CHARLEVOIX COUNTY COMMISSION - JULY 24, 2013

## Block Grant could help manufacturer add 60 new jobs

Block Grant could help manufacturer add 60 new jobs

By Tina Sundelius  
CHARLEVOIX— Discussion on the proposed realignment of Antrim and State Streets and a public hearing regarding an application for funds under the Community Development Block Grant program was held at the County Commission July 24 meeting.

The intersection at Antrim and State Streets is offset by about thirty to forty-five feet. The city is considering realigning the streets to make that connection flow smoother. The project came before the Commissioners as a courtesy, to hear any issues or concerns they have heard. A decision about the project has to be set because MDOT funds must be obligated by the end of August. Plans for the project have the road shifting toward Bridge Street, giving buildings on the west side of the street a larger lawn area and those on the east side, narrower parking spaces. Discussion about whether or not the intersection will

**Free counseling and help for crime survivors**

Someone knowingly hurt you, chose to perpetrate a crime against you and victimize you. Those on the receiving end of a crime may experience new and confusing feelings and emotions such as fear, insecurity, vulnerability, humiliation, guilt, rage or despair.

Although survivors may also feel alone in the aftermath of crime, they are not. During 2011, there were 5.8 million violent crime victimizations in the U.S., according to the National Crime Victimization Survey (NCVS) conducted by the U.S. Department of Justice. The study also indicates violent victimizations increased 18% from 2010 to 2011. The violent crimes measured include rape, sexual assault, domestic/intimate partner violence, robbery, aggravated assault and simple assault; as well as burglary, theft and personal larceny.

The response to crime victimization is individualized. The Federal Bureau of Investigations website describes responses to trauma this way:

"Being a victim of a crime can be a very difficult and stressful experience. While most people are naturally resilient and over time will find ways to cope and adjust, there can be a wide range of after effects to a trauma. One person may experience many of the effects, a few, or none at all.

Not everyone has the same reaction. In some people the reaction may be delayed days, weeks, or even months."

Help is available for survivors of crime. Locally, the Women's Resource Center of Northern Michigan provides free counseling and support for current and past survivors of any crime, regardless of gender. Master's level, trained and licensed therapists provide crisis counseling, individual counseling, support groups, trauma therapy, play therapy for children, advocacy, safety planning, resources and referrals.

WRCNM therapists have specialized training and experience in providing supportive services to survivors of crime. For example, Eye Movement Desensitization and Reprocessing (EMDR) therapy helps alleviate symptoms of post-traumatic stress and provides a way to process distressing memories and their lingering effects.

Therapists provide advocacy and support to assist survivors and their families through the legal process that often follows violent crimes. They also provide assistance to crime victims with how to file for crime victim compensation. Michigan's Crime Victim Compensation Program, which is overseen by the Michigan Department of Community Health, was established to pro-

vide financial assistance to innocent persons who receive bodily injury from the commission of a crime in Michigan and who incur un-reimbursable financial losses as a result of the injury. Fund dollars come from criminal fines, forfeited bail, penalties, and special assessments collected by U.S. Attorneys' Offices, U.S. Federal Courts, and the Federal Bureau of Prisons.

Free counseling and support services through the Women's Resource Center are provided to any crime victim, including survivors of robbery, hate crimes, elder abuse, economic exploitation/fraud, DUI/DWI crashes, domestic abuse, sexual assault, child abuse, child sexual assault and abuse and survivors of homicide victims. This free service is also extended to past survivors of crime, such as adults who were molested as children.

Women's Center counseling services are provided at four locations in northern Lower Michigan: 423 Porter Street, Petoskey; 825 South Huron Street, Suite 2, Cheboygan; 95 Livingston Boulevard, Gaylord; and 205 Grove Street, Mancelona.

Anyone can become a victim of a crime. If it happens to you, know you are not alone. To learn more about free counseling and support services, call the Women's Resource Center administrative office at (231) 347-0067.

## Volunteers put new roof on the Front Porch

By Tina Sundelius

ELLSWORTH—Three fundraisers plus one hundred and eighty-six donated man hours equals a new metal roof at the Front Porch Café in Ellsworth.

