# All-Area Football Team

Boyne's Redman, Manross, top offensive/defensive players of the year, Hills is coach of the year

By Chris Fiel

BOYNE CITY - The Boyne City Ramblers entered the season much like many other area football teams, with a big question

DAVID HILLS  
Boyne City

Coach of the Year

mark. Who would step up for this team? How will they perform under veteran coaching leadership?

The answers came surprisingly quick for the young Ramblers and coach David Hills. Boyne City battled hard and found ways to get the job done week in and week out as they reeled off eight straight wins to open the season, which included late come from behind victories in many of their early to mid season contests, before falling to eventual Lake Michigan Conference champion Grayling in the seasons final game and then ran into an upstart Maple City Glen Lake team in the playoffs to close an 8-2 campaign.

One of many who stepped up for the Ramblers at different times throughout the season, was their most consistent offensive player in sophomore quarterback Corey Redman (#16).

Redman helped lead Boyne City with his poise under center, his ability to go to the air when called upon and manage the clock when needed.

Corey finished 52-of-114 passing for 956 yards and 12 touchdown tosses and was only picked off twice. Redman also found the end zone from the ground on six occasions as he rushed 40 times for 71 yards, but it was his ability to manage the game from the most pivotal position on the field that makes Corey Redman the 2012 selection for Charlevoix County News Player of the Year.

Joining Redman on the offensive team are teammates, Malik Smith, Maceo Vroman, Bradley Fouchia and Jamael Kelly while Charlevoix is represented by Tanner Catt, Charlie Hamilton and Logan Hess, and East Jordan's

Zach Shepard, Ben Walton and Noah Bacchus round out the team.

Malik Smith, Boyne City (#40). The freshman fullback rushed 181 times for 1013 yards (5.6 per carry) and crossed the goal line on seven occasions. Smith got the Rambler ground game going early on in the season as he topped the century mark in each of the first three weeks of the season (including an opening week 176 yards on 14 carries and two scores.

Maceo Vroman, Boyne City

(#10). Vroman, a sophomore wide receiver, caught 24 passes for 429 yards (17.9 yards per catch) and seven touchdowns. But it was Vroman's timely ability to turn a game around as he did in back to back weeks, returning a punt for a touchdown for a Rambler lead midway through the third quarter against Kent City, only to top that the following week as he scampered 95-yards in the midst of a downpour with 33 seconds remaining, giving Boyne a Lake Michigan Conference victory over

Kalkaska. Maceo would finish with five kick returns for 188 yards (37.6 yards per) and a score, and nine punt returns for 189 yards (23.6 yards per) and a touchdown.

Bradley Fouchia, Boyne City (#2). Fouchia, a junior half-back, served more as an all-service back as he carried the ball 74 times for 365 yards (4.9 yards per carry), caught 14 passes for 221 yards (15.8 yards per) and two scored, and returned 10 punts for 87

## PREP VOLLEYBALL

# Ramblers season ends in Regional

By Chris Fiel

TRAVERSE CITY – The Traverse City St. Francis Gladiators had more than they could handle from the Ramblers of Boyne City, as they had to come from behind in each match to pull out a 27-25, 25-22, 25-21 Class C regional semi-final victory on November 6.

With the loss, Boyne City closes 33-14-5 season, one that saw them finish in a second

place tie in the Lake Michigan Conference and win their first district crown in four years.

TCSF advanced to the regional title game against Johannesburg-Lewiston on November 8, where they topped the Cardinals 25-11, 25-13 and 25-22 and improve to 40-7-3.

“We were up all three games, but just couldn’t pull it off,” Rambler coach Casie Parker said. “All three games

were very close, they were exciting games, it’s just too bad we did not come out on top.”

Boyne held the lead 23-21 in the first game, but were unable to close out the Gladiators. With the score tied at 25-all, TCSF scored the final two points for the win.

In the second and third games, the Ramblers found themselves up 21-20 and 21-17, but again, late charges by TCSF were too much for the young Ramblers.

“Traverse City is known for their tough serving,” Parker noted. “I thought we passed better against them this game than we have in the past. When their top player jump served we put our setter Heather Nichols passing,” she added. “She seemed to handle her serves the best.”

