Boyne City's Hicks is Player of the Year, Parker is Coach of the Year

By Chris Fiel

BOYNE CITY – The Charlevoix County News is proud to announce the 2012 All-Area Volleyball Team.

Leading the team is Player of the Year selection Kylie Hicks of Boyne City. Hicks, a junior, is a high-flying middle hitter for the Ramblers.

In her third year on the varsity, Hicks led Boyne with 468 kills, 123 blocks, 413 digs, finished with 492 serve receptions and served at a 93 percent rate.

"It's been a great season, the team has had a lot of fun together and we have become really close because coach Parker has really promoted teamwork," Hicks said. "All of us have a lot of respect for her, her encouragement and confidence in us the whole season is what brought us this far. She's an amazing coach and puts her whole heart into it."

Hicks also acknowledged her appreciation for being named player of the year.

"Kylie being named player of the year means a lot," Rambler coach Casie Parker said. "She is a good leader, she works hard, and her teammates look up to her, listen to her and respect her. We go as she goes."

Parker also noted that Hicks is only getting better with experience.

"Her game has evolved to where she is getting more consistent at hitting around blocks without changing her body position and tipping off the defense to as where the ball is headed." "We look for her to be even more of a leader and get better headed into next season."

Joining Kylie on the All-Area team are Rambler teammates, Heather Nichols, Erin Baker and Mary Myers. Charlevoix is represented by Karley Pearsall, Madeline Boss, Gloria Greene and Jennaca Holecheck. East Jordan's Valerie Peters and Stevie Bartig, along with Ellsworth's Kari Steenwyk and Tara Essenberg round out the team.

Heather Nichols, Boyne City. Nichols, a junior also in her third season on the Rambler varsity, made the Rambler offense run efficiently with her passing skills from her setter position. Heather finished the year with 959 assists, 344 digs, 156 aces and served at a 93 percent rating.

Erin Baker, Boyne City. Baker, also a junior, was the libero for Boyne. Erin recorded 556 serve receptions, added 344 digs, 156 aces and served at 94 percent.

Mary Myers, Boyne City. Myers, a senior outside hitter, kept opposing defenses on their toes with 226 kills. She also had 255 digs and 65 blocks and finished at 92 percent serving.

Boyne City finished: 33-14-5 overall, 11-3 in the Lake Michigan Conference (2nd place tie) and added a Class C district championship this season.

Karley Pearsall, Charlevoix. Pearsall, a senior-captain for the Rayders, led Charlevoix with 414 kills, 101 blocks (46 solo), 260 digs and 42 aces, while serving at a 92 percent rate. Karley was a very dynamic player for the Rayder, being able to hit anywhere along the net and was a threat to her opponents. Her blocking skills were demonstrated best during high level

matches, and she was a full rotation player. Pearsall also gained intensity with competition, she had several 20+ kill games this season.

Madeline Boss, Charlevoix. Boss, a sophomore captain, was the left outside-hitter for the Rayders where she recorded 358 kills, 263 digs, 20 blocks, and added 62 aces while serving at 95 percent.

Madeline was also a full rotation player for Charlevoix where she was one of the primary serve receivers. Credited by coach Audra Randall as a hard worker and a great competitor that leaves everything on the court, "Madeline is learning what patience and good decision making skills can do for her team," Randall noted. "She is

incredibly athletic and enjoys the challenge of being challenged."

Gloria Greene, Charlevoix. Greene or "Glo" as coaches and teammates referred to her as, finished with 459 assists, 208 digs and 16 blocks and served at a 92 percent rating.

"With the history of setters in Charlevoix, she had some big shoes to fill," Randall said. "I think her teammates see her doing that more each time they compete."

Jennaca Holecheck, Charlevoix. Jennaca, a junior defensive/utility player had 232 digs for the Rayders this season and also added 27 kills and 32 aces, while playing different positions each time she took the court.

"Jennaca is a player that I could put into any position and we knew we were going to get a positive contribution to the team," coach Randall said. "She seemed to thrive on whatever challenge was put before her."

Charlevoix battled to a 27-16-6 overall record this season, and also finished 11-3 (2nd place tie) in the

Lake Michigan Conference.

Valerie Peters, East Jordan. Peters, a senior outside hitter and co-captain of the Red Devils in her third year on the varsity. Valerie served at a 97 percent clip this season, with an 88 percent attack rate and also led the team in digs and was credited by coach Anne Crick as a great all-around player.

Stevie Bartig, East Jordan. Bartig, a senior, was also a co-captain for East Jordan. A two year starter from the setter position led the Red Devils with 360 assists and served at 97 percent.

East Jordan finished with a 10-9 overall record and was 8-6 in the Lake Michigan Conference this year.

