Community Chest Drive Kick-off Breakfast Friday, November 6

Gaylord P. C. A. Annual Meeting Saturday, Nov. 1st

Plans for the eighteenth annual meeting of the Gaylord Production Credit Association are completed. Farmers from ten northern Michigan counties will meet Saturday, Nov. 1st, at the V. F. W. Hall in Gaylord for the purpose of transacting the business of the association. In addition to the business meeting, there will be a drawing for prizes, entertainment, a noon luncheon and short talks by Mr. Ray McMullen, wellknown Otago and Montmorency County Agent, and by Mr. Bernard Hubbard, a local "boy who made good". Barney was born and raised in Alba near Gaylord, and after serving as Secretary-Treasurer of the Alma PCA and the Jackson PCA is now the District Fieldman for the Production Credit Corporation of St. Paul.

Entertainment will be furnished by "The Can't Hardly" quartet of Fairview, by John Latuszek of Gaylord and by Sharon Johnston of Harbor Springs. The luncheon will be served, as in the past, by the V. F. W. Ladies Auxiliary of Gaylord in the basement of the hall. All who plan to attend are urged to be at the meeting at 10:30 a. m. so that the meeting can get started promptly and adjourn at an early hour in the afternoon.

The business meeting will consist of reports of the Board of Directors and the Secretary-Treasurer, the election of two directors and the consideration and decision relative to a capital stock sales program. In that the Gaylord Production Credit Association's business has rapidly increased, the time is approaching when the need for additional capital is to be considered in order to continue to expand and meet the credit needs of the territory served by the Association.

This year the terms of Mr. Joseph Martinech, Jr., of Charlevoix and Mr. Arnold W. Ostrander of Afton both expire. Mr. Ostrander has been a director since 1938 and has held the position of President of the Board since 1941. Mr. Martinech is completing his first three-year term. Nominations for the two directorships will be made from the floor.

Community Service Club Meets Nov. 5

The Community Service Club is having a meeting Wednesday evening at 8:00 p. m., Nov. 5th, at the high school.

We wish to discuss and plan the sending of gifts and remembrances to the men in the service from East Jordan. If the representative who met with us last year cannot be present, would the president of each organization appoint someone to attend.

Packages for men overseas should be in the mail by Nov. 15. If we are going to pay tribute to these men in the service we must act quickly.

The Community Chest drive starts Nov. 6 with a kick-off breakfast in the school lunch room. The budget remains the same with the exception of the amount of \$50.00 for the Eastern Michigan Division of the Salvation Army at Detroit. Major Cox, Detroit, feels it is not enough for us to give, they would like \$340, and with that amount in mind prefer to put on their own campaign.

When you are solicited for your United Red Feather drive please have in mind what you can give and make a pledge for this year's work for the many agencies supported by this drive. It will help if you make your first payment when you sign your card. We hope to finish the drive in a few days.

Simmons - Stanek

Miss Patricia Ann Simmons, daughter of Mr. and Mrs. Harry Simmons, exchanged wedding vows with Robert Stanek, son of Mr. and Mrs. George Stanek, in a double ring service by Rev. Jerome Szydowski at 2:30 Saturday afternoon.

The bride was attired in a navy blue gaberline suit with blue accessories and wearing a corsage of white roses. Mr. and Mrs. Edward Ciszenski, sister and brother-in-law of the groom, attended the couple.

In the evening a reception was held at the home of the bride's parents. Mrs. Robert Strehl, sister of the bride, served the wedding cake. Miss Ethel Crowell and Mrs. George Ramsey of Cadillac presided at the silver service.

The couple left on a trip to the southern part of the state.

Before her marriage the bride was guest of honor at a shower given by Mrs. Eileen Brennan and Miss Ethel Crowell at the former's home.

PROPOSAL NO. 2 BY THE C.I.O. WOULD GIVE ABSOLUTE CONTROL TO 4 COUNTIES IN SOUTHEASTERN MICHIGAN

No. 1 Amendment Powerful Weapon Against Narcotics

Approval of Amendment No. 1 at the general election Nov. 4th will give Michigan police a powerful weapon in the war against the narcotics traffic, according to Chief of Police Harry Simmons.

The amendment would apply the same provisions to making a search for narcotics legal without a warrant as were applied to concealed weapons on a constitutional amendment - approved by the voters in 1936. The concealed weapons amendment has been pointed to as having been most effective both in the reduction of this type of crime and the prosecution of offenders. The same results are expected if the narcotics amendment is adopted.

Proponents of the amendment point out that 77 per cent of narcotic cases are now thrown out of court because of illegal search, the defendants taking advantage of a technicality to ply their trade safely.

"All good citizens are interested in abolishing the dope traffic and punishing dope peddlers," said Chief Harry Simmons. "They are particularly concerned because the dope peddler builds up his market through preying upon our young people, including teenagers, and making them the victims of this terrible affliction for the remainder of their lives."

"At present police are badly handicapped in fighting dope peddling. They know narcotics are being passed, but too often the guilty party goes free because although narcotics are found upon him the search is declared illegal. The amendment would remove this immunity and give the same protection to the public that the concealed weapons amendment now affords.

"Michigan has enacted new and stronger penalties against the dope peddler. Now all that is needed is this amendment so that these penalties can be imposed upon him.

"As everyone knows, there is nothing worse than the narcotics traffic, the dope evil, and everything that can be done should be done to bring those engaged in it to justice. Amendment No. 1 will help to do it."

Mr. and Mrs. Allen Hackenberg of Kalamazoo have been the guests of Mrs. Hackenberg's brother, Wm. Heath, 705 Mill St.

Mr. and Mrs. Ed Fortune returned to their home at Ludington Tuesday after spending the past six weeks visiting her sister, Mrs. Laura Fuller, who accompanied them home for a visit. She plans to spend the winter months with her daughter and family in Detroit.

Potato Show at Petoskey Nov. 4 - 7th

Northern Michigan farmers will have a chance next week to see and take part in the reorganized Northern-Michigan Potato, Apple and Seed Show, Ed Rebmam, county agricultural agent said today. The event will be Tuesday, November 4 through Friday, November 7, at the 4-H Clubhouse, Emmet County Fairgrounds, Petoskey.

Seed cleaning will be demonstrated Wednesday, November 5, for the seed cleaning trade and Thursday, November 6, for farmers. Equipment is being set up by the Michigan State College agricultural engineering department under direction of Robert L. Madrox.

Tablestock growers - and other interested persons - can see grading of 1,000 pound lots of field root potatoes produced by certified seed growers, invites Henry C. Moore, MSC specialist in charge of seed potato certifying. The potatoes, sealed in bags at harvest by county agricultural agents, will be graded for types, injuries and blemishes. Then will be sorted by size and packaged for use. Those from 1 1/2 to 2 1/2 inches will be selected for seed sales and the bigger ones headed to table use, according to Moore. There is a big demand for small seed potatoes, he notes, while the housewife will pay more for the big seed-stock potatoes than for other U.S. No. 1 grade.

Varieties to be covered in demonstrations include those most marketable and best adapted to Lower Peninsula growth, according to Moore. These include Russet Rural, Sebago, Katahdin, Pontiac, Chippewa and Irish Cobbler and the new ones like Kennebec, Ontario, Cherokee and Sequoia. Chipping, boiling, frying and baking qualities will be tested.

The show will close Friday noon with a banquet and Friday afternoon with an auction of entries. The banquet speaker will be President Charles Ansapach of Central Michigan College at Mt. Pleasant.

An inspired Mancelona High School football team battled the local high school "Red Devils" to a 6-6 tie under the lights at Mancelona last Friday evening.

It was strictly a defensive battle throughout the contest, which was played before one of the largest crowds ever to witness a football game in Antrim County. Mancelona's "Ironmen" tallied first late in the second period on a pass Holstad to Patrick. Their attempt at the extra point on a pass play failed and Mancelona was out in front 6 to 0 at the intermission.

The Jordanites were forced to come from behind in the final stanza as Milstein took a pitch out from Evans to go over from the 10 yard marker. Gordon Danforth's attempt to add the extra point failed on an off tackle slant and the Jordanites had to be satisfied with a tie as Mancelona froze the ball during the waning minutes of play.

Big Gordon Danforth, returning to regular duty for the first time in over a month, proved the top offensive man of the evening for the locals. Defensively the entire Jordan forward wall turned in an outstanding performance. Linemen Floyd Dettloff, Dick Freeman, Robert Romback, Larry Chanda and James Shepard led the way.

This week end Friday, the Jordanites will travel to Gaylord where they will meet the "Blue Devils" there under the lights at 8:00 p. m. and for the first time this season the "Red Devils" will hold the role of underdogs as the Gaylord aggregation possesses its strongest eleven since 1939. Gaylord has the biggest team in the Northern Michigan Class C Conference and is led by Gene Fleming, fleet-footed halfback, who reminds many oldtimers of Boyne City's Elwood Hausler of some fifteen years ago.

Coach Saxton's forces will be without two of its regulars Friday as Ray Gee and Leon Bartlett are lost to the squad for the season, Gee because of illness and Bartlett with a broken finger.

