday morning September 1st. Morning workouts will commence at 9:00 o'clock with afternoon sessions slated for 2:00 o'clock.

Coach Saxton will have some big gaps to fill in the starting lineup this fall, having lost five regulars from last fall's undefeated eleven gone through graduation are; Don Whiteford, high scoring back in the conference the past two years, Norm McGeorge, another back, and line men Dan Thomas, Earl Bowers, Bob Thomas, and Don Maxwell.

Returning letterman are; backs, Ray Gee, Keith Evans, Robert Romback, and Sam Milestein, and linemen, James Shepard, Steve Hayden, James Weisler, J. M. Ingalls, Richard Freeman, James Sherman and Leon Bartlett.

The Red Devils will open their eight game 1952 schedule with St. Francis of Traverse City at Traverse under the lights Friday night September 19th.

## Parked Cars Special Hazard

### CHIEF SIMMONS SAYS THEY ARE DANGEROUS

Chief Harry Simmons called attention today to the fact that parked cars on city streets when parked cars are frequent intersections can be a "special hazard."

He said, "There are not many conditions which justify passing on a city street where parked cars only allow one moving lane of traffic in each direction. The speed limit on most city streets is 25 miles per hour. If the car ahead is going 20 miles per hour the difference in speed is only 5 miles per hour. To be able to go 5 miles per hour faster for a short trip will not save enough time to make it worth while to pass."

"Parked cars add a special hazard to passing, and hide pedestrians, especially children, who may thoughtlessly run out into the street. In many areas the block length are not long enough to permit passing before reaching the intersection," he added.

All motorists are urged to cooperate with the August traffic safety campaign under the leadership of State Highway Commissioner Charles M. Ziegler, and sponsored by the Michigan State Safety Commission.

The Chief suggested the following safety tips to help motorists who wish to pass with safety:

- (1) Be sure that there is no car close behind you which may try to pass you as you pull out.
- (2) Make sure that there is no car right ahead of the car you are going to pass which might block you.
- (3) Be certain that there is no oncoming car or, if there is one, that it is far enough away so that you have plenty of time to complete your pass before it arrives.
- (4) Assure yourself that there is no intersection, driveway or filling station entrance from which a car could come and interfere with your passing maneuver.
- (5) When you are certain of cars behind you and in front of you and of all entrances to the roadway then pass rather quickly so that you do not have to stay on the wrong side of the roadway very long. It is recommended that when highway conditions and the speed limit permit safe passing that you travel about 20 miles per hour faster than the car you are passing. Less than this will take you too long. More than this will make it harder for you to stop in time if an emergency develops.

Obey the official safety slogan "Keep in Line—Don't Cut In."

When a man is broke it may mean that he has gone into the hands of a deceiver.

Inalienable rights depend upon many things, but chiefly on sleeping with one eye open.

## Drivers Urged To Use Caution Over Labor Day

With two holiday week ends having already accounted for 56 Michigan traffic deaths this summer, State Police Commissioner Joseph A. Childs is urging motorists to prevent a deadly conclusion to the season by exercising extra care on crowded highways over the Labor Day period.

"In 1941," Childs said, "the combined traffic death toll for the three summer holiday week ends, Memorial Day, Fourth of July and Labor Day, was 118, the highest on record. The lowest 24 in 1944.

"Last year 14 persons were killed over the Labor Day period, Friday through Monday. It was the safest Labor Day week end, from the standpoint of fatalities, since 1944, when only seven were killed. The highest toll was 46 in 1940.

"The Labor Day period is always regarded as potentially dangerous. The holiday comes on a Monday, offering an extended week end trips and other activities. It is also the time when many persons return home from summer cottages so children can enter school.

"Drivers exercised a great deal of care and common sense last year and the week-end toll was comparatively low. The volume of traffic will probably set a new record this Labor Day if weather conditions are favorable, but nevertheless the toll can be further reduced if drivers are cautious. If they are it will help bring the summer to a more happy ending."

## Farmers Urged To Mail PMA Election Ballots

Sept. 8, 1952, is the deadline for mailing Production and Marketing Administration farmer-committee election ballots to the county PMA office, located at Boyne City, Michigan.

Le Roy Hardy, Chairman of the county PMA committee, stated that ballots have been mailed to all Charlevoix County farmers who are known to be eligible to vote in these elections. To be counted, ballots must bear a postmark not later than Sept. 8, 1952.

Farmers who think they may be eligible and have not received a ballot should notify the county PMA committee.

Ballots have been prepared and the voting will be for three farmers to serve as members of a community PMA committee, a delegate from each community to the county convention where the delegates will elect the county committee, and alternates.

Mr. Hardy urges every eligible voter to get his ballot in the mail before the deadline and to vote for farmers he thinks are most able and willing to take on the responsibilities of program administration in 1953. In the coming year, he points out, community committeemen will visit all farms in their areas to help farmers develop their conservation program.

This procedure was followed in one county in each state this year and increased participation, more acres protected by conservation, and greater concentration on practices of a more permanent nature have resulted in these counties.

## South Arm 4-H News

The members of the South Arm 4-H Club are busy finishing their summer projects that are to be exhibited at the county fair.

One of the big jobs at the fair is to help run the food booth. The 4-H Club will again have this, as they have had for the last three years. The money that is earned during the fair will be used to send members to county camp, 4-H club week, Camp Gaylord and used for various other club activities.

The next meeting will be September 10.

## Marriages

### Cook — Seaman

The parsonage of Rev. Leland Sharard, Grand Rapids, Mich., was the scene, Aug 16th of the marriage of Miss Rheta Cook daughter of Mr. and Mrs. Harvey S. Cook of East Jordan to Robert Seaman FN of U S Navy, son of Mr. and Mrs. Edwin Seaman.

