The annual East Jordan Football Banquet, sponsored by the seniors will be held at the High School Gym, Tuesday evening, Nov. 25th, at 6:30 p. m. Lloyd Eaton, Director of Physical Education at Alma College, will act as the principal speaker at the football banquet honoring the 1952 "Red Devils" being held in the high school gymnasium, Tuesday evening, November 25 at 6:30 p. m.

Lloyd W. Eaton, head football and track coach as well as Athletic Director at Alma College has an outstanding background in the Physical Education field. A graduate of Belle Fourche, South Dakota, High School where he lettered in football, track, boxing, Eaton attended Black Hills State Teachers College at Spearfish, South Dakota, gaining fame at an end position on the grid squad and captaining the team in his junior year. After graduation from Black Hills, Eaton remained at the college for one year as line coach and then moved on to Du Free High School, South Dakota as grid coach, ended up later as a special service officer with the U. S. Army in Puerto Rico and other points in South America. Two years as football coach at Bennett County High School, Martin, South Dakota followed, and then on to the University of Michigan for one year for his Masters degree, plus work in spring sports and fall football with the 150 pound squad. Following that Eaton completed work for a degree of Director of Physical Education at the University of Indiana. He came to Alma in August 1949 succeeding Steve Sibo as football coach. Eaton's 1950 and 1951 football squads were champions of the M. I. A. A. Tickets may be purchased from members of the senior class or from members of the football squad. Women are welcome as well as men.

Coaches Saxton and Damoth Start 1952-53 Basketball Workouts

Nuptial Vows Spoken

Mr. and Mrs. F. Robert Felix on Canadian wedding trip. Before her marriage, Nov. 8th, Mrs. Felix was Miss Frances Lenosky.

Forty-two basketball candidates started daily workouts on Monday of this week under Coaches Gayle Saxton and Max Damoth as the Jordanites began preparations for their 1952-53 cage season which opens at Alpena on Dec. 2nd, when the "Red Devils" take on the highly rated Class B Catholic Central quintet there.

Coach Saxton will have seven lettermen back from last year's District Champions, but of the seven only James Shepard, guard, and Keith Evans, forward, were regulars. Other lettermen on hand for Monday's opening workout were: Steve Hayden, Richard Freeman, Sam Milstein, Clinton Clark and Robert Danforth.

The "Red Devils" lost their 1-2-3 scoring punch through graduation last spring, when Roman Klemkiewicz, Norman McGeorge and Don Whiteford finished their high school careers. This trio was largely responsible for the lion's share of the "Red Devil" scoring last winter and their loss will be sorely felt.

The Jordanites are taking on two new opponents this winter in filling out its 16 game schedule. They are Onaway and Reed City. The locals will play Onaway at home and away and will clash with the Reed City aggregation in only one contest to be played here on January 20th. Below is listed the 1952-53 "Red Devil" cage schedule:

- Dec. 2 — Alpena Catholic Central — there.
- Dec. 5 — Pellston — here.
- Dec. 12 — Charlevoix — there.
- Dec. 16 — Harbor Springs — here.
- Dec. 19 — Gaylord — there.
- Jan. 9 — Mancelona — there.
- Jan. 16 — Boyne City — here.
- Jan. 20 — Reed City — here.
- Jan. 23 — Onaway — here.
- Jan. 27 — Pellston — there.
- Jan. 30 — Charlevoix — here.
- Feb. 6 — Harbor Springs — there.
- Feb. 10 — Gaylord — here.
- Feb. 13 — Mancelona — here.
- Feb. 20 — Boyne City — there.
- Feb. 27 — Onaway — there.

Armistice Day Observed With Family Night Supper

The American Legion and Auxiliary Rebec-Sweet Post 227 observed Armistice Day Nov. 11 by having a Veterans Family night supper at the Legion Home.

The Colors were presented by the Color Bearers, Martha Kamradt invoking the blessing. The Veterans of World War I were introduced by Master of Ceremonies, Commander Frank Stucker. Those present this year were: Joe Wilkins, Tom St. Charles, Otto Reinhardt and Ed Kamradt. Commander Stucker then called on Auxiliary President Lillian Bennett, who said a few words.

Tom St. Charles was introduced and he read the letter he received recently appointing him to a 16-man Rehabilitation Advisory Board Committee, by the National Executive Board of the American Legion. Tom said he felt the honor should go to the Post instead of him personally. Tom has earned this recognition for his faithful work, and all the members of the Post and Auxiliary are proud this honor has been bestowed upon him.

Legion Membership Chairman, Bill Bennett, was called on and he said he was sorry to see so few World War I Vets out and he would like to see them take a part in Post affairs, especially Armistice Day celebrations. The main speaker of the evening was Joe Wilkins who talked about Civilian Defence of which he is the Co. Chairman. Joe is trying hard to get this program organized but people are not taking it very seriously. Joe said he has received only one filled out registration application from all that were printed in papers throughout the county, so if you have not registered be sure and do so at once.

Mr. and Mrs. Hubbard, formerly of Boyne City, and now members of our post were introduced. Everyone had a fine time and enjoyed a good meal with a variety of good things to eat. The children as well as some of the grownups had fun fishing in the fish pond set up by the girls of the Jr. Auxiliary.

Armistice Day Nov. 11, 1918, was a very happy day for the men in the armed forces of World War I and it was hoped at that time it meant the end of war, but as the years have proven it was just a lull in hostilities as was attested by this little gathering with veterans present from World Wars I and II as well as one Korean Vet. Even now, 35 years after the Armistice, American boys are still fighting and dying on foreign land. It is the earnest prayer of the Legion and Auxiliary as well as that of all true Americans and other peace loving people of the world that there will be an Armistice Day someday that will mean the end of war for all time.

Nat'l Diabetes Detection Week November 16 - 22

Knowing from sad experience the enormous importance to the patient of finding his diabetes EARLY, long before his symptoms drive him to the doctor, members of the medical profession are again performing sugar tests free this week.

Merely leave in your doctor's waiting room a small bottle (no fruit jars, please) with your name on it, containing urine obtained about two hours after a meal rich in sweets, then be patient until he has reasonable chance to report. Don't forget the rest of the family.

N. Mich. Medical Society

Mr. and Mrs. John Bennett of Alberta, Mich., where he is employed, were at home for the week end.

Mr. and Mrs. Curtis Evans left Monday for Flint where they now live.

Special Telephone Directory to Be Mailed Users

Charlevoix, Nov. 20—Inauguration of this community's new \$337,000 dial telephone system will take place at 1 p. m. on Dec. 4, according to C. L. Johnson, manager here for the Michigan Bell Telephone Company.

Taking part in a brief, informal ceremony marking the event will be local civic and business leaders and Michigan Bell officials.

At the same time the new system is placed in service Michigan Bell will make its dial Time Service available here and at Petoskey, Boyne City, and Walloon Lake.

The new service will be provided by tying all telephones in the four communities into the company's Time Service headquarters in Detroit where the time of day is automatically broadcast over a special network at 10-second intervals on a 24-hour basis.

Mrs. Bartholomew Passes at Home Wednesday, Nov. 12

Mrs. Rosalia Adelia Schroeder Bartholomew was born Oct. 30th, 1877 in Detroit, and passed away Nov. 12, 1952, at her home, 105 S. Maple St., East Jordan.

WATCH FOR POSTED PROPERTY

To conservation department urges hunters to keep a sharp eye out during deer season for state land "posted" against hunting.

In the past, law violators have been apprehended who placed "no hunting" signs on sections of state land in order to keep other hunters out.

Hunters are asked to report to conservation officers if such land is found.

Looking Backward...
NOVEMBER 18, 1912
East Jordan took a long step in civic advancement last week when the new paving was completed. The contract for paving the six blocks with concrete was granted to Lee Howland of Charlevoix for the sum of \$13,839.48. The ground was broken in August. The work of excavating was rushed through on time. The paving on Main St. extends from the north line of Garfield St. south to State St. and on State St. from the east side of Third St. west to the E. J. & S. R. R. track near the draw bridge. On State St. the entire paving is reinforced with steel and on the squares on Main St. The new pavement is a credit to the municipality and to Contractor Howland.
A very pretty wedding took place at the home of William Atkinson Monday evening when his daughter, Miss Edna, became the wife of Roland Archer. The ceremony was performed by Rev. T. Porter Bennett. The bride was assisted by Mrs. Zella Atkinson and the groom was supported by William Atkinson.
Frank J. Porter died at Ann Arbor hospital Tuesday night following an operation in which the probability of his recovery was very doubtful. Funeral services were held Friday from his late home on Second St. Rev. A. D. Grigsby, assisted by Rev. John Redpath of Petoskey, conducted the service. He leaves his wife, one daughter, Alice, aged eight years; his brother, W. P.; sisters, Misses Agnes and Carrie, and other relatives. Interment at East Jordan Cemetery.
Mrs. Wm. Hawkins of Reed City joined her husband here this week and expects to remain for some time.

He was taken to a Petoskey hospital for treatment, where it was found that a few of his upper front teeth had been shot away, the upper lip cut open and the tip of his nose lacerated. The lad is a freshman in the East Jordan High School.
South Arm Home Furnishings Club met at the home of Mrs. John M. Richardson on Nov. 10th. Dinner was served at noon. In the

afternoon the leaders, Mrs. Will Sloan and Mrs. Vernon Vance, gave the lesson on slip covers. The next meeting will be held Dec. 14 at the home of Mrs. Archie Kowalske.
Shirley Jean, 8-months-old daughter of Mr. and Mrs. Harold Thomas, passed away at Central Lake, where she had been taken for treatment on Friday, Nov. 11, from pneumonia. Burial was at Sunset Hill.

Deer Season Opened Sat.

Michigan's annual 16-day deer season underway at 6 a. m. Saturday, Nov. 15, and conservation department men expect close to half a million hunters afield before the season ends Nov. 30th. Hunters may harvest 250,000 deer from the present one million-size herd, which would be the biggest kill ever registered during this century, but still below what game men say is necessary for best herd and range improvement. Last year, about average during the last 10 years, 369,000 hunters took 104,000 bucks. Herd health is poor in some areas of the state, notably the northern lower peninsula, where overbrowsing has killed much range and the lack of food has stunted the animals. Fawn production rates and checks of deer killed illegally and by autos during the year show upper peninsula deer more healthy than those of the northern lower peninsula and southern lower peninsula deer most healthy of all. The special three-day "any deer" portion at the end of the northern lower peninsula season was constructed to check malnutrition in that area. Most of the increase in hunter numbers and kill is expected in that area during those three days. Weather factors again will play an important role in the annual drama; blizzards could cut seriously into hunter success. Many road crews, however, have pledged special snow clearing efforts in event of heavy storms during the season. License fees are the same as for nonresidents, \$3.50 for camp last year; \$3.50 for residents, \$35 permits. And archers who failed to get a deer during the bow and arrow season may buy a firearms license and hunt deer during the firearm season. All state police posts and the conservation department will combine forces again this year to provide an emergency message service for Michigan's hunter army. As in the past, hunters may register at either state police posts or department headquarters buildings so families can contact them in event of emergency at home.

AN APPRECIATION

I wish to take this means to thank all my many friends and neighbors for calling on me and also for the many gifts and cards, the gang from the Ellsworth Canning Factory, the Board of Supervisors and the County officers, Reekach Lodge and the Wilson Farmers Union. It all made my stay in the hospital easier.

