Charlevoix County Men Going For Pre-Induction

The following named men have been ordered to the Draft Board Office, in the City Hall, Charlevoix, Michigan on the 12th day of February, at 8:30 a. m., 1953, for transportation to the Induction Station, for Pre-Induction Physical Examination.

Donald E. Maxwell, Robert L. Huckle, and William J. Shaw, all from East Jordan, Michigan.
Luc A. Martin and John H. Crandell of Boyne City, Michigan.
Richard L. Gennett, Charlevoix, and Ralph C. Fisher, Walloon Lake, Michigan.

The following named two men, will leave for Induction into the Armed Forces, on February 4th, 1953, at 10:00 a. m.

Donald E. Cutler, of East Jordan, Michigan, and Edwin L. Long, of Boyne City, Michigan.

5th ANNUAL CONVENTION NAT'L COUNCIL of PRESBYTERIAN MEN

Messrs. Edward DeHaven, John Seiler, Burt Braman, Bill Porter and Bill Grauel, left Thursday, January 29th to attend the 5th Annual Convention of the National Council of Presbyterian Men.

All the states of the Nation, Alaska, Hawaii, Puerto Rico and Chile will be represented with approximately 2,500 in attendance. Rev. DeHaven, Seiler, Braman, Porter and Grauel are part of a body of nine men representing the cities in the Petoskey Presbytery, with three from Harbor Springs and Bill Casper of Boyne City.

The meeting is to be held at the Palmer House in Chicago, January 30, 31st and February 1st.

That group this year will be "Better Rural-Urban Relations Among the Women of the County."

The discussion topic was on State Fire Regulations as they apply to schools. Chairman Klooster reported that our school has furnace inspection at least twice a year.

The hostess asked each one to write out a New Year's resolution and a prediction. These were afterward read and caused much merriment. Mrs. Coolman read an enlightening poem about what monkeys think of us humans; Mr. Klooster bewitched us with some of his magic powers; and Mrs. Klooster prepared an interesting contest.

After a potluck lunch, the meeting was adjourned, and we will meet with Mr. and Mrs. Coolman in February.

SOUTH ARM FARM BUREAU MEETING HELD

The January meeting was held at the home of Mr. and Mrs. T. F. French and there were sixteen members present.

Edith Decker was accepted as a member of our group and Helen Klooster is to be our Recreation Leader. Mrs. G. M. Ingalls gave us a list of our new county officers, and Mrs. French reported on the County Women's meeting at Mrs. John Wieland's. The project for

Jordanites Defeat Onaway By Close Margin 42 - 38

Trailing 33 to 27 at the close of the third quarter last Friday night, the East Jordan High School "Red Devils" came from behind to defeat a tall well-coached Onaway High School quintet 42 to 38.

The Jordanites dropped behind during the third stanza after leading 13 to 11 at the quarter and 22 to 17 at the intermission. The visitors found themselves during the third period and outscored the locals 16 points to 5 during that frame. Sparked by Keith Evans and Warren Frank, the locals grabbed the lead in the waning minutes of play and thus tallied their fourth close-margined victory in a row.

Evans with 13 and Frank with 12 points lead the locals offensively. Kelly counted 11 for top scoring honors for the losers.

It was the second loss of the season for the Onawaymen as compared to eight wins.

The locals are busy again this week as they travel to Pellston Tuesday evening to take on a highly improved Pellston quintet, coached by Bill Carey, former Charlevoix High School star and MSC athlete.

Friday evening marks the invasion of the Charlevoix "Red Raiders" whose latest triumph was a one-sided victory over Gaylord at Gaylord last Friday evening. The Raiders have been beat but once this season and are the chief contenders for the Northern Michigan Class C Conference

crowns, a spot they have held for the past two seasons. The first of two games is scheduled to get underway at 7:00 p. m. at the local high school gymnasium.

Coming Sunday! In The American Weekly, distributed with Sunday's Chicago Herald-American, read the shocking confessions of a delinquent girl. At 14 she dated a married man... an unmarried mother at 15. She was branded "incorrigible"... sent to jail. Don't miss "I Was A Delinquent Girl," a blunt warning for parents and children alike, in Sunday's Herald-American.

Water Fluoridation Approved By Health Department

The fluoridation of public water supplies to reduce the dental decay attack rate both in primary and permanent teeth has received the approval of the Michigan Department of Health following a seven-year experiment made in Grand Rapids, Dr. A. F. Litzenburger, Director of District Health Department No. 3 announced this week.

This statement of policy on the fluoridation program was made after the experience with the controlled study of fluoride supplementation in Grand Rapids revealed the value of the procedure.

The most recent data shows that there has been a greatly reduced dental decay attack rate both in the primary and permanent teeth of the children in Grand Rapids consuming the supplemented water since January 1945 when the study was initiated.

Reductions as high as 53 per cent in the primary dentition and 66 per cent in the permanent teeth of six-year olds has been obtained. Some benefits in decreasing amounts has been accrued to children examined in the older age groups.

Grand Rapids is one of 24 communities of all sizes in the state of Michigan now adding fluoride compounds to the public waters.

Another 14 cities including the city of Detroit have approved the program.

As a result of this study and the reports from many other studies in other states, the Michigan Department of Health and the local Health Department recommends the supplementation of all public water supplies in the state deficient in fluoride. Dr. Litzenburger concluded.

PTA Met Jan. 20

(Ellsworth)
Pupils in Miss Norma Armstrong's tenth grade American Literature class presented the program at the January meeting of Banks PTA held at the school Tuesday evening, January 20.

The first number on the program was the singing of an old American ballad, "Old Black Joe." The class read in unison, James Russell's well-known "The Courtin'" and Henry Wadsworth Longfellow's famous work, "The Psalm of Life."

A reading, "Baker's Blue Jay Yarn" written by Mark Twain was given by Pete Oosterbaan. The audience joined the class in singing another American "Dixie Land."

