JOHANESBURG — The Red Devils couldn't quite put the Cardinals away in the opener, but managed to do that in game two, in coming away with a non-conference softball split on May 21.

In game one, it took extra innings to decide the winner, eight

to be exact, as the two teams battled to a 4-4 tie at the end of six innings (regulation). With each team adding a pair of runs in the seventh, the Red Devils added another in the top of the eighth to go up 7-6, before Joburg pushed two runs across in the bottom half of the inning to claim a hard fought 8-7 win.

Valerie Peter took the loss in

relief of starter Lissa Vincent. Peters allowed three hits, while walking one.

Abby Schlicher gave up eight hits, fanned six and walked six in

the Joburg victory.

“Exciting game, we were ahead and had our opportunities to win but mistakes cost us a victory in game one,” EJ coach Meg Kitson said. “It was nice to get game two for a split.”

walking two.

Red Devils fall to Cardinals, split with Ironmen

By Chris Fiel

East Jordan 4-8, Joburg 7-9

JOHANESBURG – The Red Devils and Cardinals went back and forth in both contests before Joburg was able to finally put East Jordan away in a non conference baseball matchup on May 21.

In the opener, EJ scored in the first and second innings and added a pair in the fifth, but were unable to hold off the Cardinals as they scored in the opening inning, added two in the third and another four in the bottom of the fifth for the 7-4 win.

Jordan Harasewicz took the loss, going five innings, allowing seven runs (five earned) on seven hits, while fanning seven and walking two.

Zak Shepard singled twice to lead the Red Devils at the plate. Skylar Gibson, Austen Mellios, Aaron Peck, Matt Bolser, Tim

Shutt and Harasewicz all singled.

Peck finished with two RBI, while Gibson, Mellios and Bolser added one RBI each.

“This was a back and forth game between two good teams, they were very aggressive on the bases and took it to us,” Red Devil coach Al Stallard said. “I felt when we took the lead in the fifth that we were in good shape, but JoBurg came back and scored three runs after we had two outs in their half of the fifth. You have to give them credit.”

Game two saw the Cardinals put up four runs in the bottom of the first and had to hold on as the Red Devils came roaring back in the fifth by scoring six times. JoBurg added solo runs in the bottom half of the fifth and sixth for the victory.

Bolser took the loss in relief of starter Mellios. Bolser worked 4 2/3 innings, allowing four runs

(three earned) on four hits, four walks and fanned six.

Harasewicz doubled with an RBI to lead EJ, while Bolser and Dustin Hejka singled.

“We had a good comeback in this one, although it was aided by several errors, it was good to see us keep fighting back,” Stallard noted. “We just couldn’t hold on at the end.”

East Jordan 2-9, Mancelona 3-2

MANCELONA – The Red Devils took on one of the top programs in the Ski Valley Conference and came away with a split by winning game two of the doubleheader on May 17.

Zak Shepard took the loss in the opener, going five innings, allowing three runs on nine hits and striking out two.

Austen Mellios and John Richards doubled to lead the Red Devils at the plate. Mellios picked up two RBI on the hit.

In the nightcap, East Jordan scored six times in the top of the fourth to come away with a 9-2 victory.

Matt Bolser earned the win, going six innings, allowing two runs (one earned) on three hits, two walks and striking out seven.

Aaron Peck finished with three hits and two RBI to lead the Red Devils at the plate. Skyler Gibson and Bolser had two hits, Jordan Harasewicz doubled and Jacob Graham, Shepard and Tim Schutt all singled.

“The bats finally came to life in game two after being shut down for the last couple of games,” EJ coach All Stallard said. “Matt Bolser pitched very well for us again.”

“Mancelona has an excellent program and I have a lot of respect for Coach Jim VanWagoner, any win we get against them is hard earned.” The coach noted.

Rayders blank Burton Bentley Split with Rams

By Chris Fiel

Charlevoix 14-10, Burton Bentley 0-0

BURTON – The Charlevoix Rayder hurlers combined to strike out 19 in a shutout sweep in a non-conference match-up with Burton Bentley on May 19.

Ace Coby Herriman fanned 10 in game one, while Andrew Potter sent nine back to the dugout in the nightcap. Herriman only allowed one hit and Potter three against their opponents.

Noah Certa and Tommy Zipp led the offense with two hits each, both collecting doubles, while Shane Sutherland and Luke Klingler each added a pair of singles.

With the 10 K’s, Herriman’s strikeout total for the season stands at 103 in 48 innings of work and his career total increased to 310. Herriman set the school record last spring for career and adds to it with each strikeout.