Local boys who saw duty in the Mancelona game were: Floyd Cutler, Robert Danforth, Peter Nemecek, Floyd Dettloff, Jack Zoulek, James Weisler, Richard Freeman, Sam Milstein, Gordon Danforth, Steve Hayden, Robert Romback, J. M. Ingalls, James Sherman, James Shepard, Keith Evans, Martin Rebec and Larry Chanda.

Funeral Services Eva Eleanore Tait

Mrs. Eva Eleanore Tait, 62, passed away Oct. 19th at Hurley Hospital, Flint, following a heart attack. Funeral services were held at the Reigle Funeral Home in Flint, conducted by Rev. Matthew Simpson. Bearers were six nephews. Burial was made in the Memorial Park Cemetery, Flint.

Mrs. Tait was formerly Eva Kidder of Antrim county. She is survived by her husband, John Tait; a daughter, Mrs. Dorothy Henderson, Flint; two brothers, Harrison and Archie Kidder of East Jordan; a sister, Mrs. Bertha Welbus, Detroit. A brother, Oscar Kidder, preceeded her in death by three weeks.

Attending the funeral were: Mr. and Mrs. Clarence Kidder, Mr. and Mrs. Harrison Kidder, East Jordan; Archie Kidder, Mr. and Mrs. Robt. Johnstone, Ellsworth.

South Arm Farm Bureau

The October meeting was held at the home of Mr. and Mrs. Walter Fowler. There were fourteen members and one guest present.

Mrs. George Klooster gave her report from the County Women's meeting at Mrs. McGhan's in September and the one with Mrs. Schoals in October. At those meetings the resolutions of former years were checked for duplications. Plans were also made for a trip to the state convention at M. S. C. Nov. 12th. It was hoped that there would be a bus load from Charlevoix and Antrim counties. Mrs. Klooster invited the women of the South Arm group to meet with the County Women's group at her home Nov. 14th.

Mr. Warren Frank reported on the District Meeting at Gaylord. The purpose of the meeting was to work up enthusiasm in getting new members - for the coming year. He stated that all membership dues for 1953 must be in by Dec. 10th.

The resignation of Mrs. Ivan Coolman as secretary was accepted and Mrs. Walter Fowler was elected in her place. Mrs. J. M. Ingalls was chosen as representative to the County Board of Directors. Mrs. Floyd French moved that our recently elected officers continue in office until Jan. 1954 which motion carried.

Because of the absence of Mr. Fowler, George Klooster, chairman, led the discussion of the evening. The emphasis was on getting as many people out to vote as possible at the Nov. 4th election and urging them to vote "No" on Proposal No. 2 and "Yes" on Proposal No. 3.

The hostess served cider with the potluck lunch and the group adjourned to meet with Mr. and Mr. Delbert Ingalls in November.

Barring a setback in present work schedules Charlevoix's new dial telephone system will be ready to be placed in service early in December, according to C. L. Johnson, manager here for the Michigan Telephone Company.

A definite cutover date will be announced as soon as possible, Johnson said. The job of installing the intricate dial switching apparatus in the new central office on State Street is about 75 per cent complete and will be ready for initial testing by the company in two to three weeks.

Built at a cost of about \$337,000 the new dial system will allow users here to dial directly to all telephone users in Boyne City, East Jordan, and Petoskey with out charge.

At the time the new system is cut into service, all Charlevoix telephone numbers will be changed. The new numbers will carry the prefix Liberty, followed by a five digit number. Thus a typical telephone number in Charlevoix will appear as Liberty 7-0001 after the changeover to dial.

In announcing that all local numbers will be changed, Johnson cautioned all business firms here to bear that fact in mind when ordering advertising media for future use.

The new numbering plan is part of Michigan Bell's ultimate program which will eventually permit customers to dial their own long-distance calls to points all over the country.

Johnson pointed out that on local calls, users will not have to dial the prefix LI. They will merely dial the last five digits of the listed number they wish to call. Customers in Boyne City, East Jordan, and Petoskey, however, must dial the first two letters of the prefix Liberty, followed by the five digits of the listed number to reach Charlevoix numbers.

A new directory listing the new numbers for local users will be issued prior to the changeover to dial operation. All Boyne City, East Jordan, and Petoskey customers will be provided with a special directory reflecting the new Charlevoix numbers also.

Julius Roberts New Master of Wilson Grange

A lovely cake was baked by Amanda Shepard, which was presented to William Sanderson as a gift for his 20th anniversary as Worthy Patron. It was served by Edith Swafford.

Bounty Payments Lowest This September For Past Three Years

The conservation department reports a bounty payment on wolves, bobcats and coyotes of \$12,625 for September, the lowest September total in the last three years.

Bounty payments in September, 1951, totaled \$15,000, and in 1950 the total was \$16,000.

This year, one wolf, 181 bobcats and 656 coyotes were bountied. In September, 1951, seven wolves, 170 bobcats and 804 coyotes were bountied.

Mr. and Mrs. Earl Clark returned home Monday from Midland where they were guests of their son, Harold Clark and family, several days.

Tid-Bits

By UNO HOO

One of the lowest forms of animal life we have observed in many years around election time came to light in this area this week. The Michigan Committee for Representative Government (a high sounding name for something not so high) sent out cards to all boxholders urging them to vote "No" on Proposal No. 3, stating "Stop the Detroit Bd. of Commerce Grab". This is a move to confuse the voters of this area, just a plain dirty trick and nothing else.

There can only be one way for the voters of this area to save their shirt on the proposals: Vote a two-letter word "No" on TWO. Vote a three-letter word "YES" on THREE. Remember: two on two and three on three.

Terry Murphy In Accident, Funeral Services Held Wed.

Terry Murphy, 15, a sophomore at East Jordan High School and member of the football squad, was killed Saturday night when a car he was driving went out of control on a curve on M-88 near Central Lake and crashed into another car driven by Mr. Vernold Carpenter of Central Lake. Carpenter suffered a fractured arm and his wife a left kneecap fracture and shoulder injury. Both are reported in fair condition at Charlevoix Hospital.

The Murphy boy was accompanied by his cousin, Gary Gee, 14, son of Mr. and Mrs. Earl Gee of East Jordan. The Gee boy, a pupil at East Jordan School, suffered a fractured back and possible internal injuries. He is reported in fair condition at Charlevoix Hospital.

Funeral services for Terry Murphy, who was killed in an auto accident, Saturday night, Oct. 25, 1952, were held Wednesday, Oct. 29th at 2:00 p. m. in the East Jordan Methodist Church, conducted by the pastor, Rev. Robt. Moore. Bearers were: Richard Freeman, Robert Danforth, James Blaha, Keith Evans, Leon Beal and Charles Hebden. Interment at Sunset Hill.

Terry was born at East Jordan, March 17, 1937. He was a sophomore at East Jordan High School and a member of the football squad.

Surviving Terry are his parents, Mr. and Mrs. Raymond Murphy; a brother, Maurice, a Purple Heart veteran of the Korean War; his maternal grandparents, Mr. and Mrs. Ray Gee, East Jordan.

Michigan Mirror

Michigan CIO unions have a big stake in the outcome of the election Tuesday. Here is the story, as told by a former CIO employee.

The CIO role in Michigan politics is graphically portrayed in a book just published by the University of Chicago Press. The university calls it an "impartial, firsthand study of how pressure groups operate on our political party." We emphasize the word "impartial" as the author who did the fact-finding is Fay Calkins, a research assistant for the National CIO Political Committee, a former CIO employee. Presumably she ought to know.

Two years ago the Michigan CIO through its state "political action committee" not only grabbed control of the Wayne county Democratic organization by electing a majority of precinct captains in four out of five district conventions. The PAC actually gained control of the Democratic state convention itself, says Miss Calkins.

By putting up \$200,000 of CIO Union funds to help re-elect Governor G. Mennen Williams, the Michigan PAC, led by August Scholle, affected the defeat of two-term Republican Governor Harry F. Kelly by a close margin. Now they had their own advocate in the executive office to push PAC-endorsed legislation. These measures included a corporation profits tax, fair employment practice, public housing, improved social security and workers' education—Democratic state platform planks taken directly from the state PAC's legislative program. (Note: The \$200,000 expenditures was reported to the Secretary of State at Lansing.)

Miss Calkins adds: "The (Michigan) PAC did not hesitate to

bring pressure for sympathetic appointees to the Michigan Unemployment Compensation commission, the state department of labor and the Public Service commission."

Thus, election of a governor whose viewpoints coincided with those of the Michigan CIO was a feather in the hats of Messrs. Reuther and Scholle. They had a friend in the Governor's chair.

The Michigan victory was in contrast to the whooping defeat sustained by labor leaders in Ohio where Senator Robert Taft was re-elected by a record majority.

Why was Michigan successful where Ohio had failed?

Miss Calkins' conclusion is that the Ohio PAC was "exposed to public opinion as a special interest group" because of its separate precinct organization which paralleled that of the state Democratic Organization.

In Michigan, so Miss Calkins explains, the labor movement was hidden behind a broad party organization and a traditional party name.

Thus, Williams was not a CIO candidate. He was a man of liberal thinking, popular in both city and rural areas because of his democratic hand-shaking, barn-dancing ways, who appeared before the voters as a Democrat—not as a union candidate.

