Charlevoix County Sports Highlights from 2013

2013 FOOTBALL

Red Devils cap turnaround season with victory over Rayders

East Jordan's Noah Bacchus (2), Ben Walton (40), Jaden Hoffman (64) and Wyatt Crick (20) celebrate following their victory over Charlevoix. (PHOTO BY SCOTT RICHARDS)

By Chris Fiel

East Jordan 18, Charlevoix 13

EAST JORDAN – Talk about turning a program around.

Coach Allan Peterson and a solid returning cast from last season's winless team, capped off an impressive 5-4 season where the Red Devils went 2-4 in the always tough Lake Michigan Conference.

Standing the their way of their first winning season in a decade was rival Charlevoix, where the Rayders, who entered the contest 1-7, 0-6, but record aside, a solid team in their own right, with most of their losses coming late in games to some of the powerhouses in conference play.

The end result, East Jordan outlasted the Rayders 18-13 on chilly night on October 25, with neither team able to get a comfortable grip on the game as both took turns leading in the contest.

"Very, very proud of this bunch of young men," coach Peterson said. "Doesn't seem like a big deal to be 5-4, but when it's been 10 years it is a big deal. We feel like we were just a few plays from being 7-2."

From the get go, it looked like the game could either be a high scoring affair or a defensive struggle as the teams jockeyed for position.

With both teams struggling to get anything going on their first possessions of the contest, the Red Devils capitalized on a Rayder fumble on their own 28 yard line as they used a combination of power and speed (Ben Walton and Noah Bacchus) to finally get on the scoreboard as Bacchus took a handoff and sprinted around the right end and raced 19 yards for a Red Devil score with 4:52 left in the opening quarter and a 6-0 following a missed extra point.

Charlevoix would respond with a nine play, 70 yard drive of their own, as they chewed up nearly five minutes of clock, picking up three first downs in the process, capped by Shane Sutherland 2-yard touchdown run just three seconds into the second quarter. JJ Bottomley would tack on the extra point for a 7-6 Rayder lead.

The score would stay that way until the fourth quarter as both defenses took over, halting drive after drive.

East Jordan would then take the lead for good as Walton pounded the rock in from

three yards out with just over 10 minutes remaining in the contest for a 12-7 lead as the conversion attempt failed.

EJ senior quarterback Dustin Hejka would then give the Red Devils some breathing room as he found some wiggle room and scooted 36 yards to paydirt and a 18-7 East Jordan lead with just over three minutes remaining.

The Rayders wouldn't fold as they used five plays and 38 seconds to move the ball 43 yards as Nate Moon hooked up with Will Telgenhof for gains of 27 and 16 yards, the later a touchdown with 2:31 remaining on the clock, cutting the red Devil lead to 18-13.

Charlevoix would then attempt an onside kick but the Red Devils hands team would recover and East Jordan would run out the clock and secure the victory on senior night.

East Jordan was led by Walton with 144 yards on 29 carries and a score, while Hejka picked up 62 yards on nine carries, a touchdown and finished 2-of-3 passing for 23 yards. Bacchus carried 11 times for 40 yards and a touchdown and Tim Schut, added 33 yards on eight car-

ries.

The Red Devil defense was led by Schut with nine tackles, while Brandon Cardwell added six stops and Wyatt Crick and Walton chipped in with five each.

"I can't say enough about our senior dominated line," coach Peterson added. "Weston Swanson, Oscar Scheier, Nick Holt, Will Harris and Jaden Hoffman, they blocked to the very last whistle."

The Charlevoix offense was led by Sutherland as he rushed 16 times for 116 yards, Moon added 34 yards on eight carries and finished 3-of-14 passing for 85 yards.

Will Telgenhof caught two passes for 43 yards and a score and Austin Putman hauled in one catch for 42 yards.

Sutherland led the Rayder defense with 18 tackles; Sam Eakes added 17 stops. Spencer Kilpatrick had 12 tackles and Bryan Noiro 11.

Charlevoix finished the season 1-8, 0-6.

