### Charlevoix's Telgenhof repeats as Coach of the Year

By Chris Fiel

CHARLEVOIX COUNTY — With the 2014 Michigan High School Baseball State champions crowned over the past weekend, the spring sports season has officially drawn to a close.

The Charlevoix Rayders put together another outstanding regular season, while the Boyne City Ramblers hit their stride just in time for the post-

season, advancing to the regional finals before bowing out to Gladstone, and with East Jordan, Boyne Falls and Ellsworth improving, next season looks like there could be plenty of wins for each program in the Charlevoix County area.

After much deliberation, watching the student-athletes perform, examining all of the nominations from the area coaches, weighing the strength of schedule, head-to-head matchups and statistics, it has

been determined that Player of the Year honors go to Charlevoix junior Nate Moon.

Moon played shortstop as well as pitched for the Rayders. He played in 31 games, pounded out 31 hits, including nine doubles, a triple and three home runs for a .368 batting average. He also swiped 25 bases, scored 32 runs and added 32 runs batted in from the number three spot in the Rayder batting lineup.

"Nate had a great year for us," Charlevoix coach Allen Telgenhof said. "Both on the mound and at the plate."

Nate also had an on-base percentage of .446; a slugging percentage of .579 and an on-base plus slugging percentage of 1.025.

In 16 appearances on the mound, Moon sported a 9-2 win/loss record and converted his only save opportunity. He worked 65 1/3 innings, allowing 44 hits, 22 runs (only 10 earned) for a 1.071 earned run average. Nate only allowed 36 walks and struck out 81 batters.

Joining Moon on the 2014 All-Area baseball "Dream Team" in team order are fellow Rayders; Noah Certa, Austin Putman and Will Telgenhof; Boyne City boasts Max Cuper; Jordan Fair, Tanner Krusel and Derek Willis; Boyne Falls is represented by Marcus Matelski and Andrew Stevens;

East Jordan supplies a trio of players in Tucker Alward, Colin Petrie and Tim Schut; while Ellsworth adds Diamond McPherson and Nate Veldboom to round out the roster.

#### Charlevoix

Noah Certa, junior center-fielder. Certa put together a year that exceeded his second team all-state selection season from a year ago. Noah increased his batting average to .410 this season, finishing with 41 hits in 100 at-bats, including 17 doubles and 17 RBI's from his leadoff spot in the order.

Certa also stole 21 bases and broke his own school record for runs in a season (set last year) with 39. Noah has also been selected as second team All-State for the 2014 season.

Coach Telgenhof credited Noah with anchoring the outfield defense with his play in center.

Austin Putman, sophomore infielder/pitcher. Putman hit .422 for Charlevoix in the clean-up spot, 38 hits in 90 at-bats. Austin had 13 doubles, two triples and three round-trippers. He stole 26 bases, scored 37 runs and knocked in 34 RBI's.

His on-base percentage was .509, with a slugging percentage of .711, good enough to earn him second team All-State as an

infielder.

On the mound, Austin went 3-1 in six appearances, allowing 19 hits, 13 runs (10 earned) in 19 1/3 innings. He fanned 18 batters, while walking 11. He also tossed a one-hitter in a Lake Michigan Conference victory over Elk Rapids.

Will Telgenhof, junior catcher. Will led the Rayders with a .448 batting average this season, finishing one hit and two RBI's away from the Charlevoix single season records for each statistic. He added 13 extra base hits, including 11 doubles, a triple and a home run.

He earned first team All-State as a catcher, scoring 34 runs and driving in 37. Telgenhof also had a .503 OBP, a slugging percentage of .612, and stole 20 bases.

Will also threw out 20 base runners attempting to steal.

#### Boyne City

Max Cuper, junior catcher. Max led the Ramblers with a .439 batting average, going 18 for 41 on the regular season, including four doubles, a triple and a home run and added 10 RBI's.

His on-base percentage was .558, with a slugging percentage of .659, for a OPS of 1.216.

Max is credited by Rambler coach Mark Pontoni as being a solid backstop behind the plate.

Jordan Fair, senior outfielder. Jordan led Boyne with eight outfield assists from his centerfield position. He also batted .333, pounding out 16 hits in 48 trips to the plate.

He finished with 13 RBI's and 13 stolen bases and the Rambler faithful saw his batting average climb to .389 with runners in scoring position.

