## Lady Loggers fall in Conference showdown

By Chris Fiel

### Ellsworth 42, Boyne Falls 32

ELLSWORTH — Coming off a close loss to now North Lake Conference champion Mackinaw City a few night earlier, Boyne Falls was looking to rebound, but the host Lancers would have nothing to do with it as Ellsworth picked up a huge 42-32 win over the Loggers on February 14.

The Lancers led at each of the quarter breaks, 15-6, 19-16 and 32-24.

"We shot about 15 percent from the floor," Loggers coach Lyndel Sage said. "It was awful night for the Loggers, we also got out hus-

ted the second half for multiple offensive rebounds."

Ellsworth improved to 9-8 overall, 7-3 conference with the win, while BF slipped to 12-4, 8-3.

Tara Essenberg finished with 14 points; Kendra Warner added 10 and 12 rebounds; Taryn Rozema had eight points; and Kari Steenwyk grabbed 17 rebounds.

"She (Tara) played as good as I've seen her play," Sage added.

Boyne Falls was led by Reagen Pedigo with 10 points and 13 boards.

### Mackinaw City 46, Boyne Falls 43

BOYNE FALLS — It came down to the final minutes, and when

the dust settled, it was the Comets standing alone atop the Northern Lakes Conference as the champion following a scrappy 46-43 victory on February 12.

The Loggers led 11-8 after one quarter of play, tie ball game, 26-26 at the break and a Mackinaw City 38-36 lead headed into the final eight minutes of regulation.

The second quarter saw Mack City take a 20-15 lead with just over three minutes remaining in the half, but three baskets by Melody Ann Harmon and another two by Kaylee Wilson knotted the score at 24-all with under thirty seconds left before half-time.

A Comet basket at the 14 second mark put them up 26-24, but Boyne Falls forward Calsey Ma-

telski would put back an offensive rebound off a Emily Matelski miss as the horn sounded, once again tying the ball game 26-26 at intermission.

The Loggers would take a 28-26 lead to open the third on a Calsey Matelski bank shot from the right elbow, but the Comets would respond to take a 32-28 lead with just over four minutes remaining in the quarter.

The two teams would exchange baskets throughout the remaining 12 minutes of the contest, the largest margin would be a 43-36 Mackinaw City lead with 7:02 left in the fourth quarter.

Boyne Falls would cut the lead to one, 44-43 with 1:22 left, but could get no closer as Mackinaw City would run the clock down to

32.5 seconds left before the Loggers were able to foul and send the Comets to the charity stripe where senior Courtney Wallis nailed both shots for the final score as BF was not able to get a good look at the basket.

Claudia Alexander scored 15 points, while Chelsey Closs added 13 points and 13 rebounds for Mackinaw City; and Wallis and Lauren Bell added nine points apiece for the Comets, as they improved to 14-3 overall, 10-0 conference.

For the Loggers, 12-3 overall, 8-2 league, Harmon and Calsey Matelski each netted 12 points, while Emily Matelski added nine points.

### WRESTLING

## Boyne's Mills advances to State Tourney

KINGSLEY — Boyne City's Conner Mills placed third at 145 pounds in the Regional wrestling tournament in Kingsley on February 16. Placing third advances Mills to the state competition at the Palace of Auburn Hills on February 28.

Boyne City's Conner Mills (145) took 3rd place at Regionals to advance to the State tournament.

Mills lost to Dominic Herkel of Clare in Triple OT 3-1; defeated Lelear Dukes of Chippewa Hills 5-2 and beat Dominic Herkel of Clare in a rematch of his first match 6-3.

"Conner lost a triple overtime match early in a gutty performance, then responded well to the setback by wrestling three very clean matches in a row against quality competition, he ended the day with a commanding victory against the wrestler he lost to earlier in the day," Rambler coach Don Nohel said. "I am very happy for Conner - it is quite an accomplishment."

Fellow Rambler Brady Calo (215) lost both his matches in Regional competition.

Brady was pinned by eventual champion Dylan Sorenson of Ludington in 1:31, and pinned by Ryan Miston of Ludington in 1:47.

"Brady had a great season, he was the third Calo to qualify for Regionals," coach Nohel said. "The Calo kids are hardworking and have established themselves as an official Boyne City wrestling family, Brady is a neat young man and it has been a pleasure to coach him."

## Boyne City defeats Elk Rapids, fall to Vikings

By Chris Fiel

### Grayling 77, Boyne City 76

GRAYLING — The Ramblers scored the first two points of the contest, and then watched the Vikings reel off a bunch of their own as they took a 22-13 first quarter lead and had to withstand multiple Boyne City comebacks as Grayling picked up a 77-76 Lake Michigan Conference victory on February 15.

Grayling would also lead 38-31 at halftime and 63-50 headed into the fourth quarter, where they would have to hold off a late Boyne City rally.

