## LATE SURGE NOT ENOUGH AS RAMBLERS FALL TO GLADS

### Carson comes up big against Traverse City St. Francis

By Chris Fiel

#### TC St. Francis 67, Boyne 64

BOYNE CITY — It took a full 32 minutes to finally decide the outcome.

St. Francis seemed to be in control of the contest, leading 50-36 entering the fourth quarter, but Boyne City had different ideas as they came charging back, outscoring the Glads 28-17, coming up just short as TCSF squeaked by the Ramblers 67-64 in District 92 Class C action on March 6.

“Great game, both teams played crazy hard!” Rambler coach Nick Redman said. “I am very proud of how our guys competed. We battled every second and they didn’t quit.”

Following a see-saw first quarter that had St. Francis taking a 15-9 lead, and a tight six minutes to begin the second quarter, TCSF opened up a 10 point cushion, 29-19 on a Kody Kleinrichert reverse layup with just over two minutes remaining in the half, but Boyne closed the half on a 6-2 run, on baskets from sophomores Zach Napont and Maceo Vroman and a pair of free throws from junior Ryan Carson to make it 32-25 Traverse City at the break.

“Corey (Redman) got three quick fouls and that hurt us, especially in press breaker, we had a few mental breakdowns that hurt, but we could have folded and we didn’t,” coach Redman added. “Maceo (Vroman) worked his butt off defending Damon Sheehy, he is very fast and creates a lot of offense for them.”

Boyne would cut the Gladiator lead to five, 32-27 on a Vroman layup at the 7:32 mark of the third quarter, but that would be as close as the Ramblers would get for a while as St. Francis went on an 18-9 run to close out the quarter.

The fourth quarter started with a Carson spin into a jumper, followed by a Bradley Fouchia floater in the lane to pull BC to within 10 points. A Gladiator basket pushed the lead back up to 52-40 with just under six minutes remaining in the game.

Vroman would connect on a triple from the right corner at the 5:10 mark to put the Ramblers down nine, 52-43. St. Francis would answer with a Kleinrichert basket on the other end at 5:01.

Napont would steal the Gladiator inbounds pass following a Rambler turnover and take it in for a basket. Carson would then toss in a three from the left corner to cut the TCSF lead to six, 54-48 at 4:03, prompting the Glads to call timeout.

St. Francis senior Ian Spencer would hit a jumper following the timeout. Corey Redman and Vroman would then hit the back end of free throw attempts around another basket from Kleinrichert. Redman was then fouled on the inbounds, awarding him a pair of chairity tosses to which he sank both, pulling the Ramblers to within 60-52 at the 2:20 mark.

Carson, Napont, Vroman and Fouchia would then score the next nine points for Boyne as they went on a 9-2 run, closing the gap to 62-59 with 57.2 seconds remaining.

The next Gladiator possession saw guard Damon Sheehy draw a foul and make the basket on what would seem to be a generous continuation play, he would miss the ensuing free throw, putting TC back up 64-59, with 44.9 seconds left.

Fouchia would then connect on a Boyne triple with just under thirty seconds left, cutting the St. Francis lead to 64-62.

Kleinrichert would then draw fouls on back to back possessions, making 3-of-4 free throws for a 67-62 lead with 11.6 seconds left in the contest.

Ryan Carson would close out the scoring 67-64, as he rebounded and put back a missed Rambler free throw with under five seconds remaining, TCSF would not inbound the ball, sealing the Gladiator victory.

“Ryan (Carson) played great,” coach Redman noted. “He did a nice job finishing on the back end of their press and also attacked the basket tonight, it was nice to see him get healthy and finish the season strong. I am happy for him. The team really improved and overcame some obstacles this season. Their ef-

Corey Redman (2) of Boyne City soars to the hoop on this drive late in the contest against the Gladiators. (PHOTO BY CINDA SHUMAKER)

fort was always good, as a coach that’s all you can ask for.”

Boyne City (11-11) was led by Carson’s 25 points, seven rebounds and two blocks, while Redman added 12 points, Vroman scored 10 with seven assists,

Fouchia nine and Napont added eight points.

Kleinrichert led St. Francis (20-1) with 22 points and 10 boards, Sheehy added 17 points and Noah Phillips chipped in with 10 points.

