Girls Recreation Camp Have Your Daughter Attend

Jessamine Rebekah School of Instruction

Wednesday evening, July 8th, thirteen members of Jessamine Rebekah Lodge went to Mancelona for a School of Instruction given by Mattie Hesley, Vice President of the Rebekah Assembly of Michigan, who was introduced and given the honor of the Degree. Irene Wright, District President and Emma Nestle, District Secretary were also present and were introduced and given the fraternal welcome. There were also six members present from Elk Rapids and one from Fort Lauderdale, Florida. The instruction given, were very impressive. Refreshments were served by the Mancelona Lodge at the close of the meeting.

Funeral Services For Mrs. McNamara Held At Grayling

Funeral services for Mrs. Marjorie McNamara of Grayling were held June 30th at Grayling. She died in the Grayling Hospital from cancer.

She is survived by one son, two brothers, Laurence Lemieux of Grayling and Leslie Lemieux of Flint.

Mrs. McNamara grew to womanhood in East Jordan. Her husband was associated with James Gidley for many years in the Gidley & Mac-Drug Co. in East Jordan and Grayling.

CARD OF THANKS

We wish to extend our sincere thanks to our friends, neighbors and relatives for all their acts of kindness extended us at the death of our husband and father. We especially want to thank those who sent flowers, Mr. and Mrs. Ted LaCroix for singing and Rev. Barber for his comforting words, and to Mr. Watson and the bearers for their services.

Mrs. Nina Kiser
Mr. and Mrs. Tom Kiser
Mr. and Mrs. Dale Kiser
Mr. and Mrs. Ken Stoner

Mrs. Wm. Richardson, accompanied by Ronnie and Donnie Metcalf, went to Battle Creek to greet her new grandson, James Edward Brennan.

Mr. and Mrs. Emile Acitelli and children, and Mrs. Verna Hubbard will leave for New York on July 16 to attend the International Convention of Jehovah's Witnesses, Yankee Stadium, July 19 to 26. They will travel by car. In New York they will meet with over 125,000 other witnesses of Jehovah who are coming from about 100 countries to participate in the largest religious convention ever held in America. The convention will show that people from all nations and races can have complete unity when God's Word and laws are the basis for what they do.

East Jordan Independents Win From Petoskey Dairy

The East Jordan Independent softball team made their initial start a successful one here last Saturday evening by winning over the Petoskey Home Dairy 11 to 4 behind the seven hit pitching of righthander Carl McNett.

The East Jordan aggregation made up of outstanding players from the four-team Rainbow City League had a big sixth inning when they pushed across six runs to assure themselves of victory.

Keith Evans proved to be the hitting star for the Jordanites as the stocky third baseman collected a triple and a pair of doubles in four trips to the plate. Boring also had three for four for the locals. Afield, Jack VanLoos was all over the place to turn in as spectacular a fielding performance as witnessed here in a long time.

Carl McNett and Bill Saxton formed the winning battery. The former gave up seven hits, walked one, and struck out two. White, Walker and Bateman

East Jordan will definitely have a summer recreation camp for girls this year as the East Jordan Community Chest is going ahead with plans to set up a three day outing at the Church of God Camp near Charlevoix July 29th, 30th and 31st.

A committee composed of Mrs. Keith Annear, Mrs. Wilbur Robertson, Mrs. John Porter, Mrs. Howard Darbee, Mrs. Gayle Saxton and Mrs. Ted Malpass met with Coach Saxton, local recreational director, on Thursday morning of this week and began work on ironing out the various details for the first project of its kind ever set up in East Jordan.

Girls 10-14 years of age will be eligible to attend and the quota has been set at 30. The camping fee will be \$5.00 and girls may begin registering for camp by securing registration forms from either Coach Saxton or Mrs. Wilbur Robertson, local school nurse. Girls will be registered on the first-come, first-serve basis until the quota of 30 is reached.

Remember the Girls' Recreation Camp will be held July 29th-31st. Plan to have your daughter attend.

Rev. Robert Moore, pastor of the East Jordan Methodist Church, is away this week attending a Lab. School on Young Adult Work at Albion College. Rev. Moore, along with Rev. Gerald Jacob of Bethany Methodist Church at Ludington, are the two clergymen of the Methodist Church at this school. Rev. Moore is the sub-district director of Young Adult work in this area.