Game meats as a rule require more attention when cooking—but the result will be worthwhile. Young wild game will be tender and require less care, say Michigan State College home economists, while older wild animals will take additional time.

Present: Hon. Floyd A. Supp, Judge of Probate.
The above estate having been admitted to probate and Clarence W. Bowman, of East Jordan, Michigan, appointed Executor thereof:
It is Ordered, That two months from this date be allowed for filing claims against said estate; and that all creditors of said deceased are required to prove their claims to said Court at the hearing on claims to be held at the Probate Office in the said City of Charlevoix, on January 15th, 1953, at ten o'clock in the forenoon; and that claims for expenses of burial will be heard at said Probate Office on December 15th, 1952, at ten o'clock in the forenoon.
It is Further Ordered, That public notice thereof be given by publication of this order for three successive weeks previous to said day of hearing in the Charlevoix County Herald, a newspaper printed and circulated in said County.
Floyd A. Supp,
Judge of Probate.

Bird Season Kills Not As High As Expected

Two of Michigan's important upland bird seasons—on pheasants and grouse—closed on a triumphant note this year, even though the kill on both probably will not be as high as expected. Grouse season will remain open in the southern lower peninsula until Nov. 19th, but the important grouse range in the upper and northern lower peninsula closed Nov. 10, as did pheasant season on a statewide basis.

Conservation department game specialists predicted kills of about one million of each type; indications are that because of dry weather, late foliage and shifts in hunter numbers, the kill will not be that high, though still above last year. Hunters reported pheasant populations as high this year as last, and possibly higher. Grouse populations were reported about the same as last year.

Numbers of grouse hunters increased this year, probably because of peak grouse populations and the lengthened season. On the other hand, numbers of pheasant hunters probably decreased. Dry field conditions and earlier openings on grouse and waterfowl probably contributed to this.

Opening day on pheasants brought high numbers of hunters, but hunting pressure dropped later in the season. Fewer grouse hunters were counted in the upper peninsula on opening day, probably because of the simultaneous opening with the lower peninsula seasons. However, increased hunting pressure was noted in the northern lower peninsula. Pheasant hunters were less troubled by unharvested crops

Jordan 4-H Club Studies Michigan Deer Problems

Under the direction of Archie Graham about 20 boys and girls in the South Arm community will make a close study of Michigan deer problems. The group held its first meeting Monday evening, Nov. 10, at the Grange Hall and a program for the winter was outlined by K. C. Festerling, district 4-H club agent. Through the winter the club will study the history of Michigan deer herds and the various acts of legislature controlling it. They will study the habits of the deer and will closely follow the findings of the conservation department concerning the control and management of the Michigan deer herd.

For their next meeting the group plan to discuss the deer herd with relation to its value as an attraction of northern Michigan, particularly during deer hunting season. Members will study how the deer hunter spends his money in this area.

If snow becomes deep and the herd yard up the group will visit such a yard in February at which time they will observe the condition of the yard and deer. A second trip will be made to the same yard in April to make a survey of the degree of overbrowsing and make a count of the deer dead from starvation. Each member of the club will be required to prepare an exhibit of winter deer food according to its palatability. Local conservation officers will aid the young people in their study.

State Trunkline Const. Projects

Lansing, Nov. — Low bidders on eleven trunkline construction projects, totaling \$2,843,833.94 and three county road construction projects, totaling \$217,855.09, are announced by Highway Commissioner Charles M. Ziegler. The state trunkline projects, the low bidders and amounts of the various bids, are as follows: 8,693 miles of grading, drainage structures and 23-foot wide stabilized aggregate surface on US-31 from a point four miles north of Kewadin north to Eastport in Antrim county, Maclean Construction Co., Lansing, \$276,307.67. The reconstruction will eliminate the present bumpy and rough surface and improve the grade and alignment of the road in preparation for blacktopping later. The completion date for this project is August 31, 1953.

1,315 miles of grading, drainage structures and 46-foot wide concrete pavement with curb and gutter from Dixon Ave. in Charlevoix northeasterly. This project is under contract with P. Vander Veen & Sons, Grand Rapids, at the contract price of \$215,566.75. The new pavement will fill in the gap between the bridge in Charlevoix and the pavement north of the city which were completed a few years ago. The completion date for this project is August 31, 1953.

1,823 miles of grading and drainage structures and four-lane divided highway on M-72, US-31, and M-37, south from Lelandau. Grand Traverse county line along the Traverse City waterfront, and the adjoining 1.2 miles on M-22 in Leelanau county. The new roadway in Leelanau county replaced an old narrow and broken pavement. L. W. Edison, Grand Rapids, Michigan, was the contractor at the contract price of \$548,793.38.

This year, a dry summer brought crops to maturity sooner. But expected advantages of the later season this year were counterbalanced by dry field conditions. Detailed computations of game kill and hunter numbers based on hunter reports, will not be available until March or later.

Second Grade — Agnes Johnson

This week is Book Week. We talked about the good children's magazines we like to see and to read. We like the Jack and Jill, Child Life, Wee Wisdom and the Children's Activities. We found out there were many different stories we could read and enjoy together. We are learning that books are our friends. We also are learning how we should care for our books.

Donald Bowerman brought to school a copy of the "Children's Digest" for November. From the magazine, Mrs. Johnston read the story of "The First Thanksgiving." We found out we should be very happy and thankful that we live in America and can spend our Thanksgiving the way we choose.

We are illustrating, "The First Thanksgiving" by drawing pictures. Some of us showed the Pilgrims and Indians eating together their first dinner. Others showed how the Pilgrims' homes looked long ago.

We had fun drawing big turkeys and coloring them brown. We are using them to decorate our bulletin board.

We have completed our fireplace and are using it during our language and story hour. We made large red paper stones to paste on the frame of the fireplace.

On Wednesday Jerry Chihak brought his turtle to school. We all thought it would be fun to have one of our own for a pet.

Johnny Matthews brought a pretty plant to school. We all thought it looked nice on our bookcase. Charyn Sinclair brought a bouquet of Bittersweet. This, too, helps our room look cheerful.

Miss Jeanine Olstrom, a senior attending Central Michigan College of Education, will extern and also be a visitor in our room for the next four weeks. She will study and find out how we work and play together. We hope we

Third Grade — Adeline Bowerman

Larry Henderson treated his classmates with delicious cupcake in honor of his ninth birthday on Nov. 14th.

The narcissus bulbs which we planted this fall are advanced enough to bring into the light. We are watching for the buds to appear. We have 16 different varieties of houseplants which we are learning the names of and how to care for them.

For National Book Week we are working on the theme "Reading is Fun." Our story period is being devoted to oral reports on stories instead of reading the story aloud. We are planning a visit to the library to learn how to choose a book and to get acquainted with some of the new story books. We are also planning to visit the Book Fair, Nov. 19th.

Third Grade — Marie Hughes

We welcomed a new boy, Gary Auten, to our room Nov. 12. On Nov. 17 we lost two boys, Jerry Inman and Mose Hughes. Jerry is going to school in Alma. We don't know where Mose is going.

Charlene Hitchcock brought a lovely plant. Jean Combest brought us one the week before. Now we have four plants to watch and care for and enjoy.

We have celebrated three birthdays so far this month with treats, cards and singing. Jerry Inman, Beth Galmore and Billy Derenzy were 9 years old.

We are hearing a story about pioneer days and the first settlers in this land.

Fourth Grade — Jean Strehl

In Art class on Friday we worked with clay. After reading many stories about the early Indians we thought it was fun to pretend we were some of the early Indians. We made some very inter-

esting dishes, ash trays and candlestickholders. Monday we painted them with pretty designs.

We are learning some Thanksgiving songs and also a new Thanksgiving Prayer. Some of the boys and girls made some fine pictures of the Mayflower.

Monday we saw a movie, "The King Who Came to Breakfast." It was the story of what we should eat for breakfast and how important it is to eat a good breakfast.

During Language this week we are learning the right way to use a telephone. We have two telephones from Michigan Bell Telephone Company which will help us. Telephone Courtesy will be our motto.

Fourth Grade — Grace Galmore

Five of our girls and boys, Barbara Kortan, Sharon Hughey, Harold Murray, Dick McKinnon and Gerald Peters completed a poster for the Book Fair contest. We were very pleased that Sharon and Gerald won Honorable Mention.

For the last few weeks we have been interested in giving little dramatizations—our new social studies book being the source of our inspiration. These have all been done on the initiative of the pupils themselves who planned and executed them with very little help from the teacher.

We have finished and enjoyed the book at "Paddy the Beaver's Pond" by Thornton Burgess which Donald Johnson brought to share with us. For the next two weeks we will be reading stories about Thanksgiving. Our boys and girls have already reported in picture form some things they looked up themselves about the Pilgrims and Indians.

We wish to thank Mrs. Strehl for her kindness in typing and mimeographing some "Thanksgiving" poems for us. We enjoy reading them together and plan to learn one or two.

We were sorry that David Bartholomew's grandmother died. We were also sorry Loretta Siney's mother was in an accident.

Beverly Snyder, Dickie McKinnon and Dortha-Eggers reported that one of their family had shot a deer. Linda reported the fact that they got two raccoons. Everyone had stories to tell of other hunting incidents.

Fifth Grade — Elizabeth Mosher

Our second multiplication combination test showed that several boys and girls have improved in their tables. Several still need to work on them more.

We are beginning to study the New England States in social studies.

We have been learning about the six types of foods needed to make us healthy. We each made a poster for each food group for our health booklets.

Mrs. Mosher has just finished reading "Lightfoot" by Katherine B. Shippen to our class. We were anxious to find out how it ended. We chose "Timmy and the Tiger" by Marjorie Paradis for our next story.

We are learning a song for the Thanksgiving assembly.

John Hughey left our school on Friday. We hope he will like his new school.

Fifth Grade — Sadie Liskum

We are working hard on multiplication tables. On Monday's test Lyndel Ingalls, Patty Nachazel, Judy Nemece, Raymond Prebble and Martin Ruhling received stars for getting them 100 percent right. Larry Gee received a blue star for getting 100 percent on two separate tests. Bob Bulow made one error after having had 100 percent two weeks ago, so he did not receive a blue star.

Mrs. Marvin Benson visited our room Monday morning. We are going to exchange letters and notebooks with her fifth grade in Bay Port.

After a movie about wheat we had a health lesson on eating the right kind of breakfasts. It isn't enough just for our mothers to cook and serve good food, we need to clean up our plates and drink our milk. If we don't, the ghost called Hidden Hunger will spoil our good times.

We lost two pupils last week, LaVon Barnes is going to Boyne City to school. We do not know where Sue Ann Hughey will be going to school.

Sixth Grade — Frank Malone

We are studying fractions in Arithmetic. Some of us are having trouble remembering such things as numerator and denominator, like and unlike fractions, and improper fractions.

In science we are studying the Universe. We have learned that stars are really suns like our sun and that planets are bodies like our earth.

We are looking forward to our first assembly which will probably be held next Wednesday, the 26th of November. The theme will be Thanksgiving.

We are learning a poem. The poem is "Thanksgiving" by Frances Frost.

As of Monday we have had on-ly one deer report and that is the one David Damoth's father shot on the first day.