"I find it hard to believe that Charlevoix only won one game," Peterson noted. "That's the best one win team I've ever faced. They have some good athletes."

2013 CROSS COUNTRY

Josh Wojan(above) and Kayla Keane(below) represented the East Jordan area well, both earning All-State honors in the Division IV Cross Country finals. (FILE PHOTO)

All-State Cross Country

BROOKLYN, MI — Kayla Keane and Josh Wojan of East Jordan and Winter Romeyn of Ellsworth capped their respective Cross Country seasons in grand fashion, earning All-State honors.

In the Division IV race, Wojan, a senior, ran to a second place finish in 16:33.6, trailing only Concord's Jesse Hersha who won the race in 15:49.2, while Romeyn cracked the top ten with a ninth place finish in 16:55.5.

Keane, a junior finished in a time of 19:18.1, good enough for a fifth place finish in the girls race.

2013 SOFTBALL

Lady Loggers-Lancers share Northern Lakes Conference crown

Kari Steenwyck of Ellsworth. FILE PHOTO

Boyne Falls 10-1, Ellsworth 8-3

BOYNE FALLS — It was for all the marbles.

The top two softball programs in the Northern Lakes Conference did not disappoint as Boyne Falls and Ellsworth battled it out on the diamond, each team coming away with a victory on May 21, thus earning a share of the conference title for each team.

The doubleheader was originally scheduled to be played in Ellsworth, but was moved to Boyne Falls due to poor field conditions. Both the Lady Loggers and Lady Lancers finished with a 9-1 conference record. BF at 11-4 overall, Ellsworth 10-6.

In the opener, a back and forth contest was finally decided when the Loggers pulled out a 10-8 victory. Boyne Falls pushed across three runs in the top of the sixth inning, and held on for the win. Emily Matelski led the offense with three hits, including a triple, while Calsey Matelski doubled among her three hits. Melody Ann Harmon and Kaylee Wilson both singled twice, and Kurstin Wilson doubled. Emily Matelski earned the pitching win, going the distance, allowing eight hits, one walk and struck out three. Ellsworth was led at the plate by Kendra Warner with three hits, while Whitney Heard and Crissa Karavas added two apiece.

Drenth took the loss in the circle, allowing eight hits, fanning three and walking two. "We played a pretty good opener," Logger coach Richard Matelski said. "We just didn't bring that same passion and fire to the nightcap, but hats off to Ellsworth, they played great and we're proud to share the conference title with them." After the offensive explosion in game one, the nightcap was just the opposite as both teams defenses took over. In the end, the Lady Lancers came away with a hard-fought 3-1 win.

In the nightcap, Drenth picked up the win for Ellsworth, scattering four hits and striking out two. Hannah Heard finished with a pair of hits to lead the Lancers, including the big blow as she knotted the score at 1-all, with an inside-the-park home run. Essenberg finished with two hits, including a double, while Whitney Heard, Sowers, Kari Steenwyk, Maddie Steenwyk, and Warner all singled. Emily Matelski took the pitching loss, allowing seven hits, four walks and struck out one. Kaylee Wilson doubled, while Katelynn Wilson, Harmon and Calsey Matelski all singled.

2013 BASKETBALL

FILE PHOTO

Loggers freshman forward Marcus Matelski was named on the AP Class D All-State honorable mention during the 2012-13 season.

BOYNE FALLS — Boyne Falls freshman forward Marcus Matelski was named Associated Press Class D All-State honorable mention by the panel of Michigan sportswriters. Matelski, averaged 27 points, 9.4 rebounds and 3.3 assists and 2.8 steals per game for Boyne Falls.

He also shot 63 percent from the field and 80 percent from the free throw

line and helped lead the Loggers to their second-straight Northern Lakes Conference title.

Marcus is a two-year starter (playing on the varsity as an eighth-grader), had a career-high of 40 points against Alba. He also passed the 30 point mark seven times during his freshman campaign.

Consumers Energy's new CARE program helping Michigan residents afford and manage monthly energy costs

Consumers Energy is helping people afford and manage their monthly energy costs this holiday season and beyond with Consumers Affordable Resource for Energy (CARE), a new program that is currently enrolling income-qualified Michigan residents.

