"Red Devils" Take Mancy Tie for 2nd in C Conference

Legion Auxiliary Met Tuesday

The Legion Aux. Unit 227 held their regular business meeting of the month Tuesday, February 10, at the Legion Home. President Lillian Bennett, was unable to attend as one of her children was ill so Past President Martha Kamradt conducted the meeting. It was reported that the Auxiliary had donated \$24.80 to the March of Dimes Fund. The money was raised by having a raffle. Several of the girls also donated their time by serving at the Pancake Supper given for the benefit of this fund. Augusta Hayes was elected 2nd Vice President and Marie Woodcock elected Sgt. at Arms to fill vacancies in these offices for the rest of the year.

Soft-Ball Field Lighting System Ready by Spring

In The Herald's editorial of last week the subject of "Where the lights for the softball field were", was brought up. This brought a considerable amount of information to light and, as the fellow that told us said, "Here's the scoop!"

The lights, purchased by the East Jordan Softball Ass'n, are all stored in the basement of the City Bldg. and are all paid for.

By taking their time, the cost of lighting our softball field in East Jordan has been considerably reduced. Most of the material already purchased has been obtained from suppliers at practically wholesale prices. Consider the cost of the ten poles erected. Normally the cost of these poles is around \$1.50 per ft. These poles were purchased from Consumers Power Co. at a cost of 12¢ per ft. They had lain on the ground and had a slight rot on one side to a depth of about a half inch. After the use of a little elbow grease and a draw shave these poles were good as new, and a wood preservative was applied.

Originally scheduled to put up a system of six poles and 20 lights, at a cost of around \$700, it was decided, after this lucky purchase of the poles, to put up the regulation size lighting system consisting of ten poles and 32 lights which will cost in the neighborhood of \$1200. \$800 of this is already paid.

Negotiations are already under way to purchase the heavy wiring necessary for the job, at as low a cost as possible. Also needed is the switchbox and 32 1500 watt light bulbs (no small item as they sell for around \$5.00 each).

Plans are to have this lighting system in working order by early spring. The wholehearted cooperation of one of our East Jordan firms has been responsible for the steady progress of this project and for the low cost of the material and supplies needed. It is this type of cooperation that has made the completion of many of the worthwhile projects in East Jordan a possibility today.

Tid-Bits

See by the daily paper where a heading states "Intruder Takes \$45 and Flees From Family" . . . Wouldn't that give you the itch?

Oh for the life of a newspaper man . . . especially on Friday the 13th. We only got raked over the coals twice, everything went wrong all-day, and we just couldn't make a nickle. Next Friday the 13th we're going to stay in bed all day.

Well, there's one thing you can say about the Herald anyhow. . . we call a spade a spade. Trouble is there's a lot of fellows who would like to take the spade and hit us over the head with it.

Speaking of Friday the 13th, "Electric" Lou Gardner was talking with a fellow at noon that fateful day out in front of Jenny's Lunch. This fellow, "unbeliever" of all this bash about the 13th, told Lou so in no uncertain terms. He then backed away from the curb, drove down the street 20 feet, and a tire blew out with a resounding "Bang", which should have settled that argument but good.

Central Lake is really on the map now. With US-31 closed from Eastport almost to Kewadin Monday for rebuilding, US-31 "Temporary" now runs smack through the village.

We hope the Herald is never accused of making little indirect snide remarks about this or that. Either say it directly or not at all is our motto. We haven't got time to fill the Herald full of "cute little sayings."

Just to start an argument, we see in the daily paper the other day an article on a surplus of milk in Michigan. Of course down near the bottom was the little gimmick about it being partly caused by the sale of colored oleo. We asked several grocers about how the sale of oleo had risen since the coloring was added, and they all said the ratio of sales of butter to oleo had not changed a particle. We sure would like to see some data on the subject.

Mancelona High School's "Ironmen" became the ninth victim to fall before the local high school cagers here last Friday evening as they dropped a 55 to 44 decision to the Jordanites. It was the second decision of the season for the Jordanites over the Antrim County boys and enabled the Red and Black to move into a second place tie with Gaylord in the Northern Michigan Class "C" Conference standings.

Charlevoix all but clinched their third straight conference crown with a top-sided triumph over Pelston at Charlevoix Friday night. Charlevoix now leads the pack with 9 conference wins in 10 starts. Gaylord and East Jordan both possess 7 won and 3 loss records to tie for the runner up spot with two more games to go.

East Jordan jumped into an early lead in Friday night's tussle with Mancelona and were never headed as they led 11 to 9 at the end of the first period and 25 to 18 at halftime. The Jordanites boosted the lead to 10 points at the three quarter marker and were ahead 35 to 25. Mancelona made its most serious bid in the closing minutes of play but the locals were able to hold the margin to go on to win.

Warren Frank, senior forward, topped the locals offensively with 19 points followed by Milstein with 12. A. Patrick dumped in 16 tallies toward the loser's cause.

Coach Max Damoth's Reserves, who were beaten earlier in the season by the "Ironmen" Seconds, reversed the table this time scoring a 42 to 29 triumph over the Mancey Reserves.

This week end Friday the Jordanites will travel to Boyne City where they will tangle with the Boyne "Ramblers" in what promises to be a bang up battle.

Cayo - Rude

(Muskegon Chronicle)

Exchanging wedding vows and rings in the rectory of St. Jean's Church yesterday at a fireplace mantel graced with mixed flowers were Miss Dolores Cayos and Willis B. Rude. The bride is the daughter of the Victor Cayos, 1534 Eighth street, and Mr. Rude is the son of John S. Rude, East Jordan. Officiating at the ceremony was Rev. Ernest Bernott.