The Servicemen's LETTER

Hi Fellows:
Do you remember reading a short time ago that Bruce Bolser was home on furlough? Well, soon after he got back to his ship he was out on pass and was in a car accident with several other sailors. The result—Bruce is in the Hospital at Portsmouth and will be for six weeks yet. He was quite seriously injured but his mother says she guesses he will live. In fact right now he is looking forward to the time when he will be released. Bruce hasn't been getting much mail as the ship did not forward any of it to him at the hospital. However, if any of you men would like to write him (and I'll bet he would appreciate it) his address for the next six weeks is: Bruce Bolser SN, Ward D-2, US Naval Hospital, Portsmouth, Virginia.

Bill Streeter is progressing in his studies down at F. E. Warren Air Force Base in Wyoming. He has a new squadron address now—he's in the 3451st Student Sqd. Jim Meredith, after trying out for the basketball team at Norfolk, suddenly hopped back to his old berth aboard the USS Formosa. Jim wrote that Norfolk wasn't any kind of place to bring his wife to but didn't volunteer any further information. I suppose you'll be in Key West for the winter now, Jim.

Bill Brooks came home Tuesday, Nov. 11th, from Nellis AFB, Nevada, and will be here until Dec. 7th. He's getting in some pretty heavy hunting just now and is very confident of getting his buck. Incidentally Bill is S/Sgt now. He goes back to the same base when his leave is up. Here's an address, a temporary one, for Claude Crandall: Cpl. Claude H. Crandall, RA 16 268 429, Prov Co 2236, 1277 ASU, Det 18, Camp Kilmer, N. J. Claude writes, "Well, I was out of the Army 17 days, working in a plant for a week. I found out the Army life is for me. I am now on my way to Germany—going to another strange place and different

people and languages. Will be gone another three years from the US.

"We will be eating Thanksgiving dinner on the boat. When I get over there maybe I'll be seeing my brother in France."

Claude said further that he would sure like to get a letter from Russell Fyan and Dale Carney.

Howard Stanek is still piloting that ferry down in the Caribbean. He has asked for a furlough starting the 18th of December. He hasn't had one for some time so feels that he will get it. Howard had an accident recently that could have been real serious. One of the batteries in his boat blew up and sprayed acid all over everything. They don't know just what caused it. They say that it is the first time it ever happened there.

Ken Richards, over in England, has a change of APO. From 125-B it has been changed to 198.

That address of Vale Keller's has been looking mighty phony to me for some time. Here's his complete new address as handed in this past week. A.3C Vale Keller, 1503 Air Traffic Squadron, 1503 A. T. Wing, Box 157, APO 226, c/o PM, San Francisco, Calif.

Here's a letter from the Army Home Town News Center containing a story mailed from Korea on Nov. 5, 1952. "With the 7th Infantry Div. in Korea—Pvt Raymond R. Romback recently arrived in Korea and has joined the 7th Infantry Division. Since making the amphibious landing at Inchon in the fall of 1950, the 7th Division has fought in every sector of the Korean peninsula. Elements of the 7th were the only U. S. forces to reach the Yalu River. Private Romback entered the Army last February."

Earl Hart has another small change of address this week. For clarity I'll put in his complete address: Pvt Earl F. Hart, RA 16 400 767, Sv Btry, 7th FA Bn, APO 1, c/o PM, New York, N. Y. Earl has been transferred to S-4

Supply. That's a good racket, Earl. Twenty-five miles from Soel, near Suwan, 55 miles from the front in Korea Don Danforth is now taking a truck driver mechanic course. He writes that he likes the change. His new address is: Pvt Donald W. Danforth, RA 16 405 481, Co C, 802nd E. A. B., APO 970, c/o PM, San Francisco, Calif. It sounds like the same old place. When you want a truck driver they send you a communications man.

Vern Bowen, after being on the road home from Korea for about a month, arrived here Tuesday, Nov. 11th. He will be here for a 40-day furlough after which he will report back to the Air Force. Vern reenlisted in 1950 for six more years and he tells me that he is going to stay in as a career man. It's a good life for a single man.

Here's a rather surprising letter from Dale Gee. He writes, "Well buddy, just a few lines to tell you the news. I received my alert orders for overseas duty for sometime in January. Where I am going I do not know as yet but will let you know when I get home. You can stop sending me the paper after the 8th of Dec."

"We wrote to Lawrence Wright but the letter came back. I hope he gets this in time so that he and Vera can make it home for Christmas."

"Would like very much to see Oggie Woodcock (Sir) because I haven't seen him in a long time."

"So Jake, watch out your window in the Post Office and when you see a blue Pontiac loaded down come thru you will know we have landed. So keep the snow plows busy with the snow off the roads. See you next month."

Thanks for the letter, Dale. That certainly was a surprise around here. We sort of figured that you were set out there for some time.

That's all for this week, men. (No buck yet) "Jake" Snyder.

FARM FACTS from your County Agricultural Agent

Ed. Rebman, Co. Agr'l Agent
Recent changes in deer hunting laws in Michigan should benefit Charlevoix county's forests as well as its deer herd. Lester E. Bell, extension specialist in forestry at Michigan State College told Ed Rebman, county Agricultural Agent.

It will be legal to take any deer on the last three days of the open season in the area north of Highway M-20 in the Lower Peninsula. On Nov. 28, 29 and 30, in the area north of M-20, a licensed hunter who has not killed a buck between Nov. 15 and 27 may shoot one buck, doe or fawn.

This new law is designed to temporarily reduce the deer herd, but in the long run should lead to a better and stronger herd.

High concentrations of deer in many areas have been detrimental to good forest practice. Bell is in full sympathy with maintaining a large deer herd in the state and knows the value of such a resource. He believes the only real road to success in the long run is to manage both our deer herd and our forests so that both will succeed.

Deer are dependent upon the forest for food (browse and mast) and for cover. Our civilization is dependent upon our forests for a source of lumber, raw wood and cellulose products.

During the summer, deer roam the forests of the state, browsing on many different species of trees and shrubs, eating a little moss, some grass, some mast. In general, they do little damage to the forest during this period. In the winter months, however, the picture changes. Heavy snows cover up their normal food supply and make it difficult for deer to travel in the uplands. The deer are driven in large numbers into wintering areas known as "deer yards" and usually in cedar swamps.

In the yards, deer feed on most any browse available. They prefer white cedar, red maple and dogwood. In many "deer yards" areas where white cedar is the predominant species, there are no young trees left. The only trees are the large mature trees that have been browsed up as high as the deer can reach and no longer furnish winter food. Some people have suggested that this presents no problem; since the old cedar trees are mature we should cut them down and allow new trees to grow in their place. They point out that cedar is a prolific "seeder" and that the lush new growth will furnish ample food. Some even suggest that we plant new stands of cedar just for deer food, foresters report.

All this sounds fine but it just doesn't work, stresses the M. S. C. forester. Cedar will reproduce fairly well if the reproduction is not browsed. We can plant seedlings and grow a stand if the young trees are not molested, but here is where the shoe pinches. The deer will not leave the young growth alone. When it reaches above the snow line, the deer browse it off. They even paw back snow and eat the small seedlings, stem and all.

The only satisfactory method of reproducing a crop of winter food in the deer yarding areas of Michigan is to reduce the deer herd long enough to allow regeneration. The new supply of winter browse will let us gradually increase our carrying capacity to maintain an even larger deer herd than today. Sportsmen and foresters both face this situation, Bell insists, and may have to "forego our cake today for more of it in the future."

Northern Michigan dairymen, considering the whole fluid milk market instead of selling cream only, often wonder about value of the skim milk for calf feed as compared to commercial calf meals. It is a question of which way they can get the most gain, notes Ed Rebman, county agricultural agent.

Skim milk is high-quality protein food, for animals as well as humans, but its value is no more than commercial food in its place. Dairymen should also consider what to do with skim milk all year long. Calves and hogs will drink the milk; beyond a certain age, five months for calves—skim milk is not as valuable, however. Animals will grow just as big on meals. Cost is the main point.

Rebman outlines two plans for feeding calves up to six months. In both, calves receive a pound of whole milk daily for each ten pounds of calf weight until the third or fourth week; then eight to ten pounds of milk are fed daily, depending on the calf size. The two plans are as follows:

Plan one—Shift gradually from whole to skim milk in the

Michigan Mirror

"Food costs are high and may go higher." That's no news to Mrs. Michigan. She knows it and—evidently—accepts it.

So she's in a buying mood. She and her husband are still looking for values when they shop but they've decided that prices aren't coming down and there's no point in putting off buying the things they want.

That upsurge in buying will push prices up. At least, with little-buyer resistance, there won't be pressure on merchants to cut prices to move merchandise.

Those are the conclusions that are drawn by Michigan State College's department of Agricultural Economics.

THE USE OF DRY SKIM MILK is on the increase because it is a practical way to stretch the food budget; fluid milk is likely to average more in '53.

Egg prices aren't expected to be as high this Fall as they were last year but the '53 average will be higher than this year's. Canned food prices will remain about the same. A large carry-over will counteract effects of a smaller '52 pack.

MEAT PRICES MAY BE A LITTLE LOWER on a yearly average in '53. Some grades of beef and poultry will drop; some of pork will rise.

At least so say the MSC experts. Mrs. Michigan will check the accuracy of their predictions by her grocery bills.

ONE OF THE ELECTION RESULTS is that many new county officials will take over new duties come Jan. 1.

To make sure that there is no dangerous or inconvenient lag in county business because of this, the Michigan Institute of Local Government will give its fifth

biennial short course for newly elected county officers at Kellogg Center in East Lansing Dec. 15 through 17.

D. Hale Brake, state treasurer and Institute chairman, is given credit for the rapid growth of interest in grassroots government. He is also being talked about as the GOP candidate for governor in 1954. That talk is hush-hush at this stage of the game with a recount coming up on the Nov. 4 election. But his admirers, and they come from every part of Michigan, feel that his plain, straight-from-the-shoulder talking is the antidote to the personal glamor of the hard-to-stop Gov. Soapy.

MICHIGAN HISTORY is growing in popularity. Local historical societies are doing a good job of letting the public know that there is still much valuable historical data hidden in attics of Michigan homes.

But as each year rolls along, more and more priceless material is destroyed in period housecleaning sessions. Every time a family moves, it discards accumulations that may go back to the early days of statehood. So the continued boom in home building doesn't make local historians too happy.

THEY ARE HAPPY, though, about the publicity that is being given now to a Michigan law of 1948 that permits county boards of supervisors to appropriate public funds to volunteer historical associations. "It's one of the best laws in the country," says Vern-on-R. Beall of the Michigan Historical Association.

Forty-two thousand red pine seedlings have been planted in Leelanau County, most of them around Empire.

LOOK FOR LEGISLATION to be introduced in the 1953 session that would increase membership of Township Boards.

A Michigan Supreme Court decision—which received little public attention because of campaign headlines—said that Justices of the Peace may no longer serve on Town Boards. JPs are members of the judiciary and therefore are prevented by the Constitution

from taking part in administrative and legislative branches of the government.

FOR MORE THAN A HUNDRED YEARS justices have been considered regular members of such boards and the decision came as a bombshell to local governments. They hope that there will be no lawsuits to question the legality of board action taken during the century while JPs sat unconstitutionally.