Kari Steenwyk, Ellsworth. Steenwyk, a senior-captain for the Lancers this season, led the team four categories from her middle hitter position: as she finished with 324 kills, 261 digs, 94 aces and only committed 16 errors to 306 passes on serve receive. Kari also added 20 single blocks and two double blocks.

Tara Essenberg, Ellsworth.

Essenberg, a senior assistant captain, recorded 174 kills, 206 digs, 61 aces, 27 assists, eight solo blocks and two double blocks to go along with 153 serve receptions to only 47 errors from her middle hitter position.

"Tara was our most improved player on most nights," coach Steenwyk said.

Ellsworth finished 10-6 overall this season, going 7-1 in the Northern Lakes Conference, sharing the conference title with Harbor Light Christian.

Coach of the Year honors go to Boyne City's Casie Parker. Parker led the Ramblers to a 33-14-5 overall record, 11-3 in the Lake Michigan Conference and a Class C district title.

Parker's career record improved to 236-158-50 as she completed her ninth season on the Boyne City sideline. She previously held middle school and freshmen positions in Petoskey, was co-head coach at Memphis high school and was an assistant at St. Clair Community

College.

When Parker was asked about expectation coming into the season she responded that the Ramblers were looking to improve upon their record last year, and with key players returning for their third season on the varsity and having played ranked teams and Petoskey tough the 2011 year, there was reason to be optimistic about a successful season.

"With some top returnees coming back, we expected them to step up for us and lead us to a successful year," the Rambler coach said. Boyne City was tested halfway through the season, as their top player, Kylie Hicks was sidelined with a hand injury for a week, where the Ramblers dropped four games.

"It was a tough week for us without Kylie," Parker noted. "We had a busy week in her absence, as we had players playing in different positions. Add that to a week filled with a tournament, conference game with Charlevoix and our (football) homecoming, it was a

tough, full week."