The bride chose a navy blue suit with white accessories and she wore a large corsage of white roses.

The bridesmaids was Mrs. June Griffore of Grand Rapids also she chose a checked suit and wore pink carnations.

Best man was the grooms brother, Mr. Jerry Seaman. Following the ceremony a quick reception was held at a well-to-do restaurant.

The couple left immediately by plane for Norfolk, Va., where they will spend a short honeymoon.

### Streeter — Wells

Lawrence E. Streeter, son of Mr. and Mrs. Ed Streeter was united in marriage to Miss Marilyn Wells, daughter of Mr. and Mrs. Wilbur Wells of Charlevoix. The marriage took place July 1, at St. Louis, Missouri. They are now living in Belleville, Illinois, where Lawrence is stationed at Scott Air Force Base.

## Funeral of Mrs. Rose Justice This Saturday Afternoon

Funeral services for Mrs. Rose Justice, who passed away at Grandvue Hospital, will be held at Watson's Funeral Home Saturday, Aug. 30, at 2:00 p.m.

## Mrs. Clara Kitman Laid To Rest Last Week Thursday

Funeral services for Mrs. Clara Kitman were held from the Howard Chapel, Standish, at 9:00 a.m., Thursday, August 21. Conducted by Rev. Nelson Kenny, and at the First Presbyterian Church, East Jordan, Thursday, at 2:00, conducted by Rev. O. DeHaven. Burial in Sunset Hill. Bearers were Howard Porter, Harry Watson, Wm. Porter, Walter Davis, John Seiler and Wm. Malpass.

Clara Hamilton was born in Canada, Feb. 16, 1884, and in 1906 was united in marriage to Gus Kitman at Standish. In 1908 Mr. and Mrs. Kitman came to East Jordan and operated a restaurant in the John LaLonde building two years, then bought the Dan Kale restaurant on State St., near the Lake which they operated until 1942 when Mr. Kitman passed away.

Mrs. Kitman moved to Standish where she has made her home since the death of her husband, and where she taught school until four years ago when poor health made it necessary for her to give up teaching.

She was a faithful member of the local Presbyterian Church, taught Spinday School many years, was a member of the East Jordan Study Club, and a member of Mark Chapter No 275 O.E.S. of which she was a life member and a Past Matron.

She passed away at her home in Standish, Tuesday, Aug 18, 1952, following a heart attack.

Surviving are two daughters, Mrs. Isabelle Wagner of Wyandotte, and Mrs. Kathryn Saxton of Lansing; one son, William, of Kansas City, Mo.; seven grandchildren and two brothers, Frank Hamilton of St. Petersburg, Florida and Charles Hamilton of Standish, a daughter Mrs. Dorothy Snyder passed away in 1944.

Attending the funeral were: Mr. and Mrs. Ralph Wagner, Wyandotte; Mr. and Mrs. Richard Saxton, Lansing; William Kitman, Kansas City, Mo.; Mr. and Mrs. Otto Kitman, Mr. and Mrs. Charles Hamilton, Standish; Miss Martha Kitman, Cincinnati, Ohio; and Miss Doris Shepard, Saginaw.

Chronic complainers are convinced that every season comes at the wrong time of the year.

Some people who travel the straight and narrow path have minds that are just as narrow.

Ward Beam's World Champion Auto Daredevils who execute this precision stunt must be descendants of the stalwarts who devised the historic Roman-standing races on horseback in the days of ancient glory.

They used only the holding rope as protection and stand in their stocking feet. Sometimes the drivers slip off the narrow ramps as they speed over the "obstacle"

DISCOVERED PAPER

"Hello! This is the Sooper Hooper Manufacturing Co. We've got a defense contract for hydro-gobinators for the Air Force. But we need a subcontractor to turn out the framms on the globbis for us. Do you know of any firm that can make 'em?"

Such a request is duck soup for the Michigan Department of Economic Development.

From its files of over 22,000 Michigan plants, it quickly comes up with the right answer.

So the hydrogobinators go into production, the Air Force maintains its defence schedule and a new contract—and more payroll—comes to Michigan.

This is just one of the services the DED preforms to build Michigan prosperity.

"Our Industrial Development service takes credit for assisting in bringing two large plants to Michigan recently and has helped persuade several plants not to move or expand out of the state," says Don C. Weeks, director.

"Up at Iron Mountain, the former Ford body plant stood idle since last December. One of our agents was hired by the owners of the building to spend full time filling the plant with new industry and already has 20% of the space occupied.

"Meanwhile the division is working with five other hard-hit areas to help stimulate all-out community programs to attract industry."

That phrase "community programs" is the key to Michigan's economic future.

Michigan business itself has subscribed \$20,000 for a survey of the economic potential of the Upper Peninsula. In progress is a program to raise an annual \$100,000 by subscription by business for a Michigan-wide promotion program.

Business realizes, in the words of Weeks, that "nothing is more important to the whole community of Michigan than that it be recognized as a place which has an economic climate favorable to industry. That climate can't be improved until Michigan residents know what has to be done and action is then predicated on careful planning to unite Michigan in attracting industry."

A survey made last year by the University of Michigan, with business footing the \$20,000 bill shows what industry thinks of the state, why it stays, why it moves out. Answers eventually will determine the number of dollars and cents in every Michigan-der's pocket.

Always working with the community, itself, the department has an average list of 150 industrial buildings available for rent, lease or purchase.

The Industry Service Division has played a prime part in getting

defense contracts and sub-contracts for Michigan plants since the start of the Korea police action.