Boyne City graduates three seniors, Steven Halstead, Nick Vellis and Elliott Hausler.

“They did a great job representing our school and program and we wish them the best!” Redman said.

## Loggers go cold in 2nd quarter versus Eagles

By Chris Fiel

### Bellaire 42, Boyne Falls 28

**BELLAIRE** — The Eagles held the Loggers to one point in the second quarter as they claimed their second victory over Boyne Falls this season 42-28 in Class D district action on March 6.

The Eagles led 7-6 after one quarter of play, then they proceeded to go on a 14-1 run in the second to take a 21-7 lead into half-time and seemingly put the game out of reach for the Loggers.

Bellaire (21-0) got 14 points from Denny Hall and nine points each from Drew Bailey and Mitch Teetzal.

The Loggers, which close a (19-2) season, got 12 points from Marcus Matelski and 11 from Brendan Matelski.

There was no information reported for the Ellsworth versus Central Lake contest.

## Red Devils ousted by eventual District 92 champ

By Chris Fiel

### Glen Lake 55, East Jordan 33

**BOYNE CITY** — It didn't take long to see that the inside-outside game of Glen Lake would be a factor as the Lakers got on the board early en route to a 55-33 District 92 Class C victory over East Jordan.

Glen Lake would lead at the quarter breaks, 10-2, 25-12 and 35-22.

The Lakers got 15 points from Mike O'Brien and 10 from Carter Lee as they improved to 20-2 on the season.

East Jordan was led by Noah Bacchus with 10 points and six from Joe Manville.

## Third times the charm for Boyne City Boys

By Chris Fiel

### Boyne City 46, Charlevoix 42

BOYNE CITY — They say the third times the charm.

Apparently it is, as Boyne City edged Charlevoix 46-42 in the District 92 Class C opener on March 4, their first victory over their rivals this season.

The contest was physical and hard-fought as one would expect from a rival game, and given the Ramblers recent success in the post-season over the Rayders (winners of three straight over Charlevoix coming in) and the two teams would not disappoint.

“We knew it was going to be a battle and I am proud of how we stayed focused and played with some discipline and executed,” Boyne coach Nick Redman said. “Maceo (Vroman) and Bradley (Fouchia) did a great job defending Charlie Hamilton and Tanner Catt, that was huge for us. They are two good senior guards that have been tough against us.”

Rayder sharp-shooter Charlie Hamilton wasted little time in getting Charlevoix on the board as he connected on a triple near the Rambler bench just 15 seconds into the contest.

Corey Redman would score the first six points for Boyne City as he followed a Rambler miss with a put back, only to connect on a three pointer of his own on the next possession and with just

over four minutes left in the opening quarter, made the second of two free throws for a 6-3 Rambler lead.

Charlevoix then pounded the ball inside as Rayder junior Zach Hankins stepped up and would score four straight points, giving Charlevoix a 7-6 lead with 2:33 remaining.

The two teams would trade baskets and free throws and end the quarter knotted at 10-10.

Boyne would open up a 17-10 lead just over a minute and a half into the second quarter, behind baskets from Redman, Bradley Fouchia and a pair of free throws from Ryan Carson.

The two teams would play pretty evenly the remainder of the half, with Boyne taking a 26-18 lead into intermission.

“Ryan (Carson) Mike (Dohm) and Nick (Vellis) did a nice job inside battling with Zach (Hankins) and Sawyer (Russell),” Redman added. “Steven Halstead, Dalton Gardner and Zach Napont gave us a spark off the bench.”

Following the halftime break, neither team could muster much offense as Boyne City would cling to a 29-27 cushion headed into the final quarter. The highlight of the quarter was a dunk from Charlevoix’s Hankins with just under 10 seconds remaining in the quarter.

The Ramblers would take a 34-29 lead just under three minutes into the final quarter, as Fouchia scored two layups followed by a

free throw from Carson, as he was fouled on a dunk attempt.

Charlevoix would cut the Rambler lead to a basket on two separate occasions, 36-34, and finally with 9.6 seconds left 44-42, but that would be as close as the Rayders would get.

