## Representatives of Jordan Valley Co-op Creamery Attend Meeting

### Len Swafford Well Known in E. J. Passes Away

Leonard Clay Swafford was born March 11, 1886, in Kalkaska County and passed away at his home in East Jordan, February 27, 1953, following a paralytic stroke two weeks previous. He had been afflicted with a heart ailment since 1943.

He came to East Jordan with his parents, the late Eliza and Henry Swafford, in 1903. On June 12, 1907, he was united in marriage to Miss Florence Carr of East Jordan. She passed away in September 1937 at Hermansville, and on June 30, 1940, he was united in marriage to Mrs. Edith Bartlett who survives him. Mr. Swafford was employed by the East Jordan Lbr. Co. as foreman in the saw mills until they finished lumbering in 1927, when he went to Escanaba, then to Hermansville, returning to East Jordan in 1938.

Surviving are the wife, one brother, Mabin, Sarina, Ont., Canada; a step-daughter, Mrs. Jean Quick, Concord, Mass.; several nieces and a nephew, Mrs. Lona Sullavin in Detroit, Mrs. Christie Gould in Detroit, Mrs. Pauline Roberts of Lake City and Raymond Swafford of East Jordan. Funeral services were held at 2:30 p. m., Friday, February 27, 1953, from Watson's Funeral Home, conducted by Rev. Robert Moore, interment at Sunset Hill, East Jordan, under the auspices of the East Jordan Lodge No. 379, F. & A. M.

Relatives from away to attend the funeral were Mr. and Mrs. Charles Quick, Concord, Mass.; Mrs. Christie Gould, Detroit and Mrs. Pauline Roberts, Lake City.

### Week Day Meditations In Methodist Church

The Methodist men under the leadership of Richard Schroeder, will conduct a devotional service, at 7:45 p. m., in the church, to be followed by a sermon meditation given by the pastor. At 8:15, two classes will be conducted; Church History will be taught by Richard Schroeder and The Meaning of Christianity will be taught by the pastor.

The public is invited.

### Notice to Candidates

Candidates for the Office of Mayor, Alderman, and Justice of the Peace (to fill vacancy) of the City of East Jordan, Michigan, must have their petitions in the hands of the City Clerk, not later than 5:00 P. M. on Friday, March 13, 1953.

Thelma M. Hegerberg, City Clerk. 10-2

### Robert E. Flagg Former Resident Passes at Van Dyke

Robert E. Flagg, of 22142 Panama Ave., Van Dyke, Michigan, formerly of East Jordan, passed away on Saturday, February 21, 1953, in Memorial Hospital, Van Dyke, following a heart attack.

Mr. Flagg was born in East Jordan, Michigan, on July 26, 1910. His mother, Mrs. Susan M. Flagg, passed away in 1947 at Alden, Michigan.

Surviving are his wife, Elsie; two daughters, Nancy Ann, age 5 and Myrna Kay, age three; his father, Mr. Elijah Flagg of Frederic, Michigan; a brother, Kenneth of Chattanooga, Tenn.; and a sister, Mrs. Arthur S. (Theresa) Raiche, of Ferndale, Michigan.

Funeral services, conducted by Rev. O. J. Huchel of Ryan Baptist Church, Van Dyke, were held at Jones Funeral Home, Centerville, Michigan, interment in Cadillac Memorial Gardens, Mt. Clemens, Michigan.

Fred Walker, Carson City, was elected vice president of Mid-West Producers Creameries, Inc., which closed its 1953 annual meeting at South Bend (Feb. 27) after hearing reports, predictions and advice from some of America's top leaders in the dairy industry.

F. H. Suhre, Columbus, Ind., was elected president of the group and Leslie Mapp, Dayton, Ohio, E. J. Ryger again was named manager.

Attending this meeting and representing the Jordan Valley Co-operative Creamery, were the following men accompanied by their wives: William Parsons, Charlevoix, President; Frank Bur, Cheboygan, Vice-president; Arthur Brintnall, East Jordan, Plant employee; Percy Penfold, East Jordan, Manager.

All Michigan member plants were represented at the meetings. Following are the men who headed each delegation: G. S. Coffman, manager for Coldwater Dairy Co., Coldwater; T. Lutz, president and R. V. Eirschele, manager for Constantine Cooperative Creamery Co., Constantine; I. K. Maystead, president for Michigan Milk Producers' Ass'n., Detroit; Imlay City and J. P. Kenney for Elsie; Frank Cahill, manager for Fremont Coop., Creamery Co., Fremont; Mark Westbrook, president and Mr. Walker, manager for Dairyland, Co-op. Creamery Co., Carson City and H. W. Fleisher for Dairyland, Greenville plant; R. B. McKinley, manager for Grant Coop. Creamery Co., Grant; John R. McLachlan, manager for Tri-State Coop. Ass'n., Montegomery.

Resolutions adopted by the creameries urged more enforcement of federal and state laws governing sale and advertising of oleomargarine and asked also for increased appropriations to enable stronger enforcement and also urged increased cooperation in accumulating more funds for the advertising and sales promotion of dairy products, through the American Dairy Ass'n.

F. W. Tiedman, director of the dairy department, American Farm Bureau Federation, spoke of the declining demand for butterfat and urged concerted effort by the dairy industry for stricter enforcement of existing margarine control laws and an effort to recapture the color yellow, as the only effective means of protecting the public against fraud. He also called for greater research and improved selling methods.

