## Grade School Children Present Christmas Program Dec. 18th

### Presbyterian Church December Calendar

**Christmas Program of the Church School**

The annual Christmas program for the Church School will be held on Tuesday evening, December 23rd beginning at 7:30 p. m. This program will include the children from each department in our church school. We will begin with the Nursery and Kindergarten department in charge of Mrs. Betty Boswell and Mrs. Phoebe Watson.

The Primary Department will present the prologue playlet to the Christmas pageant called "The Promise."

The Junior Department will take part in "The Promise" and will also present playlet, "Tobiah's Wish." The parents of children in these two departments will notice that both of these playlets come right out of the material we have been studying in Sunday School.

### Junior-Hi and Senior-Hi Groups

The Junior-Hi and Senior-Hi groups will present as the closing part of the Christmas program the Candlelight Nativity scene, entitled, "Gloria in Excelsis."

Other Christmas activities for these departments will include Christmas parties for the Nursery, Kindergarten, Primary group to be held on Monday, Dec. 22 at 2:00 p. m.

For the Jr. Group the Christmas party will begin at 5:00 on Monday, Dec. 22 and will include supper for the children with carol singing and distribution of the cheer-boxes to the shut-ins to conclude the evening.

**W. Y. F. To Conduct Christmas Worship**

In December 14th the W. Y. F. will go to the Grandvue Hospital and conduct a short worship service.

### Other Church Activities

The Men's Club will hold a hunting pot luck supper on Dec. 11th in the church. Ted Malpass will show us pictures of his hunting trip in Idaho this fall. Also men who are planning to go to Chicago for the Annual Presbyterian Men's Meeting will need to be present for the announcement of arrangements which are being made for transportation and accommodations while there. This will be a fine evening of fellowship, so come.

### Christmas Boxes Sent

Our Church has been celebrating Christmas for some time already. About 200 pounds of clothing were sent to the Church World Service for shipment to Korea. More clothing is accumulating and duffel bags are being sent from Church World Service to collect more clothing. There will be one in the church at all times now, so that if you have any old (but good) clothing you could share with these unfortunate people, bring it to the church.

Our Church School sent an unusually nice assortment of fine Christmas gifts to Mr. MacDougall, Sunday School Missionary at Maryville, Tennessee.

These two efforts on the part

The children in grades from kindergarten, through the sixth grade will present their Annual Christmas Program Wednesday afternoon for the Junior and Senior High School and Thursday afternoon at 1:30 for the parents in the High School Gym. The program of carol singing will center around the theme "The Joy of Giving". There will be no stage play, but the boys and girls will all march in, in the traditional processional bringing gifts to the manger. These gifts will later be distributed by the Legion Auxiliary.

You will hear the children's chorus singing many carols, some new and some old. This year the music will be especially lovely as Mr. Stecker will accompany the singing on Ted Malpass's Hammond organ. The offer of his services and the use of the organ are greatly appreciated. If you are one of those who somehow cannot seem to get into the spirit of Christmas, come and see what the children's program can do for you.

## Jasmine Rebekahs Elect Officers

Jasmine Rebekah Lodge met at their hall on Wednesday evening, December 3rd. Lodge was called to order by the Noble Grand Kathleen Braman with 35 members present. Election of officers for the ensuing year were as follows:

Noble Grand — Beatrice Kopkau.  
Vice-Grand — Ida Rusnell.  
Recording Sec'y — Dorothy Sommerville.  
Financial Sec'y — Ellen Saganek.  
Treasurer — Fern Bennett.  
Staff Captain — Alberta Nowland.

### FUNERAL SERVICES FOR MRS. BOYD HIPP

Mrs. Boyd Hipp passed away quite suddenly, Wednesday morning, Dec. 11, at her home. Funeral arrangements have not been made at this time.

of the church will surely be a blessing to all of those with whom we have shared this Christmas.

### Christmas Vesper Service

On Sunday evening, December 21st, we will hold our annual Christmas Vesper Service in the Church beginning at 8:00 p. m. This will be a Carol-Lesson Service. This type of service was originated by the Cambridge (England) Choral group many years ago and is one of the popular and worshipful Christmas services in America today. Let us come in family groups to this service. The Adult Choir will sing the music.

We have received our first shipment of the New Revised Standard Version Bibles ordered several weeks ago. These are the cloth-bound edition, the leather bound being out of stock at the present. Any wishing to order one of these bibles may do so at any time.

### Funeral Rites Held Last Monday for Mrs. Florence Gee

Funeral services for Mrs. Florence Gee were held at 10:00 a. m., Monday, Dec. 8, from Watson Funeral Home, conducted by Rev. Robert Moore. Bearers were: Vale Gee, Glenn Gee, Earl Gee and Russell Gee, nephews of the deceased. Interment was at Sunset Hill.

Florence Morinski was born Sept. 12, 1881 in Germany, and came to the United States with her parents when a child of six years. They settled in Grand Rapids and came to East Jordan in 1904.

On January 16, 1904 she was united in marriage to Maurice Gee at Petoskey. Mrs. Gee passed away at her home, Wednesday, Dec. 4, after a lingering illness the past 13 years.

Surviving besides the husband, Maurice Gee, are a brother, Albert Morinski, Grand Rapids; four sisters, Stella Trill and Helen Snagock of Grand Rapids, and Eva Snagock of Chicago and Pauline Balski.

Mr. and Mrs. Albert Morinski of Grand Rapids attended the funeral services.

## South Arm Grange To Install Officers

There will be Installation of Officers Saturday evening, Dec. 13 at 9:00 o'clock. Mr. and Mrs. Howard of Peninsula will be the installing officers. Pot luck lunch will be served.

## Mayor Leo Sommerville Accepts First Call From Charlevoix's New Michigan Bell Telephone Service

East Jordan's Mayor Leo Sommerville played an important part in the ceremony inaugurating Charlevoix's new telephone system, last Thursday, by accepting the first call over the new facilities from Charlevoix's Mayor John Knight.

The ceremony was attended by business and civic leaders of Charlevoix. Acting as master of ceremonies was C. L. Johnson, manager for the Michigan Bell Telephone Company. He traced the development of that community's

telephone service from the one-wire grounded circuit days of the late 80's to the installation of today's most modern automatic switching equipment.

Immediately after the dial system was cut into service Thursday afternoon, dial switches in the central office began clicking and buzzing furiously as Charlevoix customers called friends to try out the new facilities.

Despite the sudden heavy load, Johnson said the equipment developed virtually no mechanical

### Catholic Study Club Meets Tonight

The Catholic Study Club will have their annual Christmas meeting at the home of Mrs. Ole Heggerberg, Thursday evening, Dec. 11th, at 8:00 p. m.

Mrs. Anthony Kenny will have charge of the program. There will be an exchange of gifts.

### City Extension Club No. 1 Met With Mrs. Hilda Cook

City Extension Group No. 1 met with Mrs. Hilda Cook, on Monday afternoon, Dec. 8th.

A delicious dessert was served by the hostess after which the group was called to order. Final plans were made for the annual Christmas party to be held, Monday, Dec. 15th, with Mrs. Rose Adair at Petoskey.

The leaders, Mrs. Carol Whiteford and Mrs. Letha Whitlow, gave the lesson candle-making, each member making a candle. Some beautiful candles were displayed.

One new member joined the group and two visitors were present.

### Friendly Circle Extension Club Met Monday, Dec. 8

The Friendly Circle Extension Club met with Mrs. Florence Swoboda, Monday afternoon, Dec. 8.

A delicious dessert was served by the hostess to 15 ladies present. All members answered to roll call with a quotation about Christmas. Christmas carols were sung, led by Mrs. Louise Hart, after which the lesson of candle making was very ably given by the leaders, Mrs. Edith Safford and Mrs. Anna Sherman. Very beautiful candles were on display. Adjourned to meet Dec. 15th with Mrs. Laura Malpass.

### Kenneth Van Hoesen Placed Third On Speaking Contest

Winners of the speaking contest sponsored by the State Association of Soil Conservation Districts have been announced by Herbert Van Auker of Eaton Rapids, association president.

Cash awards will be given at the Association's annual meeting during Farmers' Week, January 26-30, at Michigan State College.

First place was won by Carl R. Nelson, Traverse City, RD 3, a cooper in the Leelanau Soil Conservation District. By winning, he advances to the national contest, the winner of which will be announced at the National Association of Soil Conservation Districts Convention in Omaha in early February.

Second place went to John Halsey, Charlotte RD 2, now a student at Michigan State College.

Kenneth Van Hoesen of the Charlevoix district was third.

The speech subject was "The Job Ahead in My Soil Conservation District," and the contest was open to soil district cooperators, directors and members of their families. Judges were John T. Stone, MSC specialist in extension training; Harold Larkin, assistant state conservationist, U. S. Soil Conservation Service; and Leonard J. Braamse, MSC extension soil conservationist.

Association President Van Auker and R. G. Hill, an MSC extension specialist in soil conservation who aided with the program, noted the interest generated in soil conservation by the contest, which may be repeated in 1953.

East Jordan High School opened its 1952-53 Northern Michigan Class C Conference cage schedule successfully here last Friday evening with a 47 to 25 triumph over the Pellston High School "Hornets".

A field goal and a pair of free throws by pivotman Rudy gave Pellston an early lead. Midway in the opening stanza, Freeman tallied on a short shot from the right side to put the "Red Devils" into the lead to stay.

East Jordan led 9 to 6 at the end of the first quarter and 24 to 12 at halftime. The Jordanites continued to expand their lead after the intermission and were out in front 37 to 15 at the three-quarter mark.

The entire 11 man local squad saw considerable action and seven boys figure in the scoring. Evans, hard-driving Jordanite forward, topped the evening's scoring with 6 field goals and 8 free throws for a total of 20 points. Ron Wilson tallied 7 to lead the visitors offensively.

The locals travel to Charlevoix tomorrow (Friday) night where they will meet up with the Charlevoix "Red Raiders", defending Northern Michigan Class C Conference Champions. Winners of Regional play last winter, Charlevoix under Coach Del Terrill again has a powerful aggregation led by "Bobo" Bennett, lanky forward and the in-experienced local quintet will have their hands full and definitely will be rated as underdogs. Charlevoix opened with an impressive victory over Boyne City last Friday.

### Mrs. J. A. Hynes Former E. J. Resident Dies at Chicago

Mrs. J. A. Hynes (Gertrude B. Mitchell) passed away at her home, 7028 Ridge Ave., Chicago, Ill., December 3, 1952. Surviving are the husband, four children and seven grandchildren. Also two sisters, Mrs. May McRoberts of Redondo Beach, Calif., and Mrs. Carolyn Crothers of Mill Valley, Calif.

Mrs. Hynes was a former resident of East Jordan and will be remembered by many of the older folks of the city.

### Final Reports For E. Jordan's Deer Slayers

The final reports from the deer hunters are:

Robert Williamson, 6 pt. buck, Friday, Nov. 28, shot with a 30-30 near Mud Lake, Eveline Twp. He shot one horn off in getting it.

Ed Phillips, 100 lb. doe, Nov. 28th with a 30-06 at Mud Lake.

Percy Penfold got a 4-point buck with a 35 remington. Percy says he has gotten a deer every year for the past fifteen years or so.

Roland Clark, another of our local boys who has to get in on the deer hunting, also got a 4 pt. buck on his dad's farm south-east of town.

