#### East Jordan 8-12, Newberry 5-2

EAST JORDAN — The East Jordan softball team spotted Newberry four runs before things started clicking and they rebounded for a hard-fought 8-5 non-conference victory in game one, and came back with a 12-2 win in the nightcap on April 16 in chilly and light snowy conditions.

In the opener, Newberry pushed two runs across in the top of the first and then added another two in the top of the third before the Red Devil offense came to life.

EJ responded with four runs of their own in the bottom of the fourth and added another four spot in the fifth inning to take a 8-4 lead. The Indians battled back for a solo run in the top of the sixth but could get no closer as Red Devil junior pitcher Lindsay Schroeder limited them to five hits, walking two, while striking out 14.

"(Lindsay) Schroeder pitched great and our defense was solid," East Jordan coach Meg Kitson

At the plate, Schroeder was also a force, pounding out a pair of triples and four RBI's, while Lindsey Graham added two hits and an RBI.

"I'm really impressed with this win," coach Kitson added. "We

were down by four and really fought back. This was a tough win in very poor, cold weather conditions."

In game two, the East Jordan rallied around pitcher Tori Goodrich, putting up three runs in the first, before adding six in the second, two in the third and a single run in the fourth in the

mercy-rule shortened five inning contest that the Red Devils won

Goodrich kept the Lady Indian hitters off balance, limiting them to five hits, two walks and a pair of fourth inning runs, while fanning seven on the night.

"We really got out to a great start early in game two," coach Kitson said. "That took a lot of pressure off Tori (Goodrich) and she pitched well."

The Red Devil offense was led by Tommie Outman with three hits, while Lindsey Graham added two, including a triple. Goodrich and Schroeder both added doubles and Kayly Zimmer singled.

Graham finished with two runs batted in, while Outman, Schroeder and Zimmer added one apiece.

"It was good to get a couple of wins today, playing in the super cold," the coach said. "The girls played well and made plays when we needed them."

#### East Jordan 6-3, Newberry 5-3

 ${\tt EAST\,JORDAN-The\,East\,Jordan}$ baseball team got things off to a good start in picking up a 6-5 opening win over visiting Newberry on April 16. The teams battled to a 3-3 tie in the nightcap, called due to darkness and weather conditions.

In the opener, Dustin Hejka earned the pitching victory, tossing a gritty five innings of work, allowing four runs on three hits, while striking out four and walking seven in the 36 degree conditions.

"These young men really gritted out this win this evening," East Jordan coach Tom Reid Jr. said. "I know they probably couldn't feel their fingers by the end of the first game, I know I couldn't."

The Red Devils jumped out to an early 6-1 lead, and then had to hold on as the Indians battled back to pull within one, 6-5, with a four-run fourth inning.

Hejka also paced the EJ offense, pounding out a pair of hits, scoring twice and swiping three bases. Noah Raymond added an RBI single, while Colin Petrie also had

Tim Schut finished with a pair of RBI's on a groundout in the first and a sacrifice fly in the third inning.

"(Dustin) Hejka pitched a great game and when the boys got on base, they got around to the plate to make it count," coach Reid added. "We stole 11 bases as a team and that speaks a lot for the conditioning work the boys have put in all year long through every sport they've partici-

In the shortened game two, Newberry

got things rolling early as they pushed across three runs in the top of the first, but the Red Devils wouldn't be outdone as they fought back with solo runs in second, third and fourth innings to tie the game at 3-3 before the game was called by the umpiring crew due to darkness and dropping temperatures.

Noah Raymond was on the mound for East Jordan, allowing two earned runs on only two hits, fanning eight and walked

Red Devil junior, Herschell Sutton with

a pair of key RBI hits, one in the second and the other in the fourth, scoring Raymond who led off the inning with a single, and Schut had the other RBI on one hit.

The boys should be proud of their efforts tonight," Reid Jr. said. "They played good team baseball, Raymond and Hejka pitched well, and all 15 boys put in a yeoman's effort in frigid temperatures while gritting through the games tonight. Newberry has a very solid team and we were equal to the task, I'm quite pleased."

