BOYNE FALLS CONTINUES CONFERENCE DOMINANCE

By Chris Fiel

Boyne Falls 65, Alanson 36

ALANSON – The Loggers jumped out to a commanding 21-8 first quarter lead as they cruised to a 65-36 Northern Lakes Conference victory over Alanson on January 17.

Marcus Matelski led the Loggers with a game-high 31 points, eight rebounds, four assists and four steals, while Brendan Matelski and Maxwell Reed added 12 points apiece.

The Loggers led at the quarter breaks, 21-8, 30-9 and 46-27.

Alanson was led by Bobby Sproule with 16 points.

“Two road wins this week in our league, that’s the good thing,” Logger coach Tim Smith said. “Still not as focused as we need to be, as we had 10 turnovers tonight and did not take care of ball at times, and we

also did not play well in third. We are getting better but have a long ways to go.”

Boyne Falls stands at 7-1 overall, 5-0 conference.

Boyne Falls 59, Ellsworth 24

ELLSWORTH – Boyne Falls got another big game from freshman Marcus Matelski as the second year veteran finished with a line of 25 points, nine rebounds, four assists in a 59-24 Northern Lakes Conference victory over rival Ellsworth on January 15.

The Loggers, 6-1 overall, 4-0 conference, led at the quarter breaks; 15-8, 25-14 and 43-18.

Also for BF, Brendan Matelski added 13 points, four assists; Maxwell Reed 11 points; and Andrew Stevens chipped in with eight points.

For Ellsworth, Winter Romeyn finished with 10 points.

“We are playing well on the defensive end, but we never got into a flow offensively,” Boyne Falls coach Tim Smith said. “Our challenge is to get up for every game we play; these games need to be more about us than the team we are playing.”

BOYNE CITY — After leading at the break the Boyne City boys' basketball team had to use a strong fourth quarter to overcome a nine point third quarter deficit, but fell short as Grayling escaped with a 57-55 Lake Michigan Conference win on January 18.

Corey Redman paced the Ramblers with a game-high 24 points, while fellow sophomore Maceo Vroman added 12 and junior Bradley Fouchia chipped in with nine points.

“We played hard, I am proud of our guys,” Ram-

bler coach Nick Redman said. “We had a great team effort, and Dalton Gardner stepped in and played some solid defense tonight.”

Boyne, 3-5 overall, 2-3 conference, held a 16-14 advantage after the first eight minutes of play, and extended that lead to 34-30 at halftime, before finding themselves trailing 48-39 after three quarters.

For Grayling, Scott Parkinson scored 13 points and Tyler McClanahan added 12.

Loggers pick up another conference win Roll past Huskies in non-league match-up

By Chris Fiel

Boyne Falls 48, Ellsworth 44

BOYNE FALLS — The Lady Loggers got on top early and held off a late Lancer rally as Boyne Falls picked up another Northern Lakes Conference win, 48-44 over Ellsworth on January 16.

Sophomore center Raegen Pedigo led the Loggers with a double-double, 15 points and 13 boards and three blocks.

"She (Pedigo) played a great game," Logger coach Lyndel Ingalls-Sage said. "She finished well around the basket and also played a nice defensive game."

The Loggers also got a double-double from junior forward Calsey Matelski, as she finished with 10 points, 10 rebounds and three steals. Melody Ann Harmon had 10 points as she connected on 2-of-3 from beyond the arch, and Emily Matelski added nine points and nine assists.

Boyne Falls led at the quarter breaks; 12-4, 27-18, and 36-30.

"It was nice to see these three (Calsey, Raegen, Melody) step up; it takes a little pressure off Emily to score the majority of the points," Coach Sage added. "Kaylee Wilson worked her tail off defensively and put added pressure where ever we needed it, and we have had starters out with the Flu for JV and Varsity, and it

would really be nice to play a game with everyone healthy. Kendra Berreth has been out for two weeks, and tried to suit up against Mackinaw City. She has missed four league games, which has really hurt our team and we look forward to everyone being back at 100 percent."

Boyne Falls 73, Atlanta 24

BOYNE FALLS — The Lady Loggers cruised to a non-conference win over the Atlanta Huskies 73-24 on January 14.