The key to the Michigan CIO success was Wayne County which has 37% of the state's population. By capturing Wayne county alone, the PAC was able to get control of the Michigan state convention. This was not possible in Ohio, a state of many large industrial centers. Where the Ohio labor leaders were out in the open and incurred resentment of

many voters, the Michigan CIO operated behind the scenes, hidden from public view and hence less vulnerable to criticism.

These facts, as vouched for by Miss Calkins, are of pertinent interest to Michigan voters this fall for three good reasons.

First, the Michigan CIO is now attempting to extend its influence by getting control of the State Legislature. Reapportionment of the legislature has been handled to date on a basis of geographical representation in the Senate and population representation in the House. This practice is also followed at Washington in election of Senators and Representatives.

The Michigan CIO wants to change this by giving a handful of counties a majority control of the legislature through election of senators and representatives. This scheme is known as Amendment No. 2.

Second, the Michigan CIO would take away the following congressmen through such a reapportionment: One each from Upper Peninsula, North Michigan above the Muskegon-Bay City line, and Western Michigan, west of about US-27.

The southeastern Michigan industrial area, centering around Detroit, would have 12 Congressmen instead of nine as at present.

Third, re-election of Governor

G. Mennen Williams will assure a continuation of the stalemate at Lansing whereby the average legislative revenue bill, other than a state corporation profits tax, is automatically assured of a governor's veto.

Like all elections, however, the Nov. 4 election is complicated by having many issues, some relevant and some not. Political observers at Lansing are crossing their fingers on the Nov. 4 outcome in Michigan. The election is just that close. Not for a generation have the odds been so even five days before the election. And not in that time has Michigan been so vital to the hopes of both parties.

Michigan has enjoyed the experience of being a pivotal Presidential state.

At least the crowds who turned out to greet Eisenhower in three appearances here, for two formal speeches and his successful whistle-stop trip cross-state; who heard Adlai kick-off his campaign at Detroit and make a propeller-stop trip; and who heard President Truman make his typical "give-em-ell-arry" talks here—the audiences seemed to be enjoying themselves tremendously.

Their final reaction—how they'll vote Tuesday—is something the voters are keeping to themselves.

In the meanwhile, the Michi-

gan CIO will have its greatest test at the ballot box. The stakes are great.

(Edited by Mrs. Wm. Gaunt)

Mr. and Mrs. Lawrence Elzinga drove to Grand Rapids Thursday on a business trip.

The Roy and Ernie Howard families spent Sunday with the Henry Howard family.

Miss Margie Chanda went to a student council party last Tuesday evening at East Jordan.

Mrs. Francis Palmiter and three daughters were Sunday evening callers at the Lawrence Elzinga home.

A Tupper Plastic Party was held Friday night at the Wm. Gaunt, Sr., home with a good attendance.

Mr. and Mrs. Loyal Barber and mother, Mrs. Addie Barber, took a sight-seeing drive Sunday. They also called on the Francis Sanford family at Bellaire.

Alfred Crowell and Bob Scott were musicians Saturday night at the wedding party at the Deer Lake grange hall for Mr. Bob Peck and his bride.

Bobby Crowell attended his class party at East Jordan last Thursday evening.

Visitors at the Alfred Crowell home Sunday were their parents, Mr. and Mrs. Wm. Gaunt, Sr., Bill Gaunt, Jr., Margie Chanda, and Marion Brooks.

Miss Ruth Ann Crowell is staying with Mrs. Henry Grutch and children, helping with the chores and going to school, while Mr. Grutch is sailing the lakes.

Mr. and Mrs. Henry Howard will drive to Mt. Pleasant Tuesday morning to be there as delegates for the State Grange. They expect to be home again Friday.

Mrs. Eloise Crowell and daughter, Ruth Ann, were the only ones present from the Peninsula 4-H to attend the meeting at the Kaden's store at Boyne City last Tuesday evening.

Miss Beuhla Earl, 43, died at the Little Traverse Hospital Saturday night. She had been in poor health all summer. The funeral services will be Tuesday afternoon at the Free Methodist church at Boyne City. She leaves to mourn her death her mother and father, John and Nelle Earl; 3 sisters and a brother; also a niece she was raising whose mother died around five years ago. Miss Earl had several nieces and nephews and a host of friends.

Miss Calkins adds: "The (Michigan) PAC did not hesitate to

bring pressure for sympathetic appointees to the Michigan Unemployment Compensation commission, the state department of labor and the Public Service commission."

Thus, election of a governor whose viewpoints coincided with those of the Michigan CIO was a feather in the hats of Messrs. Reuther and Scholle. They had a friend in the Governor's chair.

The Michigan victory was in contrast to the whopping defeat sustained by labor leaders in Ohio where Senator Robert Taft was re-elected by a record majority.

Why was Michigan successful where Ohio had failed? Miss Calkins' conclusion is that the Ohio PAC was "exposed to public opinion as a special interest group" because of its separate precinct organization which paralleled that of the state Democratic Organization.

In Michigan, so Miss Calkins explains, the labor movement was hidden behind a broad party organization and a traditional party name.

Thus, Williams was not a CIO candidate. He was a man of liberal thinking, popular in both city and rural areas because of his democratic hand-shaking, barn-dancing ways, who appeared before the voters as a Democrat—not as a union candidate.

The key to the Michigan CIO success was Wayne County which has 37% of the state's population. By capturing Wayne county alone, the PAC was able to get control of the Michigan state convention. This was not possible in Ohio, a state of many large industrial centers. Where the Ohio labor leaders were out in the open and incurred resentment of

many voters, the Michigan CIO operated behind the scenes, hidden from public view and hence less vulnerable to criticism.

These facts, as vouched for by Miss Calkins, are of pertinent interest to Michigan voters this fall for three good reasons.

First, the Michigan CIO is now attempting to extend its influence by getting control of the State Legislature. Reapportionment of the legislature has been handled to date on a basis of geographical representation in the Senate and population representation in the House. This practice is also followed at Washington in election of Senators and Representatives.

The Michigan CIO wants to change this by giving a handful of counties a majority control of the legislature through election of senators and representatives. This scheme is known as Amendment No. 2.

Second, the Michigan CIO would take away the following congressmen through such a reapportionment: One each from Upper Peninsula, North-Michigan above the Muskegon-Bay City line, and Western Michigan, west of about US-27.

The southeastern Michigan industrial area, centering around Detroit, would have 12 Congressmen instead of nine as at present. Third, re-election of Governor

G. Mennen Williams will assure a continuation of the stalemate at Lansing whereby the average legislative revenue bill, other than a state corporation profits tax, is automatically assured of a governor's veto.

Like all elections, however, the Nov. 4 election is complicated by having many issues, some relevant and some not. Political observers at Lansing are crossing their fingers on the Nov. 4 outcome in Michigan. The election is just that close. Not for a generation have the odds been so even five days before the election. And not in that time has Michigan been so vital to the hopes of both parties.

Michigan has enjoyed the experience of being a pivotal Presidential state.

At least the crowds who turned out to greet Eisenhower in three appearances here, for two formal speeches and his successful whistle-stop trip cross-state; who heard Adlai kick-off his campaign at Detroit and make a propeller-stop trip; and who heard President Truman make his typical "give-em-ell-arry" talks here—the audiences seemed to be enjoying themselves tremendously.

Their final reaction—how they'll vote Tuesday—is something the voters are keeping to themselves.

In the meanwhile, the Michi-

gan CIO will have its greatest test at the ballot box. The stakes are great.

"Wacky Walker" Due In E. Jordan

"Maybe humor can do what the laws, police and courts have been unable to do — bring the pedestrian accident problem under control."

So says F. Granger Weil, chairman of the Michigan Press Association which has pledged the full resources of daily and weekly newspapers of the state to the cause of highway safety.

THE SAYER TIM has a message for a broke. He is a stick-walker, he always looks at his watch instead of the traffic signal. Stay in the road, because that's a responsibility to the driver. He's walking the wrong way, but he'll be run down. Traffic! What's that? He's busy looking back. He can see all right, except he's distracted.

MICHIGAN ASSOCIATION OF CHIEFS OF POLICE
MICHIGAN DEPUTY ASSOCIATION
MICHIGAN STATE SAFETY COMMISSION
AFFILIATE CLUB OF MICHIGAN

First dose of the "humor treatment" is the cartoon above. There are an even dozen of them which will appear weekly on the pages of The Charlevoix County Herald during the season when long hours of darkness make the pedestrian much harder to see — and easier to hit.

Maybe laughing at the antics of the "Wacky Walkers" will prevent us from killing so many of them," hopes Weil.

"The 'Wacky Walker' approach has a foundation in fact; in half of the cases the pedestrian is more at fault than the motorist. And, if the motorist can learn to gain at the cavorting of pedestrians when he's behind the wheel he may walk a bit more carefully when he gets out of his car."

At their meeting Monday evening the newly organized East Jordan Lodge No. 1145 Loyal Order of Moose elected the following officers: Past Dictator, James Shay; Dictator R. A. Brintnall; Vice Dictator, Jos. F. Cummins; Prelate, W. C. Howe; Secretary, R. L. Lorraine; Treasurer, James Ross; Sergeant-at-arms, George H. Jepson; Inner Guard, Wilfred Coon; Outer Guard, Thomas O'Neil; trustees, R. W. Barnett, Charles Bowman, Mort Tyner. The lodge now has 150 members. Miss Mildred Drescher is visiting her parents at Petoskey this week.

