Remember to "Shop Local" this coming weekend!

By Jim Akans

In the "shopping frenzy" that follows the Thanksgiving holiday, don't forget the importance of visiting local, independently owned businesses in the search for those holiday gifts. Studies show that spending your dollars at local shops can result in as much as three-times as much of that revenue staying in the local economy. It is also crucial to the continued survival of our nation's "downtown" businesses, and many these smaller shops offer unique, high quality items that simply can't be found at national retail stores.

This weekend's "Small Business Saturday" encourages holiday shoppers to "think local"

"Small Business Saturday" is a holiday shopping event concept founded by American Express back in 2010. Strategically positioned on November 24th, right between "Black Friday" and "Cyber Monday," it is designed to encourage shoppers to buy locally and show their support for small businesses during one of the most active holiday shopping weekends of the season. American Express notes that last year, over 100 million people shopped local, independently owned business during "Small Business Saturday."

So be sure to include locally owned businesses on your shopping list this weekend, and throughout the rest of the holiday season.

# Agreement signed insuring bike trail construction

By Tina Sundelius

CHARLEVOIX— The Charlevoix County Board of Commissioners voted to accept the terms of an agreement from the Michigan Department of Natural Resources assuring the completion of phase one of the Boyne City/Charlevoix bike trail at the November 14 meeting.

Phase one is the 3.2 mile stretch of road that starts in Boyne City and ends at the Bay and Evangeline Township border near Park of the Pines. The total cost for the project is \$954,500. A grant from the Michigan Natural Resources Trust Fund (MNRTF) will reimburse the county thirty-one percent of that total not to exceed \$300,000. The county is to make all funds available at the start of the project with expectation of reimbursement from the MNRTF Grant as well as other committed funding as it comes in.

The grant from the Michigan Natural Resources Trust Fund (MNRTF) is an agreement between the Department of Natural Resources (DNR) and Charlevoix County who becomes the grantee and is responsible for taking all actions necessary to complete the project. By signing the agreement, the County has taken on the responsibility to pay back the grant if any of the terms of agreement are broken.

The topic of the trail is still very controversial with representatives on both sides of the issue speaking up during the meeting. "There are a lot of reasons why this

shouldn't be signed. We still have a lot of things to talk about on it," said Boyne City resident Robert Taylor who was mainly concerned with the rights of property owners on the road who's permission to construct the trail has still not been obtained.

Retired County Planning Director, Larry Sullivan, spoke up, "This is not a bike trail, it is a ten foot wide sidewalk. It will be used by bicyclists, walkers, rollerblades - it is a sidewalk," he said.

"You told us before you would not spend tax payers money for the trail yet (according to the agreement) only 90% of what we loan will be paid back plus (the county will provide) the maintenance and insurance costs," said Roger Conaway resident of

Boyne City. Scott MacKenzie, Co-Chair of the Boyne City/Charlevoix Trail Committee added, "This is what I pay my county taxes for, to facilitate things we can't do independently. I'd like to stress that this continues to move forward because of the quality of life it will bring to our community."

The BC/CHAR road's right of way is ninety-nine feet instead of the typical sixty-six feet. Concern was voiced that some residents on the road are not receiving the benefits of not having to pay taxes on an additional right of way that they gave or sold (usually for \$1) to the county in 1956-1958. This additional fourteen and a half feet on both sides of the road was acquired by

the county to remove the sharp curves from the road. Legally residents on the Boyne City/Charlevoix road have the right to have their property reassessed.

"When I had my property assessed recently the assessor did not know the right of way was ninety-nine feet and had to check it out, as a result of the new information, my taxes have been lowered," said Conaway.

There is a limitation on the extra fourteen and half feet on either side of the road, that it has to be used for road purposes, this allows for the tax assessments of individual parcels to be lowered but raises questions as to the usability of the right of way for the trail with

## Holiday Open House and Santa Parade in Boyne City this Friday, Nov. 23

By Jim Akans

The annual Santa Parade is a "day after Thanksgiving" Boyne City tradition that has continued for over a quarter of a century, and has expanded to include late afternoon and evening downtown events that offer great shopping, refreshments at local businesses, and plenty of local holiday spirit.

The Annual Santa Parade will start the fun on Friday, November 23rd, at 6 pm with the line-up at 5:30 pm on East Main between East and Lake Streets. The parade route will follow along Lake Street to Water Street through downtown Boyne City. Of course the Jolly Old Man himself, Santa Claus, will be the very special guest for the parade. He will be joined by some of his elves and reindeer direct from the North Pole.

After the parade, Santa will meet with children at the gazebo in Old City Park at the corner of River and Park Streets to learn what exciting items are on their holiday wish lists. There will be refreshments available for all of Santa's guests at the gazebo.

The downtown Holiday Open House will run from 5 pm until 8 pm, and shoppers are invited to browse downtown stores for potential gift ideas, discover some exceptional bargains, enjoy great food and refreshments and even enjoy some entertainment offered by local businesses participating in this exciting event.