VISIT EAST JORDAN AFTER SIXTY YEARS

Mr. and Mrs. Groner of Parma, Michigan, were visiting in East Jordan over the week end. Mrs. Groner has not visited East Jordan for over 60 years, and was here to visit the grave of her father, J. M. Worthington, who passed away here at the age of 36 in 1885. They were disappointed to find that the stone marker on his grave in Sunset Hill had been removed.

Rev. Clair Wolf at E.J. Methodist Church, Sunday

The Rev. Clair Wolf of the new Methodist Church at Hazel Park, Mich., will again be guest speaker at the East Jordan Methodist Church, Sunday, July 19th. He will also conduct the services at the Norwood and Barnard Methodist Churches.

City Blacktops 17 Blocks

\$15,000 of improvements were put in East Jordan's streets from Monday through Saturday last week when 17 blocks were blacktopped.

All but five of the 17 blocks resurfaced are curb and gutter streets, according to Harry Simmons, chief of police. Surfacing does not hold as well on streets without curb and gutter as with them.

Streets blacktopped were Main, from Williams to Division; Second, from Mill to Garfield; Third, from Esterly to Williams; Fourth, from Mill to Williams; Mill from Third to Fifth; Esterly, from Main to Fourth; Williams from Mill to Third; and Garfield, from Main to Third.

The work was done by the Hicks Co., under supervision of the street commission, headed by Dan Bennett. The Hicks Co. went from here to do work in Boyne City, Charlevoix, and Honor, Mich. Their plant is set up in the Bartlett gravel pit.

Blacktop was hauled by the Charlevoix County Road Commission trucks.

County Cancer Drive Went Over Quota By Well Over \$1700

The final result of the Charlevoix County Cancer drive has been most pleasing and encouraging. Mr. Basil Cummins, who was the county fund raising chairman, reports an amount way over the top. The 1953 goal was set at \$14,000, but the amount actually raised was well in excess of \$17,000.

Much praise and appreciation is due, and hereby heartily expressed, to Mr. Cummins for his splendid work. Also, to Mr. Ed Davis of Boyne City and his loyal workers; and to Mr. Maurice Foster and his hard workers of Charlevoix.

At East Jordan exceptionally good results were obtained when it is realized that East Jordan has the least population of the three major towns of the county. The American Cancer Society workers in East Jordan are very greatly appreciated, just as they are all over the county.

The two smaller communities of Walloon Lake and Boyne Falls gave an excellent account of themselves. Mrs. Cleo Mackey of Walloon Lake, and Mrs. Bartell of Boyne Falls were the leaders in their communities.

Our Charlevoix county unit of the American Cancer Society, needs urgently, at this time, thoroughly clean old sheets and blankets for making dressings. But anything usable, providing it is clean, is very welcome. Those who can spare such materials are urged to bring them to Mrs. Eleanor Scott at her home at 308 Echo Street, East Jordan.

May I express to all of my loyal workers of Charlevoix County, the greatest thanks and appreciation.

Mrs. Eleanor Scott, Charlevoix County Chairman, American Cancer Society.

Mr. and Mrs. Basil Cummins returned home Monday evening from Malta, Ohio. Mrs. Cummins had spent the past two and one-half weeks visiting her sister, Mrs. W. B. Porter and family. They were joined by two other sisters from Florida for a visit. Mr. Cummins drove down for a week end visit.

Rev. Robert Moore Attending Lab. at Albion College

The Rev. Robert H. Moore, pastor of the East Jordan Methodist Church, is away this week attending a Lab. School on Young Adult Work at Albion College. Rev. Moore, along with Rev. Gerald Jacob of Bethany Methodist Church at Ludington, are the two clergymen of the Methodist Church at this school. Rev. Moore is the sub-district director of Young Adult work in this area.

Evans toiled for the losers.

E. J. CANNING CO. 7 - E. J. IRON WORKS 0

The Canning Company registered its first win Tuesday night as they won 7 to 0 by forfeit from the Iron Works, who were unable to field nine men as the game got under way.

E. J. AMERICAN LEGION 15 - E. J. CANNING CO. 9

The American Legion nine finally broke into the winning column Thursday evening as they blasted out a 15 to 9 triumph over the Canning Company.

The Legion was really hitting Thursday evening as they picked up fifteen hits, three each by Bullock and Romback, off the pitching of Keith Annear, Canning Co. twirler.

Schultz and K. Evans formed the winning battery with K. Annear and Jack Van Loo working for the losers.