Henry Rubble and family now occupy a dwelling on the West Side.

Mr. Huggard and family now occupy the Jas Votruba dwelling on Second St.

Mr. and Mrs. Roy Webster entertained a number of friends Wednesday evening. The occasion was the celebration of their fifth wedding anniversary, and the hosts wore her wedding gown, served everything in wooden dishes and played dominoes. But in spite of it all the guests refused to understand what the occasion was for until told at the close of an enjoyable evening.

Madams M. E. Heston and Thomas Joynt and Miss Agnes Porter were delegates to the W. C. T. U. convention held at Gaylord this week.

Rolland Holmes moved in the Robert Price house on the West Side this week.

James Milford has rented the H. L. Winters residence on Willowbrook addition.

Mrs. W. T. Lancaster of Kalkaska was a guest at the homes of Jacob Graff and Sam'l Persons a few days this week.

A hunting party consisting of Dr. H. W. Dicken, Geo. G. Glenn, N. Muma, Harry Price, Horace Hipp and Tom LaLonde left Friday for a camp near Newberry.

E. C. Couch and family have moved in the residence recently vacated by Mr. Huggard.

Mrs. B. Madell joined her husband in Ellsworth this week, where they will make their future home.

OCTOBER 27, 1922

C. J. Nelson, who removed recently from Tennessee has opened an up-to-date Photographic Studio on the second floor of the Monroe block over Gidley and Mac's Drug Store and is now ready to serve the people of this vicinity in an efficient manner.

East Jordan has been without a photo studio for several years owing to certain conditions; and the coming of Mr. Nelson should be welcomed by our citizens in general.

Mrs. James Evans passed away at the home of her daughter, Mrs. Henry Cummings Oct. 24, following a lingering illness from dropsy. Deceased is survived by the husband and the following sons and daughters: Mrs. Dora Kowalske and Mrs. Edith Cummings of East Jordan, Mrs. Eva Paquette of Phelps, Wis., Clifford and Robert, East Jordan; Mrs. Josephine Ranney of Manistique and Mrs. Bessie Bundy of East Jordan. Interment was in Sunset Hill.

Last Sunday, Oct. 22nd at 3:00 p.m. the Epworth League of the Methodist Church was reorganized. The following officers were chosen: President, Edward Barrie; 1st. vice Pres., Dorothy Webster; 3rd. vice pres., Thelma McDonald; 4th vice pres., Josephine Ekstrom; secretary, Marie McDonald; treasurer, Carlton Bowen; pianist, Viola Snyder. The League will hold a meeting every Sunday.

A MESSAGE
for
AMERICANS
from
General Eisenhower

Once before I had the honor and duty of leading a crusade for human freedom and dignity—in Europe during World War II.

That crusade was won not by Generals and Admirals but by the blood and effort of American G. I.'s and all the other forces fighting for freedom. Now in 1952 a different call to duty has honored me—as Republican nominee for President of the United States.

This time the effort is civilian—not military. But again, the crusade will be won not by me nor by the political leaders, but by everyday Americans who value their National heritage and are willing to go to the polls and vote to protect it.

This Is A Crusade To:

Sweep Out of Government the corruption and the scandal which have brought us dishonor at home and disrespect abroad.

Banish the Subversives and incompetents who have crucified both good public service and good public servants.

Build a Strong Economy not based on war.

Save Our Great, Free Nation from the reckless policies which are leading America down the road to bankruptcy—Socialism—and possibly even World War III.

America Needs You.. in this Civilian Crusade.

I hope that you, too, believe the time has come for a complete change in our National leadership—a change which will restore courage, integrity and faith in American Government.

air inlets can be homemade and need not be expensive, he explains.

Operating temperature in the barn of approximately 45 degrees provides suitable moisture control. Farmers seldom realize how much moisture is given off by a cow through perspiration, he notes. For example, a Holstein cow producing 30 pounds of milk daily will add 18 1/2 pounds, or more than two gallons, of water to the air in a 24 hour period. A Jersey cow producing 20 pounds of milk daily will exhale 15 pounds of water in a 24 hour period. This moisture, if not properly removed, can affect the life of both the barn and equipment, he cautions. It can have an effect also on the health of the cattle, particularly the young stock. A small electric fan will provide positive ventilation at a reasonable cost.

Extension Bulletin 301 — "Ventilation for the Modern Dairy Barn" — gives detailed information on selecting and installing the ventilating equipment, Rebman advises. The bulletin is available from his office at Boyne City.

"Could you," the specialist asked, "pay for an operation if I found one necessary?"

"Would you," countered the patient, "find one necessary if I couldn't pay for it?"

—so are we!

If ever there was a time to call a halt to wasteful, heedless government spending, that time is now. Every dollar wasted in Washington or Lansing means higher taxes for you, higher costs of food and clothing, less "buying-power" in your pay envelope.

Here is why we are mad—and why you should be too: In just five short years the cost of food . . . clothing . . . all the things you buy have gone up over 47%! The dollars you earn have dropped in value to where they buy only what 53c would buy in 1939. AND THE DEMOCRATS KEEP RIGHT ON RAISING YOUR TAXES AND SPENDING YOUR TAX MONEY ON MANY FOOLISH WASTEFUL SCHEMES TO "BUY" YOUR VOTES.

You can't afford to lose much more in this fantastic, socialistic game of cheap donkey-dollars. YOU CAN STOP IT . . . NOW . . .

Community Chest Drive Kick-off Breakfast Friday, November 6

Gaylord P. C. A. Annual Meeting Saturday, Nov. 1st

Plans for the eighteenth annual meeting of the Gaylord Production Credit Association are completed. Farmers from ten northern Michigan counties will meet Saturday, Nov. 1st, at the V. F. W. Hall in Gaylord for the purpose of transacting the business of the association. In addition to the business meeting, there will be a drawing for prizes, entertainment, a noon luncheon and short talks by Mr. Ray McMullen, wellknown Otsego and Montmorency County Agent, and by Mr. Bernard Hubbard, a local "boy who made good". Barney was born and raised in Alba near Gaylord, and after serving as Secretary-Treasurer of the Alma PCA and the Jackson PCA is now the District Fieldman for the Production Credit Corporation of St. Paul.

Entertainment will be furnished by "The Can't Hardly" quartet of Fairview, by John Latuszok of Gaylord and by Sharon Johnson of Harbor Springs. The luncheon will be served, as in the past, by the V. F. W. Ladies Auxiliary of Gaylord in the basement of the hall. All who plan to attend are urged to be at the meeting at 10:30 a. m. so that the meeting can get started promptly and adjourn at an early hour in the afternoon.

The business meeting will consist of reports of the Board of Directors and the Secretary-Treasurer, the election of two directors and the consideration and decision relative to a capital stock sales program. In that the Gaylord Production Credit Association's business has rapidly increased, the time is approaching when the need for additional capital is to be considered in order to continue to expand and meet the credit needs of the territory served by the Association.

This year the terms of Mr. Joseph Martineck, Jr., of Charlevoix and Mr. Arnold W. Ostrander of Afton both expire. Mr. Ostrander has been a director since 1938 and has held the position of President of the Board since 1941. Mr. Martineck is completing his first three year term. Nominations for the two directorships will be made from the floor.

Community Service Club Meets Nov. 5

The Community Service Club is having a meeting Wednesday evening at 8:00 p. m., Nov. 5th, at the high school.

We wish to discuss and plan the sending of gifts and remembrances to the men in the service from East Jordan. If the representative who met with us last year cannot be present, would the president of each organization appoint someone to attend.

Packages for men overseas should be in the mail by Nov. 15. If we are going to pay tribute to these men in the service we must act quickly.

The Community Chest drive starts Nov. 6 with a kick-off breakfast in the school lunch room. The budget remains the same with the exception of the amount of \$50.00 for the Eastern Michigan Division of the Salvation Army at Detroit. Major Cox, Detroit, feels it is not enough for us to give, they would like \$340, and with that amount in mind prefer to put on their own campaign.

When you are solicited for your United Red Feather drive please have in mind what you can give and make a pledge for this year's work for the many agencies supported by this drive. It will help if you make your first payment when you sign your card. We hope to finish the drive in a few days.

Funeral Services Eva Eleanore Tait

Mrs. Eva Eleanore Tait, 62, passed away Oct. 19th at Hurley Hospital, Flint, following a heart attack. Funeral services were held at the Reigle Funeral Home in Flint, conducted by Rev. Matthew Simpson. Bearers were six nephews. Burial was made in the Memorial Park Cemetery, Flint.

Mrs. Tait was formerly Eva Kidder of Antrim county. She is survived by her husband, John Tait; a daughter, Mrs. Dorothy Henderson, Flint; two brothers, Harrison and Archie Kidder of East Jordan; a sister, Mrs. Bertha Welbus, Detroit. A brother, Oscar Kidder, preceded her in death by three weeks.

Attending the funeral were: Mr. and Mrs. Clarence Kidder, Mr. and Mrs. Harrison Kidder, East Jordan; Archie Kidder, Mr. and Mrs. Robt. Johnstone, Ellsworth.