## Gifts with a Purpose

Charlevoix - Gifts with a Purpose: An Alternative Gift Fair is an event that focuses on helping the community and people in need, just-in-time for the holiday season. Gifts with a Purpose will be hosted 10:00 a.m. – 2:00 p.m., Saturday, December 1 at the Charlevoix Public Library. The fair, which focuses on Charlevoix organizations, is an opportunity for community members and businesses to “shop” non-profit organizations, making donations in honor of their friends, loved ones, teachers, and other hard to shop for people.

When a shopper comes into the fair, they will be greeted by an organization representative and receive a list of suggested giving levels. Then the shopper may go around and learn about the organizations and how they help

the community. Each organization will have suggested gift donations, and how those donations specifically help. For example, a \$50.00 donation to the Outreach Food Pantry will provide meals for a family of four for one month or a \$10 donation to the Friends of the Charlevoix Public Library will purchase one book for the youth department. Credit cards will be accepted this year and used at the collective check-out station.

Once the shopper decides what to purchase, they will receive a gift card that can be mailed or given out to their loved ones. “My children loved buying their holiday gifts for their teachers at the Alternative Gift Fair in Harbor Springs, stated Valerie Meyerson, co-organizer and Director of the Charlevoix Public Library, and

the teachers truly appreciated the gift that kept on giving.” Meyerson is excited to bring this type of fair to Charlevoix because, “the spirit of the event embodies the holiday spirit as well as the atmosphere of Charlevoix itself.” Cheri Hoffman, event co-organizer and Executive Director of Hospice of Northwest Michigan, is also looking forward to the event as “it doubles the act of giving – it is a unique alternative to buying a gift and at the same time can change the life of someone right here in the community.”

The organizations involved in Gifts with a Purpose include: 3rd Day Fellowship & Outreach/Food Pantry/Joppa House, B.A.S.E.S. Teen Center, Bergmann Center, Inc., Charlevoix Area Community Pool, Charlevoix Circle of Arts, Charlevoix Community Christmas Project, Charlevoix Community Pantry, Charlevoix Historical Society, Charlevoix Schools Foundation, Colorado

Al Gooch purchased an alternative gift from Julie Voci of the Charlevoix Schools Foundation at the 2011 Fair.

Challenge, Dolly Parton Imagination Library, Friends of the Charlevoix Public Library, Hospice of Northwest Michigan, Keep Charlevoix Beautiful, Leadership Charlevoix County: Wheels to Water, Rainbow Shoppe, and the Serenity House—

Alano Club of Charlevoix. Snacks will be available to purchase from the Aktion Club of Charlevoix. For further information about the fair, contact one of the co-organizers: Cheri Hoffman at 231-547-7659 or Val Meyerson at 231-547-2651.

## Help fill East Jordan Tourist Park with holiday light displays

By Jim Akans

East Jordan Tourist Park will soon be aglow with festive holiday lights that area residents and visitors can enjoy from the comfort of their vehicles. It's a brand new way East Jordan will celebrate the holiday season, and the idea originated and is being organized by the East Jordan Lions Club.

Club member, Jeff Argetsinger, states, "My daughter had been living in the Norfolk, Virginia area where they did something similar each year. It seemed like a great idea, so we sent out letters to area churches, businesses and civic organizations asking if they would like to sponsor a camp site in Tourist Park by putting up lights and holiday decorations on that site. So far, we have about 20 sites already reserved, and we have the potential to decorate up to 70 sites."

There is no cost to reserve a site, though each organization is responsible for supplying the materials and decorating

their sites. The setting up of those displays will begin on November 30th, and the displays will be lit up during the Holly Daze celebration on December 6th.

"Through Christmas," Jeff notes, "people can drive through Tourist Park to view the light displays, and they can even have their children visit with Santa and Mrs. Claus during the weekends of December 14th and 20th. They will be at the log building in the park, and we will also be offering cookies and coffee during those times."

This exciting and distinctive community project is being sponsored by the East Jordan Lions Club, and those interested in joining in by reserving a site to light and decorate can contact Jeff Argetsinger at (231) 582-2770.

He adds, "We thought this would be a great way to bring people to the community and provide festive displays that are easy to view. I think this is something that will grow every year."

## Charlevoix Chamber names John Cross Fisheries as November "Business of the Month"

By Jim Akans

The Charlevoix Chamber of Commerce has selected John Cross Fisheries as the November Business of the Month, recognizing the organizations longstanding commitment in helping to make Charlevoix an outstanding community in which to live, work and play. John Cross Fisheries was founded in 1945 and offers both retail and wholesale fish and seafood products throughout the northern Lower Michigan area.

Currently, the operation is owned and managed by John Cross Jr. and his wife, Julie. The business was originally founded by John's father, and the third generation, John Cross III and Kelly Sutherland are poised to take the helm in the near future. This is truly a longstanding family owned business, and Julie notes that is becoming increasingly rare in their field of service.

"There aren't many locally owned and operated fish stores left," she comments, "especially those that offer de-

livery service like we do. There are many restaurants in this area who utilize and serve our products, and we also offer retail sales seven days a week."