Gene Nachazel got a doe Nov. 29 with a 44-40.

Fern Morris got a doe fawn and Art Morris got a buck fawn on their farm Nov. 28th.

Frank Rusnell, doe fawn, Nov. 30 by the landslide at Aiba, with a 30-30.

Joe Haney, 6 pt. buck Nov. 30, on his farm in Jordan Twp. with a 30-30.

Marion Jackson got a fawn Nov. 30 near the Headwaters of the Jordan.

Jim Sherman got a doe the same day near the Headwaters with a 25-20.

Bob Darbee shot his buck on the Frank Sweet farm in Jordan Twp. Saturday, Nov. 29, with a

25-20. He reports the buck didn't have horns.

Leon Bartlett got a 90 lb. doe at the Sweet farm with a '82.

Howard Nyland got a nice fat 9 pt. buck Nov. 22nd with a 30-06 in Kalkaska County.

Sorry fellows, we didn't intentionally leave you out of the deer hunting reports. Hope this sets us right again.

# Earn That Christmas Cash Thru Herald Want-ads

## Second Grade — Agnes Johnston

Getting ready for Christmas is so much fun! Our room is taking on a very festive look with a pretty Christmas picture of the Nativity scene upon the bulletin board, our lighted fireplace, evergreen branches tied with ribbon and bells on the window ledges, the front bulletin board decorated with paper canes and ribbon and pine cones, various hand-made Christmas cards and our mother's and father's gifts finished and ready for wrapping.

We are learning new Christmas carols which we will help sing in the grade school annual Christmas program December 18th.

From the December Wee Wisdom magazine, which Patsy Murphy brought, Mrs. Johnston read us the story of "The Talking Christmas Tree". The story brought out the theme of giving, which is the real Christmas spirit and meaning of Christmas.

Tuesday, Mrs. Sidebotham came to our room and told us about the Christmas parade she saw over television in Grand Rapids. The parade was from New York City and was two miles long. Every year Macy's big department store puts on this parade. It consisted of giant-size balloons in shape of animals of all kinds, clowns, many Mother Goose characters and the feature balloon this year was a huge teddy bear. We enjoyed hearing about the parade and thank Mrs. Sidebotham for making the parade seem so real.

The boys won in getting their report cards back first.

We are all selling Tuberculosis Christmas seals.

Jimmie Kidder is back in school after having been ill.

**Third Grade—Adeline Bowerman**  
Paula Burull brought a very colorful map showing "The Land

of Make Believe". We found many poems, rhymes and stories illustrated on this map and some of us will see if we can find books that are listed that we are not familiar with. This map is especially helpful to us for "just for fun" stories now and we just completed the story of Peter Pan in story time.

We are making a fireplace for our room and decorating with candles, wreaths and Michigan holly. We have a Nativity scene on our bulletin board.

One of our narcissus plants has five buds which we hope will be in full bloom for our Christmas party.

## Fifth Grade — Sadie Liskum

Last week on Friday we had 24 perfect spelling papers, and four people missed only one word. Our spelling has improved greatly since we started the old-fashioned system of writing missed words many times. It is easier to learn the words when we write them.

In reading we have 3 groups, each reading from a science book about conservation. Everybody listens while each child reads aloud. We are going to make conservation books in a 4-H project and exhibit them in the spring at Achievement Day, and next fall at the County Fair.

We are working at long division, and proving our work by multiplying. We can certainly see the need of knowing our tables. The students who know their tables have time to spare, and those who don't can't get their work done. We keep studying them.

Our bulletin boards are very attractive. One has Santa Claus pictures, and one has the Christmas story according to the Bible. Our room is doing a great deal

of reading for fun. Every week we go to the school library and each child chooses a book to read. Many children can read 2 or 3 books a week by trading with one another before library day comes again. We certainly thank Mr. Wade and the School Board for providing so many books for the grade children.

## Fifth Grade — Elizabeth Mosher

Almost everyone did very well on last Friday's spelling test. Many are trying to improve their spelling marks for next marking period.

Mrs. Kamradt visited our room last Thursday. She is going to lead our girls who have no other 4-H club to belong to in sewing. They had their first meeting on Thursday.

We are very busy practicing the songs for the Christmas program. Last week we decorated our room and this week we will make gifts and wrappings.

We have nearly finished the Middle Atlantic group of states. We are making use of the maps and literature we received from those states. They help to make our studies more real.

In science we are learning about air and are doing some experiments with it.

## Good Neighbor Club Met Last Wednesday

The Good Neighbor Home Demonstration Club met at the home of Mrs. Melvin Thompson Wednesday afternoon. The meeting was opened with the Michigan Home Demonstration Woman's Creed. Roll call was answered with Christmas suggestions for unusual decorations, gifts or recipes. After election of officers for the following year, plans were made for entertaining the husbands with a pie-party next Saturday evening at the T. F. French home with a Christmas gift exchange being a feature of the evening. The meeting was adjourned with the hostess serving homemade cake, ice cream and coffee.

## South Arm 4-H Handicraft Club

The first meeting of the handicraft club was at the home of Mr. A. L. Drapeau, the new leader.

The club voted on officers for the club. They were as follows: Superintendent — Dick Bailey, Vice-Superintendent — Jack Zoulek, Safety Engineer — Irving Bulman, Tool Engineer — Roy Ellsworth, Clean-up Foreman — Arthur Thompson, Jr., News Reporter — Nan Drapeau.

There were twenty-one members who joined the club. It is planned to have regular meetings.

We plan to have all kinds of handicraft.

**West Peninsula**  
(Edited by Mrs. Wm. Gaunt)

Mrs. Virginia Sunegal and 3 children of Wolf Lake spent part of last Wednesday with her cousins, Mr. and Mrs. Wm. Gaunt, Sr., also calling on some friends in Charlevoix.

Mr. and Mrs. Howard Peters and son took supper Wednesday evening with their cousins, Mr. and Mrs. Wm. Gaunt.

The Advance Board of Commerce met at the Star Community Hall Tuesday evening with thirty-two members present. They report most of the members are donating their time and labor on their new building, at Advance, which is forming into a nice building. They are pleased over all the donations from friends and members. A pot luck lunch was served after the meeting by Mr. and Mrs. Charles Arnott. The next meeting will take place at the Town Hall on Jan. 5 with Mr. and Mrs. Forest Clark as host and hostess.

The Farm Bureau drive is on now, getting new members and also signing up old ones.

The Ham Supper put on by the Board of Commerce last Thursday night at the Peninsula Grange Hall was well attended. They want to thank everyone who helped to put it over and appreciated all the donations.

A few neighbors gathered at the Alfred Crowell home Saturday evening to enjoy themselves visiting and playing games. The party was in honor of Mrs. Frances Crowell who is leaving for Jackson soon to spend the winter with her daughter and family, Mr. and Mrs. Tiny Worden.

Mr. and Mrs. Wm. Gaunt, Sr., and daughter, Mrs. Eloise Crowell spent Friday in Petoskey doing some Christmas shopping.

Mr. E. H. Phillips came home from his work Saturday evening from Grand Rapids. He is entering Little Traverse Hospital Sunday evening to get ready for an operation Tuesday.

Little Geneva Elzinga is home from school with the chicken pox. Mr. and Mrs. Henry Howard with Sandra and Ann Howard spent Sunday afternoon with the Dan Hoeler family.

**Looking Backward . . .**

**NOVEMBER 30, 1912**  
A pretty wedding was performed at the Methodist parsonage Saturday night by Rev. T. Porter Bennett, when Miss Emma Bacon Charles of Charlevoix became the wife of Herbert Colburn, son of Fred Colburn of Echo Township. K. Hathway acted as best man and Sara Hathway acted as bridesmaid. Mr. and Mrs. Colburn will make their home in Echo.

Miss Frances Rebec and Frank Wanek were united in marriage Tuesday morning in St. Joseph's Church. Albert Rebec attended the groom and Miss Mary Rebec acted as bridesmaid. The young couple will reside in the city.

Roy Hammond and Miss Irene Wilson were married on Saturday evening last at the home of Mrs. Chadderton, the bride's grandmother, by the Rev. A. D. Grigsby.

A. L. Dunson of Green River has taken a partnership in the A. Ashbough Grocery Store on State St.

Orrin Bartlett leaves this morning for Newberry where he has a position.

Fire Chief Adams announces that the fire whistle will be blown each noon at 11:30 standard time during the winter months in order to keep it in good working condition. The big whistle is now located at the Electric Light plant.

At the residence of Elder John Hackett in Echo Township Sunday evening four young people were joined in holy wedlock. Miss Antonio Hilman was married to Robert Evens, both of Ellsworth. The second marriage was that of Miss Nettie Moblo to Louis Palmer, both of this city.

Miss Ila Catherine Bellinger and Alfred Bissonette were married in St. Joseph's Church Wednesday morning. They were attended by Mr. and Mrs. Lawrence Lawler.

Sherman Dennis and family are moving this week from their farm in Eveline into the Shapton residence for the winter months.

Contact Alfred Rogers was home from Harbor Springs to spend Thanksgiving with his family.

Atty D. H. Fitch and family now occupy their new home, the A. B. Nicholas residence recently purchased.

**DECEMBER 1, 1922**  
Mr. and Mrs. H. C. Swafford will observe their golden wedding anniversary on Saturday, Dec. 9. They will be at home to their many friends at their home in Bowen's Addition on Saturday, Dec. 9th from 1:00 p. m. to 10:00 p. m. Refreshments will be served. A cordial invitation is extended to all friends to call during these hours.

The Father and Son Banquet which was given by the Men's Fellowship Club of the Methodist Church on Thursday night in the church was greatly enjoyed by one hundred and fifty fathers and sons. The supper was served by the Ladies Aid. The High School pupils furnished excellent orchestra selections. Rev. Henry Hulme acted as toastmaster and Joe Ekstrom gave a short address of welcome. A talk was given by Wm. G. McCune of Petoskey. Rev. F. W. Bluefield, pastor of the First M. E. Church of Petoskey, gave an address to the men and boys.

Mrs. Frank Brotherton and grandson, Joe Boyd, are visiting her daughter, Mrs. Merle Crowell, at Grayling.

Archie Misner of Jordan Township and Miss Lucy LeVerna of Echo Township were united in marriage at the Presbyterian parsonage Nov. 27th by the pastor, Rev. Sidebotham. They will make their home in this city.

Mr. and Mrs. Earl Luesten arrived here Monday from Hooquim, Wash., and will make their home here. Mrs. Luesten was formerly Miss Ethel Smith, daughter of Mr. and Mrs. E. L. Smith, former residents of this city.

Mrs. Charles Coykendall and two children left Wednesday for Flint where she will join her husband and make their home.

Will Vrontran and wife, Sunday. Harold Price, Prokup Pesek, Francis Votruba and Agnes Stanek were home from their studies at MSC for Thanksgiving, returning to East Lansing, Sunday.

Miss Pauline Loomis, daughter of Mr. and Mrs. Alfred R. Loomis, was united in marriage, Saturday afternoon, Nov. 26th, to Charles Arnott at the M. E. parsonage, Rev. James Leitch officiating.

P. T. A. will be on Friday evening, Dec. 9th, at 7:30 fast time. A musical program by the children will be given. Also a movie film, loaned by courtesy of the M. S. C. will be shown. All children are invited; grade children accompanied by their parents. Everyone is invited to come whether you are a member or not.

