## Red Devils cap turnaround season with victory over Rayders

By Chris Fiel

### East Jordan 18, Charlevoix 13

EAST JORDAN – Talk about turning a program around.

Coach Allan Peterson and a solid returning cast from last season's winless team, capped off an impressive 5-4 season where the Red Devils went 2-4 in the always tough Lake Michigan Conference.

Standing the their way of their first winning season in a decade was rival Charlevoix, where the Rayders, who entered the contest 1-7, 0-6, but record aside, a solid team in their own right, with most of their losses coming late in games to some of the powerhouses in conference play.

The end result, East Jordan outlasted the Rayders 18-13 on chilly night on October 25, with neither team able to get a comfortable grip on the game as both took turns leading in the contest.

"Very, very proud of this bunch of young men," coach Peterson said. "Doesn't seem like a big deal to be 5-4, but when it's been 10 years it is a big deal. We feel like we were just a few plays from being 7-2."

From the get go, it looked like the game could either be a high scoring affair or a defensive

struggle as the teams jockeyed for position.

With both teams struggling to get anything going on their first possessions of the contest, the Red Devils capitalized on a Rayder fumble on their own 28 yard line as they used a combination

of power and speed (Ben Walton and Noah Bacchus) to finally get on the scoreboard as Bacchus took a handoff and sprinted around the right end and raced 19 yards for a Red Devil score with 4:52 left in the opening quarter and a 6-0 following a missed extra point.

Charlevoix would respond with a nine play, 70 yard drive of their own, as they chewed up nearly five minutes of clock, picking up three first downs in the process, capped by Shane Sutherland 2-yard touchdown run just three seconds into the second quarter. JJ Bottomley would tack on the extra point for a 7-6 Rayder lead.

The score would stay that way until the fourth quarter as both defenses took over, halting drive after drive.

"That's the most physical we've played all year," Rayder coach Ron Bindi said.

East Jordan would then take the lead for good as Walton pounded the rock in from three yards out with just over 10 minutes remaining in the contest for a 12-7 lead as the conversion attempt failed.

EJ senior quarterback Dustin Hejka would then give the Red Devils some breathing room as he found some wiggle room and scooted 36 yards to paydirt and a 18-7 East Jordan

lead with just over three minutes remaining.

The Rayders wouldn't fold as they used five plays and 38 seconds to move the ball 43 yards as Nate Moon hooked up with Will Telgenhof for gains of 27 and 16 yards, the later a touchdown with 2:31 remaining on the clock, cutting the red Devil lead to 18-13.

Charlevoix would then attempt an onside kick but the Red Devils hands team would recover and East Jordan would run out the clock and secure the victory on senior night.

"I thought the kids played hard once again," Bindi said. "We had the lead at halftime and just couldn't finish it."

East Jordan was led by Walton with 144 yards on 29 carries and a score, while Hejka picked up 62 yards on nine carries, a touchdown and finished 2-of-3 passing for 23 yards. Bacchus carried 11 times for 40 yards and a touchdown and Tim Schut, added 33 yards on eight carries.

The Red Devil defense was led by Schut with nine tackles, while Brandon Cardwell added six

stops and Wyatt Crick and Walton chipped in with five each.

"I can't say enough about our senior dominated line," coach Peterson added. "Weston Swanson, Oscar Scheier, Nick Holt, Will Harris and Jaden Hoffman, they blocked to the very last whistle."

The Charlevoix offense was led by Sutherland as he rushed 16 times for 116 yards, Moon added 34 yards on eight carries and finished 3-of-14 passing for 85 yards.

Will Telgenhof caught two passes for 43 yards and a score and Austin Putman hauled in one catch for 42 yards.

Sutherland led the Rayder defense with 18 tackles; Sam Eakes added 17 stops. Spencer Kilpatrick had 12 tackles and Bryan Noirot 11.

Charlevoix finished the season 1-8, 0-6 and look forward to next season even though they say good bye to seven seniors.

"We return a good nucleus with almost the entire offensive line returning and key players at the skill positions," Bindi added. "The incoming JV players will also push some of the older players for playing time, which will be good for us."

"I find it hard to believe that Charlevoix only won one game," Peterson noted. "That's the best one win team I've ever faced. They have some good athletes."

## Ramblers fall to Vikings

By Chris Fiel

Grayling 51, Boyne City 13

GRAYLING — It was set up to be another showdown between the top two teams in the Lake Michigan Conference and when it was all said and done, the Grayling Vikings walked away with a 51-13 win over the Ramblers on October 25.