Fair also spent some time on the mound for BC. He worked 22 innings, going 1-0 with one

save and an ERA of 1.94, while fanning 18 batters and walking 13.

Tanner Kruzel, sophomore pitcher/third baseman. Tanner came on late in the season on the mound and asserted himself as a go-to guy in big game situations. He finished the regular season with a 3-0 record, working 26  $\square$  innings, with an ERA of 1.18, while striking out 38 batters.

Kruzel allowed 16 hits, 16 walks and 13 runs (five earned) while on the hill.

At the plate Tanner finished with a .390 batting average, going 16-for-41, including four doubles, scoring 19 runs and adding eight RBI's. He also stole nine bases.

Derek Willis, sopho-

more pitcher/first baseman. Derek was the workhorse for the Ramblers this season, logging 39 innings on the mound. He finished the regular season with a 5-2 record, allowing 12 runs (eight earned) on 39 hits.

His ERA was 1.28 as he fanned 39 batters and only allowed seven walks.

Offensively Willis batted .380, pounding out 19 hits in 50 plate appearances, adding nine RBI and like his teammate Fair, his average went up to .389 with runners in scoring position.

### Boyne Falls

Marcus Matelski, sophomore pitcher/shortstop. The midfielder finished with a batting average of .376 and went 2-1 with 25

strikeouts on the mound for the 7-3 Loggers.

Andrew Stevens, junior pitcher/catcher. Andrew led the Loggers with a .427 batting average and went 3-2 on the mound this season.

He also threw out 10 runners trying to steal from his place behind the plate.

### East Jordan

Tucker Alward, junior catcher. Tucker hit .303 for the Red Devils this season. He legged out six doubles and finished with 18 RBI's, while swiping 19 bases.

Defensively, Alward was credited by coach Tom Reid Jr. as "A very solid catcher with a bullet for an arm and has nabbed over 50% of at-

tempted base stealers this season."

Colin Petrie, sophomore pitcher/infield. The Red Devils ace was matched up with those of opposing staffs and finished with an 0-4 record.

Colin tossed 39 innings for EJ, striking out 18 and issuing 17 bases on balls and finishing the year with a 2.51 earned run average.

At the dish, Petrie hit .275 and stole eight bases.

"He does an excellent job keeping hitters off balance and deserves much better than the 0-4 record," coach Reid Jr. said.

Tim Schut, senior centerfielder. The second team All-State selection from a year ago, Schut

batted .347 this season, with six doubles and three home runs. He stole 22 bases, scored 24 runs and knocked in 32 RBI's.

He was also credited by coach Reid Jr. with having a phenomenal arm from his centerfield position, leading the team with six outfield assists.

### Ellsworth

Diamond McPherson, senior pitcher/catcher. One of the leaders of the Lancer ball club. Helped lead the team to their first win in three years and sweep of a double header in six to nine years.

Diamond hit .333 for Ellsworth and was a solid wall behind the plate as well as tossing over 10 innings on the mound.

Nate Veldboom, senior first baseman. Along with McPherson, Nate helped lead a young Lancer squad by example. Limited somewhat by an elbow injury, Veldboom played first base like it was his natural position with his vacuum like glove.

Nate also hit .333 for the Lancers.

### Coach of the Year

Allen Telgenhof, Charlevoix.

It would be a tall task for anyone to try and duplicate the season the Charlevoix Rayders en-

joyed during the 2013 campaign, finishing with an overall school record of 27-3, including 14-0 in the Lake Michigan Conference, but coach Telgenhof and the 2014 Rayders were up for the challenge.

"It was a different kind of season with us being a target all year since we had such a successful year last year. Some teams threw their number two pitchers in game one and vice versa looking for a split against us," coach Telgenhof said. "When some teams beat us, they celebrated like they had won the seventh game of the World Series. In short, it was kind of like basketball has been here for a while."

The Rayders finished

with 24 wins, which happens to be good enough for second most in school history, and along the way Charlevoix put up even better offensive numbers in a few categories.

The 2014 Rayders set new records of their own this season, as they scored more runs, with a total of 294, stole 176 bases and recorded 71 doubles. They finished the year with a team batting average of .349, just shy of the season record of .354.