“That was a good basketball game,” Boyne coach Nick Redman said. “Both teams played good.”

Boyne City was led by Corey Redman with 35 points, 10 rebounds and seven assists, while Ryan Carson added 15 points, six rebounds and five assists.

Maceo Vroman chipped in with 13 points and Bradley Fouchia had 10.

“They won the battle of 50/50 balls to get more possessions that was the difference,” coach Redman added. “Ryan (Carson) and Corey (Redman) really played well together that was fun to watch.”

### Boyne City 49, Elk Rapids 43

ELK RAPIDS — Boyne City put only two players in double figures, but it was enough as three

other players combined to put up 17 points in the Ramblers 49-43 Lake Michigan Conference win on February 12.

Bradley Fouchia finished with 16 points and Ryan Carson added

10 points, 10 rebounds and three assists in leading Boyne to their eighth victory of the season. The Ramblers stand at 8-7 overall, 5-6 conference.

Elk Rapids would take a 15-11

first quarter lead, but Boyne bounced back to take a 25-24 halftime lead and then outscore the Elks 24-19 over the final 16 minutes for the win.

“Elk is a good defensive team,”

coach Nick Redman said. “We struggled to get in a good flow offensively but the kids kept battling and got the win.”

Elk Rapids slipped to 8-8, 5-6 with the loss.

## Rayder fall to Rams, Outlast Suttons Bay and East Jordan

By Chris Fiel

### Harbor Springs 71, Charlevoix 70

HARBOR SPRINGS — The Harbor Springs Rams are starting to peak, and for the rest of the Lake Michigan Conference, that is not good news, as the Rams edged Charlevoix 71-70 on February 15.

Despite getting a big game out of their sweet shooting senior, Charlie Hamilton, Charlevoix fell to 12-3 overall, 9-2 conference with the loss.

Hamilton finished with 32 points, while fellow senior Tanner Catt added 11.

“Harbor Springs is really becoming a tough team late in the year,” Rayder coach Adam Wood said. “They have size and shooting, and that makes any team really tough to stop.”

“(Pete) Lauer shot the ball really well and we didn’t do a good job finding him in the third quarter,” the coach added. “I thought we came out flat tonight with our intensity, we can’t blame having three road games in four nights because everyone has to go through that at some point in the year, we just have to a better job playing with intensity for four quarters.”

Wood also credited his team for battling back from a 19-point third quarter deficit and not throwing in the towel.

### Charlevoix 55, Suttons Bay 39

SUTTONS BAY — The visiting Rayders came out on top against Suttons Bay 55-39, behind a near triple-double effort from Tanner Catt on February 13 in non-conference action.

Catt finished with a game-high 27 points, seven steals and seven assists to lead Charlevoix, while Charlie Hamilton added a quite 11 points.

“This was our first back to back contest this season, so I was very pleased with the way our guys competed tonight,” Charlevoix coach Adam Wood said. “We did a great job defensively, but give Suttons Bay a lot of credit because they beat us up on the offensive boards; they have some really good athletes and used that to their advantage.”

Wood also credited Catt with his incredible overall play, as he carried the Rayders with his effort.

### Charlevoix 77, East Jordan 52

EAST JORDAN — When he’s hot, he’s hot!

Charlevoix shooting machine, Charlie Hamilton was just that on February 12 as the Rayders visited East Jordan where they earned a 77-52 Lake Michigan Conference

victory.

Hamilton would finish with a game-high 25 points, including knocking down five-triples from well beyond the arch in the first half, and adding another in the second half.

Charlevoix improved to 11-2 overall, 9-1 conference with the win, while the Red Devils dropped to 3-11, 1-10.

The game was knotted at 14-apiece after one quarter of play but a strong second quarter by the Rayders would put Charlevoix up 33-21 at the break. After intermission, things didn’t change much as Charlevoix extended their lead to 61-31 headed into the final quarter.

“East Jordan came out and played great early in the game so we really had to battle,” Rayder coach Adam Wood said.

The Red Devils would mount a strong fourth quarter of their own, but were unable to climb out of the deficit they found themselves in.

“With another game looming Wednesday night, it was good because we were able to play a lot of players tonight and everyone contributed, a great team win,” Wood added. “We were able to pull away in the second quarter to take a 12-point lead into halftime and the third quarter was probably the best quarter we have played all year.”

Matt Bolser finished with 17 points leading the Red Devils.

## Loggers overcome halftime deficit to earn Conference win

By Chris Fiel

### Boyne Falls 53, Ellsworth 36

BOYNE FALLS — It took the Loggers a bit to get untracked as Ellsworth held a 20-18 halftime lead, only the second time all season that Boyne Falls trailed at the break, and following intermission, the Loggers went on a 35-16 second half run to pull out a 53-36 Northern Lakes Conference win on February 15.

