Noah Bacchus, East Jordan.

The senior is quickly earning the nickname "Mr. Big Shot", and rightfully so. Bacchus hit a 17 foot jumper as time expired in the Class C regional final, lifting the Red Devils to their first title since 1953. Bacchus finished with 27 points on the night, and added 19 in a semifinal win over TC St. Francis.

Bacchus nails jumper at the buzzer to lift Red Devils to overtime victory

By Chris Fiel

East Jordan 55, Beaverton 53 OT

TRAVERSE CITY — They aren't done yet!

The East Jordan boys basketball still isn't ready to hang up their shoes for the season as they continue to play with the passion, enthusiasm and execution that few of their tournament opponents have matched, and while some have, the Red Devils seem to have one thing that their opponents don't.

That one thing is the play of Noah "Mr. Big Shot" Bacchus. The poised senior guard is one of the key reasons that East Jordan is still on a roll.

On March 12, Bacchus and his will to win style of play, following a miss by Beaverton and the score knotted at 53-all in the overtime session, took the ball with six seconds remaining, raced up the court and when the Beaver defense sagged off him, calmly pulled up from about 17 feet away and let it fly, the result, nothing but the bottom of the net, thus setting off a wild celebration and giving the Red Devils their first Class C regional crown since 1953.

"I looked at the clock around their free throw line and saw six seconds left and I knew I could easily get to the cup, but when they backed off me, I just took it," Bacchus said. "As soon as it left my hands, I knew it was in."

The Red Devils were up a majority of the contest and were able to push leads at different

times up to as many as eight points, but the Beavers refused to claw their way back and with six seconds left in regulation, trailing 50-47, guard Erik Maxwell connected on a three pointer to pull the teams even and force overtime.

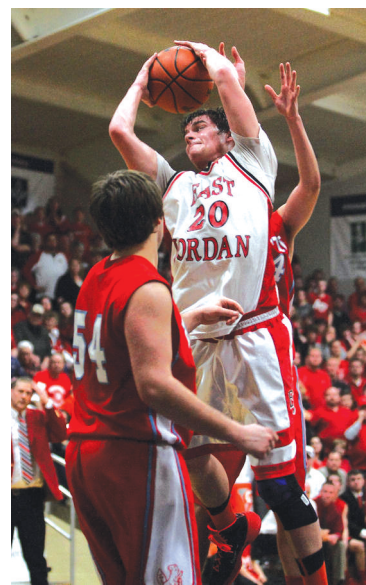

"When we were forced into overtime, I felt we got an energy boost," Bacchus said. "It was like starting the game over, 0-0 and we could start the game like we wanted."

East Jordan coach Darrin Weber commented, "We've said it all year long, one game at a time. The kids are playing with a lot of confidence and they are doing a lot of nice things right now."

The Red Devils opened the contest with a 12-10 lead following a back and forth first quarter, highlighted by a Bacchus triple at the buzzer, before they battled through a tough second quarter, where they used a mixture of deep threes, drives and an "old-fashioned" three point play to take a 31-25 margin into halftime.

In the third, East Jordan took their biggest lead of the game 37-29, at the 5:14 mark, when sophomore Jordan Weber intercepted a Beaver pass and took

the rock to the glass for a layup, forcing a Beaverton timeout.

## Regional Champions

continued from 1B

The timeout was just what the Beavers needed to stall the run EJ had just went on and came firing back with a 7-0 run of their own to pull within 37-36 with just about three minutes left in the quarter. A pair of Donny Cutler jumpers, the last as the end of the quarter horn sounded, would give the Red Devils a 41-36 advantage headed into the final eight minutes of regulation.

Bacchus would start the fourth with a layup, pushing the Red Devil lead back to seven points and give EJ a little more breathing room as they would use their dribble penetration and perimeter passing to chew up some much needed time off the clock.

With just about four minutes remaining, Beaverton would pull to within 45-43 after Grant Johnston hit from downtown. EJ would respond with Weber scoring from the block, pushing the lead back to 47-43.