E. J. CO-OP 7 - E. J. IRON WORKS 3

Carl McNett, twirled a five hitter, Thursday evening as the Co-op nine downed the Iron Works aggregation 7 to 3 in a well played contest.

The Co-op put on a four run rally in the 5th frame as they broke a 3 to 3 deadlock to go on to victory.

Again the winning battery for the Co-op was McNett and F. Peck. W. Saxton, H. Sommerville, and Louis Cihak made up the Iron Works battery.

McNett aided his own cause with 2 hits in 3 trips to the plate to lead his team offensively.

DR. BECHTOLD TO MOVE

Dr. G. W. Bechtold's Dental Parlor, located in the Herald building, will be closed after July 27th.

In August 3rd he will be open in his new office at 308 1/2 Second St., next to his home. His new phone number is LE 6-2323, 29-1.

Mr. and Mrs. Clarence Bowman and Mr. and Mrs. Jack Bowman of Gaylord attended the Cherry Festival at Traverse City, Friday, and spent the week end guests of the former's daughter, Mrs. Wm. Bremer and family.

The vacationers at the Rainbow Cabins were—J. W. McGlinsey of Kalamazoo; Mr. and Mrs. Robert Hanke of Lansing; Mr. and Mrs. Otis Moore and family of Alma; Paul Swain and party of Flint; Mr. and Mrs. Herbert Otto with family and friends of Berkley; Mr. and Mrs. Henry Wrotjores of Traverse City; Mr. and Mrs. Reichard of Detroit; Mr. and Mrs. H. Barney of Grand Rapids; Mr. and Mrs. Kenneth W. Martin of Mt. Victory, Ohio; Mr. and Mrs. C. L. Baker of Detroit; Mr. and Mrs. Thurlow King and family of Muskegon. The men from the Hicks Co. have left for a new job.

East Jordan's tourist park is one of the two north of Ludington that has a TA rating from the Trailer Coach Manufacturers' Association, according to Postmaster Tom St. Charles, member of the park commission.

Ratings are based on an 80 to 100 scale. 80 to 90 is called a T rating, 90 to 95 the TA and 95 to 100 a Gold Star. Traverse City is the other northern town that has the same rating.

Parks are judged on facilities and sanitation to be awarded the TCMA approval. The East Jordan park received the rating last September, but only recently obtained the four new signs with the official seal of approval.

Signs will be placed at the intersection of M-66 and US-131 at Mancelona, at the intersection of M-66 and M-32 in East Jordan, at the junction of M-72 at Mancelona, and one somewhere on US-27, according to Mr. St. Charles.

With the June 1st. crop report of the Michigan Cooperative Crop production of 39,379,000 bushels of 1953 winter wheat, the need for additional on-farm storage is greater than ever this year according to Mr. LeRoy Hardy, Chairman of the Charlevoix County PMA Committee.

Mr. Hardy stated that considerable concern is being shown by the Department of Agriculture in regard to the storage and handling of the large 1953 wheat crop.

According to Mr. Hardy, commercial storage warehousemen in many localities say that they never have been able to store all the grain which producers wish to deliver at harvest time.

Producers having 1953 crop wheat and oats which will be harvested within the next few weeks were reminded by Mr. Hardy that in order to avail themselves of the Price Support Program, it may be necessary for them to store their grain on the farm.

Producers were also reminded that in the event immediate funds are not available for the purchase of granaries or grain bins, that acceptable storage structures may be financed up to 80% of the total cost of the structure through a Government loan program. These loans may be financed for a period of four years repayable in annual installments with interest at 4%. Producers interested in this program for increasing on farm storage should contact the Charlevoix County PMA Committee in the Bank Bldg., Boyne City without further delay, Mr. Hardy said.

According to Mr. Hardy over 500,000 bushels of additional on-farm storage facility program in 1949. Both permanent type and movable bins may be financed under the program.

Mr. Hardy cautioned producers to study the current market price as compared with the current support price of \$2.16 per bushel for the 1953 crop wheat. The current spread between market price and support price will nearly pay for the cost of a storage structure. Producers were urged by Mr. Hardy to arrange for storage facilities well in advance of their harvest in order that they may avoid a last minute rush to obtain storage space.

Sherman Thomas to Open Sherm's Pure Service, July 25

The Pure Oil Station in East Jordan, formerly known as Benson's Hi-Speed Station, will open Saturday, July 25th, with Sherman Thomas in charge.