Milton Hult, president of the National Dairy Council, stressed greater product research as a means of developing new sales appeals; development of new markets from the vastly increased population and a new program of bringing the story of milk and its products to the consuming public.

Donald Anderson, Washington, deputy director of the dairy branch, Production and Marketing Administration, U. S. Department of Agriculture also pointed to the increased population, but warned dairymen not to depend too much on it, because there are far too many people fighting for every consumer dollar. He called for an over all program and told the assembled dairymen to decide among themselves, what they want from the U. S. Government. "Other industries do not hesitate to call upon their government for help when it is needed and I see no reason why the dairy farmer and the dairy industry should be reluctant," Mr. Anderson declared.

James E. McCarthy, dean of the College of Commerce, University of Notre Dame, delivered an inspiring address in which he deplored the current trend toward moral delinquency, he insisted was the result of public apathy. He called for a revitalized public demand for simple honesty at all levels of economics and society.

W. E. Otto, secretary of the Lansing, Michigan, Chamber of Commerce, was a noon luncheon speaker with an entertaining message, in which he declared that leaders of government never are any better than the people they represent.

### Board of Review

The Board of Review will convene at the City Clerk's Office in the City Building, Monday, March 16, 1953, and shall continue for at least four days successively to complete the review.

Thelma M. Hegerberg, City Clerk. 10-2

## Rev. Nathan Hawks at United Missionary Church Mar. 9 - 22

Rev. Nathan Hawks of Mancelona will conduct Revival Meetings at the United Missionary Church each night, at 7:30 p. m., March 9th - 22.

Rev. Nathan Hawks

When Sundays become long and dull it's time to make some changes in your activities, and not stay at home, but come to the United Missionary Sunday School. If you are between the ages of two and 102, a good lively class awaits you. Start now and get into the swing for Rally Month which is April.

### SOUTH ARM TOWNSHIP BOARD OF REVIEW

The South Arm Township Board will meet at the Town Hall on March 9th and 10th for the purpose of reviewing the assessment roll.

Benjamin B. Smatts, Supervisor. 10-1

## "Red Devils" Take Onaway Finish 1952-53 Campaign

### Board of Review Jordan Township Antrim County

Board of Review will meet at the Jordan Township Hall on Mar. 9th and 10th, 1953, for the purpose of reviewing the 1953 assessment roll.

George W. Stanek, Clerk. 10-1

### Joe Nemecek Appointed A & P Manager

Joe Nemecek, former manager of the East Jordan A. & P. Store, has been appointed manager here. He will officially become manager on March 16th. For the two weeks prior to his active management Joe will be "learning the ropes" from retiring manager Al Witte.

Leaving the local A. & P. in 1945, Joe Nemecek entered into a partnership with Percy Penfold and John Bos, to construct, open and operate the Jordan Frozen Food Locker Plant. Around 1947 Joe sold out his interest to the remaining partners and went into the frozen food field for a short time. Following this he accepted a position as manager of an independent, at Port Huron where he has been super market, A. Ferris & remained since.

Joe is well known here, having been with the local A. & P. for at least 10 years. Welcome home, Joe.

### Charlevoix Co. Red Cross Drive 1953 Quota Set at \$3,770

The American Red Cross last week turned over to the Office of Defense Mobilization 1,714,996 cc of gamma globulin which will provide 245,000 average polio shots for national distribution by the ODM this coming summer to be used in the prevention of paralysis from poliomyelitis. George LaBlance, Jr., Charlevoix County fund chairman, was notified recently.

This was the first consignment of the blood fraction which the Red Cross will provide the ODM under an agreement of last December when the program was inaugurated in the national interest. The Red Cross is collecting the blood for production into gamma globulin and is paying for the fractionation processing and packaging. Mr. LaBlance said in making the announcement.

The Red Cross will continue to turn over to the Office of Defense Mobilization all supplies of gamma globulin as it comes from its laboratories. All allocations of gamma globulin will be made solely by ODM and all final distribution of the product will be the responsibility of the state health officers, the Red Cross spokesman emphasized.

Pointing out that although the allocation and distribution plan being projected will assure a supply of gamma globulin to communities where it is needed in every state, the Red Cross also em-

phasized that only through wise citizenship participation can the program be successful. The organization urged that only through greater year-around contributions of blood and larger contributions of funds during the March Red Cross Fund Campaign for the processing, packaging and handling of gamma globulin can the nation as a whole benefit from this program.

Workers in Charlevoix County opened their drive Monday to raise funds to carry out not only the expanded blood program necessary if the supply of the precious gamma globulin is to be stock-piled but also to perpetuate the organization's routine services. Among these are services to the servicemen, the veteran and their families; the water safety program; a blood procurement program to provide whole blood for the armed services and plasma for the home front; and disaster services wherever a disaster may occur.

Charlevoix county's quota for 1953 has been set at \$3,770.00. An effort will be made to reach the goal and complete the drive by March 15. A report on the current drive will be made next week, Mr. LaBlance said.

### EJHS Band Eligible for State Finals at E Lansing

The East Jordan High School Band, under the direction of Mr. Emile Acitelli, received a first division rating at the district qualifying contest held in the Petoskey High School Auditorium, Feb. 28, 1953.

The band, consisting of 34 members, is now eligible to enter the state finals to be held at East Lansing April 25, 1953.

### BENEFIT BINGO

There'll be a Benefit Bingo March 12th, 8:00 o'clock p. m. at Odd Fellows Hall for the benefit of the Harold Henderson family. There will be 20 games played, 50 cents for the evening.