The Research Division provides technical services to the other divisions and communities which want to survey their own assets (and liabilities) and prepare brochures to attract industry.

"Economics" is an awfully dry-sounding term.

But reduced from all those syllables, it means, basically, how much money does John Q. Citizen have in his pocket and what can he buy with it?

In those terms, economics is something that concerns everybody all the time.

That's why Michigan citizens are lucky that the Department of Economic Development is directed by a Commission made up of 19 prominent business and professional men from all parts of the state.

Their names are too many to enumerate here, but Dan Gerber, president of the nationally-known Gerber's Baby Food company, is chairman of the Commission and is typical of the stature of the men who guide this program since the Commission was created five years ago by the Legislature.

How's the business in Michigan? The report of the Michigan Department of Revenue just released for the month of June indicated it's improving steadily since March.

Total sales and use tax collections for June were \$21.96 million, an increase of \$618,031 over June of '51.

Michiganers spent at least \$706 million in retail stores in June. At least 3% of that figure is \$21.1 million, the amount reported as retail sale tax that month.

Autos, apparel, building material and food—in that order—produced the greatest sales tax revenue during that month.

The perennial private industry-government control argument can churn up a couple degrees of temperature by comparing a pair of figures from Arenac County.

More trout Inc., a sportsman's organization, is building a fish control and rainbow trout impoundment dam on the AuGres River near McIvor. Their cost will be under \$10,000; the Michigan Conservation Department estimated it at \$22,000.

Sea lampreys, those eel-like destroyers of fine Great Lakes fish, get their come-uppance from More Trout Inc. As spawning fish and pursuing lampreys move upstream, they pass through a fish sorter. There the lampreys, which have lived off other fish all their lives, are removed permanently. And, in perfect irony, they're ground up and used as fish food.

Republican visitors to the State Fair are apt to give vent to a few pyrotechnics of their own when they see the big fireworks display. One of the pieces will be a glowing portrait of Gov. G. Mennen Williams.

The GOP-ers will probably find it hard to accept that this is just a deserved tribute to the chief executive of the state and that it's just a happy coincidence that the jovial governor is a candidate for reelection.

If you live in the average small town of Michigan, you'll probably see more candidates this year than you ever have in any one campaign.

Both parties will be "ringing doorbells", calling on smaller communities as well as working the bigger cities in the state.

Several Republican newcomers scored upset victories in the primaries by this very method. And Gov. Williams is a past-master at the art.

So, if you want a gubernatorial candidate or the next U.S. Senator at your Ladies Aid meeting or Volunteer Fireman's Picnic, all you have to do is extend the invitation. Political hands are outstretched to receive it.

### Homemakers' Corner

Home Economics Specialist  
Michigan State College

#### FRESH PEACHES OFFER MANY MENU CHANGES

Michigan's peach crop is a good one and homemakers should take advantage of the situation according to Roberta Hershey, Michigan State College foods and nutrition extension specialist. Miss Hershey gives some tips on peach uses.

For easy peeling she suggests dipping well-washed peaches in boiling water for just one minute—no more—and then immediately into cold water. If you are canning peaches you will be interested in knowing that it is important to wash them before dipping into the hot water to wash off some of the spoilage bacteria.

Miss Hershey says that after the boiling water dip it is easy to slip off the skins. If you drop the peeled halves in a solution of two tablespoons of salt and two of vinegar to a gallon of water, you can keep the fruit from darkening.

How about serving broiled peaches around the edge of the platter with your next roast whether it's beef, pork, or canned luncheon loaf? asks Miss Hershey. Places peaches in a shallow pan, pour just a little honey or brown sugar and a wee bit of fat over them and slide the pan under the broiler until they are delicately browned.

Or here is another idea suggested by the home economist. Put a generous spoonful of cottage cheese between two halves of peach and drizzle a honey dressing over it. The honey dressing is made by mixing equal parts of strained honey and lemon juice. The lemon juice keeps the peach from discoloring and lends a piquant flavor at the same time. Or set sliced peaches and blueberries in lemon gelatin made with part ginger ale. That will add zip to the peach flavor, says Miss Hershey.

#### WEST PENINSULA. . .

(Edited by Mrs. Wm. Gaunt)

The Bricker and Dare Wedding of August 23rd was well attended. The reception at the Peninsula Grange Hall, Saturday night, was well attended. Everyone wished the young couple all the joy and happiness. They received a lot of lovely gifts.

Mr. and Mrs. Harry Taylor and daughter and their mother, Mrs. Caroline Taylor and Mr. and Mrs. Ted Westerman and family all of Fremont spent over the week end with Mr. and Mrs. Bill Gaunt Jr., returning home Sunday afternoon.

Mr. and Mrs. Tuttle and Mr. and Mrs. Virgil LeRoy and two children took supper Thursday evening with Mr. and Mrs. Wm. Gaunt Sr.

The Pastry Walk sponsored by the Advance Board of Commerce was well attended last Friday evening at Whittings Park.

Mr. and Mrs. Virgil LeRoy and two children returned to their home at Grand Rapids Sunday morning. Their parents Mr. and Mrs. Lyle Tuttle will leave Monday p.m. for Fenton after spending a week at their cabin on South Arm.

The Farm Bureau held their picnic at the Whiting Park Sunday which was well attended. The Star 4-H Club also held their picnic at the park. The day was spent by the two picnics a playing softball.

Edward Phillips was working in Detroit called his home Sunday, telling them to come after him at Clare as he was having a man drive him up that far, as he was taken sick and had to come home. The family got him home and took him to the Little Traverse Hospital Sunday evening. At this writing he is feeling some better.