The nonprofit, donations only restaurant whose motto is to nourish body, mind and soul discovered a leak in the roof, winter before last. Immediately, the Front Porch board of volunteers that desperately purchased and reopened the restaurant in an attempt to raise the morale of a community that was being swallowed by the economic downturn that hit Northwest Michigan hard five years ago, began making plans to raise the funds needed to replace the aging, flat roof. Since its opening in 2008 the restaurant has been a thriving hive of activity, accomplishing its intended goal of providing a place for residents to gather. Contrary to concern expressed about a donations only establishment in an economically depressed area, it has also been able to meet its monthly financial obligations as well as paying off the mortgage after only three years in business and

replacing some much needed equipment like a stove, freezers and more recently the funds were donated for the purchase of two new hot water heaters. The bulk of the \$20,000 needed for the trusses and other roofing materials was raised at a renaissance dinner theatre held at Castle Farms last August. It took only two smaller fundraisers to gather the remainder of the necessary funds. All of the labor including the crane operator who set the trusses was donated. "We got a top rate job," said Front porch Manager, Jan Rasmussen. "All of the men on the roof were contractors."

While one volunteer crew was on the roof another took advantage of the two days the restaurant was

closed giving fifty-six hour collectively to deep cleaning and painting the inside. "We had a cleaning bee inside, in the dark, with no air conditioning," she said. About two-thirds of the way through the cleaning the electricity had to be turned off as the roofers made progress.

In spite of temperatures

in the nineties, the volunteers on the roof put in 186 hours in just two days. Jan and the board at the Front Porch would like to thank the following volunteers: Dave Rasmussen, Chuck

Fox, Dave Heeres, Larry Esenberg, Brian Kent, Mike Webb, Rob Baker, Rob Esenberg, Doug Carey and Dave Hildebrand on the roof and Brenda Powers, Darlene Schmidt, Matt

## County Commission

continued from page 1

become a four-way stop ensued with many opinions expressed and concluded with statements by Commissioner Larry Sullivan who brought the plans to the Commission for comment, that the plans do not include stop signs on Antrim. "I'm sure what they're doing will make it a safer intersection," he said. A member of the audience stated that State Street used to have a boulevard down the center and that is why the jog exists.

The purpose of the public hearing was to get input for the consideration of a \$350,000 Development Block Grant application to the Michigan Economic Development Corporation for the Precision Edge expansion project. A Community Development Block Grant (CDBG) provides communities with resources to address a wide range of unique community development needs. In order to qualify for the grant Precision Edge would have to prove that the funds would benefit the community and the county has to be will-

ing to apply for the grant for them. The proposed project will help local manufacturer, Precision Edge Surgical Products Company, expand their operation in their newly constructed industrial facility in the Boyne City Business Park, as opposed to their Sault Ste Marie plant. The grant will be used primarily to purchase machinery and equipment and the funds will help offset job training costs of new employees that result because of the expansion. The project will help the company to retain 38 jobs and create another 59 new jobs. All financial investments in this project will come from the company, it will cost the county nothing, but it must be administered by the county over a two year period. "Our intention really is to educate the community on manufacturing technology with this money," said Precision Edge Engineering manager Todd Fewins who added that they intended to create a mobile manufacturing training lab to use as a training aid at the high school level. "We want to get kids interested in manufacturing again," he said. The Commissioners approved the application.

## Register now to participate in United Way Day of Caring

In honor of the National Day of Service and Remembrance of 911, hundreds of volunteers will join together on Wednesday, September 11, 2013 in an effort to make our community a better place to live. The 10th annual Day of Caring matches teams of volunteers from businesses, schools, faith communities, community groups, families and individuals with non-profit organizations in Charlevoix and Emmet Counties that could use a hand in completing necessary projects.

Volunteer registration is now open for Day of Caring projects. All projects are posted online through Char-Em United Way's Volunteer Connections so volunteers can choose

preference for projects based on their availability, team size, and skills. More projects are added as they come in so keep checking the site.

Volunteer teams will complete various tasks for non-profit organizations, schools, and government agencies as well as home maintenance for senior individuals. Projects might incorporate painting a hallway, building shelves, organizing a pantry, weeding a garden, raking leaves and much more.

To register as a volunteer for Day of Caring, visit [www.charemunitedway.org](http://www.charemunitedway.org) and click on "Volunteer", follow the link to Volunteer Connections and do a search using the key words "Day of Caring".

Choose the project that best fits your skills, time availability, and group size then click on "I'm interested in this opportunity" to send Char-Em United Way an e-mail. You will then receive a response e-mail to set up the details. All projects will be filled on a first come first serve basis. Volunteers should consider group size and availability when choosing a project. Registration deadline for volunteers will be Friday, August 30.

