Rayders off to strong start

By Chris Fiel

Charlevoix 4-5, Imlay City 2-8

IMLAY CITY — Austin Putman tossed 3 1/3 innings of one run relief in the opener as Charlevoix earned a game one victory 4-2 against Imlay City on April 12. The Rayders dropped game two 8-5.

In game one, Noah Certa paced Charlevoix at the dish with a pair of hits and scoring two runs as well.

“We were able to get all 16 players into action and used seven pitchers, which was nice,” coach Allen Telgenhof said. “Our defense hurt us, we made 11 errors which led to eight unearned runs for the weekend, which is way too many and really cost us the game on Saturday.”

In the nightcap, Nate Moon fhad 3 hits including a double, while Andrew Michaud added two hits and an RBI.

Charlevoix 11-12, Burton Bentley 1-2

BURTON — Charlevoix picked up right where they left off last season, earning a pair of wins over Burton Bentley, 11-1 and 12-2 on April 11.

Nate Moon takes over as the Rayder ace following the departure of the graduated Tommy Zipp. Moon dominated the Bulldogs by fanning 12 in five innings of work, picking up the win in the process. J.J. Bottomley picked up the win in game two for Charlevoix.

“It was just nice to get outside and play,” coach Allen Telgenhof said. “We didn’t play our best baseball, which isn’t that big of a surprise since we’d only been outside two days, but we swung the bats reasonably well and ran the bases aggressively.”

The Charlevoix offensive attack was led by Austin Putman, Luke Klinger and Will Telgenhof with five hits on the day. Putman tripled and doubled, while Klinger added a double as well.

Moon also chipped in with two doubles among his four hits on the afternoon.

Red Devils split opening series with Elk Rapids

By Chris Fiel

East Jordan 7-3, Elk Rapids 6-5

EAST JORDAN — It wasn’t pretty, but then again, a win is a win.

The East Jordan baseball team got off to a positive start as they downed Elk Rapids 7-6 in game one, before falling 5-3 in the nightcap in a Lake Michigan Conference doubleheader on April 10.

In the opener, the Red Devils got out of the gates first and had to hold on despite three East Jordan pitchers combining for a no-hitter.

“This game was the epitome of

winning ugly,” East Jordan coach Tom Reid Jr. said. “We jumped to a 5-0 lead after four innings and just about handed them the game late. I know I have never seen a no-hit pitching performance when the losing team scores six runs. All I have to say is I hope they got the jitters out.”

Dustin Hejka scored the winning run in the bottom of the sixth on a Jordan Peterson double.

The Elks scored six times despite not picking up a hit as they took advantage of four Red Devil errors, five walks and two hit batsmen.

For the Red Devils, Tucker Alward brought a hot bat, pounding out three hits, including a

pair of doubles, while driving in three runs and stealing three bases.

Noah Raymond singled and Tim Schut drove in a run with a sacrifice fly, walked twice and swiped a pair of bases.

Sophomore Colin Petrie tossed 4 2/3 innings on the mound, allowing three unearned runs while striking out two and walking four. Raymond pitched 1/3 of an inning and got a huge out in the fifth inning with the bases loaded. Eventual winning pitcher Oscar Scheier also pitched out of a bases loaded jam in the top of the sixth inning by retiring all three batters he faced.

“Peterson came up huge with a huge hit to get us the win and

Petrie pitched very well,” coach Reid added.

In game two, the Elks edged EJ 5-3.

Alward took the loss on three hits, fanning five and walking six, with three earned runs.

In the second game, the Red Devils fell to Elk Rapids, 5-3. Alward took the pitching loss despite allowing just three hits while striking out five and walking six. Three of the five runs were earned.

The EJ offense was led by Schut with three hits, including a double with one RBI and four steals.

Alward added an RBI double, while Wyatt Crick and Hejka both singled.

“Altogether, we did everything

we needed to do to win game two but didn’t,” Reid said. “We hit at least eight bullets to the outfield right at Elk Rapids outfielders, I also sent a kid home on a shallow flyball to the outfield and got him thrown out. We stole seven bases as a team.”