**NMC Accredited by Approving Agency**

College officials announced recently, that Northwestern Michigan College has been accredited by the State Approving Agency for work under Public Law 550, the so-called Korean G. I. bill.

This means that Korean G. I. benefits have been authorized for all courses in the Liberal Arts, Business, Conservation, Agriculture, and Trade and Industry Programs. Evening school offerings have been similarly approved with the exception of courses in the Home and Family Division.

Approval of institutions in the state for training and education under this bill is under the direction of a State-wide Committee on the Approval of Institutions of Higher Education for the training of Veterans under Public Law 550, eighty-second Congress. A special committee representing Michigan colleges and the State Department of Public Instruction recently visited the local college for approval purposes.

**PMA Chairman Calls Attention To ACP Deadline**

To be eligible for assistance under the 1952 Agricultural Conservation Program approved soil and water conservation practices must be completed not later than Dec. 31, 1952, says LeRoy Hardy, Chairman of the Charlevoix Co. PMA Committee.

Hardy said that a total of 489 farmers signed up to cooperate in the 1952 ACP. At the time they signed up they listed the conservation practices they intended to carry out this year. Assistance under the ACP was approved for those practices which were considered to be the ones most needed on the farm to check soil losses and make the land more productive.

PMA committeemen are visiting each farm in the county to enable each farmer to report the performance for 1952, as well as to help each farmer in determining the conservation needs on his farm for 1953, and then to acquaint the farmer with the assistance and services available to help meet these needs.

To illustrate, the Chairman points out that under the 1953 Agricultural Conservation Program assistance is available to take care of part of the cost of carrying out the most needed conservation practice or practices on the farm. The assistance provided under ACP is being used for those practices which will continue to protect and improve the land in years to come.

Also, conservation farming is being expanded to millions of acres of land that have not been protected in the past. More acres under conservation and more permanent type practices in 1953 will mean more conservation for each dollar of funds used in assisting farmers.

The deadline for the report of 1952 performance and for the 1953 ACP sign-up is December 31, 1952. Farmers are urged to see that this date finds them with the report of their 1952 performance given to the committeeman or brought into the office and their 1953 farm plan on paper. If any farmer is not contacted by the community committeeman, the chairman or the secretary will be glad to help him with both if he will come into the office.

**BUYING IN-SEASON FOOD IS WISE**  
Holiday food costs may go zooming up in your family if you don't check your food buying habits carefully, warns Faye Kinder of the Michigan State College foods and nutrition department.

For instance, do you use reconstituted dry milk solids for some or all of the milk consumption in your family? If not, you are missing an opportunity to save money while providing your family with inexpensive milk. Do you take care to buy inexpensive fats such as lard for cooking?

When you are pondering in front of the meat counter, do a little mental calculation and figure how many servings a pound or piece of meat will make. Figure up mentally how much the meat or fish will cost per person.

Miss Kinder points out that buying in-season foods is wise. When fresh oranges are in abundant supply, buy them fresh and when not, buy canned or frozen orange juice. Following this suggestion will mean keeping track of plentiful and less expensive foods in your markets at all times of the year.

Be cautious about buying "ready-made" foods. The price paid for them includes a lot of service and packaging which lifts the price out of proportion to the cost of the food itself.

**TRAFFIC CHECKS BORE OUT EARLY ESTIMATES ON DEER TAKE**

Traffic checks bore out early estimates of the total number of deer taken during the special "any deer" season in the northern lower peninsula, the conservation department reports.

Department personnel made sample counts on the nine main state and federal highways and on the 24 secondary roads crossing route M-20. These samples were checked against total traffic figures, computed by mechanical counters on loan from the highway department.

The kill was estimated at 100,000 shortly after the season closed, based on field reports of hunter numbers and success and on preliminary road counts. Final traffic counts and checking station tallies show 91,000 deer were taken during the special season.

Of this total, about 58,000 went south across M-20 and noon, 8 a.m. November 28 and noon, December 1. The remaining 33,000 were computed to have been taken by northern lower peninsula residents, based on the 1951 total kill figures for that area.

Poultrymen who keep their tools handy to each pen will find culling easier and repairs being made quickly, Michigan State College poultrymen find.

Finally, be alert to save even a few cents, stresses Miss Kinder. A few cents each time you go to market will amount to a pretty big sum by the end of the year.

## E. J. H. S. To Have National Honor Society of Secondary Schools

The National Honor Society of Secondary Schools was founded by the National Association of Secondary-School Principals in 1921. Since that time, secondary-school administrators throughout the United States have approved its objectives and have established almost five thousand local chapters in their schools. The local chapters are of two groups: the senior chapters, which have members in the two upper years of the high school; and the junior chapters, which have members in the junior high schools and in the lower years of the senior and four-year high schools. These junior chapters compose the National Junior Honor Society.

**Aims and Purposes**  
The founders of this movement originally established the National Honor Society to stimulate the scholarship, leadership, service, and character of the students in the secondary schools of this country. As it has grown in numbers and has extended its scope, its ultimate objective has become that of raising the secondary schools of the United States to a higher plane.

It is the present hope of the founders to direct and to center the enthusiasm of the youth of this land, as they take their place in the life of our nation, to the end that they will raise our secondary schools to levels of more effective service in the training of the young people within the sphere of their influence.

In pursuing its objectives, the National Honor Society has encouraged the establishment of chapters in secondary schools. These local chapters have, as members, students who are outstanding in scholarship, service, leadership, and character. These students are chosen by the entire faculty or by members of the faculty appointed for that purpose—sometimes assisted by representative students in the school.

During the last six years, the National Honor Society has administered a scholarship fund amounting to a cumulative total of \$42,000 and has provided scholarships, awards, and certificates of merit to outstanding students going to college. The chief purpose in providing this scholarship is to identify our most promising school youth each year and to encourage them through scholarships to continue their education.

**Control**  
The National Honor Society and the National Junior Honor Society are directed by a National Council of nine members, three members of which are chosen each year by the National Association of Secondary-School Principals. This Council directs the activities and formulates the policies of the organization.

**History of the Honor Societies**  
**National Honor Society**  
Started in 1921, with the granting of Chapter Number One to Fifth Avenue High School in Pittsburgh, Pennsylvania, the National Honor Society has grown steadily. Today there are more than four thousand senior chapters and almost seven hundred junior chapters in the best high schools of this country. There are chapters in every state of the Union, and in Puerto Rico, Hawaii, Alaska, and in American schools in Panama, Argentina, China, Mexico and Austria.

**National Junior Honor Society**  
In 1929, in response to many requests, the National Junior Honor Society was organized. It is built on the same pattern as that of the senior organization. Its chapters are in the junior high schools and in the lower classes of the senior and four-year high schools. There are now almost seven hundred chapters of the National Junior Honor Society throughout the United States.

**Advantages**  
The chief advantages of having a chapter of the National Honor Society, or of the National Junior Honor Society, as a representative honor group in a school are:

1. It creates an enthusiasm for scholarship throughout the school.
2. It encourages a desire on the part of the students to render service to the school and to the community.
3. It causes the student to evaluate himself and to see if there are potential elements of leadership within him.
4. It is a stimulus to the student to observe those acts by others that develop strong character.
5. It encourages students to continue their education.
6. It defines and marks high standards for the ideal secondary-school student.
7. Its national scope gives it high significance and unusual prestige. The emblems are more and more in evidence, and this augments the desire on the part of students to become members of this widespread organization.
8. It depends more upon rank than upon school marks in setting

forth scholastic ability to be achieved by the student.

9. The organization is very flexible and can be adjusted and arranged by the local administration so that it will conform to the plans and ideals of the administration of the school.

10. It is devoid of commercialism and is devoted to the best professional interests of education. There are no initial or annual dues or assessments for members. The National Honor Society and the National Junior Honor Society are under the direct control of the National Association of Secondary-School Principals, a department of the National Education Association.

**Chapter Functions**  
Nearly all of the chapters of these two honor societies sponsor activities of service to their schools. The other chapters serve as honorary groups. In these latter chapters, members are usually chosen at the time they are graduated from the schools. Those chapters that are active service groups carry on many different activities. Their members, because they have been of service to their schools, have been impressed with the fact that they should be active in further assistance to secondary schools after they have been graduated. One of the hopes for better high schools in the future rests on the members of the National Honor Society.

## Michigan Mirror

The cold dank wind of debt is fluttering up the bed clothes of Michigan schools.

It's an uncomfortable bed the schools have made for themselves but, as the saying goes, they'll have to sleep in it.

In 1946 the sales tax diversion amendment was pushed through by the school lobby. Every teacher became a one-man pressure group, flooding the mails with beseechings to vote for the amendment and "save our schools."

The amendment was passed. Now John B. Martin, Jr., auditor general, predicts that Michigan schools will have to close in the next six months unless they can borrow money to stay open.

What has happened? There just isn't enough cash in the general fund to make this mandatory quarterly payment to the schools—\$25,000,000 too little cash.

Before the sales tax amendment was passed the legislature appropriated money for the schools in accordance with the amount expected to be on hand. Now it is bound by law to appropriate from the general fund an amount equal to 44 percent of the total sales tax collection of the previous year. This year it must come up with \$94,000,000.

It is bound by the constitution to do this—but the general fund of the state is as empty as a copy boy's pecker.

Four years ago the general fund boasted a \$34,000,000 surplus. Now it is \$65,000,000 in the red.

Sponsors of the sales tax diversion amendment, of course, had no way of knowing such a situation would prevail. But it does.

In addition to the general fund appropriation, the state also kicks back one-half cent of the three-cent sales tax to the schools. This, of course, will be done—the state acts only as a collection agent for the schools in this.

One-half cent also is returned to the villages, townships and cities on a per-capita basis. Townships have very small operating expenses. Thus in many cases the small units of government have more money than they know what to do with while the state general fund is strapped.

Attempts to divert some of township money into the general fund by renaming the earmarked funds have been stymied by Gov. Williams' veto.

The state deficit is old hat in Michigan these days. Mr. Martin resignedly suggests that the schools be authorized to borrow money to keep open until such a time as the state's long-range program can be effected.

Long-range program? That boils down to: The state can shave and save and cut operating expenses and/or the state can collect more taxes.

This could mean the corporation profits tax, nuisance taxes on soft drinks, tourist accommodations, etc. There even are whippers of a state income tax.

Why not a constitutional convention to revise the state's taxing setup? The legislature in 1952 approved such a convention; Governor Williams vetoed the bill.

Practical result: A stalemate at Lansing.

## 15 Persons Killed 63 Wounded In 1952 Deer Season

At least 15 persons were killed and 63 wounded by gunshot during Michigan's 1952 deer season, November 15-30, according to reports received by the conservation department.

However, either of these two figures could increase during the next few weeks and department officials emphasized that field reports on all accidents would not be complete for at least a month.

Those who died in traffic accidents, by drowning and heart attacks, though often listed as hunting victims, were of course not included. Last year, 13 persons were killed and 54 wounded during deer season. In 1950, the total was 18 killed, 55 wounded—highest in recent years. Since 1940, the average yearly number of persons killed by gunshot during deer seasons stands at slightly more than 13.

As a general rule, leftovers do not freeze successfully, according to Michigan State College home economists. This is especially true if the left-over is a vegetable or contains vegetables.

## Ducks Arrived After Hunting Season Closed

Duck hunters who are wondering what happened to waterfowl during the late days of Michigan's season will be interested to learn the birds arrived in southern Michigan shortly after the season closed.

