## 7 WINS 0 LOSSES

### Ramblers settle in after opening Rayder drive and march to another victory

By Chris Fiel

#### Boyne City 25, Charlevoix 6

BOYNE CITY – Corey Redman went 7-of-11 passing for 151 yards, tossing four touchdowns in the process as Boyne City withstood the Rayders opening drive blow before clamping down on defense to come away with a 25-6 Lake Michigan Conference victory at Earl Brotherston Field on October 5.

The Ramblers improved to 7-0 overall, 4-0 conference with the win, while Charlevoix fell to 0-7, 0-4.

“We knew they had a good football team,” Boyne City coach David Hills said. “They have been playing much improved in recent weeks, they move the ball well against good defenses, we were not surprised that they were able to do that.”

Charlevoix opened the scoring as they went 69 yards on the first drive of the game, capped by a Luke Klinger quarterback keeper from 2-yards out for a 6-0 Rayder lead.

The Rayders would carry that lead until the 11:08 mark

of the second quarter, when Redman found a streaking Jamael Kelly for a 66-yard scoring strike down the left side, knotting the score at 6-6. The Rambler extra point attempt was no good.

Boyne City would go on top for good later in the quarter as Redman once again found an open receiver in the form of Maceo Vroman for a 23-yard touchdown, the two-point conversion attempt failed, giving Boyne a 12-6 lead with 1:32 left in the first half.

The Rayders came out of the half an attempted on-side kick that the Ramblers recovered, giving Boyne City possession near mid-field. The Ramblers would turn the ball over on the next play with a fumble. Charlevoix would drive to the Boyne City 6-yard line before a fumble of their own.

Redman would throw two more touchdowns during the third quarter, finding Vroman again for a 10-yard strike, and Bradley Fouchia on a 16-yard toss on fourth down and six to complete the scoring with 41.5 seconds left in the quarter and a 25-6 BC lead.

“We had an injury to our offensive tackle early in the third quarter and failed to put together another scoring drive,” Charlevoix assistant coach Nick Barmun said. “Again, we made it hard on ourselves by making penalties, lining up in the wrong spots, etc. Against a team like Boyne, those mistakes hit extra hard. You can’t make those types of mistakes and miscues against a undefeated team and expect to come away with a win.”

Also for the Ramblers, Malik Smith carried 16 times for 89 yards, Conner Mills five rushes for 25 yards, Kelly caught three passes for 94 yards and a score and added 11 yards rushing on two carries, Vroman hauled in three receptions for 41 yards and a pair of TD’s and Fouchia added one catch for 16-yards and a score and also carried eight times for 47 yards.

Defensively for Boyne, Alan Manross had 13 tackles, Mills 10, including three sacks, Vroman and Fouchia eight apiece, with Fouchia adding an interception, Redman eight and Brady Calo and Elliot Hausler added seven stops each.

quarter and counter it,” Hills said. “They put a lot of pressure upfront, fortunately we were able to handle it allowing us to open up our passing game.”

For the Rayder, Tanner Catt finished with 97 yards on 18 carries, Charlie Hamilton rushed 12 times for 47 yards, and the shared QB duties of Nate Moon and Luke Klinger combined to go 6-of 15 for 54 yards.

Charlevoix’s defense was led by Alex Brown with nine stops, Shane Sutherland added eight and Catt added seven. Greyson Spegele and Tommy Zipp finished with six each.

Boyne travels to Elk Rapids on October 12, while the Rayders go to Harbor Springs. Both contests begin at 7pm.

### BASS Anglers wrap up season on Intermediate Lake

The Great Northwest BASS Anglers held their season ending tournament on Intermediate Lake. The weather was great and the trees were spectacular as the sure signs of autumn were on full display. The only thing that didn't get the message were the fish. As the season ending Classic event is held, the format is different from all of the other tournaments in that the Classic each angler fishes by himself.

The non-boater is responsible for finding a boat to fish from. They may fish with a fellow club angler however as in all the other events are fished as a team; the classic is as individuals.

The weights were meager at best as only 5 legal bass were caught and the winner, Roger Cicotte was the winner. Second place went to Dan Miller and third was awarded to Podney Pontious. After the weigh-in the an-

glers ere treated to some fine grilled food prepared by fellow member Chef Andy Colyer. Chicken, goose and pork along with the fixings typical of a picnic were fare for the hungry anglers after a hard day on the water. Thanks to Andy for making the day that much more special.