The bride and her attendant, her sister, Mrs. Desire Lambert, wore grey and navy ensembles. That of the bride was a flannel suit and navy accessories and her flowers were white roses.

Her sister's dress was of grey jersey. She also had navy accessories and a corsage of harmonizing flowers.

Mr. Rude asked his brother, Arthur, to be best man. To attend her daughter's wedding with other members of the bridal couples immediate families, the bride's mother wore a purple dress and hat and had a shoulder corsage of white carnations.

Breakfast was served to 25 guests in Cottage Inn after the ceremony. Gracing the table were a bouquet of seasonal flowers and a three-tier cake.

When Mr. and Mrs. Rude return from their wedding trip to Chicago they will reside here. She is a graduate of St. Jean's School and is with Maihofer, Moore & DeLong and Mr. Rude, an alumnus of the University of Michigan is employed in the office of Central Paper Company, Inc.

STUDENT COUNCIL HAVE ESTABLISHED HALL MONITOR SYSTEM

The Student Council, under the direction of Mr. Max Damoth and with cooperation of the teachers, have established a hall monitor system in the local high school.

Monitors chosen by study hall teachers and approved by the Council, will be seated at convenient places in the hall to check on standardized pass slips provided students going from one room to another during class periods. A miniature plaque will also be used as a pass.

It is hoped that unnecessary traveling in the halls will be eliminated by this system.

Special Lenten Devotions At St. Joseph Church

The season of Lent begins with Ash Wednesday. Every year, on Shrove Tuesday, The Church burns the palms left from last year's celebration of Christ's triumphal entrance into Jerusalem shortly before the crucifixion. These palms are burnt to ashes. The ashes are blessed with great solemnity on Ash Wednesday before Mass and laid on the foreheads of the faithful by the priest, who says: "Remember man, that thou art dust, and unto dust shalt thou return."

Lent is a season of penance, prayer, mortification and self-denial. Special lenten devotions will be held in St. Joseph Church during Lent. Wednesday evening at 7:30 Way of the Cross, sermon and benediction of the Blessed Sacrament. The Wednesday services will be conducted by the Franciscan Fathers from Petoskey. Sunday afternoon at 3:00 there will be the Holy Hour for peace in the world, our boys in the armed forces and reparation for the sins of the world.

Letterbox

Dear Editor:

I see where Dulles came back from his overseas trip. You know, the one where he's supposed to try to organize Europe into a sort of United States-like affair. That's quite a job. "And Dulles, he's no dumbbell. If he tries too hard he'll have an organization over there that maybe our kids will have to fight sometime."

So let them scrap and stay divided. When the time comes they fight together just like they did to fight Hitler.

It's just like here at home. We might scrap and call each other a lot of names, but let any stranger try to fight either side and he'll take on the whole gang!

The -S81B- sound system manufactured by Rawland-Borg which was installed in East Jordan High School last September, certainly has proven itself to be very helpful in locating students and teachers, as well as being the source of much entertainment and knowledge, such as President Eisenhower's State of the Union Address, the Inaugural speech and also music during the lunch hour, enabling students to dance during that time.

The Rawland-Borg sound system has the following facilities:

1. Dual Channel — One distributes radio, phono, or microphone to one or all rooms, while the second simultaneously permits inter-communication with any room.
2. FM-AM Radio Receiver.
3. Self contained three-speed phonograph.
4. Two microphone inputs.
5. Room return feature permits the broadcasting of a program originating in any one room.
6. Two way conversation.
7. Monitoring loud speaker.
8. Remote control, for the gymnasium.

The great versatility of this system is now well known among the students and teachers of East Jordan High School.

JOHN LENOSKY ELECTED STEWARD

John Lenosky, of 505 Third St., East Jordan, was elected steward of Hedrick House at Michigan State College for the remainder of the winter term.

Hedrick House is a cooperative living unit for male students attending M.S.C. Founded in 1939, it has the distinction of being the first in the nation to be owned and operated by college students.

Reluctantly, I admit I've gotten approximately what I deserve.

IN MEMORIAM

In loving memory of our dear son, brother and uncle, George Melvin Moore, who passed away February 25, 1950, 3 years ago today.

Memories are treasures no one can steal. Death is a heartache nothing can heal. Some may forget you now that you're gone, But we will remember, no matter how long.

Thoughts of you who was so dear, Often bring sadness and many a tear, Thoughts often return to scenes long past, Time goes on but memories last.

The Charlevoix county chapter of the American Red Cross will launch its 1953 fund drive March 1 to raise a quota of \$3,770. Geo. LaBlance, Jr., of Charlevoix, county fund chairman, has announced.

However, before asking for further funds to continue the work of the chapter, Mrs. Don Haig of Boyne City, chapter chairman, has requested that an account of the chapter's activities for 1952 be revealed so the people of the county may see what is being done to carry on the work prescribed by the Red Cross.

According to a report compiled by Mrs. H. W. Patrick of Boyne City, executive secretary and the chapter's only paid worker, the chapter handled 208 cases last year, 132 of which were new cases opened during the year. In addition to this there were 129 requests not considered cases. Cases include such things as investigations for military regarding servicemen for the Red Cross is the only recognized liaison organization between the military and the civilian population, letters and telegrams regarding families of servicemen and other matters that demand investigations and reports. Requests are usually what the word implies, requests for information relating to a variety of subjects.