At least 377,800 were counted during the conservation department's annual post-season aerial census conducted recently over Saginaw Bay, Lake St. Clair and the Detroit River-Lake Erie waterfowl concentration areas. Count-estimates have been made over the three areas at the end of each season since 1947.

Most of the ducks were seen on the southern areas; breakdown by areas showed 175,800 on Lake St. Clair, 172,800 on the Detroit River-Lake Erie area, and only 28,700 on Saginaw Bay. Also, observers counted about 1,000 coots, 225 geese and 315 swans.

In order of abundance, the ducks were scaup, canvasbacks, redheads, blacks and mallards, with a scattering of mergansers, golden-eyes, buffleheads and ruddy ducks also noted.

During the census, most of the marsh areas were frozen over and the ducks were seen clustered in open water.

Many observers feel that generally warm weather during most of November slowed waterfowl migrations from the north and contributed to poor hunting during the final week of the season.

## New Clover Offers Gain For Farmers

Farmers in the south half of the Lower Peninsula can earn another \$2,000,000 annually by using a new red clover, it was announced Tuesday, December 9, at the Michigan Seed Producers and Dealers Conference at Michigan State College.

Pennsco, a new variety from Pennsylvania, yielded a half ton more per acre than local clovers in MSC tests in three southern Michigan counties, reported Dr. Milo B. Tesar, farm crops researcher. The average increase is at least one-sixth. With an estimated 600,000 acres in clover in this lower Michigan area, this new seed can bring another 140,000 tons of clover. At \$16 a ton, that would be \$2,240,000 added income.

Farmers must wait until 1954 for seed supplies to accumulate. Tests were carried on by Michigan Agricultural Experiment Station to see if research-developed clovers gave better yields and were more resistant to disease than local clovers. Nearly all of Michigan's 1,100,000 acres of red or June clover are from local seed.

Tests in 1951 and 1952 were with nine varieties from other states and two locally-grown strains from Ingham and Alcona counties. Tests were made at the college farm at East Lansing, at the Kellogg-Experimental Farm near Hickory Corners, Kalamazoo county, at the T. O. Brittain farm near Adrian, and at the Lake City Experiment Station, Missaukee county. Results are very promising. Pennsco clover gave top yields—an average of 3.1 tons to 2.7 for local strains and even more with Pennsco in lower Michigan. It also showed somewhat more resistance to clover disease, Northern Anthracnose, than Kenland clover. Kenland, developed in Kentucky, is not recommended by Tesar, who fears its widespread use could make the disease increase in Michigan. Kenland seed is now on the market.

**ATTRACTIVE CHRISTMAS TABLE DECORATIONS**

Christmas table decorations should be attuned to your table, stresses Elinor Roth of the textiles, clothing and related art department of Michigan State College. If your table is long, try to have an elongated decoration or else have several units down the center. If the table is small, be careful not to have too large a decorative piece. And remember to keep the decorations low enough so people can see over them, she said.

A traditional decoration is evergreen boughs placed dramatically on the table. Miss Roth suggests grouping pine cones on the evergreen and perking the color scheme up with small red bows placed around on the boughs. She adds a grouping of red candles of varying heights to finish the decoration. Depending on the size of your table, you may want three or four candles, but add interest by having them in graduated lengths.

Miss Roth also suggests using varying lengths of the fat, low candles available now. Use your own table color schemes for a different centerpiece, she suggests. The fat candles, placed among the evergreen branches will be a low, attractive decoration for a small table, she suggests.

Use some ingenuity and things you can find in your cupboard. Miss Roth conceals a Christmas table piece with salad bowls placed end on end and filled with glittering Christmas balls.

If you have a piece of Christmas wood, try arranging small Christmas balls around that, and make a background of red candles. You will have an unusual and lovely table, she says.

Lake trout are ravenous feeders and prey upon all other fishes, although the chubs, herring and whitefish probably constitute their major diet.

Seed that is wonderful in Ontario may not germinate well in Michigan; seed that Minnesota farmers like may not be disease-resistant in Michigan; seed that wins praise in Pennsylvania may be a low-producer in Michigan. Out-of-state seed that is proven for Michigan will be handled by reputable seed dealers, Michigan State College farm crops specialists advise.

Retiring Worshipful Master Orrin Parks acted as installing officer and G. W. Bechtold as Grand Marshall.

This is a total view of new construction at Northern Michigan's TB sanatorium near Gaylord. At a cost of \$531,000, the addition includes administrative and patient services quarters in the foreground and expansion of the wing of the sanatorium shown on the right. While taxes are financing actual construction, officials point out Christmas Seal money spear-pointed the campaign to get the added hospital facilities for Northern Michigan people.

## Orville F. Walker Burton Mellencamp Receive Nat'l Honor

Two outstanding Michigan county agricultural agents received national recognition Tuesday at the annual convention of the National Association of County Agricultural Agents in Chicago.

Orville F. Walker of Alba, Kalkaska and Crawford county agricultural agent and Burton C. Mellencamp, Isabella county agricultural agent, received Distinguished Service Awards in honor of their service to Michigan people through the Michigan Cooperative Extension Service.

Walker's outstanding career began in 1936 when he joined the extension service as district 4-H Club agent in Antrim, Charlevoix, Cheboygan and Emmet counties. Under his guidance the 4-H Club enrollment in that area tripled in two years. Walker later had charge of all Upper Peninsula 4-H Club programs. He went to Antrim, Kalkaska and Crawford counties as club agent and in 1948 became county agricultural agent for Kalkaska and Crawford counties.

Walker has gained state-wide acclaim for his rotation and fertilization program employed to build up old, worn out soil. He has also been active in starting a silo building cooperative in his area.

Mellencamp's work in the extension program began in 1924 as an agricultural agent in Charlevoix county where he organized a county-wide dairy program. Through his efforts a dairy cooperative was set up in East Jordan to serve marketing needs of dairymen in the northern Michigan area. Later Mellencamp was instrumental in bringing the Rural Electrification Association to northern Michigan.

In 1945 Mellencamp transferred to Isabella county where he reorganized and managed the Isabella County Fair at Mt. Pleasant for six years. He has emphasized a soil conservation program and instigated organization of dairymen's associations while in Isabella.

# The Servicemens' LETTER

Hi Fellas:  
Christmas is approaching in leaps and bounds now. It seems that at this time of the year the time just flies. There is so much to get done and so little time left to do it in.

So far I only know of one serviceman who will be home here in E. J. on Christmas. Doubtless there are more that I have not heard of. Stanley Antoine is due to leave Sheppard Field on December 20th and to arrive here on the 22nd. Dick Somerville, who has been here on furlough, will leave for California this next week. He is due to report at Camp Stoneman on Dec 15th. Arthur (Vern) Bowen will just miss Christmas at home by having to report at Shaw AFB in South Carolina on December 22. Larry Streeter, who just got in E. J. on Monday, will be due back at camp on the 26th. That means that he will be required to travel on the holiday—Oh Boy—what fun bucking that jam of people.

A new overseas address this week sends a paper to Pvt. Donald Trojanek, US 55 248 358, at APO 872, c/o PM, New York. It seems to me that he should have a unit address in addition to this

but it is not furnished. We'll see what comes of it.

PVT. DONALD TROJANEK

Two new men have joined Al Chanda at Fort Knox this week. They are Pvt R. Lundy and Pvt Fred Looze. My apologies to Lundy for just using his first initial instead of his name. Much to my chagrin I find that the initial was all that I copied down when his mother gave me his address

and I do not remember whether it was Bob, Dick or Ron. Lundy's address is: Pvt R. Lundy, JIS 55 318 984, A Btry, 57th AAA AW Bn, CCR, 3rd Armored Division. Also at Knox is Pvt Fred Looze, US 55 316 986, Btry B, 87th AFA Bn, Res Comd, 3rd Arm Div, Fort Knox, Kentucky. You men can find Al Chanda in Btry B, 54th Arm FA Bn, CCA.

Gale Murphy is back in Fort Sheridan and has moved back in to his same trailer No. 888 in the Enlisted Men's Trailer Camp. He is due to be discharged around January 15th but may be let out sooner because of accumulated leave.

A letter from Earl Bennett finds him up at Chanute in Don Olson's old stamping grounds. He writes, "I think that it is about time I dropped you a line and let you know where I am. It is beginning to look like the Air Force is going to keep me in school all of my four years. After graduating from B-29 specialties school they sent us up here for Flight Engineer School. They say it is a little bit harder than either A-E or B-29 school with all the math you will ever want to see. I should be getting home some time before Christmas but I don't know just when."

Earl's address is: A13C Earl R. Bennett, AF 16 404 211, 3362 St Sqdn, Box 5705, Chanute AF B, Illinois.

Paul Lisk explained one point to me that may have been puzzling called on Mr. and Mrs. Denny. These pictures that he has been including of you servicemen are ones that were sent in direct from the Armed Forces Information Sources. They are made especially for reproducing in newspaper. There are many of the ordinary photographs that do not print clearly inasmuch as the head and shoulders of the subject may not be clear or large enough. That is the reason that Paul has insisted on the rule that he cannot accept pictures taken by individuals for publishing in this column.

Thanks to Bob Anderson of the USS Bexar for my first Christmas card of the year.

Dave Vallance left Lackland on Monday the 8th for new duties at Trux Field, Madison, Wisconsin. His new address is A13C David G.

Vallance, AF 16 425 738, P. P. 78th AB Sq, Trux Field. We would all be interested to get a letter from you, Dave, explaining your new duties or training.

Ed Lord graduated on the 8th and promptly received his call to duty. He was quite disappointed that they fixed the date of his entry as in April. He wanted to go in right away and get his two years over with. The extra four months later now will make him four months later getting out. He has no definite plans for spending those four months here as yet.

Paul passed on to me a letter from the Michigan Aviation Historical Committee, Capital City Airport, Lansing 2, Mich. It seems that plans are under way to compile and publish a history of Michigan aviation. They want re-

ports of the role played by Michigan men and women in the Armed Forces, reports of any important aviation events and "firsts" which may have occurred in this community or been participated in by anyone from this community. If anyone who reads this knows of any such event worthy of reporting will you please leave the information either with me or at the Herald Office.

The Christmas boxes were mailed this week to the men in this country. Any of you men who do not receive one within a reasonable length of time please notify me as we have a few extra ones to cover such omissions and we want every serviceman to receive one. See you next week.

"Jake" Snyder.

Mr. and Mrs. Rex Petrie and daughter, Karen, were Sunday dinner guests of Mr. and Mrs. Douglas Gilkerson.

Mr. and Mrs. Lawrence Addis were Petoskey shoppers Tuesday. Irvin Bulmann celebrated his 15th birthday Sunday, December 7.

Mr. and Mrs. Levi Donaldson & family were supper guests Sunday of Mr. and Mrs. Howard Donaldson. Their birthdays are Monday, December 8.

Loren Donaldson returned to school Monday after being absent for sometime recovering from burns he received from boiling water accidentally spilled.

Venison is a rather dry meat and its flavor will be improved with addition of suet, butter or other fat when using dry heat cooking methods, according to Michigan State College food specialists.

From where I sit... by Joe Marsh

### They'll Do It Every Time

You know where Hammy Jackson lives—on that small dead-end street off Maple Avenue near the library? Well, about a month ago, the town finally put up a sign on the corner there saying: "No thoroughfare... Dead End."