Operating under the name of Sherman's Pure Service, this station will feature motor tune ups in addition to the regular line of auto servicing. A grand opening is planned for August 7 and 8, detailed announcement of which will follow later.

Sherman Thomas is well known in East Jordan, and has over 15 years experience in the automotive line. He is a veteran of World

War II, served as a diesel mechanic while in Italy.

A member of the East Jordan Fire Department for many years, Sherman was appointed Fire Chief in April of this year. He has been an active member of Rebec Sweet Post, American Legion since 1946.

Sherman is looking forward to meeting both local and summer friends on opening day at Sherman's Pure Service, and the Herald is sure that his friends will cooperate in giving him an opening day he will be proud to remember.

There are so many jobs on a farm that you can handle with the Universal Jeep... jobs that would require heavier equipment, but for the power and traction of 4-Wheel-Drive. You will find the Jeep readily maneuverable for both on and off-the-road operation. Use the traction of 4-wheel-drive where you need it... it takes but a moment to change to 2-wheel drive for ordinary driving conditions. With optional power take-off unit, you add a long list of belt or shaft driven operations. Yes, with the 4-wheel-drive Universal Jeep, you spread the cost over a number of jobs.

Keep Foods Hot or Cold But Never Warm Says Dist. Health Department

Keep it hot, keep it cold-but never keep it warm, advises Doctor A. F. Litzenger, Director, District Department of Health No. 3.

Following that advice in handling foods for picnics & community meals is a simple safeguard against most foodborne poisonings and infections.

The mistaken belief that once food is cooked it will keep for hours, even in a warm place, is responsible for a number of food poisoning outbreaks each summer.

So when preparing the picnic lunch be sure to keep hot foods very hot and cold foods chilled-but don't keep them at a warm, in-between temperature. The warm temperature is ideal for the growth of bacteria which can make you sick.

Especially subject to hazardous spoilage if kept in a warm place are such foods as soft custards, cream-filled pastries and cakes, cooked salad dressings, stuffed eggs or egg salads, and all cooked meats, poultry and fish. These foods can't wait in picnic baskets or out on the table.

Do not dream your experiences—experience your dreams. One reality is worth a thousand dreams.

Michigan State to Build New Library

A new design in library construction, which permits thousands of students to be served at all times without standing in line at main desks, will be a feature of Michigan State College's new library building, shown in this architect's drawing. An initial appropriation of \$1 million has been earmarked for the library by the Michigan Legislature, with construction to begin when the money is officially made available. The library will be the largest in America yet built on the "divisional reading room" principle, according to M.S.C. Librarian Jackson Towne. This means the breaking up

of the "conventional" library into large subject reading rooms with thousands of volumes on open shelves. Under this plan, 15,000 M.S.C. students can be served without the "bottleneck" problem in present library facilities. M.S.C.'s present library was built in 1925 when enrollment was 2,500. The new \$4 million building is to contain space for one million volumes, more than 100 faculty rooms for research, 200 cubicles for graduate students and a specially-equipped reading room for blind students. Containing four floors and a basement, the structure will be constructed of steel and concrete with a red brick veneer.

Michigan Mirror

A search for gold is underway in Michigan's Upper Peninsula. Perhaps not for gold in its mineral form; the search is to discover potential wealth existing in natural resources. The object is to develop the area as an economic community.

Encouraging facts have turned up following investigation. Some of them are discussed in a 188 page report published by the Economic Development Commission of Michigan. It reports a survey made by Ebasco Services, Inc., a New York engineering firm specializing in such investigation. Cost of the year long study was \$20,000; half contributed in the belief that the economic situation of the U. P. is of vital concern to the whole state.

Advantages and disadvantages of the Upper Peninsula were considered in the survey. Problems were defined. Solutions sought. An accurate evaluation of all contributing factors was attempted.

Basic conclusion is that Michigan's Northern Peninsula has everything it needs to become an economically healthy community. To realize prosperity at the earliest, the report shows, will take planning and hard work. Most of both elements is expected to be supplied by people living in the U. P.

The Ebasco report recommends that the area's development program be planned under sponsorship of the Upper Peninsula Advisory Committee, a sub-group of the Michigan Economic Development Commission, the Upper Peninsula Development Bureau, local Chambers of Commerce and service groups.