Pupils participating were Myrna Veenstra, Frances Carpenter, Betty Alward, Eleanor VanderArk, Bob Drenth, Nate Brock, Nelson Spoelman, Gley Bradford, Calvin Lamoreaux, Emily Bradford, Virginia Kuiper, Mary Ann Riddell, Leona Hopper, Glen Taylor, Bill Kooyer, Ivan Byard, Len Heeres, Jack Donaldson and Pete Oosterbaan.

During the business meeting the school board was extended a unanimous vote of confidence for the excellent work they are doing in the financial problems confronting the school.

Too, the group decided to serve as a collecting agency for members who wish to contribute funds to the new Athletic Field Program.

This is a more satisfactory way than donating from the PTA treasury which is used for school purposes only.

Mrs. Pottier's room had the largest percentage of parents present and received the money from the "kitty" placed at the lunch counter.

East Jordan apparently is in the midst of a miniature upheaval as far as changing hands and closing of many of its business places is concerned.

January 17 a deal was finally consummated whereby Mr. Romaine purchased the plumbing portion of the W. A. Porter Hdwe. Mr. Romaine has leased the old Peoples Bank Building and now has all of the stock connected with the business moved to his new location. The W. A. Porter Hdwe. had sold the Heating portion of the business to the Jordan Heating and Refrigeration Co. last June.

The Quality Food Market, which has been operated by Mr. and Mrs. Edw. Maxwell, closed last week, the stock and fixtures of which reverted back to the owner, Greg Boswell, who is planning a close out sale this Friday and Saturday.

This makes the second grocery store closing it's doors since late fall, Jimmy Lilak having closed the former Mason Clark Cloyer Farm Store which he had operated for the past year or so.

Shedina's Furniture Store closed the past week but plans to reopen in the spring.

Benson's Hi-Speed Service sold their stock and tools in the fall closed the doors, sold their home and left for southern Michigan.

Most of the owners of those places closed have left for jobs in southern Michigan.

Beatrice Lewis Wins Cherry Pie Contest For Second Time

Beatrice Lewis, 17, of Central Lake was awarded top honors at the Antrim County Cherry Pie Baking contest held Thursday in the Homemaking room of the Central Lake Public School. Announcement of the awards were made by County Agricultural Agent, Walter G. Kirkpatrick, Thursday evening as the contestants and their Home-making teachers were guests of the Central Lake Lions Club. In announcing the awards, Kirkpatrick stated that the seven contestants had produced the best array of pies ever seen at any of the County Contests. The judges pronounced all as excellent and the score separating the various contestants was very narrow.

Emil Corner, President of the Lions Club assisted Kirkpatrick by presenting the awards to each contestant as follows:

Beatrice Lewis, 17, Central Lake, first, Dormeyer electric mixer; Patricia Bergendorf 15, Elk Rapids, second, Hamilton Beach portable electric mixer; Charlotte White 15, Ellsworth, third, Camfield electric toaster; Freida Jabara 15, Mancelona, fourth, travelclock; Ruth Noaker 15, Alba, fifth, oven timer; Barbara Gibbard 15, East Jordan, French fryer; Mary Kay Unger 16, Bellaire, seventh, colored mixing bowl set.

Prites were made available through the courtesy of the four Cherry Packing Plants located in Antrim County, Consolidated Foods Processors of Ellsworth; Fars Foods of Central Lake; Elk Rapids Packing Co. of Elk Rapids; and the F & M Packing Co. of Kewadin.

Judges for the county contest were Mrs. Virginia Vance of East Jordan; Mrs. Betty Huntly, Central Lake and Mrs. Howard Hokstad of Elk Rapids.

To The Voters of Jordan Township

There being no opposition of Candidate on the Township ticket for the biennial Township Primary Election to be held February 16, 1953, said Primary will not be held. But a general Non-Partisan Primary election for Circuit Judge will be held at the Jordan Township Hall, on Monday, February 16, 1953.

The polls of said election will be open at 7 o'clock a. m. and will remain open until 8 o'clock p. m. of said day of election.

George W. Stanek, Jordan Twp. Clerk. 4-2

East Jordan High School's "Red Devils" dropped into a second place tie in the Northern Michigan Class C Conference basketball race as a result of dropping a 43 to 41 decision to previously winless Pellston on the latter's court Tuesday night. Coach Bill Carey's rapidly improving aggregation turned the trick against the Jordanites in the final twenty seconds of a nip-and-tuck battle that saw the lead change continuously throughout the contest.

The pressure of playing in five straight closely matched contests seemed to bear heavily on the Jordanites Tuesday night as they turned in their poorest shooting percentage of the season to date. On the other hand, Pellston gave notice that they may have a great deal to do with the final conference standings as they play five of their remaining six games at home, on their rebuilt gymnasium that now compares favorably with most Class C courts in this area.

Warren Frank, senior forward, topped the locals scoring column Tuesday night with 14 points. Schaufler was high man for Pellston with 15.

East Jordan's Reserves trounced Pellston's Seconds 55 to 27 in Tuesday night's opening contest.

ell, the people in the grass roots did not realize that it concerned them much, but at last the National Council has done something which the man in the pew can see with his own eyes and the import of which he can realize. For this reason the opportunities to advance the cause of Christ in protest meetings and rallies are unlimited and should be seized by every Bible-believing preacher as a means of informing the Lord's people as to the pit-falls and perils of modernism and to give the National Council of Churches the ringing rebuke which it needs.

The Bible is God's holy Word, inspired in every jot and tittle (which mean punctuation marks) in its original writings and when the modernists depart from the sphere of faithful translators and lay their hands upon it to pervert and confuse its precious teaching concerning the birth and Deity of our blessed Redeemer and other important doctrines too, as they have done in the Revised Standard Version, it is indeed time for a great mass demonstration.

