# Boyne City downs East Jordan 49-33

Butler nets 17 for Ramblers in the victory

By Chris Fiel

### Boyne City 49, East Jordan 33

BOYNE CITY – The Boyne City Ramblers got 17 points from Cole Butler, while Maceo Vroman added 14 points and three steals in leading Boyne to a Lake Michigan Conference victory over East Jordan 49-33 on January 4.

With the win, Boyne improved to 2-3 overall, 1-2 conference.

Bradley Fouchia of Boyne City hit a triple and Matt Bolser from East Jordan nailed three free throws to start the contest as the two teams spent the first three minutes of the game feeling each other out before the Ramblers went on a 13-5 run to end the quarter as Vroman scored five points and Fouchia added four during the run.

The second quarter opened with Butler scoring the first four points

for the Ramblers, while East Jordan's junior point guard Noah Bacchus kept the Red Devils close, scoring six points in the quarter as East Jordan rallied from a 20-11 deficit to cut the Rambler lead to 26-25 headed into the half.

"We got off to a good start then had a couple guys get in early foul trouble and lost some rhythm in second quarter," Boyne coach Nick Redman said. "We had great effort on defense tonight."

The second half started with Butler once again hitting big shot after big shot, as he took a nice feed from Ryan Carson for an easy basket, then hit a jumper from the left elbow, and then dropped a three for a 33-25 Boyne lead at the 3:26 mark of the third.

"Cole Butler really stepped up tonight," Redman added. "He got us going in the third quarter, Maceo Vroman played well offensively as well."

After a timeout, East Jordan would respond with Bacchus scoring and drawing a foul, bringing the Red Devils to within 33-27.

The Ramblers would close out the quarter on a 6-0 run for a 39-27 lead, outscoring East Jordan 13-2 in the quarter.

The Boyne City defense kept the Red Devils off balance once again the fourth quarter as they held EJ to six points.

"Nick Vellis battled inside and Ryan Carson did a good job rebounding," the Rambler coach said. "Ryan gave us quality minutes, (after recovering from injury) he is getting into game shape."

Also for the Ramblers, Bradley Fouchia added nine points, while Corey Redman finished with eight points, eight boards and three assists, and Carson added six rebounds.

"Noah Bacchus played well," Redman noted. "He creates a lot of offense for them."

Bacchus led East Jordan, 2-3 overall, 0-3 conference with 13 points.

## Ramblers survive big Red Devil fourth quarter

### Myers notches double-double

By Chris Fiel

#### Boyne City 47, East Jordan 42

BOYNE CITY – Rambler senior Mary Myers scored a game-high 16 points and grabbed 10 rebounds as Boyne topped East Jordan 47-42 in a Lake Michigan Conference showdown on January 4.

With the victory, Boyne City upped its record to 3-5 overall, 2-1 conference, while the Red Devils fell to 1-5 overall, 1-2 conference.

After a slow start for both teams, Boyne City was able to take a 7-5 lead after one quarter of play and 22-13 at the break.

The Rambler offense got going in the middle two quarters as they outscored East Jordan 30-18, leading 37-23 headed into the final eight minutes of regulation.

“The first half, we did what we wanted to do, and gave them some trouble offensively,” Rambler coach Kevin Fitzpatrick said. “We have a lot of people doing little things well right now.”

Following a triple by Rainy McCune of Boyne City to start the fourth quarter, the Red

Devils offense started to click, as East Jordan went on a 17-4 run over the next seven plus minutes, pulling to within 43-40 on a Valerie Peters three pointer with 36.1 seconds remaining in the game.

After Myers was fouled on an inbound play, she calmly made both free throws, putting the Ramblers back up five, but on the inbound, Brianna Newberry drew a foul and made both freebies to pull within three once again, 45-42 with 21.3 seconds remaining.

McCune would add another pair of tosses from the charity stripe for the final margin.