Yesterday Hammy dropped by to see us. "Can't understand it," he says. "Hardly anybody drove down our street before—but now, since they put that sign up, there's been more cars than ever turning around in my driveway."

From where I sit, these people who bother Hammy on his one-

way street are the same as those who automatically ignore a Wet Paint sign and touch their finger on a freshly painted surface. But you can't change human nature. People like to find out for themselves—and then make their own decisions.

That's why I say "live and let live." You can drink your butter-milk, but let me have my glass of beer when I choose. And let's not feel we're obliged to "point the way" for the other fellow.

## Grade School Children Present Christmas Program Dec. 18th

### Presbyterian Church December Calendar

**Christmas Program of the Church School**

The annual Christmas program for the Church School will be held on Tuesday evening, December 23rd beginning at 7:30 p. m. This program will include the children from each department in our church school. We will begin with the Nursery and Kindergarten department in charge of Mrs. Betty Boswell and Mrs. Phoebe Watson.

The Primary Department will present the prologue playlet to the Christmas pageant called "The Promise."

The Junior Department will take part in "The Promise" and will also present playlet, "Tobiah's Wish." The parents of children in these two departments will notice that both of these playlets come right out of the material we have been studying in Sunday Church School.

**Junior-Hi and Senior-Hi Groups**

The Junior-Hi and Senior-Hi groups will present as the closing part of the Christmas program the Candlelight Nativity scene, entitled, "Gloria in Excelsis."

Other Christmas activities for these departments will include Christmas parties for the Nursery, Kindergarten, Primary group to be held on Monday, Dec. 22 at 2:00 p. m.

For the Jr. Group the Christmas party will begin at 5:00 on Monday, Dec. 22 and will include supper for the children with carol singing and distribution of the cheer-boxes to the shut-ins to conclude the evening.

**W. Y. F. To Conduct Christmas Worship**

In December 14th the W. Y. F. will go to the Grandvue Hospital and conduct a short worship service.

### Other Church Activities

The Men's Club will hold a hunting pot luck supper on Dec. 11th in the church. Ted Malpass will show us pictures of his hunting trip in Idaho this fall. Also men who are planning to go to Chicago for the Annual Presbyterian Men's Meeting will need to be present for the announcement of arrangements which are being made for transportation and accommodations while there. This will be a fine evening of fellowship, so come.

### Christmas Boxes Sent

Our Church has been celebrating Christmas for some time already. About 200 pounds of clothing were sent to the Church World Service for shipment to Korea. More clothing is accumulating and duffel bags are being sent from Church World Service to collect more clothing. There will be one in the church at all times now, so that if you have any old (but good) clothing you could share with these unfortunate people, bring it to the church.

Our Church School sent an unusually nice assortment of fine Christmas gifts to Mr. MacDougall, Sunday School Missionary at Maryville, Tennessee.

These two efforts on the part

The children in grades from kindergarten, through the sixth grade will present their Annual Christmas Program Wednesday afternoon for the Junior and Senior High School and Thursday afternoon at 1:30 for the parents in the High School Gym. The program of carol singing will center around the theme "The Joy of Giving". There will be no stage play, but the boys and girls will all march in, in the traditional processional bringing gifts to the manger. These gifts will later be distributed by the Legion Auxiliary.

You will hear the children's chorus singing many carols, some new and some old. This year the music will be especially lovely as Mr. Stecker will accompany the singing on Ted Malpass's Hammond organ. The offer of his services and the use of the organ are greatly appreciated. If you are one of those who somehow cannot seem to get into the spirit of Christmas, come and see what the children's program can do for you.

### Jessamine Rebekahs Elect Officers

Jessamine Rebekah Lodge met at their hall on Wednesday evening, December 3rd. Lodge was called to order by the Noble Grand Kathleen Braman with 35 members present. Election of officers for the ensuing year were as follows:

- Noble Grand — Beatrice Kopkau.
- Vice-Grand — Ida Russell.
- Recording Sec'y — Dorothy Sommerville.
- Financial Sec'y — Ellen Saganek.
- Treasurer — Fern Bennett.
- Staff Captain — Alberta Nowland.

### FUNERAL SERVICES FOR MRS. BOYD HIPPI

Mrs. Boyd Hipp passed away quite suddenly, Wednesday morning, Dec. 11, at her home. Funeral arrangements have not been made at this time.

of the church will surely be a blessing to all of those with whom we have shared this Christmas.

### Christmas Vesper Service

On Sunday evening, December 21st, we will hold our annual Christmas Vesper Service in the Church beginning at 8:00 p. m. This will be a Carol-Lesson Service. This type of service was originated by the Cambridge (England) Choral group many years ago and is one of the popular and worshipful Christmas services in America today. Let us come in family groups to this service. The Adult Choir will sing the music.

We have received our first shipment of the New Revised Standard Version Bibles ordered several weeks ago. These are the cloth-bound edition, the leather bound being out of stock at the present. Any wishing to order one of these bibles may do so at any time.

## Plans For Legion Auxiliary Chicken Supper Completed

### Funeral Rites Held Last Monday for Mrs. Florence Gee

Funeral services for Mrs. Florence Gee were held at 10:00 a. m., Monday, Dec. 8, from Watson Funeral Home, conducted by Rev. Robert Moore. Bearers were: Vale Gee, Glenn Gee, Earl Gee and Russell Gee, nephews of the deceased. Interment was at Sunset Hill.

Florence Morinski was born Sept. 12, 1881 in Germany, and came to the United States with her parents when a child of six years. They settled in Grand Rapids and came to East Jordan in 1904.

On January 16, 1904 she was united in marriage to Maurice Gee at Petoskey. Mrs. Gee passed away at her home, Wednesday, Dec. 4, after a lingering illness the past 13 years.

Surviving besides the husband, Maurice Gee, are a brother, Albert Morinski, Grand Rapids; four sisters, Stella Trill and Helen Babcock of Grand Rapids, Eva Snag of Chicago and Pauline Balski.

Mr. and Mrs. Albert Morinski of Grand Rapids attended the funeral services.

### South Arm Grange To Install Officers

There will be installation of Officers Saturday evening, Dec. 13 at 9:00 o'clock. Mr. and Mrs. Howard of Peninsula will be the installing officers. Pot luck lunch will be served.

## Mayor Leo Sommerville Accepts First Call From Charlevoix's New Michigan Bell Telephone Service

East Jordan's Mayor Leo Sommerville played an important part in the ceremony inaugurating Charlevoix's new telephone system, last Thursday, by accepting the first call over the new facilities from Charlevoix's Mayor John Knight.

The ceremony was attended by business and civic leaders of Charlevoix. Acting as master of ceremonies was C. L. Johnson, manager for the Michigan Bell Telephone Company. He traced the development of that community's

Plans for the Community Christmas program are rapidly progressing with final details for the Legion Auxiliary Unit 227 Chicken Supper, Wednesday, Dec. 17 being completed. Martha Kamradt will have charge of the supper committee; Edie Wilkins, chairman of the sales, and Community Service Chairman, Peggy Thomas, as general chairman of the entire program. The Jr. Auxiliary plan to have homemade candy on sale as they did last year to raise money to buy paint and other materials needed for toy repair. Anyone who attends this supper is sure to get a fine meal and will also be helping make some child's Christmas a happy one instead of a day of gloom and disappointment. We must not let the children in our Community down but it takes a lot of money to carry out this program so we are asking the people of East Jordan to support us by attending this supper and also helping the children in our town who might not have a Christmas if it were not for this project. All over this land of ours other organizations are carrying on this same work of playing Santa Claus to thousands of needy children making Christmas a glorious day of rejoicing for the birth of the Christ Child in a lowly manger who taught us to love one another and that it is more blessed to give than receive. So with the cooperation of all the people of East Jordan, all the organizations and with the planning and work of the Auxiliary it will be possible to carry on this good work in our own community.

The City Extension Club No. 1 Christmas party will be held with Mrs. Rose Adair, Monday, Dec. 15. Dinner will be served at noon, after which gifts will be exchanged and secret pals will be revealed.

### Friendly Circle Extension Club Met Monday, Dec. 8

The Friendly Circle Extension Club met with Mrs. Florence Swoboda, Monday afternoon, Dec. 8.

A delicious dessert was served by the hostess to 15 ladies present. All members answered to roll call with a quotation about Christmas. Christmas carols were sung, led by Mrs. Louise Hart, after which the lesson of candle making was very ably given by the leaders, Mrs. Edith Swafford and Mrs. Anna Sherman. Very beautiful candles were on display. Adjourned to meet Dec. 19th with Mrs. Laura Malpass.

### Kenneth Van Hoesen Placed Third On Speaking Contest

Winners of the speaking contest sponsored by the State Association of Soil Conservation Districts have been announced by Herbert Van Auker of Eaton Rapids, association president. Cash awards will be given at the Association's annual meeting during Farmers' Week, January 26-30, at Michigan State College.

First place was won by Carl R. Nelson, Traverse City, RD 3, a cooperator in the Leelanau Soil Conservation District. By winning, he advances to the national contest, the winner of which will be announced at the National Association of Soil Conservation Districts Convention in Omaha in early February.

Second place went to John Halsey, Charlotte RD 2, now a student at Michigan State College.

Kenneth Van Hoesen of the Charlevoix district was third. The speech subject was "The Job Ahead in My Soil Conservation District," and the contest was open to soil district cooperators, directors and members of their families. Judges were John T. Stone, MSC specialist in extension training; Harold Larkin, assistant state conservationist, U. S. Soil Conservation Service; and Leonard J. Braamse, MSC extension soil conservationist.

Association President Van Auker and R. G. Hill, an MSC extension specialist in soil conservation who aided with the program, noted the interest generated in soil conservation by the contest, which may be repeated in 1953.

### Mrs. J. A. Hynes Former E. J. Resident Dies at Chicago

Mrs. J. A. Hynes (Gertrude B. Mitchell) passed away at her home, 7028 Ridge Ave., Chicago, Ill., December 3, 1952. Surviving are the husband, four children and seven grandchildren. Also two sisters, Mrs. May McRoberts of Redondo Beach, Calif., and Mrs. Carolyn Crothers of Mill Valley, Calif.

Mrs. Hynes was a former resident of East Jordan and will be remembered by many of the older folks of the city.

### Final Reports For E. Jordan's Deer Slayers

The final reports from the deer hunters are:

Robert Williamson, 6 pt. buck, Friday, Nov. 28, shot with a 30-30 near Mud Lake, Eveline Twp. He shot one horn off in getting it.

Ed Phillips, 100 lb. doe, Nov. 28th with a 30-06 at Mud Lake.

Percy Penfold got a 4-point buck with a 35 remington. Percy says he has gotten a deer every year for the past fifteen years or so.

Roland Clark, another of our local boys who has to get in on the deer hunting, also got a 4 pt. buck on his dad's farm south-east of town.

Gene Nachazel got a doe Nov. 29 with a 44-40.

Fern Morris got a doe fawn and Art Morris got a buck fawn on their farm Nov. 28th.

Frank Russell, doe fawn, Nov. 30 by the landslide at Alba, with a 30-30.

Joe Haney, 6 pt. buck Nov. 30, on his farm in Jordan Twp. with a 30-30.

Marion Jackson got a fawn Nov. 30 near the Headwaters of the Jordan.

Jim Sherman got a doe the same day near the Headwaters with a 26-20.