The chapter also has several programs which provide funds for servicemen, veterans and civilian needy. One is the loaning without interest of funds to servicemen. During 1952 nine loans totaling \$398.35 were made. Five grants totaling \$103.78 were made to veterans and servicemen's families who were in dire need and who turned to the Red Cross for aid. Among the grants was one given to a veteran's widow so that she and her two small children, who were left without funds following his unexpected death, might return to her parent's home in the south.

During the year four families were given grants totaling \$170.76 after losing their homes in fires. The chapter also helped collect clothing and furnishings for them and six other families and in some instances transported the things collected to their new homes.

In the water safety program, two Charlevoix county boys were sent to Aquatic School at the chapter's expense so that they might be trained as life guards to serve on the beaches in the county. During the months when summer camps and public beaches have swimming programs the chapter handles all aquatic awards made by lifeguards throughout the county.

At Christmas time the chapter joined with other chapters throughout (continued on last page)

Ernest Pinney East Jordan GI Killed in Japan

Ernest H. Pinney, an East Jordan airman was one of eight killed Friday when their amphibious air rescue plane crashed into the side of a mountain in southern Japan.

Airman 1/c Ernest H. Pinney, 20, was engineer aboard the plane which was enroute on an air evacuation flight from Beppu to Ashiya, in southern Japan. The plane crashed two miles southwest of Moji on Honshu Island. Three passengers, all Americans, aboard the plane were also killed.

Word of his death was received in a defense department telegram by the father, Glenn Pinney, of East Jordan.

Entered Service in '49 Airman Pinney, who entered service in 1949, went overseas in June 1952. He was to return to the United States in March on furlough, but his furlough was canceled after he re-enlisted for another three years, his father said.

Pinney attended East Jordan High School.

Besides the father he is survived by his mother, Mrs. Howard Boyer of Boyne City.

Marsha Pinney, 16, sister of the airman, was killed in an auto accident July 4, 1951, near East Jordan. — G. E. Press.

AN EDITORIAL "If the Shoe Fits"

We certainly were surprised at the virtual bees nest our "travelog" editorial of last week stirred up in East Jordan. But after thinking it over a while we were more concerned with "What has it stirred up" than the mere fact we have received hundreds of compliments and a good sprinkling of criticisms on it.

First off we want it definitely understood that it was not written with the thought of discrediting East Jordan. Absolutely not. It was written through the eyes of an outsider. If looked at in this light it certainly cannot be criticized. Those that did criticize it looked at it as through the eyes of an East Jordanite, which was definitely "not cricket".

However, if this editorial stirred folks to some real honest-to-goodness action, then it has done what we had hoped for.

If all it has stirred up is a lot of loudmouthed criticism, from "Pollyanna" type individuals who cannot see where East Jordan as a whole, and their own home or business place especially, cannot stand a nickle's worth of improvement, then it has failed, and we're sorry we ever brought the subject up.

But to get back to the subject at hand, which is namely "What Improvement Can East Jordan Stand, and When Do We Start?" The first place any improvement can start is in the heart of East Jordan businessmen. Petty jealousy, credit grabbing, "behind-the-back" sniping, must go out the window.

The conduct of public meetings in East Jordan was brought to our mind by a successful businessman. He stated a meeting of a businessmen's association, chamber of commerce, or whatever, should be conducted in an open and unafraid manner, where everyone should be able to speak his mind without fear of reprisal. All suggestions headed in a definite direction, and the question at hand settled then and there in an intelligent manner without loud-mouthed tempers flaring up. Too often in East Jordan these questions brought up are batted back and forth, nothing accomplished, and the meeting hashed over for weeks afterwards at restaurants, etc., with never an accomplished end in sight. To be properly constructive, the meeting to be held should be properly publicized, a synopsis of the subjects to be talked about published beforehand, if possible, and those attending coming loaded with information on their "pet peeve" that the subject may be intelligently discussed and a definite decision made then and there.

Then too, is the fallacy that things that happen at public meetings are not printable. From our position, it is perfectly all right for someone to say something at a public meeting, but we immediately become a "stinker" if we print the same thing, and all in good faith. This idea, too, must go out the window.

The improvement of material things, too, could stand looking into, by many East Jordanites, especially businessmen. Why not walk across the street and take a

look at your building. For instance (take the Herald Building). Just at a glance you can see that the front needs a new cornice (how about it MaGee?), the tan colored bricks are sadly in need of cleaning, the entryway and woodwork needs repainting, and the old awning fixtures taken down. This is what we plan to do this year. What do you plan to do?

True many of our merchants have spent considerable time and money to put new fronts on their buildings and they are to be congratulated. Let the rest of us follow their leadership.

Another group to be congratulated are those that are spending time and money in an effort to induce industries to locate here. Other towns are making this effort and we're glad to see enthusiasm of this type taking shape in East Jordan.

However East Jordan has got to back up endeavors of this type 100 percent with deeds and not a lot of empty talk.

When you run a store you show windows are the "bait" that attract customers inside. The same applies where you want to attract industry to East Jordan. Your "show window" is the town as a whole, but more especially the business district. A good clean-up job by each one of us this coming spring and summer will be the best "bait" East Jordan ever offered to attract industry.

Sooner or later East Jordan must face the facts as they are. It might as well be now. There is no use in "pussyfooting" around dodging the obvious. We have our choice. We can either "fish or cut bait." We will never get anywhere by just going along for the ride.