Phillip Malpass, student at Ferris Institute, Big Rapids, spent the week end with his parents, Mr. and Mrs. Theodore Malpass.

South Arm Farm Bureau

The October meeting was held at the home of Mr. and Mrs. Walter Fowler. There were fourteen members and one guest present.

Mrs. George Klooster gave her report from the County Women's meeting at Mrs. McGhan's in September and the one with Mrs. Schoals in October. At those meetings the resolutions of former years were checked for duplications. Plans were also made for a trip to the state convention at M. S. C. Nov. 12th. It was hoped that there would be a bus load from Charlevoix and Antrim counties. Mrs. Klooster invited the women of the South Arm group to meet with the County Women's group at her home Nov. 14th.

Mr. Warren Frank reported on the District Meeting at Gaylord. The purpose of the meeting was to work up enthusiasm in getting new members for the coming year. He stated that all membership dues for 1953 must be in by Dec. 10th.

The resignation of Mrs. Ivan Coolman as secretary was accepted and Mrs. Walter Fowler was elected in her place. Mrs. J. M. Ingalls was chosen as representative to the County Board of Directors. Mrs. Floyd French moved that our recently elected officers continue in office until Jan. 1954 which motion carried.

Because of the absence of Mr. Fowler, George Klooster, chairman, led the discussion of the evening. The emphasis was on getting as many people out to vote as possible at the Nov. 4th election and urging them to vote "No" on Proposal No. 2 and "Yes" on Proposal No. 3.

The hostess served cider with the potluck lunch and the group adjourned to meet with Mr. and Mrs. Delbert Ingalls in November.

Simmons - Stanek

Miss Patricia Ann Simmons, daughter of Mr. and Mrs. Harry Simmons, exchanged wedding vows with Robert Stanek, son of Mr. and Mrs. George Stanek, in a double ring service by Rev. Jerome Szydlowski at 2:30 Saturday afternoon.

The bride was attired in a navy blue gaberdine suit with blue accessories and wearing a corsage of white roses. Mr. and Mrs. Edward Ciszewski, sister and brother-in-law of the groom, attended the couple.

In the evening a reception was held at the home of the bride's parents. Mrs. Robert Strehl, sister of the bride, served the wedding cake. Miss Ethel Crowell and Mrs. George Ramsey of Cadillac presided at the silver service.

The couple left on a trip to the southern part of the state.

Before her marriage the bride was guest of honor at a shower given by Mrs. Eileen Brennan and Miss Ethel Crowell at the former's home.

PROPOSAL No. 2 BY THE C.I.O. WOULD GIVE ABSOLUTE CONTROL TO 4 COUNTIES IN SOUTHEASTERN MICHIGAN

No. 1 Amendment Powerful Weapon Against Narcotics

Approval of Amendment No. 1 at the general election Nov. 4th will give Michigan police a powerful weapon in the war against the narcotics traffic, according to Chief of Police Harry Simmons.

The amendment would apply the same provisions to making a search for narcotics legal without a warrant as were applied to concealed weapons on a constitutional amendment approved by the voters in 1936. The concealed weapons amendment has been pointed to as having been most effective both in the reduction of this type of crime and the prosecution of offenders. The same results are expected if the narcotics amendment is adopted.

Proponents of the amendment point out that 77 per cent of narcotics cases are now thrown out of court because of illegal search, the defendants taking advantage of a technicality to ply their trade safely.

"All good citizens are interested in abolishing the dope traffic and punishing dope peddlers," said Chief Harry Simmons. "They are particularly concerned because the dope peddler builds up his market through preying upon our young people, including teen agers, and making them the victims of this terrible affliction for the remainder of their lives."

"At present police are badly handicapped in fighting dope peddling. They know narcotics are being passed, but too often the guilty party goes free because although narcotics are found upon him the search is declared illegal. The amendment would remove this immunity and give the same protection to the public that the concealed weapons amendment now affords."

"Michigan has enacted new and stronger penalties against the dope peddler. Now all that is needed is this amendment so that these penalties can be imposed upon him."

"As everyone knows, there is nothing worse than the narcotics traffic, the dope evil, and everything that can be done should be done to bring those engaged in it to justice. Amendment No. 1 will help to do it."

Potato Show at Petoskey Nov. 4 - 7th

Northern Michigan farmers will have a chance next week to see and take part in the reorganized Northern Michigan Potato, Apple and Seed Show, Ed Rebmam, county agricultural agent said today. The event will be Tuesday, November 4 through Friday, November 7, at the 4-H Clubhouse, Emmet County Fairgrounds, Petoskey.

Seed cleaning will be demonstrated Wednesday, November 5, for the seed cleaning trade and Thursday, November 6, for farmers. Equipment is being set up by the Michigan State College agricultural engineering department under direction of Robert L. Madex.

Tablestock growers — and other interested persons — can see grading of 1,000 pound lots of field run potatoes produced by certified seed growers, invites Henry C. Moore, MSC specialist in charge of seed potato certifying. The potatoes, sealed in bags at harvest by county agricultural agents, will be graded for types, injuries and blemishes. Then will be sorted by size and packaged for use. Those from 1 1/2 to 2 1/2 inches will be selected for seed sales and the bigger ones headed to table use, according to Moore.

There is a big demand for small seed potatoes, he notes, while the housewife will pay more for the big seed-stock potatoes than for other U.S. No. 1 grade.

Berries to be covered in demonstrations include those most marketable and best adapted to Lower Peninsula growth, according to Moore.

An inspired Mancelona High School football team battled the local high school "Red Devils" to a 6-6 tie under the lights at Mancelona last Friday evening.

It was strictly a defensive battle throughout the contest, which was played before one of the largest crowds ever to witness a football game in Antrim County.

Mancelona's "Ironmen" tallied first late in the second period on a pass Holstad to Patrick. Their attempt at the extra point on a pass play failed and Mancelona was out in front 6 to 0 at the intermission.

The Jordanites were forced to come from behind in the final stanza as Milstein took a pitch out from Evans to go over from the 10 yard marker. Gordon Danforth's attempt to add the extra point failed on an off tackle slant and the Jordanites had to be satisfied with a tie as Mancelona froze the ball during the waning minutes of play.

Big Gordon Danforth, returning to regular duty for the first time in over a month, proved the top offensive man of the evening for the locals. Defensively the entire Jordan forward wall turned in an outstanding performance. Linemen Floyd Detloff, Dick Freeman, Robert Romback, Larry Chanda and James Shepard led the way.

This week end Friday, the Jordanites will travel to Gaylord where they will meet the "Blue Devils" there under the lights at 8:00 p. m. and for the first time this season the "Red Devils" will hold the role of underdogs as the Gaylord aggregation possesses its strongest eleven since 1939. Gaylord has the biggest team in the Northern Michigan Class C Conference and is led by Gene Fleming, fleet-footed halfback, who reminds many oldtimers of Boyne City's Elwood Hausler of some fifteen years ago.

Coach Saxton's forces will be without two of its regulars Friday as Ray Gee and Leon Bartlett are lost to the squad for the season, Gee because of illness and Bartlett with a broken finger.

Local boys who saw duty in the Mancelona game were: Floyd Cutler, Robert Danforth; Peter Nemecek, Floyd Detloff, Jack Zulek, James Weisler, Richard Freeman, Sam Milstein, Gordon Danforth, Steve Hayden, Robert Romback, J. M. Ingalls, James Sherman, James Shepard, Keith Evans, Martin Rebec and Larry Chanda.

ing to Moore. These include Russet Rural, Sebago, Katahdin, Pontiac, Chippewa and Irish Cobbler and the new ones like Kennebec, Ontario, Cherokee and Sequoia. Chipping, boiling, frying and baking qualities will be tested.

The show will close Friday noon with a banquet and Friday afternoon with an auction of entries. The banquet speaker will be President Charles Anspach of Central Michigan College at Mt. Pleasant.

Mark Chapter No. 275, O. E. S., held its annual public installation of officers at the Masonic Hall, Wednesday, Oct. 29th.

Officers installed were: Violet Bustard, Worthy Matron; Wm. Sanderson, Worthy Patron; Alice Sherman, Associate Matron; Herbert Williams, Associate Patron; Ida Kinsey, Secretary; Mary Ellen Taylor, conductress; Eileen Smatts, chaplain; Blanche Bulow, Marshall; Minnie Desjardine, organist; Alice Williams, Adah; Bertha Webster, Ruth; Alta Drappeau, Esther; Lucretia Frost, Martha; Florence Heller, Electa; Mabel Winstone, Warden; Flor-

ence Stucker, Sentinel. Amanda Shepard was the installing officer. She was assisted by Lorene Wade, Chaplain; Gladys Bechtold, organist; Agnes Darbee, Marshall.

Approximately 60 members and friends were present, including guests from Charlevoix chapter.

Refreshments were served from a decorated table, presided over by Mattie Palmiter and Lorene Wade. The committee in charge of refreshments were Jane Jackson, Mary McKinnon, Pearl McHale and Edith Simmons. A lovely cake was baked by Amanda Shepard, which was presented to William Sanderson as a gift for his 20th anniversary as Worthy Patron. It was served by Edith Swafford.

Bounty Payments Lowest This September For Past Three Years

The conservation department reports a bounty payment of \$12,625 for September, the lowest September total in the last three years.