Town Board now have only three members, the supervisor, clerk and treasurer, where once they had two to four justices also. That means it's harder to get a quorum and harder to get a cross-section in deliberation.

NEW LEGISLATION will probably provide for two or four "board members" to make a more workable board.

The demand for birth certificates is keeping Michigan Department of Health clerks on the dole these days. Dr. Albert E. Heustis, commissioner, says that the pace is approaching that of the early days of World War II.

An average of 50 persons a day personally seek copies of their certificates and the backlog of unprocessed mail requests has passed 1,000 and is increasing daily.

One of the reasons for the unusual demand is that schools are so crowded that many require a birth certificate for enrollment. Resumption of hiring by heavy industry after the steel strike also contributes to the load.

THERE WERE 384,717 NEW MOTOR VEHICLES licensed in Michigan during 1951, Pennsylvania, Illinois and Texas surpassed this mark.

Michigan ranked seventh in the number of passenger car registrations last year with 2,218,227 of them on the road. There were 306,213 trucks and 5,877 buses adding to highway traffic.

Wayne County ranks fourth in all United States counties for motor vehicle registrations. New York City, Cook County (Chicago) and Los Angeles were 1-2-3. Wayne has one passenger car for every 3.3 persons and 10 cars for every nine families.

Oakland County (Pontiac), Kent (Grand Rapids), Genesee (Flint) are among the top 115 counties in the country.

(Edited by Mrs. Wm. Gaunt)

Mr. and Mrs. Harry Taylor and daughter of Fremont drove up Friday night to the Wm. Gaunt, Jr., home to visit their sister. Also to get Mrs. Taylor, who has been visiting with the Gaunts for the past week. They all returned to Fremont Saturday afternoon.

Mr. E. H. Phillips drove up from Grand Rapids Friday night to his home so he could do some deer hunting. He had no success. He returned to his work again on Monday.

Mr. and Mrs. Bill Gaunt, Jr., and son, David, and their mother, Mrs. Caroline Taylor, had chicken supper last Thursday evening with Mr. and Mrs. Wm. Gaunt, Sr. Born Nov. 7th and 8 lb. 7 oz. boy at Parma, Mich., to Mr. and Mrs. Phillip Carlson. Mrs. Carlson was the former Sally Warden of Jackson, a granddaughter of Mrs.

Frances Crowell.

Mr. Ralph Gaunt of Bridgeport drove up from his work Saturday morning and hunted at St. Helens for a while. Then drove on up to his brothers, Wm. Gaunt's, home Saturday evening to spend the night. He called at his sisters, Mrs. Robt. Myers, but didn't find any one home. Sunday morning he returned to the hunting places and expected to be home again Sunday evening.

The deer kill of this neighborhood goes to Eugene Pierce, Bob Russell, Bill Chew, Sam Bricker and Roscoe Barber.

Mr. and Mrs. Henry Howard installed officers Friday night at the Peninsula range hall.

Mr. and Mrs. Robt. Myers and daughter spent Saturday evening with the E. H. Phillips family.

Mrs. Francis Crowell of East Jordan took dinner Sunday with her son, Alfred Crowell, and family. Mrs. Wm. Gaunt, Sr., was a Sunday afternoon caller at the Alfred Crowell home.

Mrs. Myrtle Bricker and mother, Mrs. Goldie Sheldon, and Mrs. Zola Bricker were callers Saturday at the Henry Howard home.

Mr. Ray Welsh informed me to let all his neighbors know they can hunt on his farm. He does have it posted as last year someone cut his fence and let his cows get out.

Pleasant Valley

(Edited by Mrs. Ed. Clark)

There were thirty-eight in attendance at Sunday School Nov. 16.

A party of hunters from Detroit are staying in the Buckler cabin.

LeRoy Beal was home last week on leave from sailing the Great Lakes.

Chris Roberts of Central Lake was a recent caller at the home of his niece, Mrs. Jess Brown.

Mr. and Mrs. Henry Reck of Detroit are staying at Reckwood cabin and doing some deer hunting.

Mrs. Ray Hill of Rapid City and Mrs. Charles Clark of Hazel Park were callers at Edd Clark's Saturday.

Mr. and Mrs. Wallace Buckler left Wednesday for Detroit where they expect to remain for the winter.

Rev. and Mrs. Floyd Decker of Central Lake and Mrs. Ing Olson of East Jordan were visitors at the Edd Clarks Sunday afternoon.

The Leslie Russells of Jackson are visiting at the home of his parents, the Ernest Russells and will try and bag his deer before leaving we suppose.

Mr. and Mrs. Dennis Louk of Dearborn are here for this week, while Dennis will try and get his buck. Meantime wishing for snow, why wish that on us? as we will probably have a plenty between now and spring.

Doyle Wilson left Friday to join his hunting party including Angus McKay, Durward Willson, Glen Dingman and Rev. Dickinson of Central Lake who left a few days previously to hunt deer near Fibra, upper peninsula. Rev. Decker of Central Lake had charge of the church services here during the absence of Rev. Dickinson, our regular pastor.

Russell Petrie came home from Detroit Saturday night and he and Mrs. Petrie hunted over east the first of the week. On his way here Russell ran into a large doe killing it and putting his car out of commission which had to be towed the rest of the way home. The deer was turned over to the Conservation officer.

From the time the Great Lakes were discovered to the time of the large fur-trading companies, the "inexhaustible" supplies of fish were drawn upon only for subsistence of area inhabitants

From where I sit... by Joe Marsh

Going... Going... Almost Gone

Granny Robinson put on quite a show the other night at the annual White Elephant auction held at the Women's Club.

Towards the end of the evening, she had the ladies battling for anything she put up. "What am I bid for this woman's lovely black coat here—good as new? Who'll say ten dollars?" she asked.

Granny held the coat up, and commenced describing the coat's lining, sleeves, buttons—really "selling hard." Then, suddenly, she took a close look and blurted out "Land sakes, no more bidding."

please—this is my own coat!"
From where I sit, what-almost happened to Granny was good for a laugh, but sometimes when people "get carried away" with their own talk it's not so funny. I prefer a glass of temperate beer while listening to my favorite radio program—you may like soda pop—or cider. I suggest we hold on to our personal opinions—and believe in them—but take a good close look at them before we try to "sell" them to our neighbor!

On Sunday Roy Elsworth shot a 4 pt. on his farm in South Arm Twp. He had his shooting arm in a cast at the time.

Others reporting, but for which we have no particulars are as follows:

Roscoe Barber, 4 point
John Downing, 3 point
Max Damoth, 2 point
Rhea Thomas, spike horn
Henry Brown, 8 point
Ed Portz, 10 point
Elgy Brintnall, 7 point.

The annual East Jordan Football Banquet, sponsored by the seniors will be held at the High School Gym, Tuesday evening, Nov. 25th, at 6:30 p. m.

Lloyd Eaton, Director of Physical Education at Alma College, will act as the principal speaker at the football banquet honoring the 1952 "Red Devils" being held in the high school gymnasium, Tuesday evening, November 25 at 6:30 p. m.

Lloyd W. Eaton, head football and track coach as well as Athletic Director at Alma College has an outstanding background in the Physical Education field. A graduate of Belle Fourche, South Dakota, High School where he lettered in football, track, boxing, Eaton attended Black Hills State Teachers College at Spearfish, South Dakota, gaining fame at an end position on the grid squad and captaining the team in his junior year. After graduation from Black Hills, Eaton remained at the college for one year as line coach and then moved on to Du Pree High School, South Dakota as grid coach, ended up later as a special service officer with the U. S. Army in Puerto Rico and other points in South America. Two years as football coach at Bennett County High School, Martin, South Dakota followed, and then on to the University of Michigan for one year for his Masters degree, plus work in spring sports and fall football with the 150 pound squad. Following that Eaton completed work for a degree of Director of Physical Education at the University of Indiana. He came to Alma in August 1949 succeeding Steve Sibo as football coach. Eaton's 1950 and 1951 football squads were champions of the M. I. A. A. Tickets may be purchased from members of the senior class or from members of the football squad. Women are welcome as well as men.

Armistice Day Observed With Family Night Supper

The American Legion and Auxiliary Rebec-Sweet Post 227 observed Armistice Day Nov. 11 by having a Veterans Family night supper at the Legion Home.

The Colors were presented by the Color Bearers, Martha Kamradt invoking the blessing. The Veterans of World War I were introduced by Master of Ceremony, Commander Frank Stucker. Those present this year were: Joe Wilkins, Tom St. Charles, Otto Reinhardt and Ed Kamradt. Commander Stucker then called on Auxiliary President Lillian Bennett, who said a few words.

Tom St. Charles was introduced and he read the letter he received recently appointing him to a 16-man Rehabilitation Advisory Board Committee, by the National Executive Board of the American Legion. Tom said he felt the honor should go to the Post instead of him personally. Tom has earned this recognition for his faithful work, and all the members of the Post and Auxiliary are proud this honor has been bestowed upon him.

Legion Membership Chairman, Bill Bennett, was called on and he said he was sorry to see so few World War I Vets out and he would like to see them take a part in Post affairs, especially Armistice Day celebrations. The main speaker of the evening was Joe Wilkins who talked a

bout Civilian Defence of which he is the Co. Chairman. Joe is trying hard to get this program organized but people are not taking it very seriously. Joe said he has received only one filled out registration application from all that were printed in papers throughout the county, so if you have not registered be sure and do so at once.

Mr. and Mrs. Hubbard, formerly of Boyne City, and now members of our post were introduced. Everyone had a fine time and enjoyed a good meal with a variety of good things to eat. The children as well as some of the grownups had fun fishing in the fish pond set up by the girls of the Jr. Auxiliary.

Armistice Day Nov. 11, 1918, was a very happy day for the men in the armed forces of World War I and it was hoped at that time it meant the end of war, but as the years have proven it was just a lull in hostilities as was attested to by this little gathering with veterans present from World Wars I and II as well as one Korean Vet. Even now, 35 years after the Armistice, American boys are still fighting and dying on foreign land. It is the earnest prayer of the Legion and Auxiliary as well as that of all true Americans and other peace loving people of the world that there will be an Armistice Day someday that will mean the end of war for all time.

Nat'l Diabetes Detection Week November 16 - 22

Knowing from sad experience the enormous importance to the patient of finding his diabetes EARLY, long before his symptoms drive him to the doctor, members of the medical profession are again performing sugar tests free this week.

Merely leave in your doctor's waiting room a small bottle (no fruit jars, please!) with your name on it, containing urine obtained about two hours after a meal rich in sweets, then be patient until he has reasonable chance to report. Don't forget the rest of the family.

N. Mich. Medical Society

Mr. and Mrs. John Bennett of Alberta, Mich., where he is employed, were at home for the week end.

Mr. and Mrs. Curtis Evans left Monday for Flint where they now live.

A. R. Sinclair, local Greyhound Agent, was signally honored Nov. 18, 1952, when he received the Award of Merit which Great Lakes Greyhound Lines confers upon agents who have ably represented the nationwide bus transportation concern in their respective communities for periods exceeding five years' time.

