Ramblers falter late against Elks

By Chris Fiel

Elk Rapids 34, Boyne City 24

BOYNE CITY – Boyne City held a 24-14 advantage with just under nine minutes to go in the third quarter but could not hold on as the Elks rallied to claim a 34-24 Lake Michigan Conference victory at Earl Brotherston Field on October 21.

The Elks got on the board first to go up 7-0 early in the opening quarter, before the Ramblers responded with a pair of touchdowns, the first on a 90 pass from Jay Redman to TJ Douglas, and Redman punching it in himself from 12 yards out. Both Rambler conversion attempts were unsuccessful.

Elk Rapids got back on top 14-12 midway through the second quarter, before Boyne City responded with 48.6 seconds to go in the half as Bradley Fouchia hauled in a tipped pass from Redman to put the Ramblers up, 18-14 at in-

termission. Boyne City came out in the third quarter and got on the board once again as

Redman found Keegan LaBlance for a 36 yard scoring strike to give the Ramblers a 24-14 advantage.

After that, it was all Elks, as they climbed to within 24-21 on an Ed Shaw run with 5:42 remaining in the third and he tackled on the go-ahead score with 18 seconds remaining in the quarter.

The final scoring of the night came at 6:09 of the fourth as Elk Rapids' Collin Wilcox pounded his way in from 5-yards out for a 34-24 advantage.

"It was a good, competitive contest," Boyne City coach Don Nohel said. "Unfortunately, we came out on the wrong end of the score, and we didn't capitalize on all of our opportunities."

"Their defensive line controlled the line of

scrimmage, and we weren't able to run the ball like we thought we would be able to," Nohel noted. "We had a lot of young kids this year and they battled hard all year, they are a resilient group."

Redman was 9-of-21 passing for 168 yards and three scores in addition to the rushing TD to lead Boyne, while Conner Mills paced the ground game with 27 yards on 13 attempts, and Zach Wandrie added 20 yards on four carries.

Skylar Davis led the Rambler defense with 10 tackles, while Trey Reinhardt and Collin Ulvund each had nine tackles, and Redman chipped in with eight.

Boyne finishes the season with a 4-5 overall record, 3-4 conference.

Rayders win back and forth season finale

By Chris Fiel

Charlevoix 28, Kalkaska 26

KALKASKA – The Charlevoix Rayders finished the season on a positive note, coming away with a 28-26 Lake Michigan Conference victory on October 21.

Janael Kelly ran for 125 yards on 17 attempts and senior Andrew Potter rushed for 102 yards on 22 carries and scored a pair of touchdowns to lead the Rayder offense.

"It was nice for our seniors to go out on a winning note," Charlevoix coach Don Jess said. "Kalkaska battled hard and it was a back and forth game, we had several kids step up and make plays when we needed them, this team had its ups and downs, but always played hard and I'm proud of them."

The Rayders jumped out to an early 12-0 lead, but then the Blazers came roaring back by scoring 20 unanswered points before Charlevoix was able to stop the onslaught.

Charlevoix responded with a Potter 2-yard touchdown and a Jamael Kelly conversion to tie the contest 20-20, before the Blazers tacked on another touchdown to take a 26-20 advantage heading into the final quarter.

Charlie Hamilton took a 6-yard pass from Tanner Catt to even the score at 26, and Kelly punched in the conversion for the final score of the night.

Charlevoix's Marc Durkee preserved the Rayder victory with an interception with just over a minute remaining in the game.

"I thought our offensive line did a great job and Andrew

Potter and Jamael Kelly ran hard and did a nice job of protecting the ball," Jess noted. "Tanner Catt managed the game well from the QB position, and defensively, Marc Durkee once again came up with a big interception for us at the end."

Catt finished 7-of-20 passing for 65 yards, while Hamilton was the recipient of five of those passes for 43 yards and the TD.

Myles Kerr also got into the scoring act as he crossed the goal line on a fumble recovery that he took back 43 yards.

Leading the defense was Coby Herriman with nine tackles, Greyson Speigle had seven, and Andrew Robarge and Josh Hogan finished with six each.

East Jordan wins in dramatic fashion

Late surge powers Red Devils past Rams

By Chris Fiel

East Jordan 26, Harbor Springs 22

HARBOR SPRINGS — The East Jordan Red Devils ended the season on a very high note, as they were able to overcome a 22-13 deficit with 2:35 to go and turn it into a 26-22 season ending victory on October 21, and ending a 26-game skid that dated back to the 2008 season.

"What a game," East Jordan coach Allan Peterson said. "We battled till the end, and they earned the result."

Harbor Springs opened the scoring in the first quarter to go up 7-0, and extended that to a 14-7 lead going into halftime. The Red Devil score came on a 13-yard pass from sophomore Noah Bacchus to Dustin Mellios. Harbor added another score with 5:26 left in the third quarter to make it 22-7.

That's when things started to go the Red Devils way. Sophomore Ben Walton recovered a Rams fumble in Harbor Springs territory at the 2:40 mark and a few plays later,

sophomore Tim Schutt raced 24-yards for a touchdown to pull East Jordan to within 22-13.

