SEVEN CENTS

EAST JORDAN, MICHIGAN, FRIDAY, APRIL 10, 1953

SEVEN CENTS

NUMBER 15

"Memories of East Jordan" To Be Presented April 17th

The Grade School Operetta, "Memories of East Jordan" will be presented for the public in the High School auditorium at 1:30 on Friday, April 17th.

You will see that Grandmother telling her memories of the early days and the children are alike in mind. Fairies and brownies could be very real to them. The things which interest the children are the things Grandmother delights in telling.

Did you know there were five boats playing between East Jordan and Charlevoix daily through the season?

Did you know there used to be a swing bridge where our present bridge is to permit large freight boats to dock and load up the river?

In 1894, Mr. L. A. Hoyt, lumber inspector, reported that during that season 141 vessels loaded at the docks outside of the regular line of boats; 15 million feet of lumber, 6,000 cords of wood, 8,000 of bark and 3,000 ties and posts were shipped.

In 1911 there were 696 students in the public schools, 110 of them in kindergarten.

The public is invited to see and hear the grade school children interpret in song and story, "Memories of East Jordan."

CHARLEVOIX COUNTY POMONA GRANGE

Grange will meet with Peninsula Grange April 14th. Meeting will be called to order at 8:30 by Master Al Smith.

After the business meeting there will be a cake walk. A pot luck supper will be served after the cake walk.

Helen Lumley, Sec'y

Smelt Run At Advance To Start Soon

It is expected that the smelt run at Advance will start in the near future. The creek will again be supervised by the Advance Board of Commerce, who for many years have policed the creek and timed the dips, so that everyone may have an equal and sporting chance to get as many smelt as possible.

A stand is also close by, making it possible to purchase soft drinks, coffee and hamburgers.

FARM FACTS
from your
County
Agricultural Agent
Ed. Rebman, Co. Agr'l Agent

Early spring, before heavy work begins, is a good time to make a thorough check of all farm machinery, reminds Ed Rebman, Charlevoix county agricultural agent. He notes that it's easier to get by without a tractor for a few days now than when spring work is in full swing.

An oil burning tractor or one with bad compression probably will give other trouble when the work load is on, cautions the agent. He advises heading off troubles with a complete tune-up.

Clean, rest or replace breaker points. Clean and check plugs. Inspect ignition wiring. Adjust timing. Clean and refill air cleaner. Check lubricant in the final drive and transmission. Tighten down to do a full season of work.

Spark plugs are very important, points out Rebman. The right plug doing a good job in a well adjusted engine will have a powdery brown deposit. Plugs with dull, sooty or black oil deposits are trouble indicators.

Sooty deposits indicate too rich carburetion or a poor spark from faulty ignition wiring, a weak coil or breaker points that are pitted and out of adjustment. Oily plugs come from engines using too much oil and point to worn rings, valve guides or bearings. A few hours or days now may save a week or a crop later.

Time is growing short to get ready for the spring planting season, advises Ed Rebman, Charlevoix county agricultural agent. Farm equipment should be put in tip top shape before field work starts, he stresses, to prevent costly accidents and field breakdowns. Here are some safety tips:

Check machinery hitches, seats, clutches, brakes and other controls. Check revolving parts as gears, chains, shafts. Check power take-off and other shields. Check fuel line and wiring systems to prevent fires. Check for dirt, trash, and grease on platforms, pedals, foot rests or steps and remove them for safer footing when the work starts.

Careful operators will equip tractors with fire extinguishers, advises Rebman. They also will put on holders for grease guns and other service tools. Loose accessories cause falls and casualties. A solid step and a secure grab bar will cut falls when getting on or off tractors.

Special care is needed checking home made labor saving devices for hazards, Rebman stresses. Safety is overlooked by the farmer when he builds his own equipment.

Beef can be stored six months to a year at zero temperatures; however, ground meat should not be kept in a home freezer or commercial locker longer than 45 days.

Election Results

MAYOR
1st Ward — Bussler 90, Taylor 62.
2nd Ward — Bussler 72, Taylor 94.

3rd Ward — Bussler 112, Taylor 233.

ALDERMEN
1st Ward — F. Strehl 90, D. Shaw 50.
2nd Ward — Dan Bennett 191, Archie Griffin 74.
3rd Ward — R. Malpass 226, Wm. Rebec 110.

Liquor Proposal defeated 215 to 448:
1st Ward — 64 yes, 90 no.
2nd Ward — 66 yes, 99 no.
3rd Ward — 85 yes, 259 no.
Closing a portion of Spring St. Proposal accepted 534 to 118:
1st Ward — 109 yes, 40 no.
2nd Ward — 130 yes, 32 no.
3rd Ward — 295 yes, 46 no.

PTC To Meet April 15, 8 p. m.

14 "Red Devils" Recieve Letters In Basketball

AVOID WEAVING IN AND OUT OF TRAFFIC

April temperatures have provided the combination to the lock on winter's door. Children, eager to test their new-found spring freedom, may plunge recklessly through traffic on their bicycles. The Automobile Club of Michigan urges motorists to be on the lookout, and parents to warn their youngsters against weaving bikes in traffic. And to make sure children remember, Auto Club has sent 10,500 full-size copies of this poster to elementary schools throughout Michigan.

AN APPRECIATION

I wish to thank my relatives and friends for cards and flowers and those who called on me while I was a patient at Little Traverse Hospital.

Mrs. Howard Boyer
Boyer City, Mich.

CARD OF THANKS

We wish to express, but cannot fully do so, our thanks to our friends and relatives for their many acts of kindness following the death of our son and grandson, Alric Ernest Howard Pinney, for their floral offerings, sympathy cards and letters, also to the Jassamine Rebekah Lodge for the lovely meal served us, the Air Force from Oscoda and Rebec-Sweet Post American Legion for their services. Also to Rev. Robt. Moore for his comforting words.

Mr. and Mrs. Howard Boyer
Mr. and Mrs. Wm. VanDeventer
15-1

Pre-school Clinic Will Be Held Thursday April 16

Spring is the time to have your children immunized against smallpox, Diphtheria, Lockjaw and Whooping cough. Especially those youngsters who will start school in the fall.

The local health department places special emphasis on immunizing in the spring because it takes time for the body to react to vaccines in building up antibodies to fight disease.

By getting his "shots" in the spring the child who will enter kindergarten in the fall will have plenty of time to build up maximum protection—protection particularly important to him because he will be in constant association with many other children, thus increasing his chances of exposure to disease.