The award to Sinclair, who has been Greyhound agent in East Jordan since May 29, 1946, was made by W. B. Slocum, Greyhound traveling passenger agent in the East Jordan area. The certificate which attests to Sinclair's longtime association with Greyhound reads in part, "Greyhound commends his spirit of courtesy, friendliness and helpfulness to the public and his keen sense of responsibility to this company". It was signed by R. W. Budd, president, and J. V. Murphy, vice-president and general traffic manager of Great Lakes Greyhound Lines.

In accepting the certificate which evidences his membership in a select group of Greyhound agents, Sinclair pledged the continuance of those same policies of helpful, courteous service to Greyhound patrons in and around East Jordan, which have now won for him this new acclaim.

Special Telephone Directory to Be Mailed Users

Charlevoix, Nov. 20—Inauguration of this community's new \$337,000 dial telephone system will take place at 1 p. m. on Dec. 4, according to C. L. Johnson, manager here for the Michigan Bell Telephone Company.

Taking part in a brief, informal ceremony marking the event will be local civic and business leaders and Michigan Bell officials.

At the same time the new system is placed in service Michigan Bell will make its dial Time Service available here and at Petoskey, Boyne City, and Wallon Lake.

The new service will be provided by tying all telephones in the four communities into the company's Time Service headquarters in Detroit where the time of day is automatically broadcast over a special network at 10-second intervals on a 24-hour basis.

To obtain the time of day, customers in Charlevoix and Boyne City will dial 1 PE 112. At Wallon Lake, the code will be 6 112, and at Petoskey, 112.

When dial service is inaugurated all local telephone numbers will be changed. The new numbers will bear the name Liberty, followed by five numerals. Thus, a typical Charlevoix telephone number will appear as Liberty 7-0001 after the change.

A special telephone directory will be mailed to each local user prior to the "cutover", Johnson said. The directory will also be mailed to Boyne City, East Jordan and Petoskey users since these communities are in the Charlevoix extended-area plan.

Coaches Saxton and Damoth Start 1952-53 Basketball Workouts

Nuptial Vows Spoken

Mr. and Mrs. F. Robert Felix on Canadian wedding trip. Before her marriage, Nov. 8th, Mrs. Felix was Miss Frances Lenosky.

Forty-two basketball candidates started daily workouts on Monday of this week under Coaches Gayle Saxton and Max Damoth as the Jordanites began preparations for their 1952-53 cage season which opens at Alpena on Dec. 2nd, when the "Red Devils" take on the highly rated Class B Catholic Central quintet there.

Coach Saxton will have seven lettermen back from last year's District Champions, but of the seven only James Shepard, guard, and Keith Evans, forward, were regulars. Other lettermen on hand for Monday's opening workout were: Steve Hayden, Richard Freeman, Sam Milstein, Clinton Clark and Robert Danforth.

The "Red Devils" lost their 1-2-3 scoring punch through graduation last spring, when Roman Klemkiewicz, Norman McGeorge and Don Whiteford finished their high school careers. This trio was largely responsible for the lion's share of the "Red Devil" scoring last winter and their loss will be sorely felt.

The Jordanites are taking on two new opponents this winter in filling out its 16 game schedule. They are Onaway and Reed City. The locals will play Onaway at home and away and will clash with the Reed City aggregation in only one contest to be played here on January 20th. Below is listed the 1952-53 "Red Devil" cage schedule:

- Dec. 2 — Alpena Catholic Central — there.
- Dec. 5 — Pellston — here
- Dec. 12 — Charlevoix — there

WATCH FOR POSTED PROPERTY

The conservation department urges hunters to keep a sharp eye out during deer season for state land "posted" against hunting. In the past, law violators have been apprehended who placed "no hunting" signs on sections of state land in order to keep other hunters out. Hunters are asked to report to conservation officers if such land is found.

Some thought it was better hunting across the straits so Sunday morning LeRoy, Leon and Leland Beal, Dennis Louk and Ray Barrick departed to better hunting grounds in the upper peninsula. Good luck boys, hope you each bring back a buck.

We are glad for letters from Norman Beal who is serving Uncle Sam in Korea. Norman has been placed in a motor pool. Know he would enjoy a card or letter from you. His address is Pvt. N. B. Beal US55271477 Btry C, 143rd FA Bn, 40th Div. A. P.08, C/o P. M. San Francisco, Calif.

A reception was held at Rock Elm Grange Hall 8:00 to 6:00 p. m., Sunday, Nov. 16, 1951. The occasion being to honor Mr. and Mrs. Oscar Teboe on their fiftieth wedding anniversary.

They were married Nov. 16, 1902, at Muncie, Ind. Mrs. Teboe before her marriage was Pearl Remington, born at Montplier, Ind. Mr. Teboe was born at Coldwater, Ohio. Both are 70 years of age. They lived a few years in Indiana where Mr. Teboe was a factory worker, then seven years at Gladwin, Mich., before coming to Charlevoix Co. They have lived in this community where Mr. Teboe has been a farmer, for forty years, twenty years on their present farm, 8 miles north and west of East Jordan in South Arm Township.

They are the parents of eleven sons and daughters. One passed away in infancy.

Clarence Teboe, East Jordan; Herbert Teboe, Pernitate, Ore.; Walter Teboe, Willow Run; Ruby Pollard, Pennelton, Ore.; Sally Bronousky, Clawson, Mich.; Ralph Teboe, Traverse City; Ollie Smith, Ellsworth; Anna Smith, Eastport; Beatrice Henderson, East Jordan; Hazel O. Dell, Bellaire. They have 32 grandchildren and 2 great-grandchildren.

The sons and daughters were all present except Walter, Ruby and Herbert. Other out of town guests were—Rev. and Mrs. G. B. Garner, Lincoln Park, guests of Mr. and Mrs. Theodore LaCroix, and Mrs. Wesley Olds of Bellaire.

The refreshment table was centered by a three tiered wedding cake with the traditional miniature bride and groom, baked by Mrs. Cora Russell. Also bouquets of yellow and white chrysanthemums and lighted tapers. The flowers were brought by their son, Ralph, and wife from Traverse City. The refreshments included sandwiches, cookies, cake, jello and coffee.

Mrs. Teboe wore a navy blue dress and a yellow mull corsage. The program consisted of a duet by Rev. Garner and Ted LaCroix, "Silver Threads Among the Gold", accompanied by Mrs. Ted LaCroix. A prayer by Rev. Garner. Solos by Mrs. O. Holly, "You Get More Like Your Father Every Day" and "When My Hair Has Turned To Silver". An address by John Clark, life story of Mr. and Mrs. Teboe.

Mr. and Mrs. Teboe received a purse, also many lovely gifts. The Helping Hand Club of which Mrs. Teboe is a member, presented them with a box of canned goods.

Mailing of Gift Boxes Overseas

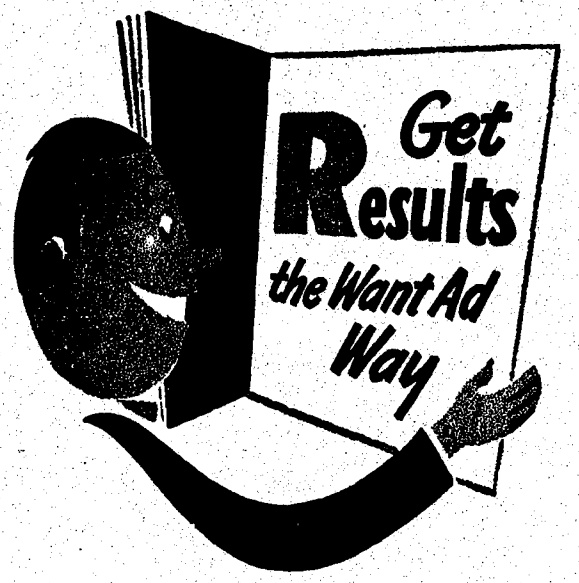

"Persons or organizations planning to send Christmas gift packages abroad should familiarize themselves with United States and foreign regulations in order to avoid delivery delays and possible repackaging or reshipping," Wm. T. Hunt, U. S. Department of Commerce, District Manager, emphasized today. He added that up-to-date information on regulations governing packages from the U. S. to sixty-four different foreign countries is contained in a series of Business Information Service circulars available without charge from the Detroit Commerce Office, World Trade Division, 700 Griswold Building, Detroit 26.

The circulars describe the U.S. export and postal regulations relating to foreign shipments of gift parcels, as well as the treatment of such parcels in each of the foreign countries covered. They list the types of articles which may be shipped, state whether or not they are exempt from foreign duties and taxes, give the maximum sizes and weights of packages and describe marking and addressing requirements that must be met.

Information is also given in the circulars relative to when a U. S. export license must be obtained before shipment and how the packages should be marked as applies to U. S. export control regulations.

The postmaster will not accept for overseas mailing any parcels, gifts or otherwise, which do not conform to export rules.

Hunt stressed one important thing to remember is that all parcels, except those going to the Armed Forces overseas, must be presented for mailing with either a validated export date or the proper marking indicating no license is required.

BUCK DEER DIE IN DEATH STRUGGLE

Ontonagon, Nov.— Two 12-pt. buck deer locked horns in a woodlot near here recently, but after an apparently long struggle both died, the conservation department reports.

Richard Koskio, who lives about six miles east of here, found the two, with horns still locked, in a woodlot near his home. He reported them to conservation officer Archie MacDonal. Weights of the animals were estimated at 200-250 pounds each.

In 1928, a sport trolling fishery was started at Northport on Grand Traverse bay from whence it spread and became popular at other points on Lakes Superior and Michigan.

Looking Backward...

NOVEMBER 18, 1912
East Jordan took a long step in civic advancement last week when the new paving was completed. The contract for paving the six blocks with concrete was granted to Lee Howland of Charlevoix for the sum of \$13,839.48. The ground was broken in August. The work of excavating was rushed through on time. The paving on Main St. extends from the north line of Garfield St. south to State St. and on State St. from the east side of Third St. west to the E. J. S. R. R. track near the draw bridge. On State St. the entire paving is reinforced with steel and on the squares on Main St. the new pavement is a credit to the municipality and to Contractor Howland.

A very pretty wedding took place at the home of William Atkinson Monday evening when his daughter, Miss Edna, became the wife of Roland Archer. The ceremony was performed by Rev. T. Porter Bennett. The bride was assisted by Mrs. Zella Atkinson and the groom was supported by William Atkinson.

Frank J. Porter died at Ann Arbor hospital Tuesday night following an operation in which the probability of his recovery was very doubtful. Funeral services were held Friday from his late home on Second St. Rev. A. D. Grigsby, assisted by Rev. John Redpath of Petoskey, conducted the service. He leaves his wife, one daughter, Alice, aged eight years; his brother, W. P.; sisters, Misses Agnes and Carrie, and other relatives. Interment at East Jordan Cemetery.

Mrs. Wm. Hawkins of Reed City joined her husband here this week and expects to remain for some time.

Earl Hager and family have moved into the dwelling known as the Poustie residence on Main St. Gus Kitzmah moved his family from Esterly St. to Garfield St. this week in the house recently vacated by Samuel Ramsey.

A collision occurred between a couple of rigs Saturday night, driven by Samuel Brigham and Joe Kenny, near Brabant's Store on the West Side. In the melee, Ranson Archer was kicked on the arm by one of the horses, receiving a bad injury.

Miss Florence Flannery, nurse in the Kalamazoo Sanitarium, is guest of her parents for a couple of weeks.