Redman finished the scoring on a pair of charity tosses after being fouled with 3.4 seconds remaining in the game.

The Ramblers improved to 11-10 on the season, while Charlevoix closes out a 14-7 season.

Redman would lead Boyne City with 22 points, while Fouchia added 10 and Carson seven points, eight rebounds and four blocks.

Zach Hankins paced the Rayders with 15 points, while Tanner Catt added nine points and Charlie Hamilton, six points.

RIGHT: Boyne City’s Ryan Carson (10) and Charlevoix’s Matt Mackenzie (23) battle for this rebound as Boyne’s Dalton Gardner (20) gets a close look at the play. (PHOTO BY CINDA SHUMAKER)

### Question & Answers About Selling Real Estate

## Energy Saving Tips: Heat Preservation

#### Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

Most homeowners aren't aware that there are dozens of ways their homes are leaking air. Air leaks can drastically affect the home's heating and cooling system, forcing it to run more often than it would if these leaks were plugged. By not addressing and repairing these leaks, you can realistically expect to pay higher utility bills all year long.

But why shell out the money if you don't have to? As you'll see, these problems are so easy to fix that any do-it-yourselfer can finish the job over the course of a weekend. In this article, we'll point out several ways your home might be leaking air and how to fix them so you can preserve the heat this winter.

**Tools and Materials**  
Measuring tape  
Utility knife  
Duct tape  
Foam insulation strips  
Silicone caulk  
Spray foam insulation  
Water heater blanket insulation

Fiberglass pipe wrap  
Electrical outlet insulators  
Pipe sleeve insulation  
Foil-backed bubble wrap

#### Safety Tip

Some of these jobs may place you in dusty or dirty areas of the home or in areas where you will come into contact with fiberglass insulation. Always wear eye goggles, a quality air mask and work gloves when in these areas. Also, if you are working with fiberglass insulation, wearing long pants and a long-sleeved shirt is recommended.

#### Step 1: Seal Outlet Boxes on Outside Walls

Receptacle and switch boxes that are installed on outside walls have gaps which allow the heat in your home to pass right through. Remove the cover plates and slip a pre-cut electrical outlet foam insulator over the receptacle or switch and then re-install the cover plate. This will help seal the box off and prevent air from escaping.

For even greater heat-loss prevention, fill in the hole where the wires enter the outlet box with

silicone caulk before installing the insulator.

#### Step 2: Insulate Ventilation Ducts

If you have ventilation ducts in your attic, they may be leaking air which will cause them to form condensation. To prevent this, wrap the ventilation ducts with thin batts of fiberglass insulation.

#### Step 3: Check Windows for Drafts

Leaky windows are perhaps the most common culprit in the fight for heat preservation. Check your windows for any drafty spots. If you find your windows are drafty, remove the casing and fill in all of the gaps with pieces of fiberglass insulation. For very thin gaps, push the insulation in the gap using a paint stirrer or some other thin, long tool.

#### Step 4: Check the Pipes

Check your plumbing and gas lines for gaps, especially where they are run through walls. Take a can of spray foam insulation and fill in these gaps. Be careful you don't over-spray an area, however; as this insulation expands tremendously.

#### Step 5: Insulate the Water

#### Heater

If your water heater sits in a colder part of the house, like the basement, the surrounding chilly air could be sucking the heat out of the tank. To maximize the tank's heat preservation, you should install a water heater insulation blanket over it. Follow the manufacturer's instructions when installing the blanket kit in order to ensure the best results.

#### Step 6: Wrap Exposed Pipes

Copper plumbing pipes can freeze easily in the winter and sweat notoriously in the summer. To help prevent this, wrap every inch of exposed pipe with either pre-formed foam pipe sleeves or pipe wrap insulation. Secure the insulation with duct tape to prevent it from falling off.

#### Step 7: Seal and Wrap Duct-work

If you have exposed duct-work in your basement or attic, wrap the ducts with paper-backed insulation or foil-backed bubble wrap. Use spray foam insulation to seal around the ducts wherever they pass through ceilings, walls and the roof.