Are we right or are we wrong? There's plenty of room for "Letters to the Editor" in the Herald. Let the public hear your views on the subject.

4-H Refrigerators Will Match Your Kitchen Colors

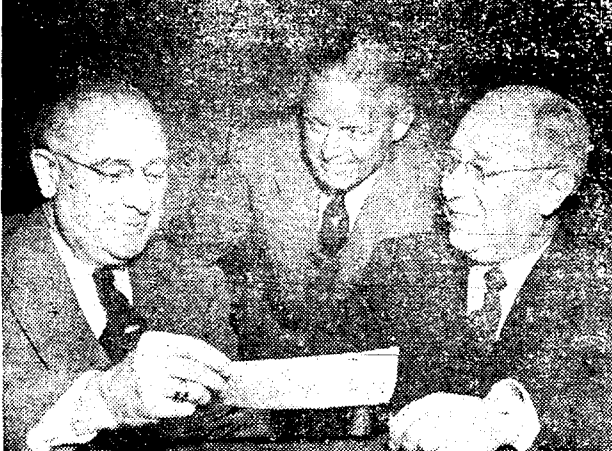

Start of the 1953 International Harvester refrigerator is the controversial "decorator" model; the appearance of which can be altered to match or contrast with kitchen—curtains, walls or tablecloth.

According to Paul Doctor and Melvin Essenberg, local International Harvester refrigeration dealers, the covering on the door of this "decorator" model can be changed in as little as seven minutes, using one and three-quarter yards of any fabric. The number of variations is limited only by the number of fabric designs available and milady's imagination.

Start 4-H Foundation Fund

Officials of the newly formed Michigan 4-H Club Foundation look happily at the first contribution to the fund to expand the 4-H Club program in Michigan which was presented by four Michigan racing associations. It was a check for \$25,000, the first of ten annual installments of a like amount to total \$250,000. Officials of the foundation are, left to right: F. H. Coward, Lapeer banker and treasurer; George A. Haggarty, Detroit attorney and foundation chairman, and A. G. Kettunen, state 4-H Club leader at Michigan State College and secretary. The foundation hopes to raise more than two million dollars to expand the 4-H Club program in many ways. Initial goals include funds to build a 4-H Club Center in northern Michigan to provide camping facilities, promotion of 4-H Club programs for urban boys and girls and an exchange of living experiences between rural and urban youth in Michigan.

Mich. Bell Tele. Co. Report Wages Paid Employees in 1952

The Michigan Bell Telephone Company reported this week that its wage bill for 1952 amounted to an all-time high of \$88,350,110 which went to 24,513 employees. The company paid out wages to employees located in 264 exchanges throughout its territory in the state, and the previous payroll record of the preceding year was surpassed in 1952 by about \$8,000,000.

For the company as a whole, the number of employees increased by 1,673 over the 1951 total.

It was pointed out that the tremendous postwar increase in demand for telephone service has been reflected in the payroll growth since 1945. The company's payroll has risen two and a half times in the past seven years.

Michigan Bell is now the state's fifth largest non-government employer, and one out of every 100 workers in the state is a Bell employee. About 8,000 new telephone jobs have been added in the past seven years, the company said, which represents an increase of 50 per cent.

Cities in which the company's payroll went over the million-dollar mark included Detroit, Grand Rapids, Saginaw, Flint, Pontiac, Royal Oak, Battle Creek, Lansing, Kalamazoo, Jackson and Ann Arbor.

It is Ordered, That two months from this date be allowed for filing claims against said estate; and that all creditors of said deceased are required to prove their claims to said Court at the hearing on claims to be held at the Probate Office in the said City of Charlevoix, on April 1, 1953, at ten o'clock in the forenoon; and that claims for expenses of burial will be heard at said Probate Office on February 25, 1953, at ten o'clock in the forenoon.

It is Further Ordered, That public notice thereof be given by publication of this order for three successive weeks previous to said day of hearing in the Charlevoix County Herald, a newspaper printed and circulated in said County.

Floyd A. Supp,
 Judge of Probate.

West Peninsula

(Edited by Mrs. Wm. Gaunt)

The Peninsula Farm Bureau met last Friday evening with Mr. and Mrs. Wm. Gaunt, with only 11 members and 7 children. So many are shut in with the Flu. The meeting was called to order by Mr. Boyer. The discussion was on Farm Tax. A potluck lunch was put on served by Mr. and Mrs. Wm. Gaunt. Mr. and Mrs. Vern Boyer expected to take the next meeting in March.

The Advance Board of Commerce held a Bake Sale last Thursday at the McCoy Market in Boyne City, which netted them the sum of \$48.00. They expect to turn this over on furnishings for their new Hall.

Mrs. Lyle Peters, Mrs. Louis Prebble and Mrs. Alfred Crowell with Margie Chanda and Louise Ostrom drove to Bellan last Thursday and spent the day at the 4-H Recreation School.

Mrs. Franklin Palminter accompanied with her daughter, Genevieve and Ruth Crowell attended the Party at the Farmers Union Hall last Saturday evening. Miss Ruth spent Saturday night with Genevieve.

One lady reported to me that it had snowed every day this month by February 3rd.

Mr. and Mrs. Roscoe Barber and children are confined to their home with the Flu. We hope they are feeling better at this writing.

Mr. and Mrs. Earl Bricker called Sunday at their daughter's home, Mrs. Albert Fiel of Deer Lake. They report the 6 month baby is confined to his home with the measles.

