## Ramblers roll over Rams 47-6

By Chris Fiel

### Boyne City 47, Harbor Springs 6

BOYNE CITY — Welcome home!

The Ramblers took full advantage of playing in front of the home crowd for the first time this season after playing their first three games on the road.

The result, a 47-6 drubbing of Harbor Springs on September 20 in a Lake Michigan Conference contest at Earl Brotherston Field.

After a Ram drive to open the game stalled due to the Rambler defense, Boyne wasted little time in showcasing their speed as senior Bradley Fouchia took the handoff on their first snap and blitzed 45 yards for Rambler touchdown, crossing the goal line with 8:08 showing on the clock. An extra point boot from Dalton Gardner put Boyne up 7-0.

Harbor took the ensuing kick-off and following their series, managed to move the ball a few yards only to stall out and was forced to punt.

Boyne's offense took over at their 42 yard line, and when junior quarterback Corey Redman flipped the ball to Maceo Vroman, it was off to the races again as Vroman left Ram defenders in the dust as he motored 58 yards for another BC touchdown. A Gardner point after, made it 14-0, with 4:07 left in the quarter.

Two plays, two scores.

On the next Ram series, Vroman would recover a Harbor Springs fumble with 1:25 remaining.

Boyne then mounted a long drive to the 13 yard line to end the quarter, but on the first play of the second, Rambler sophomore workhorse, Malik Smith busted through the line for another Boyne touchdown run, Gardner added the point after for a 21-0 lead.

On the Ramblers next drive they would fumble the ball away, but got back to business on their possession as Redman hooked up

with Fouchia for an 11-yard touchdown. The touchdown was set up by a perfectly thrown 37 yard pass from Redman to a fully extended, diving Vroman.

Following another Boyne defensive stand, Redman and Fouchia would connect again for another score, this time covering 65 yards with 1:34 remaining in the half. The extra point attempt was blocked, giving the Ramblers a 34-0 lead headed into the break.

Following the intermission, the Rams mounted an 80 yard drive, highlighted by a three yard scoring run by Logan Simkins, making it 34-6.

The two teams would hold each

other scoreless for the remainder of the quarter.

But once the fourth quarter began, you could see the re-focused Rambler offense go back into attack mode.

Smith would break free from a couple of would be tacklers and then left the Ram defenders in the dust, scampering for a 58 yard TD with just under 10 minutes remaining in the contest, a bad snap on the point after attempt would keep the score at 40-6.

Fouchia would add the final BC score of the night as he weaved his way through the Harbor defense for a 75 yard touchdown run. Fouchia would receive a key

block near the 30 yard line from quarterback Redman, as he raced into the north end zone, a successful Gardner kick made it 47-6, Boyne.

The Rambler offense was led by Fouchia's All-American numbers as he gained 146 yards rushing on seven carries and two touchdowns and hauled in another three passes for 83 yards and two scores.

Smith pounded the Ram defense for 130 yards rushing on 17 carries and a pair of touchdown and Vroman added 58 yards rushing on two carries and a TD and had one reception for 37 yards.

Redman finished with 124

yards passing, going 5-of-5 with two scores.

The Boyne City defense was led by Max Cuper's 16 tackle performance, while Mac Alexander and Zach Wandrie added 10 and nine tackles respectfully.

The Rambler defense held Harbor's powerful fullback David Walker to 111 yards rushing on 34 attempts.

Boyne improves to 3-1 overall, 2-0 conference with the victory, they play host to Tracerse City St. Francis on September 27. Kickoff is 7pm.

## Red Devils fall for first time this season

By Chris Fiel

### Kalkaska 14, East Jordan 7

KALKASKA — The East Jordan Red Devils aren't surprising anyone anymore.

The Kalkaska Blazers were ready for the Red Devils and took every blow that EJ gave them as they escaped with a 14-7 Lake Michigan Conference win on September 20.

East Jordan fell to 3-1 overall, 1-1 LMC.

"Our kids are very disappointed, this was a game we thought we could win and I think we underestimated Kalkaska,"

Red Devil coach Allan Peterson said. "They are a very big and good football team. We need to regroup and get better every day and we will be ok."

The two teams battled to a scoreless tie at the break, and it stayed that way until Kalkaska quarterback Will Noble plunged in on a keeper from 1-yard out for a 7-0 Blazer lead with 3:05 left in the third.

The bend but don't break Red Devils would respond at the 9:17 mark of the fourth as quarterback Dustin Hejka carried in from 15 yards out and added the extra point, knotting the game once again at 7-7.

Kalkaska would then get the

break they were waiting for as running back Kaleb Hauser found some daylight in the line and took off on a 92 yard touchdown run with just under eight minutes to go in the game for a 14-7 lead and what proved to be the final score of the night.