By vote of the members of the Bible Baptist Church in Central Lake and by vote of the Executive Committee of the Bible Baptist Mission, Inc., Central Lake, it has been requested that a local protest rally be scheduled for February 20, 1953. This is the day that has been set aside as a World Day of Prayer by the American Council of Christian Churches (a fundamentally sound group). This is the eleventh consecutive year that a Fundamental day of prayer has been called, and it is felt that a protest rally could be very fittingly blended together with this time of prayer. By this notice a cordial, earnest appeal is made to all pastors and churches who are interested in preserving the inspired Word of God in tact to unite together with us in this rally and day of prayer. Layman or leader is requested to contact Pastor Paul Gelatt, Central Lake, Michigan, and arrangements will be drafted for the place and time of the proposed rally. It is late but not too late. Show your colors for the truth. Unite with Bible believers throughout the world in this testimony in behalf of God's infallible and inerrant Word.

2nd Little Farmers' Week, Feb. 9 - 13

Final plans for the second Little Farmers' Week for Charlevoix county has been made, Ed Rehman, county agr'l agent said today. This big event will be held the second week of February from the 9th through the 13th inclusive. The meeting place will be the high school auditorium at Charlevoix. The program will all be in the afternoon starting promptly at 1:30. Dairy will be discussed on Monday, February 9. Don Murray and Jim Hayes, dairy specialists from Michigan State College, will discuss milking the cow and taking care of the milk. Tuesday, February 10, will feature Barnyard Economics by Everett Elwood and Jim Nielson from the agriculture economics department. They will take a Charlevoix county farm and set up a good farming program.

Art Bell, extension agriculture engineer, will discuss the latest in farm buildings and machinery on Wednesday, February 11. Appearing with him will be Lester Bell, extension forester, who will discuss forest management for this area. Thursday, February 12, will be crops and soils by Ed Longnecker and Dennis Clanhahn. Friday, February 13, will be animal husbandry day with Finley and Moxley as speakers.

Farmers and their wives are urged to attend all the programs, Rehman said. Don't just pick out one program but plan to spend every afternoon for a week to get the latest agricultural information. There will be one added attraction, Rehman stated, the ladies will meet by themselves on Friday afternoon, February 13, at the court house at Charlevoix. Dr. Litzburg will discuss home treatments for sickness and injuries. Every lady should attend this program.

ANNUAL MEETING OF CHARLEVOIX SOIL CONSERVATION DISTRICT

The fifth annual meeting of the Charlevoix Soil Conservation District was well attended, Clayton Healey, chairman of the board, reported today. This meeting was held in the dining room of the Boyne City High School last week Wednesday afternoon. Ed Rehman, county agr'l agent and secretary of the board started the meeting with some local county movies. These movies included pictures of Sadie Liskum's conservation project, soil conservation strips and work on reforestation.

During the business meeting, chairman Healey introduced the other board members and out of county guests. Everyone received an annual report at the door. Healey also stated that anyone can have copy of this report by asking for it. During the election, which was under the charge of Lyle Peters, Clayton Healey was reelected and Bob Reidel was elected to replace Norval Korthease.

Norval Korthease passed out certificates to three farmers who had, in the eyes of a committee, done the most toward establishing conservation on their farms in 1952. These farmers who received these certificates were Carl Grutsch, Jr., Norbert Nachazel, and Charles and Bob Reidel. Sadie Liskum also received a certificate for her work in teaching conservation and Ed Rehman reported a certificate for his educational work in the district.

The speaker for the program was Casper Blumer, county agr'l agent for Alcona and Oscoda counties. He discussed pasture improvement, grass silage, and trench silos. Mr. Blumer had very beautiful slides to illustrate his talk.

AN INSPIRING MESSAGE FROM EDDIE CANTOR

Comedian Eddie Cantor points up a great message he learned from a young show-off and a famous fighter: "When you help others, you can't help helping yourself." Read "Why Knock the Kid Out?" by Eddie Cantor, in this Sunday's (February 1) issue of the American Weekly, exclusively with Detroit Sunday Times.

levoix. We are all so sorry she is ill, but we know she will be well soon.

Jean Combest brought us a big bouquet of pussy willows. We were so surprised to see them on such a cold day as Monday was.

Group One is beginning the second basic reader "More Streets and Roads". Group Two is just beginning "Streets and Roads". Group Three is finishing "Somebody Soon". Group Four is in the middle of "Friends and Neighbors", the second grade basic book.

Fourth Grade — Jean Strahl
 The boys and girls are now enjoying the skating rink every day. Jane Dunson, Peter Knudsen, John Neumann, Sharon Sweet and Judith Jankoviak have had perfect attendance in our room for the first semester.

Friday morning the children made some very pretty birthday cards for Suzanne Stinchcomb. Suzanne treated the boys and girls with some lovely cupcakes.

Last week was an exciting time for the children. They made an interesting bulletin board of President Eisenhower and his family. Tuesday they listened to President Eisenhower's speech. They were very impressed having the new president.

In science, we have been discussing winter friends and how we can help. Several youngsters have feeding places for the birds at home.

Fourth Grade — Grace Galmore

Those having a perfect attendance record for the first semester are: Gary Craig, Douglas Hayden, Yvonne Elzings, Donald Johnson, Dick McKinnon, Linda Murphy, Anette Reed, Beverly Snyder and Ronald Sulak.

We have an arithmetic chart on the board on which we will show the results of individual checking in addition, subtraction and multiplication. We find it hard to remember how to borrow or carry or the tables which we have learned previously.

The new committee in charge of the February bulletin board is Duane Raymond and Douglas Hayden.

In Social Studies Linda Murphy is chairman of the committee to make an exhibit about England. This is the beginning of a project to study the countries of the first peoples to settle in America.

Fifth Grade — Sadie Liskum

Five children of our room have been neither absent nor tardy during the first semester of school. They are: Theora Evans,

Floyd Holley, Judy Nemeck, Billy Scott, Christine Thorsen.

