## Lady Ramblers fall to Pine River

By Chris Fiel

### Pine River 51, Boyne City 42

BOYNE CITY — The Lady Ramblers returned to action for the first time in the new year and saw a second half surge by the visiting Bucks down their hopes of a victory as Pine River picked up the non-conference battle with a 51-42 win on January 4.

The two teams took a little bit to get untracked early on before they took turns trading baskets en route to a 13-10 first quarter lead by the Bucks.

Boyne then responded with a 10-6 advantage in the second period, including eight points in the quarter by Rainy McCune, to hold a 20-19 lead at intermission.

Following the break, the Lady Ramblers struggled to put the

ball in the hoop as Pine River surged to a 34-26 lead before the two teams played evenly over the final eight minutes of regulation.

McCune led the Ramblers, 2-4 overall, with 20 points, while fellow senior Taylor Baker chipped in with six.

Pine River got 20 and 12 points respectively from Kassy Nelson and Michelle Kelsey.

Boyne captured the JV contest to remain unbeaten on the season and improve to 6-0 as Hannah Hoth led the way with 10 points. The Ramblers also got six points apiece from Makayla Baker and Sarah Longcore.

## Lady Rayders fall in Division IV regional semifinal

By Chris Fiel

### Muskegon West Michigan Christian 2, Charlevoix 1

MUSKEGON — It didn't take long to figure out that the Muskegon West Michigan Christian Warriors were all business as they got on the board just 15 seconds into the contest en route to a 2-1 Division IV regional semifinal victory over the Rayders on June 5.

The Warriors Alexis Riksen found the back of the net early

at just 15 seconds into the contest, and followed that up with her second goal midway through the first half for a 2-0 Muskegon West Michigan Christian lead they would carry into the half.

"We started the game a little flat and they caught us off guard," Charlevoix coach Pete Scholten said. "We played a great game and kept in the game right to the end. I'm very proud of our girls tonight."

Charlevoix midfielder Ellie Way took a pass from forward Kaitlan Hinkley at the 34:04

mark of the second half and scored, bringing the Rayders to within a goal.

The Rayders managed 14 shots on goal, but that would be the only time Charlevoix would score.

Gloria Greene picked up nine saves in goal for Charlevoix, which closes out a 19-6 campaign.

The Rayders will graduate seven seniors; Maura Brandi, Syndey Carlson, Carolena Elowsky, Hannah Herboldsheimer, Katie Paramo, Bailee and Anna Way.

2013 VOLLEYBALL

## Just Believe!

Ramblers battle back from a two game deficit to repeat as District Champs

By Chris Fiel

CHARLEVOIX — It's never over until it's over.

And like the saying goes, so went the Boyne City volleyball team. The Lady Ramblers found themselves down two sets to none to a tough Charlevoix Lady Rayder team, and in a setting much like that of the 2012 district final, it was a "Déjà vu" all over again for Boyne City.

But, as they did one year ago, the Ramblers battled back to take the final three sets of the match and claim their second consecutive district crown, 21-25, 18-25, 25-14, 25-19, 15-6 at Charlevoix High School on November 7.

With the win, Boyne improved to 47-12 on the season.

"It was a very intense match as Charlevoix came out strong," Boyne City veteran coach Casie Parker said. "We went down two games similar to last year and then came back. I was still pretty nervous, we came out strong in the third game and started hitting our spots on the serve and moving better defensively."

The first two games belonged to the Lady Rayders.

"We came out and played our system and most aspects of the game felt positive with our play," Rayder coach Audra Randall said. "Before the fifth set started I tried to refocus with the girls that we did win the first two games and we were even at 2-2 in sets. With such intensity and energy of the gymnasium itself, which takes on an element in itself, the girls had a tough time refocusing and realizing this was a clean slate and it was (district title) still within their grasp."

The Ramblers switched up their strategy against the Rayders this time around after falling to Charlevoix in the Lake Michigan Conference volleyball tournament, less than two weeks ago.