The club will have their elections, and end of year award Saturday Nov 3rd.

## Boyerne City results Onaway Tournament

ONAWAY — The Boyne City volleyball team finished with a 3-2 record at the Onaway tournament on October 6.

The Ramblers, 23-11-4 overall, opened with a 25-10, 25-11 win over Mackinaw City, then beat Cedarville, 25-23, 25-16; got past Gaylord St. Mary, 25-16, 25-18; lost to Johannesburg-Lewiston, 25-20, 25-21; and fell to Onaway, 25-21, 25-21.

“We were hoping for a tournament win today, but things didn’t go as planned,” Boyne City coach Casie Paker said. “We have been experimenting with our lineup lately to get us ready for district play. While it seems to throw girls off, it’s something that needs to be done right now.”

For Boyne, Heather Nichols was named team most valuable player and was named to the all-tournament team, finishing the day with 62 assists and 28 digs. Kylie Hicks was also named to the all-tournament team recording 33 kills and 13 blocks.

Also for the Ramblers, Courtney Weldon finished with 28 digs, while Paige Hornbeck had 11 kills and Alison Johnson added six blocks. Mallory Karaszaski served at 100 percent.

“We brought up 5-11 sophomore Alison Johnson to try and improve our blocking,” Parker said. “She did a great job.”

## LMC match vs TCSF

TRAVERSE CITY — The Lady Gladiators got past Boyne City in three sets in their Lake Michigan Conference match on October 2.

TCSF won; 25-12, 25-14, 26-24. Boyne slipped to 20-8-4 overall, 8-2 conference with the loss.

“We definitely noticed the void of Kylie (Hicks) not being there tonight,” Boyne City coach Casie Paker said. “We had a tough time blocking their hitters. It felt like we were always on defense instead of offense. By the third game, we started adjusting and it was a lot closer game.”

“We will be glad when Kylie is back.”

For Boyne City, Erin Baker finished with 10 digs, while Heather Nichols and Paige Hornbeck had nine digs each and Mary Meyers chipped in with four blocks. Mallory Karaszaski, Emily Evans, Rainy McCune, Baker, Hornbeck and Meyers all served 100 percent.

## Charlevoix results Suttons Bay Tournament

SUTTONS BAY — The Charlevoix volleyball team battled to a third place finish in the Suttons Bay volleyball tournament on October 6.

In pool play, Charlevoix finished first as they split with Leland, 18-22, 21-14; got past Traverse City Christian, 21-11, 21-7; defeated Maple City Glen Lake, 21-5, 21-15. In power pool play the Rayders took second as they beat Pellston, 21-13; 21-17; downed Suttons Bay, 21-13, 21-11 before falling to Kingsley, 21-18, 21-14.

Charlevoix then bowed out in the semifinals, falling to Leland 21-19, 22-20. The Rayders record stands at 20-14-5 overall.

“The girls played fabulous all day long,” Charlevoix coach Audra Randall said. “We finished third overall and the team worked very hard together and have really come a long way in the past 10 days of the season.”

For Charlevoix, Karley Pearsall earned team MVP and made the all-tournament team, finishing with 61 kills, 21 digs and 18 blocks, while Madeline Boss added 41 kills, 33 digs and five blocks.

Madi Carey, Kelsey Pischner and Anna

Way were all credited with strong defensive play at the net.

## LMC match vs Boyne City

CHARLEVOIX — The Charlevoix Rayders took a big step as they prepare for the upcoming district tournament as they outlasted Boyne City for a hard fought Lake Michigan Conference victory on October 4.

Charlevoix improved to 14-12-5 overall, 6-2 conference, as they got past Boyne 25-21, 18-25, 25-23, 25-16. The Ramblers slipped to 20-9-4 overall, 9-3 conference.

For the Rayders; Karley Pearsall finished with 24 kills, 15 digs, four blocks and three aces and served at 100 percent, while Madeline Boss added 19 kills and 13 digs.

“This was a really, really big win for the girls,” Charlevoix coach Audra Randall said. “They were pretty fired up. We played them earlier in the year in a tournament over at their place and it was dysfunctional for us. We had girls out.”

“They had Kylie Hicks back,” Randall said. “We wanted to play them with her in the lineup and I was glad to see her back. We wanted to see them at full strength because we’ll see them again in districts.”

Also for the Rayders, Gloria Greene added 24 assists and nine digs, while Jessica Paramo had 15 assists and nine digs and served at 100 percent. Jennaca Holecheck added 16 digs, and Katie Paramo added six digs and was 90 percent on serve receive.