“Tucker pitched well also,” coach Reid added. “We should’ve won both. All-in-all we can take a lot of positives from tonight’s games and build off it. I think we are all just happy to have baseball here and the snow gone. It was a great night for baseball.”

Lady Red Devils sweep Elk Rapids

By Chris Fiel

East Jordan 6-11, Elk Rapids 1-5

EAST JORDAN — The East Jordan softball team has their season off to a good start, downing ELK Rapids 6-1 and 11-5 in a pair of Lake Michigan Conference contests on April 10.

Taylor Kroush tripled and drove in two runs in leading the game one offense, while Kayly Zimmer added a double with one RBI.

Also for EJ, Sydney Drew singled and had a RBI, while Lindsay Schroeder and Lindsey Graham both singled.

The Red Devils scored twice in the first and tacked on four more in the second, while limiting the Lady Elks to a single run in the fourth.

"What an amazing start to the season," Red Devil coach Meg Kitson said. "We never would have believed it possible to play this soon. Kudos to Kevin LaVanway for clearing our field and Tom Reid, Ray Fisher and Phyllis Ol-

szewski for making it playable."

Schroeder struck out 10, walked three and allowed just three hits in earning the win.

"Lindsay Schroeder pitched amazingly and the girls played well," Kitson said. "They looked like mid-season form."

In the nightcap, East Jordan struck again with a pair of runs in the opening inning and then used a seven-run second to break the game open.

Tori Goodrich earned the victory in the circle, allowing five hits, fanning seven and walking three.

"Tori (Goodrich) pitched well and our defense played solidly behind her," coach Kitson noted. "It was great to get a conference sweep so early in the season."

At the plate, Zimmer finished with two hits, including a double and three RBI, while Goodrich and Marissa Klop each added two hits.

Also for the Red Devils, Drew and Karlee Dunson both singled with an RBI.

East Jordan is 2-0 overall, 2-0 LMC.

2014 High School Baseball Season Previews

Boyer Falls

BOYNE FALLS — Coach Bill Montgomery returns a young but experienced group as many of the team were forced into key roles as freshman or eighth graders.

Some of those returners are juniors Andrew Stevens, Hunter Williams and sophomore Marcus Matelski.

Stevens will split time on the mound and behind the plate, while Williams and Matelski will also see time on the hill.

Eighth grader, Austin Harmon will see some find time on the mound for the Loggers.

Other BF returnees are Truman Crego, Andrew Campbell, Jordan Berreth, Sean Lynch and Leszek Wasylewski.

With the limited spring in Northern Michigan, the Loggers are still waiting to take the field.

“The extent of our outdoor work is doing a little throwing on a patch of bare grass next to the gym, but we have the batting cage set up and are doing the best we can,” coach Montgomery said.

BOYNE CITY

BOYNE CITY — The Ramblers return a young squad for first

year coach Mark Pontoni, having only seniors on the roster.

“When coach Todd Shumaker retired after last season, he didn’t leave the cupboard bare,” Pontoni said. “There’s a lot of talent on our squad, even if it’s young.”

Some of that talent includes senior Jordan Fair, juniors Dalton Gardner, Max Cuper, Maceo Vroman, and Jeff Miller.

“I expect the strength of the team to be our defense and our team speed,” Pontoni added. “We should be very strong up the middle.”

Coach Pontoni also has high expectations for three Rambler sophomores; Derek Willis, Tanner Kruzal and James Roberson. “I expect them to make contributions right out of the gate.”

Boyer also has a number of versatile players to fill various roles led by senior Chandler Roberts, who the coach noted, “Has probably had the best pre-season of any of our players.” Juniors Alec Hoagland, Ethan Habasco, and Jared Fleming are all expected to have big years for as the Ramblers look to compete against the more experienced teams in the Lake Michigan Conference.

CHARLEVOIX

CHARLEVOIX — The Rayders look to another strong season as they only lost two starters to graduation, including All-State selection Tommy Zipp, but coach Allen Telgenhof returns a talented bunch, led by senior Shane Sutherland and juniors Nate Moon, Noah Certa and Will Telgenhof.