John Cross Fisheries offers their customers a fantastic variety of fresh fish products. Among those are sausage, fish dip, smoked whitefish (which are smoked right at the shop), trout and Norwegian salmon, walleye, as well as gopro and tuna in summer. Most products come from Lake Michigan, some from Lake Huron, and some perch and walleye from Canada. They also carry saltwater products as well, such as mussels, squid, red snapper, yellow fin tuna, cod and more.

John Cross Fisheries is very community-oriented; regularly donating to such programs as Hospice, Feed the Children, and the Salvation Army.

John Cross Jr. relates that the best part of doing business in northern Lower Michigan is "the lakes that surround us and give us a

unique opportunity to meet and share our love of the environment with the many visitors, local regulars and business community. Our family owned business enables me to be with my family and do the thing I love which has included fishing the Great Lakes and being able to meet people who also have the love of fish!"

Julie agrees, "We always look forward to seeing the people who come in. We all enjoy what we do here. It's a bit like farming in that it involves long hours and constant attention to providing a fresh quality product. You have to love this to be in this business for so long."

John Cross Fisheries (and Fish Market) is located at 209 Belvedere Avenue in Charlevoix. The facility is open seven days a week from 9 am to 5 pm, though after the first of the year they are closed on Sundays. For additional information, visit their website at [www.great-lakeswhitefish.com](http://www.great-lakeswhitefish.com) or call (231) 547-2532.

## New GLE Board Director Appointed

Dale Farrier of Kalkaska was recently appointed to the Great Lakes Energy Cooperative Board of Directors to fill a vacancy created by the death of director Sue Scott of Evart.

The Great Lakes Energy board appointed Farrier to serve the remainder of her board term, which expires in 2014.

In the 2012 GLE director election, he garnered the next highest number of votes to those elected. Farrier returns to the board as a National Rural Electric Cooperative (NRECA) credentialed director with 21

years of prior GLE board experience.

Sue passed away on Oct. 27 after a short battle with cancer. She had served as a board member since 2005. In addition, she participated annually at the Youth Leadership Summit, teaching cooperative youth about the duties of a board member, and was a regular attendee at member luncheons. She had a passion for Tennessee Walker horses and is survived by her husband Burton, who had also been a GLE director prior to his wife's election to the board.

## Fox Motor's and the Great Wolf Lodge Team up to Help Toys for Tots

For the fourth straight year, Fox Motors has teamed up with The Great Wolf Lodge to bring a little joy to children in need. From now until December 8th, the public is encouraged to bring a new, unwrapped toy to the Fox Grand Traverse dealership on US 31 south in Traverse City or Fox Motors of Charlevoix dealerships on US 31 South in Charlevoix. In appreciation, anyone donating a toy will receive 2 free water park passes from The Great Wolf Lodge.

In addition, Fox Motors will again make a donation to Toys for Tots with every gift donated. "It's a great charity," states John Cueter, Northern Division Director of Fox Motors. "Just knowing that we helped put a smile on the face of a child and their family makes it all worthwhile." Last year Fox Motors collected over 14,000 toys that were given to Toys for Tots for distribution throughout the region. "We collected a lot of toys last year but we know the need is great and we want to collect even more this year," explains John. The Fox for Tots toy drive will be topped off with a monumental party at Fox Grand Traverse and Fox Charlevoix on Saturday, December 8th. Everyone is invited to come take part in this free event. There will be free snacks and hot dogs, children's games, drawings and giveaways and of course Santa Claus and his Reindeer!

All donated toys collected at Fox Motors

will be given to Toys for Tots who distribute to children in need through area family service agencies, including Father Fred Foundation, Salvation Army, Women's Resource Center and Goodwill. Toys given in Traverse City and Charlevoix will stay

within each region.

The event sponsors include Fox Motors, Great Wolf Lodge, WLDR, Z93, WKLT, WFCX, WTCM, WKHQ, Charter Media and TV 7 & 4.

### Four Seasons Resale of the North offers expanded shopping at new location

By Jim Akans

Four Seasons Resale of the North is now open at their new location at 1182 B South Otsego Avenue, right next to the Gaylord Sears store and across the street from K-Mart. This new location offers expanded space, expanded inventory, and expanded convenient store-side parking for the stores growing legion of regular and first time shoppers.

"Our focus continues to be on providing an upbeat shopping atmosphere," states owner, Terie Rogers. "We offer a very personalized, interactive shopping experience for our customers. If they don't happen to find what they are looking for, we will keep an eye out for those specific items when searching for future inventory."

It's hard to imagine not finding just what you may be looking for among the huge variety of items throughout the shops approximately 3,000 square feet of

display area. Those display areas are nicely organized into separate rooms for adult and children's clothing, a household furniture and accessories area, a "library hall" with books, CD's and DVD's, plus a general display area with even more furniture, artwork, tools, camping and sporting gear and more. There are also two restroom/dressing rooms, and even a sitting room with a television where people can relax while others in their group are shopping.