## Sadie Liskum, Leatha Larson Receive 4-H Leadership Pins

A record turnout of 4-H leaders met for their annual meeting last week at East Jordan, Ed Rebmam, county agrl agent announced today. The 4-H leaders group were treated to a very fine chicken dinner as a reward for their services to the 4-H club program in Charlevoix county.

Mrs. Henry Erber of Boyne City and president of the association was in charge of the program. The recreation for the evening was under the direction of six leaders of the peninsula 4-H club. These leaders had recently attended a recreation school at Belaire and they presented to the group some of the latest in games and entertainment for 4-H club members.

Mrs. Paul Hufford of Petoskey gave a very fine report to the group on the state 4-H council meeting held at Lansing the last week in Jan. Mrs. Hufford represents the northern part of lower Michigan on the state council. Mrs. Emma Reinbold, home demonstration agent gave several suggestions to clothing leaders in preparation of 4-H achievement day.

### East Jordan and Charlevoix Meet Friday at Petoskey

East Jordan's Red Devils will play Charlevoix Friday night at 9:00 o'clock, to determine the District Class C Championship, at Petoskey H. S. Gym.

Tuesday night East Jordan beat Harbor Springs 66 to 45. Wednesday night Charlevoix beat Boyne City 49 to 43.

Two barns and two silos on the T. F. French farm burned to the ground late Monday night, along with a horse, a pig, a baby beef and 5 or 6 calves. The French farm is located about halfway between Ellsworth and East Jordan, or 1/2 of a mile north of what is known as the Miles Schoolhouse corner.

Fire Departments from East Jordan and Ellsworth responded when called at 1:10 a. m. and kept the fire from spreading to nearby corn cribs, implement sheds and the home.

Mr. French drove out of the barn 21 head of milch cows, approximately 18 head of young stock, and drove the tractor and litter carrier away.

Mrs. French awoke to find the house lit up brilliantly found the barn in flames and phoned the fire department and neighbors, a couple of whom took over and notified all neighbors possible. She stated that the window of her home and the telephone by it were hot to the touch at the time of phoning.

A great help in saving the house was the wind shifting from south to almost east shortly after the fire started.

The barn approximately 36x65 and 40 x 90 in size. One silo was empty, the other two-thirds empty. Also lost in the fire were 30 tons of hay, 15 tons of silage, 1000 bushels of oats, barley and wheat, a combine, 6 tons of fertilizer, one ton of which was pure nitrogen, farm wagon, milking machine and small tools. Buildings and contents were only partially insured.

The barn was newly wired about a year and a half ago and had been inspected by an insurance inspector at the time. None of those entering the barn recently were smokers.

The Frenchs now have their cattle housed in the Warren Frank barn and the calves and young stock in their own large pig house for the present.

The farm the French family live on is west of what was known to old timers as the Nichols farm. At one time the farm boasted the largest number of barns of large size on any single farm in this area, the largest of which blew down several years ago.

The pure nitrogen fertilizer had been placed in the barn within the last couple of days, and the baby beef was due to have been butchered Tuesday or Wednesday.

### Pomona Grange At Boyne River

Charlevoix County Pomona Grange No. 40 will meet with Boyne River Grange March 10.

Meeting will be called to order at 8:30. There will be a Chinese Auction - on cakes. Come win a cake! Pot luck supper after the meeting.

Helen Lumley, Secretary.

### Nice Winter - What?

February scores again with very mild weather. There were 13 days when it did not freeze, day or night. The average Max. temperature was 32 degrees, and the average Min. was 19.3 degrees, for a mean of 25.65. The snowfall was greater than usual, with a water content of 3.07 inches, which is 1.77 above average. The mean temperature was 6.15 degrees above the 25 year average.

Compare these figures with February, 1934, and start shivering. During February of that year there were 13 days below zero, with lows of 34, 39, 21, 18 and 25 below. Those 13 days totaled 222 degrees below, for an average of 17 below. Some days the Max. did not get up to zero.

A good civic project would be for someone to circulate a petition asking Congress to pass a law against a repetition of those figures.

### CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to our relatives, neighbors and friends for their many kind deeds and expressions of sympathy extended at the loss of our dear husband and father, Harold Henderson. We especially wish to thank Rev. Moore for his comforting message, the organist, pallbearers and those who sent floral tributes and cards of Sympathy.

The East Jordan High School "Red Devils" put the finishing touches to a successful 1952-53 cage campaign at Onaway last Friday evening as they scored an impressive 56 to 43 triumph over a tall Onaway High School quintet.

It was the second win of the season for the Jordanites over the highly touted Northwestern Michigan aggregation, whose only other losses this season were at the hands of Class B Rogers City.

Coach Saxton started four seniors and a junior in the season's final and the seniors came through with flying colors in the last cage contest of their high school athletic careers. Warren Frank, Richard Freeman, James Milstein, and James Shepard contributed 20, 9, 8, and 9 points respectively. Evans, the only underclassman in the starting lineup, added 10 points.

The Jordanites, thanks to an early scoring spurge, led all the way and at no time were they seriously threatened. The Red and Black got way to a 12 point lead before the host team was able to score a single point. East Jordan was in front 20 to 12 at the close of the opening stanza and 32 to 24 at the intermission. At the three quarter marker, they were still in front by a seven point margin leading 42 to 35.