Kalkaska improved to 3-1, 1-1 with the win.

"Our defense bended but didn't break, we made some big plays when we needed to. Our offense stumbled some, but its fixable stuff," coach Peterson noted.

"Oscar Scheier played a great ball game on both sides of the ball as well as Dustin Hejka and Noah Bacchus. We missed Noah Raymond a lot at end but Ted Peck

and Jordan Peterson filled in well and Weston Swanson did a darn good job at center against a very aggressive Kalkaska defense."

Hejka and Ben Walton both led the Red Devils with 37 yards rushing, while Bacchus added 34 yards and Tim Schut chipped in with 28 yards on the ground.

Defensively, Devin Wojan led EJ with 13 tackles; Walton wrapped up 12 and Michael Suess added 11 tackles and Wyatt Crick and Bacchus finished with eight stops each. Schut and Hejka each picked off a pass.

## Rayders hang close early, falter late

By Chris Fiel

### Elk Rapids 20, Charlevoix 7

CHARLEVOIX — It takes four complete quarters to finish a game.

The Charlevoix Rayders continue to show promise of good things, but a few miscues here and there have turned some good things into some not so good things.

Take the Rayders contest against Elk Rapids for example as Charlevoix played evenly with a tal-

ented Elks team through about three quarter, only to falter late as ER came away with a 20-7 Lake Michigan Conference win on September 20 at Kipke Field.

“We had some chances,” Rayder coach Ron Bindi said. “A few missed assignments defensively, some offensive penalties and missed opportunities hurt us.”

Charlevoix slips to 1-3 overall, 0-2 LMC with the loss.

The two teams battled to a scoreless tie in the first 24 minutes of play.

The third quarter would start different as each team was successful in finding the end zone. Charlevoix got in on a six yards passing touchdown from Luke Klinger to Nate Moon. JJ Bottomley added the extra point.

The score was set up by a long Rayder pass play as Charlevoix marched down the field in four plays. Following that, the Rayders held the Elks on their next possession only to fumble the ball away in their own territory, where Elk Rapids capitalized for a 14-7 lead headed into the final quarter.

The Elks, 3-1, 1-1, then added another score in the fourth for the final tally of the night.

Klinger led the Rayder offense with 123 yards on 4-of-11 passing and a TD; Austin Putman grabbed two catches for 99 yards.

Sam Hovie paced the rushing attack with 47 yards, while Bryan Noirot added another 30 for Charlevoix.

Shane Sutherland led the Rayder defense with 11 tackles.

“Elk Rapids controlled the ball for a majority of the game, I felt we caused our own problems, we gave up some big plays,” Bindi added. “The kids never quit, they continue to give good effort, and our downfall right now is lack of discipline and unnecessary penalties.”

The Rayders travel to Kalkaska on September 27, where they face an improved Blazer team that stands 3-1 overall, 1-1.

## East Jordan JV Squad Takes Down Visiting Kalkaska

### East Jordan JV 47, Kalkaska 6

EAST JORDAN — The young Red Devils keep on rolling as they rumbled past the visiting

Blazer 47-6 on September 19, improving to 3-1 on the season.

Donny Cutler opened the scoring with a 78-yard kickoff return and also ran in the two point conversion for an early 8-0 Red Devil lead.

He wasn't done there as Cutler

would add five more rushing touchdowns and a total of 263 yards on eight carries. Hector Paz also got in on the scoring and Jacob John converted three extra points.

The East Jordan offense rolled up 345 total yards, while holding

Kalkaska to 139.

Coach Greg Kitson credits the offensive line of Jake Skrocki, Dakoda Lauska, Skyler Schuler, James Brown, Ryan LaVanway, Bob Sherman, and Jordan Cartwright, as doing an outstanding job of opening holes for

the running game.

Bob Sherman led the EJ defensive charge with 14 tackles, while Cutler added 12; Cartwright had 11 and Peterson added 10. John and Skrocki each had an interception.

## Question & Answers About Selling Real Estate

### A Short Guide to Real Estate Lingo

Part 2 of 2

Real estate ads are usually full of acronyms and terms that are unfamiliar to first-time buyers. Here's a cheat sheet to let you in on the lingo.

HDW, HWE, Hdwd — hardwood floors

hi ceils — high ceilings  
in-law potential — potential for a separate apartment, subject to local zoning restrictions

large E-2 plan — this is one of several floor plans available in a specific building

listing — an agreement between a real estate broker and a home owner that allows the broker to market and arrange for the sale of the owner's home. The word "listing" is also used to refer to the for-sale home itself. A home being sold

by the owner without a real estate agent isn't a "listing."

lo dues — low homeowner's association dues. But find out how "low" the dues are compared to other dues in the area.

lock box — locked key-holding device affixed to a for-sale home so real estate professionals can gain entry into the home after obtaining permission from the listing agent  
ltd pkg. — leased parking area. May come with additional cost.