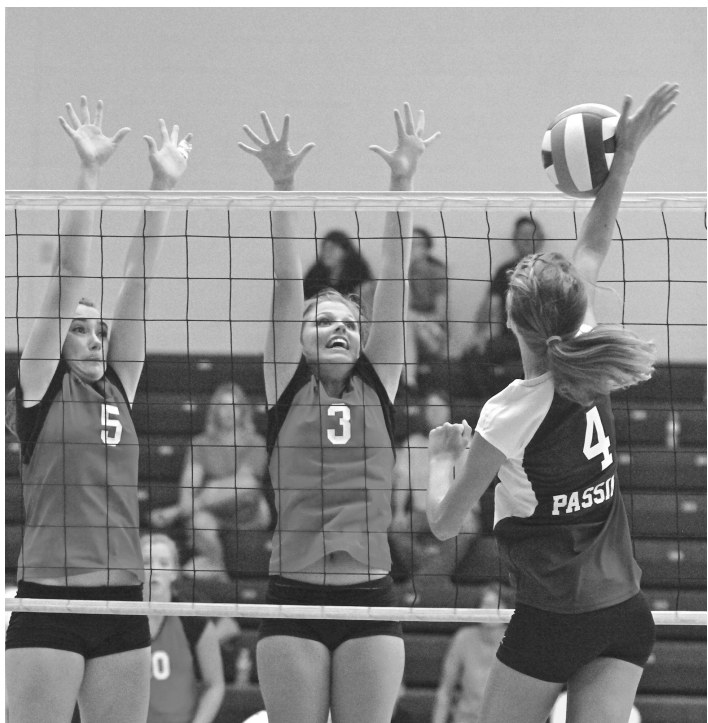

The Ramblers were led by junior setter Nichols with 26 assists and 14 digs, while high-flying middle hitter, Kylie Hicks finished with 20 kills, 14 digs and three blocks.

Also for Boyne City, Rainy McCune added four aces. Erin Baker, Hicks, Paige Hornbeck, McCune, Nichols and Courtney Weldon all served at 100 percent.

Boyne City will graduate two seniors, Dani Matthew and Mary Myers.

“All in all it has been a great season for us,” Parker said. “We are going to miss our two seniors, they were great leaders.”

Ramblers Rainy McCune (5) and Dani Matthew (3) jump to block a shot earlier this season. (CCNEWS/ FILE PHOTO)

Boyne City's Kylie Hicks was a top performer this season for the Ramblers. Hicks finished with 20 kills, 14 digs and three blocks in the regional semi-final loss. (CCNEWS/FILE PHOTO)

## PREP FOOTBALL

# All-Area Football

CONTINUED FROM PG. 1B

yards, kick returns – seven for 129 yards, and also punted for a 32.5 yards per average for the Ramblers.

Jamel Kelly, Boyne City (#32). The senior half-back carried the ball 48 times for Boyne for 285 yards (5.9 per carry) and a touchdown and caught 12 passes for 279 yards (23.3 yards per) and three scores. Kelly also returned five kicks for 81 yards for a 16.2 average, and three punts for 40 yards (13.3 yards per).

Tanner Catt, Charlevoix (#2). Catt, a senior running-back, led the Rayder offense with 99 carries for 714 yards and three scores, including 148 yards in Charlevoix's season finale. Tanner also had nine catches for 74 yards and a touchdown.

Charlie Hamilton, Charlevoix (#3). Hamilton, a senior running-back, carried the ball 57 times for 434 yards and a touchdown. Charlie also finished with 149 yards receiving on 12 catches.

Logan Hess, Charlevoix (#76). Hess a senior right tackle, helped protect the Rayder quarterbacks and also supplied enough room for members of the Charlevoix backfield to run, many times Hess was used to pull and open holes off-tackle.

Zach Shepard, East Jordan (#63). The senior, a three year starter from his center position, made every snap this season for the Red Devils and with a majority of the snaps from the shotgun formation, Shepard did not make a bad snap the entire season and at 6-1 285 pounds, provided plenty of protection for the East Jordan quarterbacks and backfield.

Ben Walton, East Jordan (#50). A junior offensive lineman for the first seven games of the season where he was one of the feature blockers for the Red Devils, he was then converted to the fullback position for the final two contests

on the season. Ben made the transfer to his fullback position seem more than flawless as he managed to top the 100 yard rushing mark in each of those games for a total of 237 yards on 24 carries. Credited by coach Allan Peterson as a very good football player offense or defense.

Noah Bacchus, East Jordan (#11). Bacchus, a junior that played the following three different positions for East Jordan this season, halfback, quarterback and wide receiver. Noah used his blazing speed and field vision to maneuver his way across the field. He rushed for just over 300 yards, passed for 150 and had 150 yards receiving. Noah opened the season on the Red Devils first play from scrimmage with a 76-yard pass reception for a touchdown against Maple City Glen Lake.