Bob Darbee shot his buck on the Frank Sweet farm in Jordan Twp. Saturday, Nov. 29, with a

East Jordan High School opened its 1952-53 Northern Michigan Class C Conference cage schedule successfully here last Friday evening with a 47 to 25 triumph over the Pellston High School "Hornets".

A field goal and a pair of free throws by pivotman Rudy gave Pellston an early lead. Midway in the opening stanza, Freeman tallied on a short shot from the right side to put the "Red Devils" into the lead to stay.

East Jordan led 9 to 6 at the end of the first quarter and 24 to 12 at half time. The Jordanites continued to expand their lead after the intermission and were out in front 37 to 15 at the three-quarter mark.

The entire 11 man local squad saw considerable action and seven boys figure in the scoring. Evans, hard-driving Jordanite forward, topped the evening's scoring with 6 field goals and 8 free throws for a total of 20 points. Ron Wilson tallied 7 to lead the visitors offensively.

The locals travel to Charlevoix tomorrow (Friday) night where they will meet up with the Charlevoix "Red Raiders", defending Northern Michigan Class C Conference Champions. Winners of Regional play last winter, Charlevoix under Coach Del Terrill again has a powerful aggregation led by "Bobo" Bennett, lanky forward and the in-experienced local quintet will have their hands full and definitely will be rated as underdogs. Charlevoix opened with an impressive victory over Boyne City last Friday.

25-20. He reports the buck didn't have horns.

Leon Bartlett got a 90 lb. doe at the Sweet farm with a 32.

Howard Nyland got a nice fat 9 pt. buck Nov. 22nd with a 30-06 in Kalkaska County.

Sorry fellows, we didn't intentionally leave you out of the deer hunting reports. Hope this sets us right again.

# Earn That Christmas Cash Thru Herald Want-ads

**Second Grade — Agnes Johnston**  
Getting ready for Christmas is so much fun! Our room is taking on a very festive look with a pretty Christmas picture of the Nativity scene upon the bulletin board, our lighted fireplace, evergreen branches tied with ribbon and bells on the window ledges, the front bulletin board decorated with paper canes and ribbon and pine cones, various hand-made Christmas cards and our mother's and father's gifts finished and ready for wrapping.

We are learning new Christmas carols which we will help sing in the grade school annual Christmas program December 18th.

From the December Wee Wisdom magazine, which Patsy Murphy brought, Mrs. Johnston read us the story of "The Talking Christmas Tree". The story brought out the theme of giving, which is the real Christmas spirit and meaning of Christmas.

Tuesday, Mrs. Sidebotham came to our room and told us about the Christmas parade she saw over television in Grand Rapids. The parade was from New York City and was two miles long. Every year Macy's big department store puts on this parade. It consisted of giant-size balloons in shape of animals of all kinds, clowns, many Mother Goose characters and the feature balloon this year was a huge teddy bear. We enjoyed hearing about the parade and thank Mrs. Sidebotham for making the parade seem so real.

The boys won in getting their report cards back first.

We saw all spelling Tabernacles Christmas seals.

Jimmie Kidder is back in school after having been ill.

**Third Grade — Adeline Bowerman**  
Paula Burull brought a very colorful map showing "The Land

of Make Believe". We found many poems, rhymes and stories illustrated on this map and some of us will see if we can find books that are listed that we are not familiar with. This map is especially helpful to us for "just for fun" stories now and we just completed the story of Peter Pan in story time.

We are making a fireplace for our room and decorating with candles, wreaths and Michigan holly. We have a Nativity scene on our bulletin board.

One of our narcissus plants has five buds which we hope will be in full bloom for our Christmas party.

**Fifth Grade — Sadie Liskum**  
Last week on Friday we had 24 perfect spelling papers, and four people missed only one word. Our spelling has improved greatly since we started the old-fashioned system of writing missed words many times. It is easier to learn the words when we write them.

In reading we have 3 groups, each reading from a science book about conservation. Everybody listens while each child reads aloud. We are going to make conservation books in a 4-H project and exhibit them in the spring at Achievement Day, and next fall at the County Fair.

We are working at long division, and proving our work by multiplying. We can certainly see the need of knowing our tables. The students who know their tables have time to spare, and those who don't can't get their work done. We keep studying them.

Our bulletin boards are very attractive. One has Santa Claus pictures, and one has the Christmas story according to the Bible. Our room is doing a great deal

of reading for fun. Every week we go to the school library and each child chooses a book to read. Many children can read 2 or 3 books a week by trading with one another before library day comes again. We certainly thank Mr. Wade and the School Board for providing so many books for the grade children.

**Fifth Grade — Elizabeth Mosher**  
Almost everyone did very well on last Friday's spelling test. Many are trying to improve their spelling marks for next marking period.

Mrs. Kamradt visited our room last Thursday. She is going to lead our girls who have no other 4-H club to belong to in sewing. They had their first meeting on Thursday.

We are very busy practicing the songs for the Christmas program. Last week we decorated our room and this week we will make gifts and wrappings.

We have nearly finished the Middle Atlantic group of states. We are making use of the maps and literature we received from those states. They help to make our studies more real.

In science we are learning about air and are doing some experiments with it.

## Finkton News

(By Jean Thornell)

This nice weather has given Asa Beal more time to work on his new barn.

Misses Alice Spence and Beatrice Lewis were supper guests of Neva Wilson.

Miss Shirley LaVanway spent Friday night with Misses Marguerite and Ruth Hite.

Sorry Reed Beal has been among the shut-in—Hope you will soon be back in school.

Sunday School attendance was good Sunday. A few new faces but where were some of the old faces? Come out Sunday and let's have a record attendance.

## Good Neighbor Club Met Last Wednesday

The Good Neighbor Home Demonstration Club met at the home of Mrs. Melvin Thompson Wednesday afternoon. The meeting was opened with the Michigan Home Demonstration Woman's Creed. Roll call was answered with Christmas suggestions for unusual decorations, gifts or recipes. After election of officers for the following year, plans were made for entertaining the husbands with a pie-party next Saturday evening at the T. F. French home with a Christmas gift exchange being a feature of the evening. The meeting was adjourned with the hostess serving homemade cake, ice cream and coffee.

## South Arm 4-H Handicraft Club

The first meeting of the handicraft club was at the home of Mr. A. L. Drapeau, the new leader.

The club voted on officers for the club. They were as follows:

**West Peninsula**  
(Edited by Mrs. Wm. Gaunt)

Mrs. Virginia Sunegal and 3 children of Wolf Lake spent part of last Wednesday with her cousins, Mr. and Mrs. Wm. Gaunt, Sr., also calling on some friends in Charlevoix.

Mr. and Mrs. Howard Peters and son took supper Wednesday evening with their cousins, Mr. and Mrs. Wm. Gaunt.

The Advance Board of Commerce met at the Star Community Hall Tuesday evening with thirty-two members present. They report most of the members are donating their time and labor on their new building at Advance, which is forming into a nice building. They are pleased over all the donations from friends and members. A pot luck lunch was served after the meeting by Mr. and Mrs. Charles Arnott. The next meeting will take place at the Town Hall on Jan. 5 with Mr. and Mrs. Forest Clark as host and hostess.

The Farm Bureau drive is on now, getting new members and also signing up old ones. The Ham Supper put on by the Board of Commerce last Thursday night at the Peninsula Grange Hall was well attended. They want to thank everyone who helped to put it over and appreciated all the donations.

A few neighbors gathered at the Alfred Crowell home Saturday evening to enjoy themselves visiting and playing games. The party was in honor of Mrs. Frances Crowell who is leaving for Jackson soon to spend the winter with her daughter and family, Mr. and Mrs. Tiny Worden.

Mr. and Mrs. Wm. Gaunt, Sr., and daughter, Mrs. Eloise Crowell spent Friday in Petoskey doing some Christmas shopping.

Mr. E. H. Phillips came home from his work Saturday evening from Grand Rapids. He is entering Little Traverse Hospital Sunday evening to get ready for an operation Tuesday.

Little Geneva Elzinga is home from school with the chicken pox. Mr. and Mrs. Henry Howard with Sandra and Ann Howard spent Sunday afternoon with the Dan Hosler family.

Mrs. Myrtle Bricker and son, Sam, accompanied by Mrs. Della Fiel and daughter, drove to Elmira Sunday to spend the day with their aunt, Mrs. Bill Olund.

## Looking Backward . . .

**NOVEMBER 30, 1912**  
A pretty wedding was performed at the Methodist parsonage Saturday night by Rev. T. Porter Bennett, when Miss Emma Bacon Charles of Charlevoix became the wife of Herbert Colburn, son of Fred Colburn of Echo Township. K. Hathway acted as best man and Sara Hathway acted as bridesmaid. Mr. and Mrs. Colburn will make their home in Echo.  
Miss Frances Rebec and Frank Wanek were united in marriage Tuesday morning in St. Joseph's Church. Albert Rebec attended the groom and Miss Mary Rebec acted as bridesmaid. The young couple will reside in the city.  
Roy Hammond and Miss Irene Wilson were married on Saturday evening last at the home of Mrs. Chadderton, the bride's grandmother, by the Rev. A. D. Grigsby.

A. L. Dunson of Green River has taken a partnership in the A. Ashbough Grocery Store on State St.

Orrin Bartlett leaves this morning for Newberry where he has a position.

Fire Chief Adams announces that the fire whistle will be blown each noon at 11:30 standard time during the winter months in order to keep it in good working condition. The big whistle is now located at the Electric Light plant.

At the residence of Elder John Hackett in Echo Township Sunday evening four young people were joined in holy wedlock. Miss Antonio Hilman was married to Robert Evers, both of Ellsworth. The second marriage was that of Miss Nettie Moble to Louis Palmer, both of this city.

Miss Ila Catherine Bellinger and Alfred Bissette were married in St. Joseph's Church Wednesday morning. They were attended by Mr. and Mrs. Lawrence Lawler.

Sherman Dennis and family are moving this week from their farm in Eveline into the Shapton residence for the winter months.  
Contactor Alfred Rogers was home from Harbor Springs to spend Thanksgiving with his family.

Att'y D. H. Fitch and family now occupy their new home, the A. B. Nicholas residence recently purchased.

**DECEMBER 1, 1922**  
Mr. and Mrs. H. C. Swafford will observe their golden wedding anniversary on Saturday, Dec. 9. They will be at home to their many friends at their home in Bowen's Addition on Saturday, Dec. 9th from 1:00 p. m. to 10:00 p. m. Refreshments will be served. A cordial invitation is extended to all friends to call during these hours.

The Father and Son Banquet which was given by the Men's Fellowship Club of the Methodist Church on Thursday night in the church was greatly enjoyed by one hundred and fifty fathers and sons. The supper was served by the Ladies Aid. The High School pupils furnished excellent orchestra selections. Rev. Henry Hulme acted as toastmaster and Joe Ekstrom gave a short address of welcome. A talk was given by Wm. G. McCune of Petoskey. Rev. F. W. Bluefield, pastor of the First M. E. Church of Petoskey, gave an address to the men and boys.

Mrs. Frank Brotherton and grandson, Joe Boyd, are visiting her daughter, Mrs. Merle Crowell, at Grayling.

Archie Misner of Jordan Township and Miss Lucy LerVerna of Eomo Township were united in marriage at the Presbyterian parsonage Nov. 27th by the pastor, Rev. Sidebotham. They will make their home in this city.