The Ramblers experienced a huge blow during the week leading up to the contest as a majority of the team missed multiple days of school and practice due to illness.

A combination of missed time and uncharacteristic turnovers had Boyne City looking to dig their way out of a hole the entire night.

The Ramblers started the game with fumbles on each of their first two possessions and watched the Vikings capitalize on them as Grayling took a 24-7 first quarter lead.

The lone bright spot of the first quarter was Rambler quarterback Corey Redman connecting with Dalton Gardner for a 38-yard score, putting Redman over the 1000 yard mark for the season.

Grayling would tack on another pair of second quarter scores, aided by three more Boyne City turnover and carry a 38-7 lead into intermission as they would cruise to

On another positive note for Boyne, sophomore fullback, Malik Smith continued his impressive season, rumbling for 97 yards on 16 carries to push his season total to 1,147.

Luke Sage added 44 yards and a touchdown while Redman finished 3-of-9 passing for 56 yards, one touchdown and two picks before exiting the game due to injury. Redman finished the regular season with 1,040 yards passing and 12 scores.

Jordan Wilmot stepped up in Redman's absence to go 2-of-5 passing for 41 yards.

On the defensive side, Max Cuper finished with 11 tackles; Wilmot added 10 and Sage and Zach Wandrie both finished with eight stops.

The Ramblers now move their focus to the playoffs where they will host Elk Rapids (6-3) in the opening round of the Division VI, Region I, District I playoffs.

Boyne, 7-2, defeated the Elks, 28-12 on October 18.

### DNR NEWS

## Remember to follow off-road vehicle laws

Conservation officers remind hunters that ORV restrictions are in place to protect natural resources

With deer hunting seasons under way, Michigan Department of Natural Resources conservation officers remind hunters heading afield using an off-road vehicle (ORV) to follow ORV land-use regulations.

"Each year, we see hunters using ORVs where it is illegal to operate them," said Lt. Andrew Turner, who leads the DNR's Recreation, Safety and Enforcement program. "We remind hunters that ORV restrictions are in place to protect natural resources and minimize user conflict with other hunters and outdoor recreation enthusiasts. To ensure everyone's safety and to help everyone have an enjoyable hunt, we ask riders to know

the rules and encourage others to do the same."

ORV land-use regulations hunters should be aware of include the following:

- \* It is illegal to operate an ORV on public lands in the Lower Peninsula that are not posted open. ORVs are prohibited on state game areas or state parks and recreation areas unless posted open.

- \* On state forest lands, ORV use on designated trails is limited to vehicles less than 50 inches in width. Off-trail or off-route ORV operation outside of a designated area is prohibited, except for licensed hunters operating an ORV at speeds of 5 miles per hour or less for the purpose

of removing deer, bear or elk. Big game ORV retrieval provisions do not apply to the Pigeon River Country State Forest or to state game areas and national forests.

- \* In all national forests, motor vehicles can be used only on roads, trails or areas that are designated as open on Motor Vehicle Use maps. For more information, contact the local national forest headquarters.

- \* It is illegal to operate an ORV from 7 to 11 a.m. and 2 to 5 p.m. on any area open to public hunting during the Nov. 15-30 firearm deer season. For exceptions to these time restrictions, see the 2013 Hunting and Trapping Digest or the Handbook of Michigan Off-Road Vehicle Laws.

- \* Roads, streets and highways maintained for year-round automobile travel are closed to ORV operation, including the shoulder and the right-of-way, unless designated open to ORV use by local ordinance. ORV operators should check with the county for local ordinances.

- \* Private land is closed to ORV operation except by the landowner and the landowner's invited guests.

- \* An ORV may not be operated in a manner that creates an erosive condition. Michigan's soils and shorelines are fragile, and ORV operation in these areas and along stream banks and other waterways is restricted.

- \* It is unlawful to operate any

ORV in or on the waters of any stream, river, marsh, bog, wetland or quagmire.

For more information about ORV regulations – including rules for transporting weapons and hunting provisions for those with disabilities – see the Handbook of Michigan Off-Road Vehicle Laws at [www.michigan.gov/orvtrails](http://www.michigan.gov/orvtrails). Maps of state-designated ORV trails can also be found there.

Violations of these and other rules should be reported by calling the DNR's Report All Poaching (RAP) Line at 800-292-7800.

## Ramblers capture own Carrie Bricker-Hauger Memorial Tournament

By Chris Fiel

BOYNE CITY – As the regular season nears a close, Boyne City continues to pile up the victories and added some more hardware to the trophy case in the process as they picked up another in capturing their own 15-team Boyne City Carrie Bricker-Hauger Memorial Tournament on October 26.