Mr. and Mrs. Lawrence Elzinga were Sunday afternoon callers at the Julius Elzinga home in Charlevoix.

Henry Howard took dinner Sunday with Mr. and Mrs. Wm. Gaunt.

Wm. Gaunt, Jr., was a caller Sunday at the Al Crowell home.

Mr. and Mrs. Wm. Gaunt spent Saturday evening with the E. H. Phillips family. Little Eddie Williamson is confined to home with the Flu, following the measles.

Mr. E. H. Phillips came home Friday from Alpena to be home for the week-end with his family. He leaves for Flint again Monday.

Bill Williamson is the new Jewell Tea Man and is busy calling on his customers.

Mr. and Mrs. Wm. Gaunt Sr., who have been under the weather with the Flu, are feeling better and able to get out again.

Mrs. Walter Hunsberger returned home Saturday after spending the past several weeks with her daughter, Mrs. Perry Snooks and family in Flint. She was accompanied home by her daughter, Mrs. Snooks and her daughter, Virginia.

Annual Tax Sale

STATE OF MICHIGAN

In the Circuit Court for the County of Charlevoix in Chancery. No. 184-4

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

On reading and filing the petition of the Auditor General of the State of Michigan praying for a decree in favor of the State of Michigan, against the parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said petition will be brought on for hearing and decree at the March term of this Court, to be held at Charlevoix in the County of Charlevoix State of Michigan, on the 2nd day of March A. D. 1953, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a decree will be taken and entered as prayed for in said petition. And it is further ordered that in pursuance of said decree the lands described in said petition for which a decree of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such decree, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the County of Charlevoix, State of Michigan; and that the sale then and there made will be a public sale, and each parcel described in the decree shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein; or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall be offered on the succeeding day, or before the close of the sale, be reoffered, and if on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Charles L. Brown, Circuit Judge, and the seal of said Circuit Court of Charlevoix County this 26th day of December A. D. 1952.

Charles L. Brown, Circuit Judge. Countersigned, Fenton R. Bulow, Clerk.

STATE OF MICHIGAN

In the Circuit Court for the County of Charlevoix in Chancery.

In the Matter of the Petition of John B. Martin, Jr., Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Charlevoix, in Chancery: John B. Martin, Jr., Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) \$1.00 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your petitioner prays: a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc. Dated: December 23, 1952.

John B. Martin, Jr. Auditor General of the State of Michigan, for and in behalf of said State.

Steady progress in spelling is a goal that we are striving to attain. We want to have six perfect spelling papers in our February spelling booklets.

From the book "Heroes and Holidays" that Dale Cutler brought to school, Mrs. Johnston read to us the story about George Washington. The story tells of the great service George Washington did for his country. We learned that there was never a day more worthwhile to celebrate than the birthday of this great man, and our first president of the United States of America.

The children who were on the Valentine Party last Friday did a nice job of entertaining their class friends. We thank the mothers of these children for making such pretty and delicious cupcakes and heart-shaped cookies for us to eat. Mrs. Johnston brought her electric corn popper to school and we had fun popping our own popcorn for the party. Special treats for the party were provided for us by Linda Sommerville, Linda Healey and Donald Bowerman.

Monday we were glad to welcome back to school, Jerry Chihak, Carol Fales, and Michael Bennett. These children have been ill with the measles or the flu.

Third Grade—Adeline Bowerman We had a very nice valentine party. We were glad to have Mr. Conway as our guest. We surprised him with a birthday party. Those who served on the party committee were Paula Burull and Nancy Lehrbass, Marvin Crawford, Keith Holly, Patrick Greenman, Kenneth Sineway, Gary Nemeck, Billy Gardner and David Umlor.

Reva Mayhew's sister, Sandra, was a visitor at our party.

Patrick Greenman reports that he got a baby brother on Lincoln's birthday.

Suzanne Malpass gave us a very interesting report on her visit to Detroit last week end. She visited the Greenfield Village where she saw the chair Pres. Lincoln was sitting in when he was assassinated.

In language this week we are learning how to use a telephone directory and about telephone courtesy. We are making a telephone directory for the members of our class.

Third Grade—Marie Hughes Our valentine party was jolly and gay as the beautiful valentine box brought in early in the week by Jean Combet. The box was filled to the top with lovely valentines.

The party committee was Darlene McClanathan, Charley Gardner, Larry Eichler, Emily Compo, Gladys Archer, Donald Metcalf, Michael McWaters, Bobby Goebel, Eleanor Kenny, Patsy Cutler, Bonnie Hughes, and Eddie Touchtone. They brought cake, cookies, sandwiches and candy. Michael's mother made a large cake shaped like a heart and decorated attractively with pink and white icing.

We have had several absences because of the flu germ. On two different days we had 10 absent.

We are reading "All Around America" in social science class. We are working on a notebook which will show what America is to each of us.

We saw a good movie on the Navajo Indians last week.

Our children enjoy the ice pond very much when we can use it. They have been playing well in the snow too.

Fourth Grade—Jean Strehl Thursday afternoon we celebrated Abraham Lincoln's birthday with a room program. The children sang some of Lincoln's favorite songs including "Dixie." Stories, poems and some of Lincoln's jokes were told by the children. Lanny Shepard brought some very interesting pictures of his visit to Abraham Lincoln's birthplace the past summer. Also on Thursday we saw the movie "Land of Liberty." It was very interesting for us at this time. We have our bulletin decorated with pictures of Abraham Lincoln and George Washington.