Coach Max Damoth's East Jordan Reserves dropped Friday night's opener to the Onaway Seconds 47 to 28. Pete Nemecek was again high point man offensively for the "Red Devils" with 12 points.

Tid-Bits

A lady came in the Herald Office the other day in a somewhat disgusted mood. Said she, "You would think that some people would have better manners than to call me up and try to buy some of my late husband's personal belongings, and almost before his funeral, I would at least like to have some of his things to give the children when they are grown up." Says we, "Lady, this world is full of a mess of cold, heartless vultures who are looking for personal gain only and have absolutely no feeling for another's sorrows. Their only goal in life is the greedy gratification of that great god (in their estimation) known as ME."

Comical sideline on the uprising of many farmers concerning the New Zealand beef situation: Never once heard a farmer complain about Canadian beef being sold in the U. S. of which New Zealand beef merely took the place of because of disease restrictions. The same newspapers that were stirring up a fuss about it, and trying to make heroes out of those who refused to sell it, were printed on newsprint made in Canada. What's the difference? We'll bet a plugged nickel there isn't a newspaper in Michigan that isn't printed on newsprint made in Canada, most of it coming from Sault Ste. Marie, Can. How many farmers who were mad over this situation can tell us exactly how many dollars worth of American goods were imported into New Zealand in 1952? What's the difference?

At least one farmer who lost heavily on the drop in beef prices last fall is attempting to stir up a boycott of butchers who sold New Zealand beef. This is just about as stupid as trying to boycott the Jordan Valley Co-operative Creamery because much of the cream used in making butter is run through a vacuum device made in Australia. Sound stupid? So is trying to build a wall around the USA stupid.

Last Friday a fellow came in the Herald Office grumbling about the high price of potatoes in East Jordan. One grocer with potatoes for 69c a peck told him it was "because of the freight". Another was charging 80c a peck. This put us to investigating. Noticing potatoes at 49c a peck in one store we inquired. Saturday we stopped in and saw a wholesaler who could supply "all you wanted" of peck bags of Russet potatoes, properly printed and packed so a grocer could make a reasonable profit at 49c a peck.

Jenny and Orval Davis at Jenny's Lunch never realized the power of an advertisement in the Herald until last week end. Putting on an introductory special of Borden's ice cream for .87c a half gallon, they sold out by Saturday noon, and could have sold three times as much by Sunday night. With the use of more and more home freezers, buys like this are snapped up in a hurry.

Speaking of home freezers, have you seen the new 20 ft. model Melvin Essenberg and Paul Doctor at the Ellsworth Farm Store are offering? It's just what you've been waiting for.

And where else but at George Sherman's Hardware could you buy a \$200.00 console 8-tube radio-phonograph combination for \$99.95? Almost \$100.00 off on an electric clothes dryer. See his advertisement this week. George just won't be beat on prices.

Two new signs on Main street have made their appearance lately. A Bright new "Lennox" sign plus some rebuilding on the front of the building at the Jordan Heating and Refrigeration Co. by Clarence Lord and Glen Campau, and a new Borden's ice cream sign at Jenn's Lunch, makes things look brighter up this way.

Since last Wednesday the Jordan Valley Co-operative Creamery has two smoke stacks about 15 ft. apart. Bill Porter and his crane "Marion" did the job with a home made extension boom turning the trick. Bill says, "No, the reason the new stack is a couple feet taller than the old one is because it was made that way, "Marion" didn't stretch it out like that."

School News

MOVIES "It's the Brain that Counts", was the name of the movie shown February 24 in the East Jordan High School Gymnasium. The film sponsored by the "Women's Christian Temperance Union", was shown to grades five through eight.

It showed the harmful effects of alcohol on the brain and possible results from the use of it.

P. T. C. NEWS Dr. Gillespe of the Child Guidance Clinic in Petoskey will speak at the regular P. T. C. meeting on Wednesday, March 11, 1953, at 8 p. m. in the East Jordan High School gymnasium. Refreshments will be served.

WINTER SPORTS Skiing has been excellent the past week but the attendance has been poor atop Mount Nebo. Better known as Winters Hill, the slide is located north of the city water supply reservoir. An easy access to the hill is by way of Division Street making a left turn at Sixth Street and following Sixth north to its end. The ski-tow is open to skiers and tobogganists Saturday and Sunday afternoons and Tuesday and Thursday evenings (weather permitting). The tow is free but spring and warm weather are coming so get that winter fun now.

JUNIOR PLAY "Finders Creepers", a three-act comedy by Donald Payton, was chosen by the Junior class of East Jordan High School. It is to be presented sometime in April. This play is one of the Maxwell series. Try-outs for the cast are now under way and according to Mr. John Downing, director, practice will soon begin.

Tickets are being sold for the Mystery prize which will be given away at the Junior play. Tickets are available from any eighth grade or sophomore student. It is sponsored by the Sophomore class.

F. F. A. NEWS There will be a joint meeting at the High School, Wednesday, March 11, at 2:15 p. m., of the Supervised Farming committee with Jack Zoulek chairman. Cooperation committee with Ken Shepard chairman, the Community Service committee with George Nelson chairman, the Charlevoix Soil Conservation District Board of Directors, and George Klooster and Carl Grutsch of the Agriculture Advisory Council.

This group will make plans for a soil run-off plot, and elect a special action committee to carry out the project.