Mr. and Mrs. Earl Lumesten arrived here Monday from Hoquim, Wash., and will make their home here. Mrs. Lumesten was formerly Miss Ethel Smith, daughter of Mr. and Mrs. E. L. Smith, former residents of this city.  
Mrs. Charles Coykendall and two children left Wednesday for Flint where she will join her husband and make their home.  
Mrs. James Joslin, former resident of this city for years, passed away recently at the home of her daughter, Mr. Lee Pratt at Flint.

**CONSERVATION DEPT. PERSONNEL DELIVERED 149 MESSAGES TO HUNTERS**

Conservation department personnel delivered 149 emergency messages to hunters during the November 15-30 season.

And six elk were shot, 338 illegal deer recovered and 1,243 arrests made for conservation law violations.

The message service is set up each year in cooperation with the state police department. Hunters in the northern wilds are contacted in event of emergency at home. Other sidights to the deer season include Straits traffic; by evening of the season's final day, hunters carried 8,369 deer, 393 bear, 59 coyotes, five wolves, 27 bobcats and 17 foxes southward on Straits' ferries. And 25 deer were taken northward over the Straits during the northern lower peninsula's "any deer" season.

Will Vrondran and wife, Sunday.  
Harold Price, Prokup Pesek, Francis Votruba and Agnes Stanek were home from their studies at MSC for Thanksgiving, returning to East Lansing, Sunday.  
Miss Pauline Loomis, daughter of Mr. and Mrs. Alfred R. Loomis, was united in marriage, Saturday afternoon, Nov. 28th, to Charles Arnott at the M. E. parsonage, Rev. James Leitch officiating.  
P. T. A. will be on Friday evening, Dec. 9th, at 7:30 fast time. A musical program by the children will be given. Also a movie film, loaned by courtesy of the M. S. C. will be shown. All children are invited; grade children accompanied by their parents. Everyone is invited to come whether you are a member or not.

## NMC Accredited by Approving Agency

College officials announced recently, that Northwestern Michigan College has been accredited by the State Approving Agency for work under Public Law 550, the so-called Korean G. I. bill.

This means that Korean G. I. benefits have been authorized for all courses in the Liberal Arts, Business, Conservation, Agriculture, and Trade and Industry Programs. Evening school offerings have been similarly approved with the exception of courses in the Home and Family Division.

Approval of institutions in the state for training and education under this bill is under the direction of a State-wide Committee on the Approval of Institutions of Higher Education for the training of Veterans under Public Law 550, eighty-second Congress. A special committee representing Michigan colleges and the State Department of Public Instruction recently visited the local college for approval purposes.

## PMA Chairman Calls Attention To ACP Deadline

To be eligible for assistance under the 1952 Agricultural Conservation Program approved soil and water conservation practices must be completed not later than Dec. 31, 1952, says LeRoy Hardy, Chairman of the Charlevoix County PMA Committee.

Hardy said that a total of 489 farmers signed up to cooperate in the 1952 ACP. At the time they signed up they listed the conservation practices they intended to carry out this year. Assistance under the ACP was approved for those practices which were considered to be the ones most needed on the farm to check soil losses and make the land more productive.

PMA committeemen are visiting each farm in the county to enable each farmer to report the performance for 1952 as well as to help each farmer in determining the conservation needs on his farm for 1953, and then to acquaint the farmer with the assistance and services available to help meet these needs.

To illustrate, the Chairman points out that under the 1953 Agricultural Conservation Program assistance is available to take care of part of the cost of carrying out the most needed conservation practice or practices on the farm. The assistance provided under ACP is being used for those practices which will continue to protect and improve the land in years to come.

Also, conservation farming is being expanded to millions of acres of land that have not been protected in the past. More acres under conservation and more permanent type practices in 1953 will mean more conservation for each dollar of funds used in assisting farmers.

The deadline for the report of 1952 performance and for the 1953 ACP sign-up is December 31, 1952. Farmers are urged to see that this date finds them with the report of their 1952 performance given to the committeeman or brought into the office and their 1953 farm plan on paper. If any farmer is not contacted by the community committeeman, the chairman or the secretary will be glad to help him with both if he will come into the office.

### BUYING IN-SEASON FOOD IS WISE

Holiday food costs may go zooming up in your family if you don't check your food buying habits carefully, warns Faye Kinder of the Michigan State College foods and nutrition department.

For instance, do you use reconstituted dry milk solids for some or all of the milk consumption in your family? If not, you are missing an opportunity to save money while providing your family with inexpensive milk. Do you take care to buy inexpensive fats such as lard for cooking?

When you are pondering in front of the meat counter, do a little mental calculation and figure how many servings a pound or piece of meat will make. Figure up mentally how much the meat or fish will cost per person.

Miss Kinder points out that buying in-season foods is wise. When fresh oranges are in abundant supply, buy them fresh and when not, buy canned or frozen orange juice. Following this suggestion will mean keeping track of plentiful and less expensive foods in your markets at all times of the year.

Be cautious about buying "ready-made" foods. The price paid for them includes a lot of service and packaging which lifts the price out of proportion to the cost of the food itself.

## TRAFFIC CHECKS BORE OUT EARLY ESTIMATES ON DEER TAKE

Traffic checks bore out early estimates of the total number of deer taken during the special "any deer" season in the northern lower peninsula, the conservation department reports.

Department personnel made sample counts on the nine main state and federal highways and on the 24 secondary roads crossing route M-20. These samples were checked against total traffic figures, computed by mechanical counters on loan from the highway department.

The kill was estimated at 100,000 shortly after the season closed, based on field reports of hunter numbers and success and on preliminary road counts. Final traffic counts and checking station tallies show 91,000 deer were taken during the special season.

Of this total, about 58,000 went south across M-20 and noon, 8 a.m. November 28 and noon, December 1. The remaining 33,000 were computed to have been taken by northern lower peninsula residents, based on the 1951 total kill figures for that area.

Poultrymen who keep their tools handy to each pen will find culling easier and repairs being made quickly, Michigan State College poultrymen find.

Finally, be alert to save even a few cents, stresses Miss Kinder. A few cents each time you go to market will amount to a pretty big sum by the end of the year.

## E. J. H. S. To Have National Honor Society of Secondary Schools

The National Honor Society of Secondary Schools was founded by the National Association of Secondary-School Principals in 1921. Since that time, secondary-school administrators throughout the United States have approved its objectives and have established almost five thousand local chapters in their schools. The local chapters are of two groups: the senior chapters, which have members in the two upper years of the high school; and the junior chapters, which have members in the junior high schools and in the lower years of the senior and four-year high schools. These junior chapters compose the National Junior Honor Society.

**Aims and Purpose**  
The founders of this movement originally established the National Honor Society to stimulate the scholarship, leadership, service, and character of the students in the secondary schools of this country. As it has grown in numbers and has extended its scope, its ultimate objective has become that of raising the secondary schools of the United States to a higher plane.

It is the present hope of the founders to direct, and to center the enthusiasm of the youth of this land, as they take their place in the life of our nation, to the end that they will raise our secondary schools to levels of more effective service in the training of the young people within the sphere of their influence.

In pursuing its objectives, the National Honor Society has encouraged the establishment of chapters in secondary schools. These local chapters have, as members, students who are outstanding in scholarship, service, leadership, and character. These students are chosen by the entire faculty or by members of the faculty appointed for that purpose—sometimes assisted by representative students in the school.

During the last six years, the National Honor Society has administered a scholarship fund amounting to a cumulative total of \$42,000 and has provided scholarships, awards, and certificates of merit to outstanding students going to college. The chief purpose in providing this scholarship is to identify our most promising school youth each year and to encourage them through scholarships to continue their education.

**Control**  
The National Honor Society and the National Junior Honor Society are directed by a National Council of nine members, three members of which are chosen each year by the National Association of Secondary-School Principals. This Council directs the activities and formulates the policies of the organization.

**History of the Honor Societies**  
**National Honor Society**  
Started in 1921, with the granting of Chapter Number One to Fifth Avenue High School in Pittsburgh, Pennsylvania, the National Honor Society has grown steadily. Today there are more than four thousand senior chapters and almost seven hundred junior chapters in the best high schools of this country. There are chapters in every state of the Union, and in Puerto Rico, Hawaii, Alaska, and in American schools in Panama, Argentina, China, Mexico and Austria.

**National Junior Honor Society**  
In 1929, in response to many requests, the National Junior Honor Society was organized. It is built on the same pattern as that of the senior organization. Its chapters are in the junior high schools and in the lower classes of the senior and four-year high schools. There are now almost seven hundred chapters of the National Junior Honor Society throughout the United States.

**Advantages**  
The chief advantages of having a chapter of the National Honor Society, or of the National Junior Honor Society, as a representative honor group in a school are:

1. It creates an enthusiasm for scholarship throughout the school.
2. It encourages a desire on the part of the students to render service to the school and to the community.
3. It causes the student to evaluate himself and to see if there are potential elements of leadership within him.
4. It is a stimulus to the student to observe those acts by others that develop strong character.
5. It encourages students to continue their education.
6. It defines and marks high standards for the ideal secondary-school student.
7. Its national scope gives it high significance and unusual prestige. The emblems are more and more in evidence, and this augments the desire on the part of students to become members of this widespread organization.
8. It depends more upon rank than upon school marks in setting

forth scholastic ability to be achieved by the student.

9. The organization is very flexible and can be adjusted and arranged by the local administration so that it will conform to the plans and ideals of the administration of the school.

10. It is devoid of commercialism and is devoted to the best professional interests of education. There are no initial or annual dues or assessments for members. The National Honor Society and the National Junior Honor Society are under the direct control of the National Association of Secondary-School Principals, a department of the National Education Association.

**Chapter Functions**  
Nearly all of the chapters of these two honor societies sponsor activities of service to their schools. The other chapters serve as honorary groups. In these latter chapters, members are usually chosen at the time they are graduated from the schools. Those chapters that are active service groups carry on many different activities. Their members, because they have been of service to their schools, have been impressed with the fact that they should be active in further assistance to secondary schools after they have been graduated. One of the hopes for better high schools in the future rests on the members of the National Honor Society.

## Michigan Mirror

The cold dank wind of debt is fluttering up the bed clothes of Michigan schools.

It's an uncomfortable bed the schools have made for themselves but, as the saying goes, they'll have to sleep in it.

In 1946 the sales tax diversion amendment was pushed through by the school lobby. Every teacher became a one-man pressure group, flooding the mails with beseechings to vote for the amendment and "save our schools."

The amendment was passed. Now John B. Martin, Jr., auditor general, predicts that Michigan schools will have to close in the next six months unless they can borrow money to stay open.

What has happened? There just isn't enough cash in the general fund to make this mandatory quarterly payment to the schools—\$25,000,000 too little cash.

Before the sales tax amendment was passed the legislature appropriated money for the schools in accordance with the amount expected to be on hand. Now it is bound by law to appropriate from the general fund an amount equal to 44 percent of the total sales tax collection of the previous year. This year it must come up with \$94,000,000.

It is bound by the constitution to do this—but the general fund of the state is as empty as a copy boy's pocket.

Four years ago the general fund boasted a \$34,000,000 surplus. Now it is \$65,000,000 in the red.

Sponsors of the sales tax diversion amendment, of course, had no way of knowing such a situation would prevail. But it does.