Mr. and Mrs. Audrie Goes and two children of South Bend, Ind., are spending a week at the Rustan vacationing.

Mrs. Alfred Crowell and daughter Ruth Ann spent from Monday to Thursday in Jackson with their sister and brother-in-law, Mr. and Mrs. Tiny Worden. They

## Looking Backward . . .

AUGUST 24, 1912

Seven carloads of crushed stone were received by our city first of the week, a large portion of which will be used on the road leading to the Fair Grounds.

Lee Howland and his crew of workmen have commenced active operation on our new pavement. The tug Taylor brought in a scow load of machinery from Charlevoix Tuesday.

H. I. McMillian figured in a near serious accident Thursday. He was standing on the crossing near Spring's Drug Store when an automobile approached. He started to step out of the way, when he tripped and fell in front of the machine, the front wheels striking him in the chest before the auto could be stopped.

Wm. T. Lord died at his home on Second St. Tuesday following a three-day illness from appendicitis. He came to East Jordan nine years ago and has been in the employ of the East Jordan Lumber Co. Interment was made in the East Jordan Cemetery.

The Holy Island Excursion, Picnic and Lot Sale given by I. B. McLean and his corps of assistants last Tuesday was a success in every term. Over 1200 people visited the Island that day going by carriages. The Str. Hum carried by steamers, launches, autos and 341 passengers to the Island that day. Nearly half the lots were sold and all could have been had the management been willing to sell in blocks. The Barbecue was freely patronized, several hundred pounds of beef, two barrels of coffee, 144 loaves of bread and a big quantity of sugar and cream were consumed.

Mrs. Odella Pratt and old East Jordan resident left Monday for Grand Rapids to enter the Home of the Aged conducted by the sisters.

AUGUST 25, 1922

The largest single business deal in East Jordan for several years was completed last week when the East Jordan Co-operative Association purchased the Argo Milling Company's interests in this city, taking over the holdings, Friday. The purchase comprises the Argo Milling Co's 125 barrel Flour Mill the Argo Warehouses and Coal Sheds, R. C. Supernaw, manager for the Co-operative Ass'n will have charge of the new addition to their holdings.

Miss Goldie A. Schneider, daughter of Mr. and Mrs. Conrad Schneider of near Horton Bay, was united in marriage to Vern J. Whiteford of East Jordan at the home of her son, Joseph, near this city Thursday, Aug. 17, from heart trouble following an illness of several years duration. Adiel Burney was born at Ogdensburg, N.Y., Feb. 24 1840. On Dec. 4, 1858 she was married to John Martin Kenny. They were among the first settlers of this region coming here in the late fall of 1866, fifty-six years ago. They "homesteaded" just north of what is now East Jordan and continued to make this their home until death. Mr. Kenny passed away Dec. 20, 1920. Surviving are the following sons and daughters: John F., Anthony, William Kenny and Joseph Kenny. Mrs. Jane Riggs, Grand Rapids; Mrs. F. H. Garrett, Council Bluffs, Iowa; and Mrs. John Kelly, Peoria, Ill. Funeral was held at the St. Joseph Catholic Church, Aug. 21 at 10.00 a.m. conducted by Fr. D. M. Drinan. Burial in the Catholic Cemetery.

AUGUST 26, 1932

School opens Tuesday, Sept. 6, with the following faculty 1932-33:—Supt. of Schools E. E. Wade of Alpha; Principal and Mathematics, Merton Roberts, Sand Creek; English, Leitha Perkins, East Jordan; Home Economics, Helen Topliff, Eaton Rapids; Manual Arts, E. J. Maynard, Harbor Springs; Commercial, Edmund Dickerson, Grand Rapids; Latin and English, Dorothy Stroop, Holland; Agriculture and Science, Russell Eggert, East Jordan; Coach and Junior High, Abe Cohen, So. Hbbling, Minn.; Band and Orchestra, John Ter Wee, East Jordan; Junior High, Gerald DeForest, East Jordan; Kindergarten, Eleanor Carson, Jordan; First Grade, Edith Bartlett, East Jordan; Second Grade, Mildred Brown, Mackinaw City;

Worden family drove back with them. They are spending some time near Potoskey remodeling their home they purchased some time ago. Also getting the ground ready for a Drive In Theatre.

**MICHIGAN OUTDOORS**

with MORT NEFF

**HOW MANY DEER WILL WE TAKE?**

Everybody else is talking about the new deer-hunting regulations, so we'd better register our opinion while the subject is "hot!" With the northern part of the lower peninsula wide-open for killing any deer, buck, doe or fawn on the last three days of the season, mortal damage might be done to our deer herd if three or four hundred thousand hunters took to the woods with a determined gleam in their eye. However, fortunately for the deer, a few psychological factors are working against this possibility.

**Record Army Will Start**

Let's begin with opening day, November 15th. Probably a record number of hunters will open the season. Opening day falls on a Saturday. There'll be more noise in the Michigan woods that day than any battle in history ever produced. Lots of deer will be killed and they won't all be bucks. The hornless variety shot by "trigger-happies" will be left to rot in the woods, and the culprits who escape will tell their conscience: "Oh well, they'd be shot the last 3 days anyway, so why should I worry?" Many of these hunters will still consider themselves sportsmen. That's debatable!

As the season moves along and those fatal 3 days approach, more

and more bucks will have been killed, and at least one-fourth, or about 100,000 hunters will have gone home with their trophy. Another 200,000 will have "had it." The rugged spirit of the chase doesn't feel so rugged any more. Pocketbooks will have grown slimmer, and mamma will be saying, "No more hunting, Pop! Baby needs new shoes." That leaves 100,000 more or less strong.