The purpose of the project is to determine the amount of water that runs off the different types of soil management. Several different plots showing different types of soil cover and treatment on a seven percent slope will have the water run-off caught in cement tanks. After each rain the amount of water and soil in these tanks will be measured and recorded.

This demonstration is for public observation and will be permanent.

FESTIVAL The Acapella Choir and Mixed Chorus under the direction of Mrs. Alta Drapeau, will attend the District No. 2 Vocal Music Festival which will be held March 28 at the Traverse City High School. All schools earning a high rating will go on to the state festival which will be held in May at Mt. Pleasant.

The East Jordan High School vocal department has competed at State for three consecutive years.

HIGH SCHOOL BOWLING The High School Bowling League will start their second round next Saturday. The team standings from the first round are:

Farmer's Meeting At Petoskey March 12

Grass will be enthroned as king of profitable farming as farm folks join Michigan State College extension specialists in the 1953 Winter Grass Institutes, Ed Reisman, Co. agr'l agent said. These institutes are a follow-up on the Grass Day's held last June and are being held only in those counties that held a Grass Day in 1952. Ways to gain profit from pasture, to improve storing of silage and how to use forage feeds to best advantage will be discussed at the institute.

Farmers from Charlevoix and other neighboring counties in this area will gather at 9:30 a. m. Thursday, March 12, at the Lincoln School Gymnasium located one block northeast of the junction of U. S. 31 and M-131 in Petoskey.

A motion picture dealing with all phases of grassland farming and provided by the College Grass Day Committee will be shown from 9:30 to 10:15 a. m., according to R. S. Lincoln, the host county agr'l agent. The morning program will also include discussion on "Soil Management for Higher Forage Yields" by E. D. Longnecker, Soils Specialist; "Managing Forage Crops for High Quality" by D. L. Clanshan, farm crops specialist, and "Harvesting and Storing Forage for High Quality" by R. G. White, agricultural engineering specialist.

Luncheon will be served at noon by the school hot lunch department for 75 cents per plate. All people attending will register and have an opportunity to purchase luncheon tickets as they arrive. Included in the long lunch hour from 12 to 1:30 p. m. will be a chance to see grass, hay, silage and allied exhibits and the judging of grass silage and hay samples brought in by farmers.

A discussion on "Feeding Forages For Greater Profit" will open the program at 1:30 P. M. This discussion will be led by Donald Murray, dairy specialist and W. L. Finley, animal husbandry specialist.

Of special interest from 2:30 to 3:00 will be a round table discussion on Profitable Pasture Production. Farmers on the panel will include James Griffen and Everett Shepard of Harbor Springs, Kenneth Bare and Robert Williams of Petoskey and Stanley Vorce, Cross Village, Charles T. Lathers of Brutus will be the panel leader.

The institute will close with the announcement of the winners in the grass silage and hay judging contest.

Table with 2 columns: Name, Score. Includes Olson's, Somerville's, Clark's, Darbee's, Chanda's, DeHaven's.

The three high games for the boys last week went to David Clark, who rolled a 171 game; Al-an Somerville with 170, and Floyd Detloff with 167.

High games for the girls went to Betty Jo Strehl (substitute) who bowled 184; Sally Swafford 155, and Betty Jo Strehl (substitute) with 145.

Shirley Matthews bowled three games of 83. This is the first time in the High School League that anyone bowled three like consecutive games.

SUPERINTENDENT'S MEET Superintendent E. E. Wade attended the Northern Michigan Superintendent's Round Table at the new Gaylord School Thursday, March 5, 1953.

The Round Table consists of superintendents in the northern part of the lower peninsula from Manistee to the Straits. During the morning those attending inspected the new building. A business meeting was held in the afternoon. Problems discussed were: Current legislation concerning schools and problems concerning local situations.

FUTURE HOMEMAKERS OF AMERICA Approximately 90 boys and girls of the Future Homemakers of America and the Future Farmers of America attended the scavenger hunt held February 25 beginning at 7:30 p. m. Following the hunt the group returned to the High School where refreshments consisting of cocoa, sandwiches, jello and cake were served. Dancing followed.

North Wilson

We're getting our share of cold weather during the last few weeks. Saturday evening the mercury fell to 18 below in some places here in Wilson.

A large number of people here are and have been suffering with the flu the past few weeks. Mr. and Mrs. Charles Reidel celebrated their 45th wedding anniversary February 28th with friends and relatives.

Miss Alma Wolters and Mrs. Ida Wolters of Chicago spent the past week with her sister and sister-in-law and husband, Mr. and Mrs. Horace Warn.

Mr. and Mrs. Gerg Craig of Saginaw spent a few days with her parents, Mr. and Mrs. Pete Boyer.

A family gathering at Christ Lutheran Church at Boyne City a week ago Sunday afternoon was much enjoyed by all who attended.

**FEBRUARY 15, 1913**

At the Temple Theatre next Tuesday evening, Miss Louise E. Loveday will present the poetic drama—"The Piper"—by Josephine Peabody, donating her services, as will also the metropole Orchestra, for the benefit of Charity. The proceeds will be distributed through the medium of the Presbyterian and Methodist Ladies Aid Societies.

Miss Flora Simmons is assisting at W. P. Squier's office as stenographer.

Business at the post office is booming, Thursday nights late train brought twenty-six sacks of mail for the local office.

A flying piece of barrel heading struck Roy Bayliss in one of his eyes Friday morning, while employed at the Cooperage plant. The wound necessitated treatment by a physician.