Score at the quarter breaks were 11-11, 20-18 Ellsworth and 31-24 BF.

It was nip and tuck the entire first half as Ellsworth kept the high powered Boyne Falls offense in check. But following the intermission, the Loggers patient offense and lock down defense found a way to slowly increase their lead throughout the second half after finally going ahead 23-20 on a Marcus

Matelski jumper at the 6:49 mark of the third quarter, a lead that they would not relinquish.

“Andrew (Stevens) had a big second half for us,” Boyne Falls coach Tim Smith said. “This game was a chance for us to win our conference and our guys were a little distracted with not having school today.”

Marcus Matelski finished with 19 points and 12 rebounds to lead BF, while Brendan Matelski added 15 and Andrew Stevens chipped in with 13. Maxwell Reed added five boards for the Loggers.

“To Ellsworth’s credit, they shadowed Marcus (Matelski) and our other guys stepped up in the second half and made shots,” Smith noted. “It was a good game, the Lancers gave us their best shot, and as bad as we played the first half, we played that much better the second.”

Question & Answers  
About Selling Real Estate

### How to scout out the best place to call home

#### PART 2 of 2

Compliments of  
**Mike Stark,**  
**Stark Realty, Inc.**  
**(231) 536-7700**

The neighborhood in which you live will heavily dictate your whole way of life—things like walking to a nearby park with your kids, knowing your kids are attending good schools, feeling safe when your children play outdoors, being close to restaurants and shopping, enjoying a short commute, and knowing your home will appreciate at a healthy rate.

#### Crime statistics

No one wants to live in a neighborhood where break-ins and burglary are the norm. There are web sites that can provide you with statistics on crime and other information pertinent to your search.

In addition to school information, Homestore lets you enter a city or zip code and provides you with crime data for the area you choose. It

also compares crime statistics with other cities (such as the city from which you are moving).

In researching a neighborhood, you must first determine your area. The suburbs may have lower crime statistics, but may be farther from your work. Cities may have more crime, but may have other qualities that you consider more attractive, such as convenience and cultural activities.

Use the following tips to help you learn about crime statistics in a neighborhood:

Talk to neighbors. Take note if there are bars on the windows and doors of homes.

Talk to the police or sheriff's department.

Check for gang graffiti on walls and walkways.

Keep in mind that if you're looking in-town, you may not be able to get away from everything you consider unappealing (such as noise and traf-

fic).

Keep your family in mind

A home isn't just an investment when you have a family to think of. You'll need to consider more than just the number of bedrooms or whether it has an attached garage.

You'll need to consider the community first and foremost. Do you want schools that are in walking distance? Do you want to be close to your place of employment? Do you want to be close to shopping, restaurants, and other services?

You'll also want to research property values before you find a home in the neighborhood that you like; property values reflect a community's overall health.

And when you do your research, find out what houses sell for now versus a decade ago, five years ago, and three years ago. Also, find out how much property taxes have gone up.

J.D. Power and Associates ranked the Chevrolet Camaro the industry's most dependable midsize sporty car and the Chevrolet Tahoe as the most dependable large crossover/SUV in its 2013 U.S. Vehicle Dependability Study, which covered the third year of ownership for 2010 models. ## Chevrolet Camaro and Tahoe rank highest in dependability study

J.D. Power and Associates ranked the Chevrolet Camaro the industry's most dependable midsize sporty car and the Chevrolet Tahoe as the most dependable large crossover/SUV in its 2013 U.S. Vehicle Dependability Study. The J.D. Power and Associates study tracked reliability during the third year of the ownership on 2010 model year vehicles. The fifth-generation Camaro took the highest ranking in its segment during its first year on the market.

"Receiving such a prestigious dependability award the first year Camaro was introduced demonstrates our commitment to provide customers with the best possible ownership experience," said Alicia Boler-Davis,

vice president General Motors Global Quality and U.S. Customer Experience. "Together with Tahoe leading its segment, this is another example of our focus on creating life-long customers."

Introduced in late 2009 as a 2010 model, the fifth-generation Camaro has outsold its closest competitor for the past three years. Camaro is also helping to bring new buyers to Chevrolet - four in 10 Camaro retail buyers traded in a non-GM car at the time of purchase.

"We believe the Camaro is a great example of how we want to do business at Chevrolet by delivering incredible design, impressive performance, and class-leading ownership experi-

ences," said Chris Perry, U.S. vice president, Chevrolet Marketing. "That approach has made Camaro a success here in the United States, and it has helped Chevrolet become the fastest-growing global automotive brand in the world."

The Chevrolet Tahoe is the bestselling full-size SUV, with space for the kids and dogs and the ability to tow up to 8,500 pounds. Tahoe's capability has helped make it a favorite of active families.

In 2012, Chevrolet sold more than 4.95 million cars worldwide, setting a global sales record for the brand.