We are getting into the study of the Central States, The Food Basket of our country. Since Michigan is in this group, we find it very interesting.

Our reading has been centered around conservation for several weeks. We are doing some extra reading on conservation, and our written English involves a good many conservation facts. Each of us will make a notebook to exhibit on Achievement Day.

Mrs. Annear works with our girls on Tuesday morning to help them with their 4-H sewing. This week they are working on darning.

While the girls are with Mrs. Annear in the lunch room, the boys work in crafts with Mrs. Liskum. Last week the boys made cases of felt for glasses. This week they are working with paper mache.

Fifth Grade — Mrs. Mosher

The following pupils have been neither absent nor tardy the first semester: Joanne Clark, Diane Dougherty, Kay Kamradt, Alfred Nelson and Bruce Ogden.

We are beginning to study the Central States in Social Studies. The boys and girls who received literature from those states have placed it on the bulletin board.

We have been reading about the solar system in science.

Back To Bible Rallies

January 30 has been suggested as the time for a nation-wide united protest by Bible believers against the new Bible, "The Revised Version," copyrighted and promoted by the National Council of the Churches of Christ in the U. S. A. News has come from the American Council of Christian Churches and they have suggested that 3,000 rallies be held this next Friday in a nation-wide protest crusading for an uncorrupted Bible.

Every Bible believer in the U.S.A. is facing a challenge but it can be met and more than met if all God's people across the land who love the Lord Jesus Christ and delight in his pure, holy Word will arise to do their part. The publishing and publicizing of this new modernist Bible has afforded everyone, who loves the Lord and believes His inspired Word, the opportunity to enlighten and warn an entire generation of Christians, especially the younger generation, concerning the issues raised by modernism and its attack upon the truthfulness of the Word of our Lord and the honor of the Person of Jesus Christ. Many earnest Christians participated privately and publicly in meetings on September 30 in praise of a Bible they had never seen, only to learn when they examined it that it is not the Bible of their fathers, and so the wave of reaction is rising.

During the past years of struggle with modernism and apostasy represented in the National Council when it was the Federal Coun-

Annual Tax Sale

STATE OF MICHIGAN In the Circuit Court for the County of Charlevoix In Chancery. No. 184-4

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 2nd day of March A. D. 1953, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Charlevoix, State of Michigan; and that the sale thereof and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be reoffered, and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer, shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 26th day of December A. D., 1952.

Charles L. Brown, Circuit Judge. Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN In the Circuit Court for the County of Charlevoix In Chancery.

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Charlevoix, in Chancery: John B. Martin, Jr., Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses are extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule against and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays: a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as this court may seem just and equitable.

And your petitioner will ever pray, etc. Dated: December 23, 1952.

John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State.

(Edited by Mrs. Wm. Gaunt)

Mr. and Mrs. Bill Gaunt and son David, took dinner Sunday with the Alfred Crowell family.

Mrs. Eleanor Gibson was a Sunday caller at the Earl Bricker and Harry Howard homes.

Mr. and Mrs. R. G. Williamson and son spent Friday evening with the George Klooster family.

Mr. and Mrs. Loyd Barber left Saturday for Lansing, to be there for Farmers' Week, also to visit with Mr. and Mrs. Ora Barber a brother of Loyd Barber.

Mr. and Mrs. Wm. Gaunt Sr. drove over to the Boyne Mountain Ski Club Sunday, which was very interesting to see. They also called on their cousins, Mr. and Mrs. John Earl.

The neighborhood was shocked this past week to hear of the death of Elec Curry, who was an old neighbor some years ago. At present, Mr. Curry and family lived near Springvale. He will be missed by all those who knew him. Our Sympathy goes out to Mrs. Curry and daughter.

Henry Smith Elected Chairman Athletic Assoc'n

(Ellsworth)

Representatives from different groups in the community met at the Banks School Thursday evening, January 22 and organized the new Banks Athletic Association. This group was selected to serve as a committee to investigate and further the plan for the lighted athletic field for this community.

The Association has elected Henry Smith for chairman, John DeYoung for vice-chairman, Grant Hastings, secretary and Peter John Drenth, treasurer.

Several local groups have pledged financial help and others will have an opportunity to do so.

At the January meeting of Banks PTA last week, Tuesday, it was decided that the PTA could serve as a collecting agency for funds for the field from members who wished to contribute. Marvin Elzinga, Walter Rood or John DeYoung will accept these donations. The next meeting will be held February 5 and you can watch your papers for further details.

Eisenhower Urges Nation Support March of Dimes

President-elect Eisenhower meets 1953 March of Dimes Poster Girls Pamela (left) and Patricia O'Neil, of Raleigh, N. C.

NEW YORK CITY—President-elect Dwight D. Eisenhower called on the American public to support the 1953 March of Dimes being conducted throughout the nation during all of January.

He joined in the annual appeal after meeting the two Raleigh, N.C., sisters who are pictured on the 1953 March of Dimes poster. They are Patricia, 6, and five-year-old Pamela O'Neil, both of whom were stricken with polio but now are recovered completely. "It's hard to believe that these are the same little girls who years ago were still undergoing treatment, with financial help from local March of Dimes chapters," he noted. "Now they're completely recovered from polio, thanks to the generosity of the American people."

He urged all Americans "to help the others like them by joining the March of Dimes." Later, he joined the poster girls in making a short film which is being shown by television stations throughout the nation. This year's March of Dimes follows the all-time record polio epidemic of 1952 in which more than 55,000 were stricken. At the beginning of 1953, there were 38,000 polio victims of former years still undergoing treatment, with financial help from local March of Dimes chapters.

What isn't interesting on first reading is seldom any more interesting on second reading. Wonder what today's unborn will be saying about us a hundred years hence?