In game two, the Rayders, 13-14 overall, Isaac Klooster finished with three hits, Certa two, and KeNen Borths added a single.

and neither athlete disappointed, as the Rayders managed a 2-1 game one victory on May 15. Harbor rebounded in the nightcap thanks to a two-run home run by Nate VanSloten to give the Rams the difference.

In game one, Herriman fanned 13 and walked three while holding the Rams to two hits. Morse was just as effective, allowing four hits, striking out five and walking one.

Both pitching aces also showed their power at the plate by delivering solo home runs.

The Rayders were able to push across the would be game winner in the top of the third when Noah Certa scored on a Harbor error. Certa reached base earlier in the inning on a base hit.

Andrew Potter singled twice to lead the Rayders, while Morse had the hit for the Rams in the form of a single.

In the nightcap, Andrew Potter took the loss, striking out six and walking three.

The big blow of the game came on a VanSloten two-run homer in the bottom of the fifth. Charlevoix would threaten in the top of the sixth, but stranded runners at the corners.

Nate Moon and Tommy Zipp hit home runs to lead Charlevoix, while Potter finished added three hits, Isaac Klooster, Certa and Will Telgenhof all finished with one hit each.

With the split, Charlevoix is 10-11 overall, 8-6 conference.

By Chris Fiel

Grayling 11-2, Boyne City 3-4

season and in turn his first varsity win in game two of a Lake Michigan Conference doubleheader on May 15.

Elzinga allowed five hits, while fanning four and walking three in the victory.

The Rambler offense was led by Waylon Hen-

ning with three hits, while Zeek Beek and Chandler Roberts both singled.

Boyne City improved to 6-18-1 overall, 3-11 conference, scored a pair in the top of the third and added single runs over the next two innings.

In game one, the hard throwing Elliott Hausler

scattered five hits over three innings of work, fanning one and walking two. Austin Gardner struck out three in relief.

Summary of Norwood Township Cemetery Ordinance Ordinance No. 5 • 2012

THE TOWNSHIP OF NORWOOD HEREBY ORDAINS:

Section 1. Title.

This section specifies the title of the Ordinance as the Norwood Township Cemetery Ordinance.

Section 2. Definitions.

This section defines the following terms: Burial site; Cemetery; Cemetery lot; Heirs at law; Infant or stillborn burial site; Township; and Township resident.

Section 3. Sale of Lots or Burial Sites; Non-Transferable.

This section specifies the regulations for the sale of cemetery lots or burial sites, including that the fees will be established by the township board; that cemetery lots or burial sites shall be sold only to township residents for use by the resident or resident's heirs at law; that no sale shall be made to funeral directors or others; that the township clerk (subject to an appeal to the township board) may vary the sale restrictions when there are sufficient personal reasons for burial within the township; that all sales of cemetery lots are non-transferable (but may be sold back to the township) and are on a form approved by the township board (which grants only a right of burial and which records the name and address of the person for whom the burial site is being purchase); that changes to the person assigned to a burial site requires a sale back to the township and a repurchase of the cemetery lot at the then current sale price (except that the township clerk may change or add names on a cemetery lot sold prior to 2001 without a sale and repurchase); that the township board has the authority to place a limit on the number of cemetery burial sites sold to a particular person or to that person's family and to determine whether a particular cemetery burial site(s) will be sold to a specific person and where such

cemetery burial site(s) will be located; that the holder of a cemetery lot must keep the township informed concerning changes to his or her mailing address; and any cemetery lot or burial site unused for 40 years from the date of sale shall revert to the township.

Section 4. Grave Opening.

This section specifies the regulations for grave openings, including establishing reasonable fees; requiring at least thirty-six (36) hours notice for a grave opening (with exception made by the sexton or township clerk); requiring a valid cemetery lot certificate before the burial site is opened (under the direction of the sexton); requiring at least twenty-four (24) hours prior notice when the grave opening is done pursuant to a court order or under the supervision and direction of local or state health department authorities (not under the direction of the sexton); and granting the sexton discretion to determine whether Winter burials may occur (with additional fees).

Section 5. Markers or Memorials.

This section specifies the regulations for markers or memorials within the cemetery, including that they be comprised of stone or other equally durable composition; that there be only one monument or marker per burial site (except with sexton permission); that they be on a suitable foundation with a wash base of not less than three (3) inches around; that they be placed at the west end of the burial site with inscriptions facing east or be across the face of flush type markers; that native boulders with an engraved plaque set on a foundation may be burial markers (no more than 3 feet high by 3 feet wide by 2 feet deep); that sexton permission be obtained prior to setting any monument and marker; that they be installed within 2 years; that the maintenance of all monuments and markers is the responsibility of the

heirs of the person buried; that the township board has the right (at the expense of the owner of the cemetery lot) to remove or repair any monument and marker found to be in violation of the regulations; and that burials without markers for 20 years or more shall be designated by the sexton with white crosses.

