## Lady Ramblers roll past Rayders

### Boyne pounds out 31 hits in the twinbill

By Chris Fiel

Boyne City 19-18, Charlevoix 4-3

CHARLEVOIX — It was a rainy and cool evening in Charlevoix, but that would do nothing to phase the Boyne City softball teams hot hitting, as the Lady Ramblers pounded out 31 hits in the Lake Michigan Conference doubleheader, en route to a 19-4, 18-3 sweep of rival Charlevoix on May 2.

The two teams would test each other in the first inning, as both would put a three spot up on the scoreboard in what looked to be an offensive showcase for both squads. Boyne would add another four runs in the second, while the Ramblers would blank the Rayders in the bottom half of the inning.

The third inning however is where the Rambler bats really woke up, Boyne City would blast five hard shots in the inning along with capitalizing on three consecutive Charlevoix errors and add an additional eight runs to push their lead to 15-3 lead through three and a half innings of play.

Charlevoix would score their final run of the contest in the bottom half of the third, and the Ramblers would add four more runs in the top of the fifth inning for their final tally.

Katelyn Banner finished 3-for-3 at the plate, including a double to lead the 16 hit Rambler attack.

Paige Hornbeck added three hits, while Hannah Hoth and Emma Shumaker each pounded out two hits as well. Celena Brzezinski and Emma Vondra both tripled, while Brooke Fouchia, Lauren Richards, Amber Weiss and Jordan Weiss each added a single.

"We hit the ball well," Rambler coach Sandy Clausen said. "We did have a few errors, but compensated by hitting the ball hard."

Shumaker picked up the win in the circle, allowing five hits, while fanning four and walking two.

Charlevoix got singles from Yogi Hang, Skyley Herriman, Kelsey Pischner, Nicole Peterson and Paige Bradley.

Hang took the pitching loss for the Rayders, allowing 16 hits, four walks and three strikeouts.

inning lead, but that's all they would get as the Rambler combination of solid defense and the pitching of Shumaker would shut them down the remainder of the contest.

Shumaker would finish with six K's, five walks and allow six hits, in picking up the W for Boyne.

The Rambler offense was led by Banner with four hits, including a double as she batted 1.000 on the day for Boyne.

Shumaker and Fouchia

added three hits each, with two of Shumaker's hits doubles. Richards added two hits, Hornbeck tripled, Jordan Weiss doubled and Hoth singled.

Gabby Gray and Hang led the Rayders with two hits apiece, including a double by Gray. Nicole Hart doubled and Peterson added one hit.

Hang took the loss in the circle, allowing 15 hits, walked four and struck out three.

### Announcing the 2nd Annual 5K/1mile Fun Run/Walk Fundraiser for D.A.R.E.

The Boyne City and East Jordan Police Departments are pleased to announce the 2nd annual D.A.R.E. (Drug & Alcohol Resistance Education) 5k/1 mile Fun Run/Walk fundraising event, to be held on Saturday, May 24, 2014. Last year this event replaced the D.A.R.E. golf Tournament which would have celebrated its 26th anniversary this year. The Charlevoix County D.A.R.E. Association was looking for an event that would be more family friendly and involve the kids that the D.A.R.E. program benefits.

The DARE program is presented to 5th grade students and focuses on drug and violence prevention through safe and responsible decision making. The D.A.R.E. program fosters a strong positive relationship between schools, law enforcement, and the community.

The run will begin and end in Sunset Park (behind the Chamber of Commerce) in Boyne City. Registration will begin at 7am and the run will start at 8am. The course of the race will proceed southbound on Front St to Lakeshore Dr and along the lake to just inside the city limits. Water, coffee and snacks will be provided for participants.

The cost to participate in the event is \$20.00 for individuals pre-registered by May 10, 2014 or \$25.00 after May 10th or the morning of the event. There is also a family rate of \$45.00 per family if registered by May 10th and \$50.00 after May 10th or at the event. For students who wear their D.A.R.E. T-shirts, the cost will be \$5.00. T-shirts will be guaranteed for the first 100 registrants.