"Caring for the communities we serve is our Promise to Michigan, and that starts with offering resources to help some people stay on top of their costs," said Patti Poppe, Consumers Energy's vice president of customer experience, rates and regulation. "CARE is an innovative program that truly empowers people, not only to get out of an immediate crisis but to stay out of one in the first place." CARE provides a variety of assistance through paying past due balances and offering monthly bill credits, basic tips for energy savings, and opportunities for energy-efficiency upgrades. The initiative is available to all Michigan residents who Consumers Energy serves based on income, from \$17,235 for an individual up to \$59,445 for a household of eight.

CARE will enroll income-qualified customers through the end of January, and space is available for up to 12,500.

For more information or to enroll, contact one of three partner agencies in their area: THAW (877-646-2818), The Salvation Army (<http://sawmni.org/cecare>) or TrueNorth Community Services (800-379-0221).

"It's important that people know they don't have to wait until they receive a turn-off notice to get help," said Whitney Skeans, Consumers Energy's customer assistance coordinator. "The goal of CARE is to make energy more affordable and therefore easier to manage and pay on time each month."

Consumers Energy, Michigan's largest utility, is the principal subsidiary of CMS Energy (NYSE: CMS), providing natural gas and electricity to 6.6 million of the state's 10 million residents in all 68 Lower Peninsula counties. For more information about Consumers Energy, visit us at www.ConsumersEnergy.com or join us on Facebook at www.facebook.com/consumersenergymichigan.

Making and Keeping Resolutions

Deb Hagen-Foley

Happy New Year! New Year's Resolutions. Most of us have made them at some time. Many of us, as many as 45%, make them every year. Another 17% infrequently make New Year's resolutions. Thirty-eight percent claim that they never make them. Of those who attempt, only 8% are successful in achieving their goal and 24% are never successful. Nearly half, 49% are sometimes successful in keeping their resolutions.

Overall, making resolutions is better than not, as persons who explicitly make resolutions are ten times more likely to attain their goals than those who do not make them. Of those reporting they did not keep their resolutions, 78 percent cited a reason they abandoned their goal. Willpower was mentioned most frequently, followed by an inability to make changes without the help of others and stress was the third most common response.

Deciding on New Year's Day that we want to change some behavior starting January 1 may be a recipe for failure. Depending on your goal, lack of planning could mean abandoning the effort before the day is over. A little planning can go a long way. If the goal is to cut down on sweets, a first step might require getting the remaining holiday cookies out of the house. Making a lasting change is more than a one-time resolution made at the start of the year.

If you are truly committed to making positive and lasting changes, here are some suggestions