“We need to be a little more patient in the fourth quarter, and not put them on the line with any time coming off the clock,” Fitzpatrick added. “Jessica Selissen did a great job for us defensively, being outsized, it was all purer effort.”

Also for the Ramblers, McCune added 12 points, eight boards and dished out four assists, while Taylor Baker had six points and Heather Nichols added five.

“We lead 3-0 to start the game but really struggled all night to

put the ball in the basket,” East Jordan coach Steve Hines said. “We had good looks but couldn’t convert; our shooting percentage from the floor was 20 percent.

“We came back and played a great fourth quarter however,” Hines added. “But we had too big of a hole to dig out of.”

Hines also lauded the effort of Ellen Brandell and Tiffany Pollaski’s play off the bench.

East Jordan was led by Holley Carson with nine points and six rebounds, while Paige Poindexter added eight and 12 rebounds and Peters eight points and four assists.

EAST JORDAN – The young lady Ramblers traveled to the home of the Red Devils and pulled out a tough 26-22 victory on January 3.

Leading the Ramblers, 5-3 overall, was Keyrsten Girlinghouse with 10 points, while Courtney Caverly added seven.

Coach Nate Dzwik added that Hannah Hoth, Ali Johnson and Jordan Weiss played great zone defense for the Ramblers.

#### Charlevoix 40, Elk Rapids 35

CHARLEVOIX — The Lady Rayders picked up another Lake Michigan Conference victory on January 4, as they got past Elk Rapids 40-35, to improve to 3-3 overall, 2-1 conference.

Sophomore Madeline Boss scored 11 points, grabbed five rebounds and added four blocks to lead

Charlevoix, while senior guard Sydney Carlson added 10 points.

The Rayders held a slim 19-15 cushion headed into halftime.

Karley Pearsall chipped in with six boards and three blocks, and Katie Hybl added five rebounds and three steals.

Rachel Hintz finished with 12 points for the Elks.

## Rayders remain perfect as Hamilton scores 20

By Chris Fiel

### Charlevoix 51, Elk Rapids 45

CHARLEVOIX — The Rayders picked up right where they left off before the holiday break as they remained perfect on the season in getting past Elk Rapids 51-45 in a Lake Michigan Conference match-up on January 4.

For the Rayders, 4-0 overall, 2-0 conference, Charlie Hamilton dropped 20 points, Zach Hankins added seven points and 11 rebounds and Justin Pearl dished out eight assists.

"The game went about as smoothly as I expected after having two weeks of break and three weeks between games," Charlevoix coach Adam Wood said. "So in general, it was not the prettiest of games, but I was proud of our guys for pulling through in the end.

"Our conditioning at game speed wasn't there, but shots started to fall in the second half and we scored more each quarter throughout the game," Wood noted. "Charlie was big for us to get things going in the scoring column and Zach, I thought, had his best

game physically."

Elk Rapids, 3-3 overall, 0-2 conference, was led by Adam Trautman with 15 points, while Cole Walker added 14.

"The guy that really stepped up tonight was Justin Pearl. He didn't score a point, but assisted on eight baskets and ran the show right from the start due to the illness Tanner Catt was battling," Wood said. "He is really growing as a junior leader and I'm proud of him for that. Also very proud of the toughness Tanner showed in fighting serious fatigue to give everything he had. It was another great team win, but we also know we have to get a lot better going into this week."

### Men pledge to help end violence against women with White Ribbon Campaign

A White Ribbon Campaign event will take place during a basketball game between Petoskey and Charlevoix at Petoskey High School gymnasium at 6:00 p.m. on Tuesday, January 15. The event is being organized by the Violence Prevention Team with support from the 100 Men Campaign to encourage local men to get involved in helping end violence against women and girls.