"I would say the highlights included sweeping Boyne City and East Jordan, our county rivals, in the regular season, including a walk-off win against Boyne," coach Telgenhof added. "Another was winning the

tourney at Whittemore-Prescott, beating Hillman who was ranked #4 in Division IV at the time, as well as the hosts, who went to the semifinals last year and the regionals this year."

While this season didn't conclude the way the team would have liked, the Rayders are already looking forward to

next season, as they will return the core group of all-state players; Will Telgenhof, Noah Certa and Austin Putman, along with all-region and CC-News Player of the Year selection Nate Moon.

The All-Area "Dream Team" is selected based on coach nominations, the student-athletes character, performance and

statistical data.

## Charlevoix Belvedere Club Hosts Annual Michigan Amateur Championship

**Norma Jean Babcock**

**CHARLEVOIX:** The Charlevoix Belvedere Club is in the middle of hosting the 103rd Michigan Amateur Golf Championship which started June 14 and will run to June 21.

The Michigan Amateur Championship is the oldest golf tournament held in the state of Michigan. Players come from all over Michigan to be a part of this prestigious event and this year the event saw al-

most 800 participants.

Before coming to Charlevoix, this large group of amateur golfers played in sectional qualifiers which brought the total number of those playing at the Belvedere Club to 156. Over the course of Monday and Tuesday each golfer played 18 holes, at which point 64 of the best scoring players headed into the next round of one-on-one, single elimination matches. Throughout Wednesday and Thursday

the players will whittle down as the best scores head toward the one-on-one champion match held Friday afternoon (weather permitting).

This championship is devised for those living in Michigan who are not professional golfers, but have handicap indexes of 5.4 or better. The event is held by the Golf Association of Michigan (GAM), who host various events throughout the year including a Woman's Amateur and Junior's

Amateur in addition to 17 other amateur events. GAM was founded in 1919, is a non-profit organization and has more than 60,000 members.

The Belvedere is hosting the event for the 40th time in its history; it hosted many times between 1930 and 1958, then became the permanent host from 1963-1988, and most recently hosted in 2003.

Spokesman Greg Johnson of GAM stated that the Belvedere hosting 40 times is "unprecedented." "The club's course is widely regarded as one of the top courses in Michigan, and the membership there has embraced and welcomed the tournament each time," says Johnson.

Players range in age from the youngest at 15 to the eldest at 67 and this year five previous champions will play in the tournament. Players come from all over the state including Grand Rapids, St. Clair Shores, Saginaw and Manistique to name a few. Additionally, two Charlevoix men; Wyatt Drost and Tom Rex Jr. are entered in the competition.

For those interested in viewing the Championship, GAM welcomes spectators and admission is free. For more information please visit [www.gam.org](http://www.gam.org) or [www.belvederegolfclub.com](http://www.belvederegolfclub.com).

Chevrolet Traverse is one of the 10 best family cars of 2014, according to Edmunds.com and Parents magazine. PHOTO "© GENERAL MOTORS."

## Traverse is a Top Family Car for 2014

Chevrolet's crossover earns repeat place on Edmunds.com/Parents list

Chevrolet Traverse is one of the 10 best family cars of 2014, according to Edmunds.com and Parents magazine. It is the second consecutive year Traverse made the list in the SUV category. Criteria for consideration included strong safety – Traverse has a 5-star Overall Vehicle Score for safety in U.S. Government New Car Assessment Program (NCAP) testing – efficiency, value and style.

"Chevrolet is honored that the Traverse is recognized for the second consecutive year by the experts at Edmunds.com and Parents," said Steve Majoros, marketing director of Chevrolet cars and crossovers. "Traverse's winning combination blends the capability and roominess of a traditional SUV with the attributes of a crossover, including a car-like driving experience, low step-in height and good efficiency on the highway."

The recognition adds to Traverse's accolades for the year. It also was named one of Kelley Blue Book's 12 Best Family Cars for 2014. Demand for Traverse is up, too, with sales jumping 24 percent in May from year-ago numbers for the month.

Traverse offers the segment's only Front Center Air Bag. This available feature deploys from the inboard side of the driver's seat and inflates between the driver and front passenger, providing added protection for both front occupants in side-impact crashes.

Traverse also offers advanced crash-avoidance technologies, including forward collision alert and lane departure warning that use a camera and sensors to alert the driver with visual cues on the dashboard, as well as audible signals.