Section 6. Interment Regulations; Vaults.

This section specifies interment regulations, including the requirement that only one person shall be buried in a burial site (with exceptions for infant cremains); the requirement that proper documentation be provided concerning the person to be buried; that cement boxes or vaults be used (with exceptions on religious grounds); that cremains be buried in a container approved by the township and not dispersed within the cemetery; that only human remains be buried in burial sites; and that all graves be located in an orderly and neat-appearing manner within the confines of the burial site.

Section 7. Ground Maintenance.

This section specifies the regulations for ground maintenance, including that the township is responsible for maintaining the cemetery and can remove any item placed in the cemetery in violation of the regulations or can remove any tree, plant, or shrub located within the cemetery in the interest of maintaining proper appearance and use of the cemetery; that no earth work is allowed upon a burial site without the permission of the sexton or the township clerk; that all flowers, shrubs, trees or vegetation (no artificial plants are allowed) be planted in an urn (except when the sexton grants permission for permanent trees or shrubbery); that permission of the sexton be obtained to move, straighten, or install monuments or markers; that mounds,

Section 8. Forfeiture of Vacant Cemetery Lots or Burial Sites.

This section specifies the procedures for forfeiting vacant cemetery lots or burial sites that have been vacant for more than 40 years, including prior notice to the last owner of record; and with no response to the notice, the forfeiture of the cemetery lots or burial sites to the township, which will result in those cemetery lots or burial sites being eligible for resale.

Section 9. Repurchase of Cemetery Lots or Burial Sites.

This section specifies that the township will repurchase any cemetery lot or burial site (that has not been forfeited) from the owner for the original price paid to the township.

Summer Moving tips: How to prepare for a seamless transition

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

PART 2 OF 3 SERIES

How to prepare for a seamless transition

If you're moving this summer, the busiest season for moving, you know how daunting it can be. But if you create a blueprint for your move, the transition from house to house will go more smoothly.

Here are the steps 4 - 7 of 10 things you can do to prepare for a seamless transition.

4. Moving is NOT child's

play. Plan ahead. Consider daycare on moving day, or get help from a friend or family member. Provide lunch or some other appropriate thank you gesture if you do call in a favor. If that's not an option, prioritize setting up safe places for your children to play in the new home on moving day so they're not underfoot. This will help everyone remain happy and calm on moving day.

5. Don't fight with Fido. Sometimes we forget that all the packing and constant in-and-out of visitors is stressful for animals. Consider checking your pet into a daycare fa-

cility, or setting up a time for a friend to take them or check them into petday care. Don't let your four-legged best friends get lost in the shuffle and remember to make day-of moving arrangements.

6. Keep track of small parts. Some items need to be broken down into pieces when moving, but do you know what to do with the small screws and washers that you end up with? Rather than tape them to the furniture, which can result in losing them, put everything in a baggie that is clearly marked and sealed. Keep all of the separate baggies together in one box on

moving day and personally take it with you to your new home.

7. Take pictures of electronic hook-ups. Hooking up TVs, DVRs, home theater systems and computers can be challenging. Before unplugging any wires for the move, take a photo of the connections, print them out and label them in detail. This will create fewer headaches when setting up technology in the new home. Keep track of all loose wires using baggies or boxes that are clearly labeled, and personally carry these easy-to-lose items on moving day.

Remodeled home on two acres near Boyne Mountain

By Jim Akans

This week's feature home is a sharp, move-in ready ranch on two gorgeous acres of property near Boyne Mountain and the town of Elmira. The home has been thoroughly remodeled, with beautiful features that include maple flooring throughout, new cabinetry, counters and fixtures, plus energy-saving vinyl windows.

The home has nearly 1,200 square feet of living area, including three nicely sized bed-

rooms and a spacious, openly designed living, dining and kitchen area that offers spectacular views of the inviting backyard. A large, open deck has also been recently added to the home, and is conveniently accessible from this main living area.

There are two acres of property with this home, featuring a nice mix of open space ready for gardening or setting up a family play area, and a huge stand of pines "out back" offering privacy to the backyard space.

Located at 3630 Jordan River Road near East Jordan, this home is approximately seven miles from Boyne Mountain, one block from Alba Schools, and it offers direct access to the snowmobile trail. It is being offered at a listing price of just \$63,900.