Winter in Michigan

Such jumps as this are not recommended for amateurs, but these two youngsters know their skiing well enough to run the expert's slopes at Porcupine Mountains state park. All across Michigan's snowy slopes these winter days, such scenes as this are being enacted with the winter sports season now in full swing. The conservation department operates ski runs and tows only in the Porcupines, but encourages such sport in other state parks. Private groups are in charge of operations at Highland recreation area and at Grayling, and other places in the state.

Our Great America by Waddy

With the legislature's return to Lansing for another term some old fogies are raising their heads in the dusty corners again. Reapportionment, capitol punishment and the old humdrum of taxes have popped up, although our lawmakers are carefully stepping around the tax-puddles showing a studied lack of interest. But one old argument, not quite so much publicized, rears up which promises to create quite a hustle in the senate. There will be pressure brought to bear for toll roads in Michigan. Really nothing too new about the idea — it's been pigeonholed and tabled for at least two years. But Sen. Haske Nichols (R-Jackson) is really excited about it this year, and he promises to carry the battle to the last ditch. He has sponsored toll road bills in 1951 and 1952. Neighter time did they see the light of day. Toll roads, of course, would be built on revenue bonds to be paid for by charging automobiles a given amount for using the highways. At present Detroit-Chicago and Detroit-Toledo through lines are contemplated on a toll road basis. Way back in 1950 the Good Roads Federation was bucking for a three-cent per gallon gas tax boost to finance these two highways. The legislature, vacillating as usual, did pass a one and one-half cent raise (which, as advertised, did not increase gasoline prices.) But lo and behold, the two super highways are not yet built. Matter of fact they have but barely been begun. And so Senator Nichols and his backers want more action. They argue that a Toll Road Authority with power to issue bonds and build roads would expediate matters. And he presented a pretty fair argument. He says with regular tolls paid only by those who use the roads — and this would include a good many tourists and truckers — the gasoline tax could be utilized to take care of other beat-up key routes. A clause in the bill Sen. Nichols has introduced absolves the state of any financial liability — and this is the weakest portion of the proposed law. No one is anxious to buy bonds in a venture so shaky the state itself won't take a chance on it. But the same rider was pasted on the Mackinac Bridge Authority and the Blue Water Bridge Authority — and they both have made out.

Charles Ziegler, state highway commissioner, in 1951 opposed the bill, using his time-worn argument that he hates to see anyone taking money out of state coffers without some more concrete evidence of success. But the financial abolition clause sounds suspiciously like the one he tagged on the Mackinac Authority — and he may go along with it this year so long as he can be assured his precious highway funds will go unscathed. Sen. Nichols now wants \$650,000 out of the highway gas tax funds for surveys and studies. Insurance companies cautious as usual, have made little comment. The Triple A has said only that it favors a study of the situation. But Nichols this year is adamant. As chairman of the senate highway committee he has promised that the bill will be brought out on the floor. He says the time is ripe to face facts and recognize that Michigan's highways are a mess. The reason many people fail to be treated as equals is that their manners and personal cleanliness are below human standards. Some day it will be acknowledged that ready-made hats fit only two women in three — ever notice how wfunny the other third looks?

GOOD BREAKFAST MEANS GOOD MORNING!

If you find you are not as efficient around eleven each morning; if you begin to get a "draggy" feeling at mid-afternoon; if your youngsters don't show the zip and mental alertness which you expect — maybe it's because the family isn't doing right by itself at breakfast! That's what a list of learned nutrition experts, doctors and others are saying. They've made extensive tests which show that neglect of the first meal of the day definitely cuts down on efficiency. Some of them go so far as to say that skimping on breakfast is a contributing factor among children in general poor health. These experts stress the fact that breakfast should provide one-fourth to one-third of the total daily caloric needs as well as a proportionate share of all the essential nutrients. Yet it is the one meal most often slighted by adults and children alike. A recent survey conducted by the University of Iowa Medical School indicated a neglect of good breakfasts in all age groups. Results showed that out of five children, only one goes to school with a good breakfast. Among the boys and girls, the survey revealed that sixty percent of the teen-age girls were in the habit of eating a breakfast entirely inadequate to their physical needs while twice as many older teen-age boys had poorer breakfast habits in comparison with the younger teen-agers. Women rank as the worst offenders in the older age bracket with only forty percent of them eating what nutritionists term a good breakfast. The men had a somewhat higher average with fifty-six percent of those surveyed saying they had a good breakfast. The studies showed that those persons eating a good breakfast daily had a greater work output, shorter reaction time and less shakiness after exercising. Those eating a poor breakfast showed a decrease in maximum work output, an increase both in simple and choice reaction time and an increase in tremor magnitude. A basic breakfast pattern, such as that being eaten by the typical American family pictured above, has been formulated by leading nutritionists and medical authorities. It consists of fruit or fruit juice, cereal (hot or ready to eat), milk, bread and butter or fortified margarine. This basic breakfast does not, except in a few instances, equal one-fourth to one-third of the total daily caloric needs. It is merely a nutritional pattern — structure to be increased in its portions or augmented with eggs, breakfast meats or other suitable foods to fulfill part of the daily caloric and nutritional requirements. Safeguard your family's health by clearing out old medicines in your medicine cabinet now, urge Michigan State College home management specialists. Orlon fabric is especially suited to making curtains since it resists gases and sunlight, advise Michigan State College home economists.

Looking Backward...

JANUARY 25, 1913

The Senior Class of East Jordan High School will present the three-act comedy drama "The Elopement of Ellen" at the Temple Theatre next Tuesday evening, under the able instructions of Mrs. R. A. Risky Cast of Characters: Richard Ford, a young devoted husband, Francis Howe, Molly, his wife, Miss Fern Howard. Robert Shepard, Molly's brother Stanley J. Risk. Max Ten Eyck, a chum of Robert, Harvey Redson. Dorothy March, engaged to Max, a guest of Mrs. Ford, Miss Arlene Hammond. June Haverhill, Wellesley '06 who is doing some special investigating for Economic courses during the summer, Miss Esther Porter. John Hume, Rector St. Agnes, Leon Van Gorder. Prices: .25c, .35c and .50c.