Red and white were the colors of our room last week. Everyone was busy making valentines and decorating boxes. Friday we had our Valentine party and exchanged valentine greetings. We would

like to thank all our mothers for the nice things they sent to our party. The mothers we wish to thank for our Valentine party are: Mrs. Hayes, Mrs. Gokee, Mrs. Russell, Mrs. Kotalick, Mrs. Porter, Mrs. Malpass and Mrs. Shepard.

We were sorry more mothers and fathers could not come to the P.T.C. supper.

Our room is beginning to look like fourth grade again with all the seats filled. We have had several children out because of the flu and measles.

Gerald Muma from Charlevoix visited our room last Monday. Everyone was happy to welcome him back. Gerald was in our room before moving away. We hope that he can come again.

STATE TOURNAMENT

Twelve teams from the Ladies League will bowl in Saginaw over the week end—making this the largest turn-out since E. J. first entered teams in the state tournament.

Teams to go as follows:—Dress Shop, Airport Bar, Sinclair Sales, Recreation, Drewry's, Canning Co., Bachmann's, C. L. Lumber, Pfeiffer's, Mich. Cleaners, Hite's, Rainbow Bar.

like to thank all our mothers for the nice things they sent to our party. The mothers we wish to thank for our Valentine party are: Mrs. Hayes, Mrs. Gokee, Mrs. Russell, Mrs. Kotalick, Mrs. Porter, Mrs. Malpass and Mrs. Shepard.

We were sorry more mothers and fathers could not come to the P.T.C. supper.

Our room is beginning to look like fourth grade again with all the seats filled. We have had several children out because of the flu and measles.

Gerald Muma from Charlevoix visited our room last Monday. Everyone was happy to welcome him back. Gerald was in our room before moving away. We hope that he can come again.

Fourth Grade—Grace Galmore Last week we had perfect attendance Thursday and Friday. About nine or ten now have been out with the flu and we hope the rest will not have it.

We enjoyed our valentine party on Friday largely due to the beautiful cakes, cookies and other treats sent by the parents. We wish to let them know how much we appreciated their thoughtfulness, Virginia Donaldson, Arvette this week. We will take a little of an exhibit of Michigan products Read and Norma Gee are in charge time now to study Michigan along with our study of the French explorers in Canada.

Monday, February 9th, we had a movie entitled "El Navajo". One of the most interesting parts was the sand painting by the medicine man. On Wednesday we saw the third movie in the Land of Liberty series. This was very timely as it covered the period of Lincoln's presidency and the Civil War.

Fifth Grade—Elizabeth Mosher Each pupil decorated his own valentine envelope. Friday at recess time Mrs. Strehl and Mrs. Larsen judged them. Sally Graham's placed first, Joan Clark's second, and Bruce Brintnall's third. Those receiving honorable mention were Elaine Pinney, Audrey Touchtone, Rudy Bulman and Agnes Zoulek.

We are making a short study of our state now. We have found that its history is very interesting also that it ranks first in salt and navy beans.

We are working difficult division problems now. Those people who follow directions are the ones who have the least trouble getting the correct answers.

We had a very nice valentine party Friday afternoon with lots of valentines and a very nice lunch. A "Thank you" to the mothers who furnished so generously.

Sixth Grade—Alma Larsen Mary Carol Hastie has moved to Hazel Park, a suburb of Detroit. Patricia Porter is in Little Traverse Hospital at Petoskey. We wrote letters to her today during our English class.

We were weighed and measured this week. We also had our eyes tested. Several children in our room need to wear glasses.

We really enjoyed our Valentine Party on Friday. We had apples, popcorn, candy, cookies and cupcakes. We decorated our own Valentine boxes. Some of us made large envelopes to hold our valentines. We played games after we ate our lunch.

We also have been studying about electricity in science. James Galmore gave an experiment on the electric bell that he had constructed. It was connected to a dry cell.

Jack Gee brought several things to show us that his father had brought back from Germany and France back in 1945. His father fought in the second world war.

Carolyn Malpass told the class about her interesting trip to Detroit this week end.

JUNIOR-SENIOR PARTY

A Junior-Senior party was held Tuesday at 7:30 p. m. This party was the out-come of the magazine sales held last fall. The Juniors, being the losers, sponsored the event.

Entertainment consisted of tobogganing, skating and dancing. Refreshments of barbecued beef sandwiches, cake and chocolate milk were served.

Chaperones included Mr. Jack Richardson, Prin. Keith Annear, Mrs. Alma Larsen and Mrs. Leatha Larsen.

4-H JUNIOR LEADERSHIP SCHOOL

Margaret Zoulek and Roger Stokes, both of East Jordan, attended a 4-H Junior Leadership School, held February 9-11 at Higgins Lake Conservation Camp.

They are members of the South Arm 4-H Club and each are Junior Leaders this year. Margaret is the junior leader of knitting and Roger is junior conservation leader.

The two were accompanied by Mr. Festerling and two Junior Leaders from Emmet county.

The Servicemen's LETTER

Hi Fellas:

The grape-vine told me some time ago that a Marine by the name of S. W. Corwin (Sam?) has been hurt in Korea. He was registered in the Marine Corps Gazette as being from East Jordan. I'm sorry to say that he is not on our list of servicemen receiving this paper. After considerable inquiry on my own I'm resorting to this letter to try and find out who and where he is. Will someone enlighten me?