Sutherland (7-0 last season) and Moon (4-0) will lead the pitching rotation, while sophomores Austin Putman and Hunter Cox will be looked upon to log some innings as will senior Logan Eckhardt and junior KeNan Borths.

Will Telgenhof will return to his position behind the plate, and a solid infield of senior Luke Klinger at first, Cox or Putman at second, Moon or Sutherland at shortstop and senior J.J. Bottomley at third.

The outfield will be anchored by All-State selection Certa in center, while Cox, Putman and Eckhardt are all vying for the other outfield positions.

“We went 27-3 last year and won our first conference and district championships in years,” coach Telgenhof said. “The team has set even higher goals for this season, though they know how hard they have to work to stay on

top. We have a great group of guys, led by our tri-captains Sutherland, Klinger and Eckhardt.”

EAST JORDAN

EAST JORDAN — The Red Devils have high expectations this season, as they return seven starters from their 2013 district runner up team, lead by All-State senior outfielder Tim Schut.

Also returning for East Jordan are Jordan Peterson and Wyatt Crick in the outfield. The infield returnees are senior Oscar Scheier at third base, senior Dustin Hejka at shortstop and junior Noah Raymond at second.

Senior Jaden Hoffman and junior Herschell Sutton are in the hunt for playing time at first base after the graduation of three-year all-region selection Zach Shepard.

“I am very comfortable with either of these young men at this position and feel they will be pushing each other all season long,” coach Tom Reid Jr said.

Junior Tucker Alward returns as the Red Devil catcher and his flame-throwing right arm will be counted on as one of the East Jordan pitchers this season as is sophomore Colin Petrie. Hejka,

Scheier, Raymond, and Sutton will all be called on to pitch from time-to-time as well.

Junior Bailey Sargent looks to see significant time in the outfield when Alward pitches as Peterson will assume the catching duties, while other newcomers include; seniors Joey Russell and Tyler Goodburn, along with juniors David Isham, Michael “Doc” Suess, and Alex Crawford.

“I really expect for us to contend for the Lake Michigan Conference this season,” coach Reid said. “Our lineup top to bottom is solid and fast. When you can return seven starters from your previous season, you have a great deal of confidence in what to expect of your team. Hejka and Scheier were both all-district selections last season as juniors as each hit over .300 and Schut was all-everything hitting .491 last year as a junior. All three of these boys have seemed to relish the role as our senior leaders as well as Jaden Hoffman. Many of these young men have been to various camps since last season and the hard work looks to be paying off in their swings and their confidence. We should be much improved from the 8-14 team we were last season.”

Question & Answers About Selling Real Estate

Top 10 Home Closing Checklist Tips for Sellers

Compliments of Mike Stark, Coldwell Banker Schmidt Realtors East Jordan. (231) 536-7700

It doesn't matter whether you are selling your home as a short sale or as a traditional seller, your checklist for home selling is identical. There are certain things on a home selling checklist that every responsible seller should do.

You would utilize your home closing checklist after all of your personal belongings and furniture has been moved. Although, not every seller is required to prior to or on the day of closing, most home sellers find that they can't begin to wrap up the process until everything is removed from the home.

PART 1 OF 2

CLOSING CHECKLIST TIP #1: RETAIN EXECUTED SELLER DISCLOSURES, PURCHASE CONTRACT AND ADDENDUMS

Ideally, you will receive a complete closing package by your escrow officer or closing agent. But you could also find some of these documents scattered about in your car or at your office. Keep all of these documents in

a safe place. It's conceivable you could need them again, especially if a bill was unpaid or the buyer challenges something and hires an attorney.

CLOSING CHECKLIST TIP #2: CLEAN THE HOUSE

If you don't have time to clean, hire a professional cleaning service. How clean to leave a house is often personal preference. It's not always necessary to shampoo the carpets, but that's a nice touch. This also means wipe down cabinets, inside and out. It doesn't hurt to make your last impression on the buyer a good one by polishing sink fixtures. Leave your home the way you, as a buyer, would like to find it.