A few minutes later, Beaverton would once again pull within a basket from Maxwell. Following an East Jordan miss at the charity stripe, the Beavers worked the ball to Spencer Johnston, who would drive the lane and connect on the basket with 34 seconds left, drawing a whistle. Johnston would be called for an offensive foul on the play, negating the basket and giving the ball back to the Red Devils.

EJ would inbound the ball to Bacchus, who was fouled, sending him to the free throw line where he would connect on the front end of a 1-and-1, making it 50-47 Red Devils with 24.5 seconds left on the clock.

Following a jump ball, Beaverton would look to Maxwell, and with less than six seconds left, he drained a three pointer, pulling the Beavers even and sending the game into overtime.

Once in the extra session, both teams would see time at the free throw line, with East Jordan going 3-for-8 and Beaverton netting 3-of-4, the score remained knotted at 53-53 with just under a minute remaining and possession in the hands of the Beavers.

Turnovers by both teams would once again give Beaverton possession with 28.3 left on the clock. Following a timeout by the Beavers, where they would work the clock down to about eight seconds and put up a shot.

After the miss, and the ball ending up in the hands of Bacchus, he only had one thing to do, something he had done against Charlevoix, something he had done at the end of the first quarter in this contest, and that was put the ball in the hoop as time was ticking off the clock, and we all know what happened next.

East Jordan Red Devils, Class C regional champions.

Bacchus would pace the Red Devils, 19-4, with 27 points on the night, while Weber added 14 and Cutler chipped in with 10.

The Beavers, which close the season at 21-3, got 18 points from Maxwell and 12 from Spencer Johnston.

"Coming into the season, we knew we would be competitive, we had a good summer and gelled really well, but didn't have any expectations like what we've done," coach Weber added.

East Jordan 67, T.C. St. Francis 57

TRAVERSE CITY — Fresh off their first district title in 19 seasons, the East Jordan boys basketball team kept that momentum going as they downed fellow Lake Michigan Conference 67-57 on the Gladiators home court in a Class C regional semifinal matchup on March 10.

East Jordan used a strong 23-17 opening quarter advantage against the Glads and would eventually push that lead to a 43-26 margin at half-time.

The Red Devils would connect on six triples in the first half and finish the game with 10 makes from downtown.

TCSF would start the second half with a run of their own, only to see EJ put a damper on that as they continued to find the bottom of the net from deep, courtesy of Jordan Weber.

Weber would finish the night with a game-high 28 points, while Noah Bacchus added 19 for the Red Devils, 18-4.

T.C. St. Francis would get 13 points from Noah Phillips; 12 from Gabe Callery; 11 from Tanner Kenny; and 10 from Dylan Sheehy.

# ONE HECK OF A RIDE

## Red Devils fall in Class C quarterfinal

By Chris Fiel

### Negaunee 63, East Jordan 42

PETOSKEY — The East Jordan Red Devils boys basketball team postseason run has finally come to the end of the road, falling to Negaunee 63-42 in a Class C quarterfinal contest on March 18, in front of a standing room only crowd at the Petoskey High School gymnasium, but what a ride it was for the players, coaches and community.

The contest opened up with the Minors scoring the first eight points of the game as the Red Devils were unable to connect on a couple of close looks at the basket and missed some early free throws.

But once the shots started to fall, East Jordan was right back in the game, battling back to close the first quarter with Negaunee leading 14-8.

A tight second quarter, saw Red Devil point guard Donny Cutler pick up his third foul of the game, sending him to the bench and taking away one of East Jor-

dan's better ball handlers and defenders.

Negaunee would expand their lead to 31-20 headed into the break.

Following intermission, East Jordan would strike first as sophomore Jordan Weber nailed a triple to pull within eight points, but that's as close as the Red Devils would get as there seemed to be a lid on the rim whenever it looked like an easy basket would fall. While on the other end of the court, the Minors would open up a big lead, taking a 43-24 cushion into the final eight minutes of regulation.

The fourth quarter would see much of the same as the third, with glimpses of hope here and

there, but in the end, the tournament tested Minors would pull away for a 63-42 victory.

The Red Devils would be paced by Jordan Weber with 17 points, while Noah Bacchus added 11 and Dustin Hejka had 10.