On the defensive side of the ball, there were none more fierce hitting Boyne City senior, Alan “The Beast” Manross (#34). Manross was everywhere on the field for the Ramblers, leading them in tackles with 22 solo stops and 91 assists for a total of 113. Alan also had one interception and recovered a fumble from his inside linebacker position.

Fellow Ramblers making the defensive squad are: Brady Calo, Zach Wandrie and Conner Mills. Charlevoix is represented by Greyson Spegele, Shane Sutherland, Alex Brown and Tommy Zipp and filling out the team are East Jordan's Tim Schut, Oscar Scheier and Dillon Sweet.

Brady Calo, Boyne City (#54). Calo, a senior defensive tackle, finished second on the Ramblers in tackles with 92 as he recorded 34 solo and 58 assists. Brady also made an interception and a fumble recovery. He also made a tackle for a safety against Kent City.

Zach Wandrie, Boyne City (#62). Wandrie, a junior 65 tackles (nine solo and 56 assists) from his defensive tackle position. Zach also recorded a fumble recovery.

Conner Mills, Boyne City (#33). A junior outside linebacker/strong safety, Mills made 73 stops, including 32 solo to go with 41 assists. Conner also recovered three fumbles and returned an interception for a touchdown in week four against Harbor Springs, putting the Ram-

blers on the board first in the contest.

Greyson Spegele, Charlevoix (#71). Spegele, a senior linebacker made 91 tackles for the Rayder defense, recording 26 solo and added 65 assists to lead the Charlevoix defense.

Shane Sutherland, Charlevoix (#7). A junior, Sutherland finished the year with 86 stops from his linebacker position, including 25 solo and 61 assists.

Tommy Zipp, Charlevoix (#80). Zipp a senior recorded 67 total tackles from his defensive tackle position. Tommy had 15 solo tackles and 52 assists and he added three sacks and forced a fumble.

Alex Brown, Charlevoix (#4). The senior made 46 tackles (eight solo and 38 assists) over the final three games of the season, including 21 stops against East Jordan from the linebacker position.

Tim Schut, East Jordan (#36). Schut, a junior middle linebacker was the voice of the Red Devil defense, making all the calls. Second on the team in tackles with 57. Schut was credited by coach Peterson as one of the best middle linebackers to go through the program in recent history.

Oscar Scheier, East Jordan (#76). A junior, Scheier made a ton of stops from his linebacker position. Credited as the hardest working young man in the program by coach Allan Peterson and most improved player this season. He also played defensive end for the Red Devils.

Dillion Sweet, East Jordan (#56). Sweet, a hard hitting senior linebacker, finished third on the team in tackles this season. Recorded 40 tackles on the season, with a majority of them unassisted.

Coach of the year honors go to Boyne City's David Hills. Hills, who returned to the sideline this season after a short layoff to focus on his own education, helped lead a young and energetic Boyne football team to an 8-2 overall record and a second place finish in the always rough and tough Lake Michigan Football Conference.

Hills, after taking a brief break from coaching, stepped back on the sideline this season to lead the Ramblers to a 8-2 record and Boyne's first playoff appearance since his last season at the helm at

the conclusion of the 2008 season where the Ramblers finished 9-2.

During Hills first stint as coach, from 2000-2008, his teams went a combined 69-26, winning 72.6 percent of their games, including a conference championship in 2001 where Boyne finished 12-1, their only loss coming in the Division 5 state semifinal contest to eventual state champion Jackson Lumen Christi.

When asked to reflect on the season, from late summer conditioning through the Ramblers first playoff appearance in three years the coach responded had this to say; “the kids responded well to the change in coaching staff right from the beginning, they worked very hard all throughout camp and took on the challenges that we presented them with.”

In the early part of the season the Ramblers seemed to be in the right place at the right time when needed, but the coach also noted that the team put themselves in a position to get those breaks.

“We gave ourselves opportunities,” Hills said. “This is a very resilient group that always believed something good would happen, and many times it did.”

Hills was very happy with the first half of the season, and with the kids hard work and determination to make good things happen, it was a fun time to be around Boyne football. Hills also noted that as the season progressed, and with the games getting bigger and bigger, the team was still playing good football, but the focus wasn't as it was early in the season.

“We were still playing good football towards the end of the season, but with such a young group the focus wasn't where we needed to be,” the coach added. “That is a good thing going forward, we can look back and learn from those experiences.”

All in all, Hills mentioned that the season is something all of Boyne can look back on and be proud of as a young football team more than exceeded expectations, and with all of the questions headed into the season, from the change in staff, their youth and how they would respond to big games were answered in what seems like a short 10 weeks.