People of the peninsula constitute both the most serious problem and the most valuable asset. Ebasco investigators consider as unfavorable an attitude of defeatism in some localities, a lack of appreciation of changing market demands and some evidence of undue reliance on outside help, with the steady loss to other areas of aggressive young people. Glamour of jobs in metropolitan centers is seriously draining this vital element of the labor pool thus creating a serious problem.

The most important single

resource of the Upper Peninsula. Inhabitants are described as adaptable to new methods, possessing excellent attitudes toward their jobs and maintaining a record of high productivity in industrial fields. They are less affected by economic cycles than people in Metropolitan centers since they have the opportunity to supplement their income with farms, woodlots, hunting, fishing, and working in the recreation industry part of the year.

In forest products, according to the Ebasco report, lies the greatest field for potential development. Good opportunities also exist for agriculture. Dairy farms and beef raising are economically feasible-soils are favorable to potatoes, strawberries, green beans, carrots, beets and cabbage.

"The Peninsula's tourist and recreational industry is now valued at \$50,000,000 a year, but because of the availability of scenic and other factors not yet exploited, it offers unlimited possibilities for development in the future," the report states.

Mining still offers room for development. Copper companies are progressive and iron ore operations continue development programs. Both commercial fishing and sport fishing are expected to hold their own or gain slightly as important factors in U. P. economy.

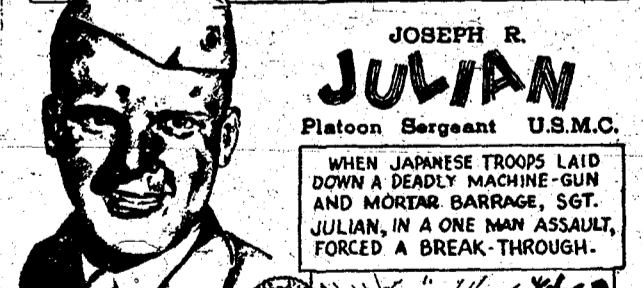

The report concludes that the greatest needs of business services are in the marketing and promotion fields. Opportunities exist for sales agencies that can market the output of wood, agricultural crops and fish products.

How to create prosperity in the Upper Peninsula? Interested people and groups should promote for these improvements.

Expansion of electric power capacity and natural gas is much needed if industry is to expand; construction of the Mackinac bridge, which is expected to increase automobile traffic by 85%. Other transportation projects include a bridge between American and Canadian Soo areas; better ferry and airline service.

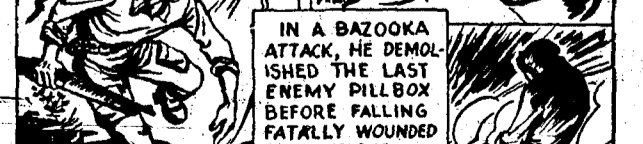

From a "morale" standpoint Ebasco engineers believe the early establishment of television service is an important requirement.

Recreation News

Square Dancing

Dancing enthusiasts turned out some two hundred strong last Wednesday evening as square dancing became a part of the local summer recreational program.

These dances, always popular with young and old, are featured every Wednesday evening at the Recreation Building at the Tourist Park and began at 8:30 p.m.

The East Jordan Community Chest sponsors the dancing activity and it is under the direction of Mrs. Wilbur Robertson.

Remember the starting time has been changed from 9:00 o'clock to 8:30 and everyone is welcome.

Handicraft

Handicraft will be offered two days a week at the Tourist Park as part of the playground activities there. Wednesdays and Fridays have been designated as handicraft days and the boys and girls will have the opportunity of working with plaster casts and figurines. This includes the molding, painting and finishing processes.

Junior Softball League

A four team Junior Softball League has been organized by Coach Gayle Saxton and the youngsters will play their games prior to Rainbow City and Inter-County League games. All Junior games will begin at 6:15 p.m.

The four teams are; the Tigers, the Giants, the Browns, and the Cubs.

Charles Kamradt will captain the Tigers. His team is made up of the following boys; Jack Gee, Mike Snyder, Glen Mayhew, Dennis Archer, Larry Danforth, Glen Kowalski, Richard Hayes, Jon Wilson, Russell Thomas, Fred Johnson, Don Johnson, and Cal Darbee.

The Giants, captained by Gerald Carney, is made up of the following; Gareth Thompson, Jimmie Galmore, Jack Ingalls, Richard Bayliss, Earl Burns, Philip Wright, Jerry Inman, Allen Ingalls, Harold Murray, Floyd Holley, and Dickie Raymond.