#### Charlevoix 15-16, Pellston 0-1

EAST JORDAN — The Rayder baseball team rebounded from a loss earlier in the week and took it out on Pellston as Charlevoix swept the non-conference doubleheader, 15-0, 16-1 on April 19, with the help of a few Rayder home runs at the East Jordan High School baseball field.

Game one saw Austin Putman toss three innings of one hit ball in picking up the win in the mercy shortened game, Putman struck out four and walked one.

At the plate, Putman led the way with two hits, including a double and four RBI's, while Nate Moon and Will Telgenhof hit home runs to combine for another three RBI's. Luke Klinger doubled among his two hits and Hunter Cox added a pair

"We had our first nine batters all reach base without an out being recorded in game one," Charlevoix coach Allen Telgenhof said. "Our first out was a sacrifice fly, then batting for the second time in the inning, Will Telgenhof and Nate Moon hit back-to-back homers to make it 11-0."

In game two, not much changed as the Rayder seemed to be clicking on all cylinders, scoring four times in the first, adding a ten spot in the third and a pair of runs in the fourth to force another mercy.

Logan Eckhardt went the distance for Charlevoix, tossing four innings, allowing one earned run on four hits, walking one

and fanning four. Charlevoix's offense was led by Putman with two doubles and three RBI's, while Moon added his second round tripper of the day, this time a three-run bomb. Cox added two hits, Shane Sutherland tripled; KeNan Borths, Will Telgenhof and Christian Matye all singled.

"After a tough split with Grayling on

Thursday, everything went our way today," coach Telgenhof said. "Pellston has a real young team and our guys took advantage of their mistakes and hit the ball well. Our pitchers threw the ball well, and it was especially nice to see Logan (Eckhardt) do so well in his first game on the mound this year."

"I really want to thank Phyllis Olszewski and Tom Reid, East Jordan's athletic director and coach, for letting us use their field to play since ours still isn't playable. It was really great of them to host us."

The Rayders also stole 20 bases on the afternoon.

"I thought we played a nice first game and Nate (Moon) was dominant again on the mound for us," Rayder coach Allen Telgenhof said. "He pitched especially well with numbers on base."

In the nightcap, Grayling rebounded with a 13-3 victory, courtesy of 14 hits.

"The wheels fell off," coach Telgenhof said. "We had some uncharacteristic errors at tough times which gave them some extra chances and extra bases, but give Grayling credit, they really hit the ball

Bottomley worked three innings of relief, allowing four runs on five hits, fanning two and KeNen Borths gave up three runs on two hits and struck out a pair in one inning of work

"For us Noah Certa and Nate Moon led the way offensively and Will Telgenhof did a great job defensively," the coach added. Certa and Moon finished with two hits

each, while Will Telgenhof and Luke Klinger each singled.

Charlevoix is 4-2 overall, 1-1 LMC.

# From acid baths to Power Hop Hill, 10 ways Ford torture-tested the 2015 F-150

The all-new 2015 Ford F-150 has already scaled the highest points of the Continental Divide and experienced the most extreme weather conditions as Ford has set out to engineer its toughest truck yet. Before the first 2015 F-150 rolls off the assembly line, it will have been subjected to 10 million miles of combined realworld and simulated durability

"We wanted to build the toughest, most capable F-150, while making it as much as 700 pounds lighter," said Pete Reyes, Ford F-150 chief engineer. "We challenged the team to torture the truck harder than any F-150 be-

The new F-150 towed trailers over mountain passes in temperatures above 120 degrees, withstood frame-punishing terrain on an off-road course and conquered a frozen lake at minus 40 degrees. It endured high-humidity chambers, salt vats and riverbeds. The F-150 towed heavy loads up grueling, steep roads. Robots slammed its doors and tailgates, and dropped heavy objects onto the bed of the truck. It persevered through twisting and shaking from multiple directions.

Some Ford tests are so extreme that a five-day period equals 10 years or 150,000 miles of abuse by the roughest customers. Reyes is quick to remind customers that the extreme tests Ford runs are conducted in controlled settings. "I discourage anyone from trying to create their own top 10 list," he said. "Leave the testing to us."