Dr. Litzbenburger, Director of the Charlevoix County Health Department, will be in the office of the Community and School Nurse in the grade school building, on Thursday afternoon, April 16th, 1:30 to 3:00. A well baby and pre-school child clinic will be held at this time.

Fourteen members of the 1952-53 "Red Devils" were awarded letters in basketball according to an announcement by Coach Gayle Saxton on Monday of this week.

Four seniors will be lost from this year's aggregation, which compiled a 16 won, 6 loss record, finished in a second place tie in the Northern Michigan Class C Conference, and copped the District and Regional titles. They are: Richard Freeman, James Shepard, Warren Frank and Sam Milstein. Junior lettermen named were: Steve Hayden, Keith Evans, Clinton Clark and James Weisler. Rounding out the list were four sophomores: Robert Darbee, Robert Romback, Robert Danforth and Alan Sommerville.

Keith Evans was chosen honorary captain of this year's quintet in a recent balloting by his team mates. During the regular season a captain is chosen for each contest.

U. S. Department of Agriculture nutritionists report that it is difficult to plan a nutritionally sound diet with less than five quarts of milk a week for each person in a family.

EJHS Baseball Team Prepares For Opening Game, April 13th

Father and Son Banquet Held Tuesday, April 7

The annual Father and Son Banquet, which is sponsored by the East Jordan Rotary Club, was held on April 7, 1953, at the High School Gymnasium.

The group sang "God Bless America," and the invocation was given by Rev. Edward O. DeHaven, preceding the banquet which was served by the ladies of the Evangelical Lutheran Church.

Following the meal, Toastmaster Harry Watson introduced Vern Whiteford, president of the Club, and Frank Strehl, chairman of the committee for the event.

The program was as follows:
Toast to Sons — Harry Jan-koviak.
Toast to Fathers — Joa Jankov. iak.

Magic Act — George Nelson.
Assistant — Roger Stokes.

3rd Annual Father & Son Kentucky Derby
1st — Age 10 and under — 3 laps.
2nd — Ages 11 to 13 inclusive — 3 laps.
3rd — Ages 13 to 16 inclusive — 3 laps.
4th — Free for all.
5th — Grudge Match (Coach Damoth and Tom Galmore.)
Benediction — Rev. Robert H. Moore.

Diocesan Council of Catholic Women Monday May 4th

Women throughout western Michigan are making plans to attend the 15th annual convention of the Grand Rapids Diocesan Council of Catholic Women to be held in Grand Rapids at the Civic Auditorium on Monday, May 4.

Delegates from every city of the 29 counties of the Diocese will gather for the all day session.

Plans have been made for entertaining the out of town guests who arrive Sunday. At St. Andrew's clubroom's, Sunday evening at 8 o'clock a program will be presented by the Mt. Mercy choir under the direction of Sister Mary Vincent, music teacher at the Academy. Refreshments will be served.

At 9:00 a. m. Monday morning at the Civic Auditorium Holy Mass will be celebrated. This will be Missa Cantata (sung Mass in Gregorian chant by all members of the Laity attending).

There will be three workshops following the morning session. At 12:45 in the Pantland Hotel Ballroom, luncheon will be served. Miss Eileen Egan, an outstanding national speaker on Catholic War Relief Services, will be the principal speaker.

Most Reverend Francis J. Haas, Bishop of Grand Rapids, will deliver the sermon at the Mass.
Rt. Rev. Msgr. Edmund F. Falicki is the spiritual director of the council. Mrs. Ralph Hauenstein, Grand Rapids, is Diocesan President. Mrs. Hugh Doyle is convention chairman and Mrs. Andrew P. Smith is program chairman.

The theme of the convention is "Catholic Women in the World Community."
During the afternoon session Father Speer Strahan will give a summary of reports of the workshops.

Monsignor Edmund F. Falicki will address the group, keynoting the convention theme.

NOTICE
Church of God, Williams St., Sunday Services: Worship — 11:00 a. m. Evening — 8:00 p. m. Thursday evening service — 8:00 p. m. Welcome.
O. A. Holley.

AN APPRECIATION
I wish to thank the voters of the second ward for electing me to the office of Alderman. I also wish to thank my opponent, Alderman Archie Griffin, for his friendly clean campaign.
Dan Bennett. 15x1

Frantz-Persons

Miss Shirley L. Frantz and Samuel J. Persons of Grand Rapids were united in marriage Saturday afternoon, March 28, in Southlawn Church of God by Rev. John L. Denchfield.

The bride is the daughter of Mr. and Mrs. Elijah Frantz, 730 44th St., SE Grand Rapids.

The groom is the son of Mrs. Esther Persons, formerly of East Jordan, and the late Lyle Persons.

The bride is employed by Veltman Bakery and the groom by Heckman's Bakery. They will reside at 2022 Johanna SW, Grand Rapids.

Election Upset In Wilson Township

Monday's election in Wilson Township was a real upset, with two of the "old hands" losing a close race for supervisor and clerk.

For supervisor, Claude Pearsall with 102 votes lost to Lester Hardy with 110 votes. For clerk August Knop with 98 votes lost to Robert Kurechinski with 110 votes.

Without opposition and elected were: Treasurer, Albert Behling, 158; Trustee, Hilbert Hardy, 135; Trustee, Ralph Lenosky, 134; Member Board of Review, Julius Roberts, 123.

Both Pearsall and Knop lost a close race in the primary and got the Ticket No. 2 position on the spring ballot. Pearsall has been supervisor of Wilson Township for 17 years and has had the honor of being chairman of the Charlevoix County Board of Supervisors for 3 years. Knop has been clerk of Wilson Township for 15 years.

SCHOOL ASSEMBLY
Radio and Concert Tenor, Pruth McFarlin, will entertain the students of East Jordan—Public School, April 15 at 1:45 p. m. in the high school gymnasium.

When infantile paralysis hit Pensacola, Florida in 1918, 90 children were stricken. Only two survived; one of the two was Pruth McFarlin, two-year-old son of a school teacher. In spite of severe crippling of his lower limbs young Pruth played childhood games with the other children. When it became evident that he had unusual talent he determined to let nothing keep him from becoming a top flight singer.

He earned his B. A. degree from Southern University, he taught in the famous Piney Woods School in Mississippi and later studied at the Eastman School of Music in Rochester, N. Y. His talent was recognized and he won a four year scholarship with Frank La-Forge, teacher of Marian Anderson, Lawrence Tibbett, Lily Pons and others.