Bucky Cihak's team, the Browns will have the following personnel; Jimmie Kinney, Jimmie Yetaw, John Bos, Robert Bulow, Larry Schumacher, Billy Taylor, Donald Skop, Buddy Gee, Bruce Brintnall, Ward Cole, Louis Raymond, Duane Raymond, and Kenneth Crawford.

Joel Evans' team, the Cubs, is composed of the following members; Neil Evans, Clare Crawford, Larry Gee, Robert Sherman, Robert Winstone, Earl Gee, Perry Bennett, Marvin Crawford, Carl Gee, Elmer Compo, Keith Holley, Gary Nemeec, and Fred Bayliss.

Adult Softball

Plenty of softball action is in store for East Jordan softball followers with second round action in both the Inter-County and Rainbow City Leagues scheduled to get under way next week.

The Rainbow City League as in the first round of play will have four teams; the Canning Company, Iron Works, American Legion, and the Co-op.

Representing East Jordan in the Class A Inter-County League will be the East Jordan Cannery and the East Jordan Foundry.

The newly organized Sherman's Firestone nine will be the only East Jordan entry in the 7 team Class B Inter-County League. An attempt is being made to bring outstanding teams in this area to East Jordan on week ends to play East Jordan Independents.

Some interest has been stirred up regarding the organizing of one or more girls' teams. Any girls interested in forming a team are asked to contact Coach Saxton, local recreational director. Ellsworth has two girls teams and Charlevoix has four. Let's try and organize softball for girls.

If you're in the habit of cleaning ice cube trays and tray grids with hot water, it's time to change your ways. Hot water tends to remove the wax coating on the surface of the trays which is there to make removal of ice cubes easier. So next time you clean ice trays and tray grids, use warm, not hot water.

An Honest Night's Sleep

Slim Johnson, just back from a business trip, tells about a hotel he stayed at one night.

"I hit town late and went right to the hotel. There was no clerk at the desk, but there was a sign that said: 'Gone to bed. Rooms \$8. Take a key. Pay when you leave. Sleep Well.'"

"Upstairs, the room was real clean, the bed comfortable, and I slept like a log. Came down in the morning—still no clerk. So I left three dollars at the desk and went on. Can you imagine folks that trustful?"

Mrs. Esther Shier passed away July 7th at her home in this city following an illness of some three years. She was born at New Paltz, Ont., Nov. 4th, 1857. She was united in marriage to Francis Osborne Shier at Camberly, Ont. They came to East Jordan in 1890 and Mrs. Shier has made this her home since. Mr. Shier passed away Dec. 27, 1915. Mrs. Shier conducted a hotel in East Jordan for many years. At one time she had charge of the Commercial House (recently destroyed by fire.) Later she purchased the Russell House and had charge of this up to the time of her death, with exception of a year or so when she leased it. Deceased is survived by two sons, Richard R. Shier of Ironwood and John C. Shier of East Jordan, and three daughters, Mrs. Rose Steffes of Flint, Mrs. Maud Lanman of Kansas, Mrs. Bertha Ebblor of Jordan. Funeral services were held from her late home July 11th, conducted by Rev. Sidbotham. Interment at Sunset Hill.
Miss Stella Matthews, who has been visiting friends here, left Tuesday for her home at Ridgely, Maryland.
Mrs. Ernest Vance, passed away at a sanitarium at Eloise, Mich., Sunday, July 8th. Mrs. Vance was formerly Miss Blanche Palmer

Check Your Speed Miles District

(Edited by Mrs. Claud Gilkerson)

Chief Harry Simmons today warned all motorists to slow down at all intersections. "Cars parked at the curb make many blind corners where 25 miles per hour may be too fast," he said. "The driver, approaching such intersections can't see another car coming until the very last minute. This gives him only a few feet in which to stop after he sees the other vehicle. He simply can't stop in such a short distance unless he has already slowed way down," he continued.

Failure of drivers to slow down at intersections is the chief reason why there are so many right angle crashes at corners. Many of these result in serious personal injuries and death. A passenger thrown from the car and striking his head against the pavement may not survive the mishap.

Chief Harry Simmons pointed out that today's cars are so smooth and quiet that the motorist doesn't realize he is going over 25 miles per hour unless he looks at his speedometer frequently. "Watch your speedometer and slow down for intersections is good advice for all motorists," the Chief concluded.
The warning to motorists to slow down at intersections is part of the state-wide program of CHECK YOUR SPEED sponsored by the Michigan State Safety Commission in which the city of East Jordan is cooperating.