A note concerning Radioman Bob Farmer over in Japan. Bob arrived in Tokyo OK and has 10 hours of school a day, 5 days a week, for 10 weeks ahead of him. When entering this school they give him a test. If he passes this test his schooling will be cut in half and he will only be required to take two hundred and fifty hours of schooling instead of 500. Bob's school address is: A3C Robert C. Farmer, 6017 Tec Training Sq., APO 994, c/o PM, San Francisco, Calif.

We were all saddened by the news this past week that Ernest Pinney had been killed in an airplane crash in Japan. Ernest enlisted just a short time ago and was looking forward to a short furlough at home during this coming month. Bob Farmer and Ernest were based just 25 miles apart and had been looking forward to having a 7 day vacation together as soon as Bob finished his schooling. Bob Cutler — Did you break your arm or something? Here you have been gone from Fort Riley since away last November and didn't tell any of us about it until just this past week. Bob is now overseas and his new address is: Pvt Robert Cutler, Co K, 5th RCT, APO 301, c/o PM, San Francisco, California.

Another new man on his way over is Berton Bunker who was reported as being assigned to the Prov Co No. 219, APO 613, c/o PM, San Francisco, California, for shipment overseas. Let us know where you land, Bert.

Tuck Thompson's address was passed on to me by Max Damoth tonight. It is: Pvt Duane C. Thompson, Qm Sec Hdqs, E. U. S. A. K., APO 301, c/o PM, San Francisco, Calif. Max said that Tuck was reported as being near Seoul so any of you men in that vicinity that can get around a little should try to look Tuck up.

John Bussing leaves Camp Chaffee on February 24th on his way home for furlough. He did not say what his next port will be but he will probably have word for us when he arrives in E. J.

Gosh, Camp Chaffee is losing all its good men. Here's a card from Gerald Olson telling us to hold up his paper too. APO's here we come.

Ed Drapeau, down at Laredo AFB is finding things a little rough. He says he hasn't had a regular pay since November. Do you suppose the Air Force has lost you, Ed?

Leo Danforth started for home from Camp Gordon, Georgia on February 11th. He will have a 12 day delay on route and is to report at Camp Kilmer on February 23rd. Our new Coast Guardsman,

CHRISTINE JORGENSEN DESCRIBES EMOTIONAL PROBLEMS

Read the revealing human document all America is talking about! If you're tired of the whole affair and want a clean break, why not try halitosis?

STREHL'S GARAGE

James Arnott, has evidently finished his training at Cape May, New Jersey and is on route to Boston for duty there. We'll have his new address for you soon. Don Graham was also due out at Fort Devens, Massachusetts on Feb. 14.

Here's a letter from Dale Gee, away up in cold — cold Alaska. "Hi Jake, Well buddy I finally made it up here after a ferry-boat and train ride. I left Camp Stoneman by ferry on the 23rd of January and boarded the USS Jackson at San Francisco the same day. Stayed in harbor all night and left the next day at 2 p. m. I was sick for three days but finally pulled out of it on Wednesday. Arrived in Alaska on the 29th and then came by train to here. Sure was glad to arrive mostly to get off that d— boat.

"I like it up here OK so far but boy, are things ever high. I expect to have my family up here this month. They are going to fly from Seattle to here. It took us five days to travel back from East Jordan. We were just ahead of the storm that hit. We left home at just the right time.

"I haven't been off the base since I arrived here but am going tomorrow for I am going to look at a house."

Dale's letter came from Anchorage, Alaska and his address is: T/Sgt Dale A. Gee, 1931st AACS Sq, Box 104, APO 942, c/o PM, Seattle, Washington. No—Dale—the businessmen haven't moved any new factories into town as yet but they've got some pretty hot leads, so I hear.

Army Home Town News Center sends us the following letter: "Pvt Richard E. Sommerville recently arrived in Korea for duty with the 45th Infantry Division.

RED CROSS DRIVE (continued from first page)

ghout the county in providing "Christmas on the high seas" gift parcels so that the servicemen enroute to and from overseas stations might have Christmas gifts. The chapter sent 10 parcels at the cost of \$25.00.

In June a successful Blood Procurement program was sponsored by the chapter under the direction of Mrs. R. G. Bennett of Charlevoix, blood chairman, with clinics in East Jordan and Charlevoix. The chapter set up the program and recruited volunteer workers who cooperated with the Michigan Department of Health mobile unit to secure 99 pints of blood from 108 registered donors. A percentage of this blood was turned over to the military for use on the war front and the remainder processed by the Health Department into plasma and fractions for use by the civilian population of the county who receive it without cost. One of the derivatives obtained is gamma globulin used in the treatment of polio. The canteens, financed by the chapter during the clinics, cost \$35.22.

The Junior Red Cross program in November raised \$152.45. Of this \$50 went to the children's fund, \$40 for enrollment fees and remainder was kept here for use in the county. Last year 55 gift boxes were packed by the children after the chapter had purchased the materials.

The Charlevoix county chapter has but one paid worker, an executive secretary, Mrs. Patrick, who operates the Red Cross office in Boyne City and who travels about the county where she is needed. All other workers are volunteers who give their time without compensation. The chapter offers 24-hour service on emergency calls every day in the year. Mrs. Patrick, as executive chairman, accepts calls at any time as do home service workers in East Jordan and Charlevoix. In East Jordan Mrs. E. H. Clark, who is also a director, is in charge of home service. In Charlevoix Fran Martin is the home service worker.