The all-new F-150 has been through hundreds of torture tests. including:

- Seven-channel input: Ford built a special torture rack that violently twists and shakes the

truck seven ways - simultaneously – for five days, simulating the equivalent of 225,000 miles. This testing isn't random. After running a fully instrumented truck through durability courses, engineers recorded the forces the road surface put on various vehicle components. Those forces are replicated in seven channels - four up and down, two side to side and one lengthwise down the center. The frame and body are stressed to see how well the truck performs in situations that might bend the frame.

- Silver Creek: The famous Silver Creek durability course in Romeo, Mich., combines two extremely rough roads. One section of the route has 15 distinct types of chuckholes, while the other is made from broken pieces of concrete. Test drivers beg off this route after one pass because the pounding and speed is so intense. Imagine hitting a crater-sized pothole every five feet for miles going 20 mph. With this road surface, 500 miles is equal to 20,000 miles on the country's roughest

- Power Hop Hill: This wash-

board Ford test track in Romeo was created to replicate a steep, off-road dirt trail in the Hualapai Mountains of northwest Arizona. The severe 11 percent grade - steeper than the final section of most ski jump ramps – stresses engine and transmission components when the wheels lose contact and then return to the surface.

- Corrosion bath: The 2015 F-150 is the first high-volume vehicle with a high-strength steel frame, and body panels made of high-strength, aluminum alloy the same material used to make armor-plated tanks and navy warships. An advantage aluminum has over steel is that it doesn't produce red rust. So Ford had to go beyond the usual tests that include driving vehicles through countless salt baths and soaking them in high-humidity chambers. The company developed a modified corrosion test using an acidified spray to be more aggressive on the highstrength, aluminum alloy. After simulating 10 years of exposure, the aluminum material showed virtually no signs of degradation.

### Top 10 Home Closing Checklist Tips for Sellers

Compliments of Mike Stark. East Jordan. (231) 536-7700

SCHMIDT REALTORS

It doesn't matter whether you are selling your home as a short sale or as a traditional seller, your checklist for home selling is identical. There are certain things on a home selling checklist that every responsible seller should do.

You would utilize your home closing checklist after all of your personal belongings and furniture has been moved. Although, not every seller is required to prior to or on the day of closing, most home sellers find that they can't begin to wrap up the process until everything is removed from the home.

#### Part 2 of 2

#### **CLOSING CHECKLIST TIP #6: CANCEL OR TRANSFER UTILI-**TIES, STOP THE NEWSPAPER

Make up a list of phone numbers in advance of each of your utility companies. Not every utility is always paid monthly, some are quarterly. If you subscribe to the newspaper, you might have to order your cancellation a week or more in advance to stop newspapers from piling up in the front yard.

#### **CLOSING CHECKLIST TIP #7: GATE KEYS, MAILBOX KEYS**

Even though the buyers will probably change the locks, find every house key, remotes for the garage or ceiling fans, keys to the gate and mailbox, if any, and put them in a kitchen drawer.

#### **CLOSING CHECKLIST TIP #8: ASSEMBLE APPLIANCE MANU-**ALS, RECEIPTS AND WAR-**RANTIES**

As you were packing, you may have come across manuals for the HVAC, security or sprinkler system or appliances, and set them aside. If you have receipts from contractors or warranties, put them into an envelope and leave them in a drawer with the manuals, along with the code for the security alarm.

#### **CLOSING CHECKLIST TIP #9: CHECK CABINETS, DRAWERS AND STORAGE**

If your spouse or friend says she has gone through every room with a fine tooth comb looking for anything left behind, run one more check. You may find nothing more than a razor in the shower, but at least you'll be able to shave in the morning. It will give you peace of mind. I once forgot a black felt hat I loved, which was adorned with long peacock feathers, on the top shelf of a closet and never got over that loss.

#### **CLOSING CHECKLIST TIP #10:** CLOSE DRAPES / BLINDS, TURN OFF LIGHTS AND LOCK THE DOOR

You would think this would be a given, but you'd be amazed at how many people forget to close up the house. If nobody can see inside, the odds of someone breaking in declines. If the home will be vacant for a long time, consider leaving behind an inexpensive lamp on a timer.