Raegen Pedigo finished with a game-high 18 points, while Emily Matelski added 14 and Calsey Matelski chipped in with 11.

"Our team had two freshman and two more sophomores up from the JV that played nicely with the varsity," Boyne Falls coach Lyndel Ingalls-Sage said.

BOYNE FALLS — The Loggers got 17 points from Megan Byrne, as the Boyne Falls JV edged the Ellsworth JV 34-28 on January 16.

Rayders clipped at buzzer

By Chris Fiel

Cheboygan 54, Charlevoix 52

CHEBOYGAN — Cheboygan's Caitlin McNeil drove baseline and saw her shot attempt find the bottom of the net at the buzzer, lifting the Chiefs to a 54-52, non-conference win over

Charlevoix on January 14.

The Rayders led 18-15 at the end of the first quarter, the score was knotted at 29-all at halftime, and Charlevoix led 37-35 headed into the fourth quarter.

The Rayders were led by Madeline Boss with 20 points and three blocks, while Sydney Carlson added 11 points, four assists and four steals. Karley

Pearsall finished with nine points and Gabby Gray added seven.

"The best four quarters of play all season," Rayders coach Liz Shaw said. "The game was close the whole way and we kept our composure and mental toughness. I am proud of the team in how they played."

St. Francis too much for Red Devils

By Chris Fiel

T.C. St. Francis 51, East Jordan 27

TRAVERSE CITY — The Lady Glads jumped out to an early 22-4 first quarter lead and didn't look back, even though the Red Devils outscored them in the second half, in coming away with a 51-27 Lake Michi-

gan Conference win on January 18.

Valerie Peters led EJ with nine points, while Jasmine Steinhoff added six and eight boards.

Also for the Red Devils, Allie Sutton added seven rebounds and Holley Carson six.

"We seemed to start the game in reverse and by the time we shifted gears we were in a big hole," East Jordan

coach Steve Hines said. "We outscored St. Francis in the second half (16-15), but the first half was too much to overcome." "Our shooting was almost as cold as the weather outside."

With the loss, the Lady Red Devils slip to 3-6 overall, 2-3 conference.

TCSF was led by Liza Erickson with 16 points, while Kenzie Feeney added 10.

Rayders top Rams with strong second half

By Chris Fiel

Hamilton's 18 points sparks Rayders over Rams

Charlevoix 60, Harbor Springs 50

CHARLEVOIX – The Rayders got 18 points from Charlie Hamilton, as the lightning quick guard helped propel Charlevoix to a 60-50 Lake Michigan Conference victory on January 18.

With the win, the Rayders improve to 6-2 overall, 4-1 conference.

Charlevoix led 17-15 after one quarter of play, only to see the Rams utilize their size advantage to take a 33-25 lead into the break. The Rayders would respond by out hustling Harbor in the third to take a slim 42-41 margin into the final eight minutes of regulation.

"I thought Harbor really came to play tonight, especially in the area of physicality," Rayder coach Adam Wood said. "Their bigs really played strong all night and beat us up on the boards which gave them a lot of second chance points." "I thought we ex-

ecuted offensively in the first quarter but had a lull in the second and our defense didn't make up for shots not falling."

Also for the Rayders big man, Zach Hankins dropped in 16 points and grabbed six boards, while the always hustling Tanner Catt chipped in with 10 from his point guard position.

Harbor Springs, 4-6 overall, 2-3 conference, was led by Spencer Kloss with 15 points, while Neal Zoerhof added 10.

Northmen pull away from Charlevoix in second half

Petoskey 53, Charlevoix 36

PETOSKEY – In a contest that not only matched two of Northern Michigan's top area teams, the game itself was promoted as the "White Ribbon" game. The event was to bring awareness to abuse towards women.

"This is a great opportunity for the venue of high school athletics to bring awareness to such an important issue and still prevalent problem in today's society," Rayder coach Adam Wood said. "It is our privilege and honor to be a part of this awareness game. I

think it is a tremendous idea to bring notice to a concern that is often overlooked in favor of other societal or health issues, we are very excited to be a part of this game."

In regards to the contest, the Northmen used a strong second half to pull away from the Rayders, en route to a 53-36 non-conference Petoskey victory on January 15.