Mrs. E. N. Clink was pleasantly surprised Saturday evening by the Pythian Sisters. All enjoyed the pot luck lunch and the "make yourself at home" feeling always enjoyed at the home of the hostess.

A recent issue of the Christian Science Monitor contains a fine half-tone view of East Jordan (East-side) with the following comment: "East Jordan, Mich.—Beautifully situated at the head of south arm of Pine Lake with streets paralleling shore on natural terraces giving residents views of lake and valleys. In Charlevoix county, western Michigan. Population, 3,000. Commission form of government. Shipping facilities over three railroads and deep water. Seventeen manufacturing industries, water works, electric lighting, cement works, paved business streets, two banks. Rich valley produces, excellent fruits, vegetables, grass and grain." The above publication is of international fame and has a circulation equal if not greater than any of the big dailies. The article is of considerable value to our city.

**FEBRUARY 16, 1923**

The residence of Anthony Kenny on Garfield St. was destroyed by fire early Wednesday afternoon. Practically all of the household goods on the main floor were removed and saved as was considerable from the second story. The fire which evidently originated from the furnace, had gained some headway when discovered and an alarm turned in. The chemicals were put into use and a line of fire hose laid only to discover that the hydrants were frozen. The firemen finally had to back up to the hydrant corner of Main Williams Street laying hose for nearly three blocks before water could be obtained. Four hydrants were found frozen. During this time the flames spread through the structure and before the fire could be subdued the dwelling was a complete loss.

Dear Editor;  
Westbrook Pegler says that you can't buy friends. And who could be more right? There are folks and there are folks. Take those on welfare, as proved in Detroit not too long ago, those folks that were getting aid raised their children to get aid. And in most instances it was brought out that these aid getters were doing everything to bite the hand that was feeding them.

Just like I mentioned about those healthy business advertising in the Herald. A good businessman knows that to keep his business alive he must advertise. And where are his friends and customers? Why, right here at home. Sure, there are many cases where folks go out of town to buy. Why? Because someone somewhere else advertised and told our home town folks that they had a product that was needed. You don't find a man going into business boarding up the front of the store and keeping his wares a secret. If he did he'd soon be out of business.

Take as an individual case, the Ellsworth Farm store. He advertises in the Herald. And it can be rightly said that he gets a right good piece of business out of the East Jordan area. You don't run over to Atwood or to Boyne City if you want some farm tools if you can get as good a deal, perhaps better, than if you had gone all over.

Another case in point, The Bell Telephone Co. They advertise in every local paper where they have their service. They know that just to keep the good will of the folks they serve is a big point in advertising. Just notice when you go into a place of business of one of those that advertise in the Herald. That man has a healthy smile and wants to be your friend and he's going to stay in business a long time. But you go into one that doesn't and you're liable to get your hand bitten when you extend it even if to shake hands.

Addenda to my report;  
Saturday in town;

Folks have found Jenny's. They are streaming in there for that good coffee and they found that she can really cook.

Porter's Hardware is another spot with that down-to-earth forthrightness. Bill Porter or Ing Olson, if they haven't got what you need, will get it for you or tell you where you can get it.

The Jordan Heating and Refrigeration. I know both the Lords and the Campaus. Glenn and Clarence know their business and I've met a lot of folks in their line.

And over to the Co-op. What George Rebec hasn't got stored around the place for just your asking I can't think of. If it isn't there it'll soon be there, you only need to say that you want it. The Gas station end keeps up the same idea of keeping on hand what most folks need and if it isn't there, it's on the way. Just ask Forest Thacker once. You know that all this comes under the management of Bill Stanek.

Ed Lehrbass.

Dear Editor;

East Jordan does have one thing and that is a newspaper that will print the truth. The letters are a true story of a town that is dying a slow death. The merchants would not get as much as they do if it were not for the men who work in other towns to support these families, then spend their pay here. I feel so differently, my income is not coming from East Jordan and is not going to be spent here if I can help it. I have a family to support and have tried to get work here but couldn't. But I did find work within 10 miles of East Jordan.

Men with families travel many miles a week to spend a day with their families, endanger their lives and the security of their children, because there is just no work in the old home town. Many are selling their homes and moving away so they can live and let live.

Groceries here are higher than the wages. Other towns sell the same things and are cheaper, why should the little housewife, when in another town and sees the same things for less money, buy at home? When the youngsters need clothes and if your lucky enough to have the money you naturally turn to Mail Order houses or a day of shopping in (a nearby city). It will save you money also boost up your moral to see the busy shoppers and best of all you really have more to show for your money. I hope East Jordan does start a new industry it sure would make a better place to live. But, myself like so many others, are not really expecting it. Seeing is believing.

Yours Truly,  
John Mervis.

Dear Mr. Editor;  
After reading the letters in your paper these past weeks, I would like to say a few words. I do think that some very good points have been brought to the attention of not only the business people of our community, but also to the farmers, the working man, and the housewife. Now I am concerned not only as a housewife, but also as a farmer.

It isn't only the rough and bumpy roads we housewives have to worry about when going to town, but the high cost of living to consider. I realize the men have to do a lot of thinking too, but we are the ones who have to make the budget balance. Now if there were any reason for it all it would be different. Some people think the farmer is to blame because the price of meat and vegetables are so high, but do they know that when a farmer takes a good, well fed beef to market, the most he can get for it is .10, .12, and .14 cents a pound. After a farmer has kept this beef for a year or two, fed it and cleaned after it in winter and had it eating the pasture in summer, that could have gone to a cow that was producing milk, he has to take a price next to nothing. Do they know that beef that sells for 12 to 15 cents a lb. today sold a year ago for 26 to 30 cents. These prices mean on foot or live weight. But still we have to pay from .49 to .60 cents a pound for hamburger and weenies. I would like to know who is getting rich, certainly not the farmer who does all the work. Who can blame the merchants for going to the stock sales to buy their beef and pork, it's the farmer who gets it in the neck.