County officers are: chairman, Mrs. Haig of Boyne City; secretary, Mrs. Hazel Fritz of Boyne City; treasurer, Mrs. A. L. Livingston of Charlevoix; directors, Mrs. Bennett, Mrs. Clark and Mrs. Harry Watson of East Jordan, Mrs. Ross Alexander of Ironton, Mrs. Leo Jabolinski of Boyne Falls and Mrs. Frank Burns of Wallon Lake.

In 1952 the county raised a total of \$3,607 with approximately 50 percent remaining in the county to finance the Charlevoix county chapter. The remainder goes to help carry on the national program.

When planning new farm buildings or remodeling, remember that electricity has more and more uses each year, advise Michigan State College agricultural engineers. Put in enough wiring and outlets.

"The 46th arrived in Korea in December 1951 and captured "T. Bone" hill in June's see-saw hill battles. World War II veterans will remember this same division, in 1944, held its toe-hold at Anzio beachhead for four months against violent German assaults. They then attacked across the Tiber River and outflanked Rome.

"Pvt Sommerville is assigned as a radio operator with the division." Bernard Pearce left for back to camp last Sunday after a 10-day emergency furlough at home which allowed him to be at the bedside of his wife during the most dangerous part of her confinement in the hospital. I am glad to report that Barbara is much better and was at the bus-station to see Bernard off on Sunday.

Dale Bolser wrote from Alexandria AFB this last week to inform us that the paper was coming through regularly to him now. He asked for Vale Kellers address and here it is: A/3C Vale Keller, 1503 A. T. Sqdn, 1503 A. T. Wing, Box 157, APO 226, c/o PM, San Francisco, Calif. Dale also said that while most people thought that Louisiana was mostly swamp-land that it actually wasn't. It has lots of lakes and rivers and some beautiful country. They are building his base up quite a bit and he thinks that he is going to like it there. Alexandria is a very nice city. Dale also says, "Wish the boys overseas a lot of luck for me." Dale is with the 390th Fighter Bomber Squadron at Alexandria AFB.

Keep these letters coming in men. Let me know whenever you move. So Long, "Jake" Snyder.

Homemakers' Corner by Home Economics Specialists Michigan State College

High protein food at moderate cost is the double blessing of the fish dishes you prepare for Lenten meals. Michigan State College home economists point up the advantages of serving fish in a series of five attractive bulletins on how to cook burbot, trout, carp, smelt and white fish.

These folders and bulletins are available free of charge from your demonstration agent's office or by writing Bulletin Office, Michigan State College, East Lansing. The smelt folder, ESF8, gives some mouth-watering recipes for the Lake Michigan smelt coming into markets now in abundant supply. Smelt with onion cream gravy or tomato sauce, deep-fat fried smelt and baked or pickled smelt are some of the suggestions made in this folder.

Carp — an orphan of the fishes — is highly edible member of the Great Lakes fish products. Instructions on dressing a carp and making tempting sauces and loaves are given in folder ESF 1.

Recipes for Lake Trout and Whitefish is the title of a bulletin, No. 209, which gives careful instructions on how to select fish, prepare it and dress it up. Suggestions for hearty dishes such as baked noodles and trout, fish balls and fish salads appear in this bulletin.

Here is the recipe for a fish loaf — easy to make and nutritious. Put through a meat grinder two cups of raw fish, a small on-

Use Fluorides To Prevent Tooth Decay

Michigan is one of the leading states in the use of fluorides to prevent tooth decay, ranking first in the nation in the use of direct application of fluoride and ranking second or third in the fluoridation of public water supplies, according to A. F. Litzemberger, M. D., Director of District Department of Health No. 3.

A total of 25 Michigan cities, ranging in population from 1,596 in Lake Odessa to 176,000 in Grand Rapids, are currently adding fluorides to their water. The total population of the fluoriding cities is 786,856, comprising 20 percent of the people in the state served by municipal water supplies. Manicelona with a population of 1,000 is the first community within the jurisdiction of District Department of Health No. 3 to approve the addition of fluorides to their municipal water supply, and it is expected that equipment will be installed and operating by June.

Programs for the application of fluoride solution directly to the teeth have increased from 52 centers in 1951 to 105 centers this year. Michigan is the only state using dental and dental hygiene students, under supervision, in giving this protective service to children.

Direct application of fluoride will prevent an average of 40 percent of new decay. Fluoridation of water will prevent as much as 66 percent of tooth decay in children who drink the water during their first eight years when the teeth are being formed.

CARD OF THANKS

We sincerely wish to express our appreciation and heartfelt thanks to the many relatives, neighbors and friends for the deeds of kindness, expressions of sympathy and beautiful floral tributes, during the recent passing of our loved one. BASKETBALL

Ellsworth won their fourteenth game of the season Friday night as they outclassed a small but scrappy Alanson five to the tune of 90 to 35. The Lancers who have been plagued with injuries were still not back to full strength as high scoring forward, Allen Elzings, was still sidelined with a sprained ankle. Henry Klooster, who just recently returned to the lineup, recouped from ankle injuries, threw in 35 points from the pivot spot to lead the scoring. Jim Smith, fast stepping Lancer guard tossed 27 points from out front to share scoring honors with Klooster. Stan Ruus, the other mainstay guard, looped 16 points with some fine sharp shooting. Lark D. had 15 points to lead the Alanson scoring.

The Ellsworth junior high team was beaten handily by the Alanson junior high by the score of 88 to 24.

Ellsworth has cinched the league title, but has one more league game to play. They will host Alba this week end.