The score would stay that way until Bacchus connected again with Mellios for their second 13-yard touchdown with 2:35 remaining in the game, bringing East Jordan to within a field goal, at 22-19.

With the crowd getting into it, the East Jordan defense, behind the leadership of Wyatt Werner and a slew of Red Devils, they were able to force a Ram fumble, the ball shot up in the air and into the outstretched arms of senior John Richards, who corralled the ball and raced 48 yards to paydirt to put East Jordan up 25-22 with 1:43 remaining. Josh Rathbun booted the extra point for a 26-22 lead and what would be the final scoring of the night.

East Jordan improved to 1-8 overall, 1-6 conference with the victory.

The Red Devils were led offensively by Werner, who rushed for 93 yards on nine carries, and Schutt who

pounded out 69 hard fought yards on 11 carries and a score. Bacchus, the sophomore quarterback, threw for 48 yards. Mellios finished with three receptions, for 46 yards and a pair of touchdowns.

"Noah did a good job in there," Peterson said. "He made good decisions and threw the ball well. Our offensive line, which includes three sophomores, gave him the time he needed as well."

Defensively, Walton was a wrecking machine, as he recorded 20 tackles on the night, while Richards and Mellios each chipped in with 12 apiece. Marcus Wingate had 11, and Rathbun, Josh Johnston and Zach Shepard all finished with six tackles each.

"Were real proud of the kids," Peterson noted. "All the adversity they went through, we needed the win, this is something we can build on and go forward." "I enjoyed working with the seniors, they were fun, and we are going to miss them, and I'm glad they stayed with it."

Question & Answers
About Selling Real Estate

Keep your family safe from hazardous lead-based paint

**Compliments of
Mike Stark,
Stark Realty,
Inc. (231) 536-7700**

Mike Stark
Many houses and apartments built before 1978 have paint that contains high levels of lead (called leadbased paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

If you suspect that your house

has lead hazards, you can take some immediate steps to reduce your family's risk:

- Clean up paint chips immediately.
- Clean floors, window frames, window sills, and other surfaces weekly. Use a mop, sponge, or paper towel with warm water and a general all-purpose cleaner or a cleaner made specifically for lead.
- Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.
- Wash children's hands often, especially before they eat and before nap and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed

animals regularly.

- Keep children from chewing window sills or other painted surfaces.
 - Clean or remove shoes before entering your home to avoid tracking in lead from soil.
 - Make sure children eat nutritious, low-fat meals high in iron and calcium.
- In addition to day-to-day cleaning and good nutrition:
- You can temporarily reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels.
 - To permanently remove lead hazards, you must hire a certified

lead "abatement" contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not enough.

When remodeling your home it is particularly important to be aware of lead-based paint and take the proper measures to keep your family safe. If not conducted properly, certain types of renovations can release lead from paint and dust into the air, an already difficult situation.

NORWOOD TOWNSHIP PUBLIC HEARING

Norwood Township Planning Commission will hold a Public Hearing on 11/14/2011 at 7:00 PM at the township hall as part of the PC regular monthly meeting.

Comments may be submitted and will be considered on amendments to the following Articles of the Norwood Township Zoning Ordinance 2002.

Article VI, Section 6.01, addition of new sub-section:

4. Expiration/Extension of Site Plan

A. The site plan shall expire unless substantial construction of an approved site plan improvement has begun within 365 days of approval. Thirty days prior to expiration of an approved final site plan, an applicant may make application to the Planning Commission for a one year extension of the site plan. The Planning Commission shall grant the requested extension for an additional one year, if it finds good cause for the extension and that the zoning regulations govern-

ing the Site plan approval have not changed since the approval.

B. If the site plan approval expires pursuant to subsection A. above, no work pursuant to the site plan shall be undertaken until a new site plan approval is obtained from the Planning Commission following the procedures for site plan approval.

Article VII, Section 7.02, addition of new sub-section 1 and renumbering of all sub-sections which follow.

1. Pre-application Conference: A pre-application conference shall be held to discuss the applicant's objectives and how these may be achieved under the Ordinance, before a special land use application is submitted. This conference shall be scheduled upon request by the applicant. Participants in this conference will include the applicant, the site designer and Township representatives such as the Zoning Administrator, the Planning Commission chair (or designee) and Township consultants, as deemed necessary by the Planning Com-

mission chair. The applicant may prepare a conceptual rough sketch plan for this session, however, no engineered site plans or surveys will be considered at the pre-application conference. If necessary a site visit may be scheduled at this conference. Concepts and statements presented at the pre-application conference shall not be legally binding on any party. In order for any proposal to be formally considered, the applicant shall submit an application based on the requirements of Section 7.02.2 below, after the pre-application conference.

Complete wording for these proposed amendments can be obtained by contacting the Norwood Township Clerk, Dana Pajtas, 547-4767, norwood-clerk@yahoo.com or can be read online at <http://www.charlevoixcounty.org/norwood.asp>.

Anyone requiring special needs in order to attend this public hearing should contact the Clerk at the above telephone number/e-mail address at least three days before the public hearing date.