Mayor Richard Steffes died Tuesday evening from the effects of an apoplectic stroke received Sunday evening. Funeral services will be held from the Russell House Sunday afternoon at 2:30 conducted by Rev. T. Porter Bennett. Mr. Steffes was born at Monroe, July 28, 1873. On Oct. 6, 1900, he was married to Miss Rose Shier. Three children were born them; Francis, aged nine years, Kathryn aged six years, and Richard Earl aged four years. Deceased was a member of F. and A.M., K. of P., Elks, Woodman Maccabees and Moose. Mr. Steffes was a resident of East Jordan for 13 years, owning a cigar factory here. He has held several public offices of trust being deputy sheriff for several years, treasurer of South Arm township, and village trustee. He was East Jordan's second Mayor under City government.

Miss Josephine Orvis was married to George Metz January 15. Rev. C. E. Taggart of Charlevoix officiated, using the ring service. They were attended by Miss Effie Mascho and Everette Orvis. The wedding march was played by Jessie Metz, the groom's sister.

A business change took place Saturday when the partnership

Third Lecture at TCHS February 3

The third of the lectures on "Out of Doors in Northwestern Michigan" will bring to Traverse City one of America's most widely known sales executives, Mr. Robert S. Wilson, Vice-President and Sales Manager of the Goodyear Tire and Rubber Company of Akron, Ohio, who will speak at the Traverse City High School Auditorium at 8:00 p. m. on February 3, 1953.

Mr. Wilson, who graduated from Princeton in 1910, joined Goodyear in 1912 as a clerk in the Service Department of which two years later he was made Manager; in 1917 he was made Manager of Truck and Sales and four years later was made Divisional Sales Manager for the area between Chicago and the Rockies. He then became Advertising Manager and in 1928 was elected Vice President and Sales Manager. In 1932 he was elected

ROBERT S. WILSON

Director of the Company also. Through all these years he has retained his early interest in education and is now serving as President of the Board of Trustees of Western Reserve Academy at Hudson, Ohio.

Mr. Wilson has for years owned a large dairy farm near Ironton in Charlevoix County and takes special pride in his herd of Holstein cattle. He spends his vacations and as many week ends as possible here. He has taken more than an active interest in agriculture and was one of the first to put into effect the plans and principles of Soil Conservation.

His talk "Land—Our Life" is being sponsored by the Grand Traverse-Kalkaska Soil Conservation Districts. He is an outstanding speaker with a wealth of knowledge of his subject gained from experience and observation. Mr. Wilson's appearance will be one of the highlights of the series of lectures arranged by the Conservation Advisory Committee of Northwestern Michigan College.

Roy Gregory is a medical patient at Lockwood Hospital in Petoskey.

Is The New Bible Really The Bible

Already many thousands of people have found out that it is not the National Council of the Churches of Christ in the U.S.A., though its manifold fingerprints known as City Councils of Churches, in a continent-wide fan fare launched and introduced what they call The Revised Standard Version. Everywhere this version has come to be known as "The New Bible." The copyrights for the new translation are owned by the National Council of Churches of Christ in the U.S.A. (formerly the Federal Council of the Churches of Christ in America). Because the churches across the land were organized behind this great propaganda movement in advertising and launching this "New Bible," multiplied thousands of Bible-believing Christians concluded that it must be a safe translation and worthy of acceptance.

Many thousands of these Bible-believing Christians are now thoroughly disillusioned since they have secured a copy and read the revised text. They have found that the New Version departs radically from the great, fundamental Christian doctrines which were found in the old King James Version. This result could have been expected when it is remembered that the list of men who were engaged to make this new translation constitute the greatest gallery of modernistic scholars to be found anywhere in the world. Practically every man listed on the roster of translators and authors of this New Bible is known to be an outstanding modernist who no longer holds to the old fundamentals and accepted foundational truths upon which the Christian church has rested through the centuries.

The New Bible wipes out the virgin birth of Jesus. Illustration: Isaiah 7:14 has been accepted through the centuries as prophesying the Virgin Birth of Jesus Christ. In the King James Version, it reads, "Therefore the Lord himself shall give you a sign; Behold,

a virgin shall conceive, and bear a son, and shall call his name Immanuel."

The new National Council Bible has changed this to read, "Therefore the Lord himself shall give you a sign; Behold, a young woman shall conceive, and bear a son, and shall call his name Immanuel."

The translators of the new Bible remove the virgin and put a young woman in her place. When they do this they remove the God-given "sign." There is no particular "sign" in a young woman's giving birth to a baby—millions have done so, but there is a "sign" when a virgin does so, and only one virgin has ever given birth to a son. That one miraculous virgin birth of Jesus Christ is wiped out by this new translation. This "New Bible" denies the eternal existence of Jesus Christ as the eternal Son of God. Illustration: In Micah 5:2 the King James Version reads, "But thou, Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be ruler in Israel; whose goings forth have been from of old, from everlasting."

This "New Bible" translates this version as follows: "That you, Oh Bethlehem Ephratah, who are little to be among the clans of Judah, from you shall come forth for me who is to be ruler in Israel; whose origin is from of old, from ancient days."

Here these modernistic translators deliberately assign a point of origin to the Person of the Lord Jesus Christ. When we place the first verse of John's Gospel over against this new translation, we have little difficulty in deciding who is to be believed. John 1:1-14 says, "In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. . . . And the Word was made flesh, and dwelt among us, (that we behold his glory, the glory as of the only begotten of the Father,) full of grace and truth."

The real Bible declares that Jesus Christ was co-eternal with God the Father, that he was the eternal God the Son. The New Bible says that He had an origin somewhere back in the ancient days.