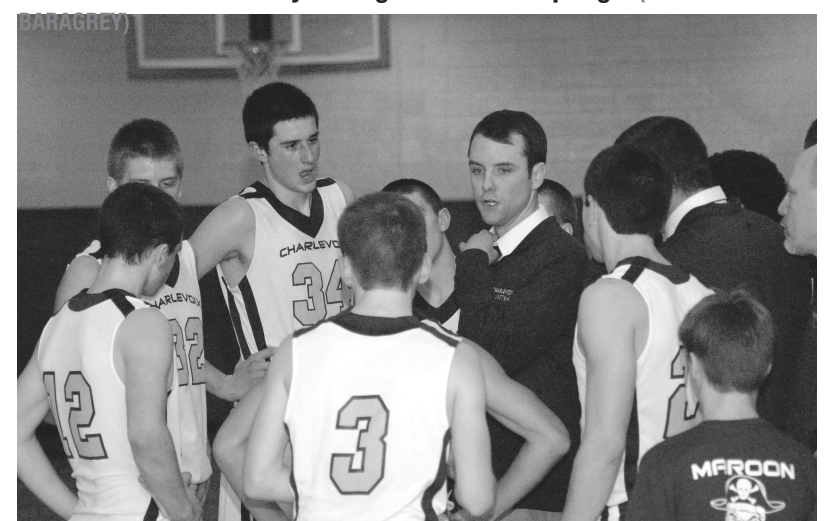

"We had a rough second half, which pretty much sums up our night," Wood noted. "We came out in the first half and executed very well and were very vocal on defense, we led 21-20 at the half and felt great coming out of the locker room. From that point on our execution fell off for some reason, I'm still trying to figure out why."

Charlevoix was led by Sawyer Russell with 10 points and four rebounds, while Tanner Catt added eight points.

Coach Wood noted that the Petoskey defense really stepped it up in the second half, and that his Rayders were unable to match the intensity of the Northmen.

"They got a couple fast breaks, hit a couple threes and all of a sudden, it was out of reach," coach Wood added. "Petoskey does such a great job defensively they make it very hard to come back on them. They have a very disciplined approach to the game which I have great respect for. I was proud of our first half, but we need to come out of halftime a lot better from this point forward."

Question & Answers About Selling Real Estate

What You Should Look for When House Hunting

Compliments of Mike Stark,
Stark Realty, Inc. (231) 536-7700

Signs That
You're Ready to
Buy

Figuring out
whether you're
ready to buy a
house — whether
you're a renter or
are aiming to
move up or size
down — can be a daunting task.

But there are signs that will indicate whether you're ready to take the buying plunge.

If you are thinking about buying, you're not alone. So are you ready to make the move? You might be if you:

1. Are familiar with the market. If you've been paying attention to how much houses are listed for in

the neighborhoods you're eyeing and have a realistic view of how much a house will cost you, you're in good shape. But if you're dreaming about that big corner house with no clue about its asking price, you may want to spend some more time becoming familiar with the market and how much houses are going for.

2. Have the money for a down payment and closing costs. The down payment is a percentage of the value of the property. Freddie Mac says the percentage will be determined by the type of mortgage you select. Down payments usually range from 3 to 20 percent of the property value. Also, you may be required to have Private Mortgage Insurance (PMI or MI) if your down payment is less than 20 percent. Closing costs include points, taxes, title insurance, financing costs and items that must

be prepaid or escrowed and other settlement costs. You can expect to pay between from 2 to 7 percent of the property value. Generally, buyers will receive an estimate of these costs from your lender after you apply for a mortgage.

3. Know how much you can afford. Freddie Mac says that as a general guide, your monthly mortgage payment should be less than or equal to a percentage of your income, usually about a quarter of your gross monthly income. Also, your income, debt and credit history go into determining how much you can borrow. As a general rule, your debt -credit card bills, car loans, housing expenses, alimony and child support — should not be more than about 30 to 40 percent of your gross income.

4. Know what additional expenses will come with owning a

home. This includes homeowners insurance, utility bills, maintenance costs — roofing, plumbing, heating and cooling.

5. Have your credit in good shape and make sure your credit report is accurate. Potential lenders will view your credit history — how much debt you've accrued, how many accounts you have open, whether your payments are made on time, etc. — to determine whether they'll give you a loan. You should get a report from each of the three credit reporting companies: Equifax, Experian, and Trans Union.