Bounty payments in September, 1951, totaled \$15,000, and in 1950 the total was \$16,000.

This year, one wolf, 181 bobcats and 656 coyotes were bountied. In September, 1951, seven wolves, 170 bobcats and 804 coyotes were bountied.

Mr. and Mrs. Earl Clark returned home Monday from Midland where they were guests of their son, Harold Clark and family, several days.

Tid-Bits

By UNO HOO

One of the lowest forms of animal life we have observed in many years around election time came to light in this area this week. The Michigan Committee for Representative Government (a high sounding name for something not so high) sent out cards to all boxholders urging them to vote "No" on Proposal No. 3, stating "Stop the Detroit Bd. of Commerce Grab". This is a move to confuse the voters of this area, just a plain dirty trick and nothing else.

There can only be one way for the voters of this area to save their shirt on the proposals: Vote a two-letter word "NO" on TWO. Vote a three-letter word "YES" on THREE. Remember: two on two and three on three.

Michigan Mirror

Michigan CIO unions have a big stake in the outcome of the election Tuesday. Here is the story, as told by a former CIO employee.

The CIO role in Michigan politics is graphically portrayed in a book just published by the University of Chicago Press. The university calls it an "impartial, firsthand study of how pressure groups operate on our political party." We emphasize the word "impartial" as the author who did the fact-finding is Fay Calkins, a research assistant for the National CIO Political Committee, a former CIO employee. Presumably she ought to know.

Two years ago the Michigan CIO through its state "political action committee" not only grabbed control of the Wayne county Democratic organization by electing a majority of precinct captains in four out of five district conventions. The PAC actually gained control of the Democratic state convention itself, says Miss Calkins.

By putting up \$200,000 of CIO Union funds to help re-elect Governor G. Mennen Williams, the Michigan PAC, led by August Scholle, affected the defeat of two-term Republican Governor Harry F. Kelly by a close margin. Now they had their own advocate in the executive office to push PAC-endorsed legislation. These measures included a corporation profits tax, fair employment practice, public housing, improved social security and workers' education—Democratic state platform planks taken directly from the state PAC's legislative program. (Note: The \$200,000 expenditures was reported to the Secretary of State at Lansing.)

Miss Calkins adds: "The (Michigan) PAC did not hesitate to

bring pressure for sympathetic appointees to the Michigan Unemployment Compensation Commission, the state department of labor and the Public Service commission."

Thus, election of a governor whose viewpoints coincided with those of the Michigan CIO was a feather in the hats of Messrs. Reuther and Scholle. They had a friend in the Governor's chair.

The Michigan victory was in contrast to the whopping defeat sustained by labor leaders in Ohio where Senator Robert Taft was re-elected by a record majority.

Why was Michigan successful where Ohio had failed? Miss Calkins' conclusion is that the Ohio PAC was "exposed to public opinion as a special interest group" because of its separate precinct organization which paralleled that of the state Democratic Organization.

In Michigan, so Miss Calkins explains, the labor movement was hidden behind a broad party organization and a traditional party name.

Thus, Williams was not a CIO candidate. He was a man of liberal thinking, popular in both city and rural areas because of his democratic hand-shaking, barn-dancing ways, who appeared before the voters as a Democrat—not as a union candidate.

The key to the Michigan CIO success was Wayne County which has 37% of the state's population. By capturing Wayne county alone, the PAC was able to get control of the Michigan state convention. This was not possible in Ohio, a state of many large industrial centers. Where the Ohio labor leaders were out in the open and incurred resentment of

many voters, the Michigan CIO operated behind the scenes, hidden from public view and hence less vulnerable to criticism.

These facts, as vouched for by Miss Calkins, are of pertinent interest to Michigan voters this fall for three good reasons.

First, the Michigan CIO is now attempting to extend its influence by getting control of the State Legislature. Reapportionment of the legislature has been handled to date on a basis of geographical representation in the Senate and population representation in the House. This practice is also followed at Washington in election of Senators and Representatives.

The Michigan CIO wants to change this by giving a handful of counties a majority control of the legislature through election of senators and representatives. This scheme is known as Amendment No. 2.

Second, the Michigan CIO would take away the following congressmen through such a reapportionment: One each from Upper Peninsula, North Michigan above the Muskegon-Bay City line, and Western Michigan, west of about US-27.

The southeastern Michigan industrial area, centering around Detroit, would have 12 Congressmen instead of nine as at present.

Third, re-election of Governor

G. Mennen Williams will assure a continuation of the stalemate at Lansing whereby the average legislative revenue bill, other than a state corporation profits tax, is automatically assured of a governor's veto.

Like all elections, however, the Nov. 4 election is complicated by having many issues, some relevant and some not. Political observers at Lansing are crossing their fingers on the Nov. 4 outcome in Michigan. The election is just that close. Not for a generation have the odds been so even five days before the election. And not in that time has Michigan been so vital to the hopes of both parties.

Michigan has enjoyed the experience of being a pivotal Presidential state.

At least the crowds who turned out to greet Eisenhower in three appearances here, for two formal speeches and his successful whistle-stop trip cross-state; who heard Adlai kick-off his campaign at Detroit and make a propeller-stop trip; and who heard President Truman make his typical "give-em-ell-arry" talks here—the audiences seemed to be enjoying themselves tremendously.

Their final reaction—how they'll vote Tuesday—is something the voters are keeping to themselves.

In the meanwhile, the Michi-

gan CIO will have its greatest test at the ballot box. The stakes are great.

West Peninsula (Edited by Mrs. Wm. Gaunt)

Mr. and Mrs. Lawrence Elzinga drove to Grand Rapids Thursday on a business trip.

The Roy and Ernie Howard families spent Sunday with the Henry Howard family.

Miss Margie Chanda went to a student council party last Tuesday evening at East Jordan.

Mrs. Francis Palmiter and three daughters were Sunday evening callers at the Lawrence Elzinga home.

A Tupper Plastic Party was held Friday night at the Wm. Gaunt, Sr., home with a good attendance.

Mr. and Mrs. Loyal Barber and mother, Mrs. Addie Barber, took a sight-seeing drive Sunday. They also called on the Francis Sanford family at Bellaire.

Alfred Crowell and Bob Scott were musicians Saturday night at the wedding party at the Deer Lake grange hall for Mr. Bob Peck and his bride.

Bobby Crowell attended his class party at East Jordan last Thursday evening.

Visitors at the Alfred Crowell home Sunday were their parents, Mr. and Mrs. Wm. Gaunt, Sr., Bill Gaunt, Jr., Margie Chanda and Marion Brooks.

Miss Ruth Ann Crowell is staying with Mrs. Henry Grutch and children, helping with the chores and going to school, while Mr. Grutch is sailing the lakes.

Mr. and Mrs. Henry Howard will drive to Mt. Pleasant Tuesday morning to be there as delegates for the State Grange. They expect to be home again Friday.

Mrs. Eloise Crowell and daughter, Ruth Ann, were the only ones present from the Peninsula 4-H to attend the meeting at the Kaden's store at Boyne City last Tuesday evening.

Miss Beuhla Earl, 43, died at the Little Traverse Hospital Saturday night. She had been in poor health all summer. The funeral services will be Tuesday afternoon at the Free Methodist church at Boyne City. She leaves to mourn her death her mother and father, John and Nellie Earl; 3 sisters and a brother; also a niece she was raising whose mother died around five years ago. Miss Earl had several nieces and nephews and a host of friends.

"Wacky Walker" Due In E. Jordan

"Maybe humor can do what the laws, police and courts have been unable to do — bring the pedestrian accident problem under control."

So says F. Granger Weil, chairman of the traffic safety committee of the Michigan Press Association which has pledged the full resources of daily and weekly newspapers of the state to the cause of highway safety.

THE SAYER TIM has a philosophy for a brain. He is a strict worker, who always looks at the road ahead of the auto. There is no limit to his brain's capacity in his own mind. He is a real live character in his own right. He is a real live character in his own right. He is a real live character in his own right.

Michigan Association of Chiefs of Police
Michigan Sheriffs Association
Michigan State Safety Commission
Automobile Club of Michigan

First dose of the "humor treatment" is the cartoon above. There are an even dozen of them which will appear weekly on the pages of The Charlevoix County Herald during the season when long hours of darkness make the pedestrian much harder to see — and easier to hit.

Maybe laughing at the antics of the 'Wacky Walkers' will prevent us from killing so many of them," hopes Weil.

"The 'Wacky Walker' approach has a foundation in fact; in half of the cases the pedestrian is more at fault than the motorist. And, if the motorist can learn to gain at the cavorting of pedestrians when he's behind the wheel he may walk a bit more carefully when he gets out of his car."

General Election Notice

TO THE QUALIFIED ELECTORS OF THE CITY OF EAST JORDAN,

County of Charlevoix, Michigan Notice is Hereby Given, that a General Election will be held on **TUESDAY, NOVEMBER 4th, 1952**

at the respective polling places hereinafter designated:

CITY HALL

For the purpose of voting for the following officers.

President and Vice President of the United States.

Governor, Lieutenant Governor, Secretary of State, Attorney General, State Treasurer, Auditor General.