NOVEMBER 17, 1922
Miss Trena S. Larsen, 19, daughter of Mr. and Mrs. Fred Larsen, residing just south-west of East Jordan in South Arm Township, passed away suddenly at the home of her parents, Saturday evening, Nov. 11th, from acute sugar diabetes. She was a graduate of the Class of 1922 and took a summer course of instruction at the Mt. Pleasant State Normal. She was a teacher at the Korthouse School where she was taken dangerously ill last Friday and passed away the following night.

Miss Eva Lewis this week purchased the former Boosinger residence, corner Second and Garfield Sts. Charles Malpass purchased the Jacob Roberts residence on Bowen Addition. Above deals were made through Lewis Real Estate Agency.

Thomas Kiser, Joe Etcher and Jet Smith left Saturday for Muskegon where they have employment.

Victor Cross, son of Mr. and Mrs. A. E. Cross of Fairfield,

Wash., former residents of this city, was united in marriage to Miss Irene Ortel, Saturday, Nov. 11th at the home of the bride's parents in Odessa, Wash.

W. C. Sproule of Detroit is the new assistant cashier at the Peoples State Savings Bank.

Mrs. W. R. Stewart left Thursday for a visit with her son, Harrison, at Calderwood, Mich.

Mrs. Carrie DeWitt, who has been here for a visit with friends, returned to Flint, Saturday.

Mr. and Mrs. Alfred Secoir of Reed City were here latter part of last week visiting at the home of Mrs. Secoir's sister, Mrs. Clyde Hipp.

NOVEMBER 16, 1932
Charles G. Bush, 53 years, passed away after a brief illness on Nov. 11th, at his home in Ann Arbor. Ulcerated intestines was the immediate cause of his death. He is survived by his wife and five children. Also by his father, Alexander Bush, a brother Stanley, and two sisters, Mrs. Nellie Hudson and Mrs. Nina Malone of East Jordan.

Mrs. Malone and her brother, Stanley, left last week for a visit at Ann Arbor and did not learn of their brother's death until they arrived there. Burial was at Detroit.

Mrs. Too Good of Big Rapids spent last week here with her daughter, Mrs. Edward Streeter. Mr. and Mrs. Joe Cummins have gone to Flint to spend the winter with their daughter, Mrs. Hazel Harrington.

Mr. and Mrs. Fred Hartman and family of Roscommon spent Sunday at the home of his sister, Mr. and Mrs. T. J. Hitchcock. Probably the oldest person in Northern Michigan to cast their ballot in the November election was 'Grandpa' Michael Kowalske who resides in Eveline Township East Jordan, R. 1. Mr. Kowalske is 103 years of age and was among those who cast a ballot for Abraham Lincoln.

Guy LaValley, who has been taking treatments at Muskegon the past few weeks, returned home last Friday. He was accompanied here by Clinton LaValley and Enoch Stamper, who spent the week end here.

Mrs. G. A. Lisk and son, Paul, are expected home this Friday from a visit with relatives at Rochester and Pontiac.

Among the lucky deer hunters so far reported are Frank and James Myers, Earl Shay and Frank Woodcock, each returning home with the coveted prize. Floyd Vermillion, Ralph Murphy, Archie Pringle, Wm. Taylor and Roy Nowland are on a deer hunting trip near Fredrick.

Chester Biglow, 17, son of Mr. and Mrs. Walter Biglow, received serious injuries in a hunting accident near here last Saturday afternoon. He was taken to a Petoskey hospital for treatment, where it was found that a few of his upper front teeth had been shot away, the upper lip cut open and the tip of his nose lacerated. The lad is a freshman in the East Jordan High School.

South Arm Home Furnishings Club met at the home of Mrs. John M. Richardson on Nov. 10th. Dinner was served at noon. In the

afternoon the leaders, Mrs. Will Sloan and Mrs. Vernon Vance, gave the lesson on slip covers. The next meeting will be held Dec. 14 at the home of Mrs. Archie Kowalske.

Shirley Jean, 8-months-old daughter of Mr. and Mrs. Harold Thomas, passed away at Central Lake, where she had been taken for treatment on Friday, Nov. 11, from pneumonia. Burial was at Sunset Hill.

Deer Season Opened Sat.

Michigan's annual 16-day deer season underway at 6 a. m. Saturday, Nov. 15, and conservation department men expect close to half a million hunters afield before the season ends Nov. 30th.

Hunters may harvest 250,000 deer from the present one million-size herd, which would be the biggest kill ever registered during this century, but still below what game men say is necessary for best herd and range improvement. Last year, about average during the last 10 years, 369,000 hunters took 104,000 bucks.

Herd health is poor in some areas of the state, notably the northern lower peninsula, where overbrowsing has killed much range and the lack of food has stunted the animals. Fawn production rates and checks of deer killed illegally and by autos during the year show upper peninsula deer more healthy than those of the northern lower peninsula and southern lower peninsula deer most healthy of all.

The special three-day "any deer" portion at the end of the northern lower peninsula season was constructed to check malnutrition in that area. Most of the increase in hunter numbers and kill is expected in that area during those three days.

Weather factors again will play an important role in the annual drama; blizzards could cut seriously into hunter success. Many road crews, however, have pledged special snow clearing efforts in event of heavy storms during the season.

License fees are the same as for nonresidents, \$3.50 for camp last year; \$3.50 for residents, \$35 permits. And archers who failed to get a deer during the bow and arrow season may buy a firearms license and hunt deer during the firearm season.

All state police posts and the conservation department will combine forces again this year to provide an emergency message service for Michigan's hunter army. As in the past, hunters may register at either state police posts or department headquarters buildings so families can contact them in event of emergency at home.

AN APPRECIATION

I wish to take this means to thank all my many friends and neighbors for calling on me and also for the many gifts and cards, the gang from the Ellsworth Canning Factory, the Board of Supervisors and the County officers, Recekah Lodge and the Wilson Farmers Union. It all made my stay in the hospital easier. 471 Mrs. Claude Pearsall, Sr.

Game meats as a rule require more attention when cooking—but the result will be worthwhile. Young wild game will be tender and require less care, say Michigan State College home economists, while older wild animals will take additional time.

Here's a plan to use wholesome honey so plentiful on the market this season. Drizzle warmed honey over ice cream and cover with rice crispies or other crunchy cereal.

Jordan 4-H Club Studies Michigan Deer Problems

Under the direction of Archie Graham about 20 boys and girls in the South Arm community will make a close study of Michigan deer problems. The group held its first meeting Monday evening, Nov. 10, at the Grange Hall and a program for the winter was outlined by K. C. Festerling, district 4-H Club agent. Through the winter the club will study the history of Michigan deer herds and the various acts of legislature controlling it. They will study the habits of the deer and will closely follow the findings of the conservation department concerning the control and management of the Michigan deer herd.

For their next meeting the group plan to discuss the deer herd with relation to its value as an attraction of northern Michigan, particularly during deer hunting season. Members will study how the deer hunter spends his money in this area.

If snow becomes deep and the herd yard up the group will visit such a yard in February at which time they will observe the condition of the yard and deer. A second trip will be made to the same yard in April to make a survey of the degree of overbrowsing and make a count of the deer dead from starvation. Each member of the club will be required to prepare an exhibit of winter deer food according to its palatability.

Local conservation officers will aid the young people in their study.

State Trunkline Const. Projects

Lansing, Nov. — Low bidders on eleven trunkline construction projects, totalling \$2,843,833.94 and three county road construction projects, totalling \$217,855.09, are announced by Highway Commissioner Charles M. Ziegler.

The state trunkline projects, the low bidders and amounts of the various bids, are as follows: 8,693 miles of grading, drainage structures and 23-foot wide stabilized aggregate surface on US-31 from a point four miles north of Kewadin north to Eastport in Antrim county, Maclean Construction Co., Lansing, \$276,807.67. The reconstruction will eliminate the present bumpy and rough surface and improve the grade and alignment of the road in preparation for blacktopping later. The completion date for this project is August 31, 1953.

1,815 miles of grading, drainage structures and 46-foot wide concrete pavement with curb and gutter from Dixon Ave. in Charlevoix northwesterly. This project is under contract with P. Vander Veen & Sons, Grand Rapids, at the contract price of \$215,566.75.

The new pavement will fill in the gap between the bridge in Charlevoix and the pavement north of the city which were completed a few years ago. The completion date for this project is August 31, 1953.

1,823 miles of grading and drainage structures and four-lane divided highway on M-72, US-31, and M-37, south from Leelanau-Grand Traverse county line along the Traverse City waterfront, and the adjoining 1.2 miles on M-22 in Leelanau county. The new roadway in Leelanau county replaced an old narrow and broken pavement. L. W. Edison, Grand Rapids, Michigan, was the contractor at the contract price of \$548,793.36.

This year, a dry summer brought crops to maturity sooner. But expected advantages of the later season this year were counterbalanced by dry field conditions.

Detailed computations of game kill and hunter numbers based on hunter reports, will not be available until March or later.

Second Grade — Agnes Johnson

This week is Book Week. We talked about the good children's magazines we like to see and to read. We like the Jack and Jill, Child Life, Wee Wisdom and the Children's Activities. We found out there were many different stories we could read and enjoy together. We are learning that books are our friends. We also are learning how we should care for our books.

Donald Bowerman brought to school a copy of the "Children's Digest" for November. From the magazine, Mrs. Johnson read the story of "The First Thanksgiving." We found out we should be very happy and thankful that we live in America and can spend our Thanksgivings the way we choose.

We are illustrating, "The First Thanksgiving" by drawing pictures. Some of us showed the Pilgrims and Indians eating together their first dinner. Others showed how the Pilgrims' homes looked long ago.

We had fun drawing big turkeys and coloring them brown. We are using them to decorate our bulletin board.

We have completed our fireplace and are using it during our language and story hour. We made large red paper stones to paste on the frame of the fireplace.

On Wednesday Jerry Cihak brought his turtle to school. We all thought it would be fun to have one of our own for a pet.

Johnny Matthews brought a pretty plant to school. We all thought it looked nice on our bookcase. Charyn Sinclair brought a bouquet of Bittersweet. This, too, helps our room look cheerful.

Miss Jeanine Olstrom, a senior attending Central Michigan College of Education, will extern and also be a visitor in our room for the next four weeks. She will study and find out how we work and play together. We hope we

New Business Enterprise at Central Lake

Traverse rods and heavy drapes in living room, drapes in bedroom. Davis aluminum doors front and rear with screen doors.

This trailer will retail for approximately \$2500 in this area. The New Home Trailer Co. still have opening for a few select dealerships in northern Michigan.

Third Grade — Adeline Bowerman

Larry Henderson treated his classmates with delicious cupcakes in honor of his ninth birthday on Nov. 14th.

The narcissus bulbs which we planted this fall are advanced enough to bring into the light. We are watching for the buds to appear. We have 16 different varieties of houseplants which we are learning the names of and how to care for them.

For National Book Week we are working on the theme "Reading is Fun." Our story period is being devoted to oral reports on stories instead of reading the story aloud. We are planning a visit to the library to learn how to choose a book and to get acquainted with some of the new story books. We are also planning to visit the Book Fair, Nov. 19th.

Third Grade — Marie Hughes We welcomed a new boy, Gary Auten, to our room Nov. 12. On Nov. 17 we lost two boys, Jerry Inman and Mose Hughes. Jerry is going to school in Alma. We don't know where Mose is going.