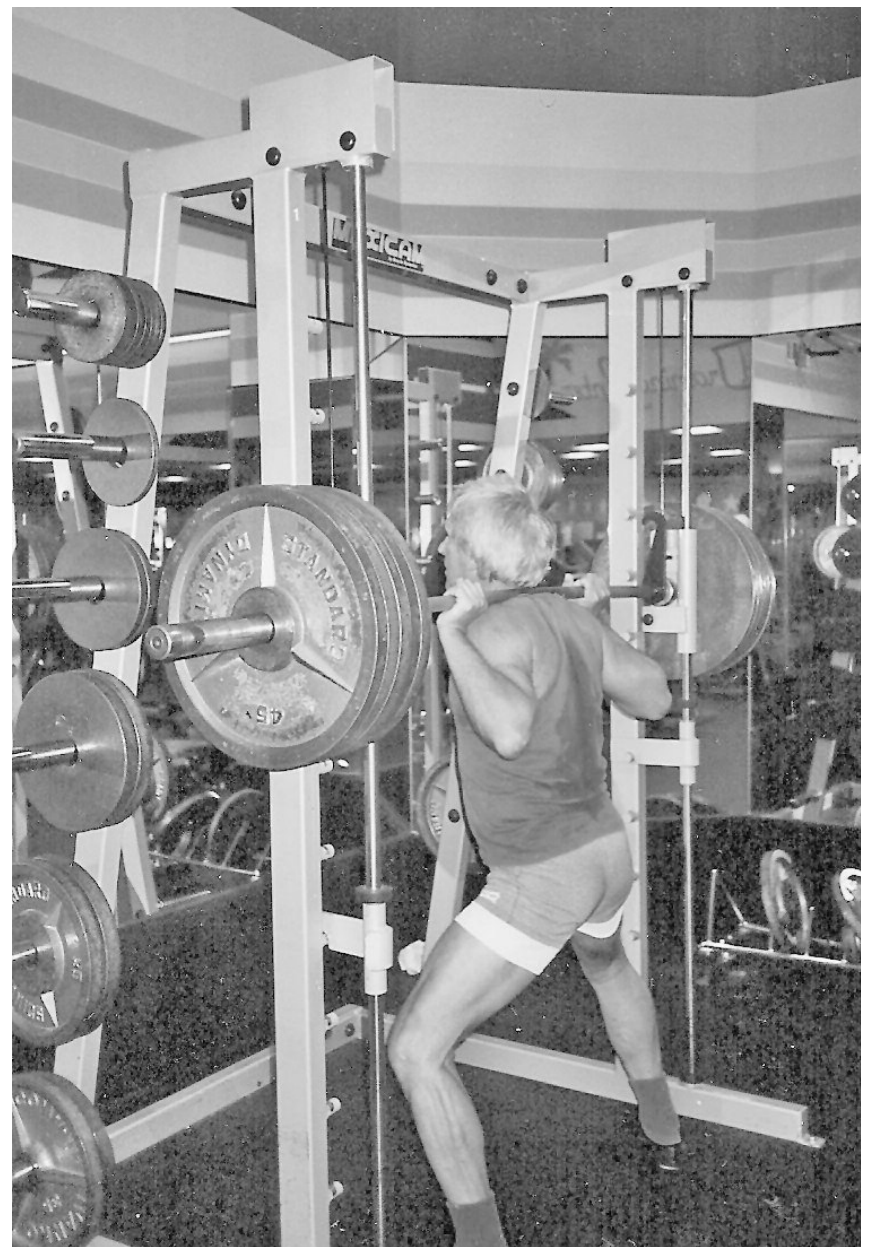

1. Decide on a specific, measurable objective rather than an abstract resolution. Instead of, "Exercise more," commit to walking for 20 minutes a day, five days a week. Consider your current level of physical activity and don't make your goal unrealistic. If you are sedentary now, don't set a goal of working out intensely an hour a day

as you are unlikely to be able to sustain such a lofty goal. Set a realistic, achievable goal.

2. Write down your goal to make it concrete. You might have a goal to lose twenty pounds. Write it down, along with the reasons you want to lose weight.

3. Establish intermediate goals

it is never too late to benefit from a regular exercise program. Set goals appropriate to your current fitness level and exercise consistently.

Question & Answers About Selling Real Estate

Buying a Home with Resale Value

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

Part 1 of 2

BUYING A HOME WITH A VIEW

Homes with a pleasant view of the horizon often sell at a premium above similar homes without the view. However, if a view is important to you, buy it mostly for your own pleasure and not as an investment. Though you may place a considerable dollar value on the view, future buyers may not be so like-minded. It may take you longer to find a buyer when it comes time to resell the house. Or you may end up dropping your price to more nearly match other sales prices in the neighborhood.

In short, if you are buying a house with a view, try to pay as little extra as possible. Otherwise, you might not get your money back.

LOT AND LANDSCAPING

Even though most real estate value

is usually concentrated in the building, the lot is important, too. Obviously, it should be as level as possible. Assuming the property is in a typical neighborhood, the lot should be rectangular – no odd shaped lots or oddly situated lots.

Yard sizes are smaller in modern homes than in older homes, but there should still be a decently sized front and back yard. Do not buy a house where the entire back yard is taken up by a swimming pool, for example.

Do not purchase an over-landscaped property, either. You would normally pay a premium for that, which you may not be able to recover when you sell. You will get your best value if the house is moderately landscaped or under-landscaped for the area. You can always improve the landscaping during your ownership by improving the grass and adding bushes and trees. Just do not spend too much.