“To go 8-1 in the regular season,

the reaction of the community, it was definitely a season of excitement for Boyne City football.”

Hills, who recently stepped into the athletic director position at Boyne City, the off-season planning has begun.

“We encourage all the student-athletes to participate in other sports,” he noted. “The experiences developed throughout sports is a great value that can't be replicated. While other sports aren't for everyone, we will have some conditioning available for, we also offer a BFS (Bigger Faster Stronger) program, but the main goal is for them to be physically active and improve their athletic ability by playing multiple sports.”

The football team will also be offered two or three day, three-man workouts for those not in sport during the off-season after Thanksgiving, and once summer roles around, Boyne has what they call a “No Excuses” club for Sunday workouts, and the varsity team is slated to attend a mid-summer team camp.

For those incoming freshmen and those moving up from the junior varsity level and looking to improve, the goal is not just to compete with the fellow athletes in the Lake Michigan Conference, but to compete at the highest level they possibly can.

“We can't settle with being competitive, we have to keep pushing to get to that next level,” Hills added. “I hope that those kids that were on the fence about playing this season, reconsider next year, football is a great rewarding experience and it offers a unique opportunity for a large group to strive for one goal.”

Congratulations to coach Hills and all of the student-athletes selected to represent their schools and the All-Area team. Student-athletes are nominated by their coaches, based on performance, teamwork and character.

Also, a big “Thank you” to Boyne City Public School for the use of their facilities for the photo shoot.

For those parties interested in the All-Area team and individual photos, please contact Cinda Shumaker at shumaker0658@char-ter.net.

News Reporter – Boyne City – Attend and report on local governmental meetings, school board and local news reporting. Experienced writer and photographer a plus. Must have Digital camera and computer. E-mail info and samples to Dave at Office@CharlevoixCountyNews.com.

## Automotive Review

The Insurance Institute for Highway Safety (IIHS) has named the all-new 2013 Fusion a Top Safety Pick. In addition to the Top Safety Pick, the new Ford Fusion offers leading fuel economy and smart technologies, such as auto start/stop. PHOTO COPYRIGHT FORD MOTOR COMPANY

## The Insurance Institute for Highway Safety (IIHS) names the all-new 2013 Fusion a Top Safety Pick

The Insurance Institute for Highway Safety (IIHS) has named the all-new 2013 Fusion a Top Safety Pick. To earn a Top Safety Pick, a vehicle must receive a rating of "Good" in the following evaluations: offset frontal impact, side impact, dynamic head restraint and roof strength testing. In addition to the Top Safety Pick, the new Ford Fusion offers leading fuel economy and smart technologies, such as auto start/stop.

"The new Fusion is another example of Ford's commitment to the highest standards of safety and we are proud that IIHS has recognized these efforts," said Steve Kenner, global director of the Automotive Safety Office.

The all-new Fusion features the Personal Safety System with new safety belt technologies and frontal impact airbags. The Personal Safety System is a network of components that work together to tailor the deployment of the front airbags during frontal collisions. The restraint control module (RCM) translates information collected by the front crash sensors, front outboard safety belt buckle switches, driver-seat track position and passenger seat weight sensor. Using this information, the RCM activates the safety belt pretensioners and determines how the dual-stage front airbags will deploy. This tailored deployment is designed to better protect an occupant by adapting its release to the size of the person.

The redesigned seat-mounted side airbags deploy lower in the pelvis area in addition to the chest and incorporate new venting technology. The side airbag's venting technology takes into account the size of the occupant. The tunnel vent on the seat mounted side airbag is designed to line up with the shoulder area of a larger occupant keeping the side airbag from venting. On smaller passengers, the effect is just the opposite because the occupant's shoulder is below the vent, the gas vents out of the airbag.

The driver's frontal airbag uses a reconfigured curve-shaped tether system that pulls in the lower section to create a pocket that help to lessen the impact of the airbag on the driver's chest and ribs in frontal crashes. Deploying at the same time is a driver's knee airbag.

The Fusion boasts leading fuel economy and numerous driver assist technologies that help enhance the driving experience, reduce stress and assist in avoiding potentially harmful scenarios.

Fusion brings the broadest selection of fuel-efficient powertrains in the midsize car segment. Consumers have the choice of a pair of EcoBoost four-cylinder engines, a normally aspirated four-cylinder engine, an automatic start stop system to shut off the engine at stationary idle, front-wheel drive and all-wheel drive applications, and a choice between automatic and manually

shifted six-speed transmissions. The Fusion also offers hybrid and plug-in hybrid alternatives. The hybrid offers 47 mpg on the highway and in the city. The plug-in hybrid offers 100 mpgE, a mile per gallon equivalency metric for electrified vehicles.