If you are interested in registering for the run or getting more information about the run, or about the D.A.R.E. program, please contact a local D.A.R.E. Officer. They can be reached at the following numbers; Officer Dan Mercer of the Boyne City Police Dept. at 582-6611; Officer Clyde Payton of the East Jordan Police Dept. at 536-2274 or email boynecitypd@yahoo.com. Registrations forms are also available at both Boyne City and East Jordan Police Departments and the Chambers of Commerce in both East Jordan and Boyne City or on the following websites; www.boynecity.com, www.eastjordancity.org, www.boynechamber.com, or www.ejchamber.com. If you can not participate, but still wish to support the D.A.R.E. Program, donations will be accepted.

During the time of the race it will be necessary to close Front St from the city limits to Water St. Lakeshore Dr will also be closed from Advance to Front St. Traffic for Lakeshore Dr will be rerouted to Wilson and Marshall Roads. Roads should be reopened by 9:30am. We want the public to be aware of this so they have time to adjust their schedules.

The proceeds from the fundraiser are used to purchase educational materials, train D.A.R.E. officers, purchase graduation supplies and instructional equipment used for the D.A.R.E. program.

## Red Devils fall to Bulldogs, Snowbirds

By Chris Fiel

### East Jordan 4-0, Inland Lakes 8-1

INDIAN RIVER — The Lady Red Devil softball team fell to Inland Lakes in a non-conference matchup on May 2.

In the opener, EJ was able to score four times in the top of the third to pull even after the Bulldogs scored four times in the second, but the tie wouldn't last long as Inland Lakes added two runs in each of the next two innings for an 8-4 win.

Lindsey Graham tripled to lead the Red Devil offense, while Taylor Kroush and Kayly Zimmer each doubled and Lindsay Schroeder added one hit.

Tori Goodrich took the loss in the circle, allowing seven hits, walking four and fanning two.

In the nightcap, East Jordan, 6-8 overall, got a no-hit pitching performance from Schroeder, but the Bulldogs took advantage of the only walk allowed by her as she eventually came around to score the games lone run.

Schroeder also struck out three in the contest.

The Red Devils were able to pick up three hits of their own as Goodrich, Zimmer and Stephanie Buckholz all singled.

"Too bad we couldn't win this no-hitter," Red Devil coach Meg Kitson said. "Lindsay (Schroeder) pitched well, but we couldn't secure the win. Our bats didn't show up today."

### East Jordan 0-2, Gaylord St. Mary 6-5

GAYLORD — The East Jordan softball team ran into a tough St. Mary, falling 6-0 and 5-2 in a pair of non-conference ballgames on May 1.

In game one, Lindsay Schroeder took the pitching loss as she struck out five, walked three and allowed six hits, as the Snowbirds scored twice in the third and added four runs in the bottom of the fourth.

In game two, the Red Devils got on the board first, scoring both of their runs in the top of the first, but weren't able to make it stand before dropping the contest 5-2.

Tori Goodrich took the loss, allowing four hits, walking seven and sticking out four.

Lindsey Graham singled twice to lead the offense, while Goodrich, Outman, Madi Peterson and Schroeder each finished with one hit apiece.

"Game two, we had a lot better effort," Meg said.

EJ is 6-6 overall, 3-3 Lake Michigan Conference.

# EJ earns split with Inland Lakes, Drops pair to St. Mary's

By Chris Fiel

### East Jordan 1-16, Inland Lakes 6-1

INDIAN RIVER — East Jordan recovered from an opening game loss to salvage game two against Inland Lakes on May 2 in a non-conference matchup.

In the opener, the Red Devils were limited to three hits, singles by Oscar Scheier, Jordan Peterson and Colin Petrie.

Junior Tucker Alward took the loss on the mound allowing just four hits, the big blow was a grand slam by Bulldogs catcher Trevor Mallory, while striking out 10.

In game two, EJ compiled 18 hits en route to the 16-1 victory. Senior Tim Schut blasted a pair of home runs, singled twice and finished with seven RBI's to pace the offense.