## 30th Annual Charlevoix County CROP Walk

The Charlevoix County CROP Hunger Walk, which will take place on Saturday, September 28, 9am from Whiting Park in Boyne City, Charlevoix Middle School and Elm Pointe in East Jordan will benefit 6 local ministries in our local communities. This year's walk is in honor of past and present walkers. Our goal is to raise \$30,000.00 and have over 130 walkers.

Global ministries that will receive help from the CROP Hunger Walk include our friends in Haiti, children in Darfur, women in Kenya, families in Pakistan, and recent tornado/flood victims in the Midwest and Northeast US. CWS/CROP has a presence in

each of these communities through our indigenous partners and local churches.

We are very grateful for the partnership of the people of Boyne City, Charlevoix and East Jordan, who have stepped up and graciously walked and contributed to the Charlevoix CROP Hunger Walk for the past 29 years. Last years Walk raised over \$24,000.00, with more that 120 people walking and hundreds contributing to this annual event over the years! Through the wonderful and faithful leadership of our CROP Hunger Walk Team who represent churches, organizations and local food ministries, many hungry and

hurting people in our own communities and throughout the world have received food, water and shelter! There were over 140 CROP Hunger Walks in the state of Michigan, with more than \$2,000,000 raised through the annual events each year!

For more information, you may contact Mary Richwine in Boyne City, 231-582-6035, John Young in Charlevoix at 231-547-2042 and Marge Teske in East Jordan, 231-536-3128 or please visit the website [www.churchworldservice.org](http://www.churchworldservice.org) or [www.cropwalk.org](http://www.cropwalk.org)

By Jim Akans

With approximately 4,000 square feet of fully stocked resale space, and new inventory arriving daily, customers can shop for just about anything starting with any letter in the alphabet at A-2-Z Resale in Gaylord.

Founded by Bill and Carol Brown in May of 2008, A-2-Z Resale has grown to encompass just about any resale item shoppers could be looking for, including appliances, furniture, racks and racks of clothing items, tools, home décor items, kitchen items, towels, bedding, curtains, dishes, nick knacks, col-

lectable figurines and spoons, candles, holiday décor items, luggage, golf clubs, televisions, DVD's and VHS tapes, CD's, vinyl records, puzzles, books, games, toys, baseball cards, and more...even a special area devoted to wedding dresses.

Astonishingly, A-2-Z has over 50 wedding dresses and over 50 prom dress on hand, plus over 4,000 pieces of jewelry, lots of buttons, purses, shoes, boots, sandals and 20 racks full of all types of clothing for men, women, children...even maternity and baby clothes. There has never been a more economical and stylish way to update

your wardrobe or get decked-out for that upcoming special occasion.

"We have just about everything here but food," observes Bill Brown. "We locate items for our inventory from garage and estate sales, abandoned storage units, donations and more. We never know what we will have next, it changes every day."

Carol Brown adds, "Many of the items that we offer, especially furniture, move very quickly. We would love to thank everyone who has stopped in and for being our customers for five years now. We would also enjoy seeing our friends from Onaway,

Millersburg and Harrisville areas stop in and see us."

One thing is certain, on any given day there are plenty of items representing every letter in the alphabet at A-2-Z Resale. Convenient parking in front of the store makes it easy for shoppers to stop in on a regular basis to check out the latest inventory.

A-2-Z Resale is located at 1829 Old 27 South (S. Otsego Avenue) in Gaylord. The store is open from 9 am to 6 pm, seven days a week all year long with the exception of holidays. For additional information call (989) 732-9500.

### Rollover accident on M-66.

At approximately 4:11 a.m. on Friday, July 26th, 2013, the Charlevoix County Sheriff's Office, along with East Jordan Police Department, the East Jordan Fire Department, and East Jordan EMS, responded to the area of M-66 near Rogers Road in South Arm Township for an unknown injury accident.

A passer-by reported a vehicle well off the road, M-66, with its lights on and music blaring. When Deputies arrived, they located a Silver 2003 Chevy Impala badly damaged with no one around. First responders began a search, but were notified moments later by Charlevoix Area Hospital that a 21 year old female driver, Kristen Forster of East Jordan, had been brought to the Emergency Room for treatment.