**Deer Get Smart**

The last 3 days fall on a week-end. That's bad—for the deer. But deer get smart. All that noise has made them college-educated. Even the fawns get the idea and head for tall timber that's hard to find. So what happens? The success ratio will stay about the same in my opinion.

Another 30,000 deer, with and without horns will be killed in 3 days—and that many only if the weather is good. A customary late November snow storm will cut that figure to 10,000. So, after the ball is over the "disaster" that some people anticipate may not even produce a kill great enough to begin to level off the herd as much as our game experts call for. We'll wait and see. However, if those last 3 days are bright and sunny lots of people who ordinarily love Michigan Outdoors will take the advice of their insurance agents and choose Michigan Indoors for a safe and sane week-end!

**PROBATE ORDER**  
Appointment of Administrator  
State of Michigan, The Probate Court for the County of Charlevoix.

At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, on the 18th day of August, 1952. Present: Honorable Floyd A. Supp, Judge of Probate.

In the Matter of the Estate of Mae Ward, deceased.  
Virginia Ward, a daughter and heir at law of said deceased, having filed in said Court her petition praying that the administration of said estate be granted to Barney Milstein, or to some other suitable person.

It is Ordered, That the 22nd day of September, A.D. 1952, at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition;

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, once each week for three successive weeks previous to said day of hearing, in the Charlevoix County Herald, a newspaper printed and circulated in said County.

Floyd A. Supp  
34x3 Judge of Probate

**Calf Scramble**

There will be 12 hereford beef calves in the calf scramble which will be held Thursday afternoon at 2:00 p.m., September 4 at the Charlevoix County Fair. It is expected that 16 or 18 boys will enter the calf scramble and compete for one of these calves. The boys must be 15, 16 or 17 years of age and physically fit.

These boys will have these calves to raise during the next year and they will be brought back to the 1953 Charlevoix County Fair to be sold. There will be no other calves in the beef feeding project other than these 12 scramble calves.

Anyone interesting in entering the calf scramble should contact Ed Rehman, County Agricultural Agent, of Boyne City for application forms which must be signed by the boy and his parents. There will also be a big scramble and younger boys and girls may enter this pig scramble. If you are interested in this send your name to the County Extension Office at Boyne City.

**SOUTH ARM . . .**

(Edited by Mrs. Arnold Smith)

Mr. and Mrs. Clair Brooks of Boyne City and daughter, Mrs. Geraldine Welch and children of Kalamazoo were Sunday afternoon and supper guests of Mr. and Mrs. Arnold Smith and family.

Gerry and Barbara Joe Welch of Kalamazoo spent Sunday night and Monday at the Arnold Smith home.

The 4-H Club members turned out fairly well Sunday night to fill out their blanks for the fair.

Mr. and Mrs. Ed Lehrbass called on Frank Reed Saturday evening at Pleasant Valley.

South Arm Extension Club met with Mrs. Clyde Goodman Thursday, a lovely pot luck dinner was served out side on the lawn after which we held a business meeting and social afternoon inside. Mrs. Lionel Goodman was a visitor, she and her husband have been spending their vacation from Chicago.

Everyone is so busy harvesting, canning and getting in fall grain there just doesn't seem to be any time for making news, maybe next week will be a better time for news.

Mr. and Mrs. Edward Lehrbass called at the Arnold Smith home Monday evening also Margaret and Martha Lord and Nan and Armond Drapau to work on their food prep. note book.

Joel Evans spent Sunday and Monday night with David Smith.

Mrs. Rv. Liskum and Mrs. Versal Crawford have been having good luck blackberrying.

Miss Eunice Liskum was dinner guests of Mr. and Mrs. Versal Crawford Wednesday.

**MSC Dairyman Explains New Dairy Rulings**

Two items in the amendments to the milk law recently passed by the legislature are of particular interest to dairymen who sell milk and cream for direct consumption or bottling purposes.

The amendments which become effective September 17, 1952, have to do with milk house and equipment for handling the product, and minimum quality standards.

D. L. Murray, extension dairyman at Michigan State College, said today that the law now states that milk houses are required to contain facilities for cooling, handling and storing milk. They must have facilities for cleaning and storing equipment, a two-compartment wash tank, metal rack for storing utensils and water heater.

A self-closing door is required between milk house and stable in place of the vestibule which was or still may be required by some local markets. Minimum size standards of the milk house have not been specified by law, but ten by 12 feet should be the minimum for convenience of the operator, Murray advised.

Quality standards are that milk must test not less than three percent butterfat. The bacteria count must be not more than 100,000 per cubic centimeter, as determined by plate or direct microscopic count, or a reduction time of not less than four hours as measured by the methylene blue test.

**Steers On Feed Early In Fall Gain For Market**

Farmers who depend on dry, feeding pasture alone too long, instead of starting cattle on some feed in late summer and fall, may find valuable market weight actually lost.

Weight lost through poor pasturing, without feed, or after a hard freeze can be put back on only the hard way, by expensive feeding, cautions George A. Branaman, of the Michigan State College animal husbandry department.

Feed can be saved in spring by sending animals to lush new pasture, he points out, but in the fall it's a question of feed only. Farmers can save time and labor in the feeding program in the fall, Branaman suggests. Steers weighing 700 pounds or more may be fed up to ten pounds of grain in one feed, instead of being fed twice daily, without disadvantage.

Most Michigan steers now weighing more than 700 pounds will be finished for market without any pasture next spring, Branaman notes.