Pruth McFarlin has filled hundreds of engagements—at universities, schools, churches and civic concert halls. He was twice leading soloist at the American Music Festival and has been featured in the Chicago and Music Festival. In radio he has been heard on CBS network and is currently heard from Chicago over WLS.

Sarah Hedrick, distinguished piano soloist and composer, accompanies Mr. McFarlin and has always been received with great enthusiasm by recital audiences.

OTTO HAZARD
UNLESS YOU HAVE MONEY AND HEALTH TO BURN, ALWAYS SIGNAL WHEN YOU TURN

The East Jordan High School "Red Devils" have been working out regularly for two weeks now in preparation for its opening baseball game with the Boyne City "Ramblers" here on Monday afternoon, April 13th. As in the past all home games will be played at the West Side Ball Park and are slated to get under way at 3:00 p. m.

As it is still too early for a decision as to who will be in the starting line-up in the Boyne City opener, it appears as if Keith Evans and Larry Chanda will be the starting battery with Evans on the mound. The infield will more than likely shape up as follows: Sam Milstein at first base, Clinton Clark or Alan Sommerville at second, Charles Corney or Dick Freeman at short, and Robert Romback at third. The outfield is the big question-mark with Robert Danforth, the only lad sure to be in the starting trio. Other outfielders slated to see action are Dick Shaw, Robert Darbee, Warren Frank, Floyd Shank, Floyd Cutler and Jerry Brennan.

Char. Co. Red Cross Tops Goal In Fund Drive

The Charlevoix County Red Cross fund drive held annually during the month of March has topped the goal of \$3,775, George LaBlance, Jr., of Charlevoix, county fund chairman, announced this week.

A total of \$4,271.07 was contributed to the drive during the month-long drive.

In East Jordan and the adjacent area, total of \$1023.00 was donated to the drive, Mrs. E. H. Clark, local chairman said this week.

Elsewhere in the county, Charlevoix raised \$1658.18; Ironton, \$20.00; Waloon Lake, \$224.00; Boyne City, \$1p47.00.

Mr. LaBlance and Mrs. E. H. Clark would like to express their gratitude to the many volunteer workers who gave of their time and effort to solicit their communities.

The Charlevoix county chapter of the Red Cross would like to acknowledge the generosity of the contributors throughout the county who gave that the services of the Red Cross including aid to servicemen and veterans and their families; the blood program; water safety; first aid and other services available through the local chapter may be continued.

Regular communication of East Jordan Lodge No. 379, F & A M, Tuesday evening, April 14 at 8:00 p. m.

Tid-Bits

Election in many of the 25 precincts of Charlevoix County this year was quite an upset. Claude Pearsall, chairman of the Charlevoix County Board of Supervisors, tells us that six of the old hands, with terms ranging from 15 to 30 years, are going off the board this year. It remains to be seen whether the loss of these years of experience to the taxpayers of the county will be of any benefit or not. It's kind of like the saying goes: "Anyone can spend money, but it takes a smart man to spend it wisely."

HEALTH FACTS

Rheumatic fever and rheumatic heart disease kill more school children than any other disease.

SCARLET FEVER POLIO
 RHEUMATIC HEART DISEASE
 MEASLES TYPHOID FEVER

Since rheumatic fever is very hard to recognize, special diagnostic centers in 17 cities throughout the state are supported by the Michigan Heart Association...

Prompt medical care can prevent much damage. Signs and symptoms to watch for include:
 Failure to gain weight, pallor, fatigue, frequent colds and sore throats, unexplained fever, pains in arm, legs, and joints, unusual restlessness!

YOU make possible the work of the MICHIGAN HEART ASSOCIATION when you give to United Campaigns—your local United Fund—or United Community Chest

Commercial Fishing in Winter

Substituting small trucks for boats and ice spuds for anchors, commercial anglers seem undaunted by winter's cold. Commercial fish catches, conservation department records show, even increase during the cold months. Gill nets, placed beneath the ice, are the most common method of fishing and here provide a day's catch of herring for two Brimley Bay fishermen.

South Arm

(Edited by Mrs. Arnold Smith)

David Smith spent Friday night with Joel Evans.

Mrs. Bob Pearsall and Mrs. Harry Pearsall and daughter, Sherill, made a business trip to Traverse City Friday.

Mrs. Ed Lehrbass and daughters, Barbara Ann, Mary Ann, and Diana and Mrs. Arnold Smith were in Petoskey Tuesday.

Mrs. Don Hott and daughter, Ruth Cori and children called at the Harold Goebel home Saturday afternoon.

Mr. and Mrs. Lew Erno and girls of Boyne City were Sunday callers of her sister, Mrs. Harold Goebel and family.

Mr. and Mrs. Irving Addis of Ellsworth were Sunday dinner guests of Mr. and Mrs. Mike Eaton and family.

Farmers Union meeting was held at the Hugh Graham home Saturday evening.

Christine Graham spent the week end with her husband, Bob, at the Veterans Hospital in Saginaw, also some time at the home in Brown City.

Mr. and Mrs. Harold Obershea and daughter, Jeanny, also Grandmother Budnick of Detroit were week end guests of Mr. and Mrs. Ed Lehrbass and family.

Mr. and Mrs. Roscoe Smith spent Easter Sunday with Mr. and Mrs. Arnold Smith and sons.

Miss Kathy Smith and fiancee Bob Chipman spent Monday evening with her parents, Mr. and Mrs. Arndt Smith.

Paula Burrull spent one day last week with her friend, Nancy Lehrbass.

Mr. and Mrs. Walter Moore and children spent the week end in Flint with their son, Don, and family.

Walter Moore suffered a stroke at 3:00 a. m. Tuesday morning and is in serious condition at his home here.

LOCALS

Miss Louise Scott is a surgical patient at Charlevoix Hospital, where she underwent an appendectomy Wednesday.

Miss Jane Wolf and Edmund Wolf of Tonawanda, N. Y. spent Easter week end with their sister, Mr. and Mrs. Charles Hart and family.

Franklin Bartholomew did the chores for Mr. and Mrs. Denzil Wilson over the week end while they were visiting their daughter and family, Mr. and Mrs. Wm. Drenth of Grandville, Michigan.

Sunday afternoon callers at the Sam Bennett home were Mr. and Mrs. Dan Bennett of East Jordan; Mrs. Joyce LaFountain and girl friend from Thompsonville, Michigan; Mr. and Mrs. Chuck Scott and daughter from Muskegon, also Mr. and Mrs. Ernest Sommerville.