"Coming into the game, I made a big change in our lineup tonight to try and shut down Maddy Boss," Coach Parker noted. "I moved my setter (Heather Nichols) away from Kylie Hicks, who she has played next to for four years so that I could put my six foot right side hitter (Ali Johnson) against Boss for blocking. Ali did a great blocking tonight. She had eight blocks on the right side."

In the end, it all seemed to work out for the Ramblers.

Boyne was led on the night by Hicks with 21 kills, 21 digs, and 11 blocks, while Nichols added 18 digs and 36 assists.

Paige Hornbeck chipped in with 25 digs, Erin Baker added 30 digs and Johnson also added eight kills.

Nichols was perfect from the serve line. For the Rayders, Boss finished with 28

kills, eight digs and one block, Jennaca Holecheck added 13 kills, 24 digs, two blocks and six assists and Olivia Storm had 18 assists and six digs.

Gloria Greene also had 15 assists, five digs and was 100 percent serving.

Also for Charlevoix, Kelsey Pischner and Emily Zabawa each finished with five kills, while Yogi Hang added 12 digs and one ace. Zabawa and Kylie Scholten each had three blocks, while Alexis Tribbfelner had six digs.

"I applaud the Boyne City girls and their

play," Randall said. "They are a tough team and proved themselves this evening. It's always such a battle with these two teams and I enjoy the anticipation and energy that's created by this match-up, I just wish we were on the winning side this evening for my seniors and the team. We have great talent and a lot of it young, but I felt we were peaking at the right time to take this match. I know each girl put forth their best effort tonight and I am proud as a coach to have coached them this season

## Charlevoix wins District Crown

Record season continues for the Rayders

By Chris Fiel

Charlevoix 12, East Jordan 6  
CHARLEVOIX — And the season continues.

The Charlevoix baseball team just keeps on rolling.

With their 27th victory of this magical season, the Rayders kept their school record season alive and captured their first district title since 1988.

In front of the home crowd and on their own turf, the Rayders earned a 12-6 victory over rival East Jordan in the Division III district championship contest on June 1.

East Jordan got on the board first in the opening inning as Dustin Hejka drew a leadoff walk and came around to score for a 1-0 lead. Charlevoix came roaring back as they put up a four spot in the bottom half of the inning, then added two more in the second and another four in the third to take a 10-1 lead.

"I think after all of the excitement of the first game, our fans were happy that we kind of took the mystery out of it against East Jordan, jumping right out with four runs in the first and leading 10-1 after three," Rayder coach Allen Telgenhof said. "I was really happy that we were able to get all of our guys the experience of playing in a district championship game. The whole team has really worked hard and they deserved the win and they all deserved to play."

Noah Certa led Charlevoix at the plate with two hits, including a double and an RBI, Will Telgenhof singled twice with two RBIs. Austin Putman tripled, while JJ Bottomley and Shane Sutherland added one hit apiece.

Sutherland picked up the win on the mound, tossing six innings, allowing 12 hits and fanned nine. Nate Moon sent the Red Devils down in order with a perfect 1-2-3, seventh inning.

For the Red Devils, Zach Shepard finished with three hits and a pair of RBIs, Tim Schut doubled and singled while driving in two runs, Matt Bolser drove in two with a pair of hits, Oscar Scheierchipped in with two hits and an RBI, while Colin Petrie, Tucker Alward and Noah Raymond all singled.

Shepard, Raymond, Bolser, and Petrie all pitched in the loss.

"These young men really did East Jordan baseball proud with the way they played," first year Red Devil coach Tom Reid Jr. said. "The Boyne City game was one of the most well-rounded, well-played games we played all year and after falling into a 10-1 hole in three finals, they didn't give up and battled back to make a game of it."

### 2013 SOFTBALL

# Ramblers capture first ever District softball title

Great pitching, timely hitting key Boyne victories

By Chris Fiel

#### Boyne City 4, Harbor Springs 3

CHARLEVOIX — Sometimes the wait is worth it. For Boyne City, that wait is now over as the Ramblers captured their first ever district softball championship as they defeated an upstart Harbor Springs team 4-3 in the final on June 1.