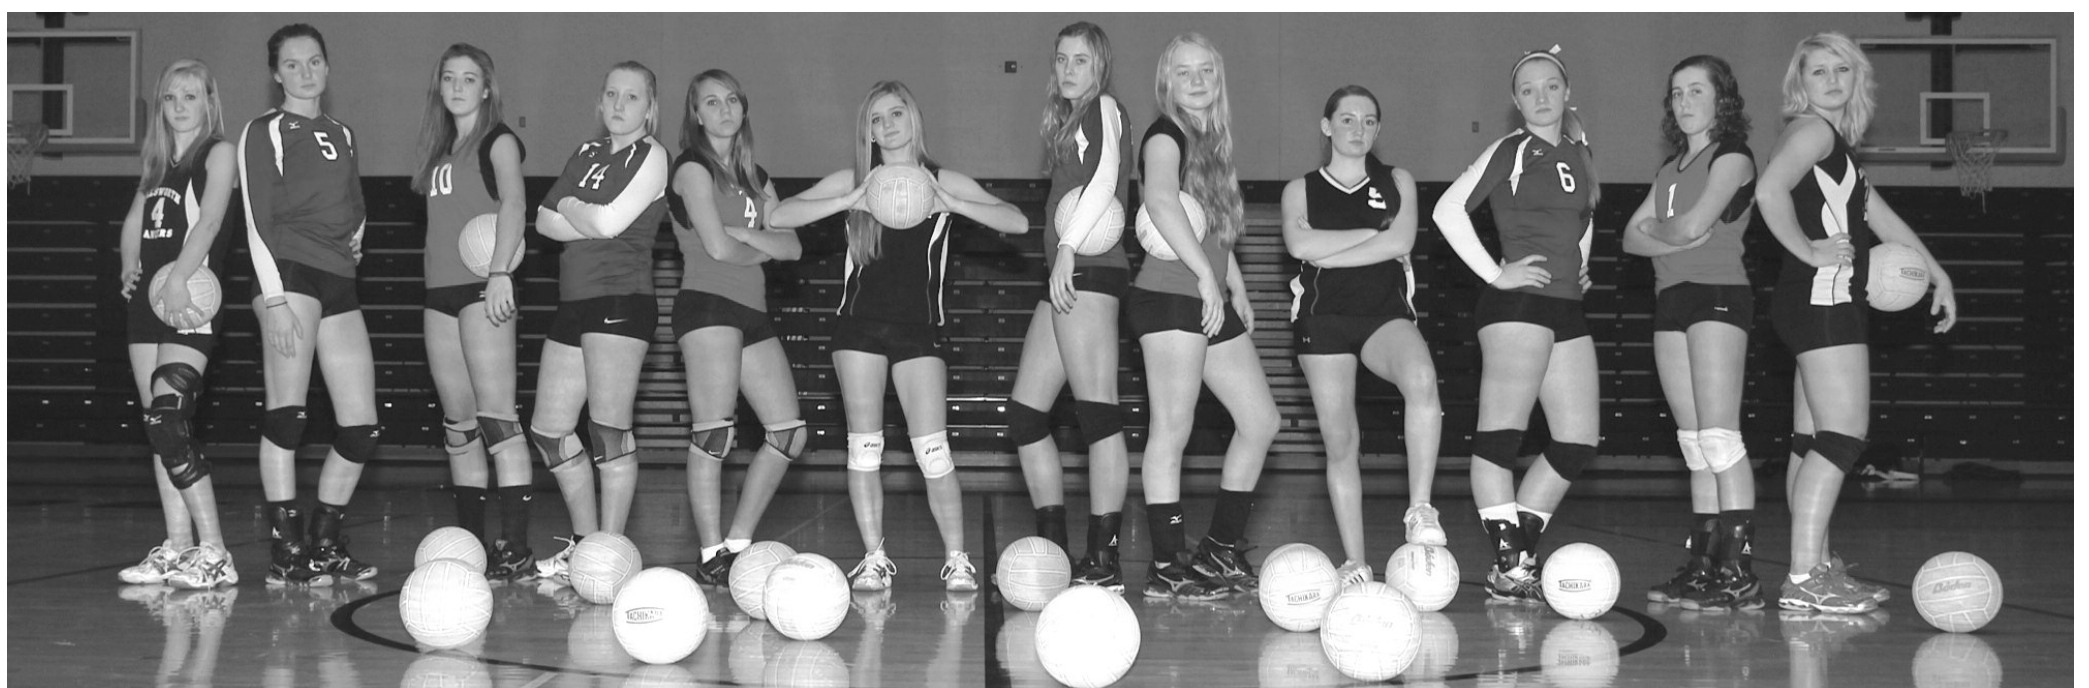

Coming into the season, like many teams, Boyne City had set some goals. A conference title, a district crown, and some tournament victories were just a few of those.

"We played in six tournaments and five times we came out of pool play, which was great for us," she added. "We did win a district title, and played St. Francis tough in the regional semifinal."

Congratulations to coach Parker and all of the student-athletes selected to represent their schools and the All-Area Volleyball team. Student-athletes are nominated by their coaches; based on performance, teamwork and character.

Also, a big "Thank you" to Boyne City Public School for the use of their facilities for the photo shoot.

A conflict in goals

Many couples purchase homes with the idea that they will have a child, so stretching buying power to have the extra space makes sense. But if you are trying to accomplish two big financial goals at the same time - buying a home and adding to your family, then something has to give.

You can't have it all - peace of mind, a large mortgage, and burgeoning expenses all at the same time. Something has to give and the way to do that is simply to prioritize

your goals. In what order of importance do you want things to happen? What is most important to you? Whether you are planning a family, returning to graduate school, paying off a student loan, or buying a new car, you surely realize that your financial pie can only be sliced so many ways. Your mortgage is the largest, and the larger it is the smaller the other pieces.

Problems in the marriage

This is one of the toughest issues to address, and one your Realtor can't help you with. But just as you are lis-

tening to your instincts about the amount of money you should spend on your new home, you should be paying even more attention to your feelings about your marriage. And only you can answer the question - will we still be together in five years? You should at least be able to predict being together long enough to pay off the interest on your loan! Or you'll be selling your home without the benefit of building any equity and equity only comes with appreciation and mortgage reduction.

Buying a home will not fix a poor relationship. It will

only make things worse. So you have a decision to make and it isn't which house to buy. It is whether or not you want this relationship to survive. If you decide you want the marriage, then you must pour your efforts into fixing its problems, including your share of the blame. Be willing to change some things, compromise on others, or accept many things as they are. If you can't do all of those, then to dissolve the partnership is your only other choice. After you have solved the problems in your relationship, you will find your home more easily.

Country home on nearly two acres near East Jordan

By Jim Akans

There is plenty of room for the family to roam both indoors and out with this week's feature listing: a nicely maintained manufactured home situated on just under two acres of property a few miles outside of East Jordan.

The four bedroom, two bath home offers approximately 1,344 square feet on the main level, and another 1,344 square feet in the finished basement level. Highlights include vaulted ceilings, a wood burning fireplace in the family room, and a wood stove (this home is heated with wood). The basement features a terrific recreation room complete with a bar area. Outdoors, a huge 60 by 20 foot pole barn frame has been erected and is ready and waiting for the new owner to add exterior finishing.

Located at 3963 Boyne City-East Jordan Road, this is a great opportunity to enjoy country living in the north just a few miles from East Jordan. It is listed at just \$89,900.

For additional information or to arrange for a tour of this home, please call Jennifer Burr-Cutler at Stark Realty at 231-536-7700 or email jennifer@starkrealtyonline.com.