Peterson and Herschell Sutton each added two hits, including doubles and two RBI apiece; Scheier, Alward, Petrie, and Noah Raymond all singled twice, while Dustin Hejka

and Wyatt Crick added one hit each. Sutton earned the pitching victory for the Red Devils, taking a no-hitter into the last inning only to see it broken up on an infield hit to deep short. Sutton walked four and finished

with eight K's. "The guys put together probably their best night of baseball all year," Red Devils coach Tom Reid Jr. said. "We lost game one but we only struck out three times collectively as a team. Hats off to the Bulldog defense as they made play after play on us. As a team, we only made two errors all evening as well. Errors have been our Achilles heel all season to this point and to see two games played pretty much mistake free was a breath of fresh air for us. Not to mention, the bats woke up in game two. I've been waiting to see that from the boys all year! Schut put on a show for us and Alward and Sutton both pitched very well." East Jordan is 4-9-1 overall.

### East Jordan 6-3, Gaylord St. Mary 13-7

GAYLORD — The Red Devils baseball team dropped a pair of non-conference baseball games to Gaylord St. Mary on May 1, falling 13-6 in the opener and 7-3 in game two.

In game one, the Red Devils were only able to connect for five hits, lead by a Colin Petrie double.

Dustin Hejka, Tim Schut, Noah Raymond and Wyatt Crick all singled for East Jordan.

Hejka took the pitching loss, with relief help from Petrie.

In the nightcap, EJ was once again limited to five hits, led by a pair of singles and two RBI's from Schut, while Petrie, Raymond and Jordan Peterson added one hit apiece.

Peterson took the loss, allowing four earned runs, fanning four and walking seven. The Red Devils fall to 3-8-1 overall on the season.

# Rayders top Ramblers

By Chris Fiel

### Charlevoix 2-7, Boyne City 1-6

CHARLEVOIX — The Charlevoix baseball team had to dig deep against Lake Michigan Conference rival Boyne City, overcoming deficits in both contests, before they would earn a sweep of the Ramblers at Shanahan Field in Charlevoix on May 2.

Noah Certa hit his second double of the contest with one out in the Charlevoix half of the fifth inning, then stole third and scored on a wild throw from the Rambler catcher to give the Rayders a 2-1 victory.

Certa and Will Telgenhof finished with two hits apiece, to lead Charlevoix, while Shane Sutherland and Christian Matye added one hit each.

Nate Moon earned the pitching win for the Rayders, allowing one earned run on three hits, walked four and struck out seven.

In game two, Will Telgenhof scored the winning run on a drawn in Boyne City infield throwing error to give Charlevoix the win.

Trailing 6-5 entering the bottom of the sixth, Charlevoix's Certa singled to left to lead off the inning, he would move to second on a wild pitch and would score on a Will Telgenhof double.

Moon was intentionally walked, putting runners at first and second for the Rayders. Following a double steal, Austin Putman was intentionally walked to load the bases, and that's when Sutherland hit a hard grounder to a drawn in BC infield, plating Telgenhof for the Charlevoix win.

"They were two exciting, well played games," Charlevoix coach Allen Telgenhof said. "Boyne has a nice team and those were two quality wins for us. In game 2, Christian Matye, a freshman making his first start in centerfield made a game saving catch to end the 5th inning and save two runs from scoring. It really gave us a lot of momentum and turned the game around."

The Rayders are 12-4 overall, 5-1 in the LMC, while Boyne is 2-4, 1-4.

# Ramblers fall to Gladiators

### Boyne City 2, TC St. Francis 4

BOYNE CITY — Traverse City St. Francis and Boyne City supplied some bonus baseball in a hotly contested opening game in a Lake Michigan Conference battle that ultimately saw the Gladiators pull out a 4-2 win on April 29.

Boyne City, 2-2 overall, 1-2 conference, got two hits each from Max Cuper and Dalton Gardner.

Rambler hurler, Jordan Fair struck out five in five innings of work for Boyne, while Derek Willis took the loss in relief.

Game two was called due to darkness.