The Ramblers burst out of the gates on fire as they took an early 3-0 first inning lead as Katelyn Banner reached on an error, moved to third on a couple of wild pitches, and following a walk to Brook Fouchia, catcher Hannah Hoth sent a deep fly ball to left for a sacrifice fly, scoring Banner.

Fouchia would later come around to score following a single by Paige Hornbeck and a fielder's choice by Rainy McCune. McCune would cross the plate two batters later as both Jordan Weiss and Emma Shumaker singled, giving Boyne a three run ead.

Harbor cut into the Rambler lead, scoring a solo run in the fourth, only to see BC get that back in the fifth as Hoth singled and moved to third on a pair of passed balls and scored on a Hornbeck single.

Harbor then responded with another run in the sixth and was threatening in the seventh with runners on second and third, when Rambler freshman catcher Hoth tossed a bullet to third, picking off a Ram baserunner.

Harbor would score their final run on a couple of errors before Boyne City freshman pitcher Emma Shumaker closed the door on any hope the Rams had of stealing a victory.

"I am proud of my team, we showed up to play ball and came away with two wins," veteran Rambler coach Sandy Clausen said. "We hit well as a team, the defense was solid and we worked together to finish. Proud to be a Rambler!"

For the Ramblers at the plate, Hoth, Hornbeck, Jordan Weiss each finished with two hits, while Rainy McCune, Shumaker, Celena Brzezinski and Jessica Selissen each added one.

Shumaker picked up her second win of

the afternoon in the circle, going the distance, scattering four hits, walking four and fanning five.

## Question & Answers About Selling Real Estate

### What You Should Look for When House Hunting

If you're shopping for a home and can afford to buy one, you couldn't be in a better position right now. In many parts of the country, housing inventory is high and both home prices and interest rates are low and as a buyer, you can take advantage of that.

With so many properties on the market, you can probably take a more leisurely approach to house hunting without getting into a fast-paced bidding war. There is a caveat, however. The best homes priced properly for the market conditions will always be in higher demand.

As you begin your search for the right home for you, it pays to keep in mind things you need to check carefully so that they don't cost you big bucks in the long run.

#### Kitchen

If kitchens matter to you, you might want to be fairly selective about them when looking for a new home. The 2009 average

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

price for a minor kitchen remodel for a midrange home is more than \$21,000 and the cost for a major remodel is more than \$57,000 and the costs are substantially more for higher-end homes.

Look carefully at the appliances, cabinetry, counters and floor. Those are the elements that cost more to replace. If possible, you want newer appliances to save money on repairs and energy costs; solid-wood cabinets; and solid-surface counters, such as granite, stainless steel, butcher block or engineered stone. Your floor choices include wood, cork, laminates and tile and it's a matter of what's comfortable and durable for your lifestyle.

#### Bathrooms

Following kitchens, bathrooms are also expensive rooms to remodel at a 2009 national average of more than \$16,000 because of the fixtures and plumbing. Make sure you see no leaks or evidence of leaks in

tubs, toilets and flooring. Sharing bathrooms can be one of those pain points for families so make sure you get what you need.

#### Roof

A roof is a big-ticket item with an average 2009 replacement cost of more than \$19,000 although adding a second layer to a roof is not nearly as expensive as replacing the entire thing. Inside the house, you can check the attic, ceilings and skylights for signs of water damage, look for places where the roof deck is sagging, and see if you can detect any light coming through. If you do see light coming through, it is likely not a problem if the roof is made of shake shingles. Outside, inspect for cracked, ripped, curling or missing shingles and damaged flashing. Also look for rotting, buckling, blistering or algae growth, which could also be signs of trouble.

#### HVAC

An old heater can be hard to repair and eats up energy at a pace faster than newer units. Furnaces can start at about \$5,000 to replace and if you buy a

combined unit with the air conditioner, add on several thousand dollars. You may need to replace the heat pump or air conditioner if it's older than 10 years and a furnace or boiler if it's more than 15 years old.