In Isaiah 7:14 these translators wipe out the great truth of the Virgin Birth of Christ; in Micah 5:2 they wipe out the great truth of the eternal Deity of Jesus Christ.

These are only two samples of in this "New Bible" where great fundamental, foundation truths which have been held by the Christian church through all the centuries are eliminated, denied or modified. Every born-again believer should treat this "New Bible" with unflinching opposition and give it no place of acceptance.

For fuller and more detailed information concerning the fallacies of this new text every Christian should secure a copy of a pamphlet entitled "The New Bible—Why Christians Should Not Accept It." The pamphlets sell for 10 cents each, and may be obtained from the Christian Beacon, Dept. N-B, Collingswood 7, New Jersey, or from the Bible Baptist Church, Central Lake, Pastor—Rev. Paul

Surprise Ending!

That raffle for our Volunteer Fire Department went over fine. We're going to have money to get a new engine—and then some.

Our local merchants really donated some wonderful prizes. Like Buzz Ellis, the radio-TV dealer, giving that big television set . . . and the Superior Motors putting up a brand-new car. . .

There was a humorous note, too. The prize of a year's supply of coal—donated by Baker Coal Yard—was won by Mrs. Thayer, whose husband is the biggest fuel-oil dealer in the county! What did

Mrs. Thayer do with the coal? She gave it to a church she's not even a member of. (Her Church uses her husband's fuel oil.)

From where I sit, that's real generosity. But then, Mrs. Thayer never did believe in dividing people into groups. She's "for" everybody—whatever church they go to, whether they like TV or radio, people who enjoy temperate beer, people who don't. A really warm-hearted person.

The Servicemen's LETTER

Hi Fellas:

To start off this week here's a letter from Fred Holland over in the Med. "Hi Jake, Well here I am in Athens, Greece, putting the finishing touches on what has been a pretty good cruise regardless of the foul weather conditions at this time of year over here. We have covered quite a bit of water since we left the states last August even though we have spent quite a bit of time in various ports. Our first stop after taking 16 days coming over was Edinburgh, Scotland. While we were there I managed to get over to Glasgow for one day. Glasgow reminded me of Detroit as it is a large manufacturing city with very little natural beauty. From Edinburgh we took part in "Operation Mainbrace" finally ending up at Dover, England for 4 days. I spent one day in Dover and one in London hitting only the highest spots in London for as you know you could spend a month in London just sightseeing and still miss a lot.

From Dover we spent 9 days

underway going through the Straits of Gibraltar and ending up in Athens, Greece. After Athens we spent the next 15 days or so hitting three other Greek ports and ending up in Augusta, Sicily. As we hadn't replenished any dry stores since we left the states you can guess what we had been eating the last 2 weeks or so prior to entering Augusta. You guessed it I know—Navy beans and salmon. Boy I never knew salmon could be cooked so many different ways. We replenished everything at Augusta and then after 5 days fleet operations ended up in Genoa, Italy for 5 days. I didn't get to see much of Genoa as I took a 4 day tour to Switzerland while we were there. I believe Switzerland was the highlight of the cruise to me. Believe me I've never seen people so happy and care-free as the Swiss people. They have every convenience that we have here in the states plus a feeling of security and peace that doesn't seem to be so prominent in the states right now.

From Genoa we spent 9 more days at sea on "Operation Longstep" ending up at Istanbul, Turkey. There were 175 ships and 9 nations represented in "Operation Longstep" and it was the largest aggregation of Naval war ships since the last war.

Istanbul is very much like you would imagine it to be from glimpses you might have seen of it in movies. The prices there were exorbitant especially for sailors but we still had a great time. From Istanbul we went to a small Greek port for a few days and then went back around the heel of

Italy to Naples for 5 days. Naples I didn't see much of either as I went on an overnight tour to Rome from there. The highest point of interest in Rome, of course, was the world famous Saint Peter's Cathedral. Believe me, Michelangelo was at his best when he designed St. Peter's.

From Naples we went back around the heel of Italy again to the free state of Trieste for five days. Trieste is pretty modern and the American "Trust" Army there has had a definite influence on the city itself.

From Trieste we went across the bay to Venice for 5 days and then went back to Trieste for five more days. After that we traveled around the heel of Italy again ending up at Cannes, France, the heart of the French Riviera. Although I didn't see any bathing beauties in Bikini bathing suits I did see some Bikinis in store windows and that was enough to make me wish I could go back there in the summer.

I took a two day tour to the French Alps over Christmas Eve and Day and like to break my neck skiing down some of those mountains that never seemed to be so steep and high until you were half way down and couldn't do anything about it. Had a great time though and spent the night in Valeburg, a supposedly famous French ski resort. At 11:30 p. m. 25 local and I dare say professional skiers led by the U. S. Champion started skiing down one of the higher slopes carrying torches. It was really a beautiful sight and quite a feat on their part. The slope they came down would make

Boyer Mountain look like a knoll. From Cannes we came here to Athens. From here we go to Istanbul again, hit another small port in Greece and then come back here and get relieved and proceed to Gibraltar where we plan on shoving off for the states the 31st of January. Since we left the states we have traveled a little over 31,000 miles and by the time we get back we will probably go over the 36,000 mark. All in all it has been quite a cruise.

I want to take this opportunity to thank the Service Club for the paper and for the wonderful package they sent us servicemen for Christmas. They certainly were appreciated and I know every man in the service felt closer to home at Christmas time because of them. Thanks a million. Fred Holland.

Fred is aboard the USS Cogswell which is supposed to shove off for the states about the 31st of this month. Fred, I hope you'll excuse me for cutting your letter a little bit. It sure was a nice long one and I appreciated every word of it.

Clare Loomis, another E. J. man who has spent considerable time in the Med. during the past year, was in the office this past week. When that is up he will leave for Davisville, Rhode Island, where his outfit the M. C. B. No. 8, Co. A, is stationed at present. He expects to be in Davisville for another two or three months and then where to —? He doesn't know.