"We offer our customers a very organized, detail oriented shopping experience," affirms Rogers. "Our goal is to make shopping at Four Seasons Resale of the North as easy and enjoyable as possible. I look for items for our store that are of good quality, which I can purchase and have a small mark up, and still offer to my customers at an exceptional value."

And the values at Four Seasons Resale of the North are truly a bargain hunters dream. Examples include a wide selection

of jeans and pants starting at just \$2.50 each - hardcover books starting at \$1.50 - and softcover books starting at 75-cents.

While consignment sales are not offered, Rogers notes that item donations are always graciously accepted and she will consider pick-up for those items within a 50-mile radius of the store. The shop also accepts credit cards for orders over \$15.

As of November 1st, five-percent of sales profits at Four Seasons Resale of the North are being donated to the Wounded Warriors Project, a national organization that helps thousands of Wounded Warriors, and their families, returning home from current conflicts.

Winter hours at Four Seasons Resale of the North are Monday through Saturday 10 am to 6 pm, and while the shop is often open on Sundays, customers should call on Sundays to verify before stopping by. For additional information, contact Terie Rogers at (989) 306-1482.

### Bike Trail Construction

CONTINUED FROM PG. 1

some of the property owners.

Commissioner Christensen felt not signing the agreement would, "Pull the rug out from under those (who have worked for years to get the project this far) at the last minute" and commissioner Reinhardt expressed remorse that the trail was not more all inclusive of snowmobiles and four-wheelers and repeatedly voiced that the county should not be responsible for any cost overruns of the project.

Concern about who will take responsibility for cost overruns was discussed in length with no resolution but the agreement makes the county ultimately responsible. Chairman Joel Evans restated that none of the trail was going on private property and that the county was not paying for the installation of the trail, they have from the beginning agreed to maintain the trail once it is complete.

## Charlevoix & Emmet County Emergency Food and Shelter Grants Available

Charlevoix County has been awarded \$14,539 and Emmet County has been awarded \$22,398 in Federal funds under the Emergency Food and Shelter National Board Program. These funds will be distributed by a Local Board and are used to supplement emergency food and shelter programs in these counties through March 31, 2013.

The award was made by a National Board that is chaired by the Federal Emergency Management Agency and consists of representatives from the Salvation Army; American Red Cross; United Jewish Communities; Catholic Charities, USA; National Council of the Churches of Christ in the USA; and, United Way of America. The Local Board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

The Local Board is chaired by United Way and includes representatives from the Salvation Army, American Red Cross, Temple B'Nai Israel, Catholic Human Services, Emmanuel Episcopal Church, the Little Traverse Bay Band of Odawa Indians, governmental representatives from both Counties, the Department of Human Services, both Community Foundations, and the Nehemiah Project.

This board will determine how the funds are will be distributed among the emergency food and shelter programs run by local service agencies in Charlevoix and Emmet Counties.

Under the terms of the grant from the National Board, local agencies chosen to receive funds must: 1) be private voluntary non-profits or units of government, 2) have an accounting system, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they are a private voluntary organization, they must have a voluntary board. Qualifying agencies are urged to apply.

Emergency Food and Shelter funds were awarded to the following agencies last year: the Women's Resource Center, the Salvation Army, the Manna Food Project, St. Francis Church, Brother Dan's Food Pantry, East Jordan Care and Share, and Good Samaritan Family Services.

Public or private voluntary agencies interested in applying for Emergency Food and Shelter Program funds must contact Martha Lancaster, Char-Em United Way, P.O. Box 1701, Petoskey MI 49770; phone 231-487-1006; email info@charemunitedway.org for an application. The deadline for applications to be received is 5 p.m. Friday, November 30, 2012.

## Charlevoix Elementary students collect for victims of Superstorm Sandy

Second graders Trevor Bonar, Karlee Eaton, Addison Boop and Seth Weber stand amongst donations their class convinced the rest of the Charlevoix Elementary School students to collect to help victims of Superstorm Sandy. The class came up with the idea, wrote a speech to promote it then sent representatives from

class to class to sell the concept to the rest of the school.

"It really hit home when we talked to them about their favorite blanket or stuffed animal. We asked them how they would feel if all their things were gone and they were really empathetic about that," said Nicole Sterritt, second grade

teacher. One fourth grader, Sophie Haan gave \$135 of her own money and one family sent in six boxes of clothes. "I'm overwhelmed by the generosity," said Sterritt. The donations will be sent to four different shelters in New Jersey. Photo by Tina Sundelius

## East Jordan middle school dance generates donations for Safe Home

East Jordan middle school National Junior Honor Society (NJHS) students held a food drive during a recent dance to help support the Safe Home Harvest Food and Supply Drive.

The NJHS donation helps offset more than \$25,000 in annual food and supply costs at the Women's Resource Center of Northern Michigan's Safe Home, the emer-

gency shelter for domestic and sexual abuse survivors and their children in Antrim, Charlevoix, Cheboygan, Emmet and Otsego counties which is operated 24 hours a day, 365 days a year.