The Servicemen's LETTER

Hi Fellas:

As much as "Jake" and I have tried to keep the paper coming to all service men in this area, we seem to have missed one every now and then. Alzo Ziba DeForest, 460 58 317, 60th Inst. Sqd., Fire Dept., Donaldson AFB, Greenville, S. C., is on his second hitch and has never received the paper from the Service Club. We are sorry, Ziba, but your name has just been turned in to us.

There was a note from Mike Brennan this week to say he is being transferred, and to hold up his paper until further notice. "Jake" called me the other day and he will be ready to take over the article in another week or two. He has to go back to Munnson Hospital for x-rays—just one day, and then he hopes to be able to at least sit up for a while. How

about a "jackpot" full of letters for him and let him know how glad you will be to have him back. "Jake" also said that Richard (Pete) Lundy had stopped by to see him and he is on his way to Fort Lewis, Washington, prior to overseas duty. Congratulations on that new daughter too, Pete.

It's nice to know that the fellows think of the column and appreciate it enough to write a letter back home on their way back to their camps. The following letter from Pfc James P. Lewis (Note the promotion, nice going, Jim) was written in Chicago: "Dear Jake, I had hoped to see you during the leave just ending (and I certainly hope you are now well enough to have visitors)—but somehow never found time to do it. So here is a short letter, written while I am waiting for the

train back to Denver.' "As you may know, I have been at Camp Carson, Colorado, since March, a company clerk in an engineer battalion. My company is re-building Camp Hales—some 11,000 feet up in the Rockies, but I was left behind at Carson to help the NO and 1st Sgt. with the paperwork. I cannot complain of the Army, since I have had one promotion and finally my first leave, since last seeing you."

"I was very pleased just before my leave to find Don Karr, taking his ROTC summer training with the Engineers at Carson. He is, as far as I know, the only East Jordan man at Carson since I have been there, and certainly the only one I've seen, but I hope there will be more."

So long, men.

Piery Wildlife Youngster

While only a few weeks old, this downy red-tailed hawk already exhibits the mean disposition of his parents. But, though he appears unlikable, conservation department game men say that like most hawk species, the red-tail is largely beneficial to man. Its food is mostly small rodents—field mice, barn rats and other nuisance animals. He may make off with an occasional rabbit or squirrel, but such wildlife species do not generally provide fare for this big chestnut-colored bird.

Tourist Park News

Mr. and Mrs. Ralph Cragg of Jackson are vacationing in our park again.

Mr. and Mrs. John Horman spent Saturday as dinner guests of the Alan Hathaway's at Central Lake. Sunday they made a trip to Mackinac City and back by way of Onaway calling on friends.

A Sunday picnic was enjoyed by Mr. and Mrs. Sam Rogers and their family, Dr. and Mrs. Rodney Rogers and three children of Vicksburg and Mr. and Mrs. Donald Stokes and two children of East Jordan, and another granddaughter of the Rogers', Betsy Glass of Lansing.

Guests of Mrs. Herman VanGermert and children for a few days are their son and brother, Dick, and chum, Roger Williamson, and the former's father, Geo. Lieveuse, all of Grand Rapids. Mr. H. VanGermert came Saturday from his home in Grand Rapids for the week end with his family.

One of the most frequent groups to visit our park is Mrs. Hattie Bergsma, Mr. and Mrs. Jake Dent and family, Mr. and Mrs. Elmer Klooster, of Ellsworth, and Mr. and Mrs. Adrain Postmus of Dover, Dela. They manage to have a picnic on an average of every week or two in the park as they did on Sunday evening.

Occupying the Putnam trailer home over the week end were Mrs. Putnam's sister, Mrs. Inez Montgomery, her son, Howard Montgomery and wife with their son, Stewart, and friend, Miss Norda Wolney, and their daughter, Miss Barbara, with friend, Robert Taylor, all of Grand Rapids. The party took a much longer for canoe trip down the Jordan River on Sunday.

Mr. and Mrs. Bernard Stoult with son, Roene, spent the week end at Lansing and Flint, then on to Carson City where they visited the former's mother, Chuck Roene, of Lansing returned with them as a guest for the week of Roene's.

Mrs. Laverne Chumbley and daughter, Lynn, of Lansing, spent a couple of days visiting her brother, Len Box, and her father-in-law, Jerry Chumbley, in the park.