Dick Sligh of Holland was a guest of Carol Nesman Friday and Saturday at the home of her parents, Mr. and Mrs. A. N. Nesman.

Mr. and Mrs. Norbert Bartholomew of Big Rapids, Mich., spent the week end at the home of his sister, Mrs. Lillian Kralic and family.

Sunday callers at Percy Bennett home were Mr. Percy Weiler and Mr. and Mrs. Joseph Weiler and family of Pontiac; Mr. and Mrs. Bill Kent and family; Mr. and Mrs. Lawrence Bennett and family and Mr. and Mrs. Sam Bennett.

From where I sit... by Joe Marsh

Chip Pulls a "Pip"

Chip Hanson is a clever commercial artist. Beside doing cartoons on our paper, he picks up "free lance" drawing jobs.

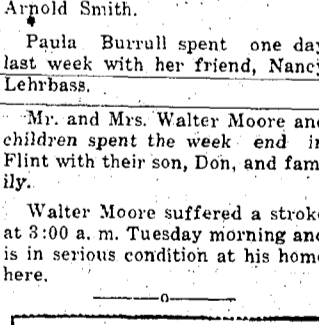

Right now he's whipping up posters for the Safety Campaign. They all have headlines like "PLAY IT SAFE!... or, 'A LIVE WIRE CAN START A FIRE!'"

Chip looked a bit sheepish yesterday. Didn't want to tell me why. Finally he blurted out, "I feel like a dope. Here I am on this safety program and the fire inspectors tell me my own studio's a fire trap. I've been storing paint there for years..."

From where I sit, what happened to Chip was just too busy to anyone. He was just too hasty in forming everyone else about safety—not realizing his safety was threatened. Like those who fret about their neighbors—whether they can afford a new house, whether they should have coffee or a glass of beer with lunch—Chip simply forgot to "draw" some obvious conclusions about himself!

Joe Marsh

COOKING'S A SNAP
 ...if it's **ELECTRIC**

Electric cooking means less time in preparation of meals, less time spent in the kitchen, and a dependable cooking performance without constant attention. This is exactly what you can expect and get when you start cooking with a modern Electric range.

Accurate heat controls and well-insulated ovens assure you of the same cooking temperatures every time. The uncertainty of cooking is eliminated. And it's really clean, cool, and healthful cooking because it's Electric.

Cook Electrically, AND ENJOY THE DIFFERENCE

Letterbox Column

The Voice of The People

Dear Editor:
What is the trouble with our county road system, roads getting worse every year. Some fifteen years ago this 4 1/2 miles of road past my place was in good shape. Today thanks to the Automotive Companies putting good rubber tires on cars, or it would be impossible to get over them.
Wake up taxpayers and citizens, we have taken this kind of monkey business long enough. People all over the state know Charlevoix County by the poor roads it has. Too bad this happening to this county with its fine resorts being built up and good farm land. Wake up supervisors and road commissioners, get this dead wood off our payroll and put on superintendents and men that know their business and get that heavy road equipment rolling and show the people you can build roads. I do not like to be compelled to write this letter but all taxpayers must wake up and get a good road system going.
Lawrence Jensen

Dear Mr. Editor:
Since nothing has been heard from the local Board of Review, we may assume that the silence gives consent to my inference that it serves as nothing more than to spend the taxpayers money for three men and one secretary to meet for four days and be paid for work of swapping stories and listening to the protests and cries of the unfortunate victims of their decrees. It also offers to the masses the constitutional right of being heard—and ignored.
If our protests are useless, there is no use for the Board to meet (we can overlook the constitutional right.) Now, with the money we've saved, let's fill in those potholes in front of Phil Gothro's. I didn't see this, but he tells me a fellow came driving up the street and hit one of those holes at a fairly safe speed. He lost two fenders and blew a tire before he could stop. Most people know that taxes are part of the responsibility of living in a city or a community, but they do like to see some results of their contributions.
There are many persons who would be glad to learn just what qualifications a tax assessor is supposed to have—and, just what, besides such an ethereal thing as STYLE, does he use as a measuring stick to say, "your property is valued at 3,010.14," and to another, "your property comes to \$750.00." One would certainly think that the Guiding Fathers of the City Council would be wise enough to try to place a qualified and trained man in the position. Does a city have to have a full time assessor? By placing a specifically trained man on the job, if only for a short time, would result in raising of tax assessment and the equalization of all and it would certainly make for better harmony in the family of local politics. We trust the new administration is in accord with the need.
The manner in which assessments in this town have been levied is a disgrace to the term Democratic Justice. Let me give you several examples of what I mean:
1. A property owner on Main Street was told that if he would fix up his property and lot and make it presentable to help show the prosperity of our city that he would be "favored" tax-wise. How do you like that—those of you who have pride enough to paint your homes, improve your property, rake your lawns? Rather dispiriting to make improvements when you have to pay on a two-way basis—while someone else goes along being "favored".
2. At the Board of Review, Mr. Bashaw told me that he just didn't have the heart to raise poor old Mrs. Carr the \$200 tax assessment that she should have had. But, when poor old John Downing bought the place, he found the heart to nail on the \$200 increase. Then our friend, Mr. Barnett, comes along and slaps on an additional \$600 increase! How can I ignore that? Drop Dead. The results of my meditation on that are two-fold: (1) There is disagreement in the ranks of the tax assessors. (2) The new assessor must show that he is on the ball and doing his job.
3. A friend of mine wanted his assessment raised sometime ago because he had spent several thousand dollars and his own labor in the construction of his home. When he approached the assessor, he was refused. Why? Because he was already the highest taxed person on the block and in raising his, he would be forced to raise the others. How absurd that!
4. A certain lady had a building torn down on her property. She valued it in excess of \$100.00. Her assessment rose \$200.00.
Do these instances (which are based on fact and can be substantiated) show any degree of uniformity and consistency of taxation policy. Absolutely not!
Obviously we cannot expect the majority of taxpayers to voluntarily raise their assessment higher when, even now, many of them are forced to go to the Bank to borrow enough money to meet the tax deadline. They will not want to do this until they receive greater benefits from that source of expenditure.
But surely we can expect a fair and impartial taxation which is based not on the whims and sentiments and ability to pay or who you know, but on an actual property value which has been established by authorities on the subject.
John Downing.