Maneuvering parking lots and traveling open roadways become even safer and less stressful with Fusion's available sensor-based BLIS® (Blind Spot Information System) with cross-traffic alert. BLIS sounds an alert when a vehicle is detected entering a blind spot. Cross-traffic alert warns if traffic is detected approaching from the sides, such as when Fusion is leaving a parking space in reverse.

Parallel parking the Fusion is virtually stress-free with the available active park assist system. With the press of a button, the system detects an available parallel parking space and automatically steers the vehicle into the space. Drivers control only the gas and brake pedals.

Other driver assist technologies featured in the Fusion include:

- Lane Keeping Assist
- Lane Keeping Aid
- Driver Monitoring
- Adaptive Cruise Control
- Rearview Camera
- Front/Rear Park Aids
- Hill Start Assist
- Electronic Parking Brake

## Real Estate Corner

## Question & Answers About Selling Real Estate

### Do You Have Buyer's Paralysis?

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

Part 1 of 3

You've looked at dozens of homes. Your REALTOR® is about to tear his hair out with frustration. You are paralyzed, letting one great home after another pass you by. Why can't you make a decision?

Buying a home can be an overwhelming process. There are so many decisions to make and any of them can mean serious financial consequences. A home, after all, is hardly a liquid asset. Nor is it a growth investment, according to Wall Street definitions. It's your greatest financial debt, even while it puts a roof over your head. As it appreciates, it also needs repairs and maintenance. With all that weighing on you, no wonder you've got commitment phobia.

Yet, you really want to buy a home. You know that few purchases will provide you the quality of life that a home of your own does. There are plenty of advantages, as well - tax breaks, rising real estate values, a stable environment for the family, to name only a few. So you stifle your worries and keep looking for homes. You just can't find the one that's just right for you.

It might be time to back this train up and examine what is causing the conflict between wanting to buy and being unable to make a decision. There is a cause, and its name is money. The question is, which aspect of money is stopping you from moving forward?

Fear of spending too much. Lenders will loan you money at the top of your ability to borrow. Realtors will

suggest that you will be happier in a "bigger, better" home, eliminating the need to "trade up" in a few years. Stretching to buy the most home you can possibly afford is a good strategy, but only under certain conditions - that you have confidence that your salary will rise, that your income is stable, and that you can handle large surprise expenses.

If you've been pre-qualified, you are already looking at bigger, better, more beautiful homes at the top of your range. But something isn't quite right. Even though you may feel that your income is stable, a feeling is telling you that if you buy in this range, you won't have enough in reserves should something happen. Those are your instincts talking, and you should listen, because your desires

have been doing the talking up to now. Your instincts are telling your desires to scale back a little.

That means backtracking. Talk to your Realtor and ask her to show you less expensive homes. You can't go wrong buying slightly under your ability. In fact, many financial advisors tell their clients to budget about 25% of their income for housing in order to position them to build reserves for savings, investments, home improvements, emergencies and dozens of other reasons. That's almost six percent less than lenders will allow you to borrow. Just think what else you can do with six percent of your income. You'll still have your house, you'll just have more to do other things with.

## Featured Property

## Nice custom-built ranch on over 10 acres near Boyne City

By Jim Akans

Located north of Boyne City towards Walloon Lake, this custom-built ranch on over 10 acres of property is an extraordinary value and an excellent country retreat for an enjoy a relaxing lifestyle in the northern Michigan countryside.

The three-bedroom, two-bath home offers approximately 1,650 square feet of main level living

area, plus has a full basement for lots of extra storage space as well as potential for finishing off some areas for even more living space. Other interior highlights include a wood stove and whirlpool tub.

Outdoors, over ten acres of rolling hills and woodlands are part of this offering, and that property includes a 30 x 40 foot pole barn in addition to the attached two-and-a-half-car garage.

There is also a patio for outdoor entertainment space or just sitting back and enjoying the wonderful views.

There are approximately 22 additional acres of property available if the next homeowner is seeking even more outdoor space. A short-term land contract may also be a possibility with 25-percent down payment.

Located at 1991 North M-75 near

Boyne City, this home and with the approximately 10 acres of property is listed at \$159,900. For a more information or to arrange a tour, call Richard Fish or Lynda Christensen at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email at Richard@lyndas-realestateservice.com or Lynda@lyndasrealestateservice.com