In addition to the general fund appropriation, the state also kicks back one-half cent of the three-cent sales tax to the schools. This, of course, will be done—the state acts only as a collection agent for the schools in this.

One-half cent also is returned to the villages, townships and cities on a per-capita basis. Townships have very small operating expenses. Thus in many cases the small units of government have more money than they know what to do with while the state general fund is strapped.

Attempts to divert some of township money into the general fund by renaming the earmarked funds have been stymied by Gov. Williams' veto.

The state deficit is old hat in Michigan these days. Mr. Martin resignedly suggests that the schools be authorized to borrow money to keep open until such a time as the state's long-range program can be effected.

Long-range program? That boils down to: The state can shave and save and cut operating expenses and/or the state can collect more taxes.

This could mean the corporation profits tax, nuisance taxes on soft drinks, tourist accommodations, etc. There even are whispers of a state income tax.

Why not a constitutional convention to revise the state's taxing setup? The legislature in 1952 approved such a convention; Governor Williams vetoed the bill.

Practical result: A stalemate at Lansing.

## 15 Persons Killed 63 Wounded In 1952 Deer Season

At least 15 persons were killed and 63 wounded by gunshot during Michigan's 1952 deer season, November 15-30, according to reports received by the conservation department.

However, either of these two figures could increase during the next few weeks and department officials emphasized that field reports on all accidents would not be complete for at least a month.

Those who died in traffic accidents, by drowning and heart attacks, though often listed as hunting victims, were of course not included.

Last year, 13 persons were killed and 54 wounded during deer season. In 1950, the total was 18 killed, 55 wounded—highest in recent years. Since 1940, the average yearly number of persons killed by gunshot during deer seasons stands at slightly more than 13.

As a general rule, leftovers do not freeze successfully, according to Michigan State College home economists. This is especially true if the left-over is a vegetable or contains vegetables.

## Ducks Arrived After Hunting Season Closed

Duck hunters who are wondering what happened to waterfowl during the late days of Michigan's season will be interested to learn the birds arrived in southern Michigan shortly after the season closed.

At least 377,300 were counted during the conservation department's annual post-season aerial census conducted recently over Saginaw Bay, Lake St. Clair and the Detroit River-Lake Erie waterfowl concentration areas. Count-estimates have been made over the three areas at the end of each season since 1947.

Most of the ducks were seen on the southern areas; breakdown by areas showed 175,800 on Lake St. Clair, 172,800 on the Detroit River-Lake Erie area, and only 28,700 on Saginaw Bay. Also, observers counted about 1,000 coots, 225 geese and 315 swans.

In order of abundance, the ducks were scaup, canvasbacks, redheads, blacks and mallards, with a scattering of mergansers, golden-eyes, buffleheads and ruddy ducks also noted.

During the census, most of the marsh areas were frozen over and the ducks were seen clustered in open water.

Many observers feel that generally warm weather during most of November slowed waterfowl migrations from the north and contributed to poor hunting during the final week of the season.

## New Clover Offers Gain For Farmers

Farmers in the south half of the Lower Peninsula can earn another \$2,000,000 annually by using a new red clover, it was announced Tuesday, December 9, at the Michigan Seed Producers and Dealers Conference at Michigan State College.

Pennsco, a new variety from Pennsylvania, yielded a half ton more per acre than local clovers in MSC tests in three southern Michigan counties, reported Dr. Milo B. Tesar, farm crops researcher. The average increase is at least one-sixth. With an estimated 600,000 acres in clover in this lower Michigan area, this new seed can bring another 140,000 tons of clover. At \$16 a ton, that would be \$2,240,000 added income.

Farmers must wait until 1954 for seed supplies to accumulate. Tests were carried on by Michigan Agricultural Experiment Station to see if research-developed clovers gave better yields and were more resistant to disease than local clovers. Nearly all Michigan's 1,100,000 acres of red or June clover are from local seed.

Tests in 1951 and 1952 were with nine varieties from other states and two locally-grown strains from Ingham and Alcona counties. Tests were made at the college farm at East Lansing, at the Kellogg Experimental Farm near Hickory Corners, Kalamazoo county, at the T. O. Brittain farm near Adrian, and at the Lake City Experiment Station, Missaukee county. Results are very promising. Pennsco clover gave top yields—an average of 3.1 tons to 2.7 for local strains and even more with Pennsco in lower Michigan. It also showed somewhat more resistance to the clover disease, Northern Anthracnose, than Kenland clover. Kenland, developed in Kentucky, is not recommended by Tesar, who fears its widespread use could make the disease increase in Michigan. Kenland seed is now on the market.

**25 YEAR DAY TO BE MARKED AT LAKE CITY**

Twenty-five years of Michigan State College service to Michigan farmers through research and tests at the Lake City Experiment Station, in Missaukee county, will be observed next August 12 with a field day and public tour. The announcement was made by Dr. Clifford M. Hardin, director of the Michigan Agricultural Experiment Station.

A committee headed by E. A. Wenner, MSC Cooperative Extension Service supervisor for the Northern Michigan district, is drawing up extensive plans for the field day at Lake City, where potato experiments were started in 1928. Ashley Burridge, station superintendent, is gathering displays of equipment used in development of farming there in 25 years. The station is known for early use of loose-housing barns for cattle, work with absolute confinement of turkeys, weed and brush control and now for its beef breeding tests.

The government's main troubles near to be too much overhead and too much underhand.

Seed that is wonderful in Ontario may not germinate well in Michigan; seed that Minnesota farmers like may not be disease-resistant in Michigan; seed that wins praise in Pennsylvania may be a low-producer in Michigan. Out-of-state seed that is proven for Michigan will be handled by reputable seed dealers. Michigan State College farm crops specialists advise.

# The Servicemens' LETTER

Hi Fellas:  
Christmas is approaching in leaps and bounds now. It seems that at this time of the year the time just flies. There is so much to get done and so little time left to do it in.

So far I only know of one serviceman who will be home here in E. J. on Christmas. Doubtless there are more that I have not heard of. Stanley Antoine is due to leave Sheppard Field on December 20th and to arrive here on the 22nd. Dick Sommerville, who has been here on furlough, will leave for California this next week. He is due to report at Camp Stoneman on Dec 15th. Arthur (Vern) Bowen will just miss Christmas at home by having to report at Shaw AFB in South Carolina on December 22. Larry Streeter, who just got in E. J. on Monday, will be due back at camp on the 26th. That means that he will be required to travel on the holiday—Oh Boy—what fun bucking that jam of people.

A new overseas address this week sends a paper to Pvt. Donald Trojane, US 55 248 358, at APO 872, c/o PM, New York. It seems to me that he should have a unit address in addition to this

but it is not furnished. We'll see what comes of it.

PVT. DONALD TROJANEK

Two new men have joined Al Chanda at Fort Knox this week. They are Pvt R. Lundy and Pvt Fred Looze. My apologies to Lundy for just using his first initial instead of his name. Much to my chagrin I find that the initial was all that I copied down when his mother gave me his address

and I do not remember whether it was Bob, Dick or Ron. Lundy's address is: Pvt R. Lundy, US 55 316 984, A Btry, 57th AAA AW Bn, CCR, 3rd Armored Division. Also at Knox is Pvt Fred Looze, US 55 316 986, Btry B, 67th AFA Bn, Res Comd, 3rd Arm Div, Fort Knox, Kentucky. You men can find Al Chanda in Btry B, 54th Arm FA Bn, CCA.

Gale Murphy is back in Fort Sheridan and has moved back into his same trailer No. 888 in the Enlisted Men's Trailer Camp. He is due to be discharged around January 15th but may be let out sooner because of accumulated leave.

A letter from Earl Bennett finds him up at Chanute in Don Olson's old stamping grounds. He writes, "I think that it is about time I dropped you a line and let you know where I am. It is beginning to look like the Air Force is going to keep me in school all of my four years. After graduating from B-29 specialties school they sent us up here for Flight Engineer School. They say it is a little bit harder than either A-E or B-29 school with all the math you will ever want to see."

"I should be getting home some time before Christmas but I don't know just when."

Earl's address is: A3C Earl R. Bennett, AF 16 404 211, 3362 Stu Sqdn, Box 6705, Chanute AF B, Illinois.

Paul Lisk explained one point to me that may have been puzzling some of you men or your parents. These pictures that he has been including of you servicemen are ones that were sent in direct from the Armed Forces Information Sources. They are made especially for reproducing in newspaper. There are many of the ordinary photographs that do not print clearly inasmuch as the head and shoulders of the subject may not be clear or large enough. That is the reason that Paul has insisted on the rule that he cannot accept pictures taken by individuals for publishing in this column.

Thanks to Bob Anderson of the USS Bexar for my first Christmas card of the year.

Dave Vallance left Lackland on Monday the 8th for new duties at Truxav Field, Madison, Wisconsin. His new address is A3C David G.

Vallance, AF 16 425 733, P. P. 78th AB Sq, Truxav Field. We would all be interested to get a letter from you, Dave, explaining your new duties or training.

Ed Lord graduated on the 8th and promptly received his call to duty. He was quite disappointed that they fixed the date of his entry as in April. He wanted to go in right away and get his two years over with. The extra four months later now will make him four months later getting out. He has no definite plans for spending those four months here as yet.

Paul passed on to me a letter from the Michigan Aviation Historical Committee, Capital City Airport, Lansing 2, Mich. It seems that plans are under way to compile and publish a history of Michigan aviation. They want re-

ports of the role played by Michigan men and women in the Armed Forces, reports of any important aviation events and "firsts" which may have occurred in this community or been participated in by anyone from this community. If anyone who reads this knows of any such event worthy of reporting will you please leave the information either with me or at the Herald Office.

The Christmas boxes were mailed this week to the men in this country. Any of you men who do not receive one within a reasonable length of time please notify me as we have a few extra ones to cover such omissions and we want every serviceman to receive one. See you next week.

"Jake" Snyder.

Mr. and Mrs. Rex Petrie and daughter, Karen, were Sunday dinner guests of Mr. and Mrs. Douglas Gilkerson.

Mr. and Mrs. Lawrence Addis were Petoskey shoppers Tuesday. Irvin Bulmann celebrated his 15th birthday Sunday, December 7.

Mr. and Mrs. Levi Donaldson & family were supper guests Sunday of Mr. and Mrs. Howard Donaldson. Their birthdays are Monday, December 8.

Loren Donaldson returned to school Monday after being absent for sometime recovering from burns he received from boiling water accidentally spilled.

Venison is a rather dry meat and its flavor will be improved with addition of suet, butter or other fat when using dry heat cooking methods, according to Michigan State College food specialists.

From where I sit... by Joe Marsh

**They'll Do It Every Time**

You know where Hammy Jackson lives—on that small dead-end street off Maple Avenue near the library? Well, about a month ago, the town finally put up a sign on the corner there saying: "No thoroughfare . . . Dead End."

Yesterday Hammy dropped by to see us. "Can't understand it," he says. "Hardly anybody drove down our street before—but, now, since they put that sign up, there's been more cars than ever turning around in my driveway."

From where I sit, these people who bother Hammy on his one-

way street are the same as those who automatically ignore a Wet Paint sign and touch their finger on a freshly painted surface. But you can't change human nature. People like to find out for themselves—and then make their own decisions.

That's why I say "live and let live." You can drink your butter-milk, but let me have my glass of beer when I choose. And let's not feel we're obliged to "point the way" for the other fellow.