“We keep improving on our hitting and serving,” Randall said. “Of about 80 serves, we only missed two serves all night and that was huge.”

For the Ramblers, Hicks finished with 20 kills, while Heather Nichols added 32 assists and 22 digs and Erin Baker had 24 digs.

Baker, Nichols, Rainy McCune, Paige Hornbeck, Mary Myers, Emily Evans and Mallory Karaszewski all served at 100 percent.

“Charlevoix played a great game, I knew they would improve as the season went on,” Rambler coach Casie Paker said. “They’ve always had the hitters, it just took some time to get the setting and passing down. We were mentally out of it tonight. Homecoming week is always a long week for us in Boyne.”

“We did have Kylie back and she didn’t miss a beat.”

## LMC match vs Kalkaska

CHARLEVOIX — The Lady Rayders improved to 13-12-5 overall, 5-2 LMC with a victory over the visiting Blazers on October 2.

Charlevoix swept Kalkaska in three straight 25-13, 25-12, 25-15.

“The girls had an agenda of coming out strong to show our home crowd all the hard work they’ve been putting in to become a tough Rayder volleyball team,” Rayder coach Audra Randall said. “They did do just that, Kalkaska had a tough time with our offensive line.”

For the Rayders, Karley Pearsall finished with a career-high 27 kills, while Madeline Boss was 25-of-25 serving with three aces, was perfect on serve receive, and chipped in with eight digs and six kills.

“Karley’s hitting was on and she kept attacking all night,” Randall added.

## East Jordan results LMC match vs Elk Rapids

East Jordan improved to 7-5 overall, 4-4 conference with the 25-22, 13-25, 26-24, 25-19 win.

## Ellsworth results Mackinac Island Tournament

MACKINAC ISLAND — The Lady Lancers fell to runner-up NCMA in bracket play in the Mackinac Island volleyball tournament on October 6.

In pool play, Ellsworth fell to Posen 13-15, 5-15, then split with Detour 15-5, 5-15, defeated Maplewood Baptist 15-11, 15-11, before falling to NCMA 12-15 and 13-15.

In bracket play the Lancers beat Alanson 20-22, 21-10, 15-2 before bowing to NCMA again 17-21, 14-21.

“Overall I was very happy with our play outside of our slow starts,” Ellsworth coach Linda Steenwyk said. “The last couple of games we struggled with our serving but we served strong all day long. Our passing had much to be desired on the couple of games that we dropped pretty badly but the majority of the time we passed well enough to run our offense effectively. I know the team and myself had a great day and the tournament was run extremely well. It was great to have great competition with some really good teams.”

Kari Steenwyk led the Lancers with 46 kills, 21 aces and three blocks on the day and was selected team MVP, while Whitney Heard added 36 assists and 26 digs.

Also for Ellsworth, Kendra Warner had 32 digs, Leah Swenson 24 digs, and Tara Essenberg and Elizabeth Sowers finished with 31 and 11 aces respectfully.

## LMC vs Alanson

ELLSOWORTH — The Lady Lancers improved to 8-3 overall, 5-1 Northern Lakes Conference with a four game victory over the visiting Vikings on October 4.

Ellsworth took the match 25-18, 22-25, 25-11, 25-10.

“We started out slow again tonight, but once we started passing better we could run our offense much more effectively,” Ellsworth coach Linda Steenwyk said.

Kari Steenwyk led the Lancers with 17 kills and 10 digs, while Whitney Heard added 21 assists, 10 digs and eight aces.

Also for Ellsworth, Tara Essenberg finished with eight kills, five digs and a block, Kendra Warner added five kills and four digs, Elizabeth Sowers seven kills and seven aces and Ashley Drenth added six aces.

## NLC vs Wolverine

WOLVERINE — Ellsworth was pushed to four games by the host Wildcats before they walked away with a Northern Lakes Conference victory on October 2.

The Lancers took the match 25-22, 23-25, 25-10, 25-10, to improve to 7-3 overall, 4-1 conference.

Kari Steenwyk had 21 kills and 12 digs, Tara Essenberg finished with 12 kills and five aces and Whitney Heard added 24 assists in leading Ellsworth to the win.

Also for the Lancers, Kendra Warner had 10 digs and Leah Swenson added seven digs. Ashley Drenth finished with six aces and Elizabeth Sellers five.