Charlene Hitchcock brought a lovely plant. Jean Combest brought us one the week before. Now we have four plants to watch and care for and enjoy.

We have celebrated three birthdays so far this month with treats, cards and singing. Jerry Inman, Beth Galmore and Billy Derezny were 9 years old.

We are hearing a story about pioneer days and the first settlers in this land.

Fourth Grade — Jean Strehl In Art class on Friday we worked with clay. After reading many stories about the early Indians we thought it was fun to pretend we were some of the early Indians. We made some very inter-

esting dishes, ash trays and candlestickholders. Monday we painted them with pretty designs.

We are learning some Thanksgiving songs and also a new Thanksgiving Prayer. Some of the boys and girls made some fine pictures of the Mayflower.

Monday we saw a movie, "The King Who Came to Breakfast." It was the story of what we should eat for breakfast and how important it is to eat a good breakfast.

During Language this week we are learning the right way to use a telephone. We have two telephones from Michigan Bell Telephone Company which will help us. Telephone Courtesy will be our motto.

Fourth Grade — Grace Galmore Five of our girls and boys, Barbara Kortan, Sharon Hughey, Harold Murray, Dick McKinnon and Gerald Peters completed a poster for the Book Fair contest. We were very pleased that Sharon and Gerald won Honorable Mention.

For the last few weeks we have been interested in giving little dramatizations—our new social studies book being the source of our inspiration. These have all been done on the initiative of the pupils themselves who planned and executed them with very little help from the teacher.

We have finished and enjoyed the book at "Paddy the Beaver's Pond" by Thornton Burgess which Donald Johnson brought to share with us. For the next two weeks we will be reading stories about Thanksgiving. Our boys and girls have already reported in picture form some things they looked up themselves about the Pilgrims and Indians.

We wish to thank Mrs. Strehl for her kindness in typing and mimeographing some Thanksgiving poems for us. We enjoy reading them together and plan to learn one or two.

We were sorry that David Bartholomew's grandmother died. We were also sorry Loretta Sine-way's mother was in an accident.

Beverly Snyder, Dickie McKinnon and Dortha Eggers reported that one of their family had shot a deer. Linda reported the fact that they got two raccoons. Everyone had stories to tell of other hunting incidents.

Fifth Grade — Elizabeth Mosher Our second multiplication combination test showed that several boys and girls have improved in their tables. Several still need to work on them more.

We are beginning to study the New England States in social studies.

We have been learning about the six types of foods needed to make us healthy. We each made a poster for each food group for our health booklets.

Mrs. Mosher has just finished reading "Lightfoot" by Katherine B. Shippen to our class. We were anxious to find out how it ended. We chose "Timmy and the Tiger" by Marjorie Paradis for our next story.

We are learning a song for the Thanksgiving assembly.

John Hughey left our school on Friday. We hope he will like his new school.

Fifth Grade — Sadie Liskum We are working hard on multiplication tables. On Monday's test Lyndel Ingalls, Patty Nachazel, Judy Nemeck, Raymond Prebble and Martin Ruhling received stars for getting them 100 percent right. Larry Gee received a blue star for getting 100 percent on two separate tests. Bob Bulow made one error after having had 100 percent two weeks ago, so he did not receive a blue star.

Mrs. Marvin Benson visited our room Monday morning. We are going to exchange letters and notebooks with her fifth grade in Bay Port.

After a movie about wheat we had a health lesson on eating the right kind of breakfasts. It isn't enough just for our mothers to cook and serve good food, we need to clean up our plates and drink our milk. If we don't, the ghost called Hidden Hunger will spoil our good times.

We lost two pupils last week, LaVon Barnes is going to Boyne City to school. We do not know where Sue Ann Hughey will be going to school.

Sixth Grade — Frank Malone We are studying fractions in Arithmetic. Some of us are having trouble remembering such things as numerator and denominator, like and unlike fractions, and improper fractions.

In science we are studying the Universe. We have learned that stars are really suns like our sun and that planets are bodies like our earth.

We are looking forward to our first assembly which will probably be held next Wednesday, the 26th of November. The theme will be Thanksgiving.

We are learning a poem. The poem is "Thanksgiving" by Frances Frost.

As of Monday we have had one-ly one deer report and that is the one David Demoth's father shot on the first day.

Before winter going gets rough...

"Food costs are high and may go higher."
That's no news to Mrs. Michigan. She knows it and—evidently—accepts it.

So she's in a buying mood. She and her husband are still looking for values when they shop but they've decided that prices aren't coming down and there's no point in putting off buying the things they want.

That upsurge in buying will push prices up. At least, with little buyer resistance, there won't be pressure on merchants to cut prices to move merchandise.

Those are the conclusions that are drawn by Michigan State College's department of Agricultural Economics.

THE USE OF DRY SKIM MILK is on the increase because it is a practical way to stretch the food budget; fluid milk is likely to average more in '53.

Egg prices aren't expected to be as high this Fall as they were last year but the '53 average will be higher than this year's. Canned food prices will remain about the same. A large carry-over will counteract effects of a smaller '52 pack.

MEAT PRICES MAY BE A LITTLE LOWER on a yearly average in '53. Some grades of beef and poultry will drop; some of pork will rise.

At least so say the MSC experts. Mrs. Michigan will check the accuracy of their predictions by her grocery bills.

ONE OF THE ELECTION RESULTS is that many new county officials will take over new duties come Jan. 1.

To make sure that there is no dangerous or inconvenient lag in county business because of this, the Michigan Institute of Local Government will give its fifth

SHE LIVES WITH FEAR

Mrs. Whittaker Chambers reveals her ordeal of terror. She recalls how, while her husband was a Communist, she lived in dread he would be picked up by the FBI. fourth week and continue skim milk up to six months. Also feed cereal grain—corn or oats—up to about 200 pounds for the five months.

Plan two—Continue whole milk up to fifth or sixth week but reduce amount and wean from milk entirely in seventh week. Start feeding calf meal in the 3rd week and give calf free access to calf meal at weaning in seventh week. About 400 pounds of calf meal will take the calf six months age.

The main difference in these plans is the value of 200 pounds of grain plus skim milk fed up to six months compared to 400 lbs. of calf meal but no milk after six weeks.

Rebman reports trials are under way with less whole milk being fed.

biennial short course for newly elected county officers at Kellogg Center in East Lansing Dec. 15 through 17.

D. Hale Brake, state treasurer and Institute chairman, is given credit for the rapid growth of interest in grassroots government.

He is also being talked about as the GOP candidate for governor in 1954. That talk is hush-hush at this stage of the game with a recount coming up on the Nov. 4 election. But his admirers, and they come from every part of Michigan, feel that his plain, straight-from-the-shoulder talking is the antidote to the personal glamor of the hard-to-stop Gov. Soapy.

MICHIGAN HISTORY is growing in popularity. Local historical societies are doing a good job of letting the public know that there is still much valuable historical data hidden in attics of Michigan homes.

But as each year rolls along, more and more priceless material is destroyed in period housecleaning sessions. Every time a family moves, it discards accumulations that may go back to the early days of statehood. So the continued boom in home building doesn't make local historians too happy.

THEY ARE HAPPY, though, about the publicity that is being given now to a Michigan law of 1948 that permits county boards of supervisors to appropriate public funds to volunteer historical associations. "It's one of the best laws in the country," says Vernon R. Beall of the Michigan Historical Association.

Forty-two thousand red pine seedlings have been planted in Leelanau County, most of them around Empire.

LOOK FOR LEGISLATION to be introduced in the 1953 session that would increase membership of Township Boards.

A Michigan Supreme Court decision—which received little public attention because of campaign headlines—said that Justices of the Peace may no longer serve on Township Boards. JPs are members of the judiciary and therefore are prevented by the Constitution

from taking part in administrative and legislative branches of the government.

FOR MORE THAN A HUNDRED YEARS justices have been considered regular members of such boards and the decision came as a bombshell to local governments. They hope that there will be no lawsuits to question the legality of board action taken during the century while JPs sat unconstitutionally.

Town Board now have only three members, the supervisor, clerk and treasurer, where once they had two to four justices also. That means it's harder to get a quorum and harder to get a cross-section in deliberation.

NEW LEGISLATION will probably provide for two or four "board members" to make a more workable board.

The demand for birth certificates is keeping Michigan Department of Health clerks on the double these days. Dr. Albert E. Heustis, commissioner, says that the pace is approaching that of the early days of World War II.

An average of 50 persons a day personally seek copies of their certificates and the backlog of unprocessed mail requests has passed 1,000 and is increasing daily.

One of the reasons for the unusual demand is that schools are so crowded that many require a birth certificate for enrollment. Resumption of hiring by heavy industry after the steel strike also contributes to the load.

THERE WERE 384,717 NEW MOTOR vehicles licensed in Michigan during 1951, Pennsylvania, Illinois and Texas surpassed this mark.

Michigan ranked seventh in the number of passenger car registrations last year with 2,218,227 of them on the road. There were 306,213 trucks and 5,877 buses adding to highway traffic.

Wayne County ranks fourth in all United States counties for motor vehicle registrations. New York City, Cook County (Chicago) and Los Angeles were 1-2-3. Wayne has one passenger car for every 3.3 persons and 10 cars for every nine families.

Oakland County (Pontiac), Kent (Grand Rapids), Genesee (Flint) are among the top 115 counties in the country.

The Servicemen's LETTER

Hi Fellas:

Do you remember reading a short time ago that Bruce Bolser was home on furlough? Well, soon after he got back to his ship he was out on pass and was in a car accident with several other sailors. The result—Bruce is in the Hospital at Portsmouth and will be for six weeks yet. He was quite seriously injured but his mother says she guesses he will live. In fact right now he is looking forward to the time when he will be released. Bruce hasn't been getting much mail as the ship did not forward any of it to him at the hospital. However, if any of you men would like to write him (and I'll bet he would appreciate it) his address for the next six weeks is: Bruce Bolser SN, Ward D-2, US Naval Hospital, Portsmouth, Virginia.

Bill Streeter is progressing in his studies down at F. E. Warren Air Force Base in Wyoming. He has a new squadron address now—he's in the 3451st Student Sqd. Jim Meredith, after trying out for the basketball team at Norfolk, suddenly hopped back to his old berth aboard the USS Formose. Jim wrote that Norfolk wasn't any kind of place to bring his wife to but didn't volunteer any further information. I suppose you'll be in Key West for the winter now, Jim.

Bill Brooks came home Tuesday, Nov. 11th, from Nellis AFB, Nevada, and will be here until Dec. 7th. He's getting in some pretty heavy hunting just now and is very confident of getting his buck. Incidentally Bill is S/Sgt now. He goes back to the same base when his leave is up.

Here's an address, a temporary one, for Claude Randall: Cpl. Claude H. Randall, RA 16 268 429, Prov Co 2236, 1277 ASU, Det 18, Camp Kilmer, N. J. Claude writes, "Well, I was out of the Army 17 days, working in a plant for a week. I found out the Army life is for me. I am now on my way to Germany—going to another strange place and different

people and languages. Will be gone another three years from the US.

"We will be eating Thanksgiving dinner on the boat. When I get over there maybe I'll be seeing my brother in France."

Claude said further that he would sure like to get a letter from Russell Fyan and Dale Carney.