# Price reduced on charming ranch on 66 acres of gently rolling countryside

By Jim Akans

Spring is just around the corner, and this week's feature listing offers the opportunity to enjoy the change of season embracing the best of country living right here in northern Michigan! Situated on 66 acres of gently rolling countryside outside of East Jordan, this charming ranch style home offers an ideal spot for establishing a ready-to-go "gentleman's farm," or to simply enjoy an abundance of acreage on which to hike, camp, hunt, horseback ride or perhaps tool around on the ORV or snowmobile when winter comes back around. It's all located right outside the back door of this home.

The three-bedroom, two-bath manufactured home offers approximately 1,640 square feet of living space, with highlights that include a fireplace in the main living room, an open living, dining and kitchen area, and an inviting master suite with large bathroom featuring a luxurious corner soaking tub. The home also features an attached two-and-a-half car garage connected to the main home via a breezeway addition, and open decks on both the front and rear of the home provide wonderful places to enjoy the fabulous outdoor views.

For those looking for an ideal spot for setting up a farm, this property is ready and waiting. The property features a 30 x 40 foot pole barn for livestock or general storage needs. There are plenty of open grazing areas for horses or cows, complete with several fence-in spaces. A mix of hardwoods and pines embrace

these open areas creating vistas that truly capture the essence of northern Michigan outdoor beauty.

Located at 10132 La Croix Road

near East Jordan, this inviting home and setting has recently been reduced to just \$150,000.

For additional information or to arrange for a tour of this

home, please call Jennifer Burr at Stark Realty at 231-536-7700 or email at jennifer@starkrealtyonline.com.

## Automotive Review

The all-new 2014 Chevrolet SS performance sedan is Chevrolet's first rear wheel drive performance sedan in 17 years. The SS will also be Chevrolet's racing car entry in the 2013 NASCAR Sprint Cup series. PHOTO "© GENERAL MOTORS."

## 2014 Chevrolet SS: Performance sedan with racing DNA

As Chevrolet's first V-8, rear-wheel-drive performance sedan since 1996, the new Chevrolet SS is designed to deliver performance on the street and on the track. The 2014 Chevrolet SS will debut this weekend at the Daytona International Speedway as the SS racecar makes its NASCAR debut during the Daytona 500.

"The Chevrolet brand was largely built on the strength of rear-drive performance sedans, yet it's been 17 years since we've offered one," said Mark Reuss, president of General Motors North America. "The all-new Chevrolet SS fills that void and fills it better than any other vehicle in the brand's rich history. The comfort, convenience, spaciousness and V-8 power make the SS a total performance package unlike any other on the road today."

The Chevrolet SS benefits from the proven, race-tested, global rear-wheel drive architecture that is the foundation for the Camaro, Caprice Police Patrol Vehicle and Holden's VF Commodore. The Chevrolet SS is powered by the LS3 Chevrolet V-8, expected to deliver 415 horsepower and 415 lb-ft of torque. Also used in the 2013 Chevrolet Corvette, the LS3 displaces 6.2 liters, more than the 5.5-liter V-8 powering the Chevrolet SS NASCAR competitors. The LS3 is married to a six-speed automatic transmission, which can be shifted manually using TAPshift paddles mounted on the steering wheel. With an aggressive 3.27 final-drive ratio, the Chevrolet SS accelerates from 0 to 60 mph in about five seconds - making it one of the quickest sedans on the market.

To ensure that it turns and stops as well as it accelerates; the Chevrolet SS also features a sport-tuned chassis, including:

- MacPherson strut front and multilink independent rear suspension geometry
- Electronic power steering system, optimized for sport driving
- Standard Brembo brakes, with ventilated, 355-mm rotors and two-piece, four-piston front calipers
- Forged aluminum wheels, wrapped in ultra-high-performance Bridgestone tires: 19 x 8.5 inch wheels with 245/40ZR19 tires in front; 19 x 9.0 inch wheels with 275/35ZR19 tires rear

Handling is also improved by a near 50/50 weight distribution, and a low center of gravity - made possible in part by the aluminum hood and rear deck lid that are 30 percent lighter than traditional steel panels.

"Our goal was to create a car that delivers incredible grip and handling balance while cornering, while still being comfortable to drive on the road," said David Leone, executive chief engineer GM global programs. "The perfect weight balance and lower center of gravity were a big part of that goal because it enabled the team to tune for a more comfortable highway ride without sacrificing handling or driver confidence while cornering at the limits."