The Dropped Gauntlet
BY ED LEHRBASS
The opinions expressed by Ed Lehrbass in this column are not to be construed necessarily, nor even probably as those of The Herald. They are only those of an experienced and responsible commentator.

My what a busy week end. More happenings than you can shake a stick at. And my notes are with that slip of paper which forecast the election, they're just gone.
Comes election time and comes the voice of the people. May our newly elected public servants be worthy of their trust.
With the election gone I can tell you that the slip of paper, so my forecaster says, didn't mention a clothing dealer's name. Be that as it may, let's get behind him and give him a chance we would all like were we in his shoes.
By now all you folks know the grand job of pledging which was done to interest business in our business interest. That good faith pledge for a business coming into town should give out-of-towners an indication of the intentions of East Jordan area folk. And you'd be surprised at the diversified knowledge in this territory. I'd venture to say that there isn't a position in any business, barring none, that couldn't be filled by folk in this area. Start looking around, you'll be surprised at the qualifications to be found. Lots of folks just don't brag up what they can do, but they're around in time of need.
My embarrassment. No more lake lots for sale. Either the road commission is dipping water from my east forty at night or they have talked the weatherman into giving us a dry spell. While the ice was on it, R. V. Liskum was thinking of putting up his fish shanty. One never knows what can be found all cracking the ice.
Added word from our county road commission garage. Trucks and pickups buzzing in and out, so be sure no one misses the phone if it rings. "Cause there may be a change in the scene of operations as dictated by Boyne City Garage on our commission. As told me, we aren't turn a stone in our end of the county without explicit instructions.
With proper refinishing a soft, dull finish can be achieved. And it is probable that you will find your floors are pine or oak.
The M.S.C. specialists recommend that you experiment in out-of-way spots, like behind a door—or in a closet. Clean off the finishes with a hand scraper—or perhaps a sanding machine will remove the old finishes and give you smooth attractive flooring.
After the floors have been sanded, you can get a satisfactory dull finish with a penetrating floor seal. This will not need rubbing and will not darken the floors. But frequent waxing may be needed. For day-to-day cleaning a dry mop and broom will do the trick. Rub black heel marks lightly with a fine steel wool moistened with turpentine or liquid wax.

Jassimine Rebekah Lodge Met
Wednesday April 1
Jassimine Rebekah lodge met at their hall on Wednesday evening, April 1st. Lodge was called to order by the Noble Grand, Beatrice Kopkau, with 29 members present. Ralph Ranney was reported as being at Little Traverse Hospital for treatment. Alice Sheppard has returned home from Flint, where she has spent the past few months, and it is nice to see her back at lodge.
The Past Noble Grand's Club met at Eleanor Scott's on Monday evening, March 30, with eleven members present. Lovely refreshments were served by the hostess, Mary Hitchcock, Reporter.

SCRAPE PAINT OFF. REVEAL FLOOR BEAUTY
If your house was built 50 to 70 years ago, chances are you have been hiding the beauty of your floors with many coats of paint. Michigan State College home economists point out that the wide wooden boards that have been painted over and over again can be beautiful if given a fair chance to be seen.
With proper refinishing a soft, dull finish can be achieved. And it is probable that you will find your floors are pine or oak.
The M.S.C. specialists recommend that you experiment in out-of-way spots, like behind a door—or in a closet. Clean off the finishes with a hand scraper—or perhaps a sanding machine will remove the old finishes and give you smooth attractive flooring.

For day-to-day cleaning a dry mop and broom will do the trick. Rub black heel marks lightly with a fine steel wool moistened with turpentine or liquid wax.

Have you heard about the extra duties of our Police Chief Harry? 'Tis said he looks to the city streets and reads water meters in his spare time.
How come there's so much petty hostility in the City Building? Someone not talking to someone else most of the time. Tain't good. Must delve further to report later. Or could it be our night officer wants the day job?
In Pleasant Valley I visited Frank Reed who expects to retire from teaching this season's end. Beside his cottage, Blimnee, a swimming pool. That lad knows a lot of answers. Look him up when school's out.

Look for the major league baseball forecast for 1953! Sunday in The American Weekly, distributed with your Chicago Herald-American you'll find baseball pennant winners predicted by twenty-three of the nation's top sports experts! You'll learn, too, which teams could pull an upset, and which rookies to watch, in Sunday's Herald-American.

VESICULAR EXANTHEMA
Dr. Lee Davison, Chief of the Bureau of Animal Industry, Michigan Department of Agriculture, reports that Michigan was free of both State and Federal quarantines for Vesicular Exanthema (swine disease) for twenty-five days. However, on March 31 a State quarantine was placed on Macomb county and was followed immediately by a U. S. Bureau of Animal Industry quarantine, effective April 1.
Vesicular Exanthema has been found on three garbage premises in Macomb county involving from 950 to 1000 head of hogs. These are marketable type hogs. At the present time, veterinary inspectors from the two Bureaus are making a survey of the swine on garbage feeding premises of Macomb county.
Vesicular Exanthema first broke out in Michigan in Kalamazoo Co., on October 5, 1952, and since then there have been cases under quarantine in the counties of Hillsdale, Jackson, Calhoun, Washtenaw, St. Clair, Livingston, Genesee, Oakland and Wayne. All of the outbreaks have been traced to hogs being fed garbage.

What will happen when atom bombs fall here? And if they fall? How much can we help ourselves by spending time and money now to reduce disaster later, should disaster strike?

Particularly the "if" but also the "when" of modern bomb attacks make the whole problem of Civil Defense difficult. Individual people tend to put off decisions about CD until "some other time", realizing that organized action, to be effective, must be planned long before an attack takes place. Legislators seem to react in a similar way. For the most part, they can't work up much enthusiasm for Civil Defense problems.
It is not too hard to understand their attitude. Basic feeling is that the state should not be expected to get excited about spending for Civil Defense until the federal government shows signs of backing a national program with big money and a real organization. They do not feel that Uncle Sam has shown that interest. "Washington has the facts and figures", a senate leader said. "If their sources of intelligence do not show conditions dangerous enough to warrant a federal program how can individual states be expected to take action?"