"Our NJHS is about community support," said the group's advisor, Cynthia Boss who challenges students to make their community better. "Our students

have been learning that the world is their world to nurture and take care of and that includes our very valuable resource, "people," Boss said.

Visit the Women's Center website to view the Safe Home Needs List, at wrncm.org or call (231) 347-1572 for more information.

## CHARLEVOIX CITY COUNCIL MEETING, NOVEMBER 19, 2012

# Fate of the Fireplace to be Directed by Steering Committee

By Tina Sundelius

CHARLEVOIX—The Charlevoix City Council asked for informed residents to volunteer for a Steering Committee to help direct the fate of the heavily debated fireplace in East Park and approved funding to realign the Lake to Lake Bike Trail at the November 18 meeting.

Architect, Mark Buday, attended the City Council meeting, putting the fireplace back on the agenda. Buday didn't present Council with alternatives for the East Park memorial as expected but suggested a plan to get the mind of the community on the project. "This is not a decision making session. He doesn't even have any suggestions, he has a proposal on how he'd like to see things go," began Mayor Norman Carlson. The choices available for the fireplace are to go ahead with it as approved or make modifications concerning the size, location, or decisions if it belongs in the park at all.

Buday's proposal was to select five informed citizens with varying positions on the fireplace to meet at biweekly workshops to discuss the many alternatives available concerning the project and ultimately come up with a plan of action to recommend to the Council. "He doesn't want a bunch of yes people he wants a cross-section of people, not someone who is for or against it and are totally closed minded, a cross-section of ideas to be brought to the table," said Carlson. The amount of

\$13,900 has already been spent to construct the fireplace, if it were to be moved that amount would need to be recovered. If the project were scrapped completely, \$15,400 would need to be recovered. The Steering Committee is expected to come back with plans as to where those funds will come from and how to proceed. Buday will be guided by the wishes of the Steering committee.

Carlson also announced that it was the opinion of legal Council that the City Council was not obligated to bring the project before the Planning Commission but they chose to do so because the people voiced that they wanted that at one of the earlier meetings.

Once a plan or several plans have been narrowed down by the Steering Committee they will be brought before a joint meeting of the Planning Commission, DDA and the City Council for discussion. Any person may comment at that meeting. "I can't think of another way to be more productive and not wasteful of everybody's time especially Mr. Buday since he's volunteering his time," said Carlson.

Anyone interested in sitting on the Fireplace Steering Committee can contact Mayor Carlson through the Charlevoix City Clerk's office at (231) 547-3250. Leave your name and contact information. The process is expected to take approximately two months and will require biweekly, 2-3 hour work sessions.

Council members voted 6-1 to pay 50% of \$31,500 to redesign the

Lake Michigan to Lake Charlevoix Bike Trail route. Because of a change in regulations of the \$288,000 MDOT Grant the city received to complete the trail by the end of 2013 the old railroad grade owned by Saint Mary's Cement Plant which was going to provide the foundation for a large portion of the trail is no longer available. MDOT originally stated that a 12 year easement with Saint Mary's would suffice for purposes of obtaining the grant. As a result the city executed a Grant of Access Agreement with Saint Mary's for twelve years. As the grant process progressed MDOT then stated that the easement had to be given in perpetuity. "Saint Mary's doesn't want to give up their business interest in their portion of the trail for infinity, and I certainly don't blame them," said City Manager Rob Streabel. An alternate alignment that starts at Bells Bay to US 31 with possible crossings at either Stover Road by MaryAnn's Restaurant or at Airport Drive, then proceeds through the portion of road that used to be Marion Center but was closed off when Citizens Bank was built, then crosses M-66 to Stover Road has been proposed by Performance Engineers. "The overall costs of the trail went down \$80-100,000 with this new route," said Jim Malewitz of Performance Engineers.

The next Charlevoix City Council meeting is scheduled for Monday, December 3rd at 7:00pm.