MLS — Multiple Listing Service. An MLS is an organization that collects, compiles and distributes information about homes listed for sale by its members, who are real estate brokers. Membership isn't open to the general public, although selected MLS data may be sold to real estate listings Web sites. MLSs are local or regional. There is no

MLS covering the whole country.  
nr bst schls — near the best schools

pot'l — potential  
pvt — private  
pwdr rm — half bathroom or powder room

REALTOR® — a real estate broker or sales associate who is a member of the National Association of REALTORS®. Not all real estate agents are REALTORS®.

title insurance — an insurance policy that protects a lender's or owner's interest in real property from assorted types of unexpected or fraudulent claims of ownership. It's customary for the buyer to pay for the lender's title insurance policy.

upr — upper floor  
vw, vu, vws, vus — view(s)

2014 Ford F-150 STX Supercrew delivers extra space and value

Ford, America's truck leader, adds the 2014 Ford F-150 STX SuperCrew® and STX Sport Package to its lineup, offering entry-level and value-oriented truck customers capable, roomy and stylish new options.

"With the rapidly expanding full-size pickup market continuing to benefit from economic growth and replacement demand, price-conscious buyers are returning looking for an affordable truck with space, capability and style," said Doug Scott, Ford truck group marketing manager. "Adding the Ford F-150 STX SuperCrew and the new STX Sport Package to our 2014 lineup gives these truck shoppers more value-oriented F-150 models to consider."

The F-150 STX SuperCrew meets the needs of first-time and returning value-conscious pickup truck customers, especially those who need to transport a crew to a job site or take the family on a trip.

Positioned between the work-ready XL and popular XLT models, STX offers upgraded exterior and interior features beyond what's usually available for entry-level crew cab pickups:

- Body-color front bumper fascia, grille surrounds, and front and rear step bumpers
- Power Equipment Group,

which includes power door locks, integrated keyhead transmitter remotes, power one-touch up/down windows and sideview mirrors, Illuminated Entry System and perimeter alarm

- 17-inch machined aluminum wheels
- Audio input jack, Cruise control, Customer information display
- MyKey®, a programmable feature that allows fleet owners and parents to limit top speed and audio volume, and set speed-alert chimes to encourage safer driving
- Outside temperature display, Front-row 40/20/40 premium cloth bench seat, Driver manual lumbar adjust
- Air conditioning, AdvanceTrac® with Roll Stability Control™, Tilt steering wheel, AM/FM stereo with single CD player

Ford F-150 STX comes standard with a 302-horsepower, 278-lb.-ft.-of-torque 3.7-liter V6 engine, delivering an EPA-estimated 17 mpg city and 23 mpg highway. Ford F-150 also offers the half-ton segment's only available compressed natural gas prep package.

A 5.0-liter V8 rated at 360 horsepower and 380 lb.-ft. of torque is also available, en-

abling STX SuperCrew to tow up to 9,500 pounds when properly equipped.

For buyers looking for extra style and personalization, the new STX Sport Package, available in all cab configurations, strengthens vehicle appearance with custom-inspired details. The new STX Sport Package adds:

- 20-inch machined aluminum painted wheels with P275/55R20 tires
- Black billet grille with body-color surround, Black tubular running boards
- Black and Gray Piston cloth front seats (40/console/40 on SuperCab and SuperCrew, 40/20/40 on Regular Cab), Color-coordinated carpet

Unique box decals Ford is offering this new configuration at a time when truck sales continue to be a bright spot in the economy. Sales of full-size pickups through July are up 23 percent, compared to an industry that is up 8 percent, making it the fastest growth segment this year. Through July, 427,935 Ford F-Series pickups have been sold. Ford F-Series is America's best-selling vehicle for 31 consecutive years and best-selling truck for 36 consecutive years.

### Recruiting the 21st Century Volunteer

Volunteer recruitment has changed significantly over the last few decades: gone are the individuals who are willing and able to commit to lengthy volunteer assignments doing whatever needs to be done. Research indicates that the 21st century volunteer is just as interested in volunteering, but that he or she wants to do so on his or her own terms. While volunteers have changed, the practices of volunteer managers haven't necessarily kept up with those changes. This professional development opportunity will describe key generational differences in today's volunteer force, identify the 21st century volunteer, and help you begin to understand how to recruit them to support the work of your organization. Join experts from Michigan State University Extension as we imagine how to approach our work differently in order to meet the changing demands of today.