HOUSE SIZE

In each residential neighborhood, houses will vary in size and rooms, but they should not be too different. If resale value is an important consideration, you should not buy the largest model in the neighborhood. When determining market value, the homes nearest to yours are most important. If most of the nearby houses are smaller than your house, they can act as a drag on appreciation.

On the other hand, if you buy a small or medium house for the neighborhood, the larger homes can help pull up your value. This is one of those times where determining your “wants” versus your “needs” can be extremely important. Buying what you need in a more prestigious neighborhood may provide more financial reward than getting what you want in a less desirable neighborhood.

Featured Property

Fantastic horse ranch opportunity near Charlevoix

By Jim Akans

Just a few miles from the City of Charlevoix, set on approximately 10 acres of beautiful northern Michigan countryside, this week's feature listing is a fantastic opportunity for establishing a horse ranch.

An amazing highlight of this real estate offering is an indoor riding arena situated

right on the property. Combined with stables on the property...these tremendous assets for every horse rancher. The approximately 2,000 square foot traditional style two-story farmhouse does need a bit of TLC, but the reward of creating a dream ranch is well within reach here. The home has four bedrooms, two baths, a beautiful gas fireplace in the main living room, and a Michigan style basement for

extra storage needs.

Located at 14197 Veenstra Road near Charlevoix, this horse ranch opportunity on ten acres is listed at just \$129,900.

For additional information or to arrange for a tour of this home, please call Sara Schroeder at Stark Realty at 231-536-7700 or email admin@starkrealtyonline.com.

Automotive Review

The rear-wheel-drive CTS Vsport is equipped with the all-new 420-hp 3.6-liter Cadillac Twin-Turbo V-6 engine and is the first Cadillac to receive the brand's eight-speed automatic. PHOTO © GENERAL MOTORS.

First 2014 CTS Vsport Delivered Sale proceeds going to SAE Foundation STEM Education

The first Cadillac CTS Vsport produced was delivered recently to the high bidder in an auction to benefit the SAE Foundation's support of science, technology, engineering, and math, or STEM, education programs. Tim and Pat Whited of Nederland, Colo., took delivery of the new twin turbocharged sedan at McCaddon Cadillac in Boulder. They purchased the car August 9 at Barrett-Jackson's Hot Nights Car Auction in Reno, Nev. All proceeds of the \$120,000 sale went to the SAE Foundation.

The Whites also received a performance driving school package as part of their winning bid.

"The choice to purchase the vehicle was a combination of this being a great opportunity to support the SAE Foundation and a great opportunity to obtain the first 2014 CTS," said Tim Whited. "We saw the SAE

Foundation/Cadillac display at Reno, then listened to the great presentation... on the auction block. At that point, Pat and I looked at each other and decided to participate in the bidding - the rest is history."

The rear-wheel-drive CTS Vsport is equipped with the all-new 420-hp 3.6-liter Cadillac Twin-Turbo V-6 engine and is the first Cadillac to receive the brand's eight-speed automatic. The 2014 CTS Vsport – a new performance model positioned above the standard car but beneath the brand's ultra-high performance V-Series cars – began production earlier this month.

The new 2014 CTS was recently named Motor Trend Car of the Year, and was selected by Car and Driver magazine for its annual 10 Best list.

Cadillac and General Motors have long sponsored the SAE Foundation's STEM outreach

programs, which includes \$350,000 of support from the GM Foundation in 2013. GM also provides more than 1,500 mentors and volunteers who help reach nearly 85,000 students participating in SAE's World in Motion K-12 programs.

"We are extremely grateful to Cadillac, the outstanding team at Barrett-Jackson, Mr. and Mrs. Whited, and McCaddon Cadillac of Boulder for their incredible generosity and commitment to STEM education in the US," said Lori Gatmaitan, director of the SAE Foundation. "Collectively, they are helping to deliver quality STEM programming in the classroom and helping to ensure the next generation of professionals has the skills and education necessary to compete on a global basis."