Another good reason for putting choice grade cattle on grain early is the usual trend of a peak market before February, Branaman remarked, adding that well-finished beef may drop after the holidays. Corn, barley, oats or some wheat may be fed to advantage. Corn silage furnishes grain and roughage, and grass silage may replace pasture and hay. Protein supplement is desirable for higher grade steers when good legume hay is limited.

**Home Economics Jottings**

More people are injured in the home than any other place, so check home safety measures. Now.

Even in cold weather cotton has a place in the wardrobe, say Michigan State College home economists. Dark cotton dresses or cotton blouses with suits are wise buys for business girls who work in overheated offices.

Performance of your automatic washer will depend upon proper loading, sufficient hot water supply and suitable detergents. Check those factors if your automatic washer is not operating efficiently, suggest Michigan State College home management specialists.

Field-and tree-ripened fruit have the richest color and flavor for frozen storage. Make sure the fruit is firm, ripe and freshly picked suggest Michigan State College food and nutrition specialists.

Little Jimmie's fourth birthday was drawing near. When his parents asked him what he would like for a present, he said he wanted a dog.

"Why Jimmy," said his mother, "You don't need a dog. You already have a nice blue plush one."

Frowning, the little fellow replied: "That's not the kind. I want one with fleas."

Everyone man has a chance in this world, but some fellows want the world without taking a chance.

The only difference between stumbling blocks and stepping stones is the way you use them.

**At Our Tourist Park**

The week before, the weather was really warm, but this past week was cool, in fact so cold there was very little activity all week long.

The park is thinning out, and after Labor Day we'll see only a spattering of trailers here.

The Alfred Piersons of Sparta left Friday for their home. They planned to stay longer, but due to their daughter's illness they cut their vacation shorter.

A large crowd consisting of the Atwood Farm Bureau, gathered for a co-operative dinner in the recreation building on Wednesday Eve.

Mark Strobel of Dearborn returned Saturday to spend the remainder of his vacation with his family in the park.

Mr. and Mrs. Carl Stephen and son David left for Onaway, Saturday after spending a week with her parents the Jess Robinsons, from there they will visit relatives in West Branch before returning to their home in Flint.

Mr. and Mrs. Glenn E. Davidson of Traverse City enjoyed their Sunday picnic dinner in the park on Sunday.

The dining room accommodated another picnic group when the following people gathered there, Mrs. Elsie Spenser of Flint; Mr. and Mrs. Elmer Hott, Mrs. Henry Grutsch and two daughters, Mrs. Alice Shepard and son Bob, and Mr. and Mrs. Don Shepard and three children of East Jordan.

And still another picnic was held on the outdoor tables, those attending this one were — Mr. and Mrs. Earl Pillman of Alden; Mr. and Mrs. Wm. Roberts and daughter, Pam of Central Lake; Duncan Crawford of Ellsworth; Mr. and Mrs. Riley Stewart and sons Dick and Bill and daughter, Karen of Kalamazoo; Miss May Stewart of Oshkosh, Wis.; and Mr. and Mrs. Arthur Brintnall and son Bruce of East Jordan.

Mr. and Mrs. Ward Robinson and son Ronnie of Mt. Morris are visiting their parents, Mr. and Mrs. Ralph Walker and family and Mr. and Mrs. Jess Robinson.

Guests over the week-end of Mr. Calvin Sholten and son Gail were Mr. Sholten of Sparta, and Mrs. Clifford Roberts of Ravenna.

Mr. and Mrs. Fred Blasing and daughter Sharon Sarrasin, of Rome City, Ind., and the former two sisters, Mrs. Mayme Omis and Mrs. Loretta Pollit of Fort Wayne, Ind., were in the park Sunday calling on acquaintances. The Blaisings were former tenants here, but this year are parked near Petoskey.

Mr. and Mrs. Maynard, former E. J. teachers were in the park one day inquiring about old friends.

Mr. and Mrs. Norton Gowell and two sons of Shelby visited the Jason Snyders, Mrs. Eva Snyder and Mr. and Mrs. Otto Reinhart. A family dinner was held in the park on Sunday.

Mr. and Mrs. Carl Koch and son Donnie visited her parents at Hart over the week-end, Mr. Koch returned to the park, but Donnie remained there, while they were absent Carl's parents and brother of Walkerville came for a visit, but found no one home.

Mr. and Mrs. J. G. Heppenstall

returned to their home in Lansing Monday after spending a two weeks vacation here.

Sunday Evening callers at the Otto Reinbarts were the former's brother, Mr. and Mrs. Ernest Reinhart of Boyne City.

A Mr. and Mrs. Richards of McBain stopped to eat in one of the kitchens as they were traveling through our City Sunday.

Mr. and Mrs. Nick Vanderpoort of St. Clair Shores spent a few days of their vacation again this year with us.

Mrs. Donald Reader and daughter returned to her home here after spending two weeks with relatives in Rhineland, Wis., her two sons, Donnie and Jimmy remained with their grandparents. Mrs. Beaders' brother, Arthur Bolte, stationed in New Jersey, accompanied them here for a short visit before leaving for Korea.

Mr. and Mrs. Norman Richard St. returned to their home at Detroit for a few days.

Mr. and Mrs. Donald Reader and daughter spent the week-end at Scottville.

Due to this reporter leaving the park for this year this will be the last Tourist Park News. Thank you, and so-long for this year.

Anyone who does nothing but wait for his ship to come in has already missed the boat.

Michigan's number one citizen, Governor G. Mennen Williams, was the first to have his hearing tested in the new mobile testing unit of the Michigan Association for Better Hearing.

Governor Williams is shown here inspecting the unit, and being tested by the Association's audiologist, William K. Ickes.