The White Ribbon Campaign invites men to be part of the movement to help end this violence by speaking out against it and encouraging respect. The White Ribbon Campaign was started by a group of Canadian men who decided they had a responsibility to speak out about violence against women after the 1991 Montreal Massacre. They organized the White Ribbon Campaign as a way for men to show their opposition to all forms of discrimination and violence against women. Wearing a white ribbon became a symbol of their commitment to end this violence and increase respect for women. Over the years, the White Ribbon Campaign has spread to other countries including the U.S.

"We continue to see too many examples of violence against women in the news," said Violence Prevention Team member Mark Fralick who is also an area educator and coach. "Beyond what we see broadcast through the media, there are many more acts of violence that occur locally, nationally and throughout the world. It's epidemic."

A 2010 national survey by the Centers for Disease Control found that 1 in 5 women had been raped in their lifetime, and 1 in 4 women had been the victim of severe physical violence by an intimate partner. Locally, the Women's Resource Center of Northern Michigan (WRCNM) handled 1,001 calls to their 24-hour crisis line, last year. During that same time, the agency's Safe Home provided emergency shelter for 139 domestic abuse survivors and their children. An additional 557 domestic abuse survivors were provided counseling, support and advocacy through the WRCNM's domestic abuse program. Last year the agency also provided critical support services to 321 survivors of sexual assault, including immediate support at local emergency rooms.

"One goal of the local White Ribbon committee is to mobilize men in the community to support respect and equality for women and girls in their thoughts, their words and their actions," said Fralick who also volunteers on the White Ribbon Campaign committee. White Ribbons will be provided to men at the basketball game who agree to support the campaign by pledging to never commit, condone or remain silent about violence against women and girls.

The Violence Prevention Team consists of key community stakeholders, including representatives from local health agencies, schools, athletic organizations, hospitals, social service agencies, faith-based organizations and the Women's Resource Center of Northern Michigan. These volunteer members have a vested interest in working toward a violence-free community.

For more information about the White Ribbon Campaign, Violence Prevention Team or 100 Men Campaign, contact the Community Prevention Educator with the Women's Resource Center of Northern Michigan at (231) 347-1572.

### "Win from Within" workshop for excellence in sport and life

Petoskey - You simply won't want to miss this great opportunity for coaches, athletes and all interested persons to learn more in pursuit of excellence in sport and life! The "Win From Within" Workshop on Saturday morning, January 19 from 9:30 to noon at the new CrossFit facility at the corner of Mitchell and Division roads in Petoskey promises to be fantastic time of fun and learning!

For all, this is a great chance to interact and learn with a "really big", fun and engaging former NFL lineman! Find out why that Jon Jansen, as an All-American lineman at the University of Michigan and a 12-year starter as an offensive lineman in the NFL, says that "he would have been a much better player and his career would have lasted longer had he understood the concepts of high intensity fitness and functional

movement training!" Watch or participate in workshop stations demonstrating fitness techniques and concepts. Learn how these principles serve as foundational training on which more sport-specific training can be added.

We are fortunate not only to have Jon but a total of three great presenters:

1. Phil Loesch has over 30 years of valuable experience as an athletic trainer at the college and private levels, and who has led the development of the local CrossFit program.

2. Kelly Kolb was a successful local athlete who has coached and given leadership at the Inland Lakes High School. She will reveal exciting ideas of leadership development she is using there.

3. And, of course, Jon Jansen, who achieved excellence as a football player and leader with the University of Michigan and the

Washington Redskins in the NFL! Now Jon is providing leadership in our area communities and Big 10 sport broadcasting!

Go to [www.BeyondtheScoreboard.org](http://www.BeyondtheScoreboard.org) to download registration form. You can register at the door, but we would love to receive your registration in the mail or at least an email or phone call telling us you are coming so we can better prepare for you! Student-athletes are free; adults only pay \$10. This is going to be fun and a great chance to be inspired to pursue excellence in fitness and in character. This is going to be great for coaches, athletes, parents, sport boosters, anyone who is interested in greater life performance! For more information or to let us know you are attending, Call 231-622-2223 or e-mail us at [character@beyondthescoreboard.org](mailto:character@beyondthescoreboard.org)

### Question & Answers About Selling Real Estate

# What Do Home Buyers Want?

**Compliments of  
Mike Stark,  
Stark Realty, Inc.  
(231) 536-7700**

According to AVID Ratings Co., some of the must-have amenities in a new house are home offices and green features.

