PELLSTON – The Boyne City Junior Boys Little League (ages

13-14) defeated Sault Ste. Marie, 13-2 and 8-7 on July 21 in a best-of-three sectional tournament to advance to the state finals.

Boyne City will open pool-play in the state tournament on Friday, July 27 in Montague. Boyne will play three pool-play games.

In game one, Boyne rode the arm of Dalton Gardner to the 13-2 victory, and he was also one of three Boyne all-stars that finished with two hits in the contest. Tanner Kruzal and Cody Moore also had two hits, with one of Moore's a home-run.

In game two, Kruzal started and Derek Willis came on in relief for the win as Boyne captured an 8-7 win over the Sault, thus clinching a berth in the state finals.

Jeffery Miller singled in the winning run with the bases

loaded in the bottom of the eighth inning to hand Boyne the victory.

Also supplying the offense with one hit apiece was; Gardner, Kruzal, Moore, James Roberson and Willis.

Boyne City Little League junior softball team goes 2-1 in pool play, Advances to state finals round

By Chris Fiel

Escanaba 13, Boyne City 0

WYOMING, MI – The Boyne City Little League Junior Softball team (age 13-14) dropped a 13-0 contest to powerhouse Escanaba in their final contest in pool-play on July 23.

Escanaba has outscored their three opponents 53-0 in their three pool-play contests.

Although Boyne made solid contact throughout the contest, they hit it directly at the defense and were unable to record a hit or get a runner on base as the Escanaba pitching duo of Sam Conner and Kate Ross combined to toss a perfect game.

Boyne City committed seven errors in the contest.

Escanaba scored four times in the bottom of the first, added a solo run in the third and tacked on eight more in the fourth inning.

Boyne was to play Sand Creek at 7pm Tuesday, July 24 after we went to press. Look for results in the August 2 issue of the Charlevoix County News.

Leading the Boyne offense thru their first three games are: Taylor Kroush and Madison Smith with six hits each, including inside-the-park home runs; Celena Brzezinski with five, with an inside-the-park home run and Hailey Richards with four hits and an inside-the-park home run.

Also for Boyne City, Abby Gardner, Emma Vondra and Molly Korthase added three hits apiece, while Taylor Hubbard and Kurstin Wilson had two and Lindsey Davis one.

nings before both teams broke through on the scoreboard, and when the dust settled Boyne City was on top with a 13-5 win over Holton on July 22 in pool-play to improve to 2-0.

Holton scored a pair of runs in the top of the third before Boyne came through with three of their own in their half of the inning. Holton went back on top with three more in the top of the fourth, but Boyne City came right back with five of their own in the bottom of the fourth.

Boyne City finished the scoring with a solo run in the fifth before adding four in the sixth inning.

Boyne City 23, St. Clair 0

WYOMING, MI – Boyne City opened pool-play of the Little League junior Softball State Finals on July 21 with a convincing 23-0 victory over St. Clair. The Boyne offense was plenti-

ful throughout the contest as they wasted little time in taking a five run lead after a half-inning of play. Boyne added six runs in the second, three in the fourth and nine in the fifth inning.

Helpful Travel Advice for Seniors

By Leslie Knopp

It's hard to think of a reason to leave Northern Michigan in the summertime. Our lakes and festivals make living Up North feel like one long vacation during these summer months. There are reasons to get out of Michigan and explore, though. Children, grandchildren and other family members are on break from school, and the mild weather means the conditions are great for travel—by plane, train or automobile.

I often work with seniors who are nervous to travel far from home. This uneasiness is completely normal and understandable. In the case that you're

considering a vacation away from home, I'd like to provide some tips on how to prepare for a trip to make it as smooth as possible.

As soon as you've planned the logistics of your trip, call or visit your doctor to find out if he or she recommends taking any special precautions. This might include getting a checkup before the trip or setting a schedule for your medications if you're changing time zones. Your doctor will also be able to recommend the best method of travel for your situation.

We all hope to stay healthy on vacation, but planning ahead will make a huge difference in the case that you do become ill while

you're away from home. Ask your doctor to provide the following information in writing:

Medical problems you have and how they're being treated

The drugs and doses you take, as well as when and how you take them

The amount of each drug you need to take with you on your trip

The names and contact information for all your physicians

The medical information in writing will make it easier to get through customs and easier to get replacement medication in the case that you lose yours while away. Don't forget to keep all of your medicine in a carry-on bag, too. Once in awhile airlines mis-

place checked luggage.

Keep your travels leisurely and relaxing by taking advantage of services offered to seniors. Shuttles, free wheelchairs and early boarding times are especially convenient. If you need assistance getting around, let your travel agent know to reserve special services.

As an added bonus of being in your Golden Years, transportation companies often offer discounts to seniors. Isn't it great to be eligible to save money on an airline tickets, cruises, bus tickets, taxis and tours?

Here is some final advice for a healthy, enjoyable vacation:

Even when it's warm outside, bring along a sweatshirt or jacket

to wear in chilly air conditioning.

Pack healthy snacks! This will help keep up your energy and you'll be happy to have a bite to eat while you're on the go.

Move around during long flights or rides. Prolonged sitting isn't healthy.

Protect against infection while you're among crowds. Regularly wash your hands or use an alcohol-based hand sanitizer.

Safe travels!

Real Estate Corner Question & Answers About Selling Real Estate

Summer Moving Tips PT. 2 OF 5

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

How to prepare for a seamless transition

If you're moving this summer, the busiest season for moving, you know how daunting it can be. But if you create a blueprint for your move, the transition from house to house will go more

smoothly. Here are 2 of 10 things you can do to prepare for a seamless transition.

3. Be strategic about packing. If you have more than a month to 'pick up and move', start early. Complete a free change of address and schedule utilities ahead of time at Moving.com. Start packing early. Whether it's one room, one cabinet or a drawer at a time, weed through what may be

years of accumulation. As you're going through your belongings, divide everything into these helpful categories: donate to charity, give to a friend, recycle, trash, pack now, or keep handy until moving day. You'll be surprised at how much you can donate, recycle or give to friends. And, you'll not be overwhelmed with the task at hand three days before you move.

4. Moving is NOT child's play.

Plan ahead. Consider daycare on moving day, or get help from a friend or family member. Provide lunch or some other appropriate thank you gesture if you do call in a favor. If that's not an option, prioritize setting up safe places for your children to play in the new home on moving day so they're not underfoot. This will help everyone remain happy and calm on moving day.

Fantastic value for Boyne City home in a beautiful setting

By Jim Akans

This is a fantastic real estate value. Located on a large lot of 100+ acres, this wonderful three-bedroom ranch is situated close to town and schools yet the backyard ambience embraces the serenity of the northern Michigan countryside.

The versatile floor plan of the home encompasses approxi-

mately 1,000 square feet of living space. The heart of the design is an adjoining living, dining and kitchen area highlighted by wood flooring, which provides plenty of space for entertaining and family gatherings. This inviting space overlooks the scenic backyard views, and a sliding glass door provides access to an expansive wooden deck extending across the rear of the home. The deck features two

covered areas – providing shady relief from direct sunlight while enjoying outdoor surroundings.

And while the setting is a natural wonderland, downtown Boyne City is close at hand. That means convenient access to schools, recreation, shopping, dining and entertainment that won't put a dent in your gasoline budget; a hidden value of this real estate offering.

Located at 610 Boyne Avenue

in Boyne City, this fantastic ranch home in a beautiful setting is being offered at \$99,900.