Howard Stanek is still piloting that ferry down in the Caribbean. He has asked for a furlough starting the 18th of December. He hasn't had one for some time so feels that he will get it. Howard had an accident recently that could have been real serious. One of the batteries in his boat blew up and sprayed acid all over everything. They don't know just what caused it. They say that it is the first time it ever happened there.

Ken Richards, over in England, has a change of APO. From 125-B it has been changed to 198.

That address of Vale Keller's has been looking mighty phony to me for some time. Here's his complete new address as handed in this past week. A3C Vale Keller, 1503 Air Traffic Squadron, 1503 A. T. Wing, Box 157, APO 226, c/o PM, San Francisco, Calif.

Here's a letter from the Army Home Town News Center containing a story mailed from Korea on Nov. 5, 1952. "With the 7th Infantry Div. in Korea—Pvt Raymond R. Romback recently arrived in Korea and has joined the 7th Infantry Division. Since making the amphibious landing at Inchon in the fall of 1950, the 7th Division has fought in every sector of the Korean peninsula. Elements of the 7th were the only U. S. forces to reach the Yalu River. Private Romback entered the Army last February."

Earl Hart has another small change of address this week. For clarity I'll put in his complete address: Pvt Earl F. Hart, RA 16 400 767, Sv Btry, 7th FA BN, APO 1, c/o PM, New York, N. Y. Earl has been transferred to S-4

Supply. That's a good racket, Earl. Twenty-five miles from Soel, near Suwan, 55 miles from the front in Korea Don Danforth is now taking a truck driver mechanic course. He writes that he likes the change. His new address is: Pvt Donald W. Danforth, RA 16 405 481, Co C, 802nd E. A. B., APO 970, c/o PM, San Francisco, Calif. It sounds like the same old place. When you want a truck driver they send you a communications man.

Vern Bowen, after being on the road home from Korea for about a month, arrived here Tuesday, Nov. 11th. He will be here for a 40-day furlough after which he will report back to the Air Force. Vern reenlisted in 1950 for six more years and he tells me that he is going to stay in as a career man. It's a good life for a single man.

Here's a rather surprising letter from Dale Gee. He writes, "Well buddy, just a few lines to tell you the news. I received my alert orders for overseas duty for sometime in January. Where I am going I do not know as yet but will let you know when I get home. You can stop sending me the paper after the 8th of Dec."

"We wrote to Lawrence Wright but the letter came back. I hope he gets this in time so that he and Vera can make it home for Christmas."

"Would like very much to see Oogie Woodcock (Sir) because I haven't seen him in a long time."

"So Jake, watch out your window in the Post Office and when you see a blue Pontiac loaded down come thru you will know we have landed. So keep the snowplows busy with the snow off the roads. See you next month."

Thanks for the letter, Dale. That certainly was a surprise around here. We sort of figured that you were set out there for some time.

That's all for this week, men. (No buck yet)

"Jake" Snyder.

Ed. Rebman, Co. Agr'l Agent
Recent changes in deer hunting laws in Michigan should benefit Charlevoix county's forests as well as its deer herd. Lester E. Bell, extension specialist in forestry at Michigan State College told Ed Rebman, county Agricultural agent.

It will be legal to take any deer on the last three days of the open season in the area north of Highway M-20 in the Lower Peninsula. On Nov. 28, 29 and 30, in the area north of M-20, a licensed hunter who has not killed a buck between Nov. 15 and 27 may shoot one buck, doe or fawn.

This new law is designed to temporarily reduce the deer herd, but in the long run should lead to a better and stronger herd.

High concentrations of deer in many areas have been detrimental to good forest practice. Bell is in full sympathy with maintaining a large deer herd in the state and knows the value of such a resource. He believes the only real road to success in the long run is to manage both our deer herd and our forests so that both will succeed.

Deer are dependent upon the forest for food (browse and mast) and for cover. Our civilization is dependent upon our forests for a source of lumber, raw wood and cellulose products.

During the summer, deer roam the forests of the state, browsing on many different species of trees and shrubs, eating a little moss, some grass, some mast. In general, they do little damage to the forest during this period. In the winter months, however, the picture changes. Heavy snows cover up their normal food supply and make it difficult for deer to travel in the uplands. The deer are driven in large numbers into wintering areas known as "deer yards" and usually in cedar swamps.

In the yards, deer feed on most any browse available. They prefer white cedar, red maple and dogwood. In many "deer yards" areas where white cedar is the predominant species, there are no young trees left. The only trees are the large mature trees that have been browsed up as high as the deer can reach and no longer furnish winter food. Some people have suggested that this presents a problem; since the old cedar trees are mature we should cut them down and allow new trees to grow in their place. They point out that cedar is a prolific "seedler" and that the lush new growth will furnish ample food. Some even suggest that we plant new stands of cedar just for deer food, foresters report.

All this sounds fine but it just doesn't work, stresses the M. S. C. forester. Cedar will reproduce fairly well if the reproduction is not browsed. We can plant seedlings and grow a stand if the young trees are not molested, but here is where the shoe pinches. The deer will not leave the young growth alone. When it reaches above the snow line, the deer browse it off. They even paw back snow and eat the small seedlings, stem and all.

The only satisfactory method of reproducing a crop of winter food in the deer yarding areas of Michigan is to reduce the deer herd long enough to allow regeneration. The new supply of winter browse will let us gradually increase our carrying capacity to maintain an even larger deer herd than today. Sportsmen and foresters both face this situation, Bell insists, and may have to "forego our cake today for more of it in the future."

Northern Michigan dairymen, considering the whole fluid milk market instead of selling cream only, often wonder about value of the skim milk for calf feed as compared to commercial calf meals. It is a question of which way they can get the most gain, notes Ed Rebman, county agricultural agent.

Skim milk is high-quality protein food, for animals as well as humans, but its value is no more than commercial food in its place. Dairymen should also consider what to do with skim milk all year long. Calves and hogs will drink the milk; beyond a certain age—five months for calves—skim milk is not as valuable, however. Animals will grow just as big on meals. Cost is the main point.

Rebman outlines two plans for feeding calves up to six months. In both, calves receive a pound of whole milk daily for each ten pounds of calf weight until the third or fourth week; then eight to ten pounds of milk are fed daily, depending on the calf size. The two plans are as follows:

Plan one—Shift gradually from whole to skim milk in the

Mr. and Mrs. Harry Taylor and daughter of Fremont drove up Friday night to the Wm. Gaunt, Jr., home to visit their sister. Also to get Mrs. Taylor, who has been visiting with the Gaunts for the past week. They all returned to Fremont Saturday afternoon.

Mr. E. H. Phillips drove up from Grand Rapids Friday night to his home so he could do some deer hunting. He had no success. He returned to his work again on Monday.

Mr. and Mrs. Bill Gaunt, Jr., and son, David, and their mother, Mrs. Caroline Taylor, had chicken supper last Thursday evening with Mr. and Mrs. Wm. Gaunt, Sr. Born Nov. 7th and 8 lb. 7 oz. boy at Parma, Mich., to Mr. and Mrs. Phillip Carlson. Mrs. Carlson was the former Sally Warden of Jackson, a granddaughter of Mrs.

Frances Crowell. Mr. Ralph Gaunt of Bridgeport drove up from his work Saturday morning and hunted at St. Helens for a while. Then drove on up to his brothers, Wm. Gaunt's, home Saturday evening to spend the night. He called at his sisters, Mrs. Robt. Myers, but didn't find anyone home. Sunday morning he returned to the hunting places and expected to be home again Sunday evening.

The deer kill of this neighborhood goes to Eugene Pierce, Bob Russell, Bill Chew, Sam Bricker and Roscoe Barber.

Mr. and Mrs. Henry Howard installed officers Friday night at the Peninsula range Hall.

Mr. and Mrs. Robt. Myers and daughter spent Saturday evening with the E. H. Phillips family.

Mrs. Francis Crowell of East Jordan took dinner Sunday with her son, Alfred Crowell, and family. Mrs. Wm. Gaunt, Sr., was a Sunday afternoon caller at the Alfred Crowell home.

Mrs. Myrtle Bricker and mother, Mrs. Goldie Sheldon, and Mrs. Zola Bricker were callers Saturday at the Henry Howard home.

Mr. Ray Welsh informed me to let all his neighbors know they can hunt on his farm. He does have it posted as last year someone cut his fence and let his cows get out.

IN MEMORIAM

In loving memory of our dear wife and mother, Eileen Cary, who left us one year ago Nov. 19, 1952.

Someone remembers, someone cares,
Your name is whispered in our prayers.
A smile, a tear, a thought sincere,
How often we wish you were here.

There were thirty-eight in attendance at Sunday School Nov. 16.

A party of hunters from Detroit are staying in the Buckler cabin.

LeRoy Best was home last week on leave from sailing the Great Lakes.

Chris Roberts of Central Lake was a recent caller at the home of his niece, Mrs. Jess Brown.

Mr. and Mrs. Henry Reck of Detroit are staying at Reckwood cabin and doing some deer hunting.

Mrs. Ray Hill of Rapid City and Mrs. Charles Clark of Hazel Park were callers at Edd Clark's Saturday.

Mr. and Mrs. Wallace Buckler left Wednesday for Detroit where they expect to remain for the winter.

Rev. and Mrs. Floyd Decker of Central Lake and Mrs. Ing Olson of East Jordan were visitors at the Edd Clark's Sunday afternoon.

The Leslie Russells of Jackson are visiting at the home of his parents—the Ernest Russells and will try and bag his deer before leaving we suppose.

Mr. and Mrs. Dennis Louk of Dearborn are here for this week, while Dennis will try and get his buck. Meantime wishing for snow, why wish that on us? as we will probably have a plenty between now and spring.

Doyle Wilson left Friday to join his hunting party including Angus McKay, Durward Willson, Glen Dingman and Rev. Dickinson of Central Lake who left a few days previously to hunt deer near Fibra, upper peninsula. Rev. Decker of Central Lake had charge of the church services here during the absence of Rev. Dickinson, our regular pastor.

Russell Petrie came home from Detroit Saturday night and he and Mrs. Petrie hunted over east the first of the week. On his way here Russell ran into a large doe killing it and putting his car out out of commission which had to be towed the rest of the way home. The deer was turned over to the Conservation officer.

From the time the Great Lakes were discovered to the time of the large fur-trading companies, the "inexhaustible" supplies of fish were drawn upon only for subsistence of area inhabitants

From where I sit... by Joe Marsh
Going... Going... Almost Gone

Granny Robinson put on quite a show the other night at the annual White Elephant auction held at the Women's Club.

Towards the end of the evening, she had the ladies battling for anything she put up. "What am I bid for this woman's lovely black coat here—good as new? Who'll say ten dollars?" she asked.

Granny held the coat up, and commenced describing the coat's lining, sleeves, buttons—really "selling hard." Then, suddenly, she took a close look and blurted out "Land sakes, no more bidding."

please—this is my own coat!"
From where I sit, what almost happened to Granny was good for a laugh, but sometimes when people "get carried away" with their own talk it's not so funny. I prefer a glass of temperate beer while listening to my favorite radio program—you may like soda pop—or cider. I suggest we hold on to our personal opinions—and believe in them—but take a good close look at them before we try to "sell" them to our neighbor!