## Thanksgiving as a National Holiday began with 1863 Presidential Proclamation

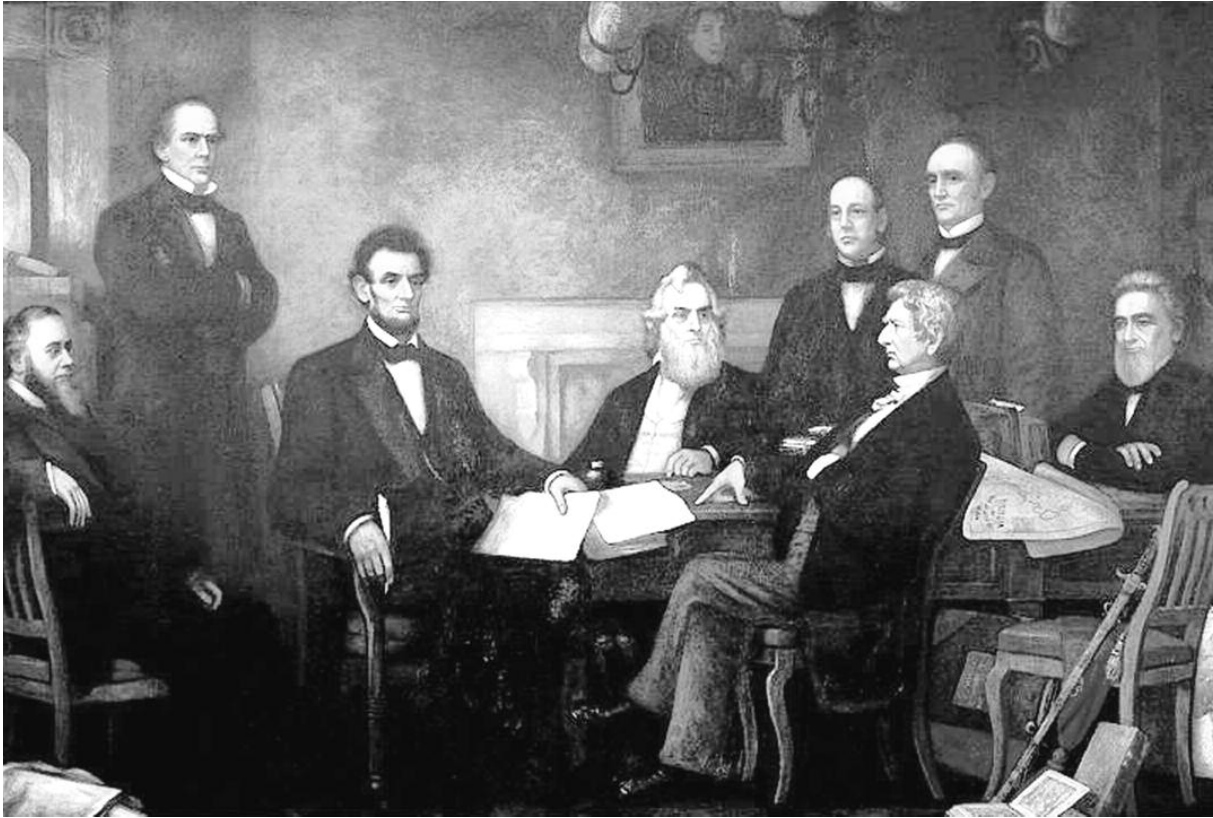

By Jim Akans

Growing up in America, the tale of the first Thanksgiving feast bringing together newly arrived Europeans immigrants and Native Americans in the early 1600's are well-ingrained images schoolteachers etched upon our young minds. Deer-skin clad warriors joining pioneers dressed in conservative dark clothing and tall hats to share a joyous meal seems to epitomize the spirit of cooperation, graciousness and gratitude that remains at the root of the American character to this day...though it slips from time to time...especially during political season.

What isn't widely known is that a prominent historical political figure, also associated with a tall black hat, was responsible for establishing the beginnings of Thanksgiving as a national holiday over 200 years after that first remarkable gathering. It was on October 3rd, 1863 that President Abraham Lincoln issued a proclamation declaring the last Thursday in November be designated as a national holiday of Thanksgiving. It was a proclamation Lincoln issued at the urging of Sarah J. Hale, editor for a popular magazine at the time, who had campaigned for many years to create a national observance of the Thanksgiving holiday.

Following are the words from President Lincoln's official proclamation. And while the Civil War that raged at that time has receded into American history, many of Lincoln's carefully chosen words can apply equally to the sacrifices, courage and divisiveness we experience in our country today.

By the President of the United

While President Lincoln is well remembered for issuing the Emancipation Proclamation in the autumn of 1862, Lincoln also issued (at the urging of magazine editor Sarah J. Hale), the Proclamation declaring Thanksgiving as a national holiday in the fall of 1863. PUBLIC DOMAIN PAINTING BY FRANCIS BICKNELL CARPENTER.

### States - A Proclamation

The year that is drawing toward its close has been filled with the blessings of fruitful fields and healthful skies. To these bounties, which are so constantly enjoyed that we are prone to forget the source from which they come, others have been added, which are of so extraordinary a nature that they cannot fail to penetrate and soften the heart which is habitually insensible to the ever-watchful providence of Almighty God.

In the midst of a civil war of unequalled magnitude and severity, which has sometimes seemed to foreign states to invite and

provoke their aggressions, peace has been preserved with all nations, order has been maintained, the laws have been respected and obeyed, and harmony has prevailed everywhere, except in the theater of military conflict; while that theater has been greatly contracted by the advancing armies and navies of the Union.

Needful diversions of wealth and of strength from the fields of peaceful industry to the national defense have not arrested the plow, the shuttle, or the ship; the ax has enlarged the borders of our settlements, and the mines, as well of iron and coal

as of the precious metals, have yielded even more abundantly than heretofore. Population has steadily increased, notwithstanding the waste that has been made in the camp, the siege, and the battlefield, and the country, rejoicing in the consciousness of augmented strength and vigor, is permitted to expect continuance of years with large increase of freedom.