Is there a man anywhere in town who puts in the hours a man on the farm does? Not only does the man work but the whole family has to pitch in to get the crops harvested. Is it any wonder the boys and girls raised on a farm go to the city as soon as they finish school to look for work with wages what they are? You don't see men who farm for a living have time for any outside recreation, I never heard of a farmer's bowling team or a baseball team. We can't even get to a school basketball game, unless we start to milk in the middle of the afternoon. We will take our vacation when we get too old to enjoy it.

Mrs. Arnold Smith.

Dear Editor;  
The New Zealand Beef problem has been solved. Now we are faced with a new problem, known as the Tideland Oil Issue. It seems the battle is still on in Congress to give the 50 billion dollar oil reserves under the ocean to three states.

The history of the matter is: In the 1930's oil was found lying under the ocean off the coast of California. The oil was out beyond the low water mark, but the state of California issued leases to oil prospectors anyway.

Late in 1930 Sec. of Interior, Ickes, claimed this land belonged to the Government and filed suit. Finally in 1947, the Supreme Court held that Ickes was right, that land and its mineral deposits, lying under marginal sea beyond the tidelands belonged to the government.

In 1950, the Supreme Court reaffirmed its position with respects to lands under the marginal seas of Louisiana and Texas. Sen. Hill (D. Ala.) helped introduce a bill which would retain federal ownership of off-shore oil and natural gas reserves worth about 50 billion dollars, and divided the royalties between the federal government and three states. The federal government getting 62.5 percent, the three states 37.5 percent. The federal government share would be used for urgent National defense purposes, then for helping the nation's schools and colleges.

The present drive is to give away to these three states all rights to oil and natural gas under the open seas, which the Supreme Court says belongs to the people of the 48 states.

Write our Senators asking them not to give away our share. Yours truly,  
Harry Pearsall.

## Legion Auxiliary Held Semi-social Meeting Feb. 24

The Legion Auxiliary, Unit 227, held their semi-social meeting at the Legion Home Tuesday, Feb. 24, with president Lillian Beckett in the chair. It was decided that the Auxiliary would have a Bake Sale to raise money for the kitchen fund, Eva Peterson will have charge.

Following a short meeting the rest of the evening was spent playing pinochle. It seems that Marie Woodcock is the Champ. She has won first prize both nights cards have been played. If you haven't been attending these social meetings and think you are a pinochle player, how about coming to the next one and challenging Marie? A lot of the girls are just learning the game and all members who can play are happy to assist so if you can't play but would like to learn now is the time. We want to make these meetings a lot of real fun for everyone. A nice lunch was served by the hostess, Margaret Kenny, with Lillian Bennett assisting.

Next Auxiliary meeting to be Tuesday, March, 10. Be sure and attend.

## Vandenberg - Potter

(Ellsworth)

The Atwood Reformed Church was the setting for a lovely wedding Friday evening, February 27, when Martha Vandenberg, daughter of Mr. and Mrs. Bert Vandenberg of Ellsworth became the bride of David Potter of Charlevoix. Rev. H. Fike, pastor of the church officiated at the single-ring ceremony performed before the candlelighted altar, decorated with palms, evergreen boughs and clusters of white wedding bells.

Mrs. Hans DeYoung, organist, played traditional wedding music and accompanied Mrs. James Vandenberg who sang, "Always" before the entrance of the bride party and "I Love You Truly" just before the vows were spoken. She also sang, "The Lord's Prayer" as the couple knelt following the speaking of the vows.

The bride, given in marriage by her father, was lovely in a white bridal satin gown, fashioned with

# The Servicemen's LETTER

Hi Fellas:

You know the two letters that were reported from Joe Chanda and Lyle Peck last week. Well, the paper had only just nicely been printed when along comes another from Joe. And inside this letter was a photo showing he and Lyle standing over a small stream in a Japanese garden. It didn't take these two long to locate each other. Their letter follows: "Well, here I am at school so will drop you a few lines. School isn't bad. Tomorrow we start taking motors apart. I should be good at that, ha, ha.

I got the surprise of my life the other night coming out of the mess hall, I started down the hall and who do you think I saw — Lyle Peck. He wouldn't have seen me if I hadn't hit him on the arm. Boy, you should have seen the look on his face when he saw me. It sure is nice to see somebody from home for a change. Lyle will be here with me for five weeks so the army life won't be bad for awhile. Joe."

Lyle wrote in the same letter — "Joe said I was surprised. He doesn't know how much. This school I am going to is rough. We have a test just about every day. I am doing, not too bad for me. I'll close for now as Joe and I are going to the show. I got paid so we can go places." And Lyle signed himself as "The Jordan Kid." Lyle is in Company "E" and Joe is in Company "F" of the Eta Jima Spec School, 8098th A. U., APO 354, c/o PM, San Francisco, Calif.

Larry Streeter has evidently found himself a civilian apartment in California. His new address is: A12C Lawrence E. Streeter, AF 16403 413, 1254 W. Cedar St., Oxnard, Calif. Larry is still with the 354 Fighter Squadron.