Forster stated a deer ran out in front of her and she swerved to miss it causing her vehicle to run off the road and roll several times before striking a utility pole. Forster was able to free herself from the badly damaged car and walk the short distance home.

Forster was wearing her seat belt at the time of the accident. The accident is still under investigation at this time.

### Two injured in single-vehicle accident

On Wednesday July 24, 2013 at approximately 0304 hours, the Charlevoix County Sheriff's Office responded to a one vehicle personal injury traffic crash which occurred on Zink Road, West of Fall Park Road in Wilson Township.

22 year old Michael Fortune, of Boyne City, was driving a 2009 Ford Focus Eastbound on Zink Road when he lost control, ran off the road, and struck a tree haed-on. Fortune's passengers, 24 year old K.C. Smith of Boyne City and 18 year old Austin Pike, also of Boyne City, were injured in the crash.

Smith and Pike were transported to McLaren Northern Michigan Hospital by private vehicle. Pike was treated and released. Smith was admitted for his injuries.

The crash was unreported and the driver and occupants fled the scene. Speed and alcohol were believed to be factors in the crash, which remains under investigation.

### Minor injury in one vehicle rollover.

On July 25, 2013 just before 7:30 a.m., First Responders from the Charlevoix County Sheriff's Office, Boyne Valley EMS, Hudson Township Fire Department, and the Michigan State Police, responded to the scene of a one vehicle roll-over accident on Bingham Road near Huffman Lake Road in Hudson Township.

The driver, 19 year old Boyne City resident Elizabeth Swanson, was turning North on Bingham Road from Huffman Lake Road when the vehicle's brakes apparently failed. The driver ran off the roadway and the vehicle rolled onto the driver's side.

Swanson suffered minor cuts on her hand from broken glass. She was treated on scene by EMS.

### NCMC offers courses locally

North Central Michigan College will offer college courses in Charlevoix County starting Sept. 3. The courses will be held in Charlevoix, Boyne City and East Jordan. North Central students living in Charlevoix County and taking any of the above classes may be eligible for tuition assistance through the North Central Michigan College Link to Learning Fund. The Link to Learning program pays the difference between Emmet County tuition rates (the lowest rate because Emmet County tax-

payers partially fund the College) and the higher tuition paid by residents of all other Michigan counties. The difference in tuition for a typical three contact hour class is \$170.25. The award is granted per contact hour. However, if students are receiving other forms of financial aid that cover tuition costs, they will not be eligible for the Charlevoix County Link to Learning award. The Link to Learning program, based on the availability of funds, is a designated fund of the Charlevoix County Community Foundation. The money for this program has been contributed by donors with an interest in helping students in Charlevoix County.

## Local artist, Guyot display at Crooked Tree Arts Center

Now on display at the Crooked Tree Arts Center's Atrium Gallery through August 15 is the work of Eastport artist Margie Guyot. Sixteen large-scale still life canvases represent the exuberance and fine art painting that defines Guyot. Her path to

becoming a fine art painter has not been a direct one; being torn between music and art (Margie is a proficient jazz saxophone player with the Charlevoix Sax Quartet). Margie has played in a road band, worked for the Ford Motor Company on the assembly line and finally and fatefully picked up a book by Betty Edwards "Drawing on the Right Side of the Brain" that brought her full circle and landed her solidly back to her first love, art.

Guyot has studied with several internationally recognized painters including Clyde Aspevig, Robert Bateman, Scott Christensen and Janet Fish. She has gleaned from them the mastery of their experience and charged ahead to become a prolific fine art painter known for her still lifes, plein air work and observations of a potpourri of eclectic objects.

During the run of this exhibition there will also be an opportunity to see the Eastport studio

of Guyot as CTAC is hosting a plein air paint out on Saturday August 10 at this local. Interested artists will begin the day getting canvases stamped and spend the afternoon painting at a host of nearby locations painting. There will be a gallery reception inside Guyot's studio from 3-5 that evening. This event is open to the public and a special opportunity to observe artists in action and learn more about the world of an active studio artist.

For more information about the Atrium exhibition of Margie Guyot or the August 10 Paint-Out please contact the Crooked Tree Arts Center located downtown Petoskey at 461 E. Mitchell Street or call the Arts Center at 231-347-4337 or visit [www.crookedtree.org](http://www.crookedtree.org). This program supported in part by the Michigan Council for Arts and Cultural Affairs and Edward Jones of Harbor Springs and Petoskey.