“We really struggled with serving tonight. We pretty much gave a game away in service errors alone,” Lancer coach Linda Steenwyk said. “We seem to be in a little bit of a slump and need to dig deep and find the excitement of the game again.”

## Archery deer season runs through November 14 the reopens after firearm season

The Department of Natural Resources reminds hunters that the archery deer season opened statewide on Monday, Oct. 1. The season runs through Nov. 14, then reopens after the firearm deer season for late archery hunting Dec. 1 through Jan. 1. Autumn is a great time to enjoy the outdoors in Michigan and bow hunting can be done when the weather is mild.

During the archery season, an archery license, combination license regular tag or combination license restricted tag can be used to harvest either an antlerless deer or a qualifying buck. Antlerless-only licenses are also valid during the archery season.

If a hunter chooses to harvest a buck with an archery tag or combination license, the following restrictions apply:

Using an archery tag: bucks must have one antler at least 3 inches long, except in DMUs 117, 135 and

245, where one antler must have at least two points, and in DMUs 045, 115 and 122, where one antler must have at least three points.

Using a combination license regular tag: bucks must have one antler at least 3 inches long, except in DMU 245, where one antler must have at least two points, and in DMUs 045, 115, 487 and the entire Upper Peninsula (U.P.), where one antler must have at least three points.

Using a combination license restricted tag: bucks must have at least four points on one side.

Hunters are limited to purchasing only two kill tags for bucks each year — either an archery tag and a regular firearm tag, or a combination license with two kill tags valid during both the archery and firearm hunting seasons. Regardless of the types of licenses purchased, if two bucks are harvested, one of them must have at least four

points on at least one antler. Also, if a buck is harvested in the U.P. or DMU 487 with an archery tag, a second buck cannot be taken from that same hunting unit (U.P. or 487) with a regular firearm license. Hunters are encouraged to be familiar with the antler point restrictions in their chosen DMU before purchasing a license.

All archery and firearm seasons are open to crossbow hunting, except in the U.P., where deer hunters cannot use crossbows after Nov. 30 unless they have a disability permit. The free crossbow stamp is still required for all crossbow hunters.

Hunters are also reminded that the baiting of deer is prohibited in Alcona, Alpena, Montmorency and Oscoda counties, and within the townships of Oscoda, Plainfield, Wilber, Au Sable and Baldwin in Iosco County. Elsewhere, baiting may occur only from Oct. 1 to Jan. 1.

No more than 2 gallons of bait may be present at any hunting site at a time, and it must be spread out over a minimum 10-foot by 10-foot area. If hunters do choose to use bait, the DNR suggests they not place bait repeatedly at the same point on the ground, and only place bait out when they are actively hunting. This will minimize the chance of transmission of any disease that may be present, either deer-to-deer at bait sites or through contamination of bait.

In addition to bringing the opening of another Michigan deer season, this fall marks the 75th anniversary of the Pittman-Robertson Wildlife Restoration Act (PR), the program that directs funds from federal excise taxes on archery equipment, firearms and ammunition back to state wildlife agencies for wildlife conservation, restoration and hunter education.

“The department is extremely

proud of the recreational and economic benefits of bow hunting, and of the important way in which more than 320,000 archers support wildlife management in Michigan,” said DNR deer and elk program leader Brent Rudolph.

“The vast majority of all wildlife conservation efforts have been funded by hunters and trappers through the equipment and licenses that they buy,” Rudolph said, “and the DNR, Michigan citizens and all who benefit from Michigan’s natural resource-based economy are indebted for those contributions.”

Detailed information about deer hunting regulations can be found in the Michigan Hunting and Trapping Digest, available at all license vendors, DNR Operations Service Centers and online at [www.michigan.gov/hunting](http://www.michigan.gov/hunting).

### Dodge Journey recognized by "Road & Travel Magazine"

America's most versatile crossover – the Dodge Journey – is also one of Road & Travel Magazine's top picks in the competitive crossover/SUV segment. The magazine has named the Journey one of its Top 10 vehicles in its 2012 SUV Buyer's Guide.

Road & Travel editors praised the Journey's ability to carry seven passengers without looking oversized in the process, its class-leading storage, including the front passenger in-seat bin and the dual rear seat floor bins, its interior design and the available class exclusive built-in rear child booster seats, as well as the overall driving experience.