6. You haven't made any recent major purchases, particularly a vehicle. If you do, you may have a harder time getting a loan — or it could potentially lower the amount you'll be approved for.

From cruising through the city, to escaping away to a snow-covered ski resort, the new 2013 Chrysler 300 Glacier has a commanding design presence and the power and all-weather capability to carve through some of the most snow-covered landscapes. PHOTO COPYRIGHT 2012 CHRYSLER GROUP LLC.

All-season Athlete: New 2013 Chrysler 300 Glacier

Through lifestyle driven models, the new 2013 Chrysler 300 continues to show the numerous personalities that are capable from its elegant and iconic design. Beginning with the ultimate in muscle - Chrysler 300 SRT8, the ultimate in luxury - new Chrysler 300C John Varvatos Luxury Edition, the ultimate audiophile - Chrysler 300S with Beats by Dr. Dre, and now arriving in time to tackle winter, the ultimate all-weather athlete - the new Chrysler 300 Glacier.

From cruising through the city, to escaping away to a snow-covered ski resort, the new 2013 Chrysler 300 Glacier has a commanding design presence and the power and all-weather capability to carve through some of the most snow-covered landscapes.

With its state-of-the-art eight-speed automatic transmission, steering-wheel mounted paddle shifters, and a more powerful 3.6-liter Pentastar V-6 engine with new sport-tuned exhaust and cold-air induction system delivering 300 horsepower - the new 2013 Chrysler 300 Glacier delivers best-in-class fuel economy (18 mpg city / 27 mpg highway, while providing maximum all-weather traction, efficiency and driving performance through the segment's most advanced AWD system. For even more power, the new Chrysler 300 Glacier offers the legendary 5.7-liter HEMI® V-8 engine with four-cylinder mode

Fuel Saver Technology to deliver 363 horsepower and up to 23 mpg highway.

The Chrysler 300 Glacier's AWD system features a segment-exclusive active transfer case and front-axle-disconnect system to improve real-world fuel economy. No other major automotive manufacturer offers the combination of these two independent technologies. Chrysler 300's innovative AWD system seamlessly transitions between rear-wheel drive and AWD with no driver intervention. When AWD is not required, the system automatically disconnects the front axle to maximize fuel economy while still providing the outstanding fun-to-drive performance and handling inherent in rear-wheel-drive vehicles.

Building on the avant-garde appearance of the Chrysler 300S model, the new 300 Glacier features contemporary exterior and interior styling elements for a flagship sedan that delivers refinement within its landmark design. Hinting that this Chrysler 300 sedan was born with an ice-cool demeanor - unique body-color fascia accents, along with Gloss Black mirrors, headlamp bezels and Black Chrome sculpted horizontal grille blades give the Glacier a low-key street presence. Emphasizing the Chrysler 300 Glacier's iconic silhouette and head-turning proportions even more is an all-new Gloss Black painted roof option.

Filling this AWD sedan's wheel wells and aiding in its world-class handling are unique 19-inch eight spoke aluminum wheels finished in Satin Carbon with P235/55R19 all-season performance tires. Exterior paint colors for this Chrysler 300 include Bright White, Billet Silver Metallic and exclusively to this model, Glacier Blue Pearl Coat.

The interior of the Chrysler 300 Glacier exudes an athletic-luxury theme with 12-way power driver and passenger sport seats featuring black "Falls" cloth in the seat centers and leather-wrapped bolsters in black and finished with black French-seamed stitching. Exclusive use of Piano Black on interior center stack, instrument panel, steering wheel, gauge cluster and door panel elements provide a uniquely lacquered and highly detailed appearance. For even more spirited driving die-cast steering-wheel mounted paddle shifters with "sport mode" are ergonomically designed behind the 300 Glacier's black leather-wrapped thick-rimmed steering wheel. Completing the enthusiast-designed interior are matte carbon hydrographic accents and black floor mats with black velour binding and "Glacier" logo embroidered.

In this moment...

It doesn't matter if you saved money in 15 minutes.
It doesn't matter if your neighbor has the same insurance as you.
What matters right now is that you get to enjoy this moment - feeling completely at ease - because your independent insurance agent and the company that stands behind them has you covered.