CLOSING CHECKLIST TIP #3: TURN OFF SHUT-OFF VALVES

If you have disconnected a washer, for example, make sure the shut-off value is completely turned off because a small drip, drip, can eventually flood a home. Some sellers shut off the valves to all water sources such as sinks, toilets and dishwashers, too. Leave a note for the buyers so

they won't call a plumber when the water won't turn on.

CLOSING CHECKLIST TIP #4: ATTEND THE FINAL WALK-THROUGH

There are so many quirks that only a home seller knows, and you could pass on these tips to a new home buyer during the final walk-through. Things like which light switch operates the lights, whether a door sticks, or how to clean a swimming pool. I like to ask sellers what they always wanted to do for a home improvement project but never got around to doing.

CLOSING CHECKLIST TIP #5: CANCEL YOUR INSURANCE POLICIES

Wait until you know the deed has recorded or title transfer has formally occurred before you call your insurance agent. You should receive a refund from a prepaid premium for your homeowner's insurance.

The 2014 GMC Sierra Denali was named to Ward's 10 Best Interiors of 2014. The Sierra Denali's high-tech interior starts with exclusive metal and wood trim. Standard features also include two eight-inch screens with an exclusive reconfigurable instrument cluster; IntelliLink with voice commands; five standard USB ports; and front and rear park assist. 2014 GMC Sierra Denali Named to Ward's 10 Best Interiors

Editors cite luxury pickup's comfort, quietness, safety features and technology

The new 2014 GMC Sierra Denali pickup truck is a cut above the rest. In addition to being the most powerful, most advanced and most refined truck in the brand's 111-year history, today it was named to Ward's 10 Best Interiors of 2014. Premium materials, strict attention to detail and purposeful technology define the Sierra Denali's advanced cabin, elevating the expectations of luxury in a pickup truck.

"It's a stunning departure for a full-size pickup interior and it breaks all the tired stereotypes about pickup truck cabins," said Drew Winter, editor-in-chief, WardsAuto World magazine.

Evaluating over 40 vehicles in two months, Eight WardsAuto editors assessed the interiors during routine commutes in and around metro Detroit. Editors used score sheets to rank the entries on features such as ergonomics, driver information, fit-and-finish, materials, value, safety, comfort and design harmony.

"Our mission with the GMC Sierra Denali was to achieve bold refinement and set the new standard for a premium cabin

experience that offers the comfort and technology our customers expect and demand," said Helen Emsley, executive director of Global GMC Design and User Experience. "We are working very diligently to raise the bar on all of our interiors across the GMC portfolio, so this is validating for the work we have done and our strategic direction."

Sierra Denali's interior begins with a focus on usable and productive space, featuring an upright instrument panel designed for visibility and ideally placed controls. New soft-touch materials and aluminum trim line the fresh interior.

"The Sierra Denali foregoes traditional luxury cues such as wrinkled leather and wood for a modern, sophisticated pickup interior with real aluminum trim," Winter said.

Engineered to provide a quiet and comfortable experience, rich, leather-appointed seats stay comfortable for long hours on the road, thanks to new dual-density seat foam. The driver and front passenger enjoy 12-way power-adjustable bucket seats that include heat and cooling

functions.

Sierra Denali's high-tech interior also features an exclusive eight-inch Customizable Driver Display that can show relevant vehicle settings, audio and navigation information in the instrument panel. Its standard eight-inch Color Touch navigation radio with IntelliLink, located above the center console, serves as the main hub for Bluetooth-connected phones and portable devices connected through five standard USB ports.

"Technology is featured everywhere, from the reconfigurable LCD gauge cluster to the latest active safety systems, but it's also loaded with practical storage space and easy access to multiple USB, 12V and 110V outlets right up front," said Winter. "The heated and cooled seats are fabulously comfortable on long drives and the triple-sealed doors make the Sierra Denali the quietest pickup cabin we've ever experienced."
