# Ramblers taste first defeat

## Viking offense capitalizes on opportunities

By Chris Fiel

### Grayling 21, Boyne City 0

BOYNE CITY – With the weather cooperating, many envisioned the two undefeated teams exchanging scoring drives, but when it came down to it, it was the defenses that rose to the occasion as Grayling came away with a 21-0 Lake Michigan Conference victory and the league title at Earl Brotherston Field on October 19.

The visiting Vikings captured their first-ever LMC crown, capping a 9-0 overall, 6-0 conference regular season.

The Ramblers finished the regular season with an impressive 8-1, 5-1 mark.

Grayling took the opening kickoff and proceeded to move down the field before the Boyne defense stopped them on a fourth and four from the Rambler 26 yard line.

Boyne City's Jamael Kelly picked up a Rambler first down with a 12-yard gain, and Malik Smith broke free of would be

tacklers for a gain of seven, before quarterback Corey Redman moved the chains on a fourth

and one at the 6:49 mark of the opening quarter.

After a Bradley Fouchia first down, Redman and Fouchia hooked up on the next play for a 15-yard gain and a first and goal from the 4 yard line with 5:30 left in the quarter.

That would be as close as the Ramblers would get.

Before the next play could be snapped, Boyne was called for a delay of game penalty, and Redman was sacked for a six yard loss on the next play.

After a completion to Fouchia, a fourth down pass attempt fell incomplete, giving Grayling the ball deep in their own territory.

The Vikings wasted little time in getting out of the shadow of their goal post as quarterback Jake Swander found a streaking Tyler McClanahan for a 26 yard pick-up. Swander then tossed a 65-yard pass into the open arms of receiver Kevin Harris, moving Grayling to the BC 21 yard line.

The Vikings would punch it in from one yard out as Ty Jensen went in untouched. The point after was unsuccessful.

Grayling would pick up another score with just over four minutes remaining in the half and add their final tally with 6:34 left in the third, taking advantage of short field (from the Boyne nine yard line) due to a mishandled Rambler punt attempt.

Freshman Smith carried 15 times for 63 yards to lead the Boyne City offense, while Fouchia added 35 on three attempts, he also finished with three receptions for 31 yards.

Defensively, Alan Manross had a game-high 11 tackles, while Brady Calo added eight; Connor Mills and Zach Wandrie finished with seven each.

Boyne City will play host to Maple City Glen Lake, 8-1, at 7 p.m. Friday, Oct. 26, in a Division 6 playoff game at Earl Brotherston Field.

### Perk up Your Home Without Spending a Fortune

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

little ideas can certainly ignite the passion in your heart and help kick-start your creative side.

Paint Brighter - A little brightness is always needed, when you want to decorate your home! Don't

You don't have to decorate a home with expensive decorating items, rather decorate with little creative things that reflect your personality and taste. Decorating a home is all about being creative. So put your creative hat on and let your creativeness fly, you will love it! These

adopt the neutral one paint approach; rather paint little things to the brightest hues to bring that touch of life. So pick up your paint spray and do it with love.

Family Photos also do the magic - Instead of buying expensive wall hangings, print some cool family photos and get them ready in simple wooden frames. You can hang them all around the corridor for a royal look.

Say it with Nature - Nature is the best thing, when it comes decorating your home frugally. So bring in some shade loving plants and nurture them in beautiful self-painted cases. You can also use pebbles, rocks and shells around them to create a beautiful look indoors.

Mirrors on the Wall - So what if your home is a little small, you

can create a wide spacious effect by using mirrors. Yes, mirrors are great to make your home look spacious. So use mirrors all around your home.

Sweet Little Things - Vases look charming, with or without flowers, and the best vases that you can place are your antique perfume bottles! Why go to market to spend dollars on vases. Just grab those empty perfume bottles, you've been hiding in drawers for years and use them.

Pretty Fabrics & Frills - Frills are the best thing to give your home a soft and romantic effect. So use lots of soft pillows with frills. Buy bed sheets in soft colors and frills to create an effeminate look.

Creative Handmade crafts - Believe me, there is nothing more

powerfully appealing than handmade crafts. If you have that artist eye, you can create creative hand crafts, if not, use the internet and books to spice you up with ideas. You can use cute little button on cushions. Grab large pieces of checkered or polka dot clothes to create cute handcrafted items.

Sparkle it up with Candles - Candles are the best thing to decorate your home. You can reserve a special shelf for candles and fill it up with different colored candles for a tranquil soothing environment.

Be yourself - Well, decorating a home is all about you and how you do it! Just don't copy other's ideas, instead get inspiration and also add sparks of your own personal taste to decorate your home frugally.

## Home and pole barn on acreage offers huge variety of possibilities

By Jim Akans

This week's feature is a wonderfully spacious home with a huge pole barn on approximately 6.7 acres of property near East Jordan. Among the many highlights is the variety of unique spaces that offer the possibility of accommodating virtually any home-buyer's needs.

To start with, there is approximately 3,050 square feet of living area on the main two levels of the home, and that includes four bedrooms and three baths, plus plenty of open living areas as well. Outdoors, a large, heated pole barn complete with water and a 200-amp electric service provides a workspace that is second to none. The grounds are well landscaped and the surrounding acreage is nicely wooded with both hardwoods and pines.

Located at 1210 Mountain Road near East Jordan, this home and property is priced at just \$179,900.