# JV Rayders earn split

### Charlevoix JV 5-3, Boyne City JV 4-3

BOYNE CITY — The Charlevoix JV baseball team improved to 6-1 on the season with a split in Boyne City on May 2.

In the opener, the Rayders were able to come out on top 5-4, despite being limited to one hit, that being courtesy of Brad Klinger.

Jordan Adkins earned the pitching win, with Mason Louiselle recording the save for Charlevoix.

In the nightcap, the Ramblers would respond with a 10-3 victory.

Charlevoix got hits from Adkins and Cam Alden, while Klinger crossed the plate twice and stole a base.

## SOCCER

# Rayders tie Blue Devils, shut out Kalkaska and Grayling

By Chris Fiel

### Charlevoix 1, Gaylord 1

CHARLEVOIX — The Rayder soccer team played to a 1-1 tie against the visiting Gaylord Blue Devils at Shanahan Field in Charlevoix on May 2 as the high school fields were unplayable due to the recent weather.

The first half ended with neither team able to put anything on the scoreboard.

Gaylord struck first in the second half as Brandi Wagner found the back of the net off a combination of Blue Devil passes.

Later in the half, Rayder sophomore Kelsey Engstrom was fouled in the box while attempting a breakaway scoring opportunity, resulting in Charlevoix being awarded a penalty kick.

Junior midfielder Elizabeth Way used that opportunity to nail a kick to the lower left corner of the net, just out of reach of the Gaylord keeper, knotting the score at 1-1. That would be the final score of the contest.

"I was extremely proud of our girls tonight," Charlevoix coach Pete Scholten said. "Gaylord is a very talented Big North team. Our girls really played a great game. Defense came through big tonight. Senior sweeper Kaitlin Hinkley was lights out! She had a great game shutting down many of Gaylord's opportunities. Freshman outside back Beth Veenstra also came up big for us tonight. Beth was battling an in-

jury and was able to play through it and really did a great job. Junior stopper Olivia Storm also played a tough middle for us tonight."

The Rayders are now 8-3-1 and 7-1 in the Lake Michigan Conference.

### Charlevoix 8, Kalkaska 0

KALKASKA — The Charlevoix girls soccer team pulled out all their weapons as they rolled by Kalkaska 8-0 on May 1 in a Lake Michigan Conference contest.

The Rayders finished with 26

shots on goal.

Freshman forward Julia Doskoch got the Rayders on the board first at the 36:19 mark, taking a pass from forward Kelsey Engstrom.

Less than two minutes later, senior forward Katie Kiteley scored an unassisted goal. Kiteley then found Doskoch in the middle, where she was able to finish the play for a 3-0 Charlevoix lead at 32:13.

The Rayders would also get first half goals from Grace Whitley and Leah Davis to make it 5-0 at the half.

Kiteley would open the scoring

in the second half for the Rayders, while Leah Davis and a header by Kelsey Engstrom would finish the scoring for Charlevoix.

Doskoch and Kiteley added one assist each, while Kylee Scholten added two.

Junior keeper Gloria Greene earned the shutout with one save on goal as the Rayders improved to 8-3 overall, 7-1 conference.

### Charlevoix 6, Grayling 0

GRAYLING — Charlevoix's Leah Davis would score three

times in leading the Rayders to a 6-0 Lake Michigan Conference soccer victory over Grayling on April 28.

Davis scored her first goal at 24:19 of the first half on a pass from midfielder Elizabeth Way.

The next three Charlevoix goals would come on corner kick passes from sophomore Kylee Scholten. Finishing on Scholten's corners at 21:11 was freshman forward Julia Doskoch, at 16:23 was Elizabeth Way and at 11:36 was sophomore forward Kelsey Engstrom.

Davis would score her final first half goal with 30 seconds left, on a pass from junior forward Grace Whitley, making it 5-0.

Davis would add her final goal of the night at 7:22 of the second half off a pass from Scholten.

"Our offense did a great job tonight using the entire field," Rayder coach Pete Scholten said. "This was one of our best finishing performances. The girls had a great first half and were able to string together many nice combinations and complete our corner opportunities. Grayling is a quality team. They are aggressive and fast to the ball. I'm pleased we were able to execute well against them."