Betty Robertson told me the other day that Earl Muma will be off for Newfoundland around June 1st. That ought to be a good place to spend the summer, Earl.

Don Braman is reported as spending some time in port at a small town on the western shore of Mexico. He wrote that the village was in the midst of high mountains and that it was very, very beautiful. In fact it would make a wonderful honeymoon resort — he said.

Bernard Pearce arrived back at Fort Sill this last week and discovered that during his absence he had come up for shipment to Camp Kilmer and was immediately withdrawn by his CO upon intercession of the Red Cross. In the resulting mixup of the mails Bernard lost track of some mail. We hope the situation is cleared up by now, Bernard, and that Barbara will be out of danger soon.

Roy Hedden writes from Maryville, Tennessee, which is a town near the McGhee Tyson Municipal Airport where Roy is stationed. "It is about time that I sent a letter in telling you how things are coming here in Tennessee. I have

been here at McGhee Tyson for over a month now and I have decided that I don't care for the base or I should say the place they put me in. I am now Chief Clerk in the 516th Material Squadron. As this squadron just started up, or should I say activated, the 16th of February and the men in the orderly room have never handled the paper work. Just one guy in the whole office knows what should be done. Well, you can see how I have my hands full in teaching the guys. For now I'm doing the work and they are looking on. No fun for me.

You can have my address changed for I have my wife with me and we live at 318 Gamble Ave., Maryville, Tennessee. My address at the base has also changed which is 516th Material Squadron, McGhee Tyson Municipal Airport, Alcoa, Tennessee.

Haven't gone to see the fellows that are over at Oakridge but I'll drop in on them before long for we go riding around every Sunday and it will make a nice ride over in that part of the country. We were up in the Smoky Mountains and I think the hills right home are just as pretty for nobody can talk me out of Michigan. Just as soon as this enlistment of mine is up you can expect to see me coming home.

This will be all for this time. I hope to see you in June for I want to take another leave home. Roy Hedden."

Pete Lundy has a change of address at Fort Knox. Pvt Richard Lundy, Sv Btry, 509 Arm'd FA Bn, Div Arty, 3rd Armored Division, Fort Knox, Kentucky.

Russell Fyan writes from Forbes AFB: "Well it's about time I would like to have stayed there. I am in the Eagle Squadron here waiting for a crew. Then I guess we will go to Japan. That's where all the crews go that leave here."

I am an aerial Photographer. We will be flying in B29's. I can't say that I like them too good. I heard that Jim Raymond is out here. I am going to try and see him if I can get time. Tell him to look me up if I don't get to see him as they keep me pretty busy.

My new address here is: A13C Russell Fyan, Eagle Squadron, Forbes AFB, Topeka, Kansas."

Jim Raymond is at Forbes. He is in the 815th Sup Sqdn, I hope you two fellows can get together.

Two new men who enlisted in the Air Force last week are Carl and Phillip Decker. They left together and so far have been kept together. At present they are living in the same barracks. Their address is: Flight 2364, 3651 Training Squadron, Sampson AFB, New York. Put an A/B in front of their name. Another man who went in with these two is Ralph Eggers. Rumor has it that he is with them at Sampson.

Mail started coming back for

Wilbur Craft from Korea this week. Deduction — Wilbur must be on his way home for rotation, perhaps discharge. Will someone post me?

Dave Wade — you asked about a man named Sam W. Corwin who was registered as from E. J. His address now is: Sam W. Corwin, Weapons Co HMG, 2nd Bn, 1st Marine Regt, 1st Marine Division, c/o FPO, San Francisco, Calif. He was wounded a short time ago but is due to be back up on the front lines around the 7th or 8th of Mar. His last known position was on the Eastern sector towards Japan. He is due to be rotated home in July.

A postal card here informs us that Cpl Wayne Pearce is now with the Co A, 461 Inf Bn (Hvy Mort), 3rd Platoon, APO 301, c/o PM, San Francisco, Calif. He is in Korea near the front lines. He's not cooking any more. He says he has plenty of clothes, good food, and a sleeping bag three inches thick filled with feathers. Looks like the Army has traveled true to form. When they get you overseas they make what they want out of you. Good luck, Wayne.

Here's a letter from the other direction — Germany. Darwin Morris writes, "Well I guess I better drop you a line and let you know what our address will be for the next two years.

"First of all, we landed at Bremerhaven the 12th and went down to the 19th when we went to Frankfurt and then yesterday the 21st, we came down here. We had a good trip over but we were on one of the best troop ships there is — the Gen. A. M. Patch.

"We are near Bad Abling, Germany now. There are mountains in the distance. Some snow, too. We aren't very far from Switzerland. Our new address is: 325 Comm Recon Co., APO 108, c/o PM, New York, N. Y. Pvs Darwin, and Delwin Morris."

A week or two ago I asked about several men and one of them was Ronald Kenny. This last week I found out that he has been discharged from the service. Last month he married Phyllis Griffin from Boyne City and they are living at present at Ellsworth. Ronald is working at the Morwell Steel factory there.

You men in Japan or Korea take note of the following: If any of you happen to be at the Tiha-kawa Air Base near Tokyo and are interested in seeing someone from home contact Pauline Clark, Nichols, who is stationed on the Base. You will find her husband, Col. R. T. Nichols, at the Base office. That's all for this week.

So Long, "Jake" Snyder.