Home buyers are willing to give up devoted space to home theaters and other specialized media rooms in

order to have a home office. In fact, they'd be willing to forego a formal dining room altogether in order to have a home office or study.

And they want energy-efficiency in their appliances, windows and insulation.

Other desirable features

are large kitchens with an island, though granite countertops aren't necessarily important to all buyers.

Must features also include a main-floor master suite; an outdoor living room – considered more popular than an outdoor cooking area; ceiling

fans; master suite soaker tubs and oversize showers with seating areas; stone and brick exteriors; community landscaping with walking paths and playgrounds; and two-car garages.

# Vintage, turn of the century home in Boyne City

**By Jim Akans**

There's nothing quite like the charm and craftsmanship found in a turn of the century home. This week's feature listing, situated just three blocks from the extraordinary shopping, recreation and entertainment offered in downtown Boyne City, is a wonderful example of that vintage home appeal.

The home features just under 1,500 square feet of living space on the two main levels, plus it has a partial block basement for extra storage room. The main level includes an open living room with wood burning fireplace, an adjoining formal dining room, nicely sized kitchen and full bath plus a half bath. Upstairs there are three bedrooms and a full bath. Gorgeous and original

hardwood flooring extends throughout both main levels, providing a welcoming sense of warmth to the interior spaces.

The large fenced city lot includes a detached one-car garage and a separate storage shed, providing plenty of outdoor storage. The home is also located close to the snowmobile trails, a big plus for those who enjoy touring the north aboard their sleds.

Located at 314 East Cedar Street in Boyne City, this vintage home in an exceptional location is listed at just \$99,900. GMC's small SUV, the Terrain, had its best sales year ever in 2012. PHOTO "© GENERAL MOTORS."

## GMC Achieves Best Sales Year Since 2007 as brand's sales increase for third consecutive year

GMC closed the 2012 calendar year with 413,881 total sales for a year-over-year gain of 4 percent. With retail sales up 2 percent, the brand recorded its third consecutive year of sales growth and its highest sales in five years.

Over the past three years, GMC combined retail sales have grown by more than 54 percent. GMC's December sales, up a total 5 percent, represented the best month of 2012. December was GMC's top retail sales month as well, despite sales being down 1 percent year over year.

"We're carrying positive sales momentum into 2013, and our product portfolio is stronger than ever with vehicles like the new 2013 Acadia and popular Terrain," said Brian Sweeney,

vice president of GMC Sales and Service. "With even more new vehicles in the pipeline, our network of experienced dealers will have the tools it needs for more growth in the new year."

GMC's Denali sub-brand, which represents more than half of all Yukon full-size SUV sales and about a third of all Acadia midsize crossover sales, had its best year ever with retail sales up 5 percent. A new Terrain Denali was added in the second half of 2012, meaning every GMC vehicle currently available to retail customers offers a Denali model.

Terrain small SUV sales ended 2012 with retail sales up 11 percent, the largest increase for any GMC model. It was Terrain's best year ever, in both

total and retail sales, those to individual customers. December was Terrain's best sales month for the year and its second-best month ever. Year-over-year sales for December increased by 16 percent retail and 49 percent total.

The Sierra full-size pickup continues as the brand's best-selling nameplate, and its sales grew for the third consecutive year. There were 145,325 Sierras delivered to customers in 2012, a retail increase of 4 percent and a total increase of 5 percent.

Additionally, year-over-year Sierra sales for the month of December were up 12 percent retail and 13 percent total. It was Sierra's best retail sales month since September 2008.