No human counsel hath devised, nor hath any mortal hand worked out these great things. They are the gracious gifts of the Most High God, who while dealing with us in anger for our sins, hath nevertheless remem-

bered mercy.

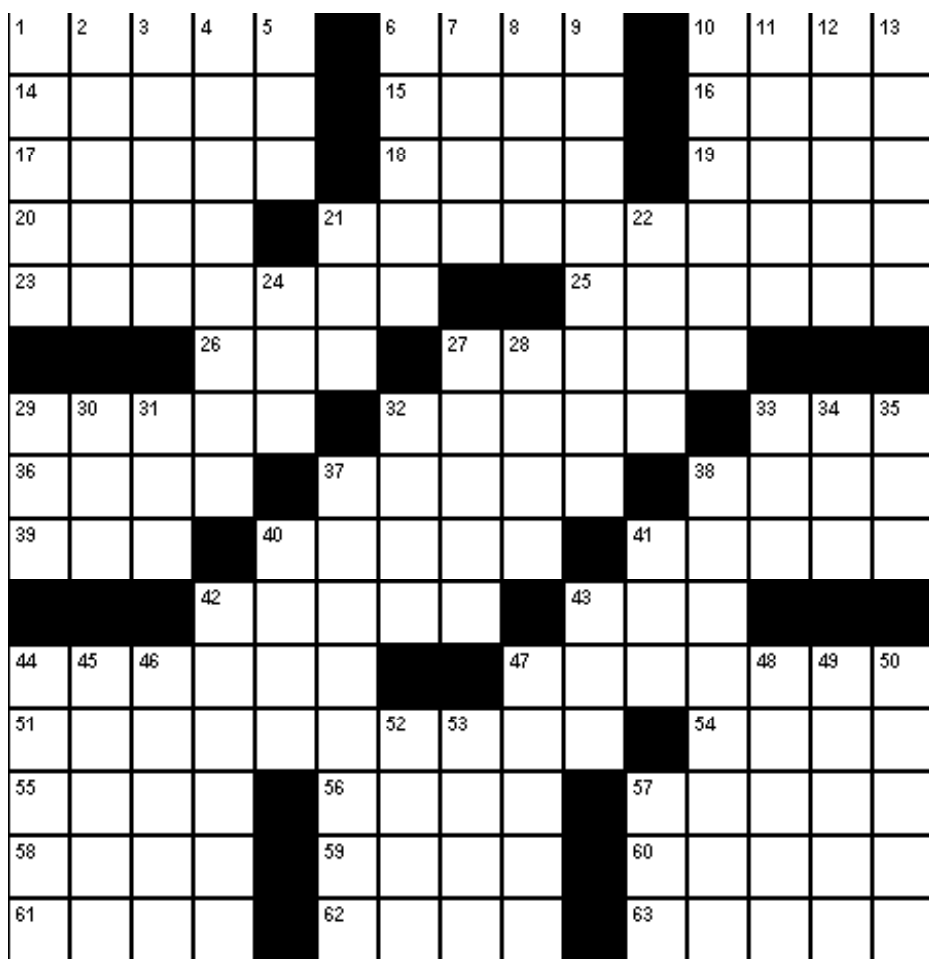

It has seemed to me fit and proper that they should be solemnly, reverently, and gratefully acknowledged as with one heart and one voice by the whole American people. I do, therefore, invite my fellow-citizens in every part of the United States, and also those who are at sea and those who are sojourning in foreign lands, to set apart and observe the last Thursday of November next as a Day of Thanksgiving and Praise to our beneficent Father who dwelleth in the heavens. And I recommend to them that, while offering up the ascriptions justly due to Him for such singular deliverances and blessings, they do also, with humble penitence for our national perverseness and disobedience, commend to His tender care all those who have become widows, orphans, mourners, or sufferers in the lamentable civil strife in which we are unavoidably engaged, and fervently implore the interposition of the Almighty hand to heal the wounds of the nation, and to restore it, as soon as may be consistent with the Divine purposes, to the full enjoyment of peace, harmony, tranquility, and union.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington, this third day of October, in the year of our Lord one thousand eight hundred and sixty-three, and of the Independence of the United States the eighty-eighth.

Abraham Lincoln

## Roberta Bearss, 103

(JAN. 14, 1909 - NOV. 13, 2012)

Roberta Bearss, 103, of Charlevoix, passed away Tuesday, November 13, 2012, at her son, Glen's home in Hart. She was born January 14, 1909, in Williamsburg, the daughter of Charles R. and Ada Mae (Thompson) Bartlett. She attended school in Williamsburg where she played on the high school girls' basketball team. After graduation she taught school in a one-room school-house.

On December 25, 1932, she married Howard Bearss, and they made their home at the Bearss family farm in Banks Township in Antrim County. In the 1950's, they moved to a farm in Charlevoix located on a hill south of Castle Farms.

She was a hard working farm wife most of her life, and after selling the Charlevoix farm, moved into town. Roberta's hard work and cheery disposition helped all of her children throughout their lives.