U. S. Senator (Full Term), U. S. Senator (To Fill Vacancy), Representative in Congress.

State Senator, Representative in The State Legislature, Justice of The Supreme Court (To Fill Vacancy).

Judge Of Probate, Prosecuting Attorney, Sheriff, County Clerk, County Treasurer, Register Of Deeds, Circuit Court Commissioner, Drain Commissioner, Coroner, Surveyor.

Also for the purpose of voting upon the following propositions.

(Proposal No. 1)

Proposed Amendment to Section 10 of Article II, Relative to the Search and Seizure Provision of the Michigan Constitution, to permit the use as evidence in criminal proceedings of narcotic drugs seized in violation thereof.

Amendment proposed by joint resolution adopted by the legisla-

ture to Section 10 of Article II of the State Constitution, which protects persons and their possessions against unreasonable searches and seizures, by barring the introduction in evidence of property obtained in violation thereof, so as to permit the introduction in evidence, in criminal proceedings, of narcotic drugs seized anywhere except in dwellings, although obtained without a search warrant or lawful arrest, the same as dangerous weapons are now so permitted to be introduced in evidence in criminal proceedings.

Shall Section 10 of Article II of the State Constitution be amended to permit the use as evidence in criminal proceedings

of narcotic drugs seized in violation thereof?

(Proposal No. 2)

Proposed Amendment To Section 2, 3 and 4 of the Michigan Constitution To Provide For Decennial Reapportionment of the State and House of Representatives by the Secretary of State.

Initiatory petition proposing to amend Sections 2, 3 and 4 of Article V of State Constitution to provide apportionment of the state legislature, according to latest federal census, by secretary of state, enforceable through mandamus proceedings in supreme court of Michigan. Senate shall consist of thirty-three members elected from single member population formulae in amend-

ment, and house of representatives shall consist of ninety-nine members elected from districts created according to population formulae in amendment, with three representative districts allocated to each senatorial district, senate and house members to be elected for two year terms.

Shall Sections 2, 3 and 4 of Article V of the State Constitution be amended to provide for decennial reapportionment of the senate and house of representatives by the secretary of state?

Proposal No. 3)

Proposed Amendment to Sections 2, 3 and 4 of the Michigan Constitution To Establish Senatorial Districts and to Provide For Decennial Reapportionment of

Representatives by legislative or by State Board of Canvassers.

Initiatory petition proposing to amend Sections 2, 3 and 4 of Article V of State Constitution to provide for apportionment of the state legislature. Provides for a senate consisting of thirty-four members elected for two year terms from single member districts established in the amendment. Provides for a house consisting of not to exceed one hundred and ten members elected for two year terms from districts created by the legislature according to population formulae in amendment. Legislature shall reapportion house according to latest federal census. If legislature fails to reapportion, state

board of canvassers must do so. Shall Section 2, 3 and 4 of Article V of the State Constitution be amended to establish senatorial districts and to provide for decennial reapportionment of representatives by legislature or by state board of canvassers?

Notice relative to opening and closing of the polls! Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

To The People of Charlevoix County

YOU STAND AT A "CRITICAL CROSSROAD" WHEN YOU GO TO THE POLLS NOV. 4TH. IF YOU FAIL TO VOTE — YOU MAY LOSE YOUR INALIENABLE RIGHT TO BE GOVERNED BY THE GOVERNMENT OF YOUR CHOICE.

Don't Be Disfranchised

WHILE THE INCUMBENT GOVERNOR HAS PROFESSED TO BE A FRIEND OF THE RESIDENTS OF RURAL AREAS AND WHILE HE HAS ENJOYED THE HOSPITALITY OF PEOPLE OF "OUT-STATE" MICHIGAN, HE AND HIS POLITICAL SUPPORTERS HAVE CONCOCTED A PROPOSAL WHICH WOULD ROB US OF OUR VOICE IN STATE GOVERNMENT AND DEPRIVE US OF OUR VOICE IN THE STATE LEGISLATURE.

Vote No On Proposal No. 2

IF YOU DON'T DEFEAT THE ABOVE PROPOSAL, YOU WILL BE REPRESENTED IN THE STATE LEGISLATURE BY ONE REPRESENTATIVE FOR THE COUNTIES OF CHARLEVOIX, EMMET, CHEBOYGAN, PRESQUE ISLE, ALGER, LUCE, SCHOOLCRAFT, MACKINAC, AND CHIPPEWA COUNTIES.

Vote Yes On Proposal No. 3

AND YOU WILL HAVE ONE REPRESENTATIVE FOR CHARLEVOIX, ANTRIM, AND LEELANAU COUNTIES AND—

Vote Straight Republican

BECAUSE, UNDER THE LEADERSHIP OF FRED ALGER, THE REPUBLICAN PARTY IS TAKING A DETERMINED STAND TO PASS PROPOSAL NO. 3 TO INSURE ALL THE PEOPLE OF MICHIGAN A VOICE IN THE STATE LEGISLATURE.

Could You Go Broke? State Could Too!

Michigan is nearly broke. During the last four years under a Democrat governor, the State has spent 89 million dollars more than it took in. You and I can't spend more than we take in without going broke. Neither can the State!

That's Fred Alger's solution to the State's financial crisis—

LESS SPENDING NO NEW TAXES.

Dairy Records Necessary For Herd Management Success

Dairy records are necessary for greatest success in herd management, stresses Ed Rehman, county agricultural agent.

Breeding and freshening records as well as milk and butterfat production records are advisable. Freshening dates, identification of individual animals, milk and butterfat production, amount of grain and roughage fed and income and expense figures are all a part of the records provided members of a dairy herd improvement association.

The following gifts were omitted from the last report:
From Ruth Clark — Four magazines: The August American Home, and Living; The September House Beautiful, and House and Garden. One book by Keyes: All This Is Louisiana. The author is familiar with the locations and conditions of which she writes. The book is a travel story told through personal experience and has many illustrations.

Leden Brintnall — The Desperate Search, by Mayse: A boy of eight and a baby sister are the only survivors when an airline crashes. It is a story of adventure and romance which tells of the children's experiences and of those who sought and finally found them.

Charles Potter — The 1952 Year Book of Agriculture, title Insects.

Phyllis McKinnon — 3 Pocket Book mysteries.

New Books:
Snakes of Michigan: Gives general information. Identifies different kinds, tells of the one kind of poisonous snake native to Michigan. (Pam. from MSC).

1950 Census of the U. S. and map of Korea showing adjoining areas of Manchuria. Also map of Australia.

The Daughter of Time — Tey: An unusual mystery: Inspector Grant of Scotland Yard made it his hobby to study character through the reading of faces. While forced to stay in the hospital he tried guessing character by photos and then turned the picture to see how near right he was. He was amazed after studying the portrait of one that it should be of Richard III, who had one of the blackest records of all history. He had guessed that he had strength of character, integrity, kindness. Because Grant thought history and not himself might be wrong, he endeavors to show what, according to his belief, really happened.

Touchdown Kid — Bowen: A good story for the football fans.

A MESSAGE
for
AMERICANS
from
General Eisenhower

Once before I had the honor and duty of leading a crusade for human freedom and dignity—in Europe during World War II.

That crusade was won not by Generals and Admirals but by the blood and effort of American G. I.'s and all the other forces fighting for freedom. Now in 1952 a different call to duty has honored me—as Republican nominee for President of the United States.

This time the effort is civilian—not military. But again, the crusade will be won not by me nor by the political leaders, but by everyday Americans who value their National heritage and are willing to go to the polls and vote to protect it.

This Is A Crusade To:

- Sweep Out of Government* the corruption and the scandal which have brought us dishonor at home and disrespect abroad.
- Banish the Subversives* and incompetents who have crucified both good public service and good public servants.
- Build a Strong Economy* not based on war.
- Save Our Great, Free Nation* from the reckless policies which are leading America down the road to bankruptcy—Socialism—and possibly even World War III.

America Needs You... in this Civilian Crusade.

I hope that you, too, believe the time has come for a complete change in our National leadership—a change which will restore courage, integrity and faith in American Government.

VENTILATION SHOULD BE PROVIDED WITHOUT DRAFTS

The ventilation system in a dairy barn should provide fresh air at a suitable temperature without drafts. It should also remove excess moisture and undesirable odors, states Ed Rebman, county agricultural agent.
The amount of fresh air needed in a dairy barn depends on the size of the barn and the number of animals housed. A minimum of cubic feet of air for each 1,000 pounds of animal is desirable, Rebman suggests. Generally a low cost fan and thermostat will provide suitable air movement. The fresh air inlets are quite important to the operation of the ventilating system. They should be spaced rather evenly at least on the long sides of the barn. Fresh

air inlets can be homemade and need not be expensive, he explains.
Operating temperature in the barn of approximately 45 degrees provides suitable moisture control. Farmers seldom realize how much moisture is given off by a cow through perspiration, he notes. For example, a Holstein cow producing 30 pounds of milk daily will add 18 1/2 pounds, or more than two-gallons, of water to the air in a 24 hour period. A Jersey cow producing 20 pounds of milk daily will exhale 15 pounds of water in a 24 hour period. This moisture, if not properly removed, can affect the life of both the barn and equipment, he cautions. It can have an effect also on the health of the cattle, particularly the young stock. A small electric fan will provide positive ventilation at a reasonable cost.
Extension Bulletin 301 — "Ventilation for the Modern Dairy Barn" — gives detailed information on selecting and installing the ventilating equipment, Rebman advises. The bulletin is available from his office at Boyne City.