"With so many new innovative SUVs from which to choose each year, it's always a challenge for Road & Travel Magazine editors to agree on which will make the final cut for RTM's annual SUV Buyer's Guide Top 10 Picks," Courtney Caldwell, Road & Travel's editor-in-chief, said. "The 2012 Dodge Journey was one of our first and unanimous choices for being such a family functional, well-built and attractive SUV."

Sales of the Dodge Journey are up 42 percent year-to-date and had a 58 percent increase for the month of August, setting a new all-time sales record, making it the fifth time in seven months that the Journey has established a new monthly or all-time sales record.

"The Dodge Journey continues to gain momentum in the marketplace, becoming the fastest growing crossover in the U.S., and the ultimate utility in-fielder," said Reid Bigland, President and CEO, Dodge Brand. "With class-leading storage, the ability to seat seven and the choice of front- or all-wheel drive, no other vehicle offers such a combination of versatility, style and value, starting at just \$18,995."

The Dodge Journey is also a "Best Buy" according to Consumer Guide magazine and has been rated an IIHS "Top Safety Pick" for four consecutive years.

Dodge Journey offers a premium interior with soft-touch materials throughout. PHOTO COPYRIGHT 2012 CHRYSLER GROUP LLC.

The versatile Dodge Journey crossover moves into 2013 with new features and even more value with a starting U.S. Manufacturer's Suggested Retail Price (MSRP) of \$18,995 (excluding destination), which makes it the fastest growing, most affordable seven-passenger crossover in the industry.

Dodge Journey offers a premium interior with soft-touch materials throughout. The available Pentastar 3.6-liter V-6 engine delivers a best-in-class 283 horsepower, and Journey continues to deliver the latest and greatest in vehicle connectivity and customization with the Chrysler Group's Uconnect 8.4 Media Center. Featuring an 8.4-inch touchscreen, now available as a stand-alone option on the SXT for only \$595 MSRP, standard Keyless Enter-N-Go with push button start and available heated steering wheel, Dodge Journey offers a lot of features for the money. With best-in-class storage space, fold-flat second and third rows, and available fold-flat front passenger seat, second-row in-floor storage and front-passenger "Flip-N-Stow" in-seat storage, the Journey is a true utility in-fielder.

The 2013 Dodge Journey's chassis architecture delivers an exhilarating driving experience coupled with precise steering for maximum control. R/T's more aggressive suspension tuning – new for 2013 – gives a sportier ride and even greater handling precision for when the roads turn twisty.

Dodge Journey also offers all-wheel-drive capability, perfect for drivers who want some extra grip for a more performance feel, or who live in the Snow Belt or rainy parts of the country and appreciate the extra traction Journey's all-wheel-drive system provides. Journey's all-wheel-drive system works on demand, driving only the front wheels until power to the rear wheels is needed to maximize fuel efficiency.

With a 5-year/100,000-mile limited powertrain warranty, owners can rest assured knowing their powerful and efficient Journey is well covered.

## Real Estate Corner

## Question & Answers About Selling Real Estate

### Are You Ready to Buy a House?

Answering these eight questions will help you decide

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

#### PART 1 OF 2

The idea of owning your home is an exciting one, but how do you know if you're ready? Before you take the plunge, answer the questions below.

#### What's your financial situation?

Having a clear understanding of your finances is necessary when you're considering buying

a home. Prior to speaking with a real estate agent, you should make a budget to see how much you can reasonably afford to pay. Don't forget to factor in the cost of taxes, insurance premiums, maintenance and other upkeep.

#### Can you afford even the initial costs?

Down payment amounts vary based on the type of loan you're offered or if you're eligible for a first-time homebuyers' program, but remember that the more you put down, the lower your mortgage payments will be.

Other initial costs can be substantial: loan set-up fees, home in-

spection, insurance, property taxes and other fees will cost you about 2 to 4 percent of your home price.

#### Is your money organized?

Hopefully you're the kind of person who balances your checkbook and understands where your money goes, but if you take a more lackadaisical approach to your finances, you'll need to step up your game. Get organized, check your credit report and keep building your savings. Getting your affairs in order helps you improve your credit score, qualifying you for better interest rates, and good financial records will

help you take full advantage of tax deductions.

#### What are your future expenses?

Think ahead to the next few years. Are you making any big life changes that will hit your wallet hard? If you're planning to have children or start paying tuition soon, you should factor that cost into your decision now. It can become difficult to replace an aging car or take an expensive vacation once you're paying a mortgage.

Next week - 4 more questions.
