## Boyne Falls 74, Wolverine 34

BOYNE FALLS – Senior big man Josh Puroll scored 22 points and grabbed 13 boards to lead the Loggers to a 74-34 Northern Lakes Conference victory over Wolverine on January 5.

The Loggers also put three others in double figures with Marcus Matelski recording a double-double with 15 points-14 rebounds, Brendan Matelski added 12 points, Logan Jenkins finished with a triple-double, with 10 points, 10 assists and 10 rebounds and William Miller added seven points off the bench, and Forrest Williams had four assists.

The Loggers jumped out to another early lead as they took a 21-7 before increasing that to a 32-13 halftime advantage and took a

47-29 lead into the final quarter.

“Logan played his best game of the year so far,” Logger coach Tim Smith said. “Their plan was to take him away and he did a good job of getting everyone involved.” Tyler McCauley and Seth Purgiel each scored nine points each for Wolverine, 2-3 overall, 2-1 conference.

The Loggers played at Mackinaw City on January 10 and will host Ellsworth on January 12 in their annual pink game.

## Boyne Falls 76, Alba 33

ALBA – Logger senior guard Logan Jenkins dropped 17 points and handed out five assists in leading Boyne Falls to a 76-33 on January 3.

The Loggers improved to 3-1 overall, as they jumped out to an early 17-9 first quarter lead and then took off as they outscored

Alba 59-24 over the next three quarters en route to the victory. Boyne Falls led 37-18 at the half.

“First game back from the holiday break, and I thought we shared the ball well,” Boyne Falls coach Tim Smith said. “We finished with 15 assists, so we were very unselfish, and we shot well from beyond the arch going 7-of-17 from 3-point land.”

Marcus Matelski added 16 for Boyne Falls, while Brendan Matelski netted 15, Josh Puroll 12, and Maxwell Reed had seven. “They (Alba) did a good job of taking away Puroll,” Smith noted. “We showed our depth by having other guys step up.”

Puroll finished with 12 rebounds and Marcus Matelski added seven, while Brendan Matelski added three assists for the Loggers.

Gary Pawson finished with 17 points and Joe Dixon nine for the Wildcats, 1-3 overall, 0-1 conference.

## Rayders split pair of games

By Chris Fiel

### Elk Rapids 67, Charlevoix 61

ELK RAPIDS – A career night by Rayder Charlie Hamilton wasn't enough, as the Elk Rapids Elks outlasted Charlevoix 67-61 in a Lake Michigan Conference match-up on January 6.

Hamilton paced the Rayders, 4-3 overall, 1-2 conference with 19, while Andrew Plude scored 15 and Andrew Potter chipped in with 11.

A slow first quarter resulted in an 8-4 Elk Rapids lead before both teams found the net as they rebounded for a 33-25 Elks halftime lead and the Rayders closed to within 49-44 entering the fourth.

“Needless to say we got off to a terrible start for whatever reason,” Charlevoix coach Adam Wood said. “But we were able to bounce back and keep the game close the rest of the way.”

Charlevoix battled back to tie the game at one point during the fourth but ran out of steam after expending much energy on the defensive end.

“Tonight was a tough loss.”

Wood noted. “We had a great chance to get a conference win on the road and just didn't make the plays down the stretch.”

Luke Morrison finished with 23 points leading the Elks, 4-2 overall, 2-1 conference, while Phil Hayes added 21 and Austin McMullin chipped in with 16 points.

### Charlevoix 64, Suttons Bay 55

CHARLEVOIX – A tough effort by the Rayders was rewarded with a victory as Charlevoix knocked off Suttons Bay 64-55 on January 3, handing the Norsemen their first loss.

Andrew Plude scored 20, Andrew Potter added 13 and Sawyer Russell finished with 11 pacing the Rayders, 4-2 overall. Suttons Bay fell to 4-1.

The Rayders posted an 18-10 first quarter lead and went up 31-23 at the break and increased their lead to 49-39 going into the fourth.

“We came out strong to start the first quarter,” Rayder coach Adam Wood noted. “I was pleased with our energy following a long break with no games.”

“I thought we got a little complacent at times during the game and rather than increasing our lead, we allowed them to hang around in the game,” he said. “Overall, a really nice way to start out the New Year.”

Russell grabbed eight rebounds, Plude finished with seven, and Potter had six assists.

Greg Banks scored 15 points and Aaron Orban added 13 for the Norsemen.

Charlevoix played at East Jordan on Tuesday, January 10. Results will be in next week's paper.

## Question & Answers About Selling Real Estate

### Buying a Home with Resale Value - Pt. 1

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

Buying a Home with a View

Mike Stark

Homes with a pleasant view of the horizon often sell at a premium above similar homes without the view. However, if a view is important to you, buy it mostly for your own pleasure and not as an investment. Though you may place a considerable dollar value on the view, future buyers may not be so like-minded. It may take you longer to

find a buyer when it comes time to resell the house. Or you may end up dropping your price to more nearly match other sales prices in the neighborhood.

In short, if you are buying a house with a view, try to pay as little extra as possible. Otherwise, you might not get your money back.

**Lot and Landscaping**  
Even though most real estate value is usually concentrated in the building, the lot is important, too. Obviously, it should be as level as possible. Assuming the property is in a typical neighborhood, the lot should be rectangular – no odd shaped lots or oddly situated lots.

Yard sizes are smaller in modern homes than in older homes, but there should still be a decently

sized front and back yard. Do not buy a house where the entire back yard is taken up by a swimming pool, for example.

Do not purchase an over-landscaped property, either. You would normally pay a premium for that, which you may not be able to recover when you sell. You will get your best value if the house is moderately landscaped or under-landscaped for the area. You can always improve the landscaping during your ownership by improving the grass and adding bushes and trees. Just do not spend too much.

**House Size**  
In each residential neighborhood, houses will vary in size and rooms, but they should not be too different. If resale value is an im-

portant consideration, you should not buy the largest model in the neighborhood. When determining market value, the homes nearest to yours are most important. If most of the nearby houses are smaller than your house, they can act as a drag on appreciation.

On the other hand, if you buy a small or medium house for the neighborhood, the larger homes can help pull up your value. This is one of those times where determining your "wants" versus your "needs" can be extremely important. Buying what you need in a more prestigious neighborhood may provide more financial reward than getting what you want in a less desirable neighborhood.

# Grand Victorian home ideal for restoration

By Jim Akans

Classic architecture, spacious design, and elegant character.

This grand Victorian style home located on a corner lot in East Jordan is an ideal restoration project for anyone who has dreamed of living in one of these beautiful, century-old charmers. Homeowners over the decades have gently cared for this home, and much of the original woodworking and hardwood flooring is still in place, nicely preserved and ready to restore.

There is just over 1,350 square feet of living space on the main two levels of this home, with four bedrooms that are located on the upper level, baths on each level, and separate living, formal dining and family room areas plus the kitchen and utility room on the main floor.

One of the most striking curbside features of this home is the magnificent wrap-around covered porch accented by beautiful, stately pillars. It offers a warm, welcome ambience to the façade, and promises to become a favorite spot from which to sit back

and watch the world go by. There is also a one-car detached garage on the property, and the home has a partial basement, which provides extra storage potential.

This is a perfect opportunity to breathe fresh new life into this grand Victorian beauty, at a listing price of just \$44,900.

For additional information or to arrange for a tour of this home, please call Mike Stark at 231-536-7700 or email at mike@starkrealtyonline.com.