The first dance of the season sponsored by the City recreation group was very well attended last Wednesday evening and everyone seemed to really enjoy themselves. The orchestra is the same as before, Mrs. Elizabeth Acitelli at the piano, Clarence Carney on the drums. There is a different caller this year, Harry Pearsall is filling that capacity. Chaperones are Mrs. Betty Robertson and Gayle Saxton.

New improvements are taking place all the time around and concerning the park. The benches encircling the shuffle courts have been painted, red seats with white posts, and the kitchens are getting a coat of blue outside and white inside. Another much needed thing is some very fine looking signs advertising the park. They are 10"x4", painted red, yellow and black, displaying the TCMA approved park emblem and some catchy advertising for the park and surrounding area.

A surf-board rider entertained the tenants unwares most all Sunday afternoon.

Mr. and Mrs. Andrew Carlson of Kent City came in Tuesday for a few days vacation.

The Susanna Wesley Circle of the Methodist W. S. C. S. held their picnic dinner and meeting in the park, Monday.

Mr. and Mrs. Harry Browner (the key man) are in the park for awhile. They have been working their way north from Chicago.

Mr. and Mrs. Ira Card of Sterling came from Mackinac City, where they are spending the summer, to visit the Jess Robinsons, Tuesday.

Mr. and Mrs. Bert Putman of Sparta returned to their trailer home for more vacation after accompanying their granddaughters home.

Mr. and Mrs. Alan Robinson and Alan, Jr., of Mt. Morris came Sunday to spend a few days with the former's parents, the Jess Robinsons.

Mrs. Herman VanGermert and father, Geo. Lieveuse, are entertaining their sister and daughter, Mr. and Mrs. Edward Christensen of Grand Rapids.

Mr. and Mrs. Andy Anderson are entertaining the latter's brother-in-law and sister, Mr. and Mrs. Ted Anderson, and daughters, Kay, Karen and Judy, of Holt, this week.

Monday morning a very unusual visitor (or visitors) came into the park with a quite modern house-boat mounted on a large trailer. It was a home-made home built by two elderly gentlemen of Kalkaska. They launched the boat near the bath houses and the last we saw it was headed north on the lake.

Mr. and Mrs. Keith Winkle and little sons, David and Jerry, attended the bi-centennial celebration of their home town, Pigeon, Mich. They made a very nice-looking couple, she in her back dated clothes and long curls, and he with his beard. We are having a little difficulty recognizing him now without that bush.

Hot dogs, and marshmallows were the main menu for a picnic on Tuesday for Mrs. Herman Clark and children, Sharon, Karen, Jackie and Joe, and Mrs. Richard Clark and children, Dickie, Robin, Patty, and their guest,

Summary of Bills of Farm Interest

Legislative Bills — 10 bills were favored by Michigan Farm Bureau and passed by the Legislature, all of these have been approved by the governor. 22 bills which we opposed were not passed during the recent session. 12 bills which we favored were not passed. One bill opposed by M. F. B. but passed by the Legislature. Read the details in the Michigan Farm News.

Be Sure to Vote — Wheat acreage allotment? Support price? Michigan may have severe acreage cut on account of recent increase in acreage. Your minute man has important report for group discussion which he received at a recent meeting.

Watch in the mail for the voting information—it will be sent out from the P. M. A. office. Vote must be sent in before July 25th.

Speaking Contest — "My City Friend and I Live in the Same World", is the title for the Speaking Contest for Farm Bureau Women this fall. Prizes are \$25.00, \$10.00 and \$5.00. Time of speech is 12 minutes. Any ladies in your group interested in this contest? Contact County Chairman.

Gold Star Award Winners — Ellsworth Group, Mrs. Ellen Stevens, secretary, for the month of April. Keep up the good work. We would like to see more Antrim County groups receive these awards.

Discussion Topic for July — Preserving Township — Governments and Local Tax Systems. Township governments in 1956? Some say "Yes", and some say "No". There are two sides to this question. On one side stands Michigan citizens who say that good, democratic, American government requires the preservation of home rule. On the other, Michigan citizens who say that a economical, efficient, American government requires abolishing township systems for larger units. Attend your Community Group meeting and become better informed.

Marilyn Carresen of Flint, and Mrs. Everett Combest and children, Jeannie, Linda, Beatrice and Marilyn, with Linda McWatters, of East Jordan.