#### Basement

The extra room you gain may be a huge headache if the basement floods. Look for water marks and find out if the house has a system for removing water.

Other areas of concern that might cost money down the line are the driveways and sidewalks, chimneys, insulation and windows.

If you find a house and your offer is accepted, you'll be dealing with a home inspector who can fill in the gaps with a professional's eye. The thing is, if you really want the home, you don't have to let problems deter you. You are in position to negotiate a price reduction with the seller or insist repairs be made to the property before your offer is finalized.

If you can afford a house, you can afford the luxury of taking your time to find the right one for you.

## Beautifully remodeled Boyne City classic home

By Jim Akans

This week's feature listing is a wonderful opportunity to own a classic Boyne City two-story home that has been beautifully updated and remodeled.

Featuring approximately 1,214 square feet of gorgeous living space that includes four bedrooms and two-and-a-half baths, this home offers a blend of detailed turn of the century craftsmanship and modern convenience features throughout. Highlights include hardwood flooring on the main and upper levels, wrap-around covered porch, built-ins, a main level bedroom and an elegantly remodeled kitchen space. Other updates include the roof and elec-

trical system.

This home has a full basement plus both an attached garage and a detached garage...so storage is certainly not an issue. The back yard is nicely sized, is fenced in, and has gated access to the alleyway. Another bonus is that while the home is situated in a wonderful residential neighborhood - downtown Boyne City and the Lake Charlevoix beach is just a few blocks away.

This classic updated home is located at 513 East Street in Boyne City and is listed at just \$134,900. For a more information or to arrange a home tour, call Marty Moody or Chris Christensen at Lynda's Real Estate Service in Boyne City at 231-582-9555 or email at Marty@lyndasrealestateservice.com or Chris@lyndasrealestateservice.com

### Ford Motor Company Delivers Best Sales Year Since 2006;

Ford reigns as America's best-selling vehicle brand in 2013 for a fourth consecutive year, with annual sales records set for Ford Fiesta, Fusion and Escape, and F-Series continuing as the country's best-selling truck and vehicle for another straight year. Ford Motor Company 2013 U.S. sales totaled 2,493,918 vehicles. For December, total sales are 218,058 vehicles up 2 percent - with retail up 3 percent.

Ford brand U.S. retail sales are up 14 percent for the year. Overall, the Ford brand closes out 2013 with 2,412,224 vehicles sold. Ford produced double-digit annual retail gains across its lineup - cars up 12, utilities up 13 percent, and trucks are up 17 percent - with higher average transaction prices. Retail sales gains for the Ford brand are strongest in the West, where sales are up 21 percent, and the Southeast, with sales

up 17 percent for the year. "December was a strong close to an even better year for Ford Motor Company," said John Felice, Ford vice president, U.S. Marketing, Sales and Service. "We saw strong growth across the entire Ford lineup and made significant gains in the import-dominated coastal markets. Strong demand for our new cars, utilities, hybrids and trucks provided Ford with the largest share point gain of any full-line automaker in 2013."

Ford Fusion December performance is up 27 percent with 24,408 sales, setting a record for the month. Fusion sales of 295,280 vehicles in 2013 represent a 22 percent increase, setting an annual record. Fusion continues to be a significant driver to the company's growth in the U.S. western and southeastern regions, where retail sales are up 61 percent and 29

percent, respectively in 2013.

Ford Fiesta sales of 71,073 vehicles for the year mark a record, as well - and up 25 percent over 2012.

Ford Escape sales are up 22 percent for the month, with 24,462 vehicles sold. For the year, Escape sales of 295,993 vehicles represent a 13 percent gain, setting an annual record.

December sales of 74,592 Ford F-Series vehicles extend the truck's string of selling more than 60,000 units a month to eight. Sales of 763,402 F-Series vehicles in 2013 represent the truck's highest level since 2006. F-Series remains America's best-selling truck for 37 straight years and the country's best-selling vehicle for 32 consecutive years.

Lincoln MKZ December sales increase 73 percent, with 2,823 cars sold, providing the Lincoln brand with an overall increase of 8 percent.