She was a member of the Charlevoix Assembly of God Church.

## Bobbie Lee Hilton, 75

(JULY 19, 1937 - NOV. 16, 2012)

Bobbie Lee Hilton of Charlevoix, passed away Friday, Nov. 16, 2012, while deer hunting with his grandchildren in Central Lake.

He was born July 19, 1937, in Charlevoix, the son of Myron and Rose (Saganak) Hilton. He attended Charlevoix schools.

Bob was a journeyman machinist by trade and worked for many local businesses such as Hufford Industries, American Mold, an experimental tool and die shop for the Joel A. Dyksterhouse Company. But most of all, he loved working in his own shop, visiting with friends, and solving seemingly impossible mechanical problems. Bob was also a dairy and beef farmer, logger, and owned a sawmill, all in Marion Township.

Bob was an active member of the Barnard United Methodist Church and the Northern Michigan Antique Flywheelers Club.

Bob loved the outdoors, and his enthusiasm was passed onto his grandchildren while spending time hunting, snowshoeing and enjoying outdoor life.

On May 5, 1956, he married Phyllis A. French in Ellsworth. Phyllis survives him, as do their children, Robert D. (Carol) Hilton, Ronald L. (Terri) Hilton, Pamela Hilton, all of Charlevoix, Lisa Hilton of Central Lake; grandchildren, Amber Phillips, Anthony Miller, April and Rose Hilton; great-granddaughter, Claire Miller; brother, Charles

(Cheryl) Hilton of Traverse City.

A memorial service will be 11 a.m. Monday, Nov. 26, at the Barnard United Methodist Church in Charlevoix, where visitation will be from 4-7 p.m. on Sunday, Nov. 25. The Rev. Rap Posnick will officiate. Interment will be in Barnard Cemetery.

The family requests that in lieu of flowers donations be made to the Barnard United Methodist Church. A memorial will be made in his name.

The Winchester Funeral Home in Charlevoix is handling the arrangements.

## Helen Marie (Reid) Wendling, 78

Helen Marie (Reid) Wendling passed peacefully in her home on Nov. 12, 2012.

She was preceded in death by her beloved husband, Donald N. Wendling (1979), and her parents, Thomas (Tom) and Mary Ann (Mollie) Reid.

Helen leaves behind beloved children and their spouses, Michele M. Feeney (Matthew Feeney), a lawyer practicing in Phoenix, Ariz.; Andrea L. Harmeling (Michael Harmeling), a doctor practicing in Boyne City; and Michael D. Wendling (Michelle Wendling), the St. Clair County Prosecuting Attorney. Helen leaves behind her beloved grandchildren who brought her great joy and pride: Maureen, Colleen, Michael and Joseph Feeney, and their chosen brother, Rus Bigege; Anna, Katherine, Megan and Benjamin Harmeling; and Sean, Matthew, Thomas and Riley Wendling. Helen leaves behind many dear friends from her lifelong community of Emmett, Mich., and her long careers in education and business.

Helen will be remembered for her integrity and character, intellect and respect for education, work ethic and persistence, and her love of her children, grandchildren and all children. She will be remembered for her beauty, elegance and presence. She will be remembered for her quiet ability to chart her own course and keep her own counsel. Helen loved the lyrics of a classic Sinatra tune, "My Way, I faced it all and I stood tall and did it my way."

Helen was a retired teacher

(Eastern Michigan University, B.S. 1955, Michigan State University, M.A. 1984, Wayne State University, Ed.S. 1988) and retired in 1995 after 40 years with the Port Huron Area Schools. In the late 1960s, she and her husband Don took up residence on the farm homesteaded by her Irish family in the mid-1800s in Emmett, Mich. They restored the farm and launched a Christmas tree business. She took great pride in seeing the farm evolve into a home for her son, Mike and his family, and a refuge for Michele and Andrea and their families. She also owned and operated Emmett Hardware, Inc. for more than 30 years, a local business located on Main Street in Emmett. Helen's grandmother, Margaret Reid, started that business in the 1890s, after her husband passed away as a young man, leaving her with 10 children to raise.

Helen was an avid reader who never lost her love of learning. She attended dozens of Elderhostels, traveling to most corners of the United States over the last two decades of her life, and overseas as well. She was a good citizen with many volunteer commitments in the community, including long service on the Wales Township Board. She mailed in her last ballot in early November (though she never did disclose for whom she voted).

Helen's life was celebrated with a Mass Friday, Nov. 16, at Our Lady of Mount Carmel Church at 10828 Brandon Road, Emmett, Mich. 48022. Helen made all her sacraments and raised her children as a devout member of Our Lady of Mount Carmel Church. Father Tom Kuehnemund officiated. Burial followed at Our Lady of Mount Carmel-Kenocoke Cemetery.

Memorial contributions may be made in lieu of flowers to the Emmett Baseball League, 10256 Webb Road, Wales, Mich. 48027. Burr C. Blanchard, 98