Traverse's standard 3.6L V-6

Traverse is designed for families, from easily cleanable seats and multiple USB ports to an available power liftgate and available rear-seat entertainment system. PHOTO "© GENERAL MOTORS."

uses direct injection technology to deliver up to 288 horsepower (215 kW) and EPA-rated highway fuel economy of 24 mpg. That's comparable with competitors' SUVs and crossovers, many of which cannot match Traverse's roominess or capability. When properly equipped, it can tow up to 5,200 pounds (2,358 kg). All-wheel drive also is available.

Traverse is designed for families, from easily cleanable seats and multiple USB ports to an available power liftgate and available rear-seat entertainment system. The second-row seat comes with a pair of captain's chairs or a three-passenger bench. Each configuration implements the SmartSlide feature that allows unobstructed access to the third-row bench seat with one hand, which makes it easy for children to operate.

The third-row seat can comfortably accommodate three adult passengers and Traverse's 24.4 cubic feet (691 liters) of cargo room behind its third row is the most storage space in the segment. Chevrolet also supports Traverse owners with two years/24,000 miles (whichever comes first) of scheduled main-

tenance, which covers four oil changes, tire rotation and a 27-point inspection.

Traverse's exterior design is centered around its Chevrolet heritage, with the classic gold bowtie positioned on a three-bar grille. Inside, premium materials include soft-touch surfaces on the instrument panel and front door uppers, contrasting stitching, chrome and silver accents and available blue ambient lighting that glow throughout the cabin. A center stack houses illuminated climate controls and showcases a 6.5-inch-diagonal color touch radio with the available Chevrolet MyLink or MyLink with navigation infotainment systems.

Enhanced connectivity and convenience comes to the 2015 Traverse with Siri Eyes Free, which enables iPhone 4S and iPhone 5 users to access Siri via steering wheel controls to check calendar entries, have text messages read and respond to them, place calls or call up music. Android phone users can also use the steering wheel controls to access their phone's voice recognition features.

## Question & Answers About Selling Real Estate Do you need Title Insurance

Compliments of Mike Stark,  
Coldwell Banker Schmidt Realtors  
East Jordan. (231) 536-7700

SCHMIDT REALTORS

During the real estate transaction (especially if you're a first-time buyer), you're hit with so many foreign terms, fees and requirements your head spins. One of those strange and unfamiliar costs is title insurance. In most cases, borrowers have no option—either you get title insurance (among other requirements) or you don't get a loan.

The lender says you need it, you want the loan to go through, so you buy title insurance. Great. So what is title insurance?

When you buy a home you want to make sure that the people selling it actually have full and legal title. The party who conducts closing will check this out by going down to the local property records office to re-search the history of ownership.

But—and here's the tricky part—those records down at the property office may be official, but they may also be wrong. It's also possible that the person who does the title search can make a mistake and also that important information may simply not be recorded.

For instance, maybe a bill against the property was not recorded or some taxes were not been paid. Or, suppose that 40 years ago the property you want to purchase was owned by Smith. Let's also imagine that Smith was a bigamist with an extra spouse. Will this matter show up on the local property records? Not likely. Does the additional Smith spouse have an ownership claim against the property? That may only be clear after a lot of legal wrangling—and if you lose, you could lose the house.

There may be other odd and bizarre claims as well. Was an owner an alcoholic? Insane? A drug user? Is there a contractor with a claim against the property? Such issues can "cloud" titles and neither lenders nor owners want clouds.

One form of title insurance, "lenders" coverage, is designed to protect (who else?) your lender in case of title problems. "Lenders" coverage is required and generally provides protection up to the origi-

nal mortgage amount—if you buy a home for \$300,000 and get a \$250,000 mortgage, then \$250,000 is as much coverage as you can get with a lender's policy. If there's a claim, the title insurer will fight on your behalf and if there's a claim the policy will pay off the loan if necessary. This is good news for you because you won't owe the lender a dime if you lose in court.

But there are also some options. For instance, you can also get "owners" coverage. This will protect your equity—that \$50,000 in the example above not covered by the lender's policy. And you can often get an "inflation rider" with an owner's policy—as the value of your home goes up, so does the value of your title coverage.

While title insurance is required by virtually all lenders, there is one big exception: Loans made in Iowa. In Iowa, the state says that attorneys and others who do title work must participate in a title guarantee program. If there's a title error, the state fund provides coverage.