Negaunee improved to 24-1 and will be headed back to the Breslin Center for the second straight year was led by Tyler Jandron with 21 points, Eric Lori added 15 and Zane Radloff had 11 points.

East Jordan closes their magical season with a 19-5 record, fifteen wins better than a year ago. While it may sting a little bit at the moment, down the road, when it all finally sets in for the players on what they have accomplished both this season and post-

season, they will look back with some fond memories and always be able to walk into the school and see the 2013 district and regional trophies that they, along with the support of the entire community helped bring to East Jordan.

The Red Devils will say goodbye to; Bacchus, Hejka, Jaden Hoffman, Joey Russell and Isaiah Sladick, five seniors that have helped lay the foundation for a successful basketball program.

# Boyne Falls bows in regional semis

## Foul trouble plagues Loggers

By Chris Fiel

### Au Gres-Sims 60, Boyne Falls 50

TRAVERSE CITY — The Loggers, playing in their first regional since the 2006, found themselves in early foul trouble, but still managed to stay within striking distance, before falling to Au Gres-Sims in a Class D regional semifinal contest, 60-50 on March 10.

The Loggers, already playing with their senior leader, Brendan Matelski with a broken hand, saw their super sophomore Marcus Matelski pick up foul fouls in the second quarter alone, sending him to the bench and limiting his play for the rest of the contest.

Boyne Falls battled to a 17-17 first quarter tie, before falling behind 33-21 at intermission.

Marcus Matelski still managed to lead the Logger offensive attack with 21 points, Andrew Campbell, Kevin Lange and George "Clay" Whitley added seven points each.

Also for BF, Brendon Matelski added six assists, five boards and four steals, Whitley hauled in eight rebounds, and Andrew Stevens dished out five assists.

Au Gres-Sims got 19 points from Brett Maser and Tyler Jantzi had 17.

The Loggers say goodbye to five seniors, Brendan Matelski, Whitley, Lange, Aaron Barkley and Ben Evans.

## Question & Answers About Selling Real Estate

### Signs that you're ready to buy

#### Six tips that tell you it's time

Compliments of Mike Stark, Stark Realty, Inc. (231) 536-7700

Figuring out whether you're ready to buy a house — whether you're a renter or are aiming to move up or size down — can be a daunting task. But there are signs that will indicate whether you're ready to take the buying plunge.

If you are thinking about buying, you're not alone. So are you ready to make the move? You might be if you:

1. Are familiar with the market. If you've been paying attention to how much houses are listed for in the neighborhoods you're eyeing and have a realistic view of how much a house will cost you, you're in good shape. But if you're dreaming about that big

corner house with no clue about its asking price, you may want to spend some more time becoming familiar with the market and how much houses are going for.

2. Have the money for a down payment and closing costs. The down payment is a percentage of the value of the property. Freddie Mac says the percentage will be determined by the type of mortgage you select. Down payments usually range from 3 to 20 percent of the property value. Also, you may be required to have Private Mortgage Insurance (PMI or MI) if your down payment is less than 20 percent. Closing costs include points, taxes, title insurance, financing costs and other settlement costs. You can expect to pay between from 2 to 7 percent of the property value. Generally, buyers will receive an estimate of these costs from your lender after you apply for a mortgage.

3. Know how much you can afford. Freddie Mac says that as a general guide, your monthly mortgage payment should be less than or equal to a percentage of your income, usually about a quarter of your gross

monthly income. Also, your income, debt and credit history go into determining how much you can borrow. As a general rule, your debt-credit card bills, car loans, housing expenses, alimony and child support — should not be more than about 30 to 40 percent of your gross income.

4. Know what additional expenses will come with owning a home. This includes homeowners insurance, utility bills, maintenance costs — roofing, plumbing, heating and cooling.

5. Have your credit in good shape and make sure your credit report is accurate. Potential lenders will view your credit history — how much debt you've accrued, how many accounts you have open, whether your payments are made on time, etc. — to determine whether they'll give you a loan. You should get a report from each of the credit reporting companies.

6. You haven't made any recent major purchases, particularly a vehicle. If you do, you may have a harder time getting a loan — or it could potentially lower the amount you'll be approved for.