The Ramblers topped Kingsley in the finals, 25-15, 23-25, 15-5, to go 5-0-2 for the tournament win and up their record to 43-11-5 on the season.

In pool play, Boyne opened with a 25-13, 25-15 win over Harbor Light Christian, then split with Johannesburg-Lewiston, 25-14, 23-25, before splitting with Petoskey, 12-25, 25-10 and then downing Mackinaw City, 25-10, 25-8, to go 2-0-2 in their pool.

In bracket play, Boyne got past Gaylord 25-18, 25-19, and then beat Roscommon in the semifinals, 25-19, 26-28, 15-7.

“We started slow again in pool play, then started picking it up

the second game against Petoskey,” Boyne City coach Casie Parker said. “We went 2-0-2 in pool play splitting with two teams so we took second in the pool. In bracket play we beat Gaylord, then Roscommon and in the finals Kingsley, they were all close and intense matches and it could have gone any way.”

Boyne was led by Heather Nichols with 144 assists, 59 digs, 15 kills and nine aces, while Kylie Hicks chipped in with 85 kills and 16 blocks.

Also for the Ramblers, Paige Hornbeck added 74 digs and 41 kills; Mallory Karaszewki had 53 digs and 11 aces; Megan Rushlow added 13 aces and Erin Baker had a team-high 80 digs.

Emilee Evans also served at 100 percent on the day for the Ramblers.

“Kylie Hicks really stepped it up today with her hitting,” Parker said. “She had not been swinging hard lately and today she did. Paige Hornbeck also had a great day hitting and digging. Serving, Mallory

Karaszewki kept several of the teams off balance with her float serves and short serves.” Boyne City wraps up the regu-

lar season on Friday, November 1 with a quad at Kingsley. “We finished the season with three tournament wins and a

regular season conference champs,” coach Parker noted.

## Rayders split Tri-Meet

LELAND – The Charlevoix Rayders, fresh off their runner-up finish in the LMC Tournament, split a Tri-meet on October 24.

In the opener, the Rayders fell to host Leland 23-25, 25-23, 16-14, and then topped Northport 25-11, 25-20.

“The Leland match was intense from the moment it started to the finish,” Rayder coach Audra Randall said. “The first set we won 25-23 and I felt we had control of the set

from the start with strong serve receive by Madeline Boss, Yogi Hang and Alexis Tribfelner, which always helps to open our offense up for us.”

In the second set, Charlevoix took a 19-12 lead, but Leland tied the set at 22-all and then put the match away with a cross-court kill 25-23.

“The third set proved to be challenging,” Randall said. “We had more serve receive issues, but still kept ourselves in the game,” Randall added. “The girls had the win in their grasps in the second set and the great thing about the girls is that they were able to keep their composure which is something we have been working on.”

Coach Randall added that

## VOLLEYBALL ROUNDUP

against Northport her team had control and ran their systems well and were able to win in two sets.

“Northport gave the girls a good challenge in the second set with their offense turning on at that point.” The coach said.

On the day for Charlevoix, Boss finished with 18 kills and three blocks, while Olivia Storm added 14 assists and was near perfect from the serving line, going 27-of-28, with four aces.

Also for the Rayders, Gloria Greene added 18 assists, two kills and two blocks, while Kylie Scholten had seven kills and four blocks and Emily Zabowa had six kills and two blocks. Kelsey Pischner had

four kills, while Hang added 15 digs and Tribfelner chipped in with 12 digs.

Both Hang and Tribfelner were perfect from the serve line.

“We were without Jennaca Holecheck, an impact player for us, due to illness and the girls adapted well to the change in the lineup,” coach Randall noted.

## East Jordan falls to Elk Rapids

EAST JORDAN — The Lady Red Devils volleyball squad were edged in their final Lake Michigan Conference match,

falling to Elk Rapids on October 24.

The Elks outlasted the Red Devils, 19-25, 25-19, 25-19, 19-25, 17-15.

It was both senior night and a purple out game at the East Jordan High School gym, where the Red Devils supported the fight against cancer.

For the Red Devils, senior Tommie Outman finished with 34 assists and 10 digs, while senior Paige Poindexter added 14 kills, 11 digs, seven blocks and three aces and senior Mariah Holm chipped in with 17 digs.

If you've been thinking about buying a new home, winter is the time to start getting serious. Here are a few reasons to brave the cold and go on a house hunt:

The winter season has fewer units on the market, and sellers tend to need to move from their property. You can use that to your

advantage to get a favorable deal.