The new mobile hearing testing unit of the Michigan Association for Better Hearing, shown here being inspected by Governor G. Mennen Williams, is now ready to go on tour of the state.

The unit, made possible by contributions of Michigan citizens to their local Unit Health and Welfare Fund campaigns, is designed to provide a quick, cheap method for discovering hearing problems among large citizen groups who do not suspect they have hearing troubles.

The general public may receive a two-minute hearing test, made by audiologist William K. Ickes.

If the quick test indicates a problem, an appointment is made for a longer, more comprehensive test so that serious hearing trouble may be averted. This enables the unit to serve a large number of people in a short time and still provide more complete service to those who need it.

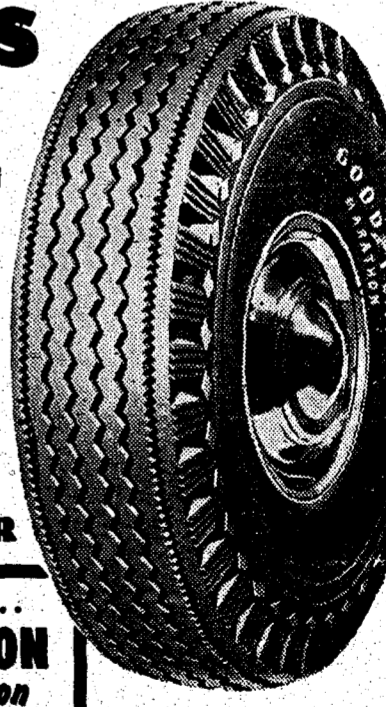

Facilities of the unit are provided without charge. Persons who know they have a hearing problem can also make arrangements for securing counseling and guidance services of the Association through the mobile unit.

The Unit will be in Charlevoix County the week of October 27-November 7; January 4-16.

Miss Peggy Schroder was hurt quite badly in a car accident one day last week.

Farmer's are busy with their second cutting of hay which seems to be almost as good as the first this year.

## Fall Planting of Seedlings & Transplants Available This Fall

Some 16,300,000 seedlings and transplants will be available from state conservation nurseries for fall planting and the department now is prepared to accept applications.

Farmers and other landowners should sent requests for application blanks only to the department's forestry division office, Lansing.

For the first time a substantial amount of stock will come from the old federal Wyman nursery near Manistique, which the department is operating along with the regular Higgins Lake and Hardwood nurseries.

Five classes of pine available are two-year-old red, white and jack pine. Prices are \$7 a thousand except \$5 a thousand for jack pine seedlings and \$14 a thousand for red pine transplants. Orders for Scotch pine are limited to 5,000 per person.

Stock, distributed at cost for reforestation purposes only, will be shipped starting about September 15 through November 1.

Father: "Well, son, did you kiss your bride?"  
Jerk: "No, dad, but I believe she'd let me."

"Mama! Mama! Little lost his little toe in the lawn mower."  
"Oh, dear, now how will he do his arithmetic lessons?"

## WEEKLY EATING CLUB By Jim Barstow

## The Servicemen's Letter

Hi Fellas:

A letter from Bill Schlaka informs us that he has been out of this country for some time and has returned again without my knowing it. If you men will let us know when you are leaving these shores you can just as well be receiving your papers without interruption. Here's Bill's letter, "Just thought I'd drop you a few lines and let you know the Navy has still got a good grip on me. I saw Glen Persons about a week ago. The day before his ship left for Bremerhaven. We pulled in here on the 4th of August. I looked him up on the 5th and he left on the 6th.

"We left here on the 19th of June for the 'Med' with stops at the Rock of Gibraltar, Gulf of Juan, France, Naples, Italy, and Casa Blanca, Franch Morocco and as I said before arrived back here in Norfolk the 4th of August. I saw Bud Cummins just the USS Minos pulling out ship as we were pulling in. Could you tell me whether or not he is still in Little Creek?

"I've been looking for the (DD-776) to pull in here. How about telling Bruce Bolser to look me up when he gets here? Maybe we could swap sea stories over a cool brew or two.

Joe Hammonds ship was at Gulf Juan at the same time we were but I didn't know it until yesterday.

"Well, Jake, only one year and one week and one day and this boy will be a civilian again. I'll sure be glad to see the day even if it does mean I'll have to go to work for a living again." Thanks for the letter, Bill. So far as I know Bud Cummins is in and out of Little Creek at irregular times. His ship is a repair ship, you know.

Ronald Reno has had a change of address while at the same station at Cherry Point, North Carolina. His address is now: Sgt. Ronald D. Reno, 121 31 40, SOS-2, GCA, MCAS, Cherry Point, North Carolina. Take note of that rating. He sure jumped while I was sleeping. I had him a Pfc on my file.

Jesse Ranney has moved from Norman, Oklahoma to Memphis, Tennessee. His new address is: AA Jesse Ranney, 462 86 62, Barracks S-46, NATTC, Memphis, Tennessee. Dave Wade is over in the Marine Air Detachment of the Naval Air Station. Are you men anywhere near each other?

Clare Loomis has a small change in his address. He is still with the MCB No 8 C/O FPO New York, N.Y. but they have added Co. "A" to his address. I wonder if he is overseas yet.

Leo Danforth, down in Camp Gordon, Georgia has evidently been assigned to a training course and is now getting settled into his routine. Here's his latest address: Pvt-2 Leo G. Danforth, RA 16 405 487, Student Co 3, TSESS, Det TSU 9600, Camp Gordon, Georgia. What are you doing, Leo?