Bob Farmer is enroute from Korea back to Japan where he will receive further radio schooling. Bob alone was chosen from his unit to receive this advanced schooling.

Howard Sumner arrived home this last week. He said the trip up along the Atlantic Shore from Panama was pretty rough. Howard has been discharged and is now investigating the possibility of some GI at home training. He will take a stab at being a butcher.

Eenie Richards is still with Co. A, 817 Engr Avn Bn, APO 198 in England. He writes, "I want to thank the Service Club for the fruit cake and chicken. We are having very nice weather—fog. The last couple of weeks it has been foggy every day. It sure will be nice to see the sun again.

We are working as many hours as is possible now. We are supposed to move out of here in March. We don't know where exactly but there is talk about Northern England. Well, Cherrio."

Lyle Peck sent us a Form 415 from Seattle informing us that he has moved out with Prov. Co SE 301, APO 613, c/o PM, San Francisco, Calif. Happy Landing, Pee Wee.

Brock Peacock checked in from the East with the same type of form. His new address is: Pfc Brock G. Peacock, H & Hq Det, 302 C.R. Bn, APO 176, c/o PM, New York, N. Y.

Harvin and Delwin Morris have arrived over there too. Their address is: Pvts Darwin and Delwin Morris, Hq 8620 AAU, APO 757, c/o PM, New York, N. Y. Drop us a line and let us know where you landed, boys.

Guess what, Larry Whiteford is going to be a cook. When the bulk of his buddies were shipped out and left him at Fort Bliss Larry wondered what was up. Along came a call for volunteers for cooks. Larry loves to cook. So now he's doing it and is to go on to cook's school at San Antonio. Good for you, Larry. Guess it's just what you wanted. Larry's address is: Pvt. Laurence H. Whiteford, Hq Btry, 4054th A. S. U., Fort Bliss, Texas.

Don Neumann will be on the move next week. His new address will be: Donald D. Neumann, EN 3, CG Yard Curtis Bay, Curtis Bay, Maryland. There he is assigned to a ship which is being fitted out. When completed the boat, and Don, are due to head for Wake Island. Don's new duty station.

Guess I got a little mixed up on Johnny Bussings address last week. It should read: Pvt. John Bussing, Btry C, 58th AAA AW Bn, Class 44, 5th Armd Div CCA, Camp Chaffee, Ark.

Claude Crandall writes from France: "Dear Jake, The paper got here at last—telling the boys I have left the states again. I am over here in France about one hundred fifty miles from Paris—a two hour ride on a train. But the Ocean is only five miles from here. The town is LaRochelle where my brother was stationed. But now he is in LaLue, three miles from LaRochelle.

The name of this place is Croix Chapeau but it is not on a French map. This french is pretty hard to speak.

My mother writes from Grand Rapids that there was no snow since I left Michigan. Her last letter was dated Dec. 31st. Over here I have only seen two inches of snow and it only lasted a short time.

This place is a summer resort. A lot of people come here in the summer but most of your movie stars go to Paris. My buddy saw Alan Ladd in Paris and got an au-

toph from him. It is very warm out today but very cold at night when on guard. My youngest brother got his deer today. He didn't say how many points it had. Good bye for now. Cpl Claude Crandall, 28th Gen Hosp, APO 219, c/o PM, New York, N. Y."

Claude, I note that you say that you are 150 miles from Paris and also that it is a two hour ride on a train. Boy but the railroads over there sure must have changed since I was there. The last time I went to Paris it would have taken all day to cover about that same mileage.

Dale Bolser writes from Alexandria, Louisiana that he has a pretty good job down there. He is running a power unit that they use to start the planes with. His squadron has all jets but a few F-51s. They are going to send him to Jet School in a couple months. Dale's address is: A13C Dale A. Bolser, 390th Fighter Bomber Squadron, Alexandria AFB, Alexandria, La.

So Long, Men.

"Jake" Snyder.

"It happened 40 years ago..."

Hal W. Cobb, Central Division safety supervisor for Michigan Bell, talking to Field Engineer Warren A. Pickering outside the telephone building in Saginaw, recalls that the Benefit-Pension Plan started the same year he began his telephone career.

"I'll always remember my first day with the Telephone Company back in January, 1913. It was 12 below zero the day I started as a lineman."

"That same month the Company's Benefit-Pension Plan was established. The Company put up the money in 1913 to get it started and has paid all the costs ever since."

"The Telephone Company's Plan not only provides retirement pensions. It also gives financial help to employees of all ages in meeting emergencies that may come with sickness, injury or death."

"For instance, there were the times when I was sick in a hospital for weeks and got my pay checks just the same, thanks to the Benefit Plan."

"One of these days I'll be retiring and, believe me, it's mighty comforting to know that I can count on a good pension when that day rolls around."

"Having our Benefit-Pension Plan with me all these forty years has meant a lot to me in peace of mind. It was a good, sound plan to begin with. And it's been kept up to date to meet the needs of changing times. I'll stack our Plan against any of them."

"It's People Who Make Telephone Service Good"

Michigan Bell Telephone Company

AN IMPORTANT KEY TO GOOD TELEPHONE SERVICE

Michigan Bell's Benefit-Pension Plan is one of the oldest of its kind in industry.

It is one of the things that makes the Telephone Company a good place to work.

Telephone men and women have the protection and security of a complete benefit and pension program with all costs paid by the Company. This includes liberal benefit payments for sickness and accident disability, death and retirement.

Folks do a better job when they have a feeling of security. The Plan contributes to that feeling among telephone people. So it's a good thing for your telephone service, too.

The Benefit Plan is an important part of what we mean when we say... "Our policy is to furnish the best telephone service at the least cost to the public, consistent with financial safety and fair treatment of employees."