Recent Red peace overtures will not increase chances for Civil Defense appropriations either, for the legislature, like an individual, breathes more easily when the pressure is off. And with solons still sweating out a big state deficit, the legislature can be expected to spend a little time and even less money on Civil Defense provisions.
But continuation of talk at a federal level of big spending and clean cut action can be expected to have its effect on the legislature. When President Eisenhower talks about a multi-billion dollar program and Civil Defense Administrator Val Peterson talks about drafting civilians into grossly understaffed CD ranks, state lawmakers will take much more interest.
Investigation into problems of padding of school reports so local districts can get more money from the state is being approached very gingerly, indeed by capitol people. It all started with the discovery that Sandusky has probably received \$145,000 more than was due it during the last two years. Examination of school figures in Lansing caused Gov. Williams to ask that 20 counties be investigated.
But it is being whispered in capitol corridors that a detailed audit and strict application of the law might implicate as many as 200 school districts. Legislators hope

Another highway will soon be posted with memorial signs. It is US 112, which also runs from Detroit to the Indiana line near New Buffalo (but south of US 12). This road was named in honor of General Casimir Pulaski, a Polish hero of the American Revolution. The state legislature voted to make this dedication and the governor signed the bill into law only days ago.
These two additions bring to 17 the number of memorial highways in Michigan. Others include: US 16 in honor of Arthur Vandenberg; M 95, for Leif Erickson; part of US 223 for Will Carleton; part of US 131 for Phillip T. Colgrove; M 53 for Howard S. Earle; M 43 for Frank D. Fitzgerald; part of M 24 for Teddy Roosevelt; parts of US 23 and US 2 for United Spanish Veterans; US 23 for World War II veterans and M 78 in honor World War I heroes.

While many a trout fisherman shines up his equipment for opening day the 11, other outdoor people are concerned with the question of deer population. The problem is too many deer in the lower part of the state; too few in the U. P. Suggestions of capturing deer in the southern peninsula for release isn't greeted enthusiastically; there is objection to an open period for does; winter feeding with hay is mentioned.
Time will tell what state officials decide to do about maintaining the deer herd to best advantage.

their fears are without good foundation and that the whole matter can be corrected with a minimum of embarrassment and publicity.
Michigan will gain substantially if the federal "Tidelands Oil" bill becomes law. The state would then possess clear title to 38,450 square miles underlying the Great Lakes, more than another state from an area standpoint. There is general belief that beneath the Great Lakes lie rich mineral deposits of the same general nature as oil, gas, salt and brine already tapped from adjoining land. The areas were not developed previously because of legal questions about title, but should the bill, which clearly makes the land state owned, become law, the way would be cleared for the state to grant rights and collect royalties from commercially backed ventures. Although the Great Lakes area can be important to Michigan and other bordering states, it is only a side issue when compared to the money involved from oil pumped from the oceans off southern coast lines.
Tourists along highway route US 12 may notice new signs denoting "Red Arrow Memorial Highway". These signs are placed at nine points along the road's course from Detroit to the Indiana state line near New Buffalo. They indicate that the highway is dedicated to the dead of Michigan's famous 32nd army division, also known as the Red Arrow division. This army unit consisted mainly of Michigan men and earned glory in both World Wars. The dedication was ordered by Road Commissioner Charles M. Ziegler following the request of the Red Arrow Memorial committee.

LEGAL

ORDER FOR PUBLICATION
Notice of Hearing — Appointment of Administration and Determination of Heirs.
State of Michigan, The Probate Court for the County of Charlevoix.
At a session of said Court, held at the Probate Court in the City of Charlevoix in said County, on the 27th day of March, 1953.
Present, Honorable Floyd A. Supp, Judge of Probate.
In the Matter of the Estate of Chester Shepard, deceased.
Notice is hereby given, That the petition of Charles Shepard praying that the administration of said estate be granted to Howard Darbe or to some other suitable person; and that the heirs of said deceased be determined, will be heard at the Probate Court on the 28th day of April, 1953, at two o'clock in the afternoon.
It is Ordered, That the notice thereof be given by publication of a copy hereof for three successive weeks previous to said day of hearing in the Charlevoix County Herald and that the petitioner shall, at least fourteen (14) days prior to such hearing, cause a copy of this notice to be mailed to each known party in interest in this estate at his last known address by registered mail, return receipt demanded.
Floyd A. Supp, Judge of Probate. 14-3

Notice of Annual Meeting

To Stockholders of East Jordan Cooperative Company:

You are hereby notified that the annual meeting of the East Jordan Cooperative Company is called

MONDAY, APRIL 13

at 8:00 p. m., at the High School Auditorium, for the purpose of submitting the report of last year's business! to elect three directors for a term of three years each; to elect one delegate to attend the annual meeting of the Michigan Potato Grower's Exchange; to elect one delegate to attend the annual meeting of Farm Bureau Services, Inc., and to transact any other lawful business.
Door prizes and refreshments.

East Jordan Cooperative Company

Dated April 6, 1953 Ralph Lenosky, Secretary

Looking Backward . . .

APRIL 6, 1923
Wm. A. Stroebel has received the appointment of Acting Postmaster of East Jordan, to fill vacancy. He has filed the bonds required and on Thursday of this week entered upon his new duties. The appointment of Mr. Stroebel was unsolicited and came as a distinct surprise to him. He has been actively identified with the business interests of this city for many years and his proven business ability coupled with uniform courtesy to all customers makes him especially fitted to be postmaster.

Spring election Monday brought out one of the lightest votes ever polled in Charlevoix County. In East Jordan about 200 votes were polled. Mayor H. W. Dicken was re-elected. Supervisor W. F. Bashaw, first ward and Horace B. Hipp supervisor for second ward, were re-elected. In the third ward, Clarence Bowman ran on slips for Supervisor and received 79 votes to Thomas Joint's 71. Aldermen elected; First Ward, Robert G. Procter; Second Ward, William L. Aldrich and Sidney Sedgman; Third Ward, Robert G. Watson.
Born to Mr. and Mrs. Arthur Farmer, a daughter, Marah Leigh, March 30th.
Lee Umor committed suicide last evening by slashing his throat with one of the butcher's knives in his market on the west side. Mr.

Umor had been having both business and family difficulties and of late has been somewhat despondent. About 8 o'clock last evening, as a customer was about to leave the shop Mr. Umor said to him to "tell my wife and children good bye." Shortly after, he committed the rash act, and lived only an hour or so after.

Wesley, 12 year old son of Mr. and Mrs. Clyde Hollingshead, accidentally shot himself while hunting squirrels last Friday. The .22 rifle he was carrying was accidentally discharged, the bullet going through the calf of his leg and lodging in his right ankle.
Klon Smith and Fred Bishaw left Saturday for Milwaukee, where they will sail the coming season on the Str. Thomas Lynch.
Miss Nettie LaValley went to Charlevoix Monday, where she has a position at the telephone office.
John T. Carlisle fell on the icy walks Wednesday evening and received a badly fractured right shoulder.