"Could you," the specialist asked, "pay for an operation if I found one necessary?"
"Would you," countered the patient, "find one necessary if I couldn't pay for it?"

-so are we!

If ever there was a time to call a halt to wasteful, heedless government spending, that time is now. Every dollar wasted in Washington or Lansing means higher taxes for you, higher costs of food and clothing, less "buying-power" in your pay envelope.

Here is why we are mad—and why you should be too. In just five short years the cost of food . . . clothing . . . all the things you buy have gone up over 47%! The dollars you earn have dropped in value to where they buy only what 58c would buy in 1939.

AND THE DEMOCRATS KEEP RIGHT ON RAISING YOUR TAXES AND SPENDING YOUR TAX MONEY ON MANY FOOLISH WASTEFUL SCHEMES TO "BUY" YOUR VOTES.

You can't afford to lose much more in this fantastic, socialistic game of cheap donkey-dollars. YOU CAN STOP IT . . . NOW . . .

The Servicemen's LETTER

Hi Fellas,

A very interesting letter from Al Nelson over in Korea informs us that he is now on his way home, and hopes to make it here before too long. He writes, "You have been reading the news of Korea daily. However, you have failed to read it in detail and have overlooked the news item on my sojournment from the land of the Morning Calm. Consequently I desire to inform you of the fact, express my appreciation for the indefinite subscription to the Herald, and tell you to save postage on future editions until I forward a new address."

I stopped by and talked with the McGeorge boy one day. His position was neighboring one of my tank positions. He was from all appearances in A-1 condition. I enclosed find copy of our Battalion paper. As you note "B" company tops the contribution campaign again. This company enjoys a wonderful record. They have topped every contribution and they have been numerous. We also enjoy the best combat record with the fewest casualties, the tops in administration, the lowest V. D. rate, no A. W. O. L.'s, and I haven't had to Court Martial a man. So, in returning home I feel I have accomplished my mission. Unfortunately this Division has been 50-100% overstrength in Captains and unable to be promoted. However, my incentive was to mold together the best unit and during the eight months I have commanded this company I reached my goal, and maintained same.

I should be in a position to say Hello within a month from today. Al included the following clipping about one phase of life in Korea:

GREEN AS GRASS

A recent retrieving expedition on the slopes of Old Baldy did not turn out so well for a few hurried minutes. The retriever crew led by Captain Causey, Lt. Stewart and Sgt. Brady had just hooked on to the stranded tank when great clouds of green smoke began to pour out of it. Taking a hint, the retriever boys jumped on the personnel carrier and got the H- out of there without further reconnaissance. Finally the smoke subsided and the Green Smoky Mountain Boys inched their way cautiously back to the tank. No smoke grenade or any sign of the cause of all the excitement could be found. With imaginations like this, it's time Causey, Stewart, Brady and Company rotated home.

Bob Pearsall was home on leave this past week. He's going back to the same camp but into a different company. His new address will be: Pvt. Robert Pearsall, US 55 273 068, Co. "C", 42nd Med Tk Bn, Camp Breckinridge, Kentucky. Bob is due back in camp on Oct. 26th when he will start a course in leadership school. The course continues 8 weeks.

Jim Meredith, after giving us word that he was on his way to Key West, Florida, suddenly showed up in Norfolk, Virginia, aboard the USS Sierra. Jim has qualified for the Desland Basketball Team. If he can continue on this team it will mean good training and lots of traveling for Jim. Jim's address is: James Meredith, MMFN, 420 87 07, USS Sierra, AD-18, c/o FPO, New York, N. Y.

Here's a letter from Yokosuka, Japan. "Hi Jake—As you can see by the letter I am now in Yokosuka, Japan. We will be here for three months or more and then back to Sasebo again. I just thought I would let you know that another local fellow has another strip now. I made ENFN the first of October and am going up for Third Class in February. Our Division Officer told us this morning that everyone who made FN in October could go up for Third Class in February."

Here Clifford Schultz and I are in the same place again but haven't gotten together. I have only been here three days so will probably see him soon. There is

nothing new going on here just now. My address is: Delbert C. Folsom, ENFN, USS Electron, AKS 27, c/o FPO, San Francisco, California."

Thanks for the letter Del. Bob Graham, while staying in Camp Chaffee, has moved to a different company and battalion which is as follows: Pvt. Robert C. Graham, RA 16 417 451, Co "A", 47th Armd Inf Bn, 5th Armored Division, Camp Chaffee, Arkansas. Bob is now studying Anti-Aircraft.

Here's a new address for Earl Bennett — A/3c Earl R. Bennett AF 16 404 211, 3754 Stu Trng Sqd, Barracks 670, Sheppard AFB Texas. What are they teaching you now, Earl?

Gerald Olson and Richard Dipzinski both arrived in the same camp, the same Battalion and the same Company. In fact Dip is platoon leader of Gerald's platoon. Do as you're told now, Gerald. Their addresses are: Pvt. Richard Dipzinski, US 55 289 969 and Pvt. Gerald O. Olson, US 55 289 968, both of Company "C", 80th Hvy Tk Bn, Camp Chaffee, Arkansas.

Dave Wade, after riding herd on the "flivver" all the way out to El Toro, suddenly showed up here in E. J. this last week and his orders have been suddenly changed and after the present 14 day leave here at home he will report for special training in Nevada and after that—overseas—somewhere. Dave says these spec numbers sure can get one in dutch at times.

After a long silence we again hear from Don Danforth. He left Camp Stoneman on Oct. 16th and about this time is well on his way toward Japan. His temporary address is: Pvt. Donald W. Danforth, RA 16 405 481, Prov Sq 1805, APT 959, c/o PM, San Francisco, Calif.

Joe Hammond made it back into Norfolk last week and he said that the day after he pulled in Fred Burbank's ship sailed into port. Fred, Don and Jim have all gotten together there in Norfolk. Bud Cummins has been home on leave but left for back to Norfolk this week. They'll make quite a set of quints when they get together again.

George Rogers checked in from Milledgeville, Georgia, and started complaining about the hard time the southerners are giving him with their you-alls, that-a-ways, down yonder. However, he says it is still English and does not have to be translated by means of a foreign language dictionary.

George writes further, "This town I'm stationed in is about the size of Charlevoix but has the Georgia State College for Women, Georgia Military College, Georgia Boys Reform School and the State Asylum for the Insane. My wife and I live about 2 1/2 miles south of town on Highway US441 in a small trailer park. We have a 1952, 35-foot Schultz trailer, 2 bedrooms, living room, kitchen and bath with bath-tub. The latter is something that you only find in the largest later trailers."

Surely sounds de-luxe, George. George explains his work thus, "This instruction job I have here is to teach students from High School to Sophomores in college Military Science and Tactics. At present I am finishing up on Communications and next week I start a class on the United Nations and Military Problems of the US. It sure is an interesting job."

James Arnott is entering the Coast Guard sometime in the first part of November. At present he is engaged in securing his release from the Draft Board. If he succeeds in that he will then sign up with the CG and go to New Jersey or Delaware for his first training.

A letter from Dale Gee reads, "Well, I finally made T/Sgt. It came out on orders today and it is effective as of the first of Oct."

"Say, the paper sure looks sharp now and seems like it has just come to life. Tell Paul to keep it up."

I saw Niles Mill and wife two weeks ago when his team played Fort Lewis here. Rot Gibbard and family were here last Saturday for the weekend. Say Jake, pass this on to all the fellows that go overseas from Fort Lawton or Fort Lewis, to look either us or the Gibbards up. Any of the fellows that come this way we will be happy to see. My phone number is GR4157 here in Tacoma. Our home address is 881 Violet Meadow, Tacoma 4, Washington.

"Tell all the fellows that we say 'Hello'. Tell the people of E. J. thanks for the paper. It is still my Home Town."

Thanks for the letter and the invitation, Dale. I'm sure you mean every word of it. And this to any man who gets out Washington way—be sure and look the Gees up. They will show you a real welcome.

So Long Men,
"Jake" Snyder

Sawdust found excellent for cattle bedding

Sawdust or shavings will make warm, absorbent bedding for dairy cattle, according to reports from Michigan State College's Upper Peninsula Experiment Station at Chatham. Folks there have found that, under controlled conditions, sawdust or shavings have no harmful effect on soil when the manure is later applied to fields. Bedding the herd on sawdust will also mean savings in liquid manure. Northern Michigan dairymen usually find shavings easy to obtain; in other sections, good supplies can be picked up from nearby sawmills. For more information, call your nearby County Agricultural Agent.

Rockets and telephones have much in common

To reach its target, this guided missile depends on an "electronic brain" developed by Bell Telephone Laboratories and produced by Western Electric, the manufacturing unit of the Bell Telephone System. Western Electric production techniques also turn out electronic controls and firing systems for Army and Navy guns and Air Force bombing planes. Did you know these same techniques are used to make the "electronic brain" that guides your Bell telephone calls to the right number? Thus modern research and facilities give you better telephone service at the lowest possible cost.