Who should walk into the office the other day but Maurice Murphy. I noticed he was smiling happily and then I found out why. Maurice is a civilian again. He has just been discharged and arrived home on August 20. He says he is taking it easy for a while and does not know just yet what he will do in civilian life.

We have orders to cancel the papers for Bill Streeter and Earl Muma as they have finished their

training at Lackland and are on their way to another camp. This new camp is not known to me as yet but you'll get it as soon as I do. Does anyone know if Stanley Antoine is finished at Lackland too? If so, where did he head for?

Joe Belzek has finished his basic at Camp Pickett, Virginia and is home on a 13 day leave. He leaves next Sunday for San Antonio, Texas where he will go into medical training at Fort Sam Houston. He has qualified as a dental aid. We'll probably have his new address for you next week.

Jim Lewis has arrived in Fort Leonard Wood, Missouri to start his basic training in the Armored. His address is: Pvt James P. Lewis, US 55 287 184, Co B, 8th Recon Bn, CCP, 8th Armored Div, Fort Leonard Wood, Missouri. Jim McLaughlin and Lyle Peck have preceded you there. You can find Jim McLaughlin in the 6012 ASU, Food Service School and Lyle is in Btry B, 93rd FA Bn.

After a long silence Marvin Frank has checked in from Bossier City, Louisiana which from the postmark on the letter I take to be not far from Shreveport. He writes, "Greetings from the sunny south. This Air Force seems to think the south is the place for us Yankees. I'm in the state of Louisiana now. Guess I should have written sooner to let you know where I am at. My address is 1800 Chaney Drive, Bossier City, Louisiana. We enjoy it here very much.

"I am still flying in these B-29's Not a bad job either. I'm one of the gunners on the crew. I hope to get the paper soon so as to keep up on the home news. It brings back many pleasant memories. Bye for now and I will try to write sooner next time."

Here's a letter from away over in Korea bearing some good news that a certain young lady in this town has been waiting for for some time. Cliff Cutler is at last on his way home. "I guess it's time to tell you that you can stop sending me the paper. I got about two weeks left here. And that's the day I have been waiting for.

"The weather over here is pretty warm. One guy said it was 108 in the sun today about 1 o'clock in the afternoon. At the present time it is trying to rain. I just hope it does for maybe it will cool off a bit.

"Well I suppose everyone is getting ready for school which starts in about a month. I hope East Jordan has a good football team this year like last years team. I might be home in time to see them play their first game. I hear that the cherry crop is not so good this year. Well, I guess we can't have a good crop every year. We've got to take the bad along with the good.

"I haven't read much about the fishing in the paper so I take it's not been so very good. I would like to get some fresh trout about now. The fish we have over here tastes like it's about ten years old.

"Well, Jake I guess this is about all for now. If everything goes all right I will see you next month."

Some are coming home and others are going away. Bob Anderson, after being home on furlough this summer and then returning to his ship in San

Diego has set out again for Pacific waters. His ship, the USS Bexar left for Pear Harbor on the 15th of August. Bob expects to be gone for about three months. If anyone sights the Bexar you will find Bob in "A" Division.

For the information of you men who are being discharged you can get your Mustering Out Pay Application Blanks either at the Post Office from Tom St. Charles or also the recruiting officer has a few to out. The applications for Combat Pay have not arrived as yet but we expect them in any days now.

Alfred Hosler didn't stay long in Fort Custer. They sent him on down to Camp Atterbury, Indiana where he can be found in the 31st Infantry Division. Al, you can find Everett Vermillion over in the Co C, 467 Chem Mortar if you should start looking around for someone from home. Al is now Pfc.

The two Jims — Pollitt and Rusnell left for Fort Lewton, Washington last Sunday. We'll have their addresses for you soon.

Does anyone have the right word on what has happened to Duane Thomson. His paper of August 9th was forwarded to Clayton, Ohio and then returned here as unclaimed. If anyone has information as to where he is and what he is doing we all would appreciate knowing it.

That's all for tonight. So Long. "Jake" Snyder

Mr. Annear will be in his office the first week in September for conference with pupils and parents.

Children who are five years of age on or before December 1st will be admitted to Kindergarten. This is a state law.

Children in grades one through six who have not attended the East Jordan School before, report to Mr. Malone, elementary principal, for assignment. Pupils in grades seven through twelve report to Mr. Annear, high school principal, for assignment.

**Will Attend School of Banking**  
Mr. Howard Darbee and W. G. Boswell, vice-president and cashier respectively of the State Bank of East Jordan, left August 24th for two weeks attendance at the School of Banking at the University of Wisconsin, Madison. This will be their 2nd year at the school which requires two weeks resident attendance each year for three years to earn the certificate of graduation. Throughout the year between resident sessions students are required to do extensive work involving problems in all phases of banking.

The school is sponsored by the Central States Conference, composed of bankers associations in 16 mid-western states. Attendance this year will approximate 680 bankers, ranging from junior officers and department managers to presidents, vice presidents and board chairmen of banks from more than 30 states.

The faculty of over 100 instructors consists of bankers who are specialists in their respective fields, practicing attorneys, business executives and members of a number of university and college faculties. The instructors comprise one of the most competent groups of men in their respective professions ever assembled for adult educational purposes.

The present high standards of banking service in committees throughout the country will be enhanced by attendance of local bank officials at this specialized

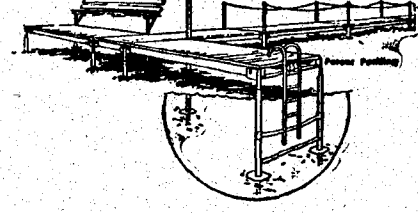

banking school.