APRIL 7, 1933
In the election of Monday, April 3, Barney Milstein was elected Mayor by a margin of ten votes. Milstein received 315 and Watson received 305. Langell was elected Justice of the Peace and for prohibition, the wets won with a total vote of 332, Dry, 284. First ward — Supervisor — Wm. Bashaw, 118. Constable — Wm. Nichols,

Winter Sports Revenue Estimated \$30,000,000 In Michigan This Season

102. Alderman — Thomas Bussler, 89; R. G. Procter, 49. Second ward — Supervisor — W. H. Webster, 98; W. R. Barnett, 62. Constable — Cort Hayes, 97. Alderman — R. P. Maddock, 90; F. H. Crowell, 83. Third Ward — Supervisor — John Porter. Constable — Ed Kamradt. Alderman — John F. Kenny.

The W.C.T.U. held their 5th Silver Medal Oratorical Contest at the East Jordan High School Auditorium, Wednesday, April 5th at 9:00 a. m. The seven contestants were; Shirley Bulow, Jane Davis, Dorothy Jones, Carmine Kowolski, Violet Trompou, Ruth Darbee and Lorena Brintriall. The medal was awarded Lorena Brintriall. While the judges, Mrs. Leitch, Mrs. Palmiter and W. N. Langell were out deliberating, Miss Stella Stallard entertained the audience with a poem.

Born to Mr. and Mrs. Gerald DeForest a daughter, March 30.
Born to Mr. and Mrs. Tom Webster a son, Harry Gardener, April 1st.
Born to Mr. and Mrs. Bernard Brennan a son, Mickael Thomas, April 1st.
Emily, daughter of Mr. and Mrs. Ray Gunther, was pleasantly surprised Monday after school, when 10 little girls came in and helped her celebrate her tenth birthday.

Come in rags at a hardtime party at Sam Ulvunds this Saturday evening. Try your best to win first or second prize. The Lutheran Ladies will serve a good supper.

Harry Bliss of Buffalo, N. Y., is spending the week end at the home of his grandparents, Mr. and Mrs. H. Porter.

Miss Ida Boswell, who has spent the winter at the home of her sister, Mrs. M. B. Palmiter, returned to her home in Traverse City, Tuesday.

EASTER SUNDAY GATHERING

A pot luck Easter dinner was held at the Rock Elm Grange Hall by the following families:— Mr. and Mrs. William Zitka, Mr. and Mrs. Norbert Nachazel and family, Mr. and Mrs. Robert Nachazel, Mr. and Mrs. Edward Nachazel and baby of Royal Oak, Mr. and Mrs. Leonard Babel, Mr. and Mrs. Ralph Josifek and daughter, Mr. and Mrs. Frank Nachazel and family, Mr. and Mrs. Francis Nachazel and baby of Lansing, Mr. and Mrs. James Nachazel of Milwaukee, Mr. Russell Hoffman of Detroit.
After dinner the time was spent singing and dancing which was enjoyed very much by all, hoping to all meet again.

Revenue from winter sports reached an estimated \$30,000,000 in Michigan during the past season, according to Robert J. Furlong, Executive secretary of the Michigan Tourist Council.

"Reports from winter sports centers throughout the state indicate a 15 to 25 per cent increase this year over the 1951-52 season when the total revenue was estimated at \$25,000,000."
Furlong added that although no complete surveys were made, reliable estimates place at 300,000 the number of skiers, skaters, ice fishermen and hunters who enjoyed winter sports in Michigan during the past season.

Despite a relatively mild winter in the southern sections of the state, snow conditions in northern Michigan were generally good. Several cold spells gave lakes a thick cover of ice to make fishing conditions excellent.

"The continued growth and development of winter sports as evidenced by this year's increase in both revenue and participants over the preceding year is further proof that vacationing in Michigan is now on an all-year basis," concluded Furlong.

North Wilson

(Edited by Mrs. Selma Eggersdorf)

Mr. and Mrs. Greg Craig of Saginaw spent Easter with her parents, Mr. and Mrs. Pete Boyer.

Mr. and Mrs. Warren Murdock and daughter of Centerline, Ohio, spent the week end with her parents, Mr. and Mrs. Chas. Reidel.

Mr. and Mrs. Robert Behling and infant son of Saulte Ste. Marie spent Saturday and Sunday with her parents, Mr. and Mrs. Harry Behling.

No services were held Friday at Christ Lutheran Church here with Holy Communion. Sunday morning Services at 9:30 with Rev. Noffze of Alpena as pastor. The Sunday School children sang in the Sunday morning services, both were well-attended.

Mr. and Mrs. Warren Eggersdorf and daughter, Debbie, and neice, Linda Johnson of LeGrange, Ill., and Mr. and Mrs. Casimer Muchowski and children, Kathy and Stanley of Coopersville, Mich., spent Easter with their parents, Mr. and Mrs. Henry Eggersdorf.

A man fell from a six story window to the sidewalk. A crowd quickly gathered and a cop bustled up and asked him the cause of the excitement. "I don't know," he admitted, "I just got here!"

If you want your ceiling to seem lower, paint it with warm or dark hues in contrast with side walls, suggest Michigan State College home economists. A square room will take on "new" dimensions if one wall is painted a dark or warm color.

Twenty-five per cent of all drivers involved in fatal auto accidents in the U. S. last year were under 25 years old.

LIFE'S THAT WAY... Dad makes a speech

AND WHEN THE LODGE LEARNED THAT SENATOR MAGUIRE COULDN'T COME TO OUR ANNUAL BANQUET, THEY ASKED ME TO MAKE THE SPEECH INSTEAD.

I'D BETTER TELEPHONE AN REHARRIS TO THE NEWSPAPER SO THEY'LL HAVE EVERYTHING RIGHT FOR THE MORNING EDITION!

...AND SO, FROM MY VERY EARLIEST DAYS AS A BAREFOOT BOY UPON THE BYWAYS OF THIS FAIR CITY, I...

...AND MY OWN MOTHER'S PEOPLE CAME FROM STURDY FARM-STOCK, FROM BEAUTIFUL MIDVALE COUNTY—NOW BE SURE YOU SPELL THAT RIGHT—SO NATURALLY I...

WELL, I'M OFF TO THE BANQUET. DEAR, YOU CAN READ MY SPEECH IN THE PAPER TOMORROW.