Similarly, the design of the SS blends performance cues and premium details.

"From every angle, the Chevrolet SS says power and performance," said John Cafaro design director Chevrolet passenger cars and small crossovers. "The combination of

an aggressive rear-wheel drive stance and body-side attitude with the right balance of detail and refinement inside and out are the perfect home for Chevrolet's V-8 performance package."

The spacious interior of the SS will comfortably accommodate five adults, with 42 inches of front legroom, and 39 inches of rear legroom. Leather seating surfaces are standard, as are eight-way power adjustable front bucket seats with additional side bolstering that hug the driver and front passenger in tight-handling situations. The SS emblem is prominently stitched onto the soft-touch instrument panel which features two types of chrome finishes - a satin gloss and a bright chrome. At night, the interior is illuminated by ice blue ambient lighting.

The SS is also the first Chevrolet to offer Automatic Parking Assist, which provides hands-free parking help. This efficient 'hands-free' parking assistant uses the ultrasonic sensing system to detect the width and depth of either parallel or reverse right-angle parking spaces. While the driver controls the throttle, transmission, and brake, the Automatic Parking Assist controls the steering inputs necessary to neatly park the Chevrolet SS.

The 2014 Chevrolet SS will be available in the fourth quarter of 2013, with prices set closer to the on-sale date. When it arrives in showrooms, the SS will join the Corvette and Camaro, whose combined sales have made Chevrolet America's favorite performance brand for the last two years.

### Charlevoix County Transit Accepting Applications

Charlevoix County Transit is accepting applications for the following part-time positions:

**Bus Driver** - Ideal candidate will have knowledge of Charlevoix County, hold a Michigan CDL-B with passenger endorsement or be able to obtain a CDL (training available). Physical requirements include: ability to push/pull a wheelchair, stoop, bend and sit for long periods of time. Compensation is dependent on experience.

Applications and complete job descriptions can be obtained at the Charlevoix County Transit offices, 1050 Brockway, Boyne City, MI or from the Charlevoix County Website at www.charlevoixcounty.org. Charlevoix County is an Equal Opportunity Employer.

## AUTOMOTIVE TECHNICIAN

**PUBLIC NOTICE**

**CHARLEVOIX COUNTY PUBLIC TRANSIT**

**PROPOSED STATE AND FEDERAL APPLICATION FOR OPERATING AND CAPITAL ASSISTANCE**

All citizens are advised that Charlevoix County Public Transit has prepared an application for State of Michigan financial assistance for Fiscal Year 2014, as required under Act 51 of the Public Acts of 1951, as amended, and for federal assistance as required under the Federal Transit Act, as amended.

Charlevoix County Public Transit is requesting a total of \$1,073,531 through the following funding sources;

Funding Source(s)	Operating Amount	Capital Amount Per Project	Total Amount
<b>State Formula</b>			
Operating Assistance	\$604,227	-0-	\$604,227
<b>Federal Operating Assistance</b>	\$251,181	-0-	\$251,181
<b>Federal Capital Assistance</b>	-0-		
Section 5339		\$118,123 Small-Light Duty Cutaways (2) \$ 45,000 Planning/A&E Maintenance Facility	
STP		\$ 55,000 Maintenance/Facility Equipment	\$218,123
<b>TOTAL</b>			<b>\$1,073,531</b>

Charlevoix County Public Transit ensures that the level and quality of transportation service is provided without regard to race, color, or national origin in accordance with Title VI of the Civil Right Act of 1964. For more information regarding our Title VI obligations or to file a complaint please contact us at the address given below.

The proposed application is on file at the Charlevoix County Public Transit, 1050 Brockway Street, Boyne City, Michigan 49712, and may be reviewed upon request, between the hours of 8:00 AM to 4:00 PM M-F, excluding holidays.

Written comments regarding the application and/or written requests for a Public Hearing to review the application must be received by April 15, 2013. If a hearing is requested, notice of the scheduled date, time, and location will be provided at least 10 days in advance.

Submittals should be sent to Charlevoix County Public Transit, 1050 Brockway Street, Boyne City, Michigan 49712.