Winter has fewer buyers in the market. Looking for a home in the winter can be inconvenient, and people are less likely to move. Families also tend to be on a September to June cycle because they are unwilling to move their children to a

new town in the middle of the school year. Fewer buyers means less competition.

Lenders also usually have fewer loans to process and less paperwork to deal with (though this can change quickly if rates fluctuate). With lenders less hassled, you can expect a smoother

process to get approved for a mortgage.

Finally, as all savvy shoppers know, after the holiday season comes the season of bargain opportunities. This includes houses, as well.

## Classic turn of the century home offers excellent Boyne City location

By Jim Akans

This one has it all. A classic, turn of the century appeal inside and out, a truly superb Boyne City location, PLUS it is an exceptional real estate home value.

Located just two blocks from the Lake Charlevoix beach and Harborage Marina, a few blocks from downtown Boyne City, and just five blocks from Avalanche Preserve, year round adventure and fun are always close at hand. Yet this is also a property that makes staying right at home a complete joy.

This four-bedroom, two-bath home offers approximately 1,600 square feet of beautifully decorated and finished living space. Highlights include gorgeous wood floors, a gas fireplace, spectacular kitchen and dining areas and an inviting front foyer. The home also features an attached two-and-a-half car garage and a "Michigan" style basement for additional storage needs.

This is both a prime location and a fantastic home destination. Located at 721 Douglas Street in Boyne City, it is listed at just \$149,500. For a more information or to arrange a home tour, call Lynda Christensen or William Christensen at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email at Linda@lyndasrealestate-service.com or Bill@lyndas-realestateservice.com

## Automotive Review

Chassis and suspension updates contribute to the 2014 Malibu's more refined driving experience, including re-bound springs that are internal to the struts. They enable more refined calibration of the dampers for a smoother overall ride, while also improving body roll control and weight transfer during acceleration or turning. PHOTO © GENERAL MOTORS."

### 2014 Chevrolet Malibu Offers Hands-Free Texting

New technologies help the 2014 Chevrolet Malibu deliver greater efficiency and connectivity, two of the most important considerations for customers of midsize sedans.

"The midsize sedan segment is one of the most competitive in the industry and by improving the Malibu so quickly, we're proving to our customers that we're listening and acting on their needs," said Chevrolet Global Chief Marketing Officer Tim Mahoney. "The new and enhanced features make the 2014 Malibu a smarter choice, putting it at the heart of the strongest Chevrolet passenger car lineup in our history."

A new Ecotec 2.5L four-cylinder engine is the first standard engine in the segment with stop/start technology. It helps owners conserve fuel by automatically shutting off the engine when the car comes to a stop, such as at stoplights, contributing to EPA-estimated fuel economy of 25 mpg city and 36 mpg highway – a 14-percent improvement in city mileage and 6 percent greater highway efficiency. The engine automatically restarts when the driver takes his or her foot off the brake. It's the industry's most refined and simplest stop/start system, with no buttons to push or procedures to learn, for a seamless driving experience.

Additionally, the 196-horsepower (146 kW) dual overhead cam, or DOHC, engine features variable intake valve lift control, or iVLC, which enhances fuel efficiency, while also enhancing low-rpm torque, for a greater feeling of power at lower speeds. It is matched with a six-speed transmission with improvements that enable additional fuel economy savings – and a more refined driving experience – compared to the previous model.

The available Chevrolet MyLink for the 2014 Malibu delivers enhanced connectivity and convenience, with the new Text-to-Voice feature for smartphone users and Siri for iPhone users. Each enables voice-controlled connectivity. Text-to-Voice converts incoming messages to speech, reads them over the audio system speakers and allows the driver to reply with preset messages such as, "I'm

The 2014 Chevrolet Malibu's redesigned center console has a longer armrest, providing greater comfort and storage room for two cell phones and a pair of cup holders. driving and will contact you later." Users can create and save their own preset messages when the vehicle is in Park. The feature requires a compatible smartphone with Bluetooth profile and applicable text messaging features.

Visit www.gmtotalconnect.com for further information on phone and radio capability. Driver safety is General Motors' first priority. A driver's focus should remain on driving and texting can usually wait. So, only text and drive with this voice system and never text using a handheld device while driving.

The 2014 Malibu is offered in LS, LT and LTZ models, with pricing starting at \$22,965 including destination, but excluding tax, title, license, dealer fees and optional features. All models include a two-year/24-month scheduled maintenance program, which covers four oil changes, tire rotations and 27-point inspections.