THAT'S OK, MRS. MILLER. I'LL SEE HIM AT THE BANQUET. SENATOR MAGUIRE WILL BE THERE TO SPEAK AFTER ALL. TRIED TO GET YOUR NUMBER FOR THE PAST HOUR...

P.S. WHEN YOU KEEP YOUR CALLS REASONABLY SHORT AND SPACED OUT, OTHERS ARE ABLE TO REACH YOU... OFTEN WITH CALLS YOU WOULDN'T WANT TO MISS.

MICHIGAN BELL TELEPHONE COMPANY

"Mother's asleep now, son," Dad told him. "She'll be asleep a long, long time. It's kind of like going away. We'll have to learn to get along without her, Johnnie."

To a statistic named Johnnie

Who's Johnnie? Just one of the 175,000 children under 18 in the United States who have lost a mother to cancer.

Statistics are a little too big for a boy this small to understand. Even the hopeful statistics about cancer—and there are more of them every year.

More and more cancer can be cured

Patients are being cured who could not have been saved—even five years ago. In 1952, some 70,000 with cancer were saved. This number could have been doubled, if treatment in all the cases had been begun in time.

You have helped

Your contributions to the American Cancer Society helped make such hopeful statistics possible. And they can make the story even brighter tomorrow.

Not for Johnnie, to be sure.

But for all the other children—they might be yours—who still have their mothers and fathers. If only one tenth of the millions of thoughtful people like you who have such good intentions would actually take the time to send us their contributions! And would do it now—instead of turning the page...

The Servicemen's LETTER

Hi Fellas;

Fleet Home Town News Center at Great Lakes, Ill., sent in the following release dated, March 27, "Robert E. Cummins, electrician's mate third class, WSW, is serving aboard the repair ship, USS Miro. She is a unit of Landing Ship Flotilla 2 engaged in one of the most extensive Atlantic Fleet Amphibious Force exercises ever conducted.

"Extending from the Caribbean area to the shores of North Carolina, the exercises are intended to maintain the combat readiness of personnel and ships. Aimed at improving and testing communications, command relationships, tactical concepts and training methods, the maneuvers involve about 25,000 navy personnel and up to 36,000 marines. The exercises will be climaxed by a D-Day assault at Onslow Beach, N. C."

We have three promotions to report. Richard Sommerville and Darwin and Delwin Morris have received their Pfc rating. Delwin Morris writes from Germany, "I will drop you a few lines to let you know how things are going with us. We are both fine and haven't been working very hard. Today the list for promotions for this month was put up and both Darwin and I made Pfc. We spent from Tuesday a. m. until Friday a. m. of last week in the field camping out. It wasn't too bad as we have nice warm sleeping bags.

I sure like the way the E. J. High School basketball team has been doing in the tournaments. The last we heard they had won the regionals. Hope they keep up the good work.

We sure enjoy getting the papers and it has been getting here lately either the Wednesday or Thursday after it is sent. So the news is pretty new to us. Well, it's sack time so I'll sign off for this time. Pfc Delwin L. Morris, 328th Comm Recon Co. APO 108, c/o PM, New York, N. Y."

Fred Looze and Albert Chanda

arrived in E. J. this past week. They have finished their basic and are being reassigned. Fred is to report in Chicago on April 10th at 6:00 p. m. He will travel by troop train to Fort Lewis, Washington. Then he will be transferred to Fort Lawton prior to being shipped overseas.

Albert is home on a 7-day leave and then has to report back to Ft. Knox for leadership school.

Here's a letter from Tuck Thomson over in Korea, "I have a little time to myself this morning so I think it is only proper to write this letter of thanks for the papers. I enjoy them so much. I am one of the unlucky ones in one way and lucky in another. Unlucky to be in Korea and lucky I am in Seoul and not a few miles north. I have watched the paper closely for names and addresses of someone I know who is in Korea, but so far have found none. Where are all those fellows from E.J. still in the States?"

"I received a letter from David Wade about a week ago and find that he is about 50 miles back. I am going to try to get back to see him if I can get a day or two off. We are working seven days a week, and sometimes at night, so when we do get some time off we usually sleep.

"I am in the QM Section in 8th Army Headquarters. Within the QM, I am in the Petroleum, Tubes and Greases. I work in the office as a clerk-typist so I don't get in any of the rough stuff.

"Well Jake, have to close for this time. Tell all my friends in E.J. "Hi" for me and ask them to drop me a line when they have some spare time. Pvt Duane Thomson, HQ, QM Sec, 8th Army, APO 301, c/o PM, San Francisco, California.

I guess some of you men in Korea will have to drop Tuck a line and put him straight on how many of our men are over there.

Richard Dipzinski has a new address at Fort Belvoir. He is now in Co I, 2nd Tk Bn, 9829 TSU Eng

Center. Dick has not started school yet but expects to soon.

Larry Streeter dropped us a line from Oxnard, Calif. "We've got a pretty nice base here. Everything is brand new, even the chow hall, but it's the same old food. There are a couple of large Naval Bases here at Oxnard. Point Magee and Port Hulme. Since EJ has so many guys in the Navy I thought there might be one or two out here. If there is, let me know. "We are getting a shipment of 94's in starting next week so I guess they will be sending us communications men to school in Burbank to learn the new equipment they have in them. At the present all we have is 51's and T-6's."

Larry's address is 1254 W. Cedar St., Oxnard, Calif. Kenneth Richards is still in England but he has changed his APO to No. 198.

Bob Pearsall is back at Camp Drake outside of Tokyo awaiting further assignment. His address is now Pvt. Robert Pearsall, 3rd Repl Co, 3rd Inf Div, APO 468, c/o PM, San Francisco, California. So Long Men, "Jake" Snyder

Pleasant Valley . . .

(Edited by Mrs. Ed. Clark)

There were forty in attendance at Sunday School Easter morning.

Instead of learning just the tricks of the trade, why not actually learn the trade?

Another unpleasant thing about advice—the better it is, the harder it is to take.

He who laughs last is the one who intended to tell the story himself a little later.

West Peninsula

(Edited by Mrs. Wm. Gaunt)

ROUGH ON MOTHS

The first line of attack on moths is good housekeeping, say Michigan State College specialists. With sunny spring days here, hang clothing carpets and rugs out of doors and brush them vigorously. During spring house-cleaning be sure to air and clean closets and spray with a five percent DDT solution. Fill cracks in floors and baseboards where the moths flourish.