Kylee Scholten's four assists in the game tied the school record for assists in one game.

Sophomore keeper Gloria Greene made three saves in goal for the shutout to help the Rayders improve to 7-3 overall and 6-1 conference.

## All-New GMC Canyon Brings Safety Firsts to Midsize Trucks

Active safety technologies and patent-pending child restraint safety feature

The 2015 GMC Canyon with segment safety firsts including a patent-pending child safety feature. Utilizing the rear jump seat headrest on the passenger side of the extended cab Canyon, the base of the jump seat can be extended to meet NHTSA's recommendation by removing the headrest and inserting it horizontally. PHOTO © GENERAL MOTORS.

When the all-new 2015 GMC Canyon launches this fall, it will not only bring a full payload of midsize truck segment-leading capabilities, but segment safety firsts including a patent-pending child safety feature. Smaller jump seats found in extended cab midsize trucks may have too little lower seat cushion length to meet many child restraint manufacturer's recommendation to have at least 80 percent of the child restraint base fit on the seat cushion.

General Motors' engineers have designed a patent-pending solution for the 2015 Canyon extended cab to help keep kids in child restraints safer in a collision. Using the rear jump seat headrest on the passenger side of the extended-cab Canyon, the jump seat cushion can be extended by removing the headrest and inserting it horizontally into the seat base. This helps the extended-cab Canyon satisfy the seat base recommendation of most child restraint manufacturers.

"It's an elegant solution that makes efficient use of the limited space in the rear seat in this type of vehicle, by allowing us to adapt the seat cushion length for child restraint installation," said Eduardo Bugelli, safety performance team lead. "The additional seat cushion length provides more support to the child restraint, which helps to reduce the rotation and the risk of injury in a crash."

In addition to this patent-pending design, the all-new Canyon will be the first midsize truck to offer Forward Collision Alert and Lane Departure Warning technology as part of the available Driver Alert Package. Forward collision alert technology helps prevent frontal crashes by alerting the driver when the truck is closing in on a vehicle ahead too quickly, giving the driver additional time to react

and avoid a crash. Lane Departure Warning technology can alert the driver when the truck drifts over a lane line when traveling at least 35 mph.

In a collision, the Canyon's all-new cab structure is made from over 70 percent high-strength steel to better protect its occupants. It also comes standard with six air bags, including head curtain side air bags that can also reduce the risk of occupant ejection.

Safety and convenience technology continues with a standard rear vision camera and available next-generation IntelliLink infotainment system. IntelliLink can seamlessly integrate the capability of a smartphone into the vehicle so that hand-held phones may be safely stowed while driving. Features such as smartphone voice recognition pass

through, including text message support and Siri Eyes Free, enable the driver to be alerted to new text messages and have them read aloud and respond, depending on the functionality of the smartphone). Siri Eyes Free enables iPhone 4S and iPhone 5 users to access Siri via the steering wheel controls and check calendar entries, have text messages read and respond to them, place calls or call up music. Android phone users can also use the steering wheel controls to access their phone's voice recognition features.

The Canyon will be assembled at GM's Wentzville, Mo., assembly plant. GMC will continue to work on and develop the Canyon until the start of production in fall 2014.

#### Getting prepared to move is half the battle

Part 2 of 5

#### 3 WEEKS FROM MOVE DATE:

Once you've selected a mover, begin by taking inventory of your belongings and their worth and decide

what will be coming with you to your next home.

Tip: Start cleaning out closets, drawers and storage areas of your home and divide things into categories: "pack", "recycle" and "give to friend." You can always have a garage sale or donate old items to charity. This will make packing day a lot easier and you may reduce the total weight you'll be paying for to move.

Tip: If you're moving yourself or

contracting for a self-service move, pack the items you know you won't need until 30 days after the move. It will feel great to get started early.

Tip: If possible, take pictures of rooms and areas inside the home or apartment you'll be moving into so you can start thinking about placement of furniture, artwork and other items. This will help save time, headaches...and money...on moving day.
